TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

TEASER

01:00:12:11 SHEPPARD: Something wrong?

01:00:14:17 RONON: I have a bad feeling.

01:00:15:22 MCKAY (O/S): Yeah, I always feel like that.

01:00:16:28 MCKAY (CONT'D): Like something horrible is about to happen.

01:00:19:05 TEYLA: How do you live?

01:00:20:12 MCKAY: I get used to it. Thing is, when someone else also has that feeling, mine
 gets worse.

01:00:26:03 SHEPPARD: You recognize this place?

01:00:28:06 RONON: I don't remember.

01:00:29:12 TEYLA: You must have visited many planets when you were running from the
 Wraith.

01:00:32:02 RONON: I didn't count.

01:00:35:13 SHEPPARD: I don't know how you tell them apart.

01:00:39:22 SHEPPARD (CONT'D O/S): See? There you go. Nothing to worry about. Seems
like a perfectly nice village to me, just like dozens of others we've visited.

01:00:47:17 TEYLA (O/S): It appears to be the type of encampment my people trade with all
the time. I see no evidence of threatening behavior or danger.

01:00:53:29 MCKAY (O/S): I also see nothing we might be interested in trading for.

01:01:02:23 SHEPPARD: Hi. How you doing?

01:01:05:20 ATON: Wraithbringer!

01:01:07:10 VILLAGER (O/S): Wraithbringer!

01:01:08:15 ATON (OVERLAPPING O/S): Wraithbringer!

01:01:09:25 (VILLAGERS CALLING)

01:01:10:20 SHEPPARD: That can't be good.

01:01:11:26 TEYLA: You don't have to be afraid! Where are they going?

01:01:14:03 RONON: We need to get out of here now.

01:01:16:26 MCKAY: I take it he was talking to you?

01:01:21:10 MCKAY (CONT'D): (SCREAMS) That did not just happen!

01:01:23:13 SHEPPARD: Warning fire only!

01:01:24:17 (GUNS FIRING)

01:01:27:22 SHEPPARD: Go!

01:01:31:20 MCKAY: Oh, my God, it hurts! I can't feel my leg!

01:01:33:20 SHEPPARD: Pain or numbness?

01:01:34:23 MCKAY: Both!

01:01:30:20 (GUN FIRING)

01:01:39:20 MCKAY (O/S): What the hell did you do to these people?

01:01:41:20 SHEPPARD (O/S): Don't listen to him.

01:01:42:29 MCKAY: How could he not recognize the gate address?

01:01:45:02 SHEPPARD: Do you know the symbols of every address of every planet we've
been to?

01:01:47:25	MCKAY: Yes, as a matter of fact!
01:01:50:28	(GUNS FIRING)
01:01:51:00	TEYLA (O/S): Go! Get to the gate!
01:01:59:24	(MCKAY GROANS, WHIMPERS)
01:02:04:29	SHEPPARD (O/S): Go on! We'll be right behind you.
01:02:07:12	(STARGATE POWERING)
01:02:09:10	(GUNS FIRING)
01:02:27:04	(STARGATE PINGS, POWERS, ACTIVATES)
01:02:32:03	MCKAY: Whoa, jeez!
01: 02:34:00	(GUN FIRING)
01:02:49:14	SHEPPARD: Oh, crap.
01:03:03:12	WEIR: Rodney! Medical team to the gate room! Rodney? Hey, where are the others?
01:03:10:25	MCKAY: They're right behind me.

01:03:12:01 (WORMHOLE WHOOSHES CLOSED)

ACT ONE

01:04:46:26 SHEPPARD (O/S): Well...

01:04:50:02 SHEPPARD (CONT'D): I guess it could be worse.

01:04:53:17 SHEPPARD (CONT'D O/S): Look, I know you must be thinking...

01:04:56:03 SHEPPARD (CONT'D): this is your fault...

01:05:00:10 TEYLA: I have already tried to console him.

01:05:06:25 SHEPPARD: We were bound to run across a planet you'd been to sooner or later.

01:05:15:22 RONON: It was night last time.

01:05:29:20 KETURAH (O/S): Linor!

01:05:31:01 KETURAH (CONT'D): Stay away.

01:05:32:05 LINOR (O/S): It's a man, Father.

01:05:33:22 LINOR (CONT'D): He's near death.

01:05:35:08 KETURAH: You think we would not remember you?

01:05:39:15 KETURAH (CONT'D): We offered you food and shelter.

01:05:56:25 RONON: Thank you.

01:05:58:15 KETURAH (V/O): Maybe you did not...

01:05:59:16 KETURAH (CONT'D): remember our village. We were forced to rebuild after the
 Wraith came.

01:06:08:02 (GUNS FIRING)

01:06:10:25 (VILLAGERS GRUNT AND SHOUT)

01:06:18:08 KETURAH (O/S): Linor!

01:06:18:15 KETURAH (CONT'D): No!

01:06:20:03 (LINOR SCREAMS)

01:06:24:10 KETURAH (O/S): They were not merely culling us as they had...

