RECAP

01:00:00:20 TEAL'C (V/O): Previously on Stargate SG-1...

01:00:05:17 TEAL'C: Do you not recognize us, Daniel Jackson?

01:00:07:14 DANIEL: I'm sorry.

01:00:08:13 O'NEILL: You were a member of my team, SG-1.

01:00:10:25 O'NEILL (CONT'D O/S): You're a friend of mine.

01:00:12:07 OSHU: We are in position to ambush Anubis according to--

01:00:14:07 LORD YU (O/S INTERRUPTING): Do not question me.

01:00:15:10 LORD YU (CONT'D): Do as I say.

01:00:16:18 CARTER (O/S): Activating hyperdrive.

01:00:24:15 O'NEILL (V/O): Target is locked. Fox 4-1.

01:00:33:00 ANUBIS: You will suffer gravely.

01:00:35:22 JONAS: I won't tell you anything.

01:00:37:11 ANUBIS: Yes, you will.

TEASER

01:00:49:15 TECHNICIAN: Receiving IDC, Sir. It's SG-1.

01:00:53:03 HAMMOND: Open the iris.

01:01:01:28 HAMMOND (O/S): Colonel, Major.

01:01:07:10 CARTER: Our mission objective was a success, Sir. Anubis' new weapon has
 been neutralized.

01:01:11:16 HAMMOND: Well done. What about Jonas and Dr. Jackson?

01:01:15:03 O'NEILL: Still on the ship.

01:01:16:10 CARTER: Anubis went into hyperspace before we could do anything.

01:01:18:22 HAMMOND: Do we have any idea where they went?

01:01:20:21 CARTER: No, Sir.

01:01:30:28 ANUBIS (O/S): You appear to be unharmed by the mind probe.

01:01:38:01 JONAS: I appreciate the concern. You seem calm considering some lowly
 humans...

01:01:45:28 JONAS (CONT'D): just put a serious crimp in your plans for galactic domination.

01:01:50:00 ANUBIS: Your insolence amuses me. I've learned many valuable things from you,
Jonas Quinn. I now know...

01:01:57:14 ANUBIS (CONT'D O/S): Dr. Jackson accompanied you aboard this ship.

01:02:01:05 JONAS: Do you know where he is?

01:02:03:07 ANUBIS (O/S): He continues to elude our sensors...

01:02:06:17 ANUBIS (CONT'D): but his time is running out.

01:02:09:00 JONAS: Nothing you learn from me is going to help you.

01:02:11:18 ANUBIS (O/S): Oh...

01:02:12:14 ANUBIS (CONT'D): we will see about that.

01:02:15:07 ANUBIS (CONT'D): Have a look out the window.

01:02:23:28 JONAS (O/S): We dropped out of hyperspace.

01:02:27:16 ANUBIS: I am eager to find out more about this powerful variation of naquadah
discovered on your planet. I believe you call it "Naquadria."

01:02:39:04 JONAS: Where are we?

01:02:40:19 ANUBIS: Welcome home, Jonas Quinn.

ACT ONE

01:04:22:10 HAMMOND: We just received a report from Tok'ra intelligence. So far, they have
 no information on the whereabouts of Anubis' ship.

01:04:30:15 O'NEILL: What about Teal'c?

01:04:31:17 HAMMOND: We haven't heard anything.

01:04:32:21 HAMMOND (CONT'D): We can only assume he's still with Yu's fleet.

01:04:35:12 CARTER: Any idea why they didn't show?

01:04:37:26 O'NEILL: I could make a guess.

01:04:39:19 HAMMOND: You think Yu hung us out to dry.

01:04:41:13 O'NEILL: I'm not going to touch that, Sir.

01:04:44:01 CARTER: I don't think he would've made a deal with Anubis, not with their history.

01:04:47:02 O'NEILL: Trust a Goa'uld, this is what you get.

01:04:49:05 HAMMOND: I understand how you feel, Colonel...

01:04:50:27 HAMMOND (CONT'D): but I approved this operation because I believed it was our
 best chance to deal Anubis a crippling blow.

01:04:56:05 O'NEILL: Yes, Sir.

01:04:58:04 TECHNICIAN (V/O): Unscheduled off-world activation.

01:05:03:16 TECHNICIAN: We're receiving a radio signal, Sir.

01:05:13:01 AMBASSADOR DREYLOCK (V/O): This is Ambassador Dreylock of the
Kelownan High Council. Please respond.

01:05:16:29 HAMMOND: This is General Hammond of Stargate Command.

01:05:19:16 AMBASSADOR DREYLOCK (V/O): We request immediate assistance. We are
under attack.

01:05:22:24 HAMMOND: We've been over this, Ambassador. We can't interfere in the internal
affairs of your planet.

01:05:27:29 AMBASSADOR DREYLOCK (V/O): You don't understand.

01:05:29:06 AMBASSADOR DREYLOCK (V/O CONT'D): We are under attack from a Goa'uld.

01:05:31:01 AMBASSADOR DREYLOCK (V/O CONT'D): He calls himself Anubis.

01:05:38:25 O'NEILL: Oy.

01:05:45:00 TEAL'C: Why have I been detained? Lord Yu is without honor.

01:08:06:27 TEAL'C (CONT'D O/S): What meaning will your life have then?

