TEASER:

00.23.14 FRAKES (PANICKED)-Connor! Connor! I lost the remote!

00.31.00 CONNOR-Got it!

01.08.14 Frakes!

CONNOR (OS CONT)-Frakes!

01.13.02 FRAKES-Go! GO!!!

01.38.13 HANSON-Frakes, Frakes, Frakes. I'm disappointed in you, my son.

02.11.29 BAKER (OS)-Connor got through. What about this one?

02.15.23 HANSON-Burn him.

END OF TEASER:

02.31.04

03.48.24 DANIEL (OS)-For a planet...

DANIEL (CONT)-with a UV radiation as high as this one's supposed
to have, the plant life seems to be doing very well.

03.53.20 CARTER-Apparently, Abydos was the exception, not the rule – as far as trees are concerned.

03.57.03 DANIEL (OS)-Well, that makes sense.

DANIEL (CONT)-I mean, if a planet does support *human* life, there must be some sort of carbon-based vegetation,...

DANIEL (OS CONT)-right?

04.03.21 TEAL'C (OS)-It is no accident.

TEAL'C (CONT)-Many Stargate worlds were terraformed by the Goa'ulds centuries ago.

04.09.02 O'NEILL-Okay, let's take a quick look around the Gate before we move out to find SG-9.

04.14.15 CARTER-They can't be that far.

04.16.07 DANIEL-I don't know, this Stargate is literally out in the middle of nowhere. I doubt if it plays an active role in anybody's culture.

04.30.13 TEAL'C-Is there a problem, Dr. Carter?

CARTER-No birds.

04.55.09 DANIEL-There should be a road or something or... Guys? Guys?

Okay, okay. Don't shoot!

05.08.12 O'NEILL-That's very sound advice.

05.14.12 CONNOR-Colonel O'Neill.

05.16.08 O'NEILL-Lieutenant Connor?

05.24.16 O'NEILL (OS CONT)-Alright, Connor,...

O'NEILL (CONT)-what's going on? Command received your signal
six hours ago, but no one came through. Why?

05.30.17 CONNOR-Hanson.

05.31.13 CARTER-Where is he? We need to -

05.32.07 CONNOR-No! Don't.

05.34.16 O'NEILL-Why?

05.37.16 CONNOR-Frakes... He...

05.57.07 O'NEILL (OS)-Connor...

O'NEILL (CONT)-Connor, I need to know what happened.

06.08.17 CONNOR-Permission to speak freely about a superior officer, sir?

06.13.03 O'NEILL-Yeah, go ahead.

06.15.24 CONNOR-He's lost it. He's out of control.

06.18.23 CARTER-Captain Hanson?

06.20.15 CONNOR-Maybe it was the sun. The radiation.

06.22.27 DANIEL (OS)-What, are you saying...

DANIEL (CONT)-that the sun did this to Frakes?

06.25.04 CONNOR-No, sir. Captain Hanson did that to Frakes.

06.28.11 CARTER-What?!

06.29.06 CONNOR-For trying to get back through the gate.

06.30.23 O'NEILL-I don't buy that.

06.32.18 CONNOR-Sir, we were trying to warn command about what's
really going on.

CONNOR (OS CONT)-The people...

CONNOR (CONT)-...they believe he's their God.

06.39.11 TEAL'C-Because you came through the Stargate.

06.40.28 CONNOR-No, no, you don't get it. *Hanson believes it too.*

06.47.16 O'NEILL (OS)-Carter --

06.57.16 O'NEILL (CONT)-I want you to take Connor back through the Stargate.
Report to General Hammon what's happened here.

07.03.08 CARTER-No, sir.

07.04.23 O'NEILL (RAISING AN EYEBROW)-No, sir?

07.06.07 CARTER-If you're going after Captain Hanson, I should go with you.
I can get to him --

07.10.13 O'NEILL-Look. Captain.

O'NEILL (OS CONT)-Either we're bringing him back to face a
court-martial...

O'NEILL (CONT)-or *not*. I think we both know what *not* means.

07.19.23 CARTER-I know him, Colonel.

07.20.00

O'NEILL-Yeah, that would be the problem, wouldn't it?

07.21.16

CARTER-I gave the ring back *because* I know him. I know how he thinks, how he operates –

07.25.03

O'NEILL-How he likes to play God.

07.27.16

CARTER-I don't understand how that could happen any more than you do. But if SG-1 is going after him, then I am...

