## TIMECODE

## DIALOGUE

START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.15.13            KLEINHOUSE (OS ECHO)-We're almost through.    Okay, now...  
  Push it.    Puuuusssshhhh!

00.29.03            KLEINHOUSE (CONT)-Would you look at this!    Many of us  
  suspected there was another chamber, but the Mexican  
  government wouldn't let us dig to confirm it.    Until  
  now.

00.41.02            COLE-What's this?    It looks like a sarcophagus..

00.47.27            KLEINHOUSE-Burial chambers in Mayan temple mounds are  
  very rare indeed.    Here... Look for glyphs,  
  pictographs,...

00.56.15            KLEINHOUSE (OS CONT)-something to give us a hint who's  
  inside.    (beat)    Hieroglyphics.

01.09.22            COLE-My God!

01.12.05            COLE (OS CONT)-They're Egyptian!    That doesn't make any  
  sense.

01.15.11            COLE (CONT)-Egyptian hieroglyphics in a Mayan temple?

01.17.19            KLEINHOUSE (OS)-I read a journal...

01.18.03 KLEINHOUSE (CONT)-article once by a young archeologist --  
what was his name...? Uh... Dr. Jackson... Dr.  
Daniel Jackson. He was laughed right out of  
academia for his preposterous ideas about a  
connection between various ancient civilizations.

01.36.14 COLE-Maybe Dr. Jackson was onto something. I recognize  
one of these pictographs.

01.42.20 COLE (OS CONT)-It's of the Goddess Hathor. The  
Egyptian...

01.45.26 COLE (CONT)-Goddess.

02.28.05 HATHOR-Where is Ra?

02.30.07 KLEINHOUSE-Uh, I assume you mean the God, Ra?

02.34.16 HATHOR-You are not Goa'uld.

02.36.25 KLEINHOUSE-What's that?

02.43.12 DANIEL (VO)-Dr. Kleinhouse and his associates were killed  
brutally.

02.46.16 DANIEL (CONT)-The Mexican authorities assumed it was by  
crypt robbers looking to steal anything in the  
burial vault with this.

02.53.26 GENERAL HAMMOND-And who thought to send it here?

02.55.24 DANIEL-Uh, Dr. Kleinhouse's other associates, who were outside the pyramid. They recognized the significance of an Egyptian Sarcophagus in a Mayan temple.

03.03.12 DANIEL (OS CONT)-And since I was the only one to ever do research in cross-pollinization of ancient...

03.06.25 DANIEL (CONT)-cultures, they tracked me down.

03.12.14 O'NEILL-I know this thing.

03.13.27 DANIEL (OS)-Yeah.

03.14.16 DANIEL (CONT)-I recognize it too.

03.16.00 O'NEILL (OS)-It's like...

03.16.04 O'NEILL (CONT)-that thing that was on Ra's ship that --

03.18.22 DANIEL (OS) (overlapping)-brought Sha're and I back from the dead.

03.21.00 GENERAL HAMMOND-Well, how could it be?

03.22.04 DANIEL (OS)-I don't know.

03.23.13 DANIEL (CONT)-But if it does belong to a Goa'uld, that would explain a lot. Like why...

03.25.28 DANIEL (OS CONT)-there's no one in it, and why it has...

03.28.11 DANIEL (CONT)-Egyptian hieroglyphs on it instead of  
Mayan.

03.31.16 AIRMAN-General Hammond, sir!

03.33.14 GENERAL HAMMOND-What is it, Airman?

03.34.09 AIRMAN (OS)-Sir, a person was...

03.35.07 AIRMAN (CONT)-just arrested at the mountain surface  
for...

03.36.18 AIRMAN (OS CONT)-attempting an unauthorized entrance.

03.38.16 GENERAL HAMMOND-Happens every now and then. Let the  
police handle him.

03.41.21 AIRMAN-It's a "her", sir.

03.43.03 AIRMAN (OS CONT)-Major Lowell thought you would want to  
talk to her yourself.

03.45.09 AIRMAN-Why?

03.46.20 AIRMAN-Sir, she knew the Stargate was here.

05.13.18 S.P.-Sirs!

05.24.06 GENERAL HAMMOND-Ma'am... I'm General Hammond, U.S. Air  
Force.

05.29.16 HATHOR-Yes?

05.30.09 GENERAL HAMMOND-And you are...?

05.31.22 HATHOR-We are Hathor. You would be wise to unbind us and  
kneel before your Goddess.

05.38.23 O'NEILL-Hello...

05.40.09 DANIEL-Hathor?

05.41.05 HATHOR-Yes.

05.42.21 O'NEILL-Have you heard of her?

05.44.28 DANIEL-Hathor was the Egyptian goddess of fertility,  
inebriety, and music.

05.48.14 O'NEILL-Sex, drugs, and rock 'n roll?

05.49.24 DANIEL-In a manner of speaking, yeah. (beat) Um, are the cuffs absolutely necessary? (beat) I'm surprised they didn't chain her to the bed, too. What's she gonna do, beat us up? (beat) I'm sorry about that.

