TIMECODE

DIALOGUE

START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.09.08 CARTER (OS) - P5C-629 is located directly in the corridor
the Goa--

00.12.25 CARTER (CONT) --'ulds used to reach our solar system.
This is our best platform for the Seeker Project.
Now the theory is that...

00.18.21 CARTER (OS CONT) - a Goa'uld ship...

00.19.23 CARTER (CONT) - of that magnitude would leave a
footprint, even at thrust beyond lightspeed. So
using the technology we already possess, we can
determine what--

00.33.12 HAMMOND - No one's due back today.

00.34.19 TECHNICIAN (OS) - We have an inbound traveler. No...

0035.29 TECHNICIAN (CONT) - SGC signal code.

00.37.19 GRAPHIC ON COMPUTER SCREEN READS:

WARNING

UNRECOGNIZED TRAVELLER

00.39.05 COMPUTER VOICE (VO) - Intruder alert. Inbound travellers
unauthorized. Inbound travellers unauthorized.

01.03.02 CARTER (OS) - There was no organic residue but they did
pick up a faint nuclear signature...

01.07.15 CARTER (CONT) - Traces of Irridium.

01.09.23 DANIEL (OS) - Irridium? That's the radioactive stuff
we...

01.12.00 DANIEL (CONT) - put in the Sagan Institute box we left on
Cimmeria.

01.14.20 CARTER - You got it. I wanted it there because it would
leave a very re--

01.17.14 CARTER (OS CONT) --cognizable signature, and--

01.18.19 DANIEL - Same stuff.

01.19.13 CARTER - Yeah.

01.20.21 O'NEILL - Weren't the locals supposed to give that box to
Thor? Whoever, whatever he is.

01.27.28 TEAL'C - We assume he's a member of the Asgard, an
extremely advanced culture.

01.32:00 O'NEILL - The fact of the matter is we really don't know.

01.34.06 DANIEL - The Asgards must've gotten the box and sent us
an answer. General, we...

01.36.26 DANIEL (OS CONT) - have to respond before they leave.

01.38.27 O'NEILL (OS) - Uh, you all know I take...

01.40.03 O'NEILL (CONT) - great pride in my title as Mr. Positive,
however, we did destroy their de-Goa'ulding thing.
Might they not look unkindly on that?

01.48.28 DANIEL - Uh, we did that to save Teal'c. Now I'm sure
the Asgard didn't anticipate they would trap a
Jaffa who isn't an enemy. I'm sure they'd
understand.

02.00.20 HAMMOND - Alright, I'll tell you what. We'll send a
probe through at thirteen-hundred hours. If
everything checks out, you have a go.

02.15.20 CARTER (OS) - The Probe should...

02.16.06 CARTER (CONT) - be there now.

02.25.15 TEAL'C - Those wounds appear to have been caused by staff
weapons.

02.30.21 O'NEILL - Friend of yours, Teal'c?

02.35.08 TEAL'C (OS) - Clearly Cimmeria's no longer safe from the
Goa'uld.

02.37.29 DANIEL (OS) - Woah!...

02.38.20 DANIEL (CONT) - Pan right...

02.41.13 DANIEL (OS CONT) - That's Gairwyn...

02.43.05 DANIEL (CONT) - The woman who showed us around... She's
saying something.

02.48.18 CARTER - Turn up the gain on the M.A.L.P.'s mic.

02.52.22 GAIRWYN (ON-SCREEN, FILTERED) - Please, the Etins have
come... Please help us...

03.01.27 GAIRWYN (OS CONT, FILTERED) - Please, do not take too
long.

04.10.01 DANIEL (OS) - Cimmerians use the word Etins for Goa'ulds.
Gairwyn said the Etins are there. For a thousand
years Cimmeria was safe from Goa'uld attack...

04.17.16 DANIEL (CONT) - and we show up and screw up Thor's
technology.

04.20.05 TEAL'C (OS) - If Daniel...

04.20.14 TEAL'C (CONT) - Jackson's correct the Goa'uld usually
send an advanced...

04.23.09 TEAL'C (OS CONT) - scout through the stargate...

04.24.17 TEAL'C (CONT) - to determine a planet's worth and
vulnerability. If none of the scouts reports back
it is a deterrent to invasion.

04.31.09 CARTER (OS) - The point is, sir, the Goa--

04.32.05 CARTER (CONT) --'ulds are there and the locals aren't
much of a match for them.

04.35.16 O'NEILL - General, if we did screw up their world we
should take a little responsibility for fixing it,
don't you think?

04.41.29 HAMMOND - I understand that. But let me play Devil's
Advocate for a moment here. It's not our world. Is
it really any of our concern?

