START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.09.20 NARRATOR (VO) - Previously, on Stargate SG - 1.

00.16.15 TROFSKY (OS) - First of all, I...

TROFSKY (CONT) - regret to inform you that everyone in  
your team...

TROFSKY (OS CONT) - are all deceased...

TROFSKY (CONT) - The year is now 2077.

00.28.12 TROFSKY (OS) - Okay, Dr. Carter...

TROFSKY (CONT) - You're in the SGC. You're...

TROFSKY (OS CONT) - going to be fine.

00.33.11 TROFSKY (OS) - It's okay, Dr. Jackson...

TROFSKY (CONT) - You're in the SGC. You're gonna be  
fine.

00.38.15 TEAL'C - Where're the rest of SG-1.

00.40.02 HAMMOND - We were hoping you can tell us.

00.41.15 TEAL'C - I'll return to the planet immediately to search  
for the answers.

00.44.12 HAMMOND - Can't...

HAMMOND (OS CONT) - let you do that, Teal'c. If they're  
prisoners, they're long gone from that planet. They  
could be...

HAMMOND (CONT) - moved to any Goa'uld stronghold.

00.54.13 TROFSKY (OS) - Do you have any recollection of what  
happened on your...

TROFSKY (CONT) - last mission?...

TROFSKY (OS CONT) - We have a new technology...

TROFSKY (CONT) - that might help you remember.

01.00.19 O'NEILL - Ow! God, what is that?

01.02.10 RAULLY (OS) - It's okay...

RAULLY (CONT) - Colonel, it's in...

RAULLY (OS CONT) - It's kind of like a high-tech version  
of hypnosis.

01.10.24 CARTER - Listen, is this really necessary?

01.12.27 RAULLY - Well it's important that we know who would have  
the technology to do this.

01.16.05 CARTER - Why?

01.17.00 TROFSKY (OS) - Kel mak kree. Mak kel-a.

01.19.17 RAULLY - Rok kree no'l. Ra krow.

01.21.25 TEAL'C - I hereby respectfully inform you that I must  
take my leave of the SGC...

TEAL'C (OS CONT) - Therefore I am no longer under your  
command.

01.52.20 DANIEL (OS) - I don't understand. Who would've spent  
enough time at our base to be able to reproduce...

DANIEL (CONT) - in this kind of detail.

01.57.08 HATHOR (OS) - Silence!... We are quietly building our forces before the System Lords even know that we are alive. Doing so is difficult...  
HATHOR (CONT) - but we have to operate with limited knowledge of the state of the empire.

02.08.23 O'NEILL (OS) - Lemme take a guess...  
O'NEILL (CONT) - It's just a wild guess, but that's where we come in.

02.15.28 HATHOR (OS) - Our friend here is ready for a host...  
HATHOR (CONT) - Tell us, which one of you shall it be?

02.29.05 NARRATOR (VO) - And now, the conclusion.

02.40.11 TECHNICIAN (OS) - Welcome back, Colonel Makepeace. Your briefing is scheduled at 1430 hours.

02.48.19 MAKEPEACE (OS) - Make a hole! Sargent, I need to find General Hammond.

02.52.07 SARGENT - He's in his office...  
SARGENT (OS CONT) - Colonel?

04.39.19 HAMMOND - It's damned peculiar.

04.41.00 MAKEPEACE - Unlike Cheyenne Mountain, the Tok'ra say...

MAKEPEACE (OS CONT) - the exterior of the base is  
unguarded. We shouldn't face any...

MAKEPEACE (CONT) - resistance until we're already inside  
the facility, and even then, it'll be light.

04.50.20 DAVIS - Can we trust them?...

DAVIS (OS CONT) - The...

DAVIS (CONT) - Tok'ra.

04.54.01 MAKEPEACE (OS) - Their operative on the inside took a big  
risk just to get us this in--

MAKEPEACE (CONT) --formation, sir. I think so.

04.59.06 DAVIS (OS) - If they have...

DAVIS (CONT) - someone on the inside, why can't they do  
something?

05.02.20 HAMMOND (OS) - They...

HAMMOND (CONT) - did do something, Major...

HAMMOND (OS CONT) - Do you have the coordinates?

05.06.00 MAKEPEACE - Yes sir. My team is ready to go.

05.07.15           HAMMOND (OS) - And you will, but not alone...  
                  HAMMOND (CONT) - Sargent...  
                  HAMMOND (OS CONT) - I'd like you to get me the President  
                                  on the phone.

