01:00:10:02 MCKAY: Look familiar?

01:00:11:02 RONON: No.

01:00:12:18 TEYLA: Me either. I do not believe I have been to this planet before.

01:00:16:11 MCKAY: There's no sign of any settlements, at least nothing recent.

01:00:18:29 RONON: Other than the smoke from that campfire.

01:00:25:14 MCKAY: Oh. Yes, well, other than that.

01:00:32:03 SHEPPARD: I'll land us within a few hundred yards.

01:00:49:00 MCKAY: It's primitive, definitely primitive.

01:00:51:05 MCKAY (CONT'D): Probably not even worth making contact. What is that smell?

01:00:55:13 SHEPPARD: Hello?

01:01:00:14 TEYLA: It appears they left in a hurry.

01:01:01:24 SHEPPARD (O/S): They're not used to...

01:01:02:25 SHEPPARD (CONT'D): Friendlies coming out of the gate.

01:01:01:07:23 MCKAY (O/S): What are you--

01:01:09:03 MCKAY (CONT'D): Oh, my God, he's tasting it. You don't know what that is. That
 could be their laundry.

01:01:13:07 RONON: Pretty good.

01:01:15:18 MCKAY: Oh, yes, good idea. And when you're finished with their porridge, why
 don't we try their beds, hmm?

01:01:22:00 RONON: Want some?

01:01:24:13 MCKAY: How good is it?

01:01:25:20 SHEPPARD (O/S): Leave it be...

01:01:26:05 SHEPPARD (CONT'D): Goldilocks.

01:01:27:13 RONON: Get down!

01:01:31:12 RONON: Take cover!

01:01:36:27 RONON: Get down!

01:01:43:18 (GUNFIRE)

01:01:46:03 (BLAST)

01:01:47:03 MCKAY (O/S): What the hell's in those slingshots?

01:01:53:00 MCKAY (CONT'D): Are you all right?

01:01:54:17 RONON: I'm fine.

01:01:55:20 RONON: Ohh!

01:01:59:12 SHEPPARD (O/S): You know...

01:02:01:01 SHEPPARD (CONT'D): This is not the way to make new friends!

01:02:04:25 SHEPPARD (CONT'D): But we'll leave if you want us to!

01:02:08:29 SHEPPARD (CONT'D): I'll take that as a yes. Let's go back to the jumper.
Teyla...

01:02:12:15 SHEPPARD (CONT'D): You're on point.

01:02:13:22 SHEPPARD (CONT'D): I'll take the six. McKay, help Ronon.

01:02:15:01 RONON: Don't worry about me.

01:02:16:00 SHEPPARD: I'm a worrier. Let the man give you a hand.

01:02:18:12 (INDISTINCT SHOUTING)

01:02:21:12 TORRELL: Fire!

01:02:23:02 (GUNFIRE)

01:02:31:26 (AIRCRAFT WHIRRING)

01:02:43:10 (ENGINE THUNDERS)

01:03:00:08 SHEPPARD (SHOUTING): All right, move! Move!

01:03:05:00 (RAPID GUNFIRE)

01:03:21:25 SHEPPARD: Everyone in one piece?

01:03:24:04 RONON: Yeah, thanks to that ship.

01:03:25:18 TEYLA: Be still.

01:03:26:24 SHEPPARD: Yeah, I like their timing.

01:03:28:21 MCKAY: No kidding. Did you see that thing?

01:03:29:22 SHEPPARD: Yeah, I saw that thing.

01:03:31:22 PILOT (V/O OVER RADIO): Unidentified ship...

01:03:32:14 PILOT (V/O CONT'D): This is the security vessel Poros. Follow us immediately,
and we will lead you to the city.

01:03:37:06 SHEPPARD (O/S): Understood, Poros...

01:03:39:03 SHEPPARD (O/S CONT'D): And thanks for the help back there.

01:03:41:02 SHEPPARD (CONT'D): That's how you make new friends.

ACT ONE

01:04:28:29 MARIN: Welcome to Olesia. I am Marin.

01:04:32:15 SHEPPARD: Lieutenant Colonel John Sheppard. Teyla Emmagan, Dr. Rodney McKay, Ronon Dex.

01:04:37:28 MARIN: Please follow me.

01:04:43:00 MARIN (CONT'D): I sent a security detachment as soon as we detected your presence on the island. The prisoners there can be quite hostile.

01:04:48:16 SHEPPARD: Yeah, we definitely got off on the wrong foot.

01:04:50:12 TEYLA: Prisoners?

01:04:51:18 MARIN: Yes, the island's a penal colony. The prisoners usually don't cause much trouble, as long as you don't try to land there.

01:04:58:00 MCKAY: Well, you could put up a sign.

01:04:59:11 TEYLA: The Stargate is on the island. Does this not affect your ability to trade with other worlds?

01:05:05:07 MARIN: Yes, of course. As a result, we have needed to be almost entirely self-sufficient.

01:05:10:11 SHEPPARD: Then why put a prison there?

01:05:11:12 TEYLA: I believe the Magistrate is better suited to answer these questions. He's very eager to meet you.

01:05:16:08 MAGISTRATE (V/O): Your ship is a most intriguing design.

01:05:19:16 MAGISTRATE (CONT'D): I must admit, I'm surprised to find others in this galaxy
whose technology rivals our own.

01:05:26:06 MAGISTRATE (CONT'D): Aside from the Wraith, I mean.

01:05:28:06 MCKAY: It's funny--I was about to make the exact same comment.

01:05:31:04 MAGISTRATE: Where do you come from?

01:05:32:25 SHEPPARD: Until recently, Atlantis.

01:05:36:15 MAGISTRATE: The ancestral city?

01:05:37:22 SHEPPARD (O/S): Yeah.

01:05:38:23 SHEPPARD (CONT'D): Unfortunately, it was destroyed by the Wraith a short time ago.

01:05:42:07 MAGISTRATE: How tragic.

01:05:43:28 SHEPPARD: Yeah, we're pretty broken up about it.

01:05:46:08 TEYLA: We are part of a small group of people that were able to escape.

01:05:49:18 MAGISTRATE: How fortunate for you.

01:05:51:03 MCKAY (O/S): Yes, yes. Very fortunate. Look, getting back to the technology thing...

01:05:52:25 MCKAY (CONT'D): I'm just curious. How have you been able to make such
advancements without the Wraith stepping in?

