01:00:54:28 SF (O/S): Excuse me, ma'am.

01:00:55:25 SF (CONT'D): You're required in the ready room immediately.

01:00:57:21 BREGMAN: That's why we're not allowed to film these ongoing activities.

Because every time they open that gate, there's a chance that something
could go cataclysmically wrong.

01:01:03:20 DANIEL: This is all because I wanted an aerial survey.

01:01:06:12 CARTER: It took me too long to figure out the probe sent a transmission.

01:01:09:16 O'NEILL: None of that matters now.

END OF RECAP

01:01:35:13 BREGMAN (INTERRUPTING): Ongoing activity, I know. but SG-1?

01:01:36:18 JAMES (O/S): Yes.

01:01:37:20 BREGMAN: Dr. Jackson said he wasn't due to go off-world for a couple of days.
 What's changed?

01:01:39:29 COLONEL RUNDELL: I don't know, but it happens all the time.

01:01:41:08 BREGMAN (O/S): You said...

01:01:41:23 BREGMAN (CONT'D): It was something big.

01:01:42:21 COLONEL RUNDELL (O/S): Something big...

01:01:43:05 COLONEL RUNDELL (CONT'D): Happens all the time.

01:01:44:06 BREGMAN: What's happening right now? What's this? Follow me. Let's go. Come
 on. Dr. Fraiser?

01:01:50:16 FRAISER: Sorry, I have to go.

01:01:51:23 BREGMAN: Come on.

01:01:53:09 COLONEL RUNDELL: You're not allowed, Mr. Bregman, and you know that.

01:01:55:16

BREGMAN: Well, I just...

ACT ONE

01:03:22:12 CARTER (V/O): Yeah, there are days when you feel the pressure. I'm trained to handle it.

01:03:26:05 BREGMAN (V/O): With all due respect, Major...

01:03:28:04 BREGMAN (V/O CONT'D): How can you anyone be trained to handle an alien encounter, where the stakes are, if what I'm told is correct, the stakes could be the survival of the planet.

01:03:36:08 CARTER (V/O): I think it's important to remember that it's not just about this planet.

01:03:42:23 CARTER (V/O CONT'D): Countless humans throughout the galaxy, people that originated right here on Earth, have been enslaved for thousands of years. I mean, we're taking the fight back to the Goa'uld on their behalf.

01:03:52:25 BREGMAN (V/O): So how do you think...

01:03:53:28 BREGMAN (V/O CONT'D): The American people are going to react...the world is going to react when they discover that a war, an alien war, has been waged without their knowledge?

01:04:01:04 CARTER (V/O): I don't think that that's for me to... Are you suggesting that we shouldn't be doing this?

01:04:10:15 BREGMAN (V/O): No, I'm not saying we shouldn't defend ourselves. I'm simply asking your opinion, Major.

01:04:14:23 CARTER (V/O): I don't think that that's for me to...

01:04:19:00 BREGMAN: No.

01:04:21:13 CARTER (O/S): Uh...

01:04:22:26 BREGMAN: Just stop it right there.

01:04:23:02 CARTER (V/O): I don't know...

01:04:25:01 BREGMAN: You see, this is not her fault. I backed her into a corner, and I do not want to make this whole thing look like it's antagonistic.

01:04:34:10 JAMES: Okay, so lose this?

01:04:35:26 BREGMAN: Well, I don't know. Just skip ahead to, uh, after the apology.

01:04:41:08 BREGMAN (CONT'D): There. That's it.

01:04:45:00 BREGMAN (V/O): Major...

01:04:45:03 BREGMAN (V/O CONT'D): One day, the secret will all come out. How do you think the people of the world are going to react? Much better way of asking the question.

01:04:52:25 CARTER (V/O): I honestly don't know.

01:04:54:13 CARTER (V/O CONT'D): I hope they can appreciate everything we've been through, what it all means for our continuing existence. In light of that, I hope that they will understand why the people in charge chose to keep it a secret as long as they have.

