**TEASER**

01:00:02:14	LEDA: It's time.
01:00:04:17	DANIEL: Wait.
01:00:07:00	LEDA (O/S): It's okay.
01:00:13:00	LEDA (CONT'D O/S): Just relax.
01:00:21:10	LEDA (O/S CONT'D): Give your vision a moment to adjust.
01:00:24:05	LEDA (CONT'D): You haven't used it for a while.
01:00:29:12	LEDA (CONT'D O/S): How's that?
01:00:30:15	DANIEL: Better.
01:00:32:16	LEDA: Your eyes...it's nice to finally see them.
01:00:38:20	DANIEL: Leda...
01:00:40:20	LEDA: Welcome back.

**STARGATE SG-1 "ICON" Episode #806**

01:00:45:00            DANIEL: Where am I?

01:00:48:01            LEDA: Many miles from the city. This house belonged to my uncle. We're safe  
                                 here.

01:00:52:28            DANIEL: The city? I remember being there.

01:00:59:00            DANIEL (CONT'D O/S): Something terrible happened.

01:01:05:00            DANIEL (CONT'D): Many people died.

01:01:08:05            LEDA: There's food, if you feel strong enough to eat.

01:01:10:09            DANIEL: It's our fault, isn't it?

01:01:13:23            DANIEL (CONT'D): None of this would've happened if we hadn't come here.

01:01:16:19            LEDA: You're alive...and considering what you've been through, that alone is a  
                                 miracle.

**END OF TEASER**

**ACT ONE**

01:02:49:13           GUIDE: First discovered in the Kirellian wastelands over 150 years ago, and the highlight of our antiquities collection--The Great Ring of Avidan.

01:03:06:06           GUIDE (CONT'D): Researchers estimate the ring to be at least several thousand years old, and while its origin remains a subject of debate, many believe it was created by ancient worshipers to honor their gods. It's thought that the peculiar symbols on the ring itself represent the names of the gods.

01:03:23:01           GUIDE (CONT'D O/S): However, no one has been able to decipher--

01:03:25:07           (STARGATE SPINNING O/S)

01:03:35:09           GUIDE (CONT'D): ...Exactly what they mean.

01:03:38:18           (STARGATE SPINNING, CHEVRONS LOCKING)

01:04:22:23           CARTER: Commander Gareth?

01:04:24:12           COMMANDER GARETH (O/S): In the name of the people of the Rand...

01:04:26:11           COMMANDER GARETH (CONT'D): Protectorate, I welcome you. You're Colonel Carter?

01:04:29:19           CARTER: This is Teal'c and Dr. Daniel Jackson.

## STARGATE SG-1 "ICON" Episode #806

01:04:32:23           COMMANDER GARETH: It is a pleasure to finally meet you all face to face. But,  
                                please, come.

01:04:38:16           COMMANDER GARETH (CONT'D): We have many questions, as I'm sure you do  
as well.

01:04:42:15 CARTER: Sorry about scaring the tourists. We've made first contact with a lot of planets, but this is the first time we found ourselves coming out of a museum piece.

01:04:49:19           COMMANDER GARETH: One of our artifacts suddenly coming to life was a little surprising, but that pales in comparison to its purpose. It is almost beyond imagining.

01:04:58:20 KANE: As is the fact that you're human.

01:05:01:05           COMMANDER GARETH: My chief aide, Jared Kane.

01:05:03:03 DANIEL: Well, believe it or not, there's actually a good reason for us being human.

01:05:06:18 CARTER: Which we'll get to in due time.

01:05:08:25           COMMANDER GARETH: Colonel, I hope that once we gain each others' trust, you'll be able to shed some light on the technology that powers The Great Ring.

## STARGATE SG-1 "ICON" Episode #806

01:05:16:06           COMMANDER GARETH (CONT'D O/S): It is unlike anything we have seen  
before.

01:05:18:16 CARTER: We call it the stargate, and our people share the same hope,  
Commander.

01:05:21:27           COMMANDER GARETH: Of course. In due time.

01:05:24:15 DANIEL: I take it "The Great Ring" is a recurring motif in your culture?

01:05:27:23      COMMANDER GARETH (O/S): It is simply a reminder of certain traditions...

01:05:30:00 COMMANDER GARETH (CONT'D): that predate our Age of Enlightenment. Most people wear them more for the sake of fashion than for religious belief.

01:05:35:27 KANE: Our history tells of an age when all-powerful gods ruled our world. The Great Ring was supposedly the source of their power.

01:05:43:00           COMMANDER GARETH: Of course, we know these are merely legends from our  
                                ancient past. However, the activation of the ring may well cause a stir  
                                amongst those few who still follow the old ways.

01:06:11:22 LEDA: Sorry. I didn't mean to wake you.

01:06:16:00 DANIEL: It's all right.

01:06:22:12 LEDA: For the pain.

**STARGATE SG-1 "ICON" Episode #806**

01:06:32:00 LEDA (CONT'D): I wish I could give you more, but our medicine is in short supply.

01:06:37:00 DANIEL: Thank you.

01:06:40:04 LEDA: I'll leave you alone.

01:06:41:11 DANIEL: No. No, please. Stay.

01:06:50:03 O'NEILL: How'd it go with the...

