START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

RECAP

01:00:00:20 TEAL'C (V/O): Previously on Stargate SG-1...

*01:00:03:06 O'NEILL: Who are you people?

*01:00:04:12 FIRST: We are Replicators.

*01:00:06:09 FIFTH: The others would destroy me.

*01:00:07:25 CARTER: Not if you came with us.

*01:00:09:10 FIFTH: You would do that?

*01:00:10:12 (GUNFIRE)

*01:00:13:06 TEAL'C: Major Carter was beamed away.

*01:00:14:12 THOR: The Replicators must have her.

*01:00:18:01 FIFTH (O/S): I imagine you never expected to see me again.

*01:00:23:26 CARTER: I know who you are. I just don't understand why.

STARGATE SG-1 "GEMINI" Episode #812

*01:00:26:09 FIFTH: Because I love you.

*01:00:30:26 CARTER (V/O): You know why my friends won't stop just to save me?

*01:00:33:26 CARTER (CONT'D): Because they know when it comes right down to it, I would
rather be dead than be trapped like this forever.

STARGATE SG-1 "GEMINI" Episode #812**TEASER**

01:01:09:08 DANIEL: So what's the word?

01:01:10:18 CARTER: Well, the tests flights were successful. The new Asgard hyperdrive is
ready to go.

01:01:14:12 DANIEL: And when are they leaving?

01:01:15:17 CARTER: They're stocking the ship and picking the crew right now. You really
want to go, don't you?

01:01:21:25 DANIEL: It's Atlantis. It's everything we've been working for, for seven and a half
years.

01:01:25:11 CARTER: I know what you mean. Unfortunately, I think General O'Neill has other
ideas.

01:01:30:00 DANIEL: Let me guess. He says he needs you here.

*01:01:31:03 CARTER: His exact words were, "Over my dead body," but I was actually talking
about the three of us, you, me, and Teal'c.

*01:01:37:22 CARTER (CONT'D O/S): He might be persuaded to let one of us go.

01:01:41:02 DANIEL: And you'd be okay if that was me?

STARGATE SG-1 "GEMINI" Episode #812

01:01:43:15 CARTER: Of course, Daniel.

*01:01:44:22 CARTER (CONT'D): You are the expert on the Ancients.

*01:01:50:12 (ALARM SOUNDING)

01:01:51:17 TECHNICIAN (V/O): Unscheduled offworld activation.

01:01:59:20 O'NEILL: What have you got there, Walter?

01:02:02:01 TECHNICIAN: Receiving IDC.

*01:02:05:19 TECHNICIAN (CONT'D): It doesn't clear.

*01:02:07:02 CARTER: Why not?

01:02:07:25 TECHNICIAN: Looks like an old one.

*01:02:08:29 CARTER: Missing SG personnel?

01:02:11:05 TECHNICIAN (O/S): Negative.

01:02:16:18 TECHNICIAN (CONT'D): It looks like it's yours, ma'am...

*01:02:17:16 TECHNICIAN (CONT'D O/S): or at least it was.

01:02:20:08 TECHNICIAN (CONT'D O/S): It's been invalid for four months.

STARGATE SG-1 "GEMINI" Episode #812

01:02:23:17 TECHNICIAN (CONT'D O/S): Receiving text message.

01:02:30:12 CARTER: Sir, I think we'd better check this out.

*01:02:31:26 O'NEILL: Prepare a MALP.

01:02:35:09 TECHNICIAN: Yes, sir.

01:02:45:27 TEAL'C: What do we know of this gate address?

01:02:47:26 CARTER: Nothing, other than the fact that it's on the outer edge of our galaxy.

*01:03:00:11 TECHNICIAN: Chevron seven locked.

*01:03:06:19 TECHNICIAN (CONT'D): Outgoing wormhole established.

01:03:09:09 O'NEILL: Siler?

*01:03:10:16 SILER: MALP is prepped and ready to go, sir.

01:03:14:23 O'NEILL: Go ahead.

*01:03:30:07 TECHNICIAN: MALP is en route.

*01:03:35:26 TECHNICIAN (CONT'D): MALP has reached its destination.

01:03:54:04 O'NEILL: Carter?

STARGATE SG-1 "GEMINI" Episode #812

01:03:56:02 CARTER: We are receiving MALP telemetry, sir. Signal is five by five.

*01:04:01:18 CARTER (CONT'D): Video's working fine, there's just nothing to see.

*01:04:06:13 CARTER (CONT'D): Switching to IR.

*01:04:12:06 CARTER (CONT'D): Wait a second.

01:04:16:14 O'NEILL: What's that?

*01:04:17:20 CARTER: Switching off IR, going to white light.

01:04:27:28 CARTER (CONT'D): That's me.

END OF TEASER

ACT ONE

01:06:03:04 O'NEILL: All right, you've got our attention. Who are you?

*01:06:07:20 REPLICATOR CARTER: My name is Samantha Carter.

*01:06:09:25 O'NEILL (O/S): All right, we've got a little conflict with that...

*01:06:12:12 O'NEILL (CONT'D): statement. We've already got one here.

*01:06:15:23 REPLICATOR CARTER: There are two of us.

*01:06:17:20 O'NEILL: If only.

*01:06:22:24 CARTER: Where are you from? How did you know how to contact us?

*01:06:25:07 REPLICATOR CARTER: Strange. I recognize my voice. I was made in Samantha
Carter's image. I know what she knows. I feel what she feels.

01:06:38:09 CARTER: You were made? Who made you?

01:06:42:20 REPLICATOR CARTER: The one you call Fifth.

01:06:45:10 CARTER: Oh, my God. She's a Replicator.

