TIMECODE DIALOGUE

DIALOGUE CONTINUITY SCRIPT

START TIMECODE 00.00.00 AT FIRST FRAME OF PICTURE

00.09.20           ANNOUNCER (VO FILTERED)- Previously on Stargate SG-1...

00.13.06           MARTOUF- I'm afraid he's been captured by Sokar.

00.15.08           CARTER- Oh my God.

00.15.28           MARTOUF- If Salmac is still alive... he has been sent to hell.

00.20.10           O'NEILL- So we're talking about a rescue mission here.

00.22.13           MARTOUF- No one has ever escaped from Netu. No one except for Jolinar.

00.26.28           CARTER- I, I. I've never had anything more than scattered memories of her  
                      memories...

00.29.27           MARTOUF- The Tok'ra have technology that aids in the recall of memories.

00.35.04           JOLINAR- (screams)

00.35.28           CARTER- (screams) Shut it off!

00.38.14 O'NEILL- Do it.

00.39.17 CARTER- She was tortured. So badly.

00.42.00 O'NEILL- It's her father. She knows the stakes.

00.45.09 MARTOUF- But if Samantha cannot recall how...

00.47.06 O'NEILL (OS)- Ah, ah.

O'NEILL (CONT)- It's been done before. It can be done again.

00.50.00 MARTOUF (OS)- The atmosphere around the moon is impenetrable by ship. The only way to reach the surface is in the descent pods.

00.59.17 O'NEILL (OS)- It's certainly not Emerald City.

01.02.27 CARTER- We've come to see Bynarr.

01.06.17 BYNARR- Who asks for me by name?

01.09.10 CARTER- I do.

01.10.22 BYNARR- Throw them in the pit.

01.12.23 JACOB- Sam?

01.13.23 CARTER- Dad?

01.14.00 JACOB- Are you crazy?

01.16.09 O'NEILL- Uh, Apparently.

01.17.18 JACOB- Sokar's fleet is ten times larger than we thought.

01.21.22 SOKAR- Find out what they want. Then kill them.

01.27.00 CARTER- No. Wait. There are transportation rings in Bynarr's quarters.

01.37.18 COMBATANT- (grunts) (grunts)

01.40.06 JACKSON- Teal'C, do you copy?

01.45.03 O'NEILL- We gotta go. Aww.

01.49.27 KINTAC- Kneel before...

KINTAC (OS CONT)- Ne'anac!

01.52.18 NE'ANAC (OS)-- You shall call me Ne'anac no longer. From this day forth, I will retain my real name: Apophis.

02.06.25 ANNOUNCER (VO FILTERED)- And now... the conclusion.

02.12.00 O'NEILL- You do understand we're not too happy to see you.

02.14.21 APOPHIS- Your insolence is music to my ears.

APOPHIS (OS CONT)- When I first saw you here, I knew I had found the path out of damnation.

APOPHIS (CONT)- You will be the means by which I reclaim the power and position that is rightfully mine.

02.16.17 JACKSON- Your mate, Amaunet, is dead. Sorry to ruin your day. No, actually I'm, I'm wrong about that. I'm not sorry.

02.39.17 APOPHIS (OS)- Sokar sent word to me about Amaunet's death.

APOPHIS (CONT)- I did not believe it.

02.44.14 JACKSON- Well, believe it. It's true.

02.48.15 APOPHIS- Then it must also be true that Teal'C is the murderer.

02.51.06 O'NEILL- Oh, that would wrap up things real nice for you, wouldn't it?

02.54.22 APOPHIS- Why is the shol'va not with you?

03.01.00 KINTAC- This one...

KINTAC (OS CONT)- conceals something. (grunts)

03.12.23 APOPHIS- A communication device. Teal'C. This is your god, Apophis.

APOPHIS (OS CONT)- Risen from the fires of Netu.

APOPHIS (CONT)- The fate of your friends will be pleasant compared to what I have planned for you. Return them to the pit. Kintac. You will be my first prime.

03.52.06 KINTAC- It is my honor.

03.53.27 APOPHIS- Search them. And do whatever is necessary to insure they will not escape again. But do not kill them. When they are done serving us, I will have that pleasure for myself.

