STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:00:56:25 SELKHET (CONT'D): You will be permitted to live, so long as you bow before him
as the supreme commander...

01:01:03:11 SELKHET (CONT'D O/S): of the entire Goa'uld domain.

01:01:06:17 SELKHET (CONT'D): Refusal to accept the terms of this offer will result in the
resumption of hostilities, and, ultimately, your death.

01:01:20:29 SELKHET (CONT'D): Bring her.

01:01:23:22 YU: What is the meaning of this?

01:01:25:08 SELKHET: I should ask you the same thing.

01:01:38:03 SELKHET (CONT'D O/S): Major Samantha Carter.

01:01:41:17 CARTER: Actually, I'm a colonel now.

01:01:50:06 SELKHET: Her cargo ship was intercepted by my sentries when it violated the
proximity zone...

01:01:54:01 SELKHET (CONT'D O/S): around this station. I am well aware of your past
relationship with SG-1 and the Tauri.

01:02:01:05 SELKHET (CONT'D): Would you have me believe that her sudden appearance
here is nothing more than mere coincidence?

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:02:10:15 YU: What are you doing here?

END OF TEASER

STARGATE SG-1 "RECKONING" PART 1 Episode #815**ACT ONE**

01:04:01:10 TEAL'C: They are late.

01:04:02:18 DANIEL: Or they're not coming.

01:04:04:23 TEAL'C: Were that the case, Raknor would have sent word.

01:04:06:20 BRA'TAC: If he were able to do so.

01:04:07:29 CARTER: Maybe we should reconsider the mission.

01:04:10:20 TEAL'C: This is not an SGC mission. Reconsidering is not an option.

01:04:14:23 DANIEL: Look, I know the timing of these first few surprise attacks is crucial, but...

01:04:19:06 CARTER: And we're just here as observers, but right now, I'm observing the fact
 that if you take on one of Amaterasu's motherships without proper
 backup, you could get yourself killed.

01:04:29:14 DANIEL: Us observers, too.

01:04:30:26 BRA'TAC: Many such attacks have been coordinated simultaneously across the
 galaxy, each one designed to create a strategic weakness in the forces
 of the System Lords.

01:04:39:12 DANIEL: And if even one fails, I know--

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:04:41:03 TEAL'C: The rebel Jaffa have gone to great lengths to acquire the security codes currently being used by the System Lords. If all goes according to plan, they will believe we are allies and lower their shields.

01:04:49:12 DANIEL: If all goes according to plan.

01:04:51:04 TEAL'C: Once the shields are lowered, the Jaffa contingent aboard this vessel should be sufficient to overwhelm any initial resistance we may encounter.

01:04:58:08 BRA'TAC: We have allies within the ranks of Amaterasu's Jaffa...

01:05:00:28 BRA'TAC (CONT'D O/S): who will also help facilitate our attacks.

01:05:03:06 BRA'TAC (CONT'D): Once the others witness the death of their false god, they will realize the truth, and join our ranks.

01:05:09:22 CARTER: Isn't the fact we haven't heard from Raknor kind of a bad sign?

01:05:16:26 (COMMAND CONSOLE ALARM BEEPING)

01:05:20:04 DANIEL: What is it?

01:05:21:08 BRA'TAC: The ship's sensors have detected a vessel closing in on our position.

01:05:24:13 BRA'TAC (CONT'D O/S): Ha'tak class.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:05:26:18 DANIEL: Raknor?

01:05:27:10 TEAL'C (O/S): Unlikely.

01:05:28:10 TEAL'C (CONT'D): Raknor would have hailed long before his approach.

01:05:30:26 CARTER: Then it has to be Amaterasu. Shouldn't we get out of here?

01:05:38:07 DANIEL: Teal'c, the odds are not in our favor.

01:05:39:21 TEAL'C: They never are, Daniel Jackson.

01:05:47:16 BRA'TAC: I am hailing them and transmitting the security codes.

01:05:52:13 BRA'TAC (CONT'D): They fired on us.

01:05:57:22 BRA'TAC (CONT'D): Shield strength is down 60%.

01:05:59:08 TEAL'C: How is that possible?

01:06:00:20 CARTER: What the hell did they hit us with?

01:06:05:06 TEAL'C: Returning fire.

01:06:13:20 TEAL'C (CONT'D): Our weapons are ineffective.

01:06:16:23 BRA'TAC: We have lost shields.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:07:27:28 JACOB: Jack, we've got a problem. We need to talk.

01:07:30:29 O'NEILL: Hi. Hello. How are you? Long time no see. What's doing? What's up?
Hey, buddy.

