TIMECODE                  DIALOGUE

START TIMECODE 01:00:00:01 AT FIRST FRAME OF PICTURE

**TEASER**

01:00:15:25                  HER'AK: Lord Khonsu...

01:00:17:12                  KHONSU: I have a task for you, Her'ak.

01:00:19:12                  HER'AK: How may I serve you, my lord?

01:00:22:12                  KHONSU: This mission is of great importance, so there's not much time. If you  
succeed, Anubis himself will be most pleased.

01:00:35:01                  KHONSU: I have learned the location of certain enemies. They are currently  
vulnerable. You will take my Ha'tak, capture them, and bring them to  
me...alive.

01:00:45:10                  HER'AK: My Lord, may I ask who is so valuable?

01:00:48:24                  KHONSU: Three humans and a Jaffa known to the Tauri as SG-1.

**END OF TEASER**

**ACT ONE**

01:02:36:13 COOMBS: I calculate platform mass at 12.9 metric tons, consistent with the one on P4X-233.

01:02:41:22 MEYERS: And every other ring transporter we've measured. It suggests some sort of standardization, don't you think?

01:02:47:08 COOMBS: You think the Goa'uld have a big plant somewhere that just stamps these things out?

01:02:50:20 MEYERS: Jay, how's it coming with the energy levels left in that power cell?

01:02:55:23 MEYERS (CONT'D CALLING): Jay? The power cell?

01:03:03:19 FELGER: Hmm?

01:03:05:08 MEYERS: The power cell?

01:03:06:15 FELGER: Yeah, yeah. I'm working on it.

01:03:08:07 MEYERS: No, you're not.

01:03:11:03 FELGER: Look at them. They are so cool.

01:03:17:16 COOMBS (O/S): Jay, enough already. It's embarrassing.

01:03:20:15 MEYERS: Not to mention unprofessional.

01:03:22:00 FELGER: Guys, we're in the presence of greatness here, the best of the best, and here we are working alongside them. Savor the moment, gentlemen, savor the moment.

01:03:31:24 MEYERS: Come on, Felger. We're studying an old piece of Goa'uld technology. They're babysitting us.

01:03:39:28 FELGER: What do think they're talking about right now?

01:03:43:08 O'NEILL: So, T, who are you taking in the Cup?

01:03:47:28 O'NEILL (CONT'D): Lord Stanley's cup?

01:03:49:12 O'NEILL (CONT'D): Hockey? Remember, with the ice and the skating?

01:03:52:28 O'NEILL (CONT'D): We went to a game last year.

01:03:55:11 TEAL'C: Indeed. I believe the Canucks of Vancouver are superior warriors.

01:04:02:07 O'NEILL: Canucks, eh?

01:04:07:20 O'NEILL: So, lunch?

01:04:10:01 FELGER: Here they come.

01:04:16:18 FELGER: Yes, yes, that does look like a very important breakthrough. Good work, Combs. Carry on.

01:04:23:09 O'NEILL: Progress, Professor?

01:04:24:16 FELGER: Definitely. Yes. Big stuff going on here. Big. I can give you a full report if you want.

01:04:28:29 O'NEILL: Save it for Carter. We just came for the fine cuisine.

01:04:33:25 FELGER: Of course. Yeah. I mean, her DHD reports are unbelievable, aren't they? I mean, she is single-handedly revolutionizing our knowledge of Stargate technology.

01:04:42:28 FELGER (CONT'D): Any word on how that's going?

01:04:45:12 O'NEILL: No.

01:04:47:09 FELGER: No, no.

01:04:48:08 O'NEILL: Turkey?

01:04:48:26 FELGER: Turkey there...

01:04:53:15 FELGER: I guess I'll just get back to work then.

01:04:55:14 TEAL'C: Are you nearing the completion of your research?

01:04:57:16 COOMBS (O/S): Ow! Jeez, who put that scanner there?

01:05:01:23 FELGER: Uh, well, it may be a few more days yet.

01:05:04:26 O'NEILL: What's your time frame there?

01:05:06:02 FELGER: Um, a day or so, you know, but then you guys can get right back to  
saving the world again...

01:05:10:14 FELGER (CONT'D CHUCKLING): for the seventh time.

01:05:11:16 TEAL'C: Eighth.

01:05:12:24 O'NEILL: What, you're counting?

01:05:16:03 CARTER (O/S FILTERED): Colonel O'Neill...

01:05:20:01 O'NEILL: Yeah, Carter? Go.

01:05:22:01 CARTER: We just received an urgent message from General Hammond.

01:05:29:18 O'NEILL: Roger that. We're on our way.

01:05:32:08 (CRASHING)

01:05:33:02 COOMBS (O/S): Oh, good one. That's only worth about \$200,000.

01:05:36:09 O'NEILL: Felger...

01:05:37:12 FELGER: Yes?

