TEASER

01:00:00:25 DANIEL: Come on, Jack.

01:00:01:25 O'NEILL: Still no, Daniel.

01:00:03:00 DANIEL: But it won't be on a permanent basis.

01:00:04:07 O'NEILL: I didn't let you go in the first place. What makes you think I'm going to
change my mind?

01:00:07:17 DANIEL: Because...

01:00:09:12 O'NEILL: Can you try to do better than that?

01:00:11:09 DANIEL: Because they're going to need somebody who can translate Ancient. I'm
the most qualified person left on the planet for the mission.

01:00:15:09 O'NEILL: Which is exactly why you're going to stay right here.

01:00:18:17 DANIEL: Because I'll quit.

01:00:21:12 O'NEILL: Why don't you just hold your breath? You haven't done that in a while.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:00:28:07 O'NEILL: General!

01:00:30:08 HAMMOND: Jack. I let myself in. Hope you don't mind.

01:00:33:01 O'NEILL: Absolutely not. Welcome.

01:00:34:25 HAMMOND: Thank you.

01:00:38:13 O'NEILL: Miss the chair?

01:00:39:13 HAMMOND: Actually, I do.

01:00:40:28 O'NEILL: Want it back?

01:00:42:01 HAMMOND (O/S): As a matter of fact...

01:00:42:17 HAMMOND (CONT'D): I do. My new one just isn't the same.

01:00:47:06 O'NEILL: That's not exactly what I meant.

01:00:49:28 HAMMOND: Dr. Jackson. Nice to see you again.

01:00:53:00 DANIEL: Likewise. We miss you around here, Sir. So, to what do we owe this
pleasure?

01:00:59:24 HAMMOND (O/S): I came to ask if you'd be interested...

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:01:01:07 HAMMOND (CONT'D): In joining the mission to Atlantis.

01:01:03:19 O'NEILL AND DANIEL (SIMULTANEOUSLY): You did?

01:01:05:02 HAMMOND: He's the most qualified person on this planet, and the mission commander needs...

01:01:08:17 HAMMOND (CONT'D O/S): Someone who can translate Ancient.

01:01:12:23 DANIEL: Really?

01:01:12:20 O'NEILL (O/S): With all due respect, Sir...

01:01:14:03 O'NEILL (CONT'D): I think you should tell the mission commander that I need Daniel right here.

01:01:18:10 HAMMOND: You just did.

01:01:19:18 O'NEILL: I did. I did? You, Sir?

01:01:25:04 HAMMOND: Yes. Request denied.

01:01:27:23 HAMMOND (CONT'D O/S): Dr. Jackson, you're with me.

01:01:30:28 HAMMOND (CONT'D): I'll have the chair shipped to Washington.

01:01:33:22 HAMMOND (CONT'D): You can requisition a new one.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:01:36:00 O'NEILL: I'll do that, Sir.

01:01:38:06 HAMMOND: We leave tomorrow. Oh, and I'll be taking Walter too.

END OF TEASER

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811**ACT ONE**

01:03:23:06 DANIEL: General.

01:03:24:28 HAMMOND: Welcome aboard.

01:03:26:28 DANIEL: Thank you, Sir, again.

01:03:29:09 HAMMOND: My motives were purely selfish...

01:03:30:09 HAMMOND (CONT'D): Dr. Jackson. We haven't heard a word from the Atlantis
 expedition...

01:03:33:19 HAMMOND (CONT'D): Team since they first left. We have no idea what we're
 going to find in Pegasus.

01:03:37:26 HAMMOND (CONT'D): Your knowledge and expertise will no doubt prove
 invaluable.

01:03:41:09 DANIEL: General, if...

01:03:42:11 DANIEL (CONT'D): If you don't mind my asking...

01:03:43:23 HAMMOND: Why am I going?

01:03:44:23 DANIEL: Well, you could have chosen anyone to command this mission.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:03:47:05 HAMMOND: I sat back and watched you people go on a lot of adventures over the years.

01:03:51:07 DANIEL: I just thought when you were replaced at the SGC, you were sort of...bucking for retirement.

01:03:56:06 HAMMOND: And then I led Prometheus against Anubis' fleet.

01:03:59:04 DANIEL: Got your dander up.

01:04:00:16 HAMMOND: Well, that's why I took the job as head of Homeworld Security, and then, this opportunity came along. Well, the President put me in charge, so I could choose anyone I wanted to lead the mission.

01:04:09:21 DANIEL: So why not choose yourself?

01:04:11:03 HAMMOND: Like I said, I've sent a lot of people into action over the years, and more than a few didn't come back. I'd like to see this one through personally.

01:04:19:20 DANIEL: We've never left anyone behind, Sir.

01:04:21:24 HAMMOND: And we're not going to this time.

01:04:31:12 DANIEL (V/O): Last reported...

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:04:31:20 DANIEL (CONT'D): MALP telemetry from Atlantis indicated an enclosed space with viable life support.

01:04:34:15 (HICCUPS)

01:04:36:04 NOVAK (WHISPERING): Stop it. You're pathetic.

