01:00:02:07 (ASTRONAUTS SPEAKING RUSSIAN)

01:00:08:26 (ASTRONAUTS SPEAKING RUSSIAN)

01:00:20:07 DANIEL: What's going on?

01:00:21:10 CARTER: It's a Russian team on the international space station.

01:00:23:27 CARTER (CONT'D): They're adjusting the orbit to avoid some debris left over
 from our little incident in Antarctica.

01:00:29:08 NATALIA: (SPEAKING RUSSIAN)

01:00:32:05 ANATOLE (V/O): (SPEAKING RUSSIAN)

STARGATE SG-1 "LOCKDOWN" Episode #801

01:03:20:28 O'NEILL: Come in.

01:03:27:20 COLONEL VASELOV: General...

01:03:27:29 COLONEL VASELOV (CONT'D O/S): O'Neill, it is an honor to meet you and, may
I say, an even greater honor...

01:03:32:02 COLONEL VASELOV (CONT'D): To finally serve under your command.

01:03:33:24 O'NEILL: Wow, that was a load.

01:03:37:26 O'NEILL (CONT'D): Who are you?

01:03:41:12 COLONEL VASELOV: I am Colonel Alexi Vaselov. Sir. I assumed you were...

01:03:45:08 COLONEL VASELOV (CONT'D O/S): Expecting my arrival.

01:03:47:06 O'NEILL: Uh...yeah, sure. Um...yeah, here's the memo...right there.

01:03:55:24 COLONEL VASELOV: I...I want you to know, Sir, that I personally requested this
transfer. After my many years of service with Russian Air Force, I...I feel
confident that I can make a positive contribution to Stargate Command.

01:04:09:05 O'NEILL: Great.

01:04:12:20 COLONEL VASELOV: If I may be so bold, Sir, I understand that with your recent
appointment as base commander...

STARGATE SG-1 "LOCKDOWN" Episode #801

01:04:18:09 COLONEL VASELOV (CONT'D O/S): A position has become available on SG-1.

01:04:21:29 COLONEL VASELOV (CONT'D): I would of course relish the opportunity to serve
on the SGC's elite team.

01:04:27:03 O'NEILL: Yes, you and everyone else on this base.

01:04:36:07 O'NEILL (CONT'D): Colonel...not going to happen.

01:04:37:29 COLONEL VASELOV: I understand your reluctance, Sir, but if you look at my
record, I think it will satisfy any of your concerns.

01:04:45:23 COLONEL VASELOV (CONT'D O/S): I have over 3,000 flight hours on more than
35 types of aircraft and prototypes.

01:04:50:08 COLONEL VASELOV (CONT'D): In addition, I have been awarded the High Order
of Russia, the Gold Star--

01:04:54:09 O'NEILL (INTERRUPTING): Yes, yes, yes, that's very impressive, very, but it's not
going to get you on SG-1.

01:05:05:00 COLONEL VASELOV: Understood. I am, of course, willing to accept a position on
a different team.

01:05:10:00 O'NEILL: Colonel, until you go through the proper training, you're not going
anywhere near that gate.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:05:20:05 COLONEL VASELOV: Perhaps I could assume a role as a non-combat observer on one of the exploration units, Sir.

01:05:24:20 O'NEILL: It was nice meeting you...very nice.

01:05:29:28 O'NEILL (CONT'D): You're dismissed.

01:05:48:01 TEAL'C: If all goes according to plan, barring any unforeseen circumstance, I will acquire possession of my apartment on Tuesday.

01:05:53:21 CARTER: Hey, congratulations.

01:05:56:14 DANIEL: So when's the, uh, apartment-warming party?

01:06:00:27 DANIEL: Uh, when someone gets a new place, it's customary for them to throw a party.

01:06:04:14 TEAL'C: Would I be required to prepare a meal?

01:06:07:19 CARTER: No, make it potluck. We'll all bring something.

01:06:09:25 TEAL'C: Very well. Next Saturday.

01:06:19:00 O'NEILL: I'm only going to say this once, Carter. At ease.

01:06:24:27 DANIEL: So how's the new job?

STARGATE SG-1 "LOCKDOWN" Episode #801

01:06:26:19 O'NEILL: Oy, one crisis after another. This morning, the mess got a shipment of Yukon Gold potatoes instead of the usual Russets.

01:06:35:05 DANIEL: No.

01:06:35:29 O'NEILL: Oh, yes. The Golds don't make for good mash. The consistency's all wrong.

01:06:43:02 CARTER: I hear the new Russian colonel came to see you, made a pitch to join...

