START MEASURING 00.00.00 AT FIRST FRAME PICTURE

00.32.04 JACOB (OS) - George.

00.33.08 HAMMOND - Jacob.

00.34.04 JACOB (OS) - Colonel O'Neill. Teal'c...
JACOB (CONT) - Daniel. Sam. How you doin', kid?

00.43.08 CARTER - Okay, Dad.

00.45.03 JACOB (OS) - So, you guys are the talk of the Tok'ra...
JACOB (CONT) - water cooler.

00.49.09 O'NEILL - For what?

00.49.21 JACOB - Kickin' some major Hathor be-hind.

00.51.28 O'NEILL - Yes, we do take pride in good work. But that's
not why you're here.

00.56.20 JACOB - No. We need your help.

00.59.07 CARTER - You need our help? With what?

01.01.25 JACOB - Let's just call it a Goa'uld hunt.

01.22.28 DANIEL (OS) - That's fascinating.

01.24.17 CARTER (OS) - No kidding...
CARTER (CONT) - A projected hologram with no silver
halide coated plates, no photopolymer film, no--

01.33.16 DANIEL (OS) - Actually I was talking about what's...
DANIEL (CONT) - being projected. It's like a family tree
of the ancient Egyptian gods.

01.39.14 JACOB - Actually of the Goa'uld System Lords.

01.43.12 DANIEL (OS) - Ra. Apophis. Hathor. Heru-ur.

01.47.21 TEAL'C - The symbol of Setesh is oscillating.

01.52.19 DANIEL - It is the symbol for Setesh.

01.55.14 JACOB - Have you met him, Teal'c?

01.57.03 TEAL'C - I have met descendents of his Jaffa.

01.59.06 O'NEILL - Alright. Who's this Setesh fella?

- 02.03.06 DANIEL - Otherwise known as Setekh, Set, Seti, Seth...
DANIEL (OS CONT) - The ancient Egyptian God of Chaos, the
embodiment of hostility and...
DANIEL (CONT) - outright evil.
- 02.13.23 HAMMOND - Why haven't we heard of him before?
- 02.16.10 DANIEL - Well I'm guessing we haven't even scratched the
surface on meeting all the Goa'uld System Lords.
There's probably thousands we haven't even heard of,
right?
- 02.21.05 JACOB - Only dozens in the ranks of System Lords.
Thousands of Goa'ulds in general.
- 02.25.00 CARTER - What makes you think we would've met this one?
- 02.26.29 JACOB - The Tok'ra Council has been taking a Goa'uld
census of sorts, where the uh, System Lords have
positioned themselves, what domain they rule, who
serves under them, that sort of thing. But there's
one Goa'uld we've lost track of.
- 02.41.17 O'NEILL - Seth?

02.43.18 JACOB - Our record of him ends when the Earth's gate was buried in Ancient Egypt.

02.49.29 CARTER - Wait, are you saying he never left?

02.52.03 JACOB - That's our theory. We think he still might be here, hiding among Earth's people.

04.07.15 O'NEILL (OS) - Alright, we'll be cuttin' to...
O'NEILL (CONT) - the chase on this one. You want us to help you...
O'NEILL (OS CONT) - find this snakehead who, if he's here at all...
O'NEILL (CONT) - would be hiding in one of six billion people on Earth?

04.17.27 JACOB - Yes.

04.18.17 O'NEILL - Oh.

04.19.18 CARTER - How do you know he's still alive?

04.21.09 DANIEL - He's alive if he as a sarcophagus.

04.22.29 JACOB - Or if he changes hosts every four hundred years
or so.

04.25.20 HAMMOND (OS) - But if he were here...
HAMMOND (CONT) - why wouldn't he have tried to get at the
Stargate sometime between when it was buried and
now...
HAMMOND (OS CONT) - or why wouldn't he tried to take over
the Earth, like Ra did?

