01:00:49:07 CHIEF OF STAFF: Yes, Mr. President.

01:00:50:18 CHIEF OF STAFF: Emergency management teams are standing by, but we've  
scheduled a call to the governor for 10:00 so you can pledge your  
support.

01:00:58:05 PRESIDENT HAYES: They're not going to follow me around all the time, are  
they?

01:01:00:11 CHIEF OF STAFF: No, Mr. President.

01:01:02:09 PRESIDENT HAYES: Good.

01:01:03:10 PRESIDENT HAYES: Hello. Holly.

01:01:07:28 CHIEF OF STAFF: The Chairman of the Joint Chiefs is waiting for you in your  
office.

01:01:19:18 PRESIDENT HAYES: He knows it's my first day, right?

01:01:21:14 CHIEF OF STAFF: Yes, Mr. President.

01:01:23:03 PRESIDENT HAYES: Good.

01":01:26:01 PRESIDENT HAYES: Francis.

01:01:29:00 GENERAL MAYNARD: Mr. President. We need to talk, Sir.

01:01:34:14 GENERAL MAYNARD (CONT'D): It's important.

01:01:36:14 PRESIDENT HAYES: Guys. Let me enjoy the moment.

01:01:50:18 GENERAL MAYNARD: Moment's over, Sir.

01:01:52:24 PRESIDENT HAYES: Right. Stan...

01:01:58:02 PRESIDENT HAYES (CONT'D O/S): Thank you.

01:01:58:29 PRESIDENT HAYES (CONT'D): Thank you.

01:02:06:08 GENERAL MAYNARD: Mr. President, I'm here to bring you up to speed on a  
program we've been running out of Cheyenne Mountain for the past  
seven years.

01:02:17:04 PRESIDENT HAYES: I've already had my top secret briefing.

01:02:18:28 GENERAL MAYNARD: Yes, Mr. President, but not this. Mr. President, for the past  
seven years, the United States Air Force...

01:02:28:02 GENERAL MAYNARD (CONT'D): Has been sending teams to other planets by  
means of an alien device known as the "Stargate."

01:02:33:10 PRESIDENT HAYES: That's funny.

01:02:36:14 PRESIDENT HAYES (CONT'D): That's very funny. My first day.

01:02:40:09           PRESIDENT HAYES (CONT'D): This is a joke, right? I have a great sense of humor. I didn't know that you had one, but this is good, because we're finding out about each other. Now I have to call the ex-president of Togo, and when I'm done, apparently, the rest of the world is coming to an end.

01:02:58:15           GENERAL MAYNARD: The ex-president of Togo will have to wait, Sir.

01:03:00:24           GENERAL MAYNARD (CONT'D): This is not a joke.

01:03:07:18           PRESIDENT HAYES: The United States Air Force has been sending people to other planets.

01:03:12:29           GENERAL MAYNARD: Yes, Sir.

01:03:13:29           PRESIDENT HAYES (O/S): For the last seven years.

01:03:15:01           GENERAL MAYNARD: That's correct.

01:03:15:29           PRESIDENT HAYES: By means of an alien device?

01:03:18:18           GENERAL MAYNARD: Known as the "Stargate."

**END OF TEASER**

**ACT ONE**

01:04:50:05 KINSEY'S AIDE (O/S): Senator McKnight is requesting we move your meeting to  
next week.

01:04:53:17 KINSEY: He's trying to duck me. He doesn't want to commit on the crime bill.

01:04:57:00 KINSEY'S AIDE: What should I tell them?

01:04:58:01 KINSEY: Forget it. The son of a bitch came in on our coattails. Now it's time to  
pay the piper.

01:05:03:11 (DOOR OPENING)

01:05:06:17 PRESIDENT HAYES: What the hell were you thinking?

01:05:08:04 KINSEY'S AIDE: Mr. President.

01:05:09:14 PRESIDENT HAYES: Why didn't you tell me?

01:05:11:06 KINSEY: Sara, would...

01:05:13:18 KINSEY (CONT'D): Would you excuse us for a moment, please?

01:05:19:25 KINSEY: I take it you've just been briefed by the Chairman of the Joint Chiefs on  
our new reality.

01:06:00:20 KINSEY (CONT'D): The military...

01:06:02:24 KINSEY (CONT'D): Specifically. The personnel directly involved in the SGC need  
to be replaced immediately. Now, I have several recommendations  
regarding--

01:06:12:28 PRESIDENT HAYES (INTERRUPTING): Whoa, Bob, hold on here.

01:06:15:24 KINSEY: Mr. President, why do you think I was ordered to keep quiet?

01:06:21:15 KINSEY (CONT'D O/S): This was a deliberate attempt...

01:06:24:01 KINSEY (CONT'D): By the military and the previous administration to drive a  
wedge between us, because they knew I was going to come after them.  
We need to stick together on this.

01:06:34:20 PRESIDENT HAYES: For God's sakes, Bob, think of the magnitude of this!

01:06:39:22 KINSEY: "For God sake"...is right.

01:06:42:11 PRESIDENT HAYES: Oh, come on, Bob. If you want me to buy into your "holier  
than thou" position, you've got to convince me you're right.

01:06:56:05 PRESIDENT HAYES: "Hosted alien dignitaries." "Acquired alien technology."  
"Traveled back in time"? Did they really blow up a sun?

01:07:10:01 GENERAL MAYNARD: As I understand it, Sir, yes, they did.

01:07:13:16 PRESIDENT HAYES: It's got to look awfully good on the old resume, hey?

01:07:16:16 GENERAL MAYNARD (O/S): Yes, Sir.

01:07:17:16 GENERAL MAYNARD (CONT'D): They've done some pretty amazing things.

01:07:20:00 PRESIDENT HAYES: You sound like a fan, Francis.

01:07:22:13 GENERAL MAYNARD: Well, I can't help but appreciate the number of times  
they've saved this world.

