STARGATE SG-1

"Thor's Hammer"

Episode #3968

Running Time 44.19

CONTINUITY SCRIPT PREPARED BY: CASABLANCA CONTINUITY
ph. (310) 397-7741

TIMECODE

DIALOGUE

START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.10.23 GENERAL HAMMOND (VO)-Dr. Jackson, I understand you've
 come up with some new theory about the Stargate.

00.15.03 DANIEL-Uh, yes, sir. Okay. Uh... If you study myths
 worldwide, it looks as if there were two
 different...

00.26.03 DANIEL (OS CONT)-kinds of "star gods": Um... the
 tyrants, who treated their subjects like cattle,
 demanded absolute obedience,...

00.33.05 DANIEL (CONT)-utilized their technology to punish and
 control...

00.35.28 CARTER-As in the Goa'uld...

00.38.03 DANIEL-And the culture bearers, who used knowledge and
 technology to benefit humans...

00.43.26 GENERAL HAMMOND-So you're saying that the Goa'ulds
 weren't the only aliens to visit earth in the past.
 Well, how does that effect us today?

00.50.13 DANIEL-We don't think the Goa'uld built the Stargate
 system.

00.53.14 DANIEL (OS CONT)-Uh, being parasitic by nature, they just...

00.55.20 DANIEL (CONT)-used it to become a dominant race in the Galaxy. But some of the good gods who liked humans might've used it, too. And they could still be out there.

01.04.15 GENERAL HAMMOND-Any indications of who they are?

01.06.08 DANIEL-Yes, sir. The...

01.08.13 DANIEL (OS CONT)-Vikings. Now, in Norse mythology, the gods were powerful warriors. Legend tells us that the god, Thor, was a friend to humans and protected them...

01.20.08 DANIEL (CONT)-from the Etins...

01.21.20 DANIEL (OS CONT)-beings...

01.22.22 DANIEL (CONT)-of great power and knowledge who were enemies...

01.25.08 DANIEL (OS CONT)-of mankind.

01.27.00 DANIEL (CONT)-He used a...

01.27.21 DANIEL (OS CONT)-weapon called Thor's Hammer.

01.31.18 DANIEL (CONT)-Now, when Thor hurled the hammer, uh, it supposedly produced thunder and, and lightning.

01.36.17 DANIEL (OS CONT)-Now, that could indicate some sort of, uh, advanced type of energy weapon...

01.40.18 O'NEILL-Uh, sir?

01.42.00 O'NEILL (OS CONT)-I think...

01.42.12 O'NEILL (CONT)-what Daniel's trying to say is: If
there's another bunch of aliens out there who are
hostile to the Goa'ulds and have equal or superior
firepower, we oughta look 'em up.

01.52.25 CARTER-They could become allies.

01.54.01 TEAL'C (OS)-I have seen...

01.54.15 TEAL'C (CONT)-the hammer sign before. (beat) It is the
symbol of a world called Cimmeria. All Jaffa are
taught the sequence of Stargate symbols to that
world.

02.05.06 GENERAL HAMMOND-Why is that, Teal'c?

02.06.13 TEAL'C-To ensure that no Goa'uld goes there. It is
forbidden. Something transpired on Cimmeria that no
Goa'uld will speak of.

02.15.07 O'NEILL-Well, I like the sound of that.

02.17.15 GENERAL HAMMOND-So do I, Colonel. (beat) All right, you
have a "go".

02.27.27 GENERAL HAMMOND-Colonel, we'd like you to take this along with you. It's a gift.

02.32.13 O'NEILL (OS)-Gee, sir... I don't know what to say...

02.34.23 GENERAL HAMMOND-For the alien friendlies in the event you succeed in your mission and make contact.

02.38.10 DANIEL-Oh, you had it made! That's great! Uh, we asked the Sagan Institute to imagine a sort of "greeting" from Earth, if they could somehow hypothetically get it to a distant world. Uh, it's all about who we are. It explains various earth cultures, religions, histories...