01:07:35:24 JACOB: I'm sorry, Jack. It's good to see you again. Congratulations on your
promotion.

01:07:39:29 O'NEILL: Thanks.

01:07:42:04 JACOB: You deserve it.

01:07:43:11 O'NEILL: Yes, well... What's up?

01:07:46:00 JACOB: The Replicators. They've launched an all-out attack on the Goa'uld. If the
Goa'uld can't find a way to stop them, the Replicators will easily overrun
our galaxy in a matter of weeks.

01:07:56:05 O'NEILL: Why didn't you say so?

01:08:00:04 O'NEILL (CONT'D): I'm sorry. You said we had a problem, not a big galactic
emergency.

01:08:15:20 JACOB: Our operatives have spent the past several years tagging as many
Goa'uld ships as possible in an effort to track their movements. Today,
we have beacons on more than 100 motherships, transmitting their
location via subspace to an encoded Tok'ra network.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:08:30:27 O'NEILL: And this?

01:08:32:04 JACOB: It's a receiver that will allow me to tap into the subspace network. We can keep tabs on Ba'al's fleet, see how their battle with the Replicators is faring. We can also get up-to-the-minute Tok'ra intelligence reports from our agents in the field.

01:08:45:19 O'NEILL: You know, we could've used something like this a long time ago.

01:08:48:18 JACOB: The High Council never thought they could trust you with it.

01:08:52:06 O'NEILL: What changed their mind?

01:08:54:11 JACOB: Nothing. They don't know I took it.

01:08:56:17 O'NEILL: Ah.

01:08:57:17 JACOB (O/S): My relationship with the Council...

01:08:59:22 JACOB (CONT'D): is still a little strained.

01:09:01:21 O'NEILL: It's not going to get any better if you keep stealing stuff.

01:09:04:16 O'NEILL (CONT'D): No complaints. I'll take anything I can get-- weapons, receivers... silverware.

01:09:16:17 JACOB: Each dot represents a Goa'uld ship.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:09:18:21 O'NEILL: That's a lot of dots.

01:09:20:20 JACOB: That's just one small quadrant of the galaxy. Watch.

01:09:41:20 O'NEILL: What just happened?

01:09:43:21 JACOBS: The beacons stopped transmitting their signals, likely meaning...

01:09:46:24 JACOBS (CONT'D O/S): those ships were either destroyed or taken over by the
Replicators. Battles like the one you just...

01:09:51:05 JACOBS (CONT'D): witnessed are taking place across the galaxy. Several
Goa'uld territories are now entirely in Replicator hands.

01:10:03:10 JACOBS (CONT'D): As I said, given the progress of these battles, the Goa'uld will
be wiped out in a matter of weeks.

01:10:12:16 O'NEILL: You know, I have to admit, I have some mixed feelings about this.

01:10:17:03 JACOB: Well, we all want to see the Goa'uld stranglehold on the galaxy broken,
but not if they're just going to be replaced by something worse.

01:10:24:29 TECHNICIAN (V/O): Unscheduled off-world activation.

01:10:41:16 CARTER: Dad.

01:10:43:28 JACOB (O/S): Hey, kiddo.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:10:46:06 O'NEILL: So... what the heck happened? Didn't you guys have a ship?

01:10:57:05 O'NEILL (CONT'D): And by the way... where's Daniel?

01:11:03:12 BRA'TAC: He was beamed away, before our very eyes.

01:11:06:00 TEAL'C: By Replicators.

01:11:08:02 O'NEILL: Just Daniel?

01:11:09:07 CARTER: There's only one reason I can think of--my duplicate. She knows the
greatest threat the Replicators have ever known is the disrupter
technology that you built using Ancient knowledge.

01:11:18:13 O'NEILL: So? She's immune to that now.

01:11:21:06 CARTER: Yes, but Replicators always seek out the most advanced technology.

01:11:24:28 CARTER (CONT'D O/S): She may be worried there's other Ancient technology
out there...

01:11:27:27 CARTER (CONT'D): that could be a threat to her and the rest of the Replicators.

01:11:30:06 TEAL'C: Daniel Jackson had access to the knowledge of the Ancients when he
was ascended.

01:11:33:24 BRA'TAC: I thought he didn't retain those memories.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:11:35:10 CARTER (O/S): We don't know that for sure.

01:11:36:26 CARTER (CONT'D): Daniel has remembered certain things from when he was ascended. She may think that everything she needs to know about the Ancients is buried in his subconscious. If it is, she'll find it.

01:11:46:13 O'NEILL: Oy.

