RECAP

01:00:00:05 NARRATOR: Previously on Stargate SG-1...

01:00:02:29 DR. FRAISER: He's burning up.

01:00:05:03 DR. FRAISER (V/O): From what I've been able to learn so far, sir...

01:00:07:12 DR. FRAISER (CONT'D): the virus ultimately acts like cerebral spinal meningitis
by

01:00:10:15 DR. FRAISER (CONT'D O/S): by attacking the brain.

01:00:11:20 THORAN (V/O): The symbiote Kanan...

01:00:12:20 THORAN (CONT'D): is someone I know well. I have no doubt that he would be
willing to blend with O'Neill, cure him, and then leave him again

01:00:19:02 THORAN (CONT'D O/S): if another suitable host can be found.

01:00:21:11 CARTER: Sir, the symbiote's host died while they were on a mission. The Tok'ra
have strong reason to believe that the symbiote has vital information

01:00:28:05 CARTER (CONT'D O/S): to reveal, and this would give him that chance.

01:00:31:10 CARTER (CONT'D): Sir, please.

TEASER

01:01:01:16

WOMAN: It's too far.

01:01:07:17

WOMAN (CONT'D): I can't.

01:01:08:15

RUNNING MAN: Hide there until the Chappa-ai is activated. Go!

01:01:58:05

JAFFA COMMANDER: Shek'mal, Tok'ra. Kree! Jaffa. Shal, kek.

END OF TEASER

01:05:16:29 JONAS: Colonel O'Neill did put his life in your hands.

01:05:18:26 THORAN: Receiving a symbiote was his only hope for survival.

01:05:21:25 TEAL'C: He could have refused.

01:05:23:12 DR. FRAISER (O/S): In which case, you never would have been able...

01:05:25:03 DR. FRAISER (CONT'D): to retrieve the knowledge in Kanan's mind.

01:05:27:11 THORAN: A more than fair exchange.

01:05:29:02 HAMMOND: Colonel O'Neill would not agree to a blending with a symbiote unless
there was more at stake than his life.

01:05:35:23 THORAN: Perhaps it was that repugnance of blending with another mind that
caused O'Neill to behave so irrationally.

01:05:40:21 DR. FRAISER: General, I can't speculate on Colonel O'Neill's state of mind, but
while a mature symbiote can take control of the host body whenever it
wants to, it doesn't work both ways.

01:05:49:22 CARTER (O/S): I can vouch for that, sir.

01:05:51:17 CARTER (CONT'D): There's no way Colonel O'Neill could have walked out on his
own.

01:07:47:29 BA'AL: I am Ba'al.

01:07:49:19 O'NEILL: That's it? Just "Ball"? As in Bocce?

01:08:01:22 BA'AL: Do you not know the pain you will suffer...

01:08:04:01 BA'AL (CONT'D O/S): for this impudence?

01:08:05:08 O'NEILL: I don't know the meaning of the word.

01:08:08:25 O'NEILL (CONT'D): Seriously. "Impudence." What does that mean?

01:08:12:17 (GRUNTING IN PAIN)

01:08:22:09 BA'AL: I shall begin again. Who are you?

01:08:25:25 O'NEILL: Colonel Jack O'Neill. U.S. Air Force. Two "l"s in that.

01:08:28:17 BA'AL: That may be who you once were, Tok'ra.

01:08:30:12 O'NEILL: I may be a lot of things, but I am no Tok'ra.

01:08:33:28 BA'AL: It is true we were only able to capture the host. Your symbiote fled the
body out of cowardice.

01:08:41:05 BA'AL (CONT'D O/S): But it is also true that Tok'ra share body and mind...

01:08:44:18 BA'AL (CONT'D): equally. You will know all that it knew.

01:08:47:10 O'NEILL: I think I know less than you think I know.

01:08:53:20 BA'AL: Why have you come to this outpost?