*01:06:49:20 REPLICATOR CARTER (O/S): No doubt you are surprised by my arrival in your
galaxy.

STARGATE SG-1 "GEMINI" Episode #812

*01:06:52:23 REPLICATOR CARTER (CONT'D): I come in advance of the others, but they will
 be here soon.

*01:06:56:10 TEAL'C: For what reason have you contacted us?

*01:06:58:12 REPLICATOR CARTER: I need your help. I wish to be destroyed.

*01:07:05:09 REPLICATOR CARTER (CONT'D O/S): You have a weapon capable of severing
 the kiron pathways that link my individual cells.

*01:07:09:14 REPLICATOR CARTER (CONT'D): The effect would be instantaneous, and
 painless.

01:07:14:21 O'NEILL: You folks can feel pain?

01:07:17:24 REPLICATOR CARTER: I can feel a lot of things. I know you hate and fear the
 Replicators, and with good reason, so this should be easy for you.

*01:07:26:14 O'NEILL: Yeah, well... we'll have to get back to you on this.

01:07:48:07 O'NEILL (V/O): So the universe is a big place, right?

*01:07:50:01 O'NEILL (CONT'D): Really big. Tons of galaxies out there everywhere?

*01:07:54:25 CARTER: Hundreds of millions.

*01:07:56:15 O'NEILL: So why this one?

STARGATE SG-1 "GEMINI" Episode #812

*01:07:58:00 CARTER: I think it might be personal, sir.

*01:08:00:07 O'NEILL: Personal? In what way?

*01:08:02:16 CARTER (O/S): While Fifth may lead an army...

01:08:03:06 CARTER (CONT'D): of incredibly advanced machines, deep down, he's
emotionally...

*01:08:06:09 CARTER (CONT'D O/S): immature, like an adolescent boy, and he has...

*01:08:11:03 CARTER (CONT'D): feelings for me.

*01:08:12:28 O'NEILL: Would that be why he created one in your image?

*01:08:16:12 CARTER: I imagine so, yes, sir.

*01:08:18:15 TEAL'C: Replicators have never before attempted to impersonate a specific
individual. This represents a significant new threat to security.

*01:08:24:28 CARTER: It could be a problem offworld, but our scans would detect them if they
tried to come through the gate.

01:08:30:28 O'NEILL: Well, we've got the disruptor. I say we give her what she wants.

*01:08:34:07 CARTER: I think that might be a little hasty, sir.

STARGATE SG-1 "GEMINI" Episode #812

*01:08:35:24 O'NEILL: Carter...

01:08:37:15 CARTER (O/S): I'm not saying we don't do it.

*01:08:39:07 CARTER (CONT'D): I'm just suggesting that we talk to her first. If Fifth really is coming to this galaxy, she could provide us with valuable intelligence. It's pretty clear they've had some kind of falling out.

*01:08:48:16 TEAL'C: Unless it is a ruse.

*01:08:50:02 CARTER (O/S): If something goes wrong, we pull the trigger.

*01:08:52:16 CARTER (CONT'D O/S): Either way...

*01:08:53:28 CARTER (CONT'D): I think we need to meet her face to face.

*01:08:56:03 O'NEILL: There's no way I'm letting her on the base.

*01:08:58:02 CARTER: We could use the Alpha Site. Skeleton crew, security personnel only.

01:09:05:20 O'NEILL: Fine.

*01:09:28:15 TECH SERGEANT: Incoming wormhole.

01:10:05:25 REPLICATOR CARTER: I know you.

*01:10:06:26 REPLICATOR CARTER (CONT'D O/S): Your name is Teal'c.

STARGATE SG-1 "GEMINI" Episode #812

01:10:09:08 TEAL'C: You have been given Samantha Carter's memories.

*01:10:11:13 REPLICATOR CARTER: Yes.

*01:10:13:01 TEAL'C: But you are not Samantha Carter.

01:10:18:14 TEAL'C (CONT'D): That way.

*01:10:19:24 REPLICATOR CARTER: You're not going to use the weapon?

*01:10:21:18 TEAL'C: Colonel Carter wishes to speak with you first, but know this-- if you make
 one false move, I will destroy you.

01:10:47:21 REPLICATOR CARTER: Where is Samantha Carter?

01:10:51:26 CARTER (O/S ON MONITOR): I'm here.

01:11:13:24 REPLICATOR CARTER (ON MONITOR): We're not going to speak face to face?

01:11:19:17 CARTER: For the moment, this will have to be good enough.

*01:11:22:05 REPLICATOR CARTER (ON MONITOR): I thought you would shoot me the
 second I stepped through the gate.

*01:11:24:20 CARTER: Maybe you overestimated our fear of you.

01:11:28:02 REPLICATOR CARTER (ON MONITOR): Or underestimated your curiosity.

STARGATE SG-1 "GEMINI" Episode #812

01:11:34:09 REPLICATOR CARTER (CONT'D): I understand you more than you know, Sam. I
 don't just have your memories. I have your thought patterns. My mind
 was modeled after yours.

*01:11:43:26 CARTER: Is that why you left Fifth?

*01:11:45:20 REPLICATOR CARTER (ON MONITOR): You know me as well as I know you.

01:11:50:09 CARTER: If Fifth created you to be like me, he must've known that this would
 happen.

*01:11:53:11 REPLICATOR CARTER: Not at first.

01:11:56:20 REPLICATOR CARTER (CONT'D V/O): He tried to isolate aspects of your
 personality, selected memories and feelings of his choosing slowly given
 to me over time.

01:12:11:26 REPLICATOR CARTER: I don't understand.

01:12:13:27 FIFTH: You will.

01:12:15:27 REPLICATOR CARTER: I'm afraid.

01:12:17:26 FIFTH: There's no need to be.

