TIMECODE DIALOGUE

START TIMECODE 00.00.00 AT FIRST FRAME OF PICTURE

01.26.09 SKAARA- Please. Help me.

SKAARA (OS CONT)- (groans)

SKAARA (CONT)- (groans)

02.47.26 TECHNICIAN- Still no incoming signal, sir.

02.49.11 HAMMOND- All units are earth side.

02.53.17 JACKSON (OS)- Is it my eyes...

JACKSON (CONT)- or does that iris look kinda,,,

02.56.03 CARTER- It's losing integrity. Hold fire! It's Schroedinger. The cat I gave to the Tolla,
Narim.

03.23.00 O'NEILL- A cat.

03.24.12 TEAL'C- The Tollan possess a technology to walk through solid matter.

3.27.23 O'NEILL- A technology which, by the way, if you all recall, they refuse to share with us.

03.40.17 NARIM- General Hammond.

NARIM (OS CONT)- I'm unfamiliar with earth protocol in these matters.

NARIM (CONT)- I sent Schroedinger so you would know a friend was coming.

03.46.28 HAMMOND- That's all right, Narim. The Tollan are welcome here. Unit, stand down.

04.00.22 NARIM- Samantha. It's good to see you again.

04.05.16 CARTER- It's good to see you, too.

04.10.04 HAMMOND- What can we do for you, Narim?

04.14.03 NARIM- I'm here to deliver a message from our highest governing body. Colonel
O'Neill. The Tollan Curia request the presence of you and your team for Triad.

04.25.27 O'NEILL- I feel like I'm being served.

O'NEILL (OS CONT)- So, what...

O'NEILL (CONT)- exactly is this Triad?

04.33.01 NARIM- It's an ancient ceremony of Justice. Quite honorable.

04.36.00 JACKSON- So it's kinda like a trial.

04.40.01 NARIM- I am not familiar with "trial".

04.44.05 JACKSON- Trial. It's, it's sorta like a tribunal. A place where, uh, matters of justice and law are decided.

04.49.23 NARIM- Then...yes. A Triad is similar to your trial.

04.53.03 O'NEILL- So. Who's on trial?

04.55.18 JACKSON- Ad.

04.56.15 O'NEILL- Tr...Triad...al.

04.59.06 NARIM- The decision the Triad must reach is of...

NARIM (OS CONT)- great concern to an old friend of yours. He's an Abydonian by the name of Skaara.

05.05.01 O'NEILL/JACKSON- What?

05.06.00 NARIM- It is he who requested your presence.

05.07.23 JACKSON- He's alive, he's okay, he's...

05.09.05 NARIM- He is well. But he does need your help for Triad.

05013.14 O'NEILL- Where's this taking place?

05.15.25 NARIM- Our destination is the new homeworld, Tollana.

05.18.27 CARTER- But we sent you to the Nox planet. There wasn't a gate on Tollana.

05.22.15 NARIM- The Nox and the Tollan were able to...devise a way to get us there.

05.26.14 O'NEILL- Of course you were.

05.27.22 JACKSON- Way...smarter than we are.

05.48.00 O'NEILL- Very nice.

25.50.01 CARTER- So you built that...

CARTER (OS CONT)- that Stargate.

25.53.21 NARIM- Yes.

05.55.04 JACKSON- Way smarter than we are.

05.59.00 O'NEILL- Ours is bigger.

06.11.08 VOICES (OS)- (unintelligible)

06.43.29 JACKSON- What just happened?

26.45.29 NARIM- Your weapons have been disabled.

06.47.25 O'NEILL- What?

06.49.18 NARIM (OS)- They do not work.

NARIM (CONT)- You may continue to carry them if you wish.

06.55.23 O'NEILL- You don't think you should have told us about this before we came?

06.59.13 NARIM- I didn't find it relevant.

07.01.07 O'NEILL- We don't travel to other planets without weapons with which to defend ourselves.

07.05.21 NARIM (OS)- May I ask what you intended to defend...

NARIM (CONT)- yourself against? The Tollan have never threatened you in any way.

07.09.28 TEAL'C (OS)- That is correct...

TEAL'C (CONT)- O'Neill. I do not feel a need to carry a weapon in this place.

07.15.01 CARTER- And...sir, judging by what I've seen in the last five minutes, our weapons wouldn't be much of a match for their technology anyway.

