STARGATE SG-1- "Origin" – Episode #0904

01:00:23:00 SALLIS: Where are we?

01:00:25:02 HARRID: I don't know...

01:00:26:04 C: But I think we're in them.

01:00:28:04 DANIEL (V/O): It's possible it was meant to work this way so that we can...

01:00:31:02 DANIEL (CONT'D): Communicate with others without intruding on the minds of those we're connected to. They're just temporary transmitters.

01:00:36:28 VALA: Not quite what I imagined when I pictured a civilization of gate builders.

01:00:42:08 DANIEL: You're not allowed to investigate your own history?

01:00:43:15 FANNIS: If such a history contradicts...

01:00:44:14 FANNIS (CONT'D): The Book of Origin.

01:00:45:21 DANIEL: You're heretics.

01:00:46:18 VALA: What if these gods, the Ori...

01:00:48:20 VALA (CONT'D): Are the people left behind by the Alterans?

01:00:52:25 DANIEL: You think they ascended?

STARGATE SG-1- "Origin" – Episode #0904

01:00:53:20 DANIEL: What are you going to do?

01:00:55:07 FANNIS: We are gathering as much evidence as we can.

01:00:56:25 FANNIS (CONT'D): We keep hidden those artifacts which prove our claims in
case one or more of us are discovered.

01:01:03:15 VALA: Daniel!

01:01:04:18 DANIEL: You're killing an innocent person!

01:01:06:02 (SCREAMING)

01:01:07:07 DR. LAMM: She's in V-fib. Code blue.

01:01:16:01 PRIOR: You will come with me.

END OF RECAP

STARGATE SG-1- "Origin" – Episode #0904**TEASER**

01:01:24:06 (RINGS STACKING)

01:01:31:22 DANIEL: Where are we?

01:01:32:22 PRIOR: The plains of Celestis.

01:01:34:23 VALA: And that?

01:01:38:15 PRIOR: City of the Gods.

01:01:48:20 DANIEL (O/S): Well, maybe you could tell me...

01:01:50:20 DANIEL (CONT'D): Who you are.

01:01:52:04 PRIOR: I am a Prior of the Ori.

01:01:54:07 DANIEL: And what is that?

01:01:55:20 PRIOR (O/S): In time, all in due time.

01:02:23:08 DANIEL: Uh, I guess we'll just wait here. Is that what we're going to do?

01:02:31:15 (STARGATE ACTIVATES)

STARGATE SG-1- "Origin" – Episode #0904

01:03:01:11 PRIOR: Hallowed are the Ori.

END OF TEASER

STARGATE SG-1- "Origin" – Episode #0904**ACT ONE**

01:03:33:20 DR. LAMM (V/O): Both Daniel and Vala's vitals have been stable for two hours now.

01:03:36:21 LANDRY: What about disconnecting them from the device?

01:03:38:21 DR. LAMM: Dr. Lee has been unable to remove the stones.

01:03:40:16 MITCHELL (O/S): We haven't tried...

01:03:42:07 MITCHELL (CONT'D): C4 yet, Sir.

01:03:43:21 DR. LAMM (O/S): Dr. Lee is working on disabling the power source...

01:03:46:04 DR. LAMM (CONT'D): But given that the device is tied directly into their minds, I recommend we proceed with caution.

01:03:51:04 LANDRY: I understand, but if one or both of them run into trouble again, I'm ordering you to take whatever action is necessary to shut that thing down.

01:04:02:28 LANDRY (CONT'D): Teal'c, a word.

01:04:07:27 LANDRY: What can you tell me about this Gerak fellow?

STARGATE SG-1- "Origin" – Episode #0904

01:04:11:14 TEAL'C: He was First Prime of Montu, a minor Goa'uld who served Ra, then later fell in with Ba'al when Ra was killed. After the fall of the Goa'uld, Ba'al's armada was led by a Jaffa named Hubrok. Hubrok was an ally of Bratac's, and would have supported our desire...

01:04:28:02 TEAL'C (CONT'D): To reform the Jaffa nation with democracy. However, approximately four months ago, Hubrok disappeared.

01:04:34:04 LANDRY: You think Gerak had something to do with it?

01:04:36:09 TEAL'C: Though no evidence has been uncovered...but certainly, after Hubrok's disappearance, Gerak emerged as spokesperson for the more traditional ways of the Jaffa high council.

01:04:45:19 LANDRY: Which he could control.

01:04:48:16 TEAL'C (O/S): Through a series...

01:04:49:02 TEAL'C (CONT'D): Of slow and deliberate manipulations, the council played squarely into Gerak's hands.

01:04:53:21 LANDRY: Well, that makes him one of the most powerful guys out there...at least that we know of. I suppose I should meet him face to face.

01:05:02:04 TEAL'C: I will extend your invitation.

01:05:18:11 VALA: All right, Daniel, what does it say?

STARGATE SG-1- "Origin" – Episode #0904

01:05:20:12 DANIEL: Well, it seems to follow suit with many of the religions I've studied.
They tend to weave their...

01:05:24:08 DANIEL (CONT'D): Doctrines into simple, fable-like narratives with characters
that are meant to be identifiable with a common individual.

01:05:28:26 VALA: Why don't you read one to me? I love a good yarn.

