01.53.18 O'NEILL-Carter! We've got to go! You all right?

02.00.06 CARTER-Yeah.

02.01.24 O'NEILL-Let's get him out of here. C'mon...

02.03.24 CARTER-Dead. Had some kind of seizure. Bit his own  
tongue.

02.18.07 FRASIER (OS)-Keep it elevated and...

02.25.04 TALIA-No...!

02.26.09 HAMMOND-I want a full medical quarantine until these  
people can be examined! Colonel O'Neill and the  
rest...?

02.30.26 DANIEL-Right behind me, and a dozen Jaffa right behind  
them.

02.35.08 HAMMOND-Lock it up!

02.46.23 O'NEILL (OS)-Carter?

02.48.20 O'NEILL (CONT)-You okay?

02.50.23 CARTER-Yeah, fine. Thanks.

- 04.00.04 DANIEL (OS)-There hadn't been any Goa'uld interference on this planet...
- 04.01.11 DANIEL (CONT)-for over three centuries. The Nasyans are... were peaceful people. They were eager to form an alliance and aid us in setting up a research outpost. There was no warning this attack was coming. We hadn't even spotted the mothership by the time the gliders assaulted the village.
- 04.18.01 HAMMOND (OS)-It's not normal for the Goa'ulds to suddenly just...
- 04.20.08 HAMMOND (CONT)-show up and wipe out a peaceful people for no apparent reason, is it?
- 04.23.04 DANIEL (OS)-In the past, there...
- 04.23.09 DANIEL (CONT)-was usually some reason. Most often they seem to attack civilizations that are advancing to the point where their technology could...
- 04.29.03 DANIEL (OS CONT)-be a threat, but that wasn't the case here.
- 04.31.23 O'NEILL-Maybe they found out we were there.
- 04.34.17 DANIEL-Well, how could they know? Or more importantly, why did this particular Goa'uld care?

04.40.00 O'NEILL-They might've been a little concerned because we just kicked the crap out of Apophis.

04.44.10 DANIEL-Well, the truth is we still understand very little about their society.

04.48.01 TEAL'C (OS)-I've seen the Goa'uld...

04.49.08 TEAL'C (CONT)-wipe out entire civilizations with no reason, simply because it gave them pleasure.

04.54.20 DANIEL (OS)-So, what -- Nasya was just next on the list?

04.57.13 DANIEL (CONT)-A part of me wishes it was that simple, but I don't want to underestimate them.

05.00.15 CARTER-Maybe the reasons just weren't made apparent to you, Teal'c. I mean, you are just a Jaffa. (beat) All, all I meant was that Apophis wouldn't necessarily have explained everything to Teal'c...

05.13.09 CARTER (OS CONT)-even if he was first prime,...

05.16.08 CARTER (CONT)-would he?

05.18.03 TEAL'C-That is true.

05.19.24 DANIEL (OS)-I agree with Sam.

- 05.20.19 DANIEL (CONT)-I, I think we have to assume the Goa'uld are more complex as a society than we're giving them credit for.
- 05.24.24 CARTER-The better you understand the enemy, the better prepared you are in conflict.
- 05.29.21 DANIEL-Exactly.
- 05.31.00 HAMMOND (OS)-Well, what's the status of the Nasyan survivors?
- 05.33.09 DANIEL (OS)-Well, we managed to rescue 237 people.
- 05.36.00 DANIEL (CONT)-The critically burned and some of the overflow our infirmary couldn't handle were transferred to the Air Force Academy hospital. The rest are awaiting relocation.
- 05.44.07 HAMMOND-Proceed.
- 05.45.00 DANIEL (OS)-But, sir, I-I-I think...
- 05.45.11 DANIEL (CONT)-it's important to try and find a reason why Nasya became a Goa'uld target.
- 05.50.10 HAMMOND-Agreed. But relocation is the first priority.  
(beat) I'm assigning the three new SG teams, ten through...

05.56.28           HAMMOND (OS CONT)-twelve, to coordinate with you.  
                  Dismissed.

06.04.13           O'NEILL-Oh... Carter? I hate to be a nag about this, but  
                  ol' Doc Fraiser says you haven't been checked out  
                  yet.

06.10.02           CARTER-I'll go right now. Wouldn't want to break post-  
                  mission protocol, right, Colonel?