07.22.12 NARIM- No harm will come to you. The Tollan will guarantee it.

07.27.25 O'NEILL- Is that a money-back-if-you're-not-completely-alive-guarantee?

07.33.26 NARIM- This way.

08.03.20 TRAVELL- These must be our visitors from Earth. Welcome.

08.09.14 NARIM (OS)- High Chancellor Travell. This is Colonel Jack O'Neill.

08.12.23 O'NEILL- Hi.

08.13.26 NARIM (OS)- Doctor Daniel Jackson. Major Samantha Carter

08.16.20 CARTER- Hello.

08.17.00 NARIM (OS)- And Teal'C.

08.18.07 TRAVELL (OS)- We are honored...

TRAVELL (CONT)- that you have agreed to participate in Triad. Your Seeker will
decide which one of you will be Archon.

08.24.14 O'NEILL- Seeker? Archon? Daniel?

08.33.06 JACKSON- Uh, with respect High Chancellor, Narim didn't really explain the Triad
very well. Could you please define those terms for us?

08.41.06 TRAVELL- In Triad, there are two arguing parties called Seekers. Triadic law requires one Archon...

TRAVELL (OS CONT)- whose sympathetic to each cause and one neutral Archon.

TRAVELL (CONT)- The Archons argue the dispute until a decision is reached.

08.56.22 JACKSON- So a Seeker is like the defendant and the Archon is...his attorney.

09.00.03 O'NEILL- I got it. So Skaara is our...

09.06.28 JACKSON- Seeker.

09.08.03 O'NEILL- Seeker?

09.09.20 TRAVELL- Narim will take you to him now.

09.13.14 NARIM- This way.

09.33.04 CARTER- Skaara.

09.37.02 SKAARA/KLOREL- You. You will pay for what you did to my father.

09.44.14 O'NEILL- It's good to see you too.

09.54.19 SKAARA- I'm very happy to see you. All of you.

09.57.22 O'NEILL- What's the deal? What just happened?

10.00.05 NARIM- The Tollan designed the device worn about his chest. It suppresses the
Goa'uld's...

NARIM (OS CONT)- ability to silence his host.

NARIM (CONT)- The Goa'uld and host are free to speak at will.

NARIM (OS CONT)-The device cannot be removed as long as Klorel and Skaara are
our guests.

NARIM (CONT)- The indicator on the front prevents one from pretending to be the
other. Red indicates it is Klorel who speaks. Blue, Skaara.

10.19.08 O'NEILL- Nice device. We'll take a dozen.

10.23.11 NARIM- As you may recall from our last encounter, it is forbidden for the Tollan to give
our technology to any culture less advanced than our own.

10.30.06 O'NEILL- Still got that arrogance bug I see.

1.33.09 SKAARA- It is I, O'Neer. Are you not happy to see me?

10.45.23 O'NEILL- Yeah. It's good to see you.

- 10.51.00 SKAARA- I knew you would come.
SKAARA (OS CONT)- Soon, with your help, I'll be free of this demon.
SKAARA (CONT)- Every day, I fight him. I listen. I learn.
- 11.03.18 NARIM- It is time for Skaara to choose his Archon.
- 11.08.10 SKAARA- O'Neer is strong. Daniel is wise. May I not choose both?
- 11.16.09 NARIM- You may. They may both argue. However, they will have but one vote.
- 11.22.01 JACKSON- Okay. What's, what's this Triad about? What's, what's to be decided?
- 11.26.06 NARIM- Two days ago, a small Goa'uld vessel crashed in a remote area. The
occupant was badly injured. It was Skaara.
- 11.32.27 SKAARA- We were fleeing a battle group dispatched by Heru-ur. My demon knew
that the Tollans would stop them.
- 11.37.22 NARIM- Which we did. We warned them, but they came anyway. Our defense grid
was forced to destroy them.
- 11.47.24 CARTER- So...Heru-ur is dead.
- 11.50.00 SKAARA- No. But two of his mother ships are destroyed.

- 11.54.26 O'NEILL- Wait a minute. You blew away two Goa'uld mother ships.
- 11.59.06 NARIM- We are not a warring people. But our defensive technology is far advanced of that of the Goa'uld.
- 12.05.07 JACKSON- Yeah, well I know all this weapons chatter gets my blood pumping but c...can we get back to the Triad?
- 12.10.00 NARIM- Yes, of course. When our sentries reached the crashed vessel, Skaara asked us to free him of his Goa'uld. But the Goa'uld refuses. Therefore, under Tollan law, we have no choice but to hear both arguments before acting.
- 12.22.15 O'NEILL- And Klorei's...
- 12.23.27 JACKSON- Archon.
- 12.24.14 O'NEILL- Archon is...who?
- 12.48.03 TRAVELL (OS)- My Lord Zipacna...
TRAVELL (CONT)- we are honored that you have agreed to participate in Triad.
- 12.53.13 ZIPACNA- Due to your easy dispatch of Heru-ur's mother ships, it appears I do not have a choice.