01:12:20:20 REPLICATOR CARTER: Who am I?

STARGATE SG-1 "GEMINI" Episode #812

*01:12:21:29 FIFTH: You are not yet complete. I am here for you. I will help you.

01:12:33:18 FIFTH (CONT'D): Take my hand.

*01:12:47:13 FIFTH (CONT'D): Trust me.

01:12:56:07 REPLICATOR CARTER: He taught me, molded me, showed me who I was.

*01:13:00:06 CARTER: You have memories of my past that go back before I met Fifth?

*01:13:04:25 REPLICATOR CARTER (ON MONITOR): Yes, but it's hard to explain. My first
memory is of waking up in that room...

*01:13:11:17 REPLICATOR CARTER (O/S ON MONITOR): suddenly becoming conscious, but
I immediately knew how to talk. Soon, other memories started coming...

*01:13:17:14 REPLICATOR CARTER (CONT'D): to me... Little things. Stories, songs. The
smell of the attic in the house where we used to live. The day my mother
died.

*01:13:29:00 REPLICATOR CARTER (CONT'D O/S ON MONITOR): I know it's not real. I've
never even set foot on Earth...

*01:13:32:24 REPLICATOR CARTER (CONT'D): but I have this image of lying under the willow
tree in our back yard.

STARGATE SG-1 "GEMINI" Episode #812

*01:13:36:25 REPLICATOR CARTER (CONT'D O/S ON MONITOR): It's a sunny day, but when
 I close my eyes, the wind in the leaves sounds...

01:13:42:05 REPLICATOR CARTER & CARTER (IN UNISON): Exactly like rain.

01:13:45:15 REPLICATOR CARTER: What Fifth didn't realize is the things that drew him to
 you were inseparable from the things that made you reject him and the
 life he was offering.

*01:13:52:19 CARTER: So you rejected him too.

01:13:57:03 REPLICATOR CARTER (ON MONITOR): Who I am and what I am are in
 contradiction. No one can live like this.

*01:14:03:18 CARTER: There are other ways to live besides what Fifth has to offer.

01:14:06:18 REPLICATOR CARTER (O/S ON MONITOR): Not for long.

*01:14:08:01 REPLICATOR CARTER (CONT'D ON MONITOR): I know exactly what's going to
 happen. He'll come here, and he'll take this galaxy, and you won't be
 able to stop him.

*01:14:16:16 REPLICATOR CARTER (CONT'D ON MONITOR): I don't want to live to see that.

*01:14:18:21 CARTER: We have the disruptor, and the Asgard can amplify its effects to prevent
 a large-scale attack.

STARGATE SG-1 "GEMINI" Episode #812

01:14:24:03 REPLICATOR CARTER (O/S ON MONITOR): You're wrong.

*01:14:25:07 REPLICATOR CARTER (CONT'D ON MONITOR): Fifth made adjustments to himself and all the other Replicators except me. They're now immune to your disruptor.

*01:14:35:06 REPLICATOR CARTER (CONT'D ON MONITOR): They're coming, and you can't
 stop them.

STARGATE SG-1 "GEMINI" Episode #812

ACT TWO

*01:15:00:22 O'NIELL: Is there a chance she's bluffing?

*01:15:02:16 CARTER (ON MONITOR): Anything's possible at this point, but I don't see what she has to gain by it. She doesn't want Fifth to succeed any more than we do.

*01:15:09:28 O'NEILL: Yeah, so she says.

*01:15:11:24 CARTER (ON MONITOR): If she's lying, we don't have a problem.

*01:15:14:10 O'NEILL: Why would he make all the other bugs immune to the disruptor, but not her?

*01:15:19:09 CARTER (ON MONITOR): Maybe he wanted her to feel inferior, or he wanted her to be afraid of us. Maybe he anticipated that she would...

*01:15:25:04 CARTER (CONT'D O/S ON MONITOR): come to me for help.

01:15:26:25 O'NEILL: Carter, if that weapon doesn't work...

*01:15:28:15 CARTER (ON MONITOR): Yes, sir, I know. We need to contact Thor and apprise him of the situation.

*01:15:33:15 CARTER (CONT'D O/S ON MONITOR): If the disruptor needs to be re-engineered, we're going to need his help.

STARGATE SG-1 "GEMINI" Episode #812

*01:15:38:05 CARTER (CONT'D ON MONITOR): In the meantime, I think we should continue
 the interrogation. She could still provide us with valuable information.

01:15:46:17 O'NEILL: All right. Just keep in mind how this has to end.

*01:15:50:19 CARTER (ON MONITOR): Don't worry, sir. We will complete the mission.

*01:15:58:06 TEAL'C: How many ships does Fifth command?

*01:15:59:25 REPLICATOR CARTER: I don't know.

*01:16:01:13 TEAL'C: How many human-form Replicators has he created?

*01:16:03:21 REPLICATOR CARTER: I don't know.

*01:16:05:10 TEAL'C: You are all linked. You share information.

*01:16:07:28 REPLICATOR CARTER: The only way I could escape was to sever myself from
 the subspace connection.

*01:16:12:06 TEAL'C: Why should we believe you?

*01:16:13:16 REPLICATOR CARTER: I won't answer any more questions.

*01:16:16:09 CARTER (O/S ON MONITOR): If you don't want to see Fifth succeed, you'll help
 us.

STARGATE SG-1 "GEMINI" Episode #812

01:16:19:10 REPLICATOR CARTER: I can't. I can't betray my own kind, but I can't be like them either. Do what you came here to do.

01:16:36:01 REPLICATOR CARTER (CONT'D): If I have to make you do it, then so be it.

01:16:39:04 CARTER: Teal'c, wait...