04.51.27 TEAL'C - The destruction of the hammer device to save my
life may have caused this. If so, I am responsible.

04.59.18 O'NEILL (OS) - General...

05.01.04 O'NEILL (CONT) - I gave the order.

05.04.09 DANIEL - And I fired the staff at the machine.

05.06.23 CARTER - And I was there.

05.12.28 O'NEILL (OS) - To answer...

05.13.15 O'NEILL (CONT) - your question, sir, yes I think we
should be concerned.

05.21.27 HAMMOND - Alright. But keep your heads up on this one.

05.52.01 CARTER - No hostiles in sight, sir.

06.38.06 O'NEILL - Holy... Kids. Now that...

06.47.10 O'NEILL (OS CONT) - is no weekend hunting lodge.

06.56.03 DANIEL - Gairwyn!

06.58.15 GAIRWYN - You've returned...

07.00.12 GAIRWYN (OS CONT) - Kendra said you'd come. She...

07.01.20 GAIRWYN (CONT) - never doubted it.

07.03.22 CARTER (OS) - What happened?

07.05.06 GAIRWYN - We thought it...

07.05.18 GAIRWYN (OS CONT) - was Ragnorock.

07.06.23 DANIEL (OS) - That's the Norse Armageddon. The end of
the world.

07.09.23 GAIRWYN - There was fire in the heavens...

07.11.14 GAIRWYN (OS CONT) - Five or six bursts in the sky...

07.13.09 GAIRWYN (CONT) - in a straight line, but no sound. Then
we heard an evil thunder and a great metal point
came...

07.19.12 GAIRWYN (OS CONT) - through the clouds--

07.20.21 TEAL'C - A Goa'uld Ha'tak. A Pyramid ship.

07.24.20 O'NEILL - Ahh.

07.26.04 GAIRWYN (OS) - Kendra knew...

07.26.23 GAIRWYN (CONT) - it was the Etins, even before the
 burning and the killing started. Our village is
 gone and...

07.32.07 GAIRWYN (OS CONT) - most of our farms.

07.33.10 DANIEL - You said Kendra knew we'd come. How?

07.35.19 GAIRWYN - She gave me a box. She told me to fly it
 through the portal. She said you'd know what it...

07.39.27 GAIRWYN (OS CONT) - meant...

07.41.15 GAIRWYN (CONT) - The cost of sending it was great.

07.44.09 CARTER - The men...

07.44.20 CARTER (OS CONT) - who died here.

07.52.21 GAIRWYN - My husband and his brothers.

07.55.20 CARTER - I'm sorry.

08.01.29 O'NEILL (OS) - Right. Get under cover. Teal'c!... Over there.

08.31.21 O'NEILL - Let's go.

09.51.24 O'NEILL - Ahhh!... Everybody alright?

09.56.03 CARTER - Yeah.

09.57.02 O'NEILL - Alright, where to?

09.58.21 DANIEL (OS) - Well, uh...

10.00.00 DANIEL (CONT) - as a former Goa'uld host, Kendra would probably be a help. Can you take us to her?

10.06.22 GAIRWYN - This way.

10.29.11 GAIRWYN (OS) - Kendra and her family reside here...

10.32.04 GAIRWYN (CONT) - Hopefully she is now with Thor...

10.50.06 GAIRWYN (OS CONT) - My dearest friend...

10.53.27 GAIRWYN (CONT) - Kendra used her knowledge only to heal, and this was her reward. They've already killed over half...

11.00.25 GAIRWYN (OS CONT) - of our people.

11.12.28 GAIRWYN (OS) - It's customary to leave a person's favorite items outside...

11.15.24 GAIRWYN (CONT) - the grave to take with them on their
journey to Thor. These items are of no use now to
any of us. They belong with Kendra.

11.32.19 DANIEL - Sam?

11.51.12 GAIRWYN - You possess the power.

11.53.06 CARTER - What?

11.55.00 DANIEL - Well that would make sense...

11.55.18 DANIEL (OS CONT) - wouldn't it?

11.57.02 CARTER - Why?

11.57.25 DANIEL - Well Kendra retained the ability to use Goa'uld
technology because she used to be a host to a
Goa'uld...