05.12.26           SARGENT - Yes sir.

05.14.00           HAMMOND (OS) - I want every available SG team ready to  
                                  deploy in the Gate Room within two hours.

05.18.13           MAKEPEACE - Yes sir.

05.18.28           DAVIS - Sir, do you intend to commit the resources of  
                                  this entire command?

05.22.14           HAMMOND - Only wish we could. Nearly half of our teams  
                                  are off-world right now on other missions.

05.27.04           DAVIS (OS) - General, that's not my point...  
                  DAVIS (CONT) - SG-1 is a valuable asset, but they're  
                                  still just one team.

05.39.00           HAMMOND - Major, you've got alot to learn about the way  
                                  we do things around here.

05.43.10           SARGENT - I have the President for you, sir.

05.45.15 HAMMOND - Let's get the job done.

05.54.28 TECHNICIAN (OS THRU SPEAKER) - We have MALP telemetry.  
Tactical is go. Environmental is go.

05.58.24 HAMMOND - You've all been briefed on the mission by  
Colonel Makepeace. You know the enemy. You know  
the risks...

HAMMOND (OS CONT) - What I'm trying to say is...

HAMMOND (CONT) - I would rather not order you to do  
this...

HAMMOND (OS CONT) - So I would like all those...

HAMMOND (CONT) - willing to attempt the rescue of SG-1 to  
take one step--... Very well. SG Units...

HAMMOND (OS CONT) - Three, Five, Six and Eleven...

HAMMOND (CONT) - Bring them home... Good luck, Colonel.

06.39.14 MAKEPEACE - Yes sir. Al--

MAKEPEACE (OS CONT) --right, let's go! Move...

MAKEPEACE (CONT) - out!

07.08.18 HATHOR (OS) - We ask you...  
HATHOR (CONT) - once more...  
HATHOR (OS CONT) - Which one of you shall be host to our  
new friend?

07.22.22 O'NEILL - It has her eyes.

07.23.24 HATHOR - Silence!...  
HATHOR (OS CONT) - Should it be...  
HATHOR (CONT) - our beloved? They could spend an  
eternity together. Do you not remember the joys  
that we once shared in one another's arms?

07.43.16 DANIEL - I really try not to.

07.47.19 HATHOR - Shall it be the female...  
HATHOR (OS CONT) - then?...  
HATHOR (CONT) - She, who would challenge us... You have  
since been possessed by a Goa'uld, we sense.  
Perhaps once more.

08.04.22 CARTER - I'm not afraid.

08.05.26 HATHOR (OS) - You should be, my dear...  
HATHOR (CONT) - for the pain that a symbiote can inflict  
on its host is unimaginable...  
HATHOR (OS CONT) - It seems...  
HATHOR (CONT) - that our friend has chosen.

08.23.19 O'NEILL - What, the gray doesn't bother you?... Alright,  
fine, let's do it...  
O'NEILL (OS CONT) - Just...  
O'NEILL (CONT) - please, I beg of you, not in the back of  
the neck, I've got some problems with my-- Arghh!

08.46.01 HATHOR - Fool!

08.48.10 RAULLY - He would've hurt the symbiote.

08.49.08 HATHOR (OS) - Which...  
HATHOR (CONT) - you have done in his place! Return it to  
the safety of the Jaffa!...  
HATHOR (OS CONT) - And take him somewhere where he can  
be...  
HATHOR (CONT) - properly restrained!

09.11.03 MAKEPEACE (OS) - Alright...  
MAKEPEACE (CONT) - Hold the fort!

09.13.21           MARINE - Yes sir.

09.20.24           MAKEPEACE - What've you got?

09.22.00           LIEUTENANT - Picking up EM approximately one click away,  
                  sir. Probably power generation. No sign of SG-1's  
                  IFF or radio chatter.

09.29.17           MAKEPEACE - Roger that, Lieutenant.

10.25.24           TEAL'C - Bra'tac.

10.27.24           BRA'TAC (OS) - Teal'c. You grant...  
                  BRA'TAC (CONT) - a dying old man's wish.

10.34.14           TEAL'C (OS) - Do not speak of such things.

10.38.14           BRA'TAC (OS) - Arrghghghghgh--  
                  BRA'TAC (CONT) --ahhhhh!

11.06.00           TEAL'C - Who has done this?

11.07.29           BRA'TAC - The last of Apophis' personal guard...  
                  BRA'TAC (OS CONT) - They left me for dead.