06.15.24 HATHOR-Thank you. (beat) Your effort shall not go unrewarded.

06.35.04 GENERAL HAMMOND-So... Ms. Hathor...

06.37.07 GENERAL HAMMOND (OS CONT)-Would you mind telling us why exactly you were trying to get into this facility?

06.41.07 HATHOR-We were drawn to the Chakatai.

06.42.28 O'NEILL (OS)-Chakatai?

06.45.22 O'NEILL (CONT)-That's what your monk buddies on Chulak called the Stargate.

06.50.00 DANIEL-Um, yes. It's also Abydonian and Ancient Egyptian.

06.53.21 GENERAL HAMMOND (OS)-What I want to know is what...

06.54.23 GENERAL HAMMOND (CONT)-makes you think it's here, Ma'am?

06.56.07 HATHOR-We were drawn to it.

06.58.22 O'NEILL-"We"?

07.01.01 HATHOR-Where is Ra?

07.03.07 DANIEL-Ra is --

07.03.18 GENERAL HAMMOND (OS) (overlapping)-Dr. Jackson...

07.04.18 GENERAL HAMMOND (CONT)-Need to know.

07.07.022 DANIEL (OS)-Ra, Ra is...

07.08.09 DANIEL (CONT)-a myth. He doesn't actually exist.

07.13.15 O'NEILL-Miss... Hathor... What made you think this  
Chakatai was here?

07.19.11 HATHOR-The Chakatai was what gave power to our father and  
our husband.

07.23.24 GENERAL HAMMOND-Who's she talking about, Dr. Jackson?

07.25.22 DANIEL-Um... Hathor was both the daughter and wife...

07.28.27 DANIEL (OS CONT)-of Ra in Egyptian Mythology. Until Ra  
was...

07.31.20 DANIEL (CONT)-said to have corrupted her.

07.32.25 HATHOR (OS)-We were...

07.33.02 HATHOR (CONT)-not corrupted.

07.35.00 DANIEL-Of course. No disrespect intended.

07.36.19 HATHOR-We are the mother of all pharoahs.

07.38.27 O'NEILL-Of course we are. Uh, General... Why don't "we" call County Mental Health. See if we can find a nice little rubber room for the lady.

07.51.22 GENERAL HAMMOND-Crazy or not, I want to know what she knows.

07.54.27 GENERAL HAMMOND (OS CONT)-Dr. Jackson, talk to her. See what you can find out. But don't tell her anything she doesn't already know.

07.59.16 DANIEL-Okay.

08.02.15 HATHOR-You, with the crown of marble!

08.06.25 O'NEILL-She might mean you, sir...

08.11.00 HATHOR (OS)-You are the ruler here?

08.13.08 GENERAL HAMMOND-Yes, Ma'am.

08.15.07 HATHOR-May we take your hand?

08.16.19 GENERAL HAMMOND-Why?

08.17.10 HATHOR (OS)-We wish to kiss it --

08.18.18 HATHOR (CONT)-To bless you with fertility and joy.

08.21.04 O'NEILL-Well, you can't pass that up, sir.

08.23.15 GENERAL HAMMOND-Yes, I can.

08.4.20 DANIEL-Sir, it might help me if you play into her  
delusions. (beat) Just to keep her talking.

09.05.01 HATHOR (OS)-Now...

09.07.22 HATHOR (CONT)-Where is Ra?

09.10.05 DANIEL-Ra, your husband?

09.12.00 HATHOR-Where... is... (distorted) Ra...?

09.17.10 DANIEL-Um... I hate to be the one to tell you, but Ra is  
dead.

09.25.04 HATHOR-How?

09.26.20 DANIEL-He was killed.

09.33.17 HATHOR-This is wonderful!

09.36.24 DANIEL-It is?

09.37.25 HATHOR-How did he die?

09.39.20 DANIEL-Uh... We killed him.

09.43.26 HATHOR-Then we owe you our...

09.45.15 HATHOR (OS CONT)-gratitude indeed. Perhaps we should  
choose...

09.49.04 HATHOR (CONT)-you to be our new beloved. Together we  
should celebrate. (beat) Come...

10.26.25 O'NEILL (OS)-Do we really...

10.27.10 O'NEILL (CONT)-think anyone's gonna believe that woman if  
she goes around blabbing about a "Stargate". I  
mean, I have a hard time believing this woman down  
on 73rd who walks around talking about these little  
devil people that live in her hair. Even though she  
could use a little conditioner...

10.43.11 TEAL'C (OS)-Is not...

10.43.21 TEAL'C (CONT)-the question "How does she know about the Stargate?"

10.47.06 GENERAL HAMMOND-Dr. Jackson's trying to figure that out now.

10.49.15 DANIEL-I believe I have figured that out, sir. (beat) She knows a helluva lot. Either she's studied her Egyptian mythology very carefully, or...

