TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

TEASER

01:00:01:00	CARTER (O/S): The war between Baal and the system lords has reached...
01:00:03:01	CARTER (CONT'D): a critical stage. According to Tok'ra intelligence, Bastet and Olokun are dead, Morrigan has capitulated, and Lord Yu and Amaterasu are rallying their armies for what will probably be their last stand.
01:00:13:29	TEAL'C" As we predicted, the Jaffa were no match for the Kull warriors.
01:00:17:14	CARTER: The Tok'ra also thought we should know, in the face of imminent defeat, some of the system lords are actively seeking out areas of refuge. Planets they abandoned long ago are now being scouted as possible sanctuaries.
01:00:27:29	O'NEILL: And this affects us...how?
01:00:30:28	DANIEL: One of these planets, which used to fall under the domain of the System Lord Ares, also happens to be the place where the Tok'ra dropped off one Harry Maybourne two years ago.
01:00:39:00	O'NEILL: And this affects us...how?

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:00:43:14 CARTER: The Tok'ra have their hands full with more pressing matters. They strongly suggest we get to Maybourne before the Goa'uld do.

01:00:51:28 TEAL'C (O/S): If we do not retrieve him, Harry Maybourne...

01:00:53:23 TEAL'C (CONT'D): faces certain capture.

01:00:57:23 TEAL'C (CONT'D): Torture...interrogation, perhaps even death.

01:01:06:10 O'NEILL: All right, fine. Go get him.

01:01:09:18 CARTER: Yes, sir.

01:01:27:05 CARTER: According to the Tok'ra, the people of this world are fairly primitive.

01:01:30:07 DANIEL: No phones, no lights, no motorcars. I bet you Maybourne just jumps at a chance to leave.

01:01:36:03 TEAL'C: What about the other inhabitants?

01:01:38:15 CARTER: We'll relocate them. We may not have a lot of time. Ares could be here in a matter of days.

01:01:56:02 CARTER: We don't mean you any harm.

01:02:00:05 TEAL'C: We are allies of the Tok'ra.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:02:04:00 DANIEL (O/S): Just, uh, looking for a friend of ours--

01:02:06:00 DANIEL (CONT'D): Harry Maybourne, maybe you've heard of him?

01:02:08:17 DANIEL (CONT'D O/S): Shifty fella?

01:02:10:07 DANIEL (CONT'D): Beady eyes? No?

01:02:12:26 GARAN (O/S): You will follow us to the village...

01:02:14:10 GARAN (CONT'D): and meet with King Arkhan. He will discern your true intentions.

01:02:59:21 DANIEL: Not exactly the trusting type.

01:03:01:20 TEAL'C: Which leads me to wonder whether Harry Maybourne is still alive.

01:03:06:06 CARTER: Presumably, the Tok'ra put in a good word for him.

01:03:09:02 DANIEL: Maybe we should get them to do the same for us.

01:03:31:22 CARTER: Maybourne!

01:03:35:00 GARAN (O/S): This is King...

01:03:35:29 GARAN (CONT'D): Arkhan. My Lord, our hunting party encountered these off-worlders by the gate.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:03:42:04

MAYBOURNE: Hey, guys. Long time no see.

END OF TEASER

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813**ACT ONE**

01:05:08:05 MAYBOURNE: I should've known. I should've known you'd be the ones to come.

01:05:13:25 DANIEL: You were expecting us?

01:05:15:04 MAYBOURNE: Sort of. Where's Jack?

01:05:18:24 CARTER: General O'Neill is back at the SGC.

01:05:20:26 MAYBOURNE (O/S): No kidding?

01:05:21:24 MAYBOURNE (CONT'D): General O'Neill? That doesn't sound right. Still, good for Jack. It's nice to hear he's doing so well for himself.

01:05:29:03 TEAL'C: As, evidently, are you.

01:05:31:11 MAYBOURNE: Uh...This? Yes, well. It's a long story.

01:05:38:01 MAYBOURNE (CONT'D): Food!

01:05:41:08 MAYBOURNE (CONT'D): Drinks for our guests!

01:05:48:26 CARTER: We don't have time for this.

01:05:53:27 MAYBOURNE: Uh, you should try one of these. It's called, uh...

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:05:56:29 GARAN: Ojen fruit.

01:05:58:23 MAYBOURNE: Right. It's sort of a cross between a guava and a mango.

01:06:02:11 DANIEL: Sort of a "guango?"