06.27.18           FRAISER-Sorry to have to do this. All right... open.  
                  (beat) You had a sore throat lately?

06.41.27           CARTER-Uh, a little. Why?

06.43.08           FRAISER (OS)-Well, there's a small abrasion back there.  
                  I'm gonna have to do a swab. (beat) And open.

06.54.14           FRAISER (CONT)-Cassandra's been asking about you.

06.58.00           CARTER-Cassandra... Yeah. I, I've been so busy lately...

07.03.11           FRAISER-She understands.

07.05.08           FRAISER (OS CONT)-Okay. You just let...

07.05.20           FRAISER (CONT)-me know if it gets worse.

07.07.26 CARTER-I'm free to go out tomorrow, though, right? We're searching possible relocation sites for the Nasyans.

07.12.00 FRAISER-Sure. Cassandra's gonna be at the hospital with me tomorrow, so why don't you stop by and spend a little time with her first, you know, if you can.

07.18.23 CARTER-I will.

07.19.23 FRAISER-Good.

07.30.25 FRAISER (OS INTO RECORDER)-Patient has third degree burns to over eighty percent of his body.

07.34.12 FRAISER (CONT INTO RECORDER)-So far, no sign of infection. (TO HERSELF) Incredible... (TO CARTER) Hey.

07.44.14 CARTER-Is this one of the Nasyans we saved?

07.45.27 FRAISER-Yeah.

07.46.28 FRAISER (OS CONT)-He should be dead.

07.49.06 FRAISER (CONT)-Cassandra is in my office. Now, we still have rounds to make, but... You know where it is, right?

08.26.00 CARTER-Hey there.

08.27.12 CASSANDRA-Sam! Ugh...

08.32.21 CARTER-Wow. Nice painting.

08.34.24 CASSANDRA-You really like it? My teacher at school says  
I have talent.

08.38.24 CARTER-I love it.

08.40.12 CASSANDRA-I've missed you.

08.42.15 CARTER-I know. I'm sorry I've been so busy.

08.43.22 CASSANDRA (overlapping)-...very busy.

08.54.02 CARTER-Cassandra, what is it?

09.07.17 HAMMOND-It would be easier on the Nasyans if there were  
already an active civilization willing to cooperate.

09.13.16 O'NEILL-I'll bet you the people on P3X-422 would be  
willing to --

09.16.08 TECHNICIAN (overlapping)-Colonel O'Neill, there's an  
urgent call for you, sir.

09.21.12 O'NEILL (INTO PHONE)-Yeah?

09.24.21 FRAISER (VO)-Thanks for coming so quickly.

09.27.05 O'NEILL-What's going on with her?

09.28.06 FRAISER-I'm not sure. She won't talk to me. She said she'd see you and only you. Cassandra? It's just me, honey! I've got Colonel O'Neill with me!