01:05:57:03 MAGISTRATE: The Wraith have chosen to leave us alone.

01:06:02:15 SHEPPARD: Why?

01:06:03:22 MAGISTRATE: I don't know.

01:06:05:23 RONON: They've never come here?

01:06:07:03 MAGISTRATE (O/S): The Wraith have been here...

01:06:08:27 MAGISTRATE (CONT'D): Many times, but with the ancestral ring on the island, the Wraith have always been, uh...how shall I put this? Satiated with the prisoners living...

01:06:18:27 MAGISTRATE (CONT'D O/S): There. The Wraith have no need to venture...

01:06:22:03 MAGISTRATE (O/S CONT'D): Any further.

01:06:23:19 SHEPPARD: Well, that would explain why you put the prison there.

01:06:26:04 MAGISTRATE: The island has been a penal colony for hundreds of years.

01:06:30:27 MAGISTRATE (CONT'D O/S): Its location there...

01:06:32:25 MAGISTRATE (O/S CONT'D): Has benefited my people greatly.

01:06:34:27 SHEPPARD: Not all your people.

01:06:35:28 MAGISTRATE (O/S): I assure you...

01:06:37:10 MAGISTRATE (CONT'D): Only the most violent criminals are sent there...as you
discovered.

01:06:46:10 RONON: It's a good crime deterrent.

01:06:48:23 MAGISTRATE: Crime is virtually non-existent on Olesia.

01:06:52:17 MAGISTRATE (CONT'D O/S): Unlike the prisoners, we pride ourselves...

01:06:55:18 MAGISTRATE (CONT'D): On being a most hospitable and civilized people.

01:07:05:01 MAGISTRATE: This section of the city is devoted to scientific research. Our scientists have recently attained success in the enrichment of a fissionable, yet non-radioactive material to be used in generating power for the city.

01:07:16:00 MCKAY: Fissionable yet non-radioactive? Well, that's...is that even possible?
What kind of material is it?

01:07:20:00 MAGISTRATE: It's an ore...

01:07:21:10 MAGISTRATE (CONT'D): Extracted from a mineral found on our planet. It's quite volatile, yet yields great promise.

01:07:26:24 MAGISTRATE (CONT'D): I'd be very happy to show you the laboratory.

01:07:28:24 MCKAY: I'd be very happy to see it.

01:07:29:22 SHEPPARD: I'd be very happy to go back to our ship. Our people are due to check in with us in a little while over radio. I'll have to get back within range.

01:07:37:00 MAGISTRATE: You can link with one of our radio relay stations. It should be enough power to reach the island, if that's your concern.

01:07:42:19 SHEPPARD: So we'll be speaking privately?

01:07:44:17 MAGISTRATE: Of course.

01:07:52:10 WEIR: You believe they might be willing to share some of this mineral?

01:07:55:00 SHEPPARD (V/O OVER RADIO): They seem open to it. They don't get many trading opportunities coming through the gate.

01:07:59:03 WEIR: Sounds promising.

01:08:00:14 SHEPPARD: There is, however, the minor moral hiccup of their form of capital punishment.

01:08:05:10 WEIR (V/O OVER RADIO): I'm sorry?

01:08:06:17 MCKAY: They have an island. It's their own version of Alcatraz, where they send their worst criminals.

01:08:10:19 SHEPPARD: And the gate...

01:08:11:23 SHEPPARD (CONT'D V/O OVER RADIO): Is on the island, so...

01:08:13:25 WEIR: So the Wraith feed on the prisoners?

01:08:15:25 SHEPPARD (V/O OVER RADIO): Yep.

01:08:17:12 WEIR: Talk about cruel and unusual punishment.

01:08:19:17 MCKAY: I prefer lethal injection, although I do have a certain fondness for the electric chair. Call me a romantic.

01:08:24:18 RONON (O/S): The Wraith...

01:08:26:01 RONON (CONT'D): Get what they want, and the Olesians get left alone. I'm surprised it works.

01:08:30:23 SHEPPARD (O/S): He did, however, say that only the most violent...

01:08:33:03 SHEPPARD (CONT'D): Criminals get sent there, and that it has been this way for hundreds of years.

01:08:37:13 TEYLA: Do you kill all of your violent criminals on Earth?

01:08:39:28 MCKAY: Certain countries, yes.

01:08:42:14 SHEPPARD: Do we need to get into this right now?

01:08:44:10 WEIR (V/O OVER RADIO): Well, we do if we plan on doing business with these people.

01:08:47:08 WEIR (CONT'D): I want to know more before I jump to any conclusions.

01:08:52:20 SHEPPARD (V/O): We were able to speak...

01:08:54:14 SHEPPARD (CONT'D): With our people, thank you.

01:08:55:22 MAGISTRATE: Of course.

01:08:57:00 SHEPPARD: If you're open to it, we'd like to discuss possible trade opportunities.

01:09:01:08 MAGISTRATE: We are very open. I'm sure there is much that we can learn from each other.

01:09:05:26 SHEPPARD: Well, Dr. Elizabeth Weir will be the one to begin official negotiations with you. That's really her thing.

01:09:10:16 MAGISTRATE: I'm looking forward to meeting her, and to the start of a promising
friendship.

01:09:22:20 MCKAY (V/O): Seriously, am I the only one creeped out by that guy?

01:09:25:04 SHEPPARD: Politicians, Rodney--they're all creepy.

01:09:36:15 TORRELL: Prepare to fire!

01:09:42:09 MCKAY: Margaret Thatcher wasn't creepy. Okay, well, maybe a little.

01:09:45:19 MCKAY (CONT'D O/S): She resembled an aunt of mine--same hair style...

01:09:47:25 MCKAY (O/S CONT'D): Facial structure, only my aunt was much taller...

01:09:50:04 MCKAY (CONT'D): And remarkably hirsute. Oddest thing--she had to shave twice a day.

01:09:54:26 TORRELL: Fire!

01:09:57:04 (BLAST)

01:09:58:25 (BLAST)

01:10:00:15 TEYLA: What was that?

01:10:01:19 (BLAST)

01:10:03:01 SHEPPARD: They're shooting at us.

01:10:04:04 TEYLA: The prisoners?

01:10:04:26 MCKAY: With what?

01:10:05:19 RONON: Cloak the ship.