01:06:03:17 MAYBOURNE: I like that.

01:06:07:5 MAYBOURNE (CONT'D): People.

01:06:08:25 MAYBOURNE (CONT'D O/S): Henceforth, Ojen fruit

01:06:10:06 MAYBOURNE (CONT'D): shall be called guango! So shall it be!

01:06:13:22 (CHEERING AND APPLAUDING)

01:06:19:15 MAYBOURNE (CONT'D): I get to name all kinds of stuff. You should see the
 Grateful Dead Burial Grounds.

01:06:23:23 CARTER: Maybourne, you have to get out of here.

01:06:26:00 CARTER (CONT'D O/S): You're in danger.

01:06:27:05 MAYBOURNE: I know. The Goa'uld are coming. Now, you should peel it...

01:06:32:00 MAYBOURNE (CONT'D O/S): before you eat it.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:06:33:25 MAYBOURNE (CONT'D): I find the skin kind of tart.

01:06:35:09 CARTER: You know about the Goa'uld?

01:06:36:18 MAYBOURNE: Oh, yeah.

01:06:42:22 TEAL'C: You were warned by the Tok'ra?

01:06:45:12 MAYBOURNE: I haven't heard from the Tok'ra since they dropped me off.

01:06:48:25 CARTER: Then how?

01:06:50:05 MAYBOURNE: I can read the future.

01:06:57:00 MAYBOURNE (CONT'D): Really.

01:06:59:16 CARTER: What are you trying to pull?

01:07:01:05 GARAN (O/S): He speaks the truth.

01:07:02:17 GARAN (CONT'D): King Arkhan is a prophet. He foresaw your arrival and the
 hand you will play in defeating our enemy.

01:07:07:25 MAYBOURNE: Garan's right. It's all part of the prophecy.

01:07:13:07 CARTER: Maybourne, what the hell is going on here?

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:07:21:20 MAYBOURNE: Let's go for a walk.

01:07:30:02 MAYBOURNE: Okay. Here we are. I found this place about, oh, 10 months ago
 when I was out on an afternoon stroll.

01:07:40:12 TEAL'C: It is quite a distance from the village.

01:07:43:04 MAYBOURNE: I enjoy long walks.

01:07:44:24 CARTER: Right. Long walks, rainy nights, and candlelit dinners.

01:07:48:25 CARTER (CONT'D O/S): Why are we here, Maybourne?

01:07:51:02 DANIEL: This writing is in Ancient.

01:07:55:15 DANIEL (CONT'D): What do the locals know about these ruins?

01:07:57:15 MAYBOURNE (O/S): Well, not much.

01:07:58:17 MAYBOURNE (CONT'D): They generally avoid the area because it's close to the
 Naquadah mines, the site of their former enslavement. Bad luck and all.

01:08:05:21 DANIEL: This is incredible.

01:08:07:01 MAYBOURNE (O/S): No. No.

01:08:08:19 MAYBOURNE (CONT'D): This is interesting. This...is incredible.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:10:17:05 MAYBOURNE: I'm guessing that's you guys.

01:10:19:03 DANIEL: "To vanquish the evil and restore order once again."

01:10:22:13 MAYBOURNE: You see? They come. You defeat them. Happy ending. That's the
 prophecy.

01:10:29:18 CARTER: Sorry, but we didn't come here to fight the Goa'uld.

01:10:33:19 CARTER (CONT'D): We should get going.

01:10:35:11 DANIEL (O/S): Actually, um...

01:10:37:06 DANIEL (CONT'D): This is interesting, and, uh, there's a lot here to translate.

01:10:56:11 DANIEL (V/O OVER RADIO): Sam?

01:10:58:06 CARTER (INTO RADIO): Go ahead.

01:10:59:11 DANIEL (INTO RADIO): Maybourne was right.

01:11:01:06 CARTER (V/O OVER RADIO): What do you mean?

01:11:02:22 DANIEL (INTO RADIO): Well, from what I've been able to decipher, it's pretty
 clear. The script on these walls is a historical log compiled by an Ancient
 who traveled through time to study the evolution of life on this world.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:11:14:04 CARTER (INTO RADIO): Daniel, we know the Ancients experimented with time travel, but we have no evidence that they actually mastered it.

01:11:20:13 DANIEL (V/O OVER RADIO): Yeah, well, we do now.

01:11:22:26 DANIEL (CONT'D INTO RADIO): You see, to the best of my knowledge, these writings are only a couple hundred years old.

