02.36.13 O'NEILL- Son of a bitch!

02.38.16 TEAL'C- Apophis must have transferred off of Sokar's ship before it exploded.

02.41.13 O'NEILL- Well, somebody's gotta teach that guy how to die.

02.43.20 BRATAC (OS)- He controls the army...

BRATAC (CONT)- of Sokar. A most powerful force.

02.47.17 TEAL'C- I will return with you at once.

02.49.04 BRATAC (OS)- The fight is over, Teal'c. The attack was swift.

BRATAC (CONT)- There was nothing left to do but try to save the life of young
Moac, my newest apprentice.

02.58.14 CARTER (OS)- But attacking Chulak doesn't make sense.

CARTER (CONT)- I mean, all the Jaffa weren't willing to oppose the Goa'uld, were
they?

03.04.23 BRATAC- No.

03.05.20 DANIEL- Of course, it's quicker and easier to wipe them all out rather than try and
weed out the traitors.

03.12.14 HAMMOND (INTO PHONE)- Hammond. (beat) I understand. (TO BRATAC)
 Bratac, you better get down to the O.R. right away.

03.24.23 EPISODE TITLE:
 MATERNAL
 INSTINCT

03.36.00 DR. FRAISER- We've done everything we can.

04.02.01 MOAC- I have failed you.

04.04.18 BRATAC- No. It is I who have failed you.
 BRATAC (OS CONT)- You are the...
 BRATAC (CONT)- bravest Jaffa I have ever trained.

04.16.09 MOAC- I am scared.

04.18.18 BRATAC- Kal Mel kalach. (beat) His body is to be burned.

04.33.06 TEAL'C- I will see to it personally.

- 04.35.03 BRATAC (OS)- I am an old man, Teal'c.
BRATAC (CONT)- One day I wish to spread Moac's ashes on the grave of Apophis.
BRATAC (OS CONT)- But I do not...
BRATAC (CONT)- know if I have the strength to fight any more.
- 04.47.17 TEAL'C- Many have died, old friend. (beat) But their deaths must not go in vain.
TEAL'C (OS CONT)- Word of this must spread...
TEAL'C (CONT)- to all Jaffa.
- 04.58.00 BRATAC- Yes. But maybe it is for someone younger and stronger than I to spread
that word.
- 05.06.04 TEAL'C- You are the strongest Jaffa I have ever known.
- 05.12.21 BRATAC- In my 135 years, I have never seen a Goa'uld turn on those that carry its
kind this way.
BRATAC (OS CONT)- He massacred so many that had worshipped him for so long.
- 05.22.19 TEAL'C- Perhaps he has done this to show the System Lords how truly powerful he
has become.
- 05.26.22 BRATAC- You know well Apophis has weapons that could have been used from
space. (beat) There had to be some other purpose. His armies swept
through Chulak as if...

05.37.24 TEAL'C- They were searching for something.

05.42.09 DANIEL- The harsesis!

05.46.06 TEAL'C- Apophis fathered a child with Sha're, the host who carried his mate
 Amaunet. He hoped to create a new host for himself.

05.54.21 BRATAC- It is forbidden.

05.55.17 DANIEL- Yes. Because the child would contain all the knowledge of the Goa'uld.
 Amaunet hid the boy to keep him safe.

06.00.08 BRATAC- Of course. The boy would be hunted. He could be the undoing of all the
 Goa'uld.

06.05.18 DANIEL- But Apophis also doesn't know where Amaunet hid him.

06.08.11 TEAL'C- Which is why they were searching Chulak.

06.10.05 BRATAC- Do you know where this child is?

06.11.28 DANIEL (OS)- Uh...
 DANIEL (CONT)- All I know is that it's a place called Kheb.

06.19.03 TEAL'C- You have heard of such a place?

06.21.27 BRATAC- It is an ancient legend. I did not believe it really existed.

06.27.16 DANIEL- It has to.

06.28.14 BRATAC- The Goa'uld fear and despise Kheb. They forbade anyone from speaking
of it long ago.

BRATAC (OS CONT)- It is something my father once spoke of to me. And old tale
about a place discovered long ago by a few Jaffa...

BRATAC (CONT)- and kept secret from the Goa'uld. When they could no longer
carry a primta, they would make their journey to Kheb. There the kalach
would learn the path through the darkness into the next life.