01:06:26:08 KETURAH (CONT'D): in the past. They were looking for you.

01:06:30:25 RONON: I'm sorry--

01:06:31:25 KETURAH (INTERRUPTING): Sorry?

01:06:33:05 KETURAH (CONT'D O/S): I doubt that.

01:06:35:07 KETURAH (CONT'D): You will not bring death and destruction on us again.

01:06:39:05 SHEPPARD: Look...

01:06:40:06 SHEPPARD (CONT'D O/S): I can't say the Wraith won't be back...

01:06:42:17 SHEPPARD (CONT'D): here again, but I can promise you they're not coming back
here because of him.

01:06:46:02 KETURAH: No. Not once we've sacrificed the Wraithbringer...

01:06:49:16 KETURAH (CONT'D O/S): to his masters.

01:06:51:00 SHEPPARD: He prefers "Ronon." Probably also prefers not to be sacrificed to the
Wraith.

01:06:55:16 TEYLA: He is a victim of the Wraith...

01:06:57:28 TEYLA (CONT'D O/S): like all of us. His planet was destroyed. He was captured
and made a runner, but he is not one anymore.

01:07:03:10 TEYLA (CONT'D): They cannot track him as they once did.

01:07:05:27 KETURAH: They did not feed on us all last time.

01:07:08:18 KETURAH (CONT'D O/S): They promised that if he ever came back, and we captured him, we would be forever free from culling in the future.

01:07:15:16 TEYLA: They "promised"?

01:07:18:12 TEYLA (CONT'D): They are Wraith! I promise you that killing Ronon will not...

01:07:22:03 TEYLA (CONT'D O/S): change what happened. And it will not protect you in the future.

01:07:25:23 KETURAH: I said nothing of killing.

01:07:27:18 SHEPPARD: Isn't that what "sacrifice" means?

01:07:29:28 KETURAH: I know not what his masters will do to him once we turn him over.

01:07:33:12 SHEPPARD: You're giving him to the Wraith?

01:07:36:02 KETURAH: They left this behind... (TRACKING DEVICE BEEPS) so that we could call them.

01:07:40:25 TEYLA: He has already activated it.

01:07:42:04 SHEPPARD: They're going to kill all of us, you included.

01:07:55:03 MCKAY: So many colors... All the pretty horses.

01:08:00:25 WEIR (O/S): What's he talking about?

01:08:02:16 BECKETT: I gave him some morphine for the pain.

01:08:06:03 RUTHERFORD: I need to know how many villagers. How far is the gate from the village?

01:08:11:06 MCKAY: Have you seen a guy around? He looks like you, but he's got messy hair.

01:08:18:01 MCKAY (CONT'D O/S): I think I lost him somewhere, and...

01:08:21:06 MCKAY (CONT'D): and a pretty girl, and a caveman.

01:08:24:16 BECKETT (O/S): I may have given him a wee bit too much, but he...

01:08:26:15 BECKETT (CONT'D): was making it impossible for me to treat him.

01:08:29:20 RUTHERFORD (O/S): Snap out of it, McKay. It's important. Come on. What kind of weapons did they have?

01:08:36:02 BECKETT: I'd say something that shoots arrows is a good guess.

01:08:38:19 MCKAY (O/S): Excuse me? Why am I lying here?

01:08:41:05 BECKETT (O/S): You...

01:08:41:15 BECKETT (CONT'D): have an arrow, Rodney, in your gluteus maximus.

01:08:45:02 MCKAY: Oh. Well, that sounds painful. Gluteus maximus...

01:08:52:10 MCKAY (CONT'D O/S): Gloomus... Maa...ximus...

01:08:56:22 MCKAY (CONT'D): Oh, my God. That's my ass, isn't it?

01:08:59:25 BECKETT: Aye.

01:09:01:06 WEIR: Call me if he makes any sense.

01:09:03:24 RONON: Get him back here, the leader of your village.

01:09:08:14 ATON: Why?

01:09:10:26 RONON: Because I need to talk to him.

01:09:13:22 ATON: It's too late for you. The Wraith will be here soon.

01:09:21:07 RONON (O/S): Shoot me with...

01:09:22:11 RONON (CONT'D): one of those darts, and I promise he'll be dead before I go
down.

01:09:26:08 VILLAGER: Let him go.

01:09:27:14 SHEPPARD: Hey, buddy, you want to fill me in on this plan?

01:09:30:07 VILLAGER: Let him go now.

01:09:31:20 ATON: Get Keturah!

01:09:32:22 KETURAH: I'm here.

01:09:34:10 KETURAH (CONT'D O/S): Unhand him now!

01:09:36:12 KETURAH (CONT'D): I will not free you.

01:09:38:28 KETURAH (CONT'D O/S): These men will kill your...

01:09:40:08 KETURAH (CONT'D): friends first.

01:09:41:21 SHEPPARD: I don't think that'll be necessary. Why don't we all put our weapons
down and talk about this nicely?

01:09:48:10 RONON: Let them go. It's me the Wraith want. They had nothing to do with what
happened here.

01:09:53:15 TEYLA (O/S): Ronon!

