START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.09.21 GENERAL HAMMOND-Gentlemen, these planets -- designated P3-575 and P3A-577 -- have been submitted by Captain Carter's team as possible destinations for your next mission. SG units one and two will operate concurrently.

00.22.06 O'NEILL-You know, I'm kinda partial to P3-575, if you don't mind takin' P3A-577.

00.27.24 KAWALSKY-No, I'll take 577.

00.28.10 O'NEILL (overlapping)-I'm not married to it.

00.29.11 KAWALSKY (overlapping)-No, no, it's okay...

00.29.25 O'NEILL (overlapping)-I wanna be fair about this. How 'bout we flip for it?

00.31.19 GENERAL HAMMOND-How 'bout you go where I tell you? As far as I'm concerned --

00.34.09 TECHNICIAN (VO FILTERED)-Alert! Inbound traveller!
 Repeat! Inbound traveller!

00.39.15 KAWALSKY-Damn, those goa'ulds are persistent.

00.41.24 O'NEILL-I think we pissed 'em off.

00.44.27 TECHNICIAN-Closing the Iris!

01.20.01 KAWALSKY-We're not goin' anywhere as long as the goa'ulds
 keep up these attacks.

01.22.27 DANIEL-Well, they can't keep this up...

01.23.19 DANIEL (OS CONT)-forever...

01.26.02 DANIEL (CONT)-Can they?

01.28.06 O'NEILL-Wow.

01.29.03 CARTER-Well, once they realize our gate's impenetrable,
they should just give up.

01.31.25 KAWALSKY-Part of me just wants to let 'em through. Give
'em the fight they're looking for.

01.41.24 SCREEN FLASHES:

01.47.09 TECHNICIAN (INTO SPEAKER FILTERED)-Radiation team,....

01.47.28 TECHNICIAN (OS CONT ON SPEAKER FILTERED)-move in.

01.55.25 O'NEILL-Well, there gotta be worse ways to go, I suppose.

01.59.22 DANIEL-You don't think the goa'ulds are sending people
through, do you?

02.02.27 O'NEILL-Be like bugs on a windshield.

02.06.02 TECHNICIAN (OS)-Team reports all clear, sir. Nominal
radiation.

02.09.23 GENERAL HAMMOND (INTO MIC FILTERED)-All right, stand down
from alert! (to Technician) And abort...

02.11.12 GENERAL HAMMOND (OS CONT)-the countdown.

02.27.05 O'NEILL-Kawalsky... What's the matter?

02.30.00 KAWALSKY-Headache. I took a fistful of aspirin, but
nothin' helps.

02.33.14 O'NEILL-Get down to the infirmary, get it checked out.
Go on.

02.36.12 KAWALSKY-Sir, I think I'll do that. Sir, with your
permission...

02.39.12 GENERAL HAMMOND-By all means, Major. I need you to lead
your team to P3-575.

02.51.02 TECHNICIAN (OS FILTERED)-Inbound traveller! Inbound
traveller!

02.53.12 GENERAL HAMMOND-Reset the count.

AUTODESTRUCT IN PROGRESS

03.07.28 DANIEL-So this Iris is gonna hold, right?

03.10.19 CARTER-Pure titanium less than three micrometers from the event horizon. It won't even allow matter to fully reintegrate.

03.16.14 O'NEILL-So, this Iris is gonna hold, right?

03.20.03 CARTER-If it doesn't, the failsafe device will detonate, this whole mountain will vaporize, and there'll be nothing to worry about.

03.25.20 O'NEILL-Ah. Good. I feel much better.

04.39.02 GENERAL HAMMOND (VO)-Come.

04.44.00 GENERAL HAMMOND (CONT)-I can understand how Kawalski feels. This job gives me a headache, too.

04.48.18 O'NEILL-Uh huh. What's the bad news, General?

04.51.11 GENERAL HAMMOND-Not much for small talk, are you, Colonel?

04.54.00 O'NEILL-How was your weekend? Get any fishing in?

04.56.18 GENERAL HAMMOND-I'm rejecting your request to have ~~Ten~~'c join SG-1. Wasn't my choice.

05.01.19 GENERAL HAMMOND (OS CONT)-Now, Colonel Kennedy is en route from the Pentagon right now. He'll...

05.04.07 GENERAL HAMMOND (CONT)-be asking your friend some questions.

05.06.13 O'NEILL-What kind of questions?

05.07.17 GENERAL HAMMOND-What we're up against, troop strength, technology, weaponry...

05.10.07 O'NEILL-I'd like to know the answers to those questions too, sir. But after they're done askin' --

05.13.28 GENERAL HAMMOND (OS)-There'll be more questions.

- 05.15.17 GENERAL HAMMOND (CONT)-Possibly tests. After all, he's carrying the larval form of a hostile and very formidable enemy inside his body.
- 05.24.27 O'NEILL-What kind of tests are we talking about?
- 05.28.09 GENERAL HAMMOND-Maybe you haven't noticed, Colonel, but he is the first alien species we've actually run into. You don't think that qualifies your friend as a subject of scientific interest?
- 05.37.00 O'NEILL-A subject?
- 05.38.01 GENERAL HAMMOND-He is what he is, Colonel.
- 05.39.18 O'NEILL-With all due respect, sir, I don't think he saved the lives of my team or came over to our side so he could become a damn guinea pig for U.S. military intelligence!
- 05.48.02 GENERAL HAMMOND-Back up, Colonel.
- 05.49.24 GENERAL HAMMOND (OS CONT)-He switched sides once. Are you 100 %...
- 05.52.20 GENERAL HAMMOND (CONT)-positive he won't switch back?
- 05.55.00 O'NEILL-Yes, sir.

