TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

RECAP

01:00:00:15 TEYLA (V/O): They call themselves the Genii. They are simple people, but good farmers...

*01:00:04:14 TEYLA (CONT'D): and fair traders.

*01:00:05:16 SHEPPARD: They look friendly enough.

01:00:07:02 TEYLA: The eldest one is called Tyrus.

*01:00:08:11 TEYLA (CONT'D): I've traded with him on many occasions.

01:00:10:13 TYRUS (INTO RADIO): I'm bringing them in.

*01:00:11:08 TYRUS (CONT'D V/O OVER RADIO): All operations to silent mode.

01:00:14:09 MCKAY (V/O): You know, if people could just learn to keep their...

*01:00:16:25 MCKAY (CONT'D): secret underground hatches locked...

*01:00:18:25 SHEPPARD (V/O): So the whole farmer thing is just a...

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:00:20:05 SHEPPARD (CONT'D): front.

*01:00:21:15 TYRUS: The next culling was supposed to be decades away.

*01:00:23:18 SHEPPARD: We're looking for allies against...

01:00:24:25 SHEPPARD (CONT'D O/S): the Wraith.

*01:00:25:20 COWEN: We had hoped to test our first atomic weapon...

*01:00:28:09 COWEN (CONT'D O/S): five years from now.

*01:00:29:18 COWEN (CONT'D V/O): Do we have that much time, Sheppard?

*01:00:31:21 SHEPPARD: No.

*01:00:33:01 MCKAY: How does getting access to a Wraith's ship computer help you?

*01:00:35:14 TYRUS (O/S): With this interface device...

*01:00:37:01 TYRUS (CONT'D): we can learn the location...

01:00:37:28 TYRUS (CONT'D O/S): of all the Wraith ships.

*01:00:38:24 SHEPPARD (O/S): So you know where...

01:00:39:20 SHEPPARD (CONT'D): to deliver your new bombs.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:00:40:26 TYRUS (V/O): The Wraith must not know we were ever here!

01:00:42:21 COCOONED VICTIM: Help me!

*01:00:44:04 TYRUS: I said, "Leave him!"

*01:00:45:10 COCOONED VICTIM (O/S): Please...

*01:00:45:28 TYRUS: Be silent!

01:00:51:24 SORA: Where's my father?

*01:00:52:18 COWEN: He did not survive.

*01:00:54:00 COWEN (O/S): By leaving him to die...

*01:00:55:11 COWEN (CONT'D): you may just as well have killed him yourself.

*01:00:57:00 COWEN (CONT'D O/S): You do not want to make an enemy...

*01:00:59:04 COWEN (CONT'D): of the Genii.

END OF RECAP

STARGATE ATLANTIS -- "THE STORM" -- Episode #110**TEASER**

01:01:13:11 SHEPPARD: I haven't been to the mainland in awhile. How's everybody settling in?

01:01:17:07 TEYLA: Halling believes the first crops will have a good yield.

01:01:20:18 SHEPPARD: Everybody still miss home?

01:01:22:09 TEYLA: There is still talk of returning, even though I've told them the Wraith have scorched Athos bare in revenge for our resistance.

01:01:29:06 SHEPPARD (O/S): Well, maybe in time, this place will start to begin to feel like home.

01:01:34:00 TEYLA: Do you see that?

01:01:38:00 SHEPPARD: It can't be a storm. It stretches across the whole horizon.

*01:01:42:06 TEYLA (O/S): I've never seen...

01:01:43:06 TEYLA (CONT'D): something like that from so high.

*01:01:45:06 SHEPPARD: I've seen a lot of things from this altitude, but nothing like that.

01:01:51:08 SHEPPARD (CONT'D INTO RADIO): Atlantis base, this is Jumper One. We're going to change our heading to investigate a storm.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:01:55:20 WEIR (INTO RADIO): Major, this is Weir. We didn't copy that. You're breaking up.

01:02:00:03 SHEPPARD (V/O OVER RADIO): I said there's a... ...and it's headed right... ...little weather forecasting.

01:02:09:02 WEIR: Did he just say "weather forecasting?"

*01:02:21:03 TEYLA: Do all storms look like this from above?

01:02:25:07 SHEPPARD: No. This must cover 20% of the planet.

01:02:29:27 TEYLA: Is it headed towards the mainland?

*01:02:32:24 SHEPPARD: It's tracking right toward the settlement.

01:02:36:15 TEYLA: And after that?

01:02:41:11 SHEPPARD: Straight to Atlantis.

END OF TEASER

STARGATE ATLANTIS -- "THE STORM" -- Episode #110**ACT ONE**

01:04:08:20 MCKAY (V/O): This planet is basically the same size as Earth.

*01:04:10:14 MCKAY (CONT'D): Now, hurricanes on Earth never get as big as this bad boy
because once they hit the shore, the brakes get put on, but without as
much land mass to slow it down here, it's just gaining momentum.

01:04:22:00 ZELENKA: Both of them are...

01:04:23:19 ZELENKA (CONT'D O/S): yes.

01:04:24:21 WEIR: Both of them?

*01:04:25:21 TEYLA: We saw only one.

*01:04:27:14 MCKAY: It only looked like one.

*01:04:29:02 MCKAY (CONT'D O/S): Now, according to the ancient database, every 20...

*01:04:31:13 MCKAY (CONT'D): or 30 years, the sea gets unseasonably warm. Now, that,
for...

