

TIMECODE    DIALOGUE

START TIMECODE 00.00.00 AT FIRST FRAME OF PICTURE

**TEASER**

00.23.02            JAFFA BOY – Father, he’s coming.

MA'KAR (OS) – Yes, I know. You are not to be here.

JAFFA BOY – But Father.

00.28.06            MA'KAR – Go. Now. After all this time, it is really you.

00.48.06            TEAL'C – Ma'kar of the Gomai Foothills.

00.52.06            RAK'NOR – Teal'c.

00.58.13            TEAL'C – You are the one called Rak'nor.

01.03.05            RAK'NOR – It is an honor to finally meet you.

01.05.12            TEAL'C – And I you.

01.17.13            MA'KAR – We have heard much of your return to Chulak.

02.03.13           TEAL'C – As the Goa'uld have forced us to do in their name for countless generations...

02.07.19           TEAL'C (OS CONT) – Only now we will fight for the freedom of all Jaffa.

MA'KAR – Rak'nor has the loyalty of a great many here on Chulak.

02.13.28           TEAL'C – So Bratac has heard from you, and I from him...

02.18.23           TEAL'C (OS CONT) – It is the...

02.19.06           TEAL'C (CONT) – word of our friend Ma'kar that has brought me here this night. In their hearts, many Jaffa...

TEAL'C (OS CONT) – believe as we do...

TEAL'C (CONT) – Those with the strength and the courage must speak out. We must fear the Goa'uld no longer...

02.33.21           TEAL'C (OS CONT) – Those who wish to join our cause must be...

02.34.27           TEAL'C (OS CONT) – united...

02.37.22           TEAL'C (CONT) – Kol'na of the high cliffs and Hak'nor of the Cordai plains have already agreed to meet at the Chamka groves tomorrow.

02.45.21           RAK'NOR – Then I will meet with them as well...

02.50.14           RAK'NOR (CONT) – And this blasphemous rebellion will finally be crushed...

02.56.11           RAK'NOR (CONT) – Hash'ak Cree. Shol'val

## ACT ONE

04.45.06           TECHNICIAN (OS) – Receiving IDC transmission...

04.47.24           TECHNICIAN (OS CONT) – It’s the Tok’ra.

HAMMOND (OS) – Open the Iris.

04.59.03           O’NEILL – Teal’c?

CARTER – Tok’ra.

O’NEILL – Too bad.

TECHNICIAN – There’s no traveler en-route, sir. However there’s a transmission  
being sent.

JACOB – Looks like my vacation is over...

05.16.12           JACOB (OS CONT) – Thanks to our good friend Tanith, the...

JACOB (CONT) – Tok’ra were able to intercept this conversation...

JACOB (OS CONT) – between Apophis and Heru-ur...

JACOB (CONT) – It took place less than an hour ago.

HERU-UR (OS FILTERED) – Tak mal tiak, mal we-ia. Hol skah, onag.

APOPHIS (OS FILTERED) – Kel shak.

05.31.24           DANIEL – That sounds like they’ve agreed to meet.

- 05.34.10 JACOB/SELMAK – Currently, Heru-ur is allied with the System Lords, against Apophis.
- 05.39.11 CARTER – Or so the System Lords presume.
- 05.41.05 JACOB/SELMAK – Exactly. An alliance between Apophis and Heru-ur could overwhelm all the other System Lords combined.
- 05.47.08 O’NEILL – And that would be bad?
- 05.49.11 JACOB/SELMAK – One enemy is easier to target than many...
- 05.52.19 JACOB/SELMAK (CONT) – Our spies believe that Apophis has agreed to the meeting because he is willing to use such an alliance to topple...
- 05.57.14 JACOB/SELMAK (CONT) – the System Lords. After which he will deal with Heru-ur. If he succeeds—
- 06.03.17 O’NEILL – Galactic badness. Huge.
- 06.05.24 DANIEL – So what do we do?
- 06.07.11 CARTER – Find a way to sabotage the alliance.
- 06.11.29 JACOB/SELMAK – Dr. Jackson, have you seen symbols like this before?

