ACT ONE

01:03:12:28 JONAS: I got it.

01:03:14:12 JONAS: I got it. Teal'c! Teal'c! I got it.

01:03:22:09 JONAS: I got it. Sorry, Tyler. Siler. Master Sergeant Siler.

01:03:29:06 28 JONAS: Siler. Three, please. Thank you. It's not the Lost City. See, there's a subtle difference in meaning when you use Asgard translations of early Ancient. Remember that. Excuse me. Watch it, watch it. Hey, where's Major Carter?

01:03:52:00 TECHNICIAN: She's in Hammond's office.

01:04:01:03 CARTER (O/S): According to intelligence provided by the Tok'ra, Anubis is quickly decimating the forces of the remaining System Lords.

01:04:07:29 JONAS: I got it.

01:04:10:12 CARTER: Hopefully it's not contagious.

01:04:11:10 JONAS: Ha, ha. The Lost City.

01:04:15:29 JONAS: On the tablet.

01:04:17:07 CARTER: You found it?

01:04:18:23 JONAS: Yeah, only it's not the Lost City. That never made sense to me anyway. I mean, the tablet is written in Ancient. How could they lose one of their own cities? And even if they did, why would they call it the Lost City? They wouldn't. They would call it by its name, right?

01:04:29:03 HAMMOND: Mr. Quinn.

01:04:30:09 JONAS: It's not the Lost City. It's the City of the Lost.

01:04:32:10 CARTER: Do you have a gate address?

01:04:33:23 JONAS: There's a reference in some partial translations that Dr. Jackson was working on from the Library of the Four Races. It talks about a city of the Ancients called Vis Uban as being a place where the plague began.

01:04:42:19 JONAS (CONT'D O/S): This was going to be the crown jewel...

01:04:44:26 JONAS (CONT'D): in the entire Ancient Domain, only it was still under construction when the plague broke out.

01:04:49:07 CARTER: Two words. "Gate address."

01:04:52:02 JONAS: Four years ago, when Colonel O'Neill had the Ancient Repository of Knowledge downloaded into his mind, one of the things that he did was to put a bunch of new gate addresses into the SGC computer. How many did he put in there?

01:05:03:07 CARTER: Well, we've been sending probes and cataloging them as fast as we can.

01:05:06:12 HAMMOND: Any possibly relevant planet goes on the mission list.

01:05:09:03 JONAS: Yeah, well, how many have actually had probes sent to them?

01:05:11:14 CARTER: Less than a quarter.

01:05:13:12 JONAS: And do you think that he came up with these gate addresses randomly, or could there be some sort of order?

01:05:17:25 CARTER: Yeah, I suppose.

02:05:20:05 JONAS: If Vis Uban wasn't finished being built at the time the entire Ancient civilization fell...

01:05:24:01 CARTER: You're saying the Ancient city we're looking for is the last one on the list?

01:05:27:12 JONAS: Well, we've been going in order from first to last, right?

01:05:30:23 HAMMOND: Send a probe.

01:05:32:27 CARTER: Yes, sir.

01:05:36:19 O'NEILL: We're not talking about a common cold here, Carter. It was the plague.

01:05:42:01 CARTER: Sir, we don't wear a Haz-Mat every time we step through the gate.
There's always a chance we could be exposing ourselves to something dangerous.

01:05:48:21 O'NEILL: Well, the place is called the City of the Dead.

01:05:52:00 JONAS: City of the Lost, actually, Sir.

01:05:55:10 O'NEILL: Not for lack of a sense of direction.

01:06:01:59 O'NEILL: Well, these folks don't look lost, nor dead.

01:06:26:03 JONAS: I don't think that these are the Ancients. I mean, anything's possible, but they look like some sort of nomadic tribe that's just taken up residence.

01:06:39:22 KHORDIB: Greetings.

01:06:46:07 JONAS: Greetings. We're travelers from a planet called

01:06:51:57 JONAS (CONT'D O/S): Earth.

01:06:53:57 KHORDIB: You came through the Chappa'ai?

01:06:55:08 JONAS: The Stargate. Chappa'ai.

01:06:58:04 KHORDIB: He is Jaffa.

01:07:00:26 O'NEILL (O/S): No...

01:07:02:05 O'NEILL (CONT'D): but he plays one on TV.

01:07:03:26 JONAS (O/S): This is Teal'c. He is no longer allied with the Goa'uld. He's a
friend...

01:07:09:02 JONAS (CONT'D): as are we.