04.09.26 MARTOUF- I warned you when you sent Apophis...

MARTOUF (OS CONT)- through the gate that he could be revived using a sarcophagus.

MARTOUF (CONT)- Sokar would rather see his victims suffering than dead.

04.17.01 O'NEILL- He doesn't seem to be suffering much.

04.24.22 CARTER- He's burning up.

- 04.26.21 JACKSON (OS)- What is Apophis thinking?  
JACKSON (CONT)- He can't possibly hope to defend himself from Sokar.
- 04.32.01 O'NEILL- He seemed pretty confident to me.
- 04.34.00 MARTOUF- Apophis has one chance: he must convince Sokar not to kill him. If the  
reason is good enough... he may even be able to buy his freedom.
- 04.42.21 O'NEILL- With us?
- 04.43.23 MARTOUF- The information we hold. The secrets of Earth. And the Tok'ra.
- 06.03.07 KINTAC (OS)- Silence, dogs! Apophis speaks!
- 06.13.25 APOPHIS (OS)- Bynarr is dead!  
APOPHIS (CONT)- Sokar will come.  
APOPHIS (OS CONT)- You fear that he will bring his wrath down upon us.  
APOPHIS (CONT)- But he cannot make our existence any worse.
- 06.24.14 DENIZEN (OS)- He can bring his ship and wipe us out from space!

- 06.28.08           APOPHEIS- I can deliver us from this place. I have killed the devil's servant! I will  
                          destroy Sokar!!
- APOPHEIS (CONT)- Those that follow and serve me, will be led to  
                          freedom. To a new dominion! One in which the god, Apophis, risen from the  
                          depths of the underworld, to rule over all that was once shared by the Goa'uld.
- 06.55.19           O'NEILL- Well, this experience doesn't seem to have humbled him much.
- 06.58.00           APOPHEIS (OS)- The dawn of our deliverance...
- APOPHEIS (CONT)- is upon us. Have no fear!
- 07.04.12           KINTAC- Bow to Apophis, the Deliverer!
- 07.09.28           APOPHEIS (OS)- Yes.
- APOPHEIS (CONT)- Sokar will come.
- 07.12.16           DENIZENS- (cheer)
- 07.17.10           APOPHEIS- I say: let him come.
- 07.30.10           JUMAR (OS)- My lord. A cargo ship was spotted in orbit around Netu.
- JUMAR (CONT)- Two gliders gave chase but the cargo ship entered hyperspace and  
                          escaped.

- 07.38.09 SOKAR- We must assume that the ship contained spies.  
SOKAR (OS)- The attack on the system lords will begin sooner than planned.  
SOKAR (CONT)- You will have the fleet ready in two days.
- 07.47.27 JUMAR- My lord...  
JUMAR (OS CONT)- the very best we can do...  
JUMAR (CONT)- The fleet will be ready, my lord.
- 08.17.28 APOPHIS- How many follow me?
- 08.19.18 KINTAC- Over three hundred. The rest have been banished to the surface. They will  
change their minds or die.
- 08.19.03 APOPHIS- Did you find anything when you searched the intruders?
- 08.33.00 KINTAC (OS)- Just this. Even if all the denizens decide to serve you, what good will it  
do?  
KINTAC (CONT)- You cannot fight Sokar with crude weapons.
- 08.43.23 APOPHIS- Bynarr said he had one day to determine the identity of the intruders and  
report back.
- 08.49.23 KINTAC- Then we have one day until Sokar sends his ship to destroy us.

08.54.00 APOPHIS- Not if I have something he wants.

08.57.12 KINTAC- You will discover the identities of the intruders.

08.59.25 APOPHIS (OS)- I already know their identity.

APOPHIS (CONT)- By the time Sokar arrives, I will know much more. Bring me the woman.

09.19.06 KINTAC- The woman will come with me.

09.22.04 O'NEILL- Umm. I don't think so. (grunts)

09.32.00 CARTER- Okay. Okay.

09.55.24 MARTOUF- Most of the wound appears cauterized but there may be bleeding below the surface.

10.00.00 O'NEILL (OS)- (grunts) Easy. (grunts) Ah! You stu...(gasps)

10.38.25 CARTER- (gasps)

10.52.08 APOPHIS (OS)- You used this device to access the memories of Jolinar in your mind.

APOPHIS (CONT)- That is the only way you could have known to escape.