01:05:33:11 DANIEL: Well, they all seem to teach meditation on one's worth and
significance...the path of righteousness towards a state of higher
being.

01:05:43:15 (CRUNCHING ON AN APPLE)

01:05:47:25 VALA: What? I'm starving.

01:05:51:06 DANIEL: The central icon of the religion seems to be fire.

01:05:54:25 VALA: I don't need a book to tell me that.

01:05:57:07 DANIEL (O/S): That would make sense. Fire is light...

01:05:58:28 DANIEL (CONT'D): Energy, warmth, and yet, on Earth at some point, fire
became associated with demonic imagery, things that are evil. Hell,
not Heaven.

01:06:07:17 VALA: And?

STARGATE SG-1- "Origin" – Episode #0904

01:06:08:23 DANIEL: Just wondering if the Ancients had something to do with that.

01:06:13:17 VALA: Tell you what.

01:06:14:18 VALA (CONT'D): Why don't you flip to the end and see how it all turns out,
hmm?

01:06:20:15 (DOOR CREAKING)

01:06:34:20 PRIOR: The village of Ver Ager has been corrupted.

01:06:37:21 VALA: We didn't do it, I promise.

01:06:40:03 DANIEL: We are connected to these people, Harrid and Sallis, by means of a
communication device that was brought to our galaxy a long time ago
by a race of people called the Alterans.

01:06:48:03 VALA: Also known as the Ancients?

01:06:53:00 DANIEL: Look, the point is, we meant no harm. We're explorers.

01:06:57:27 PRIOR: You know of others in Ver Ager?

01:07:00:29 DANIEL: Others?

01:07:03:03 PRIOR: Unbelievers.

STARGATE SG-1- "Origin" – Episode #0904

01:07:05:12 VALA: Oh, I'm sorry. Do you want us...

01:07:08:04 VALA (CONT'D O/S): To tell on people who don't believe in the Ori?

01:07:12:11 PRIOR: Devotion is rewarded. Those who stray must be guided back to the path.

01:07:16:23 VALA: Seems to me those who stray get burned to death.

01:07:19:09 PRIOR (O/S): The Ori gave all...

01:07:21:20 PRIOR (CONT'D): Men and women free will.

01:07:23:27 VALA: If the Ori are so powerful, why do they need us...

01:07:28:26 VALA (CONT'D): To tell them who believes in them and who doesn't?

01:07:33:29 PRIOR: The Ori need nothing from us.

01:07:36:06 DANIEL: It is we who must seek the truth of the universe in order to achieve enlightenment.

01:07:42:22 DANIEL (CONT'D): Been down this road before.

01:07:48:08 LANDRY: At ease, Colonel. How're they doing?

01:07:51:01 MITCHELL: There's no change, Sir.

STARGATE SG-1- "Origin" – Episode #0904

tricks.

01:08:47:21 MITCHELL: And in this case?

01:08:50:07 LANDRY: Well, this missionary is apparently trying to prove...

01:08:52:27 LANDRY (CONT'D): The validity of his claims by performing miracles.

01:08:58:13 MITCHELL: Miracles...

01:09:03:25 LANDRY: I'd like you to take SG-12 and check it out.

01:09:09:25 MITCHELL: Yes, Sir.

01:09:13:18 PRIOR: Amica was forgiven his transgression and found his way back to the
path.

01:09:19:06 VALA: I can't take much more of this.

01:09:21:23 DANIEL: Sorry to interrupt, but if you brought us here to try and convert us, I
think it's fair to tell you that we're really not in the market for new gods.

01:09:27:29 PRIOR: The will of the Ori brought you here.

01:09:31:07 DANIEL: I don't suppose we could talk to one of these Ori.

01:09:33:18 PRIOR: Of course.

STARGATE SG-1- "Origin" – Episode #0904

01:09:36:15 DANIEL: Uh...well, great. That...that would be great.

01:09:39:19 PRIOR: Speak and they shall hear you.

01:09:42:07 VALA (O/S): Okay, look, you can torture us...

01:09:46:14 VALA (CONT'D): All you want with your rhetoric, but we're not going to crack--
well, I might--but we're not going to tell you anything, because we
don't know anything.

01:09:52:02 DANIEL: Can I talk to your boss?

01:09:55:18 DANIEL (CONT'D): The...uh...the Doci. The one who speaks the word of the
Ori.

01:10:08:03 DANIEL (CONT'D): Like Egidius of Vil Dare. I need to speak things that can
only be spoken in the light of the fire.

01:10:16:21 PRIOR: Come with me.

01:10:22:11 VALA: Could you not have asked that an hour ago? We've been listening to
him drone on and on.

01:10:26:15 PRIOR: Not you.

01:10:27:12 VALA: What? Not who? Not me? But I...

STARGATE SG-1- "Origin" – Episode #0904

01:10:32:13 VALA (CONT'D O/S): I'll wait here.

01:10:48:22 LANDRY: Quite the entourage.

01:10:57:20 LANDRY: Welcome.

01:11:07:07 PRIOR #2: As he lay there, dying in the sun, the sands of the desert all around him, Petrus spoke to the rock, not with his lips but with his mind, and the rock wept tears of fresh water and his thirst was quenched. Fear not the Ori. Fear the darkness that will conceal the knowledge of the universe.

