TEAL'C (CONT)- Footprints. They are recent.

00.54.25 O'NEILL- How many?

00.55.14 TEAL'C- Several.
TEAL'C (CONT)- Some are that of Jaffa.

01.02.29 CARTER- Take cover!

01.13.29 JAFFA 1 (OS)- Drop your weapons and surrender!

01.18.04 DANIEL- They don't look like Jaffa.

01.23.02 CARTER- He does.

01.26.26 JAFFA 1- There is no escape.
JAFFA 1 (OS CONT)- Stand and identify yourselves.

01.31.17 DARIAN- They need not. I know who they are.

01.39.18 DANIEL- I'm sorry. Have we... Have we met?

01.42.15 DARIAN- They are warriors from a planet called Earth. They are known as SG-1. How dare you return here.

OPENING CREDITS

ACT ONE

03.17.23 DANIEL- Look, I think there's been a misunderstanding.

03.21.26 DARIAN- They are the ones who led us in the rebellion against the servants of Heru'ur.

DARIAN (OS CONT)- You told us to bury our stargate.

DARIAN (CONT)- You said that the Gods would not return. But that was not true.

Cronus came in his great ship. He claimed our planet. He commanded that we serve him.

03.38.20 CARTER- I'm sorry about what's happened, but you don't understand.

- 03.41.01 DARIAN- Why do you insult me, Major Carter?
DARIAN (OS CONT)- Would you have me believe you have not been here?
DARIAN (CONT)- I know who you are. And you are Daniel Jackson. Teal'c. And that
 is Colonel O'Neill.
- 03.57.14 JAFFA 1- Where is he? Find him! Bring them.
- 04.35.01 DARIAN- Hail Sindar, high servant of Cronus.
- 04.39.14 SINDAR- Who is this?
- 04.40.26 JAFFA 1- They came through the Chappa'ai.
- 04.43.14 DARIAN- They are the ones who came before and fought against the servants of
 Heru-ur.
- 04.50.28 SINDAR- You are the shol'va Teal'c. My master will be most pleased.
- 04.58.15 JAFFA 1- There is another who was with them.
JAFFA 1 (OS CONT)- He escaped into the forest.
- 05.03.05 DARIAN- He is their leader.
- 05.05.00 SINDAR- Find him.

- 05.07.01 DARIAN- We will not fail you.
- 05.41.14 DARIAN- Goodnight, Hira.
- 05.42.24 HIRA (OS)- Goodnight, husband.
- 05.46.17 DARIAN- Cronus comes tomorrow. I pray that he will reward us kindly for having
 captured the warriors from the planet Earth. I fear Cronus may be disappointed
 that our search parties have been unable to capture their leader. Is something
 wrong? You behave strangely.
- 06.30.24 CARTER- That Darian guy called me Major.
- 06.33.20 DANIEL- Well, this was a major screw-up.
- 06.36.04 CARTER- Well, how could we know?
- 06.37.18 TEAL'C (OS)- There is always the risk that planets we explore...
 TEAL'C (CONT)- may be occupied by Goa'uld forces.
- 06.41.09 DANIEL- Yes, but one we've actually been to before?
- 06.45.19 CARTER- Do you think it's a bad sign that Colonel O'Neill hasn't tried to communicate
 yet?

06.48.23 TEAL'C- I do not. I do not believe we should attempt to communicate with him either.
 The Goa'uld may have means of tracking our signal.

06.55.15 CARTER- Mission time is approaching eight hours. What are we going to do?":

06.58.19 DANIEL- Well, we can't tell them the truth.

07.07.01 DARIAN- I do not understand.

07.10.27 O'NEILL- I know how you feel.

07.12.22 DARIAN- There are two of you?

07.15.05 O'NEILL- Ah, it's more complicated than that.

07.19.02 DARIAN- Please. Do not harm my wife.

07.23.26 O'NEILL- I'm not gonna hurt either one of you.
 O'NEILL (OS CONT)- I just want someone to explain to me what's happened here...
 O'NEILL (CONT)- before I arrived.

