**TEASER**

01:00:08:28                      VALA: You came to see me off. That's sweet.

01:00:10:28                      DANIEL: Well, we've been through a lot together, and I just wanted to come  
here myself...

01:00:13:16                      DANIEL (CONT'D): And make sure you were thoroughly searched.

01:00:33:06                      VALA: This is a little keepsake, something to remember you by.

01:00:37:15                      DANIEL: This is a priceless artifact.

01:00:39:09                      VALA: As priceless as the memories we share.

01:00:43:03                      VALA (CONT'D): Well. Ahem. Thank you.

01:00:51:24                      VALA (CONT'D): I hate long goodbyes.

01:00:53:18                      DANIEL: Okay. Goodbye.

01:00:54:21                      VALA: Don't I even get a hug?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:01:19:10 VALA: Daniel, don't make this harder than it already is.

01:01:28:28 VALA (CONT'D): Can't blame a girl for trying.

01:01:31:01 DANIEL: Yeah, I can.

01:02:03:20 MITCHELL: Jackson. Hey. Where's the girlfriend?

01:02:05:20 DANIEL: She left about an hour ago.

01:02:07:12 MITCHELL: Man, I missed the going-away party? Hope you saved me a piece  
of cake.

01:02:10:15 DANIEL: Now that she's gone, I can finally get some work done around here.

01:02:12:24 MITCHELL: Yeah, about that, the whole SG-1 thing? You never gave me a  
firm answer. What do you say we make it official? Jackson? Jackson!  
Jackson!

01:02:22:25 MITCHELL (SHOUTING): I need a med team on level 25!

01:02:31:09 MITCHELL: Good morning, sunshine.

01:02:33:08 DANIEL: Aah!

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:02:34:27 MITCHELL (O/S): How're you feeling?

01:02:38:07 DANIEL: Better. What happened?

01:02:41:28 MITCHELL: We're not exactly sure, but Dr. Lam here thinks it may have  
something to do with those alien cuffs.

01:02:53:15 DANIEL: Why does one assume that?

01:02:55:20 DR. LAM: Well, you were completely unresponsive...

01:02:57:07 DR. LAM (CONT'D): When we brought you in, but your condition suddenly  
improved when she came back.

01:03:03:29 VALA: Miss me?

## ACT ONE

01:03:39:21 LANDRY: Walter. Just the man I was looking for.

01:03:42:10 HARRIMAN: Sir, Sir, we have to talk about your schedule, and according to this, you're going to be in meetings all day.

01:03:46:13           LANDRY: The hell I am.

01:03:47:13 HARRIMAN: Sir?

01:03:48:21 LANDRY: After two months on this base, I've come to realize that an alarming portion of these meetings were a complete waste of my time. This is all housekeeping. You can handle it.

01:03:57:09 HARRIMAN: Me? No, I don't think so, s--

01:03:59:02 LANDRY: Walter, don't make me promote you.

01:04:01:08 HARRIMAN: No, Sir--yes, Sir. I mean, what?

01:04:04:01 LANDRY: Just write up the highlights and leave them on my desk.

01:04:10:24 MITCHELL: General.

01:04:12:04 LANDRY: Dr. Lam. What's, uh, what's the latest on Dr. Jackson?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:04:17:06 DR. LAM: Well, as evidenced by Vala's departure and immediate return, they  
can't be separated for much more than...

01:04:22:19 DR. LAM (CONT'D): An hour before they begin to feel the effects. If she hadn't  
come back when she did, I suspect they'd both be dead.

01:04:27:24 LANDRY: I thought it was supposed to stop when they took the wristbands off.

01:04:30:19 DR. LAM: It was. Dr. Lee is theorizing that it might have something to do with  
the Ancient communication device they found.

01:04:35:27 DR. LAM (CONT'D): It's possible that the two technologies, brought together,  
somehow combined to create a more permanent bond.

01:04:41:04 LANDRY: I see.

01:04:52:28 VALA: This is a waste of time.