01:06:47:08 CARTER (CONT'D O/S): SG-1.

01:06:48:21 O'NEILL: Yeah.

01:06:49:10 DANIEL: What did you say?

01:06:51:02 O'NEILL: I told them to make French fries instead.

01:06:52:17 DANIEL: About the Russian.

01:06:54:02 O'NEILL: Oh. Well, I made it clear he shouldn't expect preferential treatment, that he'd have to prove himself before I'd consider him for off-world travel.

01:07:01:26 CARTER (O/S): He is one of the most highly decorated officers in Russian military...

01:07:04:19 CARTER (CONT'D): History, and he has over 20 years flight experience.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:07:07:26 O'NEILL: And exactly no years in off-world travel. I'm not going to risk the lives of anyone under my command on a slick resume.

01:07:17:04 CARTER: How uncharacteristically cautious of you, Sir.

01:07:19:22 O'NEILL: Yes, there's that.

01:07:22:05 DANIEL: And the fact that the Russians must be pressuring you to put him on the team.

01:07:25:14 O'NEILL: Yes, there's that, too.

01:07:27:00 DANIEL: We can't exactly blame them. We haven't been making good on our promises.

01:07:30:21 O'NEILL: We gave them their own team.

01:07:32:00 DANIEL: That was two years ago. What have we done for them lately?

01:07:34:25 O'NEILL: Forget it. I'm not putting him on SG-1.

01:07:37:24 TEAL'C: Do you have someone else in mind for the position, O'Neill?

01:07:42:15 O'NEILL: No.

01:07:43:04 DANIEL: So we're sticking with the three-man team?

STARGATE SG-1 "LOCKDOWN" Episode #801

01:07:44:20 O'NEILL: Why not? It's one less decision I have to deal with.

01:07:47:17 CARTER: There's nothing in the regulations that says an SG team has to be made up of four people.

01:07:53:27 O'NEILL: There you go. Problem solved.

01:07:58:11 O'NEILL: Thank you.

01:08:29:04 (KNOCK AT DOOR)

01:08:37:25 DANIEL: Colonel Vaselov.

01:08:39:13 COLONEL VASELOV: Dr. Jackson, of course, come in. Your reputation precedes you. I'm well acquainted with your work.

01:08:49:18 DANIEL: I just wanted to come by and welcome you to the neighborhood.

01:08:52:24 COLONEL VASELOV: That's very kind of you. I only wish others were as open to my presence here.

01:08:57:21 DANIEL: Yeah, don't take General O'Neill's decision personally.

01:09:02:11 COLONEL VASELOV: It's difficult not to. Frankly, his attitude is offensive. It leads me to wonder if he knows the Cold War...

01:09:09:14 COLONEL VASELOV (CONT'D O/S): Is over.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:09:11:00 DANIEL: His attitude has nothing to do with your being Russian. He's an equal opportunity offender.

01:09:14:18 COLONEL VASELOV: And I am supposed to find this comforting?

01:09:17:18 DANIEL: Uh, he doesn't respond well to outside pressure.

01:09:21:11 COLONEL VASELOV: Our nations are supposed to be partners in...

01:09:23:23 COLONEL VASELOV (CONT'D): The Stargate program.

01:09:25:15 DANIEL: Yes, I'm well aware of the deal, Colonel. I helped broker it.

01:09:27:06 COLONEL VASELOV: Well, then, you, more than anyone, can understand our frustration.

01:09:29:26 DANIEL: Okay, what you have to realize is, um...Colonel O'Neill...General O'Neill...just assumed command of this facility, and, uh, and he's got a lot on his plate, and, quite frankly, making demands of him right now is just bad timing on the part of your government.

01:09:47:03 DANIEL (CONT'D): Colonel?

01:09:50:09 (CRASH)

01:09:51:09 DANIEL: Colonel?

STARGATE SG-1 "LOCKDOWN" Episode #801

01:10:10:28 DR. BRIGHTMAN: What happened?

01:10:12:21 DANIEL: I don't know. We were...we were just talking. All of a sudden, he just collapsed.

01:10:15:17 DR. BRIGHTMAN: All right. I know you're scheduled to go off-world. We'll take care of him.

01:10:45:28 O'NEILL: How's he doing?

01:10:47:02 DR. BRIGHTMAN: Confused. Apparently, the last thing he remembers is being in Russia. He doesn't know where he is or how he got here. He's also exhibiting...

01:10:54:23 DR. BRIGHTMAN (CONT'D): Certain physical symptoms which have me concerned. He has lesions over 40% of his body and a highly elevated white blood count, which indicates some sort of infection.