01:05:38:18 O'NEILL: We've got to check something out.

01:05:39:29 FELGER: Can I help?

01:05:40:10 O'NEILL: No. As a matter of fact, stay here. If we're not back in an hour, get to the gate, dial home. Got it?

01:05:48:01 FELGER: Well, what could go wrong?

01:05:49:20 O'NEILL: Got it?

01:05:50:27 FELGER: Yes, Colonel.

01:06:10:00 FELGER: Aren't you guys the slightest bit worried about them?

01:06:13:04 COOMBS: They'll be back, Felger. Can't you see they're just having fun with you?

01:06:16:10 FELGER: What are you talking about? There's something going on out there.

01:06:19:04 COOMBS: Oh, please. Huh? They're just tired of your butt-snorkeling. "So tell me how you finally defeated Apophis, Colonel O'Neill."

01:06:25:11 COOMBS (CONT'D GUSHING): "Oh, Major Carter, I based my doctoral thesis on

your amazing wormhole stability theories--"

01:06:29:16 FELGER (INTERRUPTING): Bite me, Coombs! At least my heroes exist. If this was a Trek convention, you'd be all dressed up like a Klingon--

01:06:35:08 COOMBS: Vulcan, Felger. Vulcan! And I don't know how can you call yourself a scientist and not worship at the altar of Roddenberry!

01:06:40:23 FELGER: Ooh, how are we going to get out of this one, Captain? Oh, I don't know. Something to do with a tachyon emitter.

01:06:43:20 MEYERS: Guys, knock it off.

01:06:48:16 MEYERS: Now, what say we hook up the Naquadah generator and see if we can't get this baby started?

01:06:53:26 FELGER: Fine.

01:06:54:16 COOMBS: Good.

01:06:55:05 FELGER: Nerd.

01:06:56:11 COOMBS: Geek.

01:07:06:01 MEYERS: Was that what I think it was?

01:07:08:03 FELGER: An Alkesh--mid-range Goa'uld attack vessel.

01:07:11:10 COOMBS: But this planet was supposedly abandoned centuries ago. There isn't even anything here except--

01:07:15:04 FELGER: SG-1.

01:07:21:20 FELGER: Colonel O'Neill? Felger. We just saw an Alkesh.

01:07:27:18 O'NEILL (SHOUTING): I know. Stay put! Remember what I told you! Wait till it's clear, get to the gate, report to Hammond.

01:07:36:17 (STATIC)

01:07:38:05 FELGER: Colonel O'Neill? Major Carter?

01:07:58:23 FELGER: Oh, they're in trouble.

01:08:01:05 COOMBS: Hey, where are you going, Felger? He told us to stay put.

01:08:12:14 FELGER (CALLING OUT): Colonel O'Neill, Major Carter...

01:08:20:15 FELGER: Oh, no. Oh...

01:08:23:15 MEYERS: This is ridiculous, Felger. You're going to get us--

01:08:28:20 FELGER (INTERRUPTING): Shut up. Look.

01:08:30:05 COOMBS: Oh, my God.

**END OF ACT ONE**

**ACT TWO**

01:09:18:24 COOMBS (O/S): Wait, wait, wait, wait. What do you mean, do something?

01:09:20:20 COOMBS (CONT'D): What do you mean, do something? You're totally out of your mind, Felger. Mission protocol clearly states that if something goes wrong, we are to return to Stargate Command immediately, and you know what? Something went wrong.

01:09:30:16 MEYERS: Colonel O'Neill said it himself. We have to go back to Earth.

01:09:33:01 FELGER: I know what he said, but I'm the senior advisor on this mission, and I'm making the command decision.

01:09:36:09 MEYERS (OVERLAPPING YELLING): You're a lecturer in residence at M.I.T.!

01:09:37:24 FELGER: Laugh all you want, but I studied every mission SG-1's ever been on...

01:09:40:15 FELGER (CONT'D O/S): and the one thing they all have in common--

01:09:42:01 FELGER (CONT'D): they never leave a man behind, ever.

01:09:44:18 COOMBS (O/S): Technically, they're not behind. We are.

01:09:46:12 FELGER: Meyers, you go back through the gate to tell General Hammond what's happened.

01:09:48:12 COOMBS: What about us?

01:09:49:29 FELGER: We're going after SG-1.

01:09:52:08 COOMBS (O/S): No, really.

01:09:53:18 FELGER: You know, that ship must have taken them back to the mothership out  
in orbit. We can use this platform to ring up to it, but we have to act now  
before they're out of range.

01:09:59:03 COOMBS: No, really.

01:10:01:06 FELGER: Oh...What, you want their deaths on your head?

01:10:03:13 COOMBS: You're just adding our deaths to theirs.

01:10:05:20 FELGER: Would you go?

01:10:13:00 FELGER: Help me calibrate this.

