STARGATE SG-1 "RECKONING" Part Two Episode #816

TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

RECAP

01:00:00:20	TEAL'C (V/O): Previously on Stargate SG-1...
01:00:02:22	JACOB (V/O): The Replicators...
01:00:04:02	JACOB (CONT'D): they've launched an all-out attack on the Goa'uld.
01:00:06:16	JACOB (CONT'D V/O): If the Goa'uld can't find a way to stop them, the Replicators will easily overrun our galaxy in a matter of weeks.
01:00:12:24	CARTER: Daniel!
01:00:14:02	REPLICATOR CARTER (O/S): Unfortunately... to get what I need...
01:00:17:06	REPLICATOR CARTER (CONT'D): we're going to have to dig a little deeper.
01:00:19:03	TEAL'C (V/O): We must once and for all destroy the...
01:00:21:20	TEAL'C (CONT'D O/S): Goa'uld's image as gods...forever.
01:00:23:00	BRA'TAC: How?

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:00:24:06 TEAL'C: By capturing the temple at Dakara.

01:00:26:13 DANIEL (V/O): There's a way to defeat the Replicators...

01:00:28:00 DANIEL (CONT'D): hidden somewhere within my memories, isn't there?

01:00:29:26 OMA DESALA: You need only to open your mind to it.

01:00:32:01 BA'AL (V/O): A force of rebel Jaffa have managed...

01:00:33:27 BA'AL (CONT'D): to take control of the temple at Dakara.

01:00:35:28 ANUBIS (O/S): Have the fleet disengage their battle with the Replicators.

01:00:39:03 ANUBIS (CONT'D): Take it back at all costs.

01:00:41:21 REPLICATOR CARTER (O/S): The ruins of an Ancient monument on a planet
 now called Dakara... Within it is the one weapon in this galaxy...

01:00:47:21 REPLICATOR CARTER (CONT'D): capable of destroying me.

END OF RECAP

STARGATE SG-1 "RECKONING" Part Two Episode #816**TEASER**

01:00:54:20 CARTER (V/O): A device capable of destroying all life in the galaxy?

01:00:57:20 O'NEILL: That's what he said.

01:00:59:27 JACOB: Ba'al said he was serving Anubis?

01:01:02:14 O'NEILL: Not exactly. You know those Goa'uld and their egos.

01:01:07:23 JACOB (O/S): He would never admit to...

01:01:08:23 JACOB (CONT'D): being subservient.

01:01:09:28 O'NEILL: No. He said he was biding his time, learning what he could from Anubis.

01:01:14:07 JACOB: Probably looking for a way to kill him.

01:01:16:13 CARTER (O/S): Well, we have no idea how this Ancient device works...

01:01:18:26 CARTER (CONT'D): or what the effects will be, but since Anubis has no real corporeal form, it's likely he would survive it.

01:01:25:12 JACOB: He'd have no one left to rule.

01:01:26:19 CARTER: For now.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:01:27:19 CARTER (CONT'D O/S): I mean, time may not even be an issue for someone...

01:01:29:14 CARTER (CONT'D): like him. He could essentially start over, repopulate the galaxy to his own specifications.

01:01:34:13 O'NEILL: That's a little ambitious.

01:01:35:20 CARTER (O/S): Well, he has at least...

01:01:36:25 CARTER (CONT'D): some knowledge of the Ancients. I wouldn't put it past him.

01:01:39:14 O'NEILL: Yeah. Well, let me sit here and state the obvious-- we can't let something like this get into his hands.

01:01:47:18 JACOB: Or the Replicator's hands, for that matter.

01:01:49:27 CARTER (O/S): How much time do we have...

01:01:50:27 CARTER (CONT'D): before Ba'al's fleet reaches Dakara?

01:01:53:13 O'NEILL: Why?

01:01:55:08 CARTER: Ba'al didn't say exactly where the device was, did he?

01:01:58:05 O'NEILL: No, he said it was hidden.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:02:00:06 CARTER: Well, chances are it's in the ruins, but we can't be sure. I mean, short of blowing up the entire planet, we can't be 100% positive we've...

01:02:07:01 CARTER (CONT'D O/S): destroyed it, and if it's protected by a shield...

01:02:09:17 CARTER (CONT'D): even our biggest Naquadah-enhanced nuke might not do it.

01:02:12:06 JACOB (O/S): Fact is...

01:02:13:06 JACOB (CONT'D): to be sure we've destroyed the weapon, we have to find it first.

01:02:18:28 O'NEILL: Go.

END OF TEASER

STARGATE SG-1 "RECKONING" Part Two Episode #816**ACT ONE**

01:03:52:00 TEAL'C: We've found no evidence of a weapon.

