## TIMECODE

## DIALOGUE

START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.13.18           SOLDIER (OS)-Gate firmly secured, sir!

00.15.27           TECHNICIAN (OS filtered)-Chevron six, encoded.

00.20.21           GENERAL HAMMOND (filtered)-Better hang onto something,  
                  Mr. Secretary. This is how we open the front door  
                  around here.

00.27.15           TECHNICIAN (OS filtered)-Chevron seven, launch.

00.34.09           SWIFT-My God, General, it's...

00.36.00           GENERAL HAMMOND-I thought you might be impressed.

00.38.01           SWIFT-What exactly am I looking at?

00.40.17           CARTER-We think you're looking at the event horizon of an  
                  artificially created wormhole through our space time  
                  to a point tens -- even hundreds -- of light years  
                  away. Sir.

00.51.14           SWIFT-Uh huh.

- 00.53.04           TECHNICIAN (OS FILTERED)-SG-5, the mission is GO for  
                    standard recon.
- 00.56.09           SWIFT-And do we know where they're going?
- 00.57.27           GENERAL HAMMOND-Well, the planet's designation is P3C-  
                    117.
- 01.02.23           SWIFT-Do you have any idea what's out there?
- 01.05.08           O'NEILL-No, sir... That would be why we're going.
- 01.09.02           SWIFT (OS)-I'm not sure,...
- 01.09.08           SWIFT (CONT)-Colonel. Is it? (beat) Because to be  
                    perfectly frank, this administration is not  
                    satisfied with...
- 01.15.11           SWIFT (OS CONT)-the current progress of the Stargate  
                    Program.
- 01.19.17           CARTER-Begging the Secretary's pardon, sir, but we've  
                    already visited nineteen separate worlds!
- 01.24.13           GENERAL HAMMOND-I believe he is referring specifically to  
                    the volume of...
- 01.27.16           GENERAL HAMMOND (OS CONT)-technology being retrieved...
- 01.29.08           GENERAL HAMMOND (CONT)-on our planetary missions.

01.31.25 SWIFT (OS)-The President and Joint Chiefs were under the impression...

01.33.08 SWIFT (CONT)-that the SG teams would be bringing back...

01.35.18 SWIFT (OS CONT)-superior technologies...

01.37.17 DANIEL-I'm sorry. I, I thought we were explorers.

01.40.04 SWIFT-Oh, you are, Dr. Jackson. But even Marco Polo, when he came back from the far East brought more than just a few "exotic spices".

01.47.13 O'NEILL-Mr. Secretary... It's been my observation that whether it's here on Earth or "out there"... Cultures with advanced technologies tend not to like to share it.

01.59.25 SWIFT-So, we're wasting our time?

02.01.23 O'NEILL-Would you interpret what I just said as -- ?

02.03.03 GENERAL HAMMOND (OS)-Colonel!

02.04.22 CARTER (OS)-Sir... With respect,...

02.07.01 CARTER (CONT)-this program is quite probably humanity's most important endeavor.

02.10.19 SWIFT-They said the same thing about the Apollo Program.  
They brought back moon rocks. You may have noticed  
we haven't been to the moon in twenty-five years...

02.17.07 O'NEILL (OS)-What kind of...

02.17.11 O'NEILL (CONT)-comparison is that?

02.19.05 SWIFT (OS)-Colonel...

02.19.27 SWIFT (CONT)-If one of those Goa'uld ships was coming  
here right now... Have you brought back one thing we  
can fight them off with?

02.28.07 TEAL'C-What technologies do you seek?

02.31.27 SWIFT-You tell me. What's out there?

02.37.05 TEAL'C-There are still technologies even the Goa'ulds  
seek.

02.40.20 TEAL'C (OS CONT)-There is a creature that lives on an  
unpopulated...

02.42.13 TEAL'C (CONT)-world. It possesses powers of  
invisibility.

02.46.18 SWIFT-Invisibility? As in stealth?

02.50.00 TEAL'C (OS)-That is correct.

02.51.04           TEAL'C (CONT)-It can appear and disappear at will. I was once commanded to retrieve the creature -- to learn its secrets... Apophis took the lives of two of my men as punishment for failure to retrieve it.

03.05.19           CARTER-If we manage to capture one alive, it could provide us with a serious tactical advantage the next time we came up against the Goa'uld.

