RECAP

01:00:00:00 TEAL'C (V/O): Previously on Stargate SG-1...

01:00:01:22 TECHNICIAN (V /O): Who's that?

01:00:02:22 HARRIMAN (V/O): Lieutenant Colonel Cameron Mitchell...

01:00:04:05 VALA (V/O): The individual I got this from assured me...

01:00:07:01 VALA (V/O CONT'D): That the treasure it describes...

01:00:08:21 VALA (CONT'D): Is here on Earth.

01:00:10:15 VALA (CONT'D): These bracelets...

01:00:12:07 VALA (CONT'D O/S): Link us together. The tablet is mine and...

01:00:14:05 VALA (CONT'D): I want my fair share of what it leads to.

01:00:15:18 MITCHELL (V/O): Merlin.

01:00:16:21 MITCHELL (CONT'D): King Arthur and the Knights of the Round Table Merlin.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:00:18:22 DANIEL: Yes.

01:00:19:21 MITCHELL: Was an Ancient.

01:00:20:16 MERLIN HOLOGRAM: Welcome, ye Knights of the Round Table...

01:00:23:18 MERLIN HOLOGRAM (CONT'D V/O): Prove ye...

01:00:26:12 MERLIN HOLOGRAM (V/O CONT'D): Shall be revealed.

01:00:27:14 MITCHELL: This has to be a test.

01:00:29:26 MITCHELL (CONT'D): The stones in...

01:00:31:00 MITCHELL (CONT'D): Some sort of order.

01:00:32:00 VALA: What? We're already trapped...

01:00:33:12 VALA (CONT'D): In here. How much worse can it get?

01:00:36:05 MITCHELL: Do you ever get a bad feeling...

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B**TEASER**

01:00:40:00 (RUMBLING)

01:00:40:14 VALA: Think! You...

01:00:41:22 VALA (CONT'D): Are the expert on all things Ancient!

01:00:43:04 DANIEL: You didn't care about that two minutes ago. "Let's try this one. How about this one?"

01:00:44:23 VALA: So think!

01:00:45:23 DANIEL: I'm thinking!

01:00:46:23 VALA: Could you possibly think a little bit faster?

01:00:47:21 DANIEL: "The universe is infinite."

01:00:48:22 VALA: No doubt it's deliberately ironic...

01:00:50:03 VALA (CONT'D): That we're in an ever-decreasing space.

01:00:51:23 DANIEL: It's the end of an Ancient proverb. "There is only one truth--the universe is infinite."

01:00:54:06 VALA: How does that help us?

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:00:55:07 DANIEL: This pot says the treasure's in this pot.

01:00:56:26 VALA: It's not in either of them.

01:00:57:27 DANIEL: I know. We did it wrong. We have to see if we can do it again.

01:01:00:14 DANIEL (CONT'D): "There is only one truth--the universe is infinite."

01:01:02:12 DANIEL (CONT'D): Therefore, the statement about the treasure...

01:01:04:03 DANIEL (CONT'D): Being in this pot has to be false, so the treasure must be in...

01:01:12:07 (RUMBLING SUBSIDES)

01:01:16:22 VALA: Wow.

01:01:18:01 VALA (CONT'D): Good thing you know your Ancient proverbs. Otherwise, we'd
be...

01:01:20:04 VALA (CONT'D): Mitchell.

01:01:23:04 DANIEL: Teal'c.

01:01:29:02 (RUMBLING)

01:01:34:16 MITCHELL: Feel free to jump in here any time!

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:01:45:24 DANIEL: Teal'c!

01:01:47:02 TEAL'C: Daniel Jackson!

01:01:48:20 MITCHELL: Hey, we got a little problem in here!

01:01:50:25 DANIEL: Well, what's the puzzle?

01:01:52:07 MITCHELL: There's eight stones with symbols on them and some Ancient writing.

01:01:55:05 DANIEL: Describe the writing!

01:01:56:19 MITCHELL (CONT'D O/S): Uh, "U" with a square over it...

01:01:59:09 MITCHELL (CONT'D): Chair with a square, upside down backwards "L..."

01:02:01:11 MITCHELL (CONT'D): Call that "7," squares unevenly stacked, chair thing again...

01:02:05:00 MITCHELL (CONT'D O/S): Big "N," and sad face...

01:02:07:12 DANIEL: Uh, "reflect." It means "reflect."

01:02:10:05 MITCHELL: Reflect?

01:02:11:07 DANIEL (O/S): "Reflect on the eightfold path."

01:02:12:26 DANIEL (CONT'D): Buddhism teaches an eightfold path to enlightenment.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:02:15:09 MITCHELL: That tells me exactly nothing!

01:02:18:00 DANIEL: I'm sorry. I can't help if I can't see the symbols on the stones you're supposed to put in order.

01:02:22:14 MITCHELL: "Reflect on the eightfold..." "Reflect on the eight..."

01:02:31:20 MITCHELL (CONT'D): Four.

01:02:37:24 MITCHELL (CONT'D): Six.

01:02:46:24 (RUMBLING)

01:02:48:09 DANIEL: Teal'c!

01:02:50:19 VALA (WHISPERING): Look, I didn't hear any screaming or squishing sounds, so-

-

01:03:02:13 DANIEL (O/S): You did it.