06.57.10 DANIEL- Kalach. That means soul, right?

07.00.01 TEAL'C- Yes.

07.01.14 BRATAC- When some of the Goa'uld finally found out about Kheb and made their
way there, they did not return.

BRATAC (OS CONT)- It was forbidden to speak of ever again. My father enjoyed
telling me this story.

BRATAC (CONT)- If the Goa'uld are truly all-powerful gods, he would say, how is it
that they fear anything?

- 07.24.14 DANIEL- Well, it sounds like the perfect place to hide someone you don't want a Goa'uld to find. I don't suppose you happen to know the Stargate address?
- 07.31.00 BRATAC- No.
- 07.32.02 DANIEL (OS)- Well, all...
DANIEL (CONT)- I have is some obscure Earth mythology that indicated Osiris once hid there from Seth.
- 07.39.11 BRATAC- That story as told among Jaffa...
BRATAC (OS CONT)- is that Osiris hid...
BRATAC (CONT)- on one of the planets of the Loc'na Ko.
- 07.46.07 DANIEL- What's that?
- 07.47.02 TEAL'C- A group of planets whose resources have been depleted by mining.
- 07.50.15 DANIEL- I don't suppose you happen to know the addresses of any of those planets?
- 07.59.26 BRATAC (OS)- There. Those are the planets of the Loc'na Ko.
- 08.06.11 DANIEL- What's the red one?

08.08.01 CARTER- We basically have two reference maps for Stargate addresses. Yellow represents the cartouche that the Goa'uld left on Abydos. And the addresses from the Ancients' original map of Stargates is in red. You don't recognize this address here?

08.22.06 BRATAC- No.

08.24.09 DANIEL- If the legend is true, the Goa'uld never would have included Kheb in their cartouche.

08.27.10 CARTER (OS)- Well, this address...

CARTER (CONT)- is the only planet in the system that the Goa'uld didn't include on their map.

08.33.28 DANIEL- We found it.

08.41.12 HAMMOND- How do we know for sure that this is Kheb?

08.44.06 BRATAC- The story I have heard says that Kheb is an untouched wilderness with great mountains and a single temple in a valley distant from the Stargate.

08.51.07 DANIEL (OS)- If the Goa'uld are scared...

DANIEL (CONT)- of Kheb, that would explain why they never mined this planet.

- 08.56.02 TEAL'C- If Amaunet thought to hide the Harsesis on Kheb, then Apophis would
 presume so.
- 09.02.00 O'NEILL- Well, scary stories or not, I bet Apophis is just nuts enough to go. I'd like
 some back up on this one, sir.
- 09.07.17 HAMMOND- SG-2 will accompany you.
- 09.09.10 BRATAC- As will I.
- 09.13.00 DANIEL- Let's just hope we're first.
- 09.26.15 O'NEILL- Check in every thirty minutes.
- 09.28.11 COBURN- Yes, sir.
- 09.29.26 O'NEILL- Hold the fort, Major.
- 09.31.07 COBURN- Yes, sir.
- 09.43.05 O'NEILL- What you got?
- 09.45.05 TEAL'C- A group of Jaffa passed through here recently. Six.

09.49.09 BRATAC- Eight.

09.51.26 O'NEILL- So... Not the first.

10.03.12 TEAL'C- You have been unusually silent, Master Bratac.

10.05.19 BRATAC- There is not much time left before I can no longer carry a primta.

10.11.14 TEAL'C- When that time comes, I will have to decide what to do.

10.15.10 BRATAC- If this truly is Kheb, that time may be upon us both.

10.29.22 O'NEILL- What is it?

10.31.10 TEAL'C- Six of the Jaffa stopped here.

10.33.18 BRATAC- Two went on ahead. They returned with another. A woman.

10.38.25 O'NEILL- How do you know that?

10.41.13 TEAL'C- Here.
TEAL'C (OS CONT)- The third set of prints are small and light.
TEAL'C (CONT)- The shoe an open-toed sandal worn by Jaffa women.

10.47.16 BRATAC- When they all met up again, there was a struggle. Then they headed into his forest. Each print is spread wide. (beat) They were running.