04.33.24 JACOB - Seth had a hefty price on his head. He tried to
overthrow Ra. Now the System Lords wanted him dead,
as did the Tok'ra...
JACOB (OS CONT) - We believe if he's still here it's
because he's using Earth as a place to...
JACOB (CONT) - hide out. He wishes to remain hidden
among you.

04.47.22 O'NEILL - Kind of gives needle in a haystack a whole new
meaning.

04.50.21 JACOB - (laughs) Well, I know it's a longshot.

04.54.02 DANIEL (OS) - Not necessarily...
DANIEL (CONT) - Remember, Setesh is a Goa'uld.

04.58.17 O'NEILL - Yeah.

04.59.07 TEAL'C - As a Goa'uld, he will never lose his thirst for
power.

05.01.27 DANIEL - And they do have a pretty common M.O. for
getting that power.

05.04.13 TEAL'C - False religion.

05.05.19 DANIEL (OS) - Which...

DANIEL (CONT) - shrinks the proverbial haystack
considerably...

DANIEL (OS CONT) - Let me do some homework and see if I
can...

DANIEL (CONT) - track him through archaeological and
historical record.

05.14.15 HAMMOND - Do it.

05.18.22 CARTER - So Dad, you do think we have a chance of finding
this Goa'uld, do you?

05.22.12 JACOB - Oh, it's the mission Garshaw assigned me.

06.03.19 JACOB/SELMAK - Your father has an unresolved issue here
on your planet and frankly...
JACOB/SELMAK (OS CONT) - it's beginning to irritate me.

06.08.12 CARTER - Mark.

06.09.29 JACOB/SELMAK (OS) - Yes...
JACOB/SELMAK (CONT) - Your father's a proud man. He
refuses to seek out your brother and mend their
relationship.

06.16.20 CARTER - Yeah, well, Mark isn't exactly rushing into my
father's arms either. Even when we thought Dad was
gonna die, he wouldn't take my call.

06.23.29 JACOB/SELMAK - It hurt your father deeply when his son
didn't come to him on his deathbed...
JACOB (CONT) - Now why would it hurt?...
JACOB (OS CONT) - As far as I was concerned, the kid
wasn't my son...
JACOB (CONT) - anymore. It didn't hurt a bit.

06.38.18 CARTER - Dad. I have a number for Mark in San Diego.

06.42.15 JACOB - So?

06.44.01 CARTER - So I just thought you might want to know.

06.46.12 JACOB - When was the last time you saw him?

06.48.07 CARTER - I haven't seen him since either of his kids were
 born. I guess he paints me with the same brush as
 he does you.

06.53.04 JACOB - Well, Selmak's pushin' me to go mend some fences.

06.56.00 CARTER - I guess Selmak is as wise as they say. I'll go
 with you. When do you want to do it?

07.00.02 JACOB - No, I didn't say I'd go. I just said Selmak's
 pushing it... So what's the bad news?

07.05.27 TEAL'C (OS) - On the...
 TEAL'C (CONT) - contrary, we have good news.

07.09.02 CARTER (OS) - You do?

07.09.26 DANIEL - I did a timeline boolean search for religion,
 cult, Set, Setesh...
 DANIEL (OS CONT) - Setekh, Seth--

07.15.06 O'NEILL - Ya da.

07.19.04 DANIEL - And here's what I found...

DANIEL (OS CONT) - It appears there's been a cult of Setesh throughout history in one form or another since around...

DANIEL (CONT) - one thousand B.C.

07.25.13 CARTER - What is that?

07.27.13 DANIEL - Oh, yeah, that, well...

DANIEL (OS CONT) - Setesh was represented by an animal that was either fictitious or now extinct, uh, most likely the former...

DANIEL (CONT) - rather than the latter since anthropologists haven't discovered any fossils to point to a species like this...

DANIEL (OS CONT) - ever existing.

07.39.23 TEAL'C - Because the creature represents Setesh, the helmets of the Setesh guard have continued to be the source of many jokes among the Jaffa.

07.50.03 O'NEILL - Jaffa jokes? Let's hear one of them.

07.54.25

TEAL'C - I shall attempt to translate one, O'Neill. A serpent guard, a horse guard and a Setesh guard meet on a neutral planet. It is a tense moment. The serpent guard's eyes glow...