01:06:51:12 DANIEL: Caledonians? Not so well, actually. My time with their representatives  
was severely limited by Rand security forces.

01:06:58:15 DANIEL (CONT'D O/S): Apparently Gareth had national security concerns.

01:07:01:10 DANIEL (CONT'D): Mainly that we'd tell the Caledonians too much about the  
stargate.

01:07:04:17 O'NEILL: Let me venture a wild guess. They don't get along so good?

01:07:12:00 DANIEL: The Rand Protectorate and the Caledonian Federation have been locked  
in a state of cold war for decades. Each nation has enough weapons to  
wipe each other off the face of the planet.

01:07:20:02 CARTER: Sounds depressingly familiar.

## STARGATE SG-1 "ICON" Episode #806

01:07:21:24 DANIEL: There's actually a third element which has me a little more concerned. A group of religious fundamentalists led by a man named Soren.

01:07:28:04 DANIEL (CONT'D O/S): Now, these people think...

01:07:29:16 DANIEL (CONT'D): that all life on the planet was created by ancient gods, and  
that these gods will someday return and reward them for their faith.

01:07:34:21 CARTER: And by coming through the stargate, we confirmed their beliefs.

01:07:38:26 DANIEL (O/S): And because the gate was activated...

01:07:40:01 DANIEL (CONT'D): in a public place, the Rand government has been unable to prevent the rumors from spreading.

01:07:44:00 DANIEL (CONT'D O/S): Now, before we made contact with them...

01:07:45:12 DANIEL (CONT'D):these people were considered zealots who took the ancient texts too literally. The gate being activated has given them all they need to prove they were right all along. Their numbers will grow.

01:07:54:17 O'NEILL: That's terrible...and yet, not our problem.

01:08:04:14 DANIEL: Jack, you have to let me go back.

01:08:06:10 O'NEILL: If what you say is true, things are going to get a little out of hand over there.

**STARGATE SG-1 "ICON" Episode #806**

01:08:10:28            DANIEL: Yes, because of us. If we hadn't chosen to pay them a visit--

01:08:13:08            O'NEILL: They'd be far better off, I know. Daniel, we're always sticking our  
                                 collective noses where they don't belong. It's what we do.

01:08:19:00            DANIEL: I could help them understand what they're facing, make them see it's not  
                                 the end of the world. If we leave now, who knows what could happen.  
                                 We have to help them. You know that.

01:08:31:15            O'NEILL: Regular contact. No exceptions. The second things start getting a little  
                                 squirrely--

01:08:35:20            DANIEL: Thank you.

01:08:36:20            O'NEILL: Daniel...

01:08:38:18            O'NEILL (CONT'D): Squirrely.

01:08:39:18            DANIEL: Squirrely.

01:08:53:13            LEDA: You shouldn't be standing.

01:08:54:16            DANIEL: Oh, don't let appearances fool you. I still feel terrible.

01:09:01:15            DANIEL (CONT'D): Leda, everything you've done for me--

01:09:02:15            LEDA (O/S): Has been for my own sake as well as yours.

**STARGATE SG-1 "ICON" Episode #806**

01:09:05:19            LEDA (CONT'D): So much has happened. Caring for you has helped  
   me...continue on.

01:09:12:18            DANIEL: Yeah, what has happened, exactly? I mean...I remember being...

01:09:17:04            DANIEL (CONT'D O/S): in the bunker with Commander Gareth, and we were  
   attacked, and...

01:09:20:23            DANIEL (CONT'D): the rest is a fog.

01:09:22:23            LEDA: Jared is away searching for survivors. He should be back in a few days'  
   time. I think it would be best if he answered your questions.

01:09:29:21            DANIEL: Jared Kane.

01:09:33:20            DANIEL (CONT'D): Yeah, I remember him. He was in the bunker as well.

01:09:36:01            LEDA: My husband was Chief Aide to Commander Gareth.

01:09:38:08            DANIEL: "Husband. Was."

01:09:40:19            LEDA: He insisted I move here when the fighting reached the capital. He felt you  
   would be safest in my care.

01:09:47:15            DANIEL: Yeah, look, no offense, but I've really got to get back to my own world, or  
   at least contact them and let them know that I'm okay, so...

**STARGATE SG-1 "ICON" Episode #806**

01:09:54:00 LEDA: Trying to reach The Great Ring will be impossible. Rebel patrols have been sighted in the area. Even to leave the estate grounds would be dangerous...not to mention the fact that you are far from healed.

01:10:05:00 LEDA (CONT'D O/S): You must rest, Daniel.

01:10:08:20 DANIEL: Leda, what happened to Commander Gareth?

01:10:19:08 O'NEILL (O/S): Give me good news, Colonel.

01:10:21:20 CARTER: I wish I could, sir.

01:10:23:08 CARTER (CONT'D): We met with Soren, leader of the rebels, but it was less constructive than we hoped.

01:10:27:20 O'NEILL: How much less?

01:10:29:25 CARTER: We were only allowed to see him for 15 minutes.

01:10:32:10 TEAL'C: After keeping us waiting for several hours.

01:10:34:23 O'NEILL: Well, important matters of state, no doubt.

01:10:37:02 CARTER (O/S): He's managed to unite all the fundamentalist...

01:10:38:20 CARTER (CONT'D): factions in the Rand Protectorate, which effectively puts him in control.