01:10:06:14 SHEPPARD: I can't. We took some damage. We'll be lucky to make it to the gate.

01:10:10:09 MCKAY: Well, how close are we?

01:10:11:08 SHEPPARD: Close enough to dial.

01:10:13:20 (EXPLOSIONS)

01:10:19:19 RONON: That was close.

01:10:20:25 SHEPPARD: Get ready to send an I.D.C.

01:10:23:09 (BLAST)

01:10:27:01 SHEPPARD: I've lost control systems.

01:10:28:11 SHEPPARD (CONT'D O/S): Hang on.

01:10:33:25 (CHEERING)

01:10:35:29 TORRELL: Now find them!

01:10:57:24 RONON (O/S): Oh...

01:11:03:16 TEYLA: Are you all right?

01:11:04:25 MCKAY: I think I chipped a tooth. Did I chip a tooth? Am I bleeding? Because I'm a
 high risk for endocarditis.

01:11:09:18 TEYLA: John?

01:11:11:13 SHEPPARD: That was, uh...not one of my better landings. Sorry.

01:11:16:05 RONON: The gate should still be active for a few minutes.

01:11:18:25 SHEPPARD: All right. Let's go.

01:11:31:25 (CHEERING AND WHOOPING O/S)

01:11:34:10 (GUNS COCKING)

01:11:47:27 SHEPPARD: Hi, folks. I hope I didn't crash-land on anybody.

END OF ACT ONE

ACT TWO

01:12:26:10 (RAPID GUNFIRE)

01:12:31:10 (RAPID GUNFIRE)

01:12:41:10 (BLAST)

01:12:50:10 (PRISONS LAUGH)

01:12:52:02 (PRISONERS CONTINUE LAUGHING O/S)

01:13:01:22 SHEPPARD: You should know our people are expecting us. If we don't show up soon, they'll come looking for us.

01:13:07:16 TORRELL: Ah. Is that supposed to concern me?

01:13:10:19 SHEPPARD: Don't go getting all full of yourself, chief.

01:13:13:04 SHEPPARD (CONT'D O/S): A few cannons are no match for the kind of firepower they'll be...

01:13:16:20 SHEPPARD (CONT'D): Bringing with them. Although...I should compliment whoever took that first shot--it was a good one.

01:13:23:16 TORRELL: Yeah, it was nice, wasn't it?

01:13:24:29 TEYLA (O/S): What do you want from us?

01:13:26:26 TORRELL: Well, we've already got your weapons.

01:13:29:09 TORRELL (CONT'D O/S): Now I do believe we'll take your ship.

01:13:31:14 TORRELL (O/S CONT'D): You see, we had been planning a little trip to the
mainland but after seeing you...

01:13:34:15 TORRELL (CONT'D): Fly that thing through the ancestral ring--

01:13:35:25 MCKAY (O/S): You're referring to...

01:13:36:25 MCKAY (CONT'D): The ship you just shot down? The one that doesn't stand a
hope in hell of ever flying again?

01:13:41:20 TORRELL: The ship you're going to fix, yes.

01:13:43:00 MCKAY: Who am I, MacGyver? Fix it with what?

01:13:47:22 TORRELL: Get him up.

01:13:53:03 TORRELL (CONT'D O/S): You seem like a smart man.

01:13:54:00 TORRELL (O/S CONT'D): I'm sure you'll think of something.

01:13:55:17 TORRELL (CONT'D): Maybe all you need is a little motivation.

01:13:57:10 (GUNSHOT)

01:14:06:21 SHEPPARD: Maybe you should think about fixing it, Rodney.

01:14:12:29 MCKAY: Good idea.

01:14:14:12 TORRELL: My friends all tell me I have a remarkable gift for persuasion.

01:14:24:13 WEIR: What happened?

01:14:25:18 TECHNICIAN: The gate activated. Nothing came through.

01:14:27:23 WEIR: Colonel Sheppard?

01:14:28:23 TECHNICIAN: So we assumed. We received no I.D.C.

01:14:30:23 TECHNICIAN (CONT'D): A few moments later, the gate shuts down.

01:14:33:24 WEIR: They should've returned by now. Dial the planet and try to establish a radio link.

01:14:39:03 TECHNICIAN: Yes, ma'am.

01:14:41:11 WEIR: Major Lorne, this is Weir.

01:14:43:28 LORNE (V/O OVER RADIO): Go ahead.

01:14:45:14 WEIR: I may have to go off-world to assist Colonel Sheppard. I'd like you to
assemble a team and have a puddle jumper ready to go.

01:14:50:29 LORNE (V/O OVER RADIO): Yes, ma'am.

01:15:10:03 SHEPPARD: Anyone having any luck?

01:15:11:18 RONON: Not yet.

01:15:12:19 TEYLA: These bindings are very secure.

01:15:14:08 SHEPPARD: Well, leave it to convicts to know the best way to tie people up.

01:15:17:24 RONON: But eventually I will get free...

01:15:18:29 RONON (CONT'D): And when I do, he's going to pay for this.

01:15:21:18 SHEPPARD: Oh, listen to me. When you get free, you get us free, and we all get
out of here.

01:15:25:20 SHEPPARD (CONT'D O/S): Let 'em find out we're gone...

01:15:27:25 SHEPPARD (CONT'D): After we're gone.

01:15:29:10 RONON: You expect me to let them get away with this?

01:15:31:04 SHEPPARD: The operative words are "get away."

01:15:32:15 RONON: After I kill him...

01:15:33:26 SHEPPARD: That type of thinking will get us killed.

01:15:35:08 RONON: Well, if you would've returned fire--

01:15:36:16 SHEPPARD (INTERRUPTING): The weapons systems were damaged.

01:15:38:00 RONON: Well, if you say so.

01:15:39:04 SHEPPARD: I do say so, and right now, I'm saying knock it off.

01:15:44:23 RONON: Is that an order, Sheppard?

01:15:48:10 SHEPPARD: I am beat up, tied up, and couldn't order a pizza right now if I wanted to, but if you need it to be, yeah, it's an order.

01:16:01:22 RONON: Okay.

01:16:09:08 MCKAY (O/S): There is no power getting to any of these controls. You understand?

01:16:12:12 MCKAY (CONT'D): Look. Nothing!

01:16:13:15 TORRELL: Why not?

01:16:14:03 MCKAY: Let me go out on a limb here...