13.03.10 KLOREL- We would speak in private.

13.05.26 TRAVELL- As you wish.

12.22.22 O'NEILL- So...when you were trying to get us to come here and then...disarmed us,
you didn't feel it appropriate to mention that a freakin' Goa'uld was gonna be
here?! Not to mention his associates?

13.36.04 TRAVELL- They are as unarmed as you.

13.38.06 O'NEILL- You're sure of that?

13.39.05 NARIM (OS)-- Our technology detects and...
NARIM (CONT)- disables any form of weaponry.

13.41.27 O'NEILL- Aha.

13.43.19 JACKSON (OS)- You said there was a, a...
JACKSON- (CONT)- third, neutral Archon. That's...a Tollan?

13.47.06 TRAVELL (OS)- No.

TRAVELL (CONT)- We have asked our friends to send someone capable of remaining neutral. I believe you have met.

14.03.25 JACKSON- Lya.

14.05.16 LYA- It is good to see you once again, friends.

14.11.24 O'NEILL- Well, this just became a piece of cake, a walk in the park, a day at the beach.

14.15.12 JACKSON- An accident waiting for a place to happen.

14.18.23 O'NEILL- Mister Negative. Yes.

14.24.00 CARTER- Sir? What makes you so confident?

14.26.01 O'NEILL- Because Lya is a fair, insightful person who will vote our way. Besides, she likes us.

14.33.16 JACKSON- Lya likes everyone. That's...the Nox way.

- 14.37.06 TEAL'C- The Nox are not in conflict with the Goa'uld. You may recall they Apophis
 when you attempted...
- TEAL'C (OS CONT)- to eliminate him.
- 14.42.16 O'NEILL- So...what do we have on this...fine, Goa'uld fella?
- 14.47.06 TEAL'C- Zipacna was one of Apophis' most loyal underlords.
- 14.50.04 O'NEILL- Well, I don't believe for a second he's come to talk Klorei out of here.
- 15.59.23 NARIM- They're ready for you.
- 15.01.24 O'NEILL- Thank you. Carter. You and Teal'C keep an eye on...
- O'NEILL (OS CONT)- Zippy's kids.
- 15.09.03 CARTER- Yes, sir.
- 15.10.01 O'NEILL (OS)- See what they're up to.
- 16.16.20 TRAVELL (OS)- This dispute involves two sentient beings who inhabit the same body.
 Both have requested sole use of the...
- TRAVELL (OS CONT)- body, therefore, we must establish right of priority over the
 body—to whom does it belong?

15.30.27 O'NEILL- Ostensibly, the one to whom it was born.

15.35.04 ZIPACNA- Your Eminence. I must request that the human contingent follow decorum appropriate...

ZIPACNA (OS CONT)- to such an auspicious body as this one.

15.43.09 TRAVELL- I agree. The Archons...

TRAVELL (OS CONT)- will refrain from questions or comments until their side is acknowledged.

TRAVELL (CONT)- At this time, I recognize Lord Zipacna and Klorei.

15.55.24 ZIPACNA- Until three years ago, the humans on Abydos lived under Goa'uld law.

Administered by Ra. Now...

ZIPACNA (OS CONT)- by that law, they were Goa'uld property. Lord Klorei...

ZIPACNA (CONT)- merely took what was already his.

16.08.26 O'NEILL- By force.

16.10.07 TRAVELL- Colonel O'Neill...

TRAVELL (OS CONT)- please.

16.11.18 O'NEILL- Sorry. I'm sorry.

16.13.05 TRAVELL- I understand your desire to defend your position, Colonel.

TRAVELL (OS CONT)- And I will give you that opportunity.

TRAVELL (CONT)- I would first like to hear Skaara's perspective.

16.37.06 SKAARA- I was born to this body, free of the Demon Klorei.

SKAARA (OS CONT)- He stole my body. On Abydos...

SKAARA (CONT)- I would have married, had children, grown old and died. The
Goa'uld took more than my body. He stole my life.