01:08:56:01 O'NEILL: Now, you see, that's a perfect example right there. I haven't a clue.

01:09:06:05 O'NEILL: Aah.

01:09:13:05 BA'AL: You've been here before.

01:09:14:05 O'NEILL: First time.

01:09:16:03 BA'AL: You know your way to and from my most secret outpost. Clearly you have
been here.

01:09:20:01 O'NEILL: What?

01:09:21:08 BA'AL: Did you really hope to escape my personal guard?

01:09:23:16 O'NEILL: What?

01:09:23:27 BA'AL: Why did you abduct my slave?

01:09:25:11 O'NEILL: All right, look. This is the last thing I remember, I swear to God.

01:09:32:29 O'NEILL: I was sick. I agreed to let the Tok'ra put a snake in my head or I would have died. Right now I'm kind of wishing I had.

01:09:43:20 BA'AL: A wish easily granted. What was your mission here?

01:09:48:09 O'NEILL: No mission.

01:09:49:15 BA'AL: Why have you returned?

01:09:51:07 O'NEILL: I've never been here.

01:09:53:05 BA'AL: What did you want with the female?

01:09:55:09 O'NEILL (YELLING): What female?

01:09:56:22 BA'AL: Death will only offer a temporary escape. I can revive you again and again.
A thousand times, if need be.

01:10:03:01 BA'AL (CONT'D O/S): Only once you have told me everything I ask...

01:10:07:05 BA'AL (CONT'D): will you be allowed to die one last time.

01:10:13:17 CARTER: Where was his last mission?

01:10:17:03 THORAN: As an operative aboard a mothership in Zipacna's fleet. He managed to escape during a battle with Lord Yu's forces, but just barely.

01:10:24:17 JONAS: Did he have a motive to return to that vessel?

01:10:26:07 THORAN: Such as?

01:10:28:00 JONAS: Unfinished business? A task left undone?

01:10:30:24 THORAN: His report stated the mission objectives were complete. We are willing
to attempt contact with our operatives on these worlds here, here, and
here.

01:10:39:15 TEAL'C: His previous missions.

01:10:40:22 THORAN: If Kanan returned to either of these worlds, for whatever reason, our
operatives may have learned of it.

01:10:45:25 JONAS: Well, when will we hear news?

01:10:47:12 THORAN: It may take many months.

01:10:51:02 TEAL'C: You spoke of Kanan's mission reports.

01:10:52:25 THORAN: What of it?

01:10:53:15 CARTER: Well, we'd like to see them. If Jonas's instinct is correct and Kanan had
unfinished business, there may be clues.

01:11:00:10 THORAN: Their contents are not relevant.

01:11:02:08 JONAS: Well, Colonel O'Neill's life is at stake. I believe that is relevant.

01:11:05:08 THORAN: What you ask is not possible.

01:11:06:28 CARTER: Really?

01:11:57:01 (SCREAMING)

01:12:00:09 WOMAN: Is it you?

01:12:06:10 DANIEL (O/S): Hi, Jack.

01:12:14:00 O'NEILL: Daniel?

01:12:15:26 DANIEL: I leave, and look at the mess you get yourself into.

END OF ACT ONE

01:13:43:25 O'NEILL: Yeah.

01:13:45:27 DANIEL: I'm...I'm energy now.

01:13:49:12 O'NEILL: How's that working out for you?

01:13:50:23 DANIEL: Good, actually. Very...

01:13:52:25 O'NEILL: Good.

01:13:53:15 DANIEL: Very good. You, however...

01:13:56:09 O'NEILL: Yeah, well, you know what it's like, coming back from the dead. Takes a
while to get the color back in the cheeks.

01:14:06:18 DANIEL: Yeah.

01:14:16:10 O'NEILL: So...not a delusion?

01:14:20:21 DANIEL: No.

01:14:22:17 O'NEILL: Okay, show me your stuff. Bust me out of here.

