STARGATE SG-1 "ZERO HOUR" Episode #805

TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

RECAP

01:00:01:12	TEAL'C (V/O): Previously on <i>Stargate SG-1</i> ...
01:00:02:22	BA'AL: I am Ba'al.
01:00:04:25	O'NEILL: As in "Bocce"?
01:00:06:22	(O'NEILL SCREAMS)
01:00:08:02	DANIEL: The city we've been looking for is under the ice of Antarctica.
01:00:10:07	CARTER: We came all this way just to find out that we have to go all the way back?
01:00:13:18	O'NEILL: No.
01:00:16:15	CARTER (FILTERED THROUGH HEADSET): Power source.
01:00:18:05	AMATERASU (O/S): This ancient weapon...
01:00:20:07	AMATERASU (CONT'D): such an advanced piece of technology.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:00:22:06 AMATERASU (CONT'D O/S): The power requirements must be enormous.

01:00:24:26 CAMULUS: I wish to request asylum.

01:00:26:21 CAMULUS (CONT'D O/S): My fleet was destroyed before I came here.

01:00:28:28 CAMULUS (CONT'D): Perhaps I could be of some use to you here.

01:00:32:27 WEIR: General Hammond is being promoted.

01:00:35:07 O'NEILL: Any idea who we're going to be stuck with?

01:00:37:06 WEIR: Brigadier General Jack O'Neill.

01:00:39:28 O'NEILL: I spent my whole life sticking it...

01:00:41:15 O'NEILL (CONT'D O/S): to the man.

01:00:43:18 O'NEILL (CONT'D): I don't think I can be the man.

END OF RECAP

STARGATE SG-1 "ZERO HOUR" Episode #805**TEASER**

01:00:51:02 TECHNICIAN: Morning, sir.

01:00:53:05 O'NEILL: Walter.

01:00:54:05 TECHNICIAN: At 0730 this morning, SG-8 made scheduled contact from P6J-908.
They requested permission to bring an alien life-form back to the base
for further study. Sir, it's just a plant. Your 0830 debriefing is SG-2,
regarding their recent mission to P8F-809. The folder's on your desk
along with the personnel files you have yet to review.

01:01:13:23 O'NEILL: How many do I have left?

01:01:16:15 TECHNICIAN: All of them.

01:01:19:15 O'NEILL: Right.

01:01:22:17 TECHNICIAN: Colonel Rudnell has asked me to show you some bunting samples,
and Captain Corrigan is still awaiting approval on the buffet menu.

01:01:29:27 O'NEILL: Bunting?

01:01:32:00 O'NEILL (CONT'D): John.

01:01:32:23 PRIOR: General.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:01:34:05 O'NEILL (O/S): You are aware of the fact...

01:01:35:10 O'NEILL (CONT'D): that this is the most secure military facility on the face of the planet.

01:01:39:23 PRIOR: Well, actually, sir, there are still a number of issues to be resolved.

01:01:42:29 TECHNICIAN: 1000 hours, sir.

01:01:45:25 O'NEILL: Thank you.

01:01:56:10 O'NEILL: Walter--

01:01:57:05 TECHNICIAN: Sorry, sir. General O'Neill, Mark Gilmor.

01:02:00:15 TECHNICIAN (CONT'D O/S): He's your new administrative aide.

01:02:02:05 GILMOR: General.

01:02:03:05 O'NEILL Did I order—

01:02:04:00 TECHNICIAN (INTERUPTING): No, sir.

01:02:04:25 O'NEILL: Do I really need—

01:02:05:10 TECHNICIAN (INTERUPTING): Yes, sir.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:02:07:25 O'NEILL: Civilian?

01:02:08:21 GILMOR: I've been an analyst at the C.I.A. for the last eight years. Mostly
background checks, but I did have top-level clearance.

01:02:15:16 TECHNICIAN: He was assigned by General Hammond.

01:02:17:18 O'NEILL: Ah, well, in that case...welcome aboard.

01:02:27:10 O'NEILL (CONT'D): How about if I give you a tour around?

01:02:28:29 GILMOR: Ah, had one, sir.

01:02:30:11 O'NEILL: Dang.

01:02:31:12 GILMOR (O/S): Very exciting to finally see it all...

01:02:33:01 GILMOR (CONT'D): in action.

01:02:34:02 O'NEILL: Mm.

01:02:34:20 TECHNICIAN: General, your 0830.

01:02:37:15 O'NEILL: Yes. You're here to assist me, right?

01:02:42:09 O'NEILL (CONT'D O/S): How about if you--

STARGATE SG-1 "ZERO HOUR" Episode #805

01:02:43:11 TECHNICIAN: Sir, sir, sir. You really need to read the file yourself. Yeah. Yeah.

01:02:49:24 O'NEILL: Thank you, Walter.

01:02:56:07 O'NEILL (CONT'D): Does Mr. Gilmor have--

01:02:57:22 TECHNICIAN (INTERUPTING): Follow me.

01:03:04:15 GILMOR: He's not like other generals.

01:03:06:11 TECHNICIAN: Actually, he's not like other people.

01:03:09:23 GILMOR: Ah. I take it...

01:03:11:27 GILMOR (CONT'D): I've got some catching up to do.

01:03:13:23 TECHNICIAN: Yeah, and those are just the files pertinent to today's agenda, so...

01:03:17:19 GILMOR: I'd better get started.

01:03:21:03 TECHNICIAN: I can't tell you how happy we all are to have you here.

01:03:25:16 GILMOR: Thank you, Sergeant.

01:03:27:09 TECHNICIAN: Really, really happy.

01:03:30:22 GILMOR: Thank you, Sergeant.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:03:42:27 GILMOR (INTO PHONE): I'm in position.

01:03:46:07 GILMOR (CONT'D INTO PHONE): No, sir, he does not suspect a thing.

END OF TEASER

STARGATE SG-1 "ZERO HOUR" Episode #805**ACT ONE**

01:05:10:20 O'NEILL: Nothing in peridot?

01:05:11:13 TECHNICIAN (O/S): Well, traditionally, sir...

01:05:12:22 TECHNICIAN (CONT'D): this type of event calls for red, white, and blue.