03.13.00           O'NEILL-Sounds like a mission to me.

03.39.24           O'NEILL-Carter! Daniel?! Teal'c?!

03.48.02           CARTER-Here, sir.

03.53.21           O'NEILL-What do we got?

03.55.14           CARTER-I thought I saw something just as we came through, sir.

03.59.03           O'NEILL-Teal'c? Did we score already?

04.02.00           TEAL'C-I saw movement as well. This way.

- 04.07.01 O'NEILL-Hope these things are as big as you say they are.  
There's enough tranquilizer in these darts to knock  
out a rhino.
- 04.13.14 TEAL'C-They are very large, but extremely maneuverable in  
the air. We will find them most vulnerable when  
they hover.
- 04.18.23 DANIEL-Hover? Like a hummingbird?
- 04.22.04 TEAL'C-With teeth.
- 04.29.13 O'NEILL-All right, well, there's nothing out here. Let's  
get back to the gear and... Where's the Stargate?
- 05.47.08 O'NEILL-I don't like this.
- 05.49.28 DANIEL-Did anything like this ever happen to you before?
- 05.51.25 TEAL'C-It has not. If we became misdirected and needed  
to locate the Stargate, we had a Goa'uld homing  
device to find it.
- 05.58.08 DANIEL-Do we have a homing device?
- 06.00.06 O'NEILL (OS)-Course we do.

06.01.20 O'NEILL (CONT)-It's with the gear.

06.02.21 DANIEL-Which is... by the Stargate.

06.05.03 O'NEILL-Yep. Captain, let's start a box search. You and Teal'c take off in that direction. Stay in radio contact.

06.10.27 CARTER (OS)-Yes, sir.

06.11.14 O'NEILL-Daniel... you're with me.

06.22.07 DANIEL-Pssst! Psssssstttt....! (beat) There. (beat) I just hope it becomes visible once we tranq it... Otherwise, we'll never be able to find it.

06.58.06 O'NEILL (INTO RADIO)-Teal'c... What the hell you doin'?

07.00.27 TEAL'C (INTO RADIO)-It did not come from me.

07.06.23 APOPHIS (ON/OS)-(DISTORTED)(something in his language)

07.14.00 SHAK'L-(DISTORTED) Neethra, sha!

07.22.25 TEAL'C-You are certain it was Apophis?

07.25.03 O'NEILL-Oh, yeah.

07.26.01 DANIEL-Okay, what're we gonna do? We have to do something.

07.29.01 O'NEILL-That's not our mission.

07.30.05 DANIEL-Just... forget our mission. Now, he's the only one who knows where Sha're and Skaara are. We may not get another chance like this.

07.39.02 O'NEILL-What kind of entourage is he gonna have with him?

07.41.05 TEAL'C-Two, perhaps three Jaffa personal guard.

07.45.16 CARTER-Are we seriously entertaining the idea of going after Apophis? (beat) Sir, we're not prepared for an attack. Half the ordinance we're carrying is Tranquilizer guns...

07.53.19 DANIEL (OS)-So we use...

07.54.05 DANIEL (CONT)-one of them to knock him out. He will wake up in a, in a holding cell without his guards, without his technology. He will have no choice but to tell us everything we wanna know -- about Goa'uld technology... about where Sha're is...

08.04.01 O'NEILL-Can I remind you that we don't know where the Stargate is...

08.07.02 TEAL'C (OS)-He will have...

08.07.06 TEAL'C (CONT)-the Goa'uld homing device I spoke of.

08.09.16 DANIEL-There you are.

08.11.17 O'NEILL-All right, you know what we're up against better than anyone. Can we do what Daniel is talkin' about?

08.16.22 TEAL'C-We have the element of surprise. I have my staff weapon. If we eliminate his personal guard quickly, I believe so.