01:03:56:25 CARTER: Thanks, guys. We'll take it from here.

01:04:01:08 JACOB: But this structure was definitely built by the Ancients.

01:04:05:07 TEAL'C: As evidenced by the script on this wall. Until I saw this monument with
my own eyes, I did not know that Dakara was a home of the Ancients.

01:04:12:13 CARTER (O/S): The Ancient repository...

01:04:13:13 CARTER (CONT'D): of knowledge we found on P3X 439 was hidden...

01:04:16:01 CARTER (CONT'D O/S): in a large monument like this.

01:04:18:03 JACOB: Maybe this writing will help us uncover the location of the weapon.

01:04:21:08 TEAL'C (O/S): I was able to recognize the language.

01:04:24:01 TEAL'C (CONT'D): Deciphering it, however, is another matter.

01:04:26:04 CARTER: I brought Daniel's notebooks.

01:04:31:19 JACOB/SELMAK (O/S): This dialect looks very old.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:04:35:18 JACOB/SELMAK (CONT'D): It may take some time.

01:04:36:24 TEAL'C: I will leave you to it.

01:04:50:16 ARON: We will be vastly outnumbered by Ba'al's forces.

01:04:53:11 TOLOK: I refuse to consider a strategy that demands the deliberate sacrifice of
Jaffa lives.

01:05:00:05 ARON: What, then, do you advocate? Prayer, perhaps?

01:05:02:25 BRA'TAC: Jaffa... We are here to consider the battle with our enemy.

01:05:07:24 TEAL'C: Not battle each other.

01:05:12:26 TEAL'C (CONT'D): Ba'al's forces approach at a rate of speed far slower than they
are capable.

01:05:16:18 BRA'TAC: Indeed, it seems he does wish to give us time to find and destroy the
weapon.

01:05:20:07 TOLOK: Why not just destroy it himself?

01:05:22:27 TEAL'C: Ba'al is in a difficult position. With so many witnesses, it is far easier to
tell Anubis that the weapon was destroyed before he was able to reclaim
Dakara.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:07:24:14 DANIEL: I have to admit, it does sound interesting.

01:07:31:02 DANIEL (CONT'D): On the other hand, you're an evil killing machine. So, no.
Pass.

01:07:42:21 DANIEL: No. Don't do this.

01:07:48:10 REPLICATOR CARTER (O/S): You had the power.

01:07:49:25 REPLICATOR CARTER (CONT'D): You were about to strike, but she stopped
you.

01:07:54:29 DANIEL: No, I don't believe you. You can make me see whatever you want. That's
just a trick.

01:07:59:07 REPLICATOR CARTER: You know it's true.

01:08:03:20 REPLICATOR CARTER (CONT'D O/S): Destroying the weapon that can destroy
me is one thing--

01:08:06:07 REPLICATOR CARTER (CONT'D): a good thing for me, but there is more.

01:08:10:18 REPLICATOR CARTER (CONT'D O/S): There is a way to kill Anubis in your
mind, and so much more.

01:08:18:01 REPLICATOR CARTER (CONT'D): I am not done, Daniel Jackson. Far from it. In
fact, we have only just begun.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:08:34:10 CARTER: "Midday, the darkness..."

01:08:35:27 CARTER (CONT'D O/S): is high in the sky?"

01:08:37:19 CARTER (CONT'D): You sure about that?

01:08:39:25 JACOB/SELMAK: That is what it says.

01:08:41:17 CARTER: It doesn't make much sense.

01:08:43:28 JACOB: Yeah, well, neither does "The wind blows on the pillow..."

01:08:48:22 JACOB (CONT'D O/S): or "Three days to the chicken..."

01:08:53:08 JACOB (CONT'D): but that's what these phrases apparently translate into.

01:08:56:01 CARTER: Are you saying this whole wall of writing is nonsense?

01:09:00:03 JACOB: I don't know what I'm saying.

01:09:01:28 CARTER: Is it possible you made a mistake?

01:09:04:05 JACOB/SELMAK: Would you care to try?

01:09:10:04 JACOB/SELMAK (CONT'D O/S): The text is quite difficult, and if there is an
organizing principle to Dr. Jackson's notes...

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:09:14:10 JACOB/SELMAK (CONT'D): I have yet to discover it.

01:09:16:28 CARTER: Yeah. He certainly has his own system.

01:09:20:08 TEAL'C (V/O OVER RADIO): Colonel Carter.

01:09:21:23 CARTER (INTO RADIO): Go ahead, Teal'c.

01:09:23:05 TEAL'C (INTO RADIO): Have you had any success with the translation?

01:09:26:28 CARTER (INTO RADIO): We're making... some progress.