01:08:31:21 COMMANDER HALE: Have they agreed to help us?

01:08:34:26 AMBASSADOR DREYLOCK: Not yet.

01:08:36:16 AMBASSADOR DREYLOCK: Colonel O'Neill...

01:08:45:15 AMBASSADOR DREYLOCK: Major Carter.

01:08:47:05 CARTER (O/S): Ambassador...

01:08:48:06 CARTER (CONT'D): Commander.

01:08:49:06 AMBASSADOR DREYLOCK (O/S): Thank you for coming.

01:08:50:08 O'NEILL: What's going on, kids?

01:08:51:12 COMMANDER HALE: A ship is hovering over the city. Alien troops have already
 the...

01:08:55:22 COMMANDER HALE (CONT'D): capitol building, as well as other key positions.

01:08:58:13 CARTER: Where are we, exactly?

01:08:59:16 COMMANDER HALE: This bunker is several hundred feet below an army base...

01:09:02:01 COMMANDER HALE (CONT'D): on the outskirts of the city.

01:09:04:20 CARTER: The communicator should work. It was designed to transmit from Tok'ra
 tunnels.

01:09:08:11 AMBASSADOR DREYLOCK: I don't understand.

01:09:09:25 CARTER (O/S): We believe...

01:09:10:04 CARTER (CONT'D): two of our people may be on board that ship, one being
 Jonas Quinn.

F

01:09:14:20 O'NEILL (INTO WALKIE-TALKIE): Daniel? Daniel, come in. This is O'Neill.

01:09:22:22 O'NEILL (V/O OVER WALKIE-TALKIE): Daniel?

01:09:26:25 DANIEL (INTO WALKIE-TALKIE): Jack?

01:09:27:25 O'NEILL (INTO WALKIE-TALKIE): What's your situation?

01:09:30:03 DANIEL (INTO WALKIE-TALKIE): I'm hiding. What's yours?

01:09:34:19 O'NEILL (INTO WALKIE-TALKIE): Carter and I are on the planet.

01:09:37:04 DANIEL (INTO WALKIE-TALKIE): You're going to have to be a little more specific,
 Jack. I haven't had a chance to look out a window lately.

01:09:40:11 O'NEILL (INTO WALKIE-TALKIE): You're hovering over Jonas's homeworld.

01:09:43:08 DANIEL (INTO WALKIE-TALKIE): Why?

01:09:44:23 O'NEILL (V/O OVER WALKIE-TALKIE): I wish I knew.

01:09:45:23 O'NEILL (CONT'D INTO WALKIE-TALKIE): Are you in any immediate danger?

01:09:47:27 DANIEL (INTO WALKIE-TALKIE): Depends what you mean by "immediate."

01:09:49:20 O'NEILL (INTO WALKIE-TALKIE): Daniel.

01:09:51:09 DANIEL (V/O OVER WALKIE-TALKIE): I'm fine.

01:09:52:25 DANIEL (CONT'D INTO WALKIE-TALKIE): I got a location on Jonas's cell from
the ship's computer. I'm on my way there right now. I've just got a couple
of problems.

01:09:57:23 O'NEILL (INTO WALKIE-TALKIE): Like what?

01:09:59:18 DANIEL (INTO WALKIE-TALKIE): Well, I'm not sure how to shut off the force
shield protecting his cell yet.

01:10:02:27 O'NEILL (INTO WALKIE-TALKIE): You said a couple?

01:10:05:10 DANIEL (INTO WALKIE-TALKIE): Yeah, actually, I'm a little lost at the moment...

01:10:08:13 DANIEL (CONT'D V/O OVER WALKIE-TALKIE): and I've only got about...

01:10:10:14 DANIEL (CONT'D INTO WALKIE-TALKIE): three hours left before the Tok'ra isotope wears off and I'm visible to the ship's sensors.

01:10:14:22 O'NEILL (INTO WALKIE-TALKIE): So business as usual, then, huh?

01:10:17:26 DANIEL (INTO WALKIE-TALKIE): I don't know. Is it?

01:10:19:22 O'NEILL (INTO WALKIE-TALKIE): Yes, we do this kind of thing all the time.

01:10:24:04 DANIEL (INTO WALKIE-TALKIE): Oh, well, good. That's comforting then.

01:10:31:26 OSHU: This is a mistake.

01:10:34:19 TEAL'C: Lord Yu can no longer be permitted to command the opposition to Anubis. His Jaffa will follow your orders in his name...

01:10:41:27 TEAL'C (CONT'D O/S): but others will not, and we...

01:10:44:00 TEAL'C (CONT'D): need the combined force of the System Lords.

01:10:45:21 OSHU: None of them can be trusted.

01:10:47:23 TEAL'C: Nonetheless, one must be chosen.

01:10:50:03 [INCOMING SIGNAL BEEPING]

01:10:52:10 OSHU: The signal is coming through.

01:11:00:07 BAAL: What is the meaning of this?

01:11:03:20 OSHU: Lord Baal--

01:11:04:20 BAAL (INTERRUPTING O/S): Where is your master?

01:11:05:12 BAAL (CONT'D): Why do you allow this Shol'va to appear before me?

01:11:08:15 TEAL'C: I am here to present an offer.

01:11:11:05 BAAL: I will not listen to the words of a traitor.