08.25.18 O'NEILL-Teal'c, this character used to be a God to you... You're sure you're okay with this?

08.34.14 TEAL'C-I am okay.

08.36.28 O'NEILL-Okay. Carter?

08.39.26 CARTER-If we're gonna do this, we better plan the attack very carefully.

08.51.06 APOPHIS-(DISTORTED)(something in his language)

09.33.00 APOPHIS-(DISTORTED)(something in his language)

09.46.18 CARTER-COLONEL!!

10.03.20 APOPHIS (OS DISTORTED)-Teal'c!

10.05.08 APOPHIS (CONT DISTORTED)-Jaffa shol'va!

10.23.21 TEAL'C-Tal shaka mel! I die free!

11.36.07 CARTER-Hey, what're you lookin' at?

11.38.00 DANIEL-I felt that blast kill me. I mean, I thought I...  
I thought we were dead. Weren't we dead?

11.43.25 CARTER-Yeah...

11.45.18 DANIEL-Okay. Well, I thought heaven would be a little  
more upscale.

11.50.05 CARTER-Oh, I don't think this is heaven.

12.00.21 DANIEL (OS)-Jack? Jack -- ?

12.04.19 O'NEILL (overlapping)-What?! God...!

12.06.13 DANIEL (OS)-It's okay...

12.07.17 O'NEILL-What the hell was that?

12.08.22 DANIEL (OS) (overlapping)-It's okay...

12.15.13 O'NEILL-Wasn't I just...?

12.17.04 CARTER (OS)-Killed.

12.19.00 O'NEILL-Killed, as in...

12.20.04 CARTER-Dead.

12.20.13 O'NEILL-Dead.

12.21.04 CARTER-Yeah. We know. We saw it happen. Same thing  
happened to us.

12.26.15 O'NEILL-Well... This is a surprise then.

12.30.21 DANIEL-I don't know what happened to Teal'c.

12.32.15 CARTER-Colonel, my side arm's gone.

12.35.26 O'NEILL-So's mine.

12.46.27 DANIEL-Uh... hello... (beat) Hi. I'm Daniel. Uh, Jackson. This is Captain Carter and this is, uh...

13.06.05 O'NEILL-Colonel Jack O'Neill, SG-1. (beat) Sorry to drop in on you like this, but we were... dead.

13.20.01 CARTER-Do you know where our friend is? Another like us?

13.42.12 DANIEL-Is this your village? Uh... aresh? Tao Aki? Uh, we need to find our friend, Teal'c.

14.01.13 O'NEILL-Ah. Fruit. Nothing like coming back from the dead to build up an appetite. (beat) Oh, thank you. Thank you... very much.

14.25.28 DANIEL-Did you do this? (beat) Did you heal us? (beat) I think they're a family.

14.39.10 O'NEILL-Of what?

14.41.12 DANIEL-I have no idea.

14.45.14 O'NEILL-Well, we should ask them to give us back our weapons. (beat) Oh, hi. Um... Listen... Uh, those things you found on us... Those, uh, things you...

15.02.00 O'NEILL (OS CONT)-took from us...

15.04.25 O'NEILL (CONT)-The big things... They're very dangerous,  
and they... Hey! Teal'c!

15.13.22 O'NEILL (OS CONT)-Thank God.

15.17.27 O'NEILL (CONT)-Please tell me you know what's going on  
around here.

15.21.14 TEAL'C-I cannot tell you that.

15.23.13 O'NEILL-What about Apophis? You got a line on him?

15.26.02 TEAL'C (OS)-I do not.

15.27.17 O'NEILL-Any idea how far away from the Stargate we might  
be?

15.30.16 TEAL'C-I believe us to be...

15.35.13 NAFRAYU-Nafrayu.

15.40.04 CARTER-Nafrayu? Carter.

15.44.04 NAFRAYU-Carter.

15.48.06 O'NEILL (OS)-No.

15.49.19 O'NEILL (CONT)-You can't keep him.

15.54.00 APOPHIS (DISTORTED)-Jaffa! Janking! Tika!

16.11.25 O'NEILL-Now you should ask them about the Stargate.

16.13.21 DANIEL-I have. They don't understand. Actually, they don't really say much at all. At the moment, I'm trying to figure out if they're human.