01:07:10:04 KHORDIB: We too are travelers. This place is not our original home, but we have
been here for some time now. If you wish to lay claim--

01:07:21:00 JONAS (INTERRUPTING): No. No, no, nothing like that. We just want the
opportunity to learn more about your people and take a really good look
around these ruins.

01:07:33:05 SOLDIER #1: We need a sweep of the area, Sir.

01:07:35:11 COLONEL REYNOLDS: Maintain a secure perimeter, 50 meters radius from the
gate.

01:07:38:03 SOLDIER #1: Yes, Sir.

01:07:38:15 SOLDIER #2 (O/S): Sir?

01:07:52:25 KHORDIB: They are travelers, like us. They say that they are friends.

01:08:02:20 SHAMDA: No one can be a friend if you know not whether to trust them.

01:08:06:17 O'NEILL: Don't judge a book by its cover.

01:08:08:26 SHAMDA: Enemies' promises were made to be broken.

01:08:12:00 O'NEILL: And yet honesty is the best policy.

01:08:17:12 SHAMDA: He that has too many friends has none.

01:08:20:01 O'NEILL: Ah, but birds of a feather.

01:08:24:27 SHAMDA: I'm unfamiliar with that story. What lesson does it teach?

01:08:31:12 O'NEILL: It has to do with flocking, and togetherness, and, to be honest, I'm not
that familiar with the particulars myself.

01:08:42:07 O'NEILL (CONT'D): The point is, we're not your enemy.

01:08:44:17 O'NEILL (CONT'D): Give us a chance to prove it.

01:08:46:16 COLONEL REYNOLDS: Colonel.

01:08:51:19 COLONEL REYNOLDS (CONT'D): We found something you might want to see.

01:09:02:13 O'NEILL: Daniel?

01:09:08:25 SHAMDA: Arrrom.

01:09:13:12 O'NEILL: Arrrom?

01:09:14:15 KHORDIB: It's what we call him.

01:09:15:26 SHAMDA: It means "Naked One."

01:09:19:17 KHORDIB (O/S): That's how we found him in the forest two moons ago.

01:09:22:07 COLONEL REYNOLDS: Seems he doesn't remember who he is.

01:09:24:04 CARTER: Daniel?

01:09:27:15 CARTER (CONT'D): It's okay, it's me.

01:09:34:21 TEAL'C: Do you not recognize us, Daniel Jackson?

01:09:37:03 DANIEL: I'm sorry.

01:09:46:05 O'NEILL: Not even me?

END OF ACT ONE

ACT TWO

01:10:27:01 DANIEL: Please leave me alone.

01:10:29:11 O'NEILL: I'm Jack O'Neill, and barring some freakish similarity, you are Dr. Daniel Jackson.

01:10:40:13 DANIEL: This tent is all I know, and these people, they're all I know.

01:10:49:23 DANIEL (CONT'D): Before I woke up in the forest, I don't remember anything.

01:10:55:00 DANIEL (CONT'D): I've tried. I've tried to remember who I was before. Sometimes I think it's right there, floating in front of me, and all I have to do is reach out and grab it. I try, and it's gone.

01:11:10:24 O'NEILL: You were a member of my team, SG-1. You're a friend of mine. Last year, you died.

01:11:20:09 DANIEL: I'm dead?

01:11:21:21 O'NEILL: Obviously not. You just sort of died.

01:11:28:17 O'NEILL (CONT'D): Actually, you ascended to a higher plane of existence. Last time I saw you, you were helping us fight Anubis.

01:11:35:10 DANIEL: Anubis?

01:11:36:23 O'NEILL: Yeah, kind of an over-the-top, cliché bad guy. Black cloak, oily skin, kind of spooky. Anyway, obviously, since then, you've re-taken human form somehow. I...

01:11:57:00 O'NEILL (CONT'D): Actually, I can see how this might sound a bit unusual.

01:12:03:25 DANIEL: A bit? Why am I here?

01:12:06:29 O'NEILL: Hey, why are any of us here?

01:12:12:10 O'NEILL (CONT'D): Honestly, I don't know, but you've got to trust me. You are Daniel Jackson.

01:12:19:13 O'NEILL (CONT'D O/S): Think of it this way.

01:12:21:19 O'NEILL (CONT'D): Out of all the planets in the galaxy, why this one, if not for us to find you?

01:12:28:01 DANIEL: So you're saying a higher power had a hand in putting me here?

01:12:31:13 O'NEILL: I don't know. That was generally your department.

01:12:39:00 CARTER: Thanks very much.

01:12:43:12 KHORDIB: You're welcome.