CARTER (OS CONT)-going with you.

07.31.16

CONNOR (OS OVERLAPS)-Wait a minute. No,...

CONNOR (CONT)-you can't do that. There are hundreds, probably thousands of them. He's their God.

CONNOR (OS CONT)-They'll die for him. They'll kill for him. In a heartbeat.

07.40.23

O'NEILL-That's not your problem. Now I need someone to report back to the General, and that is you.

07.46.23

CONNOR-No, sir.

07.47.23

O'NEILL-No, sir? Does it say *Colonel* anywhere on my uniform?

07.52.03 CONNOR-I know the planet. The situation. I think it's suicide, but
 if you're going,....

 CONNOR (OS CONT)-I'm going, sir.

07.59.00 TEAL'C (OS)-But you're not physically able.

08.01.00 CONNOR-Frakes was my friend.

08.02.07 CARTER-This isn't about revenge.

08.04.01 CONNOR-Maybe not for you.

 CONNOR (OS CONT)-We gotta move...

 CONNOR (CONT)-now. In the daylight.

08.15.08 O'NEILL-Well, we're off to see the wizard.

08.19.15 CONNOR-I hope you packed lots of sun block.

08.22.00 DANIEL-Well, we're mostly under cover --

08.24.06 CARTER-The probe's date indicated that shade -- even heavy cloud
 cover -- won't protect us. It can be pouring rain and we'll still
 burn.

08.30.05 CONNOR-She's right.

08.31.19 O'NEILL-Then why on earth are we travelling during the day?

08.34.27 CONNOR-We're not on Earth. People here live in caves. I think
they used to be mines. They only come out at night.

CONNOR (OS CONT)-They're probably still after me, sir.

08.47.27 O'NEILL-To Oz.

09.16.13 BAKER-You were right. They sent SG-1.

09.41.25 DANIEL-This tastes like chicken.

09.43.00 CARTER-So, what's wrong with it?

09.44.02 DANIEL-This is macaroni and cheese.

09.51.19 O'NEILL-Teal'c?

09.52.12 TEAL'C-The perimeter is established.

09.58.16 O'NEILL-Perfect. If any little rocks sneak up on us, we'll have plenty
of warning.

- 10.10.01 CARTER-So, any indigenous lions, tigers or bears I should lie awake worrying about?
- 10.15.11 CONNOR-The plant life's all that seems to live very long in the sunlight.
- 10.18.07 DANIEL-Now, how could something like this actually happen? I mean, the SG teams are supposedly made up of well-trained professionals.
- 10.26.06 CONNOR-Well, when we first met the cave-dwellers they immediately bowed down to us. Thought we were gods.
- 10.31.17 DANIEL-Well, that's a fairly *common* phenomenon. I mean...it happens.
- 10.36.27 CONNOR-Except Hanson didn't *deny* it.
CONNOR (OS CONT)-Told us it might be safer if we allowed them to believe he was their God for a while.
CONNOR (CONT)-He said it was the "system of Government" they needed to retake their world.
- 10.45.14 DANIEL (OS)-And...
DANIEL (CONT)-You were okay with that?

10.49.15

CONNOR-Frakes was our anthropologist.

CONNOR (OS CONT)-He agreed with Hanson that it might be safer.

But the longer we stayed here, the stronger they believed.

CONNOR (CONT)-In our fourth or fifth week here, a young child

wandered out of the caves. Must have gotten lost. Hanson went out after him.

CONNOR (OS CONT)-He was gone for two full days before he came back carrying the child -- barely alive -- in his arms.

11.13.15

CARTER-The cave-dwellers must have loved him for that.

11.15.17

CONNOR-Yeah, they did. He wasn't the same after that.

11.19.06

CARTER-You're saying that *that's* what sent him over the edge. The sun?

11.22.09

CONNOR (OS)-It wasn't any one thing.

CONNOR (CONT)-If it was, me and Frakes, we could have seen it coming...and done something about it before...

11.31.07

TEAL'C-Before what?

11.33.19

CONNOR-There were a few cave-dwellers who got the idea that
Hanson was just a man. Like they were.

CONNOR (OS CONT)-Thanks to Frakes and I.

CONNOR (CONT)-He had them tied to stakes and left out in the
direct sunlight.

CONNOR (OS CONT)-If they lived seven days, they were allowed
back in the caves.

11.50.24

DANIEL-A number of significant biblical events took place...