09.56.16 O'NEILL-Hey. (beat) Janet says you've been a little upset since Sam was here. (beat) What happened?

10.28.14 CASSANDRA-She said she'd kill me if I told.

10.33.01 O'NEILL-Well, you don't mean "kill you" kill you...?  
(beat) No, I doubt that.

10.40.05 CASSANDRA-She said she would.

10.44.14 O'NEILL (OS)-Cass...

10.46.00 O'NEILL (CONT)-Sam loves you. She'd never do anything to hurt you.

10.50.04 CASSANDRA-She would now.

10.56.20 O'NEILL-Why?

11.06.02 CASSANDRA-She's a Goa'uld.

11.12.00 CARTER-Where's the Colonel? We're due to get out of here  
in five minutes.

11.15.02 DANIEL-Well, he left us a message that said he'd meet us  
in the gate room.

11.17.14 CARTER-Well, step on it then!

11.23.10 DANIEL-What was that?

11.36.27 CARTER-Where's Colonel O'Neill?

11.39.25 O'NEILL-Stand down, campers. We're on a hold.

11.42.04 CARTER (OS)-Why?

11.43.18 O'NEILL-I don't know... some computer glitch...

11.52.24 CARTER-What the hell was that?

11.56.16 FRAISER-That was enough to take down an elephant.

- 12.02.11 CARTER/GOA'ULD (DISTORTED)-Open the Stargate!
- 12.03.26 DANIEL-Jack, what the hell is going on?
- 12.06.13 CARTER/GOA'ULD (DISTORTED)-Open the gate now! I command  
you...!
- 12.20.24 CARTER/GOA'ULD (DISTORTED)-Open the gate now, or we will  
all die!
- 12.25.21 O'NEILL-Hold your fire! Teal'c...
- 12.29.24 SG GUARD-I have a shot, sir.
- 12.31.14 O'NEILL (OS)-And if she drops...
- 12.32.02 O'NEILL (CONT)-that grenade, what...?
- 12.42.19 O'NEILL-Nobody's gonna open that Stargate.
- 12.45.27 O'NEILL (OS CONT)-We're all gonna live,...
- 12.48.13 O'NEILL (CONT)-or we're all gonna die right here.
- 12.53.11 CARTER/GOA'ULD (DISTORTED)-Let me go! I must go!
- 12.55.24 O'NEILL-Not gonna happen.
- 13.05.08 O'NEILL-Take it easy.

- 13.22.21 O'NEILL (VO)-I didn't know.
- 13.24.27 O'NEILL (CONT)-I wasn't sure until I saw her lose it down there. Cassy was the one who suspected.
- 13.31.10 FRAISER-Cassandra still has traces of Naquadah in her blood. I think there may be some connection,...
- 13.36.00 FRAISER (OS CONT)-a reaction that made her sense the Goa'uld.
- 13.38.05 HAMMOND-How in the world did it get into Captain Carter?
- 13.41.01 FRAISER (OS)-Sir, I don't know what to say.
- 13.42.23 FRAISER (CONT)-I examined Captain Carter myself. There were no visible signs of entry.
- 13.47.05 FRAISER (OS CONT)-I mean, she had a, a small abrasion...
- 13.48.10 FRAISER (CONT)-on the back of her throat, but it could've been anything.
- 13.51.09 HAMMOND-Are you saying it entered through her mouth?
- 13.53.15 FRAISER (OS)-The parasite's goal is to attach itself to the brain stem.
- 13.56.15 FRAISER (CONT)-The soft tissue at the back of the throat is as good a place as any to start.
- 14.01.27 O'NEILL-Oh, wait a minute, wait a minute...
- 14.04.19 O'NEILL (OS CONT)-Oh my God... She was...

- 14.05.20 O'NEILL (CONT)-giving some guy on that planet mouth to mouth.
- 14.09.03 O'NEILL (OS CONT)-There was blood, but she said the guy just...
- 14.10.22 O'NEILL (CONT)-bit his tongue before he died.
- 14.13.18 FRAISER-If a Goa'uld can infest a human with no detectable physical signs,...
- 14.20.02 FRAISER (OS CONT)-then we're gonna have to start giving all personnel who go through the gate...
- 14.23.04 FRAISER (CONT)-an ultrasound or an MRI.
- 14.24.26 HAMMOND-Well for now, let's make sure we haven't let any more Goa'ulds through the gate this time.
- 14.28.20 DANIEL-What would a, a Goa'uld be doing in a, a Nasyan man in the first place? I mean, we certainly didn't notice any of them acting Goa'uld-ish.
- 14.35.18 O'NEILL-Maybe it was a set-up. Trying to get a spy into one of us...
- 14.39.11 TEAL'C (OS)-It is possible...
- 14.39.25 TEAL'C (CONT)-the Goa'uld within Captain Carter has already placed a device of destruction on this base.
- 14.44.21 HAMMOND (OS)-If there's any...

- 14.45.09           HAMMOND (CONT)-tampering here, I want it found. Teal'c, I'd like you to help. You'll know better than anyone what to look for.
- 14.54.14           DANIEL-What are we gonna do about Sam?
- 14.57.07           O'NEILL-We're gonna get that damn thing out of her is what we're gonna do!
- 15.00.18           DANIEL (OS)-Well, that, that didn't...
- 15.00.27           DANIEL (CONT)-really work with Kawalsky.
- 15.03.01           DANIEL (OS CONT)-And if any of those N.I.D. guys like Colonel Maybourne find...
- 15.05.16           DANIEL (CONT)-out about this, then --
- 15.06.26           O'NEILL (overlapping)-Well, they're not going to! Right, General?
- 15.12.00           HAMMOND-Agreed. I'm not giving up on Captain Carter either. But until someone presents me with a viable option, I'm putting you in charge of interrogating the prisoner.
- 15.21.17           O'NEILL-With due respect, sir, I don't think that thing in her head is gonna tell me anything.