16.22.00 CARTER-Well, they're fairly human.

16.23.25 ANTAEUS-I will take you to your doorway.

16.27.25 O'NEILL-Whoa!

16.32.16 DANIEL-You understand what I'm saying?

16.34.23 ANTAEUS-It took time to learn your speech.

16.38.12 CARTER-Not much time.

16.42.16 ANTAEUS-Your weapons are gone.

16.45.24 O'NEILL-Gone where?

16.49.19 CARTER-You know about our enemy?

16.52.09 O'NEILL-The bad guys. They'll be following us.

16.56.11 LYA-You attacked them.

16.58.08 DANIEL-You saw?

16.59.17 CARTER-We only meant to capture him.

17.01.22 O'NEILL-Look, um... we're not in the assassination  
business. (beat) He's just.... bad. He's very...

17.13.16 DANIEL-Bad.

17.14.10 O'NEILL-Bad.

17.15.14 O'NEILL (OS CONT)-We just wanted to take him back to our  
world, and have a little chat with him...

17.18.07 O'NEILL (CONT)-about all the nasty,...

17.20.10 O'NEILL/DANIEL (CONT)-bad...

17.21.02 O'NEILL (CONT)-things he's been doing. We just didn't  
know about this little force field...

17.25.21 O'NEILL (OS CONT)-deal --

17.26.12 TEAL'C (overlapping)-I have never seen such a device.  
If...

17.28.08 TEAL'C (OS CONT)-I had --

17.29.05 O'NEILL (overlapping)-That's all right. We're alive.  
Thanks to you folks.

17.34.24 ANTAEUS-We will take you to your doorway. You will go.

17.39.17 CARTER-As in Stargate?

17.41.03 LYA-Yes. You will go?

17.43.13 O'NEILL (OS)-Well, it's not quite...

17.44.04 O'NEILL (CONT)-that simple. Uh...

17.46.25 TEAL'C-By rescuing us, you have placed yourselves in  
great danger. Apophis will try to locate us.

17.51.19 ANTAEUS-Rest now. You will leave soon. Take your ways  
with you.

17.56.15 O'NEILL (OS)-No, wait, wait, wait...

17.59.11 O'NEILL (CONT)-Uh... You helped us. You s-saved us.

18.04.15 ANTAEUS-Yes.

18.06.09 O'NEILL-How?

18.08.03 ANTAEUS-Our ways.

18.11.07 DANIEL-We're from a race of people that want to learn  
about your ways, your medicine...

18.17.15 ANTAEUS-No.

18.19.08 O'NEILL-Is there anyone else we could talk to? Do you  
have a leader?

18.23.00 ANTAEUS-They have no wish to see you.

18.24.24 O'NEILL-So there are others?

18.26.09 ANTAEUS-You will go.

18.30.21 O'NEILL-Right. We'll go.

18.33.25 TEAL'C (OS)-If you wish us to leave,...

18.35.13 TEAL'C (CONT)-should we not depart now?

18.39.02 LYA-Your brother won't revive until later.

18.44.05 O'NEILL-Excuse me? Whose brother? Brother?

19.17.00 LYA-He resisted our attempts to help him heal.

19.19.02           TEAL'C-He may yet survive. The Goa'uld he carries is  
                  healing him even now.

19.22.27           ANTAEUS-That is good.

19.24.06           O'NEILL-How is that good?

19.26.06           O'NEILL (OS CONT)-I mean, he's...

19.26.18           O'NEILL (CONT)-in the service of the Goa'uld.

19.30.02           ANTAEUS-He is like him.

19.32.17           O'NEILL-He's with us.

19.34.01           LYA-Perhaps you can convince the injured one to join you  
                  as well.

19.38.11           CARTER-Oh, I don't think so.

19.40.17           DANIEL (OS)-The Goa'ulds are a, a...

19.41.08           DANIEL (CONT)-parasitic race. They take life and use it  
                  for their own purposes.

19.45.18           O'NEILL (OS)-And their ways are not...

19.46.18           O'NEILL (CONT)-like your ways, believe me.

19.48.25           ANTAEUS-They do not know the Nox.

19.51.05 DANIEL-That's you? (beat) The Nox?

19.55.07 LYA (OS)-The ones you speak...

19.55.28 LYA (CONT)-of come to hunt the Fenri.

19.57.26 O'NEILL (OS)-Fenri? Wha --

19.58.28 DANIEL-That's probably that disappearing, invisible,  
flying thing we were after.

20.02.27 ANTAEUS-Yes. Fenri.

20.06.07 O'NEILL-All right, look, uh... Do you have any elders I  
could speak with? I don't think you're  
understanding what I'm --

20.11.25 ANTAEUS (OS) (overlapping)-Ohper...

20.12.22 ANTAEUS (CONT)-is one of the eldest of the Nox.

20.17.26 TEAL'C-If Shak'l does not die, they will be in even  
greater danger than they are now.

20.24.10 ANTAEUS-There will be no more death.

- 20.26.26           TEAL'C-I have no intention of killing him. However, If  
                    Shak'l survives his injuries, he will tell the  
                    Goa'uld where to find you.
- 20.32.25           O'NEILL-Look... Obviously your medicine is very... Well,  
                    it's very effective. But how do you defend  
                    yourselves?
- 20.41.14           ANTAEUS-We don't.
- 20.43.14           CARTER-Then at least let us help you in exchange for what  
                    you did for us.
- 20.46.11           ANTAEUS (OS)-You must go.
- 20.50.11           O'NEILL-Right. Well, for now, we'll just go over here.  
                    Excuse me... (beat) (to Teal'c) All right, do you  
                    know this... Shak'l?
- 21.09.09           TEAL'C-He served in my commnand when I was first prime of  
                    Apophis.
- 21.13.00           CARTER (OS)-Well, we...
- 21.13.09           CARTER (CONT)-can't just walk away. I mean, if we hadn't  
                    attacked Apophis, he wouldn't even be here.