01:11:34:04 PRIOR #2 (CONT'D): Believe in the truth of all things and you, too, may find the path to enlightenment.

01:11:41:14 MITCHELL: And a man has no greater thing under the sun than to eat, drink and be merry. Ecclesiastes. My favorite.

01:11:51:23 MITCHELL (CONT'D): My grandma was a bit of a bible...

01:11:53:14 MITCHELL (CONT'D): Thumper. Weekends at Grandma meant long, long Sundays at St. Hilda's, Church of the Grand Epiphany. Lieutenant Colonel Cameron Mitchell. How're ya doin'?

01:12:04:03 PRIOR #2: I am a Prior of the Ori.

01:12:06:22 MITCHELL: Nice to meet you.

STARGATE SG-1- "Origin" – Episode #0904

01:12:08:00 PRIOR #2: Your arrival here was foreseen.

01:12:12:05 MITCHELL: No kidding. So you see the future...

01:12:15:14 MITCHELL (CONT'D O/S): Do you?

01:12:16:26 PRIOR #2: Lessons of days gone by teach us what will come to pass.

01:12:20:05 MITCHELL: I'm a little bit of a history buff myself. Doesn't help me pick the lotto numbers, though. So, where're you from?

01:12:26:29 PRIOR #2: Where we come from and where we are going are all the same.

01:12:31:08 MITCHELL: Oh, I get ya. Wherever you go, there you are. Think that's Buckaroo Banzai.

01:12:37:16 MITCHELL (CONT'D O/S): Me...

01:12:39:22 MITCHELL (CONT'D): I'm from a little old planet called Earth.

01:12:41:05 PRIOR # 2: The home of Daniel Jackson.

01:12:45:02 DR. LINDSAY: He never mentioned that before.

01:12:51:24 MITCHELL: You know Dr. Jackson, do you?

STARGATE SG-1– "Origin" – Episode #0904

01:12:52:26 PRIOR # 2: From him did we learn of your need.

01:12:55:07 MITCHELL: Our need for what?

01:12:57:24 PRIOR # 2: The revelation of your destiny.

01:13:32:15 PRIOR: Doci.

01:13:38:28 DOCI: Leave us.

01:13:51:13 DANIEL: Hello. I'm--

01:13:52:13 DOCI: Daniel Jackson.

01:13:55:13 DANIEL: Right.

01:13:56:15 DOCI: From the planet Earth.

01:14:00:19 DANIEL: Okay. So you know my name and where I'm from, so I assume you
also know how...

01:14:05:07 DANIEL (CONT'D O/S): I'm connected to this man's mind.

01:14:08:06 DANIEL (CONT'D): Why I'm here...see, we're explorers. We would very much
like to get to know you. Your society and how you came to be.

01:14:17:25 DOCI: A Prior has been dispatched to the place from whence you come.

STARGATE SG-1- "Origin" – Episode #0904

01:14:21:25 DANIEL: Really? You can do that? I thought we were in another galaxy.

01:14:30:00 DOCI: It is the will of the Ori that we should spread Origin to all those blessed
by their creation.

STARGATE SG-1- "Origin" – Episode #0904

01:14:38:01 DANIEL: Okay, well, you should understand that there are many different kinds of people in the place from whence I come. People who believe in many different things.

01:14:49:05 DOCI: They will find the path to enlightenment.

01:14:52:11 DANIEL: Right. Well, I think you should also understand that they may not see your way as the only way.

01:14:58:20 DOCI: The power and the greatness of the Ori cannot be denied.

01:15:02:22 DOCI (CONT'D O/S): Those who reject the path to enlightenment...

01:15:06:10 DOCI (CONT'D): Must be destroyed.

01:15:10:26 DANIEL: Right. I was afraid of that.

END OF ACT ONE

ACT TWO

01:15:34:06 LANDRY: George Washington, one of our country's founding fathers and first president once said "True friendship is a plant of slow growth and must undergo and withstand the shocks of adversity before it is entitled to the appellation."

01:15:50:15 GERAK: The first Prime of Horus, Karrok of the High Plains, once said "There is more honor in dying at the hand of a brother...

01:15:57:07 GERAK (CONT'D): "Than there is in killing a would-be friend."

01:16:02:17 LANDRY: He was a wise man.

01:16:05:24 GERAK: He was killed shortly after losing one of the greatest battles in history.

01:16:11:00 LANDRY: Oh, well, I hope it wasn't his brother that shot him.

01:16:14:03 GERAK: It was me.

01:16:15:12 GERAK (CONT'D): The Jaffa was a fool in every respect. He did not deserve an honorable death.

01:16:20:09 LANDRY: I see.

01:16:21:24 (ALARM SOUNDING)

STARGATE SG-1- "Origin" – Episode #0904

01:16:23:16 TECHNICIAN (V/O): Unscheduled...

01:16:24:27 TECHNICIAN (V/O CONT'D): Incoming wormhole.

01:16:27:17 LANDRY: I better see what this is about. Teal'c...

01:16:29:25 LANDRY (CONT'D O/S): Please escort our guests to the briefing room.

01:16:36:22 DOCI: The book of Origin says those...

01:16:39:22 DOCI (CONT'D O/S): Who seek the path to enlightenment...

