TIMECODE

DIALOGUE

START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.32.13 O'NEILL-What's in the fancy box?

00.34.13 TEAL'C (OS)-It is Naquadah. Naquadah is highly valued by
the Goa'uld.

00.39.05 CARTER (OS)-SG-3 brought a small amount of the raw
element back last year.

00.42.21 CARTER (CONT)-We could really use some, sir.

00.46.10 O'NEILL (OS)-Well, maybe there's more.

00.55.05 O'NEILL-Whoa...!

01.14.01 DANIEL-Look.

01.25.04 O'NEILL-(whispering) Wish he'd stop doing that.

02.04.15 O'NEILL-She's gonna jump. (beat) Daniel!

02.28.09 DANIEL-Wait... Please...

02.36.07 JAFFA 1-Stay away from the princess.

02.41.27 O'NEILL-Nobody move.

02.49.04 SHYLA-Tell them to lower their weapons. (beat) They
will kill him.

04.11.02 O'NEILL-What were you thinking?

04.12.23 DANIEL-I thought she'd be grateful.

04.14.20 O'NEILL-She was trying to kill herself.

04.17.04 JAFFA 1-On your knees.

04.19.04 O'NEILL-You know, actually I've got this cartilage
problem, little ACL thing.... Arghhh! That helps...

04.27.13 SHYLA-My father, Pyrus the Godslayer, and ruler of this
planet, wishes to know who you are.

04.33.16 DANIEL-We're explorers. Peaceful explorers.

04.38.15 PYRUS-You attacked my daughter.

04.40.09 DANIEL-No! Tell him...

04.54.07 PYRUS-Only one of you is Jaffa. (beat) Who sent you?

05.07.08 PYRUS (OS CONT)-Where are you from?

05.10.07 O'NEILL-We are from a planet... (beat) ... called Earth.

05.18.13 PYRUS-What Goa'uld rules there?

05.21.25 O'NEILL-None.

05.22.23 PYRUS-Liar. Thieves. (beat) You will tell me the
truth, or you will die. (beat) Put them in the
mine!

05.32.28 SHYLA-Father...

05.36.28 DANIEL (OS)-No, wait! We're not...

05.38.20 DANIEL (CONT)-thieves! Wait...!

06.03.00 CARTER-Colonel, he isn't a Goa'uld. I don't think these
are real Jaffa either.

06.09.26 O'NEILL-How do you know?

06.11.05 CARTER-Well, the first clue was his voice.

06.13.27 O'NEILL-Yeah, I noticed that too.

- 06.16.05 CARTER-Sir, I can't really explain it, but when he grabbed me, I just knew. I felt it. Or, to be more accurate, I didn't feel it. (beat) Sir, I think it has something to do with the Goa'uld that invaded. Lately, I, I get this weird feeling when I'm near Teal'c.
- 06.32.05 O'NEILL-Hey, who doesn't?
- 06.33.10 CARTER-I, I can sense the presence...
- 06.35.06 CARTER (OS CONT)-of a Goa'uld now. I didn't get that feeling when he grabbed me.
- 06.38.28 TEAL'C-I agree with Captain Carter. The ruler here is not a Goa'uld.
- 06.44.12 O'NEILL-Alright. Let's assume you're both right. How does that help us?
- 06.49.00 CARTER-I'm not sure.
- 06.50.04 DANIEL-Look, I'm really sorry, guys. This is totally my fault.
- 06.53.27 JAFFA 2 (OS)-You will meet your quota...
- 06.54.17 JAFFA 2 (CONT)-for the day, or you will not eat.

06.57.06 O'NEILL-You know, I've seen a lot of union violations
around here. I should probably speak to your
supervisor.

07.11.15 JAFFA 2 (OS)-You will work.

07.16.28 O'NEILL-Hi ho, hi ho. Back to work...

07.32.06 DANIEL-I can't move any more.

07.47.17 JAFFA 1-Put down your tools! (beat) How does your leg
feel now?

08.05.16 O'NEILL-Oh, much better, thanks.

08.16.07 O'NEILL-Let's go! Let's go! (beat) Let's go, Daniel!

08.24.01 DANIEL-I'm comin'!

08.33.17 O'NEILL-Daniel!

08.41.13 CARTER (OS)-He's alive!

08.42.09 O'NEILL (OS)-Carter, you and Teal'c...

08.42.15 O'NEILL (CONT)-take off.

08.43.27 CARTER-Sir?

08.44.13 O'NEILL (overlapping)-GO!!

08.57.21 PYRUS-Foolish child. They must have been sent by some distant, evil god. Then they are here to raid our mine, and we can spare none of our Naquadah. It grows more scarce by the day.