01:03:03:15 MITCHELL: Yeah, thanks. The symbols were actually the numbers one through eight and their mirror image.

01:03:14:11 MITCHELL: All right, we passed the tests, so this should work.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:03:50:13

MITCHELL: Should've known it wouldn't be that easy.

END OF TEASER

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B**ACT ONE**

01:04:23:01 (SWORDS CLANGING)

01:04:28:21 MITCHELL: Weird.

01:04:29:25 (SWORDS CLANGING)

01:04:34:24 (SWORDS CLANGING)

01:04:36:10 DANIEL: You, uh...you done this before?

01:04:37:11 MITCHELL: Fight a knight in armor? No...

01:04:39:18 MITCHELL (CONT'D O/S): Can't say that I have.

01:04:40:15 DANIEL: Well, you're doing good.

01:04:41:08 MITCHELL: Well, took a little fencing in college.

01:04:44:15 (SWORDS CLANGING)

01:04:53:14 MITCHELL: Okay, I need a little help.

01:04:55:27 (RAPID GUNFIRE)

01:05:00:11 TEAL'C: It appears to be a hologram.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:05:02:01 MITCHELL: A hologram?

01:05:06:15 MITCHELL (O/S): Jeez.

01:05:04:00 (SWORD CLANGS AGAINST ARMOR)

01:05:08:18 VALA: I don't think it actually cut you.

01:05:10:12 MITCHELL: Well, it hurt like hell.

01:05:13:14 (SWORDS CLANGING)

01:05:18:11 VALA (O/S): I don't know. I don't think...

01:05:20:06 VALA (CONT'D): He's actually that good.

01:05:22:08 MITCHELL: Okay, so I flunked fencing.

01:05:25:13 (SWORDS CLANGING)

01:05:28:28 (YELPS)

01:05:31:18 TEAL'C (O/S): Colonel Mitchell--

01:05:33:21 TEAL'C (CONT'D): The sword!

01:05:49:10 VALA (O/S): Okay, that thing is going to kill...

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:05:52:08 VALA (CONT'D): Him.

01:05:53:08 DANIEL: Everybody get to the rings!

01:06:04:16 PHYSIOTHERAPIST: Okay, that's enough for today.

01:06:06:12 MITCHELL: No. I can do this.

01:06:10:29 (SWORDS CLANGING)

01:06:18:02 (SWORD RIPPING THROUGH ARMOR)

01:06:21:27 (SWORD CLANGING ARMOR)

01:06:28:05 VALA: Yeah!

01:06:31:13 (SWORD CLANGING ARMOR)

01:06:40:09 MITCHELL: Oh, come on. That's got to be it.

01:06:53:23 VALA: I don't understand. We solved the riddles. Well, he solved one and he
solved one, and he won the fight.

01:07:01:27 MITCHELL: And what? Nothing?

01:07:04:12 DANIEL: But you're the only one...

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:07:05:22 DANIEL (CONT'D O/S): Who defeated the knight. That sword was obviously...

01:07:07:26 DANIEL (CONT'D): Designed to sense whoever pulled it from the stone. What if
there are sensors detecting us?

01:07:12:22 TEAL'C: Are you suggesting that we should leave?

01:07:15:01 DANIEL: It's worth a try.

01:07:18:28 MITCHELL: All right.

01:07:23:21 DANIEL: If nothing happens, just join us.

01:07:26:12 (BEEPING)

01:07:29:15 (RINGS STACKING)

01:07:35:12 (RUMBLING)

01:07:40:15 (SCREAMING)

01:07:50:28 DANIEL: What happened?

01:07:52:05 MITCHELL: The whole place is collapsing. We must have done something wrong.

01:07:57:16 DANIEL: What did you take?

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:07:59:22 VALA: What?

01:08:00:27 DANIEL: Truth of spirit.

01:08:01:28 VALA: I resent—

01:08:02:08 DANIEL (INTERRUPTING): Truth of spirit. What did you take?

01:08:09:13 (RINGS DEACTIVATING)

01:08:13:10 (RUMBLING)

01:08:33:10 (RUMBLING SUBSIDES)

01:08:42:23 (GROANS)

01:09:28:20 MITCHELL: Worth it.

01:09:39:25 MITCHELL: We are not going to let her keep that, are we?

01:09:46:23 DANIEL: No.

01:09:48:27 MITCHELL: Good.

01:09:49:09 MITCHELL (CONT'D O/S): Well, that figures. Room full...

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:09:51:26 MITCHELL (CONT'D): Of gold and jewels, and Dr. Daniel Jackson finds the one
book.

01:09:29:24 MITCHELL (CONT'D): So, what's it about?

01:10:01:12 DANIEL: Actually, it's a story. It's written like fiction.

01:10:06:14 MITCHELL: "Once upon a time..."

01:10:08:01 DANIEL (READING): Once upon a time, there was a race of people that went on
a great journey through space...

01:10:12:16 DANIEL (CONT'D O/S): Across the universe. They were called the Altera.

01:10:15:11 DANIEL (O/S CONT'D): After much time--I think this means thousands of years--

01:10:19:20 DANIEL (CONT'D): They found a great belt of stars.