01:11:13:03 TEAL'C: Then you will miss an opportunity to rid yourself of Anubis forever.

01:11:20:08 COMMANDER HALE: When the ship appeared, we were caught completely off guard. There was widespread panic. Before we even knew what was happening, most of the High Council had been taken hostage. When we wouldn't give in to his demands, Anubis had the First Minister executed.

01:11:38:23 COMMANDER HALE (CONT'D O/S): He also fired a volley into our industrial sector, destroying several factories...

01:11:44:13 COMMANDER HALE (CONT'D): and killing many innocent citizens. After that, we gave him what he wanted.

01:11:54:08 O'NEILL: Which was?

01:11:56:11 COMMANDER HALE: Naquadria.

01:11:57:12 COMMANDER HALE (CONT'D O/S): Our entire stockpile.

01:12:00:22 AMBASSADOR DREYLOCK: Commander.

01:12:03:13 AMBASSADOR DREYLOCK (CONT'D): We're receiving a transmission from the
surface.

01:12:05:14 COMMANDER HALE: Excuse me a moment.

01:12:10:00 CARTER: Anubis must've used that mind probe on Jonas.

01:12:14:22 CARTER (CONT'D O/S): That's how he found out about the Naquadria.

01:12:16:29 O'NEILL: Well, if he did, he knows the stuff only works half the time.

01:12:19:10 CARTER: Just because we haven't been able to establish a stable power output
doesn't mean he won't, and if he does...

01:12:25:09 O'NEILL: Tadada-dah, ta-dah!

END OF ACT ONE

ACT TWO

01:13:02:21 OSHU: The truth is, my master is no longer fit to lead the combined forces of the System Lords.

01:13:07:26 BAAL: How dare you judge your god? The Shol'va has poisoned your mind.

01:13:12:23 TEAL'C: Clearly, Lord Baal is not interested.

01:13:15:21 OSHU: We should contact one of the other system lords.

01:13:17:27 TEAL'C (O/S): Mm-hmm.

01:13:19:01 TEAL'C (CONT'D): Perhaps Bastet.

01:13:22:05 BAAL (O/S): If I...

01:13:21:09 BAAL (CONT'D):assume command, how can I be assured of the loyalty of Yu's troops?

01:13:27:00 OSHU: They will follow me in his name.

01:13:29:02 BAAL: And will you obey me?

01:13:31:10 OSHU: The destruction of Anubis is in my master's best interest. I will support any action that leads to this goal.

01:13:37:27 TEAL'C (O/S): If you are both in agreement...

01:13:41:08 TEAL'C (CONT'D): I must contact The Tauri to make the final arrangements.

01:13:44:04 BAAL: Then do so.

01:13:47:03 TEAL'C: Take me to the nearest Stargate.

01:13:59:22 CARTER: Commander, you said you gave Anubis your entire stockpile of
 Naquadria.

01:14:17:06 COMMANDER HALE: That's correct.

01:14:18:23 CARTER: So if he got what he wanted, why is he still here?

01:14:21:15 COMMANDER HALE: I have no idea.

01:14:22:15 COMMANDER HALE (CONT'D): We've just learned his men have been rounding
 up archaeologists from the Academy of Sciences.

01:14:26:15 CARTER: He may be trying to find the Stargate.

01:14:29:18 O'NEILL: How secure is this place?

01:14:30:28 COMMANDER HALE: It's top secret. We had the gate moved here after the
 Tiranians and Andaris began their air strikes.

01:14:37:04 CARTER: So you did go to war.

01:14:38:18 AMBASSADOR DREYLOCK: Yes, but we managed to negotiate a cease-fire.

01:14:42:10 O'NEILL: I thought you were out-gunned and out-manned.

01:14:48:09 COMMANDER HALE: We used the Naquadria bomb.

01:14:53:00 O'NEILL: On people?

01:14:54:17 AMBASSADOR DREYLOCK (O/S): Believe me...

01:14:56:08 AMBASSADOR DREYLOCK (CONT'D): everyone immediately regretted it.

01:14:57:19 AMBASSADOR DREYLOCK (CONT'D O/S): The devastation was beyond
anything we could have ever imagined.

01:15:00:25 COMMANDER HALE (O/S): We had no choice. As many Kelownans would have
died had we done nothing.

01:15:05:12 COMMANDER HALE (CONT'D): We were faced with our own destruction and
you...

01:15:07:28 COMMANDER HALE (CONT'D O/S): refused to help us.

01:15:09:11 AMBASSADOR DREYLOCK (O/S): And as awful as it was...

01:15:11:17 AMBASSADOR DREYLOCK (CONT'D): it did succeed in bringing Tiranians and
 Andaris to the table.

01:15:13:24 AMBASSADOR DREYLOCK (CONT'D): In fact, delegates had just arrived in the
 city for peace talks when all of this began.

01:15:17:01 CARTER: Do they know about the Stargate?

01:15:18:19 COMMANDER HALE: No.

01:15:20:15 O'NEILL: Well, they may have noticed the rather large ship floating in the sky.

01:15:24:10 O'NEILL (CONT'D): You might as well tell them the rest.

01:15:26:12 COMMANDER HALE: Well, we were hoping it wouldn't come to that.

01:15:29:24 COMMANDER HALE (CONT'D): Anubis has everything he came for. He may just
 leave.