01:16:15:10 MCKAY (CONT'D): And say that maybe it had something to do with the crash.
Which, of course, begs the question--how the hell did you get your hands
on explosives?

01:16:20:18 TORRELL: Eldon made them. He fashioned a composite out of minerals and
materials he found around the island. Crude, yes, but effective.

01:16:29:22 TORRELL (CONT'D O/S): We shot you down, didn't we?

01:16:31:12 MCKAY: Eldon? Who is Eldon?

01:16:32:28 ELDON (O/S): That would be me.

01:16:37:00 MCKAY: You're a prisoner?

01:16:38:05 ELDON: I was accused of killing one man--

01:16:39:10 TORRELL (INTERRUPTING): He's a scientist.

01:16:40:20 ELDON: It was a case of mistaken identity.

01:16:42:10 TORRELL: Tell you what, Eldon. You can tell him your whole life story. Just help
him fix the ship.

01:16:45:28 MCKAY: Look, I don't know what you expect me to do. I don't have any of the
proper diagnostic tools...

01:16:49:05 MCKAY (CONT'D): Not to mention the fact that--

01:16:50:17 TORRELL: You'll figure it out.

01:16:52:13 MCKAY: And if I don't?

01:16:54:25 TORRELL: Well, I could kill you.

01:16:56:25 TORRELL (CONT'D O/S): But you strike me as the type of man who, despite
being...

01:16:59:24 TORRELL (CONT'D): Weak and cowardly on the outside, harbors a strength of
character he doesn't even know he has.

01:17:05:22 MCKAY: I'm sorry, was there a compliment in there?

01:17:09:00 TORRELL: See, the way to motivate a man like you, Mr. McKay--not to threaten
your life. It's to threaten the lives of your friends.

01:17:17:18 TORRELL (CONT'D O/S): That's right.

01:17:18:22 TORRELL (CONT'D): Fix the ship. Otherwise, they start dying, one after another,
until you change your mind...or until they're all dead. I don't care.

01:17:46:04 (BEEPING)

01:17:47:08 WEIR: All set?

01:17:48:08 LORNE (O/S): Ready to go. Still no word from them?

01:17:50:25 WEIR: Nothing.

01:17:52:18 LORNE: Don't worry. We'll find them.

01:17:54:13 WEIR (O/S): I was hoping to negotiate...

01:17:55:20 WEIR (CONT'D): A trade agreement. Now I'm worried I have to negotiate their
release.

01:17:59:04 LORNE: We don't know that.

01:18:04:15 WEIR: Dial the gate, but go to stealth mode the moment we're through.

01:18:31:28 ELDON: The technology on this ship is far more advanced than the Olesians'.

01:18:35:28 MCKAY: How ironic, then, to have been shot down by the cast of Braveheart.

01:18:40:24 ELDON: Well, I'm surprised we were able to shoot you down.

01:18:43:12 MCKAY: Well, it's the old low-tech versus high-tech argument, I suppose.

01:18:46:24 ELDON: We've been working...

01:18:47:07 ELDON (CONT'D): On those weapons for years--

01:18:48:28 MCKAY (INTERRUPTING O/S): Yes, well, well done.

01:18:49:09 MCKAY (CONT'D): Good for them, huh? Now, are you going to continue talking
or, uh...

01:18:54:26 MCKAY (CONT'D): Thank you.

01:19:02:24 MCKAY (CONT'D): Oh...give me that. Where did that come from?

01:19:32:27 MCKAY: Those cannons--your design?

01:19:35:13 ELDON: No, no, no. Well, I chose the material and helped calculate trajectories.

01:19:44:02 ELDON (CONT'D O/S): The ignition...

01:19:44:12 ELDON (CONT'D): Mechanisms...and the fuses, of course...

01:19:47:17 ELDON (CONT'D O/S): But most of my efforts went into fashioning...

01:19:50:17 ELDON (CONT'D): The explosive shots.

01:19:53:03 MCKAY: Explosives. Was that how you killed the man?

01:19:56:24 ELDON: I didn't kill him. I'm innocent. I don't belong here.

01:19:59:21 MCKAY: Hmm. Really.

01:20:01:01 MCKAY (CONT'D): I wonder if there's ever been a convicted felon who didn't claim
he was innocent?

01:20:04:07 ELDON (O/S): I don't care if you don't believe me.

01:20:06:03 ELDON (CONT'D): I just want off this island.

01:20:08:08 MCKAY: Oh, no...

01:20:12:21 ELDON: What is it?

01:20:14:08 MCKAY: I assume there's no DHD beside the Stargate?

01:20:17:29 MCKAY (CONT'D): Uh, the ancestral ring, is there some kind of a dialing device
that turns it on?

01:20:22:18 ELDON: No. Nothing.

01:20:24:22 MCKAY: Oh, of course. Why give the prisoners such an obvious means of
escape?

01:20:27:27 ELDON: What's wrong?

01:20:32:01 MCKAY: The main power distribution conduit has been damaged. Effectively cuts
all the power to the primary systems--drive pods, cockpit controls, DHD.

01:20:39:28 ELDON: Can you fix it?

01:20:42:28 MCKAY: Easily...if I had a replacement. Without one, you and your friends aren't
going anywhere.

01:20:47:13 ELDON: Neither are you. If you don't fix this ship, Torrell's going to make sure
you're the first the Wraith find...

01:20:54:18 ELDON (CONT'D O/S): At the next culling.

END OF ACT TWO

ACT THREE

01:21:16:18 TORRELL: Choose.

01:21:18:03 MCKAY: Choose what?

01:21:19:25 TORRELL: Which one of them dies first.

01:21:21:09 TORRELL (CONT'D O/S): Do it.

01:21:25:07 MCKAY: I can't do that.

01:21:26:14 TORRELL: Well, then, I'll choose for you. Either way, one of them dies, unless you change your mind about fixing that ship.

01:21:31:24 MCKAY: Well, I'm sorry, but there are some things beyond my capability.

01:21:34:08 TORRELL: I don't believe you.

01:21:35:09 MCKAY: Well, I know it is hard to believe--

01:21:36:09 TORRELL (INTERRUPTING): No. I think you're lying.

01:21:37:13 MCKAY: I'm not. It's broken. You don't understand "broken?"

01:21:40:22 TORRELL: I know your type. You whine, and you complain, and you see to it that your every task is viewed as some impossible achievement...