16.46.15 O'NEILL-I thought you were helping with the sweep of the base.

16.49.27 TEAL'C-I am on my way. (beat) This is difficult.

17.11.22 O'NEILL-Yeah. Yeah, it is.

17.17.27 TEAL'C-Assault the Goa'uld's ego.

17.20.09 TEAL'C (OS CONT)-Make him appear foolish. He may then reveal the things...

17.23.16 TEAL'C (CONT)-you wish to learn, simply to make himself appear more powerful.

17.27.21 O'NEILL-Ah, come on, Teal'c. They're smarter than that.

17.31.10 TEAL'C (OS)-I have seen many Goa'uld...

17.32.24 TEAL'C (CONT)-strategies revealed, and certain victories lost because of Goa'uld arrogance.

17.37.27 TEAL'C (OS CONT)-It is the Goa'uld's...

17.38.23 TEAL'C (CONT)-greatest weakness.

17.50.27 O'NEILL-Yeah.

17.55.05 TEAL'C-Colonel O'Neill... (beat) When you speak to her, do not see your friend.

18.07.00 O'NEILL-How do you do that?

18.44.11 O'NEILL (OS)-So...

18.46.17 O'NEILL (CONT)-You and I've got to have a little talk.

18.52.03 O'NEILL (OS CONT)-You really screwed up here, you know.

18.54.15 O'NEILL (CONT)-I mean, you really blew it.

18.58.01 CARTER/GOA'ULD (DISTORTED)-You are weak.

18.59.13 O'NEILL-Who's behind bars right now?

19.01.22 CARTER/GOA'ULD (DISTORTED)-Your tactics will not work on  
me.

19.07.01 O'NEILL-Not buyin' it, huh?

19.09.04 CARTER/GOA'ULD (DISTORTED) (OS)-You must let me go.

19.12.00 O'NEILL-Uh... no.

19.16.06 CARTER/GOA'ULD (DISTORTED)-You really have no idea why  
this is happening.

19.25.10 O'NEILL-And I guess you don't feel like tellin' me.

19.30.24 DANIEL (OS)-This is a picture of the...

- 19.32.24 DANIEL (CONT)-man the Goa'uld came from.
- 19.42.15 TALIA-It's my husband.
- 19.45.26 DANIEL (OS)-One of the other Nasyans recognized him.
- 19.50.07 TALIA (OS)-And something was...
- 19.51.04 TALIA (CONT)-inside of him?
- 19.53.26 DANIEL-I know how difficult this is for you. (beat) I  
lost my wife to the Goa'uld.
- 20.04.09 TALIA-I'm sorry.
- 20.10.01 DANIEL-It's important that you tell me if you noticed  
anything...
- 20.12.21 DANIEL (OS CONT)-different about your husband lately. I  
mean... anything...?
- 20.17.00 DANIEL (CONT)-A, a, an injury... or uh, uh... new scars  
maybe...?
- 20.21.16 TALIA-Wait... Here. But it was months ago.

- 20.29.12 DANIEL-Months ago? Y-y-you never noticed anything since then? (beat) I mean, he, he, he wasn't acting strange...? I mean, he wasn't, he wasn't violent? His eyes didn't glow...? (beat) I'm sorry. Um... (beat) Why don't I let you rest.
- 22.49.11 CARTER/GOA'ULD (DISTORTED) (OS)-Let me go.
- 22.53.27 CARTER/GOA'ULD (DISTORTED) (CONT)-Let me go through the Stargate. I will find another host and send your friend back to you.
- 23.01.07 O'NEILL-You can do that? Leave a host without killing them?
- 23.07.10 CARTER/GOA'ULD (DISTORTED) (OS)-Yes.
- 23.08.25 CARTER/GOA'ULD (DISTORTED) (CONT)-It is possible, but not easy. I could die, but I promise I will try.
- 23.14.15 O'NEILL-The Nasyan man died when you left him.
- 23.17.19 CARTER/GOA'ULD (DISTORTED)-The Nasyan man died first. That is why I left him. He was beyond my natural abilities to heal.
- 23.24.00 O'NEILL-What were you doing in him in the first place?