02.55.09 FEMALE TECHNICIAN (VO FILTERED)-Chevron one, encoded.
(beat) Chevron two encoded.

03.08.10 O'NEILL-Time to go to work.

04.02.26 DANIEL-This is... different.

04.04.11 O'NEILL-Daniel, you're on.

04.08.02 FARM GUYS (ON/OS)-Thor! Thor! Thor! Thor! Thor!
Thor! Thor! Thor! Thor! (continues low under
dialogue)

04.22.08 CARTER (overlapping)-Sounds like it's building up some
kind of charge.

04.27.11 O'NEILL (overlapping)-All right, Daniel... dial home.
We're goin' back. Now.

04.29.26 DANIEL (overlapping)-Why?

04.30.25 O'NEILL (OS) (overlapping)-Just do it.

04.31.17 O'NEILL (CONT) (overlapping)-That's an order.

04.48.27 O'NEILL (overlapping)-Teal'c! Get outta there!

04.51.18 TEAL'C (overlapping)-Arrggghhhh....!!

06.13.28 DANIEL-I think that this is Thor's Hammer. I, I... I
think they're dead.

06.23.05 CARTER-I don't wanna hear that.

06.25.00 CARTER (OS CONT)-You said Thor liked humans, that...

- 06.26.05 CARTER (CONT)-he used his weapon to protect them. We go back, we bring another rescue team through, and we start a search.
- 06.35.05 DANIEL-Wait...
- 06.51.17 GAIRWYN-You're a little short for gods... (beat) But you came through the portal unharmed, so you must be from Thrudvang, Thor's home in the stars. (beat) Hail and Welcome.
- 07.08.01 CARTER-Actually, we're not, uh... I'm Captain Samantha Carter.
- 07.12.15 CARTER (OS CONT)-This is Daniel Jackson.
- 07.14.20 GAIRWYN-My name is Gairwyn. I'm mistress here. My husband is gone a-Viking.
- 07.20.06 DANIEL-Um... trading, fighting...
- 07.22.17 GAIRWYN-That was in the old days. Nowadays they go to the towns to look for work. It's been a hard season for farmers. Water from the mountains is scarce. But you're welcome at my table.
- 07.32.02 DANIEL-Thank you.

07.32.28 CARTER-Yeah, thanks, but we have a very serious problem.
Two of the men who came through the portal with us,
they're gone.

07.38.27 GAIRWYN-Yes. I heard there were two Etins in your
company.

07.42.10 CARTER-Etins?

07.43.09 DANIEL-Gao'ulds? You think that Teal'c and Jack are
Goa'ulds?

07.47.06 GAIRWYN-You tricked them here to be rid of them, yes?

07.49.02 CARTER-No! No, they're friends, a-and if they're alive,
we need to find them.

07.56.09 GAIRWYN-You're humans! Like us.

07.59.00 CARTER (OS)-Yes.

08.00.15 CARTER (CONT)-You and I may even have some of the same
ancestors. We came here from a different world.
From earth.

08.08.02 DANIEL-Midgardr.

08.10.14 GAIRWYN-Then we are your brothers and sisters. Midgardr
 is the ancient home. Thor brought our people here
 and made this...

08.17.05 GAIRWYN (OS CONT)-to keep us safe.

08.20.14 DANIEL-Do you, do you know how this works? Uh, are they
 dead?

08.25.15 GAIRWYN-That's a magic beyond our ken. It's said that
 Thor will come back one day and teach us, when we
 are "older".

08.32.11 CARTER (OS)-Gairwyn...

08.33.16 CARTER (CONT)-Would Thor kill a human being in order to
 kill an Etin?

08.36.16 GAIRWYN-Never.

08.38.08 GAIRWYN (OS CONT)-Our gods are great...

08.38.22 GAIRWYN (CONT)-and powerful warriors, but they are just
 and true to their word.

08.41.14 DANIEL-So they may be alive?

08.42.26 CARTER-Is there anyone who might know where they are?

08.44.19 GAIRWYN-Only one. We call her Kendra. Ten seasons ago,
 she walked through the portal and was taken.

08.50.24 CARTER-Taken? Where?

08.52.19 GAIRWYN-That winter some hunters found her wandering
 half-frozen in the mountains.

08.56.17 CARTER-Maybe the beam transported them somewhere else on
 the planet.

09.00.18 DANIEL-Do you know where we can find this, this Kendra?

09.02.25 GAIRWYN-She lives by herself. I take her things now and
 then. We can't spare the horses, but I can take you
 there on foot.

