TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

RECAP

01:00:00:20 TEAL'C (V/O): Previously on Stargate SG-1...

01:00:03:06 O'NEILL: Who are you people?

01:00:04:13 FIRST: We are Replicators.

01:00:06:09 FIFTH: The others were destroying me.

01:00:07:25 CARTER: Not if you came with us.

01:00:09:10 FIFTH: You would do that?

01:00:10:13 FIFTH (V/O): They won't leave me. She promised.

01:00:12:23 FIRST (O/S): No, my son...

01:00:13:24 FIRST (CONT'D): They've made a fool of you.

01:00:18:11 HAMMOND: I've been relieved of command.

01:00:20:19 CARTER (O/S): Who's...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:00:20:24 CARTER (CONT'D O/S): Replacing you, Sir?

01:00:21:28 HAMMOND: Her name is Dr. Elizabeth Weir.

01:00:23:24 O'NEILL: A civilian?

01:00:25:02 DANIEL (O/S): She's, um...

01:00:25:10 DANIEL (CONT'D): An expert on international politics.

01:00:26:29 O'NEILL: Terre...Atlantus.

01:00:29:05 DANIEL: Are you saying the lost city of the Ancients...

01:00:31:03 DANIEL (CONT'D): Is here?

01:00:32:16 DANIEL (V/O): The city we've been looking for is under the ice...

01:00:34:19 DANIEL (V/O CONT'D): Of Antarctica.

01:00:37:09 ANUBIS: No!

01:00:40:26 DANIEL: Goodbye.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

TEASER

01:01:03:15 DANIEL: Dr. Weir.

01:01:04:17 WEIR: Elizabeth.

01:01:05:18 DANIEL: Elizabeth.

01:01:06:25 DANIEL (CONT'D O/S): Almost ready. I can't believe we're finally going. I mean, I know I should've been ready a long time ago but--

01:01:11:00 WEIR: The talks have stalled again.

01:01:15:09 DANIEL: You're kidding me.

01:01:16:11 WEIR: It's a complicated situation.

01:01:19:03 DANIEL: The Antarctic Treaty was established to promote scientific research in the area.

01:01:22:28 WEIR: With the interests of progress for all mankind, not just that of the United States...

01:01:27:12 WEIR (CONT'D): And so argue the other 11 nations all claiming...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:01:31:03 WEIR (CONT'D): Shared jurisdiction. I mean, Article One states quite clearly there
can be no establishment of any military base and no testing of any
weapons. Now, you saw firsthand how powerful the Ancient...

01:01:41:13 WEIR (CONT'D O/S): Outpost is.

01:01:42:20 DANIEL: And so meanwhile, Jack just stays frozen in that stasis pod down there?

01:01:45:03 DANIEL (CONT'D O/S): He sacrificed himself to save us...

01:01:47:06 DANIEL (CONT'D): All of us, not just this country.

01:01:49:27 WEIR (O/S): I know...

01:01:51:12 WEIR (CONT'D): But the scale of Anubis' attack makes covering it up tenuous at
best.

01:01:55:20 WEIR (CONT'D O/S): If we're going to keep the entire world from finding out
everything to do with the Stargate, we're going to need the full co-
operation...

01:02:01:07 WEIR (CONT'D): Of every government now aware of what's been going on. It's
just going to take more time.

01:02:05:15 DANIEL: In the meantime, we just sit here and do nothing?

01:02:11:00 WEIR: I'm sorry, Dr. Jackson.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:02:14:20 DANIEL: Daniel.

01:02:17:06 WEIR: Daniel.

END OF TEASER

ACT ONE

01:03:44:00 CARTER: Why can't we use the gate?

01:03:45:25 WEIR: It's not that we can't use it. Officially, all normal gate activity will remain
suspended just until the agreement for control of the Antarctic site is
resolved.

01:03:54:14 CARTER (O/S): What does one...

01:03:55:29 CARTER (CONT'D): Have to do with the other?

01:03:57:06 WEIR: While we obviously still have full jurisdictional control over the Stargate, the
President feels ultimately, how we proceed with operations here at SGC
will reflect on our international goodwill.

01:04:07:17 DANIEL: In other words, it's our political leverage in negotiations.

01:04:12:00 WEIR: I would never say that.

01:04:14:27 CARTER: What about Colonel O'Neill?

01:04:18:18 WEIR: Look, I know what he means to the three of you.

01:04:20:04 WEIR (CONT'D): We all appreciate the sacrifice Colonel O'Neill...

01:04:23:12 WEIR (CONT'D): Made.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:04:24:25 DANIEL: The Asgard can help him.

01:04:26:01 DANIEL (CONT'D O/S): Last time, they were able to erase the Ancient...

01:04:28:06 DANIEL (CONT'D): Knowledge from his mind before it killed him.

01:04:30:03 WEIR: We've tried contacting them. What do you suggest we do?

01:04:33:04 CARTER (O/S): You're aware of how we helped...

01:04:34:13 CARTER (CONT'D): The Asgard trap the Replicators in a time-dilation field on the
 planet Hala?

01:04:37:26 WEIR: Something to that effect. Yes, that was a couple of years ago, right?

01:04:40:29 CARTER: Basically, we know that trap is only going to hold them for so long.

01:04:44:18 CARTER (CONT'D O/S): Thor and the Asgard must be monitoring the situation.

01:04:47:19 CARTER (CONT'D): If we can get there, we should be able to contact them.

01:04:50:08 WEIR: Isn't the planet you're talking about in another galaxy?

01:04:53:13 DANIEL (O/S): Othala.

01:04:53:19 TEAL'C (O/S): O'Neill used his knowledge of the...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:04:55:24 TEAL'C (CONT'D): Ancients to modify the Goa'uld vessel currently in our possession.

01:04:58:23 WEIR: According to your report, Major, that ship is capable of flying faster and farther than anything the Goa'uld have.

01:05:05:06 CARTER: Yes.

01:05:06:11 CARTER (CONT'D): I think it might just get us there.

01:05:08:26 WEIR: And back?

01:05:11:18 CARTER: That may be a problem. There's a good chance the trip will burn out the engines.

01:05:15:13 WEIR: Okay, now, that's a big problem. If you get there, and it turns out you can't contact...

01:05:19:23 WEIR (CONT'D O/S): The Asgard...

01:05:20:23 CARTER (CONT'D): We're willing to take the risk.

01:05:25:01 WEIR: As admirable as that is, I can't let you do it.

01:05:30:10 TEAL'C: For what reason?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:05:31:05 WEIR: Colonel O'Neill was able to fend off Anubis' fleet using the weapons from the Ancient outpost. Hopefully, that will make the other Goa'uld think twice before attacking Earth...

01:05:40:25 WEIR (CONT'D): In the foreseeable future, but the truth is...

01:05:43:15 WEIR (CONT'D): We don't know if we're going to be able to ever use those weapons again, and if we can't, we're going to need a new tactical advantage over the Goa'uld...at least, that's what the Pentagon tells me.

01:05:52:00 WEIR (CONT'D O/S): The modified cargo ship, it's too valuable right now.

01:05:55:24 WEIR (CONT'D): I'm sorry. Request denied.

01:06:19:07 (KNOCKS)

01:06:22:10 WEIR: What can I do for you, Major?

01:06:25:15 CARTER: I want you to reconsider my request.

01:06:30:18 WEIR: I'm sorry.

01:06:33:19 CARTER: That cargo ship was modified using the knowledge of the Ancients. Now, there is no guarantee that anyone will ever be able to figure out how it was done.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:06:43:15 WEIR: And as the most likely person on the planet to figure it out, are you saying
that if I don't let you attempt to contact the Asgard, you won't even try?

01:06:53:21 CARTER: I would never say that.

01:06:58:05 WEIR: Right now, that is the most advanced piece of technology we have.

01:07:03:02 CARTER: If it weren't for Colonel O'Neill, we wouldn't have that ship. For that
matter, we wouldn't even be here discussing this.

01:07:17:02 CARTER: We've got the coordinates from the Prometheus. Based on the amount
of time it took the modified ship to get from Taonas to Earth, I'm
estimating our trip to Othala will take roughly 10 days.

01:07:26:02 DANIEL: Hey. So, uh, how did you talk Weir into letting us go?

01:07:31:18 CARTER: I didn't.

01:07:33:18 CARTER (CONT'D): I talked her into letting us go. You're staying here.

01:07:40:04 CARTER (CONT'D): Daniel, even with the modifications to the ship, there's no
guarantee it will get us there, and if it does, there's a good chance it'll
burn out the engines.

01:07:46:23 CARTER (CONT'D O/S): The ship was never meant to fly at that speed, which
means...

01:07:49:19 CARTER (CONT'D): If we don't find the Asgard, we'll be stranded.

01:07:52:27 DANIEL: I know.

01:07:54:24 CARTER: We need you here. You're our best chance at deciphering whatever information is in that Ancient outpost.

01:08:01:16 TEAL'C: If we fail, you will be O'Neill's only hope.

01:08:18:04 CARTER: Hey, Teal'c. Can I get you anything? I packed lots of turkey. I know it's your favorite.

01:08:25:17 TEAL'C: Thank you, but I am not currently hungry. Have you been able to determine how O'Neill modified the engines?

01:08:31:28 CARTER: No. I'm just taking a break. I didn't think it would be easy, but at least it's a good way to pass the time. I'm sorry. Have I been ignoring you?

01:08:45:29 TEAL'C: I am fine.

01:08:48:09 CARTER: I thought maybe working on the engines would help take my mind off Colonel O'Neill, which is kind of silly, considering he's the one who modified them.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:09:00:00 CARTER (CONT'D): Look, I know this plan isn't exactly foolproof. I've never plotted an intergalactic course before. I mean, if the coordinates are off by even one-half of a percent, we could wind up 10,000 light years from our destination.

01:09:11:03 CARTER (CONT'D): But still, I'm trying to stay positive.

01:09:19:16 TEAL'C: I have the utmost confidence in your ability.

01:09:22:24 CARTER: I know. So, you want to talk?

01:09:27:06 TEAL'C: Concerning what subject?

01:09:28:28 CARTER: I don't know. How's Ryac?

01:09:32:15 TEAL'C: Fine.

01:09:36:01 CARTER: Are you still keeping in touch with Ishta?

01:09:37:26 TEAL'C: Indeed.

