TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

TEASER

01:00:01:05 TEYLA (V/O): I could never just say that to him.

01:00:03:08 HEWSTON (O/S): Why not? You like him, don't you?

01:00:05:17 TEYLA (O/S): That is not the point.

01:00:06:24 HEWSTON (O/S): I think that's exactly the point, actually.

01:00:08:14 TEYLA (O/S): The ways of my people are different. I would never--

01:00:12:18 HEWSTON: Uh, he's not going to make the first move.

01:00:14:07 TEYLA: Uh, we shall see.

01:00:15:11 HEWSTON: Look, you know him better than I do...

01:00:18:15 TEYLA: I would hope so.

01:00:19:15 HEWSTON: But I wouldn't be surprised if he was oblivious to the whole situation.

01:00:23:28 TEYLA: It bears no further discussion.

01:00:25:12 HEWSTON: All right... I'm just saying, if you want me to have somebody drop some hints, I could--

01:00:29:05 TEYLA (INTERRUPTING): Can you remember the last time so many people had the day off?

01:00:31:28 HEWSTON: Yeah, it's all Heightmeyer's doing. She insisted that the brass order some sort of mandatory rest day. I guess down time here doesn't really happen organically. Hey, and don't think I haven't realized you've changed the subject.

01:00:44:09 TEYLA: My people have a day of rest every four nights.

01:00:46:27 HEWSTON: Ooh, now, that is civilized.

01:00:48:05 TEYLA: Yes.

01:00:49:06 HEWSTON: Hey, want to grab a late lunch?

01:00:50:25 TEYLA: I would like that. I forgot my bantos rods at the gym.

01:00:54:15 HEWSTON: Oh.

01:00:55:00 TEYLA: Can I meet you there?

01:00:55:25 HEWSTON: Sure.

01:00:56:15 TEYLA: Okay.

01:01:00:16 (HALLWAY EXPLODING)

01:01:01:00 TEYLA: Oh!

01:01:08:07 (People screaming, siren blaring)

01:01:17:18 (Teyla moaning, breathing heavily)

END OF TEASER

ACT ONE

01:02:59:23 BRANTON: Hi.

01:03:00:09 WEIR: Hi.

01:03:01:27 BRANTON: What are you, uh, what are you doing here?

01:03:03:29 WEIR (O/S): I work here.

01:03:06:16 BRANTON: But it's our day off.

01:03:08:00 WEIR (O/S): Well...

01:03:08:12 WEIR (CONT'D): shouldn't you be enjoying your leisure time, then?

01:03:10:10 BRANTON (O/S): I got a little behind on my research...

01:03:11:29 BRANTON (CONT'D): this week. Just wanted to drop off some results for the next
Earth transmission.

01:03:17:11 WEIR: Right. Good.

01:03:20:22 BRANTON: I was thinking about grabbing some food. Care to join?

01:03:24:26 WEIR: I can't, I've--

01:03:25:16 BRANTON (INTERRUPTING O/S): You're not capable...

01:03:26:20 BRANTON (CONT'D): of having lunch?

01:03:28:10 WEIR: Yes, I'm capable.

01:03:28:25 BRANTON (O/S): Are you planning...

01:03:29:15 BRANTON (CONT'D): on eating today?

01:03:31:22 WEIR: Of course.

01:03:31:25 BRANTON (O/S): Great.

01:03:32:26 BRANTON (CONT'D): Eat with me.

01:03:34:24 WEIR: Look, it's nothing personal, but...

01:03:38:22 WEIR (CONT'D): I make it a point to not have relationships with people who work
for me.

01:03:43:06 BRANTON: I don't work for you.

01:03:46:11 WEIR: I'm your boss.

01:03:48:05 BRANTON (O/S): Well, you're my...

01:03:48:27 BRANTON (CONT'D): boss' boss, actually.

01:03:51:13 WEIR: Still, however indirectly...

01:03:53:24 BRANTON: Yeah, but with that thinking, everyone on this entire planet works for you. You're not going to be friends with any of them?

01:03:59:07 WEIR: Friends is one thing...

01:04:02:10 BRANTON: Oh, you think...

01:04:03:13 BRANTON (CONT'D O/S): Oh, wait a second. I see what's happening here.

01:04:05:16 BRANTON (CONT'D): You think I'm asking you out on a date. No, no, no, no, this isn't a date. This is... This is lunch. This is the – the mandatory...

01:04:13:21 BRANTON (CONT'D O/S): refueling of our bodies. This is...

01:04:15:21 BRANTON (CONT'D): you know, putting food in your mouth and chewing it, and having something more engaging than a wall...

01:04:20:05 BRANTON (CONT'D O/S): sitting across from you. That's all it is. I mean, come on.

01:04:23:07 BRANTON (CONT'D): You've got to admit-- I'm much more appealing than a wall, no?

01:04:28:04 BRANTON (CONT'D): No, you don't have to admit it, but it would be a massive
blow to my ego if you thought otherwise.

01:04:34:24 WEIR: You are more appealing than a wall.

01:04:39:00 BRANTON: Great. Now, what say we go grab some grub?

01:04:41:10 WEIR (O/S): Oh, I...

01:04:41:18 WEIR (CONT'D): still have an hour of work to do, and--

01:04:42:25 BRANTON (INTERRUPTING O/S): An hour, then.

01:04:44:01 BRANTON (CONT'D): I'll see you in the mess hall.

01:04:50:29 (DOOR CHIMES)

01:04:55:22 TEYLA: Elizabeth, you're early! Just give me a moment.

01:04:58:12 WEIR: Um, how set on lunch were you today?

01:05:01:10 TEYLA: Why?

01:05:02:15 WEIR: Well, something's come up.

01:05:04:05 TEYLA: Elizabeth, surely whatever work it is you feel you must get done can wait.

01:05:07:20 WEIR (O/S): I was invited to lunch...

01:05:08:21 WEIR (CONT'D): by Mike Branton.

01:05:11:01 TEYLA: Oh, really?

01:05:12:01 WEIR: You and I, we had plans, and--

01:05:13:11 TEYLA (INTERRUPTING O/S): My friend...

01:05:14:20 TEYLA (CONT'D): Dr. Hewston, just radioed me. She wants me to teach her
some bantos fighting...

01:05:17:28 TEYLA (CONT'D O/S): this afternoon, so, do not worry. I will have something...

01:05:22:10 TEYLA (CONT'D): to occupy my time.

01:05:25:07 WEIR: Okay. Are you sure?

01:05:28:10 TEYLA: Yes.

01:05:30:23 WEIR: Okay. Hmph.

01:05:36:15 (TEYLA GIGGLES)

01:05:38:27 BECKETT: Hello. Oh! Don't you look lovely.

01:05:43:10 WEIR: Thank you, Carson.

01:05:44:01 BECKETT: It's the first time I've seen you out of your base uniform in quite some
time now.

01:05:47:09 WEIR: No, I don't-don't know about that.

01:05:49:22 BECKETT: Off somewhere special?

01:05:51:08 WEIR: No, just getting some lunch.

01:05:52:20 BECKETT: Ah... Rodney and I are going fishing on the mainland this afternoon.

01:05:55:19 WEIR: I know, I cleared the use for the jumper.

01:05:57:24 BECKETT: Care to join us? Who knows what kind of wonderful fish we'll find?

01:06:01:10 WEIR: That's very kind, but some other time, maybe.

01:06:03:10 BECKETT: Oh! What, do you have a hot date?

01:06:05:27 WEIR: What? Who told you that?

01:06:07:28 BECKETT: No one. I was joking. I was right. Who is it?

01:06:13:00 BECKETT (CONT'D): None of my business. Have a lovely afternoon, Elizabeth.