01:04:54:28 DANIEL: Do me a favor--shut up.

01:04:56:08 VALA: It's not like I wanted this to happen. Anyway, I'm being realistic. He has  
no idea what's he's doing.

01:05:00:11 DR. LEE: I'm standing right here.

01:05:01:12 VALA: He can do all the tests he wants. It's not going to get us anywhere.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:05:04:01            DANIEL: I know we're scraping the bottom of the barrel, but it's not like we  
   have a lot of choice, unless you know someone else who  
   understands this technology.

01:05:09:10            (VALA SIGHS)

01:05:11:27            DANIEL: You know someone? Someone who can help us?

01:05:14:24            VALA: No...and yes.

01:05:18:26            DR. LEE: We're not done here yet.

01:05:22:04            DANIEL: Who?

01:05:23:17            VALA: A scientist who was studying the bracelets at one point.

01:05:26:21            DANIEL: Well, let's go see him.

01:05:27:23            VALA: No. Out of the question.

01:05:29:00            DANIEL: Why?

01:05:29:15            VALA: I'd rather not say.

01:05:30:10            DANIEL: He's the guy you stole the bracelets from, right?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:05:31:18 VALA (O/S): How dare you assume that I acquired those bracelets through anything but honest means.

01:05:34:24 VALA (CONT'D): I may have a less than perfect reputation--

01:05:37:10 DANIEL: You told...

01:05:37:21 DANIEL (CONT'D): Me you stole them.

01:05:39:29 VALA: Did I?

01:05:41:09 DANIEL: Yes.

01:05:42:19 VALA: Oh. Anyway, he won't help us.

01:05:47:04 DANIEL: Correction. He won't help you.

01:05:50:04 VALA: Fine. But if we're going, I'm going to need a change of clothes.

01:05:55:27 DANIEL: Fine.

01:05:58:28 VALA: Fine.

01:06:07:25 MITCHELL: Tell you what--these outfits make a bold statement. You don't reckon Landry's going to make us work them into the rotation?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:06:13:19            DANIEL: Let's see--desert camo, forest greens, and undercover rawhide? It's  
got a nice ring to it.

01:06:17:18            MITCHELL: Well, this had better be quick. 45 minutes away from your  
girlfriend, you're going to turn into a pumpkin, and I'm going to have  
to haul your ass back there.

01:06:25:25            (FOOTSTEPS APPROACHING)

01:06:26:27            ARLOS: Gentlemen, how can I help you?

01:06:30:02            DANIEL: Well, we require your expertise.

01:06:32:28            ARLOS: Expertise?

01:06:34:14            DANIEL: Well, you are the foremost expert on alien technology on this planet.

01:06:38:16            ARLOS: The foremost? Well...

01:06:39:27            ARLOS (CONT'D): I don't know if I'm the "foremost" expert. I might be among  
the top five.

01:06:46:12            MITCHELL: Are you familiar with...these?

01:06:52:11            ARLOS (O/S): Yes, yes.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:06:54:02 ARLOS (CONT'D): I actually owned a pair myself up until not too long ago.

01:06:58:12 MITCHELL: So you know how they work?

01:07:00:06 ARLOS (o/S): Of course.

01:07:01:11 ARLOS (CONT'D): The bracelets create a physiological bond between the wearers. They were used by the Goa'uld.

01:07:07:21 DANIEL: Have you ever heard of the physiological bond being sustained, say, after the bracelets were removed?

01:07:14:02                      ARLOS: No. No.

01:07:16:02           ARLOS (CONT'D O/S): Barring some freak power surge in the bracelets  
                                themselves...

01:07:20:04 ARLOS (CONT'D): That might somehow transfer their effects outright, it's highly unlikely.

01:07:26:19 MITCHELL (O/S): But in the unlikely event...

01:07:28:20 MITCHELL (CONT'D): This did happen, would you be able to sever the connection?

01:07:32:28 ARLOS: I might be able to.

**STARGATE SG-1- "Ties That Bind" – Episode #0903**

01:07:35:07 DANIEL: Great. Could you tell us?