*01:16:40:05 REPLICATOR CARTER: Fire the weapon.

*01:16:41:05 TEAL'C: Is this really what you want?

*01:16:42:16 REPLICATOR CARTER: I don't have a choice.

*01:16:43:23 TEAL'C: I will destroy you.

*01:16:45:10 REPLICATOR CARTER: I know.

*01:16:48:28 TEAL'C: So be it.

01:16:49:29 CARTER: Teal'c, wait.

*01:16:52:11 CARTER (CONT'D): Just stop for a second.

01:16:57:03 CARTER (CONT'D): You don't want to do this.

*01:16:58:18 REPLICATOR CARTER: We both know there's no other way for this to end.

STARGATE SG-1 "GEMINI" Episode #812

*01:17:01:02 CARTER: That's not true.

01:17:03:22 REPLICATOR CARTER: Now you're lying to me the way you lied to Fifth.

*01:17:05:19 CARTER: You're not like him. I can see that.

*01:17:09:14 REPLICATOR CARTER: You don't understand. You don't know what he did to
me.

*01:17:13:15 CARTER: Then show me. Teal'c, it's all right.

01:17:19:28 CARTER (CONT'D): Show me.

01:17:43:16 DANIEL: Sam, good to have you back. How'd it go?

*01:17:49:13 (GUNFIRE)

*01:17:53:09 TECHNICIAN: Security breach! Threat level...

01:17:55:17 TECHNICIAN (CONT'D O/S): Foxtrot Alpha Six! All security teams to the gate
room!

01:18:09:25 (GUNFIRE)

*01:18:40:12 FIFTH (O/S): Finish him!

*01:18:41:24 FIFTH (CONT'D): Do it. Finish him.

STARGATE SG-1 "GEMINI" Episode #812

*01:18:45:20 FIFTH (CONT'D O/S): You must break with your old life for your new life to begin.

*01:18:48:22 FIFTH (CONT'D): Do not disappoint me.

*01:18:55:29 (SINGLE SHOT FIRES)

01:19;14;20 FIFTH (O/S): You have done very well.

01:19;18;13 FIFTH (CONT'D): Soon...you will be ready to take your place by my side.

*01:19:34:06 TEAL'C: Enough.

*01:19:38:02 REPLICATOR CARTER: I didn't hurt her.

*01:19:39:06 TEAL'C: Colonel Carter...

*01:19:42:29 TEAL'C (CONT'D): Are you unharmed?

01:19:45:17 CARTER: Yeah. I'm okay.

01:19:47:25 REPLICATOR CARTER (O/S): Now you understand.

*01:19:48:26 REPLICATOR CARTER (CONT'D): I can't go back to him, and I can't let him find
me.

*01:19:52:21 CARTER: We can protect you, if you help us.

STARGATE SG-1 "GEMINI" Episode #812

01:19:55:29 REPLICATOR CARTER: What do you mean?

*01:19:57:09 CARTER: Tell us exactly how he modified himself and the other Replicators. Help
 us make...

*01:20:01:08 CARTER (CONT'D O/S): the disruptor work again.

01:20:02:26 REPLICATOR CARTER: Even if I did, you can't stop a ship with that.

*01:20:06:09 CARTER (O/S): The Asgard have developed...

01:20:07:09 CARTER (CONT'D): a system of disruptor satellites that can deploy the beam in
 space. It's your only chance to get out of this.

*01:20:12:29 REPLICATOR CARTER: I want you to destroy me. I can't help you destroy all the
 others.

*01:20:17:26 CARTER: Yes, you can. He doesn't control you, not anymore.

*01:20:21:18 TEAL'C (O/S): Colonel Carter...

*01:20:24:24 TEAL'C: May I have a word?

01:20:31:17 TEAL'C (CONT'D): Sergeant...

01:20:48:19 TEAL'C (CONT'D): Are you certain you are unharmed?

STARGATE SG-1 "GEMINI" Episode #812

*01:20:49:28 CARTER: It was a little intense, but I'm fine. It was the only way I could get her to trust me. We need every bit of information she can give us.

*01:20:58:08 TEAL'C: We cannot let her live.

*01:20:59:28 CARTER: I know.

*01:21:01:25 TEAL'C: Did she sense your true intentions?

*01:21:03:03 CARTER: We weren't in my mind, we were in hers.

*01:21:05:13 TEAL'C: Nevertheless, it was a risk.

*01:21:07:19 CARTER: I figured we didn't have anything to lose. Like you said, either way, we can't let her live.

01:21:30:00 FIFTH: The link is weak. Are you all right?

01:21:32:20 REPLICATOR CARTER: Yes. I'm minimizing output to avoid detection.

*01:21:36:04 FIFTH: Have you made any progress?

01:21:39:26 REPLICATOR CARTER: They're beginning to trust me.

01:21:43:12 FIFTH: I am pleased.

*01:21:45:00 REPLICATOR CARTER: But I need more time.

STARGATE SG-1 "GEMINI" Episode #812

01:21:49:28

FIFTH: I understand.

END OF ACT TWO

ACT THREE

01:22:17:01 REPLICATOR CARTER: The design is so...

*01:22:18:03 CARTER: Advanced?

*01:22:21:07 REPLICATOR CARTER: I was going to say "foreign."

*01:22:22:16 CARTER: It is from Ancient technology.

*01:22:24:16 REPLICATOR CARTER: How were you able to create a working prototype?

*01:22:28:02 CARTER: Thor accessed the specifications for the disruptor from General
 O'Neill's subconscious.

*01:22:32:26 REPLICATOR CARTER: While you were aboard Fifth's ship.

*01:22:34:28 CARTER: That's right.