10.59.15 GENERAL HAMMOND-Or what, Dr. Jackson?

11.01.14 DANIEL-Or she's actually lived it.

11.03.03 GENERAL HAMMOND-Meaning...?

11.04.22 DANIEL-She's a Goa'uld, sir.

11.06.18 CARTER-What?!

11.08.25 O'NEILL-How is she a Goa'uld?

11.10.14 TEAL'C (OS)-She could not have...

11.10.17 TEAL'C (CONT)-come through the Stargate. We would have been alerted.

- 11.13.26 DANIEL-She's been imprisoned in stasis on earth for almost 2000 years.
- 11.21.13 O'NEILL-Is mental illness contagious?
- 11.25.25 DANIEL (OS)-General Hammond, I think she...
- 11.27.12 DANIEL (CONT)-is Hathor. Or, at least the Goa'uld that took on the persona of Hathor.
- 11.32.25 CARTER-Back up. Did you say she's a Goa'uld?
- 11.34.22 DANIEL (OS)-Yes.
- 11.35.20 DANIEL (CONT)-She feels indebted to us for killing Ra, who she was trying to stop from enslaving earth. See, she's always been a friend of...
- 11.41.28 DANIEL (OS CONT)-humanity. See, that's how it was in the Book of the Dead.
- 11.44.11 DANIEL (CONT)-Hathor was a much loved Goddess.
- 11.46.24 GENERAL HAMMOND-Are you saying she wants to help us?
- 11.48.04 DANIEL (OS)-Yes.
- 11.49.03 DANIEL (CONT)-She wants to help us defeat Apophis, and protect us from other evil Goa'ulds.
- 11.53.01 CARTER-And you bought into all this?

11.55.20 DANIEL-General... I'd like permission to have Hathor come down here and debrief us.

12.00.02 O'NEILL-Whoa, Danny! I don't think so.

12.03.13 DANIEL (OS)-General...

12.08.08 DANIEL (CONT)-I think you sense what I do. Hathor is a friend.

12.19.21 GENERAL HAMMOND-Yes, I do believe that. Bring her down.

12.23.06 CARTER-Are you kidding?

12.24.08 O'NEILL (OS)-Whoa,...

12.25.00 O'NEILL (CONT)-General. Are --

12.25.12 GENERAL HAMMOND (OS) (overlapping)-Colonel!

12.27.23 O'NEILL-Sir, are you sure?

12.29.04 GENERAL HAMMOND-Yes, Colonel.

12.32.06 TEAL'C (OS)-General...

12.37.16 TEAL'C (CONT)-I have served the Goa'uld. I have yet to meet a good one.

12.42.00 GENERAL HAMMOND-Maybe that's because you served the wrong one.

12.45.18 CARTER-Sir, at least close the blast door so she can't see the gate.

13.00.23 HATHOR-We thank you for allowing us in your court.

13.03.23 GENERAL HAMMOND-You're welcome.

13.14.10 HATHOR-We would appreciate a drink from your water.

13.17.14 GENERAL HAMMOND-Colonel...

13.20.07 O'NEILL-General?

13.22.03 GENERAL HAMMOND-Colonel, water for the lady.

13.25.28 O'NEILL-Ahh. Yes. Of course.

13.38.11 HATHOR-You are the one who is responsible for destroying the vile one, Ra.

13.43.08 O'NEILL-I'd be the one.

13.45.08 HATHOR-For you, we will forever hold a special place  
here.

13.53.03 O'NEILL-Well, that's... very special. Thank you.

14.27.25 TEAL'C-She is a Goa'uld.

14.31.13 HATHOR-Jaffa. In service to Apophis, the Serpent.

14.37.00 HATHOR (OS CONT)-Vile creature that he is.

14.38.13 TEAL'C-I am no longer in the service of Apophis.

14.40.18 HATHOR-We despise all that Ra, Apophis, and their kind do  
and believe.

14.44.24 DANIEL-It's all right. (beat) So does Teal'c.

14.49.18 HATHOR (OS)-Then your enemy is our enemy.

14.53.16 HATHOR (CONT)-Together we can defeat them.

14.56.28 TEAL'C-I will serve no Goa'uld.

15.07.06 DANIEL-What do you say, General?

15.08.21 GENERAL HAMMOND-I say we should make the lady  
comfortable, and welcome her.

15.14.00 CARTER-General, sir... I have a problem with this.

15.17.18 DANIEL (OS)-Hathor...

15.19.15 DANIEL (CONT)-This is Captain Carter.

15.27.01 HATHOR-You are an exceedingly beautiful woman.

15.30.15 CARTER-Thank you. So are you. General Hammond, I believe we should keep Ms. Hathor under house arrest until we can better assess --

15.38.24 GENERAL HAMMOND (overlapping)-Don't be impolite, Captain.

15.40.13 CARTER-"Impolite", sir? She's a Goa'uld.

15.42.08 GENERAL HAMMOND-She is a guest of this facility, Captain.

15.44.10 CARTER-General, this is crazy. It doesn't make any sense. Colonel O'Neill...

15.48.09 GENERAL HAMMOND (OS)-I am in command of this facility,...

15.50.14 GENERAL HAMMOND (CONT)-Captain Carter -- not Colonel O'Neill. Is that understood?

15.54.06 CARTER-B-but, sir --

15.55.02 GENERAL HAMMOND-Understood?

15.56.26 CARTER-Well, sir, with respect, it seems that this woman  
has all you guys under some sort of spell or  
something.