06.16.15 DANIEL – Uh, looks similar to Phoenician letters but I can’t be sure.

JACOB/SELMAK (OS) – We believe it is a...

06.20.09 JACOB/SELMAK (CONT) – technical manual. None of our Tok’ra linguists could translate it.

06.27.14 O’NEILL – Um, excuse my denseness, but what does this have to do with anything?

06.32.26 JACOB/SELMAK – The hatred and mistrust between Apophis and Heru-ur goes back a long...

06.36.18 JACOB/SELMAK (OS CONT) – time.

CARTER – So if we can get them to fight each other—

06.38.25 JACOB/SELMAK – They both control the two largest armies of all the Goa’uld. A war between them would decimate both sides and return the balance of power to the System Lords, which for now is much more preferable to one all-powerful Goa’uld.

06.52.14 DANIEL – Wait, I think I’ve got it. It’s, uh, three to the blue...

06.57.07 DANIEL (OS CONT) – four to the orange and, and three to the blue, that...

07.00.06 DANIEL (CONT) – sounds like some sort of color-coded combination for a lock.

- 07.03.26 JACOB/SELMAK – Excellent. We may have a chance now. If you will accompany me.
- 07.08.25 O'NEILL – Ah, wait a minute, just stop...
- 07.10.11 O'NEILL (OS CONT) – hold it right there...
- 07.12.15 O'NEILL (CONT) – If you're about to say you'll explain along the way, I'm gonna lose it. I've about had it with the way the Tok'ra do business. I want to know exactly what we're dealing with here, every mission detail you've got right now or we go nowhere.
- 07.28.16 JACOB – I was gonna tell you, Jack.
- 07.33.06 O'NEILL – Okay, nevermind.

07.39.22 DANIEL (OS) – The meeting will be taking place in a, a region of...  
DANIEL (CONT) – space known as the...  
DANIEL (OS CONT) – Tobin System. The Tobin Civiliza—  
DANIEL (CONT) –tion...  
DANIEL (OS CONT) – originating...  
DANIEL (CONT) – from Earth thousands of years...  
DANIEL (OS CONT) – ago has been...  
DANIEL (CONT) – extinct for a number of centuries, but one of their legacies...  
DANIEL (OS CONT) – is the equivalent of a large minefield...  
DANIEL (CONT) – in space.

O'NEILL (OS) – As close as you can get to neutral territory, sir.

07.56.27 CARTER – The mines originally designed to protect the planet will actually hone in on  
a wide variety of energy signatures, including that of Goa'--

08.03.03 CARTER (OS CONT) –uld weaponry.

HAMMOND (OS) – So...

HAMMOND (CONT) – if either Heru-ur or Apophis decided to open fire they would be  
destroyed by the mines.

08.08.22 JACOB – We'll take the cargo ship I came in. If we leave immediately we can reach  
the minefield before the meeting, and reprogram one of the mines to target  
Apophis's ship.

08.17.06 HAMMOND – So he’ll think Heru-ur is behind it.

08.19.17 CARTER – Exactly.

JACOB (OS) – The problem...

08.20.25 JACOB (CONT) – is that the mines are in constant motion, repositioning themselves randomly.

08.25.06 HAMMOND – So how can you reprogram one?

08.27.25 O’NEILL – That’s a little bit of a concern for me, sir.

08.31.11 JACOB – The mines have sophisticated inertial engines that are unaffected by gravitational conditions.

CARTER (OS) – Basically, we should be able to s--

08.38.07 CARTER (CONT) –afely use the cargo ship’s rings to pull a mine inside.

08.41.00 JACOB – At which point I’ll pilot the ship to match its movement.

08.44.00 DANIEL – Uh, the Tok’ra have what they believe is the Tobin manual for how the mines work.

JACOB (OS) – Yeah, unfortunately, certain aspects of the translation have previously...