01:06:16:13 WEIR (O/S): Thank you.

01:06:17:13 BECKETT: You smell good, too!

01:06:18:15 WEIR (O/S): Shut up!

01:06:20:05 BRANTON (V/O): Do you believe that?

01:06:21:15 WEIR: Yes.

01:06:22:03 BRANTON (O/S): Truly and in your heart, you believe that?

01:06:24:03 WEIR: I do.

01:06:25:03 BRANTON (O/S): Oh!

01:06:26:05 WEIR: What?

01:06:27:10 BRANTON: I just don't know that I can ever respect you again.

01:06:30:05 WEIR: Come on.

01:06:30:25 BRANTON (O/S): You think...

01:06:31:27 BRANTON (CONT'D): When Harry Met Sally is better than Annie Hall? You're a
crazy person.

01:06:34:24 WEIR: It is.

01:06:37:00 BRANTON: Okay... When Harry Met Sally...

01:06:39:20 BRANTON (CONT'D O/S): is essentially a remake--

01:06:41:12 BRANTON (CONT'D): a cheap imitation, a bad cover-song version of Annie Hall.
You...

01:06:44:28 BRANTON (CONT'D O/S): realize that, right?

01:06:45:29 WEIR: I disagree.

01:06:46:29 BRANTON: I know you do, but that's what makes you crazy.

01:06:50:03 WEIR: Well, I guess this will never work out, then.

01:06:52:25 BRANTON: This?

01:06:54:19 WEIR: Lunch?

01:06:56:15 BRANTON: Ah.

01:06:59:04 BRANTON (CONT'D O/S): Now...

01:07:00:05 BRANTON (CONT'D): does that mean that-- that you don't believe that men and
women can be friends?

01:07:04:19 WEIR: I never said that.

01:07:05:24 BRANTON (O/S): Mm, you didn't have to say it.

01:07:07:15 BRANTON (CONT'D): Any lady that likes When Harry Met Sally that much thinks
men and women can't be friends.

01:07:11:12 WEIR: Fine. Maybe I do.

01:07:15:20 BRANTON: So where does that leave me?

01:07:16:26 WEIR: I guess that leaves you at lunch.

01:07:23:10 BRANTON: Come on.

01:07:24:20 WEIR: Where?

01:07:26:15 BRANTON: If lunch is all I get, I'm going to get as much bang for my buck as
possible.

01:07:33:21 WEIR (O/S): It really is beautiful here, isn't it?

01:07:37:00 BRANTON (O/S): Yeah.

01:07:42:29 BRANTON (CONT'D): All done?

01:07:46:21 WEIR: All done.

01:07:48:19 BRANTON: I guess lunch is over.

01:07:52:05 WEIR: I guess it is.

01:07:53:07 BRANTON: I should have brought dessert. It would've lasted longer.

01:07:58:08 WEIR: I should really get back anyway.

01:08:01:04 BRANTON: Well, what are you doing tomorrow?

01:08:03:12 WEIR: Mike—

01:08:04:00 BRANTON: No, I like you...

01:08:05:08 BRANTON (CONT'D): and I'm extremely charming.

01:08:08:01 BRANTON (CONT'D O/S): I'd like to see you...

01:08:08:24 BRANTON (CONT'D): spin those into negatives.

01:08:10:25 WEIR: I just don't think--

01:08:11:15 BRANTON (INTERRUPTING O/S): Probably...

01:08:11:26 BRANTON (CONT'D): best if you don't think.

01:08:13:10 WEIR: Would you stop interrupting me?

01:08:15:18 WEIR (CONT'D O/S): You have a tendency to do that.

01:08:16:28 BRANTON: I do not.

01:08:17:28 WEIR (O/S): Yes, you do.

01:08:19:14 WEIR (CONT'D): I hate it when people interrupt me.

01:08:21:04 BRANTON (O/S): Well, if I hadn't interrupted you...

01:08:23:21 BRANTON (CONT'D): we would never have had lunch.

01:08:26:20 BRANTON (CONT'D O/S): Life needs a little...

01:08:27:16 BRANTON (CONT'D): interrupting every now and again.

01:08:30:05 WEIR: All right, I don't completely...

01:08:31:00 WEIR (CONT'D O/S): disagree.

01:08:41:24 BRANTON: Was that way out of line?

01:08:50:21 WEIR: I can't do this.

01:08:52:15 BRANTON: Just because we work together?

01:08:54:10 WEIR (O/S): This would...

01:08:54:26 WEIR (CONT'D): split my focus.

01:08:56:16 BRANTON: Give it a chance, see if it--

01:08:57:27 WEIR (INTERRUPTING O/S): I'm sorry.

01:08:59:20 WEIR (CONT'D): I shouldn't have done this in the first place. I thought maybe I--

01:09:02:29 TECHNICIAN (V/O OVER SPEAKER): Dr. Weir, please report to the control room
immediately.

01:09:09:09 WEIR: What's going on?

01:09:11:00 TECHNICIAN (O/S): There's been...

01:09:12:00 TECHNICIAN (CONT'D): an explosion at the base of the tower, near the gym.
Early reports have at least three dead, and there's about a dozen or so
that are severely injured.

01:09:17:29 WEIR: An explosion? Was there some sort of equipment malfunction?

01:09:20:25 TECHNICIAN (O/S): No, we're still going...

ACT TWO

01:09:46:14 SHEPPARD: Oh, hey, there you are. Been looking all over for you.

01:09:50:05 TEYLA: Oh?

01:09:51:10 SHEPPARD (O/S): What...

01:09:51:19 SHEPPARD (CONT'D): did you forget?

01:09:52:19 TEYLA: Uh, no.

01:09:54:13 SHEPPARD: You forgot!

01:09:55:23 TEYLA: You were going to teach Ronon and myself how to play golf.

01:10:00:11 SHEPPARD: That's the plan.

01:10:01:14 TEYLA (O/S): I'm afraid I...

01:10:02:18 TEYLA (CONT'D): have made other plans.

01:10:04:06 SHEPPARD: What other plans?

01:10:06:01 TEYLA: Having lunch with Elizabeth.

01:10:07:14 SHEPPARD: Well, you've still got time.

01:10:10:05 TEYLA: Yes, true. However, I am afraid I have been quite delinquent in filing my mission reports.

01:10:17:15 TEYLA (CONT'D O/S): I had hoped to get caught up before I met with Elizabeth.

01:10:20:02 SHEPPARD: Okay.

01:10:21:08 TEYLA: If you would like, I could cancel--

01:10:22:15 SHEPPARD (INTERRUPTING O/S): No. No...

01:10:22:29 SHEPPARD (CONT'D): no, no. She could use a little time out of the office. Some other time.

01:10:27:20 TEYLA: Some other time.

01:10:34:14 RONON: You know, uh, John, I got mission...

01:10:36:20 RONON (CONT'D O/S): reports too...

01:10:37:25 SHEPPARD: Nice try. It's going to be fun.

01:10:41:07 RONON: Fun? Uh-huh.

01:10:47:05 WATSON: Nice shot.

01:10:48:19 SHEPPARD: Thank you, Jim. It was pretty nice, though, huh?

01:10:55:02 RONON: So that's the sport? You just hit a little ball as far as you can?

01:10:59:24 SHEPPARD: First, it's a game, and, no, it's a little more complicated than that.
See, there are 18 holes, all made up of varying...

01:11:09:26 SHEPPARD (CONT'D O/S): lengths and dimensions.

01:11:11:17 SHEPPARD (CONT'D): First goal is to hit the ball through a series of water and
sand hazards until you land on the green, then you putt

01:11:16:25 SHEPPARD (CONT'D O/S): the ball into the hole.