16.03.05 GENERAL HAMMOND (OS)-Are you questioning my orders,...

16.04.21 GENERAL HAMMOND (CONT)-Captain?

16.07.28 CARTER-Yes, sir, I guess I am. Colonel O'Neill, are you  
gonna back me up on this?

16.13.25 O'NEILL-Yes, Captain. (beat) If I see that there's a  
problem.

16.20.19 GENERAL HAMMOND-Thank you, Colonel. Now, if you'll  
follow me... I would be honored to give you a tour  
of our facility.

16.48.11 DANIEL-This is the guest quarters.

16.51.15 HATHOR-This will do fine.

16.55.07 GENERAL HAMMOND-We'll post a couple of guards outside.

16.58.13 HATHOR-Guards? To protect Us...or to protect everyone else?

17.10.17 GENERAL HAMMOND-Colonel...

17.11.17 O'NEILL-Sir?

17.13.09 GENERAL HAMMOND-Let's forget the guards.

17.16.24 O'NEILL-Are you sure, General?

17.22.05 HATHOR-You can trust Us, Colonel.

17.27.22 O'NEILL-Oh, that's not in question, ma'am. But it is our policy to secure all quarters. Of course, um... The guards probably aren't necessary.

17.48.09 HATHOR-Our thanks to you.

17.56.09 O'NEILL-Um... I suppose we should let you get some... uh, rest...

18.04.22 GENERAL HAMMOND-Yes.

18.12.29 HATHOR (OS)-Dr. Jackson?

18.15.26 HATHOR (CONT)-Please remain. We have other questions.

18.23.25 DANIEL-Sure.

18.26.27 HATHOR-It is time that you become our chosen one.

18.37.01 DANIEL-Chosen one?

18.38.25 HATHOR-Will you always honor us?

18.43.24 DANIEL-Yes.

18.44.03 HATHOR-Would you die for us?

18.48.12 DANIEL-Die? (beat) Yes.

18.57.04 DOOR READS:

NO UNAUTHORIZED

PERSONNEL

19.00.28 CARTER-Colonel, there you are.

19.02.22 O'NEILL-Here I am, Captain.

19.04.22 CARTER-I wanted to have a word with you, sir, about  
Hathor, if you don't mind.

19.08.25 O'NEILL-Fascinating lady, isn't she?

19.10.16 CARTER-A little too fascinating, don't you think?

19.13.17 O'NEILL-What do you mean?

19.15.02 CARTER-Well, sir, she seems to have you all so...  
infatuated.

19.19.21 O'NEILL-"Us all"?

19.20.28 CARTER-Yes, sir, the men. I mean, don't you think it's a  
little dangerous to be giving a Goa'uld such royal  
treatment?

19.25.26 O'NEILL-Aw, relax, Captain. She's on our side.

19.28.08 CARTER-So she says.

19.32.16 O'NEILL-Captain, if you don't mind my saying so, you're  
treating her exactly the way you hate to see people  
treat Teal'c. A bit of a double standard, don't you  
think?

19.40.27 CARTER-Teal'c has proven whose side he's on. She hasn't.

19.43.25 O'NEILL-Carter, have you ever heard the old saying, "My  
enemy's enemy is my friend"?

19.47.20 CARTER (OS)-Yes, sir. But even when the CIA...

19.49.14 CARTER (CONT)-grants sanctuary to an enemy turncoat, they  
never trust him. They watch him like a hawk.

19.54.07 O'NEILL-Daniel's watching her right now. Relax...

20.09.13 HATHOR-Tell us, our beloved, what are the questions  
swelling in your mind?

20.14.23 DANIEL-I spent years studying you as a student, and now,  
I'm, I'm with you. Do you know you're described in  
history as the most beautiful woman that ever has or  
ever will be? Able to control men with just your  
beauty.

20.28.00 HATHOR-We are pleased to see you, old friend. It won't  
be long before you will serve us once again. (To  
Daniel) Tell us... (beat) Do you believe this to  
be true, now that you have come to know us?