01:04:37:14 DANIEL: Now, we're going on the assumption that the expedition team found the
lost city and was able to set up a base of operations there.

01:04:41:08 (HICCUPS)

01:04:42:16 NOVAK: Sorry.

01:04:43:16 HAMMOND: Dr. Novak?

01:04:44:16 NOVAK: The Asgard Hyperdrive is functioning at 100%, Sir.

01:04:48:11 HAMMOND: Thank you. Dr. Jackson.

01:04:50:16 DANIEL: I'm sorry. What was I saying?

01:04:53:08 NOVAK (O/S): Oh, you were assuming the lost city...

01:04:54:16 NOVAK (CONT'D): Is at the other end of this field trip.

01:04:56:00 (HICCUPS)

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:04:57:15 NOVAK: Please ignore me.

01:04:58:15 DANIEL: It's hard to.

01:05:00:29 HAMMOND (O/S): You disagree...

01:05:01:11 HAMMOND (CONT'D): Doctor?

01:05:02:16 NOVAK: Well, as far as we know, the Atlantis team found...

01:05:04:06 NOVAK: Another outpost like the one in Antarctica. It could be on a moon or at the bottom of some deep, dark ocean.

01:05:09:21 (HICCUPS)

01:05:09:25 HAMMOND: Which is why we're going. If they're trapped and need help--

01:05:12:01 NOVAK (INTERRUPTING O/S): If they're even...

01:05:12:12 NOVAK (CONT'D): Alive at all.

01:05:13:28 DANIEL: As for why they've been unable to make contact with Earth, hopefully it's just a matter of being unable to locate a viable power source.

01:05:19:28 HAMMOND (O/S): Using information collected from the Ancient outpost...

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:05:22:10 HAMMOND (CONT'D): On Earth, Dr. Jackson and his team have pinpointed our destination...

01:05:25:28 HAMMOND (CONT'D O/S): In the Pegasus Galaxy.

01:05:27:28 DANIEL (O/S): Which is...

01:05:28:07 DANIEL (CONT'D): Here.

01:05:30:18 (HICCUPS)

01:05:31:21 NOVAK: Damn it to hell.

01:05:37:15 (SLURPING)

01:05:37:15 (SLURPING CONT'D)

01:05:41:27 (SLURPING CONT'D)

01:05:54:08 DANIEL: Dr. Novak.

01:05:55:08 NOVAK: Dr. Jackson.

01:05:56:20 DANIEL: Daniel.

01:05:58:08 NOVAK: You can call me Lindsey. Sorry for contradicting you in the briefing.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:06:01:19 DANIEL: Oh, no, don't be. I mean, you were right. The fact that we haven't heard
from the Atlantis expedition since they left is a bad sign.

01:06:11:04 (HICCUPS)

01:06:15:00 DANIEL: Tried holding your breath?

01:06:16:00 NOVAK: Oh, God. I've tried everything.

01:06:18:00 DANIEL: Yeah, it doesn't work for me either.

01:06:19:28 NOVAK: It's been like this since I was a kid.

01:06:20:25 (HICCUPS)

01:06:23:27 NOVAK: It comes on when I get scared, but this is the worst it's been since my PhD presentation. I mean, I don't really do well in stressful situations. I guess that's why I turned down going to Atlantis the first time.

01:06:35:02 DANIEL: Well, I'm sure you're going to be fine. General Hammond says you're very good at what you do, so...

01:06:39:02 NOVAK: Oh, thank you.

01:06:40:01 (BEEPING)

01:06:40:14 (HICCUPS)

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:06:41:21 NOVAK: What's that? What's wrong?

01:06:43:14 DANIEL: I don't know.

01:06:48:08 NOVAK: Okay.

01:06:57:22 HAMMOND: We're picking up what sounds like a distress call.

01:07:00:28 DANIEL: Where are we?

01:07:01:28 TECHNICIAN: We're still well inside the Milky Way.

01:07:03:29 HAMMOND (O/S): Play it back.

01:07:05:06 TECHNICIAN: Yes, Sir.

01:07:06:04 WOMAN (V/O FILTERED OVER RADIO): Help. Please. Require assistance--have
failed...

01:07:10:15 WOMAN (V/O CONT'D): Lost power to...repeat, stranded--

01:07:14:25 DANIEL: She sounds human.

01:07:16:21 HAMMOND: What do you think?

01:07:18:05 DANIEL: Well, as much as I hate to delay this trip, I think we have to check it out.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:07:20:27 HAMMOND: How far away is it?

01:07:22:12 TECHNICIAN (V/O): The message is originating...

01:07:23:29 TECHNICIAN (CONT'D): Just over 50 light years off our designated route. We
could be there in 20 minutes.

01:07:29:14 HAMMOND: Set a course.

01:07:30:21 TECHNICIAN (O/S): Yes, Sir.

01:07:43:02 HAMMOND: Set shields at maximum. Arm weapons.

01:07:47:04 REYNOLDS: Looks like an Alkesh...

