01.00.33 CHAKA (OS)-(GRAVELLY, GROWL-TYPE BREATHING OVER THIS SEQUENCE)

01.02.38 DANIEL (OS)-As you know, over the past year I have been studying the Unas on...

DANIEL (CONT)-P3X-888. I've made some amazing discoveries about their social structure and their culture. I've also been able to categorize almost seventy individual words from their language. But, during a review of the latest batch of digital images, I came across this.

DANIEL (OS CONT)-These men; whoever they are,...

DANIEL (CONT)-abducted the Unas I refer to as Chaka.

02.03.02 CARTER-That's the one that kidnapped you.

01.03.03 DANIEL-Same one.

DANIEL (OS CONT)-Their dress indicates pre-industrialization, but they don't seem to have...

DANIEL (CONT)-any Jaffa tattoos. So the presence of Goa'uld weapons seems contradictory.

01.03.13 TEAL'C-Indeed.

01.03.14 O'NEILL-What would they want with an Unas?

01.03.16 DANIEL-I don't know. But I'd like to find out.

- 01.03.18 HAMMOND-What are you suggesting?
- 01.03.20 DANIEL-Well, like Jack said, I'd like to find out what they want with an Unas.
- 01.03.22 O'NEILL-For the record, I don't care.
- 01.03.30 I care.
- 01.03.33 DANIEL (OS)-I also think it might be relevant to investigate how these men...
DANIEL (CONT)-got Goa'uld weapons and from where.
- 01.03.37 TEAL'C-They may have other Goa'uld technology as well.
- 01.03.39 O'NEILL-Now see, that I really care about.
- 01.03.41 DANIEL (OS)-And, if possible, I'd like to make every effort to...
DANIEL (CONT)-rescue Chaka.
- 01.03.45 O'NEILL-The Unas?
- 01.03.46 DANIEL (OS)-Remember, most of the Unas...
DANIEL (CONT)-we've encountered have had Goa'uld symbiotes controlling them.
Chaka is an ungoa'ulded Unas. An intelligent being who learned to trust humans because of me.
- 01.03.56 O'NEILL-And?

01.04.00 DANIEL (OS)-These images were taken just prior to the abduction. You see, every time I went back with SG-11 to retrieve the video footage,...

DANIEL (CONT)-I would leave Chaka a gift. It's, uh...it's an energy bar. It's something that helped me break through when we first met. I left the bait for their trap.

01.04.26 CARTER-How do we find out where these men took him?

01.04.35 O'NEILL-Well, General, if they've got Goa'uld weapons, you've gotta wonder what else they've got.

01.04.43 HAMMOND-You have a go.

01.04.45 DANIEL-Thank you.

01.05.00 CARTER-The UAV shows the nearest of the surrounding towns to be three clicks in that direction. Evidence of a substantial population; lots of cultivated fields.

01.05.09 DANIEL-Farmers?

01.05.11 O'NEILL-Farmers with *staff weapons*.

01.05.39 DANIEL-Domestication.

01.05.41 O'NEILL-Yeah. (to Carter and Teal'c)-We'll check things out down there. Carter, you and Teal'c hang back, cover us in case these folks don't like visitors.

01.05.53 Any ideas?

01.05.55 DANIEL-Well, let's see how far honesty gets us.

01.06.02 O'NEILL-Okay.

01.06.08 BURROCK (OS)-This animal comes from an excellent bloodline.

BURROCK (CONT)-He can crush grain at the stone mill from first light to days end.

BURROCK (OS CONT)-He can haul any cart,...

BURROCK (CONT)-with any load, any distance.