09.09.26 DANIEL-Absolutely. Please.

09.11.22 GAIRWYN-This way.

09.31.06 O'NEILL-Teal'c? (beat) Is Junior okay?

09.51.18 TEAL'C-Yes. But the beam caused the Goa'uld I carry
 great pain.

09.58.12 O'NEILL-I'm sorry to hear that. (beat) Whoa! (beat)
Hello.

10.12.25 THOR (distorted)-I am Thor, Supreme Commander of the
Asgard Fleet.

10.17.21 THOR (distorted) (OS CONT)-The High Council of Asgard has
designated Cimmeria...

10.20.26 THOR (distorted) (CONT)-a safe world for developing
sentient species, by unanimous decree, Era 40.73.29.
The Goa'uld System Lords were so informed.

10.31.13 O'NEILL-Uh, we're not Goa'ulds. He carries one around in
him, but he doesn't have much choice in the matter.

10.38.22 THOR (distorted)-You were warned not to come here, under
pain of death.

10.43.08 O'NEILL-Look, I'm Colonel Jack O'Neill, from earth. I
happen to know you've spent some time there in our
past --

10.49.22 THOR (distorted) (OS) (overlapping)-For crimes against...

10.50.23 THOR (distorted) (CONT)-the living host, and all those
you have murdered...

10.53.26 THOR (distorted) (OS CONT)-and enslaved,...

10.55.03 THOR (distorted) (CONT)-the sentence is death.

10.59.25 O'NEILL-Look... Uh, we came here to see you...

11.08.06 THOR (distorted)-This is your prison. Your technology will not function here. There are no luxuries, no worshippers, no slaves to do...

11.17.05 THOR (distorted) (OS CONT)-your bidding.

11.17.18 O'NEILL (overlapping)-Teal'c, I think we just got the answering machine.

11.20.03 THOR (distorted) (OS)-Only basic sustenance... and time...

11.23.23 O'NEILL-Yeah, well, great, thanks... Thanks for the chat.

11.28.15 TEAL'C-We should hear the remainder fo the message.

11.32.13 THOR (distorted) (OS)-When you tire of this existence,...

11.34.21 THOR (distorted) (CONT)-go to the Hall of Mjollnir... And face the hammer. There is no escape. Only the host can leave this place... alive.

11.53.01 O'NEILL-Goa'uld trap?

11.54.08 TEAL'C-So it would seem. (beat) If I attempt to leave this place, the Goa'uld I carry will be destroyed.

12.02.03 O'NEILL-By a hammer.

12.04.27 TEAL'C-You must leave without me. If I stay, I will
remain safe.

12.11.05 O'NEILL-Just relax, Teal'c. I'm not going anywhere.
(beat) Let's just find this... Hall of Mohair,
whatever it's called...

12.49.23 DANIEL-NO!!

12.51.04 GAIRWYN-Shhh! (beat) It's all right.

13.03.13 KENDRA (OS)-Rune light flow...

13.05.05 KENDRA (CONT)-in might and main. Knit the bones, and
take the pain. Now, the next time you want to
fight, choose a boy your own size. (beat) Gairwyn,
my friend. Hail and welcome.

13.44.23 GAIRWYN-This is Carter and Daniel.

13.46.21 DANIEL-Hail.

13.47.19 CARTER-Hi. Hail.

13.50.12 GAIRWYN (OS)-They came through the...

13.51.07 GAIRWYN (CONT)-portal from Midgardr, the First Home.

13.53.24 GAIRWYN (OS CONT)-They need your help.

13.55.13 CARTER-What did you just do to that boy?

13.57.02 KENDRA-He had a broken wrist. I healed it.

13.58.27 DANIEL-Then why did he run away?

14.02.28 KENDRA (OS)-Because of this.

14.06.09 KENDRA (CONT)-It is the mark of what I used to be.

14.09.10 CARTER-When a Goa'uld takes over a human host, it's
 permanent.

14.12.01 KENDRA-Not here. Thor's Hammer drove it from my body and
 restored me to my true self.

14.18.08 DANIEL-The... it... You mean the parasite that was inside
 of you?

14.22.01 KENDRA-Is gone.

14.25.04 DANIEL-My God...

14.26.25 CARTER-Thor's Hammer... The stone by the gate?

14.29.03 KENDRA-No. The hammer is deep underground, deep inside the mountain.

14.32.08 GAIRWYN-As long as I have known her, Kendra has harmed no one.

14.37.20 DANIEL-My wife, Sha're, is now as...

14.40.01 DANIEL (OS CONT)-you once were. She has been taken by...

14.44.02 DANIEL (CONT)-a Goa'uld and, if what you're saying is true...

14.47.13 KENDRA-It is true.

14.49.05 DANIEL-Then help us.

14.50.04 CARTER-Help us to find our friends.

14.56.14 TEAL'C-You should not have attempted to rescue me from the beam. If you had not done so, you would not be here now.