APOPHIS (OS CONT)- I will use it to get you to tell me everything I want to know.

- 11.03.15 CARTER- It doesn't work that way.
- 11.04.23 APOPHIS (OS)- I know how it works.  
APOPHIS (CONT)- When its fully activated, it makes your memories easily accessible  
to your conscious mind.
- 11.23.18 CARTER- (gasps) I won't tell you anything. (gasps)
- 11.47.28 APOPHIS- The Blood of Sokar will cloud your mind.
- 11.52.09 CARTER- (gasps)
- 11.58.25 APOPHIS (OS)- Once under its spell...  
APOPHIS (CONT)- you will tell me everything.
- 12.08.27 JACOB (OS)- Sam?  
JACOB (CONT)- Are you almost ready? Can we talk? Sam, you haven't said two  
words since... since the accident. Your brother's made it pretty clear how he feels.
- 12.33.27 CARTER- He blames you.
- 12.35.15 JACOB- I blame myself.
- 12.37.10 CARTER- Your work has always been more important than us.

12.40.07 JACOB- You know that's not true. I don't want you to forgive me. I don't know if I could accept that yet.

JACOB (OS CONT)- I just want you to understand.

12.51.17 CARTER- You were supposed to pick Mom up. You were late.

CARTER (OS CONT)- She took a cab. There was an accident.

CARTER (CONT)- I understand.

12.59.16 JACOB- I couldn't have known what would happen.

13.01.11 CARTER- But Mom is dead.

13.02.23 JACOB (OS)- Nothing I could say or do could change that.

JACOB (CONT)- All I can do is try to make sure the things she loved the most don't die with her. Sam, without you and your brother my life is over.

JACOB (OS CONT)- Nothing else means more to me.

JACOB (CONT)- Don't forgive me. Just tell me one day we're going to be okay.

13.26.02 CARTER- He blames you.

13.27.09 JACOB- I blame myself.

13.28.16 CARTER- But Mom is dead.

- 13.29.26 JACOB- Just tell me one day we're going to be okay. Just tell me one day we're going to be okay.
- 13.39.26 CARTER- No. I...I forgave you long ago. Why am I stuck in this? The same memory over and over? I guess if we had never had this conversation, neither one of us would have been in this mess, would we?
- CARTER (OS CONT)- I would have gone on...
- CARTER (CONT)- hating you. And the military. I never would have got involved in the Stargate program. You would have died of cancer.
- 14.09.26 JACOB- Sam, I am dying.
- 14.12.10 CARTER- What?
- 14.13.03 JACOB- I'm dying right now. I'm dying right now.
- JACOB (OS CONT)- Only you can save me. (phrase echoes)
- JACOB (CONT)- Tell me how to get home. Tell me the way home. To Earth.
- 14.27.23 CARTER- No, no, wait. This is not right.
- 14.33.00 JACOB- You'll lose me forever if you don't tell me the iris codes. (echoes)]
- 14.36.25 CARTER- This is not real.

- 14.38.18 JACOB- Tell me.
- 14.41.14 APOPHIS- Tell me. Tell me!
- 14.46.00 CARTER- No!
- 14.47.02 APOPHIS (OS)- Tell me how to penetrate the earth's Stargate. Tell me now! Or I will  
kill your father.
- 15.10.00 APOPHIS (VOTHRU RECORDING)- Teal'C. This is your God Apophis. Risen from  
the fires of Netu. The fate of your friends will be pleasant compared to what I have  
planned for you.
- 15.22.03 TEAL'C- It was then that I realized they would not be able to execute the escape plan.  
I entered hyperspeed in order to avoid the gliders that had detected my presence.
- 15.30.07 ALDWIN- You must have run the hyperspace engines at full power in order to make  
the journey so quickly.
- 15.34.00 TEAL'C- The situation was urgent.

15.35.26 ALDWIN (OS)- I understand your desire to report the information concerning Sokar's planned attack...

ALDWIN (CONT)- against the system lords as soon as possible. It may prove invaluable.