TEAL'C (OS CONT) - The horse guard's beak glistens.

The...

TEAL'C (CONT) - Setesh guard's nose drips. (laughs)

08.24.23

DANIEL - Okay...

DANIEL (OS CONT) - after Set was supposedly killed in ancient Egypt along with all his minions, a similar God showed up in Greece, called Typhon. Similar backstories and domains...

DANIEL (CONT) - and the fictitious animal representation...

DANIEL (OS CONT) - In one of Typhon's last legends he killed three hundred followers and then disappeared from Greece...

DANIEL (CONT) - Now at that point he seemed to have vanished from recorded history altogether. Until I found this...

DANIEL (OS CONT) - A new cult arose in England in the early eighteen hundreds...

DANIEL (CONT) - Strangely enough, near the location of Stonehenge. The cult had an enigmatic leader named Seth...

DANIEL (OS CONT) - They were constantly under attack by the Christians then, and this is the important part...

DANIEL (CONT) - Seth's worshippers, all of them were found dead...

DANIEL (OS CONT) - having slit their own throats...

DANIEL (CONT) - But Seth's body was never found.

- 09.06.03 O'NEILL - Guy liked to leave alot of dead bodies behind.
- 09.08.29 CARTER - Did you lose the scent there?
- 09.10.19 DANIEL - I thought so, until on a whim I did a search on
the U.S. government classified net in case the CIA
had a record of something somewhere...
DANIEL (OS CONT) - and guess what came up on the ATF
page? A cult whose leader is...
DANIEL (CONT) - named Seth. Just north of Seattle...
DANIEL (OS CONT) - The ATF are investigating him now
because they've...
DANIEL (CONT) - become so heavily armed and fortified.
This guy has about fifty followers who are all
apparently ready to die for him.
- 09.34.12 JACOB - You mean to say you actually found this guy?
- 09.37.26 CARTER - How do we know he's our Goa'uld?

09.42.20 DANIEL - Ddeprogrammed ex-members of the cult described
Seth as...
DANIEL (OS CONT) - having magical powers and the ability
to heal. Uh...
DANIEL (CONT) - they also claim he's murdered several
members in...
DANIEL (OS CONT) - front of the others. Now here's the
best part...
DANIEL (CONT) - Several independent reports have stated
that the cult leader can make his own eyes glow.

10.52.02 SHERIFF - That's the place. The main building's...
SHERIFF (OS CONT) - about three quarters of a mile up
that drive. I sure hope you can shut these guys
down...
SHERIFF (CONT) - I've had alot of parents come into my
office, they've lost their kids to this nut. I
haven't got the manpower or the, uh, what you call
the probable cause that you Federal types do.

11.09.24 O'NEILL - Well, we'll do what we can, Sheriff.
Appreciate you lettin' us look around.

11.14.19 DEPUTY (OS) - Sheriff, we got a fight breakin' out down
at Earl's.

11.18.18 SHERIFF - Duty calls. Now uh, looks like you don't need me gettin' in your way. Now you give me a call if you need me, huh.

11.24.25 O'NEILL (OS) - Will do.

11.41.15 LEVINSON - You people with the FBI?

11.44.05 O'NEILL - Nope. Who're you?

11.47.23 LEVINSON - Name's Jason Levinson. I've been camping down here the last month hoping to catch a glimpse of my boy, Tommy. At least know he's still alive...

 LEVINSON (OS CONT) - He's been in there nine months now...

 LEVINSON (CONT) - You folks deprogrammers?...

 LEVINSON (OS CONT) - You better be good...

 LEVINSON (CONT) - The guy I hired got shot in the leg tryin' to get in there.

12.06.05 O'NEILL - So they've got some armed guards is what you're saying.

12.09.06 LEVINSON - Alot of 'em. What's that damn small-town Sheriff do about it? Nothing. Not a damn thing... You're the father aren't you? Your boy's in there.