01:15:33:15 CARTER (O/S): If Anubis can figure out...

01:15:35:14 CARTER (CONT'D): how to overcome the instability of the Naquadria, it will give
 him a significant advantage over...

01:15:39:21 CARTER (CONT'D O/S): all of his enemies. Sooner or later...

01:15:41:26 CARTER (CONT'D): he's going to want more.

01:15:43:05 AMBASSADOR DREYLOCK (O/S): There is no more.

01:15:44:05 AMBASSADOR DREYLOCK (CONT'D): The mine is dry.

01:15:45:23 CARTER: You think he's going to take your word for it?

01:15:47:23 CARTER (CONT'D O/S): He will occupy this planet and...

01:15:50:04 CARTER (CONT'D): enslave your people. We've seen it before.

01:15:52:05 COMMANDER HALE: What can we do?

01:15:54:08 CARTER: If you want to fight, we'll help you...

01:16:00:03 CARTER (CONT'D O/S): but we need the cooperation...

01:16:02:14 CARTER (CONT'D): of the other major powers on this world.

01:16:09:24 GOA'ULD LIEUTENANT: My Lord, I have completed...

01:16:20:23 GOA'ULD LIEUTENANT (CONT'D): a preliminary analysis of the Naquadria. The
potential energy output is much greater than...

01:16:25:08 GOA'ULD LIEUTENANT (CONT'D O/S): that of regular naquadah. The difficulty...

01:16:26:25 GOA'ULD LIEUTENANT (CONT'D): will be in maintaining a stable reaction.

01:16:29:15 ANUBIS: This ship must have full power again.

01:16:32:08 ANUBIS (CONT'D O/S): I will not accept failure.

01:16:35:19 GOA'ULD LIEUTENANT: My Lord, we have already learned all we can from
Jonas Quinn. Why keep him alive?

01:16:41:19 ANUBIS: His physiology merits further experimentation. He may still prove to be
very useful.

01:17:33:20 DANIEL (WHISPERING): Jonas.

01:17:35:23 DANIEL (CONT'D O/S): Jonas, are you there?

01:17:39:18 JONAS (WHISPERING): Daniel?

01:17:40:19 DANIEL (WHISPERING): Yeah. Are you all right?

01:17:42:15 JONAS (O/S): Yeah, I'm fine.

01:17:43:17 JONAS (CONT'D): Where are you?

01:17:46:02 DANIEL: I'm in a storage room about 20 feet from your current position.

01:17:52:17 JONAS: Can you get me out of here?

01:17:54:03 DANIEL: I'm working on it.

01:17:56:05 AMBASSADOR DREYLOCK: Colonel O'Neill, Major Carter, may I present the
 leaders of the Tiranian and the Andari peace delegations...

01:18:06:19 AMBASSADOR DREYLOCK (CONT'D O/S): Ambassador Sevaarin...

01:18:07:25 AMBASSADOR DREYLOCK (O/S CONT'D): and Ambassador Noor.

01:18:09:09 AMBASSADOR DREYLOCK (O/S CONT'D): Colonel O'Neill and Major Carter are
 representatives...

01:18:11:06 AMBASSADOR DREYLOCK (CONT'D): of a planet called Earth.

01:18:12:14 AMBASSADOR NOOR: They don't look very alien.

01:18:15:00 O'NEILL: We get that a lot.

01:18:19:08 AMBASSADOR DREYLOCK: And this, of course, is the Stargate.

01:18:23:23 AMBASSADOR SEVAARIN: How does it work?

01:18:25:18 O'NEILL: Let's have a look.

01:18:31:22 O'NEILL: Something like that.

01:18:33:22 AMBASSADOR NOOR: Incredible.

01:18:36:18 O'NEILL: Isn't it?

01:18:40:23 AMBASSADOR SEVAARIN: He is one of the enemy soldiers.

01:18:43:11 O'NEILL: Relax, he's one of ours.

01:18:48:08 TEAL'C: It is good to see the both of you again.

01:18:52:17 CARTER: We got your message through General Hammond.

01:18:55:08 O'NEILL: Are you nuts?

01:18:56:14 TEAL'C: I believe it to be our only choice, O'Neill.

01:19:02:19 DANIEL: I don't know quite how to tell you this, but Anubis has taken the ship to
 your homeworld.

01:19:09:19 DANIEL (CONT'D O/S): We're in a position right above the Kelownan capital.

01:19:11:23 JONAS: Yeah, I know.

01:19:12:23 JONAS (CONT'D O/S): He's after the Naquadria. It's my fault.

01:19:15:07 JONAS (CONT'D): If it wasn't for me, he never would've have found out about it.

01:19:17:16 DANIEL: Don't blame yourself.

01:19:19:00 JONAS (O/S): Look, the point is...

01:19:20:01 JONAS (CONT'D): I joined Stargate Command so that maybe one day I could protect my planet from the Goa'uld. Instead, I brought them right to it.

01:19:27:24 DANIEL: We'll find a way out of this.

01:19:29:26 JONAS: Yeah?

01:19:31:06 DANIEL: Apparently.

01:19:33:14 O'NEILL: We already trusted one Goa'uld. Look where it got us.

01:19:39:02 TEAL'C: I do not trust Baal, O'Neill, but I believe at least for the moment, his goal is the same as ours.