11.13.20           TEAL'C - For what reason?

11.15.04           BRA'TAC - When I heard the news of Apophis, my heart  
                  soared, Teal'c... I hoped there would be  
                  celebration among our people. It is said they fear  
                  that with the death of Apophis, Klorel will return  
                  to claim his inheritance.

11.36.23           TEAL'C - They are cowards.

11.38.19           BRA'TAC (OS) - In too great a number...

BRA'TAC (CONT) - for an old man of a hundred an thirty-  
                  five. What of your human friends?

11.48.06           TEAL'C - Prisoners of Goa'uld. I have come to raise an  
                  army with which to free them.

11.54.10           BRA'TAC - That will not be so easy, Teal'c.

11.56.23           TEAL'C (OS) - Perhaps...

TEAL'C (CONT) - but I must try. Until then you are in  
                  need of food and rest. And I am in need of armor.

12.16.13           HATHOR - We are not pleased.

12.21.05 O'NEILL - Neither are we... Ah, arrghghgh!

12.36.02 HATHOR (OS) - Once host to a Goa'uld...  
HATHOR (CONT) - you will take the lives of your friends.

12.45.02 O'NEILL - We don't think so.

12.46.04 HATHOR (OS) - You will have no say in the matter...  
HATHOR (CONT) - You will witness their deaths through  
your own eyes... Hopelessly...  
HATHOR (OS CONT) - It may...  
HATHOR (CONT) - take some time for the Goa'uld...  
HATHOR (OS CONT) - to take control. But we will  
greatly...  
HATHOR (CONT) - enjoy experiencing your eventual defeat.

13.28.17 O'NEILL - Oh God, no.

13.34.01 HATHOR (OS) - Darling, when you awaken from the  
joining...  
HATHOR (CONT) - you will kneel and pledge your loyalty to  
us.

13.45.29 O'NEILL - Argrghghrghh!...  
O'NEILL (OS CONT) - Arrghgh...  
O'NEILL (CONT) - Uhhh, uhh.

14.01.14 HATHOR (OS) - Jaffa! Kree Mel!

14.09.08 O'NEILL - Uhhh.

14.16.27 MARINE (OS) - Look out! Over there, over there!

14.19.04 MAKEPEACE - Secure the forward area.

14.22.26 MARINE (OS) - Go!

14.23.25 HATHOR - Jaffa. Lok shak, tal makka kree.

14.40.13 O'NEILL - Uhhh.

14.41.17 RAULLY - O'Neill, you must fight it. I am Tok'ra...  
RAULLY (OS CONT) - The cryogenic process will prevent...  
RAULLY (CONT) - the melding. The Goa'uld within will  
die, but until then you must fight it.

15.22.14 MAKEPEACE - Three o'clock! Three...  
MAKEPEACE (OS CONT) - o'clock!

15.25.28           TROFSKY - [SHOUTS IN GOA'ULD]

15.52.01           MAKEPEACE - Yeah, there's no place like home.  Alright,  
                  the area's secure, let's...  
MAKEPEACE (OS CONT) - move out.

16.07.21           MAKEPEACE (OS) - Surrender your prisoners and drop your  
                  weapons, now!

16.17.07           CARTER - Colonel Makepeace.

16.18.02           MAKEPEACE (OS) - Where's Colonel...  
MAKEPEACE (CONT) - O'Neill?

16.19.29           CARTER (OS) - He's been taken as a...  
CARTER (CONT) - host.

16.22.26           MAKEPEACE - What?

16.51.12           HATHOR (OS) - Jaffa!...  
HATHOR (CONT) - Kree!

16.53.27 RAULLY - Kel nok shree, Jaffa... I am of the Tok'ra. If the Tauri do not destroy you, know this: we will... Ughh.

17.14.05 MARINE - All secure here, sir. Whenever you're ready.

17.16.28 MAKEPEACE - Stand by. We're pulling out. ETA is five minutes.

17.21.08 MARINE - Sir, there's something happening back here.

17.24.29 MAKEPEACE - Razor. Come in, Razor. SG-3, we have lost radio contact. Please respond.

17.30.10 CARTER (OS) - What's the situation?

17.31.22 MAKEPEACE - My team was covering the Stargate...  
MAKEPEACE (OS CONT) - Lieutenant, pass the word, we're moving out.