END OF ACT ONE

ACT TWO

01:12:11:05 JACOB/SELMAK (O/S): The Tok'ra have operatives in Ba'al's inner circle, including one of his high-ranking...

01:12:15:22 JACOB/SELMAK (CONT'D): lieutenants. According to the latest intelligence, the ranks of the Jaffa rebellion are re-pledging their loyalty to the Goa'uld by the thousands.

01:12:25:08 CARTER: But the Goa'uld are losing the war.

01:12:26:23 O'NEILL: Yeah, you'd think that'd make them look weaker.

01:12:29:18 BRA'TAC: The Jaffa have never seen the likes of such creatures. Many could see these Replicators as a plague, an evil punishment brought upon all for daring to stray in their beliefs and betray their gods.

01:12:41:00 TEAL'C: This situation has dealt the Jaffa rebellion a serious blow. Even if we were to somehow defeat the Replicators, the Goa'uld would undoubtedly take credit, thereby solidifying Jaffa loyalty, as well as their belief in the Goa'uld as gods.

01:12:55:20 O'NEILL: I think the key phrase in there was, "Somehow defeat the Replicators."

01:12:58:13 CARTER: We haven't had much luck, sir. The inert Replicator cells left behind by my duplicate haven't given us any clues...

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:13:05:12 CARTER (CONT'D O/S): as to how to fight the immunity she's developed. As far as I know...

01:13:08:27 CARTER (CONT'D): Thor hasn't made much progress in modifying the disrupter technology either.

01:13:13:28 O'NEILL: Well, let him know what's going on, and don't be afraid to remind him that we've saved his cute, little gray bum several times.

01:13:26:04 BRA'TAC: Years of effort, all but undone in a matter of days. It will now be almost impossible to turn so many of our brothers back to our cause.

01:13:37:04 TEAL'C: Perhaps, yet there may be a way.

01:13:39:06 BRA'TAC: Even if we can, I wonder, will it make a difference? These machines are unlike anything I have seen.

01:13:46:28 TEAL'C: We must proceed on the belief that Colonel Carter and Thor will devise a means to destroy the Replicators.

01:13:51:19 BRA'TAC: How, then, can we prevent the Goa'uld from taking credit and solidifying their position as gods in the eyes of all Jaffa?

01:13:58:18 TEAL'C: We must act now before this conflict is resolved, win back the hearts and minds of those who waver, before they are lost to us.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:14:07:09 TEAL'C (CONT'D O/S): We must once and for all destroy the Goa'uld's image as gods, forever.

01:14:11:00 BRA'TAC: How?

01:14:12:02 TEAL'C: By capturing the temple at Dakara.

01:14:19:21 TEAL'C (CONT'D): Everything we have fought for hangs in the balance.

01:14:23:28 BRA'TAC: Yes, but Dakara--

01:14:26:16 TEAL'C: Capture it, and never again will Jaffa worship a false god.

01:14:35:20 CARTER: Sir. I'm sorry to bother you, but--

01:14:39:02 O'NEILL: I'm only going to say this once, Carter. What happened to Daniel was not your fault.

01:14:44:20 CARTER: She knows he may hold key Ancient knowledge because of me. She's out there because of me. I basically gave her the means to counter...

01:14:52:24 CARTER (CONT'D O/S): the only effective weapon we have against her.

01:14:55:15 O'NEILL: I also gave you permission to work with her. It's not going to change anything.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:15:05:10 O'NEILL (CONT'D): Unless you're suggesting we use that time machine to go
back and fix it.

01:15:12:18 CARTER: No, sir. We all agreed we would never do that. I mean, for all we know,
it could just make things worse.

01:15:17:12 (KNOCKING)

01:15:19:10 TECHNICIAN: Sir, we're receiving a message from Thor. He said he's ready to
transport--

01:15:27:11 O'NEILL: You were saying?

01:15:30:21 TECHNICIAN: Never mind.

01:15:39:07 THOR: Hello again, Samantha Carter.

01:15:41:00 CARTER: Hi, Thor.

01:15:43:02 THOR: I have already transported your research and the remains of the human-
form Replicator to this lab. We may continue our work from here.

01:15:52:16 CARTER: Any progress on your end?

01:15:54:25 THOR: I have yet to isolate the cipher the human-form Replicator introduced to
render the disrupter weapon ineffective.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:16:00:18 CARTER: Well, given the situation, I think it's time to take more drastic steps.

01:16:04:08 THOR: You are suggesting we attempt to trigger a subspace connection between the remains of the arm and the rest of the Replicators, so that we may search for the cipher among their communications data.