*01:04:35:08 MCKAY (CONT'D O/S): reasons too boring to get into, means that...

*01:04:37:17 MCKAY (CONT'D): hurricanes are much more likely to occur.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:05:03:28 WEIR (CONT'D O/S): some sort of precautions put in place.

01:05:05:28 MCKAY: In the past, the Ancients have been protected by the shield, or
submerged deep enough in the water not be affected.

01:05:10:10 SHEPPARD (O/S): Okay...

*01:05:11:13 SHEPPARD (CONT'D): strike those options. What else have we got?

*01:05:15:04 ZELENKA: Nothing.

*01:05:15:21 ZELENKA (CONT'D O/S): If it's a real threat...

*01:05:17:09 ZELENKA (CONT'D): the high winds alone will wreak havoc.

*01:05:18:29 SHEPPARD: Come on, guys, I mean, this city's been around for a long time.

*01:05:22:25 ZELENKA: A storm surge is inevitable.

*01:05:24:21 MCKAY: Not to mention the fact that by moving over a land mass just before
hitting us, the likelihood of tornadoes and...

*01:05:29:05 MCKAY (CONT'D O/S): electrical activity is greatly increased.

*01:05:31:25 SHEPPARD: This is Atlantis. I mean, we've got to be able to handle that... right?

*01:05:38:15 MCKAY: No.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:05:40:10 WEIR: Why not?

01:05:41:10 MCKAY (O/S): The people who built...

*01:05:42:25 MCKAY (CONT'D): this city knew they had a force field capable of holding back anything mother nature, or, for that matter, the Wraith could throw at them.

*01:05:48:11 MCKAY (CONT'D O/S): Without that protection, Atlantis is remarkably fragile.

*01:05:52:09 ZELENKA: Even our conservative calculations project widespread structural damage.

*01:05:56:03 MCKAY: Flooding could sink the city entirely.

*01:05:59:00 FORD: How could something as big as Atlantis just sink?

*01:06:01:18 SHEPPARD: I'm sure the passengers on the Titanic were asking themselves the same question.

*01:06:04:25 MCKAY: Yes, well, let's not.

01:06:08:10 SHEPPARD (O/S): So, what you're saying...

*01:06:09:12 SHEPPARD (CONT'D): is if Teyla and I...

*01:06:10:15 SHEPPARD (CONT'D O/S): hadn't discovered this, we--

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:06:12:01 WEIR (INTERUPTING): We would be in even bigger trouble.

01:06:18:10 WEIR (CONT'D): All right, what's the plan?

01:06:19:23 MCKAY (O/S): By my calculations...

*01:06:20:23 MCKAY (CONT'D): we have just under 12 hours...

*01:06:22:18 MCKAY (CONT'D O/S): until the storm hits, so, uh...

*01:06:25:06 MCKAY (CONT'D): We plan to have a plan...

*01:06:27:11 ZELENKA: Yeah.

*01:06:28:00 MCKAY: By then.

*01:06:34:02 WEIR: We start investigating evacuation plans, both on the mainland, and off-world somewhere.

01:06:39:07 SHEPPARD: You know McKay will come up with something. He's just setting himself up to be a hero.

01:06:43:06 WEIR: Yeah, well, maybe Rodney is, but Dr. Zelenka, he seemed genuinely concerned.

01:06:47:07 SHEPPARD: So my orders are to come up with a friendly planet that wouldn't mind putting us up for the night.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:06:51:16 WEIR: Exactly. Take Ford, see what you can work out.

01:07:04:14 BECKETT: I don't really have the right boots for this. I was just meant to come out here and inoculate some wee babies.

01:07:10:07 TEYLA: We need all the hands we can spare before it comes. This storm could not only destroy our crops...

*01:07:14:02 TEYLA (CONT'D O/S): our settlement could be washed away. If just a few of us...

01:07:17:07 TEYLA (CONT'D): were to remain--

01:07:18:07 BECKETT: Crops can be replaced and homes rebuilt...people can't.

*01:07:21:08 TEYLA: Which is why we must do what we can now.

01:07:28:25 BECKETT: Right.

01:07:40:18 SMEADON: The entire population of Atlantis?

01:07:43:24 SHEPPARD: At most, yes.

01:07:46:19 FORD: Only for a day. Two at most.

*01:07:49:22 SMEADON: We are happy to trade with you for a share of our crops... but this.

01:07:55:12 SHEPPARD (O/S): I know it's a lot to ask,

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:07:56:05 SHEPPARD (CONT'D): but... I'm asking.

01:08:01:02 SMEADON: What do you offer in return?

01:08:04:05 SHEPPARD: I guess we'd owe you one.

01:08:06:24 SMEADON: One what?

*01:08:08:05 SHEPPARD: A favor.

01:08:12:00 SHEPPARD (CONT'D O/S): Look, we're in trouble.

*01:08:14:04 SHEPPARD (CONT'D): If you're our friend, you'll help. If not, tell me now so I can
ask somebody else.

*01:08:18:12 SMEADON: But who else would take in so many? I want something of value in
return.

*01:08:28:26 SHEPPARD (O/S): Oh, you do, do you?

*01:08:31:10 SHEPPARD (CONT'D): You know, we can go find any uninhabited planet.

01:08:34:00 SMEADON (O/S): They're usually uninhabited for good reason, Major...

