**STARGATE SG-1- "Avalon Part 1" – Episode #0901A****ACT ONE**

01:03:17:28 HARRIMAN: Feel free to have a seat. General Landry will be with you shortly.  
He's just finishing up a briefing with SG-12.

01:03:23:09 MITCHELL: Thank you, Sergeant.

01:03:30:10 (INDISTINCT CONVERSATION O/S)

01:03:41:08 MITCHELL (V/O): All right, boys and girls, listen up.

01:03:42:24 MITCHELL (CONT'D): We've got a change in plans.

01:03:45:00 MITCHELL (CONT'D): New orders from General Hammond. We are no longer  
going after Anubis' mothership.

01:03:48:29 MITCHELL (CONT'D): SG-1 is on its way to Antarctica in a cargo ship.

01:03:51:10 BANKS: SG-1?

01:03:52:14 MITCHELL: They think they may have found the Lost City of the Ancients.

01:03:55:08 REDMOND: In Antarctica?

01:03:56:06 MITCHELL: It doesn't matter where they are or what it is they're doing. It's SG-  
1, and we're going to cover their asses.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:04:00:11 MITCHELL (CONT'D): E.T.A. is nine minutes. Expect the enemy to throw everything they have at us.

01:04:03:28 MITCHELL (CONT'D): All right, saddle up, folks.

01:04:05:14 REDMOND: Cocky sons of bitches.

01:04:07:07 LANDRY: Marines. Never liked them. You must be Colonel Mitchell.

01:04:15:05 MITCHELL: Yes, Sir. It's good to be here, Sir.

01:04:18:26 LANDRY: Your service record's impeccable...

01:04:20:10 LANDRY (CONT'D): Mitchell. What's wrong with you?

01:04:23:00 MITCHELL: Sir?

01:04:24:25 LANDRY: Nobody's perfect. Everyone has some sort of character flaw. What's yours?

01:04:30:25 MITCHELL: Sometimes I can be impatient...Sir.

01:04:33:03 LANDRY: Well, all pilots have type-A personalities. I'm talking about your Kryptonite.

01:04:40:24 LANDRY (CONT'D): Don't worry. I'll figure it out. Walter!

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:04:42:28 HARRIMAN (V/O): The files on your desk are the personnel folders you're about...

01:04:46:07 HARRIMAN (V/O CONT'D): To request, Sir.

01:04:47:07 LANDRY: About to request? Walter, I'd appreciate it--

01:04:49:02 HARRIMAN (V/O INTERRUPTING): You have to push the button to talk, Sir.

01:04:56:00 LANDRY: Thank you, Walter.

01:04:57:23 LANDRY (CONT'D): The thing that's hardest to get used to around here is how good everybody is at their job. Fact is, I like yelling at people. Never get the damn chance.

01:05:10:22 MITCHELL: I'll try not to lower the average, Sir.

01:05:13:12 LANDRY: Oh, self-deprecating sense of humor.

01:05:18:08 LANDRY (CONT'D): You think it'll make people like you despite your outward perfection.

01:05:22:10 MITCHELL: No.

01:05:24:15 LANDRY: Here you go, son. Get started.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:05:28:09

MITCHELL: Sir?

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:05:29:20           LANDRY: You heard the disconnected voice of the little sergeant with psychic powers. Those are personnel files. Start picking your team.

01:05:40:11           MITCHELL: General, I'm here to join SG-1.

01:05:42:22           LANDRY: Colonel, you're here to lead SG-1.

01:05:50:24           MITCHELL: Uh, what about Lieutenant Colonel Carter?

01:05:54:24           LANDRY: She's taken command of Stargate R & D out of Area 51.

01:05:58:25           MITCHELL: Since when?

01:06:00:05           LANDRY: Last week.

01:06:01:09           MITCHELL: And Daniel Jackson?

01:06:02:20           LANDRY: Dr. Jackson put in for reassignment. Teal'c left the program over a month ago.

01:06:08:06           LANDRY (CONT'D O/S): I'm surprised General O'Neill didn't tell you.

01:06:11:01           MITCHELL: No.

01:06:13:00           LANDRY: Well, that's Jack for you. You know, I looked for the key...

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:06:17:15           LANDRY (CONT'D O/S): To that desk for a week before I finally got him to admit he never had one.

01:06:21:25           LANDRY (CONT'D): The man never opened a drawer the whole time he was here.

01:06:25:17           MITCHELL: I'm sorry, Sir. The reason that I requested this post...

01:06:33:25           MITCHELL (CONT'D O/S): Why...why I worked so hard...

01:06:39:24           LANDRY: Expresses himself poorly when faced with unexpected challenge?  
Your sheet says that you have outstanding leadership skills. Take the files, Colonel. Choose your team before I start to question the accuracy of that claim.

01:06:59:18           MITCHELL: Yes, Sir.

01:07:03:17           (KNOCKING)

01:07:06:12           MITCHELL: Dr. Jackson.

01:07:07:24           DANIEL: Colonel.

01:07:10:16           MITCHELL: My friends call me Cameron.

01:07:11:27           DANIEL: Daniel. Uh, how are you?

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:07:15:00            MITCHELL: I'm good, thanks.

01:07:16:26            DANIEL: Uh, yeah, I heard you were coming.

01:07:19:08            MITCHELL: Yeah. They told me you were leaving.

01:07:20:26            DANIEL: Yes. Finally. You don't, uh...you don't want to help...

01:07:26:02            MITCHELL: No, actually, I came to see if I could talk you into staying.

01:07:28:24            DANIEL: You're kidding.

01:07:30:03            MITCHELL: I've been given command of SG-1.