01:07:48:05 REYNOLDS (CONT'D): And a cargo ship.

01:07:49:02 TECHNICIAN (O/S): Scans indicate they've suffered...

01:07:50:10 TECHNICIAN (CONT'D): Significant damage. The distress signal is originating
from within the Alkesh.

01:07:53:25 HAMMOND: I don't understand. A human distress call from the Goa'uld ship?
That makes no sense.

01:07:58:10 REYNOLDS: I agree, Sir. It could be a trap.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:08:00:06 DANIEL (O/S): Look, I know this looks suspicious...

01:08:01:23 DANIEL (CONT'D): But what if there was an uprising on board one of those
 ships? There could be human prisoners in need of our help.

01:08:09:19 HAMMOND: Open a channel.

01:08:10:21 TECHNICIAN: Yes, Sir.

01:08:12:14 HAMMOND: This is General George Hammond of the Earth Vessel Prometheus.
 We're answering your distress call...

01:08:16:27 HAMMOND (CONT'D O/S): And standing ready to assist you.

01:08:20:03 TECHNICIAN (O/S): We can transport a portable sensor unit...

01:08:22:07 TECHNICIAN (CONT'D): On board to determine life support viability.

01:08:24:11 REYNOLDS (O/S): General...

01:08:26:14 REYNOLDS (CONT'D): An Alkesh is a potentially valuable ship. Even if there are
 no survivors, we need to determine if it's spaceworthy. If it is, we should
 salvage her.

01:08:35:10 HAMMOND: Take a team.

01:08:36:23 REYNOLDS: Yes, Sir.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:08:44:27 (RINGS ACTIVATING)

01:09:04:10 REYNOLDS (INTO COMM): Prometheus, this is SG-3. We are on board.

01:09:16:22 REYNOLDS (INTO COMM): General, we're seeing some energy weapon
damage. We have one Jaffa, K.I.A.

01:09:42:12 BOSWORTH (O/S): Sir, over here.

01:09:52:19 REYNOLDS (INTO COMM): Make that four...

01:09:53:19 REYNOLDS (INTO COMM CONT'D): Jaffa.

01:09:56:07 REYNOLDS: Looks like these folks had a little on-board firefight. Still no sign of
life. We're heading to the bridge.

01:10:09:19 REYNOLDS (V/O FILTERED THROUGH COMM): Prometheus, someone just
activated the--

01:10:12:23 HAMMOND: Colonel Reynolds, say again.

01:10:14:04 TECHNICIAN: Sir, our rings just activated.

END OF ACT ONE

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811**ACT TWO**

01:10:42:07 HAMMOND (V/O): Security team to level four ring room.

01:10:43:21 HAMMOND (CONT'D): Visuals on screen.

01:10:48:23 HAMMOND: Seal it off.

01:10:50:06 TECHNICIAN (O/S): Controls are not responding...

01:10:51:15 TECHNICIAN (CONT'D): Sir.

01:10:52:16 REYNOLDS: Airman?

01:10:54:07 BOSWORTH: It's no good, Sir. The rings will not activate.

01:10:59:25 HAMMOND: Security team, report.

01:11:02:00 TECHNICIAN: All shipboard communications are down.

01:11:03:26 HAMMOND: Initiate emergency lockdown.

01:11:04:25 TECHNICIAN (O/S): I can't, Sir.

01:11:06:01 TECHNICIAN (CONT'D): It may be possible from the engine room.

01:11:07:28 HAMMOND: Go.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:11:14:17 (LASER GUN FIRE)

01:11:22:05 (FOOTSTEPS APPROACHING)

01:11:30:15 (LASER GUN FIRE)

01:11:33:13 (RINGS ACTIVATING)

01:11:36:26 BOSWORTH: That wasn't me, Sir.

01:11:40:20 REYNOLDS: Let's get them out of there.

01:12:22:20 (RINGS DEACTIVATING)

01:12:50:04 HAMMOND: Can we pursue?

01:12:56:19 REYNOLDS: Engines are off-line. Controls are unresponsive. The weapons are
off-line too, Sir. It looks like we're dead in the water.

01:13:04:13 TECHNICIAN: General. I just...

01:13:05:26 TECHNICIAN (CONT'D): Did a head count. Daniel Jackson is still aboard
Prometheus.

01:13:27:17 (ZAP)

01:13:34:24 DANIEL: Oh, crap.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:13:37:22 (ZAP)

01:13:38:18 (SCREAMS)

01:13:45:18 HAMMOND: Are you okay?

01:13:46:18 NOVAK: Oh, I feel like my head's going to explode, but on the bright side, I think
my hiccups are gone.

01:13:52:15 (HICCUPS)

01:13:55:10 NOVAK: What do you need, Sir?

01:13:56:13 HAMMOND: I need this ship operational. Now.

01:13:58:07 NOVAK: Yes, Sir. Thank you.

01:14:09:10 TECHNICIAN: Near as I can tell, we're lucky that life support systems are still
working, Sir.

01:14:13:01 HAMMOND: How much time do you figure we have?