01:09:40:08 CARTER: Bratac?

01:09:41:12 TEAL'C: Bratac is well.

01:09:43:15 CARTER: Come on, Teal'c, throw me a bone here.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:09:45:17 TEAL'C: How is Pete Shanahan?

01:09:47:04 CARTER: He's fine.

01:09:54:21 TEAL'C: Is not all well between the two...

01:09:55:24 TEAL'C (CONT'D O/S): Of you?

01:09:56:27 CARTER: No, everything's great. It's just...

01:10:00:04 CARTER (CONT'D O/S): As you well know...

01:10:02:06 CARTER (CONT'D): It's not easy saying goodbye to someone you care about
when you think there's a chance you may never see them again.

01:10:09:19 CARTER (CONT'D O/S): I know that's a risk we take...

01:10:10:19 CARTER (CONT'D): Every time we step through the Stargate, but...still, I'm trying to stay positive.

01:10:20:15 CARTER (CONT'D): I'll get you a sandwich.

01:10:32:17 (KNOCKS)

01:10:33:13 WEIR: Daniel.

01:10:34:24 DANIEL (O/S): Elizabeth.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:10:36:04 DANIEL (CONT'D): I was just wondering if you'd heard anything.

01:10:38:03 WEIR: They're still bogged down.

01:10:42:19 DANIEL: It's been over a week.

01:10:43:27 WEIR: What did you expect? A quick round of handshakes...

01:10:46:05 WEIR (CONT'D): Champagne toast to seal the deal?

01:10:48:03 DANIEL: We were attacked from space by an armada of alien ships. If that doesn't get us past our distrust of each other, what will?

01:10:54:12 WEIR: You forget those alien ships were destroyed by a single weapon. I mean, that kind of power is going to give anyone cause for concern.

01:11:01:15 DANIEL: Yeah, not that I want this to come off as an attempt to get rid of you...

01:11:04:29 DANIEL (CONT'D O/S): But, uh...

01:11:06:13 DANIEL (CONT'D): Isn't this sort of international negotiation exactly your area of expertise?

01:11:13:01 (ALARMS SOUND)

01:11:14:18 TECHNICIAN (V/O): Unauthorized...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:11:14:25 TECHNICIAN (V/O CONT'D): Offworld activation.

01:11:22:22 TECHNICIAN: We're receiving a signal. It's a text message.

01:11:28:27 DANIEL (O/S): That's Goa'uld.

01:11:31:03 WEIR: What does it say?

01:11:32:08 DANIEL: Um, it's from one of the System Lords, Camulus, Celtic god of war.

01:11:35:12 WEIR: I'm not familiar with him.

01:11:36:24 DANIEL: Um, we've never had any contact with him before.

01:11:42:06 DANIEL (CONT'D): Wow.

01:11:44:09 WEIR (O/S): Yeah, of course...

01:11:45:03 WEIR (CONT'D): Wow.

01:11:46:14 DANIEL: Sorry. It--it says he wants to arrange a meeting for the purpose of negotiating a treaty.

01:11:49:18 WEIR: A Goa'uld wants to arrange a treaty with us?

01:11:52:25 DANIEL: Not just one Goa'uld, all of them...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:11:55:00 DANIEL (CONT'D): The System Lords. They want to send representatives here.

END OF ACT ONE

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:13:02:15 TEAL'C (CONT'D): Sublight engines are at maximum, yet we are not moving.

01:13:05:07 CARTER: There's only one thing I know of that could create this kind of
gravitational pull.

01:13:17:29 WEIR: Are you sure this is an accurate translation of the message?

01:13:21:06 DANIEL: Pretty much.

01:13:22:08 WEIR: What do you make of it?

01:13:24:17 DANIEL: Well, to be honest, I'm not sure what to think.

01:13:27:14 WEIR: The Goa'uld did come here once to negotiate a treaty.

01:13:31:04 DANIEL: Yeah...

01:13:31:08 DANIEL (CONT'D): With the Asgard, not with us. Earth just served...

01:13:33:24 DANIEL (CONT'D): As neutral territory. For them to want...

01:13:35:25 DANIEL (CONT'D): To meet with us as equals is extremely unusual.

01:13:38:12 WEIR: Maybe we've gained a bit of respect in their eyes.

01:13:41:07 DANIEL: Yeah, they must've heard what happened to Anubis. They couldn't defeat him, not with all their combined forces and we did it...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:13:47:03 DANIEL (CONT'D O/S): In a single day.

01:13:48:14 WEIR: Which may explain why they want to come here.

01:13:50:04 DANIEL: Yeah, to see how we did it.

01:13:55:04 CARTER: It's pretty much what we expected. We burned out the hyperdrive
 getting here.

01:14:01:15 TEAL'C: That is most unfortunate.

01:14:02:19 CARTER: Even if it was working, it would've been very dangerous to open a
 window this close to the event horizon of a black hole.

01:14:09:11 TEAL'C: Are we that far off course?

01:14:10:22 CARTER: No. We came out of hyperspace right where we were supposed to...

01:14:14:09 CARTER (CONT'D): But this doesn't make any sense. Hala's sun wasn't nearly
 massive enough to collapse...

01:14:18:16 CARTER (CONT'D O/S): Into a black hole.

01:14:19:29 TEAL'C: Yet that is what appears to be happening.

01:14:23:25 CARTER: I'll see if I can get a little more out of the sublight engines.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:14:38:18 WEIR: The President has authorized me to pursue negotiations with the Goa'uld.

01:14:44:13 DANIEL: Okay.

01:14:47:08 WEIR: You don't think I can...

01:14:47:25 WEIR (CONT'D): Handle it?

01:14:49:15 DANIEL: I didn't say that, but if I may, you don't sound all that confident.

01:14:53:07 WEIR: Well, as you said, I have brokered my share of international negotiations.
This will just be my first interplanetary one.

01:15:02:08 DANIEL: The System Lords can't be trusted either as a group or individuals.

01:15:05:14 DANIEL (CONT'D O/S): They're posturing egomaniacs...

01:15:07:02 DANIEL (CONT'D): Driven by an insatiable lust for power, each one capable of
unimaginable evil.

01:15:13:11 WEIR: See? Why should I be nervous?

01:15:15:24 WEIR (CONT'D): It sounds like an average day at the United Nations.

01:15:20:12 WEIR (CONT'D): Look, I'm not afraid to admit that I need help, so what can you
tell me?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:15:30:11 DANIEL: The high council of the System Lords is a rather flimsy coalition of the most powerful Goa'ulds...

01:15:34:22 DANIEL (CONT'D): In the galaxy who only cooperate when it suits them.

01:15:38:16 DANIEL (CONT'D): Their numbers vary from time to time. New ones rise up, old ones get knocked off. We think there's about a dozen right now. I can put together a summary of what we know.

01:15:45:06 WEIR: All right. I assume I can't just open the iris and let the representatives just walk through.

01:15:51:04 DANIEL: No, that would probably be a bad idea. We should get them to meet us
at a neutral location, preferably a planet of our choosing.

01:15:58:13 DANIEL (CONT'D): We send a team to check them out, make sure they're unarmed...

01:16:01:23 DANIEL (CONT'D): And then escort them back.

01:16:03:25 WEIR: Good. Send the message.

01:16:18:14 TEAL'C: We are now being pulled backward.

01:16:20:19 TEAL'C (CONT'D O/S): Perhaps if we divert power from the shields.

01:17:06:04 THOR: It is good to see you again, Major Carter, Teal'c.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:17:11:15 CARTER: Likewise.

01:17:13:15 TEAL'C: Indeed. Your timing is impeccable.

01:17:21:15 WEIR: So the Goa'uld have agreed to our terms for their travel here.

01:17:25:12 DANIEL (O/S): Yeah.

01:17:29:05 DANIEL (CONT'D): I was just going over some research material on the delegates they're sending. Camulus is the one who...

01:17:33:00 DANIEL (CONT'D): Sent the original message. Then there's Amaterasu, Japanese sun goddess, and the last one is Lord Yu.

01:17:41:11 WEIR: Yu?

01:17:42:11 DANIEL: Don't. Every joke, every pun...done to death, seriously.

01:17:46:04 WEIR: I just thought I remember reading he was not himself or something. Of course, for a Goa'uld, what that means exactly, I'm not sure. Please, continue.

01:17:56:10 DANIEL: Well, he no longer has the ability to take on a new host, and it seems regenerative powers of the sarcophagus are losing its effectiveness for him. Basically, he's suffering from old age.

01:18:03:13 WEIR: He's senile.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:18:04:24 WEIR (CONT'D): Why would they choose him as a representative?

01:18:06:16 DANIEL: Well, his underlings may be doing a good job of covering for him.

01:18:09:11 WEIR: The other System Lords don't know.

01:18:10:26 DANIEL: The interesting thing is Lord Yu was the one System Lord who opposed
Anubis' desire to be reinstated to the council...

01:18:15:20 DANIEL (CONT'D): After his banishment. Long story. The point is...

01:18:18:29 DANIEL (CONT'D): That he fell out of favor when the other System Lords
accepted Anubis back, and he used his power to become their de facto
leader.

01:18:23:17 WEIR: So now that Anubis is gone, you think the balance of power has shifted
back to Yu?

01:18:28:20 DANIEL: On the bright side, out of all the Goa'uld, Lord Yu has been the most
cooperative with us in the past.

01:18:33:10 WEIR: I thought you said none of them could be trusted.

01:18:34:25 DANIEL: Oh, they can't, especially not a crazy one.

01:18:37:02 WEIR: Huh. That's the bright side?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:18:40:20 DANIEL: More of a slightly less dark side.

01:18:44:15 THOR: I am afraid I cannot leave this sector, Major, not at the moment.

01:18:49:10 CARTER: Thor, you're the only one who can save Colonel O'Neill.

01:18:52:18 THOR: As you have said, he is being preserved in stasis at the moment.

01:18:55:24 THOR (CONT'D): I will be glad to return with you to Earth as soon as my mission
 here is completed.

01:19:00:15 TEAL'C: What is your mission?

01:19:02:25 THOR: I must wait here until I am certain the Replicators have been destroyed.

01:19:05:29 THOR (CONT'D O/S): You may have noticed that Hala's sun has collapsed into a
 black hole.

01:19:10:08 CARTER: Just before the back of our ship was torn off.