01:19:48:04 O'NEILL: All right. Have at it. Oh, yes, you do the talking.

01:19:59:00 TEAL'C: We have made an agreement with another System Lord named Baal.

01:20:06:25 TEAL'C (CONT'D O/S): If we give him the location of this world...

01:20:09:12 TEAL'C (CONT'D): he will bring a fleet and destroy Anubis.

01:20:11:23 AMBASSADOR NOOR (O/S): You propose to bring more of these...

01:20:13:00 AMBASSADOR NOOR (CONT'D): Goa'uld to our world?

01:20:15:02 TEAL'C: For the moment, Anubis is vulnerable.

01:20:17:12 TEAL'C (CONT'D O/S): He has but one ship and is preoccupied...

01:20:20:03 TEAL'C (CONT'D): but he believes his position to be secure, because he knows
 the other System Lords are unaware of this place.

01:20:24:26 COMMANDER HALE (O/S): And if Anubis is destroyed...

01:20:26:26 COMMANDER HALE (CONT'D): how do we know this Baal will leave us alone?

01:20:30:00 TEAL'C: That is part of the agreement.

01:20:32:12 COMMANDER HALE: You say we cannot negotiate with Anubis and these
 Goa'uld...

01:20:39:01 COMMANDER HALE (CONT'D O/S): cannot be trusted--

01:20:40:06 AMBASSADOR NOOR (INTERRUPTING): And yet you ask us to trust another?

01:20:42:17 TEAL'C: Your world is facing an imminent threat.

01:20:44:24 AMBASSADOR SEVAARIN (O/S): Kelowna is facing an imminent threat.

01:20:46:26 AMBASSADOR SEVAARIN (CONT'D): There are no alien ships in the skies...

01:20:49:11 AMBASSADOR SEVAARIN (CONT'D O/S): above Tirania.

01:20:51:11 COMMANDER HALE: See what we have to deal with?

01:20:54:21 O'NEILL: Haven't you guys ever heard the story of the dog and the dancing monkeys?

01:21:01:02 O'NEILL: Has something to do with getting along and dancing.

01:21:08:26 O'NEILL: Carter.

01:21:10:27 CARTER: With all due respect, Mister Ambassador...

01:21:14:01 CARTER (CONT'D O/S): when Anubis comes looking...

01:21:16:02 CARTER (CONT'D): for more Naquadria, he is not going to respect any borders.
He will tear this planet apart piece by piece if he has to.

01:21:22:18 O'NEILL (O/S): Bottom line is, I'm not going to approve any plan...

01:21:26:19 O'NEILL (CONT'D): unless I have unanimous agreement from all parties.

01:21:34:07 GOA'ULD LIEUTENANT: My Lord.

01:21:38:25 ANUBIS: Have you found a way...

01:21:40:12 ANUBIS (CONT'D): to overcome the instability of the Naquadria?

01:21:42:05 GOA'ULD LIEUTENANT: I believe I have.

01:21:44:15 ANUBIS: Then use the substance to power one of the ship's weapons arrays.

01:21:47:17 ANUBIS (CONT'D): I want it tested immediately.

01:21:50:11 GOA'ULD LIEUTENANT: We will need to select a target.

01:21:52:02 ANUBIS: How fortunate that there is a city before us.

01:21:55:20 GOA'ULD LIEUTENANT: I am unsure of the destructive power of this weapon.
The blast radius from a single shot could conceivably encompass the
entire city.

01:22:02:04 ANUBIS: If it does, you will have my congratulations.

END OF ACT TWO

ACT THREE

01:22:44:18 CARTER (V/O OVER WALKIE-TALKIE): Daniel, this is Sam. Come in.

01:22:47:13 DANIEL (INTO WALKIE-TALKIE): Yeah, go ahead.

01:22:48:14 CARTER (INTO WALKIE-TALKIE): Did you find Jonas?

01:22:49:28 DANIEL (V/O OVER WALKIE-TALKIE): Yeah, but I'm still having trouble with
this...

01:22:51:19 DANIEL (CONT'D INTO WALKIE-TALKIE): force-field-cell thing.

01:22:53:14 CARTER (V/O OVER WALKIE-TALKIE): You're going to have to find a way to cut
the power.

01:22:56:02 DANIEL (INTO WALKIE-TALKIE): How do I do that?

01:22:57:07 CARTER (INTO WALKIE-TALKIE): I'm not sure, but we've only got a couple of
hours to figure it out.

01:23:00:21 DANIEL (V/O OVER WALKIE-TALKIE): What happens then?

01:23:02:03 CARTER (INTO WALKIE-TALKIE): Baal's fleet arrives.

01:23:03:27 DANIEL (INTO WALKIE-TALKIE): Well, I've got 15 minutes till this isotope wears
out and I'm visible to the ship's sensors.

01:23:08:10 DANIEL (CONT'D V/O OVER WALKIE-TALKIE): You know what? I think I'll have
to get back to you.

01:23:10:21 DANIEL (CONT'D INTO WALKIE-TALKIE): I've got company.

01:23:16:22 JAFFA #2: Kel nor shol ak'ra.

01:23:20:17 JAFFA #2: Reltac.

01:23:22:20 JAFFA #2: Tel shek anfar, tel nor moklan n'ral.