## STARGATE SG-1 "ICON" Episode #806

01:10:42:09 TEAL'C: He was most unwilling to allow us to search for Daniel Jackson.

01:10:45:21 CARTER: Before he insisted we leave, he did promise he would look into the matter on our behalf. Whatever that means.

01:10:52:05 O'NEILL: Right. What about a UAV?

01:10:55:04 CARTER: He won't give us access to the surface. Plus, he claims it would interfere with their own radio communication systems.

01:11:04:02 CARTER (CONT'D): I'm sorry, sir, but at this point, we have no way of knowing if Daniel's still alive.

**END OF ACT ONE**

## ACT TWO

01:11:37:20 DANIEL: And what does blue mean?

01:11:38:27 KANE: It's our second-to-highest level of military alert status. There's been civil unrest in several urban centers across the country. Over a dozen municipalities have fallen into the hands of Soren's troops. Our forces are in the process of pacifying those areas as we speak.

01:11:53:27 DANIEL: Pacifying?

01:11:55:04 KANE: Reclaiming our cities from the hands of religious madmen.

01:11:57:28 DANIEL: So civil unrest means you go to blue?

01:11:59:16 KANE: Under normal circumstances, no. Unfortunately, the situation has caused other problems.

01:12:18:13 DANIEL: What's going on?

01:12:19:19 KANE: We were forced to heighten our alert status to match that of the Caledonians.

01:12:23:13           COMMANDER GARETH: And I promise you, we will share this technology with  
you once we fully understand it.

**STARGATE SG-1 "ICON" Episode #806**

01:12:28:10            MINISTER TREYDAN (V/O OVER RADIO): You mean once you have assessed its advantages to your national security. You have refused to allow our scientists access to The Great Ring. You have limited our access to the offworlders. We do not feel as much a part of this great discovery as you do.

01:12:42:28            COMMANDER GARETH: And had the ring been activated on Caledonian soil, you would have done no differently. Minister Treydan, I am simply asking your government for patience.

01:12:49:27            COMMANDER GARETH (CONT'D O/S): Stand down your high alert, and we will do the same.

01:12:53:23            MINISTER TREYDAN (V/O OVER RADIO): Typically, you trust your people too much, Commander. Caledonia has been under strict martial law since news of the offworlders' arrival began to spread. Our domestic security remains intact.

01:13:06:02            COMMANDER GARETH: The citizens of this world are not children. They just need time to come to terms with this information.

01:13:12:28            MINISTER TREYDAN (V/O OVER RADIO): Soren and his followers have already seized control of more than a dozen of your cities. Your people are panicked, and your country is on the verge of collapse. I urge you to deal with this situation in a swift and decisive manner. Should control of the Rand Protectorate fall into Soren's hands, we'll consider it an act of war.

## STARGATE SG-1 "ICON" Episode #806

01:13:35:21 DANIEL (V/O): This is Daniel Jackson...

01:13:36:21 DANIEL (CONT'D O/S INTO RADIO): calling Stargate Command. Come in,  
please.

01:13:38:10 (RADIO FEEDBACK)

01:13:40:02 DANIEL (CONT'D INTO RADIO): This is Daniel Jackson calling Stargate  
Command. Please respond.

01:13:42:23 (RADIO FEEDBACK)

01:13:46:20 DANIEL (CONT'D INTO RADIO): This is Daniel Jackson calling Stargate  
Command. Come in, please.

01:13:49:07 (RADIO FEEDBACK)

01:13:52:02 DANIEL (CONT'D INTO RADIO): This is Daniel Jackson calling Stargate  
Command. Please respond.

01:13:54:20 (RADIO FEEDBACK)

01:13:56:14 LEDA: Any luck?

01:13:59:19 DANIEL: No. Nothing yet.

01:14:03:09 LEDA: You've been trying for days.

**STARGATE SG-1 "ICON" Episode #806**

01:14:06:04            DANIEL: Something seems to be jamming all the signals I'm picking up. I mean, there's people out there, but nothing clear enough for me to respond to.

01:14:13:03            LEDA: But you think your friends will be able to hear you?

01:14:15:16            DANIEL: Uh, yeah, it's kind of a timing thing. You see, if the stargate's open, they'll be able to pick up my signal...if your gate isn't buried in rubble or worse.

01:14:24:28            LEDA: Well, while you're waiting to be rescued, you could use some fresh air...if you think you're up to it.

01:14:39:05            LEDA: How can you be sure Soren and his followers aren't right? How can you know for certain that the gods they worship aren't...

01:14:45:12            DANIEL: Benevolent? Because I've met more than a few of them. Trust me, they're the opposite, and they're definitely not gods.

01:14:53:02            LEDA: Then what are they?

01:14:54:28            DANIEL: The short form? They're a parasitical alien race that steals advanced technology, and rules via fear and intimidation, and has a penchant for melodrama. Trust me, if Soren ever actually met one, he'd be singing a different tune.

01:15:11:22            LEDA: But you said you've fought them and won?

## STARGATE SG-1 "ICON" Episode #806

01:15:15:03 DANIEL: Yeah, well, we got lucky a few times, that's all.

01:15:18:25 LEDA: But there's hope, isn't there?