01:11:19:11 RONON (O/S): So this is a water hazard?

01:11:20:20 SHEPPARD: Well, we don't have a course yet. All we have for now is driving
range, where you--

01:11:25:01 RONON (INTERRUPTING): Just hit a little ball?

01:11:28:05 SHEPPARD: Pretty much, yeah.

01:11:29:05 RONON (O/S): What's...

01:11:29:18 RONON (CONT'D): so hard about that?

01:11:32:15 SHEPPARD: Well... I make it look easy, but I've been playing since I was six.

01:11:35:15 RONON: Uh-huh.

01:11:36:16 SHEPPARD: So, although it seems simple...

01:11:39:00 SHEPPARD (CONT'D O/S): developing a sweet swing like mine takes years--

01:11:47:11 WATSON: Whoa.

01:11:49:20 RONON: Like that?

01:11:50:27 SHEPPARD: That was okay.

01:11:52:05 WATSON (O/S): Okay?

01:11:53:11 WATSON (CONT'D): You can't even see where it landed.

01:11:54:15 SHEPPARD (O/S): Well...

01:11:54:26 SHEPPARD (CONT'D): it's not a distance game, it's an accuracy one.

01:11:57:27 RONON: Well, pick a spot, I'll hit it there.

01:11:59:26 SHEPPARD: First off, your grip.

01:12:01:28 SHEPPARD (CONT'D O/S): It's all wrong.

01:12:03:07 BECKETT (O/S): Ah, yes...

01:12:04:00 BECKETT (CONT'D): of course. There you are.

01:12:05:19 WATSON: Hey, Doc, I wanted to come see you. I've been having this weird pain--

01:12:08:05 BECKETT (INTERRUPTING): Hold on, sorry. Let me stop you right there. It's the first day I've had off in over a month. Dr. Cole is in the infirmary and would be more than glad to help you out.

01:12:16:07 WATSON: Okay. Fair enough.

01:12:17:00 BECKETT: Right.

01:12:17:25 SHEPPARD: What's up, Carson?

01:12:19:20 BECKETT: Fishing.

01:12:21:16 RONON (O/S): What?

01:12:22:04 BECKETT: Rodney and I are heading to the mainland to catch a fish that seems to be just like a trout. Care to join us? Sport of kings.

01:12:28:26 SHEPPARD: I...

01:12:29:03 SHEPPARD (CONT'D): thought horse racing was the sport of kings.

01:12:32:10 BECKETT: For the boring kings, maybe.

01:12:34:05 SHEPPARD (O/S): Carson, you're...

01:12:34:12 SHEPPARD (CONT'D): Scottish. This is your game. Wouldn't you rather be on the
driving range?

01:12:37:15 BECKETT: Ach, it was never my thing. Come on, last chance.

01:12:43:08 SHEPPARD: I think we're going to pass.

01:12:45:01 BECKETT (O/S): All right.

01:12:46:02 BECKETT (CONT'D): But don't be jealous when I return with a record-breaking
space trout. Thank you.

01:12:52:25 SHEPPARD: We'll try to contain ourselves.

01:12:54:18 BECKETT: Oh, aye. Ha.

01:13:02:00 RONON: Time for a real sport. Come on.

01:13:17:08 SHEPPARD: Grab the other guy's flag, huh? That's it?

01:13:19:21 RONON: That's it.

01:13:21:00 SHEPPARD: No penalties and stuff?

01:13:22:23 RONON (O/S): What?

01:13:24:06 SHEPPARD: Well, if the other guy pulls your hair or tries to bites you?

01:13:27:08 RONON: Bite back.

01:13:28:24 SHEPPARD (O/S): Right.

01:13:30:23 RONON: You're ready?

01:13:32:17 SHEPPARD: Ready as I'll ever be.

01:13:35:05 (STICKING CLACKING)

01:13:38:20 RONON: That's one for me.

01:13:40:20 SHEPPARD: Two out of three.

01:13:43:25 RONON: Round two. One-handed.

01:13:46:16 SHEPPARD: What?

01:13:47:27 RONON: After every round, the level of difficulty is increased.

01:13:50:11 RONON (CONT'D O/S): It's to simulate battle.

01:13:52:09 RONON (CONT'D): After every encounter, there's the possibility of injury. Round two-- one-handed.

01:13:57:02 SHEPPARD: Why don't you let me get better at round one before we move on to the harder part?

01:14:04:12 SHEPPARD (CONT'D): Okay.

01:14:05:03 SHEPPARD (CONT'D O/S): Round two.

01:14:09:15 (STICKS CLACKING)

01:14:11:28 (SHEPPARD GROANING)

01:14:14:16 RONON: Uh, that's two for me.

01:14:16:04 SHEPPARD: Three out of five.

01:14:17:16 RONON (O/S): You know...

01:14:18:21 RONON (CONT'D): I could do this all day. Haven't even broken a sweat yet.

01:14:22:01 SHEPPARD: Yeah, yeah, yeah.

01:14:25:01 RONON: Round three.

01:14:30:03 SHEPPARD (O/S): Oh, come on.

01:14:30:19 SHEPPARD (CONT'D): Oh, you are making this stuff up.

01:14:33:03 SHEPPARD (CONT'D O/S): This is not a traditional Satedan sport.

01:14:35:06 SHEPPARD (CONT'D): This is an excuse to make me look dumb and kick my
ass.

01:14:39:07 RONON: If you want to quit...

01:14:46:10 (STICKS CLACKING)

01:14:49:15 (SHEPPARD GROANING)

01:14:52:09 RONON (CONT'D O/S): Ah, sorry.

01:14:54:14 SHEPPARD: This game sucks.

01:14:56:23 RONON: Well, you need to focus.

01:14:57:26 SHEPPARD: I don't know if that's going to be possible again.

01:15:03:09 SHEPPARD (CONT'D O/S): Here, help me get up.

01:15:04:20 SHEPPARD (CONT'D): I got an idea.

01:15:06:27 (SHEPPARD GROANING)

01:15:08:26 RONON: Ow!

01:15:09:26 SHEPPARD: Yeah, it hurts, doesn't it?

01:15:12:00 (RONON GRUNTING)

01:15:14:10 RONON: Like that?

01:15:15:26 SHEPPARD: Yeah, you got to hit it... Straight on, hard as you can.

01:15:18:15 RONON: Okay.

01:15:19:05 SHEPPARD (CONT'D): You know, this is what I'm talking about. This is how you
spend a day off-- Kick back, eat some junk food, listen to some tunes.

01:15:25:29 RONON: You like this music?

01:15:28:19 SHEPPARD: What, you don't?

01:15:29:24 RONON: It's fine.

01:15:32:16 SHEPPARD: I'm going to stick to golf. Your game's a little too much like my day
job.

01:15:37:26 SHEPPARD (CONT'D): So, how long have you been here now? A year?

01:15:41:11 RONON: Year and a half.

01:15:42:13 SHEPPARD (O/S): Year and a half?

01:15:44:26 SHEPPARD (CONT'D): You ever hang out with anyone else besides me and
 Teyla?

01:15:48:15 SHEPPARD (CONT'D O/S): I'm not...

01:15:49:09 SHEPPARD (CONT'D): saying we're sick of you or anything. I'm... I don't know.
 Are you dating anyone?

01:15:53:04 RONON: You mean like a woman?

01:15:54:16 SHEPPARD: Or a man?

01:15:57:15 RONON: No. I'm not ready yet.

01:16:04:20 SHEPPARD: Not ready yet?

01:16:08:15 SHEPPARD (CONT'D): Did you leave somebody behind on Sateda?

01:16:13:10 SHEPPARD (CONT'D): Wife?

01:16:16:05 RONON: Close enough.