01:09:56:12 SHEPPARD: Don't.

01:09:58:20 RONON: They won't shoot me.

01:10:00:10 RONON (CONT'D O/S): They must know...

01:10:01:03 RONON (CONT'D): the Wraith still want me alive.

01:10:03:10 SHEPPARD: I was a little more worried about them shooting us.

01:10:08:16 ATON: Please, Keturah.

01:10:11:10 KETURAH: Let him go now!

01:10:17:07 SHEPPARD (O/S): What...

01:10:17:12 SHEPPARD (CONT'D): the hell are you doing?

01:10:19:09 RONON: Back off, Sheppard.

01:10:21:15 SHEPPARD: Drop the knife now!

01:10:23:12 RONON: No.

01:10:25:10 RONON (CONT'D O/S): I didn't mean to bring the Wraith here...

01:10:26:29 RONON (CONT'D): but it was my fault.

01:10:28:24 TEYLA: That isn't true.

01:10:29:28 RONON: You know it is.

01:10:32:00 RONON (CONT'D O/S): I...

01:10:32:08 RONON (CONT'D): should never have come here. I should never have stayed.
 I'm sorry about what happened to your village...

01:10:41:17 RONON (CONT'D O/S): but if you think turning me over to the Wraith will keep
 you safe...

01:10:45:18 RONON (CONT'D): fine. Do it. I'll do whatever I have to to make up for what
 happened, but don't punish them for my mistake.

01:10:58:10 RONON (CONT'D): They're good people. You let them go, or I'll be dead before
 the Wraith get here. I promise.

01:11:09:22 RONON (CONT'D): Then see what the Wraith do to you.

01:11:13:28 SHEPPARD (O/S): We're not leaving.

01:11:15:03 SHEPPARD (CONT'D): Not without you.

01:11:17:25 RONON: You let them go.

01:11:20:28 ATON: We have no issue with the other two.

01:11:30:10 KETURAH: Let them go.

01:11:33:26 KETURAH (CONT'D O/S): Resist and you will be killed.

01:11:49:05 (STARGATE PINGING)

01:11:51:20 TECHNICIAN: Incoming wormhole.

01:11:55:22 (STARGATE ACTIVATING)

01:12:01:07 TECHNICIAN: It's Colonel Sheppard's IDC, ma'am.

01:12:03:10 WEIR: Lower the shield.

01:12:08:05 SHEPPARD: Someone get us some vests and guns.

01:12:10:16 RUTHERFORD: Colonel, Teyla...

01:12:11:10 SHEPPARD (O/S): Major.

01:12:11:22 RUTHERFORD: We were just about to come get you guys. Where's Ronon?

01:12:14:01 SHEPPARD: Still back there. Did McKay get through okay?

01:12:16:08 WEIR: Yeah, he's going to be fine. What happened?

01:12:18:05 TEYLA (O/S): Ronon bargained for our freedom.

01:12:19:12 SHEPPARD: By sticking a knife to his own throat. We're going back.

01:12:22:20 WEIR: Dial the gate.

01:12:23:15 SHEPPARD (O/S): It took us 15 minutes...

01:12:24:17 SHEPPARD (CONT'D): to get to the gate.

01:12:25:05 TEYLA: The place could be crawling with Wraith by now.

01:12:27:11 RUTHERFORD: Let's go get him.

END OF ACT ONE

ACT TWO

01:13:24:06 SHEPPARD: We couldn't have been gone for more than a half-hour.

01:13:26:12 TEYLA: It doesn't take long.

01:13:31:11 RUTHERFORD (O/S): All right, everybody, fan out!

01:13:45:24 TEYLA: As we suspected, the deal did not go as planned.

01:13:55:15 RUTHERFORD: There's a few dozen bodies here at most.

01:13:58:10 TEYLA: The rest were culled.

01:13:59:24 RUTHERFORD: We found these.

01:14:06:01 TEYLA: We'll find him.

01:14:08:10 (WORMHOLE WHOOSHING)

01:14:14:12 (RONON PANTING IN PAIN)

01:14:20:27 BIG WRAITH: I once fed from the humans of your homeworld. That is where I will
 watch you die.

01:14:28:02 (TRACKER SQUISHES INTO WOUND)

01:14:36:17	(TRANSPORT BEAM BUZZES)
01:14:43:03	(EXPLOSIONS)
01:14:47:00	(EXPLOSIONS)
01:14:48:06	RONON: All right, boys, let's go! Move, move, move!
01:14:50:20	(GUN FIRING)
01:15:14:04	(BOMB EXPLODING)
01:15:19:27	(TRANSPORT BEAM BUZZES)
01:15:50:08	SHEPPARD: He's alive.
01:15:51:20	BECKETT: Don't get me wrong. I hope he is. But how can you be certain?
01:15:54:00	TEYLA: They made sport out of trying to...
01:15:55:01	TEYLA (CONT'D O/S): kill him in the past.
01:15:56:00	SHEPPARD (O/S): He was the...
01:15:56:13	SHEPPARD (CONT'D): one that got away.
01:15:57:16	TEYLA: I believe they will try again.