01:14:26:10 DANIEL: I can't.

01:14:27:28 O'NEILL: Why not?

01:14:55:13 DANIEL (CONT'D O/S): You really don't know?

01:14:58:04 O'NEILL: Do you?

01:14:58:21 DANIEL: Well, all I know is that you, or, more accurately, the symbiote the Tok'ra
 placed inside of you...

01:15:03:29 DANIEL (CONT'D O/S): congratulations, by the way--walked off undetected...

01:15:07:05 DANIEL (CONT'D): in the middle of the night, and came here.

01:15:09:10 O'NEILL: I can't believe I actually let them put a snake in my head. My head. I
 agreed to this.

01:15:15:15 DANIEL: It never shared with you why it would walk alone into a heavily fortified
 Goa'uld outpost?

01:15:18:16 O'NEILL: There was no sharing. I was sick.

01:15:21:10 DANIEL: I know.

01:15:22:13 O'NEILL: They did the implantation, a word I intend never to use again, and I
 woke up here. That's my week so far.

01:15:29:28 DANIEL: So you really don't know.

01:15:37:18 O'NEILL: Uh, something to do with one of Ba'al's slaves. I've got a visual, but I've never met her before.

01:15:44:18 DANIEL: Nobody knows you're here.

01:15:49:02 DANIEL (CONT'D): Even if they did, they'd never be able to pull off a rescue, because this place is a fortress.

01:15:55:06 DANIEL (CONT'D O/S): Ba'al is just going to keep on torturing you

01:15:56:14 DANIEL (CONT'D): to death and reviving you in his sarcophagus until he finds out what he wants, which is impossible, because you don't know anything...

01:16:03:19 DANIEL (CONT'D): or until you're not worth reviving anymore, but you'll cease to be the Jack O'Neill we know long before that.

01:16:12:19 O'NEILL: Well, apparently I've got a big day tomorrow.

01:16:16:26 DANIEL: No, I'm not going to let that happen. I won't let him destroy you.

01:16:19:23 O'NEILL: You just said you couldn't help.

01:16:21:25 DANIEL: No, I can't stop Ba'al from torturing you any more than Oma could heal my radiation sickness, but I can help you ascend.

01:16:38:28 THORAN: Your underlings will not allow me to leave.

01:17:19:26 THORAN: You threaten the peaceful continuation of relations between our two peoples, General Hammond.

01:17:25:06 HAMMOND: If our relations continue in the direction they're going, Counselor, I don't give a damn.

01:17:33:22 THORAN: Very well. I will make your request that the reports be sent here immediately.

01:17:39:27 HAMMOND: Thank you.

01:17:49:00 O'NEILL: So...you want to be my Oma?

01:17:56:02 DANIEL: You could put it that way. I mean, I wouldn't, but maybe that's just me.

01:18:00:09 O'NEILL: And then what?

01:18:01:18 DANIEL: Then, then I don't know.

01:18:03:23 O'NEILL: You don't know?

01:18:04:20 DANIEL: No, ascension doesn't make you all-knowing. I mean, I really don't know.

01:18:09:20 O'NEILL: If I'm catching the next plane of existence out of here, you've got to give me something.

01:18:14:06 DANIEL (O/S): It's your journey. No one but you can choose what you become or the path you take.

01:18:18:11 DANIEL (CONT'D): All I can promise you is it will be an amazing journey.

01:18:23:11 DANIEL (CONT'D): Once you release your burden.

01:18:25:08 O'NEILL: Daniel, so help me, if you start talking like Oma...

01:18:27:12 DANIEL: I'm not talking like Oma Desala.

01:18:28:24 O'NEILL: Sounds like Oma to me.

01:18:29:27 DANIEL (O/S): No, no, no, no.

01:18:30:09 DANIEL (CONT'D): See, Oma Desala would say something like "If you immediately know the candlelight is fire, then the meal was cooked a long time ago," or something like that.