01:10:23:08 MITCHELL (O/S): And they lived...

01:10:25:11 MITCHELL (CONT'D): Happily ever after.

01:10:33:00 TEAL'C: Have you found something, Daniel Jackson?

01:10:34:15 DANIEL: It says the Alterans named their new home "Avalon," and that they built
many Astria Porta.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:10:42:03 MITCHELL: Stargates.

01:10:43:07 DANIEL: Yes.

01:10:44:08 VALA: The Ancients built the Stargates.

01:10:47:17 DANIEL: Well, it stands to reason that they weren't always called "the Ancients."

01:10:51:03 MITCHELL (O/S): What do you care? You got your treasure.

01:10:53:07 VALA: Hmm. Let's see what's of more value--a few gold trinkets that apparently I
 won't be allowed to keep, or...

01:11:01:11 VALA (CONT'D): Previously undiscovered secrets about the gate builders, the
 most powerful race to ever inhabit the galaxy.

01:11:10:00 DANIEL: You realize what this could mean.

01:11:15:08 MITCHELL: Whoa. We've always presumed that the Ancients were the first
 evolution of humans in this galaxy...

01:11:22:26 MITCHELL (CONT'D): But this...

01:11:25:03 MITCHELL (CONT'D O/S): This is the first evidence suggesting they came here...

01:11:28:22 MITCHELL (CONT'D): Long ago from somewhere far, far away.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:11:30:18 DANIEL: Yes.

01:11:31:18 MARKS: Colonel Mitchell.

01:11:51:12 MITCHELL: One of these things is not like the others.

END OF ACT ONE

ACT TWO

01:12:15:04 DANIEL (V/O): It's much...

01:12:16:05 DANIEL (CONT'D): Much more than that. We know the Ancients left our galaxy for Pegasus, and returned later when they lost the war to the Wraith, but what happened to them?

01:12:22:27 LANDRY: I thought they ascended.

01:12:24:07 DANIEL: Some did, that we know of, but what if the others went home? Even if they didn't, the book I read suggested that the Alterans left a civilization behind.

01:12:30:20 LANDRY: And your point is?

01:12:32:14 DANIEL: My point is we haven't met a single living Ancient who was willing to share their knowledge freely, and there could be an entire advanced civilization of them out there somewhere in another galaxy. I mean, isn't that why we're doing this? All of this, the Stargate program, the budget, isn't it so we can go out and meet new races, gather advanced technology, possibly learn about ourselves in the process?

01:12:47:26 VALA: Oh, come on. You do it to meet women.

01:12:49:18 MITCHELL: She has a point, Sir.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:12:51:09 LANDRY: I've been thinking I need to get out on an off-world mission or two.

01:12:54:15 MITCHELL: Yeah, just to get the feel for it.

01:12:56:25 LANDRY: "Always do everything you ask of those you command."

01:12:59:27 MITCHELL: *Patton*.

01:13:01:02 LANDRY: Very good.

01:13:02:20 MITCHELL: Good movie.

01:13:04:00 DANIEL: Laugh if you want to, but I believe finding these Alterans and where they came from should be our top priority from this point forward. They are the gate builders.

01:13:10:21 LANDRY: Nobody's laughing, Dr. Jackson. The universe is a big place. Tell me where they are and how to get there, and I'll order you to go.

01:13:21:09 DANIEL: Look, I'm not saying this is going to be easy. I mean, if they're from a distant galaxy, our network of stargates might not even connect, and even if it does, we know the massive power requirements necessary to dial Pegasus, and they're relatively close in intergalactic terms, but on the bright side, according to the text we found in the Glastonbury cavern, the Ancient device we discovered may be capable of intergalactic communication.

STARGATE SG-1- "Avalon" Part 2 – Episode #0902B

01:13:37:23 LANDRY: Thank you, Dr. Jackson. I'm sure you'll keep me posted. Colonel.

01:13:42:29 MITCHELL: General. He has no idea what you just said.

01:13:50:28 LANDRY: Someone want to tell me...

01:13:52:09 LANDRY (CONT'D O/S): Why she's still on my base?

01:13:54:09 LANDRY (CONT'D): And, uh, yes, I did.

01:14:04:14 VALA: Well, I think it's incredible.

01:14:12:10 RAKNOR (V/O): The Jaffa of the Onac Ka equal as many...

01:14:14:02 RAKNOR (CONT'D): As all the other regional coalitions, and they strongly support
Gerak.

01:14:17:11 TEAL'C: Of this I am aware.

01:14:18:18 RAKNOR: If we allow them even one more vote based on unconfirmed military
strength, the council will be in Gerak's hands. Until proper inspections--

01:14:24:19 TEAL'C (INTERRUPTING): Raknor!

01:14:26:06 RAKNOR: I'm sorry. We are all working very hard. It just seems as though Gerak
is winning.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:14:30:27 TEAL'C: Bratac and Ryac are negotiating with coalitions who have yet to declare their allegiance.

01:14:36:05 RAKNOR: I did not...

01:14:35:24 RAKNOR (CONT'D): Fight for the freedom of all Jaffa...

01:14:37:29 RAKNOR (CONT'D): Only to have it corrupted by a few power-hungry individuals.

01:14:40:18 TEAL'C: Nor did I.

