STARGATE SG-1 "FULL ALERT" Episode #814

01:00:27:15 (BEEPING)

01:00:33:01 CARTER: This is the ship Osiris left behind.

01:00:35:04 HOSKINS: If you hadn't caught her, we never would've had this opportunity.

01:00:37:08 COMM OFFICER: They're trying to run, sir.

01:00:38:29 COLONEL PENDERGAST: Dammit.

END OF RECAP

STARGATE SG-1 "FULL ALERT" Episode #814**TEASER**

01:01:13:16 (DOOR SQUEAKS OPEN)

01:01:35:28 KINSEY: Bad news. You're out of scotch.

01:01:41:25 O'NEILL: Well, if I'd known you were coming, I'd have hidden the good stuff.

01:01:46:13 KINSEY: If you'd known I was coming, I doubt I'd have made it through the door.

01:01:58:11 KINSEY (CONT'D O/S): Who are you calling?

01:02:00:02 O'NEILL: The local sheriff's a friend of mine.

01:02:01:13 (PHONE DIALING)

01:02:03:02 KINSEY: I may be disgraced, but I'm not wanted for any crimes.

01:02:06:27 O'NEILL: Breaking and entering?

01:02:11:10 KINSEY: Jack--

01:02:12:10 O'NEILL: Shh! It's ringing.

01:02:19:29 KINSEY: Now you can listen to what I have to say.

01:02:29:00 (CELLPHONE DIALING)

STARGATE SG-1 "FULL ALERT" Episode #814

01:02:31:00 KINSEY: Oh, for God's sake. You need to start trusting me, Jack.

01:02:37:14 O'NEILL: Mm... No, I really don't.

01:02:41:10 KINSEY: Yes, you really do.

01:02:46:02 KINSEY (CONT'D): The fate of the planet depends on it.

END OF TEASER

STARGATE SG-1 "FULL ALERT" Episode #814**ACT ONE**

01:04:11:28 SHERIFF (V/O OVER PHONE): Hello?

01:04:13:08 O'NEILL: Andy, it's Jack.

01:04:15:00 SHERIFF (V/O OVER PHONE): Hey, what's up?

01:04:18:12 SHERIFF (V/O OVER PHONE CONT'D): Jack? Hello?

01:04:22:20 O'NEILL: I was just checking on Friday, making sure we're still on for poker.

01:04:25:16 SHERIFF (V/O OVER PHONE): Yeah, you bet.

01:04:27:04 O'NEILL (O/S): I'll bring the beer.

01:04:28:04 SHERIFF (V/O OVER PHONE): All right.

01:04:28:20 O'NEILL: See you then.

01:04:29:05 SHERIFF (V/O OVER PHONE): See you.

01:04:33:01 KINSEY: Wise decision.

01:04:39:22 O'NEILL: You've got three minutes...before I shoot you as an intruder in my home.

STARGATE SG-1 "FULL ALERT" Episode #814

01:04:46:09 KINSEY: Same old Jack O'Neill. Although I hear you're a general now.
Congratulations.

01:04:55:28 KINSEY (CONT'D): All right, then, straight to the point. You want to take down
The Trust. I can help you.

01:05:03:21 O'NEILL: I'm sorry, I must've missed an episode. I thought you guys were working
together.

01:05:09:00 KINSEY (O/S): After I was forced to resign as Vice President...

01:05:11:03 KINSEY (CONT'D): my relationship with the organization changed.

01:05:14:16 O'NEILL: Meaning you were no longer useful so they kicked you out on your ass.

01:05:19:04 KINSEY: That's a rather crude way of putting it, but...yes.

01:05:24:24 O'NEILL: Why didn't they just shoot you?

01:05:27:15 KINSEY: Believe me, that was a consideration, which is why...

01:05:30:05 KINSEY (CONT'D O/S): when they requested a meeting a few days ago, I
suggested a nice...

01:05:34:15 KINSEY (CONT'D): public venue. They made me a very...interesting offer.

STARGATE SG-1 "FULL ALERT" Episode #814

01:05:48:13 KINSEY (CONT'D): In exchange for a large cash payment, The Trust wants me to arrange a meeting with General Miroslav Kiselev, the Russian Defense Minister.

01:05:57:26 O'NEILL: I thought they already had connections with the Russian military.

01:06:01:23 KINSEY: This isn't just a connection. Kiselev exercises operational authority over all of Russia's armed forces, including their nuclear arsenal.

01:06:12:17 O'NEILL: And he just happens to be a good friend of yours.

01:06:17:28 KINSEY: Nah... After the fall of Communism, he was one of a number of officers assigned to pursue secret talks with the West aimed at military cooperation. He was a hard-liner...

01:06:30:22 KINSEY (CONT'D O/S): even then. His country was falling apart, but he came at us...