05.56.01 GENERAL HAMMOND-Well, you're alone in that assertion.

05.59.04 GENERAL HAMMOND (OS CONT)-Colonel Kennedy arrives within
the hour.

06.01.12 GENERAL HAMMOND (CONT)-I promise Teal'c will be treated
with dignity and respect for as long as he...

06.05.11 GENERAL HAMMOND (OS CONT)-remains a guest of this
facility. Beyond that... I can't promise a damn
thing.

06.10.12 GENERAL HAMMOND (CONT)-Dismissed, Colonel.

06.28.04 O'NEILL-Hey. Am I interrupting anything?

06.31.19 TEAL'C-Yes.

06.35.01 O'NEILL-Why don't I come back...

06.37.16 TEAL'C-The people from Chulak...

06.40.11 O'NEILL-We sent the last of them back through the gate
just before the goa'ulds started knockin' at the
door...

06.44.13 TEAL'C-Good.

06.45.25 O'NEILL-Well, thanks to you. (beat) So... How long do
you think they'll keep it up?

06.55.09 TEAL'C-One, perhaps two more attempts. They will believe their weapons have destroyed you. They will not send warriors through for some time to make sure of your destruction.

07.06.09 O'NEILL-Well, they'll be in for a surprise, huh?

07.09.04 TEAL'C-Your Iris will be closed. They will be crushed.

07.13.23 O'NEILL-Surprise...!

07.18.27 TEAL'C-Am I a prisoner?

07.21.08 O'NEILL-Uh... Yeah.

07.27.11 TEAL'C-I understand.

07.30.00 O'NEILL-We're not exactly living up to your expectations of us, are we? (beat) See, Teal'c, we've been living alone in our little corner of the galaxy for quite a while. And I think... The people I work for just need to get to know you a little better.

07.49.11 O'NEILL (OS CONT)-I mean, your knowledge of the goa'ulds alone makes them a little curious.

07.52.04 TEAL'C-I will give that knowledge freely.

07.53.27 O'NEILL-Yeah, I know you will, and we'll put it to good use.

07.56.03 TEAL'C-I will pledge my allegiance to this world.

07.59.00 O'NEILL-I'm just not sure that's ever gonna be enough for them to trust you. (beat) To be honest with you, I think they're scared of you.

08.09.15 TEAL'C-I understand.

08.11.23 O'NEILL-You must be used to that by now, huh?

08.14.14 TEAL'C-I am a Jaffa. I have served as a warrior for your enemy. I have carried your enemy within me.

08.24.21 O'NEILL-Yeah... Well, it's kind of a human thing. We tend to be afraid of things we don't know.

08.33.00 TEAL'C-Why is O'Neill not afraid?

08.36.22 O'NEILL-Teal'c, I saw you stand up to a God. You refused to kill.

08.41.24 O'NEILL (OS CONT)-I saw you make that decision.

08.45.02 TEAL'C-Yes.

08.46.10 O'NEILL-In that moment, I learned everything I needed to know to trust you.

08.49.26 TEAL'C-If I had killed you then, I would not be here now.

08.54.02 O'NEILL-Neither would I.

08.56.27 TEAL'C-I will prove my allegiance, O' Neill.

08.58.28 O'NEILL-Teal'c, I sure wish you didn't have to.

09.04.21 TEAL'C-When I do... You will show me this world.

09.10.13 O'NEILL-Aw, you bet. Just... not all at once, though.
It's big...

09.28.00 DOCTOR (OS)-And these headaches, Major, they started when you came...

09.31.08 DOCTOR (CONT)-back from your last mission?

09.33.03 KAWALSKY-Yeah. They've been gettin worse.

09.35.26 DOCTOR-Hmph. Anybody else on the team experienced these symptoms?

09.41.16 KAWALSKY-No. Why?

09.44.12 DOCTOR-It could be a reaction to Gate travel.

09.47.01 KAWALSKY-Look, Doc, just give me a horse pill for the
pain or somethin'. It's a damn headache.

09.54.17 DOCTOR-What's this? You didn't notice this?

09.58.19 KAWALSKY-What? Notice what? (screams)

10.03.22 DOCTOR-Major...!

10.04.19 DOCTOR (OS CONT)-Argh!

10.08.16 DANIEL (OS)-So, the device should be on every planet we
find.

10.11.04 DANIEL (CONT)-I studied the one on Abydos for months.
It's sorta like a, a, a...

10.16.08 CARTER-Telephone.

10.17.00 DANIEL-Telephone. I like that. In order to get back
home, all you have to do is... dial Earth, which is,
uh,... (beat) which is what we're here to talk
about, so...