01:16:20:05 SHEPPARD: Sorry.

01:16:23:20 RONON: What about you?

01:16:24:28 SHEPPARD (O/S): Yeah, what about me?

01:16:26:14 RONON: When are you getting married?

01:16:29:10 SHEPPARD: I've already done that. Not very good at it. Besides... there really
isn't anyone here that... you know.

01:16:38:12 RONON: See, I always thought you and Teyla would, um... you know.

01:16:41:08 SHEPPARD: Really?

01:16:43:00 RONON: Yeah. Why not?

01:16:44:12 SHEPPARD: Mm...

01:16:45:20 (GROUND RUMBLING, ALARM WAILING)

01:16:51:02 BECKETT: Bright lights. Go. Go, move it.

01:16:52:24 MAN (O/S): All right, let's get these two to the O.R. right away.

01:16:57:29 RONON: What happened here?

01:16:58:14 BECKETT: Some sort of explosion. At least three dead, maybe a dozen or so severely injured.

01:17:02:18 MED TECH (O/S): Doc!

01:17:05:07 BECKETT (O/S): Oh, lord. Teyla.

01:17:06:28 SHEPPARD: Is she going to be okay, Doc?

01:17:09:04 BECKETT (O/S): She's lost a great deal of blood.

01:17:10:08 BECKETT (CONT'D): I need you to get her to the infirmary STAT.

01:17:12:08 SHEPPARD: Is she going to be all right?

01:17:14:03 BECKETT (O/S): Let's go! Let's move!

01:17:17:20 SHEPPARD (O/S): What the hell...

01:17:18:10 SHEPPARD (CONT'D): happened here, Radek?

01:17:19:15 ZELENKA (O/S): There was an explosion.

01:17:20:16 SHEPPARD: I get that, but why?

01:17:21:18 ZELENKA (O/S): Well, I'm not sure yet.

01:17:22:22 ZELENKА (CONT'D): I wasn't allowed on the scene until the emergency crews cleared the floor. What took you so long?

01:17:26:07 SHEPPARD: Transporters are down. There's a lot of stairs.

01:17:28:14 ZELENKА: Oh, yeah. McKay is in his lab. He thinks he might have a lead.

01:17:31:00 SHEPPARD: What kind of lead?

01:17:31:25 ZELENKА: He didn't say. The good news is, though...

01:17:33:15 ZELENKА (CONT'D): the structure is intact, so there's no danger of the tower falling down. There is, however, something very odd.

01:17:39:05 RONON: What?

01:17:39:20 ZELENKА (O/S): Well, the few...

01:17:40:18 ZELENKА: eyewitness reports that we have say Dr. Hewston just... blew up.

01:17:44:23 SHEPPARD: What the hell does that mean?

01:17:46:09 RONON: Is that even possible?

01:17:47:19 ZELENKА: Yeah, normally I would agree with you, but from what we can tell, she was standing right in the middle of the hall here, and just exploded

. 01:17:52:25 SHEPPARD (O/S): So, what?

01:17:53:12 SHEPPARD (CONT'D): A suicide bomb?

01:17:55:09 ZELENKA: Well, see, no, that's what I thought too, originally, but I've scanned the
area with my equipment, and there isn't even the slightest trace of
explosive residue.

01:18:04:05 ZELENKA (CONT'D): We have no idea what we're dealing with here.

END OF ACT TWO

ACT THREE

01:18:26:05 MCKAY (V/O): You know...

01:18:27:20 MCKAY (CONT'D): I think I'm a pretty easy guy to work for. I am usually...

01:18:30:09 MCKAY (CONT'D O/S): too busy doing all the really important stuff...

01:18:33:20 MCKAY (CONT'D): to micro-manage all the little things I need you people to be
doing.

01:18:37:16 MCKAY (CONT'D O/S): Now, because of that, you have a fair amount of freedom.

01:18:39:17 MCKAY (CONT'D): That does not, however, mean you can do whatever the hell
you please. There are rules, there are protocols in place, not only to
protect the city, but your sorry little existences.

01:18:47:20 HEWSTON (O/S): Look...

01:18:47:25 HEWSTON (CONT'D): I-if I could just—

01:18:48:05 MCKAY (INTERRUPTING O/S): Oh, no, you cannot.

01:18:49:09 MCKAY (CONT'D): You cannot interrupt me, okay? I was having a perfectly
wonderful dream before I got this call...

01:18:53:29 MCKAY (CONT'D O/S): so you can just stand there and listen.

01:18:55:20 MCKAY (CONT'D): You were sent on a routine cataloging of one of the
abandoned Ancient labs, and you activate some alien device without
having the first clue what it was?

01:19:03:16 WATSON: We thought it was a--

01:19:04:08 MCKAY (INTERRUPTING O/S): Yes!

01:19:04:26 MCKAY (CONT'D): Well, you thought wrong.

01:19:05:28 HEWSTON (O/S): Yeah, but just the other week...

01:19:07:04 HEWSTON (CONT'D): you did the exact same thing, so I don't--

01:19:09:00 MCKAY (O/S): But I...

01:19:09:08 MCKAY (CONT'D): am me. If I make a mistake, I can fix it. You are you...

01:19:13:03 MCKAY (CONT'D O/S): and when you make mistakes, you don't have to fix them.

01:19:15:19 MCKAY (CONT'D): I do.

01:19:16:16 HEWSTON (O/S): The second we realized...

01:19:17:16 HEWSTON (CONT'D): it was emitting radiation, we turned it off.

01:19:29:24 MCKAY (O/S): So...

01:19:20:04 MCKAY (CONT'D): what? What, you want a medal? Look, my four-year-old niece could figure out to turn something off if it was emitting radiation.

01:19:25:07 MCKAY (CONT'D O/S): That does not make you smart--

01:19:26:18 MCKAY (CONT'D): that just makes you a little less stupid.

01:19:29:00 BECKETT (O/S): Rodney...

01:19:29:07 BECKETT (CONT'D): be nice.

01:19:30:15 MCKAY (O/S): So?

01:19:30:23 MCKAY (CONT'D): Are they going to live? More importantly, can I go back to bed?

01:19:34:02 BECKETT: Well, according to their body scan and blood tests, they'll be all right, yes...

01:19:37:09 BECKETT (CONT'D O/S): although you should check back in the next 24...

01:19:39:14 BECKETT (CONT'D): hours. We'll run some more tests, just to be certain.

01:19:41:10 MCKAY: Well, you were lucky, because we are in a place where something as simple as flipping a switch could domino out into thousands of people dying.

01:19:47:29 MCKAY (CONT'D O/S): You need to be more careful.

01:19:52:17 MCKAY (CONT'D): Okay, just... take tomorrow off, all right?

01:19:57:10 HEWSTON: We already have tomorrow off. It's the mandatory rest day.

01:20:00:07 MCKAY: It is?

01:20:02:17 MCKAY (CONT'D): Already? Oh, great.

01:20:20:18 MCKAY (CONT'D O/S): Katie?

01:20:23:10 MCKAY (CONT'D): Hello? Katie?

01:20:24:19 KATIE (O/S): Rodney!

01:20:25:27 MCKAY: There you are.

01:20:27:03 KATIE: What are you doing here?

01:20:28:05 MCKAY (O/S): Hey, it's your day off. What are you doing here?

01:20:30:07 KATIE: Well, I'm nursing these little baby ferns we found on M4L-279. At this nascent stage, they're very fragile, and if I leave them for too long, they'll... they'll die.

01:20:38:08 MCKAY (O/S): Ah...

01:20:38:17 MCKAY (CONT'D): so what? They're ferns.

01:20:39:18 MCKAY (O/S): Oh...