01:21:48:16 TORRELL (CONT'D O/S): So that when you do succeed, your gargantuan...

01:21:50:23 TORRELL (CONT'D): Efforts are viewed as all the more heroic.

01:21:53:14 MCKAY (O/S): That may be true in some cases, but this is not one of them.

01:21:56:03 MCKAY (CONT'D): You're asking me to do the impossible.

01:21:57:25 TORRELL: Your friends' lives are in your hands. I'll give you some time to choose.

01:22:21:24 ELDON: Listen to him, McKay. He's killed 11 people--

01:22:25:02 ELDON (CONT'D O/S): Eight before he was sent here...

01:22:26:28 ELDON (CONT'D): And three since he's been on the island.

01:22:29:00 MCKAY: That's 11, huh? You've got some catching up to do, don't you? He's only
killed one.

01:22:33:18 SHEPPARD: Who? Him?

01:22:35:10 ELDON: I told you, I'm here because of a mistake.

01:22:37:21 RONON: I'm sure everyone here on this island says that.

01:22:40:11 ELDON: Well, as a matter of fact, some of us are innocent.

01:22:43:12 ELDON (CONT'D O/S): Only a few, like Torrell, are actual murderers.

01:22:46:21 TEYLA: You mean they put all their criminals here, regardless of the crimes they
commit?

01:22:51:03 ELDON (O/S): Once...

01:22:51:16 ELDON (CONT'D): Only the worst of the worst were sent here...

01:22:53:27 ELDON (CONT'D O/S): But the punishment proved to be such a successful
deterrent...

01:22:57:08 ELDON (O/S CONT'D): That crime rates in Olesia plummeted...

01:23:00:11 ELDON (CONT'D): Which meant fewer and fewer prisoners.

01:23:03:07 TEYLA: Less food for the Wraith.

01:23:06:02 ELDON (O/S): Exactly.

01:23:08:04 SHEPPARD: So they lowered the bar.

01:23:14:09 MAGISTRATE: They have not returned to the planet?

01:23:16:15 WEIR: No, and we haven't been able to establish radio contact with them, either.

01:23:20:21 MAGISTRATE: They didn't return to the city. Perhaps they traveled through the ring to another planet.

01:23:25:20 WEIR: No, they would've radioed first.

01:23:28:03 MARIN: Something must've happened on the island.

01:23:29:23 MARIN (CONT'D): I'll alert our security teams, have them begin a search.

01:23:32:15 LORNE: We'll join them.

01:23:33:25 MAGISTRATE: I would advise against that.

01:23:35:13 WEIR: Would you?

01:23:36:28 MAGISTRATE: The island is extremely dangerous.

01:23:39:29 MAGISTRATE (CONT'D): Our ships are heavily armored. We know the terrain as well as the prisoners' tactics. Don't worry.

01:23:46:10 MAGISTRATE (CONT'D O/S): We'll find them.

01:23:47:19 WEIR: I hope you do, Magistrate...for all our sakes.

01:23:51:04 MAGISTRATE: Of course.

01:24:04:07 (RONON GRUNTS)

01:24:04:15 RONON: I think they're loosening.

01:24:09:01 SHEPPARD: Take it easy, Chewie. You're going to cut your damn hands off.

01:24:12:28 TEYLA: The more we struggle, the tighter the bindings get.

01:24:15:15 (DOOR OPENS O/S)

01:24:31:25 ELDON: You need something like this.

01:24:34:14 MCKAY: What about the guards?

01:24:35:22 ELDON: They stepped away. No one's watching.

01:24:37:22 TEYLA: Will you help us?

01:24:39:01 ELDON: If you'll help me.

01:24:40:19 SHEPPARD: How?

01:24:41:17 ELDON: Fix the ship...

01:24:42:21 ELDON (CONT'D): Let me leave with you.

01:24:44:02 MCKAY: Oh, for God's sake, how many times do I have to...

01:24:45:25 MCKAY (CONT'D O/S): Tell you--

01:24:46:04 ELDON: I know you could do it. I could see it in your eyes when you were working.

01:24:49:17 ELDON (CONT'D O/S): You were holding something back from us.

01:24:51:09 SHEPPARD: Rodney?

01:24:52:14 MCKAY: Nobody could fix it. I don't care who you think I am, or what you think you
 saw in my eyes, but it is totally, completely impossible.

01:24:59:15 ELDON: Torrell and his men...

01:25:01:02 ELDON (CONT'D O/S): Are going to return soon.

01:25:01:25 SHEPPARD: He'll fix it.

01:25:02:17 MCKAY: I just said I couldn't.

01:25:04:13 SHEPPARD: You really suck at lying, Rodney.

01:25:07:16 SHEPPARD (CONT'D): We have a deal.

01:25:13:02 MCKAY: There is one slight possibility.

01:25:15:29 SHEPPARD: Huh? See?

01:25:17:12 MCKAY (O/S): I won't actually be able to fix the ship to fly out of here...

01:25:19:11 MCKAY (CONT'D): But I might be able to cobble together enough power from

secondary systems to activate the DHD. That way, we can dial the gate,
leave on foot.

01:25:24:24 MCKAY (CONT'D O/S): When I say "might," I mean probably not.

01:25:27:29 MCKAY (CONT'D): It's a long shot at best. I'd have to bypass the main power
distribution conduit—

01:25:30:08 SHEPPARD (INTERRUPTING): Get us out of here.

01:25:35:02 MCKAY (O/S): Ronon, what are you doing?

01:25:36:14 RONON: Give me one reason...

01:25:37:16 RONON (CONT'D): Why I shouldn't cut your throat.

01:25:39:07 (ELDON SPUTTERS)

01:25:40:19 SHEPPARD: For one, it would make a mess.

01:25:42:14 SHEPPARD (CONT'D O/S): Look...

01:25:44:17 SHEPPARD (CONT'D): We made a deal. Just let him go.

01:26:00:05 MCKAY: Careful.

01:26:29:28 RONON: Why are we stopping?

01:26:31:18 SHEPPARD: This is way too easy. All right, stay close and stay quiet.

01:26:37:21 MCKAY: What? Why does he say that to me?

01:26:40:13 TEYLA: Shh!

01:26:58:12 ELDON: I didn't know anything about this, I swear.