01.06.24 THE UNAS-(GROWLS)

01.06.26 BURROCK-And he has spirit.

01.06.28 THE UNAS-(GROWLS)

01.06.35 BURROCK-Who will start the bidding?

01.06.37 THE UNAS-(GROWLS OVER THIS SEQUENCE)

01.06.40 WOMAN IN CROWD (OS)-Watch out!

01.06.49 GROUP OF UNAS (OS)-(GROWL OVER SEQUENCE)
 GROUP OF UNAS (CONT)-(GROWL OVER SEQUENCE)

01.07.06 BURROCK-Do not fear. It's dead.

01.07.09 O'NEILL-Yeah, shoot something like that in the back a couple a times,...
 O'NEILL (OS CONT)-it's --

01.07.13 BURROCK (OVERLAPPING)-Who are you?

01.07.15 DANIEL-We're travelers. Peaceful travelers.

01.07.18 BURROCK-Where do you come from? I've not seen your kind before.

01.07.21 DANIEL-Well, actually, we came through the...the Stargate. The, um...

01.07.29 BURROCK-Chappa-ai...?

01.07.31 DANIEL-Chappa-ai.

01.07.32 BURROCK-Really?

01.07.34 DANIEL-Yes.

01.07.38 BURROCK-No one has come through the Chappa'ai for as long as anyone can remember.

01.07.41 O'NEILL-Well, now you'll have a story to tell your grandkids.

01.07.43 DANIEL-We come from a planet called Earth.

01.07.47 BURROCK-What do you want?

01.07.49 DANIEL-Actually, we came to trade.

01.07.51 O'NEILL-Hm?

01.07.53 BURROCK (suspiciously)-Really?

01.07.55 DANIEL-We're looking for an Unas.

01.07.57 BURROCK-Well then, you've come to the right place. I'm the most respected dealer of Unas in this land.

BURROCK (OS CONT)-My...

BURROCK (CONT)-name is Burrock.

01.08.09 DANIEL-I'm Daniel Jackson, and this Colonel Jack O'Neill.

01.08.13 BURROCK-Colonel?

01.08.15 DANIEL-Yes, it means he's our head trader.

01.08.19 O'NEILL-Head trader?

01.08.21 BURROCK (OS)-I like that.

BURROCK (CONT)-And you can call me Colonel Burrock.

BURROCK (OS CONT)-It is our custom to welcome visitors with a drink.

BURROCK (CONT)-Will you join me?

01.08.31 O'NEILL-It is our custom to drink. Of course.

01.08.43 Honesty, huh?

01.08.44 DANIEL-We're traders. We've traded. We trade. We're trading.

01.09.06 Thank you.

01.09.11 BURROCK-You thank a beast?

01.09.13 DANIEL-Yes. Uh, positive reinforcement. We find it a successful method of training.

01.09.20 BURROCK (OS)-I'm curious to learn more about your methods.

BURROCK (CONT)-And to learn more about where you came from.

- 01.09.28 DANIEL-So, no one else has actually come through the Chappa-ai?
- 01.09.32 BURROCK-I have often wondered why there are so many symbols on the pedestal.
BURROCK (OS CONT)-I have stood for hours on end pressing different combinations,
but nothing happened. The fact that you have come here...
BURROCK (CONT)-from a place we do not know proves that I am right. The
Chappa-ai goes many places, does it not?
- 01.09.48 DANIEL-Haven't you traveled to other worlds?
- 01.09.49 BURROCK-I have been to one other place. Just one time, so far.
BURROCK (OS CONT)-I had to press seven different symbols to get the Chappa-ai to
open.
- 01.09.58 DANIEL-How did you learn those symbols?
- 01.10.01 BURROCK-I paid dearly for them. They have been passed down through the lineage
of certain families since the Beast Wars.
- 01.10.08 O'NEILL-Beast Wars?
- 01.10.09 BURROCK (OS)-Generations ago,...
BURROCK (CONT)-the beasts enslaved our forefathers through terror and
oppression. They served the *one with the glowing eyes*.

01.10.17 DANIEL-And what happened to him, her?

01.10.20 BURROCK-No one knows. One day he went away and did not return.

BURROCK (OS CONT)-Our forefathers, they learned how the beast weapons worked
and lead an uprising. The war was bloody,...