01:23:31:02 JAFFA #2: Jaffa.

01:23:36:13 JAFFA #2: Sarit.

01:23:42:11 GOA'ULD LIEUTENANT: Naquadria generator is on-line. We are ready.

01:23:47:17 ANUBIS: Charge the weapon.

01:24:19:02 GOA'ULD LIEUTENANT: My Lord, the generator is overloading.

01:24:23:12 ANUBIS: Abort the test.

01:24:25:08 GOA'ULD LIEUTENANT: I cannot abate the overload.

01:24:36:20 JAFFA #2 (SHOUTING): Jaffa, kree!

01:24:56:08 GOA'ULD LIEUTENANT: This makes no sense. I compensated for the instability.

01:25:00:02 ANUBIS: Kill him.

01:25:12:10 DANIEL: Jonas.

01:25:19:07 JONAS: What happened?

01:25:20:28 DANIEL: I don't know.

01:25:22:07 JONAS: Whatever it was, there's not enough power to maintain the force fields.

01:25:29:05 DANIEL: You okay?

01:25:30:12 JONAS: That hurt.

01:25:31:27 DANIEL (O/S): Your arm?

01:25:33:07 JONAS: A little numb. I think I can make it.

01:25:37:10 DANIEL: You better. I don't want to have to take you out of here in a dustpan.

01:25:40:02 JONAS: Yeah.

01:25:43:21 DANIEL: Nice.

01:25:47:15 JONAS: Okay, how do we get off this thing?

01:25:49:23 DANIEL: Cargo ship.

01:25:51:15 JONAS: Which way?

01:25:53:06 DANIEL: Uh...this way.

01:25:55:11 JONAS: You sure?

01:25:56:11 DANIEL: No.

01:25:57:08 JONAS: Right.

01:26:01:11 HAMMOND: Report.

01:26:05:08 O'NEILL: We're in position, but the Kelownans are requesting additional weapons
and troops to help deal with the Jaffa on the ground.

01:26:11:02 HAMMOND: Colonel, you know I can't authorize that without Pentagon approval.

01:26:13:16 O'NEILL: Yes, Sir, but I was thinking maybe I could take SGs-15 and 11 as
technical advisors.

01:26:21:02 HAMMOND: But if Baal doesn't show up?

01:26:23:07 O'NEILL: Could be a little screwy, but we talked these folks into this. The least we
can do is back them up.

01:26:28:14 HAMMOND: Agreed. Put your teams together.

01:26:31:20 O'NEILL: Sir.

01:26:32:24 CARTER: Anubis has superior shields, but according to our intelligence, they're less than 40% effective within the atmosphere of a planet. Now, if Baal attacks while Anubis is vulnerable, he's got a chance.

01:26:43:03 COMMANDER HALE: That's not very reassuring.

01:26:45:00 AMBASSADOR DREYLOCK: We just received a report.

01:26:46:08 AMBASSADOR DREYLOCK (CONT'D): Anubis' men are ransacking the Museum of Antiquities.

01:26:48:16 CARTER: Why would they do that?

01:26:50:06 COMMANDER HALE: They may still be looking for the Stargate, as you said.

01:26:53:12 CARTER: No, Anubis is smart enough to know that it wouldn't be in a public place. What was in the museum?

01:26:59:10 AMBASSADOR DREYLOCK: Nothing. The entire exhibit was packed up and put into storage when the war began.

01:27:02:29 CARTER: Okay, what was in the exhibit?

ACT FOUR

01:28:18:00 COMMANDER HALE: Eight men? That's all you brought?

01:28:26:00 O'NEILL: Eight good men.

01:28:27:27 COMMANDER HALE: There are over a thousand alien soldiers in the city. Their
 weapons are more powerful than anything our forces have ever seen.
 We don't stand a chance.

01:28:37:05 O'NEILL: The main problem is the ship. Once that's taken out, we can deal with
 the Jaffa.

01:28:44:04 CARTER (O/S): Sir...

01:28:44:21 CARTER: I think I know why Anubis hasn't left yet. He's looking for a crystal.

01:28:49:04 CARTER (O/S): The Kelownan archaeologists found it...

01:28:52:08 CARTER (CONT'D): with the other Goa'uld artifacts, but they didn't know what it
 was. They classified it as a decorative object and placed it in a museum
 display.

01:28:58:16 COMMANDER HALE (O/S): I don't understand.

01:28:59:16 COMMANDER HALE (CONT'D): What is it?

01:29:00:28 CARTER (O/S): The Goa'uld...

01:29:01:09 CARTER: use crystals to store information.

01:29:03:12 AMBASSADOR DREYLOCK: What kind of information?

01:29:05:01 CARTER (O/S): Well, we know from the tablets that the original Goa'uld who
occupied this planet...

01:29:09:01 CARTER (CONT'D): was experimenting with Naquadria, but they don't give any
details. There are no lab notes, no test results.

01:29:14:15 COMMANDER HALE (O/S): And you think...

01:29:15:15 COMMANDER HALE (CONT'D): that's what's on the crystal?

01:29:17:04 CARTER: Well, it makes sense. Your people didn't know it was important.

01:29:21:03 CARTER (CONT'D O/S): They never included it with the other material from the
Naquadria project...

01:29:23:00 CARTER (CONT'D): which is why Jonas never knew about it either.