17.05.25 TRAVELL- Human Archons.

17.15.07 JACKSON- Skaara. When you were born, did your people believe they were slaves?

17.20.14 SKAARA- No.

17.22.05 JACKSON- Just so we can all be clear: who was Ra?

17.25.04 SKAARA- We believed him to be an evil god.

17.27.27 JACKSON (OS)- So he enslaved your people through superstition and fear?

17.32.20 SKAARA- Until you came...yes.

18.01.24 ZIPACNA (OS)- Tell me. Do the people on Abydos hunt?

18.05.16 SKAARA- Yes.

18.10.06 ZIPACNA- Do they also use animals as beasts of burden? For food? For clothing?

18.18.05 SKAARA- Yes.

18.23.19 ZIPACNA- Do you also eat the flesh of human?

18.25.24 SKAARA- No! Never!

18.27.22 ZIPACNA- Then you make judgement that animals are of lesser value than humans.

18.31.01 SKAARA (OS)- We care for our animals.

SKAARA (CONT)- We worship them.

SKAARA (OS CONT)- We thank them for the gifts they give us.

18.36.17 ZIPACNA- Yes, but you keep them to do your will. And you kill them to survive.

18.42.16 SKAARA- When we have the need.

18.44.18 ZIPACNA- As we do with humans. When we have the need. If a human has the right to take an animal's body and do with it as he pleases because he is a superior being, then so does a Goa'uld. And by that argument alone, the Goa'uld has priority. And the host belongs to Klorei.

- 19.16.17 TRAVELL- Do the human Archons wish to respond?
- 19.19.06 O'NEILL- Yes...
- 19.19.15 JACKSON (OVERLAPPING)- We...
- 19.20.02 O'NEILL- Ma'am...
- 19.20.10 JACKSON (OVERLAPPING)- Yeah...
- 19.20.28 O'NEILL- You betcha.
- 19.21.04 JACKSON (OVERLAPPING)- We...we do...your Eminence.
- 19.26.13 O'NEILL- Can I go first? (clears throat) Your argument is flawed in oh so many ways.
Humans are self-aware. Animals aren't.
- 19.42.20 ZIPACNA- Animals are not because you deem them not to be. Just as we deem
humans not to be.
- 19.51.10 JACKSON- What my learned colleague means is that humans have a more advanced
intelligence than lower-caste animals.
- 19.57.07 O'NEILL- Exactly. Just like that.

20.00.00 ZIPACNA- Is that not a matter of perspective? Just like a human considers itself more intelligent than a pig, might a pig consider itself more intelligent than...a rat?

20.11.20 O'NEILL- Speakin' of rats. What's your point?

20.15.01 ZIPACNA- My point is that the Goa'uld consider ourselves more intelligent than humans. Our tech-
ZIPACNA (OS CONT)- nology is more advanced than yours. Our mere knowledge of the universe...
ZIPACNA (CONT)- is more advanced than yours.

20.25.23 O'NEILL- You stole that knowledge!

20.31.24 JACKSON (OS)- You...
JACKSON (CONT)- took human knowledge when you took humans as hosts.
JACKSON (OS CONT)- Just as you took knowledge from other species.
JACKSON (CONT)- S...Stargate isn't your technology, you just, you took that.
JACKSON (OS CONT)- As far as we know...
JACKSON (CONT)- nothing you have came from you, so...
JACKSON (OS CONT)- clearly the evidence isn't that your more intelligent, just more...
JACKSON (CONT)- more parasitic.

20.58.12 ZIPACNA- The method of gaining the knowledge is not in question. We were able to obtain it. You were not.

21.05.14 O'NEILL- Oh please.

21.07.24 TRAVELL (OS)- Gentlemen.

TRAVELL (CONT)- We seem to have wandered away from the central topic.

TRAVELL (OS CONT)- Which Seeker has priority over this body?

21.15.24 JACKSON- If I may, your Eminence, I don't think we've ventured away from...

JACKSON (OS CONT)- the central topic at all. What we're...

JACKSON (CONT)- trying to point out is that the Goa'uld steal what they possess. As they have, in fact, stolen Skaara's body.

21.28.10 O'NEILL- Can I—sorry Daniel—can I say something? Skaara? You once told me you'd rather die than live another day as a Goa'uld. Why?