01:07:26:26 PRESIDENT HAYES: Some people think this world wouldn't have needed saving  
had we left well enough alone.

01:07:33:12 GENERAL MAYNARD: Well, you can't deny what's out there, Sir. The enemy  
would have come for us anyway. We need to be prepared...

01:07:42:07 GENERAL MAYNARD (CONT'D): And no matter what anyone says, the people at  
the SGC...

01:07:45:18 GENERAL MAYNARD (CONT'D): Have done the best anyone could under the  
circumstances.

01:07:49:08 PRESIDENT HAYES: You don't trust the vice president.

01:07:52:07 GENERAL MAYNARD: He obviously has his own agenda.

01:08:29:29 KINSEY (CONT'D): I propose that we give this organization direct control of the  
gate...

01:08:36:24 KINSEY (CONT'D O/S): Effective immediately.

01:08:39:28 GENERAL MAYNARD (V/O): There's only one reason he wanted...

01:08:43:13 GENERAL MAYNARD (V/O CONT'D): Them to give control to the N.I.D.

01:08:46:05 PRESIDENT HAYES: Because he was about to become Chairman of the  
Intelligence Oversight...

01:08:49:23 PRESIDENT HAYES (CONT'D): Committee.

01:08:50:11 GENERAL MAYNARD: Which would have put the N.I.D. and the Stargate in his  
back pocket. He had the ambassadors eating out of his hand. It was only  
because of some extraordinary intervention that it didn't work.

01:09:07:21 ENGLISH AMBASSADOR: Hello?

01:09:11:11 THOR: Hello. I am Thor, Supreme Commander of the Asgard fleet.

01:09:17:22 KINSEY: Commander Thor, my name is--

01:09:21:16 THOR (INTERRUPTING): Senator Kinsey.

01:09:22:29 THOR (CONT'D): O'Neill suggested I send you to a distant planet for your actions here, but I am reasonably certain his statement was in jest.

01:09:31:10 KINSEY: I'm sure it was, Commander.

01:09:34:18 THOR: Supreme Commander. It is the opinion of the Azgod High Council...

01:09:39:19 THOR (CONT'D): That Stargate Command should be left in the very capable hands of General Hammond and his team...

01:09:45:20 THOR (CONT'D O/S): And while I continue...

01:09:47:03 THOR (O/S CONT'D): Friendship with Earth is not...

01:09:48:15 THOR (O/S CONT'D): Contingent on that.

01:09:50:14 THOR (CONT'D): It is preferred.

01:09:53:27 PRESIDENT HAYES (V/O): I wonder why he wants it so badly.

01:09:59:23 PRESIDENT HAYES (CONT'D): I mean, besides his belief in his divine right.

01:10:04:16 GENERAL MAYNARD: I don't know, Sir.

01:10:06:10 PRESIDENT HAYES: Not that that's not enough, but...I get this feeling that there's something more to it.

01:10:13:19 GENERAL MAYNARD: Yes, Sir.

01:10:16:12 PRESIDENT HAYES: That rogue element at N.I.D. that he took credit for taking  
down last year...

01:10:22:13 GENERAL MAYNARD: We've never had any proof...

01:10:23:13 GENERAL MAYNARD (CONT'D): Connecting Senator Kinsey to anything  
nefarious.

01:10:26:20 PRESIDENT HAYES: I'm starting to get a bad feeling about where some of that  
campaign financing came from.

01:10:32:04 GENERAL MAYNARD: Mr. President.

01:10:34:27 PRESIDENT HAYES: Did I say that out loud?

01:10:54:15 KINSEY: Ah. Mr. Woolsey. I hope my confidence in you has not been misplaced.

01:11:01:24 WOOLSEY: You have my word, Sir. Once I finish presenting the evidence, the  
President will have no choice but to follow your recommendation and  
clean house at Stargate Command.

**END OF ACT ONE**

**ACT TWO**

01:11:46:12           GENERAL MAYNARD: I'm sorry to keep you waiting, Mr. President, but I was just wrapping up a meeting with the joint chiefs when I got your message.

01:11:51:27           PRESIDENT HAYES: Francis, I thought you'd want to sit in on this one.

01:11:54:24           GENERAL MAYNARD: Thank you, Sir.

01:12:01:20           KINSEY: General...

01:12:01:21           KINSEY (CONT'D): I don't believe you know Richard Woolsey.

01:12:03:10           KINSEY (CONT'D O/S): For the past several months...

01:12:05:22           KINSEY (CONT'D): He has been working with the N.I.D. conducting a thorough investigation...

01:12:08:28           KINSEY (CONT'D): Of all Stargate personnel. I've asked him here to kindly present us with his findings.

01:12:15:00           GENERAL MAYNARD (O/S): If this is a discussion...

01:12:16:03           GENERAL MAYNARD (CONT'D): About the confidence of those running the SGC, shouldn't George Hammond be included?

01:12:20:25           WOOLSEY (O/S): Unfortunately, Sir...

01:12:22:15 WOOLSEY (CONT'D): General Hammond is part of the problem.

01:12:24:20 GENERAL MAYNARD: George Hammond is a highly decorated officer, a 30-year veteran with the United States Air Force, and while that may not carry a lot of weight over at the N.I.D., it still means something to certain people in this town.

01:12:36:06 WOOLSEY (O/S): This isn't a trial, General...

01:12:37:27 WOOLSEY (CONT'D): Although it certainly wouldn't surprise me if it came to that.

01:12:40:29 PRESIDENT HAYES (O/S): Let's stick to specifics here.

01:12:43:02 PRESIDENT HAYES (CONT'D): If these people need to be replaced, I want to see evidence.

01:12:48:15 WOOLSEY: Thank you, Mr. President. The most recent incident was less than a month ago.

01:12:52:25 WOOLSEY (O/S): General Hammond ordered an off-world rescue operation...