01:07:34:06            DANIEL: Wow. Well, good for you. You, uh...you deserve it.

01:07:38:29            MITCHELL: I think the SGC still needs you.

01:07:41:03            DANIEL: There's lots of other guys.

01:07:42:26            MITCHELL: You're the world's foremost expert on the Ancients.

01:07:45:18            DANIEL: Yes, and that's why I'm going to Atlantis, "City of the Ancients."

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:07:48:22           MITCHELL: Listen...General O'Neill gave me the choice of any posting I wanted. I chose SG-1. That meant Colonel Carter, Teal'c, and yourself. Not two letters, a dash, and a number.

01:08:01:13           DANIEL: That's nice.

01:08:02:24           MITCHELL: I wanted to be on the front line, working with the best. I wanted to learn from you.

01:08:06:09           DANIEL: Look, this is all very flattering, but, uh...

01:08:08:16           MITCHELL: That's not the point.

01:08:11:23           DANIEL: I'm sorry. I know I owe you one. We all do.

01:08:23:22           BANKS: We've lost a turbine.

01:08:25:20           CARTER (V/O OVER RADIO): Heads up, Blue Leader. We have another bandit incoming.

01:08:28:07           MITCHELL: I see it, Major.

01:08:34:28           MITCHELL (O/S): Fox Two.

01:08:37:28           MITCHELL: Crash.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:08:43:19 CARTER: That was close.

01:08:49:08 MITCHELL: Listen, Jackson...I don't want you to stay because you think you owe me one. Unless, of course, you were considering it.

01:08:58:12 DANIEL: Oh, no, no. I was just going to offer you my apartment.

01:09:07:15 MITCHELL: Right.

01:09:12:19 MITCHELL (V/O): Brother, I love what you've done with the place.

01:09:14:27 TEAL'C: These columns were salvaged and restored from the original Ancient monument.

01:09:19:03 MITCHELL: Well, it's got a real high council feel to it. Hope you're taking lots of before and after pictures.

01:09:23:14 TEAL'C: Where is the rest of your team, Colonel Mitchell?

01:09:26:12 MITCHELL: Actually, it's still kind of "SG-me." That's one of the reasons...

01:09:31:26 MITCHELL (CONT'D): I'm here. I was hoping maybe you could help me.

01:09:38:15 TEAL'C: I can offer some names of those I consider to be honorable warriors.

01:09:42:07 MITCHELL: I appreciate that. I know you're busy.

**STARGATE SG-1-** "Avalon Part 1" – Episode #0901A

01:09:45:08 TEAL'C: We are attempting to build a whole new system of government that will span Jaffa worlds throughout the galaxies.

01:09:50:18 MITCHELL: Yeah, how's that going?

01:09:52:02 TEAL'C: Not well.

01:09:53:18 MITCHELL: Well, your people did just renounce their gods. I guess we've got to cut them a bit of a break.

01:09:58:00 TEAL'C: Too many are still steeped in an old culture full of antiquated rituals, and are slow to accept change.

01:10:03:08 MITCHELL: I understand Major Davis and SG-7...

01:10:05:27 MITCHELL (CONT'D): Are trying to help out.

01:10:06:28 TEAL'C: That has caused problems as well. Many view the Tauri with the same level of mistrust as a would-be enemy. They see the proposed system of government as a means to control and subvert their newly acquired freedom.

01:10:17:16 TEAL'C (CONT'D): My allegiance to the Tauri is not serving me as well as you might think in winning votes from the most traditional of the Jaffa electorate.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:11:01:09            MITCHELL (CONT'D): Excuse me, can you tell me which way to the Stargate?  
Chapp'ai? Just point a finger.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:11:14:10 CARTER (V/O): Hi, Cameron.

01:11:15:20 MITCHELL: Hey, Sam. It's good to see you.

01:11:17:12 CARTER (V/O ONSCREEN): Sorry it took me so long to get back to you. We have been up to our ears double-checking the new hyperdrive, and then the uplink was jammed with the long-range plotting program being transmitted by the Asgard...no need to bore you. How you been?

01:11:29:00 CARTER (V/O CONT'D): You look good.

01:11:30:02 MITCHELL: Thanks. Listen, Sam...come back and re-join SG-1.

01:11:34:09 CARTER (V/O ONSCREEN): I heard you'd been given command.  
Congratulations.

01:11:36:26 MITCHELL: I'm not kidding. You can keep an eye on R & D in your spare time, just like you always have.

01:11:41:09 MITCHELL (CONT'D): Besides, Dr. Lee is pouting because you got the post over him.

01:11:44:27 CARTER (V/O ONSCREEN): Really?

01:11:46:20 MITCHELL: No, I made that up.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:11:48:05            CARTER (V/O ONSCREEN): I have my reasons for wanting this job.

**STARGATE SG-1-** "Avalon Part 1" – Episode #0901A

01:11:50:27 MITCHELL: I had my reasons for wanting this job. One of them was working  
with you, and please do not say, "That's nice."

01:11:57:00 CARTER (V/O ONSCREEN): We'll still work together.

01:11:58:24 MITCHELL: It won't be the same. What if the world needs saving?

01:12:02:11 CARTER (V/O ONSCREEN): Well, if the world needs saving, I will be there to  
do what I can.

01:12:05:26 MITCHELL: What if the world needs saving because I screwed up because  
you weren't here in the first place?

01:12:14:02 MITCHELL (CONT'D): How about we pretend I didn't say that?

01:12:15:15 CARTER (V/O ONSCREEN): Done.

