TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

TEASER

01:01:19:26 JACOB: Where's the matrix crystal?

01:01:21:29 CARTER: Next to the primaries.

01:01:23:04 JACOB: I can't find anything in here. I had a system back at the old alpha site.

01:01:26:25 CARTER: The location of the old alpha site was compromised when Anubis used
his mind probe on Jonas. You didn't want to hang around there...

01:01:32:06 CARTER (CONT'D O/S): did you?

01:01:32:26 JACOB: I just want to be able to work as efficiently as possible.

01:01:36:06 JACOB (CONT'D O/S): Anubis' drones...

01:01:37:06 JACOB (CONT'D): are kicking the crap out of...

01:01:38:00 JACOB (CONT'D O/S): the System Lords, and we're next.

01:01:39:11 JACOB (CONT'D): This prototype should've...

01:01:41:13 JACOB (CONT'D O/S): been done weeks ago.

01:01:42:25 CARTER: It's done...it's just not "finished."

01:01:46:02 JACOB: Interesting distinction.

01:01:48:15 CARTER: We only got Telchak's device a month ago. I'm surprised we were able
to come up with something so quickly.

01:01:53:15 JACOB: In its current configuration, the weapon is only 70% effective in
counteracting the reanimation technology.

01:01:58:16 CARTER: That's because the power unit you're using hasn't been properly
calibrated. This one will be better.

01:02:03:13 JACOB: Maybe.

01:02:04:16 CARTER: Have you not had your coffee this morning?

01:02:09:20 JACOB: Selmak doesn't like coffee.

01:02:12:20 CARTER: You gave up coffee for your symbiote?

01:02:17:20 CARTER: I didn't know that.

01:02:19:24 JACOB: We never talk anymore, Sam.

01:02:22:00 (ALARMS SOUNDING)

01:02:26:25 CARTER: Lt. Glenn, what's happening?

01:02:28:03 LT. GLENN: We're under attack.

01:02:29:04 LT. GLENN (CONT'D O/S): We just picked up Goa'uld ships entering the
atmosphere.

01:02:31:10 LT. GLENN (CONT'D): Colonel Riley has ordered immediate evac to Beta. We're
bugging out right now.

END OF TEASER

ACT ONE

01:04:12:28 DANIEL: What happened?

01:04:14:00 HAMMOND: Approximately 20 minutes ago, the approach of Goa'uld ships prompted an evacuation of the Alpha site.

01:04:20:15 DANIEL: Sam was doing research there.

01:04:22:05 HAMMOND: She and Jacob were working on a weapon designed to neutralize Anubis's new soldiers.

01:04:27:01 HAMMOND (CONT'D O/S): At the moment, we have no idea what happened to either of them.

01:04:29:22 O'NEILL: How many people got out?

01:04:31:25 HAMMOND: Casualty reports are still coming in from the Beta site, but at least 90 people are still missing, including the base...

01:04:36:18 HAMMOND: commander, Colonel Riley.

01:04:37:28 O'NEILL: I thought the location of the Alpha site was a secret.

01:04:41:01 DANIEL: We brought the gate there in a Tok'ra ship. It's a completely new address.

01:04:43:13 TEAL'C: Yet evidently, somehow the Goa'uld have discovered its whereabouts.

01:04:46:18 TECHNICIAN: Chevron seven locked.

01:04:54:00 TECHNICIAN (CONT'D): Wormhole is stable, sir.

01:04:56:20 TECHNICIAN (CONT'D): No radio chatter.

01:04:58:00 HAMMOND: Send the MALP.

01:04:59:26 TECHNICIAN: Yes, sir.

01:05:12:25 TECHNICIAN (CONT'D): MALP is en route.

01:05:15:17 TECHNICIAN (CONT'D O/S): Receiving MALP telemetry.

01:05:19:08 TECHNICIAN (CONT'D): Sir, my instruments are telling me that the MALP is on
 its side.

01:05:22:29 HAMMOND: Do you still have camera control?

01:05:24:22 TECHNICIAN: Yes, sir.

01:05:35:09 DANIEL: If the Stargate was knocked over, and it's lying face down, the forming of
 the event horizon would've excavated a cavity underneath it. When the
 MALP came through, it fell into the hole.

01:05:43:09 HAMMOND: There's no way to know if the DHD survived the attack.

01:05:46:03 TEAL'C: If we were to bring an alternate power source...

01:05:48:03 DANIEL: We can dial out manually.

01:05:49:03 HAMMOND: Possibly under enemy fire.

01:05:50:23 O'NEILL: We'll be fine, sir. The Gate dug us the perfect foxhole.