01:27:01:05 TEYLA: We will never be able to make it to the jumper. They have our weapons.

01:27:03:20 RONON: We don't need weapons.

01:27:05:02 MCKAY: How about the fact that they seriously outnumber us?

01:27:06:28 SHEPPARD: At least we've got the element of surprise.

01:27:08:26 RONON: I was beginning to think you were afraid to fight.

01:27:11:25 SHEPPARD: No, I'm just naturally lazy, but I will if I have to. And it's starting to
 look like we have to.

01:27:20:07 SHEPPARD (CONT'D): How much time do you need to rework...

01:27:21:28 SHEPPARD (CONT'D O/S): The DHD?

01:27:22:28 MCKAY: Well, in a perfect world, two days.

01:27:24:00 SHEPPARD: Rodney.

01:27:25:03 MCKAY: Right now, 10 minutes, give or take.

01:27:27:18 SHEPPARD (O/S): All right, we need to create a diversion. We're going to split up,
 flank them...

01:27:30:13 SHEPPARD (CONT'D): Get them looking everywhere except the jumper.
 Hopefully we can buy...

01:27:33:10 SHEPPARD (CONT'D O/S): Enough time to steal back our weapons.

01:27:35:13 (RING ACTIVATES)

01:27:37:26 SHEPPARD: Or we could just dial the gate.

01:27:39:16 TEYLA: They fixed the DHD?

01:27:40:28 MCKAY: That's impossible.

01:27:42:05 SHEPPARD: I don't think they're the ones who dialed it.

01:27:43:25 (AIRCRAFT ZOOMS OVERHEAD)

01:27:47:08 SHEPPARD: Get down!

01:27:50:07 ELDON: It didn't see us.

01:27:52:13 RONON (O/S): It saw us. It didn't care.

01:27:53:28 MCKAY (O/S): Why not?

01:27:54:28 SHEPPARD (O/S): Who cares?

01:27:55:28 SHEPPARD (CONT'D): They left the jumper.

01:27:58:11 MAGISTRATE: I'm afraid the news is not good. Our rescue teams had just begun
their search on the island when the ancestral ring activated.

01:28:05:10 WEIR: The Wraith?

01:28:07:01 MAGISTRATE: It appears a culling is under way. We're not sure how many ships
are involved...

01:28:11:25 MAGISTRATE (CONT'D): But our teams were forced to pull back. I'm not giving
up hope. I'll send teams back in the moment the Wraith are gone.

01:28:17:09 MAGISTRATE (CONT'D O/S): Hopefully your friends will have evaded the culling.

01:28:19:09 MAGISTRATE (CONT'D): I must attend to this.

01:28:37:08 MAGISTRATE: I apologize for my tardiness. I had an urgent matter to attend to...a
matter which could ultimately benefit us both.

01:28:46:07 WRAITH: In that case...apology accepted.

END OF ACT THREE

ACT FOUR

01:29:18:06 WRAITH: Exceptional, as always.

01:29:21:12 WRAITH (CONT'D): I think this is my favorite vintage yet.

01:29:25:01 MAGISTRATE: I hope you find the food acceptable as well. My new chef is quite
 accomplished.

01:29:29:24 WRAITH: I certainly hope so. Your previous chef, unfortunately, proved to be far
 more appetizing than the meals he prepared.

01:29:38:27 (MAGISTRATE CHUCKLES NERVOUSLY)

01:29:45:28 MAGISTRATE (O/S): I must admit...

01:29:47:12 MAGISTRATE (CONT'D): I still find it intriguing to watch you eat actual food.

01:29:51:25 WRAITH: Our lineage may have diverged, but there are those of us who still retain
 an appreciation for finer things. And although it may provide a moment's
 pleasure...

01:30:06:10 WRAITH (CONT'D O/S): It does not sustain me.

01:30:12:08 WRAITH (CONT'D): This arrangement I have made with you and your
 predecessors has served both of us well.

01:30:20:09 WRAITH (CONT'D): While others of my kind have been forced to sleep between
cullings, I have enjoyed a steady...

01:30:30:10 WRAITH (CONT'D): Stream of humans for my consumption, and the taste of their
defiance is sweet.

01:30:38:22 WRAITH (CONT'D): You, in return...

01:30:40:27 WRAITH (CONT'D): Have been allowed to live in peace.

01:30:42:27 MAGISTRATE: We thank you for that.

01:30:44:06 WRAITH: But...throughout the galaxy, hives continue to wake in far greater
numbers than are sustainable, and with a hunger that is most pressing.

01:30:57:20 MAGISTRATE: I assure you that I have put measures in place to augment the
population on the island.

01:31:03:14 WRAITH: Then why is it there are even fewer inhabitants on the island?

01:31:07:14 WRAITH (CONT'D): Others of my kind would have destroyed...

01:31:10:27 WRAITH (CONT'D): Your entire planet...but I am more civilized than that.

01:31:17:24 MAGISTRATE: And I thank you for your generosity.

01:31:19:26 WRAITH: Still...

01:31:20:09 WRAITH (CONT'D): There are interests which must be served.

01:31:23:12 WRAITH (CONT'D): There are many Wraith who hunger...

01:31:26:08 WRAITH (CONT'D): And I have promised to provide for them.

01:31:29:18 WRAITH (CONT'D): The decision you are now faced with is--

01:31:33:09 WRAITH (CONT'D): On whom shall we feed?

01:31:37:17 MAGISTRATE: Your needs shall be met. You have my promise.

01:31:42:07 WRAITH: Good. I would hate to see anything happen to you.

01:31:50:20 WRAITH (CONT'D): I do so enjoy...

01:31:51:28 WRAITH (CONT'D): Our dinners together.

01:31:56:01 (STARGATE RIPPLES, CLOSES)

01:32:00:14 RONON: The dart went back through the gate.

01:32:02:13 TEYLA: I do not know why it did not cull anyone.

01:32:04:03 RONON: Maybe it did. It headed for the mainland when it first came through.

01:32:08:26 SHEPPARD: All right, keep watch.

01:32:12:02 SHEPPARD: How's it coming, Rodney?

01:13:13:18 MCKAY (O/S): Slower than...

01:32:13:29 MCKAY (CONT'D): I expected, but faster than humanly possible.

01:32:16:02 SHEPPARD (O/S): Any chance...

01:32:17:04 SHEPPARD (CONT'D): Of getting the cloaking generator powered up too? Could
 really come in handy right about now.