- 23.29.02 CARTER/GOA'ULD (DISTORTED)-Carter's mind would be intact.  
She would return to you as you knew her before.
- 23.37.00 O'NEILL-You know I can't trust you.
- 23.38.25 CARTER/GOA'ULD (DISTORTED)-I could've killed you and many  
others when you stopped me from going through the  
Stargate.
- 23.42.10 O'NEILL-You didn't want to die yourself.
- 23.44.10 CARTER/GOA'ULD (DISTORTED)-They would not have killed me.  
I am too valuable.
- 23.47.17 O'NEILL-Which is exactly why we'll never let you go.
- 23.53.23 CARTER/GOA'ULD (DISTORTED) (OS)-I have done nothing to  
harm you! But you would not let me go even if you  
did believe me.
- 24.01.08 CARTER-Oh, God...
- 24.02.10 CARTER (OS CONT)-He's telling you the truth! Please,  
Jack!
- 24.10.06 CARTER (CONT)-No, Jack, please! Don't leave me, please!  
Give me a chance!
- 24.13.09 CARTER (OS CONT)-Don't leave me like this!

- 24.16.18 CARTER (CONT)-Please!
- 24.23.05 CARTER/GOA'ULD (DISTORTED) (CONT)-What will it take?
- 24.57.00 TEAL'C-You have requested my presence?
- 
- 24.59.17 CARTER/GOA'ULD (DISTORTED) (OS)-Jaffa.
- 25.01.03 CARTER/GOA'ULD (DISTORTED) (CONT)-You must convince the  
humans to let me go.
- 25.03.13 TEAL'C-They will not let you go.
- 25.04.24 CARTER/GOA'ULD (DISTORTED) (OS)-They are impressive. The  
Tauri have...
- 25.06.01 CARTER/GOA'ULD (DISTORTED) (CONT)-become very powerful in  
the time since the Goa'uld reign here. Certainly  
the system lords...
- 25.10.28 CARTER/GOA'ULD (DISTORTED) (OS CONT)-will not allow this  
to go unchecked. I can provide...
- 25.13.18 CARTER/GOA'ULD (DISTORTED) (CONT)-the humans with  
information that can help them defend against  
attack.
- 25.17.05 TEAL'C-They are more powerful than you know. Already a  
Goa'uld attack on Earth has been thwarted.
- 25.22.02 CARTER/GOA'ULD (DISTORTED) (OS)-Then a more powerful...

- 25.22.14 CARTER/GOA'ULD (DISTORTED) (CONT)-assault is already being planned.
- 25.24.22 TEAL'C (OS)-They are not fools. They believe...
- 25.26.20 TEAL'C (CONT)-you are here to plant the seed of that destruction.
- 25.31.09 CARTER/GOA'ULD (DISTORTED)-Not all Goa'uld are the same. There are a few that oppose...
- 25.35.15 CARTER/GOA'ULD (DISTORTED) (OS CONT)-the system lords and their ways.
- 25.38.02 CARTER/GOA'ULD (DISTORTED) (CONT)-You must've heard of the Tok-ra.
- 25.41.28 TEAL'C-Every Goa'uld seeks power for his own reason, and would his own brother to achieve it.
- 25.46.22 CARTER/GOA'ULD (DISTORTED)-Some seek power for a greater purpose. Not every Goa'uld is an enemy to the people of this planet. The Tok-ra are real, no matter what Apophis has told you.
- 25.57.12 TEAL'C-I have yet to meet one.
- 25.59.00 CARTER/GOA'ULD (DISTORTED)-You have now. I am Jolinar of Malk-shur.

26.21.28 DANIEL-Oh, uh... Excuse me. Sorry. I just wanted to check on Talia. (beat) How is she?

26.29.13 ASHRAK-She is good.

26.47.21 FRAISER-Rita...?

26.48.14 RITA-Yeah?

26.49.00 FRAISER-Have you seen Dr. Jacobs recently?

26.50.03 RITA-Unh unh.

26.51.06 FRAISER-Okay. What about the most recent bloodwork done on the patient in 412?

26.57.08 RITA-Here it is.

26.57.19 FRAISER (overlapping)-Good. Thanks.

27.12.20 FRAISER (OS CONT)-Dr. Jacobs...!

27.16.16 TEAL'C-There is an old legend among the Jaffa, forbidden to speak of, concerning a group of Goa'uld who oppose the ways of the system lords. This group is called the Tok-ra. This Goa'uld, Jolinar of Malkshur, claims to be part of that group.