09.18.24 SHYLA-I know. I will not put our world in jeopardy.

09.24.23 SHYLA (OS CONT)-When you are gone, I will have to make these kinds of choices all the time.

09.29.11 SHYLA (CONT)-Please... believe in me.

10.30.08 SHYLA (OS CONT)-Do you feel better?

10.36.05 DANIEL-What's going on?

10.37.17 SHYLA-You tried to escape. You were badly wounded.

10.43.03 DANIEL-My friends?

10.43.27 SHYLA-They were recaptured. By what name are you called?

10.50.00 DANIEL-Daniel Jackson.

- 10.53.16 SHYLA-May I help you out, Daniel Jackson?
- 11.05.23 DANIEL-Thank you. Why am I wearing this?
- 11.07.13 SHYLA-I took the liberty of providing you with royal robes. You may call me Shyla. In return for saving your life, please do not try and escape again. I have taken personal responsibility for you.
- 11.19.19 DANIEL-Okay.
- 11.20.13 SHYLA-It would also be rude of you to try and hurt me in any way.
- 11.24.07 DANIEL-Well, you do also realize it's also kind of rude to kidnap people and chain them up in a mine.
- 11.28.22 SHYLA-Please forgive me for not telling my father the truth about what happened by the cliff. (beat)
I... He would not understand.
- 11.37.22 DANIEL-Okay. So... You're not Goa'ulds, but you're running a Naquadah mine, and you've got yourselves a Goa'uld sarcophagus?
- 11.48.00 SHYLA-You know of the sarcophagus?

11.49.06 DANIEL-Yeah. I've, I've used one before. A couple of times too many, if you ask me.

11.53.11 SHYLA-Really?

11.54.12 DANIEL-My, uh, uh...

11.56.10 SHYLA-Oh... You want your glass circles. (beat) I'm afraid they were broken. (beat) I just know I've done the right thing. Come. I must show you something.

12.28.22 CARTER-He needed medical attention.

12.30.06 O'NEILL-I know.

12.31.08 CARTER-It wasn't your fault, sir. We had to take the opportunity when we did.

12.35.22 O'NEILL-I know that, too. (beat) I've had worse.

12.56.08 SHYLA-Isn't this splendid?

13.00.07 DANIEL-Why are we here?

13.02.08 SHYLA-I know you must have seen much in your travels, but surely you've never seen anything quite so beautiful. We call them trees.

13.14.10 DANIEL-Ah. Uh, so do we.

13.17.17 SHYLA-Then you've seen them before, on other worlds?

13.20.00 DANIEL-Yeah.

13.23.17 SHYLA-I'm a fool, aren't I? I mean,...

13.26.05 SHYLA (OS CONT)-surely you've seen much more incredible things than I can even imagine.

13.30.07 SHYLA (CONT)-Please... Tell me about them.

13.33.09 DANIEL-Um, look... I'd, I'd really like to, like to tell you everything you want to know, but, um... but my friends...

13.42.08 SHYLA-My father still believes that you and your friends have a nefarious purpose here.

13.46.02 DANIEL-But you don't?

13.49.17 SHYLA-We will convince him that you are decent, honest people who will bring no harm to our kingdom.

13.59.14 DANIEL-Well, I, I, uh, don't suppose we could go talk to your father now...?

14.05.00 SHYLA-He is not well now.

14.07.28 DANIEL-I don't, I don't wanna spoil this little "rapport" we seem to have going here.

14.12.14 SHYLA-That sounds almost romantic.

14.14.24 DANIEL-Oh boy, okay, here's the thing... Look, um... I'm very grateful to you that you saved my life...

14.19.02 DANIEL (OS CONT)-and that you wanna help me free my friends, but I'm...

14.22.09 DANIEL (CONT)-sensing that you did it because you're, uh...

14.24.19 SHYLA-Because you're my destiny.

14.27.06 DANIEL-Wh... What?

14.31.13 SHYLA-Before she died, my mother and I used to come out here and take long walks at night. You can see every star in the sky through the treetops.