01:19:12:12 THOR: I'm sorry I did not reach you sooner. I was not expecting you.

01:19:16:12 CARTER: Yeah, you haven't been responding to our attempts to contact you.

01:19:19:05 THOR (O/S): I am sorry.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:19:20:21 THOR (CONT'D): The time-space distortions caused by the black hole have been interfering with my ship's long-range...

01:19:26:07 THOR (CONT'D O/S): Communications.

01:19:27:24 CARTER: Understandable.

01:19:29:02 TEAL'C: Indeed...for some.

01:19:31:05 THOR (O/S): The time-dilation field was only a temporary measure.

01:19:33:27 THOR (CONT'D): We knew the time it would take for the Replicator humans to reach the machine would translate to less than two years outside the field. Therefore, a more permanent solution was devised.

01:19:44:01 CARTER: So you collapsed the sun?

01:19:47:07 THOR: By artificially increasing its gravitational field, yes.

01:19:51:02 CARTER: That's...pretty cool.

01:19:55:17 THOR: As you can see...

01:19:57:00 THOR (CONT'D O/S): The planet has already broken apart. However, a large number of Replicators have managed to come together in a...

01:20:04:05 THOR (CONT'D): Coherent mass that has yet to pass the event horizon.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:20:07:19 CARTER: Well, even if they can withstand the gravitational force...

01:20:09:27 CARTER (CONT'D O/S): Without being torn apart, there's no way they could ever-

-

01:20:12:01 THOR (INTERRUPTING): Interesting.

01:20:13:01 CARTER: What is it?

01:20:16:02 THOR: The mass of Replicator blocks have begun moving away from the event horizon.

01:20:19:26 CARTER: How is that possible?

01:20:21:24 THOR: They have the time-dilation device. I do not know exactly how, but they seem to have used it to counteract the...

01:20:28:20 THOR (CONT'D O/S): Gravitational effects that should be pulling them in.

01:20:31:06 CARTER: Frightening. Not only that they can do that, but that you don't know how.

01:20:36:10 THOR: I agree.

01:20:40:25 THOR (CONT'D O/S): They are picking up speed.

01:20:42:00 THOR (CONT'D): Scans indicate the blocks have formed together.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:20:45:17 TEAL'C: Into what?

01:20:47:22 THOR: A ship.

01:20:49:05 THOR (CONT'D): They are escaping. Their course indicates they are headed this
way.

END OF ACT TWO

01:21:16:23 WEIR: I thought you were going to stand me up.

01:21:18:24 DANIEL: Yeah, sorry. Heard anything from Teal'c and Sam?

01:21:23:11 WEIR: No.

01:21:27:04 TECHNICIAN: Receiving a signal, Ma'am. SG-7 reports we have a green light.

01:21:35:16 WEIR: Open the iris.

01:21:53:15 WEIR: Welcome to Earth.

01:21:56:02 WEIR (CONT'D): Allow me to introduce--

01:21:57:28 CAMULUS (INTERRUPTING): We're not interested in your names.

01:21:59:17 WEIR: Really? I find it generally helps so much--

01:22:04:03 AMATERASU (INTERRUPTING O/S): We prefer to present our offer...

01:22:05:05 AMATERASU (CONT'D): So we can spend as brief a time as possible on this planet.

01:22:13:06 WEIR: Right this way.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:22:31:04 CARTER: Have you ever seen anything like it?

01:22:33:25 THOR (O/S): No...

01:22:34:06 THOR (CONT'D): And it is doubtful my ship's weapons will be effective against it.

01:22:37:16 CARTER: We should probably get out of here, then, huh?

01:22:41:20 CARTER (CONT'D): Can you jump into hyperspace?

01:22:43:20 THOR: We must clear the gravitational distortion field of the black hole first.

01:22:51:08 THOR (CONT'D): They have fired upon us.

01:22:54:08 CARTER: Can it penetrate your shields?

01:22:55:13 THOR: It is more than likely.

01:23:01:05 THOR (CONT'D O/S): Brace for impact.

01:23:09:15 THOR (CONT'D): The hull has been breached.

01:23:11:00 CARTER: Where?

01:23:14:09 THOR (O/S): The damage is minimal.

01:23:16:06 THOR (CONT'D): The projectile was likely composed of Replicators.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:23:19:00 THOR (CONT'D): They are not visible to my ship's scanners...

01:23:21:06 THOR (CONT'D): But this is how they have boarded Asgard ships in the past.

01:23:24:26 CARTER: Can you use the shields to prevent decompression in those sections?

01:23:27:16 THOR: Yes.

01:23:43:05 CAMULUS: Your unexpected defeat of Anubis has created an unstable situation
among the System Lords.

01:23:48:03 CAMULUS (CONT'D O/S): In order to avoid open war, we came to an agreement
to divide...

01:23:52:10 CAMULUS (CONT'D): His territories and his armies evenly.

01:23:54:28 DANIEL: How civilized of you.

01:23:56:21 CAMULUS: Yes. Unfortunately, one among us has broken that agreement.

01:24:01:23 DANIEL: Oh, no, don't...don't tell me. Let...let me guess, it's, um...

01:24:05:16 AMATERASU: Ba'al.

01:24:06:16 DANIEL: Ba'al.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:24:07:02 CAMULUS: He was able to learn the location of the planet where Anubis was creating his Kull warriors.

01:24:11:23 DANIEL: Ba'al got there before you did and found a way to program the soldiers to serve him.

01:24:15:10 AMATERASU: With those Orak at his command, Ba'al has tipped the balance of power in his favor.

01:24:19:19 WEIR: Orak?

01:24:21:07 DANIEL: Unspeakable.

01:24:22:15 CAMULUS (O/S): In battle, the Kull are far...

01:24:25:00 CAMULUS (CONT'D): Superior to the Jaffa. Already, many among us have begun to speak of capitulation...

01:24:29:28 CAMULUS (CONT'D O/S): Much as they did with Anubis.

01:24:33:01 CAMULUS (CONT'D): If that happens, Ba'al will indeed be unstoppable.

01:24:38:15 WEIR: Well, this is all very interesting, I'm sure, but I fail to see what it has to do with us.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:24:56:00 YU'S FIRST PRIME: My master wishes to say it is well known the Tauri possess a powerful new weapon, something far beyond their current level of technology.

01:25:03:11 DANIEL (O/S): Yes.

01:25:04:20 DANIEL (CONT'D): We used it to kill Anubis and destroy his fleet.

01:25:07:12 YU'S FIRST PRIME (O/S): By means of this weapon...

01:25:08:21 YU'S FIRST PRIME (CONT'D): Ba'al can be prevented from conquering the galaxy.

01:26:00:17 (REPLICATORS WHIRRING)

01:26:08:04 TEAL'C: Major Carter.

01:26:04:05 (LASER GUN SHOT)

01:26:13:11 TEAL'C (INTO COMM): Thor, it is Teal'c. Major Carter was beamed away. Is she in your presence?

01:26:17:13 THOR: I did not do it. The Replicators must have her.

01:26:21:23 (REPLICATOR SCUTTLES BY)

01:26:25:10 (LASER GUN SHOT)

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:26:26:23 (LASER GUN SHOTS)

01:26:39:01 TEAL'C: I have eliminated all of the Replicators I could locate.

01:26:42:13 THOR: There is no way of knowing if there are more.

01:26:44:08 THOR (CONT'D O/S): The Replicator ship has entered hyperspace.

01:26:48:02 TEAL'C: Can you follow?

01:26:49:06 THOR: Yes.

01:26:57:16 CAMULUS: If Ba'al defeats us, how long do you think it will be before he turns his
attention to you?

01:27:03:06 WEIR: If he does, he'll suffer the same fate as Anubis.

01:27:07:02 AMATERASU (O/S): Perhaps...

01:27:08:10 AMATERASU (CONT'D): But there are other worlds in this galaxy without the
luxury of such advanced defenses.

01:27:14:20 DANIEL (O/S): What are you talking about?

01:27:16:02 AMATERASU: We could not help but notice that the Asgard did not come to your
aid when Anubis threatened your planet.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:27:23:19 AMATERASU (CONT'D O/S): In fact...

01:27:24:25 AMATERASU (O/S CONT'D): We've heard nothing from the Asgard for quite
 some...

01:27:27:06 AMATERASU (CONT'D): Time now.

01:27:28:09 DANIEL: Really? That's odd, because we talk to them all the time.

01:27:31:02 WEIR (O/S): The Asgard didn't come...

01:27:32:09 WEIR (CONT'D): Because they knew it wasn't necessary.

01:27:34:25 AMATERASU: Ba'al believes otherwise. He is convinced that the Asgard can no
 longer exercise power in this galaxy.

01:27:41:01 AMATERASU (CONT'D O/S): He intends to take...

01:27:42:25 AMATERASU (CONT'D): The planets protected under the Goa'uld-Asgard treaty
 for himself.

01:27:47:00 CAMULUS (O/S): If you do not help us stop him...

01:27:49:09 CAMULUS (CONT'D): Millions of humans will die. And millions more will be
 enslaved.

01:28:01:26 TEAL'C: Do you know its destination?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:28:03:24 THOR: Before you destroyed them, the Replicators managed to access the ship's computer. They learned the location of Orilla, the planet where we are attempting to rebuild the Asgard civilization. I assumed it would be their first target.

01:28:17:22 TEAL'C: What is your reasoning?

01:28:18:27 THOR: Orilla is rich in neutronium, which is a key element in Asgard technology.

01:28:23:08 THOR (CONT'D O/S): It is also essential...

01:28:25:06 THOR (CONT'D): For the creation of human-form Replicators.

01:28:48:29 (CRINKLING SOUND)

01:28:56:00 FIFTH: Major Carter.

01:28:58:20 CARTER: Fifth.

01:29:00:04 FIFTH: I imagine you never expected to see me again.

01:29:02:08 CARTER: Look, I'm sorry we left you behind, but we had to do it.

01:29:06:07 CARTER (CONT'D): We couldn't risk the others...

01:29:07:28 CARTER (CONT'D): Getting out. You know what they're capable of.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:29:11:12 CARTER (CONT'D): I know you must be upset.

01:29:13:24 FIFTH: Upset?

01:29:15:10 CARTER (O/S): We betrayed...

01:29:15:18 CARTER (CONT'D): You. It must have hurt.