01:05:06:18 BREGMAN (V/O): Is it difficult to keep the secret?

01:05:09:23 CARTER (V/O): Yeah. Of all the things I do around here...

01:05:11:29 CARTER (V/O CONT'D): In many ways, that's the hardest. Sometimes, you look at what's going on here on Earth, and it makes you want to scream. You want to tell people it is all so much bigger than what they think.

01:05:25:01 BREGMAN: And stop it right there, and go right to Dr. Jackson saying, "Whether I was right," and you're going to put me into the Carter interview, the second half, especially the line, "Is it difficult to keep the secret?"

01:05:36:18 JAMES: Okay.

01:05:37:29 BREGMAN: All right, move on.

01:05:39:29 DANIEL (V/O): Whether I was right...

01:05:40:09 DANIEL (V/O): Or not doesn't matter, especially given the scope of the truth.

01:05:43:17 BREGMAN (V/O): And the truth...

01:05:43:20 BREGMAN (V/O CONT'D): Matters to you?

01:05:44:24 DANIEL (V/O): To everyone, I hope.

01:05:46:18 BREGMAN (V/O): Now what truth...

01:05:46:25 BREGMAN (V/O CONT'D): Dr. Jackson? The truth for the people here on Earth...

01:05:49:06 BREGMAN (V/O CONT'D): Or are we talking about another planet?

01:05:51:13 DANIEL (V/O): We're talking about people here. People on other planets are no
less human.

01:05:55:00 DANIEL (V/O CONT'D): People who have had their freedom usurped.

01:05:57:02 DANIEL (V/O CONT'D): People who were being forced to worship false gods to
mask their enslavement.

01:05:59:10 BREGMAN (V/O): But what about the people here on Earth?

01:06:01:19 BREGMAN (V/O CONT'D): Are they entitled to the truth, do you think?

01:06:03:25 DANIEL (V/O): Is that what this is about?

01:06:05:02 BREGMAN (V/O): This?

01:07:37:11 O'NEILL: I was told you said six Jaffa.

01:07:41:00 O'NEILL (CONT'D): Where'd you learn to count?

01:07:57:24 DIXON: The ships didn't start coming down until you radioed you were through the
gate.

01:08:07:11 DIXON: Something tells me they're throwing this party in your honor, Jack. You
got those clips?

01:08:15:11 SG-5 MARINE (V/O OVER RADIO): Colonel O'Neill, our position is being
compromised. We're not going to be able to hold the gate for long.

01:08:21:05 O'NEILL (INTO RADIO): It doesn't matter! We're not going to be able to hold this
position for long!

01:08:25:08 FRAISER (V/O OVER RADIO): Colonel, I need more time to stabilize this patient.
He can't be moved yet.

01:08:29:00 CARTER: Sir, we've got to fall back!

01:08:42:23 (GUNSHOT)

01:08:44:22 CARTER (SHOUTING): Sir!

END OF ACT ONE

ACT TWO

01:09:37:23 BREGMAN (V/O): That's .50 caliber, right? You get really shaken up if you don't know what you're doing.

01:09:41:26 TECHNICIAN (V/O): No, actually, our guys are trained to handle that kind of torque.

01:09:44:00 BREGMAN (V/O): I'm just kidding. What is this? Get a shot of that. What is that? Explain how this operates.

01:09:48:19 TECHNICIAN (V/O): Uh, sure. Our guys like to play a little Space Invaders when there's not much going on.

01:09:56:15 BREGMAN (V/O): Ha ha. Very funny.

01:09:57:21 TECHNICIAN (V/O): No, obviously, I'm kidding. Certainly, it would be completely inappropriate for any airman to play video games while on active duty.

01:10:04:05 BREGMAN (V/O): I got it, okay? Can we move on?

01:10:06:01 TECHNICIAN (V/O): Sure.