14.42.24 DANIEL-Yes, but, about the destiny thing...

14.44.18 SHYLA (OS)-She used to tell me that a great man would
come from beyond the sun...

14.49.24 SHYLA (CONT)-just for me.

14.52.11 DANIEL-Oh.

14.58.00 SHYLA-I had come to believe that my mother was wrong.
That my true love would never come.

15.06.16 SHYLA (OS CONT)-I stood on that cliff, and I...

15.08.02 SHYLA (CONT)-wished one last time. At exactly the right
moment, you were there to save me, Daniel Jackson.

15.19.24 SHYLA (OS CONT)-You cannot deny that is fate.

15.31.15 DANIEL-Hi, guys.

15.33.09 CARTER-Daniel!

15.37.21 O'NEILL-Well, look. Surprisingly difficult to kill you,
isn't it?

15.44.10 TEAL'C (OS)-We are pleased to see you, Daniel Jackson.

15.47.03 CARTER (OS)-What happened?

15.51.00 DANIEL-Uh, Sam was right. Pyrus isn't a Goa'uld.

15.55.02 O'NEILL-What's with the dress?

15.57.04 DANIEL-Oh, uh... they're royal robes. Uh, long story...

16.02.27 DANIEL (OS CONT)-short. They have a sarcophagus. Um,
the...

16.05.23 DANIEL (CONT)-princess put me in it and saved my life
because she has a, a crush on me.

16.11.19 CARTER-A crush?

16.13.02 DANIEL-Uh, yeah. Actually, she thinks I'm her destiny..
The whole...

16.17.00 DANIEL (OS CONT)-saving her life thing... I. I guess she
was grateful, after all.

16.23.23 O'NEILL-Well, good job. Now, how about gettin' the
Goa'ulds to unlock us and get us the heck out of
here?

16.30.13 DANIEL-Uh, yeah. Not yet.

16.33.00 O'NEILL-I'm sorry?

16.36.01 DANIEL-Well, it, it, it's kind of a sensitive situation.
Pyrus hasn't exactly agreed to let you go yet. But
I, I, I'm working on it.

16.43.11 DANIEL (OS CONT)-I'm trying to gain his trust.

16.46.28 DANIEL (CONT)-Yeah. I know. This is really...

16.49.20 O'NEILL-Weird?

16.50.18 DANIEL-Look, I just wanted to let you guys know that I
was okay. And I will talk to Pyrus tonight at
dinner.

16.55.05 CARTER-You get dinner?

16.58.21 DANIEL-Yeah. Um, some feast in my honor or something.

17.03.05 O'NEILL-Feast? There's a feast, is there?

17.08.00 DANIEL-Just trust me. Okay? I just... I need more time.

17.20.24 O'NEILL-Glad you're okay!

17.39.24 DANIEL-Just me? (beat) Uh, hello... I'm Daniel Jackson.

18.01.23 SHYLA (OS)-My father is pleased that you...

18.02.16 SHYLA (CONT)-are so honored to dine in the company of his
greatness.

18.08.00 DANIEL-Exactly.

- 18.09.18 SHYLA-If you are lucky, he will tell you the story of how
he became the Godslayer.
- 18.16.10 PYRUS-I killed the Goa'uld who ruled here.
- 18.24.00 DANIEL-And how long ago was that?
- 18.26.10 PYRUS-Seven hundred years.
- 18.28.21 DANIEL-Seven hundred years? But you're a... (beat)
Well, of course, the sarcophagus, but...
- 18.36.22 DANIEL (OS CONT)-I had no idea it could sustain human
life so long. I mean,...
- 18.40.03 DANIEL (CONT)-Does that mean that you're...
- 18.41.19 SHYLA-No. I am very young by comparison. I have not
needed it to extend my life.
- 18.46.19 DANIEL-So the people continue to worship your father
because he's lived so long.
- 18.52.05 SHYLA-Uh, they worship him because he liberated them from
the evil god.
- 18.56.03 DANIEL-Um, then why does he still keep them working in
the mine?

18.59.03 SHYLA (OS)-So the other distant evil gods won't come.

19.03.28 DANIEL-So, this is, this is a masquerade.

19.06.13 DANIEL (OS CONT)-You're sending Naquadah through the
Stargate because....

19.07.22 DANIEL (CONT)-that's what the Goa'uld used to do. (beat)
Well, no wonder you're so paranoid about strangers.
I mean, you're, you're afraid of being found out.