01:05:56:02 HAMMOND: You have a go. Good luck, Colonel.

01:05:58:20 O'NEILL: Thank you, sir.

01:06:41:15 DANIEL: Wow...

01:06:42:26 TEAL'C: This destruction does not appear to be the result of an aerial assault.

01:06:46:24 O'NEILL: It's a single-radius blast.

01:06:48:17 TEAL'C: Quite possibly the self-destruct.

01:06:51:03 TEAL'C (CONT'D): To prevent the alpha site from falling into enemy hands.

01:07:03:10 O'NEILL: So we'll split up, search for survivors.

01:07:06:15 COLONEL REYNOLDS: Who could've survived this?

01:07:10:00 O'NEILL: Start with the treeline...

01:07:12:03 O'NEILL (CONT'D O/S): there.

01:07:13:20 COLONEL REYNOLDS: Copy.

01:07:14:29 COLONEL REYNOLDS (CONT'D O/S): Move out.

01:07:56:22 TEAL'C: O'Neill.

01:08:03:02 O'NEILL: What've you got?

01:08:10:15 TEAL'C: This is the armor of one of Anubis's drones.

01:08:20:08 O'NEILL: Reynolds?

01:08:25:20 COLONEL REYNOLDS: Go ahead.

01:08:27:15 O'NEILL (V/O FILTERED THROUGH RADIO): Be advised--we may not be alone
here.

01:08:30:14 O'NEILL (CONT'D): At least one of Anubis's goons might've been on the planet
when it blew. Use extreme caution.

01:08:36:27 COLONEL REYNOLDS (V/O FILTERED THROUGH RADIO): Understood.

01:08:42:22 (TWIGS SNAPPING)

01:08:58:10 MAJOR GREEN: Colonel.

01:09:00:19 COLONEL REYNOLDS: Major Green. Are you all right?

01:09:03:29 MAJOR GREEN: I'm fine, sir, but we've got some...

01:09:06:26 MAJOR GREEN (CONT'D O/S): serious injuries here.

01:09:10:15 COLONEL REYNOLDS: Any other survivors in the area?

01:09:12:08 MAJOR GREEN: As far as I know, we're the only ones, sir.

01:09:15:29 COLONEL REYNOLDS (V/O FILTERED THROUGH RADIO): O'Neill?

01:09:17:29 O'NEILL: Go ahead.

01:09:19:20 COLONEL REYNOLDS (V/O FILTERED THROUGH RADIO): We found 12
survivors, but they're not in good shape.

01:09:22:22 O'NEILL: How bad?

01:09:24:07 COLONEL REYNOLDS: Some can walk, but most need immediate medical
treatment.

01:09:26:20 O'NEILL: Is Major Carter with them?

01:09:33:15 COLONEL REYNOLDS: I'm afraid not.

01:09:39:13 O'NEILL (V/O FILTERED THROUGH RADIO): SG-3's going to need a little help to get the Gate back up.

01:09:43:27 HAMMOND: SGs 11 and 21 are assembling now, Colonel. I'll be sending them through momentarily. Unfortunately, that means a delay before I can send any other resources to help with the search.

01:09:54:02 O'NEILL: Getting the wounded out is our first priority, sir.

01:09:56:15 HAMMOND: Agreed, but if there are any other survivors out there they may...

01:09:59:18 HAMMOND (CONT'D V/O FILTERED THROUGH RADIO): not have a lot of time.

01:10:00:29 O'NEILL: Understood, sir. We'll keep trying.

01:10:09:10 O'NEILL: Jacob!

01:10:22:07 JACOB: Anubis' drones...

01:10:23:15 O'NEILL: We know.

01:10:24:18 JACOB: Take this.

01:10:26:13 JACOB (CONT'D O/S): It's not 100%, but that's all we've got.

01:10:31:17 JACOB (CONT'D): It only has a few more shots.

01:10:35:04 JACOB (CONT'D): Sam has a fully-charged power unit.

01:10:38:16 O'NEILL: Where is she?

01:10:39:27 JACOB (O/S): I don't know.

01:10:41:01 JACOB (CONT'D): I don't even know if she's still alive.

END OF ACT ONE

ACT TWO

01:11:36:00 HAMMOND: How are you doing?

01:11:38:06 JACOB: It's nothing Selmak can't handle.

01:11:40:29 HAMMOND (O/S): Jacob, we need to know what happened out there.

01:11:43:19 HAMMOND (CONT'D): How did Anubis get the location to the new Alpha site?

01:11:46:22 JACOB: I have no idea. I was with Sam when the self-destruct went off. One of
 the drones was chasing us into the forest.