01:10:07:01 BREGMAN (V/O): What's on the wall there?

01:10:08:14 TECHNICIAN (V/O): Right over here is the manual override for the iris.

01:10:41:07 SOLDIER (V/O): We have to clear this area.

01:10:54:17 BREGMAN: Hey, sorry about that. Here, take the damn thing.

01:11:03:17 JAMES: In future, Sir, could you leave the camera work to me?

01:11:06:04 BREGMAN: Yeah, I'll be leaving it to you.

01:11:09:00 BREGMAN (CONT'D): All right, I'm going to leave it to you. Here she comes, now.
 Turn it on. Let's go. Don't look at him. We're clear to shoot here! Just
 follow me!

01:11:13:17 BREGMAN (CONT'D V/O): Bring that...bring the sound! Major, what happened?

01:11:18:02 CARTER (V/O): Please.

01:11:18:21 BREGMAN (V/O): No, I know that at least one person was injured back there. All I
 want to say--

01:11:22:02 CARTER (V/O INTERRUPTING): Look, leave me alone and shut that damn thing
 off!

01:11:26:22 BREGMAN: No, I just want to say how sorry I am.

01:11:33:21 BREGMAN (CONT'D): Why is that camera off?

01:11:35:09 BREGMAN (O/S): You don't know what you're doing here?

01:13:26:24 COLONEL RUNDELL (O/S): No.

01:13:27:24 COLONEL RUNDELL (CONT'D): I heard O'Neill was on a gurney. He took a
blast. He's not moving.

01:13:39:00 (KNOCK ON DOOR)

01:13:42:02 COLONEL RUNDELL: General Hammond, Mr. Woolsey.

01:13:44:02 WOOLSEY: General.

01:13:48:12 HAMMOND: I already know these orders originated from Senator Kinsey's office.
Why don't you tell me the rest?

01:13:54:19 WOOLSEY: As chairman of the Intelligence Oversight Committee, Senator Kinsey
has asked that I review your command decision regarding the recent
attempted rescue of SG-13.

01:14:02:07 HAMMOND: Attempted?

01:14:04:05 WOOLSEY: As I understand it...

01:14:04:10 WOOLSEY (CONT'D): There were several casualties, Sir. I'd hardly call it a
success.

01:14:08:16 HAMMOND: My command decisions are reviewed by the Chief of Staff of the Air
Force and the President of the United States.

01:14:13:26 HAMMOND (CONT'D O/S): As of yet, I haven't even filed a preliminary mission report.

01:14:17:24 HAMMOND (CONT'D): When I do, you're welcome to read it.

01:14:20:19 WOOLSEY: I have been authorized to begin a full investigation into the matter as part of a larger examination of SGC strategic policy that the committee is preparing for the President.

01:14:29:15 WOOLSEY (CONT'D O/S): I've enclosed a list of interviews I will be conducting and...

01:14:33:13 WOOLSEY (CONT'D): Materials I will require. We expect your full co-operation.

01:14:38:01 COLONEL RUNDELL: General.

01:14:46:25 HAMMOND: How are you holding up?

01:14:52:14 CARTER: I'm okay, Sir.

01:14:53:15 HAMMOND: Did you talk to Agent Barrett?

01:14:56:11 CARTER: He said as far as he knows, Woolsey is clean, but he did say he's as sharp as they come.

01:15:00:19 CARTER (CONT'D): He's got an MBA and LLB from Harvard. He was lead
counsel for the Army Corps of Engineers for ten years and later sat on
the Defense Policy Board.

01:15:08:18 CARTER (CONT'D): He was asked to resign last year when it was disclosed that
he...

01:15:11:24 CARTER (CONT'D): Had financial ties to a large corporation that had been
awarded over \$800 million in private sector defense contracts by the
Pentagon. He's been with the N.I.D. since then.

01:15:20:24 CARTER (CONT'D): Barrett faxed me this...