01:07:48:02           ARLOS: How is she?

01:07:51:07 MITCHELL: Who?

01:07:52:14      ARLOS: Vala.

01:07:55:02 MITCHELL: We don't know any Vala.

01:07:59:12           ARLOS: Then I'm afraid I can't help you.

01:08:02:01 MITCHELL: Okay, maybe we know a Vala.

01:08:05:07           ARLOS: I need to see her.

01:08:07:03 DANIEL: Why?

01:08:09:16           ARLOS: It's not what you think. I'm not after revenge. The truth is, the bracelets weren't the only thing she took from me.

01:08:17:02 ARLOS (CONT'D O/S): She also stole...

01:08:19:23 ARLOS (CONT'D): My heart.

01:08:25:06 MITCHELL: Excuse me?

**STARGATE SG-1- "Ties That Bind" – Episode #0903**

01:08:27:04 ARLOS (O/S): I remember it as if it were yesterday.

01:08:28:24 ARLOS (CONT'D): Some nights, we would steal away from the city, strip off our clothing...

01:08:36:29 ARLOS (CONT'D O/S): And bathe in the Springs of Aragatan.

01:08:40:03 ARLOS (O/S CONT'D): We would chase one another...

01:08:42:07 ARLOS (CONT'D): Across the mossy hills and then lie, naked...

01:08:47:03 ARLOS (CONT'D O/S): Under Adora's moons and Vala...

01:08:49:23 ARLOS (CONT'D): Would--

01:08:50:23 MITCHELL (INTERRUPTING): Okay.

01:08:51:24 MITCHELL (CONT'D): That's great. Thanks. We got the picture...

01:08:55:19 MITCHELL (COVERS HIS MOUTH WITH HIS HAND): A very vivid...

01:08:56:08 MITCHELL (CONT'D): Very disturbing picture.

01:08:58:22 ARLOS (O/S): Yes...those...

01:09:00:06 ARLOS (CONT'D): Were wonderful, carnal times...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:09:02:27           ARLOS (CONT'D O/S): But that's in the past.

01:09:05:18           ARLOS (O/S CONT'D): All I ask now...

01:09:07:03           ARLOS (CONT'D): Is that I be given the chance to see her one last time.

01:09:11:28           ARLOS (CONT'D): Bring me Vala, and I'll consider helping you.

**END OF ACT ONE**

**STARGATE SG-1– "Ties That Bind" – Episode #0903****ACT TWO**

01:09:37:03        HARRIMAN (V/O): Sir, Major Gibson is here to see you.

01:09:38:19        LANDRY (V/O): Send her in.

01:09:41:14        GIBSON: General.

01:09:42:16        LANDRY: Major. How are things at the Pentagon?

01:09:46:00        GIBSON: Not so good, I'm afraid. The international committee has reviewed  
your budget proposals...

01:09:48:26        GIBSON (CONT'D): And despite your warnings of how it'll affect the day-to-day  
operations of Stargate Command, they have decided to throw their  
full financial backing behind the Atlantis mission.

01:09:56:18        GIBSON (CONT'D): They now see this base as serving little more than a  
support role.

01:10:00:15        LANDRY: Can't say I'm surprised.

01:10:01:23        GIBSON: They've been going over the report brought back by Dr. Weir and  
her colleagues. With the prevalence...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:10:06:05 GIBSON (CONT'D): Of Ancient technology in the Pegasus Galaxy, they feel that's where we should focus our efforts.

01:10:09:11 LANDRY: And you believe that?

01:10:10:12 GIBSON: Sir?

01:10:11:22 LANDRY: Atlantis is a civilian operation.

01:10:13:26 LANDRY (CONT'D): They approved Dr. Weir's appointment. The reason they don't want to support Stargate Command is because they have no say in how it's run.

01:10:21:28 GIBSON: That's what General O'Neill said.

01:10:23:28 GIBSON (CONT'D O/S): He also...