15.47.24 TEAL'C- I have come seeking assistance in order to rescue my friends and your fellow Tok'ra.

TEAL'C (OS CONT)- I believe it to be only a matter of time before Sokar learns...

TEAL'C (CONT)- that Apophis has eliminated Bynarr...

TEAL'C (OS CONT)- and takes action to restore control.

16.00.05 ALDWIN- Wait here. I will consult the High Counsel and return shortly with a course of action.

16.20.05 O'NEILL (OS)- (grunts) Oh. Ow.

O'NEILL (CONT)- God.

16.25.10 APOPHIS- Major Carter was most forthcoming.

16.28.03 O'NEILL- She didn't tell you squat. And oh, by the way, I won't either.

16.32.18 APOPHIS- You're not here to provide information. You are here for my amusement.

16.37.22 O'NEILL- (grunts) Oh God, no. (grunts) All right, all right...Charlie!

16.48.24 APOPHIS- You must be dying to quench your thirst.

16.55.04 O'NEILL- (grunts, groans)

17.20.04 CARTER- Dad?

17.22.03 JACKSON (OS)- He's, uh...

JACKSON (CONT)- not so good, but he's still with us.

17.27.22 CARTER- Apophis said he was gonna kill him.

17.32.26 JACKSON- No, he, uh...he brought you back and took Jack.

17.38.19 MARTOUF- Are you okay?

17.40.28 CARTER- (groans) They gave me something called, uh, Blood of Sokar.

17.45.25 MARTOUF (OS)- It is legendary. A strong...

MARTOUF (CONT)- narcotic that can cause very realistic hallucinations.

17.54.03 CARTER- I'm pretty sure I didn't give anything up.

17.56.26 JACOB (OS)- Sam?

18.03.18           CARTER- I'm here. I'm here.

18.08.10           JACOB- Sam? I hate to sound negative here...

18.11.02           CARTER-Shhh. Save your strength.

18.15.05           JACOB- J, I don't think I'm gonna make it.

18.16.16           CARTER (INTERRUPTING)- No. That is unacceptable.  
CARTER (OS)- Think about seeing your grandchildren...  
CARTER (CONT)- again. Don't make me have to explain this to them. Martouf? If  
                  they come for you...

18.45.04           MARTOUF- I have endured torture before.

18.46.18           CARTER (OS)- This is not like anything you could imagine.  
CARTER (CONT)- Everything seems real. Feelings, sensations. It's like you're  
                  actually there in your own past.  
CARTER (OS CONT)- And then suddenly, everything seems wrong.  
CARTER (CONT)- Your mind gets all twisted.  
CARTER (OS CONT)- Just...  
CARTER (CONT)- don't let Apophis use Jolinar against you.

19312.16           MARTOUF- How could he?

19315.00 CARTER- You must be angry about what Jolinar had to do to escape from here.  
Martouf? She loved you.

19.41.00 O'NEILL- Charlie?  
O'NEILL (OS CONT)- Sorry I'm late. I stopped to get ya somethin'.  
O'NEILL- You in there?

19.47.00 CHARLIE- You're dead! You're dead!

19.52.00 O'NEILL- Where'd you get that?

19.53.26 CHARLIE (OS)- Jeff Eisen gave it to me.  
CHARLIE (CONT)- It's just a water gun.

19.56.06 O'NEILL- It doesn't matter.

19.57.23 CHARLIE- You have a gun. (phrase echoes)

20.00.15 O'NEILL- That's different.

20.01.27 CHARLIE- Why?

20.02.28 O'NEILL- Charlie.  
O'NEILL (OS CONT)- Charlie?  
O'NEILL (CONT)- Where ya goin'?!  
  
20.08.27 CHARLIE- Inside.  
  
20.09.26 O'NEILL- Well wait a minute. I got ya somethin'.  
O'NEILL (OS CONT)- Come on. We'll play some catch.  
  
20.14.08 CHARLIE- This is not what happened, Dad.  
CHARLIE (OS CONT)- You're changing everything just to make it...  
CHARLIE (CONT)- better. (word echoes)  
  
20.19.18 O'NEILL- I know. Can't we just play catch?  
  
20.25.15 CHARLIE- What really happened was you got mad at me and I went into the house.  
CHARLIE (OS CONT)- Two weeks from now, I shot myself with your gun. (echoes)  
CHARLIE (CONT)- Your gun. (echoes)  
CHARLIE (OS CONT)- We never played catch...  
CHARLIE (CONT)- again and we never will.  
  