12.25.18 JACOB - No. You've got that wrong. My son isn't in there.

12.31.11 LEVINSON - Uh huh. How much would you tack on to get my boy out the same time as his?

12.39.16 O'NEILL - You help us, we might be able to help you.

12.41.24 LEVINSON - I'm with you, sir.

12.42.29 O'NEILL - That won't be necessary, but we could use any information you might have...
O'NEILL (OS CONT) - What your guy did, where he went in, where he got caught, that kind of stuff.

12.49.11 LEVINSON - You got it. The fence is in the wide open. Most of the property. But I'll show you a brush cover if you wanna...
LEVINSON (OS CONT) - go in.

13.01.02 TEAL'C - O'Neill, we are being surveilled.

13.05.15 O'NEILL - Yeah, I saw him. It's probably FBI. Maybe ATF.

13.26.23 LEVINSON - You guys're prepared. I'm goin' with you.

13.30.19 DANIEL - I think it'd be safer for everyone if you wait
for us here.

14.29.22 O'NEILL (OS) - AK-forty-sevens. A couple of Uzis...
O'NEILL (CONT) - Anyone think they observed the requisite
fifteen day waiting period for those weapons?

14.39.14 CARTER - Sir, their sidearms...
CARTER (OS CONT) - I think it's safe to say there's a
Goa'uld there. And that looks like a pair of
fifty...
CARTER (CONT) - Cals.

14.48.17 O'NEILL (OS) - Does the con--
O'NEILL (CONT) --cept of overkill mean anything to
anybody? Let's fall back to the RV...
O'NEILL (OS CONT) - point.

15.11.04 HAMNER (OS) - Lower your weapons.

15.14.23 O'NEILL (OS) - I was wonderin' when...
O'NEILL (CONT) - you folks were gonna show. We got bets.
I say FBI, they say...
O'NEILL (OS CONT) - ATF.

15.20.08 HAMNER - Special Agent James Hamner, ATF.

15.23.01 O'NEILL - Damn.

15.43.17 HAMNER - General, you want to tell me what interest...
HAMNER (OS CONT) - the Air Force has here?

15.48.00 O'NEILL (OS) - That would be classified.

15.51.19 HAMNER - This way, gentlemen...
HAMNER (OS CONT) - You guys Special Forces?

15.55.19 O'NEILL - Also classified.

15.57.01 HAMNER - I was talking to your commanding officer,
Colonel.

16.00.02 JACOB - He's right. That's classified.

- 16.02.13 HAMNER - I have...
 HAMNER (OS CONT) - top level clearance.
- 16.04.23 O'NEILL - Oh, not top enough.
- 16.08.16 HAMNER - You have a rather insubordinate subordinate,
 General.
- 16.11.11 JACOB - He's not insubordinate to me. Only to people
 such as yourself. Saves me the trouble. Now maybe
 you could tell me what...
 JACOB (OS CONT) - you and your cohorts are planning here.
- 16.20.19 HAMNER - This compound is owned by a cult. It's run by a
 charming guy who goes by the name of Seth...
 HAMNER (OS CONT) - Fargo. We have recently acquired
 intelligence to confirm that they have a horde of...
 HAMNER (CONT) - prohibited weaponry here.
- 16.30.25 O'NEILL - That's some mighty find intelligence you got
 there.
- 16.34.08 JACOB (OS) - So what do you plan to do?

16.36.06 HAMNER - Surround the compound and negotiate, try to get
 'em...

 HAMNER (OS CONT) - to come out peacefully.

16.39.06 DANIEL - You have no idea what you're dealing with.

16.41.18 HAMNER - And I suppose you do.

16.43.18 DANIEL - As a matter of fact--

16.44.21 HAMNER - Great, then why don't you tell me.

16.47.08 O'NEILL - Uh, that would be classified, as well.

16.50.15 HAMNER - Fine. Then I'll tell you what...

 HAMNER (OS CONT) - The United States Air Force has not
 been invited to participate in this operation...