- 08.51.18 JACOB (CONT) – eluded us. Now with Dr. Jackson’s help we can use the manual to reprogram the mine to hone in on a specific energy signature...
- 08.59.16 JACOB (OS CONT) – One of our operatives aboard Apophis’s...
- 09.07.14 JACOB (CONT) – ship will have planted a beacon that will broadcast that energy signature.
- 09.06.03 CARTER – The mine will think that Apophis’s ship is firing a weapon, move towards it, and explode.
- 09.10.24 HAMMOND – Sounds very risky.
- 09.13.06 O’NEILL – Insane might be another word.
- 09.16.04 JACOB (OS) – Obviously I’ll need Dr. Jackson...
- 09.17.23 JACOB (CONT) – and there may be some complicated mathematical calculations to be done so Sam would...
- 09.21.26 JACOB (OS CONT) – be a big help.
- 06.23.01 O’NEILL – (clears throat)
- 09.27.18 JACOB – Of course Colonel O’Neill is always lots of fun to have around. The timing is critical, George.
- 09.36.16 HAMMOND – Then you have a go.

10.11.19 RAK’NOR (OS) – Do not think your pun--

10.12.20 RAK’NOR (CONT) –ishment is over, Shol’va.

TEROK (OS) – Back away! Welcome Teal’c...

TEROK (CONT) – I am Terok.

TEAL’C – (screams)...

10.22.22 TEAL’C (CONT) – (screams)

10.25.21 TEROK – Who do you suppose is more...

TEROK (OS CONT) – more well-known among Jaffa, you...

TEROK (CONT) – (laughs) or I? Terok or the Shol’va.

10.39.11 RAK’NOR – Many know of Teal’c, but all Jaffa fear you, my Lord.

10.42.15 TEROK – After all, I have been around much, much longer. And from the looks of things I will be around long after you are gone...

11.02.02           TEROK (CONT) – From this moment on, every tear you shed, will be recorded, so that all Jaffa alive now and forever more will see how weak and powerless the great and mighty Teal’c really was before he died. They will see how he came to understand how wrong he was about the Goa’uld. We will see you pray to the gods for forgiveness and beg to be granted an honorable death.

TEAL’C – Never.

TEROK – Let us not argue about the future.

11.54.04           TEAL’C – (screams)

**ACT TWO**

12.04.02 O'NEILL – Where is he?

CARTER – He’s on 18.

O'NEILL – Jacob, do you really think the Goa’uld are stupid enough to fire on each other in a minefield?

JACOB – No, and we don’t want them to. The ultimate goal is to get them into an all-out war where both their fleets will be seriously...

JACOB (OS CONT) – weakened.

CARTER – Do you think that’s gonna happen?

JACOB – If he thinks Heru-ur is ambushing him, Apophis will most likely retreat. However, his next move will be to order his armies to attack Heru-ur’s planet.

O'NEILL (OS) – What are you doing?

DANIEL – I could use a hand here.

O'NEILL (OS) – Sure you got everything?

DANIEL – Do you want to try to reprogram that mine without the proper translation?

O'NEILL – Thought of a laptop?

DANIEL – Well I have one. I just couldn’t find Beck’s Ancient Phoenician Symbology on CD at Archaeology.Com.

13.05.14 O'NEILL – Still go with the gold...

O'NEILL (OS CONT) – huh?...

O'NEILL (CONT) – Did you do somethin' different here?

JACOB – I had the bulkhead removed. Once we get the mine inside we're gonna  
need all the room we can get.

DANIEL – What about the escape pods?

JACOB – If that mine touches anything in here, the escape pods aren't gonna do us  
any good.

DANIEL – Oh.

13.50.22 O'NEILL – Do you understand any of that?

CARTER – It's all Phoenician to me, sir.

14.04.10 RAK'NOR (OS) – Drink. It is...

RAK'NOR (CONT) – only water...

RAK'NOR (OS CONT) – Do you not drink because you...

RAK'NOR (CONT) – wish to die sooner?...