01:29:17:13 CARTER (CONT'D O/S): See, that's the part of you that's...

01:29:19:18 CARTER (CONT'D): Most like us...the human part of you.

01:29:25:08 CARTER (CONT'D): I understand how you feel.

01:29:27:02 FIFTH: No, you don't.

01:29:30:03 FIFTH (CONT'D): You couldn't...but I promise...

01:29:33:17 FIFTH (CONT'D): You will.

END OF ACT THREE

ACT FOUR

01:30:12:27 WEIR: How many planets are protected under this treaty?

01:30:16:05 DANIEL: Um, 26, 27 if you include Earth.

01:30:19:26 WEIR: And what good is it if the Asgard aren't actually available to protect
anything?

01:30:24:14 DANIEL: At one time, they were.

01:30:25:02 DANIEL (CONT'D): More recently, we've been trading on the threat, kind of a big
bluff.

01:30:28:14 WEIR: Well, Ba'al is about to call the bluff.

01:30:31:04 DANIEL: Unfortunately, there's nothing we can do about that.

01:30:33:19 DANIEL (CONT'D): Earth is safe so long as the Goa'uld think we can defend
ourselves.

01:30:36:14 WEIR: But that's a bluff, too.

01:30:38:05 DANIEL: Yeah, more or less.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:30:40:24 WEIR: When I was a kid, my father used to have these weekly poker games. All I remember is smoke made my eyes water. I'm starting to wish I'd paid more attention.

01:30:48:20 DANIEL: I'm sure you've misrepresented the truth before in negotiations.

01:30:51:08 WEIR: Actually, no, my job has usually been to get people to recognize the truth.

01:30:55:05 DANIEL: Well, if they even get a hint of the fact we can't use the Ancient weapons to defend ourselves, trust me, this game is over.

01:31:03:15 DANIEL (CONT'D): Too dramatic?

01:31:04:26 WEIR: At this point, not for me.

01:31:15:09 TEAL'C: How can we stop them?

01:31:16:15 THOR (O/S): My ship's weapons will not function...

01:31:18:04 THOR (CONT'D): In hyperspace, much like the shields. However, in close proximity, the self-destruct may be...

01:31:24:19 THOR (CONT'D O/S): Sufficient to eliminate both ships. I am sorry, but...

01:31:28:20 THOR (CONT'D): We have no choice. If the human-form Replicators reach Orilla, they will have the resources to replicate many thousands of times.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:31:36:00 THOR (CONT'D O/S): We cannot allow...

01:31:38:01 THOR (CONT'D): That to happen.

01:31:40:00 TEAL'C: So be it.

01:31:50:00 (SCREAMING)

01:31:55:19 CARTER: Why are you doing this?

01:31:56:25 FIFTH: You think you deserve better?

01:32:00:18 CARTER: You can see my thoughts. You know I didn't want to do it.

01:32:05:23 FIFTH: I suppose, in a way, I should thank you. It was because of what you did to
me I came to realize my full potential.

01:32:13:24 FIFTH (CONT'D): I am more human than the others. At first, I thought it was a
weakness, but now I see it makes me capable of so much more.

01:32:23:22 CARTER: Fifth, please...

01:32:25:28 FIFTH (O/S): My brothers and sisters will devour...

01:32:27:16 FIFTH (CONT'D): Entire civilizations in order to replicate. But they will know
nothing of cruelty...or betrayal...or revenge.

01:32:40:14 FIFTH (CONT'D): Not like us. Isn't that right...

01:32:48:10 FIFTH (CONT'D): Major Carter?

01:32:50:19 CARTER: No.

01:32:53:17 CARTER: No.

01:33:02:05 WEIR (V/O): We appreciate...

01:33:02:18 WEIR (CONT'D): You bringing us this information, but it doesn't change the fact
that we can't get involved in any internal Goa'uld dispute, and if Ba'al
tries to attack any of the protected planets, he'll suffer the consequences.

01:33:13:27 CAMULUS: Unfortunately, we do not share your faith in the Asgard.

01:33:16:18 CAMULUS (CONT'D): We must stop Ba'al before it comes to that.

01:33:19:13 WEIR (O/S): You'll forgive my bluntness...

01:33:20:16 WEIR (CONT'D): But that's not our problem.

01:33:23:01 YU: Enough!

01:33:27:10 YU (CONT'D): With each passing...

01:33:28:05 YU (CONT'D): Moment, Anubis grows more powerful.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:33:34:00 DANIEL: You mean Ba'al.

01:33:37:18 YU'S FIRST PRIME: My master is fatigued. We request a short adjournment--

01:33:40:21 YU (INTERRUPTING): Silence.

01:33:44:16 YU (CONT'D): I need no adjournment.

01:33:50:09 CAMULUS: We know you have a formidable new defensive weapon...

01:33:53:01 CAMULUS (CONT'D O/S): But with it, you must wait for your enemies to come to
you...

01:33:56:10 CAMULUS (CONT'D): And that can be dangerous. What if an enemy...

01:34:01:01 CAMULUS (CONT'D): Were to devise a means of defeating this weapon?

01:34:03:17 WEIR: What exactly are you offering?

01:34:06:22 CAMULUS: Hyperdrive engines.

01:34:08:28 AMATERASU: We know you have battleships that are not capable of interstellar travel.

01:34:13:01 CAMULUS (O/S): We are offering you a means of producing a fleet of ships...

01:34:16:25 CAMULUS (CONT'D): As advanced as the Goa'uld Hatak vessels.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:34:24:21 CAMULUS (CONT'D): You could take the fight to the enemy.

01:34:35:03 THOR: We are almost within range.

01:34:50:20 THOR (CONT'D): Now.

01:34:56:25 THOR (CONT'D): We are slowing down.

01:35:02:20 THOR (CONT'D): Something is interfering with the controls...

01:35:06:15 THOR (CONT'D O/S): The auxiliary control console...

01:35:08:10 THOR (O/S CONT'D): Outside the engine room.

01:35:17:23 WEIR: Your offer is very generous, but I'm afraid we're going to have to decline.

01:35:23:10 CAMULUS: You would be able to uphold the protected planets' treaty with or
without the aid of the Asgard.

01:35:28:20 DANIEL (O/S): How many...

01:35:29:04 DANIEL (CONT'D): Hyperdrives are you willing to give us?

01:35:30:23 AMATERASU: How many ships can you build?

01:35:32:05 DANIEL: I think the real question is how many ships do you have?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:35:37:28 DANIEL (CONT'D O/S): If we'll enforce this treaty ourselves, we'd need to build...

01:35:40:24 DANIEL (CONT'D): Enough ships to match any fleet that would oppose us.

01:35:44:05 CAMULUS (O/S): We are not...

01:35:44:18 CAMULUS (CONT'D): At liberty to disclose such information.

01:35:46:03 WEIR: Well, then, this discussion is over.

01:35:49:13 AMATERASU: How can you blithely reject such an offer?

01:35:51:24 WEIR: Because we're not about to fight...

01:35:52:24 WEIR (CONT'D): Your battles for you in exchange for a couple of hyperdrive engines that may or may not do us any good in the long run...

01:35:57:28 WEIR (CONT'D O/S): And especially since we...

01:35:59:29 WEIR (CONT'D): Already have that technology at our disposal.

01:36:03:15 CAMULUS: You have viable hyperdrive technology?

01:36:05:07 WEIR: Yes, we do...

01:36:06:15 WEIR (CONT'D): And with the help of the Asgard, we're in the process of
implementing it right now...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:36:11:02 WEIR (CONT'D): So thank you very much.

01:36:13:14 AMATERASU (O/S): This Ancient weapon...

01:36:15:02 AMATERASU (CONT'D): Such an advanced piece of technology...

01:36:17:27 AMATERASU (CONT'D O/S): The power requirements must be enormous.

01:36:20:16 AMATERASU (CONT'D): Even simple maintenance must be extremely difficult,
given your limited capabilities.

01:36:26:16 WEIR: We manage.

01:36:29:05 AMATERASU (O/S): Of course.

01:36:29:16 AMATERASU (CONT'D): We believe you...but I wonder what Ba'al would think if
he were to receive intelligence that the weapon was...temporarily out of
commission?

01:36:40:21 CAMULUS: Hmm. He would come to this world to claim it for himself. The Tauri
would be forced to destroy him.

01:36:46:17 AMATERASU: And we would have to give them...nothing.

01:36:50:10 DANIEL (O/S): Oh, come on.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:36:51:22 DANIEL (CONT'D): Ba'al would never fall for that. He knows how desperate you
 are. I think he might find this information a little bit convenient.

01:36:56:26 CAMULUS: Perhaps, but you leave us few options.

01:37:00:19 WEIR (O/S): Okay.

01:37:01:19 WEIR (CONT'D): We'll do it.

01:37:05:00 DANIEL: We will?

01:37:06:00 WEIR: In exchange, we want Ba'al's territory.

01:37:09:23 (CAMULUS SCOFFS)

01:37:10:26 CAMULUS: What do you mean?

01:37:12:18 WEIR: That's the way it works, right?

01:37:13:24 WEIR (CONT'D): When one System Lord kills another, he takes over his armies,
 his fleet, his planets. That's what we want, everything in Ba'al's
 possession.

01:37:23:25 AMATERASU (O/S): You cannot...

01:37:24:08 AMATERASU (CONT'D): Be serious.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:37:25:24 WEIR: If we're going to be the ones who destroy Ba'al for you, why should we settle for anything less?

01:37:30:04 YU: Preposterous.

01:37:31:28 CAMULUS: We can't accept those terms.

01:37:33:04 WEIR: Take it or leave it.

01:37:40:00 CAMULUS (O/S): We must send...

01:37:41:06 CAMULUS (CONT'D): A message to the other System Lords to advise them of the current situation.

01:37:45:16 WEIR: Go ahead.

01:37:52:21 (REPLICATOR WHIRS)

01:37:54:14 (BLAST)

01:37:58:08 TEAL'C (INTO COMM): The problem has been eliminated.

01:38:00:10 THOR (V/O OVER COMM): Unfortunately, the Replicators are now beyond our reach.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:38:03:10 THOR (CONT'D): We are too late to stop them from reaching the new Asgard
 homeworld.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

ACT FIVE

01:38:30:01 DANIEL: I guess you did learn something from your father's poker games.