*01:08:36:26 SMEADON (CONT'D): and you know that as well as I do, or you would not be
here.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:09:50:17 ZELENKA: He may be onto something.

01:09:51:14 MCKAY: I've already thought of it! It doesn't-- yes, the naquadah generators could be used to power select sections of the city, but when you subtract the areas that need to be secured just to protect themselves, it doesn't leave much power to shield anything else and the city breaks apart because of the tidal stresses.

01:10:04:05 ZELENKA (O/S): Well, we could relocate some of them, put them closer together.

01:10:06:10 MCKAY: You're right. If only we had a magical tool that could slow down time. I foolishly left mine on Earth. Did you bring yours?

*01:10:11:02 ZELENKA: You know... you're not pleasant when you're like this, McKay.

*01:10:14:14 MCKAY: I'm always like this.

*01:10:15:18 ZELENKA: My point exactly.

01:10:19:12 SHEPPARD: Well, I've got a green light from Smeadon and the Manarians.

*01:10:21:21 SHEPPARD (CONT'D O/S): I'm not sure how pleased he'll be if we get stuck there, though.

*01:10:26:26 SHEPPARD (CONT'D): That's not going to happen, right?

*01:10:29:03 MCKAY: Of course it's not. We can always gate off to another planet.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:11:07:20 MCKAY: Fine. My point is the storm will affect over 70% of the mainland...

*01:11:10:28 MCKAY (CONT'D O/S): and Atlantis isn't safe either.

*01:11:12:13 MCKAY (CONT'D): If you want everyone to live, you gate them off-world.

01:11:39:11 SMEADON (INTO RADIO): Relay station two, prepare to receive transmission.

01:11:44:16 RELAY STATION OFFICER (V/O OVER RADIO): R.S.2 awaiting transmission.
Over.

01:11:48:04 SMEADON (INTO RADIO): I need you to relay a message to Cowen, of the Genii.
Tell him we have something to trade.

END OF ACT ONE

STARGATE ATLANTIS -- "THE STORM" -- Episode #110**ACT TWO**

*01:12:17:17 FORD: This could be going faster.

01:12:19:09 TEYLA: Our people are hunters, Lieutenant, many returning from great distances.
 Others do not want to...

*01:12:21:03 TEYLA (CONT'D O/S): leave the settlement.

01:12:26:00 FORD: They know how serious this is.

01:12:29:01 TEYLA: Even I would have a hard time believing in the strength of this coming
 storm...

*01:12:33:05 TEYLA (CONT'D O/S): if I did not see it from space.

01:12:35:13 FORD: Yeah, well, do what you can to speed things up.

*01:12:40:23 ZELENKA: In the Czech Republic we don't have to deal with hurricanes.

01:12:44:11 MCKAY: We don't get that many in Canada either... once something called
 "Hazel."

01:12:47:29 ZELENKA: Hazel?

01:12:49:02 MCKAY: 40 years ago.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:12:50:02 ZELENKA: That's interesting.

01:12:51:02 MCKAY: Not really.

01:12:53:01 ZELENKA: No, not really.

01:12:54:27 MCKAY: I was once almost struck by lightning.

01:12:57:20 ZELENKA: Lightning?

01:13:06:15 MCKAY: What is the one thing keeping us from having a shield?

*01:13:09:09 WEIR: That would—

01:13:10:25 MCKAY (INTERUPTING O/S): Power.

*01:13:11:10 MCKAY (CONT'D): And what does a mega-storm from hell have lots of?

*01:13:13:16 WEIR: Power.

*01:13:14:29 MCKAY: In the form of?

*01:13:16:08 WEIR: You want to build a windmill.

*01:13:18:08 MCKAY: Electricity.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:13:19:17 ZELENKA: Atlantis is designed to withstand substantial lightning strikes. There
are lightning rods all over...

*01:13:23:20 ZELENKA (CONT'D O/S): the city.

01:13:24:18 MCKAY (O/S): All those rods are channeled...

*01:13:25:17 MCKAY (CONT'D): into four main grounding stations.

01:13:27:10 ZELENKA: Yes, in turn, those grounding stations discharge electricity back into
the ocean, keeping Atlantis safe...

*01:13:32:02 ZELENKA (CONT'D O/S): from massive electric shocks due to lightning strikes.

*01:13:34:15 MCKAY: Now, many of the hallways are lined with a superconductive material that
allows a safe, low voltage...

*01:13:38:05 MCKAY (CONT'D O/S): transfer of power throughout the city.

01:13:39:15 ZELENKA (O/S): Yeah.

01:13:39:15 MCKAY: Which, of course means...

*01:13:40:09 MCKAY (CONT'D): I'm getting there, I'm getting there. Let's say the grounding
stations weren't around, every time lightning struck the city, those halls
would become supercharged.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:13:47:07 WEIR: So wait, you want--

*01:13:48:18 MCKAY (INTERUPTING): If we were able to disable the grounding stations...

*01:13:50:28 ZELENKA: Which we think we can.

*01:13:52:07 MCKAY: Every time lightning struck the city, Atlantis would experience a
momentary massive power surge.

*01:13:56:10 MCKAY (CONT'D O/S): Now, that energy--

*01:13:57:11 ZELENKA (INTERUPTING): If it's channeled correctly, though...

*01:13:58:18 MCKAY: Yes, of course if channeled correctly...