01:20:39:26 MCKAY (CONT'D): which is to say, you know, you need time off, just-- just like everyone else does.

01:20:44:15 KATIE (O/S): I-I know, it's just that they produce this special enzyme that we think might cure leukemia.

01:20:50:12 MCKAY: What? These guys? Really?

01:20:52:05 KATIE (OVERLAPPING): Yeah. So, what are you doing with your day off? I thought you had plans.

01:20:55:22 MCKAY: Oh, I do, with Beckett. That's, um, that's kind of why I'm here.

01:20:58:16 KATIE (O/S): Oh?

01:20:59:16 MCKAY: Yeah, I need, um, an excuse to break those plans.

01:21:01:09 KATIE: Um, why's that?

01:21:02:14 MCKAY: Well, because we're going fishing.

01:21:03:18 MCKAY (CONT'D O/S): Yeah, and to be honest, I cannot think of a more torturous way of spending a day...

01:21:07:28 MCKAY (CONT'D): than, you know, up to my hips...

01:21:09:28 MCKAY (CONT'D O/S): in water trying to get worms on hooks...

01:21:11:29 MCKAY (CONT'D): and, uh, having all the time in the world to listen to Carson's many views on what I'm sure are a vast number of impossibly boring subjects. I mean, it is unappealing in every way.

01:21:21:16 KATIE: Then why did you say yes in the first place?

01:21:23:05 MCKAY (O/S): Well...

01:21:23:13 MCKAY (CONT'D): because he said "You want to go fishing next month?" It sounded so far away, I figured something would come up, I'd be able to get out of it, but, uh, here we are, a month later, and, uh...

01:21:30:25 KATIE: Nothing's come up.

01:21:31:25 MCKAY (O/S): Exactly. So...

01:21:32:15 MCKAY (CONT'D): I figured if I told him we finally had an afternoon where I could,
uh, take you out to lunch or something...

01:21:38:03 MCKAY (CONT'D O/S): then he'd have no choice but to let me out of it.

01:21:40:08 KATIE: I can't. I need to baby-sit the ferns.

01:21:42:26 MCKAY: Right. Well... If I had a nickel for every time a girl used that line... You
know what? Let me bring lunch to you.

01:21:51:10 MCKAY (CONT'D O/S): We can eat here.

01:21:52:19 KATIE: Rodney, you want to baby-sit ferns with me?

01:21:54:15 MCKAY (O/S): Hey...

01:21:54:24 MCKAY (CONT'D): in the battle between ferns versus fish, ferns continuously win
a decisive victory.

01:21:58:09 KATIE: That would be lovely.

01:21:59:09 MCKAY (O/S): Great. Okay. I'll, um...

01:22:00:22 MCKAY (CONT'D): be right back.

01:22:01:27 KATIE (O/S): Okay.

01:22:11:20 MCKAY: Hmm.

01:22:16:12 BECKETT: Oh, would you look at that? Great minds think alike. I thought I'd pick us up some snacks as well.

01:22:22:13 MCKAY: Yes. Um. About that.

01:22:24:05 BECKETT: Rodney.

01:22:25:05 MCKAY (O/S): Look...

01:22:25:13 MCKAY (CONT'D): here's the thing. You know I would love to go with you.

01:22:27:00 BECKETT (O/S): No...

01:22:27:12 BECKETT (CONT'D): I don't.

01:22:28:13 MCKAY (O/S): I would. I do. I just, um-- I ran into Katie Brown, and, uh, she started to lay the guilt on, you know, how I never get to...

01:22:33:15 MCKAY (CONT'D): see her and how the one day I get off, I'm jet-setting off to the coast to, uh, sport-fish with my best buddy.

01:22:38:06 MCKAY (CONT'D O/S): I mean, she and I see...

01:22:39:12 MCKAY (CONT'D): so little of each other, I'm not sure we even count as a couple. Anyways, look.

01:22:42:00 MCKAY (CONT'D O/S): Um, long story short.

01:22:43:09 BECKETT: Too late.

01:22:44:11 MCKAY: I told Katie I would spend the day with her.

01:22:47:10 BECKETT: Oh... All right.

01:22:49:26 MCKAY: Hey, you know if it was anybody else...

01:22:51:05 BECKETT: No, no. I understand.

01:22:52:11 MCKAY: Yeah, next week. I'm-- I'm 100% there.

01:22:55:28 BECKETT: You promise?

01:22:56:06 MCKAY: Absolutely.

01:22:58:15 BECKETT: Okay.

01:22:59:02 MCKAY (O/S): And it's still early, so I'm sure you'll find someone else to go with
you.

01:23:02:05 BECKETT: Oh, you can bet on that. Well, tell Katie I said hello.

01:23:05:26 MCKAY: Mm. Will do.

01:23:07:00 BECKETT: Enjoy. I will.

01:23:11:10 MCKAY: Yes! Hmm!

01:23:17:18 KATIE (O/S): This is lovely.

01:23:19:12 MCKAY (O/S): It is, yes.

01:23:21:05 KATIE: You know, I got to say, after all the Cadman craziness last year, I-I figured
there was no chance for us.

01:23:26:15 MCKAY (O/S): Oh?

01:23:28:15 MCKAY (CONT'D): Why's that?

01:23:28:22 KATIE (O/S): Well...

01:23:29:24 KATIE (CONT'D): you had another consciousness in your body, one that...

01:23:32:18 KATIE (CONT'D O/S): took over during our first date, and...

01:23:34:07 KATIE (CONT'D): made you kiss me... I mean, it was... awkward.

01:23:39:14 KATIE (CONT'D O/S): And so you ignored me for a few months.

01:23:41:13 MCKAY: I did not.

01:23:42:17 KATIE: Yeah. Yes, you did. I mean, i-it's okay, I guess. I can't imagine going through something like that, and I'm pretty sure I wouldn't want to be reminded of it either.

01:23:51:10 MCKAY (O/S): Yes, well...

01:23:51:27 MCKAY (CONT'D): it was a little weird there for a bit.

01:23:53:23 KATIE (O/S): But for the last little while...

01:23:55:17 KATIE (CONT'D): you've really made an effort to make time for me...

01:24:00:00 KATIE (CONT'D O/S): and it has...

01:24:00:14 KATIE (CONT'D): been lovely.

01:24:05:10 MCKAY (O/S): It's funny, you know.

01:24:06:26 MCKAY (CONT'D): As much as I hate to admit it, seeing my little sister so happy with her family, I-I just, uh...

01:24:12:17 MCKAY (CONT'D O/S): Well, it kind of made me realize that, uh...

01:24:15:27 MCKAY (CONT'D): well... I'd like to get married.

01:24:20:05 KATIE: You would?

01:24:21:15 MCKAY: Oh, no, not to you.

01:24:22:10 KATIE: Oh.

01:24:23:29 MCKAY: Oh, no, no, no, no, no, no. No, no, no. Not not to you.

01:24:26:05 KATIE (O/S): No, I—I think...

01:24:26:20 MCKAY (OVERLAPPING O/S): Look, I was just-- I mean—no, no, no...

01:24:28:04 MCKAY (CONT'D): That was not a proposal. I was just...

01:24:29:11 MCKAY (CONT'D O/S): I was just talking.

01:24:30:00 KATIE: Right.

01:24:30:10 MCKAY (CONT'D O/S): You know what I mean?

01:24:30:19 MCKAY (CONT'D): I just don't want you to get the wrong-- It's not that I wouldn't
be interested in-in-in...

01:24:33:17 MCKAY (CONT'D O/S): getting married to someone--- I mean, someone like
you... I mean, someone just like you...

01:24:36:14 MCKAY (CONT'D): you, even, maybe, one day. I just, uh--

01:24:38:16 KATIE: I know, I know. It's okay.