01:38:34:02 WEIR: Always bet big when bluffing.

01:38:35:29 DANIEL: I just didn't know you were looking to become a System Lord.

01:38:38:24 WEIR: I just had to do something to keep them...

01:38:40:14 WEIR (CONT'D): Talking. It looked like they were going to try and draw Ba'al here
no matter what we said.

01:38:43:21 DANIEL: Well, we can be pretty sure they won't agree to our terms.

01:38:47:01 WEIR: I know. We may have to revive Colonel O'Neill.

01:38:58:21 DANIEL: What?

01:38:59:29 WEIR: If they suspect we're bluffing, they'll come here and take the weapon for themselves. If they don't, they'll trick Ba'al into coming. Either way, we may actually have to use that weapon again to defend this planet.

01:39:09:20 DANIEL: We don't even know if there's enough power to fire another shot.

01:39:12:20 WEIR: I know.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:39:14:24 DANIEL (O/S): If you try to revive Jack without the Asgard standing by, it'll kill him.

01:39:18:01 DANIEL (CONT'D): In fact, he'll probably die before he can do anything to help us.

01:39:21:04 (KNOCKS)

01:39:22:05 TECHNICIAN: Dr. Weir.

01:39:23:13 TECHNICIAN (CONT'D): It's a copy of the message the Goa'uld sent back to the
System Lords.

01:39:25:21 TECHNICIAN (CONT'D): It's coded.

01:39:29:10 WEIR: We need to know what they're thinking.

01:39:43:00 THOR: I have managed to send advance warning to Orilla. By providing them...

01:39:46:15 THOR (CONT'D): With the Replicator ship's course and speed, they should...

01:39:49:26 THOR (CONT'D): Have a fair approximation of where it will drop out of hyperspace.

01:39:53:10 THOR (CONT'D): What ships we have available will be waiting in ambush.

01:39:56:28 TEAL'C: You believe the Asgard ships can destroy the Replicators before they
 can raise their shields.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:40:00:27 THOR: They will only be defenseless for a few moments, but if my calculations
 are accurate, that should be sufficient.

01:40:13:05 (SCREAMS)

01:40:14:03 CARTER (CRYING): Oh...stop it, please.

01:40:16:28 FIFTH: Why should I?

01:40:21:02 CARTER: Fifth, you can't change what happened. Is this making you feel...

01:40:24:05 CARTER (CONT'D O/S): Better?

01:40:25:17 CARTER (CONT'D): I never intended to abandon you.

01:40:29:21 FIFTH (O/S): But you did.

01:40:31:02 FIFTH (CONT'D): You gained my trust, then you used me and left me behind.

01:40:34:22 CARTER: It wasn't my decision.

01:40:36:10 FIFTH: You could have come back for me.

01:40:38:11 CARTER: There was no time.

01:40:39:16 FIFTH: Time?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:40:41:26 FIFTH (CONT'D): Thanks to what you did, I had plenty of time to think about what a fool I was.

01:40:46:11 CARTER: I'm sorry. I'm sorry for what we did to you.

01:40:54:20 FIFTH: Yes. You are now.

01:41:01:15 CARTER: Part of being human is having compassion, learning to forgive.

01:41:08:25 FIFTH: Yes. I'm not there yet.

01:41:13:05 FIFTH (O/S): I need...

01:41:13:18 FIFTH (CONT'D): More time.

01:41:14:18 CARTER: No.

01:41:18:02 (CRYING)

01:41:34:27 WEIR: Progress?

01:41:36:06 DANIEL: Yeah, it's basically a confirmation of what we suspected. They think we're bluffing, but they have no way of confirming their suspicions, so they're not sure what to do.

01:41:43:26 WEIR: They could still try and draw Ba'al here, let him figure it out for them.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:41:46:26 DANIEL: Yeah, that's dangerous for them, because if we can't power the
 weapons...

01:41:49:26 WEIR: Which we can't.

01:41:50:26 DANIEL: Ba'al would end up with both Earth and the Ancient outpost in his
 possession.

01:41:54:05 TECHNICIAN (V/O): Unscheduled offworld activation.

01:41:56:20 (ALARMS SOUND)

01:42:02:07 WEIR (O/S INTO PHONE): This is Weir. What's happening?

01:42:06:25 WEIR (INTO PHONE CONT'D): Okay, we'll be right down.

01:42:09:25 WEIR: Our guests just got a response.

01:42:18:20 AEGIR (V/O): Commander Thor, this is Aegir of the Valhalla. We have assumed
 defensive positions and are awaiting the target ship.

01:42:27:02 THOR: Understood.

01:42:36:23 (BLAST)

01:42:42:24 AEGIR (V/O): The enemy ship has been destroyed.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:42:47:28 THOR: I am sorry, Teal'c.

01:42:59:00 DANIEL: I need to see the most recent message they received.

01:43:10:21 WEIR: It's unfortunate you're being recalled.

01:43:12:26 WEIR (CONT'D): I thought we were making such good progress.

01:43:15:11 CAMULUS: Your demands are ridiculous.

01:43:16:21 CAMULUS (CONT'D): We have no choice but to terminate negotiations.

01:43:19:24 WEIR: Well, give my regards to Ba'al.

01:43:38:11 DANIEL: Shut it down.

01:43:40:14 TECHNICIAN: What?

01:43:48:19 AMATERASU: What is the meaning of this?

01:43:50:28 DANIEL: The second message. They've been recalled because the System Lords have decided to test our defenses. They're sending a ship to attack Earth. It'll be here within the hour.

END OF ACT FIVE

ACT SIX

01:44:22:26 CAMULUS: We are political dignitaries. How dare you prevent us from leaving?

01:44:26:17 WEIR: Sending ships here to attack us is an act...

01:44:28:11 WEIR (CONT'D): Of war, and a foolish one at that, given what our defenses are capable of.

01:44:31:23 YU'S FIRST PRIME: My lord did not order such action.

01:44:33:19 DANIEL: Then undo it. Tell the System Lords to call the ship back.

01:44:36:24 AMATERASU: The decision they have made is one of desperation, forced upon them by your unwillingness to help. Persuading them to change course could only be done in person.

01:44:45:10 YU'S FIRST PRIME: With a full council vote.

01:44:47:09 WEIR: Even if I did believe you, all good faith is out the window at this point.
You're our prisoners. Take them...

01:44:54:21 WEIR (CONT'D O/S): Away.

01:45:13:07 PENEGAL (V/O): Greetings, Thor.

01:45:15:04 THOR: Greetings. Teal'c, this is Penegal of the Asgard High Council.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:45:21:07 PENEGAL (V/O): I regret to report that debris from the destroyed Replicator ship
could not be contained.

01:45:26:17 PENEGAL (V/O CONT'D): We were unable to prevent countless Replicator blocks
from raining down on Orilla. They have already begun replicating...

01:45:34:27 PENEGAL (V/O CONT'D): And infesting our systems. Control of the city is in jeopardy.

01:45:40:15 TEAL'C: Should you not consider evacuating your people?

01:45:42:26 PENEGAL (V/O): That is no longer possible.

01:45:45:23 THOR: There are too many. We carried numerous stored minds aboard the computers of our ships when we fled our...

01:45:52:18 THOR (CONT'D O/S): Homeworld. When Orilla was finally found...

01:45:55:17 THOR (CONT'D): We were able to place those minds into cloned bodies so that we could build our new colony.

01:46:01:08 PENEGAL (V/O): The Replicators have already infected systems needed to save those minds. If we lose this battle, they will perish along with their bodies, taking with them the hopes...

01:46:12:11 PENEGAL (V/O CONT'D): Of the Asgard race.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:46:14:18 THOR: Orilla is the last chance of ever rebuilding our empire.

01:46:18:12 TEAL'C: Then we must find a way to save it.

01:46:34:02 FEMALE TECHNICIAN: Sir, sensors have detected an alien vessel. It exited
hyperspace 14,000 kilometers out, eight degrees...

01:46:40:08 FEMALE TECHNICIAN (CONT'D O/S): Starboard.

01:46:41:10 PENDEGAST: Designation?

01:46:42:10 FEMALE TECHNICIAN (O/S): None yet, Sir.

01:46:42:28 FEMALE TECHNICIAN (CONT'D): Vessel is the size of a Goa'uld mothership.
Closing fast.

01:46:46:17 FEMALE TECHNICIAN (CONT'D O/S): Visual range in six seconds.

01:46:48:14 PENDERGAST: Hold your position. Prepare to fire.

01:46:49:24 FEMALE TECHNICIAN: Four, three...

01:46:51:13 PENDERGAST: On screen, maximum magnification.

01:46:52:20 FEMALE TECHNICIAN: Two, one.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:46:57:08 PENDERGAST: Open a channel, broadcast on all frequencies, and translate into Goa'uld.

01:47:00:19 FEMALE TECHNICIAN: Yes, Sir.

01:47:07:09 PENDERGAST: This is Colonel Lionel Pendergast of the United States Air Force...

01:47:10:24 PENDERGAST (CONT'D O/S): Prometheus. Unidentified vessel...

01:47:14:02 PENDERGAST (CONT'D): Failure to reply will constitute an act of aggression, and we will respond with the full force of our weapons.

01:47:20:28 TEAL'C (V/O): That will be unnecessary.

01:47:22:17 FEMALE TECHNICIAN: Teal'c.

01:47:24:02 TEAL'C (V/O): I offer greetings from Thor, the supreme commander of the Asgard Fleet. We are aboard the Daniel Jackson.

01:47:33:00 WEIR: I have just received word that the Asgard have arrived. They want to witness the demonstration of our new Ancient defense technology that you've forced us into.

01:47:42:21 WEIR (CONT'D): There's still time to call off the attack.

01:47:45:02 AMATERASU: We would also like to witness the demonstration.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:47:48:19 DANIEL: Your ship isn't coming. It was destroyed en route by Ba'al.

01:47:54:00 DANIEL (CONT'D O/S): The collective forces...

01:47:54:22 DANIEL (CONT'D): Of the System Lords are bowing, and you're losing the war.

01:47:59:01 YU: Then so are you.

01:48:14:01 DANIEL: Hey, guys.

01:48:15:15 THOR: Our new colony is in grave jeopardy. The Replicators escaped from the
time-dilation device and are threatening to destroy the Asgard.