BURROCK (CONT)-waged for many years. But eventually, the slaves triumphed and
the masters became the slaves. Since then, the beasts have served us.

01.10.54 Like the one at the auction that got away,...

BURROCK (OS CONT)-this one comes...

BURROCK (CONT)-from our local stock. I believe him to be untrainable.

BURROCK (OS CONT)-His head is not right.

BURROCK (CONT)-Even for a beast.

01.11.05 O'NEILL-Maybe he's just pissed because you keep torturing him.

01.11.09 BURROCK-(CHUCKLES) The unfortunate result of generations of inbreeding. I'm
afraid he'll have to be put down. Do you not have this problem where you come
from?

01.11.20 O'NEILL-Uh, we've made some progress, actually.

01.11.23 BURROCK-Interesting. The only choice we had was to introduce new blood.
Fortunately, I was able to find some.

01.11.51 BURROCK (CONT)-This one will make me the...
BURROCK (OS CONT)- wealthiest beastmaster in the land.

01.12.04 CHAKA (GRAVELLY VOICED)-Dan...el.

01.12.07 BURROCK-He speaks?

01.12.09 DANIEL (OS)-Yes.

01.12.11 BURROCK-Your name.

01.12.11 DANIEL (OS)-Yes.
DANIEL (CONT)-That's because he's mine.

01.12.16 BURROCK-You deceived me. You said you came here to trade for an Unas...not to
claim one of your own.

01.12.23 DANIEL (OS)-We just wanted to make sure he was...
DANIEL (CONT)-here before we made an issue out of it.

01.12.29 BURROCK-These beasts – all of them –...
BURROCK (OS CONT)-bear my mark. Yours had no such identification.

01.12.36 DANIEL-You heard him say my name.

- 01.12.37 BURROCK-I caught him in the wild...
BURROCK (OS CONT)-of the other place.
- 01.12.40 DANIEL-Well, it was part of an experiment I was conducting. I'm sorry, but I really
need him back.
- 01.12.43 BURROCK (OS OVERLAPPING)-Well,...
BURROCK (CONT)-I'm sorry. You cannot have him.
- 01.13.04 TEAL'C-Does Colonel O'Neill require our assistance?
- 01.13.08 CARTER-He hasn't signaled yet.
- 01.13.15 BURROCK-I could offer another Unas...
BURROCK (OS CONT)-in exchange. This one...
BURROCK (CONT)-is of good...
BURROCK (OS CONT)-stock, and he's already trained.
- 01.13.23 DANIEL (OVERLAPPING)-No, you don't understand. This one, his name is Chaka
and he is coming with me.
- 01.13.32 O'NEILL-Uh, Daniel...
- 01.13.34 DANIEL-Jack?

01.13.35 O'NEILL-Why don't we discuss what we can offer the man in return.

01.13.43 Shall we? Outside.

01.14.01 CHAKA-(ROARS)

01.14.05 O'NEILL (OS)-Daniel, I am not gonna get into a fire-...

O'NEILL (CONT)-fight over this right now.

01.14.09 BURROCK (OS)-If you expect...

BURROCK (CONT)-to trade for that Unas, do not think it will come cheap.

01.14.17 O'NEILL-So, what's your price?

01.14.20 BURROCK-Two Unas of equally pure lineage.

01.14.24 O'NEILL-Two for one, ey?

01.14.26 BURROCK-Your Unas is worth it or you would not have traveled all this way.

Besides, you obviously have more sophisticated methods for capturing and training them.

01.14.36 O'NEILL-We'll...think about it.

O'NEILL (OS CONT) (Under breath)-Come on.

01.14.55 DANIEL (OS)-Excuse me. You, uh,...

DANIEL (CONT)-have some sort of plan to do something about this?

