TIMECODE            DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

**TEASER**

01:00:10:04	O'NEILL (O/S): All right, hold it!
01:00:11:10	[GUNS COCKING]
01:00:11:20	O'NEILL (O/S CONT'D): Right there!
01:00:12:24	[GUNS COCKING]
01:00:18:11	DANIEL: Hi.
01:00:20:16	RYK'L: I am Ryk'l of the Goa'uld Moloc. Shal kek nem Ron.
01:00:26:14	TEAL'C: I, too, will die free, Brother.
01:00:29:06	RYK'L: Teal'c of the Tauri, your legend precedes you. Thank you for meeting me.
01:00:35:03	TEAL'C: We have been told that there are a great many here who believe in the dream of freedom for all Jaffa.
01:00:40:15	[GUNFIRE]

01:00:46:24 [SHOUTING]

01:00:48:15 [GUNFIRE]

01:01:11:29 O'NEILL: More rebel Jaffa?

01:01:15:17 TEAL'C: There is only one way to be certain.

01:01:19:25 TEAL'C (CONT'D SHOUTING): Shel kek nem Ron!

01:01:25:15 TEAL'C (SHOUTING): Shel kek nem Ron!

01:01:44:09 MALA: Warriors of the Tauri, we mean you no harm.

01:01:58:20 MALA (CONT'D): Please, come with us.

**ACT ONE**

01:03:35:04 MALA: Shak krek tel kree. The Stargate will not be accessible for long. We must  
hurry.

01:03:55:10 DANIEL: What is she doing?

01:03:57:16 MALA: There is no time to explain here. Please, come with us.

01:04:00:03 NEITH: Kel, ma lek.

01:04:01:00 MALA: Cree, shak nel.

01:04:02:02 NEITH: They are outsiders.

01:04:03:16 MALA: They are SG-1 of the Tauri.

01:04:07:03 O'NEILL: Hey, what's going on?

01:04:08:25 TEAL'C: This one believes we should return to her planet. That one does not  
believe it will be wise.

01:04:18:19 MALA: Please. We knew you'd be here.

01:04:21:20 TEAL'C: How?

01:04:23:11 MALA: Our intelligence network runs deep within the Jaffa of Moloc. We came to ask for help.

01:04:33:08 MALA (CONT'D): I promise you will be safe.

01:04:36:21 DANIEL: Well, they did save us.

01:05:03:15 MALA: Welcome to Hak'tyl.

01:05:06:18 DANIEL: Independence?

01:05:08:20 TEAL'C: Liberation.

01:05:09:21 MALA: Our dwellings are this way. Please.

01:05:11:15 O'NEILL: Uh, you know, we really should call home first, let the folks know where we are. It's past our curfew.

01:05:17:03 MALA: By all means.

01:05:20:18 NEITH: Why have we brought them here?

01:05:22:20 MALA: Because that was our mission.

01:05:23:20 NEITH (O/S): Why was I not told?

01:05:26:06 MALA (O/S): Because we knew you would disagree.

01:05:27:11 MALA (CONT'D): Go ahead. Tell Ishta of our success.

01:05:45:28 DANIEL: So, Teal'c, who are they?

01:05:49:01 TEAL'C: My knowledge of the Goa'uld Moloc is limited, however, I am unaware of  
any Goa'uld that would permit his women Jaffa to be warriors.

01:05:56:10 DANIEL: They seem to be well trained.

01:05:58:27 TEAL'C: All females receive training. They are expected to defend their  
homeworld with their lives when their men are called to battle.

01:06:06:28 DANIEL: I can't help but think of the ancient Greek Amazon mythos.

01:06:09:23 O'NEILL: Yes. Me too.

01:06:11:25 DANIEL: They were, um, female warriors who occasionally captured men from  
other tribes in order to mate with them. They would often, um, would  
sometimes remove their right breast so that they could more easily fire a  
bow and arrow.

01:06:23:04 O'NEILL: I see neither bow nor arrow.

01:06:26:16 DANIEL: No.

01:06:28:10 O'NEILL: Wait. You don't suppose that's why they want us, do you? I mean, you know, the three of us.

01:06:35:02 DANIEL: To mate with? No. No. I don't think so.

01:06:38:09 O'NEILL: Because you know me, I'm all for helping people.

01:06:40:20 CARTER: Oh, God.

01:07:00:06 MALA: You must forgive them. For many of the young, this is the first time they've seen men.