01:06:34:16 KINSEY (CONT'D): as though we were the ones at a disadvantage. He and I developed a...mutual respect.

01:06:44:21 O'NEILL: What does The Trust want with him?

01:06:46:05 KINSEY (O/S): Well, they wouldn't give me any specifics...

STARGATE SG-1 "FULL ALERT" Episode #814

01:06:47:21 KINSEY (CONT'D): but they know we entered into a deal with the Russians for control of the gate, and they also know that there's a growing sentiment in Moscow that we haven't been keeping up our end of the bargain.

01:06:56:15 O'NEILL: You think they're trying to turn the Russians against us.

01:06:59:05 KINSEY: It's ambitious, I know, even for The Trust, but from what I hear, after you put a crimp in their little plan to use symbiote poison...

01:07:07:29 KINSEY (CONT'D O/S): to wipe out the Goa'uld, there's been a change of attitude. They're no longer willing to stay in the shadows...

01:07:14:25 KINSEY (CONT'D): and bide their time. They want to make a direct grab for power.

01:07:21:25 KINSEY (CONT'D): That's why I came to you.

01:07:23:05 O'NEILL: Yes, you've always struck me as the hero type.

01:07:33:04 KINSEY: You may question my methods, but everything I did was for God and country.

01:07:38:12 KINSEY (CONT'D O/S): For The Trust to ally themselves with a foreign power against the United States of America...

01:07:44:15 KINSEY (CONT'D): well, that's just something I can't condone.

STARGATE SG-1 "FULL ALERT" Episode #814

01:07:46:20 O'NEILL (O/S): Kinsey...

01:07:47:15 O'NEILL (CONT'D): please. Spare me the diatribe. They kicked you when you were down, and you want revenge. It's as simple as that.

01:07:56:18 KINSEY: The truth is, my motives are irrelevant. The Trust has become an imminent threat to the sovereignty of this nation. Now...what are you going to do about it?

01:08:13:15 CARTER (V/O): What would happen if The Trust actually convinced the Russians to back out of our deal?

01:08:17:17 DANIEL: Well, it would be a problem. Technically, the gate's only here on loan. If the Russians decide they want it back, things could get sticky.

01:08:23:22 TEAL'C: Is it possible Kinsey is simply lying?

01:08:26:07 O'NEILL: That is always possible.

01:08:29:20 CARTER: Has he asked for anything in return for the information?

01:08:32:02 O'NEILL: Protection.

01:08:33:22 DANIEL (O/S): Makes sense. If he doesn't cooperate...

01:08:35:11 DANIEL (CONT'D):The Trust will kill him.

STARGATE SG-1 "FULL ALERT" Episode #814

01:09:25:06 DANIEL: We've got picture.

01:09:26:23 CARTER: Let's have your belt.

01:09:28:13 KINSEY: Why?

01:09:29:25 CARTER: Because you'll be wearing this one instead.

01:09:31:11 CARTER (CONT'D): The buckle contains a GPS receiver unit that'll allow us to
track your movements.

01:09:35:22 KINSEY: When we're done, I want that back.

01:09:38:27 CARTER: Now, they've arranged to meet you at a remote location. My guess...

01:09:42:02 CARTER (CONT'D O/S): is they'll have you leave your car, and then they'll...

01:09:44:01 CARTER (CONT'D): drive you to a second location where the actual meeting will
take place.

01:09:46:21 CARTER (CONT'D O/S): Now, we're going to have to keep back a fair distance so
as not to arouse suspicion...

01:09:50:09 CARTER (CONT'D): but we will be monitoring your conversations by means of
this listening device that we've fitted into the collar of your shirt.

STARGATE SG-1 "FULL ALERT" Episode #814

01:09:56:06 CARTER (CONT'D O/S): We've got a strike team with us. They will be ready to move in at the first sign of trouble.

01:10:01:14 CARTER (CONT'D): Now, in the event that something does go wrong, I'd suggest we come up with a pre-established signal, preferably a code word that'll let us know you're in trouble.

01:10:08:28 KINSEY: How about something simple like "help".

01:10:14:04 CARTER: How about something a little less obvious like..."red"?

01:10:19:11 KINSEY: Whatever.

01:10:20:11 CARTER: Don't be too direct fishing for information. Let them

01:10:23:22 CARTER (CONT'D O/S): do the talking.

01:10:24:24 KINSEY: Get out of my way. I know what to do.

01:10:46:03 KINSEY: You're late.

01:10:50:13 KINSEY (CONT'D): You're kidding, right?

01:10:52:03 JENNINGS: Afraid not.

01:11:10:21 CARTER (V/O OVER RADIO): He's on the move.

STARGATE SG-1 "FULL ALERT" Episode #814

01:13:04:20 MR. KENT (CONT'D): to a private meeting. We were afraid you might be holding a grudge against us.