01:16:42:14 DOCI (CONT'D): Must not be lead astray.

01:16:45:14 DANIEL: Right. You see, that can be interpreted a number of different ways.

01:16:49:28 DANIEL (CONT'D O/S): I think maybe I know what the Ori are--

01:16:53:22 DANIEL (CONT'D): Who they are--and I'm not denying they are very powerful
 beings, but if I'm right, they're not gods. If they're like the ascended
 beings I know, they simply have a greater understanding of the
 knowledge of the universe.

01:17:06:20 DOCI: What is a God but a being that is worshipped by those beneath?

01:17:11:11 DOCI (CONT'D): Is great knowledge, power, understanding...

STARGATE SG-1– "Origin" – Episode #0904

01:18:02:00 DANIEL (CONT'D): You can kill me for saying that, but that is what I believe, and nothing you say or do will ever change my mind.

01:18:14:26 DOCI: Come...

01:18:18:02 (CHANTING)

01:18:32:22 DOCI (CONT'D): The Ori hear you.

01:18:34:15 (FLAMES ROARING)

01:18:59:08 DOCI: We do not require blind faith.

01:19:03:27 DOCI (CONT'D): Only that you believe what you see and know to be true.

01:19:08:29 LANDRY: I realize this is just a friendly meeting, but, on behalf of our planet's leaders, I have been asked to present a few thoughts for you to consider. Some points that we can discuss...

01:19:18:14 LANDRY (CONT'D O/S): In the future, possibly looking forward to an official...

01:19:21:16 LANDRY (CONT'D): Treaty between our world and the Jaffa nation.

01:19:24:16 GERAK: Who is that?

01:19:29:28 LANDRY: Lieutenant Colonel Mitchell, SG-12...

STARGATE SG-1- "Origin" – Episode #0904

01:19:33:12 LANDRY (CONT'D): And a gentleman we encountered on another planet who
claims that he represents some Gods called...

01:19:38:12 LANDRY (CONT'D): The Ori. I think we have yet to see the real fallout...

01:19:42:14 LANDRY (CONT'D): From dismantling the infrastructure established by the
Goa'uld.

01:19:45:27 GERAK: Indeed. We have already seen the rise of individuals and
organizations that threaten to challenge us.

01:19:52:26 LANDRY (O/S): There are as many humans out there as there are Jaffa...

01:19:56:12 LANDRY (CONT'D): But if we don't continue to work together, the victory that
we both worked so long and hard for could result in chaos.

01:20:12:21 DOCI: We are Ori.

01:20:15:01 DANIEL: And you instruct these people to worship you?

01:20:17:05 DOCI: We are their creators. All who follow the path will join us in
enlightenment.

01:20:24:10 DANIEL: Do you know who the Alterans are?

01:20:26:08 DOCI: Those that abandon the path are evil.

STARGATE SG-1- "Origin" – Episode #0904

01:20:29:09 DANIEL: Evil? Why?

01:20:32:00 DOCI: They have shielded you.

01:20:33:21 DANIEL: Really? I didn't really think they did much of anything for us, but I
guess I was wrong.

01:20:37:07 DOCI: The truth of the Universe has been obstructed.

01:20:40:20 DOCI (CONT'D): All will know the...

01:20:42:17 DOCI (CONT'D): Power of the Ori.

01:20:52:01 DOCI (CONT'D): Hallowed are the Ori.

01:21:00:05 DR. LAMM: Vitals are returning to normal.

01:21:02:15 DR. LEE: I wonder what that was all about.

01:21:04:21 DR. LAMM: I don't know, but he was in some sort of stress.

01:21:09:10 MITCHELL: We can't seem to disconnect the stones or turn off the device.

01:21:14:09 PRIOR #2: It is the will of the Ori.

01:21:15:22 MITCHELL: I figured you might say that. You sure there's nothing you can do?

01:21:20:19 MITCHELL (CONT'D O/S): If you help us out here, I guarantee we'll be more

STARGATE SG-1- "Origin" – Episode #0904

receptive to those stories you want to tell.

01:21:25:17 MITCHELL (CONT'D): Call it a miracle if you want.

01:21:28:23 PRIOR #2: When Hannor Mir fell from above and learned to fly on the way
down...that was a miracle.

01:21:36:22 MITCHELL: Right.

01:21:40:29 YAT'YIR: These planets you have mentioned, all have plentiful Naquadah
mines on them.

01:21:45:22 TEAL'C: And substantial human populations.

01:21:48:07 YAT'YIR: Whose side are you on, Jaffa?

01:21:50:29 LANDRY: There are no sides here.

01:21:52:13 LANDRY (CONT'D O/S): Just topics...

01:21:53:17 LANDRY (CONT'D): Of conversation.

01:21:54:23 GERAk: I wish to meet this Prior of the Ori.

01:21:58:16 GERAk (CONT'D O/S): If he preaches faith...

01:22:00:08 GERAk (O/S CONT'D): In false Gods...

STARGATE SG-1- "Origin" – Episode #0904

01:22:55:04 VALA: Well, I hate secrets. At least the ones I don't know.

01:22:57:09 DANIEL: See, the problem is, the Ori now know our galaxy is inhabited by
humans because of us.

01:23:00:29 VALA: I refuse to accept the blame for that. Curiosity is part of human nature.