01:12:56:14 WOOLSEY (CONT'D): Despite ample indication that he was sending his people into an ambush.

01:13:00:26 WOOLSEY (CONT'D O/S): As a...

01:13:02:00 WOOLSEY (O/S CONT'D): Result a very valuable member of...

01:13:04:08 WOOLSEY (O/S CONT'D): Stargate Command was killed.

01:13:05:20 WOOLSEY (O/S CONT'D): Dr. Janet Fraiser.

01:13:07:20 GENERAL MAYNARD (O/S): Sending your people...

01:13:08:20 GENERAL MAYNARD (CONT'D): Into potentially dangerous situations is a  
natural consequence of military command.

01:13:13:18 WOOLSEY (O/S): Maybe so, but ignoring evidence of an enemy trap...

01:13:16:18 WOOLSEY (CONT'D): Is at best foolish and at worst criminally negligent.

01:13:19:00 WOOLSEY (CONT'D O/S): General Hammond admits his responsibility.

01:13:22:11 WOOLSEY (CONT'D): His own report is essentially a confession.

01:13:25:12 GENERAL MAYNARD: All that proves is the man had the guts to own up to his  
mistakes.

01:13:28:25 WOOLSEY: Unfortunately, in this case, mistakes can lead to compromising the  
entire planet.

01:13:34:04 WOOLSEY (CONT'D): I haven't uncovered a mountain of evidence implicating not  
only General Hammond, but his first-line team as well.

01:13:39:14 GENERAL MAYNARD: Those people are heroes.

01:13:41:04 KINSEY (O/S): We have no intention of minimizing the...

01:13:43:15 KINSEY (CONT'D): Accomplishments of either the general or SG-1.

01:13:46:15 KINSEY (CONT'D O/S): Their respective achievements speak for themselves...

01:13:49:21 KINSEY (CONT'D): But intermittent successes cannot excuse ongoing  
misconduct.

01:13:56:26 WOOLSEY (O/S): Over the past seven years, SG-1

01:13:59:10 WOOLSEY (CONT'D): Has shown a disregard for military authority. They have  
compromised national security and exercised extremely poor judgment  
in the performance of their duties.

01:14:07:17 PRESIDENT HAYES: You should be on my speech-writing team.

01:14:12:00 PRESIDENT HAYES (CONT'D): Come on, cut the crap, will you?

01:14:14:11 PRESIDENT HAYES (CONT'D O/S): As crazy as it sounds...

01:14:17:04 PRESIDENT HAYES (CONT'D): We're sitting around here, talking about people  
who are fighting aliens...

01:14:21:15 PRESIDENT HAYES (CONT'D O/S): Right?

01:14:23:13 PRESIDENT HAYES (CONT'D): Could we please be specific?

01:14:26:15 WOOLSEY: Yes, Sir. Let's start with insubordination.

01:14:31:13 WOOLSEY (CONT'D): Approximately five and a half years ago, the gate was shut  
down.

01:14:34:28 WOOLSEY (CONT'D O/S): The SGC was under orders to suspend all off-world  
travel...

01:14:39:01 WOOLSEY (CONT'D): Pending a full review. SG-1 chose to ignore those orders.

01:14:43:04 GENERAL MAYNARD: And in the process, they managed to head off an  
invasion.

01:14:46:12 WOOLSEY (O/S): Nonetheless, they were guilty...

01:14:48:25 WOOLSEY (CONT'D): And it was by no means an isolated incident.

01:15:03:18 (ALARMS SOUNDING)

01:15:14:20 CARTER: Let's go.

01:15:17:25 TEAL'C: O'Neill.

01:15:28:08 O'NEILL: Not this time, Teal'c.

01:15:44:21 GENERAL MAYNARD: They sabotaged a mothership the Goa'uld would have eventually used to attack Earth.

01:15:49:19 WOOLSEY (O/S): They used the Stargate...

01:15:51:12 WOOLSEY (CONT'D): Against a direct order of a superior officer.

01:15:54:00 GENERAL MAYNARD (O/S): You can't hold them accountable for that.

01:15:55:23 GENERAL MAYNARD (CONT'D): Read the damn mission report. They were under the influence of an alien device.

01:16:00:07 WOOLSEY (O/S): Yes, of course...

01:16:02:16 WOOLSEY (CONT'D): Which brings us to the alarming frequency with which members of SG-1 have fallen under alien influence. Major Samantha Carter...

01:16:13:09 WOOLSEY (CONT'D): Implanted with a Goa'uld symbiote. Then, two years ago, her body became host to an alien virus.

01:16:30:27 WOOLSEY (O/S): Daniel Jackson...

01:16:33:17 WOOLSEY (CONT'D): Fell under the influence of alien technology on numerous occasions, had his body play host to not one, but 12 alien psyches simultaneously.

01:16:42:29 WOOLSEY (CONT'D): Most interestingly...

01:16:45:25 WOOLSEY (CONT'D): Of all, apparently died, and according to the report,  
"evolved into a higher being."

01:17:08:09 WOOLSEY (O/S): Teal'c...

01:17:10:14 WOOLSEY (CONT'D): An alien, former soldier of the Goa'uld, now possesses full  
security clearance at our most secret facility.

01:17:21:10 GENERAL MAYNARD: He earned that trust.

01:17:22:25 WOOLSEY: Yes.

01:17:23:25 WOOLSEY (CONT'D): That trust almost cost SG-1 dearly...

01:17:26:19 WOOLSEY (CONT'D O/S): When he rejoined the ranks...

01:17:28:17 WOOLSEY (CONT'D): Of the system lord Apophis.

01:17:32:03 O'NEILL: Buddy.

01:17:38:07 O'NEILL: What you got going here, Teal'c?

01:17:40:21 APOPHIS: Well done, Teal'c. Finally, you've resumed your rightful position as my  
first prime.