01:13:11:14 KINSEY: You mean because you abandoned me at the moment I needed you the most?

01:13:19:02 MR. PARKER (V/O OVER MONITOR): You were a liability, Bob. An embarrassment.

01:13:23:09 KINSEY: I think you've got that backwards.

01:13:26:09 KINSEY (CONT'D O/S): I was only forced to resign as Vice President

01:13:29:13 KINSEY (CONT'D): because they found out about my relationship with you.

01:13:31:20 MR. PARKER (O/S): Either way...

01:13:32:25 MR. PARKER (CONT'D): you were no longer useful to us.

01:13:36:14 MR. PARKER (CONT'D): You would've done the same.

01:13:38:09 KINSEY: Maybe. But when I cut someone loose, I don't go back to them groveling for favors.

01:13:46:24 MR. WAYNE (O/S): You say...

01:13:47:24 MR. WAYNE (CONT'D): what's on your mind. I'll give you that.

STARGATE SG-1 "FULL ALERT" Episode #814

01:13:50:02 KINSEY: Under other circumstances, I might be worried about winding up like one of your trophies on the wall. But you've already made it clear that you need me, so I don't have anything to worry about, do I?

01:14:05:26 CARTER: We're losing video.

01:14:07:04 MR. KENT (V/O OVER MONITOR): It's true, we need you, but not for what you think.

01:14:10:10 DANIEL: Are they jamming us?

01:14:11:15 CARTER: I don't know.

01:14:13:03 KINSEY: What are you talking about?

01:14:16:09 MR. WAYNE: Show him.

01:14:35:29 MR. PARKER (V/O OVER MONITOR): This is why we need you, Bob.

01:14:39:18 KINSEY: Wha...what the hell is going on here?

01:14:45:21 (RADIO FEEDBACK)

01:14:46:22 CARTER: They're definitely jamming us.

01:14:49:16 CARTER (CONT'D INTO RADIO): Teal'c, we've lost audio. Move in!

STARGATE SG-1 "FULL ALERT" Episode #814

01:14:58:21 DANIEL: Can you get the signal back?

01:15:00:03 CARTER: I can't get past the interference.

01:15:20:25 STRIKE TEAM MEMBER (O/S): Clear!

01:15:33:20 DANIEL: They beamed out.

01:15:36:20 CARTER: This is starting to become a habit.

END OF ACT ONE

STARGATE SG-1 "FULL ALERT" Episode #814**ACT TWO**

01:15:57:10 CARTER (V/O): If the Alkesh is in orbit...

01:15:59:14 CARTER (CONT'D): they must've fixed the cloak, because SSN hasn't picked them up.

01:16:02:07 DANIEL: What about the locator beacons?

01:16:03:27 CARTER: We're running a search through the N.S.A. satellite system, but all they'd have to do to avoid detection is change the frequency. Odds are we're not going to find anything.

01:16:13:05 O'NEILL: Well, the Pentagon's been apprised of the situation. They're launching Prometheus in about four hours. I want you onboard. There's a C-17 waiting for you at Peterson.

01:16:23:25 TEAL'C: Understood.

01:16:25:06 CARTER (O/S): Sir, I've been going over the sensor logs from the last...

01:16:28:13 CARTER (CONT'D): encounter between Prometheus and the Alkesh. There were a few small anomalies emanating from the ship's position before it decloaked. They didn't register because we didn't know to look for them, but I could create a program that would key the sensors to those particular readings.

STARGATE SG-1 "FULL ALERT" Episode #814

01:16:42:14 O'NEILL: I was just going to suggest that.

01:16:46:06 DANIEL: So we'd be able to detect a cloaked ship?

01:16:48:07 CARTER (O/S): Well, it's not that simple.

01:16:49:17 CARTER (CONT'D): These anomalies are very difficult to detect. It might've just
been a fluke that we picked them up the first time.

01:16:55:01 CARTER (CONT'D O/S): The effect is also mimicked by certain types of cosmic
radiation...

01:16:58:25 CARTER (CONT'D): but I still think it might improve our odds.

01:17:02:03 O'NEILL: So instead of a million to one...

01:17:04:12 CARTER: Maybe 10,000 to one?

01:17:09:00 DANIEL: Improvement.

01:17:09:13 O'NEILL: Yeah.

01:17:10:26 CARTER (O/S): I'll need a few hours to create...

01:17:12:04 CARTER (CONT'D): the program.

01:17:13:00 O'NEILL: Fine.

STARGATE SG-1 "FULL ALERT" Episode #814

01:18:14:07 COLONEL PENDERGAST: All right. Begin search pattern Alpha.

01:18:16:11 COMM OFFICER: Yes, sir.