07.33.03 DARIAN- You mean the first time you were here?

07.40.00 O'NEILL (OS)- Mm hmm.

07.41.27 DARIAN- You came through the Chappa'ai.
DARIAN (OS CONT)- You said that our God, Heru'ur, was a false god.
DARIAN (CONT)- You organized a rebellion. With your help we banished Heru'ur's
 Jaffa. You said we were free and that the false gods would not bother us again.
DARIAN (OS CONT)- We did live in peace for a time, but eventually...
DARIAN (CONT)- Cronus came in his ship and declared that our planet now fell under
 his domain.
DARIAN (OS CONT)- He commanded that we worship him.

08.05.14 O'NEILL- All right, look. Neither one of those guys is a god. Okay?

08.-9.20 DARIAN- I will not believe you this time!
DARIAN (OS CONT)- The punishment my people suffered for our prior...
DARIAN (CONT)- indiscretion was my fault. I asked them to follow you and they were
 forced to pay dearly for it.

08.22.05 O'NEILL- It was not an indiscretion. It was the right thing to do, no matter how it turned
 out.

08.29.08 DARIAN- Do what you will. Tomorrow Cronus comes...
DARIAN (OS CONT)- and you and the rest of your kind...
DARIAN (CONT)- will face he consequences.

08.39.00 O'NEILL- Yeah, whatever.

08.40.25 DARIAN- There will be no escape.

08.43.12 O'NEILL- Close your eyes. Close your eyes, please?

09.01.24 DARIAN- How long are we to remain like this?

END OF ACT ONE

ACT TWO

09.29.28 SINDAR (OS)- My Lord.

SINDAR (CONT)- Your presence honors me.

09.33.00 CRONUS- Tell me of the intruders from Earth.

09.36.04 SINDAR- There were three and the Jaffa Teal'c...

SINDAR (OS CONT)- the Sholva.

SINDAR (CONT)- The one called O'Neill has thus far eluded capture.

09.54.17 DARIAN (OS)- Warriors of Juna!

DARIAN (CONT)- We are called before Cronus!

- 10.22.14 CRONUS- Warriors of Juna, for your loyalty you shall be rewarded.
CRONUS (OS CONT)- Bring in the prisoners. The treaty between...
CRONUS (CONT)- the System Lords and the Asgard does not protect you here.
CRONUS (OS CONT)- I once told you that if you were ever at my mercy...
CRONUS (CONT)- I would not be kind. You will not be fortunate enough to die as quickly as your father did by my hand, shol'va. Your fate will be much worse.
You will all pay for your sins. Come forward. You lead your people in my name?
- 11.39.20 DARIAN- I do, my lord.
- 11.47.25 CRONUS- Take it. In honor of your God, kill him. Hashac cree! Kill him!
- 13.58.12 TECHNICIAN- Receiving IDC. Sir, we're receiving a signal on the IDC frequency but this is not an authorized SGC code.
- 14.07.05 CARTER- It says Comtrya.
- 14.10.09 HAMMOND- What does it mean?
- 14.11.01 O'NEILL- Ah... It's kinda like... shalom, or aloha. That stuff.
- 14.17.17 TEAL'C- It was the greeting used by the artificial lifeform, Harlan, on PX3-989.
- 14.21.05 HAMMOND- The one that duplicated you?

14.22.17 O'NEILL- Yes, sir. Please don't open the gate. Please.

14.27.12 CARTER- I admit he was annoying, but he wasn't a serious threat.

14.35.03 HAMMOND- Open the iris.

14.50.25 HARLAN- Ooooh. I... I have no weapons!

14.53.24 HAMMOND- Stand down.

14.57.19 HARLAN (OS)- Oh, thank you for opening...

HARLAN (CONT)- the doorway device that you call iris.