01:17:48:27 GENERAL MAYNARD (O/S): He'd been brainwashed...

01:17:50:15 GENERAL MAYNARD (CONT'D): By the enemy.

01:17:51:22 WOOLSEY (O/S): Yes...

01:17:52:22 WOOLSEY (CONT'D): Like his fellow team members, he too has shown a  
vulnerability to alien influence, which finally brings us to the team leader,  
Jack O'Neill.

01:18:04:04 WOOLSEY (CONT'D): Infected by alien contagions a half-dozen times,  
experimented upon by extraterrestrials another half-dozen times, had his  
memories manipulated on numerous occasions...

01:18:18:13 WOOLSEY (CONT'D): Had the entire repository of an ancient alien database  
effectively downloaded into his head.

01:18:24:13 O'NEILL: Whoa.

01:18:34:01 (O'NEILL SCREAMS)

01:18:37:17 CARTER (O/S): Colonel.

01:18:39:11 WOOLSEY (V/O): Not long after this incident...

01:18:40:22 WOOLSEY (CONT'D): The Colonel began exhibiting strange behavior, speaking  
an alien language...

01:18:45:17 WOOLSEY (CONT'D O/S): Demonstrating superhuman intellect.

01:18:47:15 WOOLSEY (O/S CONT'D): As it turns out, he was undergoing some sort of transformation...

01:18:50:22 WOOLSEY (O/S CONT'D): As a result of the knowledge...

01:18:52:02 WOOLSEY (CONT'D): He had absorbed, where at not for the timely intervention of another alien race, he would have been lost to us.

01:18:58:27 PRESIDENT HAYES: How these people maintain their sanity is beyond me. I'm having trouble just sitting here listening to it.

01:19:04:12 WOOLSEY (O/S): That, Mr. President...

01:19:05:12 WOOLSEY (O/S CONT'D): Is exactly my point.

01:19:07:07 WOOLSEY (CONT'D): How can we trust these individuals to protect our planet after everything they've been through?

01:19:11:25 PRESIDENT HAYES: Well, they seem to be handling it very well.

01:19:14:20 WOOLSEY (O/S): But who's to say they are completely...

01:19:17:05 WOOLSEY (CONT'D): Free of these influences?

01:19:19:22 GENERAL MAYNARD (O/S): They're routinely checked and cleared...

01:19:21:05 GENERAL MAYNARD (CONT'D): By medical professionals.

01:19:22:29 WOOLSEY: We can no longer allow the Pentagon to look the other way.

01:19:26:29 WOOLSEY (CONT'D O/S): The number of times the members of SG-1 have  
been...

01:19:30:09 WOOLSEY (O/S CONT'D): Compromised should have warranted at least a  
reconsideration...

01:19:33:26 WOOLSEY (CONT'D): Of their off-world status, transfers to less decisive  
positions, a couple of sick days, for God sake.

01:19:40:16 PRESIDENT HAYES: The first time I heard about this, I couldn't believe what I  
was hearing.

01:19:44:24 PRESIDENT HAYES (CONT'D O/S): I tried to imagine myself...

01:19:47:15 PRESIDENT HAYES (CONT'D): Doing what these people have been doing for  
the last seven years, and quite frankly, I don't think any of us can really  
understand what they've been going through, no matter how many files  
we read.

01:20:00:23 WOOLSEY: All the more reason for intensive scrutiny. If new protocols and  
standards of conduct need to be established, this is where it has to start.

01:20:17:22 PRESIDENT HAYES: What do you say we take a break?

01:20:21:26 GENERAL MAYNARD: Yes, Sir.

01:20:36:01 KINSEY: You can't possibly be taking their side.

01:20:41:24 PRESIDENT HAYES: I need time to absorb this, Bob.

01:20:43:28 KINSEY: We may not have much time. The longer those people--

01:20:46:21 PRESIDENT HAYES (INTERRUPTING O/S): Relax.

01:20:47:29 PRESIDENT HAYES (CONT'D): All I'm saying is at the moment, I'm going to give  
them the benefit of the doubt. I need to know more.

01:20:55:16 KINSEY: I think you know all you need to know, and that includes why you're  
here.

01:20:59:12 PRESIDENT HAYES: I'm here, Bob, because the people of this nation elected me  
to run their country, not the whole damn galaxy...

01:21:10:26 PRESIDENT HAYES (CONT'D): And this is my office, Bob, not yours, not matter  
what you may think you did to make this happen...

01:21:16:23 PRESIDENT HAYES (CONT'D O/S): And don't you ever...

01:21:18:28 PRESIDENT HAYES (CONT'D): For one second, forget that.

01:21:22:20 KINSEY: Yes, Mr. President.

01:21:26:00      PRESIDENT HAYES: Let's take a break.

**END OF ACT TWO**

**ACT THREE**

01:22:08:00 WOOLSEY (V/O): According to the military...

01:22:09:15 WOOLSEY (CONT'D): Stargate Command is our first and best line of defense  
against potential alien threats to this planet. If that's true, we should be  
very, very concerned.

01:22:19:15 WOOLSEY (CONT'D O/S): Time and again, General Hammond...

01:22:21:18 WOOLSEY (O/S CONT'D): And SG-1 have demonstrated shockingly poor  
judgment...

01:22:24:22 WOOLSEY (CONT'D): Placing themselves, the base, this very planet, in jeopardy.  
The decision to bring back suspect technology through the gate has  
precipitated a number of crisis situations.

01:22:38:02 WOOLSEY (CONT'D O/S): For the most part, they've been dealt with within the  
confines of the SGC. However...

01:22:42:13 WOOLSEY (CONT'D): Last year, the effect of an alien device broke  
containment...

01:22:46:26 WOOLSEY (CONT'D V/O): And found its way into the civilian population.

01:22:51:18 VERNON: Son of a...