20.38.28 O'NEILL- Why? Why can't we just play catch?  
  
20.42.19 CHARLIE- I'll play. If you tell me. (echoes)

20.50.17 O'NEILL- What? What do you want to know?

O'NEILL (OS CONT)- I'll tell you anything.

20.53.24 CHARLIE- Tell me how you...

CHARLIE (OS CONT)- made contact with the Asgard. (echoes)

21.00.03 O'NEILL- What?

21.00.25 CHARLIE (OS)- You represented Earth...

CHARLIE (CONT)- in the negotiations between...

CHARLIES (OS CONT)- the Asgard and the System Lords.

21.05.11 O'NEILL- How'd you know that? (echoes)

21.06.26 CHARLIE (OS)- It's okay, Dad.

CHARLIE (CONT)- You can tell me. Tell me the address of the Asgard Home world.

21.12.26 O'NEILL- I don't know it.

21.15.11 CHARLIE- Tell me the address of the world where you had the...

CHARLIE (OS CONT)-Ancient's knowledge downloaded into your brain.

CHARLIE (OS CONT)- That was cool, wasn't it?

21.22.27 O'NEILL- You can't know that. This isn't you.

21.27.01 CHARLIE (OS)-Sure it is.

CHARLIE (CONT)- Come on Dad. We'll have a catch. Just like you want.

21.33.02 O'NEILL- No. No.

22.01.00 ALDWIN (OS)- I have been...

ALDWIN- instructed to return to Netu.

22.03.00 TEAL'C- What is inside the container?

22.05.21 ALDWIN- A weapon.

22.07.17 TEAL'C- For what purpose?

22.11.00 ALDWIN- The Tok'ra high counsel believes that the uprising of Apophis presents a  
key opportunity. Sokar will take his mother ship into orbit around Netu...

ALDWIN (OS CONT)- to restore order there.

22.21.05 TEAL'C- It is intended for Sokar.

22.23.07 ALDWIN- Yes, but...unfortunately we have no weapons capable of penetrating the  
shields of a Goa'uld mother ship.

22.29.27 TEAL'C- How then will this weapon prove effective?

22.32.00 ALDWIN- I am to launch it through the atmosphere of the moon—into one of the holes in the surface and down into the core.

ALDWIN (OS CONT)- There, it will force the base elements into a cataclysmic chain reaction. The entire moon will explode, taking Sokar's ship with it.

22.45.04 TEAL'C- Along with everything else on that moon.

22.46.26 ALDWIN (OS)- The Tok'ra would never do such a thing unless there was no alternative.

ALDWIN (CONT)- Sokar cannot be permitted to rise to a dominant power. It would end our chances of ever overthrowing the Goa'uld.

22.56.00 TEAL'C- And what of rescuing my friends and the Tok'ra still trapped on that world?

22.58.12 ALDWIN- I'm charged with my mission.

ALDWIN (OS)- If you intend to stand in my way...

ALDWIN (CONT)- I will insist that you remain here on Vorash.

23.08.16 TEAL'C- I will accompany you.

23.12.03 ALDWIN- Then we must leave immediately.

23.29.19 JACKSON (OS)- Jack?

23.20.23 O'NEILL- (groans) No. I don't wanna go to school. (groans)

23.46.29 JACKSON- You okay?

23.48.18 O'NEILL- No.

23.50.19 JACKSON- They, uh...they took Martouf.

23.54.11 O'NEILL- They put that damn memory thing on me. And then they gave me something...that reminded me of the '70's.

24.08.26 JACKSON- The Blood of Sokar.

24.12.09 O'NEILL- Daniel?

24.14.28 JACKSON- Yeah?

24.16.09 O'NEILL- I'm gonna pass out again.

24.29.03 TEAL'C (OS)- If Sokar has not entered orbit around Netu when we arrive...

TEAL'C (CONT)- a rescue could still be attempted.