01:18:36:14 O'NEILL: Why?

01:18:38:08 DANIEL: To open your mind.

01:18:40:21 O'NEILL: Though a candle burns in my house, there's nobody home.

01:18:46:16 DANIEL: Okay. Let's take this one step at a time. This has to be something you want. I can't do this for you.

01:18:58:15 O'NEILL: One step at a time.

01:19:00:08 DANIEL: One step at a time.

01:19:05:04 O'NEILL: Oh, there's got to be another way out of here.

01:19:06:28 DANIEL: Jack...

01:19:07:28 O'NEILL: What if you did a little scouting for me?

01:19:09:00 O'NEILL (CONT'D): That would be all right, wouldn't it?

01:19:09:27 DANIEL: No.

01:19:10:21 O'NEILL: I'm not asking you to knock down walls or anything. Just a little recon.

01:19:13:13 DANIEL: Ba'al's just going to torture you again.

01:19:14:15 O'NEILL (INTERRUPTING): Or a zat gun. Help me get my hands on a zat gun.

01:19:17:02 DANIEL: The next time is going to be worse.

01:19:18:03 O'NEILL: That's when we move. The next time they come for me.

01:19:20:02 DANIEL (OVERLAPPING): You can't fight your way out of this.

01:19:21:08 O'NEILL: Then help me!

01:19:22:02 DANIEL: Not that way.

01:19:23:00 (DOOR SLIDING OPEN)

01:19:24:11 DANIEL: They're coming.

01:19:25:28 O'NEILL: They can see you, right? We can use that.

01:19:28:18 DANIEL: I'll be back.

01:19:29:06 O'NEILL: A distraction. That's all I'm asking for.

01:19:30:19 DANIEL: I promise.

01:19:38:15 O'NEILL: Daniel?

END OF ACT TWO

ACT THREE

01:20:31:17 JONAS (V/O): His motive had to be personal.

01:20:32:23 TEAL'C: For what reason?

01:20:35:06 JONAS: Well, the Tok'ra claim that all of Kanan's spy missions were a complete success, therefore he'd have no reason to go back to any of those planets. If we take them at their word, we can rule out any logical reason. No, Kanan had to be motivated by something profound enough to not only risk his life, but also the life of his host.

01:21:09:04 BA'AL: The Tal'vak acid will take some time to burn through all the way.

01:21:12:17 BA'AL (CONT'D): Though it cauterizes the flesh as it burns, a very small amount often finds its way into the blood and begins to spread.

01:21:21:08 BA'AL (CONT'D): Why have you returned here, Tok'ra?

01:21:22:29 O'NEILL: I'm human.

01:21:24:11 BA'AL: Betrayed by your symbiote.

01:21:26:01 O'NEILL: It used me.

01:21:27:11 BA'AL: To do what?

01:21:28:05 O'NEILL: I don't know, and I don't care.

01:21:30:24 BA'AL: What did the symbiote call itself?

01:21:32:29 O'NEILL (GASPING): I don't remember.

01:21:35:02 BA'AL: Tok'ra retain the identities of both host and symbiote. You are O'Neill.
What was the name of your symbiote?

01:21:41:29 O'NEILL (GASPING): I just told you.

01:21:45:13 BA'AL: What Tok'ra secrets could a single name reveal?

01:21:49:09 O'NEILL: I don't know.

01:21:51:16 BA'AL: Why protect the one who betrayed you? Abandoned you to this?

01:21:54:16 O'NEILL (YELLING): If I knew the name, I'd give you the damn name! I don't care
about protecting the Tok'ra.

01:22:00:11 BA'AL: Tok'ra have been a nuisance for centuries.

01:22:04:11 O'NEILL: Don't...

01:22:05:13 BA'AL (O/S): Even when we thought they'd been wiped out, they'd become all the
more...

01:22:07:27 BA'AL (CONT'D): insidious. Like acid, burrowing holes into our empires.