 HAMNER (CONT) - therefore you're out of your
 jurisdiction, therefore I'm ordering you all to
 leave. Or I'll have you all arrested.

17.01.23 JACOB - This is a secure phone, isn't it?... Can we use
 it to place one call?

17.07.10 HAMNER - Why not?

17.09.12 JACOB - Thank you. Colonel.

17.23.11 DANIEL - Jack, based on Seth's history...
DANIEL (OS CONT) - these guys go...
DANIEL (CONT) - in there guns blazing he's going to kill
everyone in there.

17.30.05 O'NEILL - Jacob, can we assume some kind of brainwashing
is going on in there?

17.34.08 JACOB - It's probably Nish'ta. It's a biological
compound that, once inhaled, infects all tissue in
your body, including your brain. It tends to make
your mind extremely pliable.

17.45.06 DANIEL - That's like what Hathor used.

17.46.22 JACOB - It's stronger. It's more encompassing.

17.49.18 TEAL'C - I believe that is the substance Apophis used on
Rya'c.

17.53.00 O'NEILL - Can it be reversed?

17.55.11 JACOB - Nish'ta does have an Achilles heal. Once it's effects are reversed, it can't reinfect the host. They become immune.

18.01.10 DANIEL (OS) - Okay, well, how...
DANIEL (CONT) - do we reverse it?

18.04.01 JACOB (OS) - There's...
JACOB (CONT) - only one way. An electrical shock. Strong enough to kill the organism, but weak enough not to kill the host.

18.11.04 TEAL'C - That is why it worked when we shot Rya'c with a Zatniketel.

18.14.11 O'NEILL (OS) - Then...
O'NEILL (CONT) - we go in with Zats.

18.19.00 DANIEL - Well that's not going to be very covert that way...
DANIEL (OS CONT) - And like I said...
DANIEL (CONT) - any kind of frontal attack is gonna be a problem.

18.26.26 CARTER - Daniel's right, sir. Besides, with all the
 firepower he's got, we wouldn't stand much of a
 chance...

 CARTER (OS CONT) - anyway.

18.40.22 HAMNER - Hamner... Yes, Mr. President... Yes sir, I am
 the SRO... Well yessir, they are here sir, but--
 With respect sir, the jurisdictional rules in this
 case are clear, this is a civilian matter... Are
 you sure you wanna do that, sir?... Yes, Mr.
 President. Get Colonel O'Neill in here.

19.23.27 O'NEILL - Somethin' I can do for you?

19.27.28 HAMNER - Do you want to tell me what's goin' on?

19.29.14 O'NEILL - Didn't you say you know more than I do?

19.32.02 HAMNER (OS) - Well apparently not. I just...
 HAMNER (CONT) - got off the phone with the President.

19.36.05 O'NEILL - Of the United States of America?... Sweet.
 How's he doin'?

19.43.02 HAMNER - He seems to have a thing for you.

19.44.23 O'NEILL - Yeah, well, you know.

19.50.09 HAMNER (OS) - In fact...

HAMNER (CONT) - I'm to issue you an emergency special agent credential. He's put you in charge of this operation.

19.57.02 O'NEILL - Excellent. My first order of business, get me one of those cool jackets. Extra large. Double XL if you got it.

20.05.12 HAMNER - Do you wanna tell me why the Air Force cares so much about this...

HAMNER (OS CONT) - cult?

20.08.17 O'NEILL - Want to do me a favor? On the way out, send my team in?

20.15.10 HAMNER (OS) - Your team. It's an odd bunch of people...

HAMNER (CONT) - Colonel. Civilian scientists? This Seth guy got some kind of secret weapon you don't want the world to know about?

20.30.24 O'NEILL - Alright, listen. Since you have clearance, I'll throw you a bone. Seth and his boys got their hands on some top secret technology that we would prefer not fall into the public consciousness just yet. Comprehend?