01:16:15:10 CARTER: Too wild and crazy?

01:16:16:28 THOR: In order to do that, we must reactivate the cells.

01:16:20:02 CARTER: I know.

01:16:26:04 O'NEILL: What makes this place so special?

01:16:28:12 TEAL'C: The temple at Dakara is sacred to all Jaffa.

01:16:30:13 BRA'TAC: It is rich...

01:16:31:21 BRA'TAC (CONT'D O/S): in historical significance.

01:16:33:19 BRA'TAC (CONT'D): Legend tells, it is the place where Anubis rose from the dead.

01:16:36:27 TEAL'C: It is also the site of the first primta ritual.

01:16:39:02 BRA'TAC (O/S): It is that rite of passage

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:17:30:08 TEAL'C: Still, our success depends on the element of surprise, and the use of the entire rebel fleet.

01:17:34:16 BRA'TAC (O/S): Listen to me, O'Neill.

01:17:37:05 BRA'TAC (CONT'D): This war must be fought on two fronts. We will re-ignite the uprising and conquer our oppressors, while you find the means...

01:17:44:16 BRA'TAC (CONT'D O/S): to stop these Replicators.

01:17:47:09 BRA'TAC (CONT'D): Let us each fight the enemy we know best.

01:18:18:02 REPLICATOR CARTER: Hello, Daniel.

01:18:23:19 DANIEL: What the hell do you want?

01:18:24:20 REPLICATOR CARTER: You have information that I need.

01:18:33:11 DANIEL: Okay, what do you want to know?

01:18:35:25 REPLICATOR CARTER: I'm afraid it's not that simple.

01:18:37:26 DANIEL: Oh, no. Oh, no. It is that simple. If it's all the same with you, I'd rather not do the hand-on-the-head thing.

01:18:46:05 DANIEL (CONT'D): Honestly, I'll tell you whatever you want to know.

STARGATE SG-1 "RECKONING" PART 1 Episode #815**ACT THREE**

01:19:32:18 ARON: What you are proposing is madness.

01:19:34:24 ARON (CONT'D O/S): Dakara cannot be taken.

01:19:44:01 BRA'TAC: Tolok...

01:19:45:01 BRA'TAC (CONT'D O/S): you have not spoken.

01:19:52:16 TOLOK: Aron is right. We would be sacrificing countless men and ships...

01:19:57:10 TOLOK (CONT'D O/S): on a fruitless mission. We should be concentrating on the
greater threat...

01:20:02:13 TOLOK (CONT'D): the Replicators, before they destroy us all.

01:20:05:21 TEAL'C: Jaffa, hear me.

01:20:08:09 TEAL'C (CONT'D O/S): I have engaged the Replicators in battle many times.

01:20:12:27 TEAL'C (CONT'D): Believe me when I say they cannot be defeated by
conventional means.

01:20:16:27 ARON: You have faced them in the past... and won.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:21:10:18 TOLOK (CONT'D): I believe there is wisdom in these words.

01:21:13:26 TOLOK (CONT'D O/S): However, you are aware that if we fail...

01:21:18:20 TOLOK (CONT'D): it will effectively mean the end of the rebellion.

01:21:22:13 TOLOK (CONT'D O/S): Are you prepared...

01:21:24:11 TOLOK (CONT'D): to risk our entire cause on this one action?

01:21:31:24 TEAL'C: Indeed, I am.

01:21:39:10 BRA'TAC: So... what say you?

01:21:47:09 TOLOK: I say we take Dakara.

01:21:53:10 ARON: So be it.

01:21:59:21 JACOB (O/S): Five more regions belonging to Ba'al...

01:22:01:15 JACOB (CONT'D): have fallen in the past 24 hours.

01:22:03:22 O'NEILL: He's not putting up much of a fight, is he?

01:22:06:00 JACOB: He's making a typical Goa'uld mistake. He's defending territory at the expense of resources. We can send him a message through the undercover Tok'ra in his midst. We could suggest a change in strategy.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:22:20:06 O'NEILL: Like what?

01:22:22:26 JACOB (O/S): Typically, the Replicators...

01:22:23:26 JACOB (CONT'D): are patient and slow moving when not being engaged. If Ba'al stops aggressively fighting them and pulls back, it may give Sam more time to come up with a solution.

01:22:33:23 O'NEILL: Forget that.

01:22:35:15 JACOB: Look. There goes another one. Jack, he's thinking like a System Lord defending himself against another Goa'uld. He doesn't know what he's dealing with.

01:22:46:25 O'NEILL: And if he retreats, where do you think he'll fall back to?