10.58.11 O'NEILL- He's good.

11.00.05 TEAL'C- Extremely.

11.03.24 BRATAC- The woman may be the priestess entrusted with the child.

11.24.25 DANIEL- Smell that?

11.25.26 CARTER- Yeah.

11.49.28 DANIEL (OS)- Carter?

11.52.18 CARTER- It's okay, sir. It's just a bird.

11.55.20 DANIEL (OS)- No.
DANIEL (CONT)- Look.

12.18.00 CARTER (OS)- This is really weird.
CARTER (CONT)- These bodies are burnt to a crisp, and yet nothing around them's even been touched.
CARTER (OS CONT)- It's almost as if lightning struck them.

- 12.26.26 O'NEILL- Or maybe some kind of –
- 12.28.07 TEAL'C (overlapping)- I have never before seen a weapon that could do such a
thing.
- 12.31.21 O'NEILL- Weapon...
- 12.33.21 BRATAC (OS)- Over here!
- 12.47.27 BRATAC (OS)- She was shot in...
BRATAC (CONT)- the back as she fled.
- 12.50.27 DANIEL- I counted eight bodies total.
- 12.55.01 O'NEILL- So what happened here?
- 12.56.20 BRATAC (OS)- The priestess was...
BRATAC (CONT)- being escorted back to the Stargate by two of the Jaffa.
BRATAC (OS CONT)- When they met the others, she realized she was in danger.
BRATAC (CONT)- She attempted to flee. They chased her and shot her.
BRATAC (OS CONT)- Then someone or something...
BRATAC (CONT)- attacked them.
- 13.11.00 CARTER- You can't know that for sure.

13.12.22 BRATAC- I am quite certain.

13.15.05 DANIEL- What about the child?

13.17.07 BRATAC- She carried the child.

13.18.20 O'NEILL- Come on. How can you know that?

13.20.08 TEAL'C- Her hands are not bound.

13.21.23 BRATAC- Yes. And they shot low.

13.29.03 DANIEL- Then what happened to the boy?

13.32.11 BRATAC- That I cannot guess.

13.39.20 BRATAC- The priestess died more than two days ago. When his Jaffa did not return
with the Harsesis, Apophis should have sent more.

13.48.20 TEAL'C- Perhaps many more.

13.58.14 O'NEILL- Kheb?

14.01.05 BRATAC- Kheb.

- 16.05.11 MONK- I have been here for some time.
- 16.07.16 O'NEILL (OS)- No.
O'NEILL (CONT)- You weren't here when we just came in.
- 16.10.11 MONK- Here is everywhere you are.
- 16.12.27 O'NEILL- Excuse me?
- 16.14.08 DANIEL- Um... hello. I'm, uh, Daniel Jackson. This is Jack O'Neill. And, and this is
 Bratac. We're peaceful explorers from a place called Earth.
- 16.23.07 MONK- Do you seek oneness with Desala?
- 16.26.06 DANIEL (OS)- Desala...
DANIEL (CONT)- I know that word. It sounds tribal African, maybe...
- 16.31.05 MONK- Desala is everything, everywhere.
- 16.33.28 DANIEL- Nature. It, uh, means nature.
- 16.38.07 O'NEILL- Ah.

- 16.39.03 MONK (OS)- Put no barriers between...
 MONK (CONT)- you and where you are.
- 16.45.02 O'NEILL- Don't look at me.
- 16.50.17 BRATAC- I believe he wishes us to take off our boots.
- 16.55.19 O'NEILL (OS)- Yeah, look, uh...
 O'NEILL (CONT)- We've been walking a ways today.
- 17.00.03 MONK (OS)- Your journey has...
 MONK (CONT)- only begun.
- 17.01.28 O'NEILL- Yeah, I'm just saying I think I'm doing us all a big favor by keeping these
 babies on.
- 17.05.24 MONK (OS)- When the mind is enlightened, the spirit is freed,...
 MONK (CONT)- and the body matters not.
- 17.26.24 O'NEILL- Here's an idea. Why don't we just ask the man if the boy's here?
- 17.47.25 DANIEL- We've come looking for a boy... a baby.

17.51.25 MONK- Lightning flashes, sparks shower... in one blink of your eyes, you have missed seeing.

17.59.04 O'NEILL- Lightning, you say?

18.01.25 MONK- I only know a snowflake cannot exist in a storm of fire.

18.06.21 O'NEILL- What?

18.07.26 DANIEL- Jack...

18.08.20 O'NEILL- No, I... You know me. I'm a huge fan of subtlety. But that's downright cryptic.

18.13.14 DANIEL (OS)- Sorry. Don't, uh...

DANIEL (CONT)- Don't worry about him.