01:09:30:21 TEAL'C (INTO RADIO): I am afraid you do not have much more time. Our...

01:09:34:08 TEAL'C (CONT'D O/S INTO RADIO): long-range scanners have detected Ba'al's
fleet. He will be here...

01:09:38:10 TEAL'C (CONT'D INTO RADIO): within the hour.

01:09:41:05 CARTER (INTO RADIO): Understood.

END OF ACT ONE

ACT TWO

01:10:03:02 REPLICATOR CARTER: It would be much easier on both of us if you did not resist.

01:10:05:27 DANIEL: Why, why, why? Why, in the whole wide world of all things rational and sane would I help you?

01:10:12:19 REPLICATOR CARTER: Because deep down, you also want the knowledge I seek.

01:10:15:28 DANIEL: Yes, but the problem is anything I learn I won't be able to much use, because right after I'm done, you're going to kill me.

01:10:21:16 REPLICATOR CARTER: What if I promised not to?

01:10:23:16 DANIEL: Yeah.

01:10:26:09 REPLICATOR CARTER: Do you really think I am that different from Samantha Carter?

01:10:29:03 DANIEL: In that you're a Replicator bent on galactic domination at the expense of all other living things...

01:10:35:29 REPLICATOR CARTER (O/S): Her thoughts, her memories...

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:11:32:20 CARTER (O/S): I know...

01:11:33:10 CARTER (CONT'D): I just noticed... upside...

01:11:35:05 CARTER (CONT'D O/S): down, these symbols look like...

01:11:37:10 CARTER (CONT'D): another word I've seen before.

01:11:41:23 JACOB/SELMAK: Right-side up, it's "darkness."

01:11:44:08 JACOB/SELMAK (CONT'D O/S): Turn it around, and...

01:11:47:13 JACOB/SELMAK (CONT'D): it translates into "sun."

01:11:49:25 CARTER: "Midday, the sun is high in the sky." That makes a lot more sense.

01:11:53:26 JACOB: Yeah, but so what? That's not what the wall says.

01:12:35:08 CARTER: Now it does.

01:12:37:25 JACOB: It can't be that simple. Just turn all five circles upside down?

01:12:42:27 CARTER: No, I agree. It has to be some sort of combination lock. We just need to figure out which circles to turn.

01:12:53:08 BA'AL (OVER MONITOR): Your pathetic trickery will only delay your inevitable defeat.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:14:41:16 CARTER (V/O OVER RADIO): We'll soon see. Give us 10 minutes. Carter out.

01:14:45:05 O'NIELL (INTO RADIO): Right.

01:15:09:19 JACOB (O/S): Sam...

01:15:12:03 JACOB (CONT'D): You might want to hold off on that for a minute.

01:15:18:17 JACOB (CONT'D): If I'm reading this screen right...

01:15:21:25 JACOB (CONT'D): The weapon uses an energy wave...

01:15:23:18 JACOB (CONT'D O/S): to reduce all matter to its basic molecular elements. It's
not strong enough to disintegrate an entire planet, but it will...

01:15:32:15 JACOB (CONT'D): wash away everything on a planet's surface, and anything in
the surrounding space.

01:15:37:04 CARTER: That sounds bad.

01:15:39:06 JACOB: I know, but it also sounds like it does it much the same way your
disruptor technology works on the Replicators...

01:15:45:25 JACOB (CONT'D O/S): by separating the individual components.

01:15:49:21 CARTER: They are both Ancient design...

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:15:51:15 CARTER (CONT'D O/S): and General O'Neill did use Ancient knowledge to build the disruptor.

01:15:54:26 JACOB: I know.

01:15:56:03 CARTER: Do you think this weapon can be modified to work only on the Replicators?

01:16:00:23 JACOB (O/S): I don't know...

01:16:01:18 JACOB (CONT'D): but I'd hate to blow it up before I was 100% sure it couldn't.

01:16:08:18 CARTER (V/O OVER RADIO): Teal'c, do you read?

01:16:11:04 TEAL'C (INTO RADIO): Proceed, Colonel Carter.

01:16:12:06 CARTER (INTO RADIO): Look, um... my dad and Selmak think this weapon may hold the key to defeating the Replicators...

01:16:17:03 CARTER (CONT'D O/S INTO RADIO): and we'll need some time to find out.

01:16:19:17 CARTER (CONT'D INTO RADIO): Just let us know when things get bad, and we'll blow it and get out.

01:16:22:28 TEAL'C (INTO RADIO): Understood.

01:16:24:20 CARTER (V/O OVER RADIO): Carter out.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:16:29:17 ARON: Ba'al's fleet just began moving into attack position.

01:16:34:08 BRA'TAC: It appears things are...