12.02.23 DANIEL (OS CONT) - You must retain...

12.03.14 DANIEL (CONT) - the ability cause you were a host to
Jolinar.

12.06.01 CARTER - Yeah, but, but, I have no control over this.

12.08.27 GAIRWYN (OS) - Kendra said it took her years...

12.10.05 GAIRWYN (CONT) - to master the magic of the power.

12.12.27 O'NEILL - Are we ready to move out of here?

12.14.14 DANIEL - Uh, little discovery here. Sam seems to have the ability to use Goa'uld technology.

12.19.16 O'NEILL - Really? Let's see.

12.21.05 CARTER - Well it seems to have a mind of its own, sir.

12.25.27 GAIRWYN - Concentrate.

12.45.00 O'NEILL - Hey! Hey, watch where you're pointin' that thing.

12.47.27 CARTER - Sorry.

12.49.00 DANIEL (OS) - Do you realize what this...

12.49.25 DANIEL (CONT) - means. I mean Sam could use one of these ribbon devices to help us fight the Goa'uld. She could use one of those healing devices we saw Kendra use... Just concentrate, like you did with the other thing.

13.12.06 GAIRWYN - You mustn't give up...

13.13.15 GAIRWYN (OS) - You must strive to master control of the power. It takes...

13.16.07 GAIRWYN (CONT) - time.

13.17.02 O'NEILL - Yeah, well that's gonna have to wait. Why
 don't you bring that stuff with you. We should find
 a place that's a little less public.

13.24.00 GAIRWYN (OS) - Let me show you where my people hide.

13.59.14 OLAF - Halt.

14.00.23 GAIRWYN (OS) - Olaf. These are...

14.01.24 GAIRWYN (CONT) - friends, they came to us through the
 ring.

14.04.02 OLAF - These are the dogs of...

14.05.06 OLAF (OS CONT) - Midgardr. Thor has a--

14.07.13 OLAF (CONT) --bandoned us to the Etins because of them.
 Because they destroyed Thor's hammer. It is these
 that have brought this down on us.