18.16.01 MONK (OS)- The sun is warm, wind is wild,...

MONK (CONT)- the grass is green along the shores. Here no bull can hide.

18.22.26 O'NEILL- Oh, I don't know about that.

- 18.24.22 DANIEL (OS)- Jack, he's speaking in Zen Koans.
DANIEL (CONT)- Whatever theology he follows may be the original basis for
Buddhism on Earth.
- 18.31.28 O'NEILL (OS)- Well, that's very nice.
O'NEILL (CONT)- I'll be sure to call the Dalai Lama when I get home. But for now,
how about why we came here?
- 18.40.13 DANIEL- Um, he's right. This is very important. Is there a child here?
- 18.44.17 MONK- There is a child in all of us.
- 18.46.08 O'NEILL- Oh, come on...
- 18.48.27 BRATAC- He seeks a real human boy. Of flesh and bones.
- 18.52.27 MONK- Those who seek oneness find all that they seek.
- 19.01.01 DANIEL- I think this is gonna take a while.
- 19.03.07 O'NEILL- Really? What gives you that idea?
- 19.20.21 CARTER- Everything okay?

19.25.09 TEAL’C- It is nothing. (beat) I do not have a good feeling about this place. (beat)
 What of the Harsesis child, O’Neill?

19.40.18 O’NEILL- I don’t know. Well, there’s a monk guy in there. Daniel thinks he might
 know something, so he’s gonna play along for a while.

19.49.16 CARTER- Play along?

19.51.16 O’NEILL- Something about enlightenment...

19.57.00 CARTER- Sir...

19.57.22 O’NEILL (OS)- I know.
 O’NEILL (CONT)- I know.

20.14.15 MONK- Within you is a being whose heart knows only darkness.

20.20.04 BRATAC- Yes.

20.21.12 MONK- You must renounce such evil to cheive oneness with Oma Desala.

20.26.14 DANIEL- Oma... What does, what does that mean?

- 20.28.19 MONK- Words cannot express things, speech does not convey the spirit, swayed by words, one is lost. One cannot carry darkness on the great path.
- 20.38.20 BRATAC- If I removed the symbiote within me, I would die.
- 20.42.12 MONK- You cannot start the journey with it inside you.
- 20.47.18 BRATAC- So a Jaffa cannot seek oneness before he is willing to die?
- 20.52.01 MONK (OS)- When the mind is freed,...
- MONK (CONT)- the body is no longer required. (beat) I sense you are not ready to meet Oma Desala.
- 21.02.22 BRATAC- I am not ready to die.
- BRATAC (OS CONT)- But I take solace in the fact...
- BRATAC (CONT)- that journey is ahead of me.
- 21.20.04 DANIEL- So... I don't, I don't have to die, right?
- 21.24.25 MONK- You do not have the same evil within you.
- 21.27.20 DANIEL- Good.

- 21.28.23 MONK (OS)- But you have your own burdens...
 MONK (CONT)- of which to rid yourself.
- 21.33.09 DANIEL- Okay.
- 21.48.12 BRATAC (OS)- I am not yet ready...
 BRATAC (CONT)- to give up. I feel alive, Teal'c.
 BRATAC (OS CONT)- Like a young man...
 BRATAC (CONT)- of 80. We still have false gods to slay.
- 22.06.11 MONK (OS)- She goes into the lake without making a ripple, she goes into the forest
 without disturbing a blade of grass.
- 22.15.02 DANIEL- Who is she?
- 22.22.11 MONK- The mother.
- 22.28.02 DANIEL- Desala. Nature. Mother Nature. We're, we're, we're talking about Mother
 Nature.
- 22.38.13 MONK- Why do you seek this child of flesh and bones?
- 22.47.13 DANIEL- He is the son of my wife.

22.50.10 MONK- But not your son?

22.51.24 DANIEL- No.

DANIEL (OS CONT)- But my wife is...

DANIEL (CONT)- dead now, and I promised her I would make sure the boy is safe.

22.58.00 MONK- And you are sure he will be safe with you?

23.00.13 DANIEL- Yes. Absolutely.

23.02.27 MONK (OS)- Because it is so clear, it takes a longer time to realize it. If you immediately know the candle light is fire, then the meal was cooked a long time ago.