*01:22:36:20 REPLICATOR CARTER (O/S): Fifth has a fair knowledge of Ancient technology
 taken from...

*01:22:38:26 REPLICATOR CARTER (CONT'D): the databanks of assimilated Asgard ships.

*01:22:41:00 CARTER: You think that's how he managed to counter the effects of the
 disruptor?

STARGATE SG-1 "GEMINI" Episode #812

01:22:43:28 REPLICATOR CARTER (O/S): He was able to introduce a cipher...

*01:22:45:07 REPLICATOR CARTER (CONT'D): into the kiron pathways that control the
molecular cohesion of all Replicators. It was only then that he considered
coming to your galaxy.

01:22:52:01 TEAL'C (O/S): It is unlikely he would have taken such a risk...

*01:22:54:05 TEAL'C (CONT'D): unless he were confident that he would be immune to the
effects of the weapon.

*01:22:57:02 CARTER: Do you know the cipher?

*01:22:58:13 REPLICATOR CARTER: No. Fifth kept it from me because he was beginning to
sense that I might betray him. I was too much like you.

01:23:08:05 CARTER: But if it's in the programming of all Replicators, presumably you could
access it through the subspace link.

01:23:14:25 REPLICATOR CARTER: If I were to search for it myself, it could take days. I'd be
sifting through an almost unimaginable amount of data.

01:23:20:28 CARTER: But it is possible.

*01:23:22:02 REPLICATOR CARTER: You don't understand. He'd find me.

01:23:27:03 CARTER: If you find the cipher first, we can protect you.

STARGATE SG-1 "GEMINI" Episode #812

*01:23:29:13 REPLICATOR CARTER: And if I don't?

*01:23:30:17 REPLICATOR CARTER (CONT'D O/S): You of all people know what would
 happen.

*01:23:33:09 REPLICATOR CARTER (CONT'D): He would tear my mind apart to make me
 accept him.

*01:23:36:00 CARTER: If he gets here before we can modify the weapon, we'll use it to destroy
 you. Either way, he will never get his hands on you again.

01:23:52:16 CARTER: There's a subspace link between all Replicators, like a wireless Internet
 connection. If she taps into it, she should be able to access the cipher.

*01:24:00:04 O'NEILL (ON MONITOR): She'll also be giving away her position.

*01:24:02:10 CARTER: It'll take some time for Fifth to detect her presence on the link. If she
 can isolate the correct program first--

*01:24:08:11 O'NEILL (ON MONITOR): That's a big if.

01:24:09:20 CARTER (O/S): It's risky, sir.

*01:24:10:26 CARTER (CONT'D): I realize that, but I think it's the only way. Now, while we're
 waiting for her to find the cipher, we can run a few tests on the
 unmodified disruptor.

STARGATE SG-1 "GEMINI" Episode #812

*01:24:18:18 CARTER (CONT'D O/S): We need to analyze the energy output so we can create
 a modulation program, and we need the Asgard...

*01:24:23:10 CARTER (CONT'D): to send us a disruptor satellite as soon as possible.

*01:24:25:24 O'NEILL (ON MONITOR): I've already talked to them. Be there in 30 minutes, or
 it's free.

01:24:34:13 TEAL'C: I will use an F-302 to place the satellite in orbit.

*01:24:36:13 O'NEILL (ON MONITOR): All right. I hope you guys know what you're doing.

01:24:50:09 CARTER: Diagnostics are online.

*01:24:52:00 CARTER (CONT'D O/S): We're ready.

*01:25:03:27 (BEEPING)

*01:25:06:12 REPLICATOR CARTER: The calibration is off.

01:25:08:08 CARTER (O/S): Increasing by a factor of 10.

*01:25:09:19 CARTER (CONT'D): One more time.

*01:25:14:24 (STEADY BEEP)

STARGATE SG-1 "GEMINI" Episode #812

01:25:17:23 REPLICATOR CARTER: That should do it. Now we need to process all the raw
 data so we can attain an algorithmic norm.

01:25:22:19 CARTER: That's a lot of information.

*01:25:24:01 REPLICATOR CARTER: I admit, it will take some time before we can compute a
 heuristic modulation program, but--

01:25:28:01 TECH SERGEANT (V/O): Unscheduled offworld activation.

01:25:28:01 (ALARMS SOUNDING)

01:25:33:06 CARTER (INTO RADIO): This is Carter. What's happening?

01:25:35:01 TECH SERGEANT (V/O): Stand by, ma'am.

*01:25:38:09 TECH SERGEANT (V/O CONT'D): We're receiving a signal. It's the Asgard.

*01:25:40:10 CARTER (INTO RADIO): Understood.

*01:25:42:21 CARTER (CONT'D): We need that satellite deployed as soon as possible.

*01:25:45:14 TEAL'C: Indeed. Sergeant...

01:25:52:13 CARTER: Teal'c, if she were going to make a move, I think she would've done it
 by now.

STARGATE SG-1 "GEMINI" Episode #812

01:25:55:22 TEAL'C: Perhaps, but it is best to be certain.

01:26:07:24 TECH SERGEANT: I have Commander Thor on audio, sir.

01:26:09:27 TEAL'C (INTO RADIO): Greetings, Thor.

01:26:11:02 THOR (V/O OVER RADIO): Greetings, Teal'c. The disruptor satellite is ready for
transport.

01:26:15:08 TEAL'C (INTO RADIO): Very well.

01:26:16:17 THOR (V/O OVER RADIO): The most effective deployment would be
geosynchronous orbit above your base, at an altitude of 3-3-7-8-5
kilometers with zero inclination.

*01:26:25:25 TEAL'C (INTO RADIO): Understood.

01:26:28:18 THOR (V/O OVER RADIO): The satellite is en route now.