01:11:04:20 O'NEILL: Is he contagious?

01:11:05:22 DR. BRIGHTMAN: It's a distinct possibility. Sir, we need to examine everyone who's been in contact with this man.

01:11:18:08 (SWOOSH)

01:11:33:11 O'NEILL (V/O): Daniel.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:11:37:10 O'NEILL (CONT'D): Report back to the infirmary.

01:11:43:27 DANIEL: Open the gate!

01:11:46:13 DANIEL (CONT'D): Do it now!

01:11:51:01 (GUNSHOT)

01:11:52:12 (GUNSHOT)

01:11:53:03 (GUARD GASPS)

01:11:58:17 (LASER GUN SHOT)

01:11:59:13 (DANIEL GASPS)

01:12:08:09 O'NEILL: Daniel!

01:12:10:06 (GUNSHOT)

END OF ACT ONE

STARGATE SG-1 "LOCKDOWN" Episode #801**ACT TWO**

01:12:55:00 DR. BRIGHTMAN: He's lost a lot of blood, but his life is no longer in any immediate danger.

01:12:58:21 CARTER: The members of SG-11 insisted he seemed perfectly normal.

01:13:02:09 CARTER (CONT'D): Did you notice anything peculiar about him, Sir?

01:13:07:22 O'NEILL: I thought it odd he was shooting up the gate room.

01:13:10:15 TEAL'C: He reacted immediately after the gate was shut down.

01:13:12:27 DR. BRIGHTMAN: Why was he so desperate to go through?

01:13:16:23 CARTER: Does he have any of Colonel Vaselov's symptoms?

01:13:18:20 DR. BRIGHTMAN: No lesions yet, but that may just be a matter of time. He does have an elevated white blood count.

01:13:24:11 TEAL'C: Yet, Colonel Vaselov displayed no unusual behavior.

01:13:26:26 DR. BRIGHTMAN: That doesn't necessarily mean they're not suffering from the same condition.

01:13:30:11 DR. BRIGHTMAN (CONT'D O/S): If an infection reaches the brain, it can manifest itself...

STARGATE SG-1 "LOCKDOWN" Episode #801

01:13:33:04 DR. BRIGHTMAN (O/S CONT'D): In a variety of ways, from memory loss to full-blown...

01:13:35:15 DR. BRIGHTMAN (O/S CONT'D): Psychosis.

01:13:37:09 O'NEILL: You don't think it's a coincidence.

01:13:38:22 DR. BRIGHTMAN: It seems unlikely, Sir. I think there's a high probability that we have a contagion on the base.

01:13:52:09 O'NEILL: Contact all teams that are off-world. Tell them the SGC is off-limits. Have them proceed to the Alpha Site until further notice. Effective immediately, the SGC is under lockdown.

01:14:07:14 (ALARMS BLARING)

01:14:22:00 CARTER: Hi. How's Daniel?

01:14:23:26 DR. BRIGHTMAN: He's still unconscious, but he's improving. He's responding well to treatment, and his white cell count is coming down.

01:14:29:27 CARTER: What about Colonel Vaselov?

01:14:31:11 DR. BRIGHTMAN: He's not so good. We're treating him with antibiotics, but his condition is deteriorating. Until we know more about the source of the infection, there's not much else we can do.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:14:40:15 CARTER: Well, since it started with Vaselov, we can be pretty sure it didn't come through the gate.

01:14:44:00 DR. BRIGHTMAN: I'm waiting to hear back from the Russians about possible sources of the infection from their end.

01:14:48:18 CARTER: Anyone else showing symptoms?

01:14:50:09 DR. BRIGHTMAN: Not yet.

01:15:06:15 COLONEL VASELOV: How is he?

01:15:08:19 COLONEL VASELOV (CONT'D): Dr. Jackson? Dr. Brightman told me what happened.

01:15:16:05 TEAL'C: His condition is improving.

01:15:19:15 COLONEL VASELOV: Good.

01:15:20:19 TEAL'C: And your condition?

01:15:24:06 COLONEL VASELOV: Not so good...but not so bad as the time I went drinking with General Dashkewytch in Novgorod. That was worse headache.

01:15:37:10 COLONEL VASELOV: Dr. Jackson is good friend of yours, yes?

01:15:40:04 TEAL'C: Indeed, he is.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:15:43:20 TEAL'C: Despite what you are thinking, you bear no responsibility for what...

01:15:46:26 TEAL'C (CONT'D O/S): Has transpired.

01:15:50:15 COLONEL VASELOV: My presence here has resulted in the quarantine of this
entire complex.