01:11:25:24 DANIEL (CONT'D V/O OVER RADIO): Which means they were carved after the Goa'uld had already left.

01:11:28:14 CARTER (INTO RADIO): But the Ancients predate the Goa'uld.

01:11:31:08 DANIEL (INTO RADIO): Right, so the only logical explanation is that an Ancient traveled to the future, and then back to a time not too long ago.

01:11:37:08 CARTER (INTO RADIO): I don't know, Daniel...

01:11:39:21 DANIEL (INTO RADIO): There are references to the time travel device itself. Now, it's described as being inside a small ship. Now, if I'm right, it may still be here. I think it's worth a look.

01:11:49:17 CARTER (INTO RADIO): All right. We're on our way.

01:12:10:07 CARTER (V/O OVER RADIO): Daniel?

01:12:11:25 DANIEL (INTO RADIO): Go ahead.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:12:13:13 CARTER (INTO RADIO): We've been at it a while. Are you sure it's around here?

01:12:19:02 DANIEL (INTO RADIO): Just give it a little more time.

01:12:22:21 CARTER (INTO RADIO): I hate to say it, Daniel, but we can't risk staying much longer.

01:12:50:01 CARTER (INTO RADIO): I'm scrubbing the search. Fall back to the gate.

01:12:54:04 DANIEL (INTO RADIO): Sam--

01:12:55:10 CARTER (V/O OVER RADIO): Daniel, we have no way of knowing when the Goa'uld will get here.

01:12:59:14 DANIEL (V/O OVER RADIO): It could be days.

01:13:00:20 CARTER (V/O OVER RADIO): And it could be hours.

01:13:04:17 TEAL'C (INTO RADIO): Colonel Carter...

01:13:05:24 TEAL'C (CONT'D V/O OVER RADIO): Daniel Jackson...

01:13:08:17 TEAL'C (CONT'D INTO RADIO): I have found something.

END OF ACT ONE

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813**ACT TWO**

01:14:14:00 CARTER: It certainly looks like a ship.

01:14:16:13 TEAL'C: These appear to be flight controls.

01:14:18:01 DANIEL: So what's this?

01:14:24:00 CARTER: It could be the time device.

01:14:28:17 TEAL'C: It bears little resemblance to Ancient designs we have previously encountered.

01:14:32:06 DANIEL: Well, judging from Maybourne's wall, it must have worked at some point.

01:14:35:21 CARTER: Well, I'm guessing it must manifest some sort of energy field that encompasses the entire ship, allowing the traveler to literally fly through time.

01:14:45:11 DANIEL: I wonder...

01:14:47:00 CARETER: Ah!

01:14:48:09 CARTER (CONT'D): Let's not touch anything just yet.

01:14:51:14 CARTER (CONT'D O/S): I'm kind of fond of this era.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:14:52:26 DANIEL: Okay, so what do we do?

01:14:56:02 CARTER: We bring it back.

01:14:57:21 CARTER (CONT'D O/S): Judging by the dimensions...

01:15:00:07 CARTER (CONT'D): it looks like it was actually designed to fit through the gate.

01:15:03:07 DANIEL: Okay. How do we get it there?

01:15:05:09 TEAL'C: This vessel appears to be relatively undamaged. The engine may yet be functional.

01:15:10:01 CARTER (O/S): This is...

01:15:11:09 CARTER (CONT'D): Ancient technology. We'd need an Ancient to make it work.

01:15:17:16 DANIEL: Or someone close.

01:15:41:12 MAYBOURNE: Jack! It's great to see you. How long has it been?

01:15:47:26 O'NEILL: Oh, since that time you got us stranded off-world and tried to kill me?

01:15:52:11 MAYBOURNE: That takes me back. Ah, I guess congratulations are in order. You made General.

01:16:00:05 O'NEILL: You made king.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:16:02:01 MAYBOURNE: Right. Well, it's, uh, not a contest, hmm?

01:16:05:19 O'NEILL: Do you mind? These guys are torturing that ditty.

01:16:09:09 MAYBOURNE: Uh, right. Take five, guys. I taught them that expression.

01:16:14:04 O'NEILL: Ah.

01:16:15:10 MAYBOURNE: I'm, uh, hoping that you can stay for a while. You know, check out
the sights...Uh, take in the culture. I want you to feel at home here.