19.17.11 PYRUS-I must sleep.

19.21.03 DANIEL-Uh, wait... uh, uh... Uh, about my friends...

19.30.12 PYRUS-Kill them.

19.30.28 DANIEL-What? No!

19.34.03 SHYLA-Father! You said that their punishment for trying
to escape would be to work in the mine without rest
for as long as they live. As an example to the
other workers.

19.46.28 PYRUS-I did?

19.47.24 SHYLA (OS)-Yes.

- 20.04.06 SHYLA-Do not worry about your friends. I have instructed the guards to treat them well.
- 20.09.16 DANIEL-I'm sorry. This is unacceptable. I can't be up here like this while they're down there.
- 20.14.19 SHYLA-We will change my father's mind about them.
- 20.17.13 DANIEL-Yeah. I, I don't think you're understanding what they mean to me.
- 20.21.05 SHYLA-It just may take some time.
- 20.23.01 DANIEL-Or maybe you do. The longer it takes to free them, the more time we have together, right?
- 20.30.03 SHYLA-I admit, that is what I would like.
- 20.33.13 DANIEL-Well then, release my friends. I won't leave. I'll, I'll stay and get to know you better. I, I promise.
- 20.41.17 SHYLA-Then you do feel as I do. (beat) Should I not have done that?
- 20.56.01 DANIEL-No, no... It's, uh, it's okay... It's just, um...

20.59.02 SHYLA-Maybe you're still not fully recovered.

21.04.03 DANIEL (OS)-Uh, you know, I really don't think that's
necessary.

21.07.12 DANIEL (CONT)-I mean, uh, I'm, I'm okay.

21.13.05 SHYLA-But you'd feel so much better.

21.17.05 DANIEL-Please...

21.18.00 SHYLA-For me? You will feel better than you have ever
felt. Trust me, and I will trust you. I promise.

22.10.14 TECHNICIAN-SG-1's remote code, sir. No travelers en
route, but we are receiving another radio
transmission.

22.16.00 GENERAL HAMMOND-Patch it through.

22.18.04 DANIEL (VO FILTERED)-Mission status remains the same.
Need more time to resolve situation diplomatically.
Next transmission in twenty-four hours. Daniel
Jackson, out.

22.44.24 O'NEILL-What the hell's goin' on?

- 22.46.26 CARTER (OS)-It's been days since we heard from you.
- 22.48.25 DANIEL (OS)-Oh, yeah yeah yeah yeah.
- 22.51.05 DANIEL (CONT)-Oh, I'm sorry. Um, yeah, I'm still workin'
on, um... on getting you guys out. Oh, in the
meantime, I've, I've discovered something
incredible.
- 23.03.10 O'NEILL-You do know we're dying down here, don't you?
- 23.07.11 DANIEL-I've taken the opportunity to do a little research
on the sarcophagus. It's amazing what it does to
you if you use it when you're already healthy.
- 23.16.11 CARTER-Well, is, is, is that such a good idea?
- 23.19.14 DANIEL-Well, I can't get Shyla to trust me if I don't
show that I trust her.
- 23.22.24 O'NEILL-Oh. "Shyla", is it now? First name basis.
Shyla.
- 23.28.17 DANIEL (OS)-Anyway, I've used it before without any side
effects. And look! No glasses.
- 23.34.18 CARTER-That looks like a side effect to me.

23.39.13 O'NEILL (OS)-Daniel...

23.41.09 O'NEILL (CONT)-get us out of here.

23.42.27 DANIEL-Oh, yeah yeah yeah yeah! I'm working on it.
I just need a little more time. Um... Oh, I sent
General Hammond another message. Hopefully, he
won't order an all out attack.

23.52.23 DANIEL (OS CONT)-Look, if we do this right, we will have
access to all the Naquadah and the sarcophagus.

23.58.12 CARTER-How many times have you used it?

24.01.10 DANIEL-I don't know, nine or ten. Oh, Sam...

24.04.20 DANIEL (OS CONT)-I mean, everything is so, is so clear.

24.08.09 DANIEL (CONT)-I mean, I, I feel like I could do...
anything.

24.13.24 O'NEILL (OS)-One thing!

24.15.01 O'NEILL (CONT)-You only have to do one thing. And if you
can't handle that, we're gonna break outta here
without you.