01:12:47:10 CARTER: Jonas and Teal'c are helping SG-3 and -5 begin the preliminary sweep.

01:12:52:05 O'NEILL: Remember when I said it was like talking to a wall?

01:12:56:29 CARTER: Sir, we know that someone who's ascended can choose to re-take
human form.

01:13:00:07 O'NEILL: You think he also chose to forget everything?

01:13:03:06 CARTER: Maybe the part about his memory isn't voluntary. Who knows, maybe
the whole thing is punishment for trying to help us. He did say he was
breaking some pretty big rules.

01:13:11:28 O'NEILL: So, what?

01:13:15:05 CARTER: It's going to take some time to search the entire extent of the ruins.
There could be weapons or a power source hidden just about anywhere.
In the meantime, we try to help Daniel remember, if that's even possible.

01:13:27:20 O'NEILL: Tag. You're it.

01:13:31:08 CARTER: Can I come in?

01:13:45:05 DANIEL: Sure.

01:13:55:00 CARTER: So.

01:14:00:19 DANIEL: What did you say your name was again?

01:14:04:07 CARTER: Samantha Carter. You used to call me Sam.

01:14:07:22 DANIEL: Yeah, well, like I already told Jim--

01:14:10:00 CARTER (INTERRUPTING): Uh, Jack.

01:14:11:16 DANIEL: Jack. Yeah. I told him.

01:14:16:21 CARTER: I guess what I don't understand is why you aren't dying to know all
about who you are.

01:14:21:15 DANIEL: I am...

01:14:23:23 DANIEL (CONT'D): and I'm not.

01:14:25:25 CARTER: See, it's the not part--

01:14:27:15 DANIEL (INTERRUPTING): What if I don't like who I was? What if I don't want to
be that person? What if I don't have it in me to make up for something
I've done wrong?

01:14:43:05 CARTER: I have to admit, that never occurred to me.

01:14:46:00 CARTER (CONT'D): Look, we all thought we'd lost you at one point.

01:14:52:04 CARTER (CONT'D): It was one of the hardest things I have ever been through.
You were, you are brilliant...

01:14:59:00 CARTER (CONT'D): one of the most caring, passionate...

01:15:04:13 CARTER (CONT'D): You're the type of person who would give his own life for
someone he doesn't even know.

01:15:09:06 DANIEL: Well, that doesn't sound so bad.

01:15:13:04 CARTER: If you had one fault, it was that you wanted to save people so badly,
you wanted to help people so much, that it tore you apart when you
couldn't make a difference.

01:15:25:15 DANIEL: That actually sounds kind of hard to live up to.

01:15:30:22 CARTER: All I know is that if I were you...

01:15:33:10 CARTER (CONT'D): I would definitely want to get to know me. You.

01:15:37:27 DANIEL: I get it.

01:15:39:08 CARTER: Come back with us. Let us show you who you are, instead of just telling
you.

01:15:44:02 DANIEL: I'll think about it.

01:15:47:15 CARTER: Okay.

01:15:53:08 DANIEL: Samantha Carter?

01:15:55:27 CARTER: Yeah?

01:15:59:15 DANIEL: Was there ever anything between us?

01:16:03:18 CARTER: Us? No, no, not in that way.

01:16:11:23 CARTER (CONT'D): We were really, really good friends.

01:16:16:04 DANIEL: Okay.

01:16:26:21 O'NEILL: Carter. Shamda here was just telling me a story about a dog and some dancing monkeys.

01:16:40:20 SHAMDA: The moral of which is appearances can be deceptive.

01:16:44:00 O'NEILL: I got that. Very good story. Wonderful. Full of nuances. I like that.

01:16:50:13 JONAS: We sent up a UAV.

01:16:53:02 TEAL'C: The ruins are quite extensive.

01:16:54:15 JONAS: Yeah, it's going to take us weeks to scour this place properly.

01:16:58:01 TEAL'C: What of Daniel Jackson?

01:16:59:22 DANIEL (O/S): He's going home.

01:17:17:06 HAMMOND: Welcome back, Dr. Jackson.

01:17:19:00 DANIEL: Thank you. Thank you very much.

01:17:23:03 HAMMOND: You have no memory of who I am?

01:17:25:07 DANIEL: None whatsoever.

01:17:27:09 O'NEILL: Neither do I, sir.

01:17:30:10 O'NEILL: Uh, that way.

01:17:34:01 O'NEILL: Did I mention you owe me 50 bucks?

01:17:43:09 FRAISER: Well, I'm happy to say, sir, that he's in perfect health, except for...