- 24.37.12 ALDWIN- Yes. But if he's already in orbit, we must act swiftly and launch the weapon.  
ALDWIN (OS CONT)- I don't like this anymore than you do.  
ALDWIN (CONT)- But essentially, this is war.  
ALDWIN (OS CONT)- If Sokar ascends to ultimate power...  
ALDWIN (CONT)- the consequences will be far greater than losing a few good people.
- 24.59.00 TEAL'C- I understand.
- 25.00.05 ALDWIN- Timing will be critical. Once the weapon has been launched, it will take  
approximately twelve minutes before the reaction in the moon's core reaches a  
critical mass.  
ALDWIN (OS CONT)- If Sokar has enough advance warning...  
ALDWIN (CONT)- he will have time to escape the range of the explosion.
- 25.19.00 MARTOUF- No, please.
- 25.40.21 APOPHIS- Jolinar was your mate. Tell me the location of the Tok'ra resistance or she  
dies.
- 25.55.00 CARTER- Don't do it, Martouf.
- 25.5605 APOPHIS- Silence!
- 26.02.06 MARTOUF- Please?

26.04.25 APOPHIS- Tell me now.

26.06.03 CARTER/JOLINAR- I'm not Jolinar. Don't tell him anything.

26.16.00 APOPHIS- Tell me.

26.22.20 MARTOUF- I cannot let him kill you.

26.24.01 CARTER/JOLINAR- No, Martouf. No, Martouf.

26.35.14 MARTOUF- Entac.

MARTOUF (OS CONT)- The Tok'ra resistance is based on...

MARTOUF (CONT)- the planet, Entac.

26.49.21 APOPHIS- Return them to the pit. Bring me Daniel Jackson.

27.05.18 SOKAR- Speak.

27.07.19 JUMAR- Your fleet is ready, my lord.

27.09.26 SOKAR- You have done well.

27.12.02 JUMAR- Bynarr has not yet reported as you wished.

27.15.14 SOKAR- I will take my ship and cleanse the underworld so that its fires may be reborn.

SOKAR (OS CONT)- Then I will launch the attack on the system lords.

SOKAR- Soon, the entire realm of the Goa'uld will serve me or suffer the fate of the damned.

27.53.01 MARTOUF- I knew it was you.

27.55.17 CARTER- You shouldn't have done it, Martouf.

28.00.28 MARTOUF- I could not watch him kill you, Samantha.

28.06.22 CARTER- You lied.

28.09.22 MARTOUF- Entac is a primitive planet. There are no Tok'ra there.

28.17.19 CARTER- You were very convincing. I believed you.

28.21.00 MARTOUF- If Apophis believes he knows the location of the Tok'ra, what does he want from Doctor Jackson?

28.36.10 O'NEILL (OS)- Hey.

O'NEILL (CONT)- Just wanted to see how you were doing.

28.41.01 JACKSON- Good. Okay. Kasuf gave me some of Sha're's after the funeral. He said, uh...well he said she would have wanted me to have them. We both drank from this cup at our wedding. I know I shouldn't have had any real hope, but...

29.05.08 O'NEILL (OS)(INTERRUPTING)- Hey.  
O'NEILL (CONT)- You can never give up.

29.12.09 JACKSON- How about now?

29.13.11 O'NEILL (OS)- Especially not now.  
O'NEILL (CONT)- Sha're didn't want you to just give up, did she? As I recall, she wants you to find the boy. (echoes)

29.26.10 JACKSON- I thought you said you didn't believe me...  
JACKSON (OS CONT)-about Sha're sending a message through the hand device.

29.29.28 O'NEILL- I've been wrong about a lot of things.  
O'NEILL (OS CONT)- And I know I don't always sound like I believe...  
O'NEILL (CONT)- you, but I do believe in you. What did you say she called the boy?  
(echoes)

29.44.08 JACKSON- Aharsiseus.

29.46.00 O'NEILL- I mean...the kid holds all the knowledge of the Goa'uld who fathered him.  
right?

29.50.05 JACKSON- Yeah.

29.51.15 O'NEILL- So, he could be the key to us finally kicking those slimy snakeheads out of  
the galaxy.

29.56.04 JACKSON- Yeah, that's uh, that's what Sha're said.

29.58.20 O'NEILL- All you have to figure out is where Amaunet sent him. The name? Name of  
the place where Amaunet sent the boy.