DANIEL (OS CONT)-over the course of seven days.

11.55.22

CONNOR-By then, they were blind. Giant bleeding burns all over them.
Just took them a little longer to die. Personally, I'd rather eat a
bullet.

12.14.23

O'NEILL-I'll take first watch.

13.12.20

CONNOR-Hey, Colonel, I'll take watch now.

13.31.17

O'NEILL (WHISPERS)-Let's...

O'NEILL (OS CONT)- go. We got...

O'NEILL (CONT)-company.

13.33.29

DANIEL-Are you sure?

13.36.07

O'NEILL-Pretty sure.

14.00.04 TEAL'C (OS)-It appears they are gone.

14.05.26 DANIEL-Connor?
DANIEL (OS CONT)-Connor?

14.27.11 HANSON (VO)-The temple is taking too long to build.

14.30.08 BAKER (VO)-They're working as hard as they...
BAKER (CONT)-can.

14.31.24 HANSON-But not as long as they can. Divide them into shifts.
Day and night.

14.36.09 BAKER-You can't.

14.37.06 HANSON-What?!

14.38.23 BAKER-They'll die.

14.42.04 HANSON-Sacrifice. Their way to salvation.

14.50.00 DANIEL-Well, they were probably just instructed just to take Connor
Send us a message that Hanson's in control.

14.54.18 CARTER-Sounds familiar.

14.56.10 DANIEL-Which part?

14.57.09 CARTER-He likes control.

15.00.21 DANIEL-Well, what did you see in him?

15.02.27 CARTER-I don't know. I guess I've always had a soft spot for the
lunatic fringe.

CARTER (OS CONT)-He was...he was charming.

15.09.26 DANIEL (OS)-Well, that's good. Charming is...

DANIEL (CONT)-good.

15.11.04 CARTER-I don't know. I should be more surprised by this than I am,
but I'm not. You know, he had this in him, Daniel. Too many
years of Black ops.

15.18.03 DANIEL-Well, that's typical of our government's evaluation of soldiers.
The crazier they are, the more extreme the situation they seem to
be put into.

15.25.26 CARTER-He wasn't happy when I broke off the engagement, but he
seemed like he really pulled himself together when we met up at
Stargate Command.

15.31.20 DANIEL-Apparently not.

15.36.08 O'NEILL-What do you got, Teal'c?

15.37.09 TEAL'C-This way.

16.22.22 TEAL'C (OS CONT)-The road out of the valley. Toward the mountain.

16.53.15 O'NEILL-I'll be back in thirty minutes.

16.55.10 TEAL'C (OS)-If you are thinking...
TEAL'C (CONT)-about rescuing Connor -...

16.57.00 O'NEILL (OS OVERLAPS)-Not yet.
O'NEILL (CONT)-Captain,...
O'NEILL (OS CONT)-when the time comes,...
O'NEILL (CONT)-I'll need your help to get in the front door.

17.01.24 CARTER-I'm prepared for that, sir.

17.08.07 TEAL'C-There will be none left to worship him if this
continues.

17.10.21 DANIEL-They're like Abraham.

17.15.19 TEAL'C-Who was Abraham?

17.17.20 DANIEL-Ah... Biblical figure.
DANIEL (OS CONT)-Believed to be the father of man. God tested his
faith by instructing him to make a great sacrifice – his son, Isaac.

17.27.20 TEAL'C-Did he sacrifice his son?

17.30.00 DANIEL-He gave it a good shot, before an angel stopped him...
DANIEL (OS CONT)-at the last minute.

17.46.27 BAKER (TO JAMALA)-Get up!

17.49.21 CAVE-DWELLER-He's worked straight through the night. He needs
rest.

17.52.04 BAKER-Shut up! (TO JAMALA)-Do I have to make an example?!
DO I?!!!

18.03.04 CARTER-Hey. Look over there.

18.09.20 DANIEL-Whoa. Where are you going?

18.11.11 CARTER-I can't just stay here and watch him beat that man to death.

18.13.20 TEAL'C-You will be captured.

18.14.26 CARTER-Uh-huh.

18.15.07 DANIEL (OS)-And you think that's a...
DANIEL (CONT)-plan?

18.17.00 CARTER-Daniel, I can get to Hanson. That's what the Colonel was
talking about.

18.19.26 DANIEL-Well, can you at least wait until he gets back?

18.22.00 CARTER-The man could be dead by then.

18.27.08 DANIEL-We should have stopped her.

18.29.19 CARTER-We would have failed.

18.59.07 Well, that was refreshing.

19.04.13 O'NEILL-Connor looks bad. There's two guards but –

BAKER (OS MUFFLED OVERLAPS, BARELY AUDIBLE)-Grab her!