01:05:15:08 (KNOCKING)

01:05:15:18 GILMOR (O/S): Excuse me, sir.

01:05:16:18 GILMOR (CONT'D): General Hammond is on the phone from the Pentagon, and
SG-1 is here for the 1300 briefing.

01:05:21:16 O'NEILL: Thank you.

01:05:27:21 O'NEILL (CONT'D): Walter, I just don't have the decorating gene. Would you
mind?

01:05:31:10 TECHNICIAN: Yes, sir.

01:05:35:16 O'NEILL: Sir? General, how are you? Uh, yeah. I know, sir, but every time I open
my mouth to say "George," "General" comes out.

01:06:04:14 O'NEILL: Hey.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:06:05:14 CARTER (O/S): General.

01:06:06:14 O'NEILL: Colonel. You've all met?

01:06:08:23 DANIEL: Yes, actually, we know each other's life stories.

01:06:10:21 O'NEILL: Is that snippiness?

01:06:11:29 DANIEL: Is that a word?

01:06:14:05 O'NEILL: What do you got?

01:06:15:04 DANIEL (O/S): A gate address of a planet...

01:06:16:15 DANEIL (CONT'D): formerly in Anubis' domain that, apparently, Ba'al hasn't
discovered yet.

01:06:19:04 CARTER (O/S): We believe it may be home to an abandoned base.

01:06:21:20 O'NEILL (O/S): And just chock-full...

01:06:22:23 O'NEILL (CONT'D): of abandoned weapons?

01:06:23:28 DANIEL: One can hope.

01:06:25:15 TEAL'C (O/S): This device was procured...

STARGATE SG-1 "ZERO HOUR" Episode #805

01:06:26:23 TEAL'C (CONT'D): from Jaffa formerly loyal to Anubis. It should allow us access to the base.

01:06:34:00 O'NEILL: When's the next opening?

01:06:37:25 GILMOR: 0800 tomorrow morning.

01:06:39:04 CARTER: Tomorrow?

01:06:40:25 O'NEILL: I've got 14 teams out there.

01:06:43:27 CARTER: I'm sorry, operations protocol?

01:06:45:29 O'NEILL: Is it?

01:06:47:20 CARTER: Sir, the MALP showed no indication of any Goa'uld activity.

01:06:50:03 O'NEILL: I still want SG-3 to cover your flanks.

01:06:53:15 CARTER: It's just recon.

01:06:54:13 O'NEILL: All the more reason you can wait another day.

01:06:56:04 (STARGATE OPENING O/S)

01:06:58:05 TECHNICIAN (OVER SPEAKER): Incoming wormhole.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:07:00:25 GILMOR: SG-5 and the representatives from Amra to discuss...

01:07:03:10 GILMOR (CONT'D O/S): the pending trade agreement.

01:07:04:19 O'NEILL: Oy. Love to stay and chat...

01:07:08:09 DANIEL: Jack, if those rebel Jaffa know about it, it's only a matter of time before
Ba'al knows about it.

01:07:13:02 O'NEILL: One day, Daniel. One day.

01:07:32:19 DANIEL: Here comes one negotiation I'm glad I'm not part of.

01:07:39:00 O'NEILL: It's a plant.

01:07:40:12 LEE (O/S): Exactly. 20 minutes ago...

01:07:43:14 LEE (CONT'D): it was a seed.

01:07:45:17 GILMOR (O/S): Excuse me, sir. If you don't...

01:07:47:14 GILMOR (CONT'D): mind my asking, is it really wise to be bringing alien life-forms
through the gate?

01:07:54:29 O'NEILL: It's a plant.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:07:56:11 LEE: Yeah, and besides, offworld teams follow strict safety protocols in
determining what to bring back to Earth. You know, if humankind...

01:08:03:24 LEE (CONT'D O/S): is going to benefit from what we find out there, we have to be
able...

01:08:07:08 LEE (CONT'D): to study it in controlled situations.

01:08:11:11 O'NEILL: It's a plant.

01:08:12:17 LEE: I know, I know, and I know...

01:08:14:17 LEE (CONT'D O/S): our mandate is to seek out new weapons and technology...

01:08:17:08 LEE (CONT'D): to defend the planet from our enemies, but...wouldn't it be cool...

01:08:21:22 LEE (CONT'D O/S): if we could exploit the wonders of the galaxy for other
beneficial purposes like...

01:08:25:06 LEE (CONT'D): curing disease, or, well, in this case...possibly solving world
hunger?

01:08:35:02 O'NEILL: Speaking of which.

01:08:37:00 (TELEPHONE RINGING)

01:08:39:21 LEE (INTO PHONE): Dr. Lee speaking.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:08:42:23 LEE (CONT'D): General! They want you in the briefing room.

01:08:48:05 DANIEL: Hey, you want to get some lunch?

01:08:49:16 CARTER: No, I'm fine.

01:08:50:25 DANIEL: You just going to sit in here all day and, uh...

01:08:53:09 CARTER: I'm not sulking.

01:08:54:07 DANIEL: Working. I was going to say "working".

01:08:56:27 TEAL'C: O'Neill merely believes that--

01:08:58:23 CARTER: Guys, I'm fine.

01:09:00:16 DANIEL: You know, you can't really blame him for wanting to send backup. I'm
sure it has nothing to do with--

01:09:03:00 CARTER (O/S): I understand.

01:09:04:00 CARTER (CONT'D): He's just being cautious.

01:09:11:00 CARTER (CONT'D): Thanks, guys.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:09:22:27 DAVIS: General, if I might have a moment with you, we're completely stalled. The Amrans can't agree with each other, let alone us. They're like bickering children.

01:09:32:23 O'NEILL: Maybe they need a timeout.

01:09:37:01 AMRA DELEGATE #1: The Plains of Goran are sacred ground.

01:09:40:04 AMRA DELEGATE #2: To the plainsmen.

01:09:41:21 AMRA DELEGATE #1: I am a plainsman.

01:09:45:01 AMRA DELEGATE #2: I know.

01:09:46:03 AMRA DELEGATE #1: I take offense at that.

01:09:47:28 AMRA DELEGATE #2: A fence, now there's an idea.

01:09:50:08 O'NEILL: Hi, folks.