01:17:53:15 FRAISER (CONT'D): one small exception.

01:18:00:23 DANIEL: Wow, that's different.

01:18:02:11 O'NEILL: You recognize me now?

01:18:05:25 DANIEL: Has your hair always been that way?

01:18:09:06 O'NEILL: What way?

01:18:11:21 DANIEL: Never mind.

01:18:15:16 [BUZZER AS LOCK DISENGAGES]

01:18:28:02 O'NEILL: Not exactly home, but we unpacked some of your stuff.

01:18:35:04 DANIEL: You kept all this even though you thought I was dead?

01:18:38:26 O'NEILL: Well, to be honest, we tossed out a ton of junk, a lot of which seemed to
be very valuable.

01:18:59:20 O'NEILL: I kept a few of your personal things alive there.

01:19:04:20 DANIEL: I know her.

01:19:10:04 O'NEILL: Really?

01:19:11:16 DANIEL: I mean, I must, right?

01:19:14:01 O'NEILL: Yeah.

01:19:16:13 DANIEL: Who is she? What's her name?

01:19:18:26 O'NEILL: You tell me.

01:19:53:13 [KNOCK AT THE DOOR]

01:20:00:19 DANIEL: Sorry, am I interrupting?

01:20:01:29 TEAL'C: You are not. I am unable to kelnoreem as I once did, since I began using
 Tretonin.

01:20:09:07 DANIEL: Well, that sounds complicated.

01:20:11:20 TEAL'C: Indeed. Enter.

01:20:17:08 DANIEL: Her name is Sha're.

01:20:30:27 TEAL'C: Yes.

01:20:33:05 DANIEL: No one told me that. I remembered that by myself. I dreamed about her,
 and when I woke up, I knew her name.

01:20:40:26 TEAL'C: That is good news, Daniel Jackson.

01:20:42:19 DANIEL: Yeah...

01:20:43:20 DANIEL (CONT'D): it's the first time I've believed I might have a chance, you
 know? If I can remember a name, then there's a chance it's all in there
 somewhere, right?

01:20:50:07 TEAL'C: Indeed.

01:20:52:08 DANIEL: So, where is she?

01:20:58:15 DANIEL: She's dead.

01:21:16:04 DANIEL: I loved her very much.

01:21:18:08 DANIEL: This being, Oma Desala, is supposedly very powerful, right?

01:21:31:00 TEAL'C: That is correct.

01:21:32:12 DANIEL: Why would she do this?

01:21:33:14 DANIEL (CONT'D): I mean, if she wanted me to forget...

01:21:35:15 TEAL'C: You often spoke of the rules to which you were subjugated as one of the
 ascended.

01:21:39:03 TEAL'C (CONT'D): Perhaps she was required to erase your memories by the laws
 of the Others, but as your friend and mentor, she wished you one day to
 regain it.

01:21:48:09 DANIEL: You think she cheated? She found a way around the rules?

01:21:50:21 TEAL'C: You do not agree?

01:21:56:15 DANIEL: Tell me about this Anubis.

01:22:00:02 DANIEL (CONT'D): Why did I break the rules to fight him?

01:22:01:21 TEAL'C: Do you not believe it wise to remember on your own accord?

01:22:04:08 DANIEL: No. I need to know why this is happening to me.

01:22:15:08 JONAS: At this point, we believe that we've mapped the full extent of the ruins.

01:22:21:07 O'NEILL: No fancy guns, or anything cool?

01:22:25:01 JONAS: Well, we've only completed a preliminary investigation.

01:22:28:05 [FOOTSTEPS O/S]

01:22:30:19 DANIEL: Sorry I'm late. I forgot what time the meeting was.

01:22:43:12 DANIEL: It's a little joke there. It's the memory thing.

01:22:47:25 HAMMOND: Dr. Jackson, this briefing is classified.

01:22:50:14 DANIEL: Yeah, Jonas mentioned that, but you've all said that I used to be part of
this, so... Look, I can't really give you a good reason. I just feel like I
should be here.

01:23:04:13 HAMMOND: Good enough.

01:23:09:08 DANIEL: Besides, who am I going to tell? I don't remember anybody, right?

01:23:17:27 O'NEILL: Good one.

01:23:19:07 DANIEL: Thanks, Jim.

01:23:22:21 JONAS (O/S): Oh, so there are extensive writings.

01:23:25:24 JONAS (O/S CONT'D): All of them are in the oldest known...

01:23:27:18 JONAS (CONT'D): Ancient dialects. All of them have yet to be translated, but so far, we haven't found any signs of any advanced weapons or power sources.