01:14:42:18 RAKNOR: I just do not understand why you have chosen to spend so much time with the Tauri...

01:14:46:01 RAKNOR (CONT'D): At such a critical stage.

01:14:48:12 TEAL'C: My friends from the Tauri are largely responsible for the Jaffa being free...

01:14:53:21 TEAL'C (CONT'D): And as thanks, they have been treated with mistrust and disrespect.

01:14:57:11 TEAL'C (CONT'D): Until all Jaffa see that the old ways are not the future, I will do whatever I need to do to enlighten them.

01:15:02:11 RAKNOR: And how does chasing Ancient history do that?

STARGATE SG-1- "Avalon" Part 2 – Episode #0902B

01:15:04:28 TEAL'C: Ancient knowledge is what defeated the Goa'uld and the replicators, and
 I believe that one day it will unite the Jaffa in a nation...

01:15:11:02 TEAL'C (CONT'D): Of peace.

01:15:12:14 TEAL'C (CONT'D): I will prove it.

01:15:17:03 RAKNOR: I hope so.

01:15:20:09 VALA (V/O): I have been around the galaxy long enough to know...

01:15:23:28 VALA (CONT'D): That knowledge is power, and understanding the technology
 that was left behind by the Ancients is the most powerful knowledge
 around.

01:15:28:20 DANIEL: And if you think I'm going to stay linked with you for the rest of my
 natural--

01:15:31:24 MITCHELL (INTERRUPTING): Focus. Maybe we should focus...

01:15:35:01 MITCHELL (CONT'D): On the task at hand.

01:15:37:28 DR. LEE: Yeah. Well, the device obviously has a power source, and I don't think
 it's been depleted.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:15:45:18 DANIEL: Okay, when I read this was a communication device, I realized the shape of these recessed spaces looked familiar. These stones are actually an Ancient form of communication device that links the users psychically, allowing them to see through each other's eyes. It appears that they're actually meant to be used in conjunction with this terminal.

01:16:02:01 MITCHELL: So, what happens when you attach the stones?

01:16:04:05 DANIEL: We're going to find out.

01:16:05:05 DR. LEE: Uh, these stones were originally set for General O'Neill and one Joe Spencer.

01:16:09:08 DANIEL: Barber from Indiana.

01:16:10:11 MITCHELL: Yeah, weird guy. I read the file.

01:16:13:28 DR. LEE: Well, anyway, after a lot of tedious, although, I must say, ultimately very brilliant work, if I do say so myself, I was able to reset the stones.

01:16:21:15 MITCHELL: Don't they have to be activated by someone with the Ancient gene? Same file.

01:16:25:20 DR. LEE: Well, that's what we thought at first, but no, like a lot of Ancient technology, the stones actually just need to be initialized.

01:16:31:05 MITCHELL: By someone with the gene. That's a guess.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:16:32:27 DR. LEE (O/S): No, you're right...

01:16:34:08 DR. LEE (CONT'D): Which these obviously have been.

01:16:36:01 MITCHELL (O/S): So...

01:16:37:15 MITCHELL (CONT'D): Any one of us can take the pony ride.

01:16:39:28 DANIEL: Yeah, I figured that was going to be me. I mean, I did miss the Daedalus
for this, so...

01:16:43:28 MITCHELL: You're going to...

01:16:45:02 MITCHELL (CONT'D): Dine out on that for a while?

01:16:46:20 DANIEL (O/S): Yeah...

01:16:46:28 DANIEL (CONT'D): Yeah, like you wouldn't believe.

01:16:48:11 MITCHELL (O/S): Well, no one's going to make an argument...

01:16:49:18 MITCHELL (CONT'D): Against that--you are the world's foremost expert on the
Ancients--but we've got two...

01:16:53:22 MITCHELL (CONT'D O/S): Stones.

01:16:54:22 VALA: Yes, and this one's mine. Thank you.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:16:58:04 MITCHELL: Excuse me. How do you figure that?

01:16:59:15 VALA: Well, Daniel and I are linked.

01:17:01:01 DANIEL: If I could just point out for the record, we don't have to be.

01:17:03:14 VALA: He's only guessing that this device is for communication. What if it's a transporter of some kind, and he gets whisked away and can't get back?

01:17:09:06 DR. LEE (O/S): Actually...

01:17:10:16 DR. LEE (CONT'D): We have done a fair bit of research on this device, and I can say with absolute--

01:17:14:14 DR. LEE (CONT'D): Relative--

01:17:16:26 DR. LEE (CONT'D): Certainty...look, we have studied devices like this for years, and at some point, ultimately, you just have to turn it on.

01:17:22:23 DANIEL (O/S): I'm going to give it a try.

01:17:24:19 VALA: Where he goes, I go.

01:17:25:19 DANIEL: I'm not going anywhere.

01:17:26:19 VALA: So you think.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:17:27:19 DANIEL: It's a communication device.

01:17:27:25 DR. LEE: I'm going to watch from the observation room.

01:17:30:01 MITCHELL: All right.

01:17:31:22 MITCHELL (CONT'D): Good luck.

01:17:34:18 VALA: So, what do we do?

01:17:36:20 DANIEL: Well, I'm guessing we just put these two stones in any two of these
spots.

