01.06.25 GENERAL HAMMOND-I agree. But they're orders, just the same. And I, for one, follow orders.

01.10.25 O'NEILL-Even though we are the only line of defense protecting this planet.

01.17.20 GENERAL HAMMOND-I know that.

01.18.24 O'NEILL-I know you know that, sir. (beat) You're still just gonna chuck it, huh?

01.26.18 GENERAL HAMMOND-You don't think I tried everything to prevent this shutdown? I went back to Senator Kinsey twice. The second time he had me forcibly removed from his office. I went to the Secretary of Defense, the Joint Chiefs... Hell, I finally called the President himself!

01.41.17 O'NEILL-What'd he say?

01.42.19 GENERAL HAMMOND-He said that to override the Senate committee on this one would be political suicide for him.

01.50.04 GENERAL HAMMOND (OS CONT)-It's over, Jack.

01.52.08 GENERAL HAMMOND (CONT)-No extensions, no reversals, no new hearings. The Stargate will be buried -- literally and figuratively.

02.17.05 O'NEILL-Hammond's given up. They're gonna bury the gate day after tomorrow.

02.26.11 TEAL'C (OS)-Then I must return...

02.26.29 TEAL'C (CONT)-through the Stargate as soon as possible.

02.29.11 DANIEL-Guess we all should go through the gate as soon as possible.

02.32.04 CARTER-Whoa whoa whoa... Go through? To where?

02.34.00 DANIEL-To the coordinates I got in the other reality.

02.35.21 O'NEILL (overlapping)-Daniel, dammit!

02.37.01 DANIEL-Jack, it was real!

02.39.07 CARTER (OS)-Okay, even if it was, how do we know that that address...

02.41.08 CARTER (CONT)-correlates with this reality?

02.43.14 DANIEL-Well, there's only one way to find out, isn't there?

02.45.11 TEAL'C-We should enter the coordinates and attempt to open the gate.

02.51.12 CARTER-Hey... hold on.

02.53.10 CARTER (OS CONT)-Has anyone considered that we would be in...

02.55.01 CARTER (CONT)-gross violation of orders? Sir, we would be court-martialed the second we got back.

03.00.06 O'NEILL-If... If we got back.

003.03.12 DANIEL (OS)-Jack... If we don't...

03.04.15 DANIEL (CONT)-go through, what I saw in the other reality could happen here. This whole planet could be wiped out.

03.13.00 DANIEL (OS CONT)-Now, in the other...

03.13.11 DANIEL (CONT)-reality, by the time I left, Sarah was dead.

03.16.12 DANIEL (OS CONT)-Carter, your whole family was dead. Hell, I was dead. Everyone...

03.18.24 DANIEL (CONT)-was dead.

03.19.06 O'NEILL (overlapping)-Daniel, I got it.

03.20.25 DANIEL-Okay. Well, don't you think we should see if we can stop the same slaughter from happening here?
(beat) Let me ask you something, Jack. If we don't go through now, and the Goa'uld do attack later, how are you gonna feel?

03.36.09 CARTER (OS)-How are just the four of us...

03.37.14 CARTER (CONT)-gonna stop the attack anyway, even if we do go through?

03.39.25 DANIEL (OS)-Well, we'd have a lot better chance now...

03.41.03 DANIEL (CONT)-then we would trying to stop an overwhelming onslaught later. Trust me. I have seen it.

03.46.11 TEAL'C-If the coordinates are for a Goa'uld world which is not on the Abydos cartouche, the Goa'uld will most likely not expect us. I believe a medical attack could be successful.