01:10:14:02 COOMBS: Jay, we haven't run any tests.

01:10:16:05 COOMBS (CONT'D O/S): We have no idea how stable any link will be, assuming  
we can even get one.

01:10:23:18 FELGER: We're not out of range.

01:10:25:01 COOMBS (O/S): Jay...

01:10:26:01 COOMBS (CONT'D): are you sure about this?

01:10:28:10 FELGER: Think about it, Simon. What would Colonel O'Neill do if he was here  
now?

01:10:31:28 COOMBS: You want me to shoot you?

01:10:35:04 FELGER: Let's go.

01:10:37:02 COOMBS: All right.

01:10:59:22 COOMBS: Nicely done. We were alone, but that'll probably change now.

01:11:03:09 FELGER: Please, shh. Just...Okay. Area secure. Let's...let's move out.

01:11:29:18 HAMMOND: What have we got, Sergeant?

01:11:31:05 TECHNICIAN: It's SG-1's code, sir.

01:11:32:20 HAMMOND: Open the iris.

01:11:42:25 MEYERS: SG-1...they took SG-1...

01:11:46:04 HAMMOND (O/S): Slow down, son. Take it easy.

01:11:47:20           HAMMOND (CONT'D): Where is the rest of your team?

01:11:48:26           MEYERS: Ship...lots of Jaffa...SG-1 captured. Flew away, sir.

01:11:57:27           HAMMOND: Where are Professors Felger and Coombs?

01:12:00:17           MEYERS: They used the rings at the ruins to go up to the ship to rescue SG-1.

01:12:04:25           HAMMOND: They did what?

01:12:05:19           COOMBS: Damn it, Felger, this cannot be the way.

01:12:07:28           FELGER: I swear. It's up here and to the left.

01:12:12:23           COOMBS: That's what you said three lefts ago.

01:12:14:29           FELGER: Head.

01:12:15:29           (BUMPING)

01:12:16:29           (CHUCKLING)

01:12:27:29           CARTER: How come you're not smiling?

01:12:30:04           JONAS: Should I be?

01:12:31:29           CARTER: Well, it is your first time being captured by a Goa'uld.

01:12:36:17 JONAS: Funny.

01:12:39:24 JONAS (SIGHING): So what now?

01:12:41:26 TEAL'C: We wait.

01:12:44:15 JONAS: Shouldn't we be trying to escape?

01:12:46:23 O'NEILL: Oddly, no. It won't be long.

01:12:51:23 JONAS: Before what?

01:12:54:16 O'NEILL: Oh, some overdressed, over-the-top bad guy floats in, gloating about  
whatever evil fate awaits us.

01:13:06:01 O'NEILL: Wait for it.

01:13:21:04 O'NEILL: See?

01:13:23:21 HER'AK: Colonel O'Neill...Major Carter...

01:13:29:09 HER'AK (CONT'D): so-called "greatest" of all Tauri warriors...and the sholva,  
Teal'c.

01:13:42:15 HER'AK: You I am not familiar with.

01:13:45:23 O'NEILL: He's new.

01:13:48:21 CARTER: Who are you?

01:13:49:29 HER'AK: I am Her'ak, First Prime to Lord Khonsu of Amon Shek.

01:13:56:10 O'NEILL: Very impressive. Got a resume?

01:13:59:17 HER'AK: I captured you.

01:14:02:10 O'NEILL: Yes. Right, you did. Well done.

01:14:08:05 O'NEILL: You got the job.

01:14:10:01 HER'AK: I had been looking forward to a greater challenge than the one you  
provided. However, the result has yielded the same consequence. You  
belong to my master now.

01:14:34:25 O'NEILL: Carter, be honest. The resume gag...

01:14:40:15 TEAL'C: It needs work, O'Neill.

01:14:50:03 FELGER: Shh.

01:14:52:06 COOMBS: I didn't do anything.

01:15:00:22 COOMBS: You have no idea where you're going.

01:15:01:27 FELGER: Of course I do.

01:15:02:26 COOMBS: Oh, yeah? Then what were we doing in the vent?

01:15:04:25 FELGER: Staying out of sight. Would you stop worrying? I've studied blueprints of these motherships. The holding cells are this way.

01:15:11:01 COOMBS: Oh, please. You studied Goa'uld mothership blueprints?

01:15:13:13 FELGER: Information is an SG team's greatest ally.

01:15:15:11 COOMBS: You know what an SG team's greatest ally is? An SG team!

01:15:18:01 FELGER: Will you relax?

01:15:21:15 FELGER: Okay, it's this way.

01:15:28:24 FELGER: No, this way.

01:15:33:15 COOMBS: I'm going to kill you. Would you quit doing that?

01:15:33:08 COOMBS (CONT'D SNAPPING): Don't point the gun!

01:15:38:08 (WHISTLING)

01:15:44:28 JONAS: Is that a...bird?