01:07:08:14 MALA (O/S): This is Ishta...

01:07:11:15 MALA (CONT'D): Our leader.

01:07:14:28 O'NEILL (O/S): Well, howdy, Ma'am. It's nice to meet you.

01:07:19:26 O'NEILL (CONT'D): I've heard so...actually, I've heard nothing about you.

01:07:26:17 ISHTA: Teal'c of Chulak...

01:07:28:19 ISHTA (CONT'D): Former First Prime of Apophis.

01:07:30:28 ISHTA (CONT'D O/S): The Shol'va who has become a legend.

01:07:33:18 O'NEILL: That's a bit thick, don't you think?

01:07:38:05            TEAL'C: I am no legend. I fight as any true-hearted Jaffa for the freedom that we deserve.

01:07:47:06            TEAL'C (CONT'D): This is Daniel Jackson, Major Carter, and Colonel O'Neill.

01:07:52:08            O'NEILL: Hello.

01:07:57:17            ISHTA: I have asked you here so that I may propose an alliance.

01:08:00:05            O'NEILL: Well, that's a fine idea. We should sit, talk, nosh.

01:08:04:15            TEAL'C: No alliance can be formed between the Tauri and those who would steal symbiotes from their brother and leave him to die.

01:08:09:02            NEITH (O/S): He was no brother of mine.

01:08:11:06            NEITH (CONT'D): Just a murderer of innocent children.

01:08:13:08            ISHTA: Shel kree!

01:08:18:02            ISHTA: There is much to discuss.

01:08:23:07            ISHTA: This is Syn'ac.

01:08:28:00            ISHTA (CONT'D): This morning, she lay on her deathbed. She reached the age of Prata three days ago.

01:08:36:08 O'NEILL: Hmm?

01:08:37:23 DANIEL: Puberty.

01:08:38:24 O'NEILL: Ah.

01:08:40:07 ISHTA: Without the symbiote we procured this morning, she would be dead now.

01:08:49:01 ISHTA: This is Nesa, younger sister to Neith. She is next to reach the age.

01:08:57:05 ISHTA (CONT'D O/S): Without a symbiote...

01:08:58:28 ISHTA (CONT'D): She will die...

01:09:06:08 ISHTA (CONT'D): As will all our children.

01:09:18:09 ISHTA: 30 years ago, Moloc decreed that only male children would be allowed to  
live. Only they could strengthen his armies and lead him to victory in the  
war of the gods.

01:09:29:18 CARTER (O/S): Aside from the obvious...

01:09:30:13 CARTER (CONT'D): Immorality, that doesn't make sense. How do you sustain a  
population of any gender without women?

01:09:36:07 ISHTA: The Jaffa life span is longer than humans. This could go on for a hundred years. Any female child is to be sacrificed in the ceremony of fire...

01:09:45:01 ISHTA (CONT'D O/S): Immediately after they are born.

01:09:47:08 CARTER: They're burned to death?

01:09:48:09 ISHTA: Yes.

01:09:50:17 O'NEILL: Well, this is...odd.

01:09:58:28 DANIEL: Maybe they just feel more comfortable talking to Sam.

01:10:01:17 O'NEILL: Why? Because we have penises?

01:10:06:23 DANIEL: Powerbar?

01:10:08:14 O'NEILL: Yeah. Thanks.

01:10:13:09 CARTER: So, how did you start bringing them here?

01:10:15:18 ISHTA: As a temple High Priestess, part of my duty is to keep record of births and to preside over the ceremony of fire itself. I could not sit back and watch my sisters be murdered and do nothing.

01:10:27:07 ISHTA (CONT'D O/S): As High Priestess...

01:10:29:26 ISHTA (CONT'D): I, along with my seconds, Mala and Neith are allowed relatively free access to the Chapp'ai of the worlds under Moloc's rule.

01:10:36:18 CARTER: No one outside this camp knows you're doing this?

01:10:38:29 ISHTA: No. Our duties require us to attend to many missionary matters on various planets.

01:10:44:03 CARTER: So you offer the parents of these children a chance for their daughters to live.

01:10:47:24 ISHTA: All but a few Jaffa under Moloc worship him religiously. Not even the parents can be trusted. The children have to be spirited away secretly, for fear we'd be reported to the Imperial Guard.

01:11:00:25 MALA: It is punishable by death to even question the laws of a God.