03.56.22 O'NEILL (OS)-Surgical attack, Teal'c.

03.59.16 O'NEILL (CONT)-It's called a Surgical attack, and I'd feel like an idiot.

04.03.11 CARTER-Sir?

- 04.04.13 O'NEILL-I was answering Daniel's question. If we don't do something now and they do attack later, I'd feel like an idiot. We go.
- 04.26.12 TEAL'C-I, too, will go.
- 04.34.27 O'NEILL-It's not an order, Captain.
- 04.37.04 CARTER-I understand that, Colonel. Thank you. I'm going.
- 04.45.06 ELECTRONIC VOICE (VO FILTERED)-Attention, all personnel. Unauthorized Stargate activation.
- 04.49.03 O'NEILL-Carter... Close the blast doors in corridors Alpha and Charlie. Disable them.
- 04.53.03 CARTER-I need an authorized officer's security code to disable them.
- 04.56.23 O'NEILL-There you go.
- 05.06.05 AIRMAN-Go go go go go go go go! Go, go!!
- 05.20.27 FERRETTI-It's on security lock-out, sir.

05.22.19 GENERAL HAMMOND-Get it open, Major! Now! Try going
around through Corridor C.

05.26.17 AIRMAN-Yes, sir!

05.27.16 AIRMAN (OS CONT)-Move out! Corridor C!

05.30.25 O'NEILL-All right. The MALP's on its way.

05.33.08 CARTER-It should reach its destination in three...

05.35.13 CARTER (OS CONT)-two... one...

05.42.06 O'NEILL-What happened? We lose the signal?

05.44.00 CARTER-No, sir. We are receiving video. The point of
arrival is dark. Switching to Infra-red.

05.55.11 DANIEL-Looks ancient Egyptian.

05.56.21 TEAL'C-Possibly Goa'uld.

06.00.17 CARTER (OS)-No signs of life in the immediate vicinity of
the probe.

06.02.23 ELECTRONIC VOICE (VO FILTERED) (overlapping)-Security
breached!

06.04.11 DANIEL-They just got Corridor C-9 opened.

06.05.23 O'NEILL-All right. Let's go.

06.25.23 FADE TO MAIN TITLES.

08.06.05 O'NEILL-(whispering) Daniel... Send back the MALP.

08.11.28 CARTER-It doesn't look like there are any doors or windows.

08.14.26 TEAL'C (OS)-Many Goa'uld...

08.15.09 TEAL'C (CONT)-facilities disguise doors within their structure.

08.25.25 O'NEILL-Teal'c!

08.27.00 TEAL'C (OS CONT)-What are these things?

08.28.19 TEAL'C-Transport containers. Much like your shipping crates.

08.31.24 CARTER-So they're shipping something through the gate?

08.33.23 TEAL'C-Or receiving.

08.36.24 O'NEILL-Let's have a look inside, shall we?

09.02.00 O'NEILL-Cool. What are these things?

09.10.27 TEAL'C-This is a Goa'uld zat'n'ktel.

09.13.08 TEAL'C (OS CONT)-A weapon using a different form of
energy less powerful than...

09.15.15 TEAL'C (CONT)-that of a staff weapon. Less destructive,
but still quite deadly.

09.20.24 O'NEILL-Sweet. Pass 'em out. (beat) What'd you call
'em?

09.25.23 TEAL'C-Zat'n'ktel.

09.27.28 O'NEILL-Right. Let's call it a zat gun, huh? (beat)
How do you fire it?

09.35.13 TEAL'C-One need only squeeze it here to fire. (beat)
The Goa'uld take great pleasure in discharging the
weapon only once on a subject, causing them great
pain, disabling but not killing them. The second
shot will kill most subjects.