01:23:34:15 JONAS (CONT'D O/S): I mean, the original name of the city is Vis Uban, which does translate as "place of great power,"...

01:23:40:06 JONAS (CONT'D): but there's no indication that we're going to find any means of defeating Anubis there.

01:23:43:15 DANIEL: You're not.

01:23:47:04 DANIEL: It's not the Lost City.

01:23:50:18 O'NEILL: How do you know?

01:23:52:04 DANIEL: Because Jonas translated "lacun" to mean "of the lost".

01:23:55:09 JONAS: Yeah, but that's how we found--

01:23:56:10 DANIEL (INTERRUPTING): The wrong place.

01:23:57:16 JONAS: But the translations in your notes...

01:23:58:16 DANIEL: Also wrong. If these are the ones you mean, I was way off.

01:24:02:12 JONAS: Well, how do you know that?

01:24:03:27 DANIEL: I don't know. I just know what the tablet says.

01:24:06:12 O'NEILL: How?

01:24:07:23 DANIEL: I don't know. I just looked at it, and understood it.

01:24:11:05 CARTER: Wait a minute. Are you saying the Ancients actually lost one of their
own cities?

01:24:16:13 DANIEL: No, no, they didn't lose it. They made it lost to other people that might try
to find it.

01:24:21:29 DANIEL (CONT'D O/S): I'm guessing that they camouflaged it,

01:24:25:04 DANIEL (CONT'D): and removed all reference to it from the written history.

01:24:28:06 O'NEILL (O/S): So...

01:24:29:12 O'NEILL (CONT'D): the Lost City is still lost?

01:24:33:26 DANIEL: I'm pretty sure.

01:24:35:23 O'NEILL: You know, you told me to give Anubis that eye.

01:24:39:24 CARTER: According to reports from our allies, Anubis is quickly conquering the
other System Lords.

01:24:44:21 TEAL'C: He will dominate the galaxy in a very short time.

01:24:47:02 O'NEILL: I only did it because you said we could whup his ass with what we'd find
in this Lost City.

01:24:51:06 DANIEL: If I said that, and I hope it's true, but...

01:24:55:25 DANIEL (CONT'D): Look, all I know is that the place you're searching right now is
not it.

01:24:59:29 O'NEILL: Then where is "it"?

01:25:04:23 DANIEL: Did I just say "all I know"?

01:25:08:06 O'NEILL: Everyone turn away.

01:25:13:16 O'NEILL (CONT'D): I want no witnesses.

END OF ACT TWO

ACT THREE

01:25:47:18 DANIEL (O/S): Yeah?

01:25:50:23 DANIEL: Hey.

01:25:52:17 JONAS: Sorry to bother you.

01:25:53:27 DANIEL: Oh, you're not. I was just reading about us, actually.

01:25:58:13 JONAS: You said that Anubis was part-ascended, that the Ancients tried to send him back to our level of existence, but failed, and now he's trapped somewhere in between.

01:26:12:12 DANIEL: Yeah, so I've heard.

01:26:15:05 JONAS: Anubis wouldn't know everything there is to know about the Ancients then, right? Otherwise he would have already found the Lost City--

01:26:20:23 DANIEL (INTERRUPTING): Look, I know I was able to read that tablet, but--

01:26:23:07 JONAS (INTERRUPTING): No, I'm just thinking out loud here.

01:26:25:03 JONAS (CONT'D O/S): If Anubis were to accidentally find the tablet, chances are...

01:26:29:00 JONAS (CONT'D): that he's not going to make the same mistake I did.

01:26:31:02 DANIEL: I don't know.

01:26:34:03 JONAS: But if we were to make a replica of the tablet, you know, change what it says...

01:26:37:24 DANIEL: Why?

01:27:14:12 CARTER: As you all know, we've had little success using Naquadria to power the F-302's hyperspace generator for any length of time.

01:27:20:29 CARTER (CONT'D): However, if our calculations are correct, we believe that a short, controlled burst would send the 302 into subspace just long enough to bypass the mothership's shields.

01:27:30:12 O'NEILL: And if your calculations are incorrect?

01:27:33:07 CARTER: The 302 would bypass the mothership altogether, or worse, re-emerge inside it, but let's not go there right now.

01:27:39:12 O'NEILL: Of course. Let's not dwell.

01:27:42:06 CARTER: Now, according to intelligence provided by the Tok'ra...

01:27:47:06 CARTER (CONT'D): the power core of Anubis' new weapon must be cooled by a ventilation shaft on the exterior of the ship.