01:17:40:13 VALA: Any two?

01:17:41:13 DANIEL: Well, there aren't any markings to indicate otherwise...

01:17:44:04 DANIEL (CONT'D O/S): So any two.

01:17:46:04 DANIEL (CONT'D): And...

01:17:56:08 (JACKSON AND VALA THUMP ON FLOOR)

01:17:58:05 MITCHELL (INTO PHONE): Med team to Science Lab One.

01:18:13:08 DANIEL: Hello.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:18:14:20 HARRID (O/S): Please don't be afraid.

01:18:16:22 HARRID (CONT'D): My name is Daniel Jackson.

01:18:18:25 SALLIS: It's me, Vala.

01:18:22:12 HARRID: Okay. Not a transporter.

01:18:28:16 SALLIS: Where are we?

01:18:32:16 DANIEL: I don't know...

01:18:47:16 DANIEL (CONT'D): But I think we're in them.

END OF ACT TWO

ACT THREE

01:19:18:08 DR. LAMM: Blood pressure and heart rate are normal. Pupils are slightly dilated.
Now, we're sure this is because of the device?

01:19:23:01 DR. LAMM (CONT'D): They also passed out before when they were separated
because of the bracelets.

01:19:26:26 DR. LEE: The reaction was virtually instantaneous after the device was activated.

01:19:30:02 DR. LEE (CONT'D): Anyway, there's no discernible energy rays...

01:19:34:12 DR. LEE (CONT'D): And no measurable radiation being emitted, so...

01:19:38:01 DR. LAMM: And we've found no contagions. All right. I want to get an EEG going,
but my first impression here is that they're in some kind of sleep state.

01:19:47:17 MITCHELL (V/O OVER MIC): Maybe we should disconnect the stones.

01:19:51:06 DR. LEE: For all we know, this could be perfectly normal. I mean, this could be the
way the device actually works.

01:19:56:17 DR. LAMM: And could you give me some time here before we go messing around
with that thing any more?

01:19:59:24 DR. LEE: I wouldn't call it "messing around."

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:20:02:06 DR. LAMM: Look, for all we know, disconnecting the stones could put them in further jeopardy.

01:20:10:03 MITCHELL: So how are things on Dakara?

01:20:12:05 TEAL'C: About as well as here.

01:20:15:29 VALA: I don't understand. This is an odd communication device. I mean, I can't talk to this poor woman.

01:20:22:24 VALA (CONT'D): I have no access to her mind, her thoughts, her memories. I'm just inside of her, looking out through her eyes.

01:20:30:28 DANIEL: Jack and...

01:20:32:11 DANIEL (CONT'D): Joe Spencer described the experience as having visions of what was happening to the other.

01:20:36:04 VALA: Were they ever in total control of each other's bodies?

01:20:38:14 DANIEL: No, but they weren't using the stones in conjunction with the Ancient terminal either. It's possible it was meant to work this way so that we can communicate with others without intruding on the minds of those we're connected to. They're just...temporary transmitters.

01:20:53:02 SALLIS: Do you think we're actually in another galaxy?

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:21:33:10 VALA: Wait, I missed that. You mumbled it.

01:21:35:00 DANIEL: No, I didn't.

01:21:36:04 VALA: Well, you said something I couldn't understand.

01:21:38:05 DANIEL: Well, I didn't say it because I don't really know what it means, so I don't
want to say it out loud, because I know what it means...

01:21:41:06 VALA: Go on.

01:21:42:06 DANIEL: "Nuptial." It means "nuptial."

01:21:44:14 VALA: As in we're...

01:21:46:03 DANIEL: Married. Yeah.

01:21:49:05 DANIEL (CONT'D): Let's go look outside.

01:22:00:24 VALA: Not quite what I imagined when I pictured a civilization of gate builders.

01:22:06:22 DANIEL: No. Something tells me this is not the same people who built a space
ship capable of traveling across the universe.

01:22:14:12 VILLAGER: Above the sun! Harrid! Sallis!

01:22:17:28 VALA: What?

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:22:18:28 DANIEL: Uh, I think that means "good morning."

01:22:25:18 HARRID: Above the sun to you!

01:22:29:00 VALA: "Above the sun"?

01:22:30:19 DANIEL: I think he's speaking Ancient. I think the communicator is translating for
us.

01:22:34:22 VALA: I couldn't read the sign.

01:22:36:15 DANIEL: Maybe it only works for spoken language.

01:22:38:13 VILLAGER: See you at prostration!

01:22:41:14 DANIEL: Prostration it is!

01:22:42:18 VALA: Prostration it is.

01:22:47:16 VALA: So, what do you want to do, Harrid? Or is it Sallis?

01:22:50:23 DANIEL: People are starting to stare.

01:22:52:17 VALA: Shall we walk about and try to appear normal?

01:23:03:24 DANIEL: Nope, not what I was expecting at all.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:23:05:21 VALA: Me neither.

01:23:08:01 DANIEL: On the bright side, I think he was looking at me when he said "Harrid."

01:23:10:24 VALA: Please. He was staring at me the whole time.

01:23:19:18 (KNOCKING)

01:23:20:18 LANDRY: Hey. Come in. I can't decide...

01:23:24:29 LANDRY (CONT'D): If I...if I like the desk here.