01:15:22:19 CARTER (CONT'D): Internal N.I.D. memo Woolsey recently wrote.

01:15:25:05 CARTER (CONT'D): I think you should read it.

01:15:28:07 CARTER (CONT'D): What do we do, Sir?

01:15:30:16 HAMMOND: Just tell the truth.

01:15:33:25 CARTER: Yes, Sir.

01:15:35:12 HAMMOND: There's going be a memorial service...

01:15:38:18 HAMMOND (CONT'D): On Wednesday.

01:15:40:12 HAMMOND (CONT'D): I think it would be appropriate if you said a few words.

01:15:43:12 CARTER: Yes, Sir. Sir?

01:15:50:13 CARTER (CONT'D): How are you holding up?

01:15:53:23 HAMMOND: You try to tell yourself that every man and woman under your
command means the same to you.

01:16:05:03 HAMMOND (CONT'D): Each has to be equally...

01:16:08:22 HAMMOND (CONT'D): Valuable if you're going to make the kinds of decisions
that affect their lives the way I have to, but you can't help it. You get
closer to some people.

01:16:22:01 HAMMOND (CONT'D O/S): You never want to lose anyone...

01:16:27:19 HAMMOND (CONT'D): But...well.

01:16:36:21 WOOLSEY: Have a seat, Major. Let me explain why I'm here.

01:16:44:11 CARTER: I know why you're here.

01:16:48:04 WOOLSEY: I believe classified military operations require oversight.

01:16:54:14 CARTER: This isn't the first time we've been scrutinized by the N.I.D.

01:16:57:16 WOOLSEY: I know the stakes around here are always high, but there were serious casualties...

01:17:02:06 WOOLSEY (CONT'D O/S): In this instance. Someone of great value to this program is dead.

01:17:06:20 CARTER: I know that, and don't you dare think anyone is taking it lightly.

01:17:10:21 WOOLSEY: You're a seasoned combat officer, and this isn't the first time you've lost a close colleague nor do I expect it will be the...

01:17:20:01 WOOLSEY (CONT'D O/S): Last. I just...

01:17:24:05 WOOLSEY (CONT'D): Want to make sure that it wasn't avoidable in this case. Despite what you might think, the only reason I'm here is to get the truth.

01:17:32:18 CARTER: Did you have a question?

01:17:36:25 WOOLSEY: Oh, yes, a few. What made you think it was safe for SG-13 to remain on the planet?

01:17:46:21 DANIEL: That's not really my call.

01:17:48:29 WOOLSEY: But you thought it was worth risking the lives of an SG team to get an aerial survey of these ruins.

01:18:46:12 WOOLSEY: You yourself have been asked to go into combat where you knew there was no back-up. That is always a possibility on any mission through the Stargate, is it not?

01:18:55:05 WOOLSEY (CONT'D O/S): And please, Major, none of us...

01:18:58:14 WOOLSEY (CONT'D): Likes to admit it, but we all know that there are military situations in which the life of one human being has to be considered an acceptable loss.

01:19:05:29 CARTER: That wasn't the case here.

01:19:08:01 WOOLSEY: No, in this case, it was just dumb luck that there weren't many more lives lost.

01:19:13:10 CARTER: I would say it was skill, training, and fortitude.

01:19:17:19 WOOLSEY (O/S): Based on your...

01:19:17:24 WOOLSEY (CONT'D): Expertise of Goa'uld tactics, was it not reasonable to conclude that this was an ambush?

01:19:25:24 WOOLSEY (CONT'D): While you are not an official member of our military and not eligible for Court Martial...

01:19:32:03 WOOLSEY (CONT'D): I shouldn't have to remind you that you are expected to follow the orders of your superiors.

ACT THREE

01:20:36:10 BREGMAN: Dr. Jackson.

01:20:38:04 DANIEL: Yeah, it's not a good time right now.