01:27:53:10 CARTER (CONT'D): If that can be targeted and destroyed just as the weapon is powering up, the crystals will overheat and be destroyed.

01:28:03:04 O'NEILL: Where is this shaft, exactly?

01:28:06:00 CARTER: As Colonel O'Neill is well aware, we don't know exactly where the shaft is.

01:28:13:23 TOK'RA: Our operative in Anubis' ranks has been unable to get aboard the new ship, and has only been able to glean a very limited working knowledge of it. Anubis protects his computer systems with elaborate ciphers coded in the oldest known Ancient dialect. We have been unable to translate them.

01:28:28:18 CARTER: Which is where Jonas Quinn...

01:28:30:18 CARTER (CONT'D O/S): and Daniel Jackson come in.

01:28:32:07 CARTER (O/S CONT'D): They'll sneak aboard Anubis' ship and access the computer.

01:28:35:06 TOK'RA: We have devised an injectable radioactive isotope that will allow them to move freely on Anubis' ship, undetected by its sensors for eight hours.

01:28:42:20 CARTER: They'll decipher the codes, and relay the location of the target to Colonel O'Neill and myself, who will be flying the F-302.

01:28:48:08 O'NEILL: No problem, right?

01:28:50:21 JONAS: Hey, sounds easy to me.

01:28:54:24 O'NEILL: Good. Anubis' ship is destroyed, and we all live to save another day.

01:28:59:28 CARTER: Again, as the Colonel is well aware...

01:29:04:11 CARTER (CONT'D O/S): we have reason to believe that eliminating the crystal...

01:29:08:06 CARTER (CONT'D): power core of the ship's main weapon won't destroy the
entire ship. Its defenses and auxiliary weapons will remain intact.

01:29:16:09 O'NEILL: Why don't we dwell on that for just a minute?

01:29:18:27 CARTER: Our goal is to take out Anubis' new super weapon. It's what gives him a
clear advantage over the rest of the Goa'uld motherships. Now, we've
received word from Teal'c that Yu has pledged to bring the full force of
the remaining System Lords' fleet down on Anubis once we've
succeeded.

01:29:33:29 O'NEILL: Okay, everyone who thinks this is absolutely an insane idea, raise your
hand.

01:29:41:10 O'NEILL (CONT'D): Come on, be honest. Let's go. Get them up there.

01:29:49:07 HAMMOND: Keep you hands up, people, because the next question is, who is
going to make this happen?

01:29:56:19 JONAS: Well, it's going to take us at least a week to relocate the inhabitants of the
ruins.

01:30:00:23 CARTER: Which will give us more than enough time to build a makeshift runway,
and get the 302 through the gate and reassembled.

01:30:06:19 JONAS: And once everything is established, the Tok'ra will plant our fake tablet,
and, with any luck, we'll lure Anubis to the planet.

01:30:15:17 HAMMOND: Let's move.

01:30:22:28 O'NEILL: Look, I realize I wasn't the most positive voice in the room.

01:30:31:03 CARTER: We all know it's an extreme long-shot, Sir.

01:30:33:12 O'NEILL: Well, my big problem with it is that all this depends on us trusting a
Goa'uld to back us up.

01:30:38:10 CARTER: This is our only chance to take Anubis completely out of the picture,
and Yu has come through for us in the past.

01:30:43:20 O'NEILL: All I'm saying, just for the record...this is the wackiest plan we've ever
come up with.

01:30:49:13 CARTER (O/S): Wackier than strapping...

01:30:50:19 CARTER (CONT'D): an active Stargate to the bottom of the X-302?

01:30:53:04 O'NEILL: Oh, yeah.

01:30:54:11 CARTER: Wackier than blowing up a sun?

01:30:56:28 O'NEILL: Yep.

01:30:59:05 CARTER: He's probably right.

01:31:23:12 OSHU: My Lord, the fleet is ready.

01:31:29:14 YU: I say when the fleet is ready.

01:31:32:07 OSHU: Of course, my Lord.

01:31:37:08 OSHU (CONT'D): It is time we move them into position to prepare for the ambush
of Anubis, as you...

01:31:42:23 OSHU (CONT'D O/S): agreed, my Lord.

01:31:44:18 YU: Speak to me as if I am a fool again, and you will not take another breath.

01:31:48:11 OSHU: Yes, my Lord.

01:31:50:27

YU: Move the fleet into position.

END OF ACT THREE

ACT FOUR

01:32:40:21 DANIEL: That's your son.

01:32:43:04 O'NEILL: Yeah.