01:22:49:22 JACOB: You're worried about Teal'c and the rebel Jaffa.

01:22:51:26 O'NEILL: They're counting on Ba'al's fleet being too busy to even care about anything else.

01:22:55:16 JACOB: The Jaffa rebellion has already failed.

01:22:58:22 JACOB (CONT'D O/S): We can't risk the fate of the galaxy on one long-shot chance...

01:23:03:08 JACOB (CONT'D): to revive it.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:23:05:12 O'NEILL: Is that Jacob talking, or is that Selmak?

01:23:08:24 JACOB: Jack, I'm sorry, but the more ships Ba'al sends out to fight, the faster the Replicators...

01:23:15:17 JACOB (CONT'D O/S): assimilate them into their own armada. Their numbers are growing exponentially. If we don't do something about it...

01:23:22:19 JACOB (CONT'D): by the time we do come up with a weapon to use against them, it may be too late.

01:23:26:19 (ALARM SOUNDING)

01:23:28:04 TECHNICIAN (V/O): Unscheduled off-world activation...

01:23:39:02 O'NEILL: Now what have you got, Walter?

01:23:41:11 TECHNICIAN: Some kind of--

01:23:44:14 O'NEILL: Oh. Ba'al.

01:23:48:10 O'NEILL (CONT'D): Stand down, boys. Ba'al, buddy. We were just talking about you.

01:23:54:17 O'NEILL (CONT'D): All good.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:23:56:27 BA'AL: By now, you are aware of the Replicator threat in our galaxy, and that my fleet has engaged them in battle.

01:24:02:09 O'NEILL: There's been a little chit-- and chat-- around the water cooler. How's that going?

01:24:10:06 BA'AL: We are holding them at bay, for the moment. However, they are a more formidable force than I first anticipated.

01:24:16:19 O'NEILL: Yeah. Pesky little buggers, aren't they?

01:24:19:19 BA'AL: I'm aware that the Asgard have previously fought the Replicators effectively.

01:24:23:07 O'NEILL: More or less. I don't like to toot my own horn, but--

01:24:27:22 BA'AL (O/S): I am aware that you assisted...

01:24:29:12 BA'AL (CONT'D): the Asgard.

01:24:35:29 O'NEILL: Yes?

01:24:36:29 BA'AL: I wish to know what means you possess to fight this scourge.

01:24:44:08 O'NEILL: I'm sorry, we must have had a bad connection there for a second. It almost sounded like you were asking me for help.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:24:52:20 BA'AL: The Replicators are a threat to everyone, including the countless humans who populate worlds throughout this galaxy. Now I propose that we work together to defeat our common enemy.

01:25:06:18 O'NEILL: My. This is an occasion.

01:25:12:24 O'NEILL (CONT'D): You know that bitter taste in your throat, that's kind of wrapped around your uvula? That's what's left of your pride.

01:25:21:16 BA'AL: Perhaps you could curb your amusement for a moment.

01:25:24:29 JACOB (O/S): If we're going to work together...

01:25:26:14 JACOB (CONT'D): the first thing we should discuss is strategy. Now, your attempts at meeting the Replicators head-on are only going to result--

01:25:34:12 O'NEILL: Jacob.

01:25:35:12 JACOB: What?

01:25:37:06 O'NEILL: I got it. I've got a better idea.

01:25:41:04 O'NEILL (CONT'D O/S): Instead of helping you...

01:25:43:26 O'NEILL (CONT'D): why don't we sit back and watch you get your ass kicked? That way, you'll be dead, and we'll be glad.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:25:51:16 BA'AL: You cannot be serious.

01:25:52:23 O'NEILL: Yes, I can. I just choose not to. Some of the time.

01:25:59:20 BA'AL (O/S): With your insolence, you are dooming not just...

01:26:01:23 BA'AL (CONT'D): your world, but all of humanity.

01:26:03:25 O'NEILL: I think big.

01:26:14:20 JACOB: What the hell was that?

01:26:16:08 O'NEILL: I'm sorry, Jacob, but I'm just not quite ready to sacrifice Teal'c.

01:26:38:18 THOR (O/S): The process is complete.

01:26:40:10 THOR (CONT'D): Now we must re-establish the subspace link between these
cells and the rest of the Replicators.

01:26:46:28 CARTER: What if they receive...instructions?

01:26:49:25 THOR: It is a risk we will have to take.

01:26:52:08 THOR (CONT'D O/S): I will only maintain the link for microseconds at a time.

01:26:56:17 THOR (CONT'D): It will slow the process, but I do not believe we have a choice.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:27:13:00 CARTER: What did we get?

