TIMECODE            DIALOGUE

START TIMECODE AT 01:00:00:00 AT FIRST FRAME OF PICTURE

**TEASER**

01:00:00:00            [ALARM]

01:00:02:00            TECHNICIAN (V/O): Unscheduled off-world activation.

01:00:13:05            TECHNICIAN: It's SG-1's IDC, Sir.

01:00:14:20            TECHNICIAN (CONT'D O/S): Receiving audio, Sir.

01:00:15:27            HAMMOND: On speaker.

01:00:16:27            O'NEILL (V/O): Close quarters withdrawal. It's going to get ugly.

01:00:21:00            HAMMOND: Acknowledged, Colonel. We'll be ready. Just give us the word.  
  Watch your friendlies.

01:00:25:29            HAMMOND (CONT'D V/O): Safeties off. Clean targets.

01:00:28:05            HAMMOND (V/O CONT'D): Clean backgrounds.

01:00:29:27            [EXPLOSIONS]

01:00:32:11 O'NEILL (V/O): Teal'c, let's go! Base, this is it. We're on our way.

01:00:36:16 HAMMOND: Open the iris.

01:00:42:20 CARTER: Teal'c's right behind us!

01:01:01:09 HAMMOND (V/O): Clear!

01:01:11:21 HAMMOND (V/O): Med team, get in there!

01:01:15:17 FRAISER: Teal'c? Come on.

01:01:24:12 MED TECH (O/S): I'm not getting a pulse.

01:01:25:29 FRASIER (O/S): Start CPR. Give me one milligram epee.

01:01:28:27 FRASIER (O/S CONT'D): Prepare to intubate.

**END OF TEASER**

**ACT ONE**

01:03:18:21 FRAISER: You had us all very worried.

01:03:21:03 TEAL'C: That was not my intention.

01:03:23:13 FRAISER: The staff blast hit you directly in the symbiote pouch. If you weren't on  
Tretonin...

01:03:28:26 TEAL'C: I would be dead.

01:03:32:19 TEAL'C (CONT'D): Ironic.

01:03:34:29 FRAISER: Well, you're not out of the woods yet.

01:03:38:03 TEAL'C: Woods?

01:03:40:15 FRAISER: You have more healing to do. The staff blast passed through the empty  
symbiote pouch and did some damage to your spine and surrounding  
soft tissue.

01:03:50:18 FRAISER (CONT'D O/S): In the past, I could have let your symbiote regenerate  
the damage.

01:03:53:26 FRAISER (CONT'D): With work, you should be able to make a full recovery.

01:04:00:18 FRAISER: Teal'c?

01:04:02:22           TEAL'C: That Jaffa that wounded me?

01:04:05:08           FRAISER: Died.

01:04:06:29           FRAISER (CONT'D O/S): His symbiote was damaged beyond repair.

01:04:11:26           FRAISER (CONT'D): Look, I know this is hard for you...

01:04:16:15           FRAISER (CONT'D O/S): but you're very lucky to be alive.

01:04:23:05           CARTER (V/O): Colonel O'Neill planted my radio...

01:04:24:05           CARTER (CONT'D): in the underbrush, away from our position, and began  
                          broadcasting to create a distraction. The Jaffa fell for this diversion and  
                          half of them left the temple. We engaged the rest and escaped.

01:04:33:18           HAMMOND: Were you able to ascertain who these Jaffa were loyal to?

01:04:36:29           DANIEL: The forehead tattoos were that of various system lords, but the majority  
                          bore the symbol of Ba'al.

01:04:40:29           HAMMOND: Ba'al?

01:04:41:28           DANIEL (O/S): His empire has expanded further and faster...

01:04:43:25 DANIEL (CONT'D): than anyone could have expected, which shouldn't be a surprise to us since he now controls the combined forces of the "United Alliance of the System Lords." Something we're responsible for.

01:04:53:29 HAMMOND (O/S): To level the playing field...

01:04:54:06 HAMMOND (CONT'D): against Anubis.