01:11:04:04 ISHTA: Over the moons, we have succeeded in saving many from their birthright of death.

01:11:07:25 CARTER: So you want our help to overthrow Moloc?

01:11:10:20 ISHTA: We may have underestimated you.

01:11:15:23 CARTER: We've gone after Goa'ulds before.

01:11:17:22 ISHTA: Moloc is very powerful. His armies are vast.

01:11:21:05 CARTER: We have our ways, and some very powerful allies.

01:11:25:18 ISHTA: Forgive us, but our immediate goals are somewhat less ambitious.

01:11:29:24 NEITH: It is an ongoing struggle to procure the symbiotes...

01:11:32:09 NEITH (CONT'D O/S): Needed for our young to survive. We've lost many of our  
warriors in these raids.

01:11:36:27 NEITH (CONT'D): It has been said your weapons are formidable.

01:11:41:00 MALA: We also require sustenance. Food and supplies among our growing  
population are scarce.

01:11:46:28 ISHTA: We are proud warriors. We offer you our services and our knowledge in  
return. We have an extensive intelligence network among...

01:11:54:21 ISHTA (CONT'D O/S): The Jaffa under Moloc.

01:11:56:29 CARTER: What if I were to offer you an alternative?

01:12:00:08 MALA: An alternative to what?

01:12:02:03 CARTER: To your reliance on the Goa'uld.

**END OF ACT ONE**

**ACT TWO**

01:12:36:27 DANIEL: Tretonin?

01:12:39:15 CARTER: We've had success with it so far.

01:12:40:22 O'NEILL: On all two test subjects.

01:12:42:26 CARTER: It hasn't been easy. Jaffa won't willingly give up their symbiotes, despite  
the fact that it could ultimately free them.

01:12:48:22 TEAL'C: Jaffa believe they will be weaker without them.

01:12:50:27 DANIEL: Centuries of Goa'uld brainwashing.

01:12:52:22 O'NEILL: Will these women do it?

01:12:54:15 CARTER: They're thinking about it. They've suffered some horrible atrocities at  
the hands of the Jaffa who serve Moloc. It's easy to see why they don't  
have a problem killing a few of them to survive.

01:13:03:26 TEAL'C: The Jaffa is taught it is more noble to die than to kill another.

01:13:07:11 CARTER (O/S): Teal'c...

01:13:08:12           CARTER (CONT'D): These children have been genetically altered to depend on symbiotes, and then had all access to them taken away. Their guardians believe this is only one way for them to survive.

01:13:17:03           TEAL'C: Then they will have to see that there is another way.

01:13:20:21           O'NEILL: Give them the old Teal'c charm!

01:13:53:03           ISHTA (O/S): It means "Courage."

01:13:58:16           ISHTA (CONT'D): Each design represents an ideal that no warrior should ever forget.

01:14:04:06           TEAL'C: Impressive that I did not sense your approach.

01:14:08:02           ISHTA: Is not stealthiness one of the first talents...

01:14:10:19           ISHTA (CONT'D): Taught to a Jaffa soldier?

01:14:13:03           TEAL'C: With varying degrees of success.

01:14:15:21           ISHTA: You wish to talk me into succumbing to this experiment?

01:14:19:06           TEAL'C: Indeed.

01:14:21:06           ISHTA: Come, walk with me. Have you really the belief that this Tretonin is our way to freedom?

01:14:37:12           TEAL'C: If it is successful, it may be the first step, for as long as Jaffa require symbiotes, we will continue to be enslaved by the Goa'uld. The benefit a symbiote provides is not a Jaffa's true strength, and we, as a people, must begin to realize that sacrifices must be made if we are to ever truly be free.

01:15:09:22           ISHTA: This is where I come to Kelnoreem.

01:15:12:27           TEAL'C: Much of our tradition and our way of life have been designed to instill our dependence on the Goa'uld.

01:15:23:03           ISHTA: You believe it is wrong that we kill Jaffa merely that our...

01:15:26:14           ISHTA (CONT'D): Children would live, but what is war for but the preservation of our children?

01:15:30:16           ISHTA (CONT'D): We do not engage the defenseless or the weak. We always fight with honor, and those that die do not die in vain.

01:15:37:25           TEAL'C: One day you will come across a Jaffa scout party that will not so easily be ambushed.

01:15:42:14           ISHTA: Then you doubt our abilities.

01:15:44:05           ISHTA (CONT'D O/S): Is that what this is about?