09.51.08 CARTER-Nice.

09.55.01 O'NEILL-What the hell's that?

09.57.01 CARTER-What's happening, Teal'c?

09.58.15 TEAL'C-I am not sure.

10.13.01 O'NEILL-Everybody okay?

10.14.25 DANIEL-Yeah. What was that?

10.18.14 CARTER-It was like some weird kind of planetary shift...

10.21.14 TEAL'C-We should dial home immediately.

10.22.26 O'NEILL-Do it, Daniel.

10.36.11 O'NEILL-Daniel...

10.37.15 DANIEL-What? I dialed home just like I did a minute ago.
Just like I've done a million times before.

10.41.01 O'NEILL-Well, do it again.

10.50.12 DANIEL-Uh oh...

12.20.08 O'NEILL-I always get a happy, tingly feeling when I see
those guys.

- 12.43.00 DANIEL-Teal'c, what is this?
- 12.46.20 TEAL'C (OS)-It is a Goa'uld...
- 12.47.01 TEAL'C (CONT)-long range visual communication device.
Somewhat like your television, only much further
advanced.
- 12.55.05 O'NEILL-Think it gets Showtime? (beat) Can you open
that door?
- 13.02.16 TEAL'C-Now that I know its location, I believe I can.
- 14.07.17 TECHNICIAN-Sir, we've confirmed that it was SG-1. They
went to the coordinates that Dr. Jackson brought
back with them from that... other place.
- 14.14.05 GENERAL HAMMOND-If what he saw was indeed real, that's
the origination point of the Goa'uld military attack
on Earth.
- 14.18.13 TECHNICIAN (OS)-Pretty hostile...
- 14.18.22 TECHNICIAN (CONT)-place to go, wasn't it, sir?
- 14.20.12 FERRETTI-You want SG-2 to go get them, bring them back,
sir?

- 14.24.14 GENERAL HAMMOND-You'd only be bringing them back for courts martial.
- 14.27.25 FERRETTI-Permission to speak freely, sir.
- 14.29.06 GENERAL HAMMOND-Go ahead.
- 14.30.14 FERRETTI-Sir, Colonel O'Neill saved my butt more than once. I'd like to go in and back 'em up.
- 14.34.02 GENERAL HAMMOND-I can't send your unit --
- 14.35.14 FERRETTI-My men and I are willing to take the risk, sir.
- 14.39.15 GENERAL HAMMOND-I'll take that under advisement, Major.
- 15.38.00 DANIEL (OS)-A sarcophagus.
- 15.40.04 O'NEILL-Oh, great. More snake heads. Teal'c, any idea which one's in here? (beat) Teal'c?
- 15.52.19 CARTER-We're not on a planet, are we?
- 15.55.00 TEAL'C (OS)-That is correct.
- 15.58.18 TEAL'C (CONT)-It appears we are aboard a Goa'uld transport vessel.