23.14.00 DANIEL- Right. Um, I, uh... I have no idea what you're talking about.

23.43.06 DANIEL- I can't do it.

23.45.02 MONK (OS)- You say...

MONK (CONT)- you seek this child to fulfill a promise?

23.47.23 DANIEL- Yes.

23.48.22 MONK- Is there another reason?

- 23.51.08 DANIEL- The child has knowledge. He can help my people defend themselves against an evil enemy, the Goa'uld.
- 23.58.06 MONK- You hate the Goa'uld.
- 24.01.08 DANIEL- The Goa'uld are responsible for the death of my wife... among millions and millions of other people. How can I not hate them?
- 24.11.10 MONK- Your hate will lead to the child's death.
- 24.14.00 DANIEL- How do you know that?
- 24.17.11 MONK- You must trust. You must believe.
- 24.24.01 DANIEL- Maybe what I don't believe is that I can light a candle with my mind. You see, I find it a lot easier to use...
DANIEL (OS CONT)- a lighter or a match. It's...
DANIEL (CONT)- much more practical. (beat) Wow.
- 24.39.21 MONK- Now you blow it out. (beat) With your mind.
- 24.46.24 DANIEL- Oh. I'm sorry. Could you, could you light that again? (beat) This isn't like a trick candle or anything, is it?

25.01.15 MONK- Put your hand in the flame.

25.03.10 DANIEL- What?

25.04.20 MONK- Place your hand in the flame.

25.22.13 DANIEL- Ahh! (beat) Why did you tell me to do that?

25.28.27 MONK- Why did you do it?

25.29.28 DANIEL- Because you told me to.

25.30.25 MONK- Because you trusted.

25.32.17 DANIEL- Yes.

25.33.16 MONK (OS)- Within you is the capacity for trust.

MONK (CONT)- Trust Oma Desala. Do not believe you can light the candle.

Believe she can light the candle.

26.00.25 O'NEILL- Time's up.

- 26.08.04 DANIEL- Jack, the markings on the wall are a language. It's a bible. No, actually, it's more of an instruction book on how to reach this ethereal plane of existence, some kind of other world. It's only natural that the Jaffa who found this place would interpret it as a passage to the afterlife.
- 26.21.11 O'NEILL- Whoa! Slow down there, Grasshopper.
- 26.24.16 DANIEL- Okay, now, I'm pretty sure this place was built by an alien race millenia ago. They may have even visited Earth and inspired the mythology surrounding the concept of Mother Nature in various cultures.
- 26.33.24 O'NEILL- So this guy's an alien?
- 26.36.22 DANIEL- No. Um, I'm pretty sure the aliens discovered a means by which they could ascend to some higher plane of existence, and went there – wherever “there” is. But they left the writings in this shrine as kind of a map for others who wanted to follow them. The monk is just someone who has taken up sort of a curatorship.
- 26.52.02 O'NEILL- Kind of a janitor?
- 26.53.00 DANIEL- More of a guide.
- 26.53.22 O'NEILL- An usher?

- 26.54.18 DANIEL- It doesn't matter. Just... watch.
- 27.16.03 O'NEILL- Am I supposed to believe you did that?
- 27.18.16 DANIEL- Yes.
- 27.26.24 O'NEILL- Daniel... (beat) A word...? (beat) We didn't come here to learn parlor tricks.
- 27.40.01 DANIEL (overlapping)- Jack...
- 27.40.15 O'NEILL- Is the boy here or not?
- 27.41.24 DANIEL (overlapping)- I think so.
- 27.42.21 O'NEILL- 'Cause every minute we stay here, we're risking our necks.
- 27.44.18 DANIEL (overlapping)- I know that.
- 27.45.11 O'NEILL- So please understand I'm on the verge of ordering a complete search of this place, with or without his cooperation.
- 27.49.20 DANIEL (overlapping)- You can't do that.

27.50.18 O'NEILL- You're confused, Daniel. I can. So far, I haven't.

27.53.00 DANIEL- I am gaining his trust.

27.54.03 O'NEILL- And how long is something like that gonna take?

27.55.25 DANIEL- Jack, you don't understand.

27.57.01 O'NEILL- I think I do. (beat) Hey! Hey hey hey...! (beat) All right, that's
dangerous. Put it down! (beat) Okay. That was a little more impressive.
How'd you do that?

