DIALOGUE

START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.33.04 TROFSKY-Begin cryo reversal.

00.36.20 RAULLY-Beginning reversal.

00.52.26 SCREEN READS:

BRAIN ACTIVITY: INCREASING

00.58.01 RAULLY (OS)-Chamber opening.

RAULLY (CONT)-It's okay, Colonel O'Neill. You're in the
SGC.

RAULLY (OS CONT)-You're gonna be fine.

RAULLY (CONT)-No, don't try to speak, Colonel. Give it
some time.

01.21.12 TROFSKY-Welcome back to the land of the...

TROFSKY (OS CONT)-living, Colonel.

TROFSKY (CONT)-I'm Major General Trofsky. This is Doctor
Raully.

01.27.06 RAULLY (OS)-Maybe we can try to answer...
RAULLY (CONT)-...some of the questions that are probably
weighing...
RAULLY (OS CONT)-...heavily on your mind.

01.31.14 TROFSKY (OS)-First of all, I regret...
TROFSKY (CONT)-...to inform you that everyone on your
team... Dr. Daniel Jackson... Captain Samantha
Carter... and a Jaffa named Teal'c...
TROFSKY (OS CONT)-...are all deceased.

01.45.14 RAULLY-As a matter of fact, I imagine everyone you ever
knew is probably gone now.

01.51.09 TROFSKY (OS)-You see, Colonel,...
TROFSKY (CONT)-...the year is now 2077.

03.24.00 RAULLY-How are you feeling, Colonel?

03.30.03 O'NEILL-Bit confused.

03.31.25 TROFSKY-Understandable. You've been in cryogenic
hybernation for almost 79 years.

03.40.22 O'NEILL-How?

- 03.42.04 RAULLY-That's a good question. We were hoping you could tell us.
- 03.49.16 TROFSKY-You were sent back to the Stargate already frozen, we're guessing by some advanced culture.
TROFSKY (OS CONT)-Your C.O. at the time -- General Hammond -- and a Dr. Fraiser felt that to thaw you without the proper technology would probably kill you.
TROFSKY (CONT)-They put you in a deep freeze until such a time as the technology was developed to...
TROFSKY (OS CONT)-...safely revive you.
- 04.11.09 RAULLY (OS)-Colonel, do...
RAULLY (CONT)-...you have any idea what happened to you on that planet?
- 04.17.00 O'NEILL-No, ma'am. General... I would prefer not to answer any more questions. (beat) Walk around a little and get my bearings.
- 04.37.04 TROFSKY-Of course. Good idea, actually. I'd be happy to show you the rest of the facility. You can disconnect him from these machines for a limited time, can't you, Doctor?

04.49.08 RAULLY-For an hour or so. But he needs the ramenic
infusion...

RAULLY (OS CONT)-...for his tissues to recover properly.

04.54.07 TROFSKY-Well, I'll have him back in less than an hour.

05.00.13 ELECTRONIC VOICE (VO FILTERED)-SG 14... debriefing in
five minutes. Level six.

05.05.22 TROFSKY-Has it changed much?

05.08.28 O'NEILL-There's no place like home, sir. (beat) How
many SG team are there now, sir?

05.18.27 TROFSKY-28 here on Earth. Another 10 occupying off-world
colonies.

05.23.17 O'NEILL-So we finally did that, huh? Populated other
planets?

05.28.20 TROFSKY-Affirmative.

05.31.25 O'NEILL-General... What happened to my team?

05.36.13 TROFSKY-They didn't make it.

- 05.37.27 O'NEILL-I got that. They didn't make it back through the Gate?
- O'NEILL (OS CONT)-Didn't survive the thawing process? What?
- 05.44.07 TROFSKY-Their bodies were sent back, but they were already dead. (beat) I'm sorry, Colonel. It was a long time ago.
- 05.55.27 O'NEILL-Maybe for you.
- 06.17.19 TROFSKY (OS)-So, Colonel...
- TROFSKY (CONT)-Do you have any recollection of what happened on your last mission?
- 06.26.28 O'NEILL-I wish I did, sir. I remember Intel suggested the planet we were going to was ruled by a Goa'uld. But I don't remember anything after we stepped through that Gate.
- 06.44.05 TROFSKY-Could you think of any reason why the Goa'uld might have saved your life and sent you back?
- 06.49.26 O'NEILL-That's certainly not their M.O.