01:04:55:04 DANIEL: So, in a way, we did it to ourselves.

01:04:58:21 FRAISER: Sir.

01:04:59:24 HAMMOND (O/S): How is he?

01:05:01:04 FRAISER: It's going to be a long road back, certainly longer than Teal'c is used to, but he should get there.

01:05:04:21 FRAISER (CONT'D O/S): I've boosted his Tretonin dosage...

01:05:06:19 FRAISER (CONT'D): to stem off any residual infection.

01:05:08:08 CARTER: Can we see him?

01:05:09:19 FRAISER (O/S): Yeah.

01:05:16:08 TEAL'C: My son? Why do you ask?

01:05:19:18 DANIEL: Oh, I don't know. I just thought you'd be sick of "how you feeling" again.

01:05:23:26 TEAL'C: Indeed.

01:05:25:11 DANIEL: No, I was just thinking about him recently.

01:05:27:15 TEAL'C: Ry'ac is with Bra'tac. They are attempting to recruit rebel Jaffa.

01:05:31:09 TEAL'C (CONT'D): I have not heard from them and do not expect to for some  
time.

01:05:34:27 DANIEL: What's with the, ah...

01:05:39:29 TEAL'C: O'Neill. I believe his offering of colored gelatin was his attempt to  
sympathize.

01:05:46:05 DANIEL: Ah, well, he's thoughtful that way.

01:05:49:28 TEAL'C: There's no need. I blame only myself.

01:05:54:08 DANIEL: How was it your fault?

01:05:56:13 TEAL'C: I fell behind. I was--

01:06:01:03 DANIEL (INTERRUPTING O/S): Covering us.

01:06:05:25 DANIEL: Teal'c?

01:06:07:27 TEAL'C: I wish to be alone, Daniel Jackson.

01:06:15:29 DANIEL: Okay.

01:06:21:26 DANIEL (CONT'D): Okay.

01:06:28:24 MALE VOICE (V/O, SHOUTING): No, Master!

01:06:47:07 CARTER (O/S): So they fly halfway across the galaxy...

01:06:49:10 CARTER (CONT'D): in an highly-advanced spaceship, but they don't use their  
technology to take over the planet. You know what their weakness  
turned out to be? Water.

01:06:58:10 CARTER (CONT'D O/S): I mean, if that's true, why go to all the trouble to invade a  
planet...

01:07:01:27 CARTER (CONT'D): that's two-thirds water? Not to mention the rain.

01:07:04:20 DANIEL: Why do you watch those movies if all you're going to do is cut them up?

01:07:08:26 CARTER: Come on, don't you occasionally like to see if they're getting it  
anywhere close to right?

01:07:16:10 CARTER: Hello?

01:07:17:23 DANIEL: What?

01:07:19:16 CARTER: You okay?

01:07:21:18 DANIEL: You ever feel like you've forgotten something really important?

01:07:23:27 CARTER: What do you mean?

01:07:25:19 DANIEL: Well, I can remember almost everything from before I died, but I still  
can't remember anything from when I was ascended.

01:07:34:02 DANIEL (CONT'D O/S): Lately, something's been nagging at my ass...

01:07:36:23 DANIEL (CONT'D): Something specific. I just can't pin it down.

01:07:41:00 TEAL'C'S AID: Very good, Teal'c. Okay, you're done. Teal'c?

01:07:59:06 CARTER: Looks like you're doing better.

01:08:00:07 DANIEL: You know, there is such a thing as over-doing it.

01:08:05:02 CARTER: Yeah, Teal'c, it is possible to aggravate your condition by pushing too  
hard.

01:08:14:27 TEAL'C: Leave me be.

01:08:17:25 MALE VOICE (V/O, SHOUTING): No! Master!

01:08:22:02 CARTER: Daniel?

01:08:29:22           CARTER: Any technical anomalies during an incoming wormhole are noted in this box and then cross-referenced and detailed here. It's pretty dry. The corresponding mission files cover any general points of interest.

01:08:41:03           DANIEL: Yeah, I've been over those.