15.03.12 O'NEILL-Ah, you'd have done the same for me. Of course, you're not gonna find me walkin' around with one of those Goa'uld larva in my gut, but hey...

15.26.29 O'NEILL-Ouch.

15.30.11 TEAL'C-These Goa'ulds died with their human hosts.

15.33.27 TEAL'C (OS CONT)-The marks on these bones. They are from
 a cutting instrument.

15.37.18 TEAL'C (CONT)-But not metal.

15.39.25 O'NEILL-What then?

15.41.04 TEAL'C-I believe they were made by large, powerful teeth.

15.44.20 TEAL'C (OS CONT)-These bodies did not die of natural
 causes.

15.47.28 TEAL'C (CONT)-They were killed, and then eaten.

15.53.03 O'NEILL-Well, it's obvious some wild animal found its way
 in. There's gotta be a way out. We find it...
 we're gone.

16.25.13 KENDRA-I call it the Labyrinth. It is the place where
 the Goa'ulds are destroyed.

16.36.28 DANIEL (OS)-How is it done?

16.38.23 DANIEL (CONT)-Did you feel it?

16.40.27 KENDRA-Yes.

16.42.12 DANIEL-And was it painful?

16.47.18 KENDRA-It was nothing compared to the suffering I watched myself inflict on others. (beat) For all those years...

17.00.00 KENDRA (OS CONT)-So many...

17.02.26 KENDRA (CONT)-Your human friend, O'Neill... he can walk out unharmed. All you need do is wait.

17.09.20 CARTER-Teal'c is our friend, too. He's Jaffa, not Goa'uld.

17.13.00 KENDRA-Jaffa? A friend? They are as guilty as...

17.16.21 KENDRA (OS CONT)-those they serve.

17.18.08 CARTER-This Jaffa gave up his rank, left his home, so he could join us and fight the Goa'uld.

17.23.07 CARTER (OS CONT)-His dream is to see his people free.

17.25.00 DANIEL (OS)-But i-if...

17.26.02 DANIEL (CONT)-the Goa'uld larva within him is removed, he will die. You see, once a Jaffa carries a, a larva, it acts as his immune system --

17.33.25 KENDRA-I know all I want to know of Jaffa.

17.37.13 DANIEL-All right.

17.43.06 KENDRA-If the Hammer drives the Goa'uld from him, and he dies, so be it. It is his pennance for serving the Goa'uld.

17.50.11 DANIEL (OS)-Teal'c was...

17.51.11 DANIEL (CONT)-in the service of Apophis, but he saved our lives, and he helped us escape. He is one of us now.

18.06.19 KENDRA-(to the air) Did I ask your council?! (to them)
The Valkyrie ride the wind. They want me to help you.

18.19.20 KENDRA (OS CONT)-They say you speak the truth.

18.23.14 KENDRA (CONT)-They tell me that I must take you there.

18.34.19 GAIRWYN-This is right. Go with Thor, my friend.

18.47.02 KENDRA-I will take you. (beat) But first I must consult the runes.

19.20.06 O'NEILL-Teal'c... take a shot at that light with your staff weapon.

19.32.09 TEAL'C-It will not function.

- 19.34.05 O'NEILL-Yeah, that's what he said would happen as long as we're in here.
- 19.42.07 TEAL'C (OS)-This race may have considered projectile weapons too primitive to be concerned about.
- 19.53.28 O'NEILL-Yeah. Here.
- 20.05.27 TEAL'C-The message said: "Only the host can leave this place alive."
- 20.10.11 O'NEILL-Right...
- 20.12.10 TEAL'C-Perhaps this could be of some benefit to the boy who was your friend.
- 20.15.23 O'NEILL-Skaara... Yeah, I thought of that.
- 20.18.27 TEAL'C-And the wife of Daniel Jackson. Perhaps if they could be brought here,...
- 20.23.16 TEAL'C (OS CONT)-the Goa'uld who took them as hosts could be purged.
- 20.28.03 O'NEILL-Maybe... (beat) Nothing. (beat) Never mind.