10.31.27 DANIEL (OS CONT)-What is Major Kawalsky doing in the
embarkation room?

10.39.16 CARTER-Page Colonel O'Neill and General Hammond to the
Embarkation room, now.

10.42.17 SG MEMBER (OS)-Yes, ma'am.

10.54.20 O'NEILL-Charlie? Major Kawalsky?

11.01.12 KAWALSKY-Jack?

11.05.22 O'NEILL-Yeah.

11.06.26 KAWALSKY-What am I doin' here?

11.14.04 O'NEILL-Hey, we got a sick man here!

11.16.05 KAWALSKY-Where the hell is he?

11.20.10 O'NEILL-Was the doctor here before?

11.22.05 KAWALSKY-I don't remember.

11.24.10 WARNER-Sorry. Dr. Nimziki was supposed to be on call...
Dr. Warner, chief surgeon. What's the problem?

11.29.09 KAWALSKY-Headache.

11.30.09 O'NEILL-Little more than a headache, Doc. He just had a
blackout.

11.34.00 WARNER-Hmmm. We'll do an MRI right away. See what's
going on in there.

11.40.27 O'NEILL-Take care of him, Doc. We need him.

11.43.21 KENNEDY-Thank you, sir.

11.51.25 GENERAL HAMMOND-Welcome, Teal'c. This is Colonel
Kennedy.

11.55.02 KENNEDY-I'm extraordinarily pleased to meet you, sir.

11.57.28 GENERAL HAMMOND-Colonel Kennedy's job is to gather
information -- uh, knowledge -- about our potential
enemies.

12.05.03 TEAL'C-I offer my knowledge of the Goa'ulds. I offer my
skills as a warrior in defeating them. I pledge my
honor and my life to this world.

12.15.04 KENNEDY (OS)-Well... Thank you.

12.18.08 GENERAL HAMMOND-This is just an informal meeting, son.
Uh, take a seat.

12.24.02 KENNEDY-I have a lot of questions to ask, so if there are
no objections... What can you tell us about the
power source the Goa'ulds use to power their
weapons, ships...?

12.33.05 TEAL'C-Nothing.

12.35.07 KENNEDY-I see. Do you, yourself, have an understanding
of the physics behind the Stargate?

12.42.00 TEAL'C-No.

12.43.02 KENNEDY-I see.

12.44.17 TEAL'C-Knowledge of Goa'uld magic is forbidden.

12.47.07 O'NEILL (OS)-It's not magic, Teal'c. They just want you
to think that. (beat) Permission to barge in, sir?

12.54.11 KENNEDY-Colonel O'Neill.

12.56.11 KENNEDY (OS CONT)-I was hoping to meet you.

12.58.07 KENNEDY (CONT)-Your mission report from Chulak made for
the most engrossing analysis of my career.

13.03.02 O'NEILL-Well, thanks. What was your favorite part?

13.06.00 GENERAL HAMMOND (OS)-Perhaps now...

13.06.05 GENERAL HAMMOND (CONT)-is not the time, Colonel.

13.09.00 O'NEILL-General, you know what I went and did...? I told
Teal'c how we all respect a person's rights in this
country.

13.15.26 KENNEDY-I assure you, there's nothing untoward taking
place here, Colonel. Please... Join us.

13.21.28 O'NEILL-Thank you. Hey, Teal'c...

13.25.02 TEAL'C-O'Neill...

13.26.24 O'NEILL-That's "Teal'c", with an apostrophe... T-E-A-L-
apostrophe-C...

13.31.03 GENERAL HAMMOND-Colonel...

13.32.05 O'NEILL-Yes, sir.

13.33.02 KENNEDY-Very well... Teal'c: What can you tell me about
the Goa'ulds?

- 14.23.25 TEAL'C (OS)-Yes.
- 14.25.10 TEAL'C (CONT)-Without the Stargate, such a journey would take many months.
- 14.28.05 TEAL'C (OS CONT)-Perhaps even years. It would take many vessels, many slave armies...
- 14.33.00 O'NEILL-We're not that much of a nuisance just yet...
- 14.36.13 KENNEDY-These "slaves"... Where do they come from?
- 14.38.28 TEAL'C-There is a tale of a primitive world the Goa'uld discovered millenia ago. The "tauri"... first world where forms of this type evolved.
- 14.51.06 TEAL'C (OS CONT)-It is said the Goa'uld...
- 14.52.12 TEAL'C (CONT)-harvested among the primitives: some became Goa'uld hosts. Others became Jaffa. The rest were taken as slaves, and...
- 15.02.23 TEAL'C (OS CONT)-seeded among the stars to serve them.
- 15.05.24 TEAL'C (CONT)-But that world has been lost for centuries.
- 15.08.19 KENNEDY-Teal'c... Beings of this form evolved here, on Earth.
- 15.20.11 TEAL'C-This world -- ?
- 15.21.11 O'NEILL (OS)-is the world you're talking about.