- 27.30.27 O'NEILL-Can you be sure he is who he says he is?
- 27.35.23 TEAL'C-I can not.
- 27.37.08 CARTER/GOA'ULD (DISTORTED) (OS)-Unfortunately, we do  
not...
- 27.38.09 CARTER/GOA'ULD (DISTORTED) (CONT)-carry identification.
- 27.45.16 O'NEILL-Okay. Let's try to build a little trust here,  
shall we? (beat) One of the Nasyans we brought  
back was very badly burned, but somehow, he just got  
up...
- 27.56.19 O'NEILL (OS CONT)-out of his hospital bed and  
disappeared.
- 28.00.26 O'NEILL (CONT)-Who is he?
- 28.05.01 CARTER/GOA'ULD (DISTORTED)-Must be the Ashrak.
- 28.09.28 TEAL'C-It means "hunter".
- 28.12.00 O'NEILL-A Goa'uld?
- 28.13.08 CARTER/GOA'ULD (DISTORTED)-Yes. An assassin of the  
highest rank who carries out the orders of the  
system lords.

28.19.00 O'NEILL-Who is he here to kill?

28.22.09 CARTER/GOA'ULD (DISTORTED)-Me.

28.27.01 TEAL'C (OS)-The missing Nasyan is...

28.28.05 TEAL'C (CONT)-an Ashrak. A Goa'uld assassin sent by the  
system lords to eliminate Jolinar.

28.34.04 DANIEL-That's the name of the Goa'uld in Sam?

28.36.15 TEAL'C-It is.

28.38.14 TEAL'C (OS CONT)-Jolinar once tried to overthrow one of  
the system lords,...

28.40.25 TEAL'C (CONT)-but was defeated when Apophis joined the  
battle. (beat) He escaped during the slaughter of  
his armies.

28.46.22 O'NEILL-It seems this Jolinar is wanted in Goa'uld-town.

28.51.11 TEAL'C (OS)-He claims to be...

28.51.25 TEAL'C (CONT)-part of the Tok-ra.

28.55.15 DANIEL-Resistance...

- 29.39.00 O'NEILL (CONT)-We may have a Goa'uld out there who's on a mission to kill Carter.
- 29.44.17 DANIEL-And we don't even know what he looks like.
- 29.50.11 P.A. ANNOUNCER (VO FILTERED)-Class one security breach. All authorized personnel are required to check in at their designated security post.
- 29.57.22 ASHRAK-Excuse me...
- 29.58.25 SG GUARD-Yeah, doc... What's up?
- 30.00.06 ASHRAK-You're sending these people home?
- 30.01.15 SG GUARD-Yeah, you could say that.
- 30.21.27 CARTER/GOA'ULD (DISTORTED)-Daniel Jackson...
- 30.23.20 DANIEL-Yes.
- 30.25.13 CARTER/GOA'ULD (DISTORTED)-You care about Samantha Carter as much as O'Neill and Teal'c?
- 30.30.02 DANIEL-Yes, I do.

- 30.31.14 CARTER/GOA'ULD (DISTORTED)-Yet this is the first time you have come to see me.
- 30.35.18 DANIEL-I came to see if you could give us a description of the Ashrak.
- 30.39.06 CARTER/GOA'ULD (DISTORTED)-I will know his face only in the moments before he tortures me to death, killing your friend along with me.
- 30.46.20 DANIEL-Well, there's no way he's getting in here.
- 30.49.01 CARTER/GOA'ULD (DISTORTED)-You are not stupid, Daniel, nor am I.
- 30.51.16 DANIEL-He doesn't even know for sure you're, you're on this planet, let alone in this base.
- 30.56.11 CARTER/GOA'ULD (DISTORTED) (OS)-He is Goa'uld. He will...
- 30.57.21 CARTER/GOA'ULD (DISTORTED) (CONT)-find me. It's what he does.
- 31.01.05 CARTER/GOA'ULD (DISTORTED) (OS CONT)-Letting me go, trusting me, is the only chance of saving...
- 31.03.26 CARTER/GOA'ULD (DISTORTED) (CONT)-your friend Samantha.

