TIMECODE DIALOGUE

START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.29.13 DANIEL-Shouldn't they be here by now?

00.31.18 O'NEILL-Yes.

00.33.19 TEAL'C-I do not believe the Tok'ra would mislead us.

00.37.01 DANIEL-Well, assuming it was the Tok'ra who sent the
message to meet us here in the first place. I mean,
all we really received was a, a set of
coordinates...

00.45.00 CARTER-On our radio frequency. Who else would send us a
signal like that?

00.51.22 O'NEILL-You know, I'm not real crazy about this "don't
call us, we'll call you" policy.

01.27.13 TEAL'C-There!

01.44.10 O'NEILL-Run!

02.38.26 O'NEILL-Holy buckets...!

02.42.18 APOPHIS (DISTORTED)-Help me...

03.52.28 O'NEILL-Well...

03.56.24 DANIEL-Whoa! Is that who I think it is?

03.59.06 APOPHIS (DISTORTED)-Tauri, please...

04.03.03 CARTER (OS)-Teal'c...

CARTER (CONT)-Apophis is much more valuable to us alive
than dead.

04.15.24 CARTER-Sir, we've got incoming!

04.24.14 O'NEILL-Oy... (beat) All right, dial us up. Get us out
of here.

04.35.10 CARTER-What are they doing?

04.36.17 TEAL'C (OS)-They wish to take Apophis alive.

05.13.05 GENERAL HAMMOND-Colonel...?

05.14.12 O'NEILL-General Hammond, Apophis.

O'NEILL (OS CONT)-Apophis,...

O'NEILL (CONT)-General Hammond.

05.22.16 GENERAL HAMMOND-We've met.

05.24.21 APOPHIS (DISTORTED)-I demand Cal mah.

05.28.22 DANIEL-I'm not really sure, but I think what he's asking
 for is --

05.30.24 TEAL'C-Sanctuary.

05.33.07 DANIEL-Right.

05.37.11 GENERAL HAMMOND-Why?

05.39.04 O'NEILL-I think some rival Goa'uld just kicked his ass.

05.42.06 CARTER-There were several other death gliders in pursuit
 when we took him prisoner, sir.

05.46.25 APOPHIS (DISTORTED) (OS)-I demand...
 APOPHIS (DISTORTED) (CONT)-Cal mah!

05.48.01 GENERAL HAMMOND-You're not in a position to demand
 anything, sir. Lock him up.

05.52.20 DR. FRAISER-Sir, with all due respect, he is badly injured. He is not going to be any good to you at all unless we get him into the O.R. right now.

05.59.05 GENERAL HAMMOND-Do what you need to keep him alive, Doctor. We've got a lot of questions that need answers.

06.03.04 DR. FRAISER-Yes, sir. Okay, let's move him. I'm gonna start him on two I.V.'s and run Ringer's Lactate wide open. Let's go.

06.09.01 GENERAL HAMMOND (OS)-I want four...
GENERAL HAMMOND (CONT)-SF's posted at all times.
GENERAL HAMMOND (OS CONT)-If he attempts to escape,...
GENERAL HAMMOND (CONT)-you're authorized to do whatever is necessary to stop him.

06.16.19 SF-Yes, sir. Let's go!

06.23.13 GENERAL HAMMOND-We'll debrief at eleven hundred hours.

06.28.03 O'NEILL-Yes, sir.

06.37.10 DR. FRAISER (OS FROM OBSERVATION ROOM FILTERED)-Both femurs were smashed, and there was internal bleeding. Surgeries and transfusions...

DR. FRAISER (FROM OBSERVATION ROOM CONT FILTERED)-have stabilized him for now.

06.44.14 TEAL'C (FROM OBSERVATION ROOM FILTERED)-The Goa'uld symbiote within him will repair those injuries.

06.46.14 DR. FRAISER (FROM OBSERVATION ROOM FILTERED)-Well, I think it's kept him alive so far, Teal'c. But take a look at this monitor.

DR. FRAISER (OS CONT)-See, what you're looking at is the actual symbiote attached to the host's brain stem. Now, do you see all these lesions? I mean, there's dozens of them. I can treat the human part, but as for the symbiote itself...

07.01.17 CARTER-There is no treatment. (beat) He's been tortured.

07.12.13 O'NEILL-Sam...?

07.14.12 CARTER-I, I just had a memory of Jolinar. Pain... when she was killed by the Ashrak. (beat) The Ashrak had this device. He used it on us. It was meant to cause incredible pain. Apophis was tortured by the same thing.