01:15:55:03 TEAL'C: Had you remained in your homeland, you would have faced a similar
situation, only in a different setting, again, through no fault of your own.

01:16:02:18 COLONEL VASELOV: Perhaps. But at the moment, I can't be sure of anything.

01:16:11:18 TEAL'C: Has your memory not yet returned?

01:16:13:06 COLONEL VASELOV: In my dreams, I...I have begun to see flashes...glimpses of
these past few days...

01:16:22:00 COLONEL VASELOV (CONT'D O/S): Walking these halls, talking to people, and
yet...

01:16:27:10 COLONEL VASELOV (CONT'D): It's as if I'm not even here. I'm just a helpless
observer inside my own body.

01:16:42:00 DR. BRIGHTMAN: One month ago, Anatole Konstantinov fell ill after completing a
tour on the International Space Station.

01:16:48:13 CARTER: I remember. We monitored the mission.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:16:50:20 CARTER (CONT'D): We lost contact for almost 30 seconds, and we never figured out why.

01:16:53:10 DR. BRIGHTMAN: Well, I don't know if they're connected, but he died less than a week later in a Moscow hospital. Now, officially, the cause of death was renal failure, but, unofficially, the Russian authorities haven't a clue what killed him.

01:17:05:22 CARTER: You think it might be our mystery disease?

01:17:07:13 DR. BRIGHTMAN: Among the symptoms he exhibited were memory loss, skin lesions, and a highly elevated white blood count.

01:17:12:27 TEAL'C: Is there any connection to Colonel Vaselov?

01:17:15:07 DR. BRIGHTMAN: Apparently, Vaselov visited Konstantinov in the hospital just before he died. They were old friends. They served together in the Russian Air Force.

01:17:21:19 CARTER: Why didn't they tell us this?

01:17:23:09 DR. BRIGHTMAN: The Russians determined that Konstantinov's condition wasn't contagious. He came into contact with many people between the time he returned to Earth and the time he checked into the hospital, but no one else ever showed any signs of being infected.

01:17:34:13 CARTER: Makes it an oddly selective disease.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:17:37:21 TEAL'C (O/S): Perhaps we are not dealing with a disease at all.

01:17:39:25 TEAL'C (CONT'D): Colonel Vaselov possessed only vague, random memories of his time at Stargate Command, and yet, the instances he could recall, he described himself as a mere observer to the actions of his body.

01:17:48:29 DR. BRIGHTMAN: Like being host to a symbiote.

01:17:50:22 CARTER: Yeah, but tests ruled out the possibility of a Goa'uld.

01:17:53:12 DR. BRIGHTMAN: Could we be looking at some other form of alien possession?

01:17:56:06 CARTER: Yeah, it's possible. An entity capable of moving from individual to individual. It might explain some of the inconsistencies.

01:18:03:14 DR. BRIGHTMAN: If that's true, it could be in anyone right now.

01:18:07:17 (PHONE RINGS)

01:18:13:26 DR. BRIGHTMAN (INTO PHONE): Hello. I'll be right there.

01:18:17:20 DR. BRIGHTMAN: Daniel's awake.

01:18:23:20 DANIEL (O/S): Anyone want to please tell me what the hell...

01:18:25:00 DANIEL (CONT'D): Is going on?

STARGATE SG-1 "LOCKDOWN" Episode #801

01:18:26:00 DR. BRIGHTMAN: You're recovering from a gunshot wound.

01:18:27:25 DANIEL: What?

01:18:28:16 TEAL'C: You have no recollection of the incident?

01:18:31:18 DANIEL: No. Who shot me?

01:18:33:01 O'NEILL: Don't...change the subject. What do you remember?

01:18:38:15 DANIEL: I...I went to see Colonel Vaselov, and right in the middle of our conversation, he collapsed, and...I went to help him, and...that's it.

01:18:46:21 CARTER: You don't remember accompanying him to the infirmary?

01:18:49:06 DANIEL: No. Who shot me?

01:19:05:01 O'NEILL: You were shooting up the gate room.

01:19:07:16 CARTER (O/S): You wounded...

01:19:08:03 CARTER (O/S CONT'D): Two guards. We think...

01:19:10:03 CARTER (CONT'D): We may be dealing with a foothold situation, specifically an alien entity capable of taking over human hosts, not unlike the Goa'uld...

01:19:16:28 CARTER (CONT'D O/S): And it seems to be able to travel from person to person.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:19:20:23 TEAL'C (O/S): Although...

01:19:21:19 TEAL'C (CONT'D): At present, we have no knowledge of how this is possible.