01:23:29:24 DR. LAMM: Where else are you going to put it? Out in the hall?

01:23:32:01 (LANDRY CHUCKLES)

01:23:33:04 DR. LAMM: Daniel and Vala are stable. Based on rapid eye movements and
brainwave patterns, I'm guessing it's actually some kind of induced
dream-like condition.

01:23:40:19 LANDRY: Dr. Jackson believes the device was used for long-range
communication. Is it possible...

01:23:46:17 LANDRY (CONT'D): That's what they're doing? Talking to someone...

01:23:48:28 LANDRY (CONT'D): Somewhere out there?

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:23:51:17 DR. LAMM: I don't know.

01:23:53:04 LANDRY: I'm heading to the mess.

01:23:54:02 DR. LAMM: I'm good, thanks. I should get back to Daniel and Vala.

01:23:56:22 LANDRY: Oh, of course. Just keep me posted.

01:23:59:19 DR. LAMM: Mm-hmm.

01:24:00:29 LANDRY: Carolyn?

01:24:05:05 LANDRY (CONT'D): You seem to be...settling in okay.

01:24:11:19 DR. LAMM: I don't know if I'll ever get used to this place. It's pretty, uh...

01:24:17:12 LANDRY: Yeah.

01:24:18:25 DR. LAMM: Yeah...and, uh...working for you makes this whole thing just that
much more bizarre.

01:24:24:25 LANDRY: You didn't have to take the job, you know.

01:24:26:22 DR. LAMM: Are you kidding? Who could refuse it? Besides, at the time, General
O'Neill didn't tell me you'd be my boss.

01:24:32:22 LANDRY: He's funny that way.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:24:34:16 DR. LAMM: Mm. Ha-ha. By the way, the desk looks fine the way it is.

01:24:38:19 LANDRY: Really?

01:24:40:02 DR. LAMM: You never were happy with anything the way it was.

01:24:47:28 ADMINISTRATOR: All hallow...

01:24:49:12 ADMINISTRATOR (CONT'D): The Ori.

01:24:51:13 VILLAGERS (IN UNISON): All hallow...

01:24:52:07 VILLAGERS (CONT'D): The Ori.

01:24:55:09 ADMINISTRATOR: On their great power...

01:24:58:09 ADMINISTRATOR (CONT'D O/S): We shall meditate herein this day.

01:25:06:14 DANIEL: Prostration it is.

01:25:20:28 FANNIS (WHISPERING): We must meet.

01:25:22:08 FANNIS (CONT'D): By the portico of light at the hour of Bly.

01:25:24:29 FANNIS (CONT'D): Speak not.

01:25:26:16 ADMINISTRATOR (O/S): Oh, greatness that is the Ori...

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:25:29:13 ADMINISTRATOR (CONT'D): You guide us and give meaning to our daily lives.

01:25:33:04 ADMINISTRATOR (CONT'D): We beseech you, give us strength.

01:25:36:03 VILLAGERS (IN UNISON): All hallow the Ori. All...

01:25:39:27 VILLAGERS (CONT'D): Hallow the Ori. All hallow the Ori.

01:25:50:13 VALA: Well, that was fun. Six hours of prostration. Why don't we just tell someone who we are and what's going on? I mean, isn't that the whole point of this? To communicate?

01:26:03:23 DANIEL: I don't think these people are going to entirely understand. Hey, did you hear what that guy said when we first came to the service?

01:26:08:05 VALA: Something about meeting.

01:26:09:12 DANIEL: Yeah, at the portico of light on the hour of Bly.

01:26:11:08 VALA: What's that supposed to mean?

01:26:12:08 DANIEL: I have no idea.

01:26:12:29 VALA: What are you looking for?

01:26:14:16 DANIEL: I don't know. Some reason as to why...

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:26:18:26 DANIEL (CONT'D): We're in these particular people, these specific bodies. I mean, it can't be totally random.

01:26:24:20 VALA: Well, I have a more pressing question. Do you have any idea how we're supposed to...detach from them?

01:26:37:23 DANIEL: No. That's another thing that's got me worried. Have you tried?

01:26:41:26 VALA: Nothing.

01:26:43:15 DANIEL: It doesn't seem to be something I can just will to make happen.

01:26:55:27 VALA: Maybe it's about removing the stones from the device on Earth.

01:26:58:18 DANIEL: Yeah, unfortunately...

01:26:59:26 DANIEL (CONT'D): We can't tell the people on Earth that we need them to remove them. We'll just have to wait for them to figure that out.

01:27:04:12 VALA: Maybe they have already and it had no effect.

01:27:08:16 DANIEL: I'm just going to rule out that possibility.

01:27:14:05 VALA: Do you think...these people are in our bodies?

01:27:17:29 DANIEL: I don't know. I mean, this can't be how the technology is supposed to work.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:27:25:26 VALA: Hey.

01:27:27:13 DANIEL: Yeah, it's the book that some of the villagers were walking around with. It says on the front, um..."The Book of Origins. Blessed are the Ori."

01:27:36:02 VALA: I think you should take a look at it.

01:27:38:08 DANIEL: Oh, I think I've seen enough. I mean, prostration for six hours.