01:23:04:07 VALA (CONT'D): If the Ancients knew the Ori were so bad...

01:23:06:26 VALA (CONT'D): Why didn't they stop us from coming here?

01:23:08:07 DANIEL: Free will?

01:23:09:07 VALA: Right. If they have been protecting us, there's no reason to think they
won't continue.

01:23:15:01 DANIEL: The Ancients may be protecting us from the Ori, but not their human
followers. The Ancients won't interfere with any lower plains of
existence. If anybody from our galaxy wants to worship the Ori,
apparently, that's our choice. And they won't stop Priors from coming
through the gate because, apparently, they've already sent one.

01:23:28:22 VALA: But the Ori have given Priors special powers, and that's not fair.

01:23:31:14 DANIEL: They're still human.

STARGATE SG-1- "Origin" – Episode #0904

01:23:32:07 DANIEL (CONT'D): Highly evolved humans can have some pretty amazing abilities.

01:23:37:13 DANIEL (CONT'D): They're using the secrets of the universe that the Ori have given them to spread word of the Ori's godliness, and when people don't see the light, it's going to be--

01:23:43:12 VALA: What are we going to do?

01:23:44:12 DANIEL: I don't know. I'm starting to think that sending Priors is just the beginning. We could be talking crusade here. We need to warn Earth.

01:23:50:23 VALA: We need to get out of these people.

01:24:07:04 DOCI: Take the unbelievers back to Ver Ager. Let its cleansing mark forever the beginning of a new age. Evil has raised a great many unbelievers in a far-off place. They must be shown the path.

01:24:25:01 PRIOR: Hallowed are the Ori.

01:24:27:00 DOCI: Hallowed are the Ori.

END OF ACT TWO

ACT THREE

01:24:58:28 VALA: What are we doing? Why did he bring us back here?

01:25:08:09 DANIEL: I think he's using us to weed out any other heretics that might be here.

01:25:13:04 VALA: I still don't get why the Ori don't just do it themselves. They're supposed to be Gods. Aren't Gods all seeing, all knowing, all powerful?

01:25:19:28 DANIEL: The universe is infinite, remember? Apparently, that's a lot to keep track of.

01:25:23:13 VALA: I suppose.

01:25:24:15 DANIEL: They didn't even know about our galaxy. Well, until recently.

01:25:30:04 VALA: That's not our fault.

01:25:31:24 SALLIS: You'd think at least they'd keep on top of their own people.

01:25:36:14 DANIEL: I get the feeling the Ori let their devout followers...

01:25:38:26 DANIEL (CONT'D): Do their enforcing for them. It confirms their loyalty.

01:25:43:15 VALA: Okay...

STARGATE SG-1- "Origin" – Episode #0904

01:25:43:29 VALA (CONT'D): Why did we let the Prior bring us back here?

01:25:46:09 DANIEL: Well, because I don't think he was going to give us much choice, and besides, I'm starting to think that it might be our best way to contact Earth...

01:25:52:14 DANIEL (CONT'D O/S): And warn them about what we know.

01:25:53:12 VALA: How?

01:25:54:12 DANIEL: Well, Fannis said that his sect had found other artifacts.

01:25:58:06 VALA: You think they also have a terminal device to go with the stones?

01:26:00:22 DANIEL: If they do and we can find it and hook up with the stones, maybe we can get communication going both ways.

01:26:04:24 VALA: Right. If the Prior is using us to weed out other unbelievers, how do we make contact with Fannis without giving him away?

01:26:13:14 DANIEL: We can't.

01:26:17:24 PRIOR #2: You not believe in a higher power?

01:26:19:28 LANDRY: Well, it's complicated. There are quite a lot of different points of view on that subject around here.

01:26:25:11 TEAL'C: The Jaffa have recently shed the dominance of false Gods that have

STARGATE SG-1- "Origin" – Episode #0904

enslaved us for many generations.

01:26:31:08 GERAK: But many have long believed in a path to enlightenment.

01:26:34:20 PRIOR #2 (O/S): Origin...

01:26:34:25 PRIOR #2 (O/S CONT'D): Will guide you on this path, and those who revere its wisdom...

01:26:38:05 PRIOR #2 (CONT'D): Shall be uplifted. I have come to spread the word to the unbelievers who have been sheltered...

01:26:45:20 PRIOR #2 (CONT'D O/S): And raised by evil.

01:26:48:28 MITCHELL: You have no idea how much he sounds like...

01:26:50:07 MITCHELL (CONT'D): My grandma.

01:26:57:10 VALA: It's a pretty big village. I suspect that Fannis and his gang did a reasonable job hiding their sacrilegious artifacts.

01:27:02:14 DANIEL: We have to do something.

01:27:03:15 (KNOCKING)

01:27:18:29 VALA: No, no...

01:27:19:13 VALA (CONT'D): No!

STARGATE SG-1- "Origin" – Episode #0904

01:27:20:14 DANIEL: Fannis! You shouldn't have come. They're using us to get to you.

01:27:27:15 FANNIS: So I suspected. Either that...

01:27:28:16 FANNIS (CONT'D): Or you had truly come to see the power of the Ori.

01:27:30:17 VALA: Not bloody likely.

01:27:31:24 DANIEL: You have to leave.