16.01.26 CARTER-And that jolt was...?

16.04.04 TEAL'C-A hyper launch.

16.21.00 TECHNICIAN (VO FILTERED)-Chevron four encoded!

16.24.12 GENERAL HAMMOND-You'll proceed much like SG-1 did. We'll
send the MALP through first.

16.27.26 GENERAL HAMMOND (OS CONT)-If it's clear, you'll go
through immediately.

16.29.06 FERRETTI-Yes, sir.

16.30.02 GENERAL HAMMOND (OS)-I'd like to re-emphasize, Major,
that...

16.31.00 TECHNICIAN (VO FILTERED) (overlapping)-Chevron five
encoded!

16.31.28 GENERAL HAMMOND (CONT)-...officially your primary mission
is to bring back SG-1 for court martial.

16.35.16 FERRETTI-Yes, sir.

16.36.14 TECHNICIAN (VO FILTERED)-Chevron six, encoded!

16.37.16 GENERAL HAMMOND-Major... Bring them back alive and well.

16.40.02 FERRETTI-That's my plan, sir.

16.41.26 TECHNICIAN (VO FILTERED)-Chevron seven...

16.48.10 TECHNICIAN (CONT FILTERED)-will not lock.

16.50.16 GENERAL HAMMOND-What happened, Sergeant?

16.52.12 TECHNICIAN (filtered)-I, I'm sorry, sir. I, I don't
know.

16.54.07 GENERAL HAMMOND (OS)-Well, find out!

17.03.01 O'NEILL (OS)-Teal'c...

17.04.11 O'NEILL (CONT)-Why didn't you tell us we were on a ship?

17.07.20 TEAL'C-I was not sure.

17.09.10 TEAL'C (OS CONT)-I have never been aboard a Goa'uld
vessel...

17.10.23 TEAL'C (CONT)-such as this. Most accelerate very
differently. Most do not contain Stargates.

17.23.00 JAFFA-Tel kol knock!

17.24.02 O'NEILL-Hey! (beat) How you doin'...?

17.30.22 O'NEILL (OS CONT)-Uh...

17.33.06 O'NEILL (CONT)-See any bathroom around here?

17.57.21 O'NEILL-Okay. One shot hurts him. Two shots kill him.
The third shot...

18.03.12 TEAL'C-...disintegrates him.

18.05.00 O'NEILL-Oh, great. You didn't think this was worthy of
mention, I take it?

18.13.06 CARTER-The blast spread across this area like there was
glass here. This is a force field of some sort.

18.19.03 TEAL'C (OS)-That is correct. There is no transparent
material capable of withstanding...

18.22.13 TEAL'C (CONT)-this velocity.

18.23.16 CARTER (OS)-Or temporal displacement.

18.26.00 CARTER (CONT)-We're traveling faster than light, right?

18.28.03 TEAL'C-That is correct.

18.30.02 CARTER (OS)-So the ship...

18.30.16 CARTER (CONT)-must've been in orbit around a planet when
we gated here. Then it, it launched or left orbit,
which would explain why we can't gate home.

18.38.06 DANIEL-The point of origin isn't valid any more.

18.40.05 CARTER-Right.

18.41.10 O'NEILL-Well, I suggest the two of you figure out how to
get us back home.

18.44.18 CARTER (OS)-Sir, the only way to do that would...

18.45.18 CARTER (CONT)-be to turn this thing around and go back to
where we started.

18.45.03 DANIEL-Right. I'll just go tell the pilot.

18.51.11 O'NEILL-Teal'c... You know how to fly one of these
things?

18.55.18 TEAL'C (OS)-Of this I am unsure.

18.57.08 TEAL'C (CONT)-It appears to be of a new technology.

18.59.03 O'NEILL-So you couldn't turn this tub around, I take it?

19.01.26 TEAL'C (OS)-I am qualified only...

19.02.13 TEAL'C (CONT)-to pilot the Goa'uld death gliders. (beat)
I suggest we relocate to another chamber as soon as
possible. The royal sarcophagi are rarely left
unattended long.

20.10.19 DANIEL (OS)-Jack...

20.13.21 DANIEL (CONT)-It's happening.

20.21.18 DANIEL (OS CONT)-We're on an...

20.21.25 DANIEL (CONT)-attack ship headed to Earth.

20.25.00 O'NEILL-Okay. Well... we've got some problems then.

20.28.25 CARTER-Teal'c, how fast can this ship go?

20.30.26 TEAL'C (OS)-A Goa'uld Ha'tak...

20.31.05 TEAL'C (CONT)-vessel can travel at ten times the speed of
light.

20.34.06 CARTER (OS)-Okay. So, if we...

20.34.25 CARTER (CONT)-are heading to Earth, then we have a long
time.

20.38.20 O'NEILL-Based on what?

20.39.18 CARTER-Based on the coordinates of the planet we gated
to.

20.42.10 O'NEILL-We didn't gate to a planet. We gated to a ship.

20.44.12 CARTER (OS)-Yeah, but that ship had to have been in orbit
around or on the...

- 20.46.20 CARTER (CONT)-surface of a planet in order for those gate coordinates to work.
- 20.49.24 CARTER (OS CONT)-So, based on the location of those coordinates, even if we were traveling at ten times the speed of light, it would take at...
- 20.54.20 CARTER (OS CONT)-least a year to get to Earth, probably more.
- 20.58.05 VOICE (VO FILTERED)-Mol Jaffa! Tim lokeem rel molcon ai.
- 21.06.02 DANIEL (OS)-They're being summoned...
- 21.06.28 DANIEL (CONT)-to some sort of gathering.
- 21.23.07 O'NEILL-Okay. Let's go.
- 21.27.06 DANIEL-Wait a minute. Go where?
- 21.29.12 O'NEILL-Wherever they're going.
- 22.23.25 APOPHIS (IN BALL DISTORTED)-Chel hol, Jaffa! (beat) The end of a dark moment in Goa'uld history approaches.
- 22.33.13 APOPHIS (IN BALL DISTORTED) (OS CONT)-Soon we will wipe out the scourge that plagues us. I will rejoin you as we come out of the shadows. Until then,...
- 22.45.02 APOPHIS (IN BALL DISTORTED) (CONT)-you are to follow all orders of my son as if they were my own.