14.14.29 GAIRWYN - It is these who can save us. With their help
 we can still summon the power...

14.18.27 GAIRWYN (OS CONT) - of Thor.

14.19.28 OLAF - Don't you understand, woman? Thor has abandoned
 us because of...

14.23.24 OLAF (OS CONT) - their evil.

14.24.28 O'NEILL (OS) - For cryin' out loud...

14.26.10 O'NEILL (CONT) - don't you understand that this woman is
right?...

14.29.27 O'NEILL (OS CONT) - We can...

14.30.05 O'NEILL (CONT) - help you, if you let us.

14.32.01 OLAF - How?

14.33.02 CARTER - We fought the Goa'uld before and we've beaten
them.

14.35.27 TEAL'C - And I will remain here to do battle with you
until...

14.37.29 TEAL'C (OS CONT) - the Goa'uld are driven from this land.

14.48.16 O'NEILL - Of course we have to know what we're up
against, first. You willing to help us on that one?

14.55.08 OLAF - I know a way around the patrols. I'll take you.

15.01.22 O'NEILL - Good.

15.21.10 GAIRWYN (OS) - If Olaf is right and Thor has rejected
us...

15.24.10 GAIRWYN (CONT) - our last hope lies with you.

15.27.06 DANIEL - Gairwyn, I doubt Thor's angry. Now he may just
 be far away...

15.33.20 DANIEL (OS CONT) - That's why he left the hammer. To
 protect you.

15.38.01 GAIRWYN (OS) - If only we could gain access to The Hall
 Of Thor's Might...

15.41.03 GAIRWYN (CONT) - I know he would help us.

15.52.01 DANIEL - What is the Hall of Thor's Might?

15.54.05 GAIRWYN - Oh, the ancient tales tell of a hall...

15.58.09 GAIRWYN (OS CONT) - in which Thor placed...

15.59.17 GAIRWYN (CONT) - all of his powers to help us...

16.02.18 GAIRWYN (OS CONT) - to defend us.

16.05.11 DANIEL - That may signify some sort of Asgard weapon
 or...

16.07.20 DANIEL (OS CONT) - weapons.

16.08.23 CARTER - Do you think they kept weapons here somewhere?

16.11.02 DANIEL - Where is this Hall of Thor's Might?

16.27.10 OLAF - There.

16.31.10 O'NEILL - Now you wait here. Alright.

16.58.20 O'NEILL (OS) - What's with those heads?...

17.04.14 O'NEILL (CONT) - They look like those guys who used to be
with Ra back on Abydos.

17.08.23 TEAL'C - They're Horus...

17.10.25 TEAL'C (OS CONT) - They guard the family of Ra...

17.13.00 TEAL'C (CONT) - These probably guard the Goa'uld Heru-ur.

17.15.14 O'NEILL - And he'd be Ra's what? Cousin? Uncle? What?

17.19.14 TEAL'C - He is the son of Ra and of Hathor.

17.25.00 O'NEILL - Nice pedigree.

17.27.03 TEAL'C - He's a very powerful system lord...

17.29.04 TEAL'C (OS CONT) - much feared, even among the Goa'uld...

17.33.21 TEAL'C (CONT) - He is a conqueror. He eliminates all who
dare tread in his shadow...

17.38.10 TEAL'C (OS CONT) - including other Goa'uld.

17.40.07 OLAF (OS) - (grunts)

17.52.14 HERU-UR (OS THRU MASK, FILTERED) - Kneel before your God.

17.54.14 OLAF - God is Thor. He taught us to stand as equals...
Ugh!

18.03.16 HERU-UR (FILTERED) - Your God cannot help you now...
Only I can... Strangers came through...

18.14.14 HERU-UR (OS CONT, FILTERED) - the device you call the
portal. Who are they?

18.18.10 OLAF - Ulllkk!

18.19.19 HERU-UR (FILTERED) - Answer!...

18.23.04 HERU-UR (OS CONT, FILTERED) - Answer...

18.27.15 HERU-UR (CONT, FILTERED) - Answer!

18.29.01 OLAF - Thor taught us to have no fear of death.

18.36.03 HERU-UR (FILTERED) - Did he teach you about pain?

18.40.12 OLAF - No! Nooooooooo!

19.27.04 HERU-UR (FILTERED) - Place heavy guard at the Chaapa'ai.
Find them!

19.43.15 DANIEL - What happened? Did you run into Apophis?

- 19.45.23 O'NEILL (OS) - Not exactly.
- 19.47.16 TEAL'C - It was the Goa'uld called Heru-Ur.
- 19.49.07 DANIEL - You're kidding.
- 19.50.07 O'NEILL - Friend of yours?
- 19.51.11 DANIEL - Horus the Elder, ancient Egyptian God. A pretty mean one, especially considering the fact that his...
- 19.55.13 DANIEL (OS CONT) - parents were Ra and Hathor.
- 19.56.20 O'NEILL - We know.
- 19.58.28 CARTER - So did you find anything we can use?
- 20.00.25 O'NEILL (OS) - Well the good news is, with enough artillery we could blow those Pyramids to high hell.
- 20.06.02 DANIEL - And the bad news is?
- 20.07.27 TEAL'C - The stargate is now heavily guarded, and the Goa'ulds are...
- 20.10.04 TEAL'C (OS CONT) - aware of our existence here.

20.11.07 CARTER - Which means we can't evacuate the Cimmerians.

20.13.19 DANIEL - Well I guess we'll just have to hold up in here
a while until things calm down.

20.17.07 TEAL'C - Things will not calm down, Daniel Jackson. They
will, in fact, calm up.

20.24.15 O'NEILL - He means things will escalate, of course.

20.28.07 TEAL'C (OS) - The new pyramids in the valley are...

20.29.20 TEAL'C (CONT) - landing pedestals for the Goa'uld
motherships. They will most likely arrive very soon
and contain large numbers of death gliders.

20.36.09 O'NEILL - I'm afraid we're on our own, kids.

20.38.20 CARTER - If we can use C-4 to blow up a Goa'uld ship,
couldn't we use it to blow up...

20.42.29 CARTER (OS CONT) - the camp?

20.43.16 O'NEILL - That's a small, practical problem. If we use
all the C-4 to blow the camps now, what do we use
when the ships and gliders show up later?

20.52.25 DANIEL - You guys, there's a...

20.53.13 DANIEL (OS CONT) - uh, there's a third option here we
might want to consider...

20.58.10 DANIEL (CONT) - There's a legend around here about a Hall
of Thor's Might.

21.02.15 O'NEILL - Daniel, there's a time and place for mythology.

21.07.00 CARTER (OS) - Uh, with all due respect, sir...

21.08.23 CARTER (CONT) - we thought Thor's hammer was a myth until
we proved it was real.

21.12.05 DANIEL (OS) - Jack, I think Thor's Might may refer to uh,
uh, an alien...

21.15.06 DANIEL (CONT) - weapon or weapons that have been hidden
away for centuries.

21.19.03 CARTER (OS) - We could certainly use the...

21.19.20 CARTER (CONT) - firepower, sir.

21.21.08 DANIEL - And Gairwyn said she'd take us there.

21.25.25 O'NEILL - Well as much as I'd hate to admit it, it sounds
like our old buddy Thor is our best bet. Why don't
you two try to find this weapon, whatever it is.
Teal'c and I will lay some explosives, see if we can
slow the attack.