01:27:41:15 DANIEL (CONT'D): "Give us strength."

01:27:44:15 DANIEL (CONT'D): You know, it's all very clear.

01:27:47:03 VALA: I think you'd find it really interesting.

01:27:47:24 DANIEL: Yeah?

01:27:49:05 DANIEL (CONT'D): When did you start being able to read Ancient?

01:27:50:16 VALA: I can't...but this...looked familiar.

01:28:22:21 (KNOCKING)

01:28:33:08 FANNIS: Thank those full of value. I was worried when you did not meet me.

01:28:36:16 DANIEL: Yes, sorry about that.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:28:37:17 FANNIS: Why did you not meet me?

01:28:39:09 FANNIS (CONT'D): Why are you not sharing leaves with the administrator's wife?

01:28:43:12 VALA: I...forgot.

01:28:45:19 FANNIS: We are already suspected. We must not alter our behavior.

01:28:48:25 DANIEL: Suspected of what?

01:28:50:05 FANNIS: Harrid, what ails you?

01:28:51:21 FANNIS (CONT'D): Did I not know better, I would fear you were trying to entrap
me.

01:28:53:29 DANIEL: Well, I wouldn't dream of trying to...

01:28:55:17 VALA: Entrap you how?

01:28:56:18 FANNIS: Stop this. Please.

01:28:58:06 DANIEL: Okay, you know what?

01:29:02:08 DANIEL (CONT'D): Uh, please, would you...would you...

01:29:05:02 DANIEL (CONT'D): Sit?

STARGATE SG-1- "Avalon" Part 2 – Episode #0902B

01:29:10:20 DANIEL (CONT'D): Go with me.

01:29:19:19 DANIEL: My name is Daniel Jackson, and I am inside the mind of Harrid.

01:29:23:17 DANIEL (CONT'D): I am able to speak...

01:29:25:24 DANIEL (CONT'D O/S): Through him by use

01:29:28:00 DANIEL (CONT'D): Of a communication technology that we believe was first
 constructed and used by a race known as the Alterans.

01:29:36:05 VALA: And I'm Vala...Mal Doran.

01:29:44:05 DANIEL (CONT'D): How you doing?

01:29:45:27 FANNIS: By the stars. Forgive me. I am Fannis.

01:29:52:14 DANIEL: Uh, nice to meet you.

01:29:54:20 DANIEL (CONT'D): We're from a place called Earth.

01:29:56:17 FANNIS: Could I speak with Harrid?

01:29:58:06 DANIEL: No. His consciousness appears to be suppressed so long as we're
 connected.

01:30:02:08 FANNIS: Harrid always suspected the stones were a means of communication.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:30:05:15 DANIEL: You know about the stones?

01:30:11:14 FANNIS: We are curators.

01:30:12:15 FANNIS (CONT'D): Investigators of the past. The stones were discovered some time ago...

01:30:16:17 FANNIS (CONT'D): In what we believe are the remains of an ancestral burial ground not far from here.

01:30:20:04 DANIEL: Why are you hiding them?

01:30:21:15 FANNIS: Such investigation is sacrilege.

01:30:24:00 DANIEL: You're not allowed to investigate your own history?

01:30:25:29 FANNIS: If such a history...

01:30:26:07 FANNIS (CONT'D): Contradicts The Book of Origin.

01:30:27:15 DANIEL: You're heretics.

01:30:30:16 FANNIS: We have uncovered evidence that we believe proves a race of humans predates...

01:30:35:02 FANNIS (CONT'D): Our supposed creation by the Ori.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:30:38:08 VALA: Excuse me. Daniel...what if these gods, the Ori, are the people left behind
by the Alterans?

01:30:47:29 DANIEL: You think...

01:30:48:04 DANIEL (CONT'D O/S): They ascended?

01:30:49:05 VALA: It's possible. The Alterans left a long...

01:30:51:24 VALA (CONT'D): Long time ago, and what we know of the Ancients, they learned
to evolve and ascend.

01:30:56:19 VALA (CONT'D): What if the people who remained here did too?

01:30:59:07 DANIEL: That would make these people a subsequent evolution of humans, which
is apparently what happened in our galaxy after the Ancients we know
ascended.

01:31:05:18 VALA: And it would explain why they're not as advanced as we might expect.

01:31:08:12 DANIEL (O/S): No, but the religion doesn't fit the profile.

01:31:11:06 DANIEL (CONT'D): The ascended beings I know don't pose as gods. I mean,
that's the one explicit rule they do follow, is that they don't meddle in the
affairs of the lower planes of existence.

01:31:17:18 FANNIS (O/S): The Ori are not posing.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:31:18:26 FANNIS (CONT'D): We do not doubt their power. Just their word and intention.

01:31:23:11 FANNIS (CONT'D): Their power is as real as the strength of belief in all followers.

01:31:27:16 FANNIS (CONT'D): You were late for leaves with the administrator's wife. Sallis
and she...

01:31:31:07 FANNIS (CONT'D O/S): Are acquaintances.

01:31:32:07 VALA: So, what should I do?

01:31:33:21 FANNIS: Can you not disconnect and allow Sallis to return?

01:31:35:11 DANIEL: No.

01:31:37:01 DANIEL (CONT'D): Apparently, we can't do that.