01:08:42:07           CARTER: Well, if I knew what you were looking for--

01:08:44:07           DANIEL (INTERRUPTING): You wouldn't be doing this.

01:08:46:15           CARTER: What makes you think the answer is here?

01:08:48:00           DANIEL (O/S): I just have this feeling it has something to do with an incoming wormhole.

01:08:50:24           DANIEL (CONT'D): I was hoping that looking at some of this stuff might jog my memory somehow.

01:08:55:00           CARTER: It must be tough.

01:08:57:03           DANIEL: I think the hardest part is not knowing whether or not I chose to be here like this.

01:09:03:24           DANIEL (CONT'D O/S): You know, whether I could...

01:09:06:05           DANIEL (CONT'D): be doing more good if I was still...

01:09:07:26 CARTER: Ascended?

01:09:09:10 DANIEL: Yeah.

01:09:12:14 CARTER: Well, this should be everything that you need.

01:09:18:00 CARTER (CONT'D O/S): Good luck.

01:09:20:11 DANIEL: Thanks.

01:09:36:20 FRAISER: Well, that's the last of the physical examination. You have just lifted,  
pushed and pulled more weight than anyone on this base ever has. Alien  
technology not withstanding.

01:09:49:26 FRAISER: Teal'c, I'm clearing you for active duty.

01:09:59:10 TEAL'C: I am not ready.

**END OF ACT ONE**

**ACT TWO**

01:10:36:15 O'NEILL: Still nothing?

01:10:38:26 DANIEL: Well, I've broadened my search to any gate activity including outgoing wormholes and unauthorized activations. I still have no idea what I'm looking for.

01:10:47:14 O'NEILL: Maybe if you stop thinking about it, it'll come to you.

01:10:53:22 O'NEILL: Take a break. Fraiser says Teal'c needs a little pep talk. I've been practicing in front of a mirror for an hour.

01:11:03:11 DANIEL: Not peppy enough?

01:11:04:15 O'NEILL: Not really.

01:11:14:01 O'NEILL: Don't give me the "eyebrow."

01:11:16:16 DANIEL: Look, Teal'c, something's bothering you. Something's been bothering you since before this injury. We're pretty sure we know what it is.

01:11:23:20 TEAL'C: Then there is no mystery.

01:11:25:20 DANIEL: Yeah, but the point is you have to talk about it.

01:11:31:08 DANIEL: Okay, you don't have to talk about it, but you'll feel better if you do.

01:11:38:12 O'NEILL: You know, forget that crap. I'm your commanding officer.

01:11:43:17 TEAL'C: And you must be kept informed of the fitness of all those under your  
command.

01:11:46:25 O'NEILL: Fraiser says you're ready for duty now. Is that true?

01:11:50:15 TEAL'C: I have been dishonest with you.

01:11:53:09 O'NEILL: Oh?

01:11:55:07 TEAL'C: It is unacceptable. All Jaffa children know this without being told. They  
are born with the knowledge. It will not be tolerated.

01:12:04:08 O'NEILL: What?

01:12:06:07 TEAL'C: Kek.

01:12:09:20 DANIEL: Death. Death. You mean "death"?

01:12:12:10 TEAL'C: Weakness. We use one word for both. For if one is weak, one may as  
well be dead.

01:12:21:10 DANIEL: You're talking about the Tretonin.

01:12:22:27 TEAL'C: In the beginning, I believed it to be the answer of liberation for all Jaffa  
from the Goa'uld and the reliance on symbiotes.

01:12:30:02           TEAL'C (CONT'D O/S): But as soon as I began to take it, things changed.

01:12:33:12           TEAL'C (CONT'D): I felt my capability was being compromised, but I said nothing,  
                          hoping the effects were only temporary, and my strength would return. It  
                          did not.

01:12:44:28           O'NEILL: Okay.

01:12:48:28           TEAL'C: Forgive me, O'Neill, I should have--

01:12:51:02           O'NEILL (INTERRUPTING O/S): No.