01:32:21:21 MCKAY: Okay, and how about a snack? Maybe you'd like me to make you a nice
 sandwich?

01:32:24:24 SHEPPARD: Only if it's humanly possible.

01:32:27:00 MCKAY: It would be a miracle if I get the DHD back on, let alone the cloaking
 generator, and even if I could manage that, the power will be intermittent
 at best.

01:32:33:29 SHEPPARD: Okay. Well, FYI, the Wraith have all gone, so it's just a matter of time
 before Torrell and his boys return...with all of our weapons.

01:32:42:26 MCKAY: I get it!

01:32:44:08 SHEPPARD: Good.

01:32:53:23 WEIR: Marin?

01:32:58:29 WEIR (CONT'D): What's happened?

01:33:00:05 MARIN: No one must know I'm speaking to you.

01:33:02:08 WEIR: Of course.

01:33:03:15 MARIN: You should leave as soon as possible.

01:33:06:04 LORNE: Why?

01:33:08:07 MARIN (CONT'D): The Magistrate has just rescinded my orders to send rescue
 teams...

01:33:12:10 MARIN (CONT'D): Back to the island.

01:33:13:11 WEIR: What? Why would he do that?

01:33:17:18 MARIN: Several arrests have been made.

01:33:19:19 MARIN (CONT'D O/S): Many people in the city have been apprehended...

01:33:21:27 MARIN (CONT'D): For unspecified violations to be sent to the island to increase
 the population there.

01:33:25:28 LORNE: To keep the Wraith fed.

01:33:27:18 MARIN (O/S): This has been going on for some time...

01:33:29:23 MARIN (CONT'D): But never so bad as this. The number of arrests is--I cannot
keep quiet any longer. I have to...

01:33:35:22 MARIN (CONT'D): Speak out.

01:33:35:22 (DOOR OPENS)

01:33:37:02 MAGISTRATE (O/S): Lies.

01:33:39:26 MAGISTRATE (CONT'D): Seeding fear not only among your own people, but now
our guests. I cannot allow it.

01:33:46:14 MARIN: I was only trying to understand why so many people are being arrested.

01:33:50:11 MAGISTRATE: Your job is not to question the actions of this government.

01:33:55:06 MARIN: No. Wait! Help me!

01:33:57:27 MARIN (CONT'D): Please!

01:33:58:26 WEIR: Where are they taking her?

01:34:00:14 MAGISTRATE: I'm sorry you had to witness that.

01:34:02:07 WEIR: What crime has she committed?

01:34:05:00 MAGISTRATE: I have recently learned that Marin has been involved in a group seeking to undermine the Olesian government.

01:34:10:25 MAGISTRATE (CONT'D O/S): She's become very adept...

01:34:12:14 MAGISTRATE (CONT'D): At spinning lies to suit her organization's treasonable agenda.

01:34:15:28 WEIR (O/S): Did you...

01:34:16:05 WEIR (CONT'D): Did you not rescind the order to send rescue teams back to the island?

01:34:19:27 MAGISTRATE: Why would I do that?

01:34:20:27 WEIR (O/S): That doesn't concern me.

01:34:22:07 WEIR (CONT'D): My first concern is with the safety of my people, and I promise you--

01:34:25:12 MAGISTRATE (O/S): Everything...

01:34:26:17 MAGISTRATE (CONT'D): Is being done to ensure their rescue and safe return. If there has been any hindrance at all, it was because of Marin.

01:34:34:18 WEIR: What's going to happen to her now?

01:34:36:17 MAGISTRATE: She'll receive a fair trial in our courts.

01:34:39:15 LORNE: And then what, sent to the island?

01:34:42:06 MAGISTRATE: I'm sure where you come from, treason is also considered a very
serious offense.

01:34:46:17 LORNE: So that's a "yes."

01:34:49:03 WEIR (O/S): Tell me, what else...

01:34:51:14 WEIR (CONT'D): Is considered a serious offense around here?

01:34:53:18 MAGISTRATE: Anything that threatens the welfare of the Olesian people.

01:34:58:13 WEIR: Are you sure it's the welfare of the people that concerns you? Or just your
own?

01:35:02:19 MAGISTRATE: Choose your words very carefully, Dr. Weir.

01:35:06:17 WEIR: Oh, I do. Why? Is that a threat?

01:35:10:02 MAGISTRATE: It's advice...from one ally to another.

01:35:16:11 WEIR: Well, this alliance...it's just been rescinded.

01:35:20:09 WEIR (CONT'D): We're leaving.

01:35:24:02 WEIR (CONT'D): What, do you plan to arrest us, too?

01:35:32:13 WEIR (CONT'D): Because you do not want to do that.

01:35:34:07 (GUN COCKING)

01:35:59:19 RONON: Party's over.

01:36:01:03 SHEPPARD: And we were having such a good time.

01:36:09:16 SHEPPARD (CONT'D): All right, let's see if we can hold them off.

01:36:12:17 SHEPPARD (CONT'D): As soon as you get the DHD back online, dial the gate...

01:36:15:19 SHEPPARD (CONT'D): And make a run for it. When you get back to Atlantis...

01:36:18:03 SHEPPARD (CONT'D): Start working on those sandwiches. We'll be right behind
you.

01:36:20:18 MCKAY: Two minutes! Hold them that long, we're good to go.

01:37:19:13 PRISONER (O/S): Don't move!

01:37:35:21 MCKAY: That's it! I did it! We're ready to dial!

01:37:40:16 TORRELL: See that?

01:37:42:01 TORRELL (CONT'D): I knew you could do it.

END OF ACT FOUR

ACT FIVE

01:38:05:21 PRISONER: Kill him.

01:38:06:28 MCKAY: Oh, no, no. You don't have to do that. If you want me to dial the gate for you, that's fine. There are hundreds of suitable planets out there you can go to.

01:38:13:13 TORRELL: Yes, and there are hundreds of unsuitable planets you can send me to, aren't there?

01:38:17:25 MCKAY: Yeah, but I won't send you to one of those.

01:38:20:18 TORRELL: I think our best option is to just come with you, to your planet...provided you got more of these lying around there, do you?

01:38:27:25 SHEPPARD: Forget it.

01:38:29:13 TORRELL: I'm sorry?