01:14:14:15 TECHNICIAN (O/S): That's hard to say.

01:14:15:23 TECHNICIAN (CONT'D): I've got some secondary systems online, including some
short-range sensors, Sir.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:14:19:19 TECHNICIAN (CONT'D O/S): Scans of the cargo ship indicate that it's in worse shape than this Alkesh.

01:14:23:12 TECHNICIAN (CONT'D): Strange, isn't it, Sir?

01:14:26:08 HAMMOND: That a Goa'uld super-soldier would go to all this trouble to keep us alive?

01:15:03:00 DANIEL: Hey, how's it going?

01:15:14:01 DANIEL (CONT'D): Guess it's just you and me, huh?

01:15:20:08 DANIEL (CONT'D): It's a little strange, isn't it? See, that weapon I shot you with should have killed you.

01:15:27:13 DANIEL (CONT'D O/S): What's even stranger is you guys usually don't take prisoners either. I mean it's...

01:15:31:06 DANIEL (CONT'D): Kind of kill first and...no, that's generally just about it, just the killing.

01:15:38:14 DANIEL (CONT'D O/S): I'm just going to talk to myself here for a while because you're not going to talk to me.

01:15:43:00 DANIEL (CONT'D): Not that you guys are very talkative, but...

01:15:45:29 SUPER SOLDIER: You may prove useful.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:15:50:15 DANIEL: Okay, now we're getting somewhere. Where's everybody else?

01:15:56:15 SUPER SOLDIER: I transported them onto the Alkesh.

01:15:59:18 DANIEL: Well, you kept the wrong guy, because I don't know anything about the
 ship.

01:16:07:19 SUPER SOLDIER: But you are very attractive.

01:16:14:10 DANIEL: What?

01:16:15:25 DANIEL (CONT'D): Hey, big guy, I'm flattered. Really, I am. It's just that...

01:16:23:10 DANIEL (CONT'D): You're not my type. I'm more than a little disturbed that I might
 be yours.

01:16:31:13 DANIEL (CONT'D): Whoa, whoa, no. You don't have to do that. Don't, don't.

01:16:33:06 DANIEL (CONT'D): Don't. Don't.

01:16:40:08 VALA: Don't worry. I'm not going to hurt you.

01:16:43:03 DANIEL: Thank God.

01:16:45:15 VALA: Much...I hope.

END OF ACT TWO

ACT THREE

01:17:12:14 VALA: I wish to send a long-range transmission using the communications systems.

01:17:17:20 DANIEL: Sorry, don't have a clue.

01:17:19:07 VALA: You lie.

01:17:20:15 DANIEL: In general? No. Yes, well, I try to be honest, but, uh...

01:17:23:27 DANIEL (CONT'D): Occasionally a little white one slips out every now and again.

01:17:26:29 (SMACK)

01:17:26:29 DANIEL: Ah! Ow.

01:17:32:09 VALA: Shall I kiss it better?

01:17:37:19 DANIEL (O/S): Um...

01:17:38:19 DANIEL (CONT'D): No. Just don't do it again.

01:17:44:14 DANIEL (CONT'D O/S): Hey, look, even if I knew what...

01:17:46:25 DANIEL (CONT'D): It is you wanted me to do, what makes you think I'd tell you?

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:17:50:07 DANIEL (CONT'D O/S): And how the hell do you think

01:17:51:22 DANIEL (CONT'D): You can steal a ship when you don't know how it works?

01:17:53:27 VALA: I got the sublight engines going.

01:17:57:20 DANIEL: Yeah, so you did.

01:17:59:09 VALA: You really expect me to believe you don't know how your own ship works?

01:18:02:10 DANIEL: Okay, um...look, my name is Daniel Jackson. I'm an archaeologist.

01:18:08:01 DANIEL (CONT'D): A historian. I study ancient cultures, histories of the past,
ancient civilizations. Have you heard of Earth, Tauri?

01:18:15:24 VALA: No.

01:18:16:24 DANIEL: Okay, well, we were on our way to rescue a few friends who were
trapped--

01:18:19:10 VALA: Oh, I really don't care.

01:18:23:19 DANIEL: Look, this really isn't necessary--

01:18:25:20 VALA: Can I have this ship? No. Okay. Discussion over.

01:18:30:13 VALA: Oh.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:18:36:22 VALA: Here we go.

01:18:42:18 VALA: Tenat of Oran. Tenat, this is Vala. If you can hear me...

01:18:47:06 VALA (CONT'D): Please respond.

01:18:50:14 VALA (CONT'D O/S): I've managed to procure a vessel bigger and better than what I hoped for.

01:18:53:12 VALA (CONT'D): Tenat, if you get this message, I apologize for the delay, and we'll meet at the designated...

01:18:58:00 VALA (CONT'D): Coordinates in one day. Vala out.

01:19:01:22 VALA (O/S): Now...

01:19:03:21 VALA (CONT'D): About the hyperdrive.

01:19:17:17 HAMMOND: Colonel. Doctor.

01:19:18:29 NOVAK: I've rerouted remaining power to shields and life support for the time being...