01:10:25:06 GIBSON (CONT'D): Said he'd be willing to go to bat for you with the president, but he thinks it might help if you take your case to the chairman of the Appropriations Committee yourself.

01:10:32:12 LANDRY: Does he? Oh, Jack, Jack, Jack, Jack...

01:10:43:16 VALA: Arlos? I thought I'd never see you again.

01:10:51:16      ARLOS: Hello, Vala.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:10:59:12 VALA: They overpowered me...

01:11:02:07 VALA (CONT'D): Some five, six mercenaries, one morning on my way to see  
you...

01:11:07:15 VALA (CONT'D): And they demanded that I steal the bracelets under penalty  
of death.

01:11:12:23 ARLOS: I don't care.

01:11:19:24 VALA: Arlos...are you going to have me killed?

01:11:30:27 ARLOS: No. The memories of what we shared...

01:11:36:01 ARLOS (CONT'D): And you so callously threw away will undoubtedly...

01:11:39:29 ARLOS (CONT'D O/S): Haunt you until the day you die.

01:11:42:17 ARLOS (CONT'D): That should be punishment enough.

01:11:45:29 VALA: Yes, you're right. That should do it.

01:11:53:09 ARLOS: I'm over you. What I am not over, however...

01:11:58:29 ARLOS (CONT'D): Is the theft of my mother's necklace.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:12:02:16 ARLOS (CONT'D O/S): I want it back.

01:12:04:17 ARLOS (CONT'D): Only then am I going to tell you how to sever the link connecting you.

01:12:09:09 VALA: Be realistic. That necklace is gone. There's no way I can get that back.

01:12:14:02 ARLOS: Well, then, our business is done.

01:12:18:24 MITCHELL: Whoa. Hang on, loverboy. We'll get your mama's necklace.

01:12:25:13           ARLOS: Then we have a deal.

01:12:37:25 INAGO: This once belonged to the First Prime of Bastet. It's completely unique, one of a kind, and I am going to give it to you for three ounces of naquadah, huh? No? Two for five!

01:12:55:09 MITCHELL: So...business--not so good, huh?

01:12:59:09 INAGO: Well, with no planets to conquer and no cities...

01:13:01:28 INAGO (CONT'D): To loot, how is a Jaffa expected to put food on the table?

01:13:08:14 DANIEL: Listen, a mutual friend of ours was supposed to send word that we were coming.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:13:12:14            INAGO (O/S): What mutual friend?

01:13:13:20            DANIEL: Vala.

01:13:17:19            INAGO: Where is she?

01:13:19:20            DANIEL (O/S): Uh...

01:13:19:29            DANIEL (CONT'D): We're not sure. She said she had some business...

01:13:22:06            DANIEL (CONT'D O/S): To attend to, and she'd meet us back at the gate.

01:13:24:26            DANIEL (CONT'D): She didn't call ahead?

01:13:27:17            INAGO: I swore the next time I saw Vala, I'd kill her where she stood.

01:13:31:16            MITCHELL: That's a "no."

01:13:33:27            INAGO: Do you take me for a fool?

01:13:35:03            VALA (O/S): I don't know about them, but...

01:13:36:16            VALA (CONT'D): I certainly do. Hello, Inago.

01:13:40:28            VALA (CONT'D O/S): Nicely done on the distraction, boys.

**STARGATE SG-1- "Ties That Bind" – Episode #0903**

01:13:43:04 INAGO: Oh, that's what we're doing?

01:13:44:07 DANIEL: You didn't want to let us in on your little plan?

01:13:46:07 VALA: You would have just screwed it up.

01:13:47:27 INAGO: Vala, you cowardly, back-stabbing, sorry excuse for a woman, how've  
you been?

01:13:54:20 VALA: Inago, you filthy, double-talking slug. Nice to see you, too.

01:13:59:26 MITCHELL: Obviously they used to date.

01:14:01:19 INAGO (O/S): Remember that, uh...

01:14:03:01 INAGO (CONT'D): Necklace you sold me? The "priceless heirloom from the House of Verenna?"