01:22:55:19 O'NEILL: Sir, I have reason to believe an individual I came in contact with has  
breached the quarantine.

01:23:00:07 (TIRES SCREECHING)

01:23:01:17 (SCREAMING)

01:23:06:18 GENERAL MAYNARD (O/S): The situation was taken care of.

01:23:08:17 GENERAL MAYNARD (CONT'D): A cover story was created, and the civilian  
population was none the wiser.

01:23:13:01 KINSEY (O/S): Well, I, for one, would like to know...

01:23:14:11 KINSEY (CONT'D): How many more times we're going to have to clean up after  
these people.

01:23:16:27 GENERAL MAYNARD: They have a mandate to acquire off-world technology...

01:23:20:06 GENERAL MAYNARD (CONT'D O/S): And that entails necessary risks.

01:23:22:19 WOOLSEY (O/S): And how would you define "necessary"?

01:23:24:12 WOOLSEY (O/S CONT'D): Only a few months ago, General Hammond...

01:23:26:09 WOOLSEY (CONT'D): Allowed the testing of an unproven computer virus...

01:23:29:28 WOOLSEY (CONT'D O/S): That infected and shut down our entire gate network,  
leaving...

01:23:33:18 WOOLSEY (CONT'D): Us open to a potential planetary assault.

01:23:35:16 GENERAL MAYNARD (O/S): You can't hold Hammond responsible for that.

01:23:37:21 GENERAL MAYNARD (CONT'D): It was a Goa'uld modification of the virus that  
caused the problem.

01:23:41:16 WOOLSEY: In other words, General Hammond effectively gave the Goa'uld a  
weapon to use against us.

01:23:46:19 GENERAL MAYNARD: Like the President said, you can't even begin to  
understand what their jobs demand of them.

01:23:55:21 WOOLSEY (O/S): Maybe not...

01:23:56:22 WOOLSEY (CONT'D): But I would like to think that it includes common sense and  
the willingness to set aside personal feelings in the heat of battle.

01:24:03:23 PRESIDENT HAYES: What are you referring to, Mr. Woolsey?

01:24:05:28 WOOLSEY (O/S): An incident, three years ago...

01:24:08:05 WOOLSEY (CONT'D): When General Hammond allowed emotion to override  
established gate room protocol.

01:24:16:17 HAMMOND: Evacuate the gate room.

01:24:20:21 (ALARM SOUNDING)

01:24:26:02 HAMMOND: Colonel O'Neill, we're taking fire. Report.

01:24:34:01 HAMMOND: Colonel O'Neill.

01:24:38:11 TECHNICIAN: Sir.

01:24:38:25 HAMMOND: Give them some more time.

01:24:46:03 WOOLSEY (V/O): General Hammond's decision to wait for SG-1 worked out in  
the end...

01:24:58:28 WOOLSEY (CONT'D): But I can't help but wonder if he'll be so lucky the next  
time.

01:25:03:24 WOOLSEY (O/S): The members of SG-1...

01:25:05:12 WOOLSEY (O/S CONT'D): Have similarly suspect priorities...

01:25:07:22 WOOLSEY (CONT'D): And no wonder. Not one, but two people that Doctor  
Jackson had close personal relationships with were taken as Goa'uld  
hosts.

01:25:15:27 WOOLSEY (CONT'D O/S): Teal'c's family...

01:25:17:24 WOOLSEY (CONT'D): And associates amongst the ranks of the enemy Jaffa  
make him an easy target for Goa'uld retaliation and manipulation.

01:25:24:19 WOOLSEY (CONT'D O/S): And both Colonel O'Neill...

01:25:26:19 WOOLSEY (CONT'D): And Major Carter have demonstrated an alarming  
tendency to let interpersonal relationships...

01:25:31:24 WOOLSEY (CONT'D O/S): Cloud their decision- making process.

01:25:34:11 PRESIDENT HAYES: They have a right to their feelings.

01:25:36:18 PRESIDENT HAYES (CONT'D O/S): Unless, of course, you're suggesting...

01:25:39:22 PRESIDENT HAYES (CONT'D): Some kind of inappropriate...

01:25:44:10 PRESIDENT HAYES (CONT'D O/S): Relationship here?

01:25:46:01 KINSEY (O/S): Inappropriate, yes.

01:25:47:20 KINSEY (CONT'D): That's exactly what he's suggesting.

01:25:51:28 KINSEY (CONT'D O/S): It's difficult to come away from these reports...

01:25:54:07 KINSEY (CONT'D): Without the distinct impression that there's a lot more going  
on between Colonel O'Neill...

01:25:59:05 KINSEY (CONT'D O/S): And Major Carter than simple friendship and respect. For example...

01:26:04:26 KINSEY (CONT'D): There was an incident last year in which Colonel O'Neill went missing.

01:26:10:00 WOOLSEY: Based n a report filed by one of the scientists...

01:26:13:06 WOOLSEY (CONT'D O/S): On the mission in question.

01:26:14:26 WOOLSEY (CONT'D) Major Carter's behavior was erratic at best.

01:26:20:01 DR. LEE: Major, this technology is unlike anything we've come across before.

01:26:24:04 CARTER: I know.

01:26:26:14 DR. LEE: We have no reference, no way to interface.

01:26:27:07 CARTER: I'm working on it, Doctor...

01:26:28:12 CARTER (CONT'D): As you should be.

01:26:31:01 DR. LEE: Right.

01:26:34:17 CARTER: Excuse me. Where's Colonel O'Neill? I don't see him, do you? Did you guys find him while I was gone?

01:26:43:28 CARTER: I say when we're done here.

01:26:49:18 GENERAL MAYNARD (O/S): That's it?

01:26:50:28 GENERAL MAYNARD (CONT'D): That's your evidence?

01:26:52:25 KINSEY (O/S): I believe there's a lot more to this...