01:11:55:09 JACOB (CONT'D): George, if I survived the blast, you know that thing survived as
 well.

01:12:04:20 HAMMOND: What about the prototype weapon?

01:12:07:14 JACOB: I gave it to Colonel O'Neill, but it's only semi-effective in its current
 configuration. The upgraded power unit was with Sam.

01:12:16:08 HAMMOND: And we have no idea where she is?

01:12:18:10 DANIEL: She's still missing.

01:12:19:29 HAMMOND: Is there anything else we can use against these drones?

01:12:22:22 JACOB: Their armor is impervious to energy weapons, and regular firearms are
useless.

01:12:27:17 DANIEL: What about the drones that were killed in the blast?

01:12:30:09 JACOB: Kinetic energy. An explosion of that size...they can't ignore physics.

01:12:34:24 DANIEL: So with enough kinetic energy...

01:12:36:05 JACOB: It would have to be a lot.

01:12:39:23 HAMMOND: How about a missile?

01:12:41:02 JACOB: That might do it, if you get close enough.

01:12:44:01 HAMMOND: Sergeant Siler.

01:12:48:15 HAMMOND (CONT'D): Prepare a UAV with UCAV specs.

01:12:52:22 SILER: Yes, sir.

01:13:03:17 MAJOR GREEN: Am I in some kind of trouble here, sir?

01:13:06:15 HAMMOND: The fact that the Alpha site has been compromised indicates we've
got a serious breach...

01:13:10:21 HAMMOND (CONT'D O/S): of security on our hands here. The Pentagon is
demanding I launch a formal inquiry immediately.

01:13:16:18 HAMMOND (CONT'D): Just tell me what happened, son.

01:13:18:19 MAJOR GREEN: To tell you the truth, sir, I'm not entirely sure myself. I was still at
chow when the alarm went off. By the time I made it to the command
center, Colonel Riley had already ordered the evacuation.

01:13:29:00 HAMMOND: What happened to the Stargate?

01:13:30:18 MAJOR GREEN (O/S): It was hit by an Alkesh bomber.

01:13:32:15 MAJOR GREEN (CONT'D): We were cut off. That's when the drones landed in
scout ships. They took everything we threw at them and they just kept
coming.

01:13:38:28 HAMMOND: So Colonel Riley ordered the self-destruct?

01:13:41:05 MAJOR GREEN: He knew there was some sensitive material on the base, sir. He
stayed with the device so the enemy wouldn't have a chance to disarm it.
He told the rest of us that we had one minute to make it to the treeline.

01:13:53:29 MAJOR GREEN (CONT'D): I should've stayed with him.

01:13:56:23 HAMMOND: You were following orders, Major.

01:14:02:01 MAJOR GREEN: Yes, sir.

01:14:04:01 HAMMOND: Can you tell me if there was any unusual activity at the Alpha site in
the last few days? Any unscheduled Gate activations...

01:14:10:17 HAMMOND (CONT'D O/S): or unexplained signals?

01:14:12:19 MAJOR GREEN: No, sir.

01:14:14:16 HAMMOND: What about the Jaffa and the Tok'ra?

01:14:16:20 MAJOR GREEN: Well, they haven't been getting along very well, but there's
nothing unusual about that.

01:14:23:14 HAMMOND: I want a list of all personnel-- human, Tok'ra, and Jaffa-- who've
come and gone through the Alpha site Gate in the last 48 hours.

01:14:30:16 MAJOR GREEN: Yes, sir.

01:14:37:19 TEAL'C: Footprints.

01:14:47:09 O'NEILL: Standard-issue from the SGC.

01:14:50:10 TEAL'C: Indeed. The depth of the impression is consistent with someone of Major
Carter's size.

01:14:54:24 O'NEILL: There's another set over there.

01:14:56:26 TEAL'C: Someone much larger. Perhaps the drone.

01:15:02:00 O'NEILL: Yeah.

01:15:04:20 TEAL'C: Do you believe this prototype weapon will be effective against it?

01:15:08:17 O'NEILL: We'll jump off that bridge when we come to it.

01:15:16:23 DANIEL: So, uh, how's the leg?

01:15:19:25 JACOB: It's getting there, slowly, but surely.

01:15:21:27 DANIEL: Yeah, slowly. The way you heal, it'll probably take a day.

01:15:25:10 JACOB: You didn't come here to ask me about my leg. You want to know what
 happened to Sam.

01:15:31:25 DANIEL: Yeah.

01:15:37:14 JACOB: The base was under attack. We could hear the explosions getting
 closer...