01:15:24:00 LEDA (CONT'D): You think what happened was your fault, don't you? From what  
you've told me, it was better that your people activated The Great Ring  
than the Goa'uld.

01:15:31:16 DANIEL: You think so? 'Cause right now, I'm not so sure.

01:15:34:10 LEDA: You couldn't have known what was going to happen. When the fighting  
began, you could have gone back to your planet, but you chose to stay...

01:15:41:00 DANIEL: Yeah.

01:15:42:00 LEDA: To try and help us.

01:15:43:01 DANIEL: For all the good it did.

01:15:44:01 LEDA: Daniel...

01:15:45:02 LEDA (CONT'D O/S): There has been distrust between our country and  
Caledonia for generations.

01:15:49:09 LEDA (CONT'D): It was only a matter of time before something set it off.

01:15:52:14 LEDA (CONT'D O/S): We did this to ourselves. And since you've come here...

**STARGATE SG-1 "ICON" Episode #806**

01:15:57:29 LEDA (CONT'D): I've begun to think we may have a chance to undo it. To rebuild.

01:16:05:26 TECHNICIAN (INTO RADIO): This is Stargate Command calling Dr. Jackson. Do  
you read me?

01:16:09:13 (RADIO FEEDBACK)

01:16:10:29 CARTER: Can you boost the signal?

01:16:13:00 TECHNICIAN: We're at maximum gain, Colonel.

01:16:15:20 TECHNICIAN (INTO RADIO): This is Stargate Command calling Daniel Jackson.  
Do you copy?

01:16:19:20 O'NEILL: Anything?

01:16:20:24 CARTER: Not yet, sir. We're picking up a lot of transmissions from the planet, but  
none of them are clear enough to tell if they're from Daniel. We think both  
sides may have employed radio jamming measures just prior to the  
attack, meaning any signals coming from outside the command bunker  
are a mess. We're working on it.

01:16:37:02 O'NEILL: Anything from SG-9 yet?

01:16:38:25 CARTER: Yeah, they just reported in. Sounds like the negotiations are going  
nowhere, sir.

## STARGATE SG-1 "ICON" Episode #806

01:16:43:02 CARTER (CONT'D O/S): Soren is still refusing to allow us to send any teams to  
look for Daniel.

01:16:46:27 CARTER (CONT'D): He said our presence on the planet would only cause more  
panic and fear.

01:16:51:22 O'NEILL: Well, okay. It sounds like I should meet these people myself.

01:17:19:20 DANIEL: Kane.

01:17:21:13 KANE: Dr. Jackson.

01:17:24:18 KANE (V/O): We got as close to what was left of the capital as we could.

01:17:28:18 KANE (CONT'D): Soren has troops conducting full sweeps of the region,  
searching for survivors. Any suspected of remaining loyal to the old  
government are executed on the spot.

01:17:38:05 LEDA: Haven't enough people died?

01:17:39:23 DANIEL: I don't think that matters to him. This is about continuing the chaos, not  
peace.

01:17:44:07 KANE: You're right. People are too afraid to fight back. Most of them have already  
given up hope. It's just a matter of time before they pledge their loyalty to  
Soren.

**STARGATE SG-1 "ICON" Episode #806**

01:17:56:18            DANIEL: Kane, what in the hell happened that night? I--I remember being in the bunker, and then waking up here.

01:18:04:29            KANE: It was the end.

01:18:15:28            KANE: I'm sorry, Dr. Jackson. You really can't be in here right now.

01:18:20:18            DANIEL: Kane, what's going on? I heard something about the stargate being moved.

01:18:22:25            KANE: Rebels have seized control of all of Rand's major cities, including sections of the capital itself. We had the stargate moved into...

01:18:29:07            KANE (CONT'D O/S): the bunker complex for security purposes.

01:18:32:01            DANIEL: What are the Caledonians doing?

01:18:34:22            KANE: Their missile systems are now fully deployed and primed. As a result, we've done the same. It might be best if you returned to your planet now.

01:18:48:20            RADIO MAN: Commander.

01:18:49:11            RADIO MAN (CONT'D O/S): Minister Treydan for you on a coded frequency.

01:18:56:19            COMMANDER GARETH: Put him through.

**STARGATE SG-1 "ICON" Episode #806**

01:19:01:20 MINISTER TREYDAN (V/O OVER RADIO): Commander Gareth. We have been monitoring the situation in your country, and we are most concerned.

01:19:06:25 COMMANDER GARETH (INTO RADIO): I understand, Minister, however, rest assured we are close to reclaiming vital areas--

01:19:13:04 MINISTER TREYDAN (V/O OVER RADIO INTERRUPTING): Now is not the time for rhetoric, Commander. Our reports indicate large elements of your military are on the brink of mutiny. Your civil unrest has become a civil war. Should any of your weapons systems fall into the wrong hands, no one in my country would be safe.

01:19:29:09 COMMANDER GARETH (INTO RADIO): That will not happen, I can promise you.

01:19:31:20 MINISTER TREYDAN (V/O OVER RADIO): Just as you promised our scientists full access to the stargate? First, you hide information about the alien device, and now you deny your country has slipped into chaos?

01:19:41:21 COMMANDER GARETH (INTO RADIO): We respected the guidelines of our treaty to the letter.