21.00.06 KENDRA-Mighty Thor, god of thunder and lightning, weild
your hammer and protect me. Now you must sit in the
circle and wait with me.

21.09.15 CARTER-For what?

21.10.10 KENDRA-A sign from Thor himself.

21.12.26 CARTER-Great. Another sign...

21.15.15 DANIEL-She's probably afraid to go back there. Maybe if
we offer her some moral support... (beat) How much
do you remember of your life... before?

21.28.16 KENDRA-Much. I was a beautiful child.

21.35.04 CARTER (OS)-Is that bad?

21.37.08 KENDRA-On Jebanna, beauty is a curse.

21.39.22 CARTER-I don't understand.

21.41.10 DANIEL-Because the Goa'uld want perfect hosts?

21.43.01 KENDRA-Yes.

21.47.17 DANIEL-What happened?

21.49.28 KENDRA-Marduk discovered our secret and raided the temple
where they tried to hide me.

21.56.05 CARTER-I'm sorry.

21.58.02 KENDRA-Because of my training in the temple, the Goa'uld
who took possession of my body could not take
complete control over my mind. A part of me, my
self, remained.

22.11.15 DANIEL-Something of the host survives.

22.16.08 CARTER (OS)-How did you end up...

22.16.20 CARTER (CONT)-here? Teal'c said the Goa'uld made this a
forbidden planet ages ago.

22.21.18 KENDRA-And so it is. But I knew my beast. She hungered
for conquest.

22.28.21 KENDRA (OS CONT)-So I became a voice within. I...

22.31.10 KENDRA (CONT)-taunted her, and whispered of rumors that
Cimmeria must hold a wealth of riches for one bold
enough to take it.

22.39.09 DANIEL-You actually influenced the Goa'uld that had taken you over?

22.42.02 KENDRA (OS)-Yes.

22.43.04 KENDRA (CONT)-She came to Cimmeria. And I hoped only for a quick death. Escape... But we were taken into the Labyrinth. A dark and terrifying place. Until Thor's Hammer set me free. And I have honored his ways and his people ever since. (beat) It is a sign from Thor. Now we can go.

23.20.08 O'NEILL (OS)-Water...

23.23.04 O'NEILL (CONT)-Give it enough time, it'll bring down walls. Even walls just like them. So in a couple hundred years, we'll be free. (beat) What the hell is that...?

23.52.00 UNAS-Jaffaaa... I am Unas... The First One.

24.01.16 TEAL'C-You do not exist.

24.07.27 UNAS-Kill the human.

24.09.11 O'NEILL-Excuse me?

24.12.00 UNAS-And we will feast together.

24.15.25 TEAL'C-I no longer serve the Goa'uld.

24.22.21 UNAS-We shall see.

24.23.26 O'NEILL-Ah -- just stay put right there.

24.25.06 UNAS (overlapping)-Weapons are of no use here.

24.50.01 TEAL'C-The First One... he's dead.

24.53.01 O'NEILL-Yeah, well, that's fine by me. C'mon...

25.53.04 O'NEILL-What? Teal'c, will you relax? That thing's
 dead, for crying out loud.

25.59.13 TEAL'C-I believe I heard a sound.

26.01.04 O'NEILL-Well, there wouldn't be two of those things in
 here... would there?

26.07.00 TEAL'C-If there were, they would surely battle to the
 death.

26.11.12 O'NEILL-So what'd you mean when you told that thing it
 didn't exist?

26.17.00 TEAL'C-Unas is believed to have been the first host.

27.42.12 DANIEL-We're not lost... are we?

27.45.00 KENDRA-It was long ago. Everything was covered with
snow. It all looks different now.

27.51.05 DANIEL (OS)-Kendra...

27.53.11 DANIEL (CONT)-It's all right. Just take your time.

28.01.17 DANIEL (OS CONT)-Kendra...

28.04.23 DANIEL (CONT)-When the Goa'uld was destroyed within you,
what did it feel like exactly?

28.10.12 KENDRA-Your wife...?

28.12.00 DANIEL-I have to know if there's any hope.

28.17.24 KENDRA-It was very painful.

28.20.00 KENDRA (OS CONT)-Like...

28.21.24 KENDRA (CONT)-needles stabbing inside the head. The
Beast will do anything to stay in control. It's a
battle of wills. Many give up.