31.05.22 DANIEL-Then I'm sorry. (beat) I'm sorry, Sam.

31.18.26 CARTER/GOA'ULD (DISTORTED)-Alive I can be a powerful...

31.20.11 CARTER/GOA'ULD (DISTORTED) (OS CONT)-ally. Dead I am  
useless to you.

31.23.08 DANIEL-Then you're gonna have to give us more than empty  
promises.

31.26.05 CARTER/GOA'ULD (DISTORTED)-I can give her back to you.

31.30.25 DANIEL-We can't let you go.

31.32.11 CARTER/GOA'ULD (DISTORTED)-I'm not talking about  
Samantha, Daniel. (beat) I'm talking about Sha're.  
(beat) I know where she is.

32.01.19 DRIVER-Who are you?

32.02.24 ASHRAK-John Adams.

32.04.01 DRIVER-No, you're not John Ad --

32.14.20 O'NEILL-Daniel, it's a ploy. He's playing on your  
greatest weakness.

- 32.20.24 DANIEL-This may be the only chance we have to see Sam again.
- 32.23.06 TEAL'C-I believe Jolinar speaks the truth.
- 32.26.22 DANIEL-Look, he, he told me about this resistance. Now, they have a, a...
- 32.29.00 DANIEL (OS CONT)-totally different way of life from the Goa'uld that we know. They don't believe in...
- 32.32.00 DANIEL (CONT)-taking hosts against their will.
- 32.34.09 O'NEILL (OS)-Right.
- 32.35.10 O'NEILL (CONT)-Like Carter and this Nasyan guy.
- 32.37.12 DANIEL (OS)-No.
- 32.37.28 DANIEL (CONT)-He had no choice. He wants to leave Carter.
- 32.40.09 HAMMOND-If they don't believe in taking hosts, how do they survive?
- 32.43.22 DANIEL-They take humans who are about to die, who choose to continue to live and co-exist with the Goa'uld. Now, according to Jolinar, this can be a rewarding relationship.

- 32.52.25 O'NEILL (OS)-Daniel, I'm sorry. I know what this means to you.
- 32.56.00 O'NEILL (CONT)-But I will never, never trust a Goa'uld.
- 33.02.15 HAMMOND (INTO PHONE)-Hammond. (TO OTHERS) The first group of Nasyans from the hospital have arrived.
- 33.17.00 SECURITY OFFICER-Go ahead, soldier. Uh huh. What the hell's that thing?
- 33.32.25 ASHRAK (OS)-It's a ring. Want a closer look?
- 33.41.10 SECURITY OFFICER-Have a nice day, airman.
- 33.52.07 ASHRAK-Boys. As you were.
- 34.17.12 TECHNICIAN 2 (INTO PHONE)-Control room? (TO HAMMOND)  
Sir, it's the Infirmary. They said it's important.
- 34.22.00 TECHNICIAN (VO FILTERED)-Chevron five is engaged.
- 34.24.16 HAMMOND (INTO PHONE)-Thank you. (TO O'NEILL) The driver of the transport truck that delivered the Nasyans just reported to the infirmary. Says he blacked out. Doesn't remember driving from the hospital to the base at all.

- 34.38.13 O'NEILL-Call up security camera 16Delta, please. (beat)  
Thank you. Let's get down there.
- 34.49.07 TECHNICIAN-Chevron six is engaged.
- 34.52.28 HAMMOND (INTO PHONE)-This is General Hammond. Security  
to level 16, holding room Delta.
- 34.56.28 TECHNICIAN-Chevron seven is locked.
- 35.15.12 ASHRAK/GOA'ULD (DISTORTED)-Interesting weapons these  
humans use.
- 35.27.20 ASHRAK/GOA'ULD (DISTORTED)-Cree-shac, Jolinar. By decree  
of the Goa'uld System Lords, you will die with  
dishonour, by the power of the Harakash.
- 35.37.19 CARTER/GOA'ULD (DISTORTED)-Hear this. The days of the  
Goa'uld System Lords are numbered. Tell them that I  
died with hope. My death only feeds the fire that  
burns strong in the Tok-ra.
- 36.01.17 SOLDIER-This way, this way....!
- 36.10.18 ASHRAK-She's dead. Let's go.