01:19:29:17 CARTER: Daniel?

01:19:35:18 DANIEL: Anubis.

01:19:37:21 TEAL'C: Daniel Jackson?

01:19:39:02 DANIEL: I was Anubis.

01:19:46:15 DANIEL (CONT'D): Or rather, uh, Anubis was controlling me.

01:19:48:28 O'NEILL: Anubis is dead.

01:19:50:26 DANIEL: No, he's not. And he's here in the base.

END OF ACT TWO

ACT THREE

01:20:15:27 O'NEILL (V/O): You'd think getting blasted out of orbit would've slowed the guy down.

01:20:20:11 TEAL'C (V/O): According to Daniel Jackson, Anubis...

01:20:21:25 TEAL'C (CONT'D): Surrendered his mortal form when he was ascended, only to be cast down by the Ancients. As a result, he exists purely as an immaterial being.

01:20:30:11 CARTER: See, in the past, when we encountered Anubis, the physical form we were seeing was actually a force shield designed to contain his essence. When it was destroyed, that essence was released.

01:20:40:12 TEAL'C: Anubis was trapped in Earth's orbit, inhabiting debris from his ship, millions of light years away from his power base.

01:20:45:29 O'NEILL: So he hitched a ride on a cosmonaut?

01:20:48:00 CARTER (O/S): Yes, Sir...

01:20:49:24 CARTER (CONT'D): And then abandoned him for Colonel Vaselov.

01:20:51:28 TEAL'C: No doubt attempting to escape through our gate.

01:20:54:04 O'NEILL: Why doesn't he just use his...freaky super-cosmic powers and just...go?

STARGATE SG-1 "LOCKDOWN" Episode #801

01:22:06:15 CARTER: Yeah, that's the theory.

01:22:09:11 DANIEL: What about Vaselov?

01:22:11:26 CARTER: Well...

01:22:16:16 CARTER (CONT'D): His is a more extreme case. He was exposed for over a week. That's why his symptoms are more advanced.

01:22:20:27 DANIEL: You mean, with the lesions and the...

01:22:25:21 CARTER: Yeah, it's actually more than that.

01:22:28:23 CARTER (CONT'D): His entire immune system was affected.

01:22:31:00 DANIEL: But Anubis is out of him. He should start getting better, right?

01:22:37:13 DANIEL (CONT'D): Sam.

01:22:41:00 CARTER: Dr. Brightman says he's not responding.

01:22:42:22 CARTER (CONT'D O/S): She thinks the exposure may have simply gone on for too long.

01:22:45:28 CARTER (CONT'D): The damage is done.

01:22:47:12 DANIEL: There must be something we can do for him.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:22:49:07 CARTER: We can help manage the pain. That's about it.

01:23:07:00 O'NEILL (O/S INTO PHONE): I said the situation was contained. I did not say...

01:23:09:26 O'NEILL (INTO PHONE CONT'D): It was resolved. No, I can't do that. Command will stay under lockdown until I decide otherwise.

01:23:21:10 O'NEILL (INTO PHONE CONT'D): Yes, Sir, it is my call.

01:23:24:08 O'NEILL (INTO PHONE CONT'D): Yes, Sir.

01:23:29:06 O'NEILL: The Pentagon is getting a little antsy.

01:23:31:28 DR. BRIGHTMAN: They're not the only ones. You've got a bunch of very anxious people out there.

01:23:35:19 O'NEILL: Yeah, I'll bet. What can I do for you, Doctor?

01:23:41:10 DR. BRIGHTMAN: It's concerning Colonel Vaselov. His condition hasn't improved, and he's not responding to treatment. Unless circumstances change, I'd give him a week...

01:23:48:28 DR. BRIGHTMAN (CONT'D): Two weeks tops.

01:23:52:16 O'NEILL: I'll inform the Russians.

01:23:54:04 DR. BRIGHTMAN: Thank you, Sir.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:24:05:10 COLONEL VASELOV: Dr. Jackson?

01:24:06:14 DANIEL: Oh, Alexi, sorry, I didn't mean to disturb you.

01:24:09:16 COLONEL VASELOV: No, no, I'm glad to see you are up and about. Are you
being discharged?

01:24:15:14 DANIEL: Yeah, Dr. Brightman caught me stealing Jell-o from the other patients'
trays, so she kicked me out of here.

01:24:24:00 COLONEL VASELOV: Doctor...I wonder if you could do me a favor. I have a sister
in Bryansk.

01:24:39:00 COLONEL VASELOV (CONT'D O/S): When the lockdown has ended...