01:16:27:15 O'NEILL: Harry, you're aware of the fact that this place is going to be overrun by a
gaggle of bad guys soon?

01:16:33:02 MAYBOURNE: Yeah, well, maybe.

01:16:34:18 O'NEILL: Right. Carter told me about this prophecy stuff. It's not going to go down
that way, you know.

01:16:41:15 MAYBOURNE: Oh, come on, Jack. You've defeated system lords before.

01:16:43:27 O'NEILL: No. You've got to tell these people they've got to start packing. We'll
take as many as we can.

01:16:48:15 MAYBOURNE: I can't. I already told them you'd save the day.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:16:53:05 O'NEILL: Let me ask you a question. Did this prophecy mention anything about casualties? How many people would die in the fighting?

01:17:06:08 MAYBOURNE: It's not really that detailed.

01:17:07:26 O'NEILL: Does it say anything about the king surviving at all?

01:17:12:05 MAYBOURNE: Actually, there's, uh...no reference to me specifically. I just assumed--

01:17:20:10 O'NEILL: Yeah, do you really want to take that chance, Harry? Do you want to roll those dice?

01:17:29:21 MAYBOURNE: It's not going to be easy to convince them, Jack.

01:17:31:26 O'NEILL: You can do it, Harry. You're the king.

01:17:37:07 O'NEILL (CONT'D): And remember, it's good to be king.

01:17:49:25 O'NEILL: Nice ride.

01:17:51:28 DANIEL: Yeah, the Ancients liked to fly in style.

01:17:59:07 O'NEILL: Nice! Whoo-hoo.

01:18:12:00 O'NEILL (CARTER): You're going to have to help me out here, Carter. Got any quarters?

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:18:15:05 CARTER: Unfortunately, I can't help you with this one, sir. You're on your own.

01:18:18:13 O'NEILL: Fine.

01:18:21:15 O'NEILL (CONT'D): How do we know we're not going to end up back at the
Alamo?

01:18:26:20 CARTER: Um, well, for one thing, that was on Earth...

01:18:29:04 CARTER (CONT'D O/S): but, uh, more importantly...

01:18:31:18 CARTER (CONT'D): I've separated the time device from the control circuits. I
think. Concentrate on powering up the engines.

01:18:42:07 O'NEILL: Concentrate?

01:18:59:12 O'NEILL (CONT'D): I've got nothing.

01:19:01:19 DANEIL: Come on, Jack. You've already proven the Ancient gene you possess
allows you to operate Ancient technology.

01:19:06:10 DANIEL (CONT'D O/S): This is no different than the device in Antarctica.

01:19:09:02 DANIEL (CONT'D): Just...f...focus your mind.

01:19:34:12 (ENGINE STARTING)

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:19:35:12 DANIEL: Good. Good.

01:19:47:01 (ENGINE SHUTTING DOWN)

01:19:49:14 DANIEL: Not so good.

01:20:03:05 MAYBOURNE: Tempest fugit, girls, tempest fugit.

01:20:11:15 MAYBOURNE (CONT'D): I sure collected a lot of stuff in only a couple of years. I
guess I'm a bit of a pack rat.

01:20:15:05 TEAL'C (O/S): When do you intend to address your people?

01:20:16:24 MAYBOURNE: I'm getting to that. It's just, you know, I'm thinking about what I'm
going to say.

01:20:21:04 TEAL'C: Perhaps you should consider telling the truth.

01:20:23:08 MAYBOURNE: That's one strategy.

01:20:25:18 TEAL'C (O/S): Whatever you decide...

01:20:26:25 TEAL'C (CONT'D): we are running out of time. We must leave soon.

01:20:29:18 MAYBOURNE: Yeah, I know. I know. No, no. Just leave that. That stuff, over
there.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:20:47:06 CARTER: The primary power source is depleted. We need to re-route the controls to the secondary output, which was originally designed to power the time device.

01:20:55:12 O'NEILL: Of course we do.

01:20:59:02 CARTER (O/S): Okay.

01:21:00:15 CARTER (CONT'D): Try it now, sir.

01:21:18:24 (ENGINE STARTING)

01:21:30:00 (CONTROL PANEL SHORT CIRCUITING)

01:21:35:00 (ENGINE SHUTTING DOWN)

01:21:37:04 CARTER: Damn it.

01:21:46:07 CARTER: I'm just not that familiar with Ancient technology. I need a little time.

01:21:51:10 O'NEILL: That is one thing I can't give you, Carter.