01:15:50:20 TEAL'C: I do not believe so.

01:15:57:06 FELGER (O/S WHISPERING): These panels are held in place magnetically. We  
have to cut the power.

01:16:01:08 O'NEILL: Who is that?

01:16:03:01 FELGER (O/S WHISPERING): Colonel O'Neill?

01:16:03:13 (MAGNETIC LOCK SHUTTING OFF)

01:16:05:00 O'NEILL: Felger?

01:16:09:15 FELGER: Oh, Colonel O'Neill...

01:16:12:15 FELGER: Are you all right, sir?

01:16:14:17 O'NEILL: What are you doing here?

01:16:16:13 FELGER: Stand easy. We're here to rescue you.

01:16:19:18 CARTER: Did he say "we"?

01:16:22:03 FELGER: That's right. I have Coombs with me.

01:16:23:05 COOMBS: Hi.

01:16:24:11 O'NEILL: Hey, look, everybody. He's got Coombs with him.

01:16:27:12 FELGER: You can thank us later. Right now, we have to get you out.

01:16:30:18 O'NEILL (SNAPPING): Felger!

01:16:31:08 O'NEILL (CONT'D): Just what part of "gate home" did you not understand?

01:16:35:16 FELGER: We just couldn't let our fellow SG team members be taken--

01:16:38:14 O'NEILL (SNAPPING): Felger!

01:16:39:26 FELGER: What about "never leave a man behind"?

01:16:41:20 O'NEILL: What about we allowed ourselves to be captured on purpose?

01:16:50:07 FELGER: You what?

01:16:51:11 O'NEILL: We're on a mission, you nit.

**END OF ACT TWO**

**ACT THREE**

01:17:29:08 COOMBS (O/S): Please don't be angry. We just thought...

01:17:31:28 COOMBS: It was Felger, all the way. His idea completely.

01:17:34:20 FELGER: Okay, well, I don't understand. I mean, what do you mean, you're on a mission?

01:17:37:10 CARTER: The Goa'uld we're being taken to see is actually an undercover Tok'ra.

01:17:44:14 FELGER: Oh yeah. Oh.

01:17:45:08 COOMBS: I see. Uh, well, why the ruse?

01:17:49:19 TEAL'C (O/S): Very few of Khonsu's Jaffa...

01:17:52:15 TEAL'C (CONT'D): know his true identity. Her'ak and his men had to believe they had truly captured us.

01:17:55:28 FELGER: See? I knew it was too easy. I mean, you guys have taken out more Jaffa than that before, right?

01:18:00:19 O'NEILL: Carter...

01:18:01:28 CARTER: Professor, we know you meant well, but you've actually put us in a really awkward position.

01:18:08:05 FELGER: Well, why not tell us?

01:18:09:24 O'NEILL: Because you didn't need to know.

01:18:12:14 CARTER: We've been on standby for weeks waiting to hear from the Tok'ra, and we didn't know where or when this ambush would occur. Obviously, you weren't supposed to be there when it went down, but when we finally did get the word, it was too late to send you home first.

01:18:25:12 FELGER: Why didn't this Khonsu just, you know, send the intel to you? I mean, why the big song and dance?

01:18:29:13 JONAS (O/S): He's collected vital information...

01:18:30:23 JONAS (CONT'D): on how and where Anubis is getting his new technology.

01:18:33:15 TEAL'C: As we have said, Khonsu's true loyalties are carefully hidden. He could trust no one to carry such information in his place.

01:18:40:00 CARTER: He needs to remain undercover to continue his work.

01:18:42:29 O'NEILL: So did we.

01:18:45:02 COOMBS: Way to go, Felger.

01:18:46:22 FELGER: Wait a minute. We got up here undetected.

01:18:48:27 FELGER (CONT'D O/S): We haven't ruined anything yet. Nobody knows we're here.

01:18:51:05 (FOOTSTEPS APPROACHING)

01:18:52:05 TEAL'C: Someone approaches.

01:19:06:03 DOL'OK: I am Dol'ok, free Jaffa, loyal to Khonsu the Tok'ra.

01:19:11:27 DOL'OK (CONT'D): Thank you for your patience.

01:19:14:10 O'NEILL (O/S): What patience?

01:19:17:26 O'NEILL (CONT'D): Can we get our weapons back? Not that we don't trust you...

01:19:20:02 DOL'OK: Soon. As you are aware, this incarceration is for your own protection.

01:19:26:14 DOL'OK (CONT'D): There are very few of us among the ranks, but we have come to assure you that you are indeed not alone.

01:19:37:24 DOL'OK: Who are they?

01:19:41:16 O'NEILL: Look, there's, uh...been a little bit of a mix-up here. Any chance you could put these guys someplace safe, relatively secure till this is over?

01:19:51:25 DOL'OK: I will do what I can.