01:22:14:01 O'NEILL: Kanan! That's the name.

01:22:23:12 O'NEILL (CONT'D): Kanan.

01:22:35:28 O'NEILL: I...I just told you.

01:22:39:05 BA'AL: Yes, you did.

01:22:53:27 BA'AL (CONT'D): This neutralizes the acid and numbs the pain...so you see, the
truth is rewarded.

01:23:01:21 O'NEILL: I don't know anything else.

01:23:04:23 BA'AL: There may be much more of this Kanan still in your memory than even you
know.

01:23:09:22 BA'AL (CONT'D): It'll come to you in time.

01:23:30:02 WOMAN (O/S): Is it you?

01:23:34:20 O'NEILL: What?

01:23:35:27 WOMAN: You shouldn't have come back.

01:23:39:12 O'NEILL: I don't remember.

01:24:49:26 DANIEL: The hardest part of being who or what I am is having the power to change the things I want to change and knowing that I can't...

01:24:57:07 DANIEL (CONT'D): even when I'm certain, even when it's absolutely clear to me, even when it affects the people I care about...

01:25:04:26 DANIEL (CONT'D): because for all I can do, I'm no more qualified to play God than the Goa'uld are.

01:25:13:25 DANIEL (CONT'D): Ba'al will keep this up.

01:25:16:19 O'NEILL: Yes, he will.

01:25:18:22 DANIEL: So we don't have an unlimited amount of time.

01:25:20:12 O'NEILL: Got to be someplace, do you?

01:25:22:01 DANIEL: No.

01:25:24:15 DANIEL: Look, there must be a reason that Kanan came back here.

01:25:29:27 DANIEL (CONT'D): Was it for the woman? The one you were just talking to?

01:25:32:16 DANIEL (CONT'D): She must have something to do with all of this.

01:25:34:28 O'NEILL: You know, screw it. It doesn't matter. Carter and Teal'c will think of something.

01:25:41:22 DANIEL: Even if they could find out where you are...

01:25:44:13 O'NEILL: And, you know, Jonas, he's at least as smart as you.

01:25:48:12 DANIEL: There isn't always a way out, Jack.

01:25:49:24 O'NEILL: Hey, if that was true, I'd have been dead a long time ago.

01:25:52:05 DANIEL: How many more times do you think you can go into that sarcophagus
before it starts changing you?

01:25:55:02 DANIEL (CONT'D O/S): How many times has it been already?

01:25:59:09 DANIEL (CONT'D): It can regenerate your body, make you strong enough to go
through that all over again, but all the time, it's destroying who you are.
And once that happens, you won't be able to ascend, no matter how
much...

01:26:09:09 DANIEL (CONT'D O/S): you want to.

01:26:10:05 O'NEILL: Hey. I appreciate what you're trying to do.

01:26:14:07 DANIEL: I wouldn't be here if I didn't believe you could do it.

01:26:16:06 O'NEILL: This is me we're talking about.

01:26:17:10 DANIEL (O/S): Yes, it is.

01:26:18:10 DANIEL (CONT'D): Now, please...just try to open your mind.

01:26:24:07 O'NEILL: Oh, stop it, will you?

01:26:27:05 DANIEL: Come on, Jack. You think the Asgard named a ship after you because they thought it was a cool name?

01:26:31:18 DANIEL (CONT'D O/S): Now is not the time to play dumb. You're a lot smarter than that.

01:26:34:06 DANIEL (CONT'D): They saw our potential in you...

01:26:36:13 DANIEL (CONT'D O/S): because of who you are and what you've done.

01:26:38:28 DANIEL (CONT'D): Humanity's potential. That's the same thing Oma saw in me.

01:26:42:18 O'NEILL: I am not you.

01:26:44:23 DANIEL: Yeah, when has that ever stopped you from doing anything?