15.23.13 O'NEILL (CONT)-Ra came here. If our ancestors hadn't rebelled and buried the Stargate --

15.29.05 TEAL'C-You would have not become...

15.30.26 TEAL'C (OS CONT)-strong enough to challenge them.

15.32.29 KENNEDY-Then the Galaxy is populated by the ancient peoples of Earth...

15.37.09 GENERAL HAMMOND-There could be millions by now.

15.39.02 TEAL'C-Then you are their greatest hope. (beat) And mine.

16.07.19 CARTER-I wanna drop by the control room. By the silence around here, it seems like the goa'ulds have finally given up. When was the last time you slept?

16.16.03 DANIEL-I don't know.

16.17.10 CARTER-It doesn't help when the whole base goes on alert every two hours.

16.19.13 DANIEL-No, it's not that. It's just that... my mind races, and I can't stop thinking about Sha're -- where she is, what she's become...

16.26.19 CARTER (OS)-I know...

16.28.05 CARTER (CONT)-But you can't stay awake forever.

16.30.25 DANIEL-I can try. (chuckles) You're right. I'll meet you at the next briefing.

17.21.23 WARNER-All right... (beat) Major Kawalsky, we're all done here, but I'm taking you off active duty as of now. Major...?

17.43.03 VOICE ON SPEAKER (VO FILTERED)-Security, to the infirmary! Security, to the infirmary! Set! Condition Red! Set! Condition Red!

18.06.12 CARTER-Kawalsky, what the hell are you doing? Argh! (beat) Close the blast doors! Emergency in the control room! Emergency in the control room!

18.21.19 KAWALSKY (ALIEN VOICE)-Help me.

18.24.23 O'NEILL-KAWALSKY!

18.34.21 O'NEILL-Don't shoot! Don't shoot, don't shoot...

18.52.08 CARTER-You know they won't let you out of this mountain alive. When those doors open, they'll shoot on sight. You know that.

19.13.04 GENERAL HAMMOND-What the...?

19.14.04 DANIEL-Someone inside the elevator hit the emergency
stop.

19.16.01 GENERAL HAMMOND-Get those doors open!

19.19.00 O'NEILL-Get 'em open!

19.19.14 KAWALSKY-Well, it's about time! Gimme a hand here.

19.22.19 O'NEILL-Charlie, what the hell's goin' on?

10.24.06 KAWALSKY-I don't have a clue, Colonel, but she's hurt
bad.

19.26.24 KAWALSKY (OS CONT)-We have to get her to the infirmary.

19.37.09 WARNER-The parasite's wrapped around his spine.

19.52.19 O'NEILL-It's a, it's a goa'uld.

19.56.17 O'NEILL (OS CONT)-Probably an infant.

19.58.15 DANIEL-They think the reason that it hasn't been able to
take you over completely is it's not mature yet.

20.03.05 O'NEILL-It's what causing your blackouts.

20.05.08 KAWALSKY-What are you sayin'? I got one of those parasites in me? (beat) Well, how in hell does that happen?

20.11.17 O'NEILL (OS)-We're kinda hopin' you can tell us.

20.13.17 O'NEILL (CONT)-You didn't feel it happening?

20.16.06 KAWALSKY-No.

20.18.00 DANIEL-When was the first time you blacked out?

20.21.17 KAWALSKY-I was here. We'd just come back through from...

20.28.17 KAWALSKY (OS CONT)-Chulak. I thought it was just from coming back through the Stargate.

20.32.12 KAWALSKY (CONT)-We were helpin' that kid. Casey...

20.33.23 KAWALSKY (OS CONT)-was his name.

20.36.04 KAWALSKY (CONT)-It was a... a sharp... Oh, God, Jack... I thought I wrenched my neck...

20.48.08 KAWALSKY (OS CONT)-Anyway, Casey,...

20.48.25 KAWALSKY (CONT)-he was all right. They took him outta there. Oh, God, Jack, you gotta help me... You gotta get this thing outta me.

21.01.08 O'NEILL-That's the plan.

21.04.23 WARNER-I've taken Major Kawalsky off all pain medication to increase his alertness. This should increase his ability to resist --

21.11.09 GENERAL HAMMOND-When can you remove it?

21.13.19 WARNER-It would be an extremely complex operation. The parasite has literally woven itself around his...
21.17.25 WARNER (OS CONT)-nervous system.

21.18.17 GENERAL HAMMOND (overlapping)-Can it be done or not?

21.20.25 WARNER-Without killing him...? Possibly.

21.23.15 WARNER (OS CONT)-Without making him a quadriplegic,...

21.25.17 WARNER (CONT)-that's a whole different story.

21.26.26 GENERAL HAMMOND-You just tell me who you need to assist, anyone in the world. I'll have them here within twenty-four hours.