20.44.20 DANIEL (OS)-Well, I certainly have...

20.45.05 DANIEL (CONT)-a deeper understanding of it now.

20.48.23 HATHOR-We are the queen of the Gods. We are the mother  
of all Gods.

20.53.25 DANIEL-Yes. What does that mean, exactly?

20.58.25 HATHOR (OS)-From Us...

21.00.06 HATHOR (CONT)-all others come.

21.03.10 DANIEL-I don't understand.

21.05.01 HATHOR-The Jaffa, he has a Goa'uld child in his belly?

21.08.14 DANIEL (OS)-A larvae. Yes.

21.10.15 HATHOR-Did you ever wonder from whence the children come?

21.13.20 DANIEL-Are you saying that they come from you?

21.16.02 HATHOR-Yes. And others like Us.

21.20.02 DANIEL-My God! You're like a queen bee! You create the  
Goa'ulds!

21.38.00 DOCTOR FRASIER-Captain Carter, what are you doing?

21.40.12 CARTER-Have you noticed the way the men on the base are  
acting?

21.42.08 DOCTOR FRASIER-Yes! Thank you. You noticed, too?

- 21.44.15 CARTER-It all seems to be tied into the arrival of this Hathor person, or whatever she is. I'm researching her right now on the Net.
- 21.51.17 DOCTOR FRASIER-What have you found?
- 21.53.04 CARTER-This is really Daniel's field, so I'm kinda starting from scratch. This one academic's web page theorizes that a bunch of the sex goddesses from different cultures were actually all the same woman -- Hathor.
- 22.04.00 SCREEN READS:  
HATHOR  
THE ORIGINAL  
GODDESS OF LOVE  
An Exploration of love Goddess Myths in  
Various Culptures.
- 22.05.05 CARTER (OS CONT)-The Greeks identified her with Aphrodite. There's Ishtar of Babylon, Astarte of Syria, Ceres of Rome...
- 22.12.06 DOCTOR FRASIER-Sounds like she got around.
- 22.13.15 CARTER-Yeah, in most of the mythology. And she's pretty loved in all of it. Except for a late period in...

- 22.18.09 CARTER (OS CONT)-Ancient Egypt, where according to one of the stories, she was sent by...
- 22.22.04 CARTER (CONT)-Ra to destroy mankind, and then he changed his mind, and they became enemies.
- 22.26.24 DOCTOR FRASIER-So then, when she says she's Ra's enemy, she may not be lying.
- 22.29.14 CARTER-Yeah. But here's the interesting thing:  
According to the stories, this woman had magical powers over men.
- 22.37.07 CARTER (OS CONT)-She was supposed to be able to seduce them into doing anything for her.
- 22.40.28 CARTER (CONT)-In almost every case, it describes them as "drunk with her presence".
- 22.45.28 DOCTOR FRASIER-Well, that would be how I describe our boys.
- 22.47.26 CARTER (OS)-Yeah.
- 22.49.02 CARTER (CONT)-Now, I figure she's using some form of Goa'uld technology. Any ideas?
- 22.55.08 DOCTOR FRASIER-My guess would be some sort of chemical we've never seen.
- 22.58.27 DOCTOR FRASIER (OS CONT)-Uh, Sort of super pheromones combined with...

- 23.00.29 DOCTOR FRASIER (CONT)-something like Sodium Pentathol.  
Probably airborne delivery.
- 23.04.13 CARTER-Great. How do we reverse it in the men?
- 23.07.05 DOCTOR FRASIER-Well, it may not be reversible. And if it  
is, it may take years.
- 23.09.20 CARTER (OS)-We probably don't even have...
- 23.10.13 CARTER (CONT)-days before this Goa'uld does whatever it  
is she's trying to do.
- 23.14.09 DOCTOR FRASIER-So what do you suggest, Captain?
- 23.17.03 CARTER-I suggest we neutralize her.
- 23.20.21 DANIEL-So you actually create the Larvae? How?
- 23.25.06 HATHOR-We must first have the code of life from the  
juices of the species intended as the host.
- 23.32.04 DANIEL-Code of life?
- 23.33.14 HATHOR (OS)-In order to assure compatibility...
- 23.34.17 HATHOR (CONT)-for the Goa'uld child and the host.

- 23.41.13 DANIEL-DNA. You mean you need DNA to prevent rejection?
- 23.46.27 HATHOR-The code of life. We do so enjoy the method of procuring the code in your species. It is much more pleasurable than most.
- 24.04.03 DANIEL-I bet.
- 24.05.26 HATHOR-Since you are to be our first pharaoh, you will honor us by being the one to contribute the code.
- 24.14.08 DANIEL-You want me to help you create more Goa'ulds?
- 24.27.24 HATHOR-Now that Ra is gone, we are finally free to rule this planet. With you, our beloved, at our side for all eternity.
- 24.46.25 CARTER-Okay. Here's what we know: This creature who calls herself Hathor is admittedly a Goa'uld, or some form of Goa'uld. So she has who knows what kinds of weapons...
- 24.54.22 CARTER (OS CONT)-or defenses. That means it might take a lot of firepower to neutralize her, and...
- 24.57.26 CARTER (CONT)-we need to come at her from multiple flanks. You know how to use this, don't you?