*01:13:59:27 MCKAY (CONT'D O/S): could conceivably be used...

*01:14:01:10 MCKAY (CONT'D): to charge up the shield generator. Now, the more severe the
storm, the more energy is produced and the longer we can keep the
shield running.

*01:14:07:16 ZELENKA (O/S): It's an ingenious plan, really.

01:14:09:16 MCKAY (O/S): I'm compelled to agree.

*01:14:10:17 ZELENKA: The only downside is we have no way of storing all that energy.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:14:13:18 MCKAY: Ah, once the storm stops and the lightning stops striking...

01:14:16:00 ZELENKA: Yeah, we have no way of charging up the generator.

01:14:18:00 MCKAY: Then we're back to square one.

*01:14:19:02 WEIR: So the city would survive?

*01:14:21:21 MCKAY: I'd give us better than 90%.

*01:14:23:00 ZELENKA: 70.

*01:14:23:16 MCKAY: 80% chance.

*01:14:24:17 WEIR: Okay, so we should still evacuate.

*01:14:26:04 MCKAY (O/S): Yes, but not just because...

01:14:27:04 MCKAY (CONT'D): of Zelemka's pessimism.

01:14:28:04 ZELENKA: Zelenka. if the plan works, the city will become highly charged with
electricity.

*01:14:32:10 ZELENKA (CONT'D O/S): Really, the only safe place to be once the lightning
begins to strike...

*01:14:35:00 ZELENKA (CONT'D): is in the control room.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:14:36:17 MCKAY: Mm. We need to evacuate everyone off-world until the storm passes and execute the plan with the smallest team possible.

*01:14:41:29 WEIR: Okay, good. Get on it.

*01:14:44:26 MCKAY: Right. To the grounding stations.

01:14:46:27 ZELENKA: No, I think we should go to the power distribution centers first.

01:14:48:27 MCKAY: Ah, good point, good call. Okay. I'm getting ahead of myself. Yeah.

01:14:51:27 ZELENKA: Okay, so...

01:16:23:10 GENII PRIVATE (O/S): Commander Kolya...

*01:16:25:23 GENII PRIVATE (CONT'D): Chief Cowen needs to see you immediately.

*01:16:28:04 KOLYA: I am not to be disturbed while training.

01:16:31:15 GENII PRIVATE: He said "immediately," sir.

01:16:52:15 FORD: Still haven't turned up yet?

01:16:53:22 TEYLA: I'm afraid not.

*01:16:54:25 TEYLA (CONT'D O/S): They are on a hunting mission. No one has been able to get them word about the evacuation.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:16:59:01 FORD (O/S): How many again?

01:17:00:05 TEYLA: Three. Two boys and a young woman.

*01:17:01:21 BECKETT: Why don't we just take our jumper and go find them?

*01:17:04:20 TEYLA: They are hunting in dense vegetation. Even if we were able to locate
 them, we would be unable to land.

01:17:10:09 BECKETT: Jumper Three is loaded and ready to go. Maybe you should just--

*01:17:12:13 TEYLA: Just go. I will stay behind and give the hunters more time.

01:17:16:20 FORD: I'll stay with you.

*01:17:19:26 BECKETT: Okay, I get the point. We'll wait.

*01:17:25:11 KOLYA: They're not ready.

01:17:26:15 COWEN: Of course they are.

01:17:28:11 KOLYA: You commissioned me to train a group of men who, on their most
 treacherous day, guarded this facility...

*01:17:32:10 KOLYA (CONT'D O/S): or performed some sort of reconnaissance mission.

01:17:36:15 KOLYA (CONT'D): They are not yet a strike force.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:17:38:26 COWEN: This is the rarest of opportunities. Within the next hour, there will be less than 10 people on Atlantis...

*01:17:45:05 COWEN (CONT'D O/S): most of them only scientists. Now, surely...

*01:17:48:13 COWEN (CONT'D): you can accomplish our goals and get out before the storm hits.

*01:17:51:27 KOLYA: If all goes well... but we don't train assuming all will go well.

*01:17:57:05 COWEN: We cannot afford to pass up this opportunity.

*01:18:00:15 KOLYA: You wanted my opinion. I gave it to you.

01:18:03:25 COWEN (O/S): And I value that opinion...

01:18:06:20 COWEN (CONT'D): But the Atlantians are in possession of materials that are vital to our goal of defeating the Wraith. We need them.

*01:18:14:24 COWEN (CONT'D): I need them.

01:18:20:10 COWEN (CONT'D): Ready your strike force.

01:18:44:28 MCKAY: That's everybody. We've got just over four and a half hours until the storm hits. Let's get down to the labs.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:18:54:20 SHEPPARD: Evacuate the people on in-bound Jumper Two as soon as they come in.

01:18:57:15 GUARD #1: Yes, sir.

01:19:08:13 DORAN: I'm finally at the point where I don't mind the taste of it.

01:19:12:05 SMEADON: I was raised on this brew. It burned away whatever taste sense I had.

01:19:19:18 SMEADON (CONT'D): So, you think you can teach our farmers a thing or two?

*01:19:24:06 DORAN: Yes, yes, that's what I was saying, yes. Most people think...

*01:19:30:06 DORAN (CONT'D O/S): that farming is planting good seed in well-tilled soil, which it is. It is, but there's also...

*01:19:34:24 DORAN (CONT'D): more, and that knowledge is here.