14.16.22 RAK'NOR (CONT) – It is not recording now. You will not appear weak by quenching  
your thirst...

- 14.24.29            RAK’NOR (CONT) – Surely you must realize Terok will not let you die before he has gotten what he wants from you. I swear on my father’s name that this is only water.
- 14.40.20            TEAL’C – What is the name of your father?
- 14.43.17            RAK’NOR – Swearing on his name means nothing if you do not know who he was.  
My father was called Delnor.
- 14.53.16            TEAL’C – I know that name.
- 14.54.26            RAK’NOR – Yes, when you were First Prime you spared his life after Apophis ordered him killed.
- 14.59.22            TEAL’C – I remember.
- RAK’NOR (OS) – When you turned against Apophis my father believed it was a sign.  
He spoke out against the Gods and supported you...
- 15.09.05            RAK’NOR (CONT) – He seared the mark of the serpent from my forehead. He-- He said I was free.
- 15.16.05            TEAL’C – You are.
- 15.18.18            RAK’NOR – Other Jaffa warriors also began to believe. Like my father they followed Bratac, who said what you had done would begin a Jaffa rebellion...

15.28.00 RAK’NOR (OS CONT) – He said that one day all Jaffa would be free from enslavement at the hands of the Goa’uld.

TEAL’C – He spoke the truth.

RAK’NOR (OS) – No, it...

15.34.00 RAK’NOR (CONT) – was blasphemy. The Goa’uld are Gods. Look at yourself now...

15.38.04 RAK’NOR (OS CONT) – Why will you not admit it?

TEAL’C – Why do you not believe as your father believes?

15.41.16 RAK’NOR – My father believes nothing anymore. He is dead...

15.45.00 RAK’NOR (OS CONT) – My father was a stupid fool...

15.47.00 RAK’NOR (CONT) – And Apophis killed my whole family because of it. He who die himself and was reborn return to slay Sokar. He with the power to slaughter millions in an instant, who commands the greatest army the Goa’uld have ever known, how can he be anything but a God?...

16.06.14 RAK’NOR (CONT) – I was fortunate enough to realize that in time to save myself.

TEROK (OS) – Listen to Rak’nor...

16.14.29 TEROK (OS CONT) - Teal’c...

16.21.16 TEROK (CONT) – No one can save you but yourself. Not even Bratac lasted this long. With pitiful tears streaming down his face, he admitted we were all-powerful Gods.

- 16.46.05           TEAL'C – He would die first.
- 16.47.21           TEROK – He did die, Teal'c...
- 16.50.00           TEROK (OS CONT) – but not first...
- 16.51.21           TEROK (CONT) – First he prayed to me. He prayed to the Goa'uld for forgiveness.  
                          As you will.
- 17.27.01           TEAL'C – (screams)
- 17.57.19           JACOB – We've reached the Tobin System.
- 18.03.04           CARTER – Wow. That's a lot of mines.
- JACOB (OS) – Hundreds of thous--
- 18.06.10           JACOB (OS CONT) –ands. Prepare and activate the rings.
- 18.21.06           O'NEILL – Jacob. What's with the ear thing?
- 18.24.24           JACOB – It's a heads up display that will help me fly the ship while keeping the mine  
                          centered in the hold.
- 18.33.18           O'NEILL – And how hard is that gonna be?
- 18.36.14           JACOB – Well considering what I have to avoid out there, hard...
- 19.12.16           JACOB (CONT) – Clear the rings. Now Sam...

19.40.21 JACOB (CONT) – Alright, get on it.

19.59.08 DANIEL (OS) – Uh oh.

20.01.29 O'NEILL – What?

20.06.00 JACOB – Well don't you recognize the symbols?

20.10.12 DANIEL – What symbols?

### ACT THREE

20.15.29 TEROK – Save yourself, Teal'c. It is not too late...

20.23.20 TEROK (OS/ON CONT) – Arghghghghghrrrghghgrgh...

20.34.17 TEROK (CONT) – Only one second longer and you would be dead. Why admit the  
Goa'uld are Gods? Why do I waste my time? Because it is the truth...