06.54.04 TROFSKY-We feel whoever did help you was able to beat
back the Goa'uld in order to do so. We'd love to
know who can do that.

07.04.24 O'NEILL-So would I, sir.

07.06.03 TROFSKY (OS)-We have a new...
TROFSKY (CONT)-...technology that might help you
remember. We'd like to give it a try, if you feel
up to it.

07.12.27 MALE ELECTRONIC VOICE (VO FILTERED)-SG-22, prepare for
embarkation...

07.21.00 O'NEILL-Sure.

07.24.00 TROFSKY-We'd like to get started right away.
TROFSKY (OS CONT)-Our outpost planets are at war with
the...
TROFSKY (CONT)-...Goa'uld, and, uh... frankly, we're
losing. (beat) I'm hoping whoever helped you 79
years ago can...
TROFSKY (OS CONT)-...help us now.

07.46.02 RAULLY-The technology was a gift from the Tok'ra.

07.50.05 O'NEILL-We're still friends with them, huh?

07.51.24 RAULLY-Oh, yes. It's been quite a beneficial alliance.

07.55.19 O'NEILL-Just not much help in the outpost colonies, I
take it?

07.58.17 TROFSKY-No. OWW!! God, what is that?!

08.02.28 RAULLY (OS)-It's okay, Colonel.
RAULLY (CONT)-It's in. That's all the pain you'll feel.

08.06.11 O'NEILL-What a shame.

08.19.08 RAULLY-As the Tok'ra explain it, this device...
RAULLY (OS CONT)-...stimulates the memory centers of your
mind, and then amplifies it. Sort of like a
capacitor for thoughts.
RAULLY (CONT)-And when it's hooked up to this device
here, it projects what the mind's eye is seeing
holographically.

08.33.18 O'NEILL-Beautiful.

08.35.27 RAULLY (OS)-Now, all you have to do is focus your...
RAULLY (CONT)-...thoughts and guide the right memories to
the surface.

08.41.06 O'NEILL-How do I do that?

08.42.17 RAULLY-We'll lead you through it. It's kind of like, uh,
a high-tech version of hypnosis.
RAULLY (OS CONT)-We've introduced a very light sedative
through those tubes, and you should be feeling the
effects by now.

08.55.07 O'NEILL-Oh yeah...

08.57.00 RAULLY (OS)-Great. Then let's get going.
RAULLY (CONT)-Start by concentrating on what race or
culture you can think of from your travels that
might have the technology to defeat the Goa'uld and
cryogenically suspend you.

09.11.06 O'NEILL-The Nox did.

09.12.20 RAULLY (OS)-Okay, the Nox.
RAULLY (CONT)-Were they medically advanced?

09.20.03 O'NEILL-They could revive their dead.

09.44.04 TROFSKY-They could make themselves invisible?

09.46.08 O'NEILL-Not just themselves.

09.50.09 ANTAEUS-Before you go, O'Neill... There is something we
would have you see. (beat) Fear not.

10.22.01 RAULLY-Colonel O'Neill... Was it the Nox who sent you
here?

10.26.20 O'NEILL-I don't remember.

10.28.14 RAULLY-Well, they have the technology to...
RAULLY (OS CONT)-make themselves invisible.
RAULLY (CONT)-Could be a very...
RAULLY (OS CONT)-...powerful weapon against the
Goa'uld,...

RAULLY (CONT)-...could it not?