01:12:17:00 FEMALE TECHNICIAN (V/O): Lieutenant Colonel Carter to the bridge.  
Lieutenant Colonel Carter...

01:12:20:05 FEMALE TECHNICIAN (V/O CONT'D): Please report immediately to the...

01:12:21:05 CARTER (V/O ONSCREEN): Sorry, I got to go.

01:12:22:07 MITCHELL: Yeah. I'll buy you breakfast when you get back on solid ground.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:12:26:20 CARTER (V/O ONSCREEN): You're on. Talk to you soon.

01:12:33:29 (GROANS)

01:12:36:22 MITCHELL: Well, Walter...it doesn't look like we're getting the band back together.

01:12:43:00 MITCHELL (V/O): I can't shake him!

01:12:44:11 MITCHELL (V/O CONT'D): Reroute power to the--

01:12:44:28 (BLAST)

01:12:51:01 MITCHELL: Banks, you okay?

01:12:54:11 MITCHELL (CONT'D): Banks!

01:12:58:02 MITCHELL (CONT'D): I'm losing it. Hang on back there.

01:13:01:01 MITCHELL (CONT'D): Eject! Eject! Dammit. Ejection failed. Mayday! Mayday!

01:13:07:16 MITCHELL (CONT'D): We are going in. Repeat, we are going in.

**END OF ACT ONE**

**ACT TWO**

01:13:38:27 O'NEILL: So, did you decide to go with the desk...

01:13:40:22 O'NEILL (CONT'D): At an angle or flush with the door?

01:13:44:04 LANDRY: Is that what this is about? You come all the way to Colorado Springs  
to check up on me?

01:13:49:00 O'NEILL: No, I had to sign the papers to my house...and my car...motorcycle...

01:13:56:16 LANDRY: You know, I'll never forget that day on the front porch of my house,  
you standing there, saying you wanted to tell me something about the  
Stargate program. I thought one of us had surely lost his mind.

01:14:07:12 O'NEILL: That may actually be true.

01:14:11:27 O'NEILL (CONT'D): How are things working out for Mitchell?

01:14:16:21 LANDRY: Well, you could have told him that SG-1 had been reassigned. You  
should have seen his face.

01:14:20:22 O'NEILL: Yeah. I suppose, huh?

01:14:23:29 LANDRY: He'll, uh...he'll get his feet. Man's a survivor.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:14:31:14 O'NEILL: He's also got the best of the best looking out for him.

01:14:35:26 LANDRY: A general's only as good as the people he commands.

01:14:39:03 O'NEILL: Who said that?

01:14:40:24 LANDRY: I just did.

01:14:46:22 LANDRY (CONT'D): I mean, Douglas MacArthur may have said something similar.

01:14:49:27 O'NEILL: Didn't he also say, "There is no substitute...

01:14:52:27 O'NEILL (CONT'D): "For winning"?

01:14:59:09 LANDRY: Actually, it was, "In war, there is no substitute for victory."

01:15:05:04 LANDRY (CONT'D): You seem to have a knack for it.

01:15:08:19 SCIENTIST CANDIDATE #1 (O/S): I'm fluent in Mandarin, Russian, Spanish, three dialects...

01:15:12:09 SCIENTIST CANDIDATE #1 (CONT'D): Of Goa'uld, Teneeze, Golap, and the yet-unnamed language of the cave people of P3K-447...and of course, Ancient, spoken as well as written. Go ahead, say anything.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:15:23:06          MITCHELL: That's okay. I believe you.

01:15:25:00 SCIENTIST CANDIDATE #1 (O/S): *Tua puta ego...*

01:15:27:04 SCIENTIST CANDIDATE #1 (CONT'D): Which is actually just, "I believe you."  
"That's okay" is a modern...

01:15:31:00 SCIENTIST CANDIDATE #1 (CONT'D O/S): Vernacular. That can't be directly  
translated into Ancient. However--

01:15:34:00 MITCHELL (INTERRUPTING): This is really unnecessary.

01:15:35:00 SCIENTIST CANDIDATE #1: *Onno matta netario.*

01:15:39:27 MITCHELL: Thank you.

01:15:41:04 MILITARY CANDIDATE #1 (V/O): 87 mission hours to 32 alien planets.

01:15:42:24 MILITARY CANDIDATE #1 (CONT'D): Front-line ground combat on four  
different occasions.

01:15:45:04 MITCHELL: I was hoping you could tell me about yourself,  
something...personal.

01:15:53:03 MILITARY CANDIDATE #1: People call me Dave.

01:15:59:28 MITCHELL: It says here that's your name.

01:16:20:26 SCIENTIST CANDIDATE # 3 (O/S): We have modified the android body recovered from PX3-989 and are currently incorporating the experiences of every SG team member since the inception of the program into a viable artificial intelligence.

01:16:35:01 MITCHELL: Wait a minute. Are you guys saying that this thing actually exists?

01:16:38:28 SCIENTIST CANDIDATE # 3: We haven't received our funding yet, but we were hoping that with your support...

01:16:43:06 SCIENTIST CANDIDATE # 3 (CONT'D O/S): Perhaps the funding body would look more favorably on our proposal. Don't make a decision yet.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:17:30:19 DANIEL: None of us would be here today if it wasn't for what you did.

01:17:33:12 CARTER: The Congressional Medal of Honor is the highest award for valor in action against an enemy force that can be bestowed upon an individual serving in the Armed Services of the United States of America. On behalf of the President...

01:17:45:16 O'NEILL: Get well soon...and when you do, you can do anything you want, and I mean...professionally...anything you want. Well not...anything.