28.32.09 DANIEL-Well, Sha're wasn't trained in a temple, like you,
but she had a spirit. She was a, she was a fighter.

28.39.28 KENDRA-You loved her very much.

28.41.20 DANIEL-I still do. I dream about her. It's as if some part of her is reaching out to me, or maybe that's just wishful thinking...

28.50.02 KENDRA-No. You still are connected.

28.54.07 KENDRA (OS CONT)-If you find her,...

28.55.11 KENDRA (CONT)-and bring here, I believe there is hope.

28.59.21 DANIEL-Thank you.

29.04.16 KENDRA-I'm sure now. This is the way.

29.47.25 O'NEILL-Okay... that's no myth.

30.01.22 KENDRA-Gairwyn told me Thor built this centuries ago. It brings the water from the mountains to his people in the towns.

30.08.28 DANIEL-Thor is generous.

30.10.03 KENDRA-Yes. This means we are close.

30.16.02 CARTER-Daniel... She said that hours ago. Now, either she's lost and doesn't want to admit it --

- 30.21.14 DANIEL (overlapping)-I don't think that she would mislead us.
- 30.24.06 CARTER-Maybe it's not on purpose. Maybe it's not even conscious. What she suffered on her world and while being a Goa'uld would translate anywhere as incredible abuse.
- 30.35.06 DANIEL-Doesn't the fact that she interpreted those gusts of wind and thunder...
- 30.37.08 DANIEL (OS CONT)-as signs mean something?
- 30.39.04 CARTER-Part of her wants to face it all again, and another part clearly doesn't. And it looks like the part that doesn't is winning.
- 30.44.12 CARTER (OS CONT)-We're wasting valuable time here.
- 30.46.04 DANIEL-Okay... Gairwyn siad that hunters found her.
Well, hunters don't necessarily travel in a straight line.
- 30.51.07 DANIEL (OS CONT)-They follow game.
- 30.53.16 DANIEL (CONT)-They would not risk hunger just to get her back a day sooner.
- 30.56.04 CARTER-Daniel... Your belief that Kendra can somehow help bring Sha're back to you...
- 31.01.08 CARTER (OS CONT)-It doesn't make it true,...

31.02.16 CARTER (CONT)-and it certainly doesn't make her reliable.

31.05.01 DANIEL-Haven't you ever had a feeling that made
absolutely no logical sense, and it turned out to be
right?

31.12.19 KENDRA (OS)-This way!

31.35.08 O'NEILL-You sure we didn't come this way before?

31.37.12 TEAL'C-We have not.

31.39.06 O'NEILL-It looks awfully familiar.

31.41.00 UNAS (OS)-Your weapons cannot...

31.42.06 UNAS (CONT)-kill me. I know the secrets of the
Labyrinth. I could help you escape.

31.50.28 O'NEILL-A map would be nice.

32.00.06 O'NEILL-C'mon...

32.12.07 KENDRA-There!

32.36.08 DANIEL-The Hammer.

32.38.08 KENDRA-Yes. This is where I came out.

32.40.13 CARTER-Okay. Good. What do you remember about the
Labyrinth?

32.45.22 KENDRA-It's difficult. My Beast wandered forward and
back many times. I do remember the place of
entrance, where Thor speaks to the Goa'ulds.

32.53.23 DANIEL-Thor is inside...?

32.56.05 KENDRA-He seems to be.

32.57.28 KENDRA (OS CONT)-But he speaks the same message again and
again.

33.00.22 KENDRA (CONT)-My Beast believed he was not real. There
were long tunnels, leading from one room to another.
And... something else in there...