01:19:44:27 COMMANDER GARETH (CONT'D O/S INTO RADIO): Our report to you on the stargate outlined everything we know--

01:19:48:02 MINISTER TREYDAN (V/O OVER RADIO INTERRUPTING): Except what you deemed advantageous to your national security--

# STARGATE SG-1 "ICON" Episode #806

01:19:52:12           COMMANDER GARETH (INTO RADIO): One moment, Minister.

01:19:56:27           KANE: Rebel forces just detonated a large explosive device near one of our  
missile deployment facilities. As of this moment, we understand the  
facility to be compromised.

01:20:18:07           COMMANDER GARETH (INTO RADIO): Minister, forgive me. I must cut our  
conversation short.

01:20:21:11           MINISTER TREYDAN (V/O OVER RADIO): Commander, my intelligence advisors  
have just informed me of a massive explosion near one of your missile  
facilities. Is this true?

01:20:29:19           COMMANDER GARETH (INTO RADIO): We are still gathering information. We  
will contain the situation--

01:20:32:27           MINISTER TREYDAN (V/O OVER RADIO INTERRUPTING): The time for  
containment is long past, Commander. We cannot allow your missile  
facilities to fall into Soren's hands.

01:20:38:16           COMMANDER GARETH (INTO RADIO): Treydan, give us time. This need not  
escalate.

01:20:42:26           MINISTER TREYDAN (V/O OVER RADIO): We are targeting your missile sites  
only. If you do not wish a full-scale war, you will not retaliate.

01:20:48:18           COMMANDER GARETH (INTO RADIO): Treydan...

**STARGATE SG-1 "ICON" Episode #806**

01:20:49:18            RADIO MAN: Commander, we've detected multiple launch signals from Caledonia positions.

01:20:53:02            (ALARM SOUNDING)

**END OF ACT TWO**

**ACT THREE**

01:21:28:23 KANE: It's possible the destruction could have been contained if Soren's forces hadn't gained control of one of our missile sites and launched a counter-attack on Caledonia. After that, it devolved into a full-scale war. Within a matter of days, all our cities were leveled.

01:21:43:00 KANE (CONT'D): From what we can tell, only a fraction of our population has survived, existing mainly in outlying areas. As for the Caledonians, I've heard rumors they're trying to rebuild what they can. It won't be much. They may have struck first, but our missile systems were much more accurate than theirs.

01:21:58:28 DANIEL: And Soren?

01:22:00:05 KANE: He used the chaos to make his move on the bunker.

01:22:04:07 DANIEL: Then how did you save me?

01:22:07:27 KANE: Actually, from what I understand, it was you who saved me.

01:22:12:25 (RADIO FEEDBACK)

01:22:16:27 COMMANDER GARETH: Kane.

01:22:23:00 DANIEL: This is insane.

**STARGATE SG-1 "ICON" Episode #806**

01:22:24:00 KANE: Soren's forces are moving in on this facility. I can get you to the stargate, but we have to go now.

01:22:43:00 (EXPLOSION)

01:22:52:06 (GUNFIRE)

01:23:11:24 KANE (O/S): This way!

01:23:19:06 KANE: Here, through that door.

01:23:48:28 DANIEL: Get down!

01:23:57:03 KANE: Loyalist soldiers found us first and got us out of the city. Your wounds were much worse than mine. Bringing you here was the only option.

01:24:06:00 DANIEL: What happened to Commander Gareth?

01:24:09:10 KANE: He was executed shortly after the bunker fell.

01:24:13:17 KANE (CONT'D): Since he took power, Soren has set up a provisional government, not that there's much of Rand left to govern. However, we do know he does control whatever's left of the bunker complex...

01:24:25:20 KANE (CONT'D): including the stargate.

01:24:31:00 KANE (CONT'D): I'm sorry, Dr. Jackson.

**STARGATE SG-1 "ICON" Episode #806**

01:24:34:24 (ALARM SOUNDING)

01:24:40:08 O'NEILL: Howdy, fellas. Welcome to Earth.

01:24:45:02 SOREN: General O'Neill, it is an honor. I greet you in the name of our great  
nation, Avidan.

01:24:52:19 CARTER: You changed the name?

01:24:54:20 SOREN: "Avidan" speaks more to our peoples' beliefs.

01:24:57:25 TEAL'C: It is from an ancient Goa'uld dialect. It means "the gods are just."

01:25:09:08 O'NEILL: Good choice.

01:25:17:10 DANIEL (V/O): So you're saying...

01:25:18:13 DANIEL (CONT'D): that Soren is still using the bunker as a command center.

01:25:21:25 KANE: Damage in the city would be too severe.

01:25:25:00 DANIEL: Then he hasn't totally consolidated his power yet, has he?

01:25:29:21 DANIEL (CONT'D): I'm saying that if we could somehow retake the bunker, we  
would effectively overthrow Soren.

**STARGATE SG-1 "ICON" Episode #806**

01:25:33:12 KANE: The bunker's heavily fortified, and I have only a dozen men under my command. It would be suicide.

01:25:38:06 DANIEL: No. Not if we had help. You see, if I could reach my friends on Earth...

01:25:41:27 DANIEL (CONT'D O/S): we could regain control of the gate.

01:25:43:05 KANE: If you could reach them.

01:25:46:10 KANE (CONT'D O/S): I know that you've been trying to make radio contact with your planet since you regained consciousness...