07.41.12 GENERAL HAMMOND-So he's dying?

07.42.12 DR. FRAISER-Yes.

07.44.00 GENERAL HAMMOND-You're sure about that?

07.45.17 DR. FRAISER-As sure as I can be, sir, considering what we know of Goa'uld physiology.

07.50.07 O'NEILL-Good. When?

07.54.11 DR. FRAISER-Without access to a sarcophagus, the Goa'uld body will continue to deteriorate. So we're looking at days... weeks, certainly...

08.02.08 CARTER-This kind of torture wasn't designed to extract information. It's a method of execution.

08.09.03 O'NEILL-So what does he really want?

08.10.24 DANIEL (OS)-You heard him yourself.

DANIEL (CONT)-He wants sanctuary.

08.14.05 O'NEILL-I'm not buying that.

08.16.03 DANIEL-He gambled we would show compassion even to our
 worst enemy. He was right.

08.23.01 O'NEILL-You think he orchestrated this?

O'NEILL (OS CONT)-Let me tell you something.

O'NEILL (CONT)-The only compassion I showed was by not blowing his head off.

08.31.27 TEAL'C (OS)-I have witnessed...

TEAL'C (CONT)-once-powerful Goa'uld enter the service of their conquerors in exchange for life. When Apophis himself was the conqueror, it gave him great pleasure to see his enemies so weakened.

08.41.06 CARTER-Yeah, but we're a long way from being his
conquerors.

08.43.21 TEAL'C-But we are greatly responsible for his downfall.

08.47.18 GENERAL HAMMOND-He lost an army when you destroyed those
 two ships in orbit.

08.51.00 CARTER-Bra'tac did say that seriously weakened his place
 among the Goa'uld system lords.

08.54.25 DANIEL-So his blood is in the water, and all the other
 sharks are having a feeding frenzy.

08.58.13 TEAL'C-And he has come here seeking refuge.

09.00.15 O'NEILL-Well, that's tough. I say we beat whatever
 information we can out of ol' snake boy, open that
 gate, and toss him back to the sharks.

09.09.00 GENERAL HAMMOND (OS)-Not so fast, Colonel.
 GENERAL HAMMOND (CONT)-He's essentially a prisoner of
 war. That gives him certain rights.

09.17.22 O'NEILL-Rights, General?

09.19.20 CARTER-We also have to consider the host. I'm sorry,
 sir, but we are dealing with...
 CARTER (OS CONT)-two beings within one body. A symbiote
 may be an enemy,...

 CARTER (CONT)-but the host is innocent.

09.28.06 O'NEILL-Oh, come on. How much of the host do you think
 is still around after all this time?

09.33.28 TEAL'C (OS)-Apophis will...
 TEAL'C (CONT)-have that knowledge.

09.36.04 GENERAL HAMMOND (OS)-We also need to consider...
 GENERAL HAMMOND (CONT)-military intelligence.
 GENERAL HAMMOND (OS CONT)-I've informed my superiors of
 our situation. My orders are to extract whatever
 information we can...
 GENERAL HAMMOND (CONT)-in the short time we will have.

09.46.25 TEAL'C-He will tell you nothing of use, General Hammond.

09.48.28 GENERAL HAMMOND-If he believes it's in his own interest,
 he might.

09.51.21 DANIEL-We are the only thing that stands between him and
 whatever Goa'uld was after him on that planet.

09.56.02 GENERAL HAMMOND-We need answers. Let me know when he's
 conscious.

10.00.00 DR. FRAISER-I'll inform you the moment he's ready for
 questioning, sir.

10.02.27 GENERAL HAMMOND-Dismissed.

10.11.06 CARTER-Sir...?

10.15.02 O'NEILL-I shoulda shot him.

10.34.18 O'NEILL (FROM OBSERVATION ROOM FILTERED)-Dr. Fraiser,
he's awake. (beat) Not so close, Doc.

10.49.04 DR. FRAISER-He's not strong enough to do anything to hurt
me, Colonel. (beat) He wants to talk to you.

11.04.06 DR. FRAISER-He asked to speak to you by name.

11.11.01 APOPHIS (DISTORTED)-O'Neill... I am dying.

11.18.16 O'NEILL-My heart bleeds for you.

11.21.13 APOPHIS (DISTORTED)-You lie poorly. It is you who have
done this.
APOPHIS (DISTORTED) (OS CONT)-You rejoice.

11.31.08 O'NEILL-Not really. What do you want?

11.34.02 APOPHIS (DISTORTED)-To live.

11.36.11 O'NEILL-Can't help you there. That's between you and
your god. Oh, wait a minute... You are your god.
That's a problem.