01:09:52:00 AMRA DELEGATE #1: General, I think it would be best--

01:09:53:04 O'NEILL: What do you say we take a little break? All this negotiating, it's just exhausting, and you've been at it a whole...hour already.

01:10:04:05 O'NEILL (CONT'D O/S): We've prepared special...

STARGATE SG-1 "ZERO HOUR" Episode #805

01:10:05:09 O'NEILL (CONT'D): quarters for you. You can relax...

01:10:07:20 O'NEILL (CONT'D O/S): get a massage, room service, whatever you need.

01:10:10:16 O'NEILL (CONT'D): Come on, I'll show you.

01:10:17:20 O'NEILL (CONT'D): Huh? Fellas...what do you think?

01:10:25:28 O'NEILL (CONT'D): All right, so it's not the Ritz, but we do what we can around
here. Knock twice when you're ready to talk like adults, all right?

01:10:32:15 AMRA DELEGATE #1: Wait, wait, wait, General--

01:10:33:18 AMRA DELEGATE #2: You don't expect us to share one room.

01:10:35:08 O'NEILL: Not amicably at first, but I have great hope for you boys.

01:10:42:20 AMRA DELEGATE #1: You can't do this!

01:10:44:13 AMRA DELEGATE #2: Open this door at once!

01:10:46:06 O'NEILL: Nobody gets out.

01:11:05:17 O'NEILL (V/O): Dear General Hammond... Wish you were here and that I was not.

01:11:13:19 (TELEPHONE RINGING)

STARGATE SG-1 "ZERO HOUR" Episode #805

01:11:19:13

O'NEILL: O'Neill.

END OF ACT ONE

ACT TWO

01:11:38:10 GILMOR: Good morning, sir. The delegates from Amra are furious. They are demanding to be released and say there's no chance that a trade agreement will ever happen between our governments now.

01:11:46:29 O'NEILL: Did they try the donuts? You made sure they were Krispy Kremes, right?

01:11:51:03 GILMOR: Shall I release them and send them home, sir?

01:11:53:26 O'NEILL: Give them another day.

01:11:54:10 GILMOR: But, sir, I--

01:11:55:12 O'NEILL: No coffee?

01:11:56:12 GILMOR: Sorry, I can get--

01:11:57:18 O'NEILL (INTERUPTING): What's next?

01:11:59:29 GILMOR: Uh, well, uh...Dr. Lee needs to see you right away concerning the plant from P6J...

01:12:03:19 GILMOR (CONT'D O/S): 908. SG-1 and 3 are in the gate room preparing to embark, and, uh...

STARGATE SG-1 "ZERO HOUR" Episode #805

01:12:07:24 GILMOR (CONT'D): Oh, it turns out that the red, white, and blue bunting is unavailable.

01:12:12:29 O'NEILL: No bunting?

01:12:14:01 GILMOR: They can get some blue and white and mix in some red.

01:12:21:11 O'NEILL: It just won't be the same.

01:12:29:17 CARTER (O/S): Sir.

01:12:30:01 O'NEILL: Good morning, people. I sure wish I was going with you, but I've got a big day planned. I'm tasting menu items for the buffet.

01:12:41:16 CARTER: Have fun, sir.

01:12:42:09 O'NEILL: You know I will.

01:12:44:26 O'NEILL (CONT'D): Watch your backs.

01:12:45:25 CARTER: We will.

01:12:47:15 O'NEILL: Mind the curfew.

01:13:01:08 CARTER: SG-3 hold here.

01:13:03:00 REYNOLDS: Colonel...

STARGATE SG-1 "ZERO HOUR" Episode #805

01:13:04:21 CARTER: Colonel.

01:13:06:10 REYNOLDS: Bosco and Peterson can watch the gate.

01:13:09:05 CARTER: We're fine. It's simple recon. We'll stay in radio contact.

01:13:18:00 REYNOLDS: Standard perimeter.

01:13:25:22 LEE: Well, the good news is it hasn't eaten anybody yet.

01:13:28:23 O'NEILL: Well, thank you, Seymour.

01:13:31:12 LEE: Yeah, obviously, we underestimated its growth properties.

01:13:34:05 LEE (CONT'D O/S): It seems to respond...

01:13:36:02 LEE (CONT'D): really dramatically to any kind of visible light.

01:13:46:13 LEE (CONT'D): Yeah, well, I thought of that. I just thought you might like to see it.

01:13:53:04 LEE (CONT'D): Uh, don't worry. We'll get it under control.

01:13:56:19 LEE (CONT'D): Sir...

01:14:12:15 TEAL'C: There are signs of recent Jaffa activity in the area.

01:14:16:10 CARTER: Try the wrist device again.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:14:18:25 TEAL'C: I have tried it several times.

01:14:22:00 CARTER: I'm getting some faint energy readings.

01:14:31:24 REYNOLDS (INTO RADIO): SG-1 leader, this is SG-3 leader. Come in.

01:14:38:10 REYNOLDS (CONT'D): Peterson, you're with me. Bosco, if we don't make radio contact in 10 minutes, dial Earth and report in.

01:14:46:15 REYNOLDS (CONT'D): Take cover!

01:14:55:05 REYNOLDS (CONT'D): Son of a bitch.

01:15:00:20 (KNOCKING)

01:15:03:00 GILMOR: Sir, Colonel Reynolds is dialed in from P2X-887. He's lost contact with SG-1.

01:15:07:29 REYNOLDS (OVER CAMERA): One Al'kesh. It buzzed the gate and flew off. No sign of the enemy since then, sir. I've been unable to make radio contact with SG-1 going on 19 minutes. Requesting backup and permission to begin searching.

01:15:19:28 O'NEILL: SG-10 and 12.

01:15:22:10 O'NEILL (INTO RADIO): Backup on the way.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:15:24:28 REYNOLDS (OVER CAMERA): Thank you, sir.

01:15:27:05 LEE (V/O): We have to close down...

01:15:28:00 LEE (CONT'D): the entire level, seal it off. Not only does it have amazing growth properties, but it's proving extremely difficult to eradicate...

01:15:39:04 (LEE SNEEZING)

01:15:41:10 LEE: We think it's using the ventilation shafts to spread airborne spores.