21.09.16 TEROK (CONT) – I do this for one reason. Not to break you...

21.14.13 TEROK (OS CONT) – Not to torture you...

21.17.17 TEROK (CONT) – I do this to save you...

21.21.19 TEROK (OS CONT) – Maybe you do not fear me...

21.25.02 TEROK (CONT) – or even death itself. But you should fear what awaits beyond. To  
die this way...

21.37.22 TEROK (CONT) – Sha Mel Kallach...

21.41.27 TEROK (OS CONT) – Say what needs to be said...

21.45.07 TEROK (OS CONT) – to deliver your soul...

- 21.47.29 TEROK (CONT) – and the souls of all those that have embraced your sin.
- 21.57.18 TEAL'C – Cree-shac, Shel nok.
- 22.01.00 TEROK (ON/OS)– Arrrghghghghghghgh!...
- 22.13.07 TEROK (OS) – Arghghch! Awhhhhh.
- 22.27.03 JACOB (OS) – There should be a panel that opens and allows access to the in--
- 22.30.01 JACOB (CONT) –side. Try underneath.
- 22.33.10 CARTER – Well I think there’s something here, Dad, but can you bring the bomb any  
higher?...
- 22.46.13 CARTER (OS CONT) – Well it looks like a circle with a cross in it.
- 22.49.19 DANIEL – Uh, that could be it.
- 22.53.02 CARTER (OS) – Okay, what do I do?
- 22.54.12 JACOB – Pretty sure you touch it.
- 22.57.04 O'NEILL – Pretty sure?
- JACOB (OS) – The last...

- 22.58.17 JACOB (CONT) – time a Tok’ra was sent to attempt this they were never heard from again.
- 23.03.27 O’NEILL – Well that’s news.
- 23.05.05 DANIEL – You know, I think that’s it.
- 23.07.09 CARTER – You think.
- 23.10.24 DANIEL – Okay, I’m, I’m sure that’s it. Wait wait wait wait wait...
- 23.23.03 DANIEL (OS CONT) – wait wait wait wait.
- 23.23.26 O’NEILL – Hey!
- 23.24.22 DANIEL – No, no, sorry. Uh, that’s it. I’m sure.
- 23.48.26 JACOB (OS) - Don’t...  
JACOB (CONT) - touch it anywhere but inside the opening.
- 23.55.02 CARTER (OS) – Daniel, what do these...
- 23.56.12 CARTER (OS CONT) – mean?
- 24.00.15 DANIEL – Um, those indicate the various frequencies that the mine is sensitive to.

- 24.05.24 CARTER – So we need to erase them all and input only the one we want, right?
- 24.09.16 DANIEL (OS) - Right.
- 23.13.14 O'NEILL – How long is this gonna take, kids?
- DANIEL – I have no idea.
- 24.37.24 RAK'NOR – Terok grows frustrated by you.
- 24.40.26 TEAL'C – He thought he was recording my humiliation. Instead he was only recording his own.
- 24.47.14 RAK'NOR – Do you not believe your soul will be forever punished?
- 24.52.27 TEAL'C – The Goa'uld are parasites. They use Jaffa as incubators until they are ready to take human hosts...
- 25.03.19 TEAL'C (OS CONT) – I have seen the world from which they originated. I have stood beside the swamps from which they first rose...
- 25.13.14 TEAL'C (CONT) – They are really flesh and blood just like you or I.
- 25.16.12 RAK'NOR – Lies.
- TEAL'C (OS) – Why would I lie?...

- 25.19.19           TEAL'C (CONT) – If there was a chance that they were Gods, if I thought my soul would be forever punished, why would I lie? They have manipulated our bodies, so too are they manipulating our minds with false beliefs.
- 25.35.14           RAK'NOR – You believe this so strongly that you risk dying in sin?
- 25.38.04           TEAL'C – I believe it so strongly that I fight to live with every last bit of strength that I have. So that one day enough Jaffa will believe as I do. Enough to end the Goa'uld and free us all forever.
- 26.02.14           DANIEL (OS) – Okay. Three to the...  
DANIEL (CONT) - blue.
- CARTER (OS) – Which way is blue?
- DANIEL – That's a good question.
- 26.14.21           CARTER – Okay, clockwise is...
- 26.15.29           CARTER (OS CONT) – blue.
- DANIEL – Three notches. Okay, four to the orange...
- 26.39.13           DANIEL (CONT) – Three to the blue.

26.43.24 CARTER (OS) – Uh...

CARTER (CONT) – Dad.