01:18:28:20 DANIEL: Hi, uh, I'm here to see Captain Voronkov.

01:18:32:14 DARIA: No, there's no Captain Voronkov here.

01:18:34:15 DANIEL: Oh, uh, that's strange. The guy down the hall said--

01:18:38:17 DARIA (INTERRUPTING): I am Captain Voronkova--Daria Voronkova.

01:18:42:07 DARIA (CONT'D O/S): You must be...

01:18:43:29 DARIA (CONT'D): Daniel Jackson.

01:18:44:28 DANIEL (O/S): Yeah, I'm sorry. I was told...

01:18:46:15 DANIEL (CONT'D): I'd be meeting Colonel Chekov's right-hand man, so, naturally,
I assumed--

01:18:50:00 DARIA (O/S): For my part, I expected...

01:18:51:19 DARIA (CONT'D): a drab, pasty-faced, middle-aged academic. I, too, am
pleasantly surprised.

01:18:57:21 DANIEL: Oh...Uh, your English is excellent.

STARGATE SG-1 "FULL ALERT" Episode #814

01:22:26:01 O'NEILL: Colonel. I was hoping you could shed some light on the situation here.

01:22:30:25 O'NEILL (CONT'D): We can't seem to get a straight answer from your
government.

01:22:34:14 CHEKOV (O/S): Well, the information...

01:22:35:14 CHEKOV (CONT'D): coming out of Moscow is guarded at best...

01:22:38:17 CHEKOV (CONT'D O/S): but my sources in the Kremlin tell me...

01:22:41:18 CHEKOV (CONT'D): the Russian military is increasing its alert status because
they think the American administration has been compromised.

01:22:50:07 CHERNOVSHEV: Dr. Jackson. Sorry to keep you waiting.

01:22:53:09 DANIEL: No problem. You want to tell me what's going on?

01:22:55:25 CHERNOVSHEV: All in good time. Now, please, roll up your sleeve. We need a
sample of your blood.

01:23:05:18 DANIEL: You're kidding.

01:23:06:28 CHERNOVSHEV: Either you cooperate, or we will take it by force.

01:23:15:00 DANIEL: Is this a normal part of your interrogation procedure?

ACT THREE

01:24:56:04 CHEKOV: How could Kinsey have become a Goa'uld?

01:24:58:14 O'NEILL: Five bucks says Carter has a theory.

01:25:02:02 CARTER: As a matter of fact, I do.

01:25:03:15 O'NEILL: Huh?

01:25:04:20 CARTER: According to Tok'ra intelligence, The Trust launched at least two poison attacks against Goa'uld-occupied worlds after we took back the gate. That means they had to leave the relatively safe confines of the solar system and head out into the galaxy, where they ran the risk of being killed or captured.

01:25:21:07 CHEKOV: What are you suggesting?

01:25:23:06 CARTER (O/S): Any Goa'uld...

01:25:24:08 CARTER (CONT'D): who got his hands on them would've discovered pretty quickly that they belonged to a top-secret organization...

01:25:28:23 CARTER (CONT'D O/S): with high-level connections to some of the most powerful governments and institutions on this planet...

STARGATE SG-1 "FULL ALERT" Episode #814

01:25:33:22 CARTER (CONT'D): including the SGC, Area 51, and maybe even the Ancient outpost in the Antarctic.

01:25:40:04 CHEKOV: My God. You think they had been taken as hosts, then sent back to Earth.

01:25:44:12 CARTER (O/S): I think it's possible. They could have brought dozens...

01:25:47:24 CARTER (CONT'D): maybe even hundreds of symbiotes back with them. By now, the entire Trust could have been taken over.

01:25:52:27 CHEKOV: But why would the Goa'uld want to assassinate General Kiselev?

01:25:56:28 O'NEILL (O/S): We don't know for sure that was the plan...

01:25:59:07 O'NEILL (CONT'D): but if Carter's right, Kinsey might have been trying to get a snake into Kiselev's head.

01:26:03:14 CARTER: It makes sense. From Kiselev, it's one step up to the President of Russia.

01:26:08:16 CHEKOV: How do we know he didn't succeed?

01:26:10:00 CARTER: Kinsey never met with the General. He was arrested before he had the chance.

STARGATE SG-1 "FULL ALERT" Episode #814

01:26:59:04 DANIEL: To figure out what's going on, we have to question him.

01:27:01:00 DARIA: He is being questioned, by Russian military intelligence.

01:27:04:04 DANIEL: Yes, and he's feeding them a pack of lies. He's telling them the
American administration has been infiltrated 'cause he wants to force a
confrontation.

01:27:09:15 DARIA: To what end?

01:27:10:26 DANIEL: I don't know. That's why we need to talk to him.

01:27:12:18 DARIA: (Speaking Russian)

01:27:14:00 DANIEL: Language.