01:26:54:20 KINSEY (CONT'D): Than we've been told...

01:26:56:10 KINSEY (CONT'D O/S): But, of course, I hardly expect them...

01:26:59:27 KINSEY (O/S CONT'D): To incriminate themselves with their own reports.

01:27:02:25 KINSEY (CONT'D): But we can all read between the lines.

01:27:06:27 PRESIDENT HAYES (O/S): All right...

01:27:10:21 PRESIDENT HAYES (CONT'D): I've heard enough. Thank you, gentlemen.  
Thank you, Mr. Woolsey.

01:27:15:00 WOOLSEY: Mr. President.

01:27:27:18 (KNOCKING)

01:27:28:18 KINSEY'S AIDE: Mr. Woolsey is here to see you...

01:27:29:22 KINSEY'S AIDE (CONT'D O/S): Sir.

01:27:30:22 KINSEY: Send him in.

01:27:36:00 KINSEY: Would you like a drink?

01:27:37:16 WOOLSEY: No, thank you.

01:27:41:12 KINSEY: That was nice work today, Richard.

01:27:42:28 WOOLSEY (O/S): Really?

01:27:43:25 WOOLSEY (CONT'D): I got the distinct feeling it didn't go so well.

01:27:47:14 KINSEY: Oh, well. Doesn't matter.

01:27:51:07 WOOLSEY: It doesn't?

01:27:52:24 KINSEY: Nah. The president is going to come around.

01:27:56:11 WOOLSEY: I didn't get that impression, Mr. Vice President. In fact, I clearly  
sensed that he was siding with the Chairman of the Joint Chiefs.

01:28:04:19 KINSEY: Today was a formality.

01:28:10:03 KINSEY (CONT'D): Don't get me wrong. The job you did was vital. The president has to appear to be hearing both sides, considering his position, but...he'll see things my way eventually.

01:28:25:07 WOOLSEY: And if he doesn't?

01:28:27:22 KINSEY: Things happen.

01:28:33:05 WOOLSEY: What is that supposed to mean?

01:28:36:17 KINSEY: It means you chose the right side, Richard.

01:28:42:24 KINSEY (CONT'D O/S): One way or another...

01:28:45:20 KINSEY (CONT'D): I promise you...I'm going to win this one.

**END OF ACT THREE**

**ACT FOUR**

01:29:29:13 GENERAL MAYNARD: Mr. President.

01:29:31:10 PRESIDENT HAYES: General. I take it you're here to present a case for the  
defense?

01:29:36:17 GENERAL MAYNARD: I'm not going to get into a point-counterpoint.

01:29:38:08 PRESIDENT HAYES: Look, it may very well be that Hammond and SG-1 have  
done their very best under difficult circumstances. but there's a political  
aspect to the vice president's position that makes a lot of sense.

01:29:51:02 GENERAL MAYNARD: Sir?

01:29:53:12 PRESIDENT HAYES: A lot of people know about Stargate.

01:30:01:02 PRESIDENT HAYES (CONT'D): We can't keep it a secret forever. When it finally  
comes out...

01:30:05:16 PRESIDENT HAYES (CONT'D): We're going to be in the fight of our lives. We'll  
need the public's confidence.

01:30:10:19 GENERAL MAYNARD: And you think cleaning house at the SGC now shows  
you're in control.

01:30:14:27 PRESIDENT HAYES: You disagree?

01:30:16:12 GENERAL MAYNARD: I think there's time for that still, Sir, but for the immediate future, I'm here to let you know what you're up against, and why we need Hammond and SG-1 right now more than ever.

01:30:27:01 PRESIDENT HAYES: Have a seat and fire away.

01:30:29:15 GENERAL MAYNARD: The System Lords have proven themselves to be formidable adversaries...

01:30:42:14 GENERAL MAYNARD (CONT'D): And yet, despite our obvious disadvantage...

01:30:44:27 GENERAL MAYNARD (CONT'D): We've managed to hold our own, maybe even take them down a notch or two.

01:30:48:14 GENERAL MAYNARD (CONT'D): We've been good, and we've been lucky...

01:30:51:09 GENERAL MAYNARD (CONT'D): But I'm afraid that could change. There's a new Goa'uld in the mix.

01:30:54:26 PRESIDENT HAYES: I take it you're referring to the one who calls himself Anubis.

01:31:00:03 GENERAL MAYNARD: He's more powerful than any of his predecessors. He came to our attention a little over a year ago when he tried to take out Earth with an asteroid...

01:31:08:10 GENERAL MAYNARD (CONT'D): And then used our own Stargate as a weapon against us.

01:31:11:20 GENERAL MAYNARD (CONT'D): We thwarted him both times. Since then, he's redirected his attention to his rivals, waging a year-long war against the Goa'uld.

01:31:20:03 ANUBIS: Your time is up.

01:31:42:07 PRESIDENT HAYES: Well, it's good for us. Let them fight amongst themselves.

01:31:44:22 GENERAL MAYNARD: The problem is...when he's through with them, and it's only a matter of time, he'll come gunning for us...

01:31:51:20 GENERAL MAYNARD (CONT'D): And when he does...

01:31:53:21 GENERAL MAYNARD (CONT'D): We'll be facing a whole new threat.

01:32:26:09 PRESIDENT HAYES: A super soldier.

01:32:01:07 (GUNFIRE)

01:32:15:15 O'NEILL: Fire in the hole!

01:32:26:09 PRESIDENT HAYES (V/O): A super soldier?

01:32:28:24 GENERAL MAYNARD: Not just one. He's got a whole army.

01:32:32:00 ANUBIS' ARMY: Hail Anubis, hail Anubis.

01:32:36:25 PRESIDENT HAYES: If that's true, I can't imagine how having SG-1 on the front lines is going to make one damn bit of difference when the time comes.