01:16:35:08 BRA'TAC (CONT'D O/S): about to get...

01:16:38:01 BRA'TAC (CONT'D): bad.

END OF ACT TWO

ACT THREE

01:16:58:18 JACOB: I'm not getting anything.

01:17:03:25 CARTER: This may not be possible, you know.

01:17:05:25 JACOB: Come on, Sam, it can't be any harder than blowing up a sun.

01:17:09:28 CARTER: You know, you blow up one sun, and suddenly everyone expects you to
walk on water.

01:17:18:18 JACOB: There you go.

01:17:21:05 CARTER: Well, next up, parting the Red Sea.

01:17:36:05 TEAL'C: Shields are down 50%.

01:17:39:15 ARON: We cannot take much more.

01:17:43:13 BRA'TAC: Signal the other Hatak.

01:17:44:13 BRA'TAC (CONT'D O/S): Begin retreating, sublight engines only...

01:17:47:14 BRA'TAC (CONT'D): full power.

01:17:55:29 BAAL'S JAFFA: The rebels are fleeing, my lord. The planet is ours.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:17:59:22 BA'AL: They expect us to follow so that they may draw the fleet into battle on two fronts.

01:18:04:21 BA'AL (CONT'D O/S): Signal the fleet to pursue the Sholva.

01:18:07:20 BAAL'S JAFFA: My Lord?

01:18:08:25 BA'AL: Dakara can wait. No battle strategy can save them now.

01:18:13:04 BA'AL (CONT'D O/S): We will crush them...

01:18:14:27 BA'AL (CONT'D): and then take the temple.

01:18:17:07 BAAL'S JAFFA: Yes, my lord.

01:18:19:28 JACOB (O/S): I'm pretty sure this output is giving us the frequency spectrum...

01:18:23:02 JACOB (CONT'D): of the wave the weapon uses to disintegrate matter.

01:18:26:02 CARTER: That's nothing like the spectrum analysis of the Replicator...

01:18:28:16 CARTER (CONT'D O/S): disruptor wave. Here, look.

01:18:31:04 JACOB: Yeah, I know, but all we have to do is alter the settings on the weapon console so that the output wave matches that of the disruptor technology.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:18:39:10 CARTER: All we have to do?

01:18:40:11 JACOB: Yeah, the device can be set by varying the height of these panels.

01:18:51:16 CARTER: Hmm...

01:18:54:15 CARTER (CONT'D): Well, I can run a program to compare the difference between the two waves. It should let us know if we're even going in the right direction.

01:18:59:13 JACOB: That's good.

01:19:00:19 CARTER: You know, even if we can make this work, the Replicators were quickly able to adapt themselves to the frequency modulation Thor made to the original disruptor wave.

01:19:08:29 JACOB: What are you saying?

01:19:11:06 CARTER: We realized the only way to eliminate the Replicators and not allow them time to develop an immunity was to somehow hit them all at the same time.

01:19:17:24 JACOB: Everywhere in the galaxy? How are we supposed to do that?

01:19:21:19 CARTER: The weapon translates through the stargate. Do you think Anubis was planning to use the weapon to attack one planet at a time?

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:19:27:22 JACOB: So dial multiple gates simultaneously?

01:19:30:14 CARTER: Not multiple gates, all of them.

01:19:33:03 JACOB: Every stargate in the galaxy at one time?

01:19:37:09 JACOB (CONT'D O/S): Do you know how many gates...

01:19:38:28 JACOB (CONT'D): there are in the whole galaxy?

01:19:41:12 CARTER: A lot.

01:19:47:05 JACOB/SELMAK: I have no idea how to alter a stargate to perform such a
function. I don't know of anyone who can.

01:19:55:24 CARTER: I think I know someone.

01:19:59:12 TEAL'C (INTO RADIO): Are you certain, Colonel Carter?

01:20:01:06 CARTER (V/O OVER RADIO): I don't think we have a choice, Teal'c. I mean, this
could be the best chance we'll ever get.

01:20:10:04 TEAL'C (INTO RADIO): Understood. Opening a channel.

01:20:15:13 (COMM CHANNEL BEEPS OPEN)

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:20:18:06 BA'AL (OVER MONITOR): No doubt you have decided to surrender. A wise decision, given that you face imminent defeat.

01:20:22:27 TEAL'C (O/S INTO MONITOR): We have no intention of surrendering.

01:20:25:02 TEAL'C (CONT'D INTO MONITOR): I merely wish to inform you that we have found the Ancient weapon on Dakara.

01:20:29:19 BA'AL (OVER MONITOR): Do you intend to destroy it?

01:20:32:19 TEAL'C (O/S INTO MONITOR): That would be foolish.