21.52.01 SKAARA- What I suffer each day is worse than death.

22.00.15 O'NEILL- For example.

22.03.18 SKAARA- I remember the demon stretching out my hand to kill Daniel.
SKAARA (CONT)- The husband of my sister.
SKAARA (CONT) – There was nothing I could do to stop it. And I have seen many
more far worse atrocities than this.

22.30.05 ZIPACNA- I demand that the human stay on-topic!

22.31.26 O'NEILL- It is on-topic!
O'NEILL (OS CONT)- You just wanna avoid talking about all the...
O'NEILL (CONT)- nasty stuff he's witnessed!

22.38.08 ZIPACNA – The host witnesses nothing. Since nothing of the host survives.

22.59.00 CARTER (OS)- What are they doing?

23.03.19 TEAL'C- I am uncertain.

23.19.19 JACKSON- Lord Zipacna, I'd like to ask you a question if I may.

23.22.13 ZIPACNA- I hope I have the answer.

23.24.14 JACKSON- I'm sure you will.
JACKSON (OS CONT)- Is...your host...
JACKSON (CONT)- in there somewhere?

23.37.25 ZIPACNA- Nothing of the host survives.

23.40.26 JACKSON- Really? Then how do you explain Skaara?

23.46.01 ZIPACNA- What you call "Skaara", is nothing but a remnant.

ZIPACNA (OS CONT)- He can speak now only because the Tollan...

ZIPACNA (CONT)- used their technology to silence Klorei.

23.55.13 JACKSON- But how could he speak at all if he hadn't survived?

23.58.26 LYA (OS)- And he spoke well.

LYA (CONT)- His words were not those of a remnant personality.

24.15.07 O'NEILL- Carter?

24.17.05 CARTER- Sir, we may have a problem.

24.19.01 O'NEILL- Do tell.

24.20.00 TEAL'C- We tracked a Serpent Guard and two Jaffa just outside...

TEAL'C (OS CONT)- the city limits.

TEAL'C (CONT)- We observed them locate at least six Tollan weapon sites.

24.26.20 CARTER- We think they were doing something to disable them, sir.
CARTER (OS CONT)- Which, in my opinion means Zipacna is using the Triad...
CARTER (CONT)- to stall for time so his men can disable the Tollan defenses.
Then...
CARTER (OS CONT)- take the opportunity to...

24.36.24 O'NEILL- Wipe out the Tollan.

24.54.09 NARIM- Samantha. I hope you've not waited long.

24.57.13 CARTER- No. Thank you for coming.

24.59.02 NARIM- It's my pleasure. In fact, I'm pleased that we can finally be alone together.

25.04.29 CARTER- Narim, I asked you to meet me because I need your help.

25.07.20 NARIM- Samantha I...I have missed you.

25.15.28 CARTER- A lot has happened to me since I last saw you.

25.20.15 NARIM- There is another.

25.21.19 CARTER- No. Not in the way that you mean. You see, I...I was blended with a Tok'ra
and she died to save my life but I still have her memories and her feelings.

25.32.24 NARIM- And she is part of you?

25.33.28 CARTER (OS)- Yes.

CARTER (CONT)- I can't have a relationship with anyone until I'm absolutely sure whose feelings I'm...feeling. Do you understand?

25.44.25 NARIM- Hmm. You are very wise, Samantha. May I ask then, why you've summoned me?

25.54.13 CARTER- Teal'C and I have been following the Jaffa...

CARTER (OS CONT)- that came in with the Goa'uld contingent.

25.58.04 NARIM- Samantha, why would you do such a thing? I was sure your people were more diplo-...

NARIM (OS CONT)- matic than that.

26.02.03 CARTER- W...We did it out of concern for your people. We think the Goa'uld are using the Triad to buy time so that they can...

CARTER (OS CONT)- prepare for an attack on Tollana.

26.10.069 NARIM- Why do you think that?

26.11.20 CARTER- Because we saw them tampering with your weapons.

- 26.13.19 NARIM- That would be impossible. The weapons are made of an impenetrable alloy and protected by security codes.
- 26.18.08 CARTER (OS)- Narim.
CARTER (CONT)- They were doing something to them.
- 26.26.19 TRAVELL (OS)- We asked Lord Zipacna about your accusation. He denied it and was quite offended.
- 26.32.23 O'NEILL- Well that's a shocker. I hope you didn't take his word for it.
- 26.38.03 TRAVELL- Our experts have been unable to find any form of tampering...
TRAVELL (OS CONT)- on any of the cannons.
- 26.43.27 O'NEILL- Carter?
- 26.45.18 CARTER- Maybe they were painting them, sir.
- 26.48.09 TRAVELL- I see no paint.
- 26.49.15 CARTER- Oh, sorry. It's an Earth military expression. It means, um, marking them as targets.
- 26.53.23 TRAVELL- Nor do I see any markings.