22.56.15 APOPHIS (IN BALL DISTORTED) (OS CONT)-Bow down now, and
show your reverence for my son... (beat) The mighty
warrior, Klorel!

23.11.04 SKAARA/KLOREL (OS DISTORTED)-Tel kol, Jaffa.

23.22.00 SKAARA/KLOREL (DISTORTED) (CONT)-Kel Apophis.

23.25.28 SKAARA/KLOREL (DISTORTED) (OS CONT)-Re nek...

23.28.16 SKAARA/KLOREL (DISTORTED) (CONT)-Klorel!

23.31.24 APOPHIS (IN BALL DISTORTED)-Re nek, Klorel.

23.56.12 O'NEILL-He called him his son. That's sick!

23.59.10 CARTER-Not exactly a chip off the old block.

24.01.21 DANIEL (OS)-The Goa'uld inside...

24.02.06 DANIEL (CONT)-Skaara is probably the son of the one
inside Apophis.

24.04.22 O'NEILL-Oh, thank you, Daniel. That's encouraging.

24.07.06 DANIEL-I'm just trying to help.

24.09.09 TEAL'C (OS)-O'Neill...

24.10.07 TEAL'C (CONT)-What is our plan of attack?

- 24.11.17 O'NEILL-We're gonna split up. Carter, you and Daniel start planting C-4...
- 24.13.28 O'NEILL (OS CONT)-all over this ship.
- 24.15.28 DANIEL-And what are you and Teal'c gonna do?
- 24.18.19 O'NEILL-We're gonna try and grab Skaara.
- 24.21.05 CARTER-Sir, are you sure?
- 24.22.22 CARTER (OS CONT)-I-it would be like...
- 24.23.04 CARTER (CONT)-trying to take Apophis.
- 24.24.26 TEAL'C-They do not know we are aboard. There is little reason to keep him under heavy guard.
- 24.28.24 CARTER (OS)-Okay, but, with...
- 24.29.16 CARTER (CONT)-respect, sir... I think you're making an emotional decision here.
- 24.33.03 O'NEILL-Maybe. But it's also the best strategic decision.
- 24.37.12 CARTER-Is it?
- 24.38.08 DANIEL (OS)-Jack has a point. If we can...

24.38.29 DANIEL (CONT)-capture him, maybe we can get through to
the old Skaara. Kendra said that she could fight
past her Goa'uld when it was still inside of her.

24.47.23 O'NEILL-Let's go.

24.48.22 CARTER (OS)-Sir...

24.49.25 CARTER (CONT)-Contingency plan?

24.53.21 O'NEILL-C-4.

25.51.02 SKAARA/KLOREL (DISTORTED)-Chel nok, makor!

25.52.07 TEAL'C (OS)-Rin nok!

25.57.09 SKAARA/KLOREL (DISTORTED)-You dare to do this to Kloreel?
You will die a painful death.

26.02.23 O'NEILL-Yeah, yeah, whatever.

26.04.09 TEAL'C (OS)-There's a raised hieroglyphic on the wall...

26.05.26 TEAL'C (CONT)-next to the door. It resembles a coiled
serpent.

26.08.15 TEAL'C (OS CONT)-Push it and then turn it. (beat) Stand
aside.

- 28.19.09 O'NEILL-All right. I'm not talking to that thing in your head. (beat) I'm talking to Skaara.
- 28.26.02 SKAARA/KLOREL (DISTORTED)-Nothing of the host survives.
- 28.28.09 O'NEILL-That's bullshit! (beat) Now, let him talk to me.
- 28.35.17 SKAARA/KLOREL (DISTORTED)-Your friend had a feeble mind. It suffered greatly and gave in easily.
- 28.55.27 O'NEILL-Come on, Skaara. Look at me. Try!
- 29.03.09 SKAARA/KLOREL (DISTORTED)-Perhaps I will not kill you. Perhaps you will make a good host yourself.
- 29.10.00 O'NEILL-All right. Promise me this thing won't kill him.
- 29.12.20 TEAL'C-Two shots will. One shot will only cause him great pain.
- 29.16.04 O'NEILL-So here's the deal: Let him out, let him talk to me, or you get the whole load.
- 29.22.10 SKAARA/KLOREL (DISTORTED)-You will only hurt your friend.