01:15:47:17 ISHTA (CONT'D): You speak of progress and shedding of the old ways, and yet  
you still think a woman needs your protection.

01:15:56:18 ISHTA: May your limbs be more nimble...

01:16:04:24 ISHTA (CONT'D): Than your tongue...

01:16:06:02 ISHTA (CONT'D): For your sake.

01:16:40:11 ISHTA: Do not hold back. You will only anger me further.

01:17:05:26 TEAL'C: You have proven yourself a worthy adversary. Now hear me. If you say  
no to Tretonin, it can only mean you have an unquenchable thirst for  
bloodshed and revenge, and that does not serve those who follow your  
leadership.

01:17:22:20 ISHTA: I sense no symbiote in you.

01:17:26:06 TEAL'C: You are correct.

01:17:29:29 ISHTA: You take this drug yourself, and yet you conceal it!

01:17:34:08 ISHTA (CONT'D O/S): Your actions betray your words.

01:17:47:17 ISHTA (O/S): That one means "Pride."

01:17:52:07 ISHTA (V/O): No longer will we need to lose our sisters in battle.

01:18:02:12 ISHTA (CONT'D): No longer will our daughters be dependent on symbiotes!

01:18:06:29 ISHTA (CONT'D): Teal'c...

01:18:09:25 ISHTA (CONT'D O/S): Has taken the drug. He stands here before you as  
evidence.

01:18:15:13 ISHTA (CONT'D): I am asking for four volunteers to travel with me to the Tauri...

01:18:22:02 ISHTA (CONT'D O/S): To test its...

01:18:23:23 ISHTA (O/S CONT'D): Effectiveness.

01:18:27:14 O'NEILL: Was that a pin dropping?

01:18:32:21 MALA: You must not go.

01:18:35:29 ISHTA: Mala, I have made my decision.

01:18:38:02 MALA: Hak'tyl needs you. You are our leader. I will go in your stead.

01:18:43:26 MALA (CONT'D O/S): It is my right as Kin'dra.

01:18:47:17 MALA (CONT'D): You cannot say no.

01:18:55:17 ISHTA: You are brave and true.

01:18:58:00 EMTA: I too will go.

01:19:23:25 ISHTA: Nesa is of the age.

01:19:26:01 NEITH: She is a child.

01:19:28:27 ISHTA: I am told it's not without risk, but if there is one among us--

01:19:33:15 NEITH (INTERRUPTING O/S): Never.

01:19:34:20 NEITH (CONT'D): That you even consider this is an affront to all of us.

01:19:37:27 ISHTA: Your words are disrespectful.

01:19:48:00 ISHTA: I cannot force her hand. I wish you well.

**END OF ACT TWO**

**ACT THREE**

01:20:42:18 HAMMOND: Dr. Jackson, Teal'c?

01:20:45:00 O'NEILL: As Teal'c would say, undomesticated equines couldn't drag him away.

01:20:50:07 CARTER: The leader of the Hak'tyl wanted to learn more about the rebel Jaffa.

01:20:54:02 CARTER (CONT'D O/S): We figured we could send updates on the progress...

01:20:56:13 CARTER (CONT'D): Of the Tretonin treatment to Daniel through the MALP.

01:20:58:15 O'NEILL: Kind of a P.R. thing, Sir.

01:21:01:02 HAMMOND: I'm General Hammond. Welcome to Earth.

01:21:10:22 ISHTA: When you rose up against Apophis, did you leave behind someone that  
you loved?

01:21:19:19 TEAL'C: My son and I have been reunited.

01:21:22:11 He has become a great warrior, traveling with my mentor, Bra'tac, spreading word  
of our cause.

01:21:28:02 ISHTA: And what of his mother? Does she sit at home pining away for her hero?

01:21:36:22 TEAL'C: She is dead.

01:21:39:20 ISHTA: I am sorry, Teal'c.

01:21:40:21 TEAL'C: You could not have known. She died last year when her symbiote  
matured and was unable to procure another.

01:21:49:24 ISHTA: I see.

01:21:51:00 MALA: What of my symbiote?

01:21:55:17 FRASIER: It's being sustained. We've developed methods of keeping a symbiote  
alive for some time.

01:22:00:26 FRASIER (CONT'D): As far as the Tretonin, finding the right amount is going to be  
somewhat trial and error. We'll keep increasing the dose...