19.12.18 O'NEILL (OS)-Daniel.

O'NEILL (CONT)-Never mind.

O'NEILL (OS CONT)-It's probably our only way in without a fire fight
anyway.

19.35.13 CARTER-Alright, alright.

19.51.24 HANSON-Well, it's about time.

19.56.20 CARTER-Hello, Jonas.

20.00.15 HANSON-And you never thought I'd amount to anything.
Quite a leap, isn't it? From a Captain to –

20.06.22 CARTER (CUTS HIM OFF)-What's happened to you, Jonas?

20.10.05 HANSON-Please, sit down.

20.17.28 These caves were once mines.

HANSON (OS CONT)-They permeate the hillside for miles, but
these people have been multiplying like...

HANSON (CONT)-rabbits. They don't have the technology to dig themselves more space. They don't have the courage to leave the caves. It's like a third world country *in* a bottle.

20.38.14 CARTER-And you think you're saving them?

20.39.20 HANSON-Oh. I know I am. (BEAT)

These people, they're like human beings.

HANSON (OS CONT)-They're like us. How can we turn our backs on them?

HANSON (CONT)-Kidnapped from Earth, forced into slavery for centuries...

20.56.20 CARTER (OVERLAPS)-We can't change that.

20.57.21 HANSON-Yes, we can! We must help!

21.00.14 CARTER-Well, how does posing as a God and slowly working...

CARTER (OS CONT)-these people to death help them?

21.03.28 HANSON (OVERLAPS)-I hate that word! Stop using it! I am not posing!

(BEAT) It is a matter of definition. My people need me. They believe in me. And because they believe, they *work*.

21.24.04 CARTER-To death.

21.25.20 HANSON-We're building a civilization, Sam. There are going to be
sacrifices.

HANSON (OS CONT)-It's...

HANSON (CONT)-better than rotting in caves – living and dying in
squalor – like *you've*...

HANSON (OS CONT)-*never seen!*

HANSON (CONT)-I'm creating a great people.

21.42.09 CARTER-In your image.

21.43.07 HANSON-Yes. (BEAT) It's going to be wondrous. (BEAT)
You'll see. You'll see.

22.04.25 TEAL'C (OS)-They could give us away.

22.07.15 DANIEL (OS)-Maybe not. Maybe not. I...

DANIEL (CONT)-think I've got just the candidate.

22.42.21 TEAL'C-Shhh.

22.45.11 HANSON-I really wish I understood these drawings.

22.47.22 CARTER (OS)-Why don't you ask your people?

22.50.21 HANSON (RE: HIMSELF)-"All knowing".

22.54.27 CARTER-You knew I would come, didn't you?

22.56.07 HANSON-How could you not? Healer of the emotionally wounded.

I was your one failure. The bird with the broken wing that
wouldn't heal.

23.06.16 CARTER-You seem to be flying well enough on your own.

23.09.23 HANSON-I hoped that you would understand.

23.19.01 CARTER (OS)-I do understand.

CARTER (CONT)-You're sick, and you need help.

23.23.10 HANSON-That's your idea of help?

23.24.29 CARTER-Yes. You're coming back with me.

23.28.20

HANSON-Well, you're gonna have to use it, Sam.

Go on.

23.37.10

HANSON (OS CONT)-It's still loaded. Pull the trigger.

HANSON (CONT)-Do it! Because that is the only way you're gonna...

HANSON (OS CONT)-stop me!

HANSON (CONT)-What's a few deaths compared to the survival
of my...

HANSON (OS CONT)-people?!

HANSON (CONT)-Killing their saviour might irritate them a little.

But at least I'd be gone.

24.03.04

CARTER-Don't make me do this.

24.05.21

HANSON-Go on. Pull the trigger one more fraction of...

HANSON (OS CONT)-an inch.

24.22.20

You had the gun.

HANSON (CONT)-You appeared to have all the power.

HANSON (OS CONT)-Yet I was in control.

HANSON (CONT)-*That* is the strength of a God.

24.29.27

JAMALA-My name is Jamala. Jamala. Please don't kill me. Please
don't -

24.43.10

DANIEL (OS OVERLAPS)-No.