01:14:07:04 VALA: I may have overstated its value slightly.

01:14:10:14 INAGO: Slightly? It was worthless.

01:14:12:09 VALA (O/S): You're one to talk.

01:14:13:26 VALA (O/S CONT'D): That Goa'uld force-shield inhibitor turned out to be  
nothing more...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:14:16:04 VALA (CONT'D): Than a power coil from an obsolete cargo ship.

01:14:19:00 INAGO: Hmm.

01:14:20:00 VALA: Fortunately...

01:14:21:16 VALA (CONT'D): I'm not here for revenge. In fact...I'm here to set things  
straight...

01:14:30:10 VALA (CONT'D): By buying back that worthless necklace.

01:14:33:23 INAGO: Why? What's your angle?

01:14:37:00 VALA: You don't need to know.

01:14:40:19 INAGO: Well, then, I guess you don't need that necklace. No deal.

01:14:44:09 INAGO (CONT'D O/S): However, I am willing to show you how I want...

01:14:47:03 INAGO (CONT'D): To square things here. I might consider buying back that  
useless power coil.

01:14:51:23 VALA (O/S): Why would you want...

01:14:53:10 VALA (CONT'D): To buy back a power coil from an obsolete cargo ship?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:14:59:29 VALA (CONT'D): No necklace, no deal.

01:15:02:20 DANIEL (O/S): I've got an idea.

01:15:04:12 DANIEL (CONT'D): How about a straight swap, necklace for power coil?

01:15:07:02 INAGO: No.

01:15:08:04 MITCHELL (O/S): Well, wait, wait, wait.

01:15:09:07 MITCHELL (CONT'D): I have a better idea. We dig a big, old pit, we drop these  
two in it, and we let them fight it out.

01:15:18:02 DANIEL: I'll ask again.

01:15:21:06 DANIEL (CONT'D O/S): Deal?

01:15:26:03 (INAGO SIGHS)

01:15:28:04 INAGO: Deal.

01:15:29:25 VALA: Deal. Of course, I don't have the power coil. We're going to have to go  
and get that back.

01:15:35:06 MITCHELL (O/S): Where would you unload...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:15:38:16            MITCHELL (CONT'D): An obsolete power coil?

01:15:50:17            CAIUS: Sister Vesina.

01:15:52:08            CAIUS (CONT'D): Welcome back.

01:15:54:12            VALA: Brother Caius.

01:15:55:26            CAIUS: How are the orphans?

01:15:57:22            VALA: The orphans are well, thank Grannus. And you?

01:16:01:21            CAIUS: Well enough, thank Grannus.

01:16:04:02            MITCHELL: Who's Grannus?

01:16:05:02            DANIEL: Minor Celtic god, one of Camulus's former Lieutenants.

01:16:07:22            MITCHELL: Thanks.

01:16:08:19            CAIUS (O/S): Of course, all of us...

01:16:09:23            CAIUS (CONT'D): Continue to be grateful for your...

01:16:11:12            CAIUS (CONT'D): Generous gift. Pilgrims from all over the system travel to  
see...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:16:15:05 CAIUS (CONT'D O/S): The legendary Ring of Shen-Marak. However, it has been a bittersweet season for us...

01:16:21:12 CAIUS (CONT'D): Since, coincidentally, around the same time you made your  
gracious donation, the shrine's most...

01:16:26:29 CAIUS (CONT'D): Precious relic, the Livanna Crystal, mysteriously disappeared.

01:16:31:25 DANIEL: No.

01:16:32:23 VALA: Yes, it is shocking, the depths some people will plumb. Unfortunately, I have...

01:16:40:27 VALA (CONT'D): Some more bad news. It appears I was deceived and this Ring of Shen-Marak is apparently a fake.

01:16:49:08 VALA (CONT'D): I'm afraid you'll have to get rid of it.

01:16:51:05 CAIUS: Out of the question.

01:16:53:01 MITCHELL (O/S): Hey, it's bogus.