21.39.18 CARTER - Yes sir.

21.41.05 O'NEILL - Olaf.

21.58.27 GAIRWYN (OS) - This is it.

22.04.18 DANIEL - This is the Hall of Might?

22.07.13 GAIRWYN (OS) - You were expecting something different?

22.10.19 DANIEL - Well uh, uh, maybe a hall?

22.15.17 CARTER (OS) - I don't...

22.15.24 CARTER - see anything that could be a weapon.

22.17.27 GAIRWYN - I'm sure this is it.

22.19.23 DANIEL - Well maybe this will send us somewhere else.
Like the obelisk that sent Jack and Teal'c to Thor's
Hammer.

22.30.21 GAIRWYN (OS) - It is forbidden to touch the stone.

22.36.19 GAIRWYN - (gasps)

22.41.14 CARTER (OS) - Daniel?

22.43.01 DANIEL (OS) - Wow, what a ride.

22.44.27 GAIRWYN (OS) - Where are we?

22.46.17 DANIEL - Ahhh!... Well, this is a step in the right
direc--

22.52.10 DANIEL (OS CONT) --tion. At least it fits the definition
of the word Hall.

22.56.21 CARTER - I have a really bad feeling about this.

22.59.17 DANIEL (OS) - I don't understand...

23.00.28 DANIEL (CONT) - no inscriptions, no alien devices, and no
visible way out.

23.05.19 CARTER - Wait.

23.17.01 THOR (OS) - I am Thor. You are brave to come before me.

23.21.17 GAIRWYN - Almighty Thor, we need your help.

23.23.25 THOR - However, only the worthy may witness Thor's might.

23.27.19 GAIRWYN - Do you not think me worthy?... Why has he
forsaken me?

23.34.02 CARTER - It's just a holographic recording. It's being projected through that hole in the ceiling.

23.39.14 DANIEL - Oh yeah, if you...

23.40.16 DANIEL (OS CONT) - say so.

23.43.13 CARTER - So, what does it mean?

23.47.14 DANIEL - I'm not sure. Maybe somehow we have to prove that we're worthy before he'll trust us with his might.

23.55.25 CARTER - Which you still think is a weapon.

23.57.11 DANIEL - I'm hoping so at this point.

23.59.18 GAIRWYN - How can we prove our worth?

24.02.11 DANIEL - Well, given that the rest of the room is empty, I assume it has something to do with this stone.

24.15.05 GAIRWYN (OS) - Thor is preparing to strike us down.

24.16.27 DANIEL - No he's not! He's not a wrathful God.

24.20.14 CARTER - What is he doing?

24.34.23 DANIEL (OS) - Oh this is, this is definitely a test.

24.39.03 CARTER (OS) - So we're supposed to go...

24.40.29 CARTER (CONT) - across this?

24.42.10 DANIEL (OS) - Yeah...

24.44.22 DANIEL (CONT) - I don't suppose this the best time to
bring up my problem with heights.

25.11.29 CARTER (OS) - Yeah well uh, we had to cross some things
way worse than this in basic training.

25.15.25 DANIEL - Please. Be my, be my guest.

25.19.03 CARTER - Of course, we had a net.

25.59.27 CARTER - It's okay. Come on.

26.14.02 CARTER - Come on.

26.24.17 GAIRWYN (OS) - Stop!

26.26.16 CARTER - Gairwyn!

26.27.10 GAIRWYN - (sobs)

26.30.01 CARTER - Just, just slide across. You can do it.

26.33.06 GAIRWYN - Thor shall kill me. He wants me dead.

26.35.26 DANIEL - No he doesn't.

26.37.19 CARTER - It's okay, just stay there. I'll come and get
you.

26.39.27 DANIEL (OS) - No...

26.42.00 DANIEL (CONT) - I'll do it... You're already across.

26.58.17 DANIEL (OS) - Careful, I'm right behind you now. Okay.

26.59.31 GAIRWYN (OS) - (sobs)

27.02.09 DANIEL (OS) - Hold still... Okay, now what we're
gonna...

27.10.15 DANIEL (CONT) - do here, you're gonna give me your hand.
I'm gonna help get you back on track. And then
we're gonna finish this thing together, okay? Okay.