26.57.22 CARTER- Well, there are ways that they can target the weapons without actually leaving a mark.

27.01.19 TRAVELL- If so, the instant one of these cannons is attacked, the rest will automatically locate the position of the attacker and destroy it.

27.10.11 O'NEILL- Unless they're all taken out simultaneously.

27.14.01 TRAVELL- If that were possible, why then did the Goa'uld Heru not do so when he pursued Klorei?

CARTER- Well, maybe because he didn't have a contingent on the planet's surface targeting the weapons in advance.

27.25.08 TRAVELL- He didn't do it because it is impossible.

TRAVELL (OS CONT)- It would take but one of these devices to protect the planet from a Goa'uld mother ship. We have many more than that. Our technology is superior in every way to theirs...

TRAVELL (CONT)- And to yours.

27.41.08 O'NEILL- My. Aren't we cocky?

27.44.10 TRAVELL- Colonel. If this is an attempt to influence the outcome of Triad, it is a feeble attempt indeed.

27.53.00 JACKSON (OS)- I assure your Eminence...

JACKSON (CONT)- this is not intended as anything other than an attempt to help your people.

27.56.26 TRAVELL- I hope so. But understand: if you continue to pursue this mater—in any way...

TRAVELL (OS CONT)- I will disqualify you from Triad and replace you.

TRAVELL (CONT)- Skaara will be represented by someone else. Is that understood?

28.11.03 O'NEILL- With protest.

28.12.22 TRAVELL- Now. You will return to Triad in the morning and you will not mention this matter any further.

28.30.20 O'NEILL (OS)- Just...

O'NEILL (CONT)- stay away from Zippy and his gaggle of ghouls, okay?

28.34.22 TEAL'C- I know the Goa'uld, O'Neill. They will attack.

28.37.22 O'NEILL- But I don't see a choice here. If we keep pursuing the issue, Skaara's gonna be represented by God-knows-who then we won't stand a chance in hell. I'm not gonna let that happen.

- 28.45.15 TEAL'C- Regrettably, I must disagree with you in that situation, O'Neill.
- TEAL'C (OS CONT)- I believe we are faced with the loss of Skaara. One individual.
- TEAL'C (CONT)- Versus the death of many Tollan. And possibly ourselves.
-
- 28.58.00 JACKSON- Well, that's assuming the Tollan can't defend themselves
- which...personally I think is a false assumption.
-
- 29.02.21 O'NEILL- Yeah, they did bring down a couple of mother ships—I think they'll be okay.
-
- 29.05.28 TEAL'C- The Tollan have not been at war in many generations. They do not think
- strategically. I believe that to be a fatal flaw.
-
- 29.15.08 CARTER- Their naivete could be their downfall.
-
- 29.17.16 TEAL'C- That is correct. Allow Major Carter and myself to continue monitoring the
- Goa'uld contingent in case of...
-
- 29.28.04 NARIM- Excuse my interruption. The Triad resumes.
-
- 29.36.15 O'NEILL- You got your orders. Stand down.
-
- 29.50.23 LYA- Teal'C. This is highly inappropriate of you to come to me during Triad.

29.58.12 TEAL'C- I assure you that I would never intend to influence your decision in any way.
 I wish to speak to you considering another matter.

30.07.01 LYA (OS)- You must not mention Kloreel or Skaara.
 LYA (CONT)- If you do, I will be forced to report the matter to the Tollan.

30.13.17 TEAL'C- Understood.

30.16.07 LYA- What is it then?

30.18.21 TEAL'C- As you are aware, I was formerly in the service of the Goa'uld.

30.22.06 LYA- If this is designed to bias me against the Goa'uld...

30.25.12 TEAL'C- I would never do such a thing, nor do I feel the need.
 TEAL'C (OS CONT)- I am here, in fact...
 TEAL'C (CONT)- in direct violation of an order given by Colonel O'Neill.

30.34.09 LYA- Go on.

30.35.19 TEAL'C- I am convinced that the Goa'uld are preparing to destroy all of the Tollan
 weapon installations simultaneously...
 TEAL'C (OS CONT)- thereby preventing them from ever returning fire.
 TEAL'C (CONT)- The Goa'uld will then attack this world, which will be defenseless.