10.35.26 O'NEILL-Probably. But they'd never use it in that
manner. The Nox wouldn't even fight in self-
defense.

10.51.03 TROFSKY-Can you think of anyone else who could've
defeated the Goa'uld?

10.54.07 O'NEILL-The Asguard...

11.06.02 O'NEILL-Oh my...

11.08.04 DANIEL (OS)-Ladies and gentlemen, I think this is Thor's
Chariot.

11.13.03 TEAL'C (OS)-An Asguard...
TEAL'C (CONT)-mother ship. I have heard them described
in Jaffa legend...

12.07.05 O'NEILL-You're the Asguard... Thor's race... right?

12.10.09 GREY ONE (filtered)-You have heard of us?

12.12.03 O'NEILL-Nothing but good things.

12.14.00 GREY ONE (filtered)-We have studied your race...
GREY ONE (filtered) (OS CONT)-closely.

12.20.06 O'NEILL-What did you learn?

12.21.20 GREY TWO (filtered)-That your species has great...
GREY TWO (filtered) (OS CONT)-potential.

12.27.15 O'NEILL-Great potential. That's good.

- 12.32.03 GREY ONE (filtered)-Understand this:
GREY ONE (filtered) (OS CONT)-There was once an alliance
 of four great races in the galaxy.
GREY ONE (filtered) (CONT)-The Asguard...
GREY ONE (filtered) (OS CONT)-The Nox...
- 12.41.26 O'NEILL-Met them.
- 12.43.08 GREY ONE (filtered)-The Furlings...
- 12.44.21 O'NEILL-Don't know them.
- 12.46.22 GREY ONE (filtered)-And the Ancients,...
GREY ONE (filtered) (OS CONT)-the builders of the
 Stargates.
- 12.51.12 O'NEILL-That's a pretty heady group.
- 12.53.05 GREY ONE (filtered) (CONT)-Your race has much to prove
 before we may interact on that level.
- 13.07.20 O'NEILL-Look... You all seem to be quite wonderful...
 (beat) ... people... (beat) ... But you folks should
 understand that we're out there now. And we might
 not be ready for a lot of this stuff, but we're
 doing the best that we can.

15.13.16 O'NEILL (OS)-Daniel...
O'NEILL (CONT)-Does this mean anything?

15.17.22 DANIEL-Well, if this was a Mecca of sorts -- an alien
"United Nations" -- this has to mean something.

15.26.20 O'NEILL-I know this.

15.28.00 CATHERINE-Of course. High school chemistry.

15.30.21 DANIEL (OS)-One proton, one electron...
DANIEL (CONT)-Hydrogen!

15.34.00 CATHERINE (OS)-Beryllium...
CATHERINE (CONT)-Sodium...

15.37.01 OLD ERNEST-Silver... Iron...
OLD ERNEST (OS CONT)-Barium... Xenon...

15.41.09 DANIEL-Of course! (beat) How do you ensure universal
communication? (beat) You reduce the method of
communication to the most basic elements...
DANIEL (OS CONT)-common to everyone and...
DANIEL (CONT)-everything that exists in the universe.
Jack, this is a true universal language!

16.14.21 RAULLY (OS)-He's had enough for now.
RAULLY (CONT)-Let's let him rest.

16.20.07 TROFSKY (OS)-Thank you, Colonel.
TROFSKY (CONT)-Good work. (beat) We'll resume later.

17.17.01 TROFSKY (OS)-It's okay,...

TROFSKY (CONT)-...Doctor Jackson. You're in the SGC.

TROFSKY (OS CONT)-You're gonna be fine.

17.27.11 TROFSKY-This one has Naquada in her system, so keep her a
little more dosed.

17.52.14 TROFSKY (OS)-It's okay, Dr. Carter.
TROFSKY (CONT)-You're in the SGC. You're gonna...
TROFSKY (OS CONT)-...be fine.

17.59.21 CARTER-SG-1...?

18.01.06 RAULLY (OS)-I'm afraid...
RAULLY (CONT)-...they didn't make it, Captain.
RAULLY (OS CONT)-I'm sorry.

18.13.02 RAULLY (OS)-There... How does that feel, Captain?

- 18.15.23 CARTER-Okay. Ugh! It hurts a little. Listen, is this really necessary?
- 18.21.15 RAULLY-Well, it's important that we know who would have the technology to do this.
- 18.24.17 CARTER-Why?
- 18.25.24 RAULLY-Because, Captain Carter, anyone with that technology would be a very powerful ally against...
RAULLY (OS CONT)-...Apophis.
- 18.31.10 CARTER-Apophis. Isn't he dead?
- 18.35.04 RAULLY-Well, of course he is. We're merely trying to stimulate...
RAULLY (OS CONT)-...the region of your memory that involves doing battle with the Goa'uld.
RAULLY (CONT)-It might help us in our current battles.
- 18.43.16 CARTER-Okay. Well... We did fight...
CARTER (OS CONT)-...the Goa'uld a lot.
- 18.46.27 RAULLY-Tell me how you defeated Apophis.