27.22.04 GAIRWYN (OS) - Ahhhh!

27.23.03 DANIEL (OS) - Uhhhhh!

27.40.27 CARTER - You guys okay?... Okay. So uh, what was that all about?

27.54.27 THOR - You've shown true selflessness and bravery...

27.58.05 THOR (OS CONT) - Willingness to sacrifice oneself to save another is an honorable trait...

28.01.23 THOR (CONT) - I salute you. Now you must add wisdom to courage...

28.06.10 THOR (OS CONT) - Solve the riddle of the runes...

28.08.02 THOR (CONT) - and I will show you my true might.

28.21.27 DANIEL - How did he know what we did?

28.24.08 CARTER - There must be some sort of advanced sensors in here. So uh, now what?

28.41.09 DANIEL - Now we try to solve the riddle of the runes.

29.18.18 OLAF - Sons of Migardr, the Etins...

29.20.06 OLAF (OS CONT) - approach. A...

29.21.03 OLAF (CONT) - large contingent coming up the lower path... We must fight.

29.30.01 O'NEILL - Yeah yeah yeah.

29.39.20 OLAF - But you said you would help us fight them.

29.40.07 TEAL'C - Quiet.

30.23.14 OLAF - Thunder. And fire. You do possess Thor's
 might... Heeyahhhh!.

30.41.21 OLAF - Now we are matched.

30.44.13 O'NEILL - Thanks.

30.47.02 TEAL'C - O'Neill, another patrol approaches. We should
 leave this area immediately.

30.51.08 OLAF - Come.

31.02.18 CARTER - Daniel, uh, we don't have time for this.

31.05.00 DANIEL - Well the faster we solve the riddles...

31.03.16 DANIEL (OS CONT) - the faster we get whatever Thor's
 might is.

31.09.11 CARTER - Riddles. Okay.

31.11.08 GAIRWYN - Is Thor testing us?

31.13.05 DANIEL (OS) - I figure it's some sort of safeguard...

- 31.15.04 DANIEL (CONT) - He wants to be sure that whoever finds the weapons is smart enough to understand the technology and use it wisely. It's like he wants to be sure that his children have grown up enough...
- 31.22.00 DANIEL (OS CONT) - before he uh, hands them the keys to...
- 31.23.14 DANIEL (CONT) - the armory, which might not be a bad idea if we'd done the same thing on earth.
- 31.27.21 CARTER (OS) - Well it doesn't make any sense that he would waste...
- 31.29.08 CARTER (CONT) - this kind of time when the planet's under attack.
- 31.32.03 DANIEL - Well remember, he thinks this is a protected planet. That his anti-Goa'uld devices are infallible. I mean he couldn't've known there would be any hurry to find whatever Thor's might is.
- 31.40.22 CARTER - Well, there is a hurry. Can, can you solve this?
- 21.45.21 DANIEL (OS) - Uhhh, okay. Um...
- 31.50.07 DANIEL (CONT) - They aren't letters or words. Originally runes were ideographic.

31.54.17 CARTER - So each rune stands for an idea.

31.56.12 DANIEL - Right. Now the first one is associated with
Thor's protective power.

32.00.18 CARTER - Well that could mean anything. I mean it could
be the Goa'uld protector they put up at the gate,
or...

32.05.00 CARTER (OS CONT) - or even the hammer device.

32.06.11 DANIEL - Uh, this last one represents a wagon, but...

32.09.07 DANIEL (OS CONT) - it was also...

32.10.21 DANIEL (CONT) - called Thor's chariot. Now that could be
a space ship.

32.16.14 CARTER (OS) - Great. What about the middle two?

32.18.28 DANIEL - Ummm...

32.20.20 DANIEL (OS CONT) - one is a dice cup, or Fate...

32.22.03 DANIEL (CONT) - the other is a horse, or movement.

32.32.21 O'NEILL (OS) - What's going on, Teal'c?

32.34.11 TEAL'C (OS) - They're signaling their position...

32.36.18 TEAL'C (CONT) - They will close into an interlaced pattern that will sweep in and corner us. It an old Jaffa hunting technique.

32.44.15 O'NEILL - Come on, Daniel.

32.55.11 DANIEL (OS) - I've never seen simple geometric shapes in any runes. I have no idea what these are about.

33.00.28 CARTER - Well if we don't come up with an answer soon, we're gonna have to find a way out of here. The Colonel will need our help.