01:25:50:07 KANE (CONT'D): without success. I understand your wish to return to your world, but it simply isn't possible.

01:25:55:19 DANIEL: This isn't about that. My people can help you.

01:25:58:09 KANE: Like you helped us before?

01:26:01:20 KANE (O/S): I admire your passion...

01:26:02:15 KANE (CONT'D): Dr. Jackson, but too much has happened to fix with one heroic action. We have to accept the fact that Soren has won. Rand belongs to him now.

01:26:22:25 SOREN: It is obvious you revere The Great Ring as much as we do, General O'Neill.

**STARGATE SG-1 "ICON" Episode #806**

01:26:27:10 O'NEILL: Oh, yeah. We love the old gal. Quite possibly for different reasons than you.

01:26:34:16 SOREN: We both seek to defend our people's way of life, do we not, General?

01:26:38:13 SOREN (CONT'D O/S): To protect their very existence.

01:26:40:26 TEAL'C: You do not represent the people of your world.

01:26:44:08 TEAL'C (CONT'D): You merely kill those who believe differently and would stand against you.

01:26:47:09 SOREN: You speak what is on your mind. I admire that.

01:26:51:06 O'NEILL: Actually, in your case, he's holding back.

01:26:57:13 O'NEILL (CONT'D): Carter?

01:26:59:20 CARTER: Commander Soren, we're prepared to offer you aid in exchange for help in locating Daniel Jackson.

01:27:04:22 CARTER (CONT'D O/S): Food and medical supplies, plus support personnel...

01:27:07:08 CARTER (CONT'D): to help you stabilize the situation on your planet.

01:27:09:23 SOREN: You cannot truly believe that your friend is still alive?

**STARGATE SG-1 "ICON" Episode #806**

01:27:13:22 O'NEILL: Oh, he's a resourceful fella.

01:27:17:27 SOREN: Your offer is most generous, but I'm afraid...

01:27:19:12 SOREN (CONT'D O/S): we must decline. We are, however...

01:27:22:21 SOREN (CONT'D): particularly interested in your weapons technology.

01:27:28:05 TEAL'C: Your people are facing starvation and disease.

01:27:30:25 SOREN: What has happened to our world is most unfortunate, and yet vital.

01:27:36:02 SOREN (CONT'D): Those who refused to believe needed to be purged from  
existence so that we could begin anew.

01:27:43:26 O'NEILL: You know, in these parts, we like to call that "crimes against humanity."

01:27:52:05 CARTER: If all you care about is spiritual salvation, what do you need the  
weapons for?

01:27:58:05 SOREN: The revolution is not yet complete.

01:28:02:08 CARTER: You mean you want to take over Caledonia too.

01:28:04:15 SOREN: As I said, the revolution is not yet complete.

01:28:18:08 DANIEL: Leda, you have to talk to your husband.

# STARGATE SG-1 "ICON" Episode #806

01:28:20:20 LEDA: And what am I supposed to say to him?

01:28:23:16 DANIEL: That it's not too late to regain control...

01:28:24:28 DANIEL (CONT'D O/S): to rebuild your country. Everything you told me before.

01:28:28:13 LEDA: Daniel, I can't.

01:28:30:23 DANIEL: Why?

01:28:31:08 LEDA: Because I'd be lying. Jared is right. Those of us who were unlucky enough  
to live through what's happened will die soon enough, either through  
disease or one of Soren's purges. There is no future.

01:28:46:07 DANIEL: Leda, you were right. There is hope. Don't--don't doubt that, please.

01:28:54:20 LEDA: You believe your people can help us?

01:28:56:23 DANIEL: Yes.

01:28:58:12 LEDA: And what if you do overthrow Soren? What then? You simply leave?

01:29:08:23 LEDA (CONT'D): When Jared became part of Commander Gareth's inner circle,  
he...changed.

01:29:15:14 LEDA (CONT'D): He became remote and distant. I'd forgotten what it was like  
just...to talk to someone.

**STARGATE SG-1 "ICON" Episode #806**

01:29:29:14 LEDA (CONT'D): To feel...

01:29:31:17 DANIEL: Leda...

01:29:35:25 LEDA: I'll speak to him, Daniel...but he won't hear me.

01:29:47:15 O'NEILL: A waste of time. Waste.

01:29:52:20 CARTER: Sir, I think the fact that he hasn't left yet could mean he's still willing to deal.

01:29:56:27 TEAL'C: He has no need for humanitarian aid. The chaos in his country has only served to strengthen his position.

01:30:01:29 CARTER: Well, we can't just give up.

01:30:04:14 O'NEILL: Yes. I know that.

01:30:07:10 CARTER: We're continuing to monitor countless radio signals coming from the planet. One of them could be from Daniel. If we can find a way to contact him--

01:30:13:05 O'NEILL: Find it!

01:30:21:11 CARTER: Yes, sir.

**END OF ACT THREE**

**ACT FOUR**

01:30:46:27 KANE (V/O): I'm telling you, Leda, it's madness. All it will accomplish is to wipe out any chance we have to mount a unified resistance in the future.

01:30:53:05 LEDA (V/O): But what if he's right? What if this is our best opportunity to defeat Soren?