- 25.01.28 DOCTOR FRASIER-Well, yeah. I had some training, but I haven't touched one of these in years.
- 25.04.22 CARTER-Well, don't worry. All you do is point and pull the trigger.
- 25.06.25 CARTER (OS CONT)-And be careful not to hurt any of our own men. They're all...
- 25.09.21 CARTER (CONT)-pretty loopy right now, so they shouldn't be a problem.
- 25.12.06 TEAL'C-Captain Carter... (beat) We must speak of Hathor.
- 25.16.23 CARTER-Keep your hands where I can see them, Teal'c.
- 25.18.15 TEAL'C-Do you not trust me, Captain Carter?
- 25.23.06 CARTER-All of the men on this base are under Hathor's control, from what I can tell. And I hate to break it to you, Teal'c, but you are male.
- 25.29.24 TEAL'C (OS)-I am a Jaffa.
- 25.31.09 TEAL'C (CONT)-The Goa'uld I carry within me protects me from Hathor's powers. It is only together that we may stop her.
- 25.37.00 CARTER-From doing what, exactly?

25.38.15 TEAL'C (OS)-It is legend among the...

25.39.01 TEAL'C (CONT)-Jaffa that the original Goa'uld larvae come  
from the queen Goa'ulds.

25.44.11 CARTER (OS)-And you think...

25.44.19 CARTER (CONT)-Hathor's one of them?

25.45.28 TEAL'C (OS)-Yes.

25.46.27 TEAL'C (CONT)-If I am correct, this base will become her  
nest.

25.50.04 TEAL'C (OS CONT)-From here, she...

25.50.20 TEAL'C (OS CONT)-will populate your world with new  
Goa'uld. I cannot permit this to happen. Captain  
Carter, we cannot permit this to happen.

26.08.04 CARTER-Glad you're with us, Teal'c.

26.13.24 DOCTOR FRASIER-Is this really necessary? I mean,  
somebody's bound to come on base and see what's  
going on here.

26.18.09 CARTER-Yeah, and if they're male, they'll be under  
Hathor's control before they can think about it.  
Besides, when was the last time you saw a new woman  
get assigned here?

26.30.05 CARTER-Daniel...? You okay? Where is she, Daniel?

26.41.06 FEMALE SOLDIER-Captain, we found her. She was spotted  
going into the locker room.

26.44.06 CARTER-All right, let's go. Daniel...

26.50.02 CARTER (OS CONT)-You okay?

26.53.13 FEMALE SOLDIER-Captain?

27.42.09 HATHOR-(distorted) Rin tel nok!

27.47.00 GENERAL HAMMOND-Stand down, Captain Carter. Unless you  
plan to kill us.

28.00.18 O'NEILL-Is this any way to treat a guest, Captain?

28.14.14 CARTER-That must be a pretty powerful drug Hathor's  
using. Colonel O'Neill is special forces trained to  
fight mind control techniques.

28.20.09 DOCTOR FRASIER-Well, not Goa'uld techniques, apparently.

28.23.01 CARTER-Yeah, well... Mama said there'd be days like this.

28.26.00 DOCTOR FRASIER (OS)-Really?

- 28.27.05 DOCTOR FRASIER (CONT)-My ex-husband said that. "Are you out of your mind, honeybuns? There is a reason they call it This Man's Army."
- 28.32.10 CARTER-"This Man's Army"? Your husband actually said that?
- 28.34.15 DOCTOR FRASIER-Yeah. So, of course, I explained to him it wasn't the Army.
- 28.36.25 DOCTOR FRASIER (OS CONT)-It was the Air Force. And they've had women for decades.
- 28.39.12 CARTER-Man... Hey, maybe it's just me, but I can't figure out how to feel like one of the guys with these guys, you...
- 28.44.08 CARTER (OS CONT)-know what I mean? I always feel like I'm...
- 28.46.21 CARTER (CONT)-"the girl"...
- 28.50.14 DOCTOR FRASIER-That's it.
- 28.51.23 CARTER-What?
- 28.52.20 DOCTOR FRASIER-You just gave me an idea on how to get us out of here.
- 28.54.24 DOCTOR FRASIER (OS CONT)-Look, if Hathor's control drug is...

- 28.56.02 DOCTOR FRASIER (CONT)-hormone driven like I suspect, that means she's making the men... libidinous.
- 29.03.01 CARTER-Okay. Why do I get the feeling I don't like where this is going?
- 29.09.15 O'NEILL-Excuse me, Ma'am. (beat) I'm, uh, I'm sorry to barge in on you like this, but I'd like to ask you some questions.
- 29.17.15 HATHOR-About...?
- 29.18.12 O'NEILL (OS)-About you, actually.
- 29.21.14 O'NEILL (CONT)-See, you've... you've got me a little off-balance, and that's very unnatural for me.
- 29.28.28 HATHOR-We are told by the one that you call Daniel that you are responsible for ridding us from the vile one, Ra.
- 29.34.27 O'NEILL-Yeah, we kinda touched on that earlier, but I'd like to be the one asking the questions right now, if you don't mind.
- 29.39.15 HATHOR-We must praise you, and gift you a great honor.