30.10.14 JACKSON- No.

30.11.21 O'NEILL- What?

30.10.18 JACKSON- No. I'm not...telling you.

30.15.21 O'NEILL- Aw, come on. You know me. I just can't remember. (echoes)

30.20.11 JACKSON- No.

30.22.24 O'NEILL- You told me before.

30.24.08 JACKSON- No!! (echoes) This is not real.

30.32.27 SOKAR (VO FILTERED)- Hear me, Bynarr. Why do you defy your lord, Sokar?

30.40.26 JACKSON- (grunts)

30.45.22 APOPHIS- (grunts) Bynarr is dead, by my hand. I am Apophis...

APOPHIS (OS CONT)- and the denizens of Netu follow me.

30.53.09 SOKAR (VO FILTERED)- I will bring the full force of my weapons down upon you.

.You will die in burning hellfire.

31.04.05 APOPHIS- First you will hear me.

31.17.25 ALDWIN (OS)- We must hold our position in the shadow of the moon...

ALDWIN (CONT)- so we are not detected.

- 31.22.28 APOPHIS (OS)- Before you fire upon us, know this.  
APOPHIS (CONT)- I have tortured the intruders. Three from the Tauri and a Tok'ra. I have learned much , including the location of the Tok'ra resistance. Bynarr was weak.  
APOPHIS (OS CONT)- He was incompetent.  
APOPHIS- A Goa'uld of your superior power deserves more. I wish to serve you.  
APOPHIS- I offer this information I have gathered as proof. Grant me an audience and allow me to show my reverence toward you. By bowing at your feet.
- 32.05.06 SOKAR (VO FILTERED)- I will grant you this request.
- 32.10.00 APOPHIS- I am forever in your service. Take him away.
- 32.23.12 KINTAC- Be quick!
- 32.26.09 JACKSON- (grunts)
- 32.43.15 APOPHIS- Sokar will die by my hand. And I will command his domain.
- 32.48.03 KINTAC- Surely he will not let you enter his ship with weapons.

32.53.10 APOPHIS- Do you think I'm a fool? I have been planning this since the moment I was sent here.

APOPHIS (OS CONT)- I will convince Sokar to make me the new Lord of Netu.

APOPHIS (CONT)- He will come down off his throne to brand me with the seal and when he gets close enough... On my command, replace this... here.

33.57.18 TEAL'C- Someone has transported up from the surface of Netu to Sokar's vessel.

34.05.00 ALDWIN- The weapon is ready for launch.

ALDWIN (OS CONT)- Sokar's ship is almost in position.

34.22.23 JACKSON (OS)- Sokar's ship's in orbit.

JACKSON (CONT)- Apophis went up to meet him. I managed to get this.

34.29.06 O'NEILL- Nice.

34.32.05 CARTER- Can Sokar's ship pick up the transmission?

34.34.09 MARTOUF- The signal is coded.

34.37.14 CARTER (VO FILTERED)- Teal'C—it's Carter, can you...

34.38.18 TEAL'C (INTERRUPTING)- Wait!

34.39.25 CARTER (VO FILTERED)- hear me?

34.41.17 TEAL'C- Major Carter, it is I.

34.42.26 CARTER (VO FILTERED)- (sighs) Thank God.

34.45.17 TEAL'C- Stop!

35.08.01 O'NEILL- What the hell is that?

35.09.14 VOICE (OS)- Sokar is attacking! (cries)

35.21.11 CARTER- Teal'C, what's going...

CARTER (VO FILTERED)- on?

35.25.15 TEAL'C- You have twelve minutes until Netu is destroyed.

35.28.14 CARTER (VO FILTERED)- What? Why?!

35.29.27 TEAL'C- I am here with the Tok'ra, Aldwin.

TEAL'C (OS CONT)- he has launched a weapon into the moon' core that will  
explode...

TEAL'C (CONT)- and destroy Sokar's ship which is in its orbit.