26.46.25 O'NEILL – Jacob...

26.56.06 O'NEILL (CONT) – Jacob!

26.57.01 JACOB (OS) – I...

JACOB (CONT) - know. I have a problem here.

27.04.05 O'NEILL – Jacob!...

27.26.09 O'NEILL (OS CONT) – So Jacob...

O'NEILL (CONT) – Nice flying.

27.28.21 JACOB – Uh, thanks. How much longer?

27.33.19 CARTER – I’m not sure. Why?

27.35.15 JACOB – Someone’s coming. I’m cloaking the ship. It’s Apophis.

28.02.10 CARTER – Three to blue. Uh, it’s flashing green. Green is...

28.13.15 CARTER (OS CONT) – good?

DANIEL – No.

28.15.14 CARTER – Bad.

28.16.10 DANIEL – Bad.

28.17.07 CARTER – How bad?

DANIEL (OS) – V--

28.17.28 DANIEL (CONT) --ery, very bad.

28.18.22 CARTER – Dad!...

28.20.07 CARTER (OS CONT) – Needing Selmak’s help here.

JACOB – Alright, Jack. You’re gonna have to take the stick.

28.26.29 O’NEILL – What? Really?

28.30.06 JACOB – Take the HUD. Keep the mine center circle and avoid hitting anything out there.

O’NEILL – Okay. Okay, I got it. I got it...

28.44.08 O’NEILL (CONT) – Woah woah! Hold it, hold it.

28.45.21 JACOB – Huh?

O’NEILL – I’m cool. I ready. I ready, I’m ready...

- 28.51.26 O'NEILL (CONT) – It's not so easy.
- 28.57.13 JACOB – What's goin' on?
- 28.58.11 CARTER – The crystals are flashing green.
- 29.00.16 DANIEL – I think it's gonna explode.
- 29.02.07 JACOB – Deactivate it.
- 29.03.14 DANIEL – I don't know how. Uh, if you enter the wrong...
- 29.05.09 DANIEL (OS CONT) – combination a failsafe is...
- 29.06.17 DANIEL (OS CONT) – enacted and, and you have...
- 29.28.00 DANIEL (OS CONT) – five minutes to enter the...
- 29.09.14 DANIEL (CONT) – right combination or the mine explodes.
- 29.11.23 JACOB – Apophis is already here. If we release the mine now and it explodes the mission will be ruined.
- 29.16.27 DANIEL – And if we don't release the mine now we'll be ruined.
- 29.19.12 JACOB – Then enter the right combination.
- 29.20.28 CARTER – We tried. What does Selmak say?

29.23.13 JACOB – Try again.

29.25.05 DANIEL – Very helpful.

29.35.19 TEROK – Bring him!

30.12.27 RED GUARD – My Lord, Heru-ur hails you.

30.19.24 HERU-UR (FILTERED) – Cree shak shel, Apophis.

30.30.10 JACOB – Heru-ur’s ship is here.

APOPHIS (OS FILTERED) – Onak re gat, Heru-ur.

30.36.02 HERU-UR (FILTERED) – Onak kla keela vurok.

30.40.26 APOPHIS – Mak shel lo koma ashma.

30.43.08 JACOB – Heru-ur is saying Apophis’s forces are great but not yet great enough to match the collective army of the System Lords. With his assistance, the battle will be swift and end in their favor.

30.54.28 O’NEILL – Apophis?

30.56.07 JACOB – He wants to know what Heru-ur wants in exchange. Heru-ur wants to maintain dominion over all that is currently his, plus that which is currently owned by Cronus.

31.10.26 O'NEILL – But he has to know Apophis will screw him eventually.

JACOB (OS) – Heru-ur is offering Apo--

31.15.05 JACOB (CONT) –phus a gift, a token to show his honor and loyalty. After Apophis accepts they will swear an oath to solidify their bond.

31.26.12 O'NEILL – What's he offering?

31.42.07 HERU-UR – Ona rac Shol'va.

31.57.26 JACOB – Teal'c.

#### ACT FOUR

32.06.01 DANIEL – Teal'c's on Chulak.

32.08.25 O'NEILL – Apparently not.

JACOB – Apophis is thinking the whole deal over. As soon as he makes up his mind,  
the transfer will take place.