- 29.42.24 O'NEILL-Yeah, I'm sure that'd be just great, but not right...
- 30.26.07 HATHOR-Do not worry yourself.
- 30.29.16 HATHOR (OS CONT)-You will enjoy the rich rewards that come with what we are giving you.
- 30.33.10 HATHOR (CONT)-You will cherish the good health and long life that goes with being... (beat) (distorted) Hathor's first new Jaffa.
- 30.59.14 CARTER-You know, using seduction wasn't in any of the AF training manuals I've ever read.
- 31.03.13 DOCTOR FRASIER (OS)-What, you think the Pentagon...
- 31.04.28 DOCTOR FRASIER (CONT)-anticipated a 4,000-year-old alien walking onto a base, and drugging all the men to make them... ?
- 31.09.23 CARTER-Libidinous.
- 31.11.10 DOCTOR FRASIER-Yeah.
- 31.12.11 CARTER-I suppose they do train us to take advantage of the enemy's weakness.
- 31.15.14 DOCTOR FRASIER-Exactly.

31.18.25 CARTER-All right. Let's do it.

31.22.24 DOCTOR FRASIER-Airman, open up! We've got something for  
you!

31.26.04 AIRMAN-(MUTED) What?

31.27.10 DOCTOR FRASIER (OS)-Why don't you come...

31.27.20 DOCTOR FRASIER (CONT)-in here and see for yourself.

31.29.18 AIRMAN (OS)-(MUTED) No can do. We only take orders...

31.30.24 AIRMAN (CONT)-(MUTED) from Hathor.

31.32.02 DOCTOR FRASIER (OS)-Gentlemen, there...

31.32.10 DOCTOR FRASIER (CONT)-are five women in here very alone.

31.38.16 CARTER-Why do I feel like I'm in a women behind bars  
movie?

31.49.05 AIRMAN-What are you suggesting, ladies?

31.51.03 DOCTOR FRASIER-Whatever you want, Airman.

32.11.12 CARTER-Feel like a woman, Doc?

32.13.27 DOCTOR FRASIER-Oh, yeah.

32.14.27 CARTER (OS)-Let's tie 'em up.

32.20.23 S.P. (OS)-Hold it right...

32.21.11 S.P. (CONT)-there, ladies.

32.26.22 GENERAL HAMMOND (OS)-Drop your weapon!

32.33.09 CARTER-Yeah. My career is over.

32.35.05 DOCTOR FRASIER-Don't worry about it. I can fix him up as good as new when this thing's over.

32.38.12 CARTER-Great, so he can bring me up on charges.

32.55.07 TEAL'C-I am pleased to see you, Captain Carter.

32.56.26 CARTER-I'm glad someone is. Lock these guys up, and stay here. All right?

33.02.19 DOCTOR FRASIER-Yeah.

33.14.08 CARTER-Okay. Let Teal'c and me take the lead.

33.16.26 DOCTOR FRASIER-No argument there.

33.18.08 CARTER-On three...

34.13.00 HATHOR-Do not worry, child. You will soon receive your  
Goa'uld,...

34.19.16 HATHOR (OS CONT)-and then you...

34.21.01 HATHOR (CONT)-will begin to feel strong again.

34.35.18 HATHOR (OS CONT)-The strongest of...

34.36.03 HATHOR (CONT)-the larvae will soon find your womb and  
move into it.

34.42.25 HATHOR (OS CONT)-At that moment, you...

34.43.23 HATHOR (CONT)-will begin your service to us. Enjoy.

34.57.00 CARTER-Let's get him out of there. (beat) Okay,  
Colonel, we got you... Okay...

35.23.26 DOCTOR FRASIER-Here. Take this. (beat) Ugh... (beat)  
No. Nothing went in there yet.

35.42.12 CARTER-This is a good thing.

35.43.25 DOCTOR FRASIER-Oh, maybe.

35.44.20 TEAL'C-He no longer has an immune system.

35.46.06 TEAL'C (OS CONT)-Without a Goa'uld larvae, he...

35.47.06 TEAL'C (CONT)-will soon die.

35.56.28 DOCTOR FRASIER-Shouldn't we be taking him to the  
infirmary?

35.58.27       TEAL'C-You said you do not have the technology to help  
                  him.

36.01.01       DOCTOR FRASIER-Well, we can at least make him  
                  comfortable...

36.03.00       TEAL'C-The Goa'ulds have the technology, and Hathor may  
                  have brought it to us.

36.06.19       CARTER-The Sarcophagus.

36.29.24       TEAL'C-I have seen the Goa'uld chamber do many miracles.

37.19.00       HATHOR-Stop!!

37.20.27       HATHOR (OS CONT)-You will harm Our new Jaffa.