15.01.14 O'NEILL- Ah, just for the record, I was opposed.

15.05.24 HAMMOND- Welcome to Earth. I'm General Hammond, leader of the facility.

15.08.25 HARLAN- Comtraya! Yes, I have heard so much about you.

15.15.19 CARTER- What's wrong, Harlan?

15.17.06 HARLAN- Oh, please, yes. It is a very big emergency. You must help... you.

END OF ACT TWO

- 16.53.26 CARTER- The robot me?
- 16.54.26 HARLAN- Oh, it was ingenious. Even Hubald would have been impressed. I have one
in my chest right now. Would you like to see it?
- 17.01.07 CARTER- Yes.
- 17.02.05 O'NEILL- No. You could show her later.
- 17.05.27 HARLAN (OS)- Later, yes. Help first.
- 17.08.14 TEAL'C- What type of help do you require?
- 17.10.04 HARLAN- Oh, not me. You. Um, I mean the others.
- 17.15.19 HAMMOND- What exactly has happened?
- 17.17.10 HARLAN- Well, they have not returned.
- 17.19.16 CARTER- Where are they?
- 17.20.13 HARLAN- Away. They go away.
- 17.22.18 CARTER- Are you saying that our robots are going through the stargate on missions?

17.26.02 HARLAN- Missions, yes.

17.27.28 O'NEILL- What for?

17.29.27 HARLAN- I do not really know. What is it that you do?

17.36.18 HAMMOND- Colonel O'Neill, it was my understanding that the robots agreed to bury
their stargate and never leave their planet.

17.45.00 O'NEILL- Yes, sir.

17.46.03 HAMMOND (OS)- It would seem your robot...

HAMMOND (CONT)- counterpart is equally as good at following orders as you.

17.51.22 HARLAN (OS)- They have

HARLAN (CONT)- always returned after twenty-four hours. For safety. The power
paks only last for forty-eight hours, then they must be recharged.

17.58.16 CARTER- How overdue are they?

18.00.04 HARLAN- Sixteen hours. They do not have much time left.

18.10.18 HIRA- what is it? What has happened?

- 18.15.01 DARIAN- It was unlike anything I have ever seen. Cronus brought the prisoners before us. I was given a weapon of the Gods. To demonstrate my loyalty, Cronus instructed me to kill the one called Daniel Jackson.
- 18.40.00 HIRA- And so?
- 18.41.23 DARIAN- I fired the weapon.
DARIAN (OS CONT)- What happened next was unholy.
DARIAN (CONT)- I've seen men decapitated in battle. What I saw was not human.
 And that was not the most disturbing thing.
- 18.56.27 HIRA- What was?
- 18.58.00 DARIAN- Cronus was as shocked by the fact that Daniel Jackson was not human as the rest of us.
DARIAN (OS CONT)- He sent us away immediately.
- 19.07.22 HIRA- But how could a true God be surprised by anything?
- 19.11.16 DARIAN- That is what I ask myself.
- 19.17.05 O'NEILL- General, I really don't think we're responsible for retrieving these robots.
- 19.22.06 HARLAN- But you must. They are you.

- 19.24.21 O'NEILL- Not me they're not.
- 19.27.01 HARLAN- Where is Dr. Jackson. He will help.
- 19.29.06 CARTER- He's on a mission at the moment.
- 19.30.24 HARLAN- Oh, you do that so much.
- 19.33.07 HAMMOND (OS)- The fact is, I don't want to risk ...
HAMMOND (CONT)- any of my people for the sake of some androids you...
HAMMOND (OS CONT)- created without authorization.
HAMMOND (CONT)- However...
- 19.42.17 HARLAN- However, yes...?
- 19.44.03 HAMMOND- I am concerned that information about this facility ...
HAMMOND (OS CONT)- could potentially fall into the wrong hands.
- 19.50.02 HARLAN- Ah! An excellent point!