01:15:43:21 JACOB (CONT'D O/S): and the sound of scout ships approaching...

01:15:48:12 LT. GLENN: We have to leave now.

01:15:49:20 CARTER: Just give me a second.

01:15:51:00 JACOB (V/O): But we had to download the weapon design into the matrix crystal
and wipe the computer memory.

01:15:57:20 LT. GLENN: You have the prototype!

01:15:58:28 JACOB (O/S): We can't leave...

01:15:59:09 JACOB (CONT'D): this information for them to find.

01:16:02:04 LT. GLENN: How much longer?

01:16:04:05 CARTER: Finished.

01:16:23:12 JACOB: It worked.

01:16:28:04 CARTER: Not good enough.

01:16:33:09 JACOB: Let's get the hell out of here.

01:16:36:28 JACOB: The Stargate was hit. We couldn't get out...so we ran for the hills.

01:16:45:17 JACOB (CONT'D O/S): The Drone followed us.

01:16:49:14 JACOB (CONT'D): If Sam is still alive, it's still after her.

01:16:54:25 DANIEL: Maybe it's just hiding, waiting for a chance to go back through the Gate.

01:16:59:19 JACOB: Out of all the rooms on that base, why did it come to that lab? And why
did it chase us, as opposed to anyone else?

01:17:10:17 DANIEL: You think it knew about the prototype?

01:17:14:10 JACOB: I think that was the whole reason for the attack.

01:17:19:20 JACOB (CONT'D): Somehow, Anubis knows we may have the only weapon in the
galaxy capable of stopping his soldiers.

01:17:26:20 DANIEL: And Sam has the design.

01:17:29:04 JACOB: That thing won't stop until it finds her.

01:17:42:17 HAMMOND: Sergeant Siler, report.

01:17:44:16 SILER: We're ready to go, sir.

01:17:45:22 HAMMOND: Well done. I want it airborne now.

01:17:47:17 SILER: Yes, sir.

01:17:48:26 TECHNICIAN: General, Medical reports that the leader of the Jaffa survivors is
cleared for debriefing.

01:17:53:11 HAMMOND: I want to speak to him immediately.

01:17:54:26 TECHNICIAN: Yes, sir.

01:18:00:17 M'ZEL: I do not understand why I am being questioned.

01:18:03:10 HAMMOND: We need to determine exactly what happened.

01:18:05:17 M'ZEL: If you wish to know who betrayed the secret of your base, I suggest you
 ask the Tok'ra.

01:18:09:26 HAMMOND: Why do you say that?

01:18:11:04 M'ZEL: They are without honor.

01:18:12:27 HAMMOND: They're your allies.

01:18:14:12 M'ZEL: Then why will they not help us?

01:18:15:29 HAMMOND: What are you talking about?

01:18:17:04 M'ZEL (O/S): Even as we speak...

01:18:18:05 M'ZEL (CONT'D): Anubis is moving against the System Lord Olokun. His drones
 are slaughtering the Jaffa that stand against them. They are dying for a
 hopeless cause.

01:18:25:27 HAMMOND: What does that have to do with the Tok'ra?

01:18:27:25 M'ZEL: We believe they have a spy in Olokun's higher ranks, one who could get close enough to assassinate him.

01:18:33:03 HAMMOND (O/S): The Tok'ra keep us...

01:18:33:19 HAMMOND (CONT'D): apprised of their ongoing operations. I have no knowledge...

01:18:36:24 HAMMOND (CONT'D O/S): of any spy in Olokun's ranks.

01:18:39:11 M'ZEL: Then they are lying to you as well.

01:18:41:14 M'ZEL (CONT'D O/S): With their master dead, the siege would be over...

01:18:43:29 M'ZEL (CONT'D): and Olokun's Jaffa would be free to join our movement.

01:18:46:25 HAMMOND (O/S): Our gate...

01:18:47:01 HAMMOND (CONT'D): logs show that a group of Jaffa left the Alpha site less than 24 hours before it was attacked. You sent your own people, didn't you?

01:18:55:16 M'ZEL: Yes.

01:18:57:02 HAMMOND: Have they reported back?

01:18:58:15 M'ZEL: They have not.

01:19:00:26 HAMMOND: If they were captured by Anubis--

01:19:02:12 M'ZEL: No Jaffa would succumb to torture.

01:19:04:16 HAMMOND: Anubis doesn't have to resort to torture. He has technology in his disposal that allows him to simply read a prisoner's mind.

01:19:12:17 M'ZEL (O/S): When Heru'er...