21.17.25 DANIEL-And we can't kill him either. (beat) I wasn't considering it, I was just stating the fact.

21.26.12 O'NEILL (OS)-Okay. We'll take...

21.27.04 O'NEILL (CONT)-Shak'l back. It's not quite as good as having Apophis, but he can't stay here.

21.31.15 TEAL'C-Apophis will not allow us to leave this world alive.

21.35.07 TEAL'C (OS CONT)-You have challenged him...

21.36.26 TEAL'C (CONT)-and I have betrayed him. Even if we were to locate the Stargate, leaving this world will be difficult.

21.42.21 CARTER (OS)-So we're back...

21.42.28 CARTER (CONT)-to square one. We can't leave Shak'l here, and we'll never get him back to the gate without running into Apophis.

21.49.09 O'NEILL-Okay. We'll try and find out as much as we can about the Nox. It's part of why we came here, right?

21.54.10 O'NEILL (OS CONT)-In the meantime,...

21.55.23 O'NEILL (CONT)-I think you better check on your friend. Whatever we end up doing, I don't think he's gonna wake up in a very good mood. Know what I mean?

22.10.15 JAFFA-Apophis. Kree. Shal Tak.

22.14.12 APOPHIS (DISTORTED)-Teal'c was standing before me,  
waiting to pay the price of his betrayal. I had him  
in my hand.

22.20.12 JAFFA-We have searched.

22.22.07 APOPHIS (DISTORTED)-Where are the others? Where is  
Shak'l? I saw them die! They could not just  
disappear! Unless they have learned the power of  
the beast.

22.39.06 LYA-Must he be bound so tightly?

22.41.23 TEAL'C-If not he will escape when he awakens.

22.45.11 LYA-He deceives you. He is awake now.

22.56.17 TEAL'C-Were you waiting for me to turn my back, Shak'l?

23.00.03 SHAK'l-As you taught me. Have you come to kill me?

23.06.25 TEAL'C-I offer you the chance to join me. The Goa'uld  
are not Gods --

23.11.21 SHAK'L-Lies.

23.13.18 TEAL'C-These people are that of the first world.

23.15.27 TEAL'C (OS CONT)-The Tauri...

23.16.19 SHAK'L-You waste your breath.

23.19.05 SHAK'L (OS CONT)-I shall rest.

23.21.09 SHAK'L (CONT)-Strengthened by the thought of the reward I shall get when I present your head to Apophis.

23.28.05 TEAL'C-The time of Apophis will soon end. And on that day, I will return to our world, and offer freedom to all Jaffa.