11.51.18 APOPHIS (DISTORTED)-I am worth far more to you than you
will admit.

11.54.20 O'NEILL (OS)-You tell me,...
O'NEILL (CONT)-what are you worth?

11.56.11 APOPHIS (DISTORTED) (OS)-Your people,...
APOPHIS (DISTORTED) (CONT)-they are still primitive. You
will be destroyed.

12.01.12 O'NEILL-You don't look like you're up to it.

12.04.02 APOPHIS (DISTORTED)-Not me. There is another.

12.09.24 O'NEILL-Yeah? Who?

12.11.24 APOPHIS (DISTORTED)-There is much you would learn from
me, Tauri. (beat) But for that knowledge, there is
a price. (beat) A new host.

12.29.14 O'NEILL-A host.

12.30.23 APOPHIS (DISTORTED)-So that I may live. In exchange for
 all the knowledge of the Goa'uld.
 APOPHIS (DISTORTED) (OS CONT)-The secrets of star
 travel...
 APOPHIS (DISTORTED) (CONT)-our weapons... our power...

12.44.00 O'NEILL-All that...

12.45.13 APOPHIS (DISTORTED)-In time, more.

12.53.00 O'NEILL-Go to hell.

12.55.18 APOPHIS (DISTORTED)-A single human life is worth so much
 you would risk a world?

12.59.25 O'NEILL-That's right. That's why they call us the good
 guys. (beat) Doc, let me know when he dies.

13.14.01 APOPHIS (DISTORTED)-Sokar...!

13.16.15 O'NEILL-What?

13.18.09 APOPHIS (DISTORTED)-An ancient and powerful Goa'uld. You
 have helped him to become strong.
 APOPHIS (DISTORTED) (OS CONT)-The last of my loyal Jaffa
 died stealing me from his grasp.
 APOPHIS (DISTORTED) (CONT)-He will not rest until I am
 found. That is why I chose to come here. So that
 in death, I will be assured you will die with me.

13.50.24 TEAL'C (OS)-Sokar is a Goa'uld of ancient...
 TEAL'C (CONT)-times. He was once ruler of the system
 lords, but was defeated by an alliance of...
 TEAL'C (OS CONT)-Goa'uld many centuries ago. Apophis and
 Ra were among his conquerors.

14.00.27 CARTER-Where did he go?

14.02.05 TEAL'C-Apophis himself believed him destroyed.
 Obviously, he was mistaken.

14.06.20 O'NEILL-Well, if he was almost wiped out, how bad could
 he be now? (beat) It's rhetorical, Teal'c.

14.13.24 DANIEL (OS)-His name is also very old in Earth mythology.
 DANIEL (CONT)-He was the most feared deity in ancient
 Egypt, the original god of death.

14.21.07 O'NEILL-Got anything a little more up to date?

14.23.02 DANIEL-Well, I don't know what he's been up to lately,
but according to the Book of the Dead, there was a
time he ruled all of Earth. His lands around
Memphis were covered by darkness...
DANIEL (OS CONT)-and inhabited by serpents.

14.34.23 TEAL'C-Unas. The first host of the Goa'uld.

14.38.05 DANIEL (OS)-Well, that makes sense.
DANIEL (CONT)-I mean, if the Unas were the first ones,
there had to be a time when both forms of Goa'uld
hosts co-existed --
DANIEL (OS CONT)-Unas and human.
DANIEL (CONT)-Kind of like Neanderthal and --

14.47.16 O'NEILL-Which is he?

14.49.21 DANIEL-I don't know.
DANIEL (OS CONT)-But his portion of Tuat, or the
Otherworld, was filled with lakes of fire, where the
wicked were thrown into as punishment,...
DANIEL (CONT)-after torture and mutilation.

15.01.17 O'NEILL-Hell?

15.04.10 DANIEL-Yeah. Basically, he was the original Satan.

15.07.20 O'NEILL-Well, isn't that special.

15.10.08 TECHNICIAN (VO FILTERED)-Incoming traveler!

15.13.13 O'NEILL-Speak of the devil...

15.16.03 SCREEN READS:
CAUTION
INCOMING TRAVELER

15.22.04 GENERAL HAMMOND-Lieutenant Simmons...!

15.23.17 TECHNICIAN-There are no units presently offworld, sir.

15.25.12 GENERAL HAMMOND-Close the iris.

15.26.12 TECHNICIAN (OS)-Yes, sir.

15.30.23 SOLDIERS (OS)-Go! Go, men! Go go go! (unintelligible)
Move it! (unintelligible) Go!

15.59.03 GENERAL HAMMOND-Is there any way to determine what that
was?

16.01.06 CARTER-Yes, sir. We can get a radiation team in there to
 check the decay signature on the iris.

16.04.24 TECHNICIAN-I'm on it, Captain.
 TECHNICIAN (OS CONT)-Radiation team to gate room.

16.08.26 O'NEILL-In the meantime, sir, I'd like to get back to the
 interrogation, if I might.

16.12.07 GENERAL HAMMOND-Okay.

16.13.00 DANIEL (OS)-Sir, I'm...
 DANIEL (CONT)-kind of a resident expert on Sokar around
 here. I'd kind of like a shot at the interrogation.