01:15:59:25 REYNOLDS: We looked everywhere. No sign of them. I'm sorry, sir.

01:16:03:03 O'NEILL: You were there to watch their backs.

01:16:04:20 REYNOLDS: Yes, sir. Colonel Carter insisted we secure the gate.

01:16:09:02 TECHNICIAN (OVER SPEAKER): Unauthorized incoming wormhole.

01:16:14:10 TECHNICIAN (CONT'D): No IDC yet, sir.

01:16:23:12 O'NEILL: Stand down, boys. And what do you want?

01:16:29:28 BA'AL: I have your friends.

01:16:31:13 O'NEILL: And?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:16:33:06 BA'AL I propose an exchange.

01:16:36:03 O'NEILL: For what?

01:16:37:03 BA'AL Not what. Whom.

01:16:38:22 O'NEILL: Whatever.

01:16:40:08 BA'AL: Camulus.

01:16:43:15 O'NEILL: Who?

01:16:44:23 BA'AL (O/S): I'll transmit...

01:16:45:23 BA'AL (CONT'D): the gate address. You will send him to me, if you want to see
your friends alive again.

01:16:53:26 O'NEILL: Let me think about it.

01:16:57:10 BA'AL: You have one day.

01:16:58:17 O'NEILL: Is that, like...one Earth day, or...

END OF ACT TWO

ACT THREE

01:17:27:23 GILMOR: Nothing to report from the teams in the field. Rebel Jaffa, Tok'ra. No one seems to have any Intel on SG-1, and, as ordered, Camulus is being transferred here from the facility where he was being held. He should be here shortly.

01:17:42:22 REYNOLDS: Even if we did comply and send Camulus to the address Ba'al transmitted, we can't risk opening the iris here to let SG-1 through.

01:17:47:29 REYNOLDS (CONT'D O/S): This could all be a trick to get us to do just that.

01:17:51:13 O'NEILL: I know.

01:17:52:18 REYNOLDS (O/S): Any type of exchange would have to involve...

01:17:53:27 REYNOLDS (CONT'D): a stargate on another planet. I've made some suggestions.

01:17:59:10 REYNOLDS (CONT'D O/S): Are you really considering...

01:18:00:11 REYNOLDS (CONT'D): turning Camulus over to Ba'al?

01:18:04:06 O'NEILL: It's on the table.

01:18:07:18 (KNOCKING)

STARGATE SG-1 "ZERO HOUR" Episode #805

01:18:11:06 GILMOR: He's here.

01:18:15:05 O'NEILL: Colonel, have your team ready.

01:18:16:26 REYNOLDS: Yes, sir.

01:18:19:26 GILMOR: Isn't it already too late?

01:18:25:21 REYNOLDS: General O'Neill was once captured by Ba'al. He was tortured, killed,
and brought back to life using a sarcophagus more times than you would
care to imagine.

01:18:35:20 REYNOLDS (CONT'D O/S): SG-1 never gave up then and General O'Neill won't
now.

01:18:42:15 REYNOLDS (CONT'D): There isn't a man or woman on this base that would.

01:18:58:25 O'NEILL (O/S): Ba'al has three of my people...

01:18:59:28 O'NEILL (CONT'D): and he's offered up an exchange.

01:19:03:20 CAMULUS: For me.

01:19:05:11 O'NEILL: Any idea why?

01:19:08:05 CAMULUS: There are many possible reasons.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:19:09:28 O'NEILL: Pick one.

01:19:14:25 O'NEILL (CONT'D O/S): Nothing?

01:19:17:10 O'NEILL (CONT'D): You offered to help us if we granted you asylum.

01:19:21:04 CAMULUS: I did not expect to be treated like a prisoner.

01:19:23:19 O'NEILL: You're a Goa'uld.

01:19:28:28 CAMULUS: What are you going to do?

01:19:29:23 O'NEILL (O/S): Give me one good reason...

01:19:30:24 O'NEILL (CONT'D): why I shouldn't turn you over.

01:19:34:11 CAMULUS: Ba'al cannot be trusted.

01:19:37:09 O'NEILL: Yeah.

01:19:39:03 CAMULUS: No matter what you do, he will never return your friends to you.

01:19:48:10 GILMOR: I thought you were just going to question him.

01:19:49:27 O'NEILL: He didn't have the right answers.

01:19:51:06 GILMOR: General, this goes against...

STARGATE SG-1 "ZERO HOUR" Episode #805

01:19:52:19 GILMOR (CONT'D O/S): official policy regarding prisoner exchanges.

01:19:54:23 O'NEILL (O/S): He's not a prisoner.

01:19:56:11 O'NEILL (CONT'D): He requested asylum. I'm un-granting it.

01:19:58:21 GILMOR: You could be court-martialed.

01:19:59:28 O'NEILL: You know, if it gets my team back, I don't care.

01:20:02:20 GILMOR: But you know it won't. You're sacrificing him for nothing.

01:20:08:29 O'NEILL: Go, go, go.

01:20:23:06 O'NEILL: Let's take a walk, you and me. Come on.

01:20:42:10 O'NEILL (CONT'D): I've done everything I can. It's up to you. Last chance.

01:20:49:25 CAMULUS: In spite of what you think, I am not a coward.

01:20:57:00 O'NEILL: I think you are.

01:21:08:12 O'NEILL: Well, it was worth a try. Take him back to his cell.

01:21:17:08 GILMOR: It...it was a bluff?

01:21:28:00 GILMOR: You could have told me, sir. How can I do my job if you don't trust me?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:21:32:29 O'NEILL: Not my problem.

01:21:35:08 GILMOR: Wait, wait, wait. Camulus would like to talk to you.

01:21:43:00 CAMULUS: I cannot stay here.

01:21:44:04 CAMULUS (CONT'D O/S): If Ba'al is truly so determined to have revenge...

01:21:46:23 CAMULUS (CONT'D): he won't stop at this. It is not safe for you to harbor me
anymore.

01:21:50:13 O'NEILL: So what?

01:21:51:29 CAMULUS: I am saying I am willing to leave.

01:21:53:21 O'NEILL: Out of the goodness of your heart?