01:22:08:01 FRASIER (CONT'D O/S): Until we get the desired effect.

01:22:11:18 CARTER: You're very brave.

01:22:22:16 MALA: Not so much as you think.

01:22:26:03 TEAL'C: The rebellion that I have helped fuel has caused the Goa'uld to mistrust  
the Jaffa with their young.

01:22:34:09 ISHTA: You are making a point?

01:22:36:18           TEAL'C: I am speaking only of Drey'auc. She refused to take the life of another Jaffa even to preserve her own, no matter what their beliefs may have been.

01:22:45:15           ISHTA: What are your memories of her?

01:22:50:27           TEAL'C: She could be as fierce as the wind or as gentle as the sunshine, and she never feared to be either.

01:23:01:02           ISHTA: You still love her.

01:23:02:23           TEAL'C: I will always have a place in my heart for her.

01:23:07:01           MALA: You are close to Colonel O'Neill.

01:23:09:17           CARTER: Yeah. I like to think we have a special relationship.

01:23:13:17           MALA: I hope to someday have a special relationship.

01:23:16:17           CARTER: Oh! No. No, it's not like that.

01:23:20:04           MALA: Like what?

01:23:21:14           CARTER: We aren't...you know, I mean, we don't...

01:23:24:15           MALA: I was speaking of the mutual respect you share.

01:23:26:24 CARTER: I knew that.

01:23:30:06 ISHTA: I am from a world unlike yours, Teal'c. Where women aren't held in such high regard. My husband was a warrior of high station in Moloc's Imperial Guard. I was but one wife of many. Still, as Temple Priestess, I was afforded many luxuries to make up for my mistreatment.

01:23:55:02 TEAL'C: What has become of your husband?

01:23:57:16 ISHTA: He was killed in battle against a rival Goa'uld.

01:24:00:27 MALA: I was once a temple handmaiden.

01:24:03:25 MALA (CONT'D): I fell in love with a young palace guard. Our relationship was forbidden because of our station.

01:24:10:18 MALA (CONT'D): When it was discovered that I was to have his child, Moloc sentenced my beloved to death and sacrificed our daughter before my eyes.

01:24:22:09 CARTER: I'm so sorry.

01:24:27:07 ISHTA (V/O): When...

01:24:27:26 ISHTA (CONT'D): When will the Goa'uld thirst for conquest and bloodshed end?

01:24:33:22 TEAL'C: When they are all dead.

01:24:41:21 DANIEL (O/S): Are you okay?

01:24:46:24 NESA: My sister says I shouldn't talk to you.

01:24:48:27 DANIEL: You don't have to. I'll just sit here for a while. I'm Daniel.

01:25:07:04 DANIEL: I wasn't talking to you.

01:25:10:00 NESA: Who were you talking to, then?

01:25:11:01 DANIEL: No one. So how are you?

01:25:20:28 NESA: I feel tired.

01:25:23:00 DANIEL: Who are you talking to?

01:25:24:00 NESA: No one. What are those on your face?

01:25:33:01 DANIEL: Uh, they're called glasses. They help me see better.

01:25:37:01 NESA: Why would you need to see better?

01:25:38:03 DANIEL: Because my eyes don't see as well as they should.

01:25:43:26 NESA: How do they work?

01:25:45:18 DANIEL: Here.

01:25:51:23 NESA: These make your sight worse.

01:25:53:15 DANIEL: Yeah, well, they work differently for different people.

01:25:57:06 NESA: Perhaps you are in need of a symbiote?

01:25:58:07 DANIEL: Yeah, I'll just stick with the glasses.

01:26:04:10 NESA: Neith has told me that your people do not approve of our use of symbiotes  
for healing.

01:26:09:06 DANIEL: Well, it's a little more complicated than that. I just think that there's...

01:26:11:22 DANIEL (CONT'D O/S): a better way.

01:26:13:16 NESA: Neith does not want me to participate in your experiments.

01:26:15:20 DANIEL: I know.

01:26:19:07 NESA: Soon I will require a symbiote.

01:26:24:27 DANIEL: You don't sound very happy about that.

01:26:29:01 NESA: I will become a great warrior, like Neith.

01:26:32:04 DANIEL: You can do that without a symbiote.

01:26:34:20 NESA: I can?

01:26:37:03 DANIEL: Mm-hm. But, uh...you didn't hear that from me.

01:27:03:11 ISHTA: Have you nothing to say?