16.21.03 O'NEILL-Yeah. Go ahead.

16.43.19 DANIEL-Is he conscious?

16.46.15 APOPHIS (DISTORTED)-Come, Daniel.

17.03.02 DANIEL-You know my name?

17.05.07 APOPHIS (DISTORTED)-Because of what we hold in common:
 Amaunet, my queen.

17.13.15 DANIEL-Her name is Sha're. She is my wife.

17.18.05 APOPHIS (DISTORTED)-They are one and the same.

17.20.05 DANIEL-Amaunet possesses her. Sha're is a prisoner.
DANIEL (OS CONT)-But she is somewhere.
DANIEL (CONT)-I want you to tell me where.

17.28.20 APOPHIS (DISTORTED)-Amaunet... I loved her. (beat) you
do not believe me?

17.37.09 DANIEL-No. No. I, I don't think that's possible.

17.42.05 APOPHIS (DISTORTED) (OS)-How could you?
APOPHIS (DISTORTED) (CONT)-Our minds... our knowledge...
our very being is so much greater,...
APOPHIS (DISTORTED) (OS CONT)-so much more...

17.52.18 DANIEL-I know where your child is.

18.00.08 APOPHIS (DISTORTED)-My son?

18.02.04 DANIEL (OS)-Yes.
DANIEL (CONT)-I brought him into the world with my own
hands...
DANIEL (OS CONT)-on Abydos.

18.08.06 APOPHIS (DISTORTED)-He was taken by Heru-ur.

18.09.21 DANIEL-No. By me.

18.19.26 APOPHIS (DISTORTED)-I have no use for the child now.
 (beat) Amaunet... (beat) I knew the moment I laid
 eyes on her she was the vessel for a queen...

18.37.01 DANIEL-If you don't tell me where she is, I'll kill you
 right here.

18.44.27 APOPHIS (DISTORTED)-You have neither the strength or the
 will.

18.49.28 CARTER-Daniel...

19.11.14 CARTER-We, we think that thud we heard hitting the iris
 was a Sagan Box. It's radioactive signature matches
 the one we gave the Tok'ra. They're coming here.

19.25.26 TECHNICIAN-Incoming traveler!

19.27.20 O'NEILL-Decision time, sir.

19.29.24 GENERAL HAMMOND-Captain Carter, are you one hundred
 percent certain?

19.32.25 CARTER-That the signature matches the one we gave the
Tok'ra? Yes, sir. But that it came from them?
There's no way to be sure.

19.37.24 GENERAL HAMMOND-Well, what if one...
GENERAL HAMMOND (OS CONT)-or more of the Tok'ra have been
captured by Sokar and tortured?

19.41.22 CARTER-I don't think that they would give us up.

19.44.00 O'NEILL-I'm with Carter, General. I say we keep the door
open.

19.48.06 GENERAL HAMMOND-Very well.

20.02.22 MARTOUF-Samantha...

20.04.03 CARTER-Martouf...

20.07.08 GENERAL HAMMOND (OVER INTERCOM FILTERED)-Defense team,
you may stand down.

20.11.02 MARTOUF-I offer you greetings from the high council of
the Tok'ra.

20.15.11 CARTER-Why didn't my father come?

20.16.23 MARTOUF-He's dealing with more urgent matters. We come
 only to offer you a word of warning.

20.21.02 O'NEILL-Which is...?

20.23.05 MARTOUF-We know you have Apophis as your prisoner. You
 must return him to the planet you retrieved him from
 immediately.

20.51.01 MARTOUF (VO)-Since Jacob has...
 MARTOUF (CONT)-joined the Tok'ra, I have come to a deeper
 understanding of your people, your purpose, and your
 extraordinary gifts.