01:19:42:05 SMEADON (O/S): And you want to trade...

*01:19:43:11 SMEADON (CONT'D): these marvelous skills in an exchange for a piece of my land.

*01:19:47:09 DORAN: I do.

*01:19:48:12 SMEADON: I think I'll need...

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:19:49:19 SMEADON (CONT'D O/S): something more.

01:19:54:05 DORAN: That hurt.

01:20:00:26 DORAN (CONT'D O/S): Who are you?

01:20:03:21 KOLYA: Tell me the sequence of numbers to enter in this device.

*01:20:06:01 DORAN: I can't tell you that.

01:20:10:29 SORA: It isn't worth dying for.

*01:20:14:02 DORAN (O/S): You don't understand.

*01:20:15:25 DORAN (CONT'D): It's my hand that you need to put in the code. That's how it
works.

*01:20:20:17 KOYLA (O/S): And the shield...

01:20:21:17 KOYLA (CONT'D): of the Atlantis Stargate will be lowered?

*01:20:23:00 DORAN (O/S): Yes...

01:20:23:24 DORAN (CONT'D): yes. What is this? Who are they?

*01:20:28:05 KOYLA: Bring him to the gate.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:20:29:14 SMEADON: They are friends, Doran.

*01:20:30:27 KOYLA: Make sure he will enter the code.

*01:20:33:07 SORA: He will.

*01:20:34:27 SMEADON: Do as they say, and we'll see about that piece of land.

01:20:47:23 KOYLA: You have done a great service for the Genii and will be rewarded.

END OF ACT TWO

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

ACT THREE

*01:21:19:20 MCKAY: There are dozens, possibly hundreds of lightning rods placed strategically around the city.

01:21:23:08 SHEPPARD: Wait a sec.

01:21:24:20 MCKAY: What?

01:21:25:10 SHEPPARD: Why?

*01:21:26:02 MCKAY: Why what?

*01:21:28:04 SHEPPARD: Why are there hundreds of lightning rods placed around the city?

*01:21:30:24 SHEPPARD (CONT'D O/S): Wouldn't the shield protect against lightning?

01:21:32:14 MCKAY (O/S): Yes, yes, it would...

*01:21:33:14 MCKAY (CONT'D): but running the shield all the time is only good for one thing...
draining power.

*01:21:36:24 SHEPPARD: Right.

*01:21:38:04 MCKAY: You're aware that there is a time element to what we're doing here,
right?

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:21:39:26 SHEPPARD (O/S): Yes...

01:21:40:16 SHEPPARD (CONT'D): it's been brought to my attention.

01:21:41:28 MCKAY: Like I was saying, there are lightning rods, a lot of them, placed all over the city. Now, as it stands right now, all the energy they capture is routed into four main grounding stations.

*01:21:50:18 MCKAY (CONT'D O/S): In turn, these stations ground all that energy...

*01:21:52:14 MCKAY (CONT'D): into the ocean below us.

01:21:53:16 SHEPPARD (O/S): So instead of sending...

*01:21:54:16 SHEPPARD (CONT'D): electricity to ground...

*01:21:55:26 MCKAY: We use it to power the shield.

*01:21:57:11 WEIR: How?

*01:21:58:07 MCKAY (O/S): By directing it...

01:21:58:27 MCKAY (CONT'D): right down the corridors of Atlantis and into the shield generators.

*01:22:01:10 WEIR: The city can handle that?

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:22:02:24 MCKAY: Yes, theoretically.

*01:22:04:29 SHEPPARD: Like dinosaurs turned into birds "theoretically," or theory of relativity
"theoretically?"

01:22:10:20 MCKAY: What? Uh... somewhere between. Elizabeth...

*01:22:14:15 MCKAY (CONT'D O/S): you take...

*01:22:15:15 MCKAY (CONT'D): grounding station two, I'll take grounding station one.

*01:22:18:18 MCKAY (CONT'D O/S): Major, you take stations three and four.

01:22:21:01 SHEPPARD: Whoa, wait a sec, where are stations three and four?

*01:22:23:09 MCKAY: Here and here.

*01:22:24:23 SHEPPARD: And we are...

*01:22:26:04 MCKAY: Here, yes. I need to get done quickly so I can start working on the sub-
routines, and Elizabeth was complaining about her knee the other day,
so--

*01:22:30:15 SHEPPARD (INTERRUPTING O/S): Whoa, wait a second.

*01:22:31:25 SHEPPARD (CONT'D): Are these things even close to a transporter?

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:22:34:15 MCKAY: Uh, yes, Elizabeth's is.

*01:22:36:05 SHEPPARD: And mine?

*01:22:37:13 MCKAY: It's a brisk walk away.

*01:22:39:14 SHEPPARD: And by brisk you mean far?

*01:22:42:05 MCKAY: And by walk I mean run.

*01:22:43:23 SHEPPARD: Okay.

01:22:45:00 MCKAY (O/S): You'll need to radio in once you've gotten...

*01:22:46:18 MCKAY (CONT'D): to your first station.

01:22:48:21 SHEPPARD: All right, let's do it.

01:22:56:02 TEYLA: Hurry! Move! Come this way! Hurry!

*01:23:03:00 FORD: Are you okay? You okay?

01:23:04:07 BECKETT: Here it comes.

01:23:05:07 FORD: Okay, just sit here. Strap in as best you can. It's going to be a real bumpy ride. All right, let's get out of here.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:24:13:07 MCKAY (V/O OVER RADIO): I told you to contact me when you got to the first one, Major.