01:19:53:27 O'NEILL: Appreciate that.

01:19:55:23 O'NEILL (CALLING): Hey...

01:20:15:22 O'NEILL: Oi...

01:20:20:28 HER'AK: As ordered, we have SG-1, alive and uninjured.

01:20:24:28 KHONSU: Excellent. You have done well, Her'ak.

01:20:27:27 KHONSU (CONT'D): I will be sure to tell Lord Anubis of your exemplary conduct  
when I relate this victory to him.

01:20:32:29 HER'AK: My thanks. Shall I interrogate the prisoners on your behalf, my lord?  
Surely there is much that they can reveal.

01:20:40:02 KHONSU: No. When you arrive, bring them before me. I will use my own methods  
to learn what they know.

01:20:47:17 HER'AK: As you wish, my lord.

01:21:02:02 DOL'OK (O/S): Please do not venture from this place until we have returned.

01:21:04:14 DOL'OK (CONT'D): Should you be discovered, your lives would be forfeit.

01:21:07:07 COOMBS: You got it.

01:21:12:13 FELGER: You try to help people, this is the thanks you get.

01:21:15:16 COOMBS: I should have shot you.

01:21:36:07 O'NEILL: So when do we get to meet this old "Ginsu" guy?

01:21:50:21 O'NEILL: Nice.

01:22:19:29 O'NEILL: Ah!

01:22:22:02 O'NEILL: Don't touch that.

01:22:24:10 O'NEILL (CALLING): Hey, Her'ak!

01:22:25:02 O'NEILL (CONT'D O/S): What, no gloating?

01:22:29:03 O'NEILL (CONT'D): Take some pride in your work, son.

01:22:35:10 HER'AK: You shall all be forced to bow before my master soon enough.

01:22:51:24 O'NEILL: You know, this whole...

01:22:54:18 O'NEILL (CONT'D): "imprisoned for our own protection" is getting a little old.

01:23:00:08 CARTER: What choice do we have? If we want this information, we have to trust  
Khonsu.

01:23:10:05 COOMBS: I knew I should have updated my will before agreeing to offworld assignments.

01:23:14:09 FELGER: You are not going to die, Coombs.

01:23:16:05 COOMBS: Oh, come on, Felger. We might as well be wearing red shirts.

01:23:19:16 FELGER: I don't get that.

01:23:40:12 BIG JAFFA: Sholva.

01:24:12:06 COOMBS: Oh, my God. I think I'm going to throw up.

01:24:15:14 FELGER: Oh, these poor bastards.

01:24:17:08 COOMBS: Jay, I can't do this. I've got to get out of here.

01:24:20:10 FELGER: Simon, Simon, Simon, Simon...

01:24:21:21 COOMBS (PLEADING): No! I'm not a soldier. I teach Applied Math at Yale. I have a Vespa and two cats--

01:24:27:05 FELGER: Get ahold of yourself. Don't you get it, Simon? Jaffa do not kill each other for fun.

01:24:32:07 COOMBS: They don't?

01:24:34:01 FELGER: Okay, I don't know that for sure. I don't, but this looks like an execution.  
Something hinky's definitely going on here, and it's up to you and I to find out what it is.

01:24:41:28 COOMBS: Hinky?

01:24:43:27 FELGER: Yeah, it's a word.

01:24:44:27 COOMBS: In what dictionary?

01:24:49:20 FELGER: I have a plan.

01:25:22:21 COOMBS: Is it okay for me to have a heart attack now? I don't know why I let you talk me into this.

01:25:27:08 FELGER: Because if we stayed on that ship, we'd both be dead right now, and you know it.

01:25:30:01 COOMBS: And we're better off down here?

01:25:31:29 FELGER: When are you going to start trusting me, Simon? I have four post-graduate degrees.

01:25:35:18 COOMBS: And not one of them covered Jaffa military tactics!

01:25:38:13 BIG JAFFA: What are you doing here?

01:25:42:07 COOMBS: Uh...

01:25:43:11 FELGER (IMITATING JAFFA VOICE: He is sick.

01:25:44:19 FELGER (CONT'D IMITATING JAFFA VOICE): I believe it is something he ate.

01:25:47:28 (VOMITING)

01:25:54:28 FELGER: Nicely done, nicely done.

01:25:56:29 COOMBS: Jay, you just shot that guy. I mean, you really shot him.

01:26:01:20 FELGER: No, zatted. That's completely different. He's...come on.

01:26:03:19 COOMBS: Zatted, shot.

01:26:04:21 FELGER: Got to go, got to go.

01:26:15:28 KHONSU: Her'ak...

01:26:24:07 KHONSU: Where are the prisoners?

01:26:31:13 KHONSU: Answer me. Where is SG-1?

01:26:34:18 HER'AK: They are no longer your concern.