01:12:52:14           O'NEILL (CONT'D): There's nothing to forgive.

01:12:56:23           O'NEILL (CONT'D): You're still twice as strong as I'll ever be, and you've got two  
                          good knees.

01:13:02:07           TEAL'C: Then the answer to your question is "no." I do not feel that I am fit for  
                          duty.

01:13:08:16           O'NEILL: Okay. I can accept that. For now.

01:13:28:27           DANIEL: Yeah, you're right. Not exactly peppy.

01:13:30:18           O'NEILL: Oh, what did you want me to say to the guy?

01:13:31:23 DANIEL: Well, he's lost his confidence. I think he was looking for you to re-instill some.

01:13:34:22 O'NEILL: Well, if he really has lost his mojo, there's nothing I can say that's going to get it back for him.

01:13:39:05 DANIEL: It's all in his head.

01:13:40:18 O'NEILL: If he doesn't think he's ready, he's not ready.

01:13:55:13 TEAL'C: Without a symbiote, Kelnoreem is unnecessary. In fact, I have discontinued the practice.

01:14:01:15 DANIEL: Yeah, I know you don't actually need to Kelnoreem anymore, but just indulge me. See, humans sometimes meditate even though they still require REM sleep, and I really think this thing I can't remember what it is--

01:14:10:28 TEAL'C (INTERRUPTING): Daniel Jackson.

01:14:12:14 TEAL'C: For a successful Kelnoreem, there is one element required above all others.

01:14:16:20 DANIEL: What?

01:14:18:03 TEAL'C: Silence.

01:14:19:26 DANIEL: Right.

01:14:32:23 MALE VOICE (V/O, SHOUTING): No! Master! Master, no! Master! No, master!

01:14:53:27 JAFFA COMMANDER: Kree, Hasshak.

01:14:58:17 BRATAC: Leave him alone.

01:15:02:28 RY'AC (SHOUTING O/S): No!

01:15:04:24 RY'AC (CONT'D): Master!

01:15:06:02 RY'AC (CONT'D V/O): Master, no! Master. No, master!

01:15:14:06 TEAL'C: Ry'ac?

01:15:15:17 DANIEL: Yeah. Yeah, I saw him and Bra'tac. I think they're in danger.

01:15:21:05 TEAL'C: Are you familiar with the ambush of Kresh'taa?

01:15:23:27 DANIEL: Yeah, the meeting of the Jaffa rebel tribes? I read the report. 106  
warriors slaughtered, only you and Bra'tac survived. You sustained both  
your lives by passing a symbiote between the two of you.

01:15:35:07 TEAL'C: There is something that is not in the report.

01:15:40:00               TEAL'C (CONT'D): As I lay near death, I began to dream. You used your abilities  
  and appeared to me in that dream.

01:15:48:10               DANIEL: I did?

01:15:51:21               TEAL'C: Indeed. When I had sufficiently recovered, you appeared to me again,  
  and that is when I knew.

01:15:59:06               TEAL'C (CONT'D O/S): You had stayed with me and watched over me for three  
  days...

01:16:04:08               TEAL'C (CONT'D): and that is the reason I am eternally grateful to you, Daniel  
  Jackson, and why I whole-heartedly believe you concerning Ry'ac.

01:16:13:07               DANIEL: So you believe me, too?

01:16:14:23               HAMMOND: The things I've heard sitting in this chair?

01:16:16:29               CARTER (O/S): If this happened before you retook human form then whatever  
  supply of Tretonin Bra'tac had...

01:16:21:01               CARTER (CONT'D): would almost surely be depleted by now.

01:16:23:18               TEAL'C: That is why we must act immediately.

01:16:26:02               CARTER: Daniel, you said you thought all this had to do with gate records.  
  Perhaps you innately knew to look for a location.

01:16:31:12 DANIEL: I've been through those records upside down and backwards. I still haven't found anything.

01:16:35:11 CARTER: Teal'c, is there anything familiar about the planet Daniel described?