01:27:14:25 THOR: I am processing the data now.

01:27:24:01 THOR (CONT'D): I believe we have pinpointed the location of the Replicators
within this galaxy.

01:27:31:25 CARTER: They're everywhere.

01:27:44:23 BRA'TAC: We are approaching Dakara. Defenses?

01:27:47:22 TEAL'C: I am reading only a single Ha'tak class vessel in orbit...

01:27:50:26 TEAL'C (CONT'D O/S): around the planet.

01:27:54:04 BRA'TAC: Ba'al must indeed be desperate. There are normally a dozen ships
patrolling this system.

01:27:59:17 ARON: Then we may yet succeed.

01:28:12:29 BRA'TAC: We are in position.

01:28:16:09 ARON: Gliders are ready for launch.

01:28:19:03 TEAL'C: We are being hailed.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:28:23:02 VOICE (V/O OVER RADIO): You have encroached on the domain of Lord Ba'al.
Identify yourselves immediately.

01:28:27:16 TEAL'C (INTO RADIO): *Shel'kek nem ron*. You are greatly outnumbered.
Surrender now or be destroyed.

01:28:59:18 OMA DESALA (O/S): They called you "Arom," did they not?

01:29:02:25 OMA DESALA (CONT'D): After you returned to your plane of existence.

01:29:06:10 DANIEL: Oma.

01:29:11:00 OMA DESALA: Daniel. It is good to see you again.

01:29:13:15 DANIEL: I don't understand. The last thing I remember--

01:29:16:07 OMA DESALA (O/S): You are still on the ship.

01:29:17:23 OMA DESALA (CONT'D): The human-form Replicator is attempting to probe your
mind as we speak.

01:29:22:10 DANIEL: So why are you here?

01:29:24:26 OMA DESALA: Because when she is done, she will destroy you, and when that
time comes, you will be faced with a choice.

01:29:46:19 BA'AL: I have received word from the battle.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:29:48:14 BA'AL (CONT'D): The bulk of the fleet continues to engage the Replicators, as
you have ordered. However...

01:29:54:16 BA'AL (CONT'D O/S): I believe it would be wise to pull our forces back. If we stop
confronting the enemy on so wide a front, it may slow their advance...

01:30:03:18 BA'AL (CONT'D): and allow us a chance to mount a proper defense.

01:30:06:12 ANUBIS: You doubt my power.

01:30:08:05 BA'AL: Of course not, but your fleet is falling into their hands rapidly.

01:30:11:25 BA'AL (CONT'D O/S): Not even the Kull warriors--

01:30:14:01 ANUBIS: Do not concern yourself.

01:30:20:04 ANUBIS (CONT'D): When the time is right, I promise you, this nuisance will be
dealt with. Trust in me.

01:30:33:11 BA'AL: As always.

END OF ACT THREE

ACT FOUR

01:30:57:26 CARTER (V/O OVER MONITOR): It took several hundred microsecond-long connections, and hours to go through each subsequent burst of data, but eventually...

01:31:04:12 CARTER (O/S V/O OVER MONITOR): we managed to isolate the cipher that makes the Replicators immune to the disrupter, and we've adjusted it accordingly.

01:31:13:10 JACOB: The weapon works again.

01:31:16:26 O'NEILL (INTO MONITOR): Good job.

01:31:18:09 CARTER (V/O OVER MONITOR): It was an incredibly risky thing to do, Sir, and as it stands, we still don't know if we were detected, and of course, the altered disrupter still needs to be tested under battle conditions.

01:31:27:21 O'NEILL: Got a plan?

01:31:29:05 CARTER (O/S V/O OVER MONITOR): Thor was able to ascertain the various positions...

01:31:30:24 CARTER (CONT'D V/O OVER MONITOR): of the fleet now controlled by the Replicators. We're going to engage a few isolated ships.

01:31:36:05 JACOB (INTO MONITOR): Be careful, Sam.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:31:37:17 O'NEILL (INTO MONITOR): Good luck.

01:31:38:19 CARTER (V/O OVER MONITOR): Thank you, sir.

01:31:43:14 JACOB: Never a dull moment.

01:31:45:25 DANIEL: So you're here to offer me the opportunity to ascend again.

01:31:49:22 OMA DESALA: If that is what you wish.

01:31:51:12 DANIEL: What I wish? What are my options?

01:31:53:23 OMA DESALA: Personally, I would choose eternal enlightenment rather than the
alternative.

01:32:00:02 DANIEL: If it were only that simple.