01:26:46:10            HER'AK: We are betrayed, brothers. Our god was not who he claimed to be.

01:26:53:25            HER'AK (CONT'D): Khonsu is Tok'ra.

01:26:56:11            HER'AK (O/S): He would weaken us like a cancer from within...

01:26:59:16            HER'AK (CONT'D): destroying our one true God, Anubis.

01:27:07:26            (WEAPON FIRING AT KHONSU)

01:27:15:28            HER'AK: I am in command now, until our lord returns to reward us and claim his  
   prize. Spread the word among every rank. Be ready. Anubis is coming.

**END OF ACT THREE**

**ACT FOUR**

01:28:08:29 O'NEILL: Where's Khonsu?

01:28:09:20 HER'AK: Khonsu is dead.

01:28:11:19 O'NEILL: Dead?

01:28:15:28 O'NEILL (CONT'D O/S): Completely dead...

01:28:17:08 O'NEILL (CONT'D): or semi-dead? You guys seem to have a gray area in that regard.

01:28:21:25 HER'AK: His true loyalties were well known. Once his betrayal bore fruit...

01:28:26:10 HER'AK (CONT'D O/S): his existence was no longer required.

01:28:30:18 O'NEILL: Are you calling us fruit?

01:29:07:15 (SCREAMING)

01:29:09:14 O'NEILL: Crap! I hate that thing.

01:29:12:21 HER'AK: Now, that, Colonel O'Neill, is what I call "pride in my work".

01:29:18:03 O'NEILL: Good job.

01:29:19:13       HER'AK (O/S): I want names, Colonel...

01:29:20:27       HER'AK (CONT'D): of all the Tok'ra hiding within Anubis' ranks.

01:29:23:12       O'NEILL: Oh, ask Khonsu. Oh, wait. You can't. You killed him.

01:29:34:10       HER'AK: Tell me!

01:29:37:25       O'NEILL: We don't know anything.

01:29:39:16       CARTER: He's not lying.

01:29:40:28       CARTER (CONT'D O/S): Our orders were to make contact with Khonsu.

01:29:43:26       CARTER (CONT'D): That's it. Any information you want died with him.

01:29:47:13       O'NEILL: Forget it, Carter. He's just the warm-up band, and he knows it.

01:29:54:14       HER'AK: No matter what you have endured, you have never experienced the likes  
of what Anubis is capable of.

01:30:01:19       O'NEILL: You ended that sentence with a preposition. Bastard.

01:30:17:23       HAMMOND: That was his last transmission?

01:30:20:00       TECHNICIAN: Yes, sir.

01:30:24:06 MEYERS: Excuse me, sir, anything on SG-1?

01:30:26:29 HAMMOND: As a matter of fact,

01:30:28:00 HAMMOND (CONT'D): we just got a message from one of our Jaffa allies.  
Apparently, word has filtered through Anubis' ranks that Khonsu was  
exposed as a Tok'ra and that he's been murdered.

01:30:38:01 MEYERS: Oh, no.

01:30:39:05 HAMMOND: SG-1 is still in the custody...

01:30:40:12 HAMMOND (CONT'D): of the Jaffa who've overthrown Khonsu, and Anubis  
himself is on the way. There's been no mention of Felger and Coombs.

01:30:47:29 MEYERS: Is there no chance of mounting some sort of rescue? I'd be happy to  
volunteer.

01:30:54:12 HAMMOND: I appreciate that, but the planet's very heavily guarded. That was one  
of the reasons SG-1 had to go in undercover.

01:31:03:23 MEYERS: Sir, with all due respect, I thought you didn't leave people behind.

01:31:10:08 HAMMOND: I don't like this any more than you do, but I'm not going to send good  
men to their deaths for nothing, especially considering the sketchy nature  
of the intel we have on the situation.

01:31:19:05           HAMMOND (CONT'D): There's just nothing we can do at this time.

01:31:21:20           HAMMOND (CONT'D): I'm afraid if SG-1 is going to get out of this mess, they're  
going to have to do it on their own.

01:31:35:01           FELGER: Don't do that.

01:31:39:13           COOMBS: All right, so maybe you did study Goa'uld mothership plans, but how  
can you possibly know where we're going now?

01:31:44:16           FELGER: I don't.

01:31:45:27           COOMBS: Jay, this is bad.

01:31:47:09           FELGER: I know.

01:31:48:21           COOMBS: Look, our best shot is just to get back to SGC, tell them what  
happened, where SG-1 is, and--

01:31:53:20           FELGER: Look, even if we could get through the gate, there's no telling when  
Anubis will arrive. Chances are SG-1 will be long gone or dead by the  
time they mount a rescue mission, if they're willing to send one at all.

01:32:03:11           COOMBS: Well, all right, what about SG-1, then, huh? If they're the big heroes  
you say they are, then they can just bust themselves out.