01:18:06:27 (ALARMS SOUNDING)

01:18:08:11 MITCHELL: What's up, Sir?

01:18:09:21 LANDRY: I wanted you here for this. SG-12 sent word five minutes ago. They should be arriving momentarily.

01:18:14:12 HARRIMAN: Receiving IDC. Opening the iris.

01:18:25:10 VALA: Well, don't you all have me surrounded.

01:18:29:07 LANDRY: Welcome to the SGC. I'm General Landry.

01:18:33:10 VALA: Vala. Vala Mal Doran. Thank you so much for the lovely greeting party. We all had a wonderful time searching each other, didn't we, boys?

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:18:43:09 VALA (CONT'D): I know we haven't met. That I'm sure I would remember.

01:18:49:02 LANDRY (O/S): Lieutenant Colonel Cameron...

01:18:50:21 LANDRY (CONT'D): Mitchell.

01:18:52:14 MITCHELL: Nice outfit.

01:18:54:05 VALA: Thanks.

01:18:56:20 VALA (CONT'D): While I would normally be thrilled to have so much  
testosterone at my disposal...

01:19:02:16 VALA (CONT'D): Where's my Daniel?

01:19:11:03 DANIEL: Okay, where is it?

01:19:13:14 VALA: Nice to see you...

01:19:15:03 VALA (CONT'D O/S): Too. How have you been?

01:19:16:13 DANIEL: The tablet, the one that leads to the "incredible Ancient buried  
treasure."

01:19:20:02 VALA: There is no tablet.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:19:23:14

DANIEL: What?

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:19:24:09 VALA: I lied. I had to tell you in...person. I'm pregnant.

01:19:31:06 VALA (CONT'D): Pretty sure it's yours, anyway. There's at least a one-in-  
...hmm, -10 chance.

01:19:40:23 LANDRY: Dr. Jackson. You're the reason we let her through the gate.

01:19:44:00 DANIEL: I'm sorry, Sir. I really have to finish packing.

01:19:46:07 LANDRY: The Daedalus doesn't leave for another 12...

01:19:48:04 LANDRY (CONT'D): Hours. At least have a look.

01:19:56:07 VALA: Thank you.

01:20:02:18 DANIEL: Yeah, I don't know where you got this, but you got ripped off. It's  
complete gibberish.

01:20:08:13 VALA: It's written in code.

01:20:16:13 DANIEL: Well, I can't crack this in a few hours.

01:20:18:23 VALA: I know the cipher.

01:20:20:04 DANIEL: Then why do you need me?

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:20:22:07 VALA: Well, reading it is one thing. Understanding it is another. The individual I got this from assured me that the treasure it describes is here on Earth.

01:20:32:02 VALA (CONT'D O/S): Now, I could have come by ship and looked for it myself...

01:20:34:19 VALA (CONT'D): But I know nothing about your fair planet...other than it seems to have a rather interesting, if somewhat limited, gene pool.

01:20:49:12 DANIEL: So where did you get this?

01:20:51:05 VALA (O/S): The Jaffa...

01:20:51:14 VALA (CONT'D): May have won their freedom, but there are still more than a few Goa'uld out there. Most of them have lost their dynasties, though, and are either on the run or in hiding.

01:20:58:19 DANIEL: No doubt plotting some means of regaining their power.

01:21:01:20 VALA: Yes, and in the meantime, they are having a lot of trouble maintaining the lifestyle to which they've grown so accustomed over the last 5,000 years or so.

01:21:09:26 VALA (CONT'D): As such, there are a number of rather interesting artifacts currently on the market.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:21:16:11 VALA (CONT'D): Anyway, that isn't the issue. The question is...

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:21:19:26 VALA (CONT'D): What's it worth?

01:21:21:18 DANIEL: Ancients aren't exactly known for secret stashes of gold...

01:21:25:04 DANIEL (CONT'D): Like these, for example. Wait a minute.

01:21:30:29 DANIEL (CONT'D): These markings are Goa'uld. The treasure's supposed to  
be Ancient.

01:21:33:19 DANIEL (CONT'D): What do they have to do with this?

01:21:35:05 VALA: These are actually only loosely related to the tablet.

01:21:37:26 DANIEL: Yeah. How?

01:21:39:03 VALA: You ever heard of the Goa'uld Nut?

01:21:42:08 DANIEL: As in...cashew? Pea? Oh, you mean the Egyptian Sky Goddess.

01:21:46:10 VALA: Yes.

01:21:47:27 DANIEL: No, never heard of her.

01:21:49:05 VALA: Well, these were her ceremonial marriage bracelets. She wore one and  
her husband of the moment wore one.

**STARGATE SG-1– "Avalon Part 1" – Episode #0901A**

01:21:54:02 DANIEL: "Of the moment"?

01:21:55:09 VALA: Yes, she had many. It's one of the few admirable things about her.

01:21:59:29 DANIEL: Ow.

01:22:00:28 DANIEL (CONT'D): What are you doing?

01:22:02:12 (GROANS)

01:22:03:27 DANIEL: Security.

01:22:09:03 DANIEL (CONT'D): Okay, that was fun. Now take it off.

01:22:11:22 VALA: Not until we find the treasure.

01:22:13:13 DANIEL: What?

01:22:14:20 VALA: These bracelets...

01:22:16:12 VALA (CONT'D O/S): Link us together.

01:22:18:11 VALA (CONT'D): The tablet is mine, and I want my fair share of what it leads  
to.

**END OF ACT TWO**

**ACT THREE**

01:22:40:20 (SAW BUZZING)

01:22:54:05 DR. LEE: That's the third blade I've gone through.