01:21:55:26 CAMULUS: Of course not. When I asked for asylum, I did not expect to rot in a
cell for the rest of my life.

01:22:02:29 O'NEILL: Well, work with me. Give me something. I'll see what I can do.

01:22:09:03 CAMULUS: I can tell you of a planet where there is a device created by the
Ancients.

01:22:14:20 O'NEILL: What's it do?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:22:15:17 CAMULUS (O/S): I do not know. I never could...

01:22:17:20 CAMULUS (CONT'D): discover its secrets. Perhaps you can.

01:22:21:15 O'NEILL: Do you think this is what Ba'al's really after?

01:22:24:25 CAMULUS: While I never disclosed its location, I once made the mistake of
bragging that I had found the device, at a meeting...

01:22:31:20 CAMULUS (CONT'D O/S): of the System Lords.

01:22:34:10 O'NEILL: Hard to believe, you bragging.

01:22:39:07 O'NEILL (V/O): I knew it wasn't easy for you, but had I known what it was really
like, I would have tried to be less of a pain in the...ass. At least, I would
have tried harder.

01:22:58:12 TECHNICIAN (OVER SPEAKER): Unscheduled offworld activation.

01:23:06:29 O'NEILL: Walter.

01:23:08:08 TECHNICIAN: Receiving SG-3's IDC, sir.

01:23:10:22 O'NEILL: Open it.

01:23:12:00 TECHNICIAN: Yes, sir.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:23:25:29 REYNOLDS (O/S): Just like he said, sir.

01:23:27:13 REYNOLDS (CONT'D): Some sort of ancient device, size of a large room.

01:23:29:27 O'NEILL: Any idea what it does?

01:23:31:14 REYNOLDS: I'll leave that up to the tech guys, but I can tell you this. I know why
he couldn't turn it on.

01:23:40:14 REYNOLDS (CONT'D): It wasn't plugged in.

01:23:42:00 GILMOR: What...what is it?

01:23:44:20 O'NEILL: It's a ZPM.

01:23:47:18 GILMOR: What is that?

01:23:49:13 LEE: A Zero-Point Module. It's an ancient power source that draws its energy...

01:23:54:10 LEE (CONT'D O/S): from subspace.

01:23:55:15 REYNOLDS (O/S): It's the only thing powerful enough...

01:23:56:28 REYNOLDS (CONT'D): to activate the Ancient defense weapons SG-1 found
down in Antarctica.

01:24:01:10 REYNOLDS (CONT'D O/S): The one we have is pretty much dead.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:24:02:27 LEE: Well, this one sure isn't.

01:24:06:14 GILMOR: How good is it?

01:24:07:14 LEE (O/S): Well, I'm going to have to do some more detailed analysis...

01:24:10:22 LEE (CONT'D): but these preliminary readings indicate at least 50% capacity.

01:24:15:28 GILMOR: Well, that's...that's good, isn't it?

01:24:18:10 (SYSTEMS POWERING DOWN)

01:24:22:29 LEE: Excuse me.

01:24:25:15 O'NEILL: It's that damn plant.

01:24:36:18 TECHNICIAN (INTO PHONE): We've lost power to all control systems. Yes, sir.

01:24:43:04 O'NEILL: We paid the electric bill. I checked.

01:24:46:10 LEE: The plant is in the wall. It's interfering with power and communication lines.

01:24:49:22 O'NEILL: There's no light in the walls.

01:24:51:03 LEE (O/S): I know, but as long as any part of it...

STARGATE SG-1 "ZERO HOUR" Episode #805

01:24:53:04 LEE (CONT'D): is exposed to light, then it seems like it can feed the unexposed areas.

01:24:56:02 LEE (CONT'D O/S): I'm recommending we keep the whole base on minimal emergency lighting...

01:24:59:29 LEE (CONT'D): just until we get the problem under control.

01:25:03:03 O'NEILL: How long?

01:25:03:23 LEE: Well, that's a little difficult to say, because first, we have to figure out how to get the problem under control.

01:25:14:25 (LEE SNEEZING)

01:25:21:25 O'NEILL: Where are we?

01:25:23:18 TECHNICIAN: The dialing computer is offline.

01:25:25:04 SILER: There must be a circuit board that got fried when we tried to restore power to the system.

01:25:29:19 TECHNICIAN: Incoming wormholes will connect, and we can still receive radio communication and IDCs, but...

01:25:33:26 O'NEILL: The iris?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:25:35:01 TECHNICIAN: Manual control.

01:25:36:29 O'NEILL: What about dialing the gate manually?

01:25:39:23 SILER (O/S): Uh, that's a problem.

01:25:42:09 SILER (CONT'D): The inner ring seems to be locked in place. We tried
disconnecting the control interface, but...

01:25:47:08 TECHNICIAN (O/S): There was a gate diagnostic running when the power went
down.

01:25:50:12 TECHNICIAN (CONT'D): Could be something to do with the commands being
exchanged at the time.

01:25:54:23 O'NEILL: Bottom line.

01:25:55:29 TECHNICIAN: We can't dial out.

01:26:01:00 O'NEILL: Okay.

END OF ACT THREE

ACT FOUR

01:26:18:05 (KNOCKING)

01:26:21:18 (DOOR OPENING)

01:26:41:00 O'NEILL: What? Oh, God.

01:26:43:00 GILMOR: Sorry to wake you, sir.

01:26:49:18 O'NEILL: Feels like it's been 10 minutes.

01:26:52:05 GILMOR: It has. There's an incoming wormhole. Ba'al wants to talk.

01:26:59:09 O'NEILL: Ba'al. Sorry to keep you waiting. I was taking a little nap.

01:27:03:12 BA'AL: The deadline has passed.

01:27:05:11 O'NEILL: Yeah, look, we're having a little technical difficulty here.

01:27:08:13 BA'AL: Are your friends' lives meaningless to you?

01:27:10:28 O'NEILL: Hey, this is not a stall tactic. I would have called you sooner, but we
can't dial out at the moment.

01:27:16:26 BA'AL: Why not?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:27:19:29 O'NEILL: Well, I'm not really sure.

01:27:21:06 O'NEILL (CONT'D O/S): Here's some irony for you.

01:27:23:10 O'NEILL (CONT'D): Carter would have this thing fixed like that.