01.15.04 O'NEILL-Well, right now I'm not sure I'm gonna do anything.

01.15.10 DANIEL-How can you say that?

01.15.13 O'NEILL-Daniel, you wanna go out and catch a couple of Unas, trade 'em for Chaka?
Is that it?

01.15.17 DANIEL-I think you're missing the point here.

01.15.18 O'NEILL (OVERLAPPING)-Am I?

01.15.19 DANIEL-You saw how they keep them. How they treat them.

01.15.20 O'NEILL-Daniel, I'm not saying any of this is right. I'm saying I don't know what to do
about it.

01.15.26 DANIEL (OVERLAPPING)-I'm not asking that we change their way of life, but Chaka
wasn't born into this kind of domestication.

DANIEL (OS CONT)-He's known freedom his whole life. The Unas of his...

- 01.15.34 DANIEL (CONT)-planet live together in families. They love their children.
DANIEL (OS CONT)-They have art.
- 01.15.37 O'NEILL (OVERLAPPING)-Oh, yes, I've seen the cave drawings.
- 01.15.39 DANIEL (OS)-I will not leave him here like this.
- 01.15.44 O'NEILL-Even if it means risking human lives?
- 01.15.49 DANIEL-We should be able to avoid that, shouldn't we?
- 01.16.11 CARTER-So, what's going on?
- 01.16.13 DANIEL-They're using Unas as slaves. They've been inbreeding them so long,
they've become untrainable. They needed new blood and they have Chaka,
and they're not giving him up.
- 01.16.21 CARTER-So, what are we gonna do?
- 01.16.22 O'NEILL (OS)-We'll wait until dark. Daniel and I will go in and extract him.
O'NEILL (CONT)-You'll provide cover. And we're gonna do it without taking human
lives.
- 01.16.47 BURROCK-Down.

01.16.47 CHAKA-(GROWLS, ROARS, GROWLS)

01.16.58 BURROCK-Down!

01.17.00 CHAKA-(GROWLS, ROARS)

01.17.40 CHAKA-A Cha'Aka.

10.17.48 A Cha'Aka.

01.18.06 SHY ONE-...a cha'aka...

01.18.30 DANIEL (whispering)-A Cha'Aka.

01.18.31 CHAKA-Daniel.

01.18.32 O'NEILL-Tell him to move back.

01.18.34 CHAKA-Huh? (GROWLS OVER SEQUENCE)

01.18.35 DANIEL (loud whisper)-Chaka!

01.18.37 O'NEILL-He's not moving.

01.18.39 DANIEL-Move back!

- 01.18.40 O'NEILL-/I could have said that.
- 01.18.42 DANIEL-Keka...keka. Danger!
- 01.18.49 THE UNAS (OS)-(GROWL, ROAR)
THE UNAS (CONT)-(ROARS)
- 01.18.54 O'NEILL-Crap!
O'NEILL (OS CONT)-Come on! We gotta go!
- 01.18.57 DANIEL (loud whisper) (OS)-Come on! Come on!
DANIEL (CONT)-No, it's okay. It's okay.
- 01.19.01 CHAKA (OVERLAPPING)-WOK TAH!
- 01.19.04 DANIEL-What? I don't know what's wrong. (to Chaka)- Come on, come on!
- 01.19.06 CHAKA (OVERLAPPING)-WOK TAH!
- 01.19.08 DANIEL-He says this one's marked for death. (to Chaka)-Come on. It's okay. He's
not. Let's go.
- 01.19.13 CHAKA (OS)-WOK TAH!
CHAKA (CONT)-WOK TAH!

01.19.16 DANIEL-He...he says that they're all marked for death. (to Chaka, in loud whisper)-
No, Chaka!

01.19.20 O'NEILL-Daniel, with or without him! We gotta go!

01.19.36 CARTER (INTO RADIO)-Sir, you've got company.

01.19.45 CARTER (VO CONT THRU RADIO FILTERED)-At least ten men heading your way.
CARTER (CONT INTO RADIO)-We're laying down cover fire.