01:24:40:20 MCKAY: I like you a lot. I mean, I do.

01:24:43:10 KATIE (O/S): I...

01:24:43:19 KATIE (CONT'D): I know you do, and I like you a lot too.

01:24:47:11 MCKAY: I know. And to be quite honest, I-I-I find that just... baffling.

01:24:53:25 KATIE: Come on, now.

01:24:54:10 MCKAY (O/S): No, no, no...

01:24:54:22 MCKAY (CONT'D): it's other people too. They find it baffling too.

01:24:56:19 KATIE: I guess they just don't know you like I know you.

01:24:58:29 MCKAY: Yeah, but you see, that's what scares me. I mean, at some point, you're
going to know me the way they know me--

01:25:02:27 KATIE (OVERLAPPING O/S): Rodney, I think I know you pretty well.

01:25:04:29 KATIE (CONT'D): There's not a lot of sub-text with you.

01:25:10:05 MCKAY: I am really sorry that I ignored you...

01:25:12:10 MCKAY (CONT'D O/S): all that time.

01:25:15:15 KATIE: I bet you are.

01:25:18:20 (GROUND RUMBLING)

01:25:19:15 KATIE (CONT'D): What was that?

01:25:21:03 MCKAY: I don't know. Look, I got to go.

01:25:25:25 SHEPPARD (V/O): So...

01:25:26:06 SHEPPARD (CONT'D): what? A suicide bomb?

01:25:28:15 ZELENKA (O/S): See...

01:25:28:23 ZELENKA (CONT'D): no, I thought so too, originally, but I-I've scanned the area
with my equipment now, and there isn't even the slightest trace of
explosive residue.

01:25:36:18 ZELENKA (CONT'D O/S): I have no idea what...

01:25:37:11 ZELENKA (CONT'D): we're dealing with here.

01:25:39:05 MCKAY (V/O OVER RADIO): Zelenka, do you read?

01:25:40:16 ZELENKА (INTO RADIO): Yes, McKay, I'm here with Sheppard and Ronon. What have you got?

01:25:42:00 MCKAY (V/O OVER RADIO): You're all going to want to see this.

01:25:47:15 MCKAY (V/O): All right.

01:25:47:27 MCKAY (CONT'D): I'm digesting this as I go, so, uh, forgive the rough edges.

01:25:51:25 SHEPPARD: What do you got?

01:25:52:15 MCKAY: Now, last night, Dr. Hewston and her partner, Dr. Watson, were cataloging a new Ancient lab we uncovered. They inadvertently activated this machine... Now, it started to emit a very odd type of radiation, but they were able to turn it off right away. Now, Dr. Beckett examined them that night and gave them a clean bill of health, so with no immediate apparent danger, we, um, decided to figure out what the device was, uh, well, whenever we had time.

01:26:16:23 MCKAY (CONT'D O/S): That was a mistake.

01:26:18:17 SHEPPARD: What is it?

01:26:19:09 MCKAY: Well, the science of it is, uh, well, it's spectacularly complicated, but, um, it appears to be a weapon...

01:26:24:18 MCKAY (CONT'D O/S): one created by the Ancients...

01:26:26:03 MCKAY (CONT'D): to battle the Wraith, and one that was abandoned fairly early
on as it affected everyone in proximity, including Ancients...

01:26:32:15 MCKAY (CONT'D O/S): and humans.

01:26:32:14 ZELENKA: Affected them how?

01:26:34:13 MCKAY: Ah, well, long story short-- it creates explosive tumors.

01:26:39:10 RONON: Explosive tumors?

01:26:40:25 ZELENKA: What?

01:26:41:29 RONON: Are you kidding me?

01:26:42:20 MCKAY (O/S): Yeah...

01:26:42:28 MCKAY (CONT'D): I wish. It's actually quite ingenious. Look, the device emits
millions of irradiated particles that have been genetically programmed...

01:26:50:09 MCKAY (CONT'D O/S): to enter into our systems and gather behind the lungs.
Now, as they go, they collect trace elements...

01:26:53:29 MCKAY (CONT'D): from our body that they need to, um, complete an explosive
compound, which, once in place, the tumor reaches critical mass and
explodes.

01:27:03:18 SHEPPARD: So, wait. This guy, Watson--

01:27:04:26 MCKAY (INTERRUPTING): Has almost definitely been exposed, yes, look, we
need to find him before the tumor ignites, which could be any minute
now.

01:27:10:02 BECKETT: Well, it's not good, but it's not awful. We need to start right away...
What's his name?

01:27:13:25 NURSE: Um... James. James Watson.

END OF ACT THREE

ACT FOUR

01:27:39:29 MCKAY: Next week, I am 100% there.

01:27:41:21 BECKETT (O/S): You promise?

01:27:42:21 MCKAY: Absolutely.

01:27:44:15 BECKETT: Okay.

01:27:45:05 MCKAY (O/S): And besides...

01:27:45:18 MCKAY (CONT'D): it's still early. I'm sure you'll find someone else to go with you.

01:27:47:03 BECKETT: Oh, you can bet on that. Well, tell Katie I said hello.

01:27:51:15 MCKAY (O/S): Yeah. Will do.

01:27:52:20 BECKETT: Enjoy. I will.

01:28:03:18 OPPONENT: Son of a bitch! Stop that.

01:28:06:03 ZELENKA: Stop what? Winning?

01:28:07:03 OPPONENT: You haven't won yet.

01:28:08:04 ZELENKA (O/S): Carson! You've come to join the chess club?

01:28:10:19 BECKETT: Uh, not quite.

01:28:11:22 ZELENKA: You've come to watch?

01:28:13:02 BECKETT: Well, uh, no, actually, Radek, I'm looking for someone to come fishing
with me. Rodney bailed at the last...

01:28:17:25 BECKETT (CONT'D O/S): minute.

01:28:18:10 ZELENKA: Surprise, surprise.

01:28:18:25 BECKETT (O/S): I know.

01:28:19:22 BECKETT (CONT'D): Any interest?

01:28:20:20 ZELENKA (O/S): I would...

01:28:21:02 ZELENKA (CONT'D): but we're playing for trades today, you know? No one can
really beat me, so I've already won a desk fan, Dr. Mallozzi's anime
DVD...

01:28:27:07 ZELENKA (CONT'D O/S): collection, and I got a coupon...

01:28:29:09 ZELENKA (CONT'D): for a free Swedish massage from Dr. Ambrose.

01:28:32:15 MCKAY (O/S): Ouch.

01:28:33:19 ZELENKA: Perhaps we can go fishing next week?

01:28:34:24 BECKETT: Okay, all right, well, best of luck to you.

01:28:37:04 ZELENKA: Oh, I don't need luck. Checkmate.

01:28:41:05 OPPONENT: Son of a bitch!

01:28:51:06 BECKETT (O/S): You paint?

01:28:53:03 LORNE (O/S): Hey, Doc...

01:28:55:08 LORNE (CONT'D): Yeah. I paint.

01:28:56:23 BECKETT: And you're good, too.

01:28:58:19 LORNE: My mom was an art teacher... it was what we did on weekends. I stopped
for a while. Didn't really have time for it during basic training and the first
couple of years on duty... but I've been picking it up again. Hard not to,
with views like that, huh?

01:29:12:04 BECKETT: Aye. I don't suppose there's any chance you'd like to come fishing with
me on the mainland, is there?

01:29:18:25 LORNE: If you'd got to me earlier, maybe... but, you know, I kind of want to finish
this up.

01:29:24:02 BECKETT: Ach, it looks done to me.

01:29:27:05 LORNE: That is why I am the painter and you are the doctor.