01:15:59:00 SHEPPARD (O/S): Ronon...

01:15:59:08 SHEPPARD (CONT'D): will not go down easily.

01:16:01:23 WEIR: But they must know how dangerous he can be. It's not like they're going to
 give him a fair chance.

01:16:06:15 SHEPPARD: Well, obviously, we don't have much time.

01:16:09:05 WEIR: How do we find him?

01:16:10:18 TEYLA (O/S): If the Wraith placed a tracking...

01:16:11:25 TEYLA (CONT'D): device in him the way they did last time...

01:16:13:15 SHEPPARD: Can you pick up a signal?

01:16:16:01 MCKAY: Oh, of course. If it sounds like it might be impossible, you look at me.

01:16:19:08 BECKETT: We still have the tracking device we took out of him.

01:16:21:08 MCKAY (O/S): We might be able to tune the long-range...

01:16:22:20 MCKAY (CONT'D): sensors to pick up any similarly generated subspace...

01:16:24:28 MCKAY (CONT'D O/S): transmissions.

01:16:25:14 WEIR: Good.

01:16:26:00 MCKAY (O/S): But...

01:16:26:09 MCKAY (CONT'D): we are still assuming that the Wraith actually put another one
in him.

01:16:29:25 SHEPPARD: I'll take whatever odds I can get.

01:16:44:16 (MELENA GIGGLING)

01:16:46:03 MELENA (O/S): Ronon!

01:16:48:14 (GLASS EXPLODING)

01:16:57:10 (DOOR CREAKING)

01:17:15:12 (TRACKING LOCATOR BEEPING)

01:17:22:05 (BIG WRAITH SNARLING)

01:17:44:00 (RONON YELLING)

01:17:47:23 (GRUNTING AND SNARLING)

01:17:49:18 (PUNCHING, BLADE SLICING)

01:18:16:14 SHEPPARD: McKay?

01:18:17:12 MCKAY (O/S): I'm here.

01:18:20:21 MCKAY (CONT'D): You know... You really don't appreciate the simple things in life. Like, uh... sitting.

01:18:26:13 SHEPPARD: I don't envy you. It must be a real pain in the ass.

01:18:29:20 MCKAY: Aw... How long did you work on that?

01:18:31:19 SHEPPARD: Longer than I care to admit. How's it coming?

01:18:33:24 MCKAY: Well, I think I'm almost there.

01:18:35:09 SHEPPARD: Is this thing active?

01:18:36:10 MCKAY (O/S): Don't worry...

01:18:37:13 MCKAY (CONT'D): I limited the power so it won't transmit our location to the Wraith.

01:18:39:29 MCKAY (CONT'D O/S): I just needed enough juice to determine the subspace frequency it broadcasts on...

01:18:44:03 MCKAY (CONT'D): and now I need to re-calibrate the city's long-range sensors...

01:18:48:13 MCKAY (CONT'D O/S): to pick up on it.

01:18:49:15 SHEPPARD: Yeah, but these sensors only cover a small corner...

01:18:51:15 SHEPPARD (CONT'D O/S): of the galaxy.

01:18:52:26 MCKAY: Unless they're calibrated to pick up a signal being transmitted using
subspace.

01:18:56:03 MCKAY (CONT'D O/S): How about I leave the bad jokes to you...

01:18:57:25 MCKAY (CONT'D): and you leave the brilliant science stuff to me?

01:19:00:14 SHEPPARD (O/S): So, uh...

01:19:01:14 SHEPPARD (CONT'D): what are we looking at?

01:19:02:25 MCKAY (O/S): These dots represent transmitters broadcasting from various
locations in the Pegasus galaxy.

01:19:07:10 SHEPPARD: So there are... seven runners out there right now?

01:19:11:09 MCKAY: We don't know for sure that they're runners, but I'll bet anything...

01:19:14:16 MCKAY (CONT'D O/S): that one's Ronon.

01:19:16:22 SHEPPARD: Why? How do you know?

01:19:18:01 MCKAY (O/S): That's Sateda.

01:19:20:20 MCKAY (CONT'D): It's Ronon's home planet.

01:19:24:20 SHEPPARD: That's a good enough place to start.

01:19:29:10 (TRACKING DRONE BUZZES AND WHIRS)

END OF ACT TWO

ACT THREE

01:20:06:12 WEIR (V/O): We have no choice.

01:20:07:21 WEIR (CONT'D): We've been unable to dial in to Sateda's stargate.

01:20:11:03 TEYLA: The Wraith likely disabled it.

01:20:12:15 CALDWELL (O/S): Which means, if...

01:20:13:05 CALDWELL (CONT'D): the Wraith are hunting Ronon, there's a very good chance
that there's a hive in orbit. I shouldn't have to remind you the Daedelus
has not done well in its last few engagements with Wraith hive ships.

01:20:20:18 MCKAY: We drop out of hyperspace, we beam him onboard, we get out of there.

01:20:23:13 CALDWELL (O/S): You know damn well we can't come out of hyperspace and
get...