01:16:38:26 TEAL'C: There is not. General Hammond, I request that we send for Rak'nor immediately.

01:16:45:17 HAMMOND: Do it.

01:16:47:14 CARTER: Yes, sir.

01:17:27:20 RY'AC: You grow more and more weak each day.

01:17:35:13 BRATAC: You worry too much for me, Ry'ac. Tend to your own labor.

01:17:41:21 JAFFA COMMANDER (SHOUTING): A kek hasshak. Ya duru!

01:18:05:21 JAFFA COMMANDER: If you do not work, you will die. They do not work hard enough.

01:18:16:20 RY'AC (WHISPERING): No rescue is forthcoming, and your supply of Tretonin runs low.

01:18:21:12 BRATAC: Ry'ac.

01:18:23:21 JAFFA COMMANDER: Kreeka!

01:18:28:13 RY'AC: We will not be able to maintain our workload.

01:18:31:11 RY'AC (CONT'D O/S): They will execute us next.

01:18:34:22 JAFFA COMMANDER: Kree!

01:18:49:16 BRATAC: Have faith. I will ration my Tretonin, until a rescue.

01:19:05:26 JAFFA COMMANDER: Kek.

01:19:13:03 JAFFA COMMANDER (SHOUTING): Shaaaaaal vak.

**END OF ACT TWO**

**ACT THREE**

01:19:59:12            DANIEL: Is any of this familiar to you? A planet with two moons? A Naquadah refinery...

01:20:03:17            DANIEL (CONT'D O/S): near some kind of anti-gravity dry-dock, with a mothership under construction.

01:20:07:26            RAK'NOR: I know the planet of which you describe. Erebus.

01:20:11:14            DANIEL (O/S): According to Greek Mythology, Erebus...

01:20:13:27            DANIEL (CONT'D): is a place where condemned souls pass as soon as they die.

01:20:16:06            RAK'NOR: Then it is aptly named. The planet is used for the construction of Ha'tak vessels and the purification of the Naquadah to build them. Only Jaffa prisoner labor is used...

01:20:25:10            RAK'NOR (CONT'D O/S): as only they can withstand the intense heat and toxic gases...

01:20:28:15            RAK'NOR (O/S CONT'D): of the blast furnaces fed by underground volcanic systems.

01:20:31:07 RAK'NOR (CONT'D): Eventually, even the Jaffa succumb.

01:20:33:20 TEAL'C: I am aware of such places, where Jaffa prisoners of war, unwilling to serve their new Goa'uld masters, are taken to be worked to death.

01:20:40:19 DANIEL: Which should make it a perfect place to recruit rebels, but something must have gone wrong.

01:20:44:22 RAK'NOR: The planet was recently taken by Ba'al.

01:20:46:08 TEAL'C: If Bra'tac and Ry'ac were in the camp when Ba'al's forces arrived, perhaps they were trapped.

01:20:49:29 RAK'NOR: Then they are lost.

01:20:51:04 DANIEL: Why?

01:20:52:06 RAK'NOR: The Stargate on Erebus is impenetrable.

01:20:54:05 TEAL'C: How so?

01:20:55:28 RAK'NOR: A force field, much like your iris, blocks the Erebus Stargate, making attack or rescue through it impossible.

01:21:00:16 DANIEL: Someone must get through it somehow.

01:22:16:28 DANIEL (O/S): I'm sure.

01:22:17:06 CARTER (O/S): I can synthesize this energy signature.

01:22:19:18 CARTER (CONT'D): If it is the deactivation code, I can get us through the gate.

01:22:22:01 DANIEL: And I can provide details of their defenses and the lay of the land.

01:22:31:00 TEAL'C: O'Neill. I must tell you that I believe I may be a liability on this mission.

01:22:36:18 O'NEILL: I don't.

01:22:38:08 TEAL'C: If I should die, it is my wish that you watch over Ry'ac.

01:22:42:17 O'NEILL: Well, let's see it doesn't come to that, all right?

01:22:47:29 TECHNICIAN (V/O): Chevron six encoding.