24.25.01 DANIEL-She wants me to marry her.

24.27.18 O'NEILL-What?! (beat) Alright, look --

- 24.37.26 DANIEL-No, you look, Jack! (beat) I have got everything under control, okay. God, you never show me any respect!
- 24.54.03 DANIEL (OS CONT)-Your way didn't work.
- 24.55.24 DANIEL (CONT)-Now I'm handling it.
- 24.59.11 DANIEL (OS CONT)-All you guys have to do is hang in there.
- 25.19.18 DANIEL-How is he?
- 25.23.13 SHYLA-The sarcophagus does not make him better the way it used to. Soon it will be time for me to become queen.
- 25.32.05 DANIEL-Will that be so bad?
- 25.36.14 SHYLA-You do not approve of my father's ways.
- 25.40.11 DANIEL-I can help make it much easier to mine the Naquadah and we can defend you against the Goa'uld, if you trust me.
- 25.45.19 SHYLA-Even after I used your friends to keep you close to me?
- 25.48.22 DANIEL-Well, yeah... I don't think you meant any harm.

- 25.53.21 SHYLA-And you will stay, even after they are free?
- 25.58.23 DANIEL-I've never felt better anywhere in my life. I've always felt out of place on my planet, and I wanted to make a difference. There's still so much you don't know about me.
- 26.17.24 SHYLA-I know all I need to. We can change things here. Together.
- 26.35.01 O'NEILL-Water...? Hey.
- 26.39.15 CARTER-We don't use the sarcophagus.
- 26.42.09 O'NEILL (OS)-What?
- 26.45.06 CARTER-Whoa. That was weird. I-I-I was having a vision or something. I kept seeing the memory of Jolinar. The resistance, the tokra, they don't use the sarcophagus. It, it does bad things to you. It, it changes your mind, takes things from you. I kept hearing... Teal'c what is Kalach?
- 27.12.02 TEAL'C-It is Goa'uld. It means "one's soul".
- 27.19.14 CARTER-Sir, we have to stop Daniel.

27.34.20 O'NEILL-The man who would be king. (screams in pain)

27.39.16 DANIEL-Hi, Jack! (giggles) Oh, Jack... Hi, Jack!

28.08.13 O'NEILL-We're losin' the battle down there, you know.
Carter keeps having Goa'uld flashbacks. Says if you
keep using that... sarcophagus, you're going
darkside on us... if you haven't already.

28.31.05 DANIEL-Well don't worry a bit. We're getting out of here
tomorrow.

28.36.10 O'NEILL-What?

28.37.20 DANIEL-I agreed to marry her.

28.40.00 O'NEILL-You did?

28.42.06 DANIEL-But I said I had to go home and straighten a few
things out fist, and you guys are coming with me.

28.55.09 O'NEILL-And she trusts you?

28.57.11 DANIEL-She loves me.

29.05.17 PYRUS-Love has blinded you.

- 29.07.13 SHYLA-They are good people. (beat) We have done a grave injustice to them.
- 29.12.00 PYRUS-Well, I pray that you are right.
- 29.13.24 SHYLA-I must let Daniel go. The choice to return, it must be his. But he will come back to me. He can't live without me any more.
- 29.59.06 SHYLA-My father was once the greatest of men. But he can rule no longer. He lives only to see me married. I extend the sincerest of apologies for the hardship done to you,...
- 30.13.14 SHYLA (OS CONT)-and offer the friendship of our world.
- 30.17.19 O'NEILL-Well... thanks.
- 30.19.23 SHYLA-Please know that from now on, you will always be welcome here, and will be treated with the utmost respect.
- 30.47.19 DANIEL-I'll be back. Soon.

- 31.02.04 O'NEILL-We had a nice time, sir. Carter picked up some Naquadah. Teal'c made some new friends, as usual. Daniel got engaged. And, uh, I'm gonna hit the showers.
- 31.20.17 DANIEL-This is stupid.
- 31.21.22 CARTER-Dr. Fraiser says your systems are out of whack.
- 31.25.06 DANIEL-Well, I feel fine. God, I need to get out of here. I'm gonna go nuts.
- 31.42.18 CARTER-You're gonna wear a hole in the floor.
- 31.44.27 DANIEL-I can't get her out of my head, Sam. I think I made a big mistake.
- 31.50.11 CARTER-You're not serious.
- 31.51.14 DANIEL-I am.
- 31.53.09 CARTER-You have a wife.
- 31.55.13 DANIEL-~~Had~~. Had a wife.
- 31.58.11 DANIEL (OS CONT)-Come on, seriously...