01:48:24:18 DANIEL: Okay, so what can we do?

01:48:26:20 TEAL'C: Thor believes...

01:48:28:01 TEAL'C (CONT'D): The Ancient knowledge stored in O'Neill's mind may be the
key to defeating the Replicators once and for all.

01:48:32:23 DANIEL: But Jack's frozen down in Antarc--

01:48:35:03 (WHOOSH)

01:48:38:29 DANIEL (CONT'D): Tica.

01:48:47:19 As I was saying...where's Sam?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:48:50:01 TEAL'C: She was captured by the Replicators. Their ship was destroyed.

01:48:58:29 (BIRDS CHIRPING)

01:50:13:11 PETE: Hey, Sleepyhead. I didn't think you'd ever get up. It was kind of a long night, huh?

01:50:21:19 CARTER: Pete.

01:50:26:13 PETE: What's up? You okay? Is something wrong?

01:50:28:29 CARTER: Yes, everything.

01:50:30:20 PETE: What do you mean?

01:50:32:10 CARTER: This. What are you doing here? What am I doing here? Where the hell is here?

01:50:42:27 PETE: That was good. You had me, you really had me. Of course, I've been up since 5:00 feeding the pigs and the chickens.

01:50:47:15 CARTER: No, Pete, honestly, I don't...

01:50:50:13 PETE: What? You don't what?

01:50:54:25 CARTER: Think this is real.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:50:58:03 PETE: You hungry? I'm starving. Come on, we'll go inside. I'll whip you up some
pancakes.

01:51:01:26 CARTER: You don't understand.

01:51:05:11 CARTER (CONT'D): This isn't happening.

01:51:08:22 CARTER (CONT'D): The last thing I remember, I was on board a Replicator ship...

01:51:14:12 CARTER (CONT'D): And this is just another way of screwing with my mind.

01:51:17:26 PETE (O/S): Okay, here's what I know.

01:51:20:02 PETE (CONT'D): This is not SGC. It's Montana. Nothing weird happens here, not like you're used to. A year ago, you left the Stargate Program because of mental stress, and because you wanted to be with me and a farm full of really stinky animals.

01:51:33:21 PETE (CONT'D O/S): Since then, you've been seeing a shrink, because you can't seem to shake the nightmares.

01:51:39:11 PETE (CONT'D): You've had a bad one, okay? That's it.

01:52:02:15 PETE: Did that feel real?

01:52:04:18 CARTER: Yes.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:52:05:27 PETE: Then snap out of it. Okay, pancakes, or do I have to call the doctor?

01:52:16:24 CARTER: I am kind of hungry.

01:52:17:29 PETE: Good. Come on.

END OF ACT SIX

ACT SEVEN

01:52:47:11 DANIEL: What are you going to do?

01:52:48:15 THOR: I am going to merge O'Neill's mind with the ship's computer.

01:52:53:13 DANIEL: To do that, you're going to have to defrost him first, right? I bring this up
 because he was near death when we froze him.

01:52:58:04 THOR: Hopefully, the pod will sustain his life.

01:53:01:26 DANIEL: Hopefully?

01:53:03:21 THOR: What other choice do we have?

01:53:06:00 DANIEL (O/S): Well...

01:53:06:06 DANIEL (CONT'D): Can't you just save him, like the last time this happened? Just
 wipe the Ancient knowledge from his mind.

01:53:10:03 THOR (O/S): And lose any...

01:53:11:15 THOR (CONT'D): Chance of learning a means to defeat the Replicators.

01:53:14:26 DANIEL: You have no right to risk his life.

01:53:19:05 TEAL'C: I believe O'Neill would approve.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:53:21:10 DANIEL: We can't make that choice for him, no matter what's at stake.

01:53:23:02 DANIEL (CONT'D O/S): Can't you just extract the Ancient information into the
 ship's computer?

01:53:26:12 DANIEL (CONT'D): Then we can all benefit from it, maybe even learn to use
 Ancient weapons on Earth.

01:53:29:12 THOR: You cannot even begin to comprehend the extent of what was unfolding in
 O'Neill's mind.

01:53:33:15 THOR (CONT'D O/S): Our scientists long ago extracted parts...

01:53:36:27 THOR (O/S CONT'D): Of the Ancient library of knowledge...

01:53:38:22 THOR (CONT'D): And learned much from it, but we have been studying it for as
 long as I can remember, and we have barely scratched the surface.

01:53:47:12 DANIEL: So we'd be looking for a needle in a haystack.

01:53:49:14 THOR: A haystack of infinite size.

01:53:53:17 DANIEL: That's big.

01:53:56:17 THOR: I am hoping O'Neill's conscious mind can provide us with a direct conduit
 to the information...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:54:01:12 THOR (CONT'D O/S): We need.

01:54:09:19 WEIR: You requested to see me?

01:54:12:10 YU'S FIRST PRIME: You must let us go.

01:54:13:16 WEIR: I don't have to do anything at this point. If that's what--

01:54:17:14 YU'S FIRST PRIME (INTERRUPTING): If your intent is to extract information from us, you should know...

01:54:20:17 YU'S FIRST PRIME (CONT'D): I will die before I say anything, and nothing my master says can be trusted.

01:54:25:03 WEIR: Look, no one has decided what to do with you.

01:54:27:07 YU'S FIRST PRIME: Anubis was overconfident, and he still needed the bulk of his armada to keep the System Lords at bay. The fleet he used to attack Earth was small...

01:54:35:21 YU'S FIRST PRIME (CONT'D O/S): Compared to that which Ba'al will command should he defeat the System Lords.

01:54:40:02 YU'S FIRST PRIME (CONT'D): He will rule the galaxy. No weapons will be powerful enough to stop him.

01:54:45:11 WEIR: What would you have me do?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:54:48:03 YU'S FIRST PRIME: Free us to fight...or if we must...die with honor.

01:55:02:16 THOR: He is not well.

01:55:04:10 DANIEL: I told you.

01:55:05:10 THOR: The process of interfacing his mind is complex.

01:55:09:09 O'NEILL (V/O): Hello? Testing, testing, one, two...one, two, one, two, testing.
Hello?

01:55:15:11 O'NEILL (V/O CONT'D): Is this thing on?

01:55:19:00 DANIEL: Jack?

01:55:20:06 THOR: O'Neill, can you hear us?

01:55:22:04 O'NEILL (V/O): Hey. Hey, guys.

01:55:24:00 O'NEILL (V/O CONT'D): What's going on?

01:55:26:14 THOR: Your mind has been interfaced with the Daniel Jackson.

01:55:29:13 O'NEILL (V/O): What?

01:55:30:20 DANIEL: What?

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:55:32:06 TEAL'C: The name of Thor's ship is Daniel Jackson.

01:55:35:16 THOR: All the information in the ship's computer is available to you.

01:55:39:00 O'NEILL (V/O): Ah, right, here we go.

01:55:40:26 O'NEILL (V/O CONT'D): Wow, this is cool.

01:55:43:11 O'NEILL (V/O CONT'D): I can pretty much do anything I want, can't I?

01:55:50:20 THOR: O'Neill.

01:55:52:10 O'NEILL (V/O): Huh? Oh, sorry.

01:55:56:00 THOR: If you wish, you may appear to us as a hol--

01:56:01:00 O'NEILL HOLOGRAM: Damn.

01:56:04:11 DANIEL: You okay?

01:56:05:11 O'NEILL HOLOGRAM: It's a little weird, but...yeah, okay.

01:56:10:02 DANIEL: At least you're not speaking Ancient.

01:56:11:15 O'NEILL HOLOGRAM: There's that.

01:56:13:22 THOR: Actually, the computer is translating.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:56:16:01 DANIEL: Ah.

01:56:22:01 O'NEILL HOLOGRAM: I've never looked better.

01:56:23:27 THOR: There is not much time, O'Neill.

01:56:25:25 TEAL'C: Thor's planet--

01:56:26:22 O'NEILL HOLOGRAM (INTERRUPTING): I know. Ship's log.

01:56:29:25 THOR: Can you help with the Replicators?

01:56:31:26 O'NEILL HOLOGRAM: Already on it.

01:56:33:23 DANIEL: Jack...

01:56:34:16 O'NEILL HOLOGRAM: Daniel, the computer recorded the whole conversation.
 Thanks for your concern.

01:56:45:00 O'NEILL HOLOGRAM (CONT'D): Talk amongst yourselves.

01:56:59:23 WEIR: I've discussed the situation with my superiors. We've decided to let you all
 go.

01:57:08:00 CAMULUS: I must admit, that comes as a surprise.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:57:10:09 WEIR: Well, it seems we haven't had much success interrogating Goa'ulds in the past, and it was made apparent to me you're much more useful to us fighting Ba'al.

01:57:19:05 CAMULUS: Dr. Weir.

01:57:20:22 WEIR: You know my name?

01:57:28:28 CAMULUS: This may come as a surprise to you...

01:57:31:04 WEIR: Well, I'm not sure anything can surprise me at this point.

01:57:34:23 CAMULUS: I wish to request asylum.

01:57:36:22 WEIR: Well, seems I was wrong again.

01:57:38:10 CAMULUS: My fleet was destroyed before I came here, my domain among the first to fall. I have nothing left with which to fight.

01:57:48:08 CAMULUS (CONT'D O/S): The only thing waiting for me through the Stargate is shame and torture...

01:57:52:07 CAMULUS (CONT'D): So it is not true that I would be more useful to you out there. Perhaps...I could be of some use to you here.

01:58:06:25 CARTER: Thanks.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:58:09:15 CARTER (CONT'D O/S): That was great.

01:58:11:20 CARTER (CONT'D): It tasted very real.

01:58:17:18 PETE: Hey, I was thinking we could go into town tonight, have dinner, see a movie.

01:58:23:20 CARTER: Come on. You can't really expect me to just play along.

01:58:30:04 PETE (SHOUTING): I gave up my job for this. I gave up my life for you!

01:58:32:24 CARTER: See, that is definitely not Pete.

01:58:35:06 PETE: How patient do you expect me to be?

01:58:41:17 CARTER: Nothing you say is going to convince me. I know who you are. I just don't understand why.

01:58:47:01 CARTER (CONT'D O/S): What do you want from me? Why are you doing this?

01:58:59:00 FIFTH: Because I love you.

01:59:10:25 TEAL'C: What is it?