20.47.00 HAMNER - Yeah.

20.48.17 O'NEILL - Good. Now, you've heard of classified.

20.54.19 HAMNER - You got it.

20.55.27 O'NEILL - Thank you..

21.11.17 CARTER - Did General Hammond get the President involved, sir?

21.14.09 O'NEILL - Oh yeah. He's put me in charge here for the time being.

21.19.13 TEAL'C - What do you suggest, O'Neill?

21.21.27 O'NEILL - Well...
O'NEILL (OS CONT) - I'm thinkin' we need...
O'NEILL (CONT) - to get in there.

21.27.00 CARTER - Okay, how?

21.28.20 O'NEILL - Floor's open.

21.30.09 DANIEL - Well I was thinking about that. If Seth's M.O. hasn't changed from his history we know certain things from digs in Giza...

DANIEL (OS CONT) - and in the Valley of the Kings.

21.37.11 CARTER - We do?

21.39.04 DANIEL - For example, many Egyptian leaders built their compounds with underground...

DANIEL (OS CONT) - escape tunnels.

21.43.02 TEAL'C (OS) - That is correct...

TEAL'C (CONT) - Apophis had them built into his facilities.

21.46.13 CARTER - Okay, so we should do a perimeter search outside the fence and look for those tunnel entrances.

21.51.10 O'NEILL (OS) - That's...
O'NEILL (CONT) - alot of territory. We'll have Mr.
Hamner's men...
O'NEILL (OS CONT) - help us.

22.48.00 TEAL'C (OS) - O'Neill!

23.05.07 CARTER (OS) - Okay... We've got a point of...
CARTER (CONT) - entry. Now what? As soon as we get near
anyone on the inside, we could get compromised and
shot.

23.13.28 DANIEL (OS) - Or worse...
DANIEL (CONT) - We get dosed with that organism and all
of a sudden we're working for Seth.

23.19.01 JACOB - It won't work on me or...
JACOB (OS CONT) - Teal'c.

23.20.21 CARTER (OS) - Yeah, but he'll sense you're Goa'ulds...
CARTER (CONT) - as soon as you're within fifty feet. I
mean, with the arsenal he's got, we wouldn't even
get close to him without being gunned down.

23.28.09 O'NEILL - Which is why you're not going in.

23.30.23 JACOB - Alright.

23.32.08 CARTER (OS) - Dad, you said...
CARTER (CONT) - an electrical shock like a Zat gun would
snap us out of it.

23.36.21 JACOB (OS) - Yeah.

23.39.01 CARTER - Sir, I think I have an idea.

23.47.29 HAMNER (OS) - Gimme a test count.

23.50.22 DANIEL (OS) - One Mississippi, two Mississ--
DANIEL (CONT) --ippi, three Mississippi, four
Mississippi, five Mississippi.

23.58.26 O'NEILL - Carter?

24.00.23 CARTER - It'll work, sir, assuming Dad's right.

24.04.13 O'NEILL - Dad?

24.05.29 JACOB - If the jolt is big enough, it'll work, but you have to stay under the Nish'ta control long enough for it spread through all your tissues, otherwise it'll regain a stronghold in your body.

24.14.04 HAMNER (OS) - Gimme...
HAMNER (CONT) - a ten count.

24.15.28 O'NEILL - Uh, one, two, three, four, five--

24.17.13 HAMNER - That's good. You ready for yours, Captain?

24.20.07 CARTER - One second... Okay, Teal'c. Push the button.

24.31.19 DANIEL - Ahh!

24.32.02 O'NEILL - Hey! Okay.

24.34.13 CARTER - Okay... Wire me.

24.14.19 CARTER - So Daniel, you feel pretty certain that if we get caught, he'll turn us into one of those zombies rather than kill us?

25.20.25 DANIEL - Well we're more valuable to him that way.

25.24.02 CARTER - Why? How do you think he'll use us?

25.26.14 DANIEL - Well historically he used women as a harem.
 They catered to his every whim and as...
DANIEL (OS CONT) - a result they were well-cared for.