17.36.00 DANIEL - Wait, what about Jack?

17.37.07 MAKEPEACE (OS) - He's a casualty.

17.38.16 CARTER - Sir, if we can get him back to Earth.

17.40.04 MAKEPEACE - Captain, if my team has lost control of the  
Stargate, we're not going anywhere. Now let's...  
MAKEPEACE (OS CONT) - go people! We're pulling out,  
let's go!

18.00.03 JAFFA - I know you... Shol'va. You dare return to  
Chulak?

18.08.02 TEAL'C (OS) - The people...  
TEAL'C (CONT) - of this world are my brothers and  
sisters. I have betrayed no one.

18.12.16 JAFFA (OS) - Except...  
JAFFA (CONT) - your God.

18.16.05 TEAL'C - False God. Dead false God.

18.19.11 JAFFA (OS) - So you say...  
JAFFA (CONT) - But his son lives.

18.25.18 TEAL'C (OS) - With...  
TEAL'C (CONT) - you or without, he will be defeated, as  
was his father. Our people will taste freedom.

18.33.08 JAFFA - Bra'tac paid a heavy price for those words.

18.40.11 TEAL'C (OS) - You may tell your kinsmen that Teal'c has returned to Chulak...

TEAL'C (CONT) - You will go to every home of every warrior in this city. You will tell them that I will speak at the house of Bra'tac at dawn!...

TEAL'C (OS CONT) - Summon them!

19.12.02 MAKEPEACE - No sign of my men.

19.15.15 CARTER - Or the enemy.

19.34.17 MAKEPEACE - Cover your flanks!...

MAKEPEACE (OS CONT) - Open...

MAKEPEACE (CONT) - fire!... What the hell is it?

20.01.26 CARTER (OS) - It's an energy barrier...

CARTER (CONT) - We won't penetrate it.

20.04.09 TROFSKY - Jaffa, ha'tak!

20.03.21 MAKEPEACE - Fall back...

MAKEPEACE (OS CONT) - Fall back!...

MAKEPEACE (CONT) - Into the tree line.

20.37.20 CARTER (OS) - Daniel!... Daniel, let's go!

21.11.19           MAKEPEACE - This way! This way, to me!...  
MAKEPEACE (OS CONT) - Secure that flank...  
MAKEPEACE (CONT) - Secure that flank...  
MAKEPEACE (OS CONT) - Is anybody behind you?

21.39.24           MARINE (OS) - No!

21.41.15           CARTER - These are Tok'ra...  
CARTER (OS CONT) - tunnels.

21.42.28           MAKEPEACE (OS) - They had an operative on the inside.

21.44.18           CARTER - Who is it?

21.45.01           MAKEPEACE (OS) - Don't know. Don't expect to find out  
                  anytime soon, either... How's the leg, can you  
                  walk?

21.50.04           DANIEL - It's just a deep-bleeding gash but it'll be  
                  fine.

21.52.12           MAKEPEACE - Sierra golf six, Sierra golf six, this is  
                  three-niner, come in.

21.56.17           CARTER (OS) - They could've made the treeline.

21.58.10 MAKEPEACE - Yeah, maybe.

21.59.14 CARTER - If we can't penetrate this barrier of their's  
maybe we can go under it.

22.03.25 MAKEPEACE - It's worth a try.

22.09.06 TROFSKY (OS) - They have fled into tunnels of Tok'ra con-  
TROFSKY (CONT) --struction. There must be a spy amongst  
us.

22.13.16 HATHOR (OS) - The Tok'ra spy has been taken care of...  
HATHOR (CONT) - Take as many of the humans as you can  
alive. They will make an excellent addition to our  
new army of Jaffa.