01:30:57:00 KANE: You would have me throw away my life and the lives of my men so that Daniel can return to his world?

01:31:02:18 LEDA: It's not about that. It's about rebuilding our world. His friends can help us do that. Jared, our people need this.

01:31:13:26 KANE: You mean he needs this.

01:31:17:01 KANE (CONT'D): I'm not blind, Leda. I know that you and Daniel have grown close during his convalescence.

01:31:20:02 LEDA: Jared, it's not what you think.

01:31:21:16 KANE: Let me speak. If I could live the last few years differently, Leda...

01:31:27:19 KANE (CONT'D O/S): I would. I would make the time...

01:31:30:24 KANE (CONT'D): but we no longer have the luxury for regrets. I need to know. Do you love him?

**STARGATE SG-1 "ICON" Episode #806**

01:31:39:14 KANE (CONT'D): Leda?

01:31:44:22 LEDA: I trust him.

01:31:51:13 SOREN: Once order has been established, the people of Avidan will live differently...

01:31:55:09 SOREN (CONT'D O/S): than before... Simply. Humbly.

01:31:59:08 SOREN (CONT'D): Waiting for our gods' inevitable return.

01:32:01:19 O'NEILL: You know, we've met these gods upon whom you're so hot, and trust me when I tell you they are not what you think they are.

01:32:09:26 TEAL'C: They will reward your worship with enslavement.

01:32:12:22 SOREN: You are not the first to try to sway our beliefs, but I can assure you, our faith is unshakable.

01:32:21:01 TEAL'C: This is not about faith. This is about a means to power.

01:32:29:05 (ALARM SOUNDING)

01:32:45:14 O'NEILL: That went well.

01:32:47:18 CARTER: Sir, you better get up here.

**STARGATE SG-1 "ICON" Episode #806**

01:33:01:29 O'NEILL: What?

01:33:03:00 CARTER: Well, by implementing new spread-spectrum frequency hopping into  
our communications software--

01:33:07:08 O'NEILL (INTERUPTING): Carter, Carter, Carter...

01:33:08:17 DANIEL (V/O OVER RADIO): Hello?

01:33:10:17 DANIEL (V/O OVER RADIO CONT'D): Guys?

01:33:11:29 CARTER: We found him.

01:33:13:00 O'NEILL: Sweet.

01:33:16:29 O'NEILL (INTO RADIO): Daniel?

01:33:17:22 DANIEL (V/O OVER RADIO): Jack, nice to hear your voice.

01:33:21:02 O'NEILL (INTO RADIO): Likewise. You coming home or what?

01:33:25:00 DANIEL (V/O OVER RADIO): Trying to. As soon as I find my *keltesh*.

01:33:30:18 O'NEILL (O/S INTO RADIO): What?

01:33:31:18 DANIEL (V/O OVER RADIO): Uh...it looks a lot like my *ring kol nok*. You know, I  
lent it to you for *grel-kar kree-nor* day?

**STARGATE SG-1 "ICON" Episode #806**

01:33:42:09 O'NEILL: He's changed.

01:33:43:25 CARTER: Sir, he's speaking Goa'uld.

01:33:45:18 TEAL'C: "*Ring kol nok*" means strategy. "*Keltesh*" speaks of a well-known Jaffa battle tactic--a flanking attack from two sides.

01:34:02:11 O'NEILL: Yes, Daniel. I remember exactly where I put it. Any other...thoughts?

01:34:10:27 DANIEL (V/O OVER RADIO): No, just that I hope someone's been feeding my *lo assak* while I've been away.

01:34:20:13 CARTER: We've pieced together all the Goa'uld words Daniel gave us. If Teal'c's translations are correct, he's suggesting a strategy...

01:34:26:12 CARTER (CONT'D O/S): to retake the bunker.

01:34:27:20 TEAL'C (O/S): He is proposing...

01:34:28:25 TEAL'C (CONT'D): a coordinated attack against Soren.

01:34:30:00 CARTER (O/S): We come through...

01:34:30:25 CARTER (CONT'D): the gate at the same time as Daniel and Kane's men enter from the surface. I'm thinking we take SGs-3, -6...

01:34:36:04 CARTER (CONT'D O/S): and -12 as back-up. We go in hot, secure the gate...

**STARGATE SG-1 "ICON" Episode #806**

01:34:39:16 CARTER (CONT'D): then extract Daniel.

01:34:40:27 TEAL'C: He has supplied an estimate of the strength of Soren's forces as well as  
a possible date and time for the assault.

01:34:45:22 CARTER (O/S): Our next communication is in five...

01:34:47:13 CARTER (CONT'D): hours. All we need to do is confirm everything, and, of  
course, get a go from you, sir.

01:34:52:20 O'NEILL: All right. Well, not to nitpick or anything, here, T, but are you sure you  
got it right?

01:35:00:16 TEAL'C: I am certain, O'Neill.

01:35:04:25 O'NEILL: Okay. Go.

01:35:09:19 KANE: 15 men? That's hardly enough.

01:35:13:05 DANIEL: Look, these are some of the best people on my planet...

01:35:15:16 DANIEL (CONT'D O/S): and they're trained for missions exactly like this. It'll be  
enough. Trust me.

01:35:18:21 DANIEL (CONT'D): If we're going to do this, we have to set it up now. They're  
waiting for your response.