01:27:18:21 DANIEL (CONT'D): Daria, please.

01:27:23:15 DARIA: I'll see what I can do. In the meantime, stay here.

01:27:37:08 TECHNICIAN: Sir, we just received another report. As of 09:12, the Chinese
military have joined the Russians in an elevated state of alert.

01:27:46:04 O'NEILL: Naturally.

01:27:49:14 CHEKOV (O/S): General.

STARGATE SG-1 "FULL ALERT" Episode #814

01:28:59:09 DANIEL: So what should I call you?

01:29:01:13 KINSEY/GOA'ULD: You are unworthy to speak my name.

01:29:04:29 DANIEL: Maybe. So I'm guessing you work for the System Lords, am I right?

01:29:10:11 DANIEL (CONT'D O/S): I know you're not working for Baal. He's too busy
 conquering the galaxy to bother with an unimportant planet like Earth.
 I've got to hand it to you, though.

01:29:17:19 DANIEL (CONT'D): Your territories are falling one by one, your troops are in full
 retreat, and you still find the time to try and destroy little old us. The
 question is why.

01:29:28:07 DANIEL (CONT'D): Captain Voronkova thinks it's a petty need for revenge for...

01:29:31:02 DANIEL (CONT'D O/S): all the trouble we've caused you over the years, sort of a
 last-ditch attempt to take us with you before Baal...

01:29:35:03 DANIEL (CONT'D): finishes you off. I told her the System Lords aren't that
 pathetic. Are they?

01:29:38:14 KINSEY/GOA'ULD: You are the one who is pathetic. You will die never knowing
 our true purpose.

01:29:45:00 DANIEL: So there is a hidden agenda. We're making progress now, aren't we?

STARGATE SG-1 "FULL ALERT" Episode #814

01:29:58:28 O'NEILL (O/S INTO TELEPHONE): Yeah. All right. Keep me posted.

01:30:01:22 O'NEILL (CONT'D): Well, the Chinese are refusing to back down, and gosh and golly, go figure, we're picking up increased chatter from within Russia.

01:30:09:04 CHEKOV: I'm still waiting to hear back from my contacts in Moscow.

01:30:12:09 O'NEILL: And I just talked to the joint Chiefs. We're going to DEFCON-2.

01:30:21:29 DANIEL: You know, I'm sure If we put our heads together, we'd come up with a dozen reasons why you'd want to wipe us out. The most important being the Ancient weapon that you know we possess. I'm sure the System Lords think that if they can get us to wipe ourselves out...

01:30:32:22 DANIEL (CONT'D O/S): well, they can just step right in and take it. They're probably right. What I don't understand...

01:30:35:14 DANIEL (CONT'D): is you...why you're so willing to sacrifice yourself.

01:30:39:12 KINSEY/GOA'ULD: I assure you, I have no intention of dying on this miserable planet.

01:30:45:21 DANIEL: You're in Russian defense headquarters. It's a primary target. If you do succeed in starting a nuclear war, you're going to die right along with the rest of us.

01:30:57:25 DANIEL (CONT'D): Unless there's something I'm missing.

STARGATE SG-1 "FULL ALERT" Episode #814

01:30:59:19 KINSEY/GOA'ULD: You should return to your homes and say farewell to your loved ones.

01:31:03:02 KINSEY/GOA'ULD (CONT'D O/S): Your gods have deemed you to be unworthy...

01:31:06:24 KINSEY/GOA'ULD (CONT'D): and the hour of reckoning is at hand.

01:31:10:04 TECHNICIAN: Air Force Space Command has put all of its missile wings on alert. The first B2 left Whiteman at 09:40. FLSATCOM sent out an emergency action message. Nine of our missile submarines are at sea, and the rest are preparing for immediate sortie. The President and his team are on their way to Andrews, where the national airborne command post is awaiting their arrival.

01:31:31:01 CHEKOV (O/S): General Kiselev found out...

01:31:32:13 CHEKOV (CONT'D): we were trying to rally support against him. He's already arrested several officers on trumped-up charges. I'm afraid Dr. Jackson may be in danger.

01:31:42:18 DANIEL: Come on. I mean, next to slaughtering innocents, gloating is what you guys are all about. It must be just killing you, just sitting there, not bragging about your brilliant plan.

01:31:56:05 (PAGER BEEPING)

01:31:59:13 DARIA: We have to get out of here. Now.

STARGATE SG-1 "FULL ALERT" Episode #814

01:32:01:11 DANIEL: Why? What is it?

01:32:02:12 DARIA (O/S): They're coming for us.

01:32:03:00 DANIEL: Who?

01:32:03:21 GUARDS (O/S): (Speaking Russian)

01:32:07:00 KINSEY/GOA'ULD: You are too late.