01:38:31:13 SHEPPARD: We'll dial you another address. You can go through. But we're not taking you home.

01:38:38:01 TORRELL: You are aware of the fact that we have all of your weapons pointed at you, right?

01:38:41:28 SHEPPARD: Yeah. You'll murder us the minute we step through the gate
anyways. What difference does it make?

01:38:46:28 TORRELL: That's very distrustful.

01:38:48:22 (CRUISER HOVERING OVERHEAD)

01:38:51:12 PRISONER (O/S): Look!

01:38:52:24 MCKAY: No...

01:39:13:02 LORNE: We've got a Wraith cruiser headed for the island, and I'm picking up
several more on approach outside the atmosphere.

01:39:18:20 WEIR: Go to stealth mode. Let's find our guys before they do.

01:39:28:15 TORRELL: What is that? What is that?

01:39:31:08 SHEPPARD: It's a Wraith cruiser, and trust me...

01:39:32:29 SHEPPARD (CONT'D O/S): You don't want to be around when it gets here.

01:39:36:02 (GUNS COCKING)

01:39:38:03 (BLAST)

01:39:39:03 TORRELL: Come on.

01:39:42:04 SHEPPARD: Wait, wait. Dial a gate. Stop!

01:39:47:17 SHEPPARD (CONT'D O/S): If all the prisoners get off this island...

01:39:48:28 SHEPPARD (CONT'D): Where do you think that ship will go?

01:39:55:28 MCKAY: What? Oh, no, no, no, no, no, no, no, no. No! We've got a big problem...

01:40:00:04 MCKAY (CONT'D O/S): In here!

01:40:04:17 SHEPPARD: What's wrong?

01:40:05:17 MCKAY: I lost power to the DHD. I told you the power feed would be intermittent at best. We should've dialed when I patched it...

01:40:09:06 MCKAY (CONT'D O/S): Instead of standing around talking--

01:40:10:22 SHEPPARD (O/S): Can you fix it?

01:40:11:055 MCKAY (O/S): I don't know.

01:40:11:27 RONON: They're right on top of us.

01:40:13:12 TORRELL: We could shoot them down.

01:40:14:13 TEYLA (O/S): Neither your weapons nor ours...

01:40:15:17 TEYLA (CONT'D): Will damage it.

01:40:16:21 SHEPPARD: What about the drones?

01:40:18:09 SHEPPARD (CONT'D): Can you patch enough power to arm them?

01:40:20:02 MCKAY: They're not as intricate as the DHD. Maybe one, given the time
constraints.

01:40:22:14 SHEPPARD: Then do it.

01:40:24:02 TEYLA: Can one drone shoot down an entire Wraith cruiser?

01:40:25:01 SHEPPARD (O/S): Maybe...

01:40:26:04 SHEPPARD (CONT'D): We'll get a lucky shot. McKay?

01:40:27:11 MCKAY: Almost...just give me one more...and...okay! We're armed! Go, before
the power cuts out again!

01:40:37:03 (BLAST)

01:40:39:23 LORNE: Did you see that?

01:40:41:26 WEIR: A drone.

01:40:42:29 SHEPPARD: We scored a hit. That'll either buy us time or piss 'em off.

01:40:46:10 MCKAY: If they didn't know we were here, they sure as hell do now.

01:40:48:26 WEIR (V/O OVER RADIO): Colonel Sheppard, you damaged the Wraith cruiser.

01:40:51:14 MCKAY: Dr. Weir...

01:40:52:14 WEIR (V/O OVER RADIO): It's leaving the area.

01:40:52:24 WEIR (V/O CONT'D): But there are two more cruisers incoming.

01:41:00:10 TORRELL: Here.

01:41:01:12 SHEPPARD: Elizabeth, where are you?

01:41:04:00 WEIR: We're in Jumper 2. We're cloaked, directly above you.

01:41:07:11 WEIR (CONT'D V/O OVER RADIO): Are you all right?

01:41:08:18 SHEPPARD: Our jumper's...

01:41:09:01 SHEPPARD (CONT'D O/S): Disabled. Right now...

01:41:10:14 SHEPPARD (CONT'D): I need you to dial the gate to one of the back-up planets...

01:41:12:19 SHEPPARD (CONT'D V/O OVER RADIO): To the Alpha site. Doesn't matter
which one.

01:41:14:09 WEIR: Understood. Do it.

01:41:17:10 (GATE ACTIVATES)

01:41:20:26 SHEPPARD: Okay, everyone who wanted off of this planet...

01:41:22:25 SHEPPARD (CONT'D O/S): Now's your chance!

01:41:25:07 SHEPPARD (CONT'D): Time to go.

01:41:26:17 TORRELL: Why should we trust you? Huh?

01:41:28:10 SHEPPARD: If you want to stay, stay. I don't really give a damn, but you are not
coming home with us.

01:41:32:21 ELDON: But I--

01:41:33:21 SHEPPARD (INTERRUPTING O/S): Yeah, yeah, yeah.

01:41:34:24 SHEPPARD (CONT'D): You can come.

01:41:49:27 SHEPPARD: Elizabeth...

01:41:51:20 SHEPPARD (CONT'D V/O OVER RADIO): I need you to keep the gate open...

01:41:53:19 SHEPPARD (V/O CONT'D): Till the last of them go through, then shut it down...

01:41:55:09 SHEPPARD (CONT'D): Dial Atlantis.

01:41:56:19 WEIR (V/O OVER RADIO): We can land and pick you up.

01:41:58:09 SHEPPARD: Negative, just keep the gate open. We'll take it from there.

01:42:00:27 SHEPPARD (CONT'D V/O OVER RADIO): Stay in stealth mode...

01:42:02:13 SHEPPARD (V/O CONT'D): Till the Wraith have gone away.

01:42:03:27 WEIR: Acknowledged.

01:42:17:27 SHEPPARD: Here comes another cruiser.

01:42:21:09 WEIR: Dial Atlantis.

01:42:22:26 (BEEPING)

01:42:24:03 WEIR: We're dialing. Head for the gate.

01:42:32:16 (CRUISER FIRES)

0:42:36:10 (BLAST)

01:42:39:12 (BLASTS, EXPLOSIONS)

01:42:50:06 (BLAST)

01:42:52:03 LORNE: They're through.

01:42:53:12 (WEIR SIGHS)

01:43:09:05 (CRUISER APPROACHES)