01:27:09:15 TEAL'C: I have spoken more in two days than I have in many years.

01:27:14:01 ISHTA: And so you are done?

01:27:20:26 TEAL'C: Perhaps I should take my leave.

01:27:23:07 ISHTA: Thoughts of your wife still linger.

01:27:29:16 ISHTA (CONT'D): That's understandable, but she's been gone now for over a  
year.

01:27:37:00 ISHTA (CONT'D): There is no sin in taking comfort in another lonely soul...if you  
wish.

01:28:05:20 FRASIER: Mala's the only one not responding. Her white blood cell count is way  
down. If this keeps up, she'll go into sepsis.

01:28:12:15 CARTER: What can you do?

01:28:12:29 FRASIER: Continue to increase the Tretonin levels, but she's already at double  
the dose...

01:28:17:28 FRASIER (CONT'D O/S): That's working in the others.

01:28:22:05 FRASIER (CONT'D): I want to move her to isolation.

01:28:26:13 FRASIER (CONT'D): We had no guarantees going in. Some would say an 80  
percent success rate isn't bad in a trial like this.

01:28:31:25 CARTER: Not in the minds of the Jaffa.

01:28:34:06 FRASIER: We're not done yet. We haven't even begun to explore the reasons  
why it might not be working in Mala.

01:28:40:12 CARTER: We need this to work.

01:28:42:15 FRASIER: I know.

**END OF ACT THREE**

**ACT FOUR**

01:29:44:05 DANIEL: Morning.

01:29:45:14 NEITH: You had no right to speak to her!

01:29:47:06 DANIEL: I'm sorry.

01:29:48:05 NEITH (O/S): I saved her from her birthright...

01:29:49:18 NEITH (CONT'D): And it will be the symbiote I procure that will save her once  
again. I have already lost two sisters, and I will not...

01:29:56:14 DANIEL (CONT'D): Lose another one.

01:29:58:09 DANIEL: Okay. Okay. You lost two sisters. I'm sorry.

01:30:01:02 NEITH: Ishta was able to save me, but she couldn't save the next two girls sired  
by my father.

01:30:06:23 NEITH (CONT'D O/S): He was a Jaffa stationed high in the Imperial Guard.

01:30:10:02 NEITH (CONT'D): I swore that when I came of age, no more of my sisters would  
die. When I heard that my mother had given birth to yet another female, I  
knew what I had to do.

01:30:23:03 DANIEL: Well, you should be proud of that.

01:30:25:01 NEITH: My father discovered the ruse...

01:30:28:08 NEITH (CONT'D): Ishta and I used to keep Nesa away from the fire.

01:30:31:13 NEITH (CONT'D): I had to kill him so we could escape.

01:30:34:15 DANIEL: Well, don't you want to give Nesa a chance to live free of the Goa'uld?

01:30:40:02 NEITH: Not your way.

01:31:03:18 MALA: You have moved me away from the others because you did not wish to  
frighten them.

01:31:08:18 CARTER: The truth is you're not doing so well.

01:31:10:19 CARTER (CONT'D): You're more susceptible to infection in your condition.

01:31:14:03 MALA: How are the others responding to treatment?

01:31:17:04 CARTER: Good. Very good.

01:31:19:15 [ALARMS SOUNDING]

01:31:22:03 CARTER: Janet?

01:31:25:17 NURSE: Her B.P. is 60 over 40.

01:31:29:22 FRASIER: Give her a bolus.

01:31:35:04 FRASIER (CONT'D): We have to put her symbiote back.

01:31:36:13 MALA: Do not.

01:31:38:24 CARTER: If we don't, you could die.

01:31:40:20 MALA: This must work if my people are to be free. If I continue to be enslaved by  
the Goa'uld I carried, I am as good as dead.

01:31:55:19 MALA: Please.

01:32:10:03 GINRA: You challenge Ishta?

01:32:14:04 NEITH: She is no longer fit to lead us. She consorts with Teal'c. Her judgment has  
been clouded.

01:32:20:23 KA'LEL: Our sisters have risked their lives for the experiment. Do you see no  
benefit...

01:32:25:01 KA'LEL (CONT'D O/S): if it works?

01:32:25:01 NEITH: Even if the Tretonin works, it merely places our dependence on the  
humans...

01:32:29:18 NEITH (CONT'D O/S): of Tauri.

01:32:31:07 KA'LEL: Whom you also do not trust.