CARTER (OS) – Uh...

32.18.06 CARTER (OS CONT) – damnit, this is not working.

DANIEL (OS) – That doesn't make any sense...

32.21.05 DANIEL (CONT) – It, it, it clearly says three to the blue, four to the orange and three to  
the blue.

32.26.29 JACOB – How much time do we have?

32.28.17 CARTER (OS) – Less than a minute.

DANIEL – Okay. These are Tobin numbers. This is one. This is two. This is three—

CARTER – Wait, wait. What about zero?

DANIEL – What?

CARTER – Zero...

CARTER (OS CONT) – Why didn’t you say zero?

DANIEL – Uh, because there is no zero in, in the, in the Phoenician numerical system.

32.44.21 JACOB – What if the Tobins added it.

32.48.01 CARTER – He’s right. Inventing technology with this level of sophistication would  
require a zero.

DANIEL – Why?

CARTER – Just trust me. It’s a math thing.

DANIEL – So I’ve been off by one this whole time.

CARTER – Thirty seconds.

DANIEL – Uh, uh, well okay then, uh, uh, uh, uh, two to the blue, three to the orange  
and...

33.06.12 DANIEL (OS CONT) – and two to the blue. That’s it.

33.20.06 JACOB (OS) – They got it.

33.24.14 CARTER (OS) – Now we enter the...

CARTER (CONT) – right frequency.

33.40.26 TEROK – There is little time now for you...

TEROK (OS CONT) – If you repent now, I will save your soul and end your suffering.

TEAL’C – So that Apophis can revive me and begin again? (laughs)

34.15.16 O'NEILL – You know what'll happen to Teal'c if Apophis gets ahold of him.

34.18.18 JACOB – Anything we do in attempting a rescue will give us away.

34.21.24 O'NEILL – Yeah. So?

JACOB (OS) – So? You know as well as I do that bigger things are at stake here...

34.27.15 JACOB (CONT) – He's your friend. I know. But we've both had to deal with losses  
like this in battle situations...

34.33.28 JACOB (OS CONT) – Tok'ra operatives have already given their lives and others are  
at great risk on those ships right now, all for the sake of this mission...

34.41.12 JACOB (CONT) – I'm sorry, Colonel, but Teal'c is expendable.

34.47.25 DANIEL – One, two...

34.50.09 DANIEL (OS CONT) – three, now.

34.55.11 CARTER – We're done.

35.04.00 JACOB – Alright, I have to deploy.

35.10.03 O'NEILL – If they start shootin' at each other—

35.11.22 JACOB – They better not yet, we're still in the middle of this minefield. Deploy.

35.29.06 CARTER – Nothing’s happening.

35.31.20 JACOB – Our operative could’ve been compromised.

35.33.25 DANIEL – Or we reprogrammed the mine wrong...

35.37.20 DANIEL (CONT) – No, I’m sure we reprogrammed the mine right.

35.44.02 APOPHIS (FILTERED) – Komah ata, Heru-ur.

35.46.14 HERU-UR – Onak lo hassa, shel Apophis. Send the sholva to Lord Apophis.

35.58.01 JACOB – Apophis has agreed to the alliance.

CARTER (OS) – But Dad, Teal’c risked his life to sa--

36.03.01 CARTER (CONT) –ve all of us when he came to rescue you on Netu. You owe him.

We all do.

DANIEL – Wait a minute. How is Heru-ur gonna transport Teal’c to Apophis’s ship?

36.11.07 JACOB – He would probably use rings.

36.13.27 CARTER – Well then we can save Teal’c the same way that he saved us. By

intercepting the matter stream.

36.18.13 JACOB – It won’t work while the ship is in stealth.

36.20.21 O’NEILL – So uncloak it.

36.22.13 JACOB – It would take some pretty fancy flying.

36.28.17 O’NEILL – It’s your ship.

36.56.23 RAK’NOR – I’ve never seen anyone endure such torture and yet none of it comes  
close to what Apophis will do to you. He will kill you a thousand times.