21.00.25 GENERAL HAMMOND-Thank you.

21.02.02 MARTOUF (OS)-You have shown great skill and cunning in
 retrieving Apophis from the hands of Sokar.
 MARTOUF (CONT)-However --

21.08.00 O'NEILL-You know, as much as I love where you're going
 with this, we didn't exactly do that.

21.15.20 MARTOUF-Our operatives aboard Sokar's vessel witnessed
 you leave the crash site and enter the Stargate.

21.21.07 CARTER-We received a signal -- a set of coordinates. We
had thought it came from you.

21.26.17 MARTOUF-We sent no such signal.

21.28.10 O'NEILL-We know that now.

21.30.07 MARTOUF-Then who?

21.32.13 O'NEILL-We're going to assume it was Apophis.

21.40.00 MARTOUF (GOA'ULD)-Why would he take refuge among the
Tauri? He despises you. More than that, you have
nothing of use to him.

21.46.02 O'NEILL-He's goin' down. He wants to take us with him.

21.51.00 MARTOUF (GOA'ULD)-He has taken advantage of your
weakness.

21.53.20 CARTER-We don't consider what we did a sign of weakness.

21.56.02 MARTOUF (GOA'ULD)-Then you are fools. (beat) Turn him
over to Sokar now,...

MARTOUF (OS CONT) (GOA'ULD)-and he may spare you.

22.02.21 GENERAL HAMMOND-I'm afraid we can't do that just yet.

22.05.18 MARTOUF (GOA'ULD)-If he remains here, you will all die.
MARTOUF (OS CONT) (GOA'ULD)-If not by the hand of Sokar,
 then by the many Goa'uld who would wish to destroy
 Apophis themselves.
MARTOUF (CONT) (GOA'ULD)-You do not see what you have
 done. You've answered a battle in which you are
 ill-equipped to fight, tipped the balance of power
 among the Goa'uld, and in so doing, worsened the
 fortune of your entire race.

22.26.15 GENERAL HAMMOND (OS)-We must know...
GENERAL HAMMOND (CONT)-what would happen to him if we
 turned him over.

22.31.25 MARTOUF (GOA'ULD)-I am certain he would be executed...
MARTOUF (OS CONT) (GOA'ULD)-eventually.

22.36.10 GENERAL HAMMOND-I see.

22.37.08 MARTOUF (GOA'ULD)-Surely you welcome this. His guilt is
 clear. He cannot be allowed to escape punishment.

22.43.10 DR. FRAISER-He won't. He's dying.

22.48.04 MARTOUF (GOA'ULD)-You are certain of this?

22.49.09 DR. FRAISER-Yes. His body has begun to age at an
 increasing rate.

22.53.16 MARTOUF (GOA'ULD)-Without a sarcophagus to rejuvenate
 him, of course --

22.57.28 GENERAL HAMMOND-In the short time he has remaining, we
 may yet learn information...
GENERAL HAMMOND (OS CONT)-that could help us to defend
 ourselves.

23.04.17 MARTOUF (GOA'ULD)-Your knowledge and technology are too
 primitive for...
MARTOUF (GOA'ULD) (OS CONT)-such information to be of any
 use.
MARTOUF (GOA'ULD) (CONT)-Why don't you comprehend the
 danger you are in? (beat) We cannot defend you
 from the Goa'uld. You cannot expect us to.

23.18.05 O'NEILL-We don't.

23.22.12 MARTOUF (GOA'ULD)-Overconfidence was their failing,
 O'Neill.

MARTOUF (GOA'ULD) (OS CONT)-I hope it has not also become
 yours.

MARTOUF (CONT) (AS HIMSELF) Forgive Lantash. He is
 sometimes passionate in his opinions. (beat) We
 cannot and would not force you to do anything.

MARTOUF (OS CONT)-But since we have not convinced you of
 the danger you face,...

MARTOUF (CONT)-may we see him?

24.13.14 MARTOUF-What is that you're injecting into his body?

24.15.20 DR. FRAISER-Morphine sulfate.

24.17.09 CARTER-To ease the pain.

24.18.17 MARTOUF-Yes. You said he had been tortured.

24.20.16 DR. FRAISER-He's also experiencing withdrawal symptoms
 from the sarcophagus.

24.24.00 MARTOUF-But he is your enemy.

24.25.21 DR. FRAISER-He is my patient.

24.27.06 APOPHIS (DISTORTED)-Amaunet!

24.28.22 MARTOUF-Apophis, hear me...

24.29.27 APOPHIS (DISTORTED)-Amaunet!!

24.31.00 MARTOUF-I would speak with you...

24.32.00 APOPHIS (DISTORTED)-Amaunet!! My love....!
 APOPHIS (DISTORTED) (OS CONT)-Where are you...?
 (screams)
 APOPHIS (DISTORTED) (CONT)-See-mu-we!
 APOPHIS (DISTORTED) (OS CONT)-See-mu-we!