01:22:57:18 DR. LEE (CONT'D): I'm not going to be able to cut it off. The hand. If we  
remove the hand...now, I know...

01:23:02:29 DR. LEE (CONT'D O/S): That on first blush that doesn't sound like a viable  
option, but I understand...

01:23:05:28 DR. LEE (CONT'D): That Dr. Bennett is proficient at reattaching--

01:23:07:29 DANIEL (INTERRUPTING): I thought SG-12 checked everything she had on  
her.

01:23:10:15 DR. LEE: They did...and in their defense, at that time, the bracelets wasn't  
giving off any kind of energy signature. I mean, even now, it's barely  
measurable.

01:23:19:20 DANIEL: So, what's it doing? I mean, how does it work?

01:23:22:13 DR. LEE: Well...I don't know.

01:23:27:25 DR. LEE (CONT'D): No, no, I just...I just need a little more time.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:23:31:00

DANIEL (WHISPERING): I'll find out.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:23:38:23 DR. LEE: Whoa. Hey. Are you okay?

01:23:48:08 VALA: Come to torture me?

01:23:50:23 LANDRY: How old are you?

01:23:52:23 VALA: Hmm. Mental abuse won't work either.

01:23:58:23 LANDRY: I have a daughter about your age. Hasn't listened to me since she was 12. Doesn't matter what I say or do.

01:24:04:05 VALA: You're not going to bore me with your personal life, are you? I have to admit, an hour or two of that might break me.

01:24:09:02 LANDRY: I don't like being deceived.

01:24:12:21 VALA: I'm not here to hurt anyone, and I really do hope this leads to something fabulous for all of us, but it's not easy out there, and I'm sure you can appreciate that a girl has to do what a girl has to do to get by--

01:24:22:09 LANDRY (INTERRUPTING): I'm about as interested in your sob story as you are in mine. I just want to you know that Dr. Jackson is the one who recommended I let you through the gate. He thought there was a chance that what you had to offer might be legitimate, and he's the one with an alien device now stuck on his wrist. How this plays out

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

and what you get out of it in the end, I'm going to leave entirely up to  
him, so if I were you, I--

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:25:07:07 DANIEL: Teal'c?

01:25:10:28 TEAL'C: Daniel Jackson.

01:25:13:06 MITCHELL: How're you doing?

01:25:14:26 DANIEL: Uh, fine...I think. I don't know what happened. I was--

01:25:20:26 MITCHELL: It's the bracelet.

01:25:24:28 TEAL'C: They are called Kor Mak.

01:25:26:15 MITCHELL: I figured he might know.

01:25:29:14 DANIEL: Yeah, she said they were some sort of weird Goa'uld Nut marriage  
thing.

01:25:33:09 TEAL'C: I do not believe that to be the case.

01:25:35:22 DANIEL: No?

01:25:36:17 TEAL'C: No.

01:25:37:27 DANIEL: Should've known.

01:25:39:02 TEAL'C (O/S): I have only heard of them in passing...

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:25:41:04           TEAL'C (CONT'D): A very long time ago. I believe it was Cronus who used this technology when a prisoner of value needed to be transported by one of his Jaffa.

01:25:48:16           TEAL'C (CONT'D O/S): He would affix a bracelet such as this to both the prisoner and the Jaffa...

01:25:52:18           TEAL'C (O/S CONT'D): Responsible for him. If they became separated...

01:25:55:14           TEAL'C (CONT'D): For more than a short period of time, they would both become ill and die.

01:25:59:17           DANIEL: Both?

01:26:01:06           VALA (O/S): That's just about the stupidest thing I've ever heard.

01:26:06:06           DANIEL: You didn't know?

01:26:08:21           VALA: Well, I knew it would make you sick. I didn't know it would have the same effect...

01:26:11:09           VALA (CONT'D O/S): On me too.

01:26:11:09           DANIEL: How could you not...

01:26:13:12           DANIEL (CONT'D YELLING): Know?

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:26:13:21 VALA: Because the person I stole it from didn't tell me that part.

01:26:18:01 (GRUNTS)

01:26:23:03 MITCHELL: Question--why would the Goa'uld design these things that way?

01:26:28:06 TEAL'C: To punish the Jaffa for his incompetence.

01:26:31:11 MITCHELL: Right, of course.

01:26:33:04 DANIEL: Can you take it off?

01:26:35:01 TEAL'C: I am sorry, Daniel Jackson. As I have said, I have only heard of this  
technology in passing.

01:26:40:04 DANIEL: Please tell me you know how to take this off.

01:26:44:05 VALA: Yes, of course I do.

01:26:45:23 VALA (CONT'D O/S): I mean that's assuming...

01:26:48:21 VALA (CONT'D): That the person I stole them from was honest about that part.

01:26:52:09 DANIEL: Just do it.

01:26:54:01 VALA: All right...as soon as we find the treasure and I get my fair share.

**STARGATE SG-1** – "Avalon Part 1" – Episode #0901A

01:27:00:24 DANIEL (WHISPERING): Just to clarify--when I kill her, I die?

01:27:04:16 TEAL'C: Just as if you left her proximity.

01:27:10:02 MITCHELL: Or we could just find the treasure.

01:27:15:07 MITCHELL (CONT'D): The Daedalus left two hours ago. Sorry.

01:27:22:16 MITCHELL (CONT'D): Look, the tablet is written in Ancient code, right? I know  
it's not the lost city of Atlantis we're looking for here, but whatever it is  
could be worth finding.

01:27:37:12 MITCHELL (CONT'D): Or you've just got to marry that chick.

01:27:39:10 VALA: Yeah. Let's make babies.