01:59:11:29 THOR: I am unsure. It seems O'Neill's mind is building something virtually, in conjunction with the ship's computer. I do not know how much longer his life can be sustained.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

01:59:24:16 DANIEL: Jack, can you hear me?

01:59:27:27 THOR: I must revive him now.

01:59:29:22 O'NEILL (V/O): Wait, not yet.

01:59:45:25 O'NEILL: Oy...what a headache.

01:59:52:00 DANIEL: Take it easy. You've been through a lot.

01:59:59:09 O'NEILL: What now?

02:00:00:11 DANIEL: Uh...what's the last thing you remember?

02:00:07:13 O'NEILL: Getting my head sucked by one of those dang...Ancient head-
 suckers...and something about twins.

02:00:27:00 O'NEILL (CONT'D): Teal'c, what's with the hair?

02:00:30:16 THOR: O'Neill.

02:00:33:15 O'NEILL: Thor.

02:00:34:17 O'NEILL (CONT'D): You got Aspirin?

02:00:36:18 THOR: You should feel better momentarily, and your memory will slowly return.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:00:44:16 O'NEILL: Teal'c, what's with the hair?

02:00:48:21 THOR (O/S): The specifications for the device....

02:00:50:09 THOR (O/S CONT'D): You created remain in the computer.

02:00:52:14 THOR (CONT'D): I believe I can synthesize it.

02:01:01:11 O'NEILL: Sweet. What is it?

02:01:04:21 DANIEL: We don't know, but you made it.

02:01:08:14 O'NEILL: No.

02:01:09:15 DANIEL: Yes.

02:01:12:15 O'NEILL: No.

02:01:13:16 DANIEL: Yes.

02:01:14:16 O'NEILL/DANIEL (SIMULTANEOUSLY): No. Yes.

02:01:15:20 THOR: You accessed the Ancient knowledge in your mind and instructed the
ship's computer to design it.

02:01:20:14 O'NEILL: Doesn't mean I know what it is.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:01:22:20 THOR (O/S): It was doubtful at best that he would remember.

02:01:24:24 THOR (CONT'D): The knowledge of the Ancients is gone.

02:01:27:01 O'NEILL: All right, let me have a look.

02:01:31:21 O'NEILL (CONT'D): Ah. Got legs. Whoa. All right. Yeah. I've got nothing.

02:02:04:20 THOR (O/S): Penegal...

02:02:05:27 THOR (CONT'D): I am relieved you are still able to communicate.

02:02:08:21 PENEGAL (V/O): It may not last long.

02:02:10:13 PENEGAL (V/O CONT'D): Were you able to procure a means of fighting the
Replicators?

02:02:13:23 THOR: Possibly. It still requires more research.

02:02:17:12 PENEGAL (V/O): You should know those...

02:02:18:16 PENEGAL (V/O CONT'D): Infesting the colony are behaving in an organized
fashion, unlike any...

02:02:22:03 PENEGAL (V/O CONT'D): Replicators we have encountered before.

02:02:24:15 THOR (O/S): Perhaps they are...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:02:25:15 THOR (CONT'D): Being controlled by a human-form leader who has yet to reveal
itself.

02:02:30:03 DANIEL: If a human-form Replicator survived, it's possible Sam survived, too, isn't
it?

02:02:34:18 THOR: It is also possible the old-version Replicators created a new human form to
lead them as before.

02:02:40:17 DANIEL: Yeah, but there's a chance. Can you scan the planet for life signs?

02:02:43:08 PENEGAL (V/O): We already have. There are none.

02:02:53:18 THOR: Penegal, can you hear me?

02:02:59:00 THOR (CONT'D): We have lost contact.

02:03:05:29 CARTER: Did you really think you could convince me that this illusion was my
life? That I would just accept it?

02:03:10:20 FIFTH: If it was something you wanted badly enough in your mind.

02:03:14:13 CARTER: Is that why you tortured me for so long? So I would want this as an
alternative?

02:03:17:24 FIFTH: No, I tortured you because I was mad.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:03:21:14 FIFTH (CONT'D): Why do you think I hated you so much for what you did to me?

02:03:26:01 FIFTH (CONT'D): From the first moment we met, when you let me inside your
mind...

02:03:34:04 FIFTH (CONT'D): I saw you like no one else ever could.

02:03:38:05 CARTER: Human emotions can be very overwhelming. The fact that you feel
anything at all is a miracle. It makes you very special.

02:03:49:10 FIFTH: I'm glad you see that.

02:03:50:14 CARTER: No. You don't understand. I could never be happy this way.

02:03:58:01 FIFTH: Then you will be unhappy...for a very long time.

END OF ACT SEVEN

02:04:45:19 AMATERASU: Make sure Camulus knows he will forever be branded a traitor and
a coward.

02:05:00:03 THOR: Most intriguing.

02:05:03:00 DANIEL: Can you make it work?

02:05:04:05 THOR: To be honest, I am still unsure of exactly what it is.

02:05:11:12 O'NEILL: Don't look at me.

02:05:16:15 AEGIR (V/O): Thor, this is commander Aegir...

02:05:18:06 AEGIR (V/O CONT'D): Of the Valhalla. We have lost contact with the colony.

02:05:22:23 THOR (O/S): Aegir, communications are down.

02:05:25:18 THOR (CONT'D): What have you to report?

02:05:27:15 AEGIR (V/O): We have...

02:05:28:03 AEGIR (V/O CONT'D): Located what appears to be the remains of a human-form
Replicator floating in...

02:05:32:13 AEGIR (V/O CONT'D): Space. It obviously...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:06:19:00 THOR (CONT'D): All Replicators are linked by a sophisticated communication system. If we can use this one to tap into their network we will...

02:06:26:21 THOR (CONT'D): Be able to see what any of the Replicators can see.

02:06:30:00 O'NEILL: And if he wakes up, is this pod going to hold him?

02:06:34:14 THOR: Probably not.

02:06:39:12 O'NEILL: Then perhaps there is no great wisdom in this.

02:06:42:25 THOR (O/S): I will transport it back...

02:06:44:03 THOR (CONT'D): Into space if necessary, but we must take the risk.

02:06:47:22 (COCKS GUN)

02:06:52:09 O'NEILL: Good.

02:07:07:28 DANIEL: What's that?

02:07:09:00 THOR: Replicator communication data. I'm searching for any references to other human forms.

02:07:18:22 CARTER: You can't just keep me here forever.

02:07:20:20 FIFTH: Yes, I can.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:07:23:00 CARTER: No matter what you do, I will never, ever participate in this fantasy.
 What?

02:07:36:28 O'NEILL: Zoom in.

02:07:43:08 DANIEL: Sam.

02:07:45:03 O'NEILL: Can you pinpoint her location?

02:07:46:22 THOR (O/S): She is within a small Replicator structure on the planet.

02:07:50:08 THOR (CONT'D): It is some distance outside the colony, near a rich vein of
 neutronium.

02:07:54:12 TEAL'C: They must be using it to create more human Replicators.

02:07:56:26 DANIEL: I thought the ship was destroyed.

02:07:58:19 THOR (O/S): At least one of the human...

02:08:00:02 THOR (CONT'D): Replicators must have separated from the main ship with Major
 Carter prior to exiting...

02:08:05:12 THOR (CONT'D O/S): Hyperspace.

02:08:19:08 O'NEILL: Beam it out.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:08:24:07 THOR: I am trying. It has made itself resistant.

02:08:29:23 THOR (CONT'D): It has breached the internal barrier and interfaced with my
ship's computer.

02:08:39:01 (GUNFIRE)

02:08:57:22 (GUNSHOT)

02:09:14:25 O'NEILL: Had to do something.

02:09:28:07 THOR (O/S): It seems to have permanently disrupted all...

02:09:30:07 THOR (CONT'D): Communication between the individual cells, rendering each
one inert. We explored such a technology in the past with no...

02:09:38:01 THOR (CONT'D O/S): Success.

02:09:39:02 O'NEILL: Great. Does that mean we can use this thing to whack the rest of those
bugs?

02:09:43:07 THOR: Even better, O'Neill.

02:09:45:14 THOR (CONT'D O/S): Now that I have seen what the device does, I may be...

02:09:49:01 THOR (O/S CONT'D): Able to modify a larger version to broadcast...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:09:52:11 THOR (CONT'D): A disruption wave over all of Orilla.

02:09:54:27 O'NEILL: All good. While you're doing that--

02:09:57:06 THOR (INTERRUPTING O/S): I cannot transport you...

02:09:58:10 THOR (CONT'D): Inside the Replicator ship on the planet. Their defenses prevent
it, but I can get you close.

02:10:03:20 O'NEILL: Close is good.

02:10:05:05 THOR: Take this...

02:10:07:07 THOR (CONT'D): So we may communicate.

02:10:48:06 (GUNSHOT)

02:10:51:26 (REPLICATORS WHIRRING)

02:10:57:08 (BLAST)

02:11:00:06 (STEADY GUNFIRE)

02:11:08:22 O'NEILL (SHOUTING): Who's your daddy?

02:11:10:16 FIFTH: Stop!

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:11:14:03 FIFTH (CONT'D): If you harm me or any more of my brethren, I assure you Major
 Carter will die instantly.

END OF ACT EIGHT

ACT NINE

02:11:47:13 THOR: O'Neill, I have successfully modified my ship to emit a massive disruption wave.

02:11:52:24 O'NEILL (V/O): Excellent. I knew you could do it.

02:11:54:27 THOR: The weapon is 50% charged. If this works, you will have saved the Asgard once again.

02:12:01:00 O'NEILL (INTO COMM): I'm real happy for you, I'm extremely proud, but we've got a little bit of a problem down here. Fifth detected our approach, and he claims he can kill Carter instantly.

02:12:11:02 THOR (V/O OVER COMM): O'Neill...

02:12:12:06 O'NEILL (INTO COMM): Hey, I know what you're going to say, her life was already sacrificed, and you've got your whole planet to worry about, but I've got problems--

02:12:18:08 DANIEL: Jack...

02:12:20:00 O'NEILL (INTO COMM): Hang on a second.

02:12:21:13 O'NEILL: What?

02:12:26:00 (REPLICATORS APPROACHING)

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:12:29:26 (WHIRRING INTENSIFIES)

02:12:36:04 DANIEL: This could be very bad.