24.57.14 DANIEL-That's ancient Egyptian. This must be the host.

25.02.01 APOPHIS (DISTORTED)-She-rawh-tai!
 APOPHIS (DISTORTED) (OS CONT)-She-rawh-tai!

25.06.05 O'NEILL-Talk to him.

25.10.06 DANIEL-I don't know what to say...

25.24.19 DANIEL-Thousands of years, trapped inside your own
 body... It's like a nightmare... It's unimaginable.

25.30.06 DR. FRAISER-He won't be conscious again for a while.

25.33.06 MARTOUF-Then we will take our leave of him. I will tell
you the coordinates to send us.

25.37.09 CARTER-Well, we-we can question him together. We can
share whatever information we get.

25.41.09 TECHNICIAN (VO FILTERED)-Incoming traveler!

25.44.09 O'NEILL-Expecting someone?

25.45.11 MARTOUF-No.

25.51.10 TECHNICIAN (OVER INTERCOM FILTERED)-Defense teams, stand
by!

25.53.16 GENERAL HAMMOND-Keep that iris closed.

25.54.19 TECHNICIAN-Yes, sir.

26.04.22 MARTOUF-Sokar has found you.

26.07.16 O'NEILL-How?

26.08.12 MARTOUF-His pilots saw your kind flee with Apophis
 through the chaapa ai.
 MARTOUF (OS CONT)-The symbols of the Tauri are well-known
 among the Goa'uld.

26.19.00 O'NEILL-That iris will hold.

26.21.21 CARTER (OS)-It's a trinium titanium alloy.
 CARTER (CONT)-Just a few microns from the event horizon.
 It won't allow matter to reintegrate.

26.30.14 TEAL'C-Something is appearing.

26.35.23 CARTER-How is this possible?

26.38.14 MARTOUF (OS)-The space between your metal barrier and the
 wormhole...
 MARTOUF (CONT)-may be enough for particles of extremely
 high energy to reintegrate.

26.44.10 CARTER-Sub-atomic particles?

26.46.10 MARTOUF-Yes.

26.47.10 CARTER-A-are you saying he's firing a particle
 accelerator at the wormhole?

26.52.06 GENERAL HAMMOND-Captain?

26.53.08 CARTER-Sir, we may be witnessing the decay of sub-atomic particles as they're being bombarded against the iris:

CARTER (OS CONT)-Small enough to reintegrate, but moving at near light velocities. If Sokar can modulate the particle stream enough to create an actual image...

27.06.11 SOKAR (DISTORTED)-People of the Tauri... (beat) You have taken what is mine... For this you will be destroyed.

27.20.19 TECHNICIAN-The iris is beginning to heat up, sir.

27.23.11 GENERAL HAMMOND-How long can they maintain this?

27.25.02 CARTER-The longest single Goa'uld attack against the iris was thirty-eight minutes.

CARTER (OS CONT)-We think that's the maximum a wormhole can be maintained before it collapses.

27.32.05 DANIEL-Then he'll just dial us up and do this all over again.

27.35.19 GENERAL HAMMOND-This changes things. I'd better get on
 the phone with the President.

27.41.00 CARTER-Can you...
 CARTER (OS CONT)-help us?

27.43.14 MARTOUF-I know of no way.

27.45.09 O'NEILL-All right, Carter... In the meantime, why don't
 you see what you can get out of Apophis. His neck's
 on the line here, too.

27.52.27 CARTER-Yes, sir.

27.53.24 TEAL'C-I will accompany you.

28.04.16 APOPHIS (DISTORTED)-I will not speak to the Shol'va.

28.08.22 CARTER-Just answer this: Sokar is firing some sort of
 particle beam at the barrier we've placed within our
 Stargate. How do we defend against it?

28.17.16 APOPHIS (DISTORTED)-There is no defense.

28.19.19 TEAL'C-He lies.

28.20.16 APOPHIS (DISTORTED)-Shol'va, kree!

28.21.27 CARTER-How can you be sure?

28.25.08 APOPHIS (DISTORTED)-Because he used the weapon against
 me. (beat) The pain returns.

28.34.26 CARTER-We're not gonna get anything out of him in this
 state. I'll get Dr. Fraiser.

28.51.28 TEAL'C-I have waited many years for this moment.

28.55.24 APOPHIS (DISTORTED)-Do you think you have won, Teal'c?
 APOPHIS (DISTORTED) (OS CONT)-You are about to die.

29.01.12 TEAL'C-Perhaps that is so. But my people have won
 freedom.

29.06.22 APOPHIS (DISTORTED)-The Jaffa will never be free.

29.08.14 TEAL'C-They are free even now, as am I.
 TEAL'C (OS CONT)-Hear me, Apophis.
 TEAL'C (CONT)-This day will become a holy day on Chulak:
 The day of your death.