01:20:25:26 CALDWELL (CONT'D): close enough to a planet to beam someone off the
surface. We'll be detected.

01:20:30:17 CALDWELL (CONT'D O/S): Look, you know I want to help...

01:20:34:10 CALDWELL (CONT'D): but I will not put my crew and the only ship that we have
in this galaxy at risk for one man.

01:20:38:17 SHEPPARD: One man who isn't a member of the U.S. military--

01:20:40:27 CALDWELL (INTERRUPTING O/S): I didn't...

01:20:41:09 CALDWELL (CONT'D): say that!

01:20:42:05 SHEPPARD (O/S): He's a...

01:20:42:15 SHEPPARD (CONT'D): member of my team, and he deserves the same respect
and anyone on this expedition.

01:20:48:12 WEIR (O/S): We don't leave our people out there, Colonel.

01:20:50:20 WEIR (CONT'D): Not if there's any chance.

01:20:52:06 CALDWELL: Don't preach to me about not leaving people behind, Dr. Weir.

01:21:00:11 CALDWELL (CONT'D): I'm just saying it's a very bad risk-reward situation.

01:21:04:10 SHEPPARD: Fine. Then just get us close. We'll take a cloaked jumper the rest of
the way.

01:21:09:29 BECKETT: I'll go with them, remove the tracking device before we get back on
board.

01:21:13:23 SHEPPARD: We'll be out of there before the Wraith even know what happened.

01:21:16:15 CALDWELL: I won't bail you out if you get in trouble.

01:21:18:09 SHEPPARD: You say that as if we're always getting in trouble.

01:22:10:06 (SHIPS WHINE OVERHEAD, GUNS FIRING)

01:22:17:13 MALIK: I'm out of ammo!

01:22:18:02 RONON: There's a depot two blocks down. Go!

01:22:39:24 (TRACKING LOCATOR BEEPS)

01:22:57:15 (GUN FIRING)

01:23:09:25 (TRACKING DRONE HUMMING)

01:23:19:12 RONON (V/O OVER SCREEN): You're going to have to do better than that.

01:23:20:28 (BIG WRAITH GROWLING)

01:23:36:05 (BOMB EXPLODING)

01:23:41:26 CHIEFTON (V/O): Sateda will not bow to invaders. The time has come for us to
put our bravery on the line and defend our nation...

01:23:50:15 CHIEFTON (V/O OVER RADIO): our planet. All we have built these past few
centuries...

01:23:53:12 RONON (OVERLAPPING): What are you doing?

01:23:54:20 CHIEFTON (V/O OVER RADIO): ...since the last culling.

01:23:57:00 MELENA: I'm listening to the Chieftan's speech.

01:23:58:23 RONON: Why aren't you packing?

01:24:01:00 RONON (CONT'D O/S): I traded every last thing we had to get you on Kell's
personal staff.

01:24:04:29 MELENA: He's a criminal. He's using people's fear for...

01:24:08:13 MELENA (CONT'D O/S): his own gain.

01:24:08:25 RONON: He's a commander, and his staff gets to go through the gate.

01:24:11:28 MELENA: The hospital's going to need me.

01:24:14:29 RONON: There's not going to be any need for hospitals, Melena!

01:24:17:02 RONON (CONT'D O/S): That's just a bunch...

01:24:19:07 RONON (CONT'D): of words meant to make the people...

01:24:20:25 RONON (CONT'D O/S): who don't get to leave...

01:24:23:08 RONON (CONT'D): think there's a chance for them.

01:24:25:10 RONON (CONT'D O/S): We shot down two ships that came through the gate.

01:24:27:28 RONON (CONT'D): Two small ships. Do you really think that's all they're going to send?

01:24:34:22 MELENA: Of course not.

01:24:36:07 RONON: Ships as big as our city have attacked other planets.

01:24:40:18 RONON (CONT'D): No one that stays here is going to survive.

01:24:45:08 MELENA: Then why are you staying?

01:24:47:23 RONON: I have no choice.

01:24:49:17 MELENA: Yes, you do.

01:24:50:25 MELENA (CONT'D O/S): You believe...

01:24:51:10 MELENA (CONT'D): in this fight! You know that they'll eventually find us no matter where we go. Our only hope is to show them that we're not worth...

01:24:58:05 MELENA (CONT'D O/S): the effort... to go...

ACT FOUR

01:27:52:25 SHEPPARD: Hey.

01:27:55:08 TEYLA: Am I disturbing you?

01:27:57:00 SHEPPARD: No. What's up?

01:28:02:02 TEYLA: I just wanted to thank you.

01:28:04:02 SHEPPARD: For what?

01:28:05:20 TEYLA: For going after Ronon this way.

01:28:09:10 SHEPPARD: Did you think we wouldn't?

01:28:12:12 TEYLA: He is an outsider.

01:28:15:10 SHEPPARD: Not to me.

01:28:19:18 TEYLA: I have often felt like an outsider among your people.

01:28:23:20 SHEPPARD: Well, maybe at first, but... well, you know I've always trusted you.