02:12:39:08 (REPLICATORS WHIRRING)

02:13:01:02 DANIEL: What are they doing?

02:13:03:25 O'NEILL: It looks like they're running away.

02:13:07:28 O'NEILL (INTO COMM): Thor, are you ready yet?

02:13:09:09 THOR (V/O OVER COMM): What is happening, O'Neill?

02:13:11:09 O'NEILL (INTO COMM): They're retreating.

02:13:12:20 THOR (V/O OVER COMM): You must stop them, O'Neill. The weapon is not...

02:13:15:17 THOR (CONT'D): Yet ready. They cannot be allowed to escape.

02:13:22:06 O'NEILL: Come on.

02:13:32:13 CARTER (SHOUTING): I know you can hear me!

02:13:37:03 CARTER (SHOUTING CONT'D): What's happening? Fifth, where are you?

02:13:50:00 FIFTH: We must leave.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:13:51:05 CARTER: Why?

02:13:52:11 FIFTH: They have found a means to fight us.

02:13:53:22 CARTER: The Asgard? How?

02:13:55:28 FIFTH: The one you call O'Neill.

02:13:58:06 CARTER: What?

02:14:00:04 FIFTH: So many of us are left in the city. We cannot wait for them. They will be killed.

02:14:07:15 CARTER: Don't expect me to be sorry.

02:14:08:27 FIFTH: Your friends, they are killing.

02:14:12:16 (GUNFIRE)

02:14:18:12 FIFTH: Trying to stop us.

02:14:19:23 CARTER: Trying to save me.

02:14:20:28 FIFTH: No. They do not care about you. I told them...

02:14:25:22 FIFTH (CONT'D): I would kill you if they did not stop.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:14:32:07 (REPLICATORS WHIRRING)

02:14:53:14 CARTER: Then why don't you kill me?

02:14:57:22 CARTER (CONT'D): You know why my friends won't stop just to save me?

02:15:00:21 FIFTH: No.

02:15:02:22 CARTER: Because they know when it comes right down to it, I would rather be
dead than be trapped like this forever.

02:15:09:12 CARTER (CONT'D): No matter what you feel for me, I will never love you back.

02:15:14:03 CARTER (CONT'D): Kill me if you want, but if you have even one shred of
humanity in you, and you really, truly love me...you'll let me go.

02:16:02:02 THOR: O'Neill, the weapon worked. Reports from the colony say all the remaining
Replicators have been neutralized. While the ship did escape...

02:16:11:03 THOR (V/O OVER COMM): At least we have an effective means of fighting them
now.

02:16:16:12 O'NEILL (INTO COMM): Yeah, well, at least there's that.

02:16:19:11 THOR: O'Neill, I am detecting a fourth life sign in your immediate vicinity.

02:16:31:02 DANIEL (SHOUTING): Sam!

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:16:37:12 DANIEL (SHOUTING CONT'D): Sam!

02:16:38:23 O'NEILL: Carter!

02:16:42:19 DANIEL: Over here!

02:16:50:16 O'NEILL: You okay?

02:16:54:01 CARTER: Glad to see you, Sir.

02:16:55:06 O'NEILL: Likewise.

END OF ACT NINE

ACT TEN

02:17:28:23 (KNOCKS)

02:17:31:02 WEIR: Colonel, come in. How are you feeling?

02:17:35:04 O'NEILL: Not bad. I haven't had the urge to go anywhere or build anything...

02:17:39:19 O'NEILL (CONT'D O/S): Lately.

02:17:40:28 WEIR: Well, you have been given a clean bill of health as far as the finest medical professionals on this planet are concerned.

02:17:46:00 O'NEILL: Well, what do they know?

02:17:50:06 WEIR: The President asked me to extend an invitation to you...dinner at the White...

02:17:53:16 WEIR (CONT'D O/S): House.

02:17:54:16 O'NEILL: Do you know what they're having?

02:17:56:20 WEIR: I don't think I've had the chance to personally thank you yet.

02:18:00:16 O'NEILL: For what?

02:18:02:17 WEIR: You risk your life over and over and ask for nothing in return.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:18:06:22 O'NEILL: Well, don't be fooled. I'm making a list.

02:18:10:01 WEIR: Well, I doubt very much that there's anything that could properly repay you.

02:18:17:21 O'NEILL: Are you going somewhere?

02:18:19:15 WEIR: As a matter of fact, the President has asked me to supervise the research
at the Ancient outpost.

02:18:24:22 WEIR (CONT'D O/S): It's going to be a bit of a delicate situation, given all the
various...

02:18:27:22 WEIR (CONT'D): International claims already being made on the site.

02:18:30:22 O'NEILL: Sounds right up your alley.

02:18:32:13 WEIR: Yeah, well, much more so than this job.

02:18:35:21 O'NEILL: Does that mean Hammond will be coming back?

02:18:39:25 WEIR: No. General Hammond is being promoted. He'll be overseeing all things
relating to Earth's defense...

02:18:46:23 WEIR (CONT'D O/S): On behalf of the Pentagon in Washington. The SGC, the
303 Program, the Antarctic site...

02:18:52:02 WEIR (CONT'D): Unofficially, it's being called "homeworld security."

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:18:58:08 O'NEILL: Any idea who we're going to be stuck with?

02:19:02:04 WEIR: The Pentagon has convinced the President that there is one man who
could run the SGC and make it politically viable from an international
perspective, despite the fact that he is part of the American military
establishment.

02:19:13:10 O'NEILL: Do we know this...shrub?

02:19:16:27 WEIR: Well, you know him rather well. Brigadier General Jack O'Neill?

02:19:24:09 O'NEILL: Me?

02:19:25:19 WEIR: Yeah, you.

02:19:27:07 O'NEILL: Brigadier. Well, it's on my list.

02:19:34:00 WEIR: Congratulations.

02:19:36:00 O'NEILL: I should be clear. Um...I'd like the promotion, the paycheck, and the
parking spot, but I don't really want to be in charge of anything, no.

02:19:48:22 WEIR: Well, sadly, all those things kind of go together, so I guess you have some
thinking to do.

02:19:54:15 O'NEILL: I hate that.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:19:58:19 DANIEL: Maybe you should break it down into the pros and the cons.

02:20:02:14 O'NEILL: I've spent my whole life sticking it to the man.

02:20:05:04 O'NEILL (CONT'D O/S): If I do this, I'll be the man.

02:20:08:20 O'NEILL (CONT'D): I don't think I can be the man.

02:20:14:05 CARTER: You'll be inheriting a pretty big can of worms with the state of affairs out there.

02:20:18:09 TEAL'C: If Ba'al truly is on the verge of dominance over the System Lords, we face a formidable challenge...

02:20:22:17 TEAL'C (CONT'D O/S): Ahead.

02:20:23:22 CARTER (O/S): Plus, who knows where and when Fifth and the other Replicators will turn up?

02:20:27:12 DANIEL: Here on Earth, we've never been under so much scrutiny as we will be now that so many governments know about the Stargate.

02:20:32:19 O'NEILL: I've never had a desk.

02:20:36:15 DANIEL: That's a...a...

02:20:38:08 O'NEILL: Con.

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:20:39:08 DANIEL: Con.

02:20:39:19 CARTER (O/S): For the record, Sir...

02:20:41:05 CARTER (CONT'D): You do have a desk.

02:20:44:16 O'NEILL: I do?

02:20:45:17 DANIEL: On the flip side of the coin, there is the fact nobody knows how this place
should be run better than you.

02:20:50:05 O'NEILL: Why, thank you, Daniel.

02:20:52:10 DANIEL (O/S): With a little...

02:20:53:20 DANIEL (CONT'D): Guidance from your good friends and advisors, of course.

02:20:56:10 CARTER: If you don't take the job, we could end up with someone much worse.

02:21:01:19 CARTER (CONT'D): Okay. That didn't come out right.

02:21:06:00 TEAL'C: I, for one, will miss you accompanying us on our missions, O'Neill.

02:21:09:07 O'NEILL: Yeah, now, see, I'm not sure I'm ready to give that up either.

02:21:13:10 O'NEILL (CONT'D O/S): Sitting back...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:21:14:25 O'NEILL (CONT'D): Watching you guys go off and have all the fun.

02:21:16:22 DANIEL (O/S): Risking our lives in the face...

02:21:17:24 DANIEL (CONT'D): Of grave danger.

02:21:19:00 O'NEILL: Yeah, that.

02:21:20:01 CARTER (O/S): Well, I'm sure...

02:21:20:29 CARTER (CONT'D): There'll be situations in which you can accompany us in the
field, Sir.

02:21:23:19 DANIEL: You'll be in charge. You can do whatever you want.

02:21:26:20 O'NEILL: I'll be able to do whatever I want.

02:21:32:06 CARTER: Within reason...Sir.

02:21:47:00 WEIR: Although my time here has been brief, it has been, without a doubt,
indelible. I will remember every one of you...

02:21:52:20 WEIR (CONT'D O/S): And I thank you all for your hard work. I'm not one...

02:21:56:06 WEIR (CONT'D): For long goodbyes, so without further ado, it is with great
pleasure I introduce you...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:22:00:29 WEIR (CONT'D): To your new commanding officer, Brigadier General...

02:22:04:22 WEIR (CONT'D O/S): Jack O'Neill.

02:22:25:25 O'NEILL: At ease.

02:22:31:10 O'NEILL (CONT'D): You all know how much I...love speeches, so...I'll make this short.

02:22:40:04 O'NEILL (CONT'D): I wish I could say I didn't owe anything to anyone, but the truth is...

02:22:50:29 O'NEILL (CONT'D): I wouldn't be standing here if it wasn't for the courage and support of each and every one of you.

02:23:00:10 O'NEILL (CONT'D): I hope I can be as good a leader as we've had in the past...and as good as you deserve.

02:23:07:13 DANIEL: Here, here.

02:23:08:28 (APPLAUSE)

02:23:16:10 O'NEILL: The other reason I took this job...was so I could do really cool stuff like this. It is with great pride...that my first order of business as commander of this base...

STARGATE SG-1-- "NEW ORDER" -- Episode #801/#802

02:23:33:18 O'NEILL (CONT'D O/S): Is the announcement of the promotion of Major
Samantha Carter to Lieutenant Colonel.

02:23:40:08 (APPLAUSE)