01:32:01:11 OMA DESALA: I admit, the decision is not as easy as it appears.

01:32:06:25 OMA DESALA (CONT'D O/S): The last time, for you, the experience was
challenging at the best of times.

01:32:12:28 DANIEL: Unfortunately, I don't have any memories of the last time I was
ascended. How can I make an informed decision if I don't remember
what it was like?

01:32:19:12 OMA DESALA: Daniel, I did not take your memories from you.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:32:22:12 DANIEL: You think I haven't tried to remember? Tell me how.

01:32:28:23 OMA DESALA: I can't.

01:32:30:06 DANIEL: Then tell me what I need to know.

01:32:32:05 OMA DESALA: If you are seeking an absolute truth, you will not find it. Only truth
that applies to you.

01:32:41:08 DANIEL: That is so extremely unhelpful.

01:32:43:06 OMA DESALA: When the time comes, you will know.

01:32:48:00 DANIEL: What if Replicator Carter finds what it is she's looking for?

01:32:51:09 OMA DESALA: There is that possibility.

01:32:54:05 DANIEL: You have to stop her.

01:32:55:09 OMA DESALA: I can't.

01:32:56:05 DANIEL: Why not? Offer me ascension now.

01:32:58:17 OMA DESALA: You're not dead yet.

01:32:59:28 OMA DESALA (CONT'D O/S): All I can do is prepare you, help you to find your
path to enlightenment when that time comes...

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:33:06:01 OMA DESALA (CONT'D): if that is what you decide you want.

01:33:11:03 DANIEL: There's a way to defeat the Replicators hidden somewhere within my memories, isn't there?

01:33:14:21 OMA DESALA: You need only to open your mind to it.

01:33:25:03 BRA'TAC (V/O): Brothers...

01:33:26:09 BRA'TAC (CONT'D): all of you will be detained. Have patience... for all of you who renounce the Goa'uld as false gods will one day be free. Take them. Go. You will not be harmed.

01:34:08:19 ARON: The last of the garrison have surrendered. The temple is secure.

01:34:13:03 BRA'TAC: Many lives were spared today. Well done.

01:34:30:03 THOR: Firing weapon.

01:34:40:04 THOR (CONT'D): The ship's systems have shut down.

01:34:43:20 CARTER: Well, that worked well.

01:34:45:13 THOR: The weapon appears to be effective.

01:34:50:16 CARTER: Another ship.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:34:54:26 THOR: They are firing on us.

01:34:58:15 THOR (CONT'D): Targeting the second ship.

01:35:09:20 CARTER: It's still coming.

01:35:10:20 THOR: They have adapted themselves to our modifications.

01:35:12:19 CARTER: That was fast.

01:35:14:18 THOR: Yes.

01:35:17:19 THOR (CONT'D): Initiating evasive action.

01:35:29:02 BA'AL (O/S): Excuse the intrusion.

01:35:31:20 BA'AL (CONT'D): I will return.

01:35:35:04 ANUBIS: Stay.

01:36:08:27 ANUBIS (CONT'D): Speak.

01:36:09:27 BA'AL: A force of rebel Jaffa have managed to take control of the temple at
Dakara.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:36:15:04 ANUBIS: As I had hoped. They have no doubt gathered their full force and presented us with the perfect opportunity to annihilate them once and for all.

01:36:26:17 ANUBIS (CONT'D O/S): Have the fleet disengage their battle with the Replicators and move on Dakara. Take it back at all costs.

01:36:34:25 ANUBIS (CONT'D): Leave no survivors.

01:36:40:14 BA'AL: As you wish.

END OF ACT FOUR

ACT FIVE

01:37:06:15 OMA DESALA (O/S): You control the barrier between your consciousness and what you seek. You merely need to open your mind. The truth is...

01:37:15:22 OMA DESALA (CONT'D): all knowledge, everything that is and was and will be, is everywhere...

01:37:23:11 OMA DESALA (CONT'D O/S): out there, and in all of us.

01:37:27:28 DANIEL: If you immediately know the candlelight is fire, then the meal was cooked a long time ago.

01:37:35:02 OMA DESALA: Yes.

01:37:36:16 DANIEL: No. You're trying to understand it, aren't you?

01:37:40:09 OMA DESALA: It means what you want it to mean.

01:37:42:22 DANIEL: No, it doesn't, and you're not Oma.

01:37:52:13 REPLICATOR CARTER (O/S): No, I'm not...

01:37:54:01 REPLICATOR CARTER (CONT'D): but it doesn't matter. Thanks to you, I found what I was looking for.