01:27:32:25 FANNIS: If I can help you speak the reality of our existence to your people...

01:27:37:03 FANNIS (CONT'D): Maybe one day, in turn, they will spread that word back
here.

01:27:45:01 DANIEL: You said you had other artifacts besides the stones.

01:27:46:28 FANNIS: I will show you.

01:27:47:28 DANIEL: No. Just tell me.

01:27:49:16 DANIEL (CONT'D O/S): We're looking for a large dome-shaped object with a
blue crystal on top. The stones...

01:27:52:21 DANIEL (CONT'D): Fit inside of it.

STARGATE SG-1- "Origin" – Episode #0904

01:27:54:28 FANNIS: Come.

01:27:56:03 DANIEL: Fannis!

01:27:59:24 DANIEL (CONT'D): You're risking your life.

01:28:01:08 FANNIS: Harrid, Sallis and I, all of those who believe as we do, have known for
some time...

01:28:05:28 FANNIS (CONT'D): That we may give our lives for our cause.

01:28:07:25 FANNIS (CONT'D O/S): I can only hope one day...

01:28:09:27 FANNIS (CONT'D): The truth comes to bare as a result.

01:28:56:03 DR. LEE: Whoa! Uh...something just happened.

01:29:24:09 DANIEL: Fannis?

01:29:46:07 PRIOR: And the people shall deliver the wicked unto your divine judgment...

01:29:50:20 PRIOR (CONT'D O/S): Where their sins shall be weighed in balance with all
that is just...

01:29:58:09 PRIOR (CONT'D): And true.

END OF ACT THREE

STARGATE SG-1- "Origin" – Episode #0904**ACT FOUR**

01:30:27:14 VALA: The Ori are great! I love the Ori! I'm a believer!

01:30:32:05 VALA (CONT'D): What's the matter with you people? I'm telling you, I've seen
the light! I don't think they're buying it.

01:30:38:20 DANIEL: I've heard you do better.

01:30:40:20 (GRUNTING)

01:30:44:25 (GASPING)

01:30:52:24 ADMINISTRATOR: Glorious are...

01:30:53:25 ADMINISTRATOR (CONT'D): The Ori who lead us to salvation...

01:30:57:02 ADMINISTRATOR (CONT'D): Who didst fight the evil that would doom us to
mortal sin...

01:31:02:15 ADMINISTRATOR (CONT'D): Did they defeat the old spirits, and cast them out,
and now with the strength...

01:31:10:05 ADMINISTRATOR (CONT'D O/S): Of our will they do call...

01:31:12:04 ADMINISTRATOR (O/S CONT'D): Upon us to prevail against...

STARGATE SG-1- "Origin" – Episode #0904

01:31:14:04 ADMINISTRATOR (CONT'D): The corruption of all unbelievers.

01:31:16:25 VALA: Well...second time's the charm.

01:31:22:20 PRIOR #2 (V/O): The Ori do not shield this knowledge...

01:31:24:25 PRIOR #2 (CONT'D O/S): As others might...

01:31:26:23 PRIOR #2 (O/S CONT'D): Selfish in their powerful advantage.

01:31:28:21 PRIOR #2 (CONT'D): They lead you to their realm with the path that is laid out
in the book of Origin.

01:31:32:18 PRIOR #2 (CONT'D): All you need do is follow its teachings.

01:31:37:29 LANDRY: I'm very sorry. You'll have to excuse us for a moment. Please
continue.

01:31:41:24 LANDRY: Colonel.

01:31:45:17 DR. LAMM: They woke up, just for a moment, and then they lost
consciousness again.

01:31:48:13 MITCHELL: Did they say anything?

01:31:49:15 DR. LAMM: Yes, they did.

STARGATE SG-1- "Origin" – Episode #0904

01:31:52:00 ADMINISTRATOR: Guide us on the path so that we may...

01:31:55:16 ADMINISTRATOR (CONT'D): Triumph over the enemy...

1:31:57:28 ADMINISTRATOR (CONT'D O/S): Of our salvation, and be with you...

01:32:02:12 ADMINISTRATOR (O/S CONT'D): In the end of ends...

01:32:03:27 ADMINISTRATOR (CONT'D): On the plains of enlightenment.

01:32:17:25 GERAK: What is the meaning of this?

01:32:18:25 LANDRY (O/S): Very sorry.

01:32:19:25 LANDRY (CONT'D): We've just received some information about our visitor
here...

01:32:22:13 LANDRY (CONT'D O/S): That demands we take...

01:32:23:14 LANDRY (O/S CONT'D): Every precaution.

01:32:25:21 MITCHELL: We'll have to take the staff, Sir.

01:32:34:08 MITCHELL (CONT'D): And you'll have to come with us.

01:32:35:23 GERAK: I demand to know what you have learned.

01:32:37:14 PRIOR #2: All I wish to do...

STARGATE SG-1- "Origin" – Episode #0904

01:32:39:22 PRIOR #2 (CONT'D): Is spread the word of the Ori to your world.

01:32:41:14 LANDRY: Actually, that was never going to happen.

01:32:43:16 PRIOR #2: Then I must leave at once.

01:32:45:08 MITCHELL: That's not going to happen, either.

01:32:50:03 PRIOR: Hallowed are the Ori.