01:20:40:01 BREGMAN: I've just been hearing bits and pieces of what happened. I was just
hoping you might be able to confirm some of it.

01:20:46:02 DANIEL: Sorry.

01:20:53:17 BREGMAN: Did you...

01:21:04:08 AIRMAN: You're going to be all right, Simon. Hang in there, all right, buddy? Be
home before you know it. Over here!

01:21:09:25 AIRMAN (CONT'D): Man down over here! Right here. There's a lot of blood
coming from underneath him. I'll cover you up on this ridge.

01:21:18:15 FRAISER: Yeah. I'm Doctor Janet Fraiser. Can you hear me?

01:21:22:13 WELLS: Yeah. I'm shot bad. I can't move. I can't feel my legs. I think it went right
through me.

01:21:27:22 DANIEL: What's your name?

01:21:29:02 WELLS: I'm Senior Airman Wells. Simon Wells. Am I going to die?

01:21:33:06 FRAISER (O/S): Not if I have anything to do with it.

01:21:34:24 FRAISER (CONT'D): Okay, we need to roll him over and stop the...

01:21:36:28 FRAISER (CONT'D O/S): Bleeding. Okay?

01:21:38:12 FRAISER (CONT'D): Simon, you hang in there?

01:21:39:17 WELLS: Yeah.

01:21:40:29 FRAISER: Okay. Easy.

01:21:42:10 FRASIER (CONT'D): All right. On...

01:21:43:26 FRASIER (CONT'D O/S): Three. One, two.

01:21:45:29 FRASIER (CONT'D): Three.

01:21:47:11 (WELLS SHOUTS)

01:21:55:17 DANIEL: I'm Daniel Jackson.

01:21:56:26 WELLS: I know. SG-1.

01:21:58:11 DANIEL: Hey, you're going to be fine.

01:22:00:16 WELLS: Son of a bitch.

01:23:01:07 FRAISER: Got it. Breathe, Simon.

01:23:12:19 DANIEL: I said now's not a good time. What part about that didn't you
 understand?

01:23:17:00 BREGMAN: You got something on tape, didn't you?

01:23:20:07 DANIEL: Get out.

01:23:21:22 DANIEL (CONT'D): Get out.

01:23:24:13 BREGMAN: Okay. I'm going. All right.

01:23:32:06 BREGMAN (CONT'D): You know, I, uh, I once did a piece on this war
 photographer. His name is Martin Krystovski. For about six months, he
 was with a unit in Vietnam and...

01:23:48:25 BREGMAN (CONT'D): The day before he was scheduled to leave, the day before,
 he's out with the unit, and...it was just a routine patrol...

01:24:01:02 BREGMAN (CONT'D O/S): Or so they thought, but suddenly the Lieutenant...

01:24:04:25 BREGMAN (CONT'D): Pulled him down, and Krystovski, he hadn't intended to
 take a picture at that moment, but his hands were on the camera, and he
 hit the ground so hard that it just went off, and the picture captured he
 Lieutenant...getting shot...

01:25:41:22 BREGMAN (CONT'D): Is how you feel about it.

01:26:00:07 WOOLSEY: General.

01:26:10:21 HAMMOND (O/S): I've prepared a written testimony.

01:26:17:10 WOOLSEY: This is your mission report.

01:26:18:16 HAMMOND: I thought I'd kill two birds with one stone.

01:26:24:21 WOOLSEY: Well, then, I guess I'm done.

01:26:27:06 HAMMOND: Then you'll be leaving.

01:26:29:19 WOOLSEY: The president will have my preliminary report by the end of the week.

01:26:32:16 HAMMOND: I'm sure it will be every bit as interesting as your memo on the
economics of the...

01:26:37:04 HAMMOND (CONT'D O/S): SGC.

01:26:41:11 WOOLSEY: I won't bother asking how you got that.

01:26:43:24 HAMMOND (O/S): What was...