01:19:21:28 NOVAK (CONT'D): But as far as the engines go...

01:19:23:27 REYNOLDS: The control crystals for both sublight and hyperdrive engines are totally fried.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:19:46:21 HAMMOND: No, I'll go.

01:19:48:00 REYNOLDS: With all due respect--

01:19:49:02 HAMMOND: Colonel...

01:19:49:14 HAMMOND (CONT'D): Someone took my ship. I want it back.

01:20:05:29 VALA: Access is restricted by a code.

01:20:08:01 DANIEL: Yeah, too bad.

01:20:10:29 (BLAST)

01:20:10:29 DANIEL: Ah!

01:20:17:29 VALA: That hurt?

01:20:19:08 DANIEL (GROANING): Oh, yeah.

01:20:22:07 VALA: I can fix it.

01:20:24:01 DANIEL: I don't know the code.

01:20:43:15 VALA: There. Feel better?

01:20:54:03 DANIEL: You're a Goa'uld.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:20:55:11 VALA: No...but I was once a host to one.

01:20:59:05 DANIEL: Which would explain the Naquadah in your blood that lets you use...

01:21:01:24 DANIEL (CONT'D): Goa'uld technology.

01:21:03:09 VALA: And how I can quickly learn to fly...

01:21:04:15 VALA (CONT'D): This rather primitive ship.

01:21:06:22 DANIEL: Yes...

01:21:06:28 DANIEL (CONT'D): So primitive, one would wonder if it was worth the bother.

01:21:09:01 VALA: Well, in this case, it's the size that matters...

01:21:14:23 VALA (CONT'D): Actually, pretty much in every case.

01:21:20:01 VALA: Tell me the code.

01:21:26:16 VALA (CONT'D): Please.

01:21:30:29 DANIEL: I don't--I don't know it.

01:21:33:13 VALA: Fine.

01:21:55:00 REYNOLDS: How much time will he have?

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:21:57:06 TECHNICIAN: I'm guessing a few minutes...

01:22:01:01 TECHNICIAN (CONT'D): Maybe less.

01:22:01:22 REYNOLDS: Sir--

01:22:02:22 HAMMOND: Not another word, Colonel.

01:22:07:17 HAMMOND: Do it now.

01:22:10:00 TECHNICIAN (O/S): General.

01:22:14:10 TECHNICIAN (CONT'D): Godspeed.

01:22:23:10 (RINGS ACTIVATING)

01:22:39:25 (COUGHES)

01:22:41:23 NOVAK (V/O FILTERED OVER COMM): General.

01:22:41:23 NOVAK (CONT'D): General, can you hear me?

01:22:43:17 HAMMOND (V/O FILTERED OVER COMM): I'm here in the engine room.

01:22:46:17 NOVAK: Open the third panel down on the center column.

01:22:59:20 HAMMOND: Done.

01:24:14:11 (RINGS ACTIVATING)

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:24:29:23 (RINGS ACTIVATING)

01:24:36:15 REYNOLDS: General.

01:24:36:20 REYNOLDS (CONT'D): General, Sir!

01:24:42:25 TECHNICIAN: Is he breathing?

01:24:46:09 NOVAK: He may need mouth-to-mouth.

01:25:03:28 (COUGHING AND GASPING)

01:25:04:28 REYNOLDS: Oh, excellent. Excellent waking up, Sir!

01:25:07:01 REYNOLDS (CONT'D): Good job on the crystals too.

01:25:10:02 HAMMOND: Get the ship moving.

01:25:13:02 NOVAK: What did he say?

01:25:14:11 REYNOLDS: He said, "Get the ship moving."

01:25:16:04 (HICCUPS)

01:25:19:02 REYNOLDS: Come on, General. Let's get you up.

01:25:47:02 VALA: Much better.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:25:48:03 DANIEL: Lose the weapon and move away from the console.

01:25:52:21 VALA: I liked you better tied up.

01:25:54:03 DANIEL: Against the wall. Lose the weapon.

01:26:02:23 VALA: This suit still absorbs Zat blasts.

01:26:04:10 DANIEL: It doesn't cover your head.

01:26:06:26 VALA: Still, you should probably make me take it off.

01:26:09:19 DANIEL: I think I'll turn the ship around first.

01:26:10:20 VALA (O/S): I don't know.

01:26:11:20 VALA (CONT'D): If I had me at gunpoint, that wouldn't be my first choice.

01:26:14:08 DANIEL: Yeah, well.

01:26:25:06 DANIEL: What's going on?

01:26:26:12 VALA (O/S): I rewrote the...

01:26:27:11 VALA (CONT'D): Access codes so I'm the only one who can use the navigation systems.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:26:30:06 DANIEL: Undo it.

01:26:31:14 VALA (O/S): Listen, hundreds of lives are at stake.

01:26:33:06 VALA (CONT'D): I'm trying to save the last of my people, and this ship is their only
 hope.

01:26:36:05 DANIEL: Maybe if you'd mentioned that off the top--

01:26:38:17 VALA: Would you really have helped?