33.06.00 GAIRWYN - Daniel, could the answer be here?

33.15.07 DANIEL (OS) - No, those aren't runes. They're pictographs...

33.21.11 DANIEL (CONT) - Okay. One wall has runes. One has pictographs. And one has simple geometric shapes...

33.35.18 DANIEL (OS CONT) - I have no idea what he wants us to do.

33.44.28 THOR (OS) - There is no...

33.45.05 THOR (CONT) - shame. Perhaps in more time you will have come of age.

33.49.24 DANIEL (OS) - Uh...

33.50.11 DANIEL (CONT) - Excuse me. Could you uh, could you just
uh, please, just, one second...

34.03.06 DANIEL (OS CONT) - Okay. Norse runes were ideas but in
later years they became letters...

34.09.01 DANIEL (CONT) - but they were also numbers...

34.11.28 DANIEL (OS CONT) - Three, fourteen, fifteen, nine...

34.24.17 DANIEL (CONT) - It's no use. It it it it, it doesn't, it
doesn't mean anything.

34.29.20 CARTER - Oh yes it does... Three point one four one five
nine is Pi.

34.34.24 DANIEL - It's Pi?

34.35.22 CARTER - Pi.

34.37.17 DANIEL - It's Pi...

34.38.20 DANIEL (OS CONT) - It, is it-- that's what you wanted us
to figure out? Right, uh...

34.41.25 DANIEL (CONT) - the word Pi is an earth term. We have to
depict it somehow... On the geometric shapes.

34.54.14 CARTER (OS) - This has to be it.

34.55.27 DANIEL - The inside of the circle is soft, like sand.

34.58.17 CARTER - Pi is the formula for finding the circumference
of a circle by measuring the radius.

35.02.17 DANIEL - The radius... That's it.

35.27.10 DANIEL - Oh my God.

35.33.22 THOR\ALIEN - I am the actual one...

35.36.03 THOR\ALIEN (OS CONT) - whom you know...

35.36.28 THOR\ALIEN (CONT) - as Thor.

35.47.04 O'NEILL - Olaf, get your people as far back in the cave
as possible. Keep them quiet. Put the fires out...
How we doin'?

35.56.16 TEAL'C - We've been located, O'Neill.

35.58.24 O'NEILL - Uhhhh. C'mon, Daniel.

36.04.00 CARTER - Daniel, this is uncanny...

36.06.05 CARTER (OS CONT) - It looks just like the descriptions of
the Roswell Grays back home.

36.09.25 DANIEL - I guess there's some truth to those...

36.10.29 DANIEL (OS CONT) - stories after all.

36.12.03 CARTER - Do you think the Asgards may have visited earth?

36.15.20 DANIEL - Why not?

36.18.05 THOR\ALIEN (OS) - I am the supreme commander...

36.19.28 THOR\ALIEN (CONT) - of the Asgard fleet.

36.21.20 GAIRWYN - How can this be?

36.23.14 THOR\ALIEN (OS) - In the ten-span since I created...

36.25.10 THOR\ALIEN (CONT) - this world...

36.26.17 THOR\ALIEN (OS CONT) - you are the first to reach this
level of contact. You have...

36.31.01 THOR\ALIEN (CONT) - finally grown wise enough...

36.32.24 THOR\ALIEN (OS CONT) - to see me in my...

36.34.01 THOR\ALIEN (CONT) - true form.

36.35.00 GAIRWYN (OS) - These are the wise ones...

36.36.22 GAIRWYN (CONT) - I would never have come this far without
their help.

36.39.21 CARTER - Gairwyn, it's a hologram...

36.41.17 CARTER (OS CONT) - It was probably recorded a thousand
years ago...

36.45.29 CARTER (CONT) - It can't hear you.

36.47.03 THOR - On the contrary...

36.49.14 THOR (OS CONT) - my image is a living transmission. I am
commun--

36.54.02 THOR\ALIEN (CONT) --icating to you...

36.55.01 THOR\ALIEN (OS CONT) - from my quarters aboard the Asgard
ship...

36.57.02 THOR\ALIEN (CONT) - Biliskner.

36.58.12 DANIEL - You mean you're the real...

37.00.17 DANIEL (OS CONT) - Thor?... This is, this is...

37.06.11 DANIEL (CONT) - This is great. Um, we need your help.
The Goa'uld are here.

37.11.23 THOR\ALIEN - Impossible...

37.13.14 THOR\ALIEN (OS CONT) - Cimmeria is a safe world.

37.15.25 DANIEL - Yeah. We sort of messed that up.

37.18.09 CARTER - Daniel, careful.

37.20.14 DANIEL - Well if we want them to be our friends we have
to show them that they can trust us. You see, we,
we came here about a year ago to meet you and your
people to make an alliance against the Goa'uld...