21.33.00 WARNER-Yes, sir.

21.40.06 KAWALSKY-When I was out, did I hurt anybody?

21.45.07 O'NEILL-There's one man dead.

21.46.09 O'NEILL (OS CONT)-A few more hurt.

21.48.08 DANIEL (OS)-Captain Carter's gonna be all right.

21.50.06 DANIEL (CONT)-I was just gonna go check on her actually.

21.52.21 KAWALSKY-Oh, I didn't mean to --

21.53.26 DANIEL (OS)-No.

21.54.25 DANIEL (CONT)-She doesn't blame you.

21.55.19 O'NEILL-You're not responsible, Charlie. It's not your
fault.

21.58.14 O'NEILL (OS CONT)-It's that damn thing that's inside you.
Look... As soon as they know how to do it, they'll
cut it out of you.

22.04.08 O'NEILL (CONT)-Right now you gotta fight it.

22.07.27 KAWALSKY-I don't mind tellin' you, this is scaring me big
time.

22.18.23 KENNEDY-Teal'c... Stand and face this way, please.

22.23.20 TEAL'C-What is the emergency? They would not tell me.

22.26.23 KENNEDY-That's none of your concern now.

22.28.11 O'NEILL-Kawalski's become infected with a goa'uld.

23.11.09 TEAL'C (CONT)-Once it is one with the host, it is capable of killing him.

23.14.06 O'NEILL-So... What do we do?

23.22.17 O'NEILL-Charlie, we got General Hammond here.

23.26.23 KAWALSKY-General... please... You gotta tell 'em to do something. The pain is too much.

23.31.20 GENERAL HAMMOND-We are, Major. You just have to hold on.

23.33.13 KAWALSKY-No, don't you give me that good soldier crap,...

23.35.16 KAWALSKY (OS CONT)-General. You order them to cut this damn thing out of me!

23.38.22 O'NEILL-Teal'c says if you do that, you might die.

23.40.27 KAWALSKY-I don't care!!

23.43.04 O'NEILL (OS)-Look, Charlie...

23.45.00 O'NEILL (CONT)-They want to talk to it.

23.47.18 KAWALSKY-What?! What the hell is there...

23.48.25 KAWALSKY (OS CONT)-to talk about?!

23.50.18 TEAL'C (OS)-We must...

23.50.24 TEAL'C (CONT)-offer it life to save yours.

23.52.20 KAWALSKY-No! No! I want you to kill it!!

23.55.14 TEAL'C (OS)-We must talk to the goa'uld within you.

23.57.14 KAWALSKY-Jack, please help me, Jack...

23.59.06 O'NEILL-Charlie! Just let 'em do their job, will you?

24.01.00 KAWALSKY-No! Don't let them do this, Jack! I want ~~you~~
to kill it!

24.03.17 KAWALSKY (OS CONT)-Kill it! Kiiilllll itttt! Killll
iiiittt! Kill it! Kill it!

24.04.00 WARNER (overlapping)-His heart rate just doubled!

24.06.20 KAWALSKY-Kill it! Kill it! Kill it! Kill it! Kill it!
Kill it...!

24.17.01 KAWALSKY (ALIEN VOICE)-Name is Kree! I won't speak...

24.19.02 KAWALSKY (OS CONT ALIEN VOICE)-to the traitor.

24.21.17 KAWALSKY (CONT ALIEN VOICE)-You are their leader?

24.22.19 GENERAL HAMMOND-I am.

24.23.16 KAWALSKY (ALIEN VOICE)-Speak.

24.24.12 GENERAL HAMMOND-I'm General George Hammond, United States
Air Force.

24.27.04 GENERAL HAMMOND (OS CONT)-Commander in Chief of the
S.G.C.

24.29.24 GENERAL HAMMOND (CONT)-And you are...?

24.30.23 KAWALSKY (ALIEN VOICE)-Interested only in returning
through the Stargate. Now.

24.33.16 GENERAL HAMMOND-You are in no position to make demands.
I have a proposition --

24.37.07 KAWALSKY (ALIEN VOICE)-Release me now, or I will destroy
you --

24.39.12 GENERAL HAMMOND-If you leave this man's body, we will
allow you to live, and send you back through the
Stargate...