01:26:39:28 DANIEL (O/S): Look, as I was saying...

01:26:40:28 DANIEL (CONT'D): Before I was so rudely interrupted, we were also on a rescue
 mission.

01:26:43:13 (BEEP)

01:26:49:24 VALA: What is it?

01:26:51:05 DANIEL (O/S): A ship just appeared on our radar.

01:26:52:04 DANIEL (CONT'D): It's an Alkesh.

01:26:53:18 VALA (O/S): This quadrant is crawling with Goa'uld vessels.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:26:56:01 VALA (CONT'D): Chances are it's not your friends. I made sure that ship was fully disabled when you showed up.

01:27:00:11 DANIEL: We'll see.

01:27:02:13 VALA (O/S): We have to raise shields...

01:27:03:20 VALA (CONT'D): And arm weapons.

01:27:05:01 DANIEL: I'm going to try and hail them first.

01:27:15:10 (SMACK)

01:27:16:12 VALA: Oh, oh, you hit me.

01:27:19:05 DANIEL: You hit me.

01:27:22:25 VALA: You know, we could just have sex instead.

01:27:30:01 (GRUNTS)

01:27:31:04 (GRUNTING AND GROANING)

01:27:43:10 (GLASS BREAKING)

01:27:48:09 DANIEL: Oh!

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:28:00:14 REYNOLDS: Feeling better, Sir?

01:28:02:20 HAMMOND: Yes, thank you.

01:28:04:25 REYNOLDS: We've just caught up to the Prometheus.

01:28:06:28 HAMMOND: Nice work.

01:28:08:28 REYNOLDS: It was all Novak, Sir.

01:28:11:06 (HICCUPS)

01:18:13:02 TECHNICIAN (O/S): They're not responding...

01:28:13:20 TECHNICIAN (CONT'D): To our hail, Sir.

01:28:15:00 (PANTING)

01:28:22:07 (GRUNTING AND GROANING)

01:28:42:21 VALA: Are we done?

01:28:43:23 DANIEL: I am.

01:28:46:11 VALA: Oh.

01:28:54:21 DANIEL: You're a fruitcake.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:28:56:18 (BONK)

01:29:05:13 (ZAP)

01:29:18:17 HAMMOND: Weapons?

01:29:20:15 TECHNICIAN (O/S): On line.

01:29:20:22 TECHNICIAN (CONT'D): We are in range.

01:29:21:25 HAMMOND: Target the rear thrusters.

01:29:24:17 HAMMOND (CONT'D): Take out her sublight capability.

01:29:31:16 REYNOLDS: She just jumped into hyperspace.

END OF ACT THREE

ACT FOUR

01:30:02:14 VALA (GASPING): Ow. Oh, that's just great.

01:30:31:01 DANIEL: I see you.

01:30:38:14 VALA (V/O OVER SCREEN): Did you have fun taking off my clothes?

01:30:40:11 DANIEL: It was your idea.

01:30:41:23 VALA (V/O OVER SCREEN): No, I meant when I was conscious.

01:30:43:14 VALA (V/O CONT'D): You know, so I could distract you and kick you in the head.

01:30:50:11 DANIEL: I kept my eyes closed the whole time.

01:30:53:00 VALA (V/O OVER SCREEN): Sure you did.

01:31:01:24 DANIEL: So where are we going?

01:31:04:28 VALA (V/O OVER SCREEN): I told you...

01:31:05:28 VALA (V/O CONT'D): To save my people. Can you please let me out of here?

01:31:09:04 DANIEL (O/S): Oh...

01:31:09:18 DANIEL (CONT'D): No.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:31:16:01 VALA (V/O OVER SCREEN): You know, I haven't eaten in days.

01:31:23:07 DANIEL (SIGHING): Could you please tell me how to access the navigation controls?

01:31:27:04 VALA (V/O OVER SCREEN): It isn't very nice, you know...

01:31:28:24 VALA (V/O CONT'D): Starving a prisoner to death. Come on, Daniel. You've seen me naked. The least you could do is cook me dinner.

01:31:49:26 VALA: Aren't you hungry?

01:31:55:20 DANIEL: No.

01:32:01:28 VALA: Thank you. You know who the Tok'ra are?

01:32:06:09 DANIEL (O/S): Yep.

01:32:10:14 VALA: 10 years ago, a Tok'ra incited a rebellion on my planet. The people rose up against the ruling Goa'uld, and once the Jaffa had been overcome, the Goa'uld was captured alive tortured and beaten for days on end. I was host to that Goa'uld...

01:32:29:19 VALA (CONT'D O/S): At the time. The people didn't understand that it was the symbiote that had ruled over them so harshly.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:32:36:21 VALA (CONT'D): I guess the Tok'ra felt responsible. He rescued me, removed the Goa'uld symbiote. Nursed me back to health.

01:32:49:13 DANIEL: You said your people are in trouble now.

01:32:55:13 VALA: It was only a matter of time before the forces of another Goa'uld showed up, a system lord named Camulus.