01:19:13:29 M'ZEL (CONT'D): was killed, I was forced to pledge allegiance to the System Lord Apophis. The slayer of my master became my master.

01:19:19:15 M'ZEL (CONT'D O/S): So it has been for all Jaffa for many thousands of years, but now we can...

01:19:23:11 M'ZEL (CONT'D): choose to fight our oppressors. We can choose to be free. I ask only that the Jaffa who serve Olokun be given that same choice.

01:19:33:03 M'ZEL (CONT'D): If you allow me to go to the Beta Site to speak to the other survivors, I may be able to discover what happened to the Jaffa we sent.

01:19:42:29 HAMMOND: Very well.

01:19:47:22 HAMMOND (V/O FILTERED THROUGH RADIO): Colonel O'Neill?

01:19:49:17 O'NEILL: General.

01:19:51:01 HAMMOND: Status report.

01:19:52:29 O'NEILL: We found tracks, sir. Could be Carter's.

01:19:56:18 HAMMOND (V/O FILTERED THROUGH RADIO): What direction?

01:19:58:13 O'NEILL: East, up into the hills.

01:20:00:12 TEAL'C: The higher ground is a more defensible position.

01:20:03:01 HAMMOND (V/O FILTERED THROUGH RADIO): Understood. I'll have the UAV
fly a search pattern in that area. Hammond out.

01:20:17:00 (FOOTSTEPS APPROACHING)

END OF ACT TWO

ACT THREE

01:21:33:25 HAMMOND: Jacob.

01:21:35:01 JACOB: Any news on Sam?

01:21:38:26 HAMMOND: Not yet. We have a UAV airborne and all available SG teams are searching.

01:21:44:29 HAMMOND (CONT'D): I don't know anyone tougher or more resourceful. She'll find a way out of this.

01:21:52:10 JACOB: How's the investigation going?

01:21:55:08 HAMMOND: I've been meaning to talk to you about that. Do you know anything about a Tok'ra...

01:22:00:17 HAMMOND (CONT'D O/S): operative within Olokun's ranks?

01:22:02:24 JACOB: No.

01:22:04:13 HAMMOND: According the Jaffa, you have a spy in his inner circle.

01:22:07:08 JACOB: They're mistaken.

01:22:09:00 TECHNICIAN (V/O FILTERED THROUGH INTERCOM): Unscheduled offworld activation.

01:22:21:05 HAMMOND: Did you learn anything at the Beta site?

01:22:23:03 M'ZEL: Of the Jaffa sent to recruit rebels from Olokun's armies, only one has returned. The fate of the others is unknown.

01:22:31:20 M'ZEL (CONT'D): Anubis has won a major victory. Thousands of Jaffa have been killed, and many of Olokun's commanders captured, the Tok'ra spy among them.

01:22:40:21 JACOB: That's impossible. If we had someone on the inside, I would've known about it.

01:22:45:20 HAMMOND: Are you sure?

01:24:21:07 HAMMOND: Thank you for your co-operation in this matter, Delek.

01:24:24:27 DELEK: I do not see the need to continue this investigation, General. The Jaffa have as much as admitted responsibility.

01:24:31:11 HAMMOND: All we know for sure is that some of the men they sent to recruit rebels...

01:24:35:05 HAMMOND (CONT'D): from Olokun's armies didn't return.

01:24:38:14 DELEK: Because they were captured in Anubis's latest offensive. It's the most logical

01:24:42:09 DELEK (CONT'D O/S): explanation.

01:24:43:21 HAMMOND: According to the Jaffa, a Tok'ra spy was also captured.

01:24:47:04 DELEK: We both know that Jaffa intelligence is not always as reliable as it should
be.

01:24:52:06 HAMMOND: So you're saying you had no operative in Olokun's ranks?

01:24:57:10 DELEK: I am unable to discuss such matters at this present time.

01:25:01:06 HAMMOND: The terms of our alliance dictate full disclosure.

01:25:04:17 DELEK: In matters of joint concern.

01:25:06:10 HAMMOND: The security of the Alpha site is a matter of joint concern.

01:25:09:15 DELEK: But the disposition of our operatives has no bearing on the security of the
Alpha site.

01:25:13:08 HAMMOND: So you claim.

01:25:16:16 DELEK: You have allies amongst the other nations of this planet, do you not?

01:25:20:26 HAMMOND: Of course.

01:25:22:04 DELEK: Do you always practice full disclosure with them?

01:25:24:13 HAMMOND: We gave you shelter when you had no where else to go.

01:25:28:22 DELEK: Because you needed us. Just as you brought us Telchak's re-animation device because you needed our help to develop a weapon against Anubis's drones...