01:38:06:19 THOR: We are approaching Earth. We will be there shortly.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:39:02:03 CARTER: The weapon worked at first, but the Replicators immediately adapted themselves.

01:39:05:05 CARTER (CONT'D O/S): They're immune again.

01:39:06:18 O'NEILL: No chance you guys could fix this thing? Get it to work?

01:39:09:25 CARTER: Sir, Thor's ship was boarded. He beamed me down here before...

01:39:12:23 CARTER (CONT'D O/S): all his systems were compromised. He's trying to get his ship...

01:39:15:09 CARTER (CONT'D): as far away from Earth as possible.

01:39:16:29 O'NEILL: I'll take that as a "no."

01:39:36:11 TEAL'C: Never in my dreams could I have imagined I would one day stand beneath these great columns.

01:39:41:19 ARON: Think of it. This is the very spot in which our enslavement began.

01:39:47:22 TEAL'C: Then this sacred temple is an appropriate place for our enslavement to end. We have won a great victory here today, old friend.

01:39:56:11 BRA'TAC: We have won a battle, Teal'c. Nothing more. Our victory is far from assured.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:40:01:10 TEAL'C: Many of Ba'al's Jaffa have already pledged their allegiance to our cause.
 When word spreads of what we have accomplished, many more will
 follow.

01:40:09:02 BRA'TAC: And their hearts will turn cold again if they hear our accomplishment
 lasted mere hours.

01:40:13:17 (FEETSTEPS APPROACHING)

01:40:17:17 BRA'TAC: Tolok.

01:40:18:29 BRA'TAC (CONT'D O/S): What news?

01:40:20:18 TOLOK: We have received word. Ba'al has broken off his battle with the
 Replicators. He is coming.

01:40:29:10 BRA'TAC: As we expected. You see? Taking the temple was not our greatest
 challenge. Holding it will be.

01:40:46:01 REPLICATOR CARTER (O/S): This Oma character...

01:40:47:09 REPLICATOR CARTER (CONT'D): Why do you have such reverence for her?

01:40:49:26 REPLICATOR CARTER (CONT'D O/S): Those ridiculous sayings are just
 nonsense.

01:40:52:27 DANIEL: To you, maybe.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:41:47:13 REPLICATOR CARTER: The ruins of an Ancient monument on a planet now called Dakara. Within it is the one weapon in this galaxy capable of destroying me.

01:42:02:02 REPLICATOR CARTER (CONT'D): : Thanks to you, it will soon be no more.

01:42:11:11 (ALARM SOUNDING)

01:42:19:00 TECHNICIAN: I'm sure he'll be here any second now.

01:42:25:02 TECHNICIAN (CONT'D): So, um...

01:42:26:17 O'NEILL: I am so sorry. I was just finishing up a lovely brunch.

01:42:32:15 BA'AL: Impudence.

01:42:34:19 O'NEILL: No. Tuna. So, I hear your fleet is retreating from the Replicators.

01:42:40:24 BA'AL: How could you know that?

01:42:43:07 O'NEILL: I have my sources.

01:42:46:02 BA'AL: My fleet is on its way to recapture Dakara and destroy the Jaffa who have dishonored their true god.

01:42:51:11 O'NEILL: Oh, will you stop with the "true god" crap?

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:42:54:16 O'NEILL (CONT'D O/S): I mean, seriously, what difference...

01:42:56:12 O'NEILL (CONT'D): will it make? You're just delaying the inevitable.

01:42:59:13 BA'AL: The Replicators are a formidable enemy, but I have recently learned of a
weapon hidden on Dakara capable of destroying them.

01:43:08:00 O'NEILL: Really? And you're telling me this why?

01:43:13:16 BA'AL: Because you must destroy it before my fleet arrives to claim it.

01:43:17:15 O'NEILL: All right. You got me. I haven't the slightest idea what you're talking
about.

01:43:24:20 BA'AL: The weapon on Dakara was built by the Ancients. It is not only capable of
destroying the Replicators, but all life in the galaxy.

01:43:32:13 O'NEILL: And your own sweet self included?

01:43:36:16 BA'AL: Yes.

01:43:37:16 O'NEILL: So why would you use it?

01:43:39:15 BA'AL (O/S): I would not...

01:43:40:19 BA'AL (CONT'D): but there is one who would. One who can survive such
pervasive devastation.

STARGATE SG-1 "RECKONING" PART 1 Episode #815

01:43:49:23 O'NEILL: Oh, please don't tell me.

01:43:54:02 BA'AL: Anubis.

01:43:57:24 O'NEILL: I asked you not to tell me.