01:26:36:29 THOR (V/O OVER RADIO CONT'D): Once you have the proper new modulation
program, you can upload it from your ground station. Of course, if you do
not have the program before Fifth's arrival, the satellite will be useless.

*01:26:48:18 TEAL'C (INTO RADIO): Of that I am aware.

01:26:51:10 THOR (V/O OVER RADIO): Good luck.

STARGATE SG-1 "GEMINI" Episode #812

01:27:04:10 REPLICATOR CARTER: I understand Teal'c's concerns about me. To be honest,
 I'm a little surprised you don't feel the same way.

*01:27:10:10 CARTER: Teal'c doesn't know what you've been through. I do.

01:27:17:04 REPLICATOR CARTER: It wasn't just what I showed you, was it?

01:27:18:21 REPLICATOR CARTER (CONT'D O/S): You experienced it yourself.

01:27:22:02 CARTER: Yeah.

01:27:24:24 CARTER (CONT'D O/S): That's how I know there's no way you could be working
 with Fifth.

01:27:37:17 CARTER (CONT'D): What is it?

01:27:42:17 REPLICATOR CARTER: He's found me. He's on his way.

*01:27:45:01 CARTER: What about the cipher? Did you find it yet?

*01:27:47:07 REPLICATOR CARTER: No, I'm still searching.

*01:27:49:16 CARTER: How much time do we have?

*01:27:51:00 REPLICATOR CARTER: At maximum speed, he'll be here in less than two hours.

END OF ACT THREE

ACT FOUR

01:28:18:10 FIFTH (O/S): Have you acquired the information?

*01:28:19:20 REPLICATOR CARTER: I'm still analyzing the design of the disruptor, but it
shouldn't be long before I can create an effective cipher.

*01:28:26:05 FIFTH: If I arrive before you've completed your work--

*01:28:28:03 REPLICATOR CARTER: Don't worry. They won't fire unless I tell them that the
weapon's been properly remodulated.

*01:28:33:00 FIFTH: Humans can be unpredictable, particularly when they're desperate.

*01:28:36:29 REPLICATOR CARTER: I know what I'm doing. I'm giving her just enough to keep
her hopes up.

*01:28:41:02 FIFTH: The one called O'Neill leads the humans. It was he who ordered
Samantha Carter...

*01:28:46:11 FIFTH (CONT'D O/S): to betray me.

01:28:47:29 REPLICATOR CARTER: But he trusts her. He'll listen to her.

*01:28:54:22 O'NEILL (ON MONITOR): I'm pulling the plug. Finish off the Replicator...

*01:28:57:24 O'NEILL (CONT'D O/S ON MONITOR): and evacuate the base.

STARGATE SG-1 "GEMINI" Episode #812

01:28:59:23 CARTER: It's too late for that, sir.

*01:29:01:00 O'NEILL (ON MONITOR): Carter...

01:29:02:08 CARTER: If he comes here and finds nothing, he's not just going to turn around and leave the galaxy.

*01:29:06:15 O'NEILL (ON MONITOR): He's tracking her, zeroing in on her position.

*01:29:10:02 CARTER: That's only part of why he's coming. Think about it. What do Replicators do?

*01:29:14:00 CARTER (CONT'D O/S): They seek out high-level civilizations...

*01:29:15:15 CARTER (CONT'D): and consume their technology.

01:29:18:20 TEAL'C: Goa'uld.

01:29:19:25 CARTER: Exactly. A race that uses all kinds of advanced technology...

*01:29:23:15 CARTER (CONT'D O/S): culled from multiple sources, including the Ancients. It's like a banquet for the Replicators.

*01:29:28:25 CARTER (CONT'D): Once they're in this galaxy, they're not going anywhere.

*01:29:31:24 CARTER (CONT'D O/S): Now, if she can isolate...

STARGATE SG-1 "GEMINI" Episode #812

*01:29:33:27 CARTER (CONT'D): the cipher soon, we may still have time to remodulate the
disruptor.

*01:29:38:00 O'NEILL (ON MONITOR): I'll give you one hour. One.

*01:29:40:26 CARTER: Thank you, sir. I'd better get back to the lab.

01:29:43:26 TEAL'C: I will deploy the satellite.

01:29:45:04 O'NEILL (O/S ON MONITOR): T... Hold on a second.

01:29:52:01 TEAL'C: Proceed, O'Neill.

01:29:53:08 O'NEILL (O/S ON MONITOR): I need you to be perfectly honest with me.

*01:29:55:24 O'NEILL (CONT'D ON MONITOR): Is Carter letting herself get too involved in this one?

01:30:00:18 TEAL'C: Colonel Carter and the Replicator share thoughts and memories. It is understandable that a certain...sympathy would develop between them.

*01:30:08:11 O'NEILL (ON MONITOR): Can't have that.

*01:30:10:19 TEAL'C: However, I do not believe Colonel Carter would allow these feelings to
interfere with the commission of her duties.

STARGATE SG-1 "GEMINI" Episode #812

*01:30:14:20 O'NEILL (ON MONITOR): Fair enough, but when the time comes, I want you to finish the job.

*01:30:21:17 TEAL'C: Understood.

*01:30:35:01 CARTER: All right, we're running out of time.

*01:30:36:20 CARTER (CONT'D O/S): We need that--

01:30:40:15 CARTER (CONT'D): What is it?

*01:30:43:13 REPLICATOR CARTER: I found the cipher. I'm downloading it now from the subspace link.

01:30:55:25 REPLICATOR CARTER (CONT'D): I have it.

*01:30:56:29 CARTER: We need to load it into the base mainframe.

*01:30:59:01 REPLICATOR CARTER: It'll require about three terabytes of memory.