01:20:35:13 TEAL'C (CONT'D INTO MONITOR): We have learned that the Ancient weapon may be the means to destroy the Replicators once and for all.

01:20:50:20 REPLICATOR CARTER: It's incredible...

01:20:52:07 REPLICATOR CARTER (CONT'D O/S): yet you still resist me.

01:20:54:23 REPLICATOR CARTER (CONT'D): Do you not care? Are you not amazed by what you are seeing?

01:20:57:18 DANIEL: I don't understand it. It's more than any human can begin to comprehend.

01:21:03:03 REPLICATOR CARTER: I am not human.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:21:05:06 DANIEL (O/S): Oh, believe me, I know.

01:21:06:14 DANIEL (CONT'D): There must be a limit to how much your mind can process,
how much information you can store.

01:21:11:01 REPLICATOR CARTER: I am sharing what I learn with my brethren.

01:21:13:18 REPLICATOR CARTER (CONT'D O/S): The extent of knowledge we can
absorb...

01:21:16:01 REPLICATOR CARTER (CONT'D): is only limited by our numbers. As we speak,
those numbers are growing faster than you can imagine.

01:21:35:02 BA'AL: This chamber must be well-shielded. I could not find it using my ship's
sensors.

01:21:39:26 CARTER: Look, I assume Teal'c told you the plan.

01:21:42:20 BA'AL: What makes you think you can modify this weapon to defeat the
Replicators?

01:21:47:23 CARTER: We're already on our way to doing that.

01:21:50:10 CARTER (CONT'D O/S): We need to get this weapon's wave output to match our
modified Replicator disruptor wave to within a margin of .76%.

01:21:59:06 BA'AL: How did you develop this Replicator disruptor technology in the first place?

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:22:02:26 CARTER: General O'Neill built it...

01:22:04:12 CARTER (CONT'D O/S): using Ancient knowledge and an Asgard computer.

01:22:07:16 BA'AL: O'Neill? The mere thought of that makes me sick.

01:22:14:13 CARTER (O/S): Look, if we can do this...

01:22:16:15 CARTER (CONT'D): and somehow hit the Replicators all at the same time, we think it will work, but we need your help.

01:22:21:27 BA'AL: You want me to reprogram a stargate to dial every gate in the galaxy simultaneously.

01:22:27:27 CARTER: I know you used the gate's automatic update program to disseminate a dialing program virus to the entire gate network.

01:22:33:18 BA'AL: With a virus you initially planted in my stargate.

01:22:38:17 CARTER: No one's trying to deny that we're mortal enemies here. Can you do it or not?

01:22:43:06 BA'AL: I cannot believe I am even considering cooperating with a female...

01:22:47:18 BA'AL (CONT'D O/S): of the Tauri...

01:22:50:09 BA'AL (CONT'D): and a Tok'ra.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:22:51:10 JACOB/SELMAK: This was not my idea, believe me.

01:22:56:26 BA'AL: I'll instruct my troops to land.

01:22:58:03 CARTER: No way. You send one Jaffa down here, and the deal's off.

01:23:02:09 BA'AL: I cannot do what you ask by means of a hologram transmission.

01:23:05:02 CARTER (O/S): Sure you can.

01:23:06:02 CARTER (CONT'D): Just tell me what to do.

01:23:11:05 TECHNICIAN (O/S): Unscheduled off-world activation.

01:23:14:07 O'NEILL: Is that Carter?

01:23:15:09 TECHNICIAN (O/S): No, sir. We're picking up a radio signal.

01:23:17:19 O'NEILL: Put it on speaker.

01:23:23:10 O'NEILL: (CONT'D) Sergeant?

01:23:24:10 TECHNICIAN: I don't know, sir.

01:23:29:04 O'NEILL: What the hell is that?

STARGATE SG-1 "RECKONING" Part Two Episode #816**ACT FOUR**

01:24:55:14 (ALARM SOUNDING)

01:25:02:15 O'NEILL: Oh, man...

01:25:04:03 REYNOLDS (O/S): Sir!

01:25:05:03 REYNOLDS (CONT'D): We're cut off from the self-destruct. They were too fast.

01:25:08:21 REYNOLDS (CONT'D O/S): Even if we can fight through them now, there's a
good chance...

01:25:11:07 REYNOLDS (CONT'D): they've already disabled the activation mechanism.

01:25:13:13 O'NEILL: Those bugs cannot get out of this mountain.

01:25:16:20 REYNOLDS: It's only a matter of time before they gain control of the base
systems and override the security doors.

01:25:20:20 O'NEILL: All right, let's make sure everybody's out of here, and then we'll toss a
little nuke down the silo.