01:32:51:23 VILLAGERS (IN UNISON): Hallowed are the Ori.

01:32:59:26 PRIOR #2: Hallowed are the Ori.

01:33:40:06 VOICE (V/O): Code blue...

01:33:41:01 VOICE (V/O CONT'D): Medical emergency in Observation lab 1.

01:33:43:05 VOICE (V/O CONT'D): Repeat, code blue.

01:33:59:12 DR. LAMM (O/S): Same as before...

01:34:00:25 DR. LAMM (CONT'D): Only this time it's both of them.

01:34:03:20 DR. LEE: Now, now, hold on. this device draws its power directly from
subspace.

STARGATE SG-1- "Origin" – Episode #0904

01:34:06:22 DR. LEE (CONT'D): It will react very badly to an explosion. You can't blow it up.

01:34:09:22 TEAL'C: Perhaps we should send it through the Stargate?

01:34:10:29 MITCHELL: Genius.

01:34:12:04 DR. LEE: No. Well, it also uses subspace to communicate with another galaxy
across the universe...I mean, there's no reason to believe that Daniel
and Vala won't stay connected to it even from...

01:34:18:18 DR. LEE (CONT'D): Another planet.

01:34:20:01 MITCHELL: I have a different idea. Tell them to start dialing!

01:34:22:11 DR. LEE: Where to?

01:34:23:11 MITCHELL (O/S): Wherever.

01:34:24:22 DR. LEE: Wherever?

01:34:31:05 (GASPING)

01:34:41:10 HARRIMAN: Chevron two encoded.

01:34:44:28 HARRIMAN (CONT'D): Chevron three encoded.

01:34:46:13 LANDRY: Walter?

STARGATE SG-1- "Origin" – Episode #0904

01:34:47:18 HARRIMAN: Orders from Colonel Mitchell, Sir.

01:34:48:27 LANDRY: Proceed.

01:34:50:25 HARRIMAN (O/S): Chevron four encoded.

01:34:54:15 MITCHELL: Out of the way! Out of the way!

01:34:57:05 (GASPING)

01:35:03:00 HARRIMAN: Chevron six encoded.

01:35:05:26 MITCHELL: Not yet, Walter!

01:35:07:14 MITCHELL (CONT'D O/S): Not yet!

01:35:08:14 HARRIMAN: Halting dialing sequence.

01:35:10:10 (GASPING)

01:35:13:24 DR. LEE (O/S): Blood pressure's dropping. The heart rate's rising.

01:35:15:13 DR. LEE (O/S CONT'D): They're going into shock.

01:35:22:04 MITCHELL: Now!

01:35:23:04 HARRIMAN: Resuming dialing sequence! Chevron seven...

STARGATE SG-1- "Origin" – Episode #0904

01:35:28:15 HARRIMAN (CONT'D O/S): Locked!

01:35:30:21 (STARGATE ACTIVATING)

01:35:38:20 DR. LAMM: Give me 200.

01:35:40:12 DR. LAMM (CONT'D): Clear.

01:35:42:18 (GASPING)

01:35:56:15 (PHONE RINGS)

01:36:01:21 LANDRY (INTO PHONE): General Landry.

01:36:14:13 LANDRY: Dr. Lam says Daniel and Vala have regained consciousness.

01:36:19:18 LANDRY (CONT'D O/S): Well done!

01:36:20:18 MITCHELL: See, that's what I'm talking about.

END OF ACT FOUR

STARGATE SG-1- "Origin" – Episode #0904**ACT FIVE**

01:37:01:20 DOCI: You have served the Ori well.

01:37:03:13 ADMINISTRATOR: I bow in humble account.

01:37:06:09 DOCI: Come...and gaze upon the flames of enlightenment.

01:37:18:20 DOCI: Let its power wash over you.

01:37:47:12 DOCI: Great holy armies shall be gathered and trained to fight all those who
 embrace evil. In the name of the Gods, ships shall be built to carry our
 warriors out amongst the stars, and we will spread Origin to all the
 unbelievers. The power of the Ori will be felt far and wide and the
 wicked shall be vanquished.

01:38:15:24 ADMINISTRATOR: Hallowed are the Ori.

01:38:17:19 DOCI: Hallowed are the Ori.

01:38:34:28 DANIEL: Thank you.

01:38:40:20 MITCHELL: General Landry is ready for us.

01:38:48:26 LANDRY: So you think we should expect more of these Priors to show up?

01:38:53:12 DANIEL: I would be very surprised if they didn't.

STARGATE SG-1– "Origin" – Episode #0904

01:38:55:19 LANDRY: How? We know one came through the Stargate, but if their galaxy is
so far away...

01:39:00:28 VALA: I suspect the Ori have the power to make a lot of things happen.

01:39:04:00 DANIEL: Still, for the Priors, I think we can assume it's a one-way trip.

01:39:06:25 MITCHELL (CONT'D O/S): Don't think...

01:39:07:09 MITCHELL (CONT'D): They have a problem with self-sacrifice.

01:39:09:12 LANDRY: You think the Ancients here in our galaxy will continue to stop the
Ori from using their power to attack us directly?

01:39:15:19 DANIEL: I hope so.

01:39:17:11 MITCHELL: So how do we fight these guys? And I mean, the message as
much as the men.