01:24:41:20 COLONEL VASELOV (CONT'D): Could you see that she gets this?

01:24:43:21 DANIEL: Alexi...

01:24:45:09 COLONEL VASELOV: The nurses have been careful not to say anything. That is
always a bad sign.

01:24:53:09 COLONEL VASELOV (CONT'D): Please.

01:25:01:29 COLONEL VASELOV (CONT'D): You know, in Russia, we have a saying.

01:25:08:15 COLONEL VASELOV: (SPEAKING RUSSIAN)

STARGATE SG-1 "LOCKDOWN" Episode #801

01:25:08:19 COLONEL VASELOV (CONT'D O/S): (SPEAKING RUSSIAN)

01:25:12:07 COLONEL VASELOV (CONT'D): "The cord may curl long, but an end will appear." That holds true for everything in this world, myself included. I accept this.

01:25:27:21 DANIEL: (SPEAKING RUSSIAN)

01:25:32:24 COLONEL VASELOV: In the kingdom of hope, there is no winter.

01:25:39:06 DANIEL: I prefer that one.

01:25:40:24 COLONEL VASELOV: *Da*. It's a nice saying.

01:25:46:18 DANIEL: I'll come see you.

01:26:02:26 LIEUTENANT EVANS: His pulse is weak.

01:26:03:27 DR. BRIGHTMAN: He's lost a lot of blood. Dr. Jackson, can you hear me?

01:26:21:17 COLONEL VASELOV: Dr. Jackson?

01:26:24:21 DANIEL: Lieutenant Evans. He's in Lieutenant Evans.

01:26:34:24 (CRASH)

STARGATE SG-1 "LOCKDOWN" Episode #801

01:26:39:15 LIEUTENANT EVANS: I was examined by Dr. Brightman a couple of hours ago.
She said I was fine.

01:26:44:21 CARTER: It's possible you haven't started manifesting signs yet.

01:26:47:15 LIEUTENANT EVANS (V/O): Colonel, I would know. If something like that
happened to me...

01:26:52:04 LIEUTENANT EVANS (V/O CONT'D): I would know. I'm not lying.

01:26:55:13 CARTER: Lieutenant, tell me what you did Tuesday afternoon.

01:26:58:23 LIEUTENANT EVANS: I don't understand.

01:27:00:27 CARTER: Just tell me.

01:27:05:16 CARTER: Lieutenant?

01:27:07:27 LIEUTENANT EVANS: I don't know.

01:27:10:10 CARTER: You don't know?

01:27:14:20 LIEUTENANT EVANS: I can't remember.

01:27:20:20 TEAL'C: O'Neill, I have been informed that Airman Malcolm McCaffrey has missed
his scheduled appointment at the infirmary. He remains unaccounted for.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:27:32:19 O'NEILL: Carter.

01:28:05:05 MAJOR KEARNEY (V/O OVER RADIO): General O'Neill.

01:28:07:08 O'NEILL (INTO RADIO): Yeah. O'Neill here. Go.

01:28:08:12 MAJOR KEARNEY (INTO RADIO): This is Major Kearney. I've got a wounded man here who claims he was jumped by Airman McCaffrey. We think he's headed for the control room.

01:28:15:03 MAJOR KEARNEY (CONT'D V/O OVER RADIO): Advise caution, General. The target is armed.

01:28:18:28 O'NEILL (INTO RADIO): On our way.

01:28:26:15 (LASER GUN SHOT)

01:28:34:18 MCCAFFREY (O/S): Dial the gate.

01:28:36:20 (LASER GUN SHOT)

END OF ACT THREE

STARGATE SG-1 "LOCKDOWN" Episode #801**ACT FOUR**

01:29:34:24 (KNOCK)

01:29:36:00 DANIEL: Mind if I come in?

01:29:38:00 O'NEILL (O/S): You're not supposed to be walking around.

01:29:41:00 DANIEL: It's my arm.

01:29:44:02 O'NEILL: You were shot.

01:29:45:22 DANIEL: I know. You shot me.

01:29:47:15 O'NEILL: Not the point.

01:29:50:15 DANIEL: Look, I heard what happened. Anubis is still here.

01:29:53:14 O'NEILL: Daniel, he can pass through walls. He's welcome to leave the base at
any time.

01:29:58:26 DANIEL: He has to go through the Stargate. Otherwise, he's trapped on Earth.

01:30:02:09 O'NEILL: Yeah. Well, there's not much we can do. We can't kill him.

01:30:06:03 DANIEL: No.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:30:06:22 O'NEILL: We can't catch him.