01:21:54:02 DANIEL: You can't be serious.

01:21:55:18 CARETER: Sir, this technology is too valuable to lose.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:21:58:17 O'NEILL: Carter, what do you want me to do? Call in reinforcements? It's not like we're throwing down with a couple of Jaffa. We're taking on a system lord and his band of merry bad guys. Inside and out. I want that thing gone.

01:22:21:20 GARAN: Surrender your weapons, or die where you stand.

01:22:28:05 O'NEILL: Oh, if I had a nickel.

END OF ACT TWO

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:23:37:00 DANIEL: Jack.

01:23:38:01 O'NEILL: Daniel.

01:23:39:26 DANIEL: They're not going to shoot. Are you?

01:24:00:27 O'NEILL: God, I miss going off-world.

01:24:04:17 O'NEILL (CONT'D): Aw, yeah.

01:24:16:11 O'NEILL (O/S): Who would've thunk?

01:24:19:00 MAYBOURNE: Oh, hey, Jack. I, uh, spoke with Garan. I'm sorry to hear about
what happened at the ship. Believe me, I had nothing to do with it.

01:24:29:04 O'NEILL: I know, Harry. You're always the victim in these things.

01:24:32:19 MAYBOURNE: Okay, look, I'll admit that when I first found the ruins...I did plan to
use them to my personal advantage. But all that changed once I became
King Arkhan the First.

01:24:44:28 O'NEILL: Oh, please.

01:24:46:13 MAYBOURNE: It's true, Jack. I care about these people. I want to help them.

01:24:51:07 O'NEILL: Then tell them the truth. Come clean on all this stuff.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:24:55:05 MAYBOURNE: I've already arranged for an assembly with the village elders.

01:25:00:27 MAYBOURNE (CONT'D): I'm going to tell them we have to leave.

01:25:27:09 MAYBOURNE: Well. Here goes nothing.

01:25:42:16 MAYBOURNE (CONT'D): My friends.

01:25:44:10 MAYBOURNE (CONT'D O/S): I wish I were here under better circumstances...

01:25:48:14 MAYBOURNE (CONT'D): but the fact is I've come before you all to deliver a
warning. The village is in danger, and the time has come for us to leave.

01:25:57:26 (LOCALS MURMURING)

01:26:01:01 MAYBOURNE (O/S): We must...

01:26:02:01 MAYBOURNE (CONT'D): abandon our world. Arrangements are being made to
help us...

01:26:08:09 MAYBOURNE (CONT'D): Temporarily relocate to a safe place.

01:26:12:11 (LOCALS MURMURING)

01:26:13:11 SECOND LOCAL (O/S): But the prophecy was clear.

01:26:16:12 SECOND LOCAL (CONT'D): The enemy will be defeated.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:26:18:11 MAYBOURNE: Uh, yes, uh...the prophecy was clear, but only up to a certain point.

01:26:23:28 MAYBOURNE (CONT'D O/S): After that, it was somewhat...

01:26:25:26 MAYBOURNE (CONT'D): unclear. Sort of a murky clarity.

01:26:38:02 MAYBOURNE (CONT'D): Of course, the enemy will be defeated, but... there is a chance that some of us may get hurt or even killed in the process, and I am not willing to--

01:26:48:13 FIRST LOCAL (O/S): Impossible!

01:26:49:13 FIRST LOCAL (CONT'D): You assured us we would be safe.

01:26:53:02 MAYBOURNE (O/S): Yes, I...

01:26:54:08 MAYBOURNE (CONT'D): I remember that. Uh, however...

01:27:18:20 MAYBOURNE (CONT'D): The truth is...I've not been entirely honest with you.

01:27:28:06 MAYBOURNE (CONT'D): I am not a seer. I don't possess insight into the future, or divine powers...

01:27:35:20 MAYBOURNE (CONT'D O/S): that set me apart. I'm just a regular guy...

01:27:41:10 MAYBOURNE (CONT'D): no more or less special than any of you.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:27:46:25 FIRST LOCAL: But the prophecies...

01:27:50:28 MAYBOURNE: The prophecies don't come from me.

01:27:53:11 MAYBOURNE (CONT'D O/S): They come from the walls of the old temple, written
 in stone for all to see. I have the ability to interpret these writings...

01:28:07:06 MAYBOURNE (CONT'D): and with the proper understanding, any of you could do
 the same.