01:28:27:29 TEYLA (O/S): Yes.

01:28:30:08 TEYLA (CONT'D): You and Dr. Weir have been very accepting, but this has
shown me how far you would go, even for someone who is not from your
world.

01:28:45:20 SHEPPARD (O/S): Look, Teyla... I'm not...

01:28:48:18 SHEPPARD (CONT'D): really good at, uh... actually, I'm... I'm terrible at
expressing... I don't know what you'd call it, uh...

01:28:59:11 TEYLA: Feelings?

01:29:01:18 SHEPPARD: Yeah, sure, okay.

01:29:02:25 SHEPPARD (CONT'D O/S): The point is, I don't...

01:29:04:20 SHEPPARD (CONT'D): really have good, uh...

01:29:06:13 TEYLA: Social skills.

01:29:09:25 SHEPPARD: Well, that is why I enjoyed flying choppers in the most remote part of my world...

01:29:14:17 SHEPPARD (CONT'D O/S): before all this craziness happened, but, uh, you
should know...

01:29:18:20 SHEPPARD (CONT'D): I don't have, uh...

01:29:21:18 TEYLA: Friends?

01:29:23:20 SHEPPARD: No. I have friends. You, Elizabeth...

01:29:33:14 SHEPPARD (CONT'D O/S): Ronon, Carson, even Rodney are the...

01:29:36:29 SHEPPARD (CONT'D): closest thing I have to a...

01:29:39:13 TEYLA: A family?

01:29:42:15 SHEPPARD: I'd do anything... for any one of you.

01:29:50:10 SHEPPARD (CONT'D): If I had to give up my life the way Ronon was going to, I would.

01:30:08:13 TEYLA: Thank you.

01:30:11:02 TEYLA (CONT'D): For everything you...meant to say.

01:30:35:05 (RONON CALLING OUT)

01:30:47:00 MCKAY: Ow! Son of a... You're killing me!

01:30:49:26 BECKETT: I'm not even touching you. Seriously, Rodney, I've never treated a bigger baby in my life.

01:30:52:25 MCKAY: Just-- Are we done?

01:30:54:23 BECKETT: Yes. It looks fine, considering.

01:31:03:08 BECKETT (CONT'D O/S): Why did you come?

01:31:04:10 MCKAY: What do you mean?

01:31:05:11 BECKETT (O/S): On this mission. You're injured. You can't even sit down.

01:31:09:10 BECKETT (CONT'D): People wouldn't think any less of you.

01:31:10:28 MCKAY: What, you think that's all I care about, what people think of me?

01:31:13:01 BECKETT: Well, actually...

01:31:14:00 MCKAY: Hey...

01:31:14:10 MCKAY (CONT'D): I am a very caring person.

01:31:18:12 MCKAY (CONT'D): Okay, maybe it's not always obvious to everyone..

01:31:20:10 MCKAY (CONT'D O/S): but, um...

01:31:21:10 BECKETT: You care about what happens to Ronon?

01:31:22:20 MCKAY: Yes, of course I do. What makes you think I wouldn't?

01:31:25:01 BECKETT: Oh, I don't know, the fact that you refer to him as "the caveman"...

01:31:27:16 BECKETT (CONT'D O/S): behind his back.

01:31:29:09 MCKAY: That is a nickname. Buddies have nicknames for each other.

01:31:32:10 BECKETT: Buddies? Oh, you're buddies now, are you?

01:31:34:17 MCKAY: Yeah, more than that. He saved my life. He's like a brother to me.

01:31:37:04 BECKETT: Aye... A brother who got every gene you didn't, and vice-versa.

01:31:41:07 MCKAY: You are just jealous of our relationship.

01:31:43:07 BECKETT: Am I? In the year or so he's been with us, have you ever had a
conversation with the man?

01:31:52:19 MCKAY: We have an unspoken bond. I mean, there are things that go deeper
than words, my friend, deeper than words, but you wouldn't know
anything about that because you never look past the surface of anyone,
do you?

01:32:29:23 RONON (O/S): Melena!

01:32:31:00 RONON (CONT'D): Melena!

01:32:32:18 RONON (CONT'D O/S): Melena! Melena!

01:33:02:16 (RONON CALLING OUT)

01:33:05:19 RONON: Melena!

01:33:07:00 (MAN SOBBING)

01:33:09:28 RONON (O/S): Melena...

01:33:11:20 (MELENA SOBBING)

01:33:25:25 (RONON SCREAMING)

01:33:26:16 MELENA: Where's your squad?

01:33:27:15 RONON: They're all dead. Kell used us to ensure his own escape.

01:33:30:23 RONON (CONT'D O/S): But there's still a chance. I can get us out of here.

01:33:32:16 RONON (CONT'D): I can get us to the gate, and even if we can't, I know where to
hide.

01:33:34:26 MELENA: Ronon!

01:33:40:01 (RONON SCREAMING)

01:33:42:18 MELENA: What about her? Her parents are both dead.

01:33:46:03 RONON: Come here. Come on.

01:33:49:18 MELENA: Ronon, wait!