**STARGATE SG-1 "ICON" Episode #806**

01:35:24:09            LEDA: Jared, a rebel patrol is approaching.

01:35:28:20            LEDA (CONT'D O/S): Hide in the cellar.

01:35:29:20            KANE: Leda...

01:35:30:20            LEDA: I know what to do.

01:35:49:25            REBEL SOLDIER (O/S): In the name of Soren, open the door!

01:35:55:00            (KNOCKING)

01:36:02:25            REBEL SOLDIER: Inspection.

01:36:04:28            REBEL SOLDIER (CONT'D O/S): Stand aside.

01:36:06:16            LEDA: Please, just tell me what you're looking for.

01:36:08:27            REBEL SOLDIER: Who owns this house?

01:36:10:02            LEDA: I do.

01:36:11:02            REBEL SOLDIER (O/S): And who else lives here?

01:36:11:18            LEDA: No one.

01:36:14:17            LEDA: You're hurting me.

**STARGATE SG-1 "ICON" Episode #806**

01:36:16:11            REBEL SOLDIER (O/S): We know loyalist soldiers are in the area. Collaboration  
                                 is punishable by death. Search the house.

**END OF ACT FOUR**

**ACT FIVE**

01:36:44:02 REBEL SOLDIER #2 (V/O): There's no one else here...

01:36:45:02 REBEL SOLDIER #2 (CONT'D O/S): but we found some men's clothes and boots.

01:36:48:20 REBEL SOLDIER (O/S): Now, who else lives here?

01:36: 49:20 LEDA (O/S): My husband did.

01:36:51:23 LEDA (CONT'D): He died last month from wounds suffered during the bombings.  
Please...

01:36:56:21 LEDA (CONT'D): I only wish to lead a simple life as it is written in the ancient  
texts.

01:37:07:15 REBEL SOLDIER (O/S): There's nothing here. Let's move.

01:37:25:03 KANE: Once we're close enough, we'll use the city's tunnel systems to get us near  
one of the bunker's access points. After we're inside, we'll wait for Dr.  
Jackson's people to make their move, then we make ours. Understood?

01:37:40:10 KANE (CONT'D): Let's hope your friends keep their end of the bargain.

01:38:15:20 DANIEL: If this works...

01:38:16:26 LEDA: You'll be going home.

**STARGATE SG-1 "ICON" Episode #806**

01:38:20:15            DANIEL: Leda, I...

01:38:21:05            LEDA (O/S): No.

01:38:23:25            LEDA (CONT'D): Go.

01:38:53:01            (ALARMS SOUNDING)

01:39:17:27            REBEL AIDE: Commander, several posts are no longer reporting in. Loyalist  
                             troops have entered from the surface and have managed to take...

01:39:23:06            REBEL AIDE (CONT'D O/S): several key sections.

01:39:24:12            SOREN: Then take them back.

01:39:25:21            REBEL AIDE (O/S): We cannot.

01:39:26:22            REBEL AIDE (CONT'D): They have coordinated their attack with help from the  
                             offworlders. We are losing control of the facility.

01:39:30:23            SOREN: If you're suggesting that we evacuate, think again.

01:39:38:00            (GUNFIRE O/S)

01:39:39:28            (GUNFIRE)

01:39:47:18            (GRENADE EXPLODING)

**STARGATE SG-1 "ICON" Episode #806**

01:39:48:17 (GUNFIRE)

01:39:59:25 KANE: Cease fire!

01:40:04:15 CARTER (SHOUTING): Daniel, you guys okay?

01:40:06:03 DANIEL (SHOUTING): Yeah, we're fine!

01:40:37:17 REBEL AIDE: All stations are dark. The loyalists have us surrounded. They are  
calling for our surrender.

01:40:44:24 SOREN: Engage them.

01:41:22:00 CARTER: Any chance he'll just surrender?

01:41:26:27 REBEL AIDE: Commander, we are hopelessly outnumbered.

01:41:35:03 (GUNSHOT)

01:41:47:29 SOREN: We are all here for one purpose--to honor the will of our gods. In their  
names, we rose up. In their names, we purged the non-believers, and in  
their names, we will die, if necessary. We will not dishonor them with  
cowardice. Now, engage them.

01:42:24:01 SOREN (CONT'D): Engage them.

01:42:30:19 SOREN (CONT'D): You question your faith?

**STARGATE SG-1 "ICON" Episode #806**

01:42:35:20 SOREN (CONT'D): I will show you faith.

01:42:49:29 CARTER: Drop your weapon.

01:42:53:15 CARTER (CONT'D): I said drop your weapon now!

01:42:14:00 KANE: It's over.

01:43:14:25 DANIEL: I hope so. You may have just made him a martyr.

01:43:20:00 KANE: I had no choice.

01:43:24:15 KANE (CONT'D): You can return to your world now.

01:43:26:04 DANIEL: Kane—

01:43:26:26 KANE (INTERUPTING O/S): What happened to us...

01:43:27:26 KANE (CONT'D): was not your fault.

01:43:29:25 DANIEL: I know...but we made a promise, and we intend to keep it.

01:43:36:10 DANIEL (CONT'D): We'll be back to help you rebuild.

01:43:50:10 CARTER: Daniel, are you ready to go home?

DANIEL: Yeah.