01:24:17:06 SHEPPARD (INTO RADIO): I am at the first one, Rodney.

*01:24:19:14 MCKAY (INTO RADIO): Oh, sorry, I'm already done mine.

*01:24:22:23 SHEPPARD (INTO RADIO): Oh, great, good for you.

01:24:25:06 WEIR (V/O OVER RADIO): Me too.

01:24:27:23 SHEPPARD (INTO RADIO): Good for everyone.

*01:24:29:00 MCKAY (INTO RADIO): Where are you now?

*01:24:30:20 SHEPPARD (INTO RADIO): I'm at the damn grounding station.

*01:24:33:14 MCKAY (INTO RADIO): No, no, no, no, not you.

01:24:35:00 WEIR (V/O OVER RADIO): I'm in the transporter.

01:24:39:03 MCKAY (O/S): There you are.

01:24:39:24 WEIR: There I am.

01:24:41:04 SHEPPARD (V/O OVER RADIO): Glad everybody is having such a good time.
What do I do?

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:24:44:04 MCKAY (INTO RADIO): There should be a keypad right on the console of the station.

01:24:54:15 SHEPPARD (INTO RADIO): Got it.

*01:24:55:24 MCKAY (INTO RADIO): Punch in the Ancient equivalent of 0-3-1—

01:24:57:20 MCKAY (CONT'D V/O OVER RADIO): 5-4-7.

*01:25:06:02 MCKAY (INTO RADIO): That do it?

01:25:14:13 SHEPPARD (INTO RADIO): Yep.

01:25:15:15 MCKAY (INTO RADIO): Good, three down, one to go. They all seem to have the same separation code, so, uh, get to the next one, repeat the procedure, we'll meet you in the control room.

01:25:23:21 MCKAY (INTO RADIO): Roger that.

01:25:27:09 GUARD #1: Bacon.

01:25:28:28 GUARD #2: The one thing you wish you'd brought with you is bacon?

01:25:31:05 GUARD #1: It's the food that makes other food worth eating.

01:25:34:04 GUARD #2: You wish you brought bacon to another galaxy?

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:26:16:05 SORA: They were everywhere! I can't believe...

01:26:17:14 SORA (CONT'D O/S): they didn't kill us all.

01:26:18:14 GUARD #2 (O/S): Who?

01:26:20:15 (GUNSHOTS)

01:26:24:15 KOLYA (O/S): All right, check your weapons.

01:26:36:02 KOLYA: Secure the room.

*01:26:42:24 SORA (O/S): These men...

01:26:43:24 SORA (CONT'D): could have been overpowered. We need the Atlantians to be cooperative.

01:26:50:11 KOLYA: Secure the room.

01:26:54:03 SORA: Cover the entrances.

01:27:12:15 WEIR (V/O OVER RADIO): Apparently there's wounded incoming.

01:27:15:25 SHEPPARD (INTO RADIO): That doesn't make any sense. They said it was Wraith-related?

*01:27:18:13 WEIR (INTO RADIO): We'll ask them ourselves in a second. Hold on.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:27:23:18 WEIR: What the hell is going on?

01:27:37:25 KOLYA: Dr. Elizabeth Weir?

01:27:40:15 WEIR: Yes?

01:27:43:05 KOLYA: And you must be Dr. McKay.

01:27:48:08 SORA: That is him.

*01:27:51:13 KOLYA (V/O OVER RADIO): Where is Major Sheppard? I would like to know the whereabouts of Major Sheppard.

*01:27:57:09 WEIR: You seem to know a lot about us. Who are you?

01:28:02:06 MCKAY: They're Genii.

*01:28:03:10 KOLYA (O/S): There's only one thing you need to know, Dr. Weir.

*01:28:05:28 KOLYA (CONT'D): As of right now...we are in control of Atlantis.

END OF ACT THREE

STARGATE ATLANTIS -- "THE STORM" -- Episode #110**ACT FOUR**

01:28:59:15 SHEPPARD (INTO RADIO): Puddle Jumper Two, this is Sheppard. Come in.

01:29:03:13 SHEPPARD (CONT'D INTO RADIO): Jumper Two, do you copy?

*01:29:08:08 FORD (INTO RADIO): This is Ford, sir. We decided to wait out the storm in the
Jumper.

*01:29:11:22 SHEPPARD (INTO RADIO): You're still on the mainland?

01:29:13:20 FORD (V/O INTO RADIO): Yes, sir.

01:29:15:21 SHEPPARD (INTO RADIO): Well, we've got a situation, here. From what I can
ascertain, a small Genii strike force has gated in.

01:29:20:27 FORD (INTO RADIO): The Genii? The folks who wanted us to build them an A
bomb?

01:29:23:23 SHEPPARD (V/O OVER RADIO): Yeah, that's them.

*01:29:25:00 SHEPPARD (CONT'D INTO RADIO): They've got Weir and McKay hostage.

*01:29:26:27 SHEPPARD (CONT'D V/O OVER RADIO): They've also got control of the gate
room.

01:29:29:04 FORD (INTO RADIO): You're breaking up, sir, did you say hostage?

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:29:31:00 SHEPPARD (INTO RADIO): Affirmative.

01:29:39:00 FORD (INTO RADIO): We're on our way.