01:26:44:00 HAMMOND (CONT'D): The dollar value you attributed to an SG team member?

01:26:46:26 WOOLSEY: You know damn well I wasn't pegging the value of a person's life.

01:26:51:11 WOOLSEY (CONT'D O/S): It is a cold hard fact...

01:26:53:28 WOOLSEY (CONT'D): That it costs millions of dollars to train these men and women, and that is a fraction of the funds being subverted by the Pentagon for this operation.

01:27:01:28 WOOLSEY (CONT'D): I think it is reprehensible that the taxpayers of this country are paying enormous sums of money to wage a war they know nothing about and are getting little if anything in return.

01:27:13:16 WOOLSEY (CONT'D): If the Stargate's existence were public knowledge and your actions were being judged in the court of public opinion--

01:27:19:21 HAMMOND (INTERRUPTING O/S): You're the one...

01:27:19:24 HAMMOND (CONT'D): Suggesting that sending a rescue team worth \$27 million to save the life of one man is a bad business decision.

01:27:26:12 WOOLSEY: You're putting words in my mouth.

01:27:29:00 HAMMOND (O/S): You said it...

01:27:29:03 HAMMOND (CONT'D): In black and white, and I don't think you would dare do such a thing if this wasn't a classified operation.

ACT FOUR

01:28:48:21 COLONEL RUNDELL: General.

01:28:49:23 HAMMOND: What is it, Colonel?

01:28:50:22 COLONEL RUNDELL: Security caught Mr. Bregman trying to access the infirmary, Sir. He claims he was lost, but I've shown him all around this complex.

01:28:55:25 HAMMOND: Get rid of him.

01:28:57:19 COLONEL RUNDELL: Sir? Have our orders changed, Sir?

01:29:00:26 HAMMOND: Toss him out on his ass, Colonel.

01:29:06:17 BREGMAN: What's this? What's going on?

01:29:11:19 COLONEL RUNDELL: Mr. Bregman, Sir, General Hammond has ordered you off the base.

01:29:14:21 BREGMAN: No, no, he can't do that.

01:29:16:00 WICKENHOUSE: He is a general.

01:29:17:12 BREGMAN: Would you stop packing?

01:29:19:08 COLONEL RUNDELL: Keep packing.

01:29:21:07 HAMMOND: You have one hour...

01:29:24:02 HAMMOND (CONT'D): To get off my base and out of my sight forever.

01:29:26:09 BREGMAN: Whose authority?

01:29:27:14 HAMMOND: My superiors.

01:29:28:23 BREGMAN: You think I stepped over the line. I don't. I just want to make a phone
call.

01:29:31:18 HAMMOND: Call whoever you want on your way out. There's a pay phone at the
surface.

01:29:34:26 BREGMAN: Actually, I'd like to borrow your red one.

01:29:36:14 HAMMOND: You have some nerve, Mr. Bregman.

01:29:39:09 BREGMAN: That's what my mother used to say.

01:29:54:25 HAMMOND: I've been ordered to turn over the tape. Look, I'm not happy about it
either. I could fight it...

01:30:11:09 HAMMOND (CONT'D): Or the tape could get lost or accidentally erased. These
things happen, but I'm not going to do that.

01:31:26:10 FRAISER (V/O): Simon! Simon, look at me.

01:31:28:07 FRAISER (V/O CONT'D): You are not going to die, okay? I did not come all the
 way out here...

01:31:32:12 FRAISER (V/O CONT'D): For nothing. Now, I've stemmed the bleeding, we're
 going to get you on a stretcher, we're going to get you home with your
 family in no time, okay? Now, you hang in there, Airman.

01:31:42:10 WELLS (V/O): Yes, ma'am.

01:31:43:12 (STAFF BLAST AND SCREAM)

01:31:45:09 WELLS (V/O): God! What happened?

01:31:46:15 (MACHINE GUN FIRE)

01:31:46:10 WELLS (V/O CONT'D): Is she hit?