01:32:08:26           FELGER: Come on, Coombs, this op is up to us, and you know it.

01:32:12:24 COOMBS: Op?

01:32:13:13 FELGER: Op. Op, op, op! It's "operation."

01:32:16:08 COOMBS: Well, just say "operation," then. Say "operation" like a normal person.

01:32:18:21 FELGER: Keep your voice down.

01:32:37:00 FELGER: We have to learn everything we can about this place, find some  
weakness, and exploit it.

01:32:41:12 COOMBS: Uh-huh. How the heck are we supposed to do that?

01:32:51:22 COOMBS: How'd you know how to do that?

01:32:53:28 FELGER: Well, the writing in the hall said this was the control room.

01:32:56:04 COOMBS: It did?

01:32:57:11 FELGER: I thought you said you read Goa'uld.

01:32:57:27 COOMBS: I do...sort of.

01:33:01:11 FELGER: This should be able to tell us everything we need to know.

01:33:13:04 CARTER: This is not good.

01:33:14:22 FELGER (O/S FILTERED): SG-1, this is Felger. Do you copy? Colonel O'Neill...

01:33:22:12 O'NEILL: No, this is not good.

01:33:24:15 FELGER (O/S FILTERED): Don't be mad, sir. Are you all right? Is everyone else  
with you?

01:33:27:18 O'NEILL: Yeah. Where are you?

01:33:31:03 FELGER (O/S FILTERED): We're inside the pyramid, sir. We're hiding in a control  
room.

01:33:34:14 CARTER: Colonel, they could have access to the pyramid's security systems,  
including force shield controls.

01:33:38:13 FELGER: We're working on it.

01:33:40:21 CARTER: You should be able to bring up the pyramid's schematics. Within the  
security system files, you'll find a list of force shield codes.

01:33:47:23 COOMBS: There's a lot of stuff here, Major, okay?

01:33:50:08 O'NEILL (O/S FILTERED): Felger, we need weapons.

01:33:53:14 COOMBS: Looks like there's an armory at the end of the hall. Either that or a  
bathroom.

01:33:57:04 FELGER: Uh...

01:33:58:04 COOMBS: I can do this.

01:34:02:12 FELGER (CALLING): On my way, sir.

01:34:04:15 FELGER (CHUCKLING): You get the shield down--and use your radio from now  
on.

01:34:10:13 COOMBS: This is unbelievable. Everything is in here.

01:34:15:25 O'NEILL: Coombs, what's going on?

01:34:18:24 COOMBS (O/S FILTERED): I've almost got it.

01:34:24:02 O'NEILL: Nice.

01:34:29:10 O'NEILL: Nice.

01:34:47:17 O'NEILL: All right, look, Professor...

01:34:48:09 O'NEILL (CONT'D): this little stunt of yours does not excuse the fact that you  
disobeyed a direct order from me--twice.

01:34:54:27 O'NEILL (CONT'D): Do it again...

01:34:56:20 O'NEILL (CONT'D): I'll shoot you. Are we--

01:34:59:09 FELGER: Crystal.

01:35:02:26 O'NEILL: Good.

01:35:04:16 FELGER: Do you want to hear the rest of my plan?

01:35:06:14 COOMBS (O/S FILTERED): Our plan.

01:35:07:28 FELGER: I said stay on the radio.

01:35:09:06 O'NEILL: Just tell me what you know.

01:35:11:16 FELGER: Okay. There's a shield around the pyramid. The Stargate's outside that.

01:35:16:02 CARTER: So Coombs could get the shield down.

01:35:17:23 FELGER: Right, then all we have to do is take out the Jaffa guarding the gate.  
Coombs can ring himself out to the ring platform and then we all go home.

01:35:23:25 FELGER (CONT'D CHUCKLING): Piece of cake.

01:35:24:28 O'NEILL: We take out the Jaffa?

01:35:27:13 FELGER: We, as in you.

01:35:31:07 O'NEILL: How many?

01:35:33:09 FELGER: A dozen, tops.

01:35:34:14 O'NEILL: A dozen?

01:35:34:28 FELGER: And they've got some of those really big guns.

01:35:36:20 O'NEILL: Good plan, Felger. Good plan.

01:35:38:25 FELGER: Come on, you're SG-1. This is what you do.

01:35:53:15 O'NEILL: Right.

01:36:07:09 FELGER (WHISPERING): Coombs, talk to me.

01:36:09:11 COOMBS: Okay, hang another left and then two rights...

01:36:13:14 COOMBS (CONT'D O/S FILTERED): and then there'll be a door, and beyond that  
is daylight.

01:36:46:25 O'NEILL: Felger?

01:36:48:21 FELGER: Coombs?

01:36:50:18 COOMBS: I'm sorry. This coding is very confusing. Just--just wait a second.

01:36:59:15 O'NEILL: What?