- 19.52.04 CARTER (OS)- Sirs, if I may.
CARTER (CONT)- Our robots are really so much like us they probably couldn't resist the chance to use the gate to explore. I think then we can also assume they would guard any top secret information...
CARTER (OS CONT)- as closely as we would. Besides...
CARTER (CONT)- they don't have our IDC codes, so they can't give those away.
- 20.11.14 HAMMOND- Colonel O'Neill, if you don't want to take this on, I'm not going to make it an order.
- 20.15.20 O'NEILL- Thank you, sir.
- 20.17.16 HARLAN- But I've grown accustomed. I cannot go on without them.
- 20.23.21 CARTER- Sorry.
- 20.27.13 HARLAN- Then I will just have to help myself.
- 20.38.05 HARLAN (OS)- This one. This one. That one. This one.
HARLAN (CONT)-That one and this one. Hmmm...
- 20.47.22 O'NEILL- Hmm what?
- 20.53.09 CARTER- That's what I thought. P3X-729. We've been to this planet before.

- 20.58.15 TEAL'C- We did engage in battle with the Jaffa Heru'ur and liberated the people of Juna.
- 21.02.19 CARTER (OS)- That's right.
CARTER (CONT)- We told them to bury the gate after we were gone. Are you sure you've got the right address?
- 21.09.05 HARLAN- I could do a full diagnostic of my system, but it might be quicker to just dial the address.
- 21.14.26 HAMMOND- Proceed.
- 21.16.05 CARTER- Yes, sir.
- 21.42.06 TECHNICIAN (OS)- Chevron six encoded.
TECHNICIAN (CONT)- Chevron seven locked.
- 21.56.25 CARTER- The gate isn't buried.
- 21.58.12 TEAL'C- It is possible the Goa'uld traveled to the planet by ship in order to reinstate command.
- 22.02.10 CARTER- But Heru'ur is dead, the naquadah mine was dry. Those people didn't pose any threat.

22.07.13 TEAL'C- Another Goa'uld may have claimed the planet for different reason.

22.11.19 O'NEILL- Why?

22.13.20 TEAL'C- Possible strategic military position.

22.15.27 CARTER- We told them they'd be okay.

22.18.10 HAMMOND- Send a probe. Let's find out.

22.21.00 CARTER- Yes, sir. Receiving MALP telemetry.

22.56.08 O'NEILL- Wow. Never get used to that.

23.00.12 HAMMOND- This is General Hammond of the SGC.

23.02.25 ROBOT O'NEILL- Hey, George. How ya doing? Who else you got there with you?

23.05.25 HAMMOND- Major Carter, Teal'c, Colonel O'Neill and Harlan.

23.11.12 ROBOT O'NEILL- Harlan! I told you to stay away from Earth!

23.15.05 O'NEILL- Yeah, well I told you to bury your gate!

24.07.00 ROBOT O'NEILL (OS)- Earth.
 ROBOT O'NEILL (CONT)- George Hammond and the other SG-1.

24.11.21 O'NEILL- Hey, you're the other, pal.

24.15.18 ROBOT O'NEILL- Do we really have time for semantics, here?

24.21.17 HAMMOND- What exactly is the current situation?

24.25.05 ROBOT O'NEILL- Our Daniel is dead.

24.26.23 HARLAN- Oh, my...

24.28.06 ROBOT O'NEILL (OS)- Carter and Teal'c have been captured by Cronus.
 ROBOT O'NEILL (CONT)- He's got a ship in orbit and there's Jaffa everywhere. So
 it's just Darian and me.

24.39.27 DARIAN- Please, help us.

24.46.20 HAMMOND- You have a go. G-1 is on its way.

24.49.03 ROBOT O'NEILL (OS)- Thanks, George.
 ROBOT O'NEILL (CONT)- Harlan!
 ROBOT O'NEILL (OS CONT)- You stay there!

END OF ACT THREE

ACT FOUR

- 25.08.06 JA'DIN (OS)- They appear to be a fascinating technology.
- 25.11.12 CRONUS (OS)- Find out how they work.
CRONUS (CONT)- I wish to know all the information they contain.
- 25.23.16 JA'DIN- My pleasure.
- 25.43.29 DARIAN- This way. They look very much like you.
- 25.55.00 CARTER (OS)- We know.
- 25.56.02 O'NEILL (OS)- Listen, for what it's worth, 'm sorry about what's happened here.
- 26.00.24 ROBOT O'NEILL- Oh, I'm sure that makes him feel better.
- 26.05.22 O'NEILL- Hey! What the hell do you think you're doing?
- 26.11.24 ROBOT O'NEILL- Same thing you do. Only better.
- 26.15.03 O'NEILL- What does that mean?
- 26.16.13 ROBOT O'NEILL- Better? It means better! Stronger! Fatser!