01:27:42:23 (SIGHS)

01:27:49:02 DANIEL: Are you sure you have this cipher right?

01:27:51:00 VALA: Yes. Why?

01:27:52:20 DANIEL: I can't believe I missed the Daedalus for this.

01:27:56:03 VALA: Get over it.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:28:01:19            TEAL'C: The council is in recess until tomorrow.

01:28:03:18            MITCHELL: Curious?

01:28:06:13            TEAL'C: Indeed.

01:28:07:24            MITCHELL: See? This is good, isn't it? Being part of the team again, working together...

01:28:12:13            MITCHELL (CONT'D): To unravel some cool ancient mystery. All right, so we're not...

01:28:16:18            MITCHELL (CONT'D): Working together, but any minute now, I bet Dr. Jackson discovers some key piece of information that sets us off on a great adventure.

01:28:24:09            DANIEL: This can't be right.

01:28:26:14            VALA: What is it?

01:28:28:04            DANIEL: Uh, well, this is a portion of the database the Atlantis expedition brought back with them a few weeks ago. Specifically, it's a log of the names of the Ancients who left the planet when it was under siege from the Wraith...

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:28:37:07 DANIEL (CONT'D O/S): And returned to Earth.

01:28:39:13 TEAL'C: Thousands of years ago.

01:28:41:03 DANIEL: Yes.

01:28:42:03 VALA: And what does this have to do with the tablet?

01:28:44:10 DANIEL: See, the tablet talks about a treasure...

01:28:45:24 DANIEL (CONT'D O/S): But it doesn't make any specific reference at all to  
where it is.

01:28:48:09 VALA: Well, it is supposed to be here. That's what the person who I stole it  
from told me...

01:28:54:23 VALA (CONT'D): Before I stole it from him.

01:28:56:22 DANIEL: Well, I think it is here, and I think I know where it is too.

01:28:59:13 MITCHELL: All right, time out. If the tablet doesn't say--

01:29:02:17 DANIEL: It doesn't say specifically, but it...it is signed by a guy named Myrddin.

01:29:13:24 MITCHELL: Never heard of him.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:29:15:04 DANIEL: I think you have, and the amazing part is his name also appears in the database.

01:29:18:26 TEAL'C: The Ancient who carved this tablet was one of the Ancients who returned to Earth from Atlantis.

01:29:23:21 DANIEL: Yes.

01:29:25:22 MITCHELL: I have an Uncle Marvin. I'm pretty sure I don't know any Myrddins.

01:29:30:15 DANIEL: That's because his name in English sounds a little different. Have you heard of Merlin?

01:29:34:25 MITCHELL: Merlin, King Arthur and Knights of the Round Table Merlin...

01:29:39:17 DANIEL: Yes.

01:29:40:16 MITCHELL: Was an Ancient.

01:29:41:15 DANIEL: I think so.

01:29:43:23 MITCHELL: See? That is what I'm talking about.

**END OF ACT THREE**

**ACT FOUR**

01:30:09:13 DANIEL: Arthur was then carried off in a barge by Merlin...

01:30:11:20 DANIEL (CONT'D O/S): Saying that he was headed for the vale of Avalon, which, according to legend was a magical place...

01:30:15:05 DANIEL (O/S CONT'D): Where the dead would meet. Now, at the time, some said Arthur never actually died, but would in fact one day return.

01:30:20:10 DANIEL (CONT'D): From what we know about the Ancients, it's possible that Avalon was actually a place where Merlin helped Arthur, a mortal, ascend.

01:30:26:07 TEAL'C: Are not the Ancients prevented from interfering with the existence of mortals?

01:30:30:21 DANIEL: Ascended Ancients, yes, for the most part, but it's possible Merlin was not actually ascended himself, but was in fact just a human far along the evolutionary path.

01:30:38:00 LANDRY: What does this have to do with where this alleged treasure is buried?

01:30:40:26 DANIEL: Well, there are a number of conflicting interpretations, but certain threads point to the Knights of the Round Table...

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

**STARGATE SG-1– "Avalon Part 1" – Episode #0901A**

01:30:45:12 DANIEL (CONT'D O/S): Gathering great treasures from the far corners of Arthur's domain and hiding them in a magical stronghold at Avalon.

01:30:50:15 MITCHELL (O/S): Including...

01:30:51:06 MITCHELL (CONT'D): The Holy Grail.

01:30:52:07 DANIEL: According to some.

01:30:53:13 VALA: So this grail...what's that worth?

01:31:00:07 VALA (CONT'D): What?

01:31:01:03 DANIEL: In 1191, the monks at Glastonbury Abbey claimed to have found the grave of King Arthur.

01:31:05:06 DANIEL (CONT'D O/S): On the stone burial was an inlaid lead cross with the inscription...

01:31:08:02 DANIEL (O/S CONT'D): *"Hic iacet sepultus inclitus rex Arturius in insula Avallonis."*

01:31:11:07 DANIEL (CONT'D): "Here lies the famous King Arthur, buried on the Isle of Avalon". Now, the claim was not taken seriously until 1278, when Henry II ordered the grave to be exhumed. Now, Glastonbury...

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:31:19:09 DANIEL (CONT'D): A small town about 125 miles west of London, has been a pilgrimage for believers since.

01:31:23:19 LANDRY: Yes, yes, and the point is?

01:31:25:07 DANIEL: Certain Celtic legend says that Glastonbury Tor...

01:31:28:02 DANIEL (CONT'D O/S): The hill overlooking the town, is actually hollow...

01:31:30:29 DANIEL (O/S CONT'D): And that contained within it...