01:32:44:13 DANIEL: Charlie, right? He's why I know you. You took that first mission to
Abydos because you thought it'd be...

01:32:51:08 DANIEL (CONT'D O/S): suicide.

01:32:52:10 O'NEILL: Things change.

01:32:53:14 DANIEL: Yeah. Sorry.

01:32:55:19 O'NEILL: You sure you're ready for this?

01:32:59:18 DANIEL: Yeah, well, despite what you say...

01:33:02:02 DANIEL (CONT'D): I don't think you'd be doing this if it wasn't worth doing.

01:33:05:18 O'NEILL: Well, you obviously don't remember everything. You never used to
follow my lead.

01:33:11:21 DANIEL: I didn't?

01:33:13:15 DANIEL (O/S): Hey.

01:33:20:03 DANIEL (CONT'D): I may not remember everything, but I remember enough.

01:33:26:07 O'NEILL: Good.

01:33:40:08 CARTER: Sir, welcome to base camp.

01:33:52:24 HAMMOND: Thank you, Major.

01:33:54:09 CARTER: I have to admit, Sir, it's a little strange to see you off-world.

01:33:56:29 HAMMOND: Well, this is not your usual, run of the mill alien planet operation...

01:34:00:13 HAMMOND (CONT'D O/S): is it, Major?

01:34:01:01 CARTER: No, Sir.

01:34:02:00 HAMMOND: What's our status?

01:34:03:10 CARTER: We're ready to go, Sir.

01:34:04:14 HAMMOND: You'd better get yourself out to the F-302, then.

01:34:07:24 CARTER: Yes, sir.

01:34:22:16 OSHU: We have just received word. Anubis' ship will be arriving in the system momentarily.

01:34:40:00 TECHNICIAN (V/O): Air Strike, this is Command Base. You are a go for take off.

01:34:47:24 O'NEILL: Hey, I thought we were going with "Red Leader" on this one.

01:34:50:22 CARTER: All systems go, sir.

01:34:54:03 O'NEILL: Uh, Command? There is one more thing.

01:34:56:18 HAMMOND: Colonel, Major, Godspeed.

01:35:01:24 O'NEILL: All right, that's better.

01:35:04:18 CARTER: Thank you, sir.

01:36:04:09 JONAS: Thanks, guys.

01:36:10:13 COLONEL REYNOLDS: Good luck.

01:36:30:06 O'NEILL: Holy crap, look at that thing. It's huge.

01:36:38:01 CARTER: I think they know we're coming, sir.

01:36:39:27 CARTER (O/S): Tally four gliders, nose, 400 kilometers.

01:37:18:19 O'NEILL: Extending. Max burn.

01:37:21:09 CARTER: You're heading right for them, Sir.

01:37:23:06 O'NEILL: I want to see what this thing's made of.

01:37:25:09 CARTER: I could tell you exactly, Sir.

01:37:26:29 O'NEILL: Another time maybe, please.

01:37:45:15 O'NEILL: Fox 4-1.

01:37:53:08 O'NEILL: Pitching back left, 1-3-5.

01:38:03:06 CARTER (V/O): Daniel, Jonas, we are under attack. We need that intel.

01:38:07:03 DANIEL: We're close.

01:38:08:06 CARTER: We can't hold these guys off for long.

01:38:11:04 [KNOCKING AT A DOOR]

01:38:12:26 JONAS: Oh, great, we got company.

01:38:23:25 OSHU: My Lord.

01:38:26:15 YU (V/O): Take the fleet to Chodawa.

01:38:27:22 OSHU: My Lord, that is across the galaxy. We are in position to ambush Anubis
according to--

01:38:32:10 YU (INTERRUPTING O/S): Do not question me.

01:38:33:19 YU (CONT'D): I am your God. Do as I say.

01:38:38:29 TEAL'C: You cannot.

01:38:39:29 OSHU: I have no choice. Take him to a holding cell.

01:38:43:04 TEAL'C: If you abandon this opportunity to eliminate Anubis, you are dooming
yourself and your master as well.

01:38:48:00 OSHU: I must do as my God commands.

END OF ACT FOUR

ACT FIVE

01:39:22:23 HERAK (O/S): My Lord.

01:39:28:04 HERAK (CONT'D): Our ground troops have confirmed that there is a human base
on the planet.

01:39:32:03 ANUBIS: The search of the city?

01:39:33:19 HERAK: No energy signatures.

01:39:43:04 JONAS: All right, that'll hold them off for a while.