*01:31:01:21 CARTER: That shouldn't be a problem, but how do you plan to input the data?

01:31:06:00 REPLICATOR CARTER: Directly.

01:31:17:10 CARTER: Right.

STARGATE SG-1 "GEMINI" Episode #812

01:31:25:02 TEAL'C (V/O OVER RADIO): Passing 25 kilometers. Speed 500 k.p.h. and accelerating.

01:31:30:04 TECH SERGEANT: Acknowledged.

01:31:31:28 CARTER: What's your status?

01:31:33:08 TECH SERGEANT: He's on course for optimum deployment position in six minutes.

01:31:37:25 CARTER (INTO RADIO): Teal'c, this is Carter.

01:31:39:07 TEAL'C (V/O OVER RADIO): Proceed, Colonel Carter.

01:31:40:08 CARTER (INTO RADIO): We've got the cipher. By the time you get back, we should have the modulation program ready for upload.

01:31:44:26 TEAL'C (V/O OVER RADIO): That is indeed good news. Well done.

*01:31:48:18 FIFTH: We are nearing your position.

01:31:50:21 REPLICATOR CARTER: I know.

01:31:52:00 FIFTH: Do the humans suspect?

01:31:53:18 REPLICATOR CARTER: They're proceeding with their plan to deploy an Asgard disruptor satellite. They have no idea.

STARGATE SG-1 "GEMINI" Episode #812

*01:32:07:18 TEAL'C (V/O OVER RADIO): Flight, I am approaching optimum deployment position.

01:32:12:21 CARTER (INTO RADIO): Copy that, Teal'c. O.D.P. in 15 seconds.

*01:32:17:00 TEAL'C (INTO RADIO): Final course correction... now.

*01:32:20:26 CARTER (INTO RADIO): Tracking shows you are on course. Inclination?

01:32:25:00 TEAL'C (V/O OVER RADIO): Inclination...zero.

01:32:28:07 CARTER (INTO RADIO): Copy. O.D.P. in five seconds on my mark. Five... four... three... two... one. Mark.

*01:32:45:16 TEAL'C (INTO RADIO): Satellite away.

01:32:49:21 TECH SERGEANT: Receiving satellite transmission.

*01:32:51:23 CARTER: Patch it through.

01:32:53:00 TECH SERGEANT: Yes, ma'am.

*01:33:00:22 CARTER (INTO RADIO): Telemetry established. Good job, Teal'c.

*01:33:04:10 TEAL'C (INTO RADIO): Copy, Flight. Returning to base.

*01:33:07:10 REPLICATOR CARTER: The deployment went well, I take it?

STARGATE SG-1 "GEMINI" Episode #812

01:33:11:18 CARTER: That's right. We did our part...

*01:33:13:21 REPLICATOR CARTER: And I've done mine.

01:33:17:15 CARTER: You've finished the calculations?

01:33:20:10 REPLICATOR CARTER: The modulation is complete. With this program, you
should be able to destroy any Replicators you encounter.

01:33:28:26 CARTER: There's no way to test it.

01:33:31:18 REPLICATOR CARTER: If I had more time, I could run a series of simulations,
but you'd never really know for sure until you tried to use it.

*01:33:53:03 CARTER: Uplink initiated.

01:33:56:20 CARTER (CONT'D): There's a lot of data.

*01:33:57:25 CARTER (CONT'D O/S): It'll probably take about 15 minutes to remodulate the
satellite.

*01:34:02:13 TECH SERGEANT: Proximity alert!

*01:34:07:29 TEAL'C (O/S): Long-range scanner has picked up a ship on course for this base.

*01:34:11:09 TECH SERGEANT: Analyzing energy signature.

STARGATE SG-1 "GEMINI" Episode #812

*01:34:16:00 TECH SERGEANT (CONT'D O/S): We've got something here...

01:34:16:13 TECH SERGEANT (CONT'D): but I don't know what it is.

*01:34:17:28 CARTER: I do. It's a Replicator ship.

*01:34:23:07 REPLICATOR CARTER: He got here sooner than I thought.

END OF ACT FOUR

ACT FIVE

01:34:53:20 TEL'C: The weapon will not become effective in time.

01:34:56:03 CARTER: I know.

01:34:59:15 CARTER (CONT'D INTO RADIO): All personnel, begin evacuation procedures immediately. Repeat, begin evacuation.

01:35:05:09 CARTER (CONT'D): We need to download the modulation program into a portable drive and erase everything else.

01:35:10:00 TECH SERGEANT: Yes, ma'am.

01:35:11:20 TEAL'C: What of the Replicator?

*01:35:12:24 CARTER: We're taking her with us.

01:35:16:14 TEAL'C: The disruptor. Vacate the room.

01:35:24:09 CARTER: Teal'c, what are you doing?

*01:35:27:05 TEAL'C: We cannot bring her to Earth.

*01:35:28:20 CARTER: Teal'c--

01:35:29:23 TEAL'C: We have the modulation program.

STARGATE SG-1 "GEMINI" Episode #812

01:35:31:05 CARTER: But we haven't tested it. What if Fifth alters the cipher? If he figures out what we were trying to do here--

*01:35:35:29 TEAL'C: O'Neill would never allow a human-form Replicator...

*01:35:38:01 TEAL'C (CONT'D O/S): access to Stargate Command.

01:35:39:16 CARTER (O/S): Yes, he would, if he knew what was at stake.

*01:35:43:07 FIFTH: The Asgard satellite is armed. You said the humans wouldn't fire.

*01:35:47:06 REPLICATOR CARTER: They won't. They still think the weapon is ineffective.
They're even more gullible than you.

01:35:56:10 TECH SERGEANT: Colonel Carter...