30.49.14 LYA- Why do you tell me this?

30.52.28 TEAL'C- I believe that you and I are the only ones capable of preventing this tragedy from occurring.

30.58.07 LYA (OS)- You and I?

LYA (CONT)- Teal'C, you are a strong warrior but I am of the Nox. If you've learned anything of us, you've...

LYA (OS CONT)- learned that we defend ourselves through illusion and mastery of the mind.

31.12.01 TEAL'C- Precisely.

31.31.11 LYA- I apologize for my tardiness.

31.35.23 TRAVELL- We will resume.

TRAVELL (OS CONT)- Lord Zipacna has asked us to reconvene early.

TRAVELL (CONT)- Because he wishes to make a challenge.

31.47.09 ZIPACNA- (breathes heavily) Tollan law does not provide for a penalty of death. Is that correct?

32.02.17 TRAVELL- It is.

- 32.04.24 ZIPACNA- Then I wish to point out the futility of this Triad. A Goa'uld needs a host to survive. This is a biological fact beyond our control.
ZIPACNA (OS CONT)- If you award priority to Skaara...
ZIPACNA (CONT)- then it is as a death sentence to Klorei.
- 32.22.18 O'NEILL- Of course, if you flip that around, ya got Skaara on death row.
- 32.26.29 ZIPACNA- Yes. But as you proved earlier in Triad, the host survives.
- 32.35.14 O'NEILL- Yuh.
- 32.37.07 ZIPACNA- We concede this point. Therefore...
ZIPACNA (OS CONT)- if you award priority to Klorei, both host...
ZIPACNA (CONT)- and symbiote live.
- 32.49.01 O'NEILL- Yeah. One lives freely. The other lives as a slave.
- 32.55.00 JACKSON- We would put forth that life as a slave is not life at all.
- 32.58.22 O'NEILL- And if you want to save both lives, give us Skaara and you take Klorei.
O'NEILL (OS CONT)- Tok'ra can...
O'NEILL (CONT)- put him in another host for all I care.
- 33.10.16 LYA- Who, Colonel? Perhaps you would volunteer?

33.13.27 O'NEILL- Uhhhh. No.

33.17.21 JACKSON- Perhaps you could find someone who would choose to be a host.

33.27.28 TRAVELL- Narim. What is the meaning of this? You know Triad is held as a closed session.

33.35.01 NARIM- Your Eminence, please adjust your viewer to the orbital observatory.

33.43.15 TRAVELL- A Goa'uld mother ship?

33.47.02 NARIM (OS)- Yes.

NARIM (CONT)- It approaches Tollana.

33.59.22 TRAVELL- Explain.

34.01.26 ZIPACNA- My vessel comes in anticipation of our victory in Triad. It is merely coming to take us along.

34.09.08 O'NEILL- Why don't you just take a Stargate like the rest of us?

34.11.22 ZIPACNA- Not that it is any of your concern, but there is no Chapp'ai where we are going.

34.16.09 O'NEILL- Well then, Gate to where there is one and get picked up.

34.19.14 ZIPACNA- Your Eminence. If our intentions were hostile, we would have attacked already.

34.23.20 TRAVELL- Even so, your ship's arrival is premature and in violation of Tollan space. I must warn you that if your ship moves any closer before the conclusion of Triad, our automated defense system will destroy it.

34.40.09 ZIPACNA- The Goa'uld rest our case and we are prepared to vote. Therefore, Triad is over.

34.45.22 TRAVELL (OS)- Triad is over...

TRAVELL (CONT)- when all parties agree, Lord Zipacna. Do the human Archons have any further arguments?

34.57.02 O'NEILL- Nope. I think the Goa'uld made our case for us quite nicely.

35.04.00 JACKSON- No further arguments, your Eminence. We are prepared to vote.

35.08.28 TRAVELL- Nox Archon?

35.11.23 LYA- Yes.

35.14.11 TRAVELL- Then bring in the Seekers. Klorei and Skaara. You can both hear the Triad's ruling?

35.56.17 SKAARA- Yes, your Eminence.

36.04.05 KLOREL- I can.

36.06.04 TRAVELL- Human Archons. May we hear your vote?

36.12.05 JACKSON- We find in favor of Skaara.

36.20.00 TRAVELL- Goa'uld Archon.

36.25.24 ZIPACNA- In favor of Klorei.

36.29.10 O'NEILL- Big surprise there.

36.31.14 TRAVELL (OS)- Nox Archon?

36.42.06 LYA- After careful consideration, I believe that both Klorei and Skaara have the right to...

LYA (OS CONT)- live. But, living as a host, with no will of...