01:31:46:15 DANIEL (V/O): I got him. Janet?

01:31:49:28 SOLDIER (V/O): You're clear, Dr. Jackson.

01:31:52:04 DANIEL (V/O): I need a medic!

01:31:53:07 DANIEL (V/O CONT'D): Frasier's hit!

01:31:56:09 DANIEL (V/O CONT'D): I need a medic!

01:31:58:20 WELLS (V/O): Is she okay?

01:31:57:23 DANIEL (V/O): Sierra gulf niner.

01:31:59:11 DANIEL (V/O CONT'D): Dr. Frasier's been hit. Position. I need a medic!

01:32:07:21 COLONEL RUNDELL: O'Neill's alive. So is Airman Wells.

01:32:10:16 COLONEL RUNDELL (CONT'D): Dr. Fraiser didn't make it.

01:32:30:13 CARTER: Sir, I heard you were up and around.

01:32:39:17 O'NEILL: Yeah. Still a little tender, but they said I could go home.

01:32:44:16 CARTER: We're lucky that staff blast hit you where it did. That new vest insert
works well.

01:32:50:28 O'NEILL: Didn't help Fraiser much.

01:32:54:12 CARTER: No.

01:32:58:02 O'NEILL: How's Cassie?

01:33:03:27 CARTER: She's a strong kid. She survives, you know?

01:33:07:04 O'NEILL: Yeah. You speaking at the memorial?

01:33:11:25 CARTER: Sir, I just wanted to say when you were lying there...

01:33:27:14 CARTER (CONT'D): I'm really glad you're okay.

01:33:50:04 O'NEILL: Come here.

01:33:59:06 WELLS: Dr. Jackson.

01:34:20:07 DANIEL: Hey. Please, just call me Daniel.

01:34:23:04 DANIEL (CONT'D): So I hear you're going to make a full recovery.

01:34:27:23 WELLS: So they say.

01:34:29:10 DANIEL: You, uh, you talked to your wife?

01:34:31:03 WELLS: Yeah.

01:34:32:03 DANIEL: Everything's okay?

01:34:33:07 WELLS: Yeah.

01:34:35:26 DANIEL: I never asked you when she was due.

01:34:37:18 WELLS: Couple of weeks. They say I should be out of here by then.

01:36:10:04 TEAL'C: I believe you should always speak from your heart.

01:36:17:14 CARTER: I've got to go pick up Cassie.

01:36:20:26 TEAL'C: Major Carter. I have pondered what I would say, were I given the chance.

01:36:28:12 CARTER: Really?

01:36:31:24 TEAL'C: But I believe it would be best if it came from you.

01:36:43:01 CARTER: Teal'c.

01:37:01:18 DANIEL (O/S): Over here.

01:37:07:28 BREGMAN: Oh, I didn't...I was told that you might be in here, Dr. Jackson.

01:37:12:12 DANIEL: Yeah.

01:37:16:00 BREGMAN (O/S): I just, uh...

01:37:17:04 BREGMAN (CONT'D): Came by to give this back to you. I'm not going to use it.

01:37:31:06 DANIEL (O/S): Wait.

01:37:32:25 DANIEL (CONT'D): I want you to.

01:37:37:09 DANIEL (CONT'D): You know, I died in this room. Ascended.

01:37:49:17 DANIEL (CONT'D): Dr. Fraiser did everything she could.

01:37:53:19 DANIEL (CONT'D): I think she went three days without sleep. Even in the end,
she didn't want to let me go. I owed her a lot more than I ever gave back.

01:38:12:26 DANIEL (CONT'D): I've thought a lot about what you said about Krystovski. I think
this shows what Janet Fraiser was all about.

01:38:23:23 BREGMAN: Me too.

01:38:26:28 DANIEL: I want other people to know.