01:26:46:19 O'NEILL: Okay. Put yourself in my shoes and me in yours.

01:26:51:14 DANIEL: You'd be here for me.

01:26:52:14 O'NEILL: Damn straight. I'd have busted you out, blown this rat hole to hell, and made sure that son-of-a-bitch suffered.

01:27:36:23 DANIEL (CONT'D): in the place you're at right now...you don't have any other choices. This is not your life we're talking about, Jack. This is your soul.

01:27:45:04 DANIEL (CONT'D): This is it. What I'm offering you is your only way out.

01:27:48:07 O'NEILL: You're wrong about that too.

01:27:52:09 O'NEILL (CONT'D): I have another choice.

01:27:59:27 DANIEL: What are you talking about?

01:28:09:20 DANIEL: No.

01:28:10:28 O'NEILL: Any minute, they're going to come, and Ba'al is going kill me again. You can make it the last time.

01:28:17:21 DANIEL: Don't ask me to do that.

01:28:19:02 O'NEILL: You can put an end to it.

01:28:20:08 DANIEL: I won't do it.

01:28:21:18 (DOOR SLIDING OPEN)

01:28:25:12 O'NEILL: I'd do it for you, and you know it.

01:28:33:20

O'NEILL (CONT'D): I don't want to see this cell again, Daniel.

END OF ACT THREE

ACT FOUR

01:29:19:04 JONAS: I don't know about you two, but I'm beginning to get the feeling that there's absolutely nothing here.

01:29:30:00 CARTER: Wait. Guys...

01:29:33:22 CARTER (CONT'D): Look at this.

01:29:35:18 JONAS: What is it?

01:29:37:07 CARTER: The mission where Kanan worked undercover as a minor Goa'uld in Ba'al's service. How long ago was that?

01:29:41:03 TEAL'C: Several months. Ba'al has kept the existence of the outpost hidden from the other System Lords.

01:29:46:10 JONAS: The outpost was a secret test facility for weapons technology and gravity field generators. Over a period of several months, he was able to map out the entire facility, catalog its defenses...

01:29:55:00 CARTER: That's what Kanan reported to the Tok'ra council...

01:29:58:09 CARTER (CONT'D): but something just struck me. He used Ba'al's Lotar, his personal slave, to access much of that information.

01:30:04:25 JONAS: Yeah, the Lotar gave him access to Ba'al's chamber when he was away.

01:30:57:17 JONAS: Sufficient motive for Kanan...

01:31:04:10 JONAS: The decision to act...

01:31:05:14 JONAS (CONT'D O/S): came after blending with the mind of Colonel O'Neill.

01:31:08:19 CARTER: At which point, he would have been confronted with every thought and
belief that make the Colonel who he is, and be forced to judge himself by
that same code of honor.

01:31:17:04 JONAS: Especially what General Hammond referred to as "the difference
between us and the Tok'ra."

01:31:22:01 CARTER: We don't leave our people behind.

01:31:32:10 WOMAN: Is it you?

01:31:36:14 O'NEILL: You shouldn't be here.

01:31:39:08 WOMAN: You look so different. How can you be Kanan?

01:31:44:05 O'NEILL: I'm not.

01:31:46:15 WOMAN: If I leave with you, he will know.

01:31:53:01 O'NEILL: He used both of us.

01:31:56:25 BA'AL: He did use both of us. How long were you host to this Kanan before he convinced you to come to here? Days, or merely hours?

01:32:05:08 O'NEILL: I don't remember.

01:32:07:09 BA'AL: What did this Kanan share about his previous mission here?

01:32:10:08 O'NEILL: Nothing.

01:32:11:28 BA'AL: What did he want with my slave?

01:32:14:00 O'NEILL: I don't know.

01:32:16:22 BA'AL: Why did he return?

01:32:17:29 O'NEILL: I don't know.

01:32:31:03 BA'AL: I believe you.