25.32.29 CARTER - Super.

25.33.16 DANIEL (OS) - And the men outside...
DANIEL (CONT) - the main court were used mostly as
 warrior and guards, protecting his compound...
DANIEL (OS CONT) - pretty much doing his bidding.

25.39.17 O'NEILL (OS) - Dare I ask about the men inside the
 compound?

25.43.24 DANIEL (OS) - They were turned into Eunuchs.

25.47.20 O'NEILL - Eunuchs as in, snippety-do-dah? Sweet.

26.24.17 O'NEILL (OS) - Daniel.

26.25.28 DANIEL (OS) - What?

26.27.28 O'NEILL - Now what?

26.30.24 DANIEL - Why are you asking me?

26.33.04 CARTER - Well you knew there'd be tunnels, so...

26.37.28 DANIEL - Well in the digs there were stairs leading up to
the main structure.

26.56.22 O'NEILL (OS) - I...
O'NEILL (CONT) - hate when that happens... Hey!

27.08.09 SETH (OS) - Welcome....
SETH (CONT) - Who are you?

27.14.26 O'NEILL - Well I'm Larry, this is Moe, and of course...
O'NEILL (OS CONT) - everyone's favorite, Curly.

27.24.23 SETH - Say goodbye to your impure military...
SETH (OS CONT) - past. We're always happy...
SETH (CONT) - to welcome new disciples to the bliss that
only Seth can bestow.

27.47.00 O'NEILL - So help me, if I wake up, and I'm singing
soprano...

28.12.05 WOMAN (OS) - Welcome, disciple...
 WOMAN (CONT) - How are you feeling?

28.18.02 CARTER - Okay. Pretty good.

28.19.16 WOMAN - Good. Do you feel strong enough to be in service
 of your God, Seth?

28.23.19 CARTER - Yes, of course.

28.25.15 WOMAN - This way.

28.23.07 TEAL'C - They are awake. Shall I activate the devices?

28.36.29 JACOB/SELMAK - No. We must wait to make sure the Nish'ta
 has permeated their tissues before...
 JACOB/SELMAK (OS CONT) - negating it.

28.42.16 TEAL'C - How long?

28.43.19 JACOB/SELMAK - About an hour. It's a smart virus. If
 there's any unaffected tissue remaining in the body,
 it will give the organism a safe harbor in which to
 mutate, then it will...
 JACOB/SELMAK (OS CONT) - overtake the body once again.

28.55.11 LEVINSON - Excuse me... Mind if I watch? I mean my son's in there, you know, I just...
LEVINSON (OS CONT) - want to be involved.

29.04.14 JACOB - I'm afraid I can't let you in here sir, I'm sorry.

29.07.09 LEVINSON - Yeah. Figured. Grab a cup of coffee?

29.11.26 JACOB - Sure, go ahead.

29.20.00 LEVINSON - Ow... I'm sorry. Sorry, it won't happen again... I've just been kind of short-fused since I found out about Tommy.

29.33.24 TEAL'C - I understand.

29.37.18 LEVINSON - I had to find out from his college room-mate 'cause uh, Tommy and me hadn't been talkin' for somethin' like...
LEVINSON (OS CONT) - six months before they sucked him in.

29.44.18 TEAL'C (OS) - I do not understand...
TEAL'C (CONT) - How could a father not speak to a son for so long a time?

- 29.50.12 LEVINSON (OS) - Yeah, that's the funny thing about it...
LEVINSON (CONT) - I don't even remember why. Obviously something pretty stupid in the scheme of things. I'll get out of your hair.
- 30.07.29 TEAL'C - Do human parents not love their children unconditionally?
- 30.10.19 JACOB - Oh, sometimes things get complicated.
- 30.16.07 TEAL'C - Many things are complicated, General Carter. In Jaffa society, loving ones' children is not one of them.
- 30.23.02 JACOB - In human society sometimes it is.
- 31.15.25 SETH (OS) - With these weapons I have provided...
SETH (CONT) - we will defend against any incursion by the impure forces outside our gate. Let no other gods draw you away from Seth.
- 31.30.06 EVERYONE - Seth is life. Seth is happiness. Seth is almighty.
- 31.34.13 SETH - Again.