01:27:31:05 O'NEILL (CONT'D): No offense there, Siler.

01:27:32:26 SILER: Uh, none taken, sir.

01:27:35:17 O'NEILL: So why don't you just send her on through? Before you know it, you'll
have old camel-ass...

01:27:40:13 O'NEILL (CONT'D O/S): back in your grubby little mitts.

01:27:42:02 BA'AL: You dare mock me?

01:27:44:04 O'NEILL (O/S): Ba'al, come on.

01:27:45:16 O'NEILL (CONT'D): You should know. Of course, I dare mock you.

01:27:52:25 BA'AL: You have one more day.

01:27:57:29 GILMOR: Is it really wise to provoke him?

01:28:07:00 O'NEILL: It's what I do.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:28:12:08 DAVIS: Over two years ago, the Tok'ra provided us with the formula to the
 Goa'uld poison they developed. We've been modifying it, manufacturing
 as much as we can use...

01:28:19:21 DAVIS (CONT'D O/S): as a defensive option in the event of another attack on
 Earth. Area 51 is confirming...

01:28:24:09 DAVIS (CONT'D): that there is currently enough to negate a sizable enemy force.

01:28:26:25 REYNOLDS (O/S): We think we can effectively neutralize...

01:28:29:24 REYNOLDS (CONT'D): and invade three Goa'uld-occupied planets.

01:28:31:27 DAVIS (O/S): Now, the poison is non-persistent...

01:28:33:25 DAVIS (CONT'D): so there will be limited time before potential reinforcements
 become a factor.

01:28:37:09 REYNOLDS: And determining which of Ba'al's planets to target is still an educated
 guess.

01:28:40:16 DAVIS (O/S): We're still gathering Intel...

01:28:41:17 DAVIS (CONT'D): on exactly where SG-1 is being held.

01:28:43:07 O'NEILL: This poison, does it kill Jaffa as well as Goa'uld?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:28:49:25 DAVIS: That's right.

01:28:50:20 O'NEILL: How many casualties are we talking about?

01:28:52:27 REYNOLDS (O/S): Thousands.

01:28:54:25 REYNOLDS (CONT'D): Tens of thousands.

01:28:56:13 O'NEILL (O/S): So it's not really...

01:28:57:13 O'NEILL (CONT'D): a rescue plan. It's a full-scale attack.

01:29:01:02 REYNOLDS: That would most certainly provoke a reaction, possibly another
 attack on Earth.

01:29:04:14 DAVIS (O/S): But considering the fact that we now have...

01:29:06:12 DAVIS (CONT'D): a ZPM to power the Ancient defenses, I don't think—

01:29:09:02 (KNOCKING)

01:29:08:20 GILMOR (O/S): Sorry to interrupt, sir...

01:29:10:09 GILMOR (CONT'D): but Camulus is insisting that he speak with you again.

01:29:17:22 CAMULUS: Did you not find something of value on the planet...

STARGATE SG-1 "ZERO HOUR" Episode #805

01:29:19:20 CAMULUS (CONT'D O/S): of which I spoke?

01:29:20:29 O'NEILL: Oh, yeah. We did.

01:29:22:09 CAMULUS: Then why have you not released me?

01:29:25:22 CAMULUS (CONT'D O/S): Or do you still...

01:29:26:15 CAMULUS (CONT'D): believe you can trade me for your friends?

01:29:30:11 LEE (V/O): Gamma radiation...

01:29:31:11 LEE (CONT'D): seems to work. We're preparing a method of delivering a strong
enough level to the entire base all at once. Now, non-essential personnel
are going to have to be evacuated. Everyone else is going to have to
wear protective suits. You have to get General O'Neill to sign off on this
right away.

01:29:45:10 GILMOR: You know he hasn't slept in over two days.

01:29:47:29 LEE: Yeah, that's why I'm asking you to do it.

01:29:50:17 GILMOR: Right.

01:29:52:02 PRIOR (V/O): I'm canceling the President's visit.

01:29:55:20 O'NEILL: Really? Why would you do that?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:29:58:12 PRIOR: I'm surprised you can joke at a time like this.

01:30:00:25 O'NEILL: That's pretty much all I can do at the moment.

01:30:03:05 PRIOR: Your flagship team is in the hands of the enemy, you can't dial the
stargate, and the base is overrun by an alien plant.

01:30:10:17 O'NEILL: We did find a ZPM.

01:30:12:22 PRIOR: True.

01:30:16:10 O'NEILL: Give it another day.

01:30:18:00 PRIOR: You think you can get everything resolved by then?

01:30:21:14 O'NEILL: Wait a minute. I think there's a joke in there somewhere.

01:30:27:25 O'NEILL (CONT'D): No. Got nothing.

01:30:31:15 O'NEILL (V/O): And so I regretfully submit my resignation, and to be clear, the
regret is not so much about the resigning part, but the fact that I was
deluded enough to think I had possessed even one iota of the ability
needed to fill your sizable and shiny shoes.

01:30:50:05 (SYSTEMS POWERING UP)

01:30:54:15 (KNOCKING)

STARGATE SG-1 "ZERO HOUR" Episode #805

01:30:55:15 GILMOR: Dr. Lee just called down, sir. He feels confident the plant has been fully eradicated.

01:31:00:27 O'NEILL: I wish I did.

01:31:02:04 GILMOR: Oh, and the dialing computer is back online.

01:31:17:16 TECHNICIAN: Chevron-four encoded.

01:31:21:01 GILMOR: You're releasing him?

01:31:23:24 O'NEILL: I made a deal. We got a ZPM.

01:31:27:00 GILMOR: Look, I know we can finally dial Pegasus again and still defend Earth if we have to, but--

01:31:32:04 TECHNICIAN: Chevron-five encoded.

01:31:33:15 (TELEPHONE RINGING)

01:31:38:29 GILMOR (INTO PHONE): Control room.

01:31:41:25 GILMOR (CONT'D): It's Dr. Lee. He says it's important.

01:31:44:24 O'NEILL (INTO PHONE): Yeah?

01:31:48:05 O'NEILL (CONT'D): Abort the dialing procedure.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:31:56:02 LEE (O/S): Basically, it shouldn't be glowing like this.