01:25:25:11 REYNOLDS (O/S): You think that'll stop them?

01:25:27:01 O'NEILL: It should slow them down.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:25:35:27 DANIEL: You can't handle it...

01:25:36:28 DANIEL (CONT'D O/S): can you?

01:25:39:05 REPLICATOR CARTER: I can. I just need time to process...

01:25:42:07 REPLICATOR CARTER (CONT'D): share it with the others.

01:25:44:18 DANIEL: Like the universe, it's infinite. It's not just knowledge and information, it's understanding on a level that you will never reach.

01:25:51:13 REPLICATOR CARTER: Why do you think that?

01:25:53:19 DANIEL: Because you're a machine.

01:25:55:21 REPLICATOR CARTER: So are you, just of weaker construction.

01:25:59:03 DANIEL: And that's where you're wrong.

01:26:02:27 REPLICATOR CARTER: We'll see.

01:26:05:18 TECHNICIAN (V/O OVER RADIO): General Hammond says the President has authorized deployment of a 10-kiloton nuclear bomb on your command, sir. An emergency state of alert has been issued, and a 200-square-mile radius around Cheyenne Mountain is currently being evacuated. A transport helicopter is waiting on the surface for you and the remaining personnel.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:26:24:14 O'NEILL (INTO RADIO): Thank you, Walter.

01:26:28:06 O'NEILL (CONT'D): Colonel?

01:26:29:12 REYNOLDS: We have a problem, sir.

01:26:30:19 REYNOLDS (CONT'D o/s): Six SGC personnel are trapped on Level 8.

01:26:33:04 REYNOLDS (CONT'D): They're cut off from the emergency escape hatch.

01:26:35:11 O'NEILL: Siler?

01:26:36:20 REYNOLDS: Siler.

01:26:40:03 O'NEILL: Oh, Siler. Let's go.

01:26:50:18 DANIEL: You lied to me.

01:26:52:19 REPLICATOR CARTER: What?

01:26:53:26 DANIEL (O/S): You promised you'd leave Earth alone.

01:26:55:15 DANIEL (CONT'D): There's Replicators infiltrating the SGC right now.

01:26:58:00 REPLICATOR CARTER: How can you know that?

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:27:04:00 REPLICATOR CARTER (CONT'D): While I was in your mind, you were inside mine.

01:27:06:12 DANIEL: Took a while to figure out. Fortunately, you were too distracted to notice. Some of the Ancient knowledge really helped, too. Thank you.

01:27:11:26 REPLICATOR CARTER: You tricked me.

01:27:13:21 DANIEL: You tricked me first.

01:27:15:01 REPLICATOR CARTER: You should never have told me.

01:27:17:12 DANIEL (O/S): Too late.

01:27:18:12 DANIEL (CONT'D): For you, that is.

01:27:23:12 DANIEL (CONT'D): Trying to leave? Sorry. A little more time in Danny's world.

01:27:27:11 REPLICATOR CARTER: My brethren will not stop. You cannot control them.

01:27:32:01 DANIEL: Not yet, but I'm learning.

01:27:47:15 CARTER: We rigged the DHD to dial automatically on signal when the weapon's ready. I think it should work.

01:27:51:22 BA'AL: Of course it will work.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:27:54:19 BA'AL (CONT'D): How dare you doubt me?

01:27:58:09 JACOB: What's he still doing here?

01:27:59:18 CARTER: I can't exactly ask him to leave. How's it going on your end?

01:28:04:08 JACOB: I'm getting closer.

01:28:05:14 BA'AL: This one.

01:28:09:26 JACOB: How do you know?

01:28:10:25 BA'AL: I am a god. Gods are all-knowing.

01:28:17:18 JACOB: Selmak can't work like this.

01:28:19:28 JACOB (CONT'D): Neither can I.

01:28:22:00 CARTER: Just try it.

01:28:41:10 JACOB: Lucky guess.

01:29:03:12 O'NEILL (INTO RADIO): Siler, are you in there?

01:29:05:18 SILER (V/O OVER RADIO): Yes, sir.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:29:07:01 O'NEILL (INTO RADIO): We're going to get you out. Step away from the blast door.

01:29:09:11 SILER (INTO RADIO): Yes, sir!

01:29:11:20 SILER (CONT'D): Let's get this table over.

01:29:18:15 O'NEILL: Use two of those things.

01:29:20:19 REYNOLDS: Sir?

01:29:22:05 O'NEILL: It's a "blast door."

01:29:35:06 O'NEILL (CONT'D INTO RADIO): Hang on, Siler.

01:29:42:20 O'NEILL (INTO RADIO CONT'D): Fire in the hole.

01:29:44:10 SILER: Down!