01:32:45:20 GENERAL MAYNARD: Anubis may be incredibly powerful, but he's not invincible. There is a way to take him out.

01:32:51:17 PRESIDENT HAYES: And how's that?

01:32:52:28 GENERAL MAYNARD: By finding the lost city.

01:32:55:06 PRESIDENT HAYES: You'll have to forgive me, Francis. I'm not up to speed. I've only gone through about a third of those files.

01:33:00:25 GENERAL MAYNARD: The gate system was built by a highly advanced race of aliens known as the "Ancients."

01:33:07:22 GENERAL MAYNARD: They died off millions of years ago...

01:33:10:16 GENERAL MAYNARD (CONT'D): But it seems they haven't disappeared completely.

01:33:31:14 GENERAL MAYNARD (V/O): They've evolved into higher life forms.

01:33:35:11 PRESIDENT HAYES: Well, will they help us?

01:33:36:20 GENERAL MAYNARD: No, Sir.

01:33:37:23 PRESIDENT HAYES: Why the hell not?

01:33:39:05 GENERAL MAYNARD: Its beneath them. They won't involve themselves in our  
affairs.

01:33:42:26 PRESIDENT HAYES: So where are you going with this?

01:33:46:20 GENERAL MAYNARD: Last year, SG-1 made an amazing discovery on a planet  
called Abydos.

01:33:53:25 DANIEL: You're going to find the lost city of the Ancients.

01:33:56:02 O'NEILL: Lost city?

01:33:58:05 DANIEL: Didn't tell him about that either, huh?

01:34:00:28 CARTER: Daniel found a tablet talking about a lost city.

01:34:03:18 DANIEL: With our powerful ancient weapons capable...

01:34:05:11 DANIEL (CONT'D): Of giving you a big advantage over Anubis.

01:34:07:15 O'NEILL: Do you know where it is?

01:34:09:18 DANIEL: No, but I'll help you find it.

01:34:10:20 GENERAL MAYNARD (V/O): Hammond and SG-1...

01:34:12:11 GENERAL MAYNARD (CONT'D): Are close to finding the lost city.

01:34:15:19 GENERAL MAYNARD (CONT'D): Let them do their job, Sir.

01:34:18:09 GENERAL MAYNARD (CONT'D): Let them save this planet one more time.

01:34:23:04 PRESIDENT HAYES: I wish it were that simple.

01:34:37:04 GENERAL MAYNARD: I'm not sure what you mean, Sir.

01:34:38:16 PRESIDENT HAYES: The vice president may be a pain in the ass, but I can't just  
ignore him.

01:34:44:00 GENERAL MAYNARD: You're the commander in chief. It's your decision.

01:34:46:21 PRESIDENT HAYES: True...but if I cross him on this one...

01:34:52:21 PRESIDENT HAYES (CONT'D): Well, let's just say that I haven't viewed all the  
angles yet. Is there anything you haven't told me?

01:35:01:13 GENERAL MAYNARD: No, Sir.

01:35:03:21 PRESIDENT HAYES: Then as far as I can tell, Hammond and SG-1 have done an  
extraordinary job under very difficult circumstances...

**ACT FIVE**

01:36:02:27 WOOLSEY: General.

01:36:04:01 GENERAL MAYNARD: Mr. Woolsey.

01:36:05:03 WOOLSEY: Thank you for meeting me.

01:36:07:02 GENERAL MAYNARD: I take it the vice president doesn't know about this.

01:36:11:09 WOOLSEY: No, and I'd like to keep it that way.

01:36:12:18 GENERAL MAYNARD: What do you want?

01:36:15:17 WOOLSEY: I want to warn you.

01:36:18:20 WOOLSEY (CONT'D): I think the vice president may be involved...

01:36:21:18 WOOLSEY (CONT'D): With people capable of...well, anything. I believe they may  
have even attempted assassination at least one before as a means to  
get what they wanted.

01:36:31:19 GENERAL MAYNARD: Do you realize the seriousness of what you just said?

01:36:35:15 WOOLSEY: Yes, Sir. Look, no matter what you might think of me, I consider  
myself to be a man of integrity.

01:36:43:15 WOOLSEY (CONT'D): I took the job with the N.I.D., because I strongly believe...

01:36:47:13 WOOLSEY (CONT'D): In civilian oversight of top secret military operations--

01:36:50:15 GENERAL MAYNARD (INTERRUPTING): Mr. Woolsey.

01:36:51:15 WOOLSEY: I don't have any proof, Sir...

01:36:52:22 WOOLSEY (CONT'D): But I'm starting to question whether those to whom I've  
dedicated my allegiance...are as honorable as I'd hoped.

01:37:02:07 GENERAL MAYNARD: You're a resourceful man, Mr. Woolsey. If you think  
there's proof out there, find it.

01:37:26:22 (TELEPHONE RINGING)

01:37:29:22 HAMMOND (INTO PHONE): Hammond. Show him in.

01:37:40:10 WOOLSEY: General.

01:37:41:10 HAMMOND: This must be important for you to have come all this way.

01:37:44:29 WOOLSEY: I know you have no reason to trust me, General. That's why I felt I  
had to come here in person.

01:37:51:14 HAMMOND: Sit down.

01:37:54:00 WOOLSEY: I take great pride in my work, General.

01:38:01:17 WOOLSEY (CONT'D): My job demands meticulous research...

01:38:04:23 WOOLSEY (CONT'D): And above all else, impartiality in its execution. My aim is  
to present an airtight argument, a point of view for consideration by those  
I serve with no personal agenda whatsoever.

01:38:15:27 HAMMOND: Get to the point.

01:38:17:23 WOOLSEY: I stand by my case against you and your personnel, despite what I'm  
about to say to you.

01:38:23:18 HAMMOND: I hope you don't expect that to gain my respect.

01:38:27:02 WOOLSEY: You recall the assassination attempt on then Senator Kinsey?