22.28.22 MARINE (OS) - Ughghh.

22.39.08 DANIEL - Well I guess we can't go under it either.

- 22.43.02           CARTER - This isn't like any Goa'uld shield we've ever  
                  come across. It's more like a solid wall. Umm, the  
                  power...
- CARTER (OS CONT) - output for something like this must...
- CARTER (CONT) - be enormous.
- 
- 22.51.14           MAKEPEACE - That's fascinating, Captain, but now what do  
                  we do?
- 
- 23.03.14           HAMMOND - How long are they overdue?
- 
- 23.05.23           SARGENT - Five hours sir.
- 
- 23.08.26           HAMMOND - The plan called for SG-3 to check in by now if  
                  they lost contact. We'll open the gates, send a  
                  message through to MALP's relay antennae. It might  
                  be able to get a signal to our teams.
- 
- 23.19.09           SARGENT (OS) - Standby to engage.
- 
- 23.36.06           TROFSKY (OS) - Kree...
- TROFSKY (CONT) - Chappa-ai.

23.48.21 SARGENT - Wormhole established, sir.

23.59.16 HAMMOND (OS THRU SPEAKER) - SG-3, this is General  
Hammond.

24.01.05 MAKEPEACE - Hold up, hold up.

24.03.01 HAMMOND - This is Hammond, over.

24.06.00 CARTER - The energy barrier must be amplifying the  
signal.

24.09.21 MAKEPEACE (OS) - General, this is three-niner. We...  
MAKEPEACE (CONT) - hear you, sir.

24.12.23 HAMMOND - What's your status?

24.13.24 MAKEPEACE (OS THRU SPEAKER) - We have two surviving  
Sierra golf team members, sir, but we have been cut  
off from the Stargate...  
MAKEPEACE (CONT) - We found cover in tunnels we presume  
were made by the Tok'ra but we cannot reach the  
Stargate without reinforcements.

24.24.28 HAMMOND - See if you can direct MALP's camera to get a picture of the Stargate itself... That will take some time, Colonel...

HAMMOND (OS CONT THRU SPEAKER) - We'll try to send reinforcements through the Stargate exactly...

HAMMOND (CONT) - six hours from now. Coordinate your offensive accordingly.

24.39.12 MAKEPEACE - Roger that, sir.

25.00.11 HAMMOND - Colonel Makepeace, come in. Colonel Makepeace.  
Damn.

25.09.28 HAMMOND (OS) - One armored...  
HAMMOND (CONT) - platoon should be able to take the Stargate.

25.12.10 DAVIS (OS) - General...  
DAVIS (CONT) - sir, I'm sorry. It's not up to me...  
DAVIS (OS CONT) - Even if it was...  
DAVIS (CONT) - I don't agree with you.

25.20.22 HAMMOND - I don't really give a damn if you agree with...  
HAMMOND (OS CONT) - me, Major.

25.23.25           DAVIS - With all due respect, sir, you took a shot with intelligence you believed to be trustworthy, but obviously--

25.30.03           HAMMOND (OS) - I promised...  
HAMMOND (CONT) - reinforcements.

26.31.13           DAVIS (OS) - The President...  
DAVIS (CONT) - and Joint Chiefs are simply unwilling to risk further loss of life, sir...  
DAVIS (OS CONT) - Those are their orders...  
DAVIS (CONT) - I'm sorry. I'm afraid if your people are gonna make it back, they're gonna have to do it on their own.

25.48.21           HAMMOND - I see. Thank you, Major.

25.53.06           DAVIS - Thank you, sir.

26.11.19           CARTER - Sir, I've been thinking...  
CARTER (OS CONT) - The energy barrier extends for miles around the facility...  
CARTER (CONT) - so it must be powered from the inside, some sort of field generator. Now the Tok'ra use these tunnels to access the facility--

26.22.24 MAKEPEACE (OS) - They must...

MAKEPEACE (CONT) - lead to it somehow.

26.24.03 CARTER (OS) - Right...

CARTER (CONT) - Request permission to go back and try to  
shut it down.

26.27.17 DANIEL - I'll go with you.

26.28.10 CARTER (OS) - No, Daniel...

CARTER (CONT) - You're hurt.

26.30.20 MAKEPEACE - I'll send an SG team along to back you up.

26.32.24 CARTER - Even if I can knock out the generator you're  
gonna need everyone you've got to take on those  
towers.

26.41.21 MAKEPEACE - Alright. If you can, blow the generator  
just...

MAKEPEACE (OS CONT) - before our reinforcements come  
through. And we'll try to take on the...

MAKEPEACE (CONT) - towers at the same time. That might  
give us the tactical advantage we need... We'll try  
to hold the door open.