- 31.59.27 DANIEL (CONT)-How long am I supposed to wait? I mean, even if I find Sha're one day, what are, what are the chances she's ever gonna...
- 32.06.06 DANIEL (OS CONT)-be the same again?
- 32.10.00 CARTER (OS)-Look, your endorphin level was through the roof...
- 32.12.03 CARTER (CONT)-when we came back. Now you're coming down off of it.
- 32.15.11 CARTER (OS CONT)-The effects of the sarcophagus are like a narcotic, Daniel.
- 32.18.26 DANIEL-Yeah, that makes you smarter, stronger, you live for hundreds of years, feel great... What the hell is so wrong with it?
- 32.23.26 CARTER (OS)-I think it's partly...
- 32.24.05 CARTER (CONT)-what make the Goa'uld as bad as they are.
- 32.28.16 DANIEL-How?
- 32.30.15 CARTER-Who knows?
- 32.32.01 CARTER (OS CONT)-It-it's Goa'uld technology, Daniel. Maybe its healing effects alter your brain chemistry. Increase adrenalin, the hormones that make you more aggressive and irrational.
- 32.41.17 CARTER (CONT)-Pyrus probably used to be a decent man.

32.46.24 CARTER (OS CONT)-Look at yourself.

32.48.14 CARTER (CONT)-It-it's like you need a fix.

32.51.20 CARTER (OS CONT)-You only used it a few times,...

32.53.03 CARTER (CONT)-and already it's changed you.

32.55.05 DANIEL-We can't just leave it there. We have to study
it.

32.58.20 CARTER-We can't go back either.

33.02.07 DANIEL-Well, I'm going.

33.05.18 CARTER-She used us to get you addicted.

33.15.16 DANIEL-You've never really known what love is, have you?

33.19.00 CARTER-See, the Daniel I know would never have said that.

33.30.27 GENERAL HAMMOND-What are you saying, Captain?

33.32.00 CARTER (OS)-Sir, I think he needs to be confined.

33.33.24 CARTER (CONT)-He's clearly addicted to the effects --

33.36.27 GENERAL HAMMOND-What's this?

33.38.00 DANIEL-It's my resignation.

33.39.06 O'NEILL-Oh.

33.40.05 DANIEL-General, I respectfully request...

33.41.08 DANIEL (OS CONT)-permission to go through the gate to
P3R-636.

33.43.13 O'NEILL (overlapping)-Request denied.

33.44.15 DANIEL (overlapping)-I wasn't asking you!

33.48.27 GENERAL HAMMOND-Dr. Jackson...?

33.50.27 CARTER-He's unconscious.

33.53.25 GENERAL HAMMOND (INTO PHONE)-This is General Hammond.
Code Red medical emergency in my office.

34.02.17 DOCTOR FRASIER-I gave him a sedative. His test results
were all over the place.

34.06.18 DOCTOR FRASIER (OS CONT)-Liver function, kidney
functions, endorphins, electrolytes... his...

34.09.20 DOCTOR FRASIER (CONT)-myoglobin levels indicate muscle
deterioration --

34.11.16 O'NEILL (overlapping)-Yeah, alright, alright. Whatever.
What's goin' on with him?

- 34.14.07 DOCTOR FRASIER-I have no idea. I mean, the most I can do is try and, and treat the symptoms, but -- bottom line -- he seems to be going through some kind of massive physical withdrawal.
- 34.22.13 DANIEL (OS)-I have to go back.
- 34.26.03 DANIEL (CONT)-You're killing me!
- 34.28.12 DANIEL (OS CONT)-Stop killing me!
- 34.32.05 DOCTOR FRASIER-Call help!
- 34.39.00 DOCTOR FRASIER-It's like all of his cells have just lost the ability to function properly, and it's getting worse by the hour.
- 34.44.11 GENERAL HAMMOND-There's nothing you can do?
- 34.45.16 DOCTOR FRASIER-Well, I need time.
- 34.47.01 TEAL'C-The sarcophagus will keep Daniel Jackson alive.
- 34.49.10 CARTER-No. We can't let him go back. That thing will just screw him up permanently, and we'll lose him anyway.
- 34.55.04 CARTER (OS CONT)-The memories of the Goa'uld that I saw...