01:39:23:00 MITCHELL (CONT'D): A lot of folks out there are going to buy what these guys
are selling.

01:39:25:20 TEAL'C: Hopefully, now many have been educated to the ways of false gods.

01:39:30:16 VALA (O/S): Yes, but we're not talking about humans with snakes...

01:39:31:26 VALA (CONT'D): In their heads with a slightly better understanding of

STARGATE SG-1- "Origin" – Episode #0904

technology.

01:39:35:15

DANIEL (O/S): See, their power isn't false.

01:39:36:19

DANIEL (CONT'D): Priors are going to offer people what will seem like proof of God.

01:39:39:18

LANDRY: Proof of powerful beings is not proof of God.

01:39:42:22

DANIEL: I'm not saying it is.

01:39:44:22

MITCHELL (O/S): Look, just because we know there are beings on a higher plain...

01:39:47:09

MITCHELL (CONT'D): Of existence than ourselves, does not mean there is not an order of being higher than them. At least I reckon that's what my grandma would say.

01:39:55:22

VALA: The universe is supposedly infinite.

01:39:59:00

LANDRY: Which in my book makes it impossible to know...

01:40:00:25

LANDRY (CONT'D): Everything. I mean, somewhere in there, you have to fill in the blanks with a little faith.

01:40:07:15

LANDRY (CONT'D): I had a grandma, too.

01:40:13:00

MITCHELL: So...

STARGATE SG-1- "Origin" – Episode #0904

01:40:13:25 MITCHELL (CONT'D): Business as usual, Sir.

01:40:15:20 LANDRY: Let them bring it. We'll use our strengths against their weaknesses.
That's a pretty good strategy for any kind of business.

01:40:27:00 LANDRY (CONT'D): I'm glad you two are okay.

01:40:34:03 MITCHELL: Amen.

01:40:43:08 DANIEL: Hey. Wow. What the hell are you doing...

01:40:43:12 DANIEL (CONT'D O/S): Here?

01:40:48:02 O'NEILL: Nice to see you, too.

01:40:49:08 DANIEL: No, sorry. I just...wasn't expecting to see you.

01:40:53:05 O'NEILL: Well, I was in the neighborhood.

01:40:56:22 O'NEILL (CONT'D): And I've got a little surprise for Mitchell.

01:41:00:29 DANIEL: Oh. Yeah, he loved the last one. The fact that you didn't tell him that
we were all moving on to different positions.

01:41:07:14 O'NEILL: Yeah. Sorry you missed the Daedalus.

01:41:10:24 DANIEL: No you're not.

STARGATE SG-1- "Origin" – Episode #0904

01:41:12:03 O'NEILL: You're right. I'm not.

01:41:16:25 O'NEILL (CONT'D): Listen...I just had a briefing with Landry.

01:41:19:10 O'NEILL (CONT'D): About...stuff.

01:41:23:20 DANIEL: Yeah.

01:41:25:15 O'NEILL: Sounds like it could be a problem.

01:41:28:26 DANIEL: Well, we've been up against some pretty bad guys before.

01:41:32:19 O'NEILL: Not so pretty. Over-dressed, yes.

01:41:36:09 DANIEL: Been through some tough situations.

01:41:38:13 O'NEILL: That we always won.

01:41:40:05 DANIEL: Yeah, but didn't you feel that was because we had someone looking
out for us?

01:41:47:13 DANIEL (CONT'D): I don't think I would say this to anyone else...

01:41:49:13 DANIEL (CONT'D): But, for the first time...I'm scared.

01:41:57:27 O'NEILL: I'm hungry.

STARGATE SG-1- "Origin" – Episode #0904

01:42:04:11 DANIEL: Me too.

01:42:18:23 MITCHELL: Yeah, man. This is good. Still a rush.

01:42:24:09 O'NEILL: Yeah.

01:42:26:06 MITCHELL: Don't know why I didn't get back on the horse sooner, except I
really didn't think you could take one of these up for a joyride.

01:42:30:21 O'NEILL: Now, see, that's one of the great things about being a general. You
pretty much get to do whatever you want.

01:42:37:11 MITCHELL: I suppose after you've saved the world seven or eight times.

01:42:41:11 O'NEILL: Who's counting, huh?

01:42:42:11 MITCHELL: Teal'c.

01:42:44:07 MITCHELL (CONT'D): Actually, he mentions it quite often.

01:42:50:10 O'NEILL (CONT'D): So, Mitchell...

01:42:51:16 O'NEILL (CONT'D O/S): I hear you haven't picked out your team yet.

01:42:53:28 MITCHELL: I'm hoping I won't have to, Sir.

01:42:55:29 MITCHELL (CONT'D O/S): Why? Did General Landry say something about it,

STARGATE SG-1- "Origin" – Episode #0904

Sir?

01:42:59:13

O'NEILL: He did.

01:43:00:26

MITCHELL: Are you going to tell me, Sir?

01:43:02:27

O'NEILL: He said you're going to be fine, Mitchell.

01:43:05:26

MITCHELL: Thank you, Sir.

01:43:08:17

MITCHELL (CONT'D O/S): Mind if I kick in the afterburners, Sir?

01:43:10:26

O'NEILL: Oh, please.

01:43:11:26

MITCHELL: Thank you, Sir.