23.36.15 TEAL'C (OS CONT)-It is a shame you will not live to see it.

23.39.13 TEAL'C (CONT)-For when you fail to kill me... it will be your head.

23.47.17 DANIEL-I really don't get the point of this.

23.50.05 O'NEILL-Well, if we run into Apophis again, we'll be prepared.

23.53.04 DANIEL-But what good are bows and arrows gonna be against that kind of firepower?

23.56.15 O'NEILL-That's exactly how I want him to think.

23.58.24 DANIEL-Yeah...?

23.59.25 CARTER (overlapping)-Any weapon's better than no weapon,  
when it comes to survival.

24.02.09 DANIEL-You guys just don't wanna give up, do you?

24.03.27 O'NEILL-No.

24.04.25 CARTER-That's what happens when you spend half your life  
in special forces.

24.07.12 DANIEL-Somehow, I don't think we'd make very good Nox.

24.09.19 O'NEILL-I think you're right.

24.13.11 NAFRAYU-Is that a weapon?

24.15.14 O'NEILL-Yes. And you can't have it.

24.37.08 NAFRAYU-If you blunted this tip, this would be good for  
knocking fruit from the highest branches.

24.41.27 O'NEILL-Yeah, I'll bet it would.

24.43.18 NAFRAYU-Why do you want to fight them?

24.45.12 O'NEILL-I don't want to.

24.47.04 NAFRAYU-Then don't.

24.51.01 O'NEILL-It's not that simple. Look... I believe in  
peace. Just like you, I do.

25.00.03 NAFRAYU-Then why do you fight?

25.02.20 O'NEILL-Because our enemy gives us no option. Sometimes  
turning the other cheek just doesn't work.

25.08.09 NAFRAYU-I'll learn to understand them better.

25.10.03 O'NEILL-No! I wouldn't do that, if I were you -- (beat)  
Go on! Run! Run!

25.34.08 OHPER-Mmmm... You?

25.39.01 DANIEL-Oh, no, thank you. I'm... I'm trying to quit...  
Is that where you get your medicine? From the  
forest?

25.46.17 OHPER-We get life from the forest. From everything.

- 25.52.07 DANIEL-But you must have medicine. O-or you must have some knowledge that we don't have. I-I-I guess what I'm trying to say is that we could learn a lot from you. I really wish that we could be friends with the Nox. Friends share knowledge with each other.
- 26.12.12 OHPER-Yes. You have much to learn.
- 26.18.09 DANIEL-Well, why, why don't you teach me now? For example, are you born with your psychic ability, or do you learn it?
- 26.27.04 OHPER-Knowledge takes time. And over the years, we teach the young to be wise.
- 26.36.09 DANIEL-Um...
- 26.37.24 OHPER-How old am I? (beat) How do you mark time?
- 26.42.27 DANIEL-Um... years, days... uh... A day is one revolution of our planet. Uh... A year is one revolution around our sun. There are 365 days in one year, so --
- 26.54.27 OHPER-Then I am four hundred and thirty two years old.

27.01.14 DANIEL-Well, uh... You look great.

27.06.15 OHPER-Thank you.

27.17.13 ANTAEUS-You will not teach Nafrayu your ways.

27.20.09 O'NEILL-How'd you do that?

27.22.17 ANTAEUS-It is not the Fenri that have the ability to  
hide. It is the Nox.

27.29.19 O'NEILL-So you hid the Stargate?

27.32.02 ANTAEUS-A Fenri was nearby when you came through,  
attracted by your arrival. We conceal them from the  
hunters who come.

27.39.19 O'NEILL-We're not hunters.

27.42.03 ANTAEUS-You tried to kill the Fenri just a moment ago.

27.44.11 O'NEILL-I was trying to protect the boy.

27.46.00 ANTAEUS (OS)-You protect his...

27.46.07 ANTAEUS (CONT)-body after poisoning his mind.

- 27.47.27 O'NEILL-Will you listen to me? The reason the Goa'uld hunt those flying things is because they want to know how it's able to disappear. If they find out it's you --
- 27.55.23 ANTAEUS-Our ways have served us for as long as our people have lived.
- 27.59.21 O'NEILL-But they didn't know you existed before. Once they know, they'll enslave you. It's what they do.
- 28.04.26 ANTAEUS-We are slaves to no one.
- 28.07.27 DANIEL-Uh, how long have the Goa'uld been coming here to hunt?
- 28.12.10 OHPER-Oh... As long as I can remember.
- 28.17.20 DANIEL-W-why did you not bury the Stargate? Do you know that that would stop them?
- 28.23.00 OHPER-And they would know someone had buried it.
- 28.26.09 DANIEL-Right. Of course.
- 28.33.19 DANIEL-Ohper is 432 years old.

28.36.14 O'NEILL-Well, guess what? They're not human.

28.39.23 DANIEL-No. Uh... humanoid, but definitely more advanced than anything that has evolved on earth.

28.44.08 O'NEILL-That creature we came here for, it has no power at all -- none, zip.

28.48.27 CARTER-Well then, how does it become invisible?

28.52.15 O'NEILL-They do it. The Nox hide it from us.

28.56.12 DANIEL (OS)-They make it...

28.56.16 DANIEL (CONT)-invisible to protect it?

28.58.28 CARTER-Well, this makes things even worse.

29.00.21 DANIEL-If Apophis finds out that it's them who have this power --

29.03.25 TEAL'C-He will try to possess it. If he finds he cannot, he will bombard this planet's surface from high above. What he cannot possess, he destroys.

29.13.07 O'NEILL-So we have to get Shak'l out of here.

29.15.07           ANTAEUS (OS/ON)-We will not allow that.

29.16.13           O'NEILL (overlapping)-Geez...! Will you stop doing that?

29.20.14           ANTAEUS-You cannot be trusted with your enemy.

29.22.12           O'NEILL-Look... If we don't take him away from here,  
                  he'll tell the Goa'uld -- the bad guys -- all about  
                  you.