01:32:10:05 DARIA: (Speaking Russian)

01:32:12:00 GUARD (O/S): (Speaking Russian)

01:32:12:26 DARIA: (Speaking Russian)

01:32:13:21 GUARD: (Speaking Russian)

01:32:15:03 DANIEL: Sorry, guys. Got to go.

01:32:17:14 (GUNFIRE)

01:32:20:23 GUARD: (Speaking Russian)

01:32:29:24 KINSEY/GOA'ULD: What is the meaning of this?

01:32:31:08 COLONEL PENDERGAST (O/S): Dr. Jackson...

STARGATE SG-1 "FULL ALERT" Episode #814

01:32:31:08 COLONEL PENDERGAST (CONT'D): welcome aboard the Prometheus.

01:32:33:01 DANIEL (O/S): Any luck finding the Alkesh?

01:32:34:06 TEAL'C: None.

01:32:35:09 COLONEL PENDERGAST: Maybe he can help us.

01:32:37:22 KINSEY/GOA'ULD: I think not.

01:32:39:06 TEAL'C: If you do not cooperate, I will kill you.

01:32:41:08 KINSEY/GOA'ULD (O/S): Don't you realize what you have done?

01:32:44:10 KINSEY/GOA'ULD (CONT'D): The Russians already suspected you'd been
compromised by the Goa'uld. As far as they know, you helped me to
escape.

01:32:51:04 KINSEY/GOA'ULD (CONT'D O/S): You've done more to convince them...

01:32:53:15 KINSEY/GOA'ULD (CONT'D): than I ever could.

END OF ACT THREE

ACT FOUR

01:33:16:28 O'NEILL: Listen up, people. I just got word. The Russians have gone to a state of full military preparedness. As of this moment, we're at DEFCON-1.

01:33:36:21 KINSEY/GOA'ULD: The Russians will no doubt view my abduction as an attempt to hide evidence that your government has been infiltrated by the Goa'uld. You have no choice but to return me immediately.

01:33:48:13 DANIEL: Yeah, see, that's the part I don't understand. The whole time you were down there, you were doing your best to start a nuclear war, even though you were right in the line of fire. Now you want to go back?

01:33:59:02 COLONEL PENDERGAST: He has a way out.

01:34:00:22 DANIEL: He knows someone on the inside, someone who can protect him.

01:34:05:24 TEAL'C: Who is it?

01:34:07:14 KINSEY/GOA'ULD: I have nothing more to say to you.

01:34:09:22 COLONEL PENDERGAST: We can start this again when he's had some time to think about it. Take him to the brig.

01:34:19:28 O'NEILL: All our naval forces have been deployed, and we've got some pretty big birds in the air right now. Radio chatter suggests that both your people and the Chinese have alerted their missile regiments.

STARGATE SG-1 "FULL ALERT" Episode #814

01:34:33:18 CHEKOV: They're posturing. Kiselev knows that even if he launches an effective first strike against your land-based forces, your sea-based missiles are already in a position to exact extreme retribution.

01:34:43:27 O'NEILL: Yeah, that's only if he doesn't completely lose his mind, and I'm not discounting the possibility.

01:34:49:19 CHEKOV: As acting Commander-in-Chief of the Russian armed forces, President Mikhailov is our only hope of reeling him in.

01:34:54:29 O'NEILL: Well, we can't get through to him. He's not even taking calls from the White House anymore.

01:35:00:04 CHEKOV: He is convinced the Goa'uld now control the American administration. Look. I know a few people on his personal staff. I may be able to get the direct line, but if we do make contact, we'll only have a few minutes to convince him that General Kiselev has been misled by the Goa'uld. Now, right now, I don't see how we're going to do that.

01:35:30:17 JENNINGS/GOA'ULD (INTO RADIO): We are in position.

01:35:33:16 MR. KENT/GOA'ULD (V/O OVER RADIO): Have they detected our presence?

01:35:35:24 JENNINGS/GOA'ULD (INTO RADIO): No.

01:35:37:02 MR. KENT/GOA'ULD (V/O OVER RADIO): Very well. Destroy the ship.

STARGATE SG-1 "FULL ALERT" Episode #814

01:35:40:13 JENNINGS/GOA'ULD (INTO RADIO): They have superior shields. If we do not succeed with the first salvo, we will be at a disadvantage.

01:35:46:00 MR. KENT/GOA'ULD (V/O OVER RADIO): So long as he is in their hands, he remains a liability. We have no choice.

01:35:50:24 JENNINGS/GOA'ULD (INTO RADIO): Understood.

01:35:58:05 (EXPLOSION)

01:35:59:10 DANIEL: What the hell was that?

01:36:04:00 (GUNFIRE)

01:36:09:01 COMM OFFICER: We're under attack.