01:29:32:06 BECKETT: Very good point. Enjoy the rest of your day, Major.

01:29:35:07 LORNE: Oh, you can count on it.

01:29:40:23 DOCTOR BIRO: Oh, hey there, sir.

01:29:42:15 BECKETT: Hello. I was just—

01:29:43:10 DOCTOR BIRO (O/S): You know what's crazy?

01:29:44:05 DOCTOR BIRO (CONT'D): I was just thinking about you.

01:29:45:26 DOCTOR BIRO (CONT'D O/S): Does that ever happen to you?

01:29:47:08 DOCTOR BIRO (CONT'D): You know, you're thinking about something, and,
boom...

01:29:49:07 DOCTOR BIRO (CONT'D O/S): there it is?

01:29:50:19 DOCTOR BIRO (CONT'D): It's not that I'm psychic or anything, but, who knows?

01:29:53:00 BECKETT: Well, actually--

01:29:54:04 DOCTOR BIRO (INTERRUPTING O/S): You know what? I am sorry.

01:29:55:21 DOCTOR BIRO (CONT'D): You were going to say something, and I interrupted
you.

01:29:58:15 BECKETT: Enjoy your day off, Dr. Biro.

01:30:01:21 DOCTOR BIRO: Absolutely.

01:30:03:04 BECKETT: Bye-bye. Slow day?

01:30:12:15 COLE: Carson. What the hell are you doing here? It's supposed to be your day
off.

01:30:15:11 BECKETT: Well, my fishing trip is officially a bust, so I figured I'd come in here
and I'd actually catch up on some paperwork for the first time in over a
year.

01:30:21:15 COLE: Well, that's a shame.

01:30:22:20 BECKETT: Aye, it is.

01:30:27:15 BECKETT (CONT'D O/S): You all right?

01:30:28:15 COLE: No, a migraine. It's a bad one, actually. I-I took some stuff...

01:30:32:12 COLE (CONT'D O/S): but, you know, I can't take any more, being the on-call, and everything.

01:30:35:10 BECKETT: You should...

01:30:36:05B BECKETT (CONT'D O/S): have radioed me.

01:30:37:02 COLE: You kidding? There was no way in hell I was going to let you miss that fishing trip. It's all you've been talking about for two weeks.

01:30:41:26 BECKETT: Well, I'm not going now, so off you go.

01:30:44:14 BECKETT (CONT'D O/S): I'll cover your shift.

01:30:46:10 COLE: You sure?

01:30:46:26 BECKETT: Aye, there's nothing happening here anyway. You go take a horse pill and rest.

01:30:50:24 COLE: Oh, you're a lifesaver.

01:30:52:12 BECKETT: I know.

01:30:54:04 COLE: Thanks, Carson. Thanks.

01:30:56:09 BECKETT: You're welcome. If you're going to play volleyball, you're going to need proper gym shoes.

01:31:05:11 PRETTY MARINE: I know. I've put an order in for a pair, but it takes forever to get things from Earth...

01:31:09:27 PRETTY MARINE (CONT'D O/S): that aren't vital to the success of the missions.

01:31:12:16 BECKETT: Well, you, young lady, are vital to the success of the missions...

01:31:15:22 BECKETT (CONT'D O/S): so don't play sports in sandals, okay?

01:31:17:24 PRETTY MARINE: Okay, Doc.

01:31:19:04 BECKETT: All right, we're all done here. We'll fix you up some crutches and, uh--

01:31:22:10 (GROUND RUMBLES)

01:31:25:15 BECKETT (CONT'D): Meyers, call in every available nurse and doctor immediately. You and you, grab two field kits and a couple of stretchers and follow me. This is Beckett. What happened and where do you need me?

01:31:34:01 RONON: What happened here?

01:31:34:15 BECKETT: Some sort of explosion. At least three dead maybe a dozen or so severely injured.

01:31:38:24 MED TECH (O/S): Doc!

01:31:42:13 BECKETT (O/S): Teyla...

01:31:44:26 TEYLA (O/S): Carson...

01:31:46:00 BECKETT: I'm here. You've been in an explosion, Teyla, and a piece of debris
has impacted your side.

01:31:50:00 BECKETT (CONT'D O/S): We're heading to the infirmary to take it out and patch
you up.

01:31:52:14 BECKETT (CONT'D): Easy-peasy. I can do this one in my sleep.

01:31:57:14 BECKETT (CONT'D O/S): All right, all set?

01:31:59:10 BECKETT (CONT'D): Thank you.

01:32:00:12 NURSE: Can't believe you got the artery cleaned up.

01:32:02:27 BECKETT: Well, they typically don't make you head surgeon if you're all thumbs.

01:32:05:18 NURSE: You have another patient waiting for you. He got his leg cut up pretty bad
in the blast.

01:32:09:10 BECKETT (O/S): All right...

01:32:09:25 BECKETT (CONT'D): we're all done here. Let's get her down to recovery...

01:32:11:11 BECKETT (CONT'D O/S): level and get him in here.

01:32:12:05 NURSE: Okay.

01:32:12:20 MCKAY (V/O): Long story short...

01:32:13:15 MCKAY (CONT'D): it creates explosive tumors.

01:32:16:02 RONON (O/S): Explosive tumors?

01:32:17:03 RONON (CONT'D): Are you kidding me?

01:32:18:05 MCKAY (O/S): I...

01:32:18:13 MCKAY (CONT'D): I wish I was.

01:32:19:10 SHEPPARD (O/S): So, wait...

01:32:19:19 SHEPPARD (CONT'D): this guy Watson--

01:32:20:23 MCKAY: Has almost definitely been exposed, yes. Look, we need to find him
before that tumor ignites, which could be any minute now.

01:32:25:20 BECKETT (V/O): Well, it's not good...

01:32:26:07 BECKETT (CONT'D): but it's not awful. We need to start right away. What's his name?

01:32:29:18 NURSE: Uh, James... James Watson.

01:32:32:04 BECKETT: Watson? Poor lad was in here last night. Looks like he's had a run of bad luck.

01:32:36:23 MCKAY (V/O OVER SPEAKER): Dr. Watson, Dr. James Watson, report your whereabouts immediately.

01:32:42:05 BECKETT: Well, aren't you popular? Go see what that's about, please.

01:32:46:21 MCKAY (INTO RADIO): He's in the O.R. right now? I need you to get Beckett back on his radio.

01:32:51:11 NURSE: It's Dr. McKay.

01:32:53:18 BECKETT (INTO RADIO): What is it, Rodney? I'm a little busy right now.

01:32:55:03 MCKAY (V/O OVER RADIO): Carson!

01:32:56:03 MCKAY (CONT'D INTO RADIO): The man you are working on right now has been infected with an explosive tumor.

01:32:59:09 MCKAY (CONT'D V/O OVER RADIO): We think it's what killed Hewston and caused the explosion.

01:33:01:13 BECKETT (INTO RADIO): What are you talking about? That's not--

01:33:03:19 MCKAY (INTERRUPTING V/O OVER RADIO): It is possible, Carson. Look...

01:33:05:24 MCKAY (CONT'D INTO RADIO): you need to get you and your team out of there.
Sheppard has an ordnance disposal crew on the way.

01:33:09:21 BECKETT (INTO RADIO): Well, he's too fragile to move right now.

01:33:11:11 MCKAY (INTO RADIO): He doesn't have to move. You do.

01:33:16:25 BECKETT: All right, listen up. I need everyone to clear the floor right now. I'm
enacting a Protocol Seven for this entire level. Move it, people! Right, he
stays, you go.

01:33:24:29 NURSE: What about you?

01:33:26:01 BECKETT: I'm staying put.