32.27.19 JACOB - We don't know yet.

32.44.14 SETH - Who sent you?...

SETH (OS CONT) - The System Lords?...

SETH (CONT) - The Tok'ra?... I am your God. You will
tell me what I want to know...

SETH (OS CONT) - Who does your military work for?...

SETH (CONT) - The System Lords or the Tok'ra?

33.07.15 CARTER - I have a vague recollection of what you're
talking about... The Tok'ra.

33.27.24 TEAL'C - Is it not time enough?

33.29.02 JACOB/SELMAK - No choice. Do it now..

33.45.16 O'NEILL - We work for a deprogrammer who hired us to come
remove one of your disciples.

33.50.24 DANIEL - But now we are enjoying the bliss that is Seth.

33.58.00 SETH - How is it possible that you enjoy the bliss when
you are able to lie to Seth?

35.53.09 TOM - Yeah. Uh, I'm really confused. Who are you?

35.59.10 DANIEL - We're friends of your father.

36.02.21 O'NEILL - Where're the Zats?

36.04.05 TOM - Zats?

36.05.04 CARTER - These... Now, can you activate those transport
rings?

36.20.05 TOM - I think so.

36.22.15 O'NEILL (OS) - Tom, I need you to...
O'NEILL (CONT) - start transporting...
O'NEILL (OS CONT) - people out of here. Can you handle
that?

36.27.01 TOM - Uh, I guess.

36.30.00 O'NEILL - Good.

36.42.00 HAMNER (OS) - I have to prepare for the worst. Your
people have been caught and I don't act, it's on me
if they get killed.

36.48.03 JACOB - It won't be on you, it'll be on me.

36.50.20 TEAL'C - It will reside on me also.

37.06.17 O'NEILL - Go!...

O'NEILL (OS CONT) - Carter...

O'NEILL (CONT) - go with 'em, make sure they get out of
here.

37.29.10 HAMNER - Okay, I think I've been very patient... Get all
the medical teams up here, stat! Get some blankets
and shoes...

HAMNER (OS CONT) - Come on you guys, get in here.

37.55.28 CARTER - Okay, come on, let's go, this way...

CARTER (CONT) - Come on.

38.13.29 SETH (OS) - How dare you challenge the power that is
Seth?

39.12.01 DANIEL - Bomb?

39.12.12 O'NEILL - Bomb.

39.18.18 LEVINSON (OS) - Tommy?...

LEVINSON (CONT) - Tommy.

39.26.20 TOM - Dad.

39.44.01 TEAL'C (OS) - General Carter...

TEAL'C (CONT) - Our friends have been neutralized. I
must go in. I believe Selmak would be of help.

39.48.16 HAMNER - Who's Selmak?

39.49.24 JACOB - It's a long story..

40.09.02 O'NEILL (OS) - This way.

40.11.09 JACOB (OS) - Teal'c, stay outside and cover the other
end...

JACOB (CONT) - Make sure he doesn't get out another way.

40.19.03 CARTER (OS) - Dad, where are you...

CARTER (CONT) - going?

40.20.23 JACOB - Setesh used the hand device on Colonel O'Neill
and Daniel. Are you okay?

50.23.27 CARTER - I'm fine.

40.28.08 O'NEILL - Carter! He's down here!

40.10.14 JACOB/SELMAK (OS) - Setesh!

40.43.02 SETH - Tok'ra. Kree chok!

40.52.19 CARTER - Dad!

40.54.03 JACOB/SELMAK - Your father will survive. Stop...

JACOB/SELMAK (OS CONT) - Seth.

40.57.22 CARTER - How? I can't control this.

41.01.13 JACOB/SELMAK - You have the will within you. You must
summon it..

41.15.16 CARTER (OS) - Hey!...

41.51.09 DANIEL - You killed him.

41.54.21 O'NEILL - Hail Dorothy.

43.01.27 FADE TO END CREDITS.