01:31:32:05 DANIEL (CONT'D): Is the entrance to the Underworld--Avalon.

01:31:33:13 LANDRY: Has no one ever done any sort of geological survey?

01:31:36:03 DANIEL: There have been several scientific studies apparently disproving the myth--

01:31:38:08 LANDRY: Jackson, I...I--

01:31:39:14 DANIEL (INTERRUPTING): We're taking about the Ancients here, Sir. It's very possible that the underground entrance was concealed with some sort of technology.

01:31:44:20 MITCHELL: Sir, we're hoping to use the Asgard sensors...

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:31:47:16 MITCHELL (CONT'D): Aboard the Prometheus to find something we haven't been able to see before.

01:31:51:22 LANDRY: Thank you. Well, two years ago, I wouldn't have believed we'd find an Ancient outpost under a mile of ice in Antarctica. I'll call the President. I'm sure he'll want to inform the British Prime Minister.

01:32:11:00 MITCHELL: That was fantastic. You talk to Carter yet?

01:32:14:07 DANIEL: Uh, yeah. She can't make it.

01:32:16:01 MITCHELL: What? This is huge. We could be on the brink of another major discovery of Ancient technology here.

01:32:20:25 DANIEL: Look, I'm sure she'll be interested in whatever we find.

01:32:26:23 VALA: Try playing hard-to-get.

01:32:28:25 MITCHELL: Man, look who's talking.

01:32:37:22 MITCHELL: So, what do you reckon the range of those things is?

01:32:40:00 DANIEL: Well, Dr. Lee seems to think we need to stay within a hundred feet or so. More than half an hour outside that boundary, we'd begin to feel the effects.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:32:46:08           MITCHELL: You know, if we do find something, I'm thinking maybe Teal'c and I should check it out.

01:32:49:20           DANIEL: I missed the Daedalus because of this. If we find a secret Ancient base, I'm going.

01:32:53:24           MITCHELL: It means we've got to take her with us.

01:32:57:08           DANIEL: Good point.

01:32:58:18           MITCHELL: Look, I want you there, you know that. I'm just thinking we could stay in radio contact.

01:33:03:27           HARRIMAN (V/O): Lieutenant Colonel Mitchell, please report to auxiliary control room two.

01:33:16:03           VALA: Ah, now, this brings back memories.

01:33:17:04           DANIEL: How's that?

01:33:18:04           VALA: Isn't this where I beat you up?

01:33:19:11           DANIEL: No.

01:33:20:14           VALA: No, I'm pretty sure that right there is where I crushed your--

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:33:23:21            MITCHELL (INTERRUPTING): All right, excuse me, kids. Marks, what do you  
   got?

01:33:27:01            MARKS: Well, thanks to the Asgard sensors...

01:33:30:21            MARKS (CONT'D): We were able to map around...

01:33:32:25            MARKS (CONT'D): The energy distortion that would have normally fooled  
   deep-ground...

01:33:35:21            MARKS (CONT'D O/S): Sonar. I was able to define a large main...

01:33:38:06            MARKS (CONT'D): Cavern. A network of tunnels, and some smaller caves.

01:33:41:01            MITCHELL: Well done, Lieutenant.

01:33:42:14            VALA: Can you see what's in there? Say, large piles of precious metals?

01:33:47:22            MARKS: Uh, like I said, we could only map the exterior of the structure.

01:33:53:12            MITCHELL: Can you get us in there?

01:33:55:17            MARKS: Well, it's almost a half-mile underground, and there's no visible access  
   from the surface.

01:34:01:03            DANIEL: Asgard beams.

**STARGATE SG-1-** "Avalon Part 1" – Episode #0901A

01:34:02:17                 MARKS: Tried that. Doesn't seem to penetrate whatever sort of energy shield  
is disguising the caves.

01:34:07:20                 VALA: Rings.

01:34:11:15                 VALA (CONT'D): The Ancients were the gate builders, right? They invented  
the rings too. They had to get in and out of there somehow, and I  
know this ship has rings. It's how I--

01:34:17:11                 DANIEL: Good times. Good times. She's right, though.

01:34:19:25                 MARKS (O/S): If there are rings down there...

01:34:22:07                 MARKS (CONT'D): We should be able to lock on, but your radios won't work.

01:34:28:15                 MITCHELL: Looks like we're all going.

01:34:31:25                 MARKS: You'll be on your own.

01:34:35:17                 MITCHELL: Ladies first.

01:34:37:25                 VALA: Well, then after you.

01:34:43:25                 MITCHELL: Come on...this is fun, right?

01:34:53:05                 (RINGS STACKING)

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:34:59:01 MITCHELL: Wicked! And empty.

01:35:03:23 VALA: Well, I haven't been this disappointed since Daniel and I had sex.

01:35:20:23 MITCHELL: A sword in a stone.

01:35:22:19 VALA: What's that supposed to mean?

01:35:25:03 DANIEL: Well, King Arthur once pulled a sword from a stone as proof of his  
righteousness and royalty.

01:35:31:00 MITCHELL: Excalibur.

01:35:32:17 DANIEL: Actually, that's a common misconception. See, Excalibur was forged  
by the Lady of the Lake...

01:35:36:24 DANIEL (CONT'D O/S): At Avalon, but it wasn't given to King Arthur until after  
the sword he pulled from the stone broke in battle.

01:35:55:26 VALA: Give it a try, Muscles. I'll give you half.

01:36:03:23 MITCHELL: Yeah, that's in there pretty good.

01:36:09:27 MERLIN HOLOGRAM: Welcome, ye Knights of the Round Table, men of  
honor...