30.13.11 TEAL'C-Come no further! (beat) Let him suffer. (beat)
 And when he can stand the pain no more, he will tell
 us how to defend ourselves against Sokar's weapon.

30.30.06 DR. FRAISER-Teal'c, please move.

30.34.11 APOPHIS (DISTORTED)-There was a time when you would die
 for me, Teal'c.

30.44.03 TEAL'C-That time is no more.

30.52.04 DR. FRAISER-Easy... Easy...

31.05.24 CARTER-All right... These shields of yours...
 CARTER (OS CONT)-They obviously absorb different forms of
 energy. Maybe we could...

31.17.03 APOPHIS (DISTORTED)-I sense a presence within you.

31.20.04 CARTER-Could your shields help us or not?

31.28.06 APOPHIS (DISTORTED)-You were once possessed by a Goa'uld.
 APOPHIS (DISTORTED) (OS CONT)-I'm sure you will make an
 excellent...
 APOPHIS (DISTORTED) (CONT)-host for Sokar's new queen.

31.43.10 GENERAL HAMMOND-Airman! Pour it on, Sergeant! It's
 getting damn hot in here!

31.50.24 SILER-Better than nothing, sir, but not by much!

32.00.10 O'NEILL-General, Daniel just came up with an idea that
 might buy us some time.

32.04.19 DANIEL-Sir, if we can dial out, we can prevent them from
 dialing in for as long as we can keep the Gate open.

32.09.00 GENERAL HAMMOND-Good thinking, Doctor. If we can keep
 our Gate open for the same length of time --

32.12.06 TECHNICIAN-Coming up on thirty-eight minutes, sir.

32.14.11 O'NEILL-Stand by.

32.15.02 TECHNICIAN (OS)-Yes, sir.

32.18.03 O'NEILL-Go ahead. Dial it up.

32.26.06 TECHNICIAN (OS)-Chevron one, encoded...
 TECHNICIAN (CONT)-Chevron two,... (beat) Encoded...

32.38.07 DANIEL-The only thing I'm worried about is that --

32.39.15 SCREEN READS:
 CAUTION
 INCOMING TRAVELER

32.42.23 TECHNICIAN-Incoming wormhole established.

32.45.03 DANIEL-Sokar can dial in faster than we can dial out.

32.48.00 O'NEILL-Dammit...

32.48.12 TECHNICIAN (OS)-Sorry, sir...
 TECHNICIAN (CONT)-Next window's thirty eight minutes
 away.

32.53.00 DANIEL-That may be our last chance to dial out.

32.59.10 O'NEILL-It's gonna get hot, sir.

33.10.20 GENERAL HAMMOND-Temperature in the gate room now reads
 130 degrees fahrenheit, which means the iris must be
 six or eight times that.

33.18.16 MARTOUF-Even if he fails to breach the gate, he will come
 by ship.

33.21.09 CARTER-Martouf is right. What we really need to be concerned with here is another assault from space. That's exactly what we're...

CARTER (OS CONT)-inviting by refusing to hand Apophis over.

33.30.08 DANIEL-Well, we couldn't now even if we wanted to.

33.32.14 O'NEILL-Not with Belzebub bangin' at the door, no.

33.35.08 GENERAL HAMMOND-I have informed the President of our new situation. Our new orders are to cease all medical intervention.

33.40.25 DR. FRAISER-That wil effectively end his life, General.

33.43.07 GENERAL HAMMOND-I'm aware of that, Doctor.

GENERAL HAMMOND (OS CONT)-The President and Joint Chiefs have decided...

GENERAL HAMMOND (CONT)-that the risks are too great not to heed the Tok'ra's warning.

GENERAL HAMMOND (OS CONT)-Our orders are to send...

GENERAL HAMMOND (CONT)-Apophis' body back through the gate to the coordinates...

GENERAL HAMMOND (OS CONT)-where you found him.

33.59.05 TEAL'C (OS)-Will that be sufficient...
TEAL'C (CONT)-to make Sokar cease his attack, Martouf?

34.02.22 MARTOUF-Sokar is at war with Heru-ur. He wants no part
 of the Tauri for the moment. But you may have come
 to your senses too late. He will soon burn through
 your iris.

34.12.17 CARTER-Well, I've been working on a way to dial out
 faster. If we can open our gate in the next window,
 we should be able to send Apophis through.