01:33:53:00 (RONON SCREAMING)

01:33:58:21 MELENA: What about all these people?

01:34:02:05 RONON: They're all dead.

01:34:05:11 MELENA: I can't... I can't, Ronon. I can't go.

01:34:14:20 (RONON CALLING OUT)

01:34:26:10 (WOMAN SCREAMING, WINDOW EXPLODING)

01:34:41:08 (TRACKING DRONE BUZZING)

01:34:45:10 RONON (V/O OVER SCREEN): You're a coward.

01:34:46:18 (GUN FIRING)

01:34:52:25 SHEPPARD: Don't look so surprised.

01:34:58:10 TEYLA (O/S): Are you okay?

01:35:01:29 SHEPPARD: Come on. You can thank us later. McKay and Beckett are waiting for us in a jumper on the roof.

01:35:07:00 RONON: Get out of here.

01:35:08:15 SHEPPARD: Oh, hey, I know you've been through a lot, but, uh...

01:35:10:27 RONON: I'm not going anywhere.

END OF ACT FOUR

ACT FIVE

01:35:33:01 MCKAY (O/S): What is going on down there? You have at least...

01:35:34:09 MCKAY (CONT'D): 25 Wraith closing in on your position from ground level.

01:35:38:02 SHEPPARD (O/S): It seems...

01:35:38:22 SHEPPARD (CONT'D): Ronon doesn't want to leave.

01:35:41:24 MCKAY: Well, too bad! You tell that ungrateful example of unevolved...

01:35:43:15 MCKAY (CONT'D O/S): humanity that we came all this way to rescue him...

01:35:45:04 MCKAY (CONT'D): so he'd better get off his a--

01:35:46:09 SHEPPARD (INTERRUPTING): McKay says he's very hurt you won't come with
us.

01:35:49:24 RONON: I can't.

01:35:51:20 RONON (CONT'D O/S): Keturah and his people...

01:35:54:05 RONON (CONT'D): they had a deal. They traded me for their freedom.

01:35:58:08 SHEPPARD: Are you doing this for them? Those people, the ones on the planet
who turned you over to the Wraith?

01:36:03:21 RONON: It was my fault they were culled.

01:36:06:04 TEYLA (O/S): Ronon...

01:36:08:00 TEYLA (CONT'D): the Wraith didn't honor the deal. Keturah and his village,
they're all dead.

01:36:16:05 SHEPPARD (O/S): Now...

01:36:16:16 SHEPPARD (CONT'D): can we go?

01:36:18:25 RONON: No.

01:36:20:26 SHEPPARD: Why not?

01:36:22:15 RONON: Because I'm going to kill the Wraith responsible for all this.

01:36:27:01 SHEPPARD: I don't suppose he happens to be one of the ones out there that's about to come in here.

01:36:31:27 RONON: No. He's probably still up on the hive.

01:36:35:20 TEYLA: We can't take on a hive ship now.

01:36:40:11 RONON: You won't have to.

01:36:46:05 MCKAY: Why aren't you moving?

01:36:48:08 SHEPPARD (V/O OVER RADIO): Ronon wants to take care of a few things first.

01:36:50:27 MCKAY: Oh, really? Like what?

01:36:55:20 SHEPPARD: Come on.

01:36:58:08 SHEPPARD (CONT'D): Let's go kill some Wraith.

01:37:07:22 RONON: Just stay out of my way.

01:37:11:25 SHEPPARD: Hey...

01:37:14:05 SHEPPARD (CONT'D): Thought you might want this.

01:37:20:13 SHEPPARD (CONT'D): You're welcome.

01:37:22:25 MCKAY: What the hell is going on down there?

01:37:24:26 SHEPPARD (V/O OVER RADIO): Ronon thinks he can get the head Wraith
responsible for all this to come down and fight him if we kill all these
Wraith first.

01:37:32:10 (GUNS FIRING, WRAITH SCREAMING)

01:37:34:24 MCKAY (V/O OVER RADIO): That is the stupidest plan I have ever heard.

01:37:37:18 SHEPPARD (INTO RADIO): I don't know, killing a bunch of Wraith always seems
like a good idea to me.

01:37:40:23 MCKAY (V/O OVER RADIO): They outnumber you 25 to three.

01:37:43:08 BECKETT: It's actually, 22 to three. 21...

01:37:46:29 TEYLA: And Ronon appears to be quite angry.

01:37:49:09 MCKAY: Oh, well, that evens it out. You do realize that there is a hive ship in orbit
capable of blowing us all off the face of this planet.

01:37:54:15 (GUNS FIRING, WRAITH SCREAMING)

01:38:06:05 MCKAY: Where do you think you're going?

01:38:07:20 BECKETT (O/S): I'm going to help them.

01:38:08:15 MCKAY (O/S): What are you...

01:38:08:28 MCKAY (CONT'D): crazy? You're a doctor!

01:38:09:25 BECKETT (O/S): What does that have to do...

01:38:10:24 BECKETT (CONT'D): with it? What are you doing?

01:38:14:20 MCKAY: I'm going.