29.25.22 O'NEILL-He's a tough kid.

29.28.04 SKAARA/KLOREL (DISTORTED)-Your friend is too afraid to
come forward.

29.31.04 SKAARA/KLOREL (DISTORTED) (OS CONT)-He enjoys my
protection.

29.33.07 SKAARA/KLOREL (DISTORTED) (CONT)-He really does not wish
to speak with you.

29.37.02 O'NEILL-Is that right? Let him go, Teal'c. (beat) Let
him go!

29.51.00 SKAARA-Sha're! Dan'yer! (unintelligible)

29.55.15 O'NEILL-Skaara...? Hey there.

30.00.15 SKAARA-O'Neer... It hurts...

30.04.28 O'NEILL-I know, kid. I'm sorry.

30.08.12 SKAARA-O'Neer, are you still my friend?

30.13.21 O'NEILL-Yes, I am.

30.16.13 SKAARA-Can you forgive me for what we are about to do?

30.23.23 O'NEILL-What are you about to do? (beat) Skaara!
Skaara, what are you about to do?!

30.30.13 SKAARA-Please, forgive me...

30.32.18 O'NEILL-Hang in there, kid. Come on! Hang on! What are
you about to do?!

30.36.15 SKAARA/KLOREL (DISTORTED)-Jaffa, nok kree tol!

30.43.02 JAFFA-Drop the weapon! Realease Kloreel, now.

30.59.06 O'NEILL-Come on, Skaara. Help us.

31.08.00 JAFFA-Release him. (beat) Or we will kill the human.

31.13.21 TEAL'C-if you kill the human, I will kill Kloreel.

31.16.13 JAFFA-And the host in which he resides.

31.47.08 SKAARA/KLOREL (DISTORTED)-Jaffa, nok! (beat) The
traitor and his recruiter. My father will be
pleased.

32.02.06 CARTER (OS)-The Naquadah in...

32.02.25 CARTER (CONT)-the gate will magnify the explosion.

- 32.06.01 DANIEL-I'm just hoping they can't see us through this thing.
- 32.34.28 APOPHIS (IN BALL DISTORTED)-Shin tel, Klorel?
- 32.38.19 SKAARA/KLOREL (DISTORTED)-Father... I wish to present you with a great gift: The traitor, Teal'c.
- 32.49.09 SKAARA/KLOREL (DISTORTED) (OS CONT)-And I present the human that recruited him.
- 32.57.17 O'NEILL-Hey, pops!
- 32.58.16 APOPHIS (IN BALL DISTORTED)-Silence! (beat) Klorel, where did they come from?
- 33.03.23 SKAARA/KLOREL (DISTORTED)-We do not know. We found them after departure.
- 33.07.12 APOPHIS (IN BALL DISTORTED)-How many more came with you?
- 33.08.25 O'NEILL-Thousands. We brought a whole army.
- 33.13.06 SKAARA/KLOREL (DISTORTED) (OS)-I assure you,...
- 33.14.00 SKAARA/KLOREL (DISTORTED) (CONT)-Father, there could be no more.

- 33.17.07 APOPHIS (IN BALL DISTORTED) (OS)-You have made me proud,
my son.
- 33.22.03 SKAARA/KLOREL (DISTORTED)-Do you wish that I keep them
until our rejoining?
- 33.24.23 APOPHIS (IN BALL DISTORTED)-No. Teal'c must suffer the
most painful death a Jaffa can know -- (beat)
removal of his Prim'ta.
- 33.35.19 APOPHIS (IN BALL DISTORTED) (OS CONT)-Let his new master
watch him suffer and die.