01:39:51:00 [THUMPING AND SHOUTING O/S]

01:39:53:29 JONAS: A little while.

01:39:55:08 DANIEL: That's it. I'm in.

01:39:58:19 DANIEL (CONT'D): Uh, this may take more than a little while.

01:40:01:11 JONAS: Well, can't you do some kind of keyword search?

01:40:04:22 DANIEL: Yeah, for what? "Achilles"?

01:40:06:08 JONAS: Well, that's good. I'm glad to see that your memory's finally coming
back...

01:40:10:16 JONAS (CONT'D): not to mention your razor-sharp wit, but why don't we try something like "power core venting"?

01:40:18:08 JONAS: That's it, that's it.

01:40:21:08 DANIEL: Jack, Sam, we've got it. Transmitting data.

01:40:32:07 O'NEILL: We've got to go, Carter.

01:40:35:12 CARTER: Sir, I've got the target data, but we need Anubis to power the weapon.

01:40:38:15 HAMMOND: Airborne, we have not heard from Teal'c. The Goa'uld fleet is long overdue.

01:40:43:11 O'NEILL: (V/O): See? I had a problem with this plan.

01:40:45:14 HERAK: My Lord, the attack vessel continues to elude our gliders.

01:40:51:07 ANUBIS: Send in another squadron.

01:40:55:07 HERAK: I do not believe what you are searching for is here.

01:40:58:27 ANUBIS: I agree.

01:41:01:08 HERAK: Shall I target their base, my Lord?

01:41:03:05 ANUBIS: No. Recall the ground troops.

01:41:09:10 HERAK: Yes, my Lord.

01:41:12:02 JONAS: I don't think that we're going to get back to the ring room that way.

01:41:14:18 DANIEL: What's that?

01:41:17:06 JONAS: They're targeting the planet. Base camp, this is Jonas.

01:41:22:01 JONAS (CONT'D V/O): Come in.

01:41:23:08 TECHNICIAN: Go ahead.

01:41:24:11 JONAS (V/O): Your position's been compromised. The Stargate is being targeted.
 Repeat, the Stargate is being targeted.

01:41:29:22 JONAS (CONT'D): The Naquadah will amplify the blast.

01:41:31:28 HAMMOND: Roger that. Evacuate all personnel.

01:41:40:15 O'NEILL: We can go at it now, right?

01:41:42:25 CARTER: We need the Goa'uld motherships here to finish the job.

01:41:45:09 CARTER (CONT'D O/S): Sir, we've got four more gliders headed this way.

01:41:47:26 O'NEILL: Can we go at it now?

01:41:49:15 CARTER: Activating hyper-drive.

01:41:55:16 O'NEILL: Extending straight up.

01:42:04:10 O'NEILL: Damn, that was close.

01:42:06:19 CARTER: Transferring targeting data to your terminal, Sir.

01:42:12:27 HERAK: My Lord, the human attack vessel has breached our shields.

01:42:17:20 ANUBIS: Shoot it down.

01:42:19:04 DANIEL: Let's get out of here.

01:42:22:02 JONAS: Yeah.

01:42:25:04 [SHOUTING]

01:42:26:27 JONAS: Here. Go. Come on.

01:42:49:08 O'NEILL (V/O): Target is locked.

01:42:51:25 O'NEILL (CONT'D): Fox 4-1.

01:43:02:26 CARTER: Nice shot, sir.

01:43:04:05 O'NEILL: Well, thank you, Ma'am.

01:43:06:13 HERAK: We've been hit. The core is overloading. We must power down the weapon.

01:43:38:06 CARTER (V/O): Daniel, come in. Do you read?

01:43:41:10 DANIEL: Yeah, I'm still on the ship. Hey, congratulations. I think you guys hit the mark.

01:43:47:15 O'NEILL: Thanks. It was fun.

01:43:48:27 CARTER: We'll wait until Anubis' ship clears out and rendezvous with you at the Stargate as planned.

01:43:53:02 DANIEL: Yeah, as far as that goes, we may have a little problem.

01:43:56:08 ANUBIS: You will suffer gravely.

01:44:03:09 JONAS: Yeah, I figured as much, although I am consoled by the fact that we succeeded in destroying the power source for your new weapon.

01:44:12:13 ANUBIS: You are in no position to gloat.

01:44:16:00 JONAS: We just wiped out your single advantage you had over the Goa'uld. I would say that's about as good a reason as any.

01:44:25:20 ANUBIS: Enough.

01:44:27:05 JONAS: I won't tell you anything.

01:44:29:24 ANUBIS: Oh, yes, you will.