01:25:37:12 DELEK (CONT'D O/S): but you are not always so forthcoming.

01:25:42:03 DELEK (CONT'D): There is, for example, your program to design and build hybrid ships using Goa'uld technologies, a program which the Tok'ra feel is extremely unwise.

01:25:52:28 HAMMOND: We need those ships for the defense of Earth.

01:25:55:29 DELEK: And so you feel it is none of our concern.

01:25:58:15 DELEK (CONT'D O/S): You see, General, it works both ways. You ask us to trust...

01:26:02:03 DELEK (CONT'D): that your headlong pursuit of technologies that you don't understand poses no threat, but you fail to offer similar consideration when it comes to our policy on using covert operatives.

01:26:13:03 HAMMOND: Let me ask you something. How many Tok'ra from the Alpha site are still unaccounted for?

01:26:20:01 DELEK: Five.

01:26:22:12 HAMMOND: Do you know how many people I'm missing?

01:26:24:12 HAMMOND (CONT'D): 64. Believe me when I say I'm going to get to the bottom of this, with or without your help.

01:27:25:28 DELEK: I've been expecting you.

01:27:31:15 DELEK (CONT'D): No doubt you have spoken to General Hammond.

01:27:37:25 JACOB: He says he asked you if we had a spy in Olokun's inner circle.

01:27:41:15 DELEK: Yes, he did.

01:27:43:16 JACOB (O/S): He asked me the same question.

01:27:46:14 JACOB (CONT'D): Of course I told him no, because only the High Council could make a decision like that, and since I'm on the High Council, I would know about it...Wouldn't I?

01:27:59:20 JACOB (CONT'D): Or is there something you want to tell me?

01:28:02:09 DELEK: If you have a concern, you can take it up with the Council yourself.

01:28:07:05 JACOB: Who do you think you're talking to?

01:28:09:25 DELEK: An interesting question. It seems I am talking to a human host.

01:28:20:02 JACOB/SELMAK: Make no mistake, Delek. I am still Selmak, and I was a leader of the Tok'ra before you had even taken a host.

01:28:28:29 DELEK: Maybe you've been a leader too long.

01:28:31:00 DELEK (CONT'D O/S): The Tauri are unlike other humans in the galaxy.

01:28:34:14 DELEK (CONT'D): Their will has not been eroded by thousands of years of slavery. This can be a valuable asset, but it can also make them dangerous. Particularly as hosts.

01:28:45:02 JACOB/SELMAK: Jacob Carter has had no more influence on me than any other host.

01:28:49:06 DELEK: There are those of us who would disagree. You have allowed yourself to get too close to these people, Selmak.

01:28:54:00 DELEK (CONT'D O/S): Your true loyalties are in question.

01:28:59:00 JACOB/SELMAK: You speak for the entire Council?

01:29:02:25 DELEK: You still have your defenders, although their numbers are diminishing.

01:29:09:00 JACOB/SELMAK: So you did meet without me...and you did send an operative.

01:29:14:09 DELEK: And if you had known, would you have told General Hammond?

01:29:16:29 JACOB/SELMAK: They have a right to know.

01:29:19:26 DELEK: We knew you would feel that way, which is precisely why you were not
informed.

END OF ACT THREE

ACT FOUR

01:30:01:09 HAMMOND: So Delek admits that this spy has gone missing.

01:30:04:04 JACOB: Yes, but the Tok'ra will never acknowledge that he could've been
 responsible for what happened at the Alpha site. Tok'ra operatives have
 orders never to allow themselves to be taken alive.

01:30:14:00 HAMMOND: What about a sarcophagus?

01:30:15:25 JACOB: They take special precautions to ensure that the brain is not left intact.
 No revival is possible.

01:30:22:07 HAMMOND: This is all assuming the man wasn't taken unawares.

01:30:25:12 JACOB (O/S): The system isn't foolproof...

01:30:26:26 JACOB (CONT'D): but they won't admit that. The truth is, I don't think you'll ever
 find out for sure who was responsible for the leak.

01:30:35:09 JACOB (CONT'D O/S): It could've been the Tok'ra or the Jaffa. It could've been
 both.

01:30:39:11 JACOB (CONT'D): Look, I've helped you as much as I can with this investigation,
 but right now, I'd like to get back to the Alpha site...

01:30:45:17 JACOB (CONT'D O/S): and join the search.

01:30:47:02 HAMMOND: I need you here.

01:30:48:07 JACOB: George, I already told you, I'm out of the loop. They don't trust me anymore. They think my emotions are clouding my judgment...