01:22:52:09 O'NEILL: It's his son.

01:22:56:19 TECHNICIAN (V/O): Chevron seven, locked.

01:23:01:29 O'NEILL: All right, let's do this.

01:23:08:14 CARTER: Sending signal now.

01:23:29:12 CARTER: Clear.

01:23:31:03 O'NEILL: Okay, so that happened. SG-3, secure these guys and then establish your perimeter. Daniel.

01:24:09:03 RY'AC (WHISPERING O/S): Master Bra'tac.

01:24:14:14 RY'AC: It is difficult to ration that which you do not have.

01:24:17:18 BRATAC: If only you had not seen.

01:24:21:11 RY'AC: I have seen.

01:24:22:22 RY'AC (CONT'D): Now, tell me the truth. I'm not a child.

01:24:27:05 BRATAC: The Tretonin is gone.

01:24:31:02 RY'AC: Then you will die, and all your words of faith will have been for nothing.

01:24:36:18 BRATAC: No, Ry'ac! Not for nothing, for you. You might survive.

01:24:43:20 RY'AC: How long can you live without Tretonin?

01:24:48:21 BRATAC: As long as I have to.

01:25:24:00 O'NEILL: Penhall. Trade. Give me that thing.

01:25:36:01 CARTER: No sign of Bra'tac.

01:25:40:07 CARTER (CONT'D): Wait a minute. I've got Ry'ac.

01:25:51:01 TEAL'C: If we eliminate that guard position, we can create a blind spot.

01:26:04:08 TEAL'C (CONT'D): Infiltration is the best option, O'Neill.

01:26:07:27 O'NEILL: All right. It'll be dark in a hour. Everybody, get comfortable.

01:26:33:10 CARTER: Go.

01:26:54:22 O'NEILL: All right, they're in.

01:26:56:28 JAFFA COMMANDER (O/S): Jaffa Hol!

01:26:58:09 JAFFA COMMANDER: Kal vak!

01:27:01:08 O'NEILL: Come on, come on.

01:27:03:26 JAFFA COMMANDER: Rin nok!

01:27:07:28 O'NEILL: What's this?

01:27:09:26 DANIEL: He's dressing that warrior down. "I do the bidding of Ba'al, shut up."

01:27:14:22 O'NEILL: Shut up?

01:27:18:14 DANIEL: Yeah, I'm paraphrasing.

01:27:18:10           JAFFA COMMANDER: Kel Mar Tokeem. Tel Mak kree.

01:27:22:08           JAFFA COMMANDER (CONT'D O/S): Meg tal.

01:27:23:28           DANIEL: You're poisoned, you're cursed by the wearer of horns, you're "sloppy".

01:27:28:17           JAFFA COMMANDER (O/S): Oracca Aseemu!

01:27:29:24           O'NEILL: Oh, for crying out loud.

01:27:31:11           JAFFA COMMANDER: Hol Me!

01:27:34:20           O'NEILL: Dammit.

01:27:35:17           CARTER (INTO WALKIE TALKIE): I think they've been made.

01:27:37:06           O'NEILL (INTO WALKIE TALKIE): Just hold on.

01:27:58:05           TEAL'C: Ry'ac.

01:28:00:13           RY'AC: Father. I am sorry. Master Bra'tac said you would come, but I did not  
believe.

01:28:07:03           TEAL'C: How is he?

01:28:08:10           RY'AC: He still lives, but I fear not for long.

01:28:13:06 TEAL'C: Tek'matte.

01:28:14:26 BRATAC: Old friend.

01:28:20:06 BRATAC: Rak'nor.

01:28:23:04 RAK'NOR: Tek'matte, Master Bra'tac.

01:28:26:09 TEAL'C: There is enough for both of us.

01:28:34:29 RY'AC: You cannot hide here for long. It will take too much time for him to regain  
his strength to walk.

01:28:40:10 TEAL'C: Then we will carry him.

01:28:41:28 RAK'NOR: We have come to take you and Bra'tac away from this place.