01:32:31:23 NEITH: Who is to say their intentions are pure? Their leaders are men. They wish  
to sap our strength with this drug.

01:32:40:25 KA'LEL: We are safe here at the moment, but if Moloc ever learned that we were  
behind the raids...

01:32:45:01 KA'LEL (CONT'D O/S): On his Jaffa--

01:32:45:28 NEITH (INTERRUPTING): Our freedom lies in dominance over the Goa'uld. We  
must fight so that we may use their symbiotes to our advantage.

01:32:53:18 NEITH (CONT'D O/S): Only then will we control our own destiny.

01:32:57:02 NEITH: I wish to know, if I am to challenge Ishta's leadership, who will follow me?

01:33:07:21 NICTAL: Neith!

01:33:09:10 NICTAL (CONT'D): You must come quick. It is Nesa.

01:33:15:22 FRASIER (O/S): I'm not waiting any longer.

01:33:26:22 [SYMBIOTE SQUEALING]

01:33:39:17 CARTER: How long before we see some improvement?

01:33:41:20 FRASIER: Not long, I hope.

01:33:46:29 FRASIER (O/S): She's coding.

01:33:48:07 FRASIER (V/O): Let's start CPR.

01:33:50:06 FRASIER (V/O CONT'D): Let's intubate. Give me one milligram epi. Prep for  
defib.

01:33:56:21 NEITH: Be strong, sister. I will not fail you.

01:34:11:14 TEAL'C: What is happening?

01:34:19:08 NICTAL: Neith has claimed Joma Secu!

01:34:21:22 CARTER: Daniel, Teal'c, this is Sam. Come in.

01:34:24:04 CARTER (V/O OVER RADIO): Daniel, Teal'c, this is Sam, come in.

01:34:29:04 DANIEL (INTO RADIO): Yeah, go ahead, Sam. It's me, Daniel.

01:34:30:28 CARTER (V/O OVER RADIO): We have some bad news.

01:34:32:15 DANIEL (INTO RADIO): Well, things aren't going that well here either.  
What's...what's up?

01:34:34:21 CARTER: It's Mala.

01:34:44:01 TEAL'C (O/S): Ishta!

01:34:46:17 TEAL'C (CONT'D): Ishta!

01:34:47:20 ISHTA: You dare interfere! She challenged me. It is my right.

01:34:52:12 TEAL'C: It is your right to grant mercy.

01:34:54:17 DANIEL (SHOUTING O/S): Excuse me!

01:35:00:17 DANIEL (CONT'D): Look, I know this is not a good time for this. There never really  
is for something like this--

01:35:03:09 ISHTA (INTERRUPTING): Speak!

01:35:04:19 DANIEL: Mala's dead.

01:35:06:24 ISHTA: What?

01:35:11:28 DANIEL: I'm sorry.

01:35:14:10 ISHTA: How?

01:35:16:22 DANIEL: The Tretonin wasn't working. When they tried to re-introduce her  
symbiote...look, I just want you to know, the other women are fine.

01:35:26:25 NEITH: See what your weakness has brought?

01:35:30:09 NEITH (CONT'D): Nesa is in need of a symbiote.

01:35:35:26 ISHTA: And she shall have one.

01:35:39:20 TEAL'C: Do not make this mistake.

01:35:48:01 TEAL'C (CONT'D): Moloc will not allow this to continue.

01:35:50:08 ISHTA: You give me no choice.

01:35:52:01 TEAL'C: How many warriors have to die?

01:35:53:08 ISHTA: Our sisters in your care will be returned safely, or the two of you will be  
sacrificed.

01:35:59:07 ISHTA: Cree, sha Mel lak!

**END OF ACT FOUR**

**ACT FIVE**

01:36:43:16 DANIEL: Look, I know you want to stop Ishta and the gang, but even if we could  
get out of here, we don't know where they went.

01:36:53:16 KA'LEL: Come with me.

01:37:04:06 KA'LEL: She insisted.

01:37:18:28 NESAS: I do not wish for someone else to die so that I might live. I do not want to  
take a symbiote.

01:37:25:16 DANIEL: Did you talk to your sister?

01:37:36:19 NESAS: She would not listen. It is my right to decide, is it not?

01:37:42:11 DANIEL: I'm not sure. It should be.

01:37:47:29 NESAS: What happened to Mala?

01:37:50:16 DANIEL: We don't really know. We do know it was partly a reaction to her own  
symbiote. It shouldn't happen to someone who was never implanted.