01:30:54:05 JACOB (CONT'D O/S): which is a little ironic, considering that I'm wasting all this time...

01:30:58:03 JACOB (CONT'D): while my own daughter is out there being hunted by that thing.

01:31:01:12 HAMMOND: We have our best people on this, Jacob. They will find her.

01:31:04:21 JACOB: And what am I supposed to do in the meantime?

01:31:06:10 HAMMOND (O/S): I just got a report from the Beta site.

01:31:08:04 HAMMOND (CONT'D): The Jaffa are blaming the Tok'ra for what happened. There've already been several altercations. If I can't get the situation under control, I have orders to expel them all.

01:31:17:16 HAMMOND (CONT'D O/S): Our Alliance is falling apart.

01:31:21:29 HAMMOND (CONT'D): I need someone to bridge the gap, someone to be the voice of reason. I need you.

01:32:17:06 COLONEL REYNOLDS (V/O FILTERED THROUGH RADIO): O'Neill?

01:32:18:07 O'NEILL: Go ahead.

01:32:19:29 COLONEL REYNOLDS (V/O FILTERED THROUGH RADIO): The UAV has been
shot down in your area. It's four clicks away on a heading of three-two-
zero degrees from your present location.

01:32:30:23 O'NEILL: We're on it.

01:32:42:06 M'ZEL: Why have you asked me here?

01:32:49:08 JACOB: You know what's happening at the Beta site?

01:32:51:03 M'ZEL: I do.

01:32:52:28 JACOB: We need your help to put a stop to it before it gets out of hand.

01:32:55:12 JACOB (CONT'D): You're a leader amongst the Jaffa. They'll listen to you.

01:32:59:26 M'ZEL: And what would you have me say?

01:33:03:18 M'ZEL (CONT'D O/S): That they must continue to bear the arrogance of the
Tok'ra without complaint?

01:33:07:00 M'ZEL (CONT'D): That they must be subservient to those who would sacrifice so
many of their brothers?

01:33:13:15 JACOB/SELMAK: (SPEAKING AS SELMAK): For thousands of years, the Jaffa have been dependent on the Goa'uld because they need symbiotes to sustain them, but now there is a substance called Tretonin which can free the Jaffa from this dependence.

01:33:27:03 M'ZEL: I am aware of the significance of Tretonin.

01:33:29:16 JACOB/SELMAK: Are you also aware that countless millions of Tok'ra symbiotes died in its development, including our beloved Queen Egeria, the Queen from whom all our lineage can be traced?

01:33:42:25 M'ZEL: I was not.

01:33:45:09 JACOB/SELMAK: For the first time, the Tok'ra have fought side by side with the Jaffa and the people of the Tauri, and it has made a difference.

01:33:53:16 JACOB/SELMAK (CONT'D O/S): More System Lords have fallen in the past seven years than in the 700 years previous.

01:33:59:26 M'ZEL: It is true that together we are strong.

01:34:02:15 JACOB/SELMAK: And divided we will die.

01:34:14:11 JACOB: We cannot let the alliance between us end.

01:34:19:05 M'ZEL: Your words are wise, but my time at the Alpha site has taught me some bitter lessons. I suspect that you do not speak...

01:34:28:19 M'ZEL (CONT'D O/S): for all the Tok'ra.

01:34:34:00 JACOB: No.

01:34:35:16 M'ZEL: Until the others feel as you do, reconciliation may not be possible.

01:35:46:01 HAMMOND (O/S): Gentlemen, we've asked you here together because we need
your help to keep the situation...

01:35:49:03 HAMMOND (CONT'D): at the Beta site from getting out of hand.

01:35:52:01 DELEK: I'm not sure what you expect the Tok'ra to do, General. We have suffered
a number of unprovoked assaults.

01:35:57:20 M'ZEL: Unprovoked? You refused to help us, and thousands of Jaffa died
needlessly.

01:36:02:09 DELEK: Assassinating Olokun was never an option.

01:36:04:18 DANIEL: Why not?

01:36:05:21 DELEK: We had no way of knowing how many Jaffa would join the rebels. We
could have been delivering an entire army into the hands of Anubis.

01:36:13:11 M'ZEL: They deserved the right to choose. Instead, they were slaughtered.

01:36:17:03 DELEK: We have been fighting the Goa'uld for thousands of years. You have no right to question...

01:36:21:11 DELEK (CONT'D O/S): our methods.

01:36:22:11 DANIEL: That's because you were alone for thousands of years. You have allies now.

01:36:25:01 DELEK: And what good has it done us? In the few short years we have known the Tauri, your tendency to provoke direct confrontation with the Goa'uld has resulted in deaths of more Tok'ra than in the previous hundred years combined.