24.43.26 GENERAL HAMMOND (OS CONT)-in your natural form --

24.45.03 KAWALSKY (ALIEN VOICE) (overlapping)-This body is mine --

24.47.03 GENERAL HAMMOND-If you're unwilling to leave, we will be
forced to surgically --

24.51.18 O'NEILL-Teal'c! Hold him!

24.54.12 KAWALSKY (ALIEN VOICE)-Release me now, or I will destroy
you!

24.57.00 GENERAL HAMMOND-Do not attempt to escape --

24.58.27 KAWALSKY (ALIEN VOICE)-I command you --

25.00.00 GENERAL HAMMOND-We will open fire! Colonel, stand aside!

25.01.09 KAWALSKY (ALIEN VOICE) (overlapping)-(growls) Release me,
now!

25.04.21 GENERAL HAMMOND (OS)-Take aim!

25.07.12 KAWALSKY-Don't shoot!

25.08.03 O'NEILL-Don't shoot!!

25.09.00 GENERAL HAMMOND-Hold your fire!

25.10.09 KAWALSKY-Oh...! Oh, God! Oh...!

25.13.27 GENERAL HAMMOND-It's all right, son. I won't put you
through that again.

- 25.17.21 KAWALSKY-Aw, Jack, what did I do?
- 25.20.02 O'NEILL-Nothin'. Just got a little mouthy. Nothin' serious.
- 25.26.16 GENERAL HAMMOND-Doctor Warner... I want to know the minute that godforsaken thing can be taken out of my officer. Is that clear?
- 25.32.16 WARNER-Yes, sir.
- 25.33.18 GENERAL HAMMOND-This conversation is over.
- 25.39.26 GENERAL HAMMOND-As you were, people. In light of the day's events, Colonel Kennedy has chosen to make certain recommendations to my superiors that I want to share with all of you. Colonel Kennedy...
- 25.52.23 KENNEDY (OS)-I know that many of you have served with Major Kawalsky,...
- 25.55.13 KENNEDY (CONT)-so please forgive me if what I'm about to suggest appears in any way callous. But I believe surgical removal of the parasite may be a mistake.
- 26.03.03 O'NEILL-General, this is a waste of time Kawalsky does not have.

26.05.27 KENNEDY-Doctor Warner,...

26.06.28 KENNEDY (OS CONT)-What are Major Kawalsky's chances of surviving the procedure?

26.10.05 WARNER-Ten, twelve percent, at most.

26.12.03 KENNEDY (OS)-And the parasite? It is an...

26.13.26 KENNEDY (CONT)-intelligent being after all, isn't it, Colonel?

26.16.19 KENNEDY (OS CONT)-I believe I first read that in your report.

26.19.20 WARNER-Uh, the parasite itself would not survive the procedure.

26.22.24 KENNEDY-So, we're faced with destroying one life in the hopeless attempt to save another. You see the ethical dilemma...

26.28.12 O'NEILL-No. I don't.

26.29.28 WARNER-My team and I are completely prepared to perform the...

26.32.03 WARNER (OS CONT)-procedure, sir. We'll do our best.

26.34.07 KENNEDY (OS)-Of course you will, Doctor.

26.35.09 KENNEDY (CONT)-Please don't misunderstand. We all wish
the invading parasite in Major Kawalsky's body could
be safely removed.

26.41.21 KENNEDY (OS CONT)-But the facts are the facts.

26.43.24 CARTER-I'm sorry. What was your point?

26.45.26 KENNEDY-If we proceed with this operation, Major Kawalsky
will have died in vain.

26.49.26 CARTER-And if we don't?

26.51.10 KENNEDY-Well, let's consider that for a moment.

26.53.21 KENNEDY (OS CONT)-These infant goa'ulds...

26.55.13 KENNEDY (CONT)-If they're so young, so fragile...

26.57.00 KENNEDY (OS CONT)-in their larval state that they require
a, uh...

27.00.20 KENNEDY (CONT)-Uh, I'm sorry... What is it you called
yourself?

27.03.00 TEAL'C-Jaffa.

27.04.16 KENNEDY-For want of a better translation, what:
Incubator?

27.07.21 KENNEDY (OS CONT)-How is it that they're so intelligent?

27.35.12 DANIEL-No, Teal'c is right. To them, we're nothing.
Less than nothing. I mean... think about it.
They've taken on the roles of our ancient gods --
What does that tell you?

27.43.16 KENNEDY (OS)-All right. What if we just studied it? How
much could we learn from that?

27.47.20 KENNEDY (CONT)-What if we just faced up to the fact of
Major Kawalsky's...

27.49.19 KENNEDY (OS CONT)-slim chances of survival, and realized
that the greatest enemy mankind may ever face...

27.55.26 KENNEDY (CONT)-has just been delivered right to our
doorstep? Even if we let it return through the
Stargate as a gesture of good faith, how much could
we -- ?

28.03.12 GENERAL HAMMOND (overlapping) (OS)-Just what kind of
an...

28.04.13 GENERAL HAMMOND (CONT)-officer are you, Colonel?

28.06.14 KENNEDY-Sir?

28.07.11 GENERAL HAMMOND-As long as there is a snowball's chance
in hell that my officer will come out of this
procedure alive, we'll go ahead with it.

28.13.18 KENNEDY-With respect, General, I feel I should take this
to my superiors.

28.16.10 GENERAL HAMMOND-Well... Me, I'll probably just call the
President...

28.20.10 GENERAL HAMMOND (OS CONT)-and get approval right from the
horse's mouth.

28.22.23 GENERAL HAMMOND (CONT)-But, sure, you go right ahead,
Colonel.

28.24.20 GENERAL HAMMOND (OS CONT)-Talk to your superiors.

28.26.20 GENERAL HAMMOND (CONT)-In the meantime, people, let's get
the job done.

28.45.15 WARNER (OS)-Do you have any sense that the new
anaesthetic...

28.47.08 WARNER (CONT)-is working better than the last one we
tried?

28.49.27 TEAL'C (OS)-Yes.

28.51.16 WARNER-But you're not sure? There's no communication at
all between you and the symbiote?

28.59.00 TEAL'C-A Jaffa does not communicate with the goa'uld he
carries.

29.03.08 WARNER-Well, keep your fingers crossed. Uh, nurse... you can stop this IV and release the patient. We'll go with this one.