01:29:25:08 CARTER (CONT'D): : Sir, if Anubis gets ahold of this crystal, he could use it to
adapt his systems and...

01:29:29:21 CARTER (CONT'D): make the Naquadria work.

01:29:31:07 O'NEILL: Yeah, I get it.

01:29:32:17 O'NEILL: Where is it?

01:29:34:26 COMMANDER HALE: Everything was moved to a warehouse for safekeeping.

01:29:38:18 AMBASSADOR DREYLOCK: I can take you there.

01:29:39:24 COMMANDER HALE: Wait.

01:29:41:16 COMMANDER HALE (CONT'D O/S): If this is as important...

01:29:43:05 COMMANDER HALE (CONT'D): as you say it is, let me send a contingent...

01:29:46:15 COMMANDER HALE (CONT'D O/S): to secure the building.

01:29:47:18 O'NEILL: We don't want to draw any unnecessary attention...

01:29:49:25 O'NEILL (CONT'D O/S): to the place.

01:29:51:00 CARTER (O/S): I'll go, Sir.

01:29:52:02 CARTER (CONT'D): I know what to look for.

01:29:54:04 O'NEILL: All right. Take Teal'c.

01:30:42:23 JONAS: Looks like patrols are closing in.

01:30:47:06 DANIEL: Yeah, well, we've got one minute before the isotope wears off. You know...

01:30:55:00 DANIEL (CONT'D): that planet you guys found me on was nice. People were simple. Life was quiet.

01:30:58:20 JONAS: Why didn't you stay?

01:31:00:17 DANIEL: I couldn't remember what this was like.

01:31:01:26 JONAS: It's fun, isn't it?

01:31:03:21 DANIEL: Yeah.

01:31:06:27 JONAS: Look, if we get out of this...

01:31:08:20 DANIEL: Oh, you can keep the office.

01:31:10:26 JONAS: Actually, I was talking about SG-1.

01:31:13:16 DANIEL: Ah, you took the position because you felt guilty about what happened to me and you thought you could make up for it by finishing my work...

01:31:19:24 DANIEL (CONT'D O/S): and now that I'm back, you--

01:31:21:03 JONAS (INTERRUPTING): Don't get me wrong, I love the job.

01:31:22:23 DANIEL: Well, yeah, who could argue? I mean, lousy hours, constant peril.

01:31:25:13 JONAS: On the bright side, you do get to travel a lot.

01:31:30:01 DANIEL: You're very up.

01:31:33:00 JONAS: Yeah. Well, truth is, I don't think that Colonel O'Neill was very comfortable having me around.

01:31:42:11 DANIEL: Oh, that's not what he told me. He said you were a good man.

01:31:45:01 JONAS: Really? He said that?

01:31:47:06 DANIEL: Yeah, you're shocked he never let on?

01:31:51:27 JONAS (O/S): Anyway...

01:31:54:16 JONAS (CONT'D): now that you're back...

01:31:55:27 DANIEL: Let's worry about getting out of here first.

01:31:58:03 JONAS: Rings?

01:32:00:16 DANIEL: What good is that going to do? There's nowhere to ring to.

01:32:03:10 JONAS: We found a ring platform when we first uncovered the Stargate.

01:32:06:02 DANIEL: Which means it hasn't been used in over 2,000 years.

01:32:08:19 JONAS: Well, let's see if it still works.

01:32:14:10 CARTER: Looks like we got here first.

01:32:48:07 JAFFA VOICE (V/O): Jaffa, kree! Two unauthorized persons detected on sensors
approaching your sector.

01:33:06:05 AMBASSADOR DREYLOCK: This is hopeless.

01:33:13:00 CARTER: It has to be here somewhere.

01:33:17:04 TEAL'C: Major Carter.

01:33:23:19 CARTER: Bingo.

01:33:28:06 JAFFA #2 (SHOUTING): Jaffa, kree!

01:33:36:11 JAFFA #2: Shel-norak.

01:33:48:13 DANIEL: Do we even know where it is we're going?

01:33:50:10 JONAS: Not a clue.

01:33:59:01 JAFFA #2: Gal a'quel.

01:34:23:25 CARTER: Nice timing.

01:34:24:26 DANIEL (O/S): Thanks.

01:34:25:27 AMBASSADOR DREYLOCK: Jonas Quinn.

01:34:27:01 JONAS: Ambassador.

01:34:29:10 DANIEL: Where are we?

01:34:30:14 CARTER: Warehouse. It's where they keep all the Goa'uld artifacts, including a
ring platform.

01:34:34:25 JONAS: And a crystal.

01:34:35:28 DANIEL: Let's get out of here. There's probably more Jaffa right on our tails.

01:34:41:21 SERGEANT (V/O OVER WALKIE-TALKIE): The perimeter's clear, Sir. We've got
a visual on Major Robbin's position across the square.

01:34:49:06 O'NEILL (INTO WALKIE-TALKIE): Okay, Sergeant. Sit tight. O'Neill out.

01:34:53:21 CARTER (O/S): Colonel.

01:34:54:25 O'NEILL: Hey.

01:34:57:21 O'NEILL (CONT'D): Where'd you find them?

01:34:59:14 CARTER: They dropped into the warehouse.

01:35:02:03 O'NEILL: Nice. The crystal?