01:36:35:19 JACOB: I hate to admit it, George, but he's got a point. When a human or a Jaffa dies in battle, more are born to take their place. The same can't be said for the Tok'ra.

01:36:45:27 DELEK: Our Queen Egeria, from whom all Tok'ra have spawned, is dead. Our numbers are dwindling. This alliance may simply be something we cannot afford.

01:38:19:10 (GRAVEL SHIFTING)

END OF ACT FOUR

ACT FIVE

01:39:39:18 O'NEILL: Carter, I need the--

01:39:42:01 O'NEILL (O/S): Thanks.

01:40:06:10 O'NEILL: Cover him.

01:40:09:17 CARTER: Is it...

01:40:12:10 O'NEILL: Yeah, it's dead.

01:40:18:10 O'NEILL (CONT'D): Right, Teal'c? He's dead?

01:40:23:07 O'NEILL (CONT'D): Yeah, he's dead.

01:40:31:03 O'NEILL (CONT'D): Do you want to get up?

01:40:34:00 CARTER: I just need to rest for a minute.

01:40:56:16 O'NEILL: Come on.

01:41:25:27 DELEK (O/S): First of all, we would like to congratulate you...

01:41:29:17 DELEK (CONT'D): on the recovery of Major Carter. We are glad to know that she
is safe.

01:41:33:14 HAMMOND: Thank you.

01:41:34:20 DELEK (O/S): I have spoken to the High Council...

01:41:36:04 DELEK (CONT'D): with regard to the situation at the Beta site. The Council
believes the best solution is for the Tok'ra to leave.

01:41:42:07 DANIEL: Is that really necessary?

01:41:44:21 DELEK: If this partnership were to continue, you would insist on full disclosure of
all our covert operations, would you not?

01:41:50:22 HAMMOND: I'm afraid that's non-negotiable.

01:41:53:07 DELEK: In that case, we must refuse. Secrecy is our only weapon. It is all we've
ever known.

01:41:59:26 M'ZEL: The Jaffa, too, will be leaving.

01:42:02:03 HAMMOND: I don't understand. With the Tok'ra gone--

01:42:03:23 M'ZEL: We are not leaving because of the Tok'ra. We are leaving because it is
what we must do.

01:42:09:14 M'ZEL (CONT'D O/S): On your base, you dictate the terms. We must consult you
before we take any action.

01:42:14:16 M'ZEL (CONT'D): There are those among us who feel we simply traded one master for another.

01:42:18:17 HAMMOND: We're not trying to tell you what to do. We simply think it's important to coordinate our efforts.

01:42:23:14 M'ZEL: Unlike the Tauri or the Tok'ra, the Jaffa are still learning what it means to be free.

01:42:28:11 M'ZEL (CONT'D O/S): In order to do this, we must have our own bases, train our own leaders, build our own communities.

01:42:33:10 M'ZEL (CONT'D): We must do this for ourselves, or it would have no meaning. Only then can we be equal partners in any alliance.

01:42:40:10 DANIEL: I'm sorry, but this is nuts. My friend almost died out there so we could get a weapon capable of stopping Anubis's soldiers, and now we're finally in a position where we can really make a difference, and you want to walk away?

01:42:51:21 DELEK: I'm sorry, Dr. Jackson.

01:42:53:27 M'ZEL: This is how it must be.

01:43:15:22 JACOB: Hiya, kid. You were asleep for a long time.

01:43:22:00 JACOB (CONT'D O/S): You gave me quite a scare.

01:43:24:10 CARTER: Sorry.

01:43:26:20 JACOB: Jack told me what happened. I'm proud of you.

01:43:34:12 JACOB (CONT'D): Look, Sam...I may not be able to come around much for the
next little while.

01:43:41:20 CARTER: What do you mean?

01:43:44:07 JACOB: Things kind of got screwed up while you were out there. The Alliance is
in trouble.

01:43:49:29 CARTER: I don't understand.

01:43:51:17 JACOB (O/S): You don't need to know the details right now.

01:43:54:09 JACOB (CONT'D): Let's just say we're going our separate ways for awhile.

01:44:00:19 JACOB (CONT'D): If I stay with the Tok'ra, I can at least try to mend some fences.

01:44:05:27 CARTER: Are you sure?

01:44:08:25 JACOB: I'm not ready to give up on this just yet.

01:44:22:11 JACOB (CONT'D): Don't worry, I'll be back eventually.

01:44:27:00 CARTER: I'll miss you.

01:44:29:06

JACOB: I'll miss you, too.