26.58.00 CARTER - Good luck.

26.58.20 MAKEPEACE - Alright people, let's go! Move out!

27.47.13 BRA'TAC - Teal'c has returned from the Tauri. If you  
care for this world, and for our people, you will  
listen to what he has to say.

28.31.02 TEAL'C - The Goa'uld are not Gods.

28.34.07 JAFFA - Shol'va!

28.35.29 TEAL'C (OS) - It is a lie we live each day. Only when he  
takes a host...  
TEAL'C (CONT) - does a Goa'uld become strong. Even then,  
only as strong as the Jaffa who serve them...  
Without us, the Goa'uld are nothing.

28.54.29 JAFFA - Lies.

28.56.00

TEAL'C (OS) - We are their strength...

TEAL'C (CONT) - We are their power. Until we choose to  
serve them no more...TEAL'C (OS CONT) - I was witness to the final breath of  
Apophis...TEAL'C (CONT) - I watched him tremble with fear of what  
lay beyond...TEAL'C (OS CONT) - and I believed that day would be  
honored for all time on Chulak...TEAL'C (CONT) - But instead, I see Jaffa taking up arms  
against one another... I see cowardice, and I am  
ashamed... This is our time. It will not come  
again...

TEAL'C (OS CONT) - But first we must grow stronger...

TEAL'C (CONT) - as the people of the Tauri have done. I  
call for warriors to join me through the Chappa-  
ai...TEAL'C (OS CONT) - To gather weapons, to forge alliance  
with other Jaffa who seek freedom...TEAL'C (CONT) - To show the Goa'uld that we will do  
battle with them wherever they may be. Who will  
join me?... General.

31.11.14

HAMMOND - Not what I'd call an army, but it's a start.

31.16.20           BRA'TAC (OS) - Hammond...  
                  BRA'TAC (CONT) - of Texas.

31.20.25           HAMMOND - Master Bra'tac...  
                  HAMMOND (OS CONT) - Gentlemen...  
                  HAMMOND (CONT) - I need your help.

31.43.25           RAULLY - Forgive me. There was no other way.

31.48.05           CARTER - You're the Tok'ra.

31.51.02           RAULLY - Those controls are set...  
                  RAULLY (OS CONT) - Activate them...  
                  RAULLY (CONT) - The Goa'uld within is gone...  
                  RAULLY (OS CONT) - The cryogenic process destroyed it...  
                  RAULLY (CONT) - before it had a chance to meld with the  
                                  host. He will revive automatically.

32.33.25           CARTER - Colonel?... I don't feel its presence. You're  
                                  gonna be alright.

33.02.17           CARTER (ON) - (grunts)...  
                  CARTER (OS CONT) - (grunts)

33.06.20 HATHOR - We had hopes for you.

33.09.10 O'NEILL (OS) - (grunts)

33.10.05 CARTER - (groans)

33.10.29 HATHOR (OS) - We will...  
HATHOR (CONT) - destroy you for this.

33.13.27 O'NEILL - We would just like you to go away.

33.17.10 HATHOR (OS) - Arrghrhghghrhghh.

33.32.21 O'NEILL (OS) - Carter.

33.35.01 CARTER - Sir... What happened?

33.38.05 O'NEILL - Oh God!... Hathor's, uh, gone.

33.48.13 CARTER - What about you?

33.50.08 O'NEILL - Cold. I'm a little chilly. But, I'm me...  
O'NEILL (OS CONT) - I'm me.

- 34.01.07 CARTER - Colonel Makepeace came through with half a dozen SG teams to rescue us. But Trofsky's got us cut off from the Stargate. He's using an energy barrier...
- CARTER (OS CONT) - It originates from somewhere in this facility...
- CARTER (CONT) - The plan is to blow it before General Hammond sends reinforcements.
- 34.19.18 O'NEILL - And how do we plan to do that?
- 34.23.17 RAULLY - What you seek is hidden within the mock-up of your Stargate facility.
- 34.28.11 CARTER (OS) - What about you?
- 34.30.19 RAULLY - My symbiote may yet heal me. You must hurry. Go.
- 34.46.06 HAMMOND (OS) - What exactly are we looking for? We don't have much time.
- 34.50.00 TEAL'C (OS) - As you said. The Gate is carefully guarded.

34.54.09 BRA'TAC (OS) - The Stargate is most defensible. To be assured of victory...

BRA'TAC (CONT) - we will require an advantage. One hidden away and forgotten, when I was still First Prime of Apophis.