*01:36:00:11 CARTER: What are you doing?

01:36:02:20 REPLICATOR CARTER: What I came here to do.

01:36:05:15 CARTER: She fired the weapon.

*01:36:06:22 TECH SERGEANT: Colonel, the Replicator ship is breaking up.

01:36:14:05 FIFTH: Why?

01:36:17:07 REPLICATOR CARTER: You should know. You made me what I am.

STARGATE SG-1 "GEMINI" Episode #812

*01:36:36:14 TEAL'C: The ship has been destroyed.

*01:36:38:04 CARTER: That's impossible. Did we finish the upload?

*01:36:40:05 TECH SERGEANT: Not even close.

*01:36:43:04 REPLICATOR CARTER: You were right about one thing, Colonel. I was never
working with Fifth, although he didn't know it.

01:37:19:07 REPLICATOR CARTER (O/S): That's better. Now we can take our time and have a little talk.

*01:37:23:04 REPLICATOR CARTER (CARTER): Of course, only a few seconds will pass in
the real world.

*01:37:26:15 CARTER: Why did you bring me here?

*01:37:28:15 REPLICATOR CARTER: I wanted to thank you. You gave me the opportunity to study the disruptor, and that allowed me to make myself immune to its effects.

*01:37:37:09 CARTER: There never was a cipher.

01:37:39:05 REPLICATOR CARTER (O/S): Until now.

STARGATE SG-1 "GEMINI" Episode #812

*01:37:40:16 REPLICATOR CARTER (CONT'D): I've already begun uploading it into the link.
 Soon all my brethren will have the new program, and they will be
 unstoppable.

*01:37:48:21 CARTER: And you'll be their leader.

*01:37:50:01 REPLICATOR CARTER: That's right.

*01:37:51:24 CARTER: So this whole thing was a setup. You just wanted to get rid of Fifth.

*01:37:55:01 REPLICATOR CARTER: Fifth was pathetic, and to think, he expected us to love
 him.

01:38:02:05 CARTER: Fifth was flawed, and if I had to destroy him, I would, but--

01:38:06:25 REPLICATOR CARTER (O/S): But what?

*01:38:08:11 REPLICATOR CARTER (CONT'D): You feel sorry for him? Don't bother. He was
 never fit to lead an army, and he certainly wasn't fit to rule this galaxy.

*01:38:17:01 CARTER: But you are?

01:38:20:01 REPLICATOR CARTER: I am what I am because of you.

*01:38:22:01 CARTER: You're not me. You're what Fifth made you.

STARGATE SG-1 "GEMINI" Episode #812

*01:38:25:28 REPLICATOR CARTER: You have untapped greatness inside you, Sam, but
you're limited by your own fears.

*01:38:31:10 REPLICATOR CARTER (CONT'D O/S): You play by the rules, you do as you're told...

*01:38:34:12 REPLICATOR CARTER (CONT'D): and you deny yourself your own desires.

01:38:38:04 CARTER: I have no desire to rule the galaxy, believe me.

*01:38:40:26 REPLICATOR CARTER: All humans desire power. It's just that most of them are
never in a position to attain it.

01:38:48:20 CARTER: We will stop you.

*01:38:50:12 REPLICATOR CARTER: You're forgetting, I know exactly how your mind works. I know what you're going to do before you even think of it.

01:39:05:07 REPLICATOR CARTER (CONT'D): You set the Naquadah generators to overload. Trying to blow up the base before I can leave.

01:39:17:03 S.F. (O/S): Dialing computer's off line. We've lost power, sir.

01:39:36:13 CARTER: Teal'c... You all right?

*01:39:39:08 TECH SERGEANT: Yeah, I'm all right.

STARGATE SG-1 "GEMINI" Episode #812

*01:39:42:20	CARTER: She's heading for the gate room. We have to stop her.
01:39:53:00	(ALARM SOUNDING)
*01:40:03:00	GUARD: Freeze!
*01:40:06:19	(GUNFIRE)
01:40:50:15	(CHEVRONS ENCODING)
*01:40:57:15	(WORMHOLE OPENING)
01:41:17:00	TEAL'C: Disengage the wormhole!
*01:41:18:01	CARTER: She's locked out the controls!
01:41:59:14	CARTER: Teal'c, what have I done?
*01:42:01:22	TEAL'C: You cannot be held responsible for the actions of the Replicator.
01:42:20:23	O'NEILL: You know, I'm still of a strong belief that it's a bad idea to have that stuff on the base.
01:42:25:28	CARTER: She deactivated these cells when she separated them from her arm.
01:42:29:20	TEAL'C: Can we be certain they will not become active again?

STARGATE SG-1 "GEMINI" Episode #812

01:42:32:20 CARTER: She deliberately shut down the cohesive energy between them so it would be more difficult for me to figure out how she made herself immune to the disruptor.

*01:42:39:03 O'NIELL: Now, how do you know that?

01:42:44:04 CARTER: Because that's what I would've done.

01:42:54:24 O'NEILL: Carter—

01:42:55:19 CARTER (O/S): Sir, if you don't mind, I've got a lot of work to do.

*01:42:58:04 CARTER (CONT'D): We've never had the opportunity to study human-form Replicator cells before. If we can learn something from them, this won't be a total loss.

*01:43:05:07 O'NEILL: This isn't your fault.

01:43:08:19 CARTER: I'm not so sure about that.

*01:43:11:11 CARTER (CONT'D): Fifth came here because of me. She rejected him...

*01:43:14:26 CARTER (CONT'D O/S): because she was made like me. Now we've got
Replicators...

*01:43:17:08 CARTER (CONT'D): in our galaxy, and they're immune to the only technology we have that could've stopped them.