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:36:15:04          MERLIN HOLOGRAM (CONT'D O/S): Followers of the path of righteousness.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:37:07:15 VALA: You know nothing about me.

01:37:08:28 DANIEL (CONT'D): Because everything that comes out of your mouth is a lie.

01:37:10:08 MITCHELL: Don't make me separate you two.

01:37:14:21 TEAL'C: Perhaps there is something in these tunnels.

01:37:16:24 MITCHELL: See, that is why he's here. Genius. We're going to split up. I'm with  
Teal'c. Yo! Wait up.

**END OF ACT FOUR**

**ACT FIVE**

01:37:52:10           MITCHELL: I guess it would have been too easy for them to just leave their stuff laying out in the open. Maybe it's just me, but...I'm digging this rapport developing between the two of us.

01:38:08:12           VALA: You should give me a weapon.

01:38:09:19           DANIEL: No.

01:38:10:19           VALA: There could be some sort of icky creature down here, left behind to protect the treasure.

01:38:14:02           DANIEL: For hundreds of years?

01:38:15:10           VALA: Some sort of stasis or hibernation. What if it senses our presence and awakens hungry for human flesh?

01:38:20:28           DANIEL: That doesn't quite sound like the Ancients' style.

01:38:22:13           VALA: Still...

01:38:23:26           DANIEL: I'm sure if there is a monster down here, it's going to be much more scared of you than you are of it...especially once it gets to know you.

01:38:47:06           (SMALL EXPLOSIONS)

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:39:05:00           MITCHELL: Check this out.

01:39:20:00           MITCHELL: Okay, that can't be good. Jackson, come in. Jackson, can you  
                                  hear me?

01:39:33:10           (SMALL EXPLOSIONS)

01:39:36:23           DANIEL: If you immediately know the candlelight is fire...

01:39:39:23           VALA: Huh?

01:39:40:28           DANIEL: Nothing.

01:39:42:12           VALA: Hmm.

01:40:01:00           DANIEL: Okay, the hologram said that only those with the wealth of  
                                  knowledge and truth of spirit will pass. This has to be a test.

01:40:10:14           VALA: What does it say?

01:40:13:14           DANIEL: It says, "The universe is infinite."

01:40:15:17           VALA: That seems infinitely not useful. How about this one?

01:40:18:14           DANIEL: "The treasure is in this pot."

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:40:20:23 VALA: Really?

01:40:22:22 VALA (CONT'D): I was hoping for something a little more substantial, but okay.

01:40:26:04 DANIEL: Wait!

01:40:27:21 VALA: Too obvious?

01:40:28:28 DANIEL: Give me a minute.

01:40:29:28 VALA: Mm-hmm.

01:40:32:21 DANIEL: Not a minute. Still not a minute.

01:40:38:07 MITCHELL: All right. I am assuming this is some kind of puzzle.

01:40:44:23 MITCHELL (CONT'D O/S): Can you read this writing?

01:40:52:16 TEAL'C: No.

01:40:56:14 MITCHELL: Well, I think we're supposed to arrange the stones...

01:40:58:19 MITCHELL (CONT'D): In some sort of order.

01:41:00:17 MITCHELL (CONT'D): What do you think?

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:41:03:15 (GUNFIRE)

01:41:05:10 MITCHELL: Whoa! Whoa! Whoa, man!

01:41:08:07 MITCHELL (CONT'D): Bullets bounce!

01:41:28:20 VALA: Okay, how about this...

01:41:31:21 VALA (CONT'D): We open both of them. Whichever one the treasure's in is the  
right one.

01:41:34:11 DANIEL: No, I think that's the wrong idea. There's two pots here. I think the  
point of the exercise is to only open one pot.

01:41:38:24 VALA: This says treasure is inside.

01:41:40:06 DANIEL: Right, which makes it the obvious first choice.

01:41:41:25 VALA: So over to the gold—

01:41:42:25 DANIEL: No.

01:41:43:05 VALA: Back to the silver, then.

01:41:44:01 DANIEL: Don't!

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:41:46:11 VALA: It's empty.

01:41:51:12 VALA (CONT'D): There's nothing I hate more than a bold-faced lie.

01:41:56:10 VALA (CONT'D): Okay--

01:41:56:17 DANIEL: Would you stop?

01:41:58:12 VALA: What? We're already trapped in here. How much worse can it get?

01:42:01:19 (RUMBLING)

01:42:10:00 DANIEL: How about that much?

01:42:11:13 VALA: I knew it was a mistake the moment I said it. The moment.

01:42:25:04 MITCHELL: Okay. That didn't work.

01:42:28:14 (RUMBLING)

01:42:30:12 (RUMBLING GROWS LOUDER)

01:42:32:16 TEAL'C: Indeed.

01:42:36:10 MITCHELL: Oh, come on.

**STARGATE SG-1- "Avalon Part 1" – Episode #0901A**

01:42:45:13 VALA: This one's empty too.

01:42:46:23 DANIEL: I know.

01:42:47:11 VALA: That doesn't make sense.

01:42:48:23 DANIEL: I know!

01:42:49:16 MITCHELL: *Uno momento.*

01:42:55:01 MITCHELL (CONT'D): Two down, and only a billion possible combinations to  
go.

01:42:59:03 TEAL'C: Are you still having fun, Cameron Mitchell?

01:43:02:06 VALA: So, what do we do?

01:43:03:02 DANIEL: I don't know.

01:43:04:08 VALA: You don't know? So now is a bad time to tell you that I hate small  
spaces?

01:43:10:24 MITCHELL: Do you ever get a bad feeling about something?