01:33:01:00 DANIEL: Mm.

01:33:02:03 VALA (O/S): That's when the Tok'ra disappeared.

01:33:04:10 VALA (CONT'D): People still refused to surrender. Camulus ordered that they be wiped out. We controlled several ships.

01:33:12:10 VALA (CONT'D O/S): Troop transports, cargo ships, Alkesh. Many people were saved...

01:33:17:08 VALA (CONT'D): Flown to an inhabitable nearby moon in the system, and the ships made several trips before most of them were intercepted and shot down. Camulus never knew there were any survivors, so we were safe. The only problem was the moon didn't have a Stargate.

01:33:33:28 DANIEL: So you were trapped.

01:33:36:13 VALA (O/S): We only had a few ships left, not enough to relocate everyone again. It wasn't a problem. Camulus seemed to have little interest...

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:33:43:18 VALA (CONT'D): In the other planets in the system. He left behind a small force to guard the Stargate. We used the ships to keep apprised of what was happening, and to steal supplies and technology when we could.

01:33:56:25 DANIEL: You know that Camulus is gone now. He was beaten by Ba'al.

01:34:00:27 VALA: And Ba'al's forces are searching every inhabitable world in Camulus' territory. His ships are everywhere. It's only a matter of time before my people are found.

01:34:09:17 DANIEL: So you got desperate and tried to steal that Alkesh.

01:34:12:07 VALA: It was damaged in the firefight. I was hoping one of my ships would answer my distress call. I'm sure you can imagine how lucky I felt when this ship showed up.

01:34:23:09 VALA (CONT'D O/S): It's big enough to rescue all my people...

01:34:26:18 VALA (CONT'D): And take them to a world far away, free from the Goa'uld.

01:34:38:07 VALA: You don't have to lock me up.

01:34:40:15 DANIEL: Oh, I think I do.

01:34:41:15 VALA: What difference is it going to make?

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:34:43:15 VALA (CONT'D): The ship is automatically flying to my homeworld. You can't stop it.

01:34:46:28 DANIEL: Well, when I get to your planet, I'll just explain the situation to your people. Maybe there's something we can work out.

01:34:50:14 VALA: My people, they're not going to trust you. You have to let me talk to them.

01:34:56:00 DANIEL: No.

01:34:57:10 VALA: Daniel!

01:35:02:17 VALA: This is bad.

01:35:17:21 TENAT (V/O FILTERED OVER TRANSMITTER): Vala, this is Tenat. We have you on our scanners.

01:35:23:14 DANIEL: Uh, yeah, hi.

01:35:25:09 TENAT (V/O FILTERED OVER TRANSMITTER): Where is Vala?

01:35:28:05 DANIEL: She's here. She's just indisposed at the moment.

01:35:32:09 TENAT (V/O FILTERED OVER TRANSMITTER): She did not mention she was working with someone.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:35:35:09 DANIEL: No, I guess not. Look, I realize I owe you an explanation. It's a bit of a long story, really.

01:35:44:12 TENAT (V/O FILTERED OVER TRANSMITTER): We will hear it in person and inspect your vessel.

01:35:48:01 DANIEL: That's good, because apparently, we're coming in for a landing.

01:35:51:05 TENAT (V/O FILTERED OVER TRANSMITTER): We will meet you at the designated coordinates.

01:35:54:14 DANIEL: Okey-dokey. See you there.

01:36:15:25 (ZAP)

01:36:16:18 VALA: Ow! Okay. You want the truth? I'll tell you the truth. Daniel...

01:36:30:06 VALA (CONT'D V/O FILTERED OVER TRANSMITTER): Are you there?

01:36:33:01 VALA (V/O OVER SCREEN): I hope you can hear me. The planet we just landed on is not my homeworld. Whatever you do, you must not go out there.

01:36:44:16 DANIEL: Hi, guys.

01:36:45:21 TENAT: Who are you?

01:36:48:09 DANIEL: Uh...name's Olo. Hans Olo.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:36:54:14 TENAT: Where is Vala?

01:36:55:14 DANIEL: She's inside.

01:36:57:07 TENAT: We will only do business with Vala.

01:36:58:29 DANIEL: Business. Yeah, that figures. Not that I'm not surprised or anything. I don't look surprised to you, do I?

01:37:07:21 ALIEN #2: What?

01:37:09:02 DANIEL (O/S): It's just that I was expecting...

01:37:10:06 DANIEL (CONT'D): Some refugees in need of transport to another planet. Human
sort of refugees. Not...

01:37:16:03 DANIEL (CONT'D O/S):That there's anything wrong with you guys...

01:37:18:00 DANIEL (O/S CONT'D): That I know of.

01:37:19:05 ALIEN #2: We have the Naquadah.

01:37:27:18 TENAT: Refined weapons grade.

01:37:29:18 DANIEL: Ooh, that's nice.

01:37:31:05 TENAT (O/S): This was the price we agreed...

01:37:57:10 DANIEL: Of course we were.