DANIEL (CONT)-We won't.

24.46.00 JAMALA-Jonas said you would come.

JAMALA (OS CONT)-Devils with...

JAMALA (CONT)-power like him.

JAMALA (OS CONT)-Here to destroy us.

24.50.07 DANIEL (OS)-No.

DANIEL (CONT)-No, we're not devils. We're men, like yourself. I'm
Daniel. He's Jack, and he's Teal'c.

24.57.26 O'NEILL-Hi.

25.02.23 JAMALA-Is he *Jaffa*?

25.04.14 DANIEL-Yes.

25.05.11 JAMALA-Don't kill me.

25.06.07 DANIEL (OS OVERLAPS)-No, it's okay. He's...

DANIEL (CONT)-friendly. He's a friend. (BEAT) See?

DANIEL (OS CONT)-Smile. Look friendly.

25.18.02 O'NEILL-You're gonna have to work on that a little bit.

25.21.23

DANIEL (OS)-Now, how do you know he...

DANIEL (CONT)-is Jaffa? Have you seen one before?

25.25.28

JAMALA-No. Just stories...from when I was a young boy.

JAMALA (OS CONT)-Long ago.

JAMALA (CONT)-He is a servant of the old Gods, yes?

25.33.13

O'NEILL-Well, yes and no. He's from...

O'NEILL (OS CONT)-another place. So are we.

25.39.10

JAMALA-Other place?

25.40.16

O'NEILL-Earth. It's way, way out there.

O'NEILL (OS CONT)-Where we're from. Jonas too.

O'NEILL (CONT)-See, he's not a God. He's just a man. A crazy
man, granted, but -

25.51.20

DANIEL (OS)-Okay.

DANIEL (CONT)-Okay...Jonas is bad.

25.56.02

O'NEILL (OS)-It's alright. He can't hear you right now.

O'NEILL (CONT)-He can't hurt you.

25.59.12 DANIEL (OS)-But he will if you and your people continue...

DANIEL (CONT)-to believe in him and follow him.

26.03.24 JAMALA-He will save us.

26.04.17 TEAL'C (OS OVERLAPS)-By laboring...

TEAL'C (CONT)-you in the sun until extinction?

26.06.11 JAMALA-If we finish the temple, Jonas will make the sky orange.

JAMALA (OS CONT)-It will be safe to come out into the light.

JAMALA (CONT)-There will be no more sickness.

26.13.04 O'NEILL-The sky orange?

26.16.20 JAMALA-The sky. Up there.

26.19.15 O'NEILL-Yeah, I know what the sky is. Why?

26.23.16 JAMALA-When the sky's orange, it's good. (BEAT) There's
no more sickness.

26.28.07 TEAL'C-And Jonas can make the sky orange?

26.32.04 JAMALA-Yes, he can.

26.34.04 TEAL'C-How do you know?

26.35.22 JAMALA-He says he can.

26.37.20 O'NEILL-Do you know what he's talking about?

26.40.04 TEAL'C-I believe so.

26.53.25 HANSON-Going to be magnificent, isn't it?

26.58.13 CARTER (OS)-What's the point, Jonas? By the time it's built,
there will be no one left to...

CARTER (CONT)-worship you.

27.02.03 HANSON-Please. Mere survival for these people will require
unquestioning faith. Pure devotion. They must believe in me
if I am to lead them into the desert, into the promised land.
I'm merely separating the wheat from the chafe. Besides, I'm
supposed to be crazy, right?

27.23.10 CARTER-I never said you were crazy.

27.24.20 HANSON-But you think it, don't you? That's alright. I still have faith
in you, even if you don't believe in me...yet. You'll come around.

27.34.18 CARTER-I don't think so, Jonas.

27.40.14 JONAS-Come...

JONAS (OS CONT)-here.

27.43.25 DANIEL (OS)-What is it?

27.45.08 TEAL'C (OS)-It is something I have seen the Goa'ulds use.

TEAL'C (CONT)-It creates an energy force high in the air.

27.50.21 DANIEL-What, like protection from radiation, like from this planet's
sun?

27.54.08 TEAL'C-The device I saw appeared to turn the sky orange.

27.56.28 JAMALA-The cave paintings tell of this.

JAMALA (OS CONT)-They show this symbol.