01:32:32:29 BA'AL (CONT'D): You're a victim of this Tok'ra, just as I am. This Kanan took over his host body, your body, just as I or any other Goa'uld would have done.

01:32:41:18 BA'AL (CONT'D O/S): He used you to come here.

01:32:45:21 BA'AL: But to what purpose?

01:32:54:06 BA'AL: I believe the answers are there in your mind.

01:32:56:02 BA'AL (CONT'D O/S): Even if you were host for a mere matter of hours,
something of him will be left behind...

01:33:01:27 BA'AL (CONT'D): An unfortunate inheritance for you, because I will find them...if I
have to dig them out.

01:33:20:22 HAMMOND: You're telling me Kanan was compelled to rescue a slave he
encountered months ago.

01:33:26:03 CARTER: As a direct result of blending with Colonel O'Neill. Yes, sir.

01:33:29:00 THORAN: Based on the arrogant notion the Colonel would never have left her
behind.

01:33:32:12 CARTER: Sir, I know from first-hand experience how deeply the emotions can be
shared between a Tok'ra symbiote and its host.

01:33:38:19 THORAN: So do I, Major Carter. Still, your theory seems to be based on nothing
more than intuition.

01:33:43:02 CARTER: I won't argue with that, but it's not without reasoning. I know that's
where Colonel O'Neill is.

01:33:50:11 TEAL'C: As do I.

01:33:51:22 JONAS: We're all in agreement.

01:33:53:27 THORAN: It makes no difference. If indeed Colonel O'Neill is in Ba'al's hands,
then he is far beyond our reach.

01:33:58:28 TEAL'C: We have plans to the outpost.

01:34:00:23 THORAN: Then you know it is a fortress. An army could not hope to penetrate it.

01:34:04:26 CARTER: Kanan obviously thought it was possible. Sir, if we went in with a small
force, maybe two SG teams...

01:34:11:03 HAMMOND: I'm sorry, Major, but I agree with the counselor.

01:34:13:17 HAMMOND (CONT'D O/S): I've gone over the intel we have on this outpost.

01:34:15:29 HAMMOND (CONT'D): A successful attack of any magnitude is beyond our
capabilities.

ACT FIVE

01:36:11:19 (KNOCKING)

01:36:13:21 HAMMOND: Come in.

01:36:17:04 TEAL'C: General Hammond...

01:36:18:09 HAMMOND: Teal'c, what is it?

01:36:20:00 TEAL'C: I have been meditating on the possibility of rescuing Colonel O'Neill.

01:36:24:01 HAMMOND: I've just been going over the plans of the outpost again myself. I just
don't see how we'd have any chance of success against a fortress this
well defended, no matter how big the force.

01:36:33:13 TEAL'C: Agreed. I believe it would take the power of a Goa'uld mothership to do
so.

01:36:38:02 HAMMOND: Unfortunately, we don't have one of those.

01:36:40:00 TEAL'C: Perhaps not, but there are many System Lords that do.

01:36:48:13 BA'AL: What was its name?

01:36:54:12 O'NEILL: Kanan.

01:36:55:25 BA'AL (O/S): There. You remember his name. What was his mission?

01:37:01:13 O'NEILL: No mission.

01:37:02:04 BA'AL: Was it to steal the slave from me?

01:37:04:24 O'NEILL: I don't know.

01:37:07:01 BA'AL: Did Kanan believe a slave could know my secrets?

01:37:14:02 BA'AL (CONT'D O/S): There is something else you are hiding from me.

01:37:16:04 BA'AL (CONT'D): I sense it. I feel it.

01:37:20:21 O'NEILL: When are you going to end this?

01:37:24:01 BA'AL: If you tell me what I wish to know, I will end this.

01:37:30:20 O'NEILL: Daniel?

01:37:34:26 BA'AL: The mind is beginning to fail. It is time for the sarcophagus, but as you
regain the strength to return here, consider this...it will be far worse the
next time.