33.17.20 KENDRA (OS CONT)-Something...

33.18.22 KENDRA (CONT)-alive...

33.19.17 DANIEL-What?

33.21.11 KENDRA-I don't know...

33.26.27 DANIEL-Look, you don't have to go any further if you
don't want to, okay?

33.41.00 KENDRA-Thor asks that I try.

34.04.08 O'NEILL-Yeah. This is it. We're out of here. Let's go!

34.11.02 TEAL'C-(screams)

34.12.12 O'NEILL (overlapping)-Teal'c, get outta there!

34.25.11 TEAL'C-Thank you, O'Neill.

34.27.10 O'NEILL-Yeah.

34.35.09 TEAL'C-If I am to die, it will be as a warrior, facing my
enemy.

34.44.20 O'NEILL-Last mag. Hell... Why not?

34.58.22 CARTER (OS)-It's okay. Stay here.

35.00.27 DANIEL-You've done more than enough. Really.

35.05.17 KENDRA-In the temple we were taught that fear is the
greatest enemy. I must face my fear.

35.38.29 TEAL'C-Are you considering the same tactic as I?

35.42.03 O'NEILL-Teal'c, the cliché is "Are you thinking what I'm thinking?" And the answer is yes.

35.48.00 UNAS (OS)-Human...

35.50.13 UNAS (CONT)-You can save yourself. Why do you stay? Jaffa... Why do you ally yourself with a slave?

36.09.15 UNAS (OS CONT)-Once...

36.11.00 UNAS (CONT)-the Goa'uld were all as Unas. We were few, but we ruled millions. We fed upon the weak to keep ourselves strong. I will take pleasure in killing and devouring...

36.30.27 UNAS (OS CONT)-you both.

37.00.08 DANIEL-Gunfire.

37.01.01 CARTER-They're in trouble.

37.01.25 KENDRA-It's still alive...

37.06.12 CARTER-We're so close! Feel around the door. See if there's a trigger somewhere.

37.20.18 KENDRA-There's one more thing I can try. I learned this from the songs of Thor's people. (beat) Carve the rune flow, read the might, see the rainbow, test the wight (wite).

37.58.26 O'NEILL-Teal'c!

38.00.28 TEAL'C-There is no other way!

38.45.10 TEAL'C-Without the healing power of the Goa'uld,...

38.47.15 TEAL'C (OS CONT)-his body will no longer regenerate.

38.50.20 TEAL'C (CONT)-There is too much damage.

38.54.13 KENDRA-Now I see why they call you friend.

38.57.15 CARTER-This is Kendra. She brought us here.

39.00.12 DANIEL-She had first hand knowledge. She was a Goa'uld.
(beat) The hammer works. (beat) Do you know what
this means?

39.17.02 O'NEILL-It's the only way out of here, Daniel.

39.21.17 DANIEL-But what this thing can do for Sha're and
Skaara...

39.23.21 O'NEILL-Teal'c's here now.

39.25.01 TEAL'C-And here I will remain.

39.29.06 TEAL'C (OS CONT)-I was with...

39.29.11 TEAL'C (CONT)-those who took the ones you love.

39.30.15 O'NEILL (OS)-No.

39.33.18 O'NEILL (CONT)-You're part of this family now. We're not
leaving you behind. (beat) This thing won't work
in here. Try it from out there.

40.28.23 CARTER-Did it work?

40.29.25 O'NEILL-There's one way to find out.

41.00.00 TEAL'C-Thank you, Daniel Jackson.

41.07.14 DANIEL-Well, at least we know it can be done, right?

41.17.05 KENDRA (OS)-Now that the hammer is lost,...

41.18.23 KENDRA (CONT)-I'm not sure what we'll do.

41.20.17 O'NEILL-You should be all right. The Goa'uld don't know
the hammer was destroyed.

41.25.22 CARTER-Seal up the cave. If they come back, at least
they'll be put somewhere safe.

41.31.11 KENDRA-I want to thank you for helping me have the
courage to face my greatest fears.

41.45.14 KENDRA (OS CONT)-This is...

41.48.11 KENDRA (CONT)-to remember our world.

41.54.12 DANIEL-Thank you.

41.56.06 TEAL'C-We will never forget.

42.02.15 CARTER-And we'd like to come back.

42.05.19 DANIEL-Oh! I almost forgot... Here. It's a gift.

42.15.09 DANIEL (OS CONT)-Actually it's for Thor or his people,
in...

42.16.28 DANIEL (CONT)-case they ever come back. It's all about
our people. Who we are. That we would like to be
friends.

42.27.02 KENDRA-Thor is pleased.

42.28.10 O'NEILL (OS)-That's great.

42.29.22 O'NEILL (CONT)-Tell him we'd love to meet him someday.
In person.

42.35.04 KENDRA (OS)-It is safe for you to travel.

42.36.20 KENDRA (CONT)-You should go now.

42.38.21 O'NEILL-Daniel... Want to start dialing home, before it
starts raining?

42.44.01 DANIEL-Right.

43.01.28

FADE TO END CREDITS.