29.14.24 O'NEILL-They're gettin' ready.

29.17.07 KAWALSKY-It's about time...

29.19.24 O'NEILL-How's the pain?

29.22.08 KAWALSKY-Maybe I'm just gettin' used to it. Listen, Jack, if this doesn't work --

29.28.08 O'NEILL-Hey, c'mon... It's a cakewalk.

29.31.12 KAWALSKY-It hurts to talk. Will you shut up for...

29.32.27 KAWALSKY (OS CONT)-a second...

29.36.10 KAWALSKY (CONT)-I wanna be cremated. I don't want there to be anything left of that thing inside me. You make sure, all right?

29.44.20 O'NEILL-Look, can we not talk about this?

29.46.27 KAWALSKY-When am I gonna talk about it, Jack? This could be my last conversation.

29.51.28 O'NEILL-Aw, for cryin' out loud, it's not your last conversation.

29.56.22 KAWALSKY-Hey... I spoke to the Doc. He told me the odds. Don't give me any crap.

30.02.25 O'NEILL-Okay. It's our last conversation.

30.06.15 KAWALSKY-You'll be off on some other planet...

30.08.28 O'NEILL-Yeah. P3A-575 --

30.11.26 KAWALSKY-Whatever. This was gonna be my first real command. I was lookin' forward to it.

30.20.28 O'NEILL-You still can, Charlie.

30.24.07 KAWALSKY-They got me all tied up here. Gimme your hand.

30.36.15 KAWALSKY (OS CONT)-I want you to know, no matter what happens...

30.41.11 KAWALSKY (CONT)-It was an honor to serve with you,...

30.44.08 KAWALSKY (OS CONT)-sir.

30.47.18 O'NEILL-Listen... Um... I gotta ask you something. It's not easy for me...

30.53.21 KAWALSKY-We're friends...

30.58.24 O'NEILL-If you don't make it... Can I have your stereo?

31.06.00 KAWALSKY-(laughs/coughs)

31.07.24 O'NEILL-What?

31.12.12 KAWALSKY-It hurts to laugh.

31.15.25 O'NEILL-You all right?

31.18.22 KAWALSKY-Oh, never better.

31.35.01 WARNER (OS)-I've held back on the use of anaesthetic
until it can be administered to both patient and
creature simultaneously. Major Kawalski... We're
going to begin the operation. Are you ready?

31.49.02 KAWALSKY-I wanna say something. General Hammond, sir?

31.53.23 GENERAL HAMMOND (OS INTO MIC FILTERED)-I'm here, son.

31.56.12 KAWALSKY (OS)-If this doesn't work, I want you to give
the order.

32.01.17 KAWALSKY (CONT)-I wanna wake up as me, or not at all.

- 32.08.19 GENERAL HAMMOND (INTO MIC FILTERED)-You have my word,
son.
- 32.14.10 NURSE (OS)-Scalpel...
- 32.24.17 WARNER (OS)-Injecting anaesthetic... All right. Start
the clock. (beat) I'm making the first incision.
- 32.45.22 WARNER (OS)-I'm separating primary ganglia attaching the
parasite to the spinal cord now... It's coming away
more easily than I'd hoped -- must be the
anaesthetic.
- 33.00.05 CARTER-At least it's going well.
- 33.01.20 DANIEL-That's fantastic... If we can reverse what's
happened to the Major, then there's still a chance
for Sha're.
- 33.08.22 CARTER-Let's hope.
- 33.10.20 WARNER (OS)-The ganglia are still constricting
periodically... Obviously, there still seems to be
some sign of life in this symbiote. I don't know
how. Scissors...

33.26.20 NURSE (OS)-Scissors...

33.32.12 WARNER (OS)-There are thin filaments extending up and into the brain. I'm going to sever them. It's coming away easier than I'd hoped. (beat) Hold him still!