29.28.14           ANTAEUS-We are not afraid.

29.29.20           O'NEILL-Well, get afraid.

29.31.06           DANIEL (OS)-Colonel...

29.35.00           DANIEL (CONT)-Look, this is our fault that this has  
                  happened. We know that, and we want to correct  
                  that...

29.40.25           CARTER-Shak'l won't be hurt. You have our word.

29.42.21           DANIEL (OS)-We will just...

29.43.22           DANIEL (CONT)-take him away with us. Back to our planet.  
                  Only then will you be safe.

29.47.06           ANTAEUS-Only if that is his wish.

29.52.07 APOPHIS (DISTORTED)-Jaffa... Pa Kree!

29.55.18 JAFFA-I cannot find the Stargate.

29.59.10 APOPHIS (DISTORTED)-Then find me Teal'c.

30.02.25 TEAL'C-Jaffa... I offer you this last chance to join me.

30.08.02 SHAK'L-Before you kill me? You're too much of a coward,  
or you'd have done it already.

30.13.00 TEAL'C-I have no wish to kill you.

30.15.04 SHAK'L-You may wish you had... (SCREAMS)

30.23.04 LYA-What have you done to him?

30.40.28 TEAL'C (OS)-O'Neill...!

30.47.04 O'NEILL-Teal'c!

30.49.11 TEAL'C-The Nox woman...

31.09.18 DANIEL-Where'd the Nox go with Lya?

31.11.12 O'NEILL-Who knows where they ever go?

31.14.13           TEAL'C-I trained him well.

31.16.12           O'NEILL-Is he gonna be all right?

31.17.25           CARTER-Well, if it were you or me...

31.19.02           TEAL'C-My wound will heal. We must find Shak'l.

31.21.21           O'NEILL-We will...

32.39.21           O'NEILL-You brought us back the same way.

32.42.05           ANTAEUS-Yes.

32.45.20           TEAL'C-You become visible during the ceremony.

32.47.18           ANTAEUS-When we are performing the ritual of life, we are  
                  unable to shield ourselves.

32.52.11           TEAL'C-A weakness...

32.56.19           ANTAEUS-We are hidden again.

33.00.01           TEAL'C (OS)-Shak'l has been this way.

33.05.03           O'NEILL-How long ago was he here? Teal'c?

33.10.15           TEAL'C-He is very skilled at evading capture...

33.13.22           O'NEILL-Did you teach him that, too?

33.23.24           NAFRAYU (VO)-I am also curious...

33.24.18           NAFRAYU (CONT)-to see a Goa'uld. I have never seen one.

33.29.18           O'NEILL-No. You should go someplace where it's safe. Go  
                  where the other Nox are.

33.34.07           NAFRAYU-They are far away.

33.35.06           O'NEILL-Nafrayu, please. Go on, scoot... (to himself)  
                  Kids...

33.50.12           SHAK'L (OS)-Niss trah! Niss trah!

33.52.10           APOPHIS (DISTORTED)-Yah!

33.58.10           SHAK'L-Niss trah! Niss trah!

34.03.11           SHAK'L (OS CONT)-Niss trah!

34.09.13           SHAK'L (CONT)-Niss trah! (beat) (something in his  
                  language)

34.20.05           TEAL'C (OS)-He's telling him of the Nox...

34.23.23           TEAL'C (CONT)-About their powers... Apophis will be  
                    pleased.

34.31.12           ANTAEUS-Nothing has changed for us.

34.33.10           O'NEILL (OS)-No, everything...

34.33.24           O'NEILL (CONT)-has changed.

34.35.17           ANTAEUS-We will take you to the doorway.

34.37.13           O'NEILL-Look, Antaeus, we can come back through that  
                    gate. We'll bring reinforcements...

34.41.28           OHPER (OS)-Antaeus...

34.44.22           OHPER (CONT)-Where is Nafrayu?

34.56.10           NAFRAYU-Nafrayu.

35.06.25           APOPHIS (DISTORTED)-Nafrayu?

35.16.21           O'NEILL-I told him to go home.

35.18.17           ANTAEUS-I told you the same. The very young do not  
                    always do what they are told.