18.50.27 CARTER-Well, we gated to what we...
CARTER (VO CONT)-...thought was their home base, but we
ended up on a Goa'uld mothership.

19.01.11 DANIEL (OS)-A sarcophagus...

19.03.15 O'NEILL-Oh, great. More snake heads. Teal'c, any idea
which one's in here? Teal'c...?

19.15.27 CARTER-We're not on a planet, are we?

19.18.08 TEAL'C (OS)-That is correct.
TEAL'C (CONT)-It appears we are aboard a Goa'uld
transport vessel.

19.25.00 CARTER-And that jolt was...?

19.27.10 TEAL'C-Hyperlaunch.

20.21.22 OTHER GUY-The shield generators are far below.
OTHER GUY (OS CONT)-There... In the very bowels of the
ship.
OTHER GUY (CONT)-We must climb down several decks through
the length of the ship.
OTHER GUY (OS CONT)-Then, taking our weapons,...
OTHER GUY (CONT)-...we must...

EXPLOSIVE

21.22.16 O'NEILL-Our time is up. We have got to go.

21.25.15 CARTER-Punch it.

21.45.14 RAULLY-Very impressive, Captain. The end of Apophis.

21.49.19 CARTER-Well, the beginning of the end, yes. His forces
were so weakened that...

CARTER (OS CONT)-...another Goa'uld eventually got him.

21.55.16 TROFSKY-So if it wasn't Apophis, what other Goa'uld could
it be?

21.59.06 DANIEL-Well, there seems to be a lot of them. Sokar...

22.03.00 SOKAR (VO DISTORTED)- (unintelligible)... (beat) You
have taken what is mine... For this you will be
destroyed...

22.17.04 DANIEL-Heru-ur...

22.23.28 HERU-UR (DISTORTED)-You dare challenge me?

22.29.05 O'NEILL-I was thinking about it.

22.37.06 HERU-UR (DISTORTED)-You'll pay for this insolence!

22.39.18 DANIEL-And then, of course, there's Hathor. She almost succeeded in doing some pretty big damage.

22.45.18 HATHOR (VO)-We must praise you...
HATHOR (CONT)-...and give to you a great honor.

22.48.27 O'NEILL-Yeah, I'm sure that's be just great, but not right --

22.32.09 HATHOR-Do not worry yourself.
HATHOR (OS CONT)-You will enjoy the rich rewards that come with what we are giving you.
HATHOR (CONT)-You will cherish the good health and long life that goes with being...
HATHOR (CONT DISTORTED)... Hathor's first new Jaffa...

24.04.20 HATHOR (DISTORTED)-We demand that the woman you call Carter be brought before us so that we may gain retribution.

- 24.10.12 DANIEL-Captain Carter does deserve to be punished, my Queen. But she does not know what she is doing. I beg of you to show mercy.
- 24.19.06 HATHOR (OS DISTORTED)-She does not deserve mercy from us.
HATHOR (CONT DISTORTED)-She will make amends with her death.
- 24.31.26 CARTER-I don't think so.
- 24.39.09 HATHOR (DISTORTED)-You have failed us, our love. You will not fail us again.
- 25.01.04 DANIEL-Nooooooooo!!!
- 25.10.07 O'NEILL-Get these airmen out of here! Daniel, let's go!
Move it!
- 25.19.19 TROFSKY-What's wrong?
- 25.21.21 DANIEL-Nothing. I just... I really need to know exactly what happened to my friends.
- 25.26.28 TROFSKY-As I said, they were sent back through the gate.
They were...
- TROFSKY (OS CONT)-...already dead. That's all I know.

- 25.32.20 DANIEL-What about General Hammond?
- 25.34.28 TROFSKY-Well, I'm happy to report he lived to a ripe old age of 93.
- 25.40.00 DANIEL-So everyone I ever knew, basically, is gone?
- 25.44.00 TROFSKY-I'm afraid so.
- 25.56.12 DR. FRAISER (OS)-It's okay, it's okay...
DR. FRAISER (CONT)-You're in the SGC, Teal'c.
- 26.03.17 GENERAL HAMMOND-Good to have you back, Teal'c.
- 26.05.18 TEAL'C-General Hammond...
- 26.08.11 DR. FRAISER (OS)-Easy... easy...
- 26.12.14 TEAL'C-Where are the rest of SG-1?
- 26.14.28 GENERAL HAMMOND-Good question. We were hoping you could tell us.