01:28:44:11 RY'AC: What about them?

01:28:47:02 RY'AC (CONT'D O/S): What about all the others?

01:28:48:24 RAK'NOR: There are too many.

01:28:51:09 RY'AC: They can fight.

01:28:52:29 TEAL'C: And they will die.

01:28:54:14 RY'AC: If they stay, they will die.

01:29:06:15 O'NEILL (INTO WALKIE TALKIE): Teal'c, you've been made. Get out of there. Get  
out of there!

01:29:11:12 O'NEILL (V/O OVER WALKIE TALKIE): Teal'c!

01:29:18:18 JAFFA COMMANDER: Kree Chok!

**END OF ACT THREE**

**ACT FOUR**

01:29:56:01 O'NEILL (INTO WALKIE TALKIE): Hold your fire. Hold your fire.

01:30:00:01 [JAFFA COMMANDER SHOUTING ORDERS]

01:30:12:03 [WHIP LASHING O/S]

01:30:29:11 CARTER (INTO WALKIE TALKIE): Sir?

01:30:31:05 O'NEILL (INTO WALKIE TALKIE): Just hold your position.

01:30:34:27 DANIEL: We're just going to sit here?

01:30:39:19 O'NEILL (O/S): Yes!

01:30:39:28 O'NEILL (CONT'D): We've just got to sit here until we can find another way in.

01:31:13:13 TEAL'C: Ry'ac...

01:31:15:18 TEAL'C (CONT'D O/S): you are still alive?

01:31:18:13 RY'AC: Yes, Father.

01:31:19:20 TEAL'C: That is all that matters. What of Bra'tac?

01:31:28:01 RY'AC (O/S): The Tretonin has helped.

01:31:30:01 RY'AC (CONT'D): What of you, Father? Can you walk?

01:31:34:19 TEAL'C: Not at the moment.

01:31:37:20 RY'AC: You must. Those who cannot work are killed.

01:31:45:01 TEAL'C: You must not lose your faith, Ry'ac.

01:31:48:04 TEAL'C (CONT'D O/S): Rak'nor and I did not come alone.

01:31:51:15 TEAL'C (CONT'D): Even now, a rescue is underway.

01:32:01:17 CARTER: Search patrol went off in that direction heading for the Stargate.

01:32:09:20 O'NEILL: They don't believe Teal'c and Rak'nor were working alone.

01:32:12:26 DANIEL: This is my fault.

01:32:15:08 O'NEILL: How's that?

01:32:17:29 DANIEL: Because I should have done something when I had the chance. When I  
had the power.

01:32:22:13 O'NEILL: I think we've already established that wouldn't have worked out either.

01:32:29:25 O'NEILL (CONT'D): No, it's time for Plan B.

01:32:33:15 CARTER: We have a Plan B?

01:32:35:05 O'NEILL: No, but it's time for one.

01:32:37:12 CARTER (O/S): We've already determined there are too many guards for us...

01:32:40:01 CARTER (CONT'D): to take out the whole camp with our current numbers.

01:32:41:25 DANIEL: We need a distraction.

01:32:43:16 CARTER: Grenades?

01:32:47:07 O'NEILL: Think bigger.

01:32:49:09 CARTER: Claymores?

01:32:51:03 O'NEILL: Much bigger.

01:33:33:27 O'NEILL: Major, target TRP-1.

01:33:44:12 RAK'NOR: His strength still grows.

01:33:48:23 TEAL'C: Good. Ry'ac...

01:33:51:26 TEAL'C (CONT'D O/S): you and Rak'nor must spread the word.

01:33:54:18           TEAL'C (CONT'D): If we wish for our rescue to be successful, the others must be prepared to fight.

01:33:59:27           RY'AC: How will they know when?

01:34:02:05           RAK'NOR: When the time is right, they will know.

01:34:04:05           TEAL'C: Indeed.

01:34:06:00           RY'AC: Can you fight?

01:34:08:12           TEAL'C: I am not the Jaffa I once was.