01:35:04:10 CARTER: Right here.

01:35:05:25 COMMANDER HALE (O/S): I'll take that.

01:35:07:04 CARTER (O/S): I think it would be better...

01:35:09:04 CARTER (CONT'D): if we held on to it.

01:35:10:28 COMMANDER HALE: I'm afraid I must insist.

01:35:34:28 O'NEILL: What is this?

01:35:38:13 COMMANDER HALE: I've made a separate arrangement.

END OF ACT FOUR

01:37:07:10 AMBASSADOR NOOR: What?

01:37:08:22 JONAS (O/S): Don't you see...

01:37:09:22 JONAS (CONT'D): what's happening here? He's using you...

01:37:13:02 JONAS (CONT'D): against each other.

01:37:14:05 HERAK (SHOUTING): Enough.

01:37:15:05 JONAS: You can't afford to fight any longer.

01:37:16:29 JONAS (CONT'D): This whole planet is a target, not just Kelowna or Tirania. You
 have to stand together here.

01:37:20:14 HERAK (SHOUTING): I said, enough!

01:37:30:17 JONAS: You've got to start trusting each other. Otherwise, you're all going to
 become slaves.

01:37:35:18 O'NEILL: If you're lucky.

01:37:39:16 HERAK: The crystal.

01:37:44:26 HERAK: Thank you.

01:38:06:09 HERAK: As for the rest of you...

01:38:11:08 HERAK (CONT'D): you will be publicly executed...

01:38:14:16 HERAK (CONT'D O/S): as an example to all those...

01:38:16:09 HERAK (CONT'D): who would defy their god.

01:38:18:00 O'NEILL: Does it have to be publicly?

01:38:30:02 HERAK: I could kill you now.

01:38:32:24 O'NEILL: Publicly is fine.

01:38:38:24 HERAK (SHOUTING): Jaffa!

01:39:22:17 [GUNFIRE AND EXPLOSIONS]

01:39:27:04 JAFFA SOLDIER #3: Tel nor, hatak mal shee.

01:39:28:03 [GUNFIRE AND EXPLOSIONS]

01:39:59:16 BAAL: Your ship is at my mercy. You are defeated. Surrender now.

01:40:21:01 HERAK (SHOUTING): Jaffa, kree!

01:40:23:15 JONAS (SHOUTING): Daniel!

01:40:26:27 [GUNFIRE]

01:40:41:01 CARTER: Jonas!

01:40:49:00 DANIEL: I owe you one.

01:40:52:18 JONAS: We'll call it even.

01:41:05:21 AMBASSADOR DREYLOCK: The last time you returned to Kelowna, you were
considered a traitor. That will not be the case this time.

01:41:20:00 JONAS: Are you sure about that?

01:41:21:22 AMBASSADOR DREYLOCK: The Andaris and Tiranians would only agree to
participate in a joint ruling council on the condition that you were the
Kelownan representative. Your experiences...

01:41:29:15 AMBASSADOR DREYLOCK (CONT'D O/S): over the past year will be vital to our
planet forging ahead...

01:41:32:07 AMBASSADOR DREYLOCK (CONT'D): and facing what awaits in our future. We
need you, Jonas.

01:41:39:00 O'NEILL (O/S): Got everything packed?

01:41:40:19 O'NEILL (CONT'D): Toothbrush? Slippers? Hair gel?

01:41:43:11 JONAS: Yes.

01:41:49:02 JONAS: Sir.

01:41:52:28 HAMMOND: It was an honor, son.

01:41:54:14 JONAS: Yes, it was. You know, when we first met...

01:42:01:10 JONAS (CONT'D): you told me that the issues between my planet's nations would
seem insignificant once I found out what was really going on up there.

01:42:10:15 DANIEL: Yeah, I remember that.

01:42:12:29 JONAS: You do?

01:42:14:03 DANIEL: Yeah.

01:42:15:05 JONAS: Hey, that's great.

01:42:16:05 DANIEL: It's all kind of coming back.

01:42:18:04 JONAS: Anyway, I'm just glad I had the chance to find out.

01:42:21:02 DANIEL: Me too.

01:42:28:21 TEAL'C: You have the heart of a warrior, Jonas Quinn.

01:42:34:23 TEAL'C (CONT'D): Continue to fight well.

01:42:39:25 CARTER: Keep in touch.

01:42:49:07 JONAS: Uh...

01:42:50:29 O'NEILL: You earned it.

01:42:59:28 JONAS: Thanks.

01:43:03:26 JONAS: Hey, Daniel.

01:43:11:05 JONAS (CONT'D): Feed my fish?

01:43:49:23 O'NEILL: You all right?

01:43:51:07 DANIEL: Yeah.

01:43:54:05 O'NEILL: Well, dinner's at 7:00. Don't be late. Teal'c gets a little cranky when his
blood sugar gets low.

01:44:01:12 DANIEL: Jack.

01:44:04:01 O'NEILL (O/S): Yeah?

01:44:05:29 DANIEL: It's not that I mind rejoining SG-1 and exploring the galaxy...

01:44:11:19 DANIEL (CONT'D): meeting new cultures, jeopardy, saving the world, that kind of
thing...

01:44:16:00 DANIEL: We get paid for this, right?

01:44:24:03 O'NEILL: Welcome back.