34.57.20 CARTER (CONT)-They told me that the sarcophagus will take everything Daniel is.

35.01.05 O'NEILL-What choice do we have?

35.02.04 CARTER (OS)-We wait it out.

35.05.18 CARTER (CONT)-Just a little longer.

35.28.05 DOCTOR FRASIER-Hey.

35.29.08 O'NEILL-How's he doing?

35.30.24 DOCTOR FRASIER-Well, I can't say for sure, but I think maybe the worst is over. His bloodwork's encouraging... body temperature's coming down...

35.38.14 DOCTOR FRASIER (OS CONT)-Pulse is normal, BP 120 over 80...

35.41.01 O'NEILL-So we made the right call.

35.43.20 DOCTOR FRASIER-His cellular function is starting to take back control. The next few hours should tell. It's time for another dose of sedative.

36.10.13 DOCTOR FRASIER-Okay, Daniel...

36.19.15 SF (OS)-Stand down!

36.41.00 DOCTOR FRASIER-I'm okay. Go.

37.15.23 O'NEILL (OS)-Jesus! Dammit...! Daniel...

37.22.23 O'NEILL (CONT)-Are you trying to kill me?

37.24.11 DANIEL-You're trying to kill me.

37.30.07 O'NEILL-There'll be guards here in thirty seconds.

37.33.14 DANIEL (OS)-I'm going back.

37.35.22 O'NEILL-You don't have to. Frasier says you're getting better.

37.39.22 DANIEL-You're lying!

37.40.27 O'NEILL-Why would I do that?!

38.04.18 O'NEILL (OS)-Daniel! God... (beat) What are you gonna do, Daniel?

38.14.07 O'NEILL (CONT)-Do you wanna kill me? (beat) Oh, God, look at you. (beat) I know what this is. I know what it's like. (beat) You can get through it.

39.10.01 CARTER (VO)-The probe's data indicates P3H-826...

- 39.12.02 CARTER (CONT)-is a viable next mission for SG-1, sir.
- 39.18.24 DANIEL-I have another suggestion. (beat) I think we should go back to P3R-636.
- 39.27.28 DANIEL (OS CONT)-Now, before you say anything, just...
- 39.28.28 DANIEL (CONT)-hear me out.. There are thousands of innocent human beings there who we could free from slavery.
- 39.36.02 TEAL'C-Shyla cannot free her people without putting their world at great risk.
- 39.39.09 DANIEL-Well, we have to offer her alternatives. New ways to mine the Naquadah. I mean, we don't even know that the Goa'uld will notice...
- 39.46.19 DANIEL (OS CONT)-if the shipments stop.
- 39.47.24 CARTER (OS)-Our preliminary tests do...
- 39.48.27 CARTER (CONT)-indicate potentially countless military and scientific...
- 39.51.23 CARTER (OS CONT)-applications for the raw ore.
- 39.54.00 CARTER (CONT)-It might be a compelling reason to try, sir.
- 39.56.07 GENERAL HAMMOND-Try what? The last time, you were captured and enslaved in that mine.

40.00.05 DANIEL (OS)-Look... You want access to the mine,...

40.02.16 DANIEL (CONT)-but you don't want to send troops in. I'm
offering you a shot at a, a diplomatic solution.

40.08.12 DANIEL (OS CONT)-Please, Jack...

40.11.13 DANIEL (CONT)-I need to take the chance.

40.20.18 O'NEILL-We can back him up, sir. (beat) I'd like Daniel
back on the team.

40.49.13 SHYLA-I did not believe you would ever return.

40.55.04 DANIEL-I'm sorry about your father. About everything.

41.07.06 SHYLA-The sarcophagus could not help him any more. You
never did love me, did you?

41.22.08 DANIEL-I wouldn't be here if I didn't care.

41.26.11 SHYLA-I don't deserve to live after what I've done to
you.

41.30.13 DANIEL-Yes you do. Your people need you. And you may
still be able to lead them without turning into what
your father became.

41.44.11 SHYLA-How?

41.51.00 DANIEL-You can't use this any more. It's gonna be bad.
 Trust me. But you don't have to do this alone.

43.01.27 FADE TO END CREDITS.