01.19.54 O'NEILL-Agh!!!

01.20.16 CARTER (VO THRU RADIO FILTERED)-Colonel, come in. Over.

01.20.24 Colonel, do you read? Come in. Over.

01.20.36 DANIEL (OS)-Chaka must have grabbed...
DANIEL (CONT)-that from my vest before it was taken away.

01.20.40 O'NEILL-Why would he do that?

01.20.42 DANIEL-He's seen me use it. He knows what it's for. (to Chaka)-Chaka... give...

01.20.49 CHAKA-Ko.

01.20.51 DANIEL-Ko... I don't know that word. Ko...it's give... Yes. Yes, Chaka, ko, ko, ko.

- 01.21.08 DANIEL (CONT)-Thank you.
- 01.21.11 CHAKA-Aka.
- 01.21.12 DANIEL-Aka. Thank you.
- 01.21.14 O'NEILL-Daniel...
- 01.21.16 DANIEL-Right. (into radio)-Sam, it's Daniel. Do you read?
- 01.21.21 CARTER (INTO RADIO)-Daniel, are you okay?
- 01.21.23 DANIEL (VO THRU RADIO FILTERED)-Uh, been better.
- 01.21.25 CARTER (INTO RADIO)-Colonel O'Neill?
- 01.21.27 DANIEL (INTO RADIO)-Uh, physically, fine. But I...but I'm not expecting a birthday
present any time soon.
- 01.21.33 O'NEILL-Ko! (in whisper)-Ko.
- 01.21.38 DANIEL-Chaka.
DANIEL (OS CONT)-Ko.

01.22.03 O'NEILL-Thank you. (into radio)-Carter, report.

01.22.09 CARTER (VO THRU RADIO FILTERED)-There were too many of them, sir. You
ordered us not to shoot to kill. We couldn't stop them.

01.22.14 O'NEILL (INTO RADIO)-Yeah, I know.

01.22.16 CARTER (VO THRU RADIO FILTERED)-We're currently being pursued by search
parties.

CARTER (CONT INTO RADIO)-Attempting to make it to the gate to get
reinforcements.

01.22.22 O'NEILL (INTO RADIO)-Roger that. Out.

01.22.28 CHAKA (OS)-Danel?

CHAKA (CONT)-A Cha 'aka.

01.22.32 DANIEL-A Cha 'aka.

01.22.38 CHAKA-Aka na.

01.22.40 DANIEL-Ma. Ma. Kan. (It's okay.)

01.22.46 CHAKA-Aka na! Keka!

01.22.49 DANIEL-Ma! Kan.

01.22.51 CHAKA-Aka na.

01.22.52 DANIEL-Kan. Cha. Na.

01.23.04 CHAKA-Cha’aka. Cha’aka.

01.23.13 O’NEILL-What’s he saying?

01.23.17 DANIEL-Well, actually, it means a lot of different things.

DANIEL (OS CONT)-In this particular case, I’d say,...

DANIEL (CONT)-‘Thank you for trying to free me. Sorry for getting you into this mess.’

01.23.29 CHAKA-Cha’aka.

01.23.32 O’NEILL-Chaka full of Nuts. Whatever.

01.23.36 DANIEL-Jack, it’s not his fault.

- 01.23.37 O'NEILL-Daniel, I'm chained up in a madman's barn with a bunch of Unas. Who's to blame is not at the top of my list of concerns...just yet.
- 01.23.51 CHAKA-Cha'aka. Cha'aka.
- 01.24.02 SHY ONE-...cha'aka...
- 01.24.07 DANIEL-Oh, that's amazing.
- 01.24.09 O'NEILL-What?
- 01.24.10 DANIEL (more to himself)-Language is a learned behavior. Chaka must have taught this Unas his word.
- 01.24.22 (to Shy One)-Cha'aka.
- 01.24.23 SHY ONE-Cha'aka. Cha'aka Zo.
- 01.24.29 BIG ONE-Cha'aka Zo.
- 01.24.37 GROUP OF UNAS-(THROATY GUTTURAL SOUND)
- 01.24.50 DANIEL-They're saying Chaka is their leader. They, they must recognize that he wouldn't leave without them.