28.29.05 DANIEL- Actually, I did that.

28.30.19 O'NEILL- What?

28.31.16 DANIEL- That's what I've been trying to tell you. This is, it's incredible.

28.37.05 O'NEILL- He taught you how to –

28.37.23 DANIEL (overlapping) (OS)- How to do...
DANIEL (CONT)- things with my mind. You could do it, too.

28.41.27 O'NEILL- He could teach me how to light candles and move stuff around by thinking?

28.45.24 MONK- Cannot teach you what you already know.

28.49.10 O'NEILL- Oh, I don't think I know as much as you think I know.

28.53.09 MONK- You must come to know Oma Desala. Become her friend.

29.04.02 O'NEILL- That your friend?

29.17.18 O'NEILL- Oh, great. Teal'c, Bratac, wanna check that out? (INTO RADIO) Major Coburn?

O'NEILL (VO CONT ON RADIO FILTERED)- This is O'Neill.

29.29.13 COBURN (INTO RADIO)- Read you, sir.

29.30.12 O'NEILL (INTO RADIO)- We've got some Jaffa activity here. How's your position?

29.32.25 COBURN (INTO RADIO)- Clear, sir.

29.33.21 O'NEILL (VO ON RADIO FILTERED)- Good. Stand by.

O'NEILL (CONT)- I want Claymores from the entrance to here.

29.37.21 CARTER- I thought we were leaving.

29.39.04 O'NEILL (OS)- Me, too.

29.47.26 O'NEILL- So is the kid here or not?

29.49.23 DANIEL- Jack...

29.50.09 O'NEILL- Daniel, that was a glider. We're out of time.

29.53.21 MONK- Time means nothing to the –

29.54.20 O'NEILL- Ah ah! (beat) Don't say it.

30.20.00 CARTER- The Claymores are set, sir.

30.21.13 O'NEILL- Good.
O'NEILL (OS CONT)- Daniel thinks we should stay.

30.25.20 CARTER- Why?

30.26.26 O'NEILL- Well, watch.

30.29.05 CARTER- What?

30.55.00 CARTER- You did that?

30.56.19 DANIEL- Yes.

30.58.26 CARTER- That's impossible.

31.00.00 O'NEILL- You'd think.

31.02.01 DANIEL- Why?

31.03.02 CARTER- You learned the power to control fire?

31.05.05 DANIEL- It's not just fire. All the instructions are here.

DANIEL (OS CONT)- On the walls.

DANIEL (CONT)- All you have to do is be willing to learn and believe.

31.16.16 CARTER- I'm sorry, but something else has to be going on here.

31.19.06 DANIEL- Why?

31.21.25 CARTER- Well, I don't know, but under different circumstances, I would bring in the right equipment and check for some kind of concealed technology before I assumed that –

- 31.29.22 DANIEL- Isn't there the smallest part of you that wants to believe a person can reach a higher level?
- 31.34.20 CARTER- Yes, of course, but –
- 31.36.02 DANIEL- Don't you see what's happening here? I have that power.
- 31.38.28 CARTER- To do what?
- 31.42.14 DANIEL- To protect the child.
DANIEL (OS CONT)- I think she doesn't want me to...
DANIEL (CONT)- leave until she knows that I understand how to protect him.
- 31.49.20 CARTER- Who's "she"?
- 31.52.10 TEAL'C- A Goa'uld mothership has landed. As many as 2,000 troops approach.
- 31.56.11 O'NEILL- Love to stay and chat...
- 31.58.14 DANIEL (OS)- Wait! W-wait a minute!
DANIEL (CONT)- What about...?
- 32.37.01 O'NEILL- Damn.

- 33.49.07 BRATAC- We must leave immediately and elude them through the forest.
- 33.51.17 O'NEILL- Where's Daniel?
- 33.55.14 O'NEILL (OS)- Daniel? Daniel,...
- O'NEILL (CONT)- we gotta go! For crying out loud...
- 34.06.27 O'NEILL- I don't know where he is. He's not in there.
- 34.09.01 CARTER- What do we do?
- 34.11.16 O'NEILL (INTO RADIO)- Coburn? O'Neill.
- 34.13.20 COBURN (INTO RADIO)- Read you, sir.
- 34.14.24 O'NEILL (INTO RADIO)- High-tail it back through the Gate. Tell Hammond we're
pinned down. Request back up.
- 34.20.02 COBURN (INTO RADIO)- Yes, sir.
- 34.32.17 O'NEILL- Lots of back up. Damn.