01:33:26:10 NURSE: Well, then, so am I.

01:33:27:08 BECKETT: Look, I don't have time to fight about this right now.

01:33:28:06 NURSE: You don't. You can't do this on your own.

01:33:40:28

BECKETT: Thank you. All right, let's get the scanner in place. We have a tumor to
remove.

END OF ACT FOUR

ACT FIVE

01:34:03:10 SHEPPARD (O/S): He's used...

01:34:03:21 SHEPPARD (CONT'D): his authorization code to seal off the whole level. We can't get to him.

01:34:08:14 MCKAY (INTO RADIO): Carson, you cannot seriously be considering operating on this guy.

01:34:11:18 BECKETT (INTO RADIO): Exactly how much time do we think I have?

01:34:13:28 MCKAY (V/O OVER RADIO): There is no way to know for sure. Look...

01:34:15:11 MCKAY (CONT'D INTO RADIO): Hewston was infected at the same time that Watson was, and her tumor's already exploded.

01:34:20:23 BECKETT (INTO RADIO): No time to waste, then.

01:34:22:27 BECKETT (V/O OVER RADIO): Making first incision.

01:34:24:23 MCKAY (INTO RADIO): Okay, look, this is all very brave and all, but--

01:34:27:00 SHEPPARD (INTERRUPTING O/S INTO RADIO): What if the explosion...

01:34:27:18 SHEPPARD (CONT'D INTO RADIO): causes structural damage? What if the tower comes down with everyone in it?

01:34:30:27 MCKAY (INTO RADIO): Exactly!

01:34:32:00 BECKETT (V/O OVER RADIO): Sending him to the other side of the city...

01:34:33:05 BECKETT (CONT'D INTO RADIO): and just leaving him there is tantamount to
murder, Colonel.

01:34:35:20 MCKAY (INTO RADIO): The man is already dead!

01:34:37:01 BECKETT (INTO RADIO): Like hell he is.

01:34:38:02 SHEPPARD (V/O OVER RADIO): Carson...

01:34:39:02 SHEPPARD (INTO RADIO): I can't order you to stand down, but--

01:34:41:12 BECKETT (INTERRUPTING V/O OVER RADIO): That's right, you can't.

01:34:42:18 BECKETT (CONT'D INTO RADIO): Have your men standing by. I'll open access
to the floor once I've extracted the tumor.

01:34:46:26 BECKETT (V/O CONT'D OVER RADIO): Beckett out.

01:34:54:18 WEIR (V/O): How long has...

01:34:55:05 WEIR (CONT'D): he been at it?

01:34:55:18 SHEPPARD (O/S): About 10 minutes. I got emergency crews...

01:34:58:11 SHEPPARD (CONT'D): standing by. Either way, we're covered.

01:35:00:05 WEIR: Can't you bypass his access code?

01:35:01:10 MCKAY (O/S): Yeah, but that'll...

01:35:02:00 MCKAY (CONT'D): take half an hour. Look, if he's not done removing it by then,
then--

01:35:04:10 WEIR (INTERRUPTING): This...

01:35:04:20 WEIR (CONT'D): is crazy.

01:35:30:21 BECKETT (INTO RADIO): Colonel Sheppard... I've extracted the tumor, and I'm
opening up the O.R. level.

01:35:52:05 SHEPPARD (V/O OVER RADIO): He's on his way. Sit tight.

01:35:56:02 BECKETT (INTO RADIO): Damn it. Tell him I'll meet him half way.

01:35:58:04 SHEPPARD (V/O OVER RADIO): Just stay put, Doc.

01:36:01:06 BECKETT (INTO RADIO): The sooner I get this thing out my sight, the better. You
finish closing him up, please.

01:36:07:17 BECKETT (CONT'D): I'll be right back. Easy... Easy...

01:36:32:08 BECKETT (CONT'D O/S): Thank you.

01:36:33:10 BECKETT (CONT'D INTO RADIO): We just made the hand-off.

01:36:37:10 (BOMB EXPLODING)

01:37:04:03 RONON: Hey.

01:37:06:18 MCKAY: Hey.

01:37:10:01 RONON: You okay?

01:37:12:03 MCKAY: Hmm... Uh... not really.

01:37:17:10 RONON: You need some help?

01:37:18:20 MCKAY (O/S): No.

01:37:18:27 MCKAY (CONT'D): No, I'm almost done. He didn't have a lot of stuff here.

01:37:24:14 RONON: You sending it all back home to his family?

01:37:25:22 MCKAY (O/S): Yeah.

01:37:26:24 MCKAY (CONT'D): Well, I mean, we... we will. They don't know yet. We're going to send, uh... the body...

01:37:36:11 MCKAY (CONT'D O/S): back to Earth, and, uh...

01:37:39:15 MCKAY (CONT'D): I'm going to tell his mother.

01:37:45:02 MCKAY (CONT'D): I should have just gone fishing with him.

01:37:46:18 RONON: Don't.

01:37:47:20 MCKAY: No, if I'd gone...

01:37:48:09 MCKAY (CONT'D): fishing, if I had checked the machine, if I hadn't assigned two junior guys to catalog the lab--

01:37:53:14 RONON (INTERRUPTING O/S): Rodney...

01:37:54:26 RONON (CONT'D): What's done is done.

01:37:57:10 MCKAY: I know... and, uh... that's what's killing me.

01:38:19:05 SHEPPARD: Where do you think you're going?

01:38:20:15 TEYLA (O/S): I would like to go to the memorial.

01:38:22:14 SHEPPARD: I don't think you should be going anywhere.

01:39:56:25 WEIR (CONT'D): I can't remember anyone coming to me with a complaint against him.

01:40:01:15 WEIR (CONT'D O/S): Ever.

01:40:09:10 WEIR (CONT'D): He was a kind soul. He was... He was a healer...

01:40:20:13 WEIR (CONT'D O/S): and he will be very deeply missed. George Fabricius said

01:40:28:05 WEIR (CONT'D): "Death comes to us all, but great achievements, they build a monument which shall endure until the sun grows cold."

01:40:41:28 WEIR (CONT'D): Every single life Carson saved is a monument to him... and that gives me great comfort.

01:41:03:10 (BAGPIPES PLAYING, GATES ACTIVATING)

01:42:34:17 BECKETT: How'd it go back on Earth?

01:42:37:13 MCKAY: It was, um... It was awful. Your family was amazing, though.

01:42:44:17 BECKETT: Aye, they are. Good turnout?

01:42:46:29 MCKAY: Oh, packed the church.

01:42:48:08 BECKETT: Oh, that's good to hear.

01:42:52:05 MCKAY: It's not going to be the same around here without you.

01:42:54:11 BECKETT: Oh, you're telling me.

01:42:57:28 MCKAY (O/S): You know, the universe is a big place.

01:43:01:13 MCKAY (CONT'D): Who knows? Maybe we'll... bump into each other again.

01:43:05:06 BECKETT (O/S): Aye.

01:43:06:06 BECKETT (CONT'D): Who knows?

01:43:15:07 MCKAY: You were the closest thing to a best friend I ever had. I'm really, really
sorry. I...

01:43:23:12 MCKAY (CONT'D O/S): should have just--

01:43:24:02 BECKETT (INTERRUPTING): Hey... This isn't your fault.

01:43:29:11 MCKAY: You're just telling me what I want to hear.

01:43:30:24 BECKETT: Well, that's what best friends do sometimes.

01:43:34:02 BECKETT (CONT'D O/S): And in this case...

01:43:35:00 BECKETT (CONT'D): it also happens to be true.

01:43:46:05 BECKETT (CONT'D O/S): Take care of yourself, Rodney.

01:43:50:18 MCKAY: Goodbye, Carson.