01:36:10:04 COLONEL PENDERGAST: Shields up!

01:36:11:26 COMM OFFICER (O/S): Shields are down...

01:36:13:17 COMM OFFICER (CONT'D): to 40%. We've lost starboard engines.

01:36:15:06 COLONEL PENDERGAST: Transfer power to port engines. Give me evasive maneuvers. Bring all weapon batteries on-line.

01:36:19:15 LARSON (V/O OVER RADIO): Bridge, this is Sergeant Larson.

STARGATE SG-1 "FULL ALERT" Episode #814

01:36:21:09 COLONEL PENDERGAST (INTO RADIO): Go ahead.

01:36:22:15 LARSON (V/O OVER RADIO): I'm sorry, sir. The prisoner escaped.

01:36:24:21 TEAL'C: The ring room.

01:36:33:08 O'NEILL: Please, tell me you have something.

01:36:37:02 CARTER: Yes, sir, I think I do. I've been going over everything we have on
General Kiselev, and I found this. Colonel Ruslan...

01:36:45:19 CARTER (CONT'D O/S): Chernovshev. He was Kiselev's Chief of Staff, his right-
hand man.

01:36:50:16 CARTER (CONT'D): Three years ago, he was involved in a plot to sell a captured
sybiote...

01:36:53:08 CARTER (CONT'D O/S): to elements of The Trust, then operating within the NID.

01:36:57:18 CARTER (CONT'D): That means The Trust had a direct connection to Kiselev.
They didn't need Kinsey.

01:37:01:20 CARTER (CONT'D O/S): He was just a pretext to justify this confrontation...

01:37:04:24 CARTER (CONT'D): by making them think that we'd been compromised.

01:37:07:08 CHEKOV (O/S): So, if The Trust had access...

STARGATE SG-1 "FULL ALERT" Episode #814

01:37:09:14 CHEKOV (CONT'D): to Kiselev, then he could have been compromised as well.

01:37:12:03 CARTER: Exactly. This...is a file photo of General Kiselev taken three years ago.
 And this was taken less than a week ago during a speech he gave to the
 General Staff Academy. Notice the difference?

01:37:29:00 O'NEILL: Glasses?

01:37:30:23 CHEKOV: May I see that?

01:37:33:12 CARTER (O/S): We know that symbiotes have healing power. They can cure a
 host...

01:37:37:15 CARTER (CONT'D): body of any number of physical shortcomings, including bad
 eyesight.

01:37:43:01 O'NEILL: That's it?

01:37:44:10 O'NEILL (CONT'D O/S): Did it occur to you...

01:37:46:06 O'NEILL (CONT'D): that he might be wearing contacts?

01:37:47:28 CARTER: Sir, I realize it's not a lot to go on.

01:37:50:10 O'NEILL: Have you heard of laser surgery?

01:37:52:04 CARTER: Sir--

STARGATE SG-1 "FULL ALERT" Episode #814**ACT FIVE**

01:38:30:00 (EXPLOSION)

01:38:32:20 (GUNFIRE)

01:39:01:25 DANIEL: Crap.

01:39:09:18 TECHNICIAN: We've almost got it, sir. Stand by.

01:39:12:05 O'NEILL: Hey. How do we know Mikhailov hasn't been infected, too?

01:39:17:12 CHEKOV: We don't, but at this point, we hardly have anything to lose.

01:39:22:13 O'NEILL: Good point.

01:39:23:19 TECHNICIAN: We've got it, sir. You're on.

01:39:27:02 CHEKOV (INTO PHONE): Mr. President, can you hear me?

01:39:29:19 PRESIDENT MIKHAILOV (V/O OVER PHONE): Colonel Chekov, this is highly irregular.

01:39:31:29 CHEKOV (INTO PHONE): Yes, sir, but these are highly unusual circumstances.

01:39:36:22 PRESIDENT MIKHAILOV (V/O OVER PHONE): Agreed. Is General O'Neill there with you?

STARGATE SG-1 "FULL ALERT" Episode #814

01:39:39:09 O'NEILL (INTO PHONE): I'm here, Mr. President.

01:39:41:06 PRESIDENT MIKHAILOV (V/O OVER PHONE): It's good to speak with you again.
Although, you understand, at the moment, I cannot trust anything you
say.

01:39:46:18 O'NEILL (O/S INTO PHONE): Yeah, about that. It's true, there has been a
Goa'uld...

01:39:51:22 O'NEILL (CONT'D INTO PHONE): infiltration...but it's not on our side. It's on
yours.

01:40:01:07 PRESIDENT MIKHAILOV (V/O OVER PHONE): What is it exactly that you are
saying?

01:40:05:05 O'NEILL (INTO PHONE): Let me put it this way, sir...he last time you saw General
Kiselev, did you happen to notice if he was wearing his glasses?