35.09.03 HAMMOND - Why?

35.10.13 BRA'TAC - Few pilots could master it.

35.12.23 HAMMOND - And how long ago was it?

35.14.24 BRA'TAC (OS) - Some hundred years...

BRA'TAC (CONT) - The forest has changed much in that time.

35.24.08 TEAL'C - There's an old Jaffa saying, General Hammond. They do not build them as they once did.

35.29.03 BRA'TAC (OS) - Here!

35.36.00 HAMMOND - You intend to...

HAMMOND (OS CONT) - fly this thing?

35.38.07 BRA'TAC - Not I. Threading the needle is a skill for the young. (chuckles)

35.53.28 CARTER - The energy barrier extends around the facility for miles. The generators must be massive... We're gettin' close. I'm getting energy readings...

CARTER (OS CONT) - off the scale... She was right, sir. The generator's somewhere in here.

36.31.13 O'NEILL - What do you think?

36.32.08 CARTER - Try it.

36.46.00 O'NEILL - Found 'em.

36.57.04 CARTER - Set to detonate by remote.

36.59.10 O'NEILL - Yeah.

37.46.27 O'NEILL - This part of your plan, Captain?

37.57.05 CARTER (OS) - No sir.

37.58.09 TROFSKY (OS) - I know that you are still out there,  
Captain Carter...

TROFSKY (CONT) - I grow tired of this. Surrender now, or  
your friends will be killed one by one.

38.13.25 DANIEL - Don't listen to him, Sam.

38.15.04 TROFSKY - Silence!... I will give you one minute.

38.29.28 CARTER - The reinforcements should come through in a  
couple of minutes. We could detonate the C-4.

38.33.23 O'NEILL (OS) - Aw, Trofsky's gonna...

O'NEILL (CONT) - start shootin' any minute. We gotta buy  
some time... He thinks I'm a Goa'uld, right?

38.43.19 CARTER - Right.

38.46.10 O'NEILL - Alright. Blow that C-4 the minute the cavalry  
comes through that gate.

38.51.00 CARTER (OS) - What if they don't?

38.52.22 O'NEILL - What if they don't?

38.53.23 CARTER (OS) - They will. They will.

39.13.17 O'NEILL - Jaffa kree!

39.16.25 TROFSKY - Kel mak, Goa'uld. Kree tak.

38.22.11 O'NEILL - You heard me. I said Kree.

39.26.07 DANIEL - Jack?

39.26.25 O'NEILL - Hey guys. Makepeace. Nice rescue...  
O'NEILL (OS CONT) - Good job.

39.31.21 TROFSKY - Silence!

39.32.06 O'NEILL (OS) - Alright, listen up...  
O'NEILL (CONT) - There's something that you should know  
before you start shootin' and killin' and ruinin'  
what could be the start of a beautiful friendship...  
Our beloved Hathor... is dead.

39.53.16 TROFSKY - Hah! What you say is impossible. Hathor is a  
Queen. More than that, she is a Goddess.

40.03.26 O'NEILL - Yeah, okay. Ex-Goddess, maybe. I killed her  
myself...

O'NEILL (OS CONT) - You should trust me on this...

O'NEILL (CONT) - She's gone. She is no more. She's--  
Well let's face it, she's a former Queen... So why  
don't we just put an end to this...

O'NEILL (OS CONT) - right now?

40.24.04 TROFSKY - We will end this with your surrender... Jaffa  
kree. Chappa-ai.

40.34.05 TEAL'C - Firing the weapons will be your responsibility,  
General Hammond.

40.37.08 HAMMOND - Well let's do it.

40.43.08 O'NEILL - Now.

40.56.23 HAMMOND (OS) - What...

HAMMOND (CONT) - exactly did you mean by threading the  
needle?

40.59.18 TEAL'C - Observe.

41.17.08 O'NEILL - Get down!

41.20.21 TROFSKY - Ughghh.

41.25.09 CARTER - Colonel!

41.40.24 TEAL'C - Fire.

41.49.20 HAMMOND - Yeeehaaa!

42.05.26 BRA'TAC - Jaffa! Tal bet... Tal bet!

42.23.09 O'NEILL (OS) - Bra'tac.

42.24.10 BRA'TAC - Human.

43.01.27 FADE TO END CREDITS.