01:30:07:14 DANIEL: No.

01:30:08:04 O'NEILL: So...

01:30:09:20 DANIEL: We let the Ancients deal with him.

01:30:11:07 O'NEILL: Yes, because they've always been so helpful.

01:30:14:15 DANIEL: If he uses his powers as ascended being, he's breaking the rules. They will take action. Ow. We just have to take away his other options.

01:30:24:06 O'NEILL: Uh-huh. I assume you have a plan.

01:30:34:22 DANIEL: Anubis has now made two attempts to get through the gate.

01:30:38:02 DANIEL (CONT'D O/S): Now, in both instances, we were able to stop him, but there's no guarantee we'll be so lucky the next time.

01:30:43:01 DANIEL (CONT'D): We have to take steps to make it as difficult as possible for him to access the Stargate.

01:30:46:20 CARTER: To that end...

01:30:47:26 CARTER (CONT'D O/S): We're proposing a division of the facility into three separate sections designated Zones One, Two...

STARGATE SG-1 "LOCKDOWN" Episode #801

01:30:53:11 CARTER (O/S CONT'D): And Three. Power to the gate has been shut off and will no longer be accessible...

01:30:56:24 CARTER (CONT'D): From the control room. Instead, it can now only be re-established from a relay center located here in Zone One. The control room...

01:31:05:03 CARTER (CONT'D O/S): Gate room, and surrounding areas have been designated Zone Two. Intermediate...

01:31:09:26 CARTER (CONT'D): Corridors linking the two zones will be sealed. Corridors linking directly to the gate room will also be sealed.

01:31:15:11 CARTER (CONT'D): The only means of unsealing these corridors will be from a security control center located here in the section designated Zone Three.

01:31:23:03 DANIEL: All personnel will be restricted to one of these three zones. Our standing food and medical supplies will be divided amongst the three sections. Dr. Brightman's team will be split into three units and continue monitoring personnel through daily physical examinations. Now, no one, not even General O'Neill...

01:31:36:02 DANIEL (CONT'D O/S): Will be permitted access to a neighboring zone until lockdown ends.

01:31:39:11 CARTER: Any questions so far?

STARGATE SG-1 "LOCKDOWN" Episode #801

01:31:45:00 MAJOR KEARNEY: With all due respect, Colonel, given everything we know about Anubis, do you really think this is going to stop him?

01:31:52:09 DANIEL: The point is to make it impossible for him to get through the gate in the body of any one person. Now, when he realizes he can't get out that way, he'll have no choice but to risk revealing himself to the Ancients.

01:32:20:14 (GATES SHUT DOWN)

01:32:40:20 ZONE #1 GUARD (V/O): Zone One secure.

01:32:48:29 CARTER (INTO RADIO): Zone Three secure.

01:32:54:04 O'NEILL (INTO RADIO): Zone Two secure. Good luck.

01:33:32:28 (PHONE RINGS)

01:33:36:00 O'NEILL (INTO PHONE): O'Neill. Yes, Mr. President. Yes, Sir, six days without...

01:33:43:21 O'NEILL (INTO PHONE CONT'D): Incident. Yes, all SGC personnel present and accounted for.

01:33:48:21 O'NEILL (INTO PHONE CONT'D O/S): No, no one has shown any physical symptom, Sir, but that doesn't mean...

01:33:53:10 O'NEILL (INTO PHONE CONT'D): Anubis is gone.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:33:56:13 O'NEILL (WHISPERING): It's the President.

01:34:02:05 O'NEILL (INTO PHONE): Well, yes, Sir, of course, I understand the importance of the program, but I would be...

01:34:09:12 O'NEILL (INTO PHONE CONT'D): I understand, Sir. Hello?

01:34:22:10 O'NEILL: I've got 24 hours to re-establish "normal gate operations."

01:34:25:18 TEAL'C: It was unreasonable to assume the lockdown could be maintained indefinitely.

01:34:32:10 O'NEILL: Yeah, I suppose.

01:34:39:14 O'NEILL (V/O): Attention, all personnel. This is General O'Neill.

01:34:46:20 O'NEILL (V/O CONT'D): I know the current situation has been tough on all of you. You've been cut off...

01:34:50:23 O'NEILL (V/O CONT'D): From your families, your homes. You're wondering how much longer this can go on...

01:34:57:02 O'NEILL (V/O CONT'D): But the fact is there's a threat on this base that cannot be allowed to escape.

01:35:03:25 O'NEILL (V/O CONT'D): Knowing that, the President has authorized me to maintain this lockdown indefinitely.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:35:12:06 O'NEILL (CONT'D): We've only got food enough for another month, so we'll find a secure way to bring supplies down from the surface. In the meantime, I suggest you all get comfortable. We're not going anywhere.