28.00.16 O'NEILL-Have you ever actually seen one of these things he's
talking about?

28.05.16 DANIEL-Where?

28.24.15 CARTER-What is it?

28.26.04 HANSON-Looks like something the Goa'ulds left behind. What I've gathered from the folklore is that the ancient Gods used it to make the sky orange to protect the people from the sun sickness.

28.39.10 CARTER-Some sort of shield.

28.40.03 HANSON-Yes.

28.42.19 CARTER-You don't know how to work it.

28.44.20 HANSON-Not my area of expertise.

28.48.08 CARTER-You never cared about my coming here because you *wanted* me, Jonas. You just wanted me to figure out how to turn this thing on for you.

28.53.24 HANSON-Oh, no. That's not true. I sincerely hope that one day you will agree to be my goddess. Turn it on.

29.09.13 CARTER-What if I won't?

29.11.20 HANSON-Then we will watch every last cave-dweller die in the sun
before I kill us both. He hath not failed one word of His good
promises!

29.34.06 I've been carrying this for years. All along, I've been looking
for God. (BEAT) And here I am.

29.50.01 JAMALA-So you betrayed your Gods as I am betraying mine?

29.55.20 TEAL'C-The beings I betrayed were not Gods. They had power,
but power alone does not make one a God. Do you understand?

30.06.24 O'NEILL-We can't leave Connor out there another day. He'll die.

30.09.24 DANIEL-Well, we also have to do something about Captain Carter.
But if Teal'c can turn on this device, we can seriously
undermine Hanson's power.

30.15.07 TEAL'C-There's a problem with your plan, Daniel.

30.17.15 DANIEL-What, don't tell me you don't know how to turn...
DANIEL (OS CONT)-it on.

30.19.04 TEAL'C (OS)-Yes.
TEAL'C (CONT)-I can turn it on. But there must be two.

30.23.11

DANIEL-What are you talking about?

30.24.07

TEAL'C-The shield technology involves a force field being bounced
back and forth between two devices.

30.29.14

JAMALA-I have only seen one. In his cave.

30.33.00

DANIEL (OS)-Hanson...

DANIEL (CONT)-may not know he needs a second device.

30.35.25

TEAL'C-This is the valley.

TEAL'C (OS CONT)-Here is the temple. Here is the Stargate.

30.41.11

JAMALA-Good drawing.

30.43.14

TEAL'C-Thank you. Where was the first device found?

TEAL'C (OS CONT)-Then the second device...

31.00.14

O'NEILL (OS)-You're assuming the...

O'NEILL (CONT)-Goa'ulds just shut 'em down and left them
in place.

31.04.00

TEAL'C-That is correct.

31.05.18 O'NEILL-I'm sorry, Teal'c, but your calculations could be way off.

Connor doesn't have time for us to be wrong.

O'NEILL (OS CONT)-I'll go after him. You try and find that...

O'NEILL (CONT)-second device. I'll try to meet you back here.

31.46.01 JAMALA-This place is like where the other one was found on the
far side of the temple.

31.57.02 DANIEL-This is like solid rock. We'll never be able to get through
this.

32.09.29 TEAL'C-Stand aside.

32.45.29 DANIEL (SIGHS)-I just hope it still functions.

33.32.23 CONNOR-Kill me.

33.34.13 O'NEILL-You sure? I've come all this way.

33.43.04 Can you walk? Let's go.

33.56.21 Think we could pick up the pace a little bit here?

34.14.02 Hey,...

O'NEILL (OS CONT)-how're you doing? You know,...

O'NEILL (CONT)-we'd love to stick around, but some

brain-dead sicko...(SOUNDS LIKE)...

O'NEILL (OS CONT)-left my buddy out here to die.

O'NEILL (CONT)-So, we're out of here. Ow.

34.35.03 BAKER-Move.

34.42.29 CARTER-The main control board seems to follow the same basic
circuitry patterns as the Gate technology --

34.49.07 HANSON-Just turn it on.

34.52.01 CARTER-What if I can't? (TO O'NEILL)-Colonel O'Neill.

34.57.00 O'NEILL-Captain, I see everything's working out just as we planned.

35.11.06 HANSON-Shoot him.

35.11.02 CARTER (OS)-No!

CARTER (CONT)-Alright.

35.17.25 O'NEILL-Wait, you're going to turn this thing on in here?

35.21.09 HANSON (TO CARTER)-Do it now.

HANSON (OS CONT)-If it works,...