*01:29:40:20 BECKETT: What do you think you're doing?

*01:29:41:29 FORD: You heard him.

*01:29:43:20 BECKETT: Take a look outside, hotshot.

*01:29:45:14 BECKETT (CONT'D O/S): We're not flying through this.

*01:29:46:29 FORD (O/S): McKay and Weir were taken hostage, Doc.

*01:29:49:04 FORD (CONT'D): I'm just going to sit here and do nothing.

*01:29:50:25 BECKETT: Neither one of us are real pilots. If it was a bad idea an hour ago, it's
an idiotic one now.

*01:29:56:17 FORD: We're going to have to take our chances.

01:29:58:21 TEYLA (O/S): Dr. Beckett is right, Lieutenant.

*01:29:59:27 TEYLA (CONT'D): We are of no use to Major Sheppard dead.

*01:30:01:23 TEYLA (CONT'D O/S INTO RADIO): Major, this is Teyla.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:30:03:18 TEYLA (CONT'D V/O OVER RADIO): The hurricane is in full force outside. We
 could attempt to fly through it, but it is doubtful that we would make it
 back to Atlantis...

*01:30:09:14 TEYLA (CONT'D INTO RADIO): and we have three young passengers.

01:30:13:15 SHEPPARD (INTO RADIO): That's bad news.

*01:30:14:20 TEYLA (INTO RADIO): I am sorry.

*01:30:16:10 SHEPPARD (INTO RADIO): So am I. You stay put until it passes over.

*01:30:19:18 FORD (INTO RADIO): Sir, I--

01:30:20:14 SHEPPARD (INTERRUPTING V/O OVER RADIO): It's okay, Lieutenant.

*01:30:21:26 SHEPPARD (CONT'D INTO RADIO): Just get your ass back here as soon as you
 can. I could use a little backup.

01:30:27:15 FORD (INTO RADIO): Good luck, sir.

01:30:28:28 SHEPPARD (V/O OVER RADIO): Sheppard out.

01:31:03:12 WEIR: Who are you?

01:31:06:13 KOLYA: Commander Acastus Kolya, of the Genii.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:31:14:10 KOLYA (CONT'D): This Atlantis is extraordinary... more than I ever imagined.

01:31:20:20 WEIR: What have you done with the rest of my people?

01:31:23:12 KOLYA: I'm quite sure they have no idea we're even here.

01:31:26:06 WEIR (O/S): Then they're safe?

01:31:28:09 KOLYA: Yes.

*01:31:29:15 WEIR: How were you able to bypass the shield?

*01:31:32:00 KOLYA: With the time-tested combination of strong drink and weak minds.

01:31:37:15 WEIR (O/S): There was a time...

*01:31:38:25 WEIR (CONT'D): when our two peoples considered becoming allies.

*01:31:43:12 WEIR (CONT'D): Why are you doing this?

01:31:47:15 KOLYA: You are in possession of supplies we vitally need.

*01:31:51:00 KOLYA (CONT'D): Hand them over without difficulty and we leave peacefully.

01:31:55:20 WEIR: Or?

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:31:56:27 KOLYA: We're both intelligent people, Dr. Weir. I'm sure there's no need for me to demonstrate once again the strength of my resolve?

01:32:07:11 WEIR: Which supplies did you have in mind?

*01:32:09:11 KOLYA: All of your stores of the C4 explosive...

*01:32:11:11 KOLYA (CONT'D O/S): all of your medical supplies...

*01:32:13:18 KOLYA (CONT'D): the Wraith Data Device you stole from my people...

*01:32:17:27 KOLYA (CONT'D): And one of your ships.

*01:32:20:04 MCKAY: Is that all?

*01:32:22:06 KOLYA: No.

01:32:26:00 KOLYA (CONT'D): Where is Major Sheppard?

*01:32:28:29 WEIR: He's on the mainland.

*01:32:30:06 WEIR (CONT'D O/S): What you're asking for isn't that easy.

*01:32:33:23 WEIR (CONT'D): We've had to divert a lot of power in order to prepare for the storm.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:32:37:04 WEIR (CONT'D O/S): The armory safety doors have shut, which means we
can't...

01:32:41:14 KOLYA (O/S): Just so we're clear,

*01:32:42:14 KOLYA (CONT'D): I know you're lying.

01:32:51:00 MCKAY: Elizabeth, just give him what he needs.

*01:32:52:13 MCKAY (CONT'D V/O OVER RADIO): If he needs the C4, the medical supplies,
and the Wraith Data Device, then just give it to him. None of that is worth
dying for.

*01:33:04:10 KOLYA: Step away from the console.

01:33:08:16 MCKAY: I was leaning. I was just leaning.

*01:33:09:28 WEIR (O/S): Your request is unreasonable. Now, you can't possibly need...

*01:33:13:11 WEIR (CONT'D): all our C4, or all our medical supplies.

*01:33:17:08 KOLYA: You're in no position to tell me what is reasonable and what is not.

*01:33:20:13 WEIR: How do we know that you won't kill us once we give you what you need?

01:33:25:10 KOLYA: You don't.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:33:28:00 KOLYA (CONT'D O/S): Please show my men where they can find what they're looking for.

01:33:47:25 KOLYA (CONT'D): What are you doing here?

*01:33:49:28 MCKAY: From my understanding, I'm being held hostage.

01:33:53:21 KOLYA: I mean here, in Atlantis. Why did some of you stay behind?