33.50.14 GENERAL HAMMOND (INTO MIC FILTERED)-What's happening?

33.53.20 WARNER (OS)-I don't know, sir. I don't think it was anything I did. I'd like to proceed.

34.00.07 GENERAL HAMMOND (INTO MIC FILTERED)-How much longer?

34.02.01 WARNER (OS)-Almost there... (beat) Almost... large clamp...

34.11.26 NURSE (OS)-Large clamp...

34.15.12 WARNER (OS)-Almost...

34.22.05 WARNER (OS)-I'm taking it out... now...

34.40.10 WARNER (OS)-I think we did it! (beat) Close for me...

34.46.03 GENERAL HAMMOND (INTO MIC FILTERED)-Well done, everyone!

34.54.03 O'NEILL (OS)-That's right, Dorothy. It was all a dream.

34.56.27 WARNER-Can you move your fingers? (beat) Toes?

34.03.18 O'NEILL-Hey...

35.05.03 WARNER-Congratulations, Major. You've already exceeded
my wildest expectations.

35.13.23 KAWALSKY-Thirsty...

35.17.00 O'NEILL-Here. (beat) Easy, big fella. You're not
drinkin' for two anymore.

35.27.24 KAWALSKY-I made it...

35.29.11 O'NEILL-See? Told you. Piece of cake.

35.36.25 KENNEDY (OS)-I heard the operation was a complete
success, sir.

35.39.10 KENNEDY (CONT)-Congratulations. And I have my orders to
return to Langley.

35.42.25 GENERAL HAMMOND-Don't let the door hit your ass on the
way out.

- 35.44.28 KENNEDY-With Teal'c, sir. I have his travel orders, as well.
- 35.48.20 GENERAL HAMMOND-You do realize that without his cooperation in finding an anaesthetic, the operation might've been a failure. I think we owe him something for that.
- 35.55.17 KENNEDY-Unfortunately, Teal'c is now carrying the only living goa'uld available for study. And we do need to study it, sir. Make no mistake on that. ~~These~~ aliens are possibly the greatest threat this country has ever kno --
- 36.05.05 GENERAL HAMMOND (overlapping) (OS)-I'm well aware of the...
- 36.05.25 GENERAL HAMMOND (CONT)-threat, Colonel. This facility is the front line. It's the reason this command exists.
- 36.11.06 GENERAL HAMMOND (OS CONT)-We just go about things...
- 36.12.01 GENERAL HAMMOND (CONT)-differently around here.
- 36.14.05 KENNEDY-I see. Well... I'll make the transport arrangements in the morning.
- 36.19.01 GENERAL HAMMOND-You do that.

- 36.25.17 DANIEL-Anyway, uh, Colonel Kennedy's probably gonna want to take it with him, so if you wanna see it once before he --
- 36.31.03 KAWALSKY-Are you talkin' about that thing in my head?
- 36.32.24 O'NEILL-Daniel thinks it's fascinating.
- 36.34.19 DANIEL-No, I just thought you might wanna see it.
- 36.36.04 KAWALSKY-No. Thanks.
- 36.39.05 CARTER-Hey, I just heard: They're shipping Teal'c out to Langley. Kennedy's taking him with him.
- 36.43.06 O'NEILL-What?!
- 36.44.00 DANIEL-What for?
- 36.44.27 CARTER-Study. That's Kennedy's word.
- 36.46.23 O'NEILL-Right. Like a damn lab rat. Apparently, Kennedy's ethics are selective.

- 36.58.10 KAWALSKY-Listen, in case the Colonel can't talk him out of it, I'd like a minute alone with Teal'c before they ship him out. He helped get me through this. I gotta thank him.
- 37.08.00 CARTER-Okay. I think that can be arranged.
- 37.22.10 KAWALSKY-Hey... Come on over here. I wanna shake hands with the man who helped save my life. (beat) I'd like a minute alone with my friend. (beat) I'll make it an order. Does that make you feel better? (beat)
(ALIEN VOICE) Jaffa...
- 38.01.17 KAWALSKY (OS CONT ALIEN VOICE)-What they removed was merely a dead husk.
- 38.04.28 KAWALSKY (CONT ALIEN VOICE)-I'd already become one with the host. I give you this chance. Serve me... and you may live.
- 38.14.13 TEAL'C-I... will... not.
- 38.18.11 KAWALSKY (ALIEN VOICE)-Then die.
- 38.34.29 GENERAL HAMMOND-Colonel, I'm doing everything I can.

38.36.21 O'NEILL-So, because he wasn't born on this particular planet, he doesn't have any rights anymore, is that it?

38.43.08 KAWALSKY (ALIEN VOICE)-Get out!!

38.47.04 TECHNICIAN-Major... Argh! Argh!

39.39.13 KAWALSKY (ALIEN VOICE)-Jaffa... kal sha!

39.43.01 TEAL'C-You cannot pass.

41.17.03 TEAL'C-He was your friend.

41.20.25 O'NEILL-My friend died on the table.

41.41.24 OTHER SOLDIER-Okay, I'll see you guys later.

41.42.21 CARTER (overlapping)-If anything, the fact that he knew
how to set the autodestruct code proves that there's
hope for Sha're and Skaara.

41.47.18 DANIEL-How?

41.48.26 CARTER-Because only Kawalsky could have known that code.

41.51.13 DANIEL-So something of the host must survive...

41.59.04 GENERAL HAMMOND (INTO PHONE)-Oh, absolutely... That's
good to hear. Oh, any time, sir. You just come on
down. We'd be glad to have you. (chuckles) Well,
hell, sir, he's right here. Why don't you tell him
yourself? I'm sure he'd like to hear it from you.

42.15.27 KENNEDY (INTO PHONE)-Yes, Mr. President...? Yes, sir...?

42.20.25 GENERAL HAMMOND-Colonel O'Neill, is SG-1 ready to ship
out?

42.23.05 O'NEILL-We are, sir.

42.24.03 GENERAL HAMMOND-Then you have a go for a standard recon

42.27.13 O'NEILL (OS)-Yes, sir.

42.31.27 TEAL'C-Reporting as ordered.

42.34.15 O'NEILL-"Sir". (whispers) "Sir"...

42.37.11 TEAL'C-Sir.

42.38.05 GENERAL HAMMOND-Welcome aboard, son.