37.33.25       O'NEILL-What's going on?

37.40.18       CARTER-Colonel!

37.48.23       O'NEILL-I don't think this is good.

38.03.00       O'NEILL-You all right?

38.03.28       CARTER-Yeah. Good to have you back, Colonel.

38.06.09 O'NEILL-What, I left?

38.26.05 O'NEILL-Jesus...

38.28.07 CARTER-Colonel?

38.29.15 O'NEILL-Yeah?

38.30.12 CARTER-Do you mind if I have a look?

38.32.20 O'NEILL-At what?

38.34.09 CARTER-You were, uh... uh.... Let's just say you were  
wounded. (beat) Wow. That's a miracle.

38.47.05 O'NEILL-Crunches.

38.49.04 DOCTOR FRASIER-Too bad she blew up that sarcophagus. We  
could use one of those things in the infirmary right  
about now.

38.53.28 O'NEILL-Get yourselves down there right away.

38.57.23 CARTER-Now what?

38.59.24 O'NEILL-Now you and I go for that Goa'uld.

- 39.02.18 CARTER-Well, how? She's guarded by our own men. We  
can't exactly go...
- 39.05.23 CARTER (OS CONT)-in shooting.
- 39.07.15 O'NEILL-We can with tranquilizer guns.
- 39.09.26 CARTER-I thought of that, sir, but there weren't any in  
the armory.
- 39.13.01 O'NEILL-This is the military, Captain. We always have  
more than we need. There's a supply in lock up C.
- 39.17.26 CARTER-It'd be nice if someone told me that.
- 39.19.27 O'NEILL-Your tax dollar at work.
- 39.23.27 HATHOR-We demand that the woman you call Carter be  
brought before us so that We may gain retribution.
- 39.29.28 DANIEL-Captain Carter does deserve to be punished, my  
queen. But she does not know what she is doing. I  
beg of you to show mercy.
- 39.38.27 CARTER (OS)-She deserves no mercy from Us.
- 39.42.08 CARTER (CONT)-She will make amends with her death.

39.51.18 CARTER-I don't think so.

39.59.00 HATHOR-You have failed Us, our love. (distorted) You  
will not fail us again.

40.20.27 DANIEL-NNNNOOOOOO!!!

40.29.28 O'NEILL (OS)-Get these airmen out of here! Daniel,...

40.31.12 O'NEILL (CONT)-lets go! Move it!

40.40.12 O'NEILL-Come on... You're all right, you're all right...  
(beat) Come on, Danny...

40.59.00 MALE ANNOUNCER (VO ON RADIO FILTERED)-Unauthorized gate  
activation. All hands to the gate room.

41.14.27 O'NEILL (OS)-Where'd she go?

41.16.02 CARTER-Chulak. We have to go after her!

41.24.06 O'NEILL-We will. Not right now.

41.28.12 DANIEL (OS)-Hey.

41.30.10 DANIEL (CONT)-What's going on? I must've...

41.34.05 CARTER-I guess she needs to stay in proximity to keep control.

41.37.24 O'NEILL-Control what?

41.40.12 DANIEL (OS)-What?

41.41.24 DANIEL (CONT)-What are you talking about?

41.55.26 O'NEILL-Did you find anything?

41.57.10 DOCTOR FRASIER (OS)-Probably nothing we can use. Maybe we'll at least get a cellular level analysis on the Goa'ulds.

42.01.22 DOCTOR FRASIER (CONT)-Maybe even find some DNA information.

42.03.17 DANIEL (OS)-A lot of that...

42.03.23 DANIEL (CONT)-will probably be mine.

42.06.17 O'NEILL-Eewww.

42.08.17 DANIEL-Yeah.

42.12.28 CARTER-General Hammond, sir.

42.14.26 GENERAL HAMMOND-At ease, Captain. At ease, Doctor.

42.16.15 CARTER-Thank you, sir. About your head... I'd like to explain that, if I could.

42.20.03 GENERAL HAMMOND (OS)-Captain...

42.21.27 CARTER (CONT)-I'm putting you and Dr. Frazier up for a commendation medal.

42.24.27 CARTER (OS)-Well, thank you, sir, but...

42.25.19 CARTER (CONT)-I can explain... (beat) You are?

42.31.01 GENERAL HAMMOND-If you hadn't kept your wits about you, and done whatever was necessary, we could've put this entire planet at risk. Good job, ladies.

42.41.19 CARTER-Thank you, sir.

42.44.07 GENERAL HAMMOND-Well... that's all...

42.52.25 O'NEILL-Nice job.

42.54.20 DANIEL-Yeah.

43.01.28 FADE TO END CREDITS.