TEAL’C – Of that I am certain.

RAK’NOR – And you will never admit that he is a God?

TEAL’C – Never.

RAK’NOR – You are either insane or—

TEROK (OS INTERRUPTING OVERLAPPING) – Bring him now! The sholva is to be  
transported to Apophis...

37.34.22 TEROK (CONT) – Argghghgh. What do you think you are doing? Shol’va!

37.54.14 RAK’NOR – My Lord, you are killing him.

37.57.00 TEROK – I will not be denied the satisfaction of watching him die at least once.

38.08.17 RAK’NOR – My Lord.

**ACT FIVE**

38.58.07 O’NEILL – What happened?

JACOB – We missed him.

39.00.12 CARTER – So what now?

39.01.17 JACOB – We better get out of here.

39.03.18 HERU-UR’S JAFFA – My Lord, a cargo ship attempted to intercept the matter stream.

HERU-UR – What?

39.18.17 JACOB – It looks like you programmed the mine right. It’s going for Apophis’s ship.

39.32.06 APOPHIS – What is this?

39.33.13 RED GUARD 2 – Heru-ur transported him instead of the sholva.

- 39.43.02 RED GUARD – Heru-ur attacks.
- 39.48.12 APOPHIS – You dare to attack me?
- 39.50.05 HERU-UR (FILTERED) – It is deception.
- 39.51.23 APOPHIS – The deception is yours. Why did you not send me the sholva?
- 40.00.04 O'NEILL – We gotta go back for Teal'c.
- 40.01.20 JACOB – And do what?
- 40.02.14 O'NEILL – Something!
- 40.03.26 JACOB – It's too late. That's not possible.
- 40.29.18 O'NEILL – Apparently it is.
- 40.31.02 JACOB – The Goa'uld have never been able to cloak an entire mothership before, let  
alone a fleet.
- 40.36.08 APOPHIS – Cree Heru-ur. Sheh pak arak Apophis.
- 41.09.08 CARTER – They're protecting Apophis's ship.

- 41.10.29 JACOB – They’re allowing him to escape...
- 41.15.04 JACOB (CONT) – The sensors are picking up a glider that seems to have escaped  
from Heru-ur’s ship before it exploded.
- 41.19.15 DANIEL – Uh, Heru-ur himself.
- 41.21.15 JACOB – We can’t let him get away. Onak sha cree, shel Goa’uld.
- RAK’NOR (OS FILTERED) – Goach sha cree, lo Goa’uld.
- 41.32.06 JACOB – I asked him which God he worshipped and he answered with the Tok’ra  
password. This is Jacob Carter...
- 41.38.25 JACOB (OS CONT) – Identify yourself.
- 41.42.03 RAK’NOR (OS FILTERED) – My name is Rak’nor.
- 41.44.10 JACOB – Who are you? How did you know how to an--
- 41.16.22 JACOB (OS CONT) –swer my hail?
- RAK’NOR (OS FILTERED) – I am the Jaffa who helped Teal’c...
- 41.49.18 RAK’NOR (OS FILTERED CONT) – escape.
- O’NEILL – How do we know that?

42.01.04           TEAL'C – It is good to hear your voice, O'Neill.

42.10.09           O'NEILL – Glad you made it, Teal'c.

42.13.02           TEAL'C – As am I.

JACOB (OS FILTERED) – We can rendezvous on the third moon...

42.16.09           JACOB (OS FILTERED CONT) – of Tischenor.

RAK'NOR – We will meet you there.

42.27.29           DANIEL – Well I guess we stopped the alliance.

42.31.00           JACOB/SELMAK – Unfortunately it is the worst possible result.

42.35.00           O'NEILL – No war.

JACOB/SELMAK – No. We could not have predicted that Apophis would bring a...

42.39.27           JACOB/SELMAK (OS CONT) – cloaked fleet into the minefield.

CARTER – So what now?

JACOB/SELMAK (OS) – A--

42.43.04

JACOB/SELMAK (CONT) –pophis will easily absorb Heru-ur’s forces into his own. He  
is now a bigger threat than ever before.