35.48.07           O'NEILL-Feel like a trap to you, Captain?

35.49.13 CARTER-Yes, sir.

36.09.11 LYA-We must begin the ritual.

36.11.20 O'NEILL-No, wait...!

36.12.23 DANIEL-Jack, they can bring him back.

36.14.03 TEAL'C (OS)-Shak'l has told Apophis of your ritual.

36.16.12 TEAL'C (CONT)-That you could not remain hidden when you  
perform it.

36.18.10 ANTAEUS-But we must...

36.19.20 O'NEILL-The minute you start that ritual, they'll attack.

36.22.19 CARTER-Give us our weapons. We can defend you.

36.24.19 ANTAEUS-There will be no killing.

36.27.09 O'NEILL-All right, fine. We'll find our own way back to  
the Stargate. We're certainly not gonna sit around  
here and watch a slaughter. Let's go...

36.36.10 DANIEL-Jack...

- 36.36.19 O'NEILL (overlapping)-That's an order.
- 36.39.19 DANIEL-Please. We're just, we're trying to help.
- 36.42.00 ANTAEUS-Goodbye, Daniel.
- 36.49.17 O'NEILL-Think they bought it?
- 36.50.25 CARTER-Almost believed it myself.
- 36.58.11 LYA-We could take Nafrayu to the others.
- 37.00.11 ANTAEUS-It would take too long.
- 37.29.18 DANIEL-Where did that come from?
- 37.31.15 O'NEILL-Well, the wee folks missed one. So, Shak'l  
thinks we're unarmed. Apophis thinks he's  
invulnerable.
- 37.38.13 DANIEL-And they're right. I think I've found the flaw in  
your plan.
- 37.42.28 O'NEILL-Their weapons aren't as effective in close.  
We'll be better off with hand to hand.

- 37.46.16           TEAL'C-What of Apophis? He is protected by an energy field. We both fired our weapons directly at it.
- 37.51.23           O'NEILL-Did you see what happened when one of his guards tossed him a staff weapon?
- 37.55.17           CARTER-It passed right through. (beat) So you're guessing that the shield's deflection capability is directly proportional to the amount of kinetic energy being directed at it.
- 38.06.03           O'NEILL-Yeah.
- 38.07.11           DANIEL-So you're saying that an arrow or dart, being much slower in velocity than, say, a bullet --
- 38.11.27           CARTER-Just might make it through. It's a big gamble, sir.
- 38.15.00           O'NEILL-Yeah. You ready?
- 38.35.24           DANIEL-They're coming.
- 39.43.23           APOPHIS (DISTORTED)-Fool. I will kill you.

39.46.02 O'NEILL-Again? (beat) NO!! They'll be back! They  
won't spare you!

40.13.05 TEAL'C-This is where the Stargate should be.

40.21.02 ANTAEUS-We sent your enemy through the doorway.

40.24.18 O'NEILL-He'll be back.

40.26.13 ANTAEUS-When you are gone, we will bury it.

40.28.28 O'NEILL-They'll come in ships next time. They'll bring  
an army.

40.33.25 ANTAEUS-Perhaps. (beat) He wanted to wish you farewell.

40.46.27 O'NEILL-I'm glad you're okay.

40.48.17 NAFRAYU-And you. We sent your weapons back through the  
doorway.

40.55.10 O'NEILL-Yeah. Speakin' of the Stargate --

40.57.00 ANTAEUS (OS) (overlapping)-You fear for us.

40.58.27 ANTAEUS (CONT)-Yes?

41.00.20 O'NEILL-Yes.

41.02.16 ANTAEUS-Why?

41.03.25 TEAL'C (OS)-It is...

41.04.02 TEAL'C (CONT)-our way that the strong defend the weak.

41.08.09 O'NEILL-We're afraid for you.

41.10.27 ANTAEUS-Before you go, O'Neill -- There is something we  
would have you see.

41.25.06 O'NEILL-My God...

41.35.03 ANTAEUS-Fear not. (beat) Maybe one day you will learn  
that your way is not the only way.

42.04.08 O'NEILL-Why didn't he tell us about this before?

42.06.23 DANIEL-I think in their way, they did.

42.16.21 TEAL'C-It appears they possess a form of technology far  
greater than that of the Goa'uld.

42.21.13 CARTER-They looked so helpless.

42.23.00 DANIEL-And now they're going to bury the Stargate and we  
can never come back. We should have listened.

42.30.11 O'NEILL-The very young do not always do as they're told.  
Just a little something a Nox told me one time.  
Somethin' worth takin' home.

43.01.28 FADE TO END CREDITS.