01:34:13:11           RY'AC: No.

01:34:14:14           TEAL'C (O/S): Ry'ac.

01:34:15:22           RY'AC (O/S): No.

01:34:16:27           RY'AC (CONT'D): You are Teal'c. There is no greater warrior.

01:34:19:11           TEAL'C: Ry'ac! I am weak.

01:34:26:20           RY'AC: Father, please.

01:34:29:16           TEAL'C: Ry'ac! No matter what, you must survive. You must survive...

01:34:40:11           TEAL'C (CONT'D): or I have come for nothing.

01:34:45:17           TEAL'C (CONT'D): Now go.

01:35:00:00           CARTER: Once this panel goes, it'll only take a few seconds...

01:35:08:16           CARTER (CONT'D O/S): for the entire anti-gravity platform to shut down.

01:35:24:11           BRATAC: It has been difficult for both of us.

01:35:35:03           TEAL'C: You are feeling better.

01:35:38:25           BRATAC: You will not be rid of me so easily. When the time comes, I will be  
                          ready, old friend.

01:35:47:12           TEAL'C: As will I.

01:35:49:27           BRATAC: I am not so sure.

01:35:53:28           BRATAC: This Tretonin seems to have had an effect on your memory.

01:35:59:01           TEAL'C: Why would you say such a thing?

01:36:00:11           BRATAC: Because you have forgotten that a warrior's true strength comes from  
                          his heart and his mind.

**ACT FIVE**

01:38:14:16           JAFFA COMMANDER (SHOUTING): If you do not work, then you will die.

01:38:17:21           JAFFA COMMANDER (CONT'D O/S): This one does not know where his work  
                          station is.

01:38:24:26           TEAL'C: But he is young and still able to work!

01:38:34:07           JAFFA COMMANDER: You dare to speak to me?

01:38:36:14           TEAL'C: Only to ask that I take his place.

01:38:44:00           JAFFA COMMANDER: So be it.

01:38:47:26           RY'AC (SHOUTING): No. No!

01:38:55:11           JAFFA COMMANDER (O/S): You are barely able to stand.

01:39:02:29           JAFFA COMMANDER (CONT'D): You would not have lasted another day. It was  
                          a good trade.

01:39:12:23           O'NEILL (V/O OVER WALKIE TALKIE): Carter, what's the hold-up?

01:39:15:12           CARTER (INTO WALKIE TALKIE): We're a go in 30 seconds, sir.

01:39:16:23           O'NEILL (INTO WALKIE TALKIE): Assume we do not have 30 seconds.

01:43:01:16 O'NEILL: The camp has been liberated, sir. All the prisoners relocated to the  
Alpha site.

01:43:06:10 RAK'NOR: They are anxious to join the rebellion.

01:43:07:24 BRATAC: Then my mission has been a success.

01:43:11:21 BRATAC (CONT'D): Hammond of Texas, I find myself once more in your debt.

01:43:17:17 HAMMOND: I think it's Dr. Jackson you owe on this one.

01:43:22:18 TEAL'C: Indeed.

01:43:32:29 TEAL'C: Kelnoreem is unnecessary, although it does make me feel better.

01:43:42:09 TEAL'C (CONT'D): Colonel O'Neill has officially informed me that I have my  
"Mojo" back.

01:43:50:05 DANIEL: I guess I should be thanking you...

01:43:54:05 DANIEL (CONT'D O/S): actually.

01:43:56:08 DANIEL (CONT'D): You see, I used to feel like I didn't belong anywhere, really. I  
think I thought that this whole ascension thing would change that...

01:44:06:24 DANIEL (CONT'D O/S): and now I'm realizing...

01:44:08:26 DANIEL (CONT'D): that the sacrifices were far too great, and my life here is too important to just leave behind.

01:44:16:29 DANIEL (CONT'D O/S): I guess what I'm trying to say is that...

01:44:19:19 DANIEL (CONT'D): for the first time in my life, I feel like I'm a part of something. Something important.

01:44:29:27 TEAL'C: As do I.