01.24.55 O'NEILL-Daniel, dogs sniff each other's butts and they're friends for life. We still keep them as pets.

01.25.02 DANIEL-No, this is different. Chaka made a choice. Choice is freedom. These Unas have pledged their allegiance to him because...

DANIEL (OS CONT)-of that.

01.25.13 O'NEILL (in whisper)-What are you saying?

01.25.14 DANIEL-I'm saying that they want to be free. They, they recognize what that means.

01.25.17 O'NEILL-All they said was Chaka Zo.

01.25.19 SHY ONE-Chaka Zo.

01.25.21 BIG ONE-Chaka Zo.

01.25.24 DANIEL (OS)-I was wrong. Chaka, Chaka isn't different.

DANIEL (CONT)-These Unas may have been born into domestication, but they still know what freedom means. They know it enough to want it.

01.25.32 O'NEILL-You said yourself, this is their way of life here.

01.25.35 DANIEL-Well, it has to change.

- 01.25.36 O'NEILL-How?
- 01.25.39 DANIEL-Well, we've meddled in other planet's cultures before.
- 01.25.41 O'NEILL-Well, now you're talking about moving in an army.
- 01.25.44 DANIEL-I'd like to think that there was another way.
- 01.25.48 O'NEILL-Look, in principal, I agree with you...
- 01.26.07 BOY-You injured my father.
- 01.26.16 O'NEILL-I'm sorry. I really am.
- 01.26.25 DANIEL-We were just trying to take back an Unas that is rightfully ours.
- 01.26.31 BOY-Stealing is wrong.
- 01.26.34 O'NEILL-Yes, it is.
- 01.26.48 CHAKA-A cha'ka.
- 01.26.56 A cha'ka.

01.27.10 O'NEILL-Trust me, Daniel. A whole lot of people are gonna have to die around here before one Unas goes free.

01.27.33 CARTER (INTO RADIO)-Colonel, do you read?

01.27.37 O'NEILL (INTO RADIO)-Yeah. Carter, what's your situation?

01.27.39 CARTER (INTO RADIO)-We're at the gate, sir, but it's heavily guarded.

CARTER (VO CONT THRU RADIO FILTERED)-We can attempt to get through, but it's gonna get ugly.

01.27.43 O'NEILL (INTO RADIO)-Alright, hold your position. Radio silence. I gotta go.

01.28.06 BURROCK-Beast stealing is punishable by death. But it is my hope that that will not be necessary. But that will be up to you. I also know there were others with you...

BURROCK (OS CONT)-and that they may try to rescue you.

BURROCK (CONT)-That would not be wise. I will not hesitate to kill you.

01.28.29 DANIEL-What do you want?

01.28.39 BURROCK-Tell me of the places where the Chappa'ai can go. I do not understand why you take such risks for this beast. He is very valuable to me but, certainly, you can replace him with one of equal lineage?

- 01.28.52 DANIEL-Because they're not "beasts". They're self-aware, intelligent beings.
DANIEL (OS CONT)-And you have no right to use them as...
DANIEL (CONT)-slaves or treat them like you do.
- 01.29.03 BURROCK-They used our forefathers as slaves and treated them much worse than
we treat our Unas.
- 01.29.07 DANIEL-And that makes you right?
- 01.29.09 BURROCK-What would you have us do?
- 01.29.10 DANIEL-Free them.
- 01.29.12 BURROCK (OS)-(LAUGHS)
BURROCK (CONT)-Untrained, uncontrolled, a beast would rip me limb from limb. Eat
me alive.
- 01.29.20 DANIEL-Then send them to their home world.
- 01.29.22 BURROCK-Our forefathers could have slaughtered them all. Wiped them from the
face of the planet.
BURROCK (OS CONT)-But instead, they saw a way to use their strength to our
advantage.
BURROCK (CONT)-A way to co-exist. For that, we thank them.