01:28:11:20 (LOCALS MURMURING)

01:28:18:07 MAYBOURNE: I am a pretender. I took advantage of you, and...and for that I am
 deeply sorry.

01:28:33:20 GARAN: What about the design for the new water mill? Was this written on the
 temple wall as well?

01:28:39:01 MAYBOURNE (CONT'D): No, that was from me.

01:28:41:11 GARAN (O/S): And our new medicines...

01:28:43:13 GARAN (CONT'D): our legal code, the irrigation system, were these things also
 found in the ruins?

01:28:49:12 MAYBOURNE: No.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:29:59:28 MAYBOURNE: You know, Jack, Jack, Jack, wait a minute. I know it sounds crazy, but Garan was right about the prophecies. They have all come true.

01:30:10:04 O'NEILL: Harry, we're not staying, and if you want to come with us, I suggest you get your royal butt to the gate.

01:30:47:14 DANIEL (V/O OVER RADIO): Jack, come in.

01:30:49:15 O'NEILL (INTO RADIO): Go ahead.

01:30:51:22 DANIEL (INTO RADIO): We've got a little problem here.

01:30:55:23 DANIEL (CON'TD O/S INTO RADIO): Ares' Jaffa just came through the gate.

01:30:59:29 DANIEL (CON'TD INTO RADIO): We're cut off.

01:31:01:02 DANIEL (CON'TD V/O OVER RADIO): If you blow the ship now, you'll give away your position.

01:31:04:10 CARTER: Guess we're staying for a while.

ACT FOUR

01:31:47:10 MAYBOURNE: Welcome, strangers. I am King Arkhan the First. It is with a joyful
heart and open arms that we welcome you--

01:31:53:29 TRELAK: I am Trelak, First Prime to the great Lord Ares, your god...

01:31:58:15 TRELAK (CONT'D O/S): who will be returning to reclaim this land...

01:32:00:28 TRELAK (CONT'D): and his loyal followers.

01:32:02:00 MAYBOURNE (O/S): Of course, of course.

01:32:03:12 MAYBOURNE (CONT'D): Glad tidings of...comfort and joy. Comfort and joy.

01:32:08:15 TRELAK (O/S): Lord Ares...

01:32:10:14 TRELAK (CONT'D): demands nothing short of complete obedience from both you
and your people. Any resistance will be dealt with harshly.

01:32:19:11 MAYBOURNE: Understood.

01:32:23:12 TRELAK: Gather your subjects.

01:32:25:02 TRELAK (CONT'D O/S): Inform them of our arrival.

01:32:28:00 MAYBOURNE (O/S): Of course. I'll address them immediately.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:33:14:20 TRELAK (O/S): Silence!

01:33:18:04 TRELAK (CONT'D): Where may I find this prophecy?

01:33:24:01 TRELAK (CONT'D O/S): If what you say is true...

01:33:25:11 TRELAK (CONT'D): then we would be fools to stay and meet our certain death.

01:33:33:01 SERVANT: It is written on the walls of the old temple.

01:33:37:00 TRELAK: Go with her.

01:33:53:24 DANIEL (V/O OVER RADIO): Sam, Jack, this is Daniel. Ares' First Prime just sent some men out to check the ruins. As soon as they see that Ancient writing, they're going to search the area.

01:34:03:25 O'NEILL: Carter, how's it going in there?

01:34:05:02 CARTER: Just a few more minutes, sir.

01:34:07:10 DANIEL (V/O OVER RADIO): What are you guys doing? I thought you were going to blow it up.

01:34:09:29 CARTER (INTO RADIO): General O'Neill's given me one more chance to get the engines online so we can fly it out of here.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:34:14:00 DANIEL (V/O OVER RADIO): I'm all for saving the ship, but you're cutting it kind of close.

01:34:17:05 CARTER (INTO RADIO): I know.

01:34:27:15 MAYBOURNE: I have prepared a feast...

01:34:29:15 MAYBOURNE (CONT'D O/S): in your honor.

01:34:31:18 MAYBOURNE (CONT'D): Come.

01:34:35:00 MAYBOURNE (CONT'D): Please, sit. Partake of our bounty.

01:34:40:19 MAYBOURNE (CONT'D): This fruit, for instance. It's sort of a cross between a--a--
ah!

01:34:45:18 TRELAK (O/S): I am not interested in your offerings.

01:34:48:00 TRELAK (CONT'D): You were warned. Anyone who refuses to accept us will die.