- 27.20.16 DR. FRAISER-Teal'c, you've been unconscious for three weeks.
- 27.25.01 TEAL'C-That is not possible. My symbiote...
TEAL'C (OS CONT)-...would have awakened me long before the period of three weeks.
- 27.31.11 DR. FRAISER-You're barely alive, Teal'c. With substantial internal injury.
- 27.37.07 GENERAL HAMMOND (OS)-Doctor Fraiser spent most of...
GENERAL HAMMOND (CONT)-...the three weeks at your side.
I'm convinced it was her refusal to give up that kept you alive.
- 27.48.12 TEAL'C-I am in your debt, Doctor Fraiser.
TEAL'C (OS CONT)-General Hammond,...
TEAL'C (CONT)-Permit me to return to this planet to search out my friends.
TEAL'C (OS CONT)-If their bodies were not found by my side,...
TEAL'C (CONT)-...then they are prisoners.

- 28.03.00 GENERAL HAMMOND-If they're prisoners, they're long gone from that planet.
- GENERAL HAMMOND (OS CONT)-We sent out UAV's, balloons,...
- GENERAL HAMMOND (CONT)-...and our best rescue teams found nothing but scorched earth. There was no trace of them. They could be moved to any Goa'uld stronghold. You'd be searching for a needle in a very large haystack.
- 28.22.12 TEAL'C-Perhaps. But I must try.
- 28.27.17 GENERAL HAMMOND-Teal'c, I understand your desire to do something --
- GENERAL HAMMOND (OS CONT)- -- anything -- for SG-1, but I cannot expend...
- GENERAL HAMMOND (CONT)-...any more resources on this. I'm sorry. Request denied.
- 28.41.16 TEAL'C-If the people of the Tauri have given up hope on SG-1, then it is with great regret that I must leave this world and return to my people.
- 28.52.11 GENERAL HAMMOND-You mean you want to leave the SGC?
- 28.55.03 TEAL'C-That is correct.

28.58.10 GENERAL HAMMOND-I can't let you do that, Teal'c. I won't let you do it.

29.05.00 TEAL'C-General Hammond... I hereby respectfully inform you that I must take my leave of the SGC. (beat) Therefore, I am no longer under your command.

29.26.12 GENERAL HAMMOND-I can't allow you to do that. You represent too great a security risk.

29.31.25 TEAL'C-General Hammond... I would die before divulging any information concerning this world. I believe you know that.

29.43.13 GENERAL HAMMOND-Yes, I do.

29.47.04 TEAL'C-I will depart in one hour.

30.06.09 TROFSKY (AS GOA'ULD) (DISTORTED)-Tel mak, Kree. Meg tal, Ah.

30.10.11 RAULLY (AS GOA'ULD) (DISTORTED)-Rok, Tree Nol. Meg tal.

31.09.18 ELECTRONIC VOICE (VO FILTERED)-Chevron four engaged...

31.14.16 SOLDIER (OS)-Ten hut!

- 31.18.02 ELECTRONIC VOICE (VO FILTERED)-Chevron five engaged...
- 31.23.03 GENERAL HAMMOND-Teal'c, you will be missed.
- 31.27.00 TEAL'C-I have learned much from you, General Hammond.
For that I thank you.
- 31.32.02 ELECTRONIC VOICE (VO FILTERED)-Chevron six engaged...
- 31.35.08 GENERAL HAMMOND-I've learned a lot from you, too, Teal'c.
So we're even on that count.
- 31.41.01 ELECTRONIC VOICE (VO FILTERED)-Chevron seven locked...
- 31.42.22 GENERAL HAMMOND-Take care of yourself.
- 32.18.05 GENERAL HAMMOND-At ease.
- 35.53.06 O'NEILL-(whispering) Carter...! Carter...! Carter...
Shhhh...!
- 36.12.24 CARTER- (whispering) I thought you were dead...
- 36.25.23 CARTER (OS)-Get out of there!