- 34.37.26 O'NEILL (OS)- All right,...
- O'NEILL (CONT)- here they come. Defensive positions. Hold off on the Claymores as long as we can. I don't want to get into this unless we absolutely have to. And if we happen to make it out of this in one piece, remind me harm Daniel severely.
- 35.25.08 DANIEL- Thank you. (beat) He'll be safe with me. (beat) I didn't do any of it, did I?
- DANIEL (OS CONT)- It was you.
- DANIEL (CONT)- I was wrong. I don't, I don't have any powers at all. You do.
- DANIEL (OS CONT)- You were showing them to me. That's how you...
- DANIEL (CONT)- communicate with us. You were trying to tell me the boy's better off here with you, and I... I wasn't listening. (beat) I made a promise. (beat) I promised he would be safe.
- 37.21.20 JAFFA COMMANDER- Cree assak! Lo koma! Assak!
- JAFFA COMMANDER (OS CONT)- Joma, seca.
- 37.45.03 MONK- You're not welcome here.
- 37.46.17 JAFFA COMMANDER (OS)- In the name of the god Apophis,...
- JAFFA COMMANDER (CONT)- we have come for a young boy.
- 37.50.19 MONK- You will leave now.

37.52.04 JAFFA COMMANDER- We will not.
 JAFFA COMMANDER (OS CONT)- Stand aside!

38.10.10 DANIEL (OS)- NO!!

38.12.00 O'NEILL- Drop your weapons! (beat) Do it!

38.18.17 JAFFA COMMANDER- Cree, lo assak.

38.20.10 DANIEL- Drop your weapons.

38.21.16 O'NEILL- You heard him!

38.22.22 DANIEL- I was talking to you, Jack.

38.24.15 O'NEILL- Wh... what?

38.34.21 DANIEL- Do it now. All of you.

38.36.08 O'NEILL- Daniel...

38.37.16 DANIEL (OS)- Jack, I was wrong. I was very wrong.
 DANIEL (CONT)- One of those aliens I thought was long gone is still here.

- 38.45.18 CARTER- Sir, we put our guns down and we're dead.
- 38.47.13 JAFFA COMMANDER- You are outnumbered and surrounded. You will die if you do not.
- 38.50.04 DANIEL- Jack, if you're ever gonna trust me on anything, now is the time.
DANIEL (OS CONT)- The alien is...
DANIEL (CONT)- the one with all the powers, and she is not someone you want to fool with, if you get my drift.
- 39.10.17 BRATAC- You must do it.
- 39.30.11 JAFFA COMMANDER- Kill them.
- 39.45.03 DANIEL- Bye.
- 39.48.13 JAFFA TROOPS- (screams)
- 40.09.06 O'NEILL- Well, that was cool. Wow.
- 40.57.19 DANIEL- You're leaving. (beat) You know that more of them will come as long as they know the boy is here. (beat) I'll see both of you again some day, right?
- 41.39.09 CARTER- I take it that was the Harsesis child she was holding.

41.42.20 DANIEL- Yeah.

41.45.06 O'NEILL- I thought we needed that kid. You're just gonna let her...? (beat) No choice, huh?

41.55.28 COBURN (INTO RADIO)- Colonel O'Neill, this is Major Coburn. Come in.

41.58.14 O'NEILL (INTO RADIO)- Yeah. Go ahead, Major.

42.00.01 COBURN (INTO RADIO)- Reinforcements are on the way, sir.

42.02.03 O'NEILL (INTO RADIO)- Take your time. We're secure.

42.05.16 COBURN (INTO RADIO)- Good to hear, sir. Uh, sir, the Stargate just came on. There's a strange bright light headed this way.

42.16.14 O'NEILL (INTO RADIO)- Do not engage. Repeat, get out of the way and do not engage. In fact, I'm ordering you all to put down your weapons until that light is gone. Do you read?

42.25.12 COBURN (INTO RADIO)- Yes, sir.
COBURN (VO CONT ON RADIO FILTERED)- It's gone, sir.

42.42.26 O'NEILL- You all right?

42.44.21 DANIEL- Yeah.

42.49.09 O'NEILL- Let's go home. Daniel...?

42.54.28 DANIEL- Yeah?

42.55.18 O'NEILL- Shoes.

43.01.27 FADE TO END CREDITS.