01:33:58:12 MCKAY: Oh. Tie up some loose ends.

01:34:03:02 KOLYA: Like what?

*01:34:04:02 MCKAY: You know. Make sure everyone got out okay.

01:34:09:00 KOLYA: Isn't that the work of someone less important?

*01:34:11:02 MCKAY: You'd think so, wouldn't you?

01:34:16:09 KOLYA: You have a plan, don't you?

*01:34:18:03 MCKAY: Yeah, I've got lots of plans about lots of things.

*01:34:20:22 KOLYA: I'm interested in the plan you have to save the city.

*01:34:23:16 MCKAY: I never said anything about saving anything.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:34:27:15 KOLYA: Not yet.

01:35:03:08 SORA: Where is Teyla Emmagan?

*01:35:06:27 WEIR: You know Teyla?

*01:35:08:10 SORA: Is she here, in the city?

01:35:12:17 WEIR: No, she isn't.

01:35:17:10 WEIR (CONT'D): You must be Sora.

*01:35:18:27 WEIR (CONT'D O/S): I read the Genii mission report.

*01:35:21:14 WEIR (CONT'D): I'm sorry about your father.

*01:35:23:10 SORA: He will be avenged.

*01:35:25:08 WEIR: Teyla didn't kill him.

01:35:26:08 SORA (O/S): No.

*01:35:27:06 SORA (CONT'D): She left him to die.

*01:35:29:07 WEIR: She had no choice...

*01:35:30:23 SORA (O/S): Are you finished?

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:35:38:03 WEIR (O/S): All of the information we downloaded from the Wraith ship is still on this device.

01:36:23:25 WEIR: What did they do to you?

01:36:24:27 MCKAY: I tried to keep my mouth shut. I tried, it's just I couldn't...

01:36:29:07 KOLYA: What's the meaning of this?

01:36:32:16 WEIR: I honestly have no idea.

*01:36:33:26 MCKAY (O/S): It's a radio.

*01:36:36:14 MCKAY (CONT'D): The arrow points to the talk button.

01:36:40:15 KOLYA (INTO RADIO): This is Commander Kolya.

01:36:41:18 SHEPPARD (V/O OVER RADIO): Kolya...

*01:36:42:29 SHEPPARD (CONT'D INTO RADIO): That's a hard name to pronounce. Is that a first name?

01:36:48:29 SHEPPARD (CONT'D V/O OVER RADIO): My name's Major John Sheppard...

*01:36:50:25 SHEPPARD (CONT'D INTO RADIO): and I have hidden the C4 where you will never, I repeat, never, find it. When I get confirmation that the prisoners have been safely released and allowed to gate off Atlantis...

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

*01:37:02:04 SHEPPARD (CONT'D V/O OVER RADIO): I will help you find it.

01:37:04:27 KOLYA: He's good.

01:37:06:04 WEIR (O/S): Yes, he is.

*01:37:06:24 WEIR (CONT'D): I'd do what he says.

*01:37:08:27 KOLYA (INTO RADIO): Your offer is very generous, Major.

*01:37:11:03 SHEPPARD (INTO RADIO): Yes, it is.

01:37:13:02 KOLYA (V/O OVER RADIO): However, Dr. McKay recently shared with me there's
a plan in action to save the city.

01:37:18:10 SHEPPARD (INTO RADIO): He did?

*01:37:19:08 KOLYA (O/S INTO RADIO): He did. My understanding...

*01:37:21:22 KOLYA (CONT'D INTO RADIO): is there is one final grounding station that needs
to be deactivated.

*01:37:24:19 KOLYA (CONT'D V/O OVER RADIO): Uncouple the grounding rods at station
three, assist...

*01:37:27:22 KOLYA (CONT'D INTO RADIO): with the reactivation of the shield and you and
your friends can leave here, unharmed.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110

01:37:31:26 SHEPPARD (V/O OVER RADIO): Wait a minute.

*01:37:33:07 SHEPPARD (CONT'D INTO RADIO): I thought all you wanted was C4 and a
Jumper.

*01:37:35:27 KOLYA (INTO RADIO): Why raid a city when you can seize it, Major? Atlantis will
be ours or the ocean's...

*01:37:44:08 KOLYA (CONT'D INTO RADIO): You choose.

END OF ACT FOUR

ACT FIVE

01:38:11:21 FORD: We should have heard something from the Major by now.

*01:38:14:08 TEYLA: Perhaps he has not had the opportunity.

01:38:16:13 FORD (O/S): I don't like not knowing...

*01:38:17:13 FORD (CONT'D): what's going on in there.

01:38:18:20 BECKETT: Why would the Genii attack us? Why now?

*01:38:20:15 FORD (O/S): We didn't exactly leave on the best terms.

*01:38:23:08 FORD (CONT'D): I mean, beside from the fact that we stole some of their gear
and didn't hand over the C4 we promised them, they're pretty convinced
Teyla killed one of their top guys.

*01:38:29:16 TEYLA: They believe so falsely.

*01:38:30:25 TEYLA (CONT'D O/S): The fact that they chose our weakest hour cannot be a
coincidence. Someone must have...

*01:38:35:26 TEYLA (CONT'D): told them that we would be at a diminished capacity.

*01:38:38:06 FORD: There's got to be a way back.

STARGATE ATLANTIS -- "THE STORM" -- Episode #110