ACT FIVE

01:39:19:03 (SOLDIER PLAYING "TAPS")

01:40:06:21 CARTER: Janet Fraiser was an extraordinary person. She was kind and funny and talented. Above all, she was courageous. Try as I might, I could not find the words to honor her, to do justice to her life. Thankfully, I got some help. While words alone may not be enough, there are some names that might do. We often talk about those that give their lives in the service of their country, and while Janet Fraiser did just that, that's not what her life was about. The following are the names of the men and women who did not die in service...

01:40:59:25 CARTER (CONT'D O/S): But who are in fact alive today because of Janet. Major Samantha Carter, Dr. Daniel Jackson...

01:41:12:13 CARTER (CONT'D V/O): Colonel Jack O'Neill, Teal'c. Sergeant Connie Smith, Major Ian Hules, Senior Airman Simon Wells...

01:41:27:01 NARRATOR (V/O): Our armed forces have turned the tide of world wars. Young men and women from our great country's four corners have humbled...

01:41:32:20 NARRATOR (V/O CONT'D): History's worst tyrants. We carve our thanks in stone. We stamp it into medals. We carefully tend to vast fields where the men and women...

01:41:42:10 NARRATOR (V/O CONT'D): Who gave their lives for our freedom now lay. More than ever in our history, we cannot fail to pass these stories of courage to the next generation. We must capture their...

01:41:55:11 NARRATOR (V/O CONT'D): Imaginations while paying tribute to all those willing to die for the preservation of our way of life.

01:42:03:12 HAMMOND: It's a shame no one's ever going to see it.

01:42:10:01 BREGMAN: Really?

01:42:10:03 BREGMAN (CONT'D): You, uh, you don't think it's a little sentimental?

01:42:15:29 HAMMOND: No. It's good.

01:42:19:24 BREGMAN: Well, that's a relief.

01:42:21:15 BREGMAN (CONT'D): Hearing that from you, of all people, especially given how you felt about what I was doing. I mean, I understood how you felt, but still.

01:42:32:01 HAMMOND: I'm a big enough man to admit when I'm wrong. I'm glad you stuck with it.

01:42:38:19 BREGMAN: That means a lot to me, Sir.

01:42:42:12 HAMMOND: I've written a lot of letters to the next of kin.

01:42:49:04 HAMMOND (CONT'D): Nothing ever seems like it's enough.

01:42:53:04 HAMMOND (CONT'D): They deserve more. This is something more.

01:42:58:27 BREGMAN: Thank you, Sir.

01:43:04:15 BREGMAN (CONT'D): Um, there is...

01:43:09:15 BREGMAN (CONT'D O/S): One thing, General...

01:43:11:13 BREGMAN (CONT'D): That's still missing that could make a difference.

01:43:14:21 HAMMOND: I'll take care of it.

01:43:24:21 WELLS: Hey.

01:43:34:07 WELLS (CONT'D O/S): Come in. Come in.

01:43:41:08 WELLS: Daniel, this is my wife Marci.

01:43:45:16 MARCI: Hi. I'd love to give you a hug, but...

01:43:49:03 DANIEL: Please, don't get up.

01:43:52:09 WELLS: This is my daughter.

01:43:54:06 DANIEL: Oh. She is beautiful.

01:43:56:00 MARCI (O/S): Thanks.

01:43:58:17 DANIEL: I guess that ultrasound was wrong, huh?

01:44:00:08 MARCI: Yeah.

01:44:02:23 DANIEL: What's her name?

01:44:05:22 WELLS: Janet.

01:44:07:13 DANIEL: That's nice.

01:44:24:25 BREGMAN: Okay. Um. Tom.

01:44:32:20 COLONEL RUNDELL: Emmett.

01:44:34:17 BREGMAN: You ready?

01:44:35:17 JAMES: Rolling.

01:44:36:17 BREGMAN: Sound? Okay, first question.

01:44:40:15 O'NEILL (V/O): Okay.