01:38:43:20 (SCREAMING)

01:38:44:25 SECURITY AGENT (INTO RADIO): The senator's been hit.

01:38:46:14 SECURITY AGENT (CONT'D O/S): He's been hit.

01:38:50:04 WOOLSEY: And later gained notoriety from bringing those responsible to justice?

01:38:53:13 HAMMOND: I can only assume you're going somewhere with this.

01:38:56:17 WOOLSEY: Let's just say I've recently come to believe that those behind the  
rogue element of the N.I.D. have not entirely been eliminated.

01:39:06:13 WOOLSEY (CONT'D O/S): In fact, they may be stronger than ever...

01:39:09:11 WOOLSEY (CONT'D): And Vice President Kinsey may still be tied to them.

01:39:12:21 HAMMOND: They tried to have him killed, and then he tried to take them down.  
That seems unlikely.

01:39:18:04 WOOLSEY: At the time, something must have made Kinsey a liability, but after  
the assassination attempt failed, the opportunity presented itself to  
propel Kinsey onto the presidential ticket.

01:39:28:11 WOOLSEY (CONT'D): That could have been enough to motivate a reconciliation.

01:39:31:05 HAMMOND: Either way, I'm not surprised by any of this, Mr. Woolsey.

01:39:34:01 WOOLSEY: Well, I'm sorry to say that I am, and I want to do something about it if  
I can.

01:39:38:22 HAMMOND: Like what?

01:39:40:02 WOOLSEY: Like present evidence...

01:39:41:13 WOOLSEY (CONT'D): If there is any, connecting Kinsey to illegal activity  
involving those behind the rogue N.I.D.

01:39:47:13 HAMMOND: What makes you think evidence like that exists?

01:39:50:27 WOOLSEY: Because you're sitting right there.

01:39:52:23 HAMMOND: I'm sorry?

01:39:54:00 WOOLSEY (O/S): Three years ago, you left SGC, supposedly retired.

01:39:57:19 WOOLSEY (CONT'D): I'm guessing you were blackmailed.

01:40:00:27 HAMMOND: And?

01:40:03:17 WOOLSEY: And then you came back. Nothing about that ever made any sense to me. I want to know why, how.

01:40:12:24 WOOLSEY (CONT'D O/S): You've got something on Kinsey, something I can use.

01:40:19:27 HACKER (O/S): That's it, we're in.

01:40:24:01 HACKER (O/S CONT'D): I'm downloading now.

01:40:27:03 HACKER (CONT'D): Kinsey's on-line activities connect him to N.I.D. actions over the last year and a half...

01:40:35:08 HACKER (CONT'D O/S): Including a secret operation I ran out of Area 51.

01:40:38:25 HACKER (O/S CONT'D): The involvement with the Russians...

01:40:41:14 HACKER (CONT'D): And the threats to Hammond.

01:40:46:06 O'NEILL (O/S): You're a piece of work, Kinsey.

01:40:48:17 O'NEILL (CONT'D): Try to shut down the SGC. You make this big speech about  
how much you hate secret organizations, then you jump in bed with the  
N.I.D. What is that?

01:40:57:22 HACKER (O/S): I'm done.

01:41:06:04 KINSEY: What are you going to do? Take down the whole N.I.D.?

01:41:10:17 O'NEILL: No. Here's the deal. Get them to reinstate Hammond, or this disk goes  
to the press.

01:41:22:13 WOOLSEY: You've got connections, General. You must know what's going down.

01:41:41:19 HAMMOND: That's not the...

01:41:44:08 HAMMOND (CONT'D): Only copy.

01:41:48:15 WOOLSEY: Why haven't you given this to someone before now?

01:41:50:28 HAMMOND: I didn't know who to trust.

01:41:55:02 HAMMOND (CONT'D): I still don't.

01:42:09:09 (TELEPHONE RINGING)

01:42:15:01 SECRETARY (INTO PHONE): Yes, Sir, right away.

01:42:18:00 SECRETARY: The president will see you now.

01:42:18:28 WOOLSEY: Thank you.

01:42:23:06 WOOLSEY: Thank you for seeing me, Mr. President.

01:42:34:00 PRESIDENT HAYES: Is there something you wanted to add to your report, Mr.  
Woolsey?

01:42:37:14 WOOLSEY: Yes, Sir.

01:42:44:07 WOOLSEY (CONT'D): As I'm sure you're aware, the N.I.D. does not exactly have  
a spotless record.

01:42:49:22 WOOLSEY (CONT'D O/S): For several years...

01:42:52:12 WOOLSEY (CONT'D): A group of rogue agents operated inside its of ranks. They  
were acting on behalf of a cabal of international business interests intent  
on acquiring alien technology for their own profit.

01:43:03:15 PRESIDENT HAYES: One could only hope.

01:43:05:23 WOOLSEY: Mr. President?

01:43:08:01 PRESIDENT HAYES: I know they're out there, Mr. Woolsey. What I'm saying is  
that one could only hope that money was their chief motivation.

01:43:18:14 PRESIDENT HAYES (CONT'D O/S): However, I doubt...

01:43:21:22 PRESIDENT HAYES (CONT'D): The type of person who is behind this is  
shortsighted enough for that given what...

01:43:26:25 PRESIDENT HAYES (CONT'D O/S): He must know.

01:43:29:11 PRESIDENT HAYES (CONT'D): In light of the new reality that Stargate presents,  
there are aspirations beyond mere financial greed that could be much  
worse.

01:43:41:12 WOOLSEY: I agree.

01:43:44:11 PRESIDENT HAYES: You're here to tell me that the vice president is still in  
league with them?

01:43:49:10 WOOLSEY: If these people are as powerful as we both think, it does make one  
wonder what the vice president could have possibly offered them...

01:43:56:16 WOOLSEY (CONT'D O/S): In exchange for the price on his head.