- 35.39.20 MARTOUF (OS)- The Tok'ra high counsel must believe...  
MARTOUF (CONT)- it is the only choice. Otherwise, they would never sacrifice us  
this way.
- 35.44.21 O'NEILL- We're not dead yet.
- 35.47.23 VOICES (OS)- (screams, cries, shouts)
- 35.57.24 CARTER (OS)- I have an idea. Help me pack this. Fill in this vent, as many rocks as  
you can. Wedge them in real tight.
- 36.21.07 APOPHIS- My time of suffering has taught me the strength of your power, my lord.
- 36.25.08 SOKAR- Tell me the information you extracted from the intruders.
- 36.29.07 APOPHIS- I beg you to grant me the privilege of ruling Netu. Bynarr was not worthy of  
such honor.
- 36.36.00 SOKAR- Tell me the location of the Tok'ra rebellion.
- 36.40.00 APOPHIS- That is only one of the many valuable things I have learned.
- 36.54.19 SOKAR- Why do you try my patience? Tell me and I will grant you your wish and  
brand you Lord of the Underworld.

- 37.08.08 APOPHIS- The Tok'ra are based on the planet Entac. What is the meaning of this?
- 37.27.04 SOKAR- I recently conquered Entac. There are no Tok'ra there. Kill him. Slowly.
- 37.49.21 ALDWIN (OS)- We have less than nine minutes.  
ALDWIN (CONT)- If we stay here much longer we risk being caught in the explosion ourselves.
- 37.55.00 TEAL'C- I will take that risk.
- 37.56.00 ALDWIN (OS)- Even if Martouf and your friends somehow make it to the transporter rings on Netu, Sokar's ship is in a direct path of the matter stream. There is no way we can intercept them. (grunts) Teal'C! Unhand me! Teal'C!  
ALDWIN (CONT)- Teal'C. This is suicide. (sighs) Teal'C.
- 38.33.00 CARTER- Go!
- 38.41.00 VOICES (OS)- (screams etc.)
- 38.47.10 APOPHIS- (screams)
- 39.06.09 TEAL'C- Timing will be critical, Daniel Jackson. You must tell me precisely when you're ready.

- 39.17.02 ALDWIN- Teal'C! Listen to me carefully.  
ALDWIN (OS CONT)- In order to intercept the matter stream, you must fly the cargo ship between Sokar's ship and the planet.  
ALDWIN (CONT)-If you do not come to a complete stop, we could miss...  
ALDWIN (OS CONT)- part of the matter stream. Your friends would die.  
ALDWIN (CONT)- And that' s only if Sokar doesn't blow us out of the sky.
- 39.40.00 JACKSON (OS)- Get in position!  
JACKSON (CONT)- Almost there, Teal'C!
- 39.46.00 APOPHIS- (screams)
- 39.50.09 JUMAR- Forgive me!  
JUMAR (OS CONT)- The hellfires of Netu are erupting, my lord!
- 39.53.17 SOKAR- What?
- 39.54.00 JUMAR (OS)- The ship's sensors...  
JUMAR (CONT)- indicate that the core of the moon has become unstable.
- 39.56.23 SOKAR (OS)- That's impossible!  
SOKAR (CONT)- I control Netu!
- 40.00.14 JUMAR- We must move the ship.

40.02.21        GUARD- (screams)

40.11.00        JUMAR- (screams, gurgles)

40.25.03        SOKAR- (screams)

40.35.14        O'NEILL- Marty?

40.37.11        MARTOUF (OS)- Now!

40.40.08        JACKSON- We're ready Teal'C!

40.57.08        ALDWIN- They're here! Go! Go! Go!

41.36.10        TEAL'C- We have escaped.

41.41.23        O'NEILL- Iced tea. Air conditioning. Water. Thanks.

42.08.21        MARTOUF- I'm sorry I doubted you.

42.10.21        TEAL'C- I am as surprised as you that we survived.

42.20.10        CARTER- Thank you.

42.23.09 JACOB- Do you have any leave coming up?

42.25.14 CARTER- Yeah. A little.

42.28.26 JACOB- I was thinking we could take a little father-daughter vacation together.

42.32.18 CARTER- That'd be great, Dad.

42.34.15 JACOB- I hear Alaska's cold this time of year.

42.36.08 CARTER- (laughs)