01:31:59:00 O'NEILL (O/S): Why is it?

01:32:01:02 LEE: Well, it's funny, really.

01:32:02:06 O'NEILL: I like funny.

01:32:03:14 LEE: No, this isn't the good kind of funny. I think it was the gamma radiation we
used to kill the plant that revealed this.

01:32:08:15 O'NEILL: Revealed what?

01:32:10:02 LEE (O/S): It illuminated a substance foreign to what we know to be...

01:32:12:15 LEE (CONT'D): the normal molecular make-up of a ZPM.

01:32:15:15 O'NEILL: And?

01:32:16:19 LEE: Well, we managed to scrape some microscopic fragments from the casing
and run some tests, and, uh...well, you're going to want these.

01:32:35:21 LEE (O/S): This is what happens when you introduce a constant electric charge.

01:32:51:29 O'NEILL: The ZPM is booby-trapped?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:32:55:19 LEE: We were going to send it to Antarctica. Can you imagine if someone had taken it and plugged it into the chair in the Ancient outpost? I mean, I can't even imagine the magnitude of the explosion.

01:33:06:23 LEE (CONT'D O/S): A charged ZPM, detonating that?

01:33:11:00 LEE (CONT'D): I don't know. I mean, it could have destroyed the whole planet.

01:33:13:23 GILMOR: That's why Camulus was so eager to leave.

01:33:17:08 O'NEILL: Well...can you undo it?

01:33:23:10 LEE: Uh, well, you know, we haven't actually--

01:33:26:01 O'NEILL: Yes or no?

01:33:34:13 CAMULUS: I have no idea what you're talking about.

01:33:36:18 O'NEILL: When you couldn't figure out what that Ancient device was for, you tampered with the power source...

01:33:40:28 O'NEILL (CONT'D O/S): so nobody else could.

01:33:41:29 CAMULUS: I did nothing of the kind.

01:33:44:15 O'NEILL: Cammy...

STARGATE SG-1 "ZERO HOUR" Episode #805

01:33:48:08 CAMULUS: Worth a try.

01:33:50:20 O'NEILL: Here's the deal. How'd you like a chance to kill Ba'al?

01:33:57:02 CAMULUS: In exchange, you want me to use the Ancient device to trade for the
lives of your friends?

01:34:03:19 O'NEILL: Exactly.

01:34:06:17 CAMULUS: Amusing.

01:34:21:00 O'NEILL: All right?

01:34:23:12 CAMULUS: Coming with me?

01:34:25:00 REYNOLDS: We're taking you to another planet first. We'll wait for SG-1 there.

01:34:48:28 TECHNICIAN (OVER SPEAKER): Receiving SG-3's IDC, sir.

01:34:51:17 O'NEILL: Open it.

01:35:05:10 O'NEILL: You're late.

01:35:06:06 REYNOLDS: We thought we'd give it an extra hour, sir. We knew it was a long
shot.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:35:15:10 O'NEILL: Thank you, Colonel. Dismissed.

END OF ACT FOUR

ACT FIVE

01:35:46:09 (KNOCKING)

01:35:47:12 GILMOR: Sir, Colonel Reynolds would like a moment.

01:35:51:12 O'NEILL: Fine.

01:35:52:07 GILMOR: He's in the gateroom, sir.

01:36:12:28 O'NEILL: What's going on?

01:36:13:27 REYNOLDS (O/S): General, we just wanted you to know...

01:36:15:09 REYNOLDS (CONT'D): whatever you decide, we're behind you 100%

01:36:20:23 REYNOLDS (CONT'D O/S): You just need to give the order and we're ready to
go.

01:36:25:22 O'NEILL: I know you are, Colonel. Thank you.

01:36:41:00 O'NEILL (CONT'D): All of you.

01:36:47:10 O'NEILL (CONT'D): Dismissed.

01:37:27:24 SILER: Good night, sir.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:37:31:17 O'NEILL: Good night, Siler.

01:37:41:00 (ALARM SOUNDING)

01:37:43:23 TECHNICIAN (OVER SPEAKER): Unscheduled offworld activation.

01:37:51:10 GILMOR: It's SG-1's identification code. Sergeant O'Brien transmitted a hold
signal back through the gate and is awaiting your instruction.

01:38:00:15 O'NEILL: O'Brien?

01:38:01:05 O'BRIEN: We have audio contact, sir. It's Colonel Carter.

01:38:06:03 O'NEILL (INTO RADIO): Carter?

01:38:06:24 CARTER (OVER RADIO): We're under heavy fire, sir. Open the iris.

01:38:09:21 O'NEILL (INTO RADIO): Negative.

01:38:11:13 (GUNFIRE)

01:38:17:23 O'NEILL (INTO RADIO): Can you reroute?

01:38:18:21 CARTER (INTO RADIO): Negative. The DHD is no longer accessible.

01:38:25:16 DANIEL (INTO RADIO): Jack, what's going on?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:38:27:06 O'NEILL (OVER RADIO): You've been in enemy hands.

01:38:30:02 O'NEILL (CONT'D INTO RADIO): You know the protocol. We have no way of knowing if your iris code is secure.

01:38:34:17 DANIEL (INTO RADIO): What the hell are you talking about?

01:38:36:03 O'NEILL (OVER RADIO): You were captured by Ba'al.

01:38:37:27 DANIEL (INTO RADIO): Ba'al? We're on P2X-887.

01:38:40:06 DANIEL (CONT'D OVER RADIO): We were trapped in Anubis' secret base, and when we came out, we had a Jaffa ambush waiting for us at the gate.

01:38:47:23 TEAL'C: It appears these Jaffa are loyal to Ba'al.

01:38:48:28 CARTER (O/S INTO RADIO): Sir, the gate's...

01:38:49:28 CARTER (CONT'D INTO RADIO): going to shut down and we won't be able...

01:38:51:12 CARTER (CONT'D OVER RADIO): to dial out again.

01:38:57:25 O'NEILL: Open it.

01:39:02:18 O'NEILL (INTO RADIO): You're clear.

01:39:16:24 O'NEILL: Nice.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:39:26:23 O'NEILL: Hey, guys.