01:37:48:12 O'NEILL (WEAKLY): Daniel?

01:37:58:10 HAMMOND: Counselor Thoran is threatening to end diplomatic relations.

01:38:01:01 CARTER: What did he say?

01:38:02:09 HAMMOND: Among other things I won't mention, that this is precisely the reason they've been reluctant to share intelligence.

01:38:08:21 TEAL'C: So be it.

01:38:10:11 HAMMOND: That's more or less what I said. The Tok'ra need us right now more than we need them. Do we expect any response from Lord Yu?

01:38:16:18 CARTER: No, sir. We know he received the plans to Ba'al's outpost and the message that went along with it, but we have no way of knowing if he'll act on it.

01:38:23:24 TEAL'C: I believe he will. Ba'al has kept the existence of this outpost from the other System Lords.

01:38:28:17 JONAS (O/S): I still don't understand...

01:38:29:26 JONAS (CONT'D): how destroying the power generators first is going to help the Colonel.

01:38:32:09 TEAL'C: It will give O'Neill a fighting chance. Nothing more.

01:38:43:21 O'NEILL: Daniel?

01:38:45:03 DANIEL (O/S): I'm here.

01:38:53:00 O'NEILL: You were gone.

01:38:57:16 DANIEL: I know. I'm sorry. There was something I had to do...

01:38:59:28 DANIEL (CONT'D): but I'm back now, and I promise I'll stay with you until this is
over.

01:39:06:03 O'NEILL: It will never be over.

01:39:09:15 DANIEL: Yes, it will.

01:39:15:03 O'NEILL: Daniel, you have to end this.

01:39:18:21 DANIEL: Jack, you just have to hang in there a little while longer.

01:39:20:23 O'NEILL: No. I can't go back in there.

01:39:25:18 O'NEILL (CONT'D): If I go back, I swear to God...I'll give Ba'al what he wants. I'll
tell him.

01:39:37:11 DANIEL: What?

01:39:40:05 O'NEILL: That he loved her.

01:39:44:19 DANIEL: Kanan.

01:39:47:05 O'NEILL: He came back for her. He wanted to save her.

01:42:32:11 O'NEILL: Listen...that was a good idea you had there.

01:42:38:19 CARTER: Actually, sir, we all contributed to it.

01:42:49:05 CARTER (CONT'D): Do you need anything, or...

01:42:50:22 O'NEILL: Water.

01:42:52:29 CARTER: Sure.

01:43:08:26 DANIEL: I always seem to be saying goodbye to you.

01:43:10:25 O'NEILL: Yeah, I noticed that. Why don't you stick around for a while?

01:43:19:00 DANIEL: I can't, really.

01:43:21:10 O'NEILL: You just did.

01:43:22:08 DANIEL: Special occasion.

01:43:23:16 O'NEILL: Christmas?

01:43:25:09 DANIEL: No.

01:43:26:11 O'NEILL: Groundhog day.

01:43:27:15 DANIEL: No.

01:43:28:21 O'NEILL: I've got my journey, you've got yours?

01:43:30:28 DANIEL: Something like that, yeah.

01:43:36:24 DANIEL: Look, I know you don't think so right now. I mean, I know you have your doubts, but...because you've been through something that no one should have to go through...

01:43:48:29 DANIEL (CONT'D): I guess what I'm trying to say is you're going to be all right.

01:43:53:25 O'NEILL: How do you know?

01:43:56:16 DANIEL: You're just going to have to trust me.

01:43:59:11 O'NEILL: I can do that.

01:44:05:20 O'NEILL: Are you going to be okay?

01:44:06:23 DANIEL: I'm going to be fine.

01:44:16:05 CARTER: Here you go, sir.

01:44:18:14 O'NEILL: Thanks.

01:44:22:10 CARTER: Good night.

01:44:34:28

O'NEILL: Thanks.