- 26.23.03 O'NEILL- You're not me and you don't work for the Air Force.
- 26.26.22 ROBOT O'NEILL- No, but that doesn't mean I can't do the job.
- 26.30.25 O'NEILL- What job?
- 26.32.13 ROBOT O'NEILL- Explore the universe.Fight the goa'uld.
- 26.35.02 O'NEILL (OS)- Like now?
- 26.36.10 ROBOT O'NEILL (OS)- Hey, you made this mess!
- 26.38.05 O'NEILL- What we did was help these people.
- 26.40.14 ROBOT O'NEILL- Oh, come on. I know you better than that. You screwed up and now
you're embarrassed.
- 26.49.07 O'NEILL- That's not the point.
- 26.50.18 ROBOT O'NEILL- And like I'm going to spend my eternity on that lame-assed planet!
- 26.54.23 O'NEILL- You gave me your word.

26.56.13 ROBOT O'NEILL- Oh, is this the first time you've lied to yourself.
ROBOT O'NEILL (OS CONT)- I told you what you wanted to hear.
ROBOT O'NEILL (CONT)- Besides, what where you going to do? Destroy me?

27.04.25 O'NEILL- I might have.

27.06.21 ROBOT O'NEILL- All right, come on. Bring it on, flyboy. Let's go! Come on!

27.09.24 O'NEILL- Oh, you little...

27.11.23 CARTER- Sirs!
CARTER (OS CONT)- As much as I'd like to see...
CARTER (CONT)- how this plays out, don't we have something more important to do?

27.24.25 DARIAN- What can so few of us possibly do?

27.26.27 ROBOT O'NEILL- Couldn't get Hammond to spring for more troops?

27.29.28 O'NEILL- I didn't ask. This is our problem.

27.34.18 CARTER- I guess we can't expect any help from the rest of the Juna people?

27.37.09 DARIAN- No.

- 27.38.15 TEAL'C (OS)- We convinced ...
TEAL'C (CONT)- your people to oppose the Goa'uld once before.
- 27.42.06 DARIAN- Most, including myself, had never seen an actual God before.
DARIAN (OS CONT)- Heru'ur had not come to Juna for many generations.
DARIAN (CONT)- And when Cronus arrived and displayed his great power, he
 instilled much fear. The people are terrified.
- 27.58.22 TEAL'C- Then we must demonstrate to your people once and for all that Cronus is not
 a God.
- 28.02.27 ROBOT O'NEILL- I assume you have a plan to back up that rather bold yet cryptic
 statement?
- 28.07.12 O'NEILL- Yes! Yes, we do!
- 28.13.14 DARIAN- It is not safe to stay here. The forests are heavily patrolled.
- 28.18.08 ROBOT TEAL'C- we're not done, pal.
- 28.21.02 O'NEILL- I so own you.

- 28.35.02 JA'DIN- There is a device embedded in the chest that sensors indicate may be a power unit. Current status- deactivated. Can it be reactivated? Do you feel pain? Affirmative. Do you sympathize with him?
- 29.29.12 TEAL'C- No!
- 29.33.04 JA'DIN- Both units appear to show concern for each other. Tell me how to reactivate this one's power unit. Then tell me which one of you would like to feel sympathy and which one the pain.
- 29.58.21 ROBOT O'NEILL- The only rings I've seen were in that pyramid.
- 30.01.23 TEAL'C- There is a way into the main chamber.
- 30.03.06 ROBOT O'NEILL- Yeah, by putting the robot...
ROBOT O'NEILL (OS CONT)- at risk.
- 30.07.11 O'NEILL- Fine. I'll do it.
- 30.10.26 ROBOT O'NEILL- It's all right. I can handle it.
- 30.13.07 DARIAN- This is very strange to me.
- 30.15.28 CARTER- This kind of thing happens to us all the time.