- 36.31.18 CARTER-Colonel! It goes right through his shoulder...
CARTER (OS CONT)-...into the concrete!
- 36.40.07 CARTER- (whispering) Whoa!
- 36.41.20 O'NEILL- (whispering) Yeah. These things have a nasty
habit of going off when you least expect it. Try
not to think too much.
- 36.48.02 CARTER- (whispering) They said --
- 36.48.28 O'NEILL- (whispering) They're Goa'uld, Carter.
- 36.50.17 CARTER- (whispering) Daniel? Teal'c?
- 36.52.14 O'NEILL- (whispering) I don't know yet. Think you can
walk?
- 37.02.03 CARTER- (whispering) The drugs must've prevented me from
sensing the Naquada.
- 37.08.18 O'NEILL- (whispering) Trade clothes with that guy.
- 37.22.16 CARTER-Sure looks like the SGC.
- 37.34.23 CARTER-Wow. This looks just like --

37.35.19 O'NEILL-Don't think about it. You'll set that thing off.

37.55.04 CARTER- (whispering) Can't we take these things off?

37.59.05 O'NEILL- (whispering) I don't know. You tell me. Mine's
in pretty deep.

38.02.15 CARTER-Yeah, you're right. Pulling them out might cause
some pretty nasty collateral damage.

38.09.12 O'NEILL-And we don't want that.

38.34.07 O'NEILL-What the hell...?

38.38.08 O'NEILL (OS)- (whispering) Daniel... Daniel...!

38.45.02 DANIEL-I don't understand. They said --

38.46.16 CARTER-They're Goa'uld, Daniel.

38.48.13 DANIEL-What year is it?

38.50.03 CARTER-1999, more than likely.

38.52.26 DANIEL-So this is all a hoax?

38.53.25 O'NEILL-Big hoax. I'd say so.

38.57.12 DANIEL-I have more questions, but that can wait.

38.59.05 O'NEILL-Yeah.

39.19.00 O'NEILL-Damn cost cutter.

39.21.27 CARTER-This facade is obviously part of a bigger Goa'uld facility. Complete with Horus and Serpent guards.

39.29.20 DANIEL-What? Horus and Serpent? That's kind of an odd alliance, isn't it?

39.44.00 DANIEL-Never seen this place so deserted.

39.46.10 CARTER-Guess they figure they don't need to keep up the act if we're unconscious.

39.50.13 O'NEILL-It's fake.

39.59.06 DANIEL-I don't understand. Who would've spent enough time on the base to be able to reproduce in this kind of detail? (beat) You don't think Apophis...

40.07.27 HATHOR-Silence!

41.59.21 HATHOR (AS GOA'ULD DISTORTED)-What is the sequence of numbers necessary to open the barricade protecting your Stargate? (beat) If you will...

HATHOR (AS GOA'ULD DISTORTED) (OS CONT)-...not give us the information we desire,...

HATHOR (AS GOA'ULD DISTORTED) (CONT)-...we do have another means of retrieving it. (beat) An opportunity has presented itself...

HATHOR (AS GOA'ULD DISTORTED) (OS CONT)-...at a most...

HATHOR (AS GOA'ULD DISTORTED) (CONT)-...fortuitous time. (beat) Our friend here...

HATHOR (AS GOA'ULD DISTORTED) (OS CONT)-...is ready for a host.

HATHOR (AS GOA'ULD DISTORTED) (CONT)-Tell us... Which one of you shall it be?

43.01.27 FADE TO END CREDITS.

- 40.13.00 O'NEILL-Oh, I was so hoping never to see you again.
- 40.26.18 HATHOR (AS GOA'ULD DISTORTED)-But we have indeed missed you, our beloved.
- 40.30.11 CARTER-Daniel, don't let her breathe on you.
- 40.33.12 HATHOR (AS GOA'ULD DISTORTED)-Do you think that we would go to these lengths if you were not already...
HATHOR (AS GOA'ULD DISTORTED) (OS CONT)-...immune to that organism?
HATHOR (AS GOA'ULD DISTORTED) (CONT)-Do you like our guards?
HATHOR (AS GOA'ULD DISTORTED) (OS CONT)-We managed to lure them...