01:37:03:15 FELGER: I can't believe that I'm here with you like this.

01:37:07:25 O'NEILL: Yeah, I'm having the same problem.

01:37:10:07 FELGER: This is great, you know, sneaking around with you guys

01:37:12:18 FELGER (CONT'D O/S): in a Goa'uld pyramid on some alien planet.

01:37:15:08 FELGER (CONT'D): The only thing missing is some Jaffa chasing us.

01:37:18:06 TEAL'C: O'Neill...

01:37:19:20 (FOOTSTEPS APPROACHING)

01:37:21:02 FELGER: Okay, that's not my fault, because there's no possible--Simon? Simon,  
hurry up. We've got company.

01:37:24:27 COOMBS: Wait, wait, wait.

01:37:29:01 O'NEILL: Give me that. Now, Coombs.

01:37:33:20 COOMBS: I got it!

01:37:50:01 COOMBS: Shield is down.

01:37:52:08 FELGER: Way to go, Simon.

01:37:53:17 O'NEILL: Shush! Get your ass to the nearest ring transport and wait for my signal.

01:38:00:13 COOMBS: Thank you, thank you, thank you! You've been a great audience, but I  
really must be...

01:38:07:14 JAFFA: You, stop!

01:38:11:27 COOMBS: Staying.

**END OF ACT FOUR**

**ACT FIVE**

01:38:49:20 O'NEILL (O/S): Well, he wasn't kidding. That's a lot of Jaffa. Carter, Jonas. your target is that center gun placement.

01:38:57:29 CARTER: Yes, sir.

01:38:58:29 O'NEILL: Teal'c, you're with me. Now, is there anything else we need to discuss?

01:39:04:04 FELGER: No, sir. No, sir. I'm going to stay in this very spot, even if I see you writhing in agony, calling my name, I'll be here.

01:39:09:25 O'NEILL: Exactly. On my signal, get Coombs out here.

01:39:30:03 (WEAPON ACTIVATING)

01:40:02:27 COOMBS (O/S FILTERED): Jay...Uh, I've got a problem here.

01:40:06:15 FELGER: Shh.

01:40:07:17 (THUMPING)

01:40:17:11 COOMBS: I think I need a little help.

01:40:57:00 O'NEILL: Clear.

01:40:59:19 CARTER: Clear, sir.

01:10:03:29 O'NEILL: Teal'c?

01:41:05:19 TEAL'C: The area is secure for the moment, O'Neill.

01:41:07:08 FELGER (O/S SHOUTING): Colonel O'Neill!

01:41:08:23 FELGER (CONT'D CALLING): Colonel O'Neill! Colonel O'Neill...

01:41:15:03 O'NEILL: What are you doing? Get Coombs out here.

01:41:17:13 FELGER: No, there's a slight problem there, sir. He's stuck.

01:41:20:17 COOMBS: Jay, I don't think I'm going to make it out of here. You just go.

01:41:24:20 COOMBS (CONT'D O/S FILTERED): You take care of my cats, okay?

01:41:26:00 FELGER (O/S): No. No, no, no, no, Simon.

01:41:27:16 FELGER (CONT'D): I got us into this mess. If you're staying, I'm staying, too.

01:41:30:05 O'NEILL: No one's staying. Can he ring us in?

01:41:34:05 FELGER: Coombs, can you ring Colonel O'Neill and Teal'c into the Pyramid?

01:41:38:06 COOMBS: I'll try.

01:41:43:06 O'NEILL: Give us five minutes, then...

01:41:57:15 (WEAPONS FIRING)

01:42:14:20 (DOOR CRASHING)

01:42:26:00 O'NEILL: Let's go home.

01:42:27:15 COOMBS: Oh, thank God.

01:42:42:03 FELGER: Simon, are you okay?

01:42:43:06 O'NEILL: Later!

01:43:21:23 HAMMOND: For bravery in the face of grave danger, I hereby award Simon  
Coombs and Jay Felger each the Air Force Civilian Award for Valor.

01:43:41:04 O'NEILL: Despite the fact that you gentlemen disobeyed my orders, which, in my  
little world, constitutes screwing up, twice...

01:43:54:23 O'NEILL (CONT'D): the truth is we wouldn't be here without you.

01:44:01:27 O'NEILL: You are true heroes.

01:44:04:01 FELGER: Thank you, Colonel.

01:44:22:12 COOMBS (V/O): Felger! Felger...Jay...

01:44:26:06 FELGER: Oh, what? What?

01:44:28:01 COOMBS (O/S): Snap out of it.

01:44:29:05 FELGER: Yeah, sorry.

01:44:30:05 COOMBS (O/S): The calibration scales for the ring power source?

01:44:32:07 FELGER: Right there. Right...there.

01:44:36:10 COOMBS: Geek.

01:44:38:27 FELGER: Nerd.