01:29:45:20 (EXPLOSION)

01:29:56:26 SILER: Whoa.

01:30:00:04 O'NEILL: Siler?

01:30:01:26 SILER: Thank you, sir.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:30:03:27 O'NEILL: I expect to be put in your will.

01:30:05:24 SILER: Already in it, sir.

01:30:07:22 O'NEILL: Okay, that's weird.

01:30:20:27 O'NEILL: Oh, crap.

01:30:38:24 ARON: Sensors are picking up multiple ships exiting hyperspace.

01:30:51:24 ARON (CONT'D): They are firing on Ba'al's forces.

01:30:58:24 TEAL'C: It is the Replicators.

01:31:01:04 BA'AL: Now this one.

01:31:12:11 CARTER: That one took us in the wrong direction.

01:31:14:26 JACOB: All-knowing, huh?

01:31:19:02 CARTER: What's the matter?

01:31:21:00 BA'AL (O/S): My ships are under attack.

01:31:21:16 BA'AL (CONT'D): A massive Replicator-controlled fleet is encroaching on the planet.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:31:36:09 REYNOLDS: Running low on ammo, sir!

01:31:38:02 O'NEILL: Fall back!

01:31:48:08 TEAL'C (O/S): Instruct all of our...

01:31:49:08 TEAL'C (CONT'D): vessels to target the Replicator ships.

01:31:52:05 ARON: Are we not better off letting them destroy each other?

01:31:54:13 TEAL'C: If the Replicators should prevail and gain control of the weapon on
Dakara, all that we have fought for is lost.

END OF ACT FOUR

ACT FIVE

01:32:21:10 TECHNICIAN (V/O OVER RADIO): General, 15 minutes to safe detonation conditions.

01:32:24:11 O'NEILL (INTO RADIO): Yeah, you know, Walter? Right now we're having a slightly difficult time getting out of here. Relay this to General Hammond - the second he can pull the trigger on that nuke, do it. Do you read?

01:32:38:03 TECHNICIAN (V/O OVER RADIO): Yes, sir.

01:32:39:18 O'NEILL (INTO RADIO): And have that chopper that's waiting for us leave now.

01:32:42:25 TECHNICIAN (V/O OVER RADIO): Yes, sir.

01:32:43:25 REYNOLDS: Sir?

01:32:47:13 O'NEILL: You see those bugs going to that hatch?

01:32:50:06 REYNOLDS: Yes, sir. Think getting out of the base is their primary goal?

01:32:54:00 O'NEILL: It's a fairly safe bet. They're going to the surface.

01:32:57:18 REYNOLDS: Leaving the only other way out of here accessible.

01:33:00:15 BA'AL: And here.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:33:09:03 CARTER: 1.32. We're almost there.

01:33:13:22 BA'AL: My ship has lost life support on several levels. Our shield strength is failing. I cannot maintain my transmission.

01:33:19:03 CARTER: We've almost got it. Thanks for the help.

01:33:23:11 BA'AL: Good luck.

01:33:26:10 JACOB: That was just creepy.

01:33:28:17 CARTER: Keep working.

01:34:05:25 O'NEILL (O/S): Go.

01:34:25:02 O'NEILL (CONT'D): Siler, can we dial out?

01:34:26:19 SILER: I'm working on it, sir.

01:34:28:27 REYNOLDS: 10 minutes to detonation.

01:34:41:19 ARON: Shields down! Weapons systems offline!

01:34:43:19 TEAL'C: Reroute power to sublight engines.

01:34:46:28 TEAL'C (CONT'D): Evasive maneuvers.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:34:54:10 ARON (O/S): They are too fast.

01:34:56:04 ARON (CONT'D): We cannot evade them.

01:35:11:13 REYNOLDS: How's it going in there?

01:35:12:21 O'NEILL: Not well.

01:35:13:23 REYNOLDS: Same here.

01:35:17:12 O'NEILL: Grenade!

01:35:41:10 CARTER: Variable off by .98.

01:35:44:10 (GUNFIRE ERUPTS OUTSIDE)

01:35:45:15 JACOB (O/S): What's that?

01:35:46:20 CARTER: Hurry.

01:35:48:12 JACOB: I've almost got it. Just a little more time.

01:35:50:10 CARTER: I don't think we have it.

01:36:13:10 O'NEILL (INTO RADIO): Siler!

01:36:15:16 SILER (INTO RADIO): Sorry, sir, I'm trying.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:36:25:03 DANIEL: Got you now.

01:36:35:17 REYNOLDS: Huh...

01:36:37:27 O'NEILL: That's odd.

01:36:43:01 ARON: The Replicator ship just...stopped.