01:31:38:29 FANNIS: Then you must pose as Sallis, or we will be discovered.

01:31:46:16 VALA: I can do that.

01:32:06:07 RAKNOR: The council has already taken respite. The vote was quick.

01:32:09:13 RAKNOR (CONT'D): I delivered yours by proxy.

01:32:11:18 RAKNOR (CONT'D): Gerak's motion was resolved by a slim majority.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:32:14:16 RAKNOR (CONT'D): The Jaffa will be ruled by high council. Votes will be attributed to the various coalition representatives based on military assets.

01:32:23:28 TEAL'C: Making Gerak...

01:32:25:23 RAKNOR: The new leader of the Jaffa Nation.

01:32:35:00 FANNIS: You said the Ori may have ascended. What does that mean?

01:32:38:03 DANIEL: Where we come from, some people who used to look a lot like us evolved physically and mentally so much that they found a way to shed their physical bodies and live as energy on another, higher plane of existence. Some called it "enlightenment," and it came with a much greater understanding of the universe and all its knowledge. Now, this happened a long time ago, and I believe that those people may have originally come from here.

01:33:03:12 FANNIS: And those "ascended beings," as you call them, do not guide you and ask that you worship them?

01:33:07:19 DANIEL: No. In fact, they believe so strongly in free will...

01:33:10:01 DANIEL (CONT'D): That they would not intervene and use their knowledge even if it meant the destruction of an entire galaxy full of us regular old humans.

01:33:15:25 FANNIS: Such is not the case with the Ori.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:33:17:17 DANIEL (O/S): Yes, so they ask that you worship them...

01:33:20:21 DANIEL (CONT'D): And yet conceal the truth of your existence from you.

01:33:22:15 FANNIS: That is not all.

01:33:24:13 DANIEL: What are you going to do?

01:33:26:15 FANNIS: We are gathering as much evidence...

01:33:27:20 FANNIS (CONT'D): As we can. Our hope is that one day we will have enough
proof to convince even the most devout believers.

01:33:35:02 FANNIS (CONT'D): In the meantime, we meet in secret and share with those we
trust what we have learned.

01:33:39:26 FANNIS (CONT'D): We keep hidden those artifacts which prove our claims, in
case one or more of us are discovered.

01:33:44:18 DANIEL: How many of you are there?

01:33:46:11 FANNIS: A few.

01:33:47:26 FANNIS (CONT'D): Our numbers are growing. Some believe the fact that we have
not yet been discovered is further proof that the Ori are not all-powerful
and all-knowing. Others wonder if they are just giving us the
opportunity...

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:33:59:17 FANNIS (CONT'D): To see the error of our ways and repent.

01:34:02:17 (VOICES MURMURING OUTSIDE)

01:34:09:01 FANNIS: A crowd gathers at the Ara.

01:34:15:11 DANIEL: That's an altar?

01:34:16:28 FANNIS: I cannot be seen with you.

01:34:22:05 (VILLAGE ADMINISTRATOR ORATES)

01:34:24:05 DANIEL: Excuse me.

01:34:26:00 ADMINISTRATOR: He spoke to the sky and said, "And the people shall deliver
unto you the wicked for your divine judgment, where their sins shall be
weighed in the balance..."

01:34:38:19 ADMINISTRATOR (CONT'D O/S): "Of all that is just and true."

01:34:38:25 (YELP)

01:34:40:10 VALA: Let go of me! Get your hands off me! Daniel!

01:34:44:19 DANIEL: What happened?

01:34:45:29 VALA: It didn't go so well.

STARGATE SG-1– "Avalon" Part 2 – Episode #0902B

01:34:48:15 DANIEL (O/S): Yeah, I can see that.

01:34:49:17 DANIEL (CONT'D): Excuse me.

01:34:53:14 ADMINISTRATOR (O/S): Harrid, stand back.

01:34:54:26 ADMINISTRATOR (CONT'D): Sallis has been overcome.

01:34:56:00 DANIEL: No, she hasn't.

01:34:57:00 DANIEL (CONT'D): If you'll just let me explain—

01:34:58:08 DANIEL (CONT'D O/S): Listen to me!

01:35:05:07 ADMINISTRATOR: Fear not, for the Ori see all...outside and within. If your heart
is pure and your devotion unwavering, they will protect you.

01:35:16:04 ADMINISTRATOR (CONT'D O/S): They will cleanse your being...

01:35:18:24 ADMINISTRATOR (O/S CONT'D): And you will be taken to be with them forever.

01:35:20:21 ADMINISTRATOR (O/S CONT'D): If not, may the fire...

01:35:22:17 ADMINISTRATOR (CONT'D): Burn you down to the ground and lay you in the
dust.

01:35:25:22 VALA: Fire?

STARGATE SG-1- "Avalon" Part 2 – Episode #0902B

01:35:40:28 ADMINISTRATOR: Hallowed are the Ori.

END OF ACT THREE

ACT FOUR

01:36:25:07 DR. LAMM: Her heart rate is 140. She's in distress.

01:36:28:01 DR. LEE: Daniel's B.P. and heart rate are increasing too.

01:36:30:26 MITCHELL: Pull the stones.

01:36:37:13 DR. LEE: I can't.