01:40:16:20 (EXPLOSION)

01:40:18:03 COMM OFFICER: Shields are holding, sir, 40% and steady.

01:40:20:07 COLONEL PENDERGAST: Then we've got him. Come about...

01:40:22:08 COLONEL PENDERGAST (CONT'D O/S): and prepare to fire on my signal.

01:40:30:27 JENNINGS/GOA'ULD (O/S): I'm pleased you were able...

STARGATE SG-1 "FULL ALERT" Episode #814

01:40:32:07 JENNINGS/GOA'ULD (CONT'D): to use my diversion to free yourself.

01:40:34:05 KINSEY/GOA'ULD: Do you think I'm a fool?

01:40:36:02 KINSEY/GOA'ULD (CONT'D O/S): You tried to destroy the ship...

01:40:38:12 KINSEY/GOA'ULD (CONT'D): because you thought I would reveal information
about you.

01:40:41:09 JENNINGS/GOA'ULD: Of course not. We were merely—

01:40:43:14 (GUNFIRE)

01:40:46:03 COLONEL PENDERGAST: Open fire, all batteries.

01:40:47:19 COMM OFFICER: Yes, sir.

01:40:50:12 (EXPLOSION)

01:41:08:07 CHEKOV (INTO PHONE): We're sending you the relevant documents now, Mr.
President. Proof of Colonel Chernovshev's prior relationship with The
Trust. Plus, a list of Generals who are willing to support you, should you
decide to move against General Kiselev.

01:41:20:13 PRESIDENT MIKHAILOV (V/O OVER PHONE): I must say, I'm not sure what to
make of all this.

STARGATE SG-1 "FULL ALERT" Episode #814

01:41:23:28 O'NEILL (INTO PHONE): Well...you could start by trusting us.

01:41:26:02 PRESIDENT MIKHAILOV (V/O OVER PHONE): And if you have been
compromised by the Goa'uld, I would be standing down my forces with
the Americans in position to launch an immediate attack.

01:41:34:04 O'NEILL (INTO PHONE): Sir, we both know neither side can win outright...

01:41:38:18 O'NEILL (CONT'D O/S INTO PHONE): with a first strike. That's the whole point.

01:41:42:02 O'NEILL (CONT'D INTO PHONE): The Goa'uld don't want a winner. They want us
to destroy each other.

01:41:45:16 PRESIDENT MIKHAILOV (V/O OVER PHONE): Why?

01:41:46:12 CHEKOV (O/S INTO PHONE): We believe their...

01:41:47:24 CHEKOV (CONT'D INTO PHONE): their ultimate goal is to get their hands on the
Ancient weapon in Antarctica.

01:41:51:25 TECHNICIAN (O/S): Sir. N.P.I.C. is reporting visuals from...

01:41:55:15 TECHNICIAN (CONT'D): Russian missile site 537. Silo doors are open...

01:41:58:24 TECHNICIAN (CONT'D O/S): evidence of a firefight on the ground.

01:42:00:21 CHEKOV: Oh, my God. Kiselev is trying to launch without authorization.

STARGATE SG-1 "FULL ALERT" Episode #814

01:42:04:04 O'NEILL (INTO PHONE): Mr. President, you are about to lose control of your own forces. You have to do something right now.

01:42:11:03 PRESIDENT MIKHAILOV (V/O OVER PHONE): I am--

01:42:12:11 (STATIC)

01:42:14:11 O'NEILL: What happened?

01:42:15:11 TECHNICIAN: We lost the connection. The line is down.

01:42:21:27 COMM OFFICER: Sir, the Alkesh is no longer making evasive maneuvers or returning fire. We have a clear shot.

01:42:28:05 COLONEL PENDERGAST: Stand by.

01:42:34:11 KENT/GOA'ULD: Why are we not returning fire?

01:42:46:13 COMM OFFICER: They're powering weapons.

01:42:48:13 COLONEL PENDERGAST: Take them out.

01:42:51:25 (MISSILE FIRE)

01:42:53:20 (SHIP EXPLODING)

01:43:00:03 COMM OFFICER: Target destroyed.

STARGATE SG-1 "FULL ALERT" Episode #814

01:43:26:18 O'NEILL: Get me Washington.

01:43:27:19 CHEKOV (O/S): General.

01:43:28:29 CHEKOV (CONT'D): Wait.

01:43:30:06 O'NEILL: We're out of time, Colonel.

01:43:31:27 CHEKOV: Please.

01:43:40:08 TECHNICIAN: Sir, N.P.I.C. is reporting new visuals at 537. Silo doors are closing.

01:43:47:14 CARTER: Russian bombers are turning around and returning to base.

01:43:54:13 CARTER (CONT'D): They're standing down.