01:39:27:14 CARTER: Thank you, sir.

01:39:28:27 O'NEILL (O/S): So...

01:39:30:02 O'NEILL (CONT'D): trapped in a secret base all this time. Go figure.

01:39:35:14 TEAL'C: The wrist device allowed us access.

01:39:36:25 DANIEL: We couldn't get back out.

01:39:38:13 CARTER: You thought Ba'al had captured us?

01:39:39:29 O'NEILL (O/S): That's what he said.

01:39:41:03 CARTER: How did he even know we were missing?

01:39:42:18 O'NEILL: Reynolds saw an Al'kesh.

01:39:44:05 DANIEL (O/S): Ba'al must have had his Jaffa...

01:39:45:15 DANIEL (CONT'D): looking for the base.

01:39:47:05 CARTER: Probably intercepted any radio chatter.

01:39:48:16 TEAL'C: That would explain the ambush.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:39:50:00 CARTER (O/S): Ba'al's Jaffa couldn't find the base...

01:39:51:23 CARTER (CONT'D): but they figured if we turned up...

01:39:53:05 O'NEILL (O/S): It's a great story.

01:39:55:03 O'NEILL (CONT'D): More importantly, did Anubis leave anything cool behind?

01:40:00:29 DANIEL: Not really, no.

01:40:03:29 O'NEILL: Nuts.

01:40:10:28 O'NEILL: Carter, ol' Carter. How are you?

01:40:14:03 CARTER: I'm good. Thanks for asking.

01:40:15:10 O'NEILL: Yeah.

01:40:16:22 CARTER: You're not going to dress for the occasion, sir?

01:40:19:25 O'NEILL: Well, you know me. I love dressing up. I was just on my way.

01:40:22:18 CARTER: Sir...I wanted to talk to you--

01:40:26:29 O'NEILL: Carter, your evaluation is done, and I think you'd be very pleased.

01:40:32:27 CARTER: Really?

STARGATE SG-1 "ZERO HOUR" Episode #805

01:40:33:25 O'NEILL: You had doubts?

01:40:35:04 CARTER (O/S): Honestly? I was wondering whether you were...

01:40:37:17 CARTER (CONT'D): completely confident in my leadership skills.

01:40:40:05 O'NEILL: Aren't you?

01:40:41:20 CARTER: I've been second-guessing myself for ordering SG-3 to remain at the
gate.

01:40:46:12 O'NEILL: Oh, pshaw. It was standard recon. Your tactics in dealing with the
ambush were perfect. You should read what Teal'c and Daniel wrote
about your conduct under fire.

01:40:58:08 CARTER: Can I?

01:40:59:05 O'NEILL: No.

01:40:59:20 CARTER: Damn.

01:41:00:17 O'NEILL: Teal'c said you were an animal.

01:41:02:10 CARTER: He's such an exaggerator.

01:41:03:10 O'NEILL: Yeah, isn't he? Well, this is where I go to take off the clothes I prefer and
don the clothes I abhor.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:41:14:06 CARTER: Uh, sir, quickly, I wanted...

01:41:16:22 CARTER (CONT'D O/S): to talk to you about something else. I was reading Dr.
Lee's report about the tainted ZPM.

01:41:21:07 CARTER (CONT'D): I think he may have underestimated the explosive potential.
It could have actually destroyed the entire solar system.

01:41:28:27 O'NEILL: What's the difference?

01:41:30:14 CARTER (O/S): Well, my point is, if we figured it out...

01:41:33:01 CARTER (CONT'D): so could Ba'al. He could use it as a weapon against us.

01:41:36:06 O'NEILL (O/S): All true, Carter...

01:41:37:20 O'NEILL (CONT'D): which is exactly why I didn't give Camulus the tainted one.

01:41:43:06 CARTER: Sir?

01:41:43:20 O'NEILL: I gave him the dead one. It's worthless, right?

01:41:48:29 CARTER: Ba'al is going to be pretty pissed at Camulus.

01:41:52:25 O'NEILL: Yeah.

01:42:06:00 (KNOCKING)

STARGATE SG-1 "ZERO HOUR" Episode #805

01:42:06:16 GILMOR: General, the President's motorcade is through the gates. He should be getting on the elevator momentarily. Uh, sir, I think you should know, I'll be leaving...

01:42:18:07 GILMOR (CONT'D O/S): tomorrow.

01:42:20:01 O'NEILL: Really?

01:42:20:22 GILMOR (O/S): Yes, sir.

01:42:21:24 GILMOR (CONT'D): The truth is, I've been here on a temporary special assignment from the President.

01:42:30:15 O'NEILL: Oh?

01:42:31:04 GILMOR: Sort of a civilian audit, if you will.

01:42:34:19 O'NEILL: Of the SGC?

01:42:37:22 GILMOR: Of you.

01:42:51:27 O'NEILL: I know.

01:42:54:15 GILMOR: You do?

01:42:55:23 O'NEILL: General Hammond told me.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:42:58:11 GILMOR: Well, he wasn't supposed to.

01:42:59:27 O'NEILL: Well, don't tell anyone.

01:43:03:16 GILMOR: Well, um, then you know the President wanted to make sure you were
settling in before he came and shook your hand and fully endorsed
you...

01:43:11:00 GILMOR (CONT'D O/S): as the leader of this base.

01:43:12:18 O'NEILL: Uh-huh.

01:43:13:25 GILMOR (O/S): Obviously, he's here, so...

01:43:16:24 GILMOR (CONT'D): What I mean is, I just want you to know how much respect I
have for what you do here.

01:43:24:25 GILMOR (CONT'D): And for you.

01:43:27:15 O'NEILL: Thanks.

01:43:32:03 O'NEILL (CONT'D): Shall we?

01:43:35:16 O'NEILL: Oh, by the way, did you, uh, let those Amran delegates go?

01:43:40:06 GILMOR: I did, sir, yes. Major Davis said they seem much more willing to
negotiate now.

STARGATE SG-1 "ZERO HOUR" Episode #805

01:43:47:10 O'NEILL: Do you think they liked the fruit basket?

01:43:49:16 GILMOR: I think so, sir.

01:43:51:10 O'NEILL: Mm. Put a lot of thought into that.