- 01.29.33 DANIEL-You don't co-exist, you use them as slaves.
- 01.29.37 O'NEILL-Look, we're not gonna tell you anything, so...
O'NEILL (OS CONT)-you might as well just let us go. We'll go back to where we
came from, you can go on doing what you do so well.
- 01.29.46 BURROCK (OS)-Because...
BURROCK (CONT)-now I know for certain there is more out there.
- 01.29.50 O'NEILL-Yeah, I know the grass always looks cleaner. The fact is,...
O'NEILL (OS CONT)-there's a whole bunch of bad guys with glowing eyes out there
and you...
O'NEILL (CONT)-really don't want to mess with them.
- 01.30.07 Aghhh!!!
- 01.30.10 CARTER-Teal'c...
- 01.30.12 TEAL'C-I will not continue to do nothing.
- 01.30.14 CARTER-What are you gonna do? Teal'c...!
- 01.30.18 DANIEL-Stop it! He's not gonna...
DANIEL (OS CONT)-tell you anything!
- 01.30.29 DANIEL (CONT)-Argghh!!!

- 01.30.31 CHAKA-KA KEKA!!! (GROWLS, ROARS)
- 01.30.38 BURROCK-QUIET!!!
- 01.30.40 THE UNAS-(ROARING OVER THIS SEQUENCE)
- 01.30.44 BURROCK-QUIET DOWN! QUIET!!! QUIET!!!!!!
- 01.30.59 CHAKA AND UNAS-(TRILL)
- 01.31.10 CHAKA (CONT)-KA KEKA!
- 01.31.11 DANIEL (OVERLAPPING)-NOOO!!!!!!
- 01.31.20 BURROCK-Impressive weapon. But not as efficient as a fire-stick. It seems to stop
working after it's been fired for a while. I assume that's what these are for.
BURROCK (OS CONT)-Tell me how to make it work again.
- 01.31.38 O'NEILL-Give it to me. I'll show you.
- 01.31.42 BURROCK-(CHUCKLES) It was simple enough to learn how to shoot it. I will learn
this part on my own as well.
BURROCK (OS CONT)-In the meantime, hunger and thirst will weaken you.
BURROCK (CONT)-Perhaps tomorrow you will tell me what I want to know.

- 01.32.02 BURROCK (CONT)-I do not understand why, but it seems that you care for beasts more than you care for your own well-being. So be it.
- BURROCK (OS CONT)-Every morning and every night I will come in here to learn what you know.
- BURROCK (CONT)-If you do not tell me, I will kill a beast.
- BURROCK (OS CONT)-It may cost me.
- BURROCK (CONT)-But I believe it may be...
- BURROCK (OS CONT)-worth it.
- 01.32.34 BURROCK (CONT)-Until tonight.
- 01.32.57 CARTER-Look, Teal'c, maybe we could take out those four guys, but there's dozens more who'd be all over us in seconds. Then we'd have to get through the gate.
- 01.33.04 TEAL'C-A diversion.
- 01.33.20 O'NEILL (INTO RADIO)-Yeah, Carter. I got you.
- 01.33.25 CARTER (VO THRU RADIO FILTERED)-Sir, what's your status? We heard shooting.
- 01.33.31 O'NEILL (INTO RADIO)-We're alright. One of the Unas took a hit.
- 01.33.34 CARTER (VO THRU RADIO FILTERED)-Chaka?