34.19.19 O'NEILL-When is that?

34.21.02 CARTER-Seventeen minutes.

34.23.20 GENERAL HAMMOND-Colonel, make arrangements to send
 Apophis back through the Stargate.

34.41.24 O'NEILL-Apophis... (beat) We're sending you back.

34.55.04 APOPHIS (HUMAN)-See-mu-we... (beat) See-mu-we...

35.02.03 O'NEILL-Get Doctor Jackson down here.

35.13.16 GENERAL HAMMOND-I can't keep those men in there much longer.

35.17.15 CARTER-They've got to stay until the next window, sir.

35.23.23 APOPHIS (HUMAN) (OS)-Rech yah gereh... per nejes ha gereh.

 APOPHIS (HUMAN) (CONT)-She ma tai... She ma tai...

35.35.08 DANIEL-He says he's been in an unending dream. He hoped to awaken from it to see his wife and his children...

35.42.15 APOPHIS (HUMAN) (OS)-Sesh achet per taa Ra...

 APOPHIS (HUMAN) (CONT)-sejem ched...

35.55.22 DANIEL-He was a, a scribe in the Temple of Amon at Carnak... but that was another lifetime ago, before, before the nightmare...

36.05.25 APOPHIS (HUMAN)-Depet reshwet herew.

36.13.08 DANIEL-And now he wakens only to die again.
 DANIEL (OS CONT)-Ar Ko-me di-ya tuw...
 DANIEL (CONT)-qu-ris yam-yakh-cle, ip-yak, shur-see-buy,
 sof-khow, miy-Yak, hee-ma-ta. She-rahw-tak, hiy-
 yak, han-vy-sun, nih-huh... nih-huh... I said I will
 speak the words of power and do the rites. You will
 be returned to Egypt and buried with honor.
 DANIEL (OS CONT)-You will pass through the Seven Gates
 and see your wife and children again... and rejoice
 with them forever.
 DANIEL (CONT)-I'll be back.

37.15.17 TECHNICIAN-Sir, we're gonna lose the computers. The
 heat...

37.19.19 GENERAL HAMMOND-Captain...

37.21.18 CARTER-We need them, sir! One more minute until the
 window!

37.33.03 APOPHIS (DISTORTED)-Help me.

37.34.27 O'NEILL-No.

37.37.25 APOPHIS (DISTORTED)-A host...

37.40.08 O'NEILL-No.

37.44.21 APOPHIS (DISTORTED)-I am afraid...

37.58.24 DR. FRAISER-Colonel...
DR. FRAISER (OS CONT)-The Goa'uld is dead...
DR. FRAISER (CONT)-But the host, he's still alive.

38.15.19 CARTER-That's it! Initiate the dialing program!

38.20.13 TECHNICIAN (OS)-The program is running!

38.35.19 DANIEL-Sin Kersiw... pet taa Ra achet. (beat) I told
him this funerary statue would take his last breath
and carry his soul back to Egypt.

39.34.00 CARTER (OS)-Chevron seven,...
CARTER (CONT)-locked!

39.35.14 TECHNICIAN-Wormhole established!

39.37.25 GENERAL HAMMOND-Open the Iris.

39.52.10 TEAL'C-Captain Carter has succeeded in creating an
outgoing wormhole.
TEAL'C (OS CONT)-Sokar cannot attack during this time.

39.57.12 O'NEILL-That's good.

41.27.21 DANIEL-What now?

41.29.27 O'NEILL-We wait.

41.32.08 CARTER-If Sokar wanted him alive, he'll just start up the
attack again.

41.36.02 MARTOUF-No, I don't believe he will. Sokar has a
sarcophagus in his possession. (beat) With it he
can revive Apophis, even from death, and torture him
as long as he pleases. (beat) Surely a fate he
justly deserves.

42.05.02 MARTOUF-These are the coordinates we would like you to
send us.

42.08.14 CARTER-But not to anywhere we'll be able to find you
again.

42.11.08 MARTOUF-To contact us,...

MARTOUF (OS CONT)-you may use this.

42.15.23 DANIEL (OS)-That's Tollen.

DANIEL (CONT)-They use it to contact the Nox.

42.18.10 MARTOUF (OS)-Yes. We are...

 MARTOUF (CONT)-friends of the Tollen. And we are friends
 of the Tauri.

42.22.16 CARTER-Thank you.

42.24.06 O'NEILL-Well, if we're gonna be friends,...

 O'NEILL (OS CONT)-you're gonna need one of these. It's
 called a G.D.O.

 O'NEILL (CONT)-It sends out a signal that lets us know
 who you are, and if it's okay to open the Iris.
 Otherwise, you could end up splattered against
 the... well...

42.40.10 MARTOUF-I understand.

42.41.19 CARTER-Come on. I'll show you how it works.

42.46.06 GENERAL HAMMOND-All right. Let's send them home, people.

43.01.28 FADE TO END CREDITS.