01:37:58:09 NESAS: And the Tretonin worked on others, did it not?

01:38:01:26 DANIEL: Yes.

01:38:03:24 NESA: I wish to try it.

01:38:09:05 DANIEL: Okay.

01:38:13:21 TEAL'C: Do you know where Ishta and Neith have gone?

01:38:17:25 NESA: No.

01:38:21:13 KA'LEL: I do.

01:38:36:15 ISHTA (SHOUTING): Sel ma-ka nee!

01:38:46:18 ISHTA: We have been fortunate here this day. More have died than needed to.

01:38:51:11 NEITH: We have saved the life of my sister.

01:39:03:29 JAFFA (O/S): Shel...

01:39:10:18 JAFFA (CONT'D): Kek nem Ron.

01:39:14:19 NEITH: Is the symbiote too near maturity?

01:39:22:12 NEITH: What is wrong?

01:39:25:16 ISHTA: This Jaffa has the same wish for freedom...

01:39:28:14 ISHTA (CONT'D O/S): As do we.

01:39:30:14 NEITH (O/S): Then he should not have fought alongside those that follow Moloc.

01:39:32:04 ISHTA: How many others that might have been our allies have we killed this day?

01:39:37:20 NEITH: I will do it myself.

01:39:38:24 [GUNFIRE]

01:39:44:24 ISHTA (SHOUTING): No!

01:39:53:11 DANIEL: You okay?

01:39:55:29 ISHTA: She is severely wounded. Her symbiote is damaged as well.

01:40:03:09 TEAL'C: You have a choice.

01:40:25:03 FRASIER: I don't know how much longer I can keep her alive. If we're going to  
administer the Tretonin, it's now or never.

01:40:35:10 TEAL'C: You must speak to her.

01:40:53:10 ISHTA: Neith...

01:40:59:10 ISHTA (CONT'D): Your symbiote is dying.

01:41:03:03 NEITH: You must procure another.

01:41:07:11 ISHTA: No. Those ways are over.

01:41:12:28 NEITH: You sentence me to death.

01:41:15:00 ISHTA: I ask you to choose life.

01:41:21:17 ISHTA: She will not listen to me.

01:41:30:27 DANIEL: Well, maybe she'll listen to her sister.

01:41:38:26 NESA: Please, Neith.

01:41:43:07 NEITH: You betrayed me.

01:41:48:13 NESA: No. You betray me.

01:41:51:08 NESA (CONT'D O/S): Since before I can remember, you have taught me to  
believe in our freedom.

01:41:57:00 NESA (CONT'D): You said you would do anything so that you might protect me.  
One day I will be a great warrior like you...

01:42:04:23 NESA (CONT'D O/S): But I am not yet.

01:42:10:10 NESA (CONT'D): I still need you.

01:42:15:22 NESA (CONT'D O/S): I have chosen to live free. You must choose to take the Tretonin if you are to continue to teach and protect me.

01:42:28:00 NESA (CONT'D): Please. I do not wish you to die.

01:43:06:01 NESA: Will you come and visit?

01:43:09:00 DANIEL: Yes, of course.

01:43:09:19 NEITH: My sister's developed quite an affection for you.

01:43:13:17 NESA: Neith.

01:43:17:06 ISHTA (O/S): We are grateful to our new friends.

01:43:19:16 ISHTA (CONT'D): On behalf of the Hak'tyl, I'd like to express our thanks.

01:43:24:17 CARTER: Our medical team will be checking in on a regular basis. Make sure to take note of any symptoms that could be side-effects of the Tretonin.

01:43:31:05 KA'LEL: You have trained us well in the use of the medicine.

01:43:33:25 ISHTA: And the food and supplies you've provided will go far.

01:43:36:18 O'NEILL: Well, if there's anything else you need, anything...

01:43:39:14 O'NEILL (CONT'D O/S): Just give us a call.

01:43:40:23 O'NEILL (O/S CONT'D): Send us an e-mail.

01:43:42:14 ISHTA: Just that not too many moons go by before...

01:43:45:10 ISHTA (CONT'D O/S): We see you again.

01:43:46:25 O'NEILL: Oh, don't worry. I'm sure we'll be in...

01:43:53:26 O'NEILL (CONT'D): Touch?

**END OF ACT FIVE**

**FADE TO BLACK**

**BEGIN END CREDITS**