01:34:53:13 MAYBOURNE: You've made yourself perfectly clear.

01:34:56:02 TRELAK: To you, perhaps, but your subjects seem...

01:35:00:13 TRELAK (CONT'D O/S): less than willing to accept our terms. They cling to
archaic beliefs...

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:35:04:24 TRELAK (CONT'D): prophecies, portents, that threaten to undermine...

01:35:07:27 TRELAK (CONT'D O/S): the rule of our god.

01:35:12:25 MAYBOURNE: That won't happen.

01:35:17:10 MAYBOURNE (CONT'D): I can see to it.

01:35:21:10 TRELAK: How?

01:35:23:17 MAYBOURNE: They're simple folk, easily influenced. With my help, you'll have no
trouble bending them to your will.

01:35:33:15 SERVANT: It's here.

01:36:02:00 O'NEILL: Damn it.

01:36:03:24 O'NEILL (V/O OVER RADIO): Carter?

01:36:06:15 CARTER (INTO RADIO): Sir?

01:36:07:19 O'NEILL (INTO RADIO): They're headed our way.

01:36:11:12 CARTER (INTO RADIO): I need more time.

01:36:14:27 O'NEILL: Of course you do.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:36:26:00 (GUNFIRE)

01:36:41:09 TRELAK: Those were Tau'ri weapons.

01:36:43:06 MAYBOURNE: What's a Tau'ri?

01:37:08:10 (STAFF WEAPON BLASTING)

01:37:11:14 O'NEILL: Time's up.

01:37:19:20 (STAFF WEAPONS BLASTING)

01:37:27:12 TRELAK: You're too late to save this world.

01:37:29:12 TRELAK (CONT'D O/S): I have already received word.

01:37:31:19 TRELAK (CONT'D): Lord Ares has just arrived.

ACT FIVE

01:38:04:20 CARTER: I'm done. I think.

01:38:07:15 (JAFFA BLASTING DOORS)

01:38:09:00 CARTER: You're good to go, sir.

01:38:11:04 O'NEILL: I'm doing the best I can.

01:38:14:09 TRELAK: What were you and your allies planning?

01:38:24:10 TRELAK (CONT'D): Know this, Shol'va. I'll see to it that you suffer slowly.

01:38:32:08 TEAL'C: And I will see to it that you die quickly.

01:39:00:17 TRELAK: I think not. My men guard the gate, and the mothership descends as we
speak.

01:39:17:12 (JAFFA BLASTING DOORS)

01:39:23:25 (ENGINE STARTING)

01:39:45:25 TRELAK: You were plotting in concert with the people of this world.

01:39:49:05 TRELAK (CONT'D O/S): Treachery is something we cannot abide.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:39:52:19 MAYBOURNE: I couldn't agree with you more.

01:39:55:01 MAYBOURNE (CONT'D O/S): You think you feel outraged. Imagine how I feel--
betrayed by my own people.

01:40:13:29 (STAFF WEAPON BLASTING)

01:40:17:25 CARTER: Sir, we're detecting another ship.

01:40:20:05 CARTER (CONT'D O/S): It's big.

01:40:26:08 (STAFF WEAPONS BLASTING)

01:40:33:25 (STAFF WEAPON BLASTING)

01:40:58:23 TRELAK: Shol'va...

01:41:42:18 TRELAK: You are a man of your word.

01:41:44:10 TEAL'C: Indeed.

01:41:59:17 CARTER: You're doing great, sir.

01:42:05:10 CARTER (CONT'D): Relatively speaking.

01:42:14:26 O'NEILL: Weapons.

STARGATE SG-1 "IT'S GOOD TO BE KING" Episode #813

01:42:17:20 O'NEILL (CONT'D): Weapons...

01:42:23:25 CARTER: Keep firing, sir.

01:42:25:26 O'NEILL: Nothing's happening.

01:42:28:16 CARTER (O/S): Weapons must be depleted.

01:42:30:09 CARTER (CONT'D): Hopefully, you hit some vital systems.

01:42:44:00 O'NEILL: Think that was vital?

01:42:46:02 CARTER: Relatively speaking.

01:43:06:00 O'NEILL: You sure you don't want to leave all of this?

01:43:08:17 MAYBOURNE: I can't abandon these people, Jack. I've made a life here. I can't
walk away from my home, my friends, my wives.

01:43:18:20 CARTER: Wives?

01:43:25:20 O'NEILL: Go.