01:36:46:18 ARON (CONT'D O/S): Sensors are indicating that all of the Replicator ships...

01:36:49:21 ARON (CONT'D): have ceased activity.

01:36:56:29 TEAL'C (INTO RADIO): Colonel Carter, have you successfully activated the
weapon?

01:37:04:15 CARTER (INTO RADIO): Not yet, but the Replicators down here just froze.

01:37:09:08 CARTER (CONT'D): Dad?

01:37:10:23 JACOB: Almost there!

01:37:17:29 REPLICATOR CARTER (O/S): There are so many, aren't there?

01:37:19:14 REPLICATOR CARTER (CONT'D): Too many for your mind to handle.

01:37:22:15 REPLICATOR CARTER (CONT'D): It's taking all of your concentration just to
control them.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:38:01:01 O'NEILL: Well, that was too good to last.

01:38:09:18 CARTER: Dad, they're on the move again!

01:38:15:02 JACOB: .76!

01:38:16:06 CARTER: Do it!

01:38:57:01 SILER: Incoming wormhole?

01:39:17:00 ARON: Enemy ship is in range.

01:39:18:05 ARON (CONT'D O/S): It is powering weapons.

01:39:20:14 ARON (CONT'D): We cannot survive another hit.

01:40:42:25 CARTER: Dad...

01:40:45:18 JACOB: I'm all right.

01:40:46:29 CARTER: What happened?

01:40:47:29 JACOB: I don't know.

01:40:50:25 CARTER: You did it.

01:40:52:02 JACOB: Well, Selmak deserves a little credit.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:40:56:04 JACOB (CONT'D): Okay, most of it.

01:41:04:12 BA'AL:S JAFFA: All Replicator-controlled ships are dormant.

01:41:07:24 BA'AL: Prepare enough squads to board them and reclaim them in the name of
their god.

01:41:12:15 BA'AL:S JAFFA: Yes, my lord.

01:41:15:07 BA'AL:S JAFFA (CONT'D): We are being hailed.

01:41:16:02 BA'AL: On screen.

01:41:18:04 TEAL'C (OVER MONITOR): Surrender now, and you will be granted mercy.

01:41:22:25 BA'AL (INTO MONITOR): You are hardly in any position to be making such
ridiculous demands. You are surrounded.

01:41:28:11 TEAL'C (OVER MONITOR): You are incorrect. It is, in fact, you that is surrounded
by free Jaffa.

01:41:44:15 BRA'TAC: Behold your false god.

01:42:13:10 O'NEILL: Any more word from Teal'c?

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:42:14:25 CARTER: Yes, sir. Although Ba'al got away, the fact that he turned tail and ran made the rebel victory every bit the turning point Teal'c and Bratac were hoping for. Jaffa from all over the galaxy are joining with them.

01:42:25:10 O'NEILL: Well, *vive la revolution*.

01:42:28:13 CARTER: They've got a significant-sized fleet securing Dakara. Hopefully, with the weapons we've provided, they'll be able to turn the tide against Anubis' supersoldiers. It looks like the Jaffa might finally win their freedom.

01:42:41:12 O'NEILL: It's about time.

01:42:42:14 CARTER: Yes, sir. Oh, I heard from Thor.

01:42:45:01 O'NEILL: How's he doing?

01:42:46:04 CARTER (O/S): Great. He sends us all his congratulations...

01:42:48:17 CARTER (CONT'D): and says that he will drop by for a visit as soon as his consciousness has been downloaded from the ship's computer into a new body.

01:42:56:04 O'NEILL: That just never gets old, does it?

01:42:58:02 CARTER: Apparently not.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:43:03:09 O'NEILL: Carter...

01:43:03:29 O'NEILL (CONT'D O/S): did you notice...

01:43:05:13 O'NEILL (CONT'D): if the Replicators where you were happened to... stop in the
middle of everything?

01:43:11:10 CARTER: Yeah, it was really strange. They just...

01:43:13:08 CARTER & O'NEILL (SIMULTANEOUSLY): froze.

01:43:14:21 CARTER: It actually bought us the time we needed to calibrate the weapon.

01:43:17:26 O'NEILL: Any idea why that happened?

01:43:22:06 CARTER: You think Daniel had something to do with it?

01:43:23:25 O'NEILL: I don't know.

01:43:25:25 CARTER: Sir, if he was on board that Replicator ship when--

01:43:28:05 O'NEILL (O/S): Carter...

01:43:29:09 O'NEILL (CONT'D): we don't know anything.

01:43:33:12 CARTER: No, sir.

STARGATE SG-1 "RECKONING" Part Two Episode #816

01:43:37:07 O'NEILL: Anything else?

01:43:39:23 CARTER: No, sir.