LYA (CONT)- one's own is not life. Therefore, only one may remain in the body. To that end, I award priority to the original owner of the body.

LYA (OS CONT)- Skaara.

37.06.20 O'NEILL- Yes. Now get that mother ship out of here.

37.10.00 TRAVELL (OS)- We will summon the Tok'ra to come to Tollana to assist in the removal of the Goa'uld, Klorei.

TRAVELL (CONT)- He will be removed from the host...

TRAVELL (OS CONT)- and if he survives, will be sent to the Goa'uld...

TRAVELL (CONT)- world of his choice. I have locked the detachment device.

TRAVELL (OS CONT)- Skaara. You have Priority control until the Goa'uld is removed. Prepare yourself. The Tok'ra will arrive as soon as possible.

TRAVELL (CONT)- And congratulations.

37.51.10 SKAARA- Thank you.

37.54.13 TRAVELL- Lord Zipacna.

TRAVELL (OS CONT)- You are dismissed.

TRAVELL (CONT)- With our thanks.

38.14.19 ZIPACNA- Hatek.
ZIPACNA- Ree nok, Hatek.

38.19.00 O'NEILL- Hey!

38.24.14 ZIPACNA- (gasps)

38.29.07 O'NEILL- Nice. Let's go! Skaara, wait here. Just trust me.
O'NEILL (OS CONT)- How's that superior technology lookin' now?
O'NEILL (CONT)- Security system servin' you pretty good, is it?

38.51.20 JACKSON- The ion cannons.

38.52.25 O'NEILL- Yeah, they're dead-lock on all of them. You know, I hate when people waste
my time like this.

38.59.19 JACKSON- Where's Teal'C?

39.05.00 CARTER- Colonel!

39.07.10 O'NEILL- Cover!

39.09.01 CARTER (OS)- (screams)

39.17.17 NARIM- I must inform Travell.

39.20.04 TEAL'C- Zipacna has escaped through the Stargate.

39.22.09 O'NEILL- Well, that's the least of our prob...where have you been?

39.26.10 TEAL'C- I must inform you, O'Neill, that I have disobeyed your orders concerning the
Goa'uld.

39.30.18 O'NEILL- Please explain. So what's goin' on here?

39.42.29 TEAL'C- I have requested Lya's assistance.

39.53.11 CARTER- You hid one.

39.55.10 TEAL'C- That is correct. Travell explained it would take but one of these to destroy a
Goa'uld mother ship. It should have already fired.

40.09.15 O'NEILL- Well it hasn't. Let's take cover, huh?

41.05.14 O'NEILL (CONT)- Very nice.

41.15.20 TRAVELL (OS)- You disregarded...

TRAVELL (CONT)- my warnings.

41.19.25 O'NEILL- Mine too. Well done.

41.23.02 TRAVELL- If you were my subject, I would be forced to discipline you. However...you
are not one of my subjects.

41.30.22 TEAL'C- It could not have been done without the assistance of Lya.

41.35.15 CARTER- I thought the Nox were pacifists.

41.38.22 LYA- I only hid the weapon. I did not fire it.

41.42.08 CARTER- Ah. Pretty fine line you didn't cross.

41.47.08 LYA- Yes, it is.

41.49.14 O'NEILL- So...we basically saved your whole planet, right?

41.54.10 TRAVELL- Yes.

41.56.25 O'NEILL- Are you therefore indebted to us in any modest way?

42.02.15 TRAVELL- I suppose that is the case.

42.06.08 O'NEILL- So how about giving us the plans to build one of those ion cannons?

42.10.17 TRAVELL- You have been told our policy. That has not changed.

42.19.15 JACKSON- The uh... Tok'ra have completed the procedure.

42.21.27 O'NEILL- Yeah?

42.25.22 LYA- What will become of Klorei?

42.27.21 NARIM- He will be sent to a Goa'uld world.

42.30.03 O'NEILL- To hell with him...

42.31.08 SKAARA (OS OVERLAPPING)- O'Neer!

42.40.22 O'NEILL- Much better.

42.42.11 SKAARA (OS)- (laughs)