01:35:47:08 CARTER: I need to run a diagnostic.

01:36:12:28 (LASER GUN SHOTS)

01:36:36:29 DANIEL: Hey, Sam.

01:36:37:29 (LASER GUN SHOT)

01:36:38:10 (DANIEL YELLS)

01:36:47:10 (LASER GUN SHOT)

01:37:37:04 DANIEL (INTO RADIO): Teal'c, this is Daniel.

01:37:39:03 TEAL'C (INTO RADIO): Proceed, Daniel Jackson.

01:37:41:23 DANIEL (INTO RADIO): Anubis has got Sam. She's headed your way.

01:37:47:00 TEAL'C (INTO RADIO): Understood.

01:38:17:03 (ALARMS BLARING)

01:38:29:00 (LASER GUN SHOT)

01:38:33:09 (LASER GUN SHOT)

01:38:55:18 DANIEL (INTO RADIO): Jack.

01:38:56:18 O'NEILL (V/O OVER RADIO): Go ahead.

01:38:58:12 DANIEL (INTO RADIO): Anubis tampered with the security system. He set up a sequence of timed commands. We're trying to override, but we're not having much luck.

01:39:04:25 O'NEILL (INTO RADIO): Keep me posted.

01:39:11:01 O'NEILL: Keep an eye on them. Kearney, you're with me.

01:39:20:20 MAJOR KEARNEY: General.

01:39:22:11 O'NEILL: Major.

01:39:27:00 MAJOR KEARNEY: Sir?

01:39:30:00 O'NEILL: Ready your key.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:39:36:19 O'NEILL (CONT'D): Major, base security is being compromised. Ready your key.
That's an order.

01:39:45:09 MAJOR KEARNEY: Yes, Sir.

01:39:54:00 O'NEILL: Counting down from three...

01:39:57:02 O'NEILL (CONT'D O/S): Two...

01:39:58:29 O'NEILL (CONT'D): One. Turn.

01:40:03:20 TECHNICIAN (V/O): Five minutes until self-destruct. Five minutes until self-destruct.

01:40:17:20 O'NEILL: You did good, son.

01:40:18:20 (LASER GUN SHOT)

01:40:26:04 TECHNICIAN (V/O): Four minutes until self-destruct. Four minutes until self-destruct.

01:40:39:22 DANIEL (O/S): Sir.

01:40:40:29 TEAL'C: Go no further.

01:40:43:10 CARTER: Teal'c, you have to give me access to the base computer. Someone activated the self-destruct. Let me shut it down.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:40:48:28 TEAL'C: You are infected.

01:40:50:13 CARTER: I was infected. Anubis left me for someone else.

01:40:53:20 TEAL'C: Of this, I cannot be certain.

01:40:56:02 CARTER: Teal'c, I'm not Anubis. It's me, Carter.

01:40:59:25 TECHNICIAN (V/O): Three minutes until self-destruct.

01:41:02:07 CARTER: Teal'c, please.

01:41:09:14 TEAL'C: Very well.

01:41:24:19 COMPUTER VOICE (V/O): Self-destruct aborted.

01:41:26:20 COMPUTER VOICE (V/O CONT'D): Self-destruct aborted.

01:41:29:17 TEAL'C: Well done.

01:41:44:21 CARTER: Someone's activated the gate.

01:41:54:10 DANIEL (INTO RADIO): Teal'c, this is Daniel. I think Anubis is headed for the gate
 room.

01:41:58:07 TEAL'C (INTO RADIO): Understood.

STARGATE SG-1 "LOCKDOWN" Episode #801

01:41:59:20 CARTER: I'll see if I can override the dialing sequence.

01:42:07:22 TEAL'C: O'Neill.

01:42:15:04 (COLONEL VASELOV SCREAMS)

01:42:21:08 O'NEILL: Stand aside.

01:42:22:21 COLONEL VASELOV: *Nyet.*

01:42:31:21 COLONEL VASELOV: You need a body to go through the gate. Take mine.

01:42:38:14 COLONEL VASELOV (CONT'D): Take mine, or I'll kill us both.

01:43:21:03 CARTER: General.

01:43:22:05 O'NEILL: I'm okay...ish. Oh, wait. He got through, didn't he?

01:43:34:11 CARTER: Sort of. I was able to override the established dialing sequence and
input an alternate address. I sent him to KS7 535 instead.

01:43:49:29 O'NEILL: Chilly.