- 01.33.35 O'NEILL (INTO RADIO)-No. He's okay. I thought I told you to hold your position at the gate.
- 01.33.41 CARTER (INTO RADIO)-Yes, sir. However, Teal'c thinks we might be able to create a big enough distraction to attempt a rescue, and I agree. But we can't guarantee zero casualties.
- CARTER (VO CONT THRU RADIO FILTERED)-If that's still your concern, please advise. Over.
- 01.33.52 O'NEILL (to Daniel)-I don't think we're gonna talk our way out of this one.
- 01.33.55 DANIEL-Well, for once, I'm not asking us to.
- 01.33.59 O'NEILL-Dammit, Daniel.
- 01.34.01 DANIEL-Let's get outta here. All of us.
- 01.34.22 CARTER (INTO RADIO)-Sir, still awaiting your orders.
- 01.34.25 O'NEILL (INTO RADIO)-Yeah. We've got three Unas who are gonna be joining us.
- Do what you have to do, Carter.
- 01.34.42 MAN FROM STORE (OS)-You! Leave it!
- MAN FROM STORE (CONT)-Come here.

01.35.34 MAN FROM STORE (CONT)-Quick! Water! Before the fire spreads to the buildings!

01.35.59 GUARD 1 (OS)-GET HIM!!!

01.36.03 MAN-(SCREAMS)

01.36.20 O'NEILL-Where's Teal'c?

01.36.21 CARTER-Trying to be popular.

01.36.49 Stand back!

01.36.51 DANIEL-KEKA!

01.36.53 CHAKA-KEKA!

01.37.05 DANIEL-Come on, come on!

01.37.07 CHAKA-Ka. Cha. Ka. Cha!

01.37.21 GUARD 2-Stop!

01.37.22 O'NEILL-Hey!

01.37.53 DANIEL (OS)-Chaka!
DANIEL (CONT)-It's okay. Chaka. Ka'nay. Friend.

01.38.07 CHAKA-Frrr'end.

01.38.23 O'NEILL-I thought you said the Gate was heavily guarded.

01.38.26 TEAL'C-The men may have gone to town to help put out the fire.

01.38.29 O'NEILL-Or we got an ambush here.
Hey, hey! Stop!

01.38.26 DANIEL-Keka! Chaka! Keka!

01.38.47 I think he understands why we stopped.

01.38.50 O'NEILL-All right. Fan out. Cover 'em.

01.39.24 DANIEL-Chaka!

01.40.10 Chaka! No!!!

01.40.32 CHAKA-A Cha'aka.

01.40.37 SHY ONE-A Cha'aka.

01.40.40 CARTER-We're all clear, sir. Teal'c's dialing the gate. We should hurry. There might be more men coming.

01.40.47 DANIEL-Chaka.

DANIEL (OS CONT)-Come on. We're, uh, taking you home.

01.40.59 CHAKA-No na.

01.41.01 DANIEL-No na. Home.

01.41.04 CHAKA-Aka.

01.41.06 DANIEL-No na!

01.41.07 CHAKA-Ko! Aka! Kek!

01.41.11 DANIEL-We did all this to save you!

01.41.13 CHAKA-Aka. Kek.

01.41.17 DANIEL-I don't think he ever intended to come with us.

01.41.19 CHAKA (OS)-Ska nat.

CHAKA (CONT)-Ka Keka.

01.41.25 DANIEL-He thought he was helping us escape.

01.41.27 CARTER-So what does he want to do?

01.41.29 DANIEL-Stay and fight, and free the others.

01.41.33 O'NEILL-Daniel, we didn't come here to arm them.

01.41.38 DANIEL-Well, they did that themselves. I don't think we're gonna stop them.

01.41.51 Ka Kek.

01.41.54 CHAKA-Ska ka kek.

01.42.10 A Cha'aka.

01.42.12 DANIEL-A Cha'aka.

01.42.28 O'NEILL-You just sent him out to start a war.

01.42.30 DANIEL-No, it was his choice. I told him they didn't have to kill.

01.42.37 O'NEILL-Do you think he understands that?

01.42.40 DANIEL-They know what freedom is and they're willing to fight for it. They deserve a chance.

01.43.01 FADE TO BLACK.