01:38:15:28 (WEAPONS FIRING)

01:38:18:06 DANIEL: Okay, you know what? I would love to stay and chat, but--

01:38:20:24 (LASER SHOT)

01:38:24:01 (LASER SHOT)

01:38:46:06 VALA (V/O OVER SCREEN): Daniel...what's going on?

01:38:48:28 DANIEL: We're being attacked by gliders. Tell me how to access the ship's
systems.

01:38:51:23 VALA (V/O OVER SCREEN): Let me out, and I'll help you.

01:38:53:22 DANIEL: You've got to be kidding me.

01:38:56:09 (BLAST)

01:39:03:00 DANIEL: Let's go. No funny stuff.

01:39:05:18 VALA: What'd you do with my buyers?

01:39:07:17 DANIEL: We'll talk about that later.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:39:08:15 VALA: And the Naquadah?

01:39:10:24 DANIEL: Move!

01:39:12:09 VALA: Do you have any idea what that is worth? Oh--whoa!

01:39:28:00 VALA: All right. Raise our shields.

01:39:33:14 (GLIDERS FIRING)

01:39:40:27 DANIEL: What are you waiting for? Let's go to hyperspace.

01:39:42:03 VALA: I can't. It's not working.

01:39:43:12 VALA (CONT'D O/S): We've already taken too much hull damage.

01:39:45:16 VALA (CONT'D): We have incoming. Alkesh. Arm weapons.

01:39:52:18 (WEAPONS FIRING)

01:40:01:03 VALA: Shields are failing...

01:40:16:18 VALA: And shields are down. We're almost out of weapons.

01:40:23:28 (BLAST)

01:40:30:17 VALA: What just happened?

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:40:31:23 DANIEL: An Alkesh just took out one of its own.

01:40:36:17 HAMMOND: Nice work, Sergeant. Target the second Alkesh.

01:40:39:19 HAMMOND (CONT'D O/S): Fire at will.

01:40:40:25 TECHNICIAN: Roger that, Sir.

01:40:50:13 HAMMOND (V/O FILTERED OVER TRANSMITTER): Dr. Jackson, this is General
Hammond.

01:40:53:04 HAMMOND (V/O CONT'D): Do you copy?

01:41:00:05 DANIEL: General, it's me.

01:41:02:00 DANIEL (CONT'D V/O OVER TRANSMITTER): Good to hear your voice, Sir.

01:41:03:27 HAMMOND: Likewise. You all right, son?

01:41:09:19 DANIEL: We're fine, Sir.

01:41:12:04 HAMMOND: Are we clear to ring aboard?

01:41:14:16 DANIEL: Stand by. Unlock the system.

01:41:17:22 DANIEL (CONT'D O/S): Those gliders likely retreated to a nearby mothership.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:41:21:02 DANIEL (CONT'D): We have to get out of here now. Unlock the system.

01:41:31:19 DANIEL: You're all clear, Sir.

01:41:41:16 VALA: What are you going to do with me?

01:41:48:10 DANIEL: I'm not sure.

01:41:53:23 VALA: Look, Daniel, whatever happens, I just want you to know...

01:41:58:13 (LASER SHOT)

01:42:20:26 NOVAK: We've managed to get the shields and hyperdrive back online. However,
there was significant hull damage. I wouldn't recommend a long journey
in hyperspace.

01:42:28:12 HAMMOND: I'm afraid we have no choice but to return to Earth.

01:42:30:16 DANIEL: How long before the ship's ready to go again?

01:42:32:16 NOVAK: Hard to say.

01:42:33:25 HAMMOND: Good work, Doctor, both here and on the Alkesh.

01:42:36:25 NOVAK: Thank you, Sir.

01:42:38:29 DANIEL: Hey.

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:42:41:13 DANIEL (CONT'D): Hiccups are gone, huh?

01:42:42:24 NOVAK: I didn't even notice. I guess I was having too much fun.

01:42:47:01 TECHNICIAN (V/O OVER TRANSMITTER): Security team to level four.

01:42:48:18 TECHNICIAN (V/O CONT'D): The prisoner has escaped.

01:42:50:14 DANIEL: Ring room.

01:42:56:20 NOVAK: Wow.

01:43:01:05 HAMMOND: Status?

01:43:02:09 TECHNICIAN: Security team one unresponsive. The rings on level four just
activated, Sir.

01:43:23:02 DANIEL (INTO COMM): General Hammond?

01:43:24:03 DANIEL (CONT'D V/O OVER COMM): SG-3 was just transported here. She's on
the Alkesh.

01:43:32:20 HAMMOND: Lock weapons on its engines.

01:43:35:04 TECHNICIANS: Aft thrusters targeted.

01:43:39:05 TECHNICIAN: Target is...

STARGATE SG-1 "PROMETHEUS UNBOUND" Episode #811

01:43:43:10 TECHNICIAN (CONT'D): It's gone, Sir.

01:43:45:28 HAMMOND: Can we track it?

01:43:47:25 TECHNICIAN: No, Sir. Our long-range scanners are being scrambled.

01:43:58:04 DANIEL: She's good.