37.30.24 DANIEL (OS CONT) - One of our party, a Jaffa, was trapped
in your...

37.33.10 DANIEL (CONT) - labyrinth.

37.34.00 THOR\ALIEN (OS) - The Jaffa...

37.35.08 THOR\ALIEN (CONT) - serve the Goa'uld.

37.37.29 GAIRWYN - This one does not...

37.39.17 GAIRWYN (OS CONT) - He stands with them and...

37.40.27 GAIRWYN (CONT) - now with us to fight the Etins.

37.43.12 DANIEL - You see, so we had no choice but to destroy the
hammer to free our friend.

37.46.16 THOR\ALIEN - And by doing so...

37.48.21 THOR\ALIEN (OS CONT) - you have opened Cimmeria to attack
by the Goa'uld.

37.52.27 DANIEL - Yeah. Apparently.

37.54.25 CARTER - So uh, if you have any weapons that might be of
help, we would really like to set things...

38.00.14 CARTER (OS CONT) - straight.

38.01.08 THOR\ALIEN - Weapons?

38.02.28 DANIEL - Isn't that what all those tests were here to
protect?

38.05.28 THOR\ALIEN - The tests were designed to tell us...

38.07.26 THOR\ALIEN (OS CONT) - when the Cimmerians would be
advanced enough to see us as we really are. We did
not...

38.12.26 THOR\ALIEN (CONT) - anticipate outside interference.

38.15.14 DANIEL - Well you know we didn't mean...

38.16.12 DANIEL (OS CONT) - mean to interfere...

38.18.08 DANIEL (CONT) - No! Wait!

38.25.25 DANIEL - Where's Gairwyn?

38.28.11 CARTER - Good question.

38.48.16 O'NEILL (OS) - Well that's timin' for you...

38.49.21 O'NEILL (CONT) - The party's about to begin.

38.51.01 CARTER (OS) - They're getting pretty close. How many are
out there?

38.52.21 TEAL'C - They are outnumbered approximately twenty to
one.

38.54.25 O'NEILL - Daniel...

38.55.19 O'NEILL (OS CONT) - you look suspiciously emptyhanded.

38.58.09 DANIEL - Err, yeah.

38.59.10 O'NEILL - Errr yeah what?

39.02.11 DANIEL - There's nothing, Jack.

39.03.11 O'NEILL - Nothing.

39.04.05 CARTER - Well we did meet the real Thor.

36.05.24 O'NEILL - Did you now? Nice fella?

39.10.25 CIMMERIANS (OS) - (gasps, groans)

39.12.28 O'NEILL - Alright. Here we go.

39.21.18 TEAL'C - Shield yourselves.

39.29.17 WARRIOR (OS) - Intruders...

39.30.26 WARRIOR (CONT) - from the Chaapa'ai!...

39.33.10 WARRIOR (OS CONT) - Throw down your weapons...

39.35.27 WARRIOR (CONT) - Surrender now and the slaves...

39.38.15 WARRIOR (OS CONT) - of this world will be allowed to
live...

39.41.12 WARRIOR (CONT) - and serve Heru-Ur. Fight, and they
will...

39.46.05 WARRIOR (OS CONT) - all die!

39.48.04 CARTER - Colonel, we don't have enough weapons to go around.

39.51.12 TEAL'C - They will all be killed, O'Neill. Women and children included.

39.56.07 DANIEL - We are responsible for this invasion. We can't allow that to happen.

40.27.15 O'NEILL - Take care of your people.

40.40.04 DANIEL - Before they rode into battle the Sioux used to say, this is a good day to die... Then again maybe not.

41.12.20 O'NEILL - Oh my.

41.14.14 DANIEL - Ladies and gentlemen, I think this is Thor's chariot.

41.18.18 TEAL'C - An Asgard mothership... I've heard them described in Jaffa legend.

41.58.07 GAIRWYN - The Etins are gone...

42.00.19 GAIRWYN (OS CONT) - Thor sends his thanks...

42.02.07 GAIRWYN (CONT) - It was your help that made this possible.

42.04.27 DANIEL (OS) - Well to be honest with you...

42.05.29 DANIEL (CONT) - I think we got kind of lucky.

42.07.19 GAIRWYN - He told me to give you a message to satisfy your curiosity...

42.11.07 GAIRWYN (OS CONT) - I'm to tell you he's a member of a species who have visited your world often. They are a friend...

42.16.24 GAIRWYN (CONT) - to all, protector to all, except the Goa'uld, with whom they are at war.

42.21.10 O'NEILL - Well that's very nice, but I'd still like to meet the old guy.

42.26.09 GAIRWYN - Well he said that like us, you're still much too young... For us there is still...

42.35.20 GAIRWYN (OS CONT) - much to rebuild...

42.36.20 GAIRWYN (CONT) - Thor has promised to leave an Asgard teacher behind to help us.

42.40.21 TEAL'C - Then Cimmeria will be a safe world again. That is good.

42.44.20

GAIRWYN - Yes it is. I'm to tell you Thor's new hammer
will make an exception for the one called Teal'c.
You are welcome here any time.

43.01.27