36.17.17 ASHRAK-Colonel! Prisoner and two guards dead!

36.29.22 TEAL'C-These two are dead.

36.30.20 O'NEILL-Sam...! Sam...!

36.33.09 O'NEILL (OS CONT)-Sam...!

36.35.00 O'NEILL (CONT)-Teal'c, get a medical team down here right  
away! C'mon, Sam...

36.43.00 FRAISER (OS)-Let's get her on the table!

36.44.23 FRAISER (CONT)-I want an EKG and an EEG stat! (beat)  
Okay, on my count... Three... two... one...!

36.52.16 FRAISER (OS CONT)-Good. Let's go. Where's my "eppi"?

36.54.09 MED TECH-You got it.

36.54.27 FRAISER (OS)-One milligram. (beat) Eppi's in...

37.02.16 TALIA-Thank you... for everything your people have done  
for us.

37.07.24 DANIEL-You're gonna be okay.

37.09.13 TALIA-I hope your friend will also be well.

37.11.28 MED TECH-Pulse is erratic.

- 37.13.11 FRAISER (OS)-We're getting feedback...
- 37.13.25 FRAISER (CONT)-from the EEG. What is this?
- 37.17.07 MED TECH-Looks like interference. Two signals.
- 37.20.20 FRAISER (OS)-Well, isolate them. We could be picking up separate brain waves from the parasite.
- 37.45.09 DANIEL-Hey, I know you... (beat) Oh, jeez...
- 37.50.24 ASHRAK/GOA'ULD (DISTORTED)-Do not try to stop me or I'll kill him.
- 38.00.06 O'NEILL-Doc...?
- 38.02.21 FRAISER-I don't know. I've never dealt with this type of situation before.
- 38.06.13 FRAISER (OS CONT)-The Goa'uld looks like it's dying and taking Carter with it.
- 38.12.21 HAMMOND (OVER SPEAKER FILTERED)-Release him, and no harm will come to you.
- 38.15.07 ASHRAK/GOA'ULD (DISTORTED) (OS)-Turn it back on.

- 38.16.10 HAMMOND (VO OVER SPEAKER FILTERED)-We can't do that. Let him go.
- 38.18.25 ASHRAK/GOA'ULD (DISTORTED)-Turn the gate back on now, or he dies!
- 38.25.23 MED TECH-The parasite is still getting weaker.
- 38.27.11 TECHNICIAN (VO FILTERED)-Security alert! Intruder in the embarkation room! Code red!
- 38.31.01 O'NEILL-Go.
- 38.31.27 MED TECH (OS)-Parasite energy level is still falling.
- 38.35.08 DANIEL-They're not gonna let you go.
- 38.36.03 ASHRAK/GOA'ULD (DISTORTED) (overlapping)-Silence! Open the Stargate!
- 38.42.15 FRAISER-Let's cardiovert one more time.
- 38.43.26 FRAISER (OS CONT)-Forty jewels.
- 38.53.06 TEAL'C-I am sorry, Daniel Jackson.
- 39.11.07 TEAL'C-Are you injured?

- 39.12.28 DANIEL-Dumb question... But thank you... I think.
- 39.18.21 TEAL'C-You are welcome.
- 39.21.04 DANIEL-Just don't ever do that again.
- 39.25.25 FRAISER-The parasite is dead. (beat) Try another milligram of eppi, then prepare for defib.
- 39.42.06 MED TECH (OS)-She's out of defib, sir.
- 39.44.01 FRAISER (OS)-She's got a pulse.
- 39.52.22 MED TECH-Faint, but stable.
- 40.12.06 O'NEILL-You did it, Sam. You won.
- 40.23.06 CARTER-It wasn't me.
- 40.24.28 O'NEILL-Oh, yes, it was.
- 40.26.27 O'NEILL (OS CONT)-You hung in there. You beat it.
- 40.30.20 CARTER-The Goa'uld gave it's life for me. It saved me.
- 41.15.03 DANIEL-Hey, Sam. How's it goin' tonight?

41.26.22 DANIEL-She's still the same.

41.30.28 CASSANDRA-Janet said that the Goa'uld left after it died.

41.36.10 DANIEL-That's right. It, it died, and her body's  
absorbing it. She's the old Samantha Carter. Same  
person we've always known.

41.49.01 O'NEILL-Cassie, she's just a little sad right now. But  
I'll bet she cheers up when she sees you.

42.34.15 CASSANDRA-Sam, it's me. (beat) You're going to be okay.

43.01.27 FADE TO END CREDITS.