01:38:15:01 BECKETT: You can barely walk.

01:38:16:05 MCKAY: I can walk fine. I just...

01:38:17:08 MCKAY (CONT'D): can't sit.

01:38:18:15 BECKETT: And you're a terrible shot.

01:38:19:10 MCKAY: Oh, what, and you're Rambo, now?

01:38:24:15 RONON: Oh, man...

01:38:31:20 (RONON YELLING, FIRING, WRAITHS SCREAMING)

01:38:39:15 (BIG WRAITH GROWLING)

01:38:43:00 (GUN FIRING)

01:38:45:10 (GUN FIRING)

01:38:47:02 (BIG WRAITH YELLING)

01:38:51:00 (GUNS FIRING)

01:39:08:13 BECKETT: There's more than one bloody gun. We can both go.

01:39:11:00 MCKAY: Well, someone has to stay with the jumper.

01:39:12:05 SHEPPARD (V/O OVER RADIO): That's it. We got them all. McKay?

01:39:18:25 MCKAY (O/S INTO RADIO): Yeah, it's just you guys left.

01:39:19:28 MCKAY (CONT'D): Well, that was quick.

01:39:22:10 SHEPPARD: Well, I got six. Uh, Teyla got...

01:39:24:15 TEYLA: Eight.

01:39:27:09 SHEPPARD: I got nine, Teyla got eight, Ronon got the rest.

01:39:34:10 RONON (V/O OVER SCREEN): If you want to watch me die up close, you're just
going to have to come down here and do it yourself. You want me?
Come get me! I'll be waiting.

01:39:52:16 RONON (CONT'D): You kill him before I do, I kill you.

01:39:56:12 SHEPPARD: What if he kills you first?

01:39:58:15 RONON: Then you kill him.

01:40:00:07 SHEPPARD: Got it.

01:40:05:22 (SHIP'S ENGINES DRONE)

01:40:18:10 (TRANSPORTER BEAM ACTIVATES)

01:40:29:09 (BIG WRAITH YELLS)

01:40:32:12 (RONON HOWLS)

01:40:55:07 SHEPPARD: I could shoot him right now.

01:41:01:20 TEYLA: I wouldn't.

01:41:07:10 SHEPPARD: You really think Ronon would kill me?

01:41:09:14 TEYLA: I think he wouldn't forgive you.

01:41:12:05 (RONON HOWLS)

01:41:18:17 SHEPPARD: I think he'd get over it.

01:41:20:17 TEYLA: The hive has got to be watching. We shoot that Wraith...

01:41:24:25 TEYLA (CONT'D O/S): they blast us all from space.

01:42:01:15 (SHIP UNCLOAKING)

01:42:03:05 MCKAY (V/O): I'd say that's just about enough of this macho crap.

01:42:07:18 BECKETT: If he doesn't like it, he can sue me.

01:42:12:19 RONON: I win.

01:42:15:03 (SHIP FIRING)

01:42:20:00 (BIG WRAITH EXPLODING)

(01:42:37:05 (GROUND EXPLODING)

01:42:43:04 SHEPPARD: Go!

01:42:44:29 (GROUND EXPLODING)

01:42:47:10 (GROUND EXPLODING)

01:42:59:12 BECKETT: Everyone okay?

01:43:00:06 TEYLA: We are okay.

01:43:01:10 RONON (O/S): Which one of you...

01:43:02:08 RONON (CONT'D): killed the Wraith?

01:43:04:12 BECKETT: That would be me.

01:43:05:25 MCKAY: My idea.

01:43:09:09 TEYLA: Ronon...

01:43:11:13 BECKETT: What? Don't tell me you're not happy that he's dead.

01:43:14:04 SHEPPARD (O/S): I had him in my sights, but...

01:43:15:22 SHEPPARD (CONT'D): Ronon said he'd kill me if I shot him.

01:43:17:16 MCKAY: It was all Beckett's idea.

01:43:23:04 RONON: Thanks, doc.

01:43:25:25 MCKAY: What, him you thank?

01:43:28:01 SHEPPARD: I could have killed him at any time, but Teyla wouldn't let me.

01:43:30:20 RONON (O/S): Thank you.

01:43:31:07 RONON (CONT'D): All of you.

01:43:33:18 MCKAY: Oh, don't mention it.

01:43:34:13 SHEPPARD (O/S): It's nothing, really.

01:43:35:14 SHEPPARD (CONT'D): I only killed 11...

01:43:37:04 SHEPPARD (CONT'D O/S): 12 Wraith.

01:43:39:03 BECKETT: How about you sit down and I get that...

01:43:40:08 BECKETT (CONT'D O/S): tracking device out of you and de-activated before that
 Hive ship gets a bead on us?

01:43:43:26 BECKETT (CONT'D): I take it this time you won't mind if I give you...

01:43:46:12 BECKETT (CONT'D O/S): a sedative?

01:43:50:15 BECKETT: Or not.

01:43:56:26 SHEPPARD: Who's flying the ship?

01:43:59:02 MCKAY: Me.