- 30.18.26 ROBOT O'NEILL- So how many Jaffa are we going to have to deal with on that ship?
- 30.22.03 TEAL'C- As many as one thousand, but that is not the problem.
- 30.26.00 O'NEILL- What is the problem?
- 30.27.06 TEAL'C- The rings must be activated from within the ship.
- 30.29.29 O'NEILL- Now see, you didn't mention that before.
- 30.31.29 TEAL'C- We had very little time to formulate this plan, O'Neill.
- 30.34.09 ROBOT O'NEILL- Sir, Carter and Teal'c might be able to help. The other ones.
- 30.46.00 O'NEILL- How are they going to know what to do and when?
- 30.49.08 ROBOT O'NEILL- I can communicate with them. I've been maintaining radio silence to
 protect my location.
- 30.56.21 O'NEILL- I don't see a radio.
- 30.59.16 ROBOT O'NEILL- They're internal.
- 31.00.25 CARTER- So you can actually send a signal...

32.02.08 JA'DIN (OS)- They have been unwilling to cooperate in the analysis. However...
JA'DIN (CONT)- their behavior is curiously similar to that of humans. Perhaps you
would be more successful in extracting the necessary information.

32.15.09 CRONUS- Bring the one that resembles Teal'c before me.

32.35.17 SINDAR- Report.

32.37.19 JAFFA 1- The intruder has been captured.

END OF ACT FOUR

ACT FIVE

33.04.26 JA'DIN- Tell me how to operate the power core of that unit and I will stop damaging
you.

33.11.15 ROBOT CARTER- It's simple. Just touch the two crystals on opposite sides of the
converter.

33.30.07 JA'DIN- Interesting.

33.36.17 SINDAR- Cronus will be very pleased.

- 33.40.09 DARIAN- Truth be told, I do not think Cronus will be pleased at all.
- 34.24.20 O'NEILL- You all right?
- 34.26.17 DARIAN- I am.
- 34.28.23 ROBOT O'NEILL- I'm fine, too. Thanks for your concern.
- 34.34.01 O'NEILL- Are you all right?
- 34.38.26 ROBOT O'NEILL- A little gas. Yeah, got gas.
- 34.49.22 CRONUS- What is it you wish to tell me in exchange for the other one's freedom?
- 34.57.18 ROBOT TEAL'C (OS)- My only wish...
ROBOT TEAL'C (CONT)- is to seek revenge for the death of my father.
- 35.33.18 JA'DIN- Is it now active?
- 35.36.00 ROBOT CARTER- In a way.
- 35.42.13 JA'DIN- What does this mean?

35.44.20 ROBOT CARTER- I designed it with special sensors that would detect when someone's tampering with the power cord.

ROBOT CARTER (OS CONT)- For situations just like this.

ROBOT CARTER (CONT)- It's a self-destruct mode.

36.09.19 JAFFA 12- Go!

36.41.15 O'NEILL- Nice work.

36.42.10 ROBOT CARTER- Teal'cs in trouble.

36.43.28 TEAL'C- Where?

36.44.12 ROBOT CARTER- He's on Peltac with Cronus.

36.49.16 O'NEILL- We need to seal off this level.

36.51.10 CARTER (OS)- Apparently there's a control center...

CARTER (CONT)- somewhere that services all the doors. Like a circuit panel.

37.05.07 CRONUS- Jaffa, cree!

38.22.01 CARTER- The crystals are protected by a force shield!

- 38.24.06 ROBOT CARTER (OS)- Switch with me...
 ROBOT CARTER (CONT)- I'll do it. What do I do?
- 38.34.05 CARTER- Pull the green crystals out.
 CARTER (OS CONT)- The doors should close and lock automatically.
- 39.31.12 ROBOT TEAL'C- For our father.
- 40.08.23 O'NEILL- That's it!
- 40.41.26 DARIAN- You are very badly damaged.