HANSON (CONT)-I'll spare him.

35.40.07

HANSON (CONT)-It's beautiful!

35.53.04

DANIEL-Will it work?

35.55.08

TEAL'C-I do not know.

35.58.27

JAMALA-Everyone's being forced to gather at the circle of the gods.

36.02.01

DANIEL-The Stargate.

36.04.29

HANSON-My children! Today is a great day! The sun had stood

still in the heavens and hasted not to go down in about

a whole day. I have the power to help, and to cast down. But

fear not, stand still, and see the salvation of the Lord. Today

we will bury the doorway that brings forth demons who

threaten to undo us! But first, I will send those...

HANSON (OS CONT)-evil undoers who have already invaded our

world back...

HANSON (CONT)-to the hell from which they came!

HANSON (OS CONT)-Fear not, for I,...

HANSON (CONT)-the Lord, your God, control the gateway to the

underworld.

37.24.02

CARTER (TO HANSON)-You said you wouldn't kill them.

37.26.17 HANSON-I'm not. I'm sending them back to Earth.

37.29.15 CARTER-Without sending the signal to open the iris, they'll die.

37.33.17 HANSON-Please, Sam, I'm having a moment here.

HANSON (OS CONT, TO CROWD)-I am the Lord,...

HANSON (CONT)-your God! There is nothing I cannot do! No one
is greater than I! No one is more powerful than I!

(TO BAKER)-Throw them in.

38.04.10 DANIEL-Wait! Stop!

38.08.18 JAMALA-Back away!

38.19.05 DANIEL (OS)-Listen to me.

DANIEL (CONT)-No matter what Jonas has shown you or done for
you, he is not a God.

28.25.24 HANSON-Don't listen to him! They are demons! Agents of the Devil!
I am your saviour!

38.32.28 O'NEILL (OVERLAPS)-We're not demons, for cryin' out loud!

38.35.20 DANIEL-And this...this! This is not magical power. It is called a gun,
and is a machine!

38.47.13 HANSON-Do as I say, or you will all die!

38.50.17 O'NEILL-Do as he says and you *will* die!

38.52.27 HANSON-You have betrayed me!
HANSON (OS CONT)-After all I've done for you! I promised you I would
bring you out of the caves...
HANSON (CONT)-into the light. Today I fulfill that promise! Behold,
the magical power that belongs to your God!
HANSON (OS CONT)-I give you the sun!
HANSON (CONT)-I give you the world!

39.32.03 (TO CARTER)-What's wrong?

39.32.22 CARTER-I don't know!

39.33.24 HANSON-Fix it!

39.34.13 DANIEL (OS)-It's a machine!
DANIEL (CONT)-I can make it work and so can you! Just like
Jamala...
DANIEL (OS CONT)-there can fire that staff. Now, I'll...

DANIEL (CONT)-show you how.

DANIEL (OS CONT)-There are two devices, and both...

DANIEL (CONT)-must be turned on for the shield to work. Watch.

40.11.00

HANSON-Ladies first!

40.48.06

CARTER-I think we're ready.

40.52.03

O'NEILL-Think we should tell them to bury the Gate after we're gone?

40.55.03

CARTER-Teal'c seems to think the Goa'ulds won't be back.

40.57.27

DANIEL-Maybe we should come back and check on these guys.

41.01.03

CARTER-I think we've done enough... Don't you?

41.13.27

O'NEILL-Something else on your mind?

41.16.03

CARTER-I had the chance to end this, Colonel. He literally asked
me to do it.

41.20.02

O'NEILL-Killing a man is no badge of honor, Captain.

41.22.26

CARTER-I know.

41.26.08 O'NEILL-Look, I'm no expert on this thing. I generally remember
one commandment. I think it's the first.

41.33.21 CARTER-I am the Lord, your God, and you shall take no other
Gods before me.

41.38.19 O'NEILL-Okay, it's not the first one. I'm talking about the "no killing"
one. No matter what the reason, every time you break it, you
take one step closer to Hanson.

41.50.27 CARTER-Thanks.

42.03.15 O'NEILL-So, are you gonna be alright?

42.05.22 JAMALA-Yes. The world outside the caves...it's very big, yes?

42.13.27 DANIEL-Yeah. It's bigger than you can imagine.

43.01.26 FADE TO BLACK.
END TITLE CARD.

43.08.28 END CREDITS.

44.19.00 END OF EPISODE #3954.