01:16:54:23 MITCHELL (CONT'D): Your followers are worshipping a phony relic.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:16:57:14           CAIUS: Yes, but ultimately, its true worth can only be judged by the genuine faith it instills in the hearts of the many pilgrims who come to visit this shrine, and, more importantly, in the charitable contributions they make while they are here.

01:17:10:17           DANIEL: Right.

01:17:11:26           CAIUS (O/S): Of course, if you were willing to make a...

01:17:14:27           CAIUS (CONT'D): Substantial contribution of your own...

01:17:22:12           VALA: What do you want?

01:17:26:18           CAIUS: I have to get out of here. I can't take it anymore--the fasting, the chanting...bathing of the poor.

01:17:33:15           CAIUS (CONT'D O/S): If I have to weave one more prayer basket...

01:17:36:26           CAIUS (CONT'D): I'm going to kill someone. Blessed day!

01:17:39:23           CAIUS (CONT'D): Blessed day. Blessed day.

01:17:43:07           MITCHELL (O/S): Oh, my...

01:17:46:01           MITCHELL (CONT'D): You're not a real monk?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:17:49:24 VALA: He used to be a smuggler, one of the best I ever knew. Then things got a little...

01:17:56:25 VALA (CONT'D): Too hot for him and he had to find religion.

01:17:58:28 CAIUS: It was a sweet racket while it lasted...

01:18:01:23 CAIUS (CONT'D): Until the great god Grannus went and got himself executed by his own Jaffa. Since then, the number of pilgrims has been, well, significantly reduced.

01:18:09:13 CAIUS (CONT'D O/S): That's why you can't have the ring.

01:18:11:12 DANIEL: Power coil.

01:18:12:14 CAIUS: Whatever. The point is that it's the only thing keeping this place going.

01:18:17:09 MITCHELL: If you want to go, why not just go?

01:18:20:28 CAIUS (O/S): Because all I got right now...

01:18:22:11 CAIUS (CONT'D): Are the clothes on my back. I need my cargo ship, the one you "borrowed."

01:18:29:04 VALA: Ah...yes, that might be a bit of a problem, but...we can get you a replacement.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:18:37:11 CAIUS: No deal.

01:18:38:17 DANIEL (O/S): What's so special...

01:18:39:29 DANIEL (CONT'D): About this particular cargo ship?

01:18:41:28 CAIUS: Let's just say I made a few modifications of my own. You bring it to me,  
and I'll give you the ring.

01:18:45:29 DANIEL AND MITCHELL (SIMULTANEOUSLY): Power coil.

01:18:48:07 CAIUS: Look, don't try anything, all right? The pilgrims of Grannus may be...

01:18:52:19 CAIUS (CONT'D): Greatly reduced in numbers, but they are more fanatical  
than ever. They'd...

01:18:56:02 CAIUS (CONT'D): Have to be, to be worshipping a dead god. I give the word,  
and they will tear you to pieces...

01:19:00:16 CAIUS (CONT'D O/S): Before you can get halfway to the gate. Now, if you'll  
excuse me, I have...

01:19:05:19 CAIUS (CONT'D): Morning prayers to attend to.

01:19:13:14 DANIEL: So how do we get this ship?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:19:15:21 VALA: We can't.

01:19:17:29 MITCHELL (O/S): Why not?

01:19:19:18 MITCHELL (CONT'D): We've come this far. What's the problem?

01:19:23:14 (VALA SIGHS)

01:19:31:16 VOSH (V/O): What news?

01:19:33:19 TENAT: We've put the word out, but she has yet to appear.

01:19:37:14 VOSH (V/O ON SCREEN): I needn't remind you that, because of your  
bungling, we already lost a case of weapons-grade refined  
naquadah. Now someone has to pay, and if it's not Vala, then it might  
as well be you two.

01:19:51:14 TENAT: Rest assured, Vala can't hide forever, and when she turns up, we'll  
deliver her, dead or alive.

01:19:58:11 VOSH (V/O ON SCREEN): See that you do...

01:20:00:02 VOSH (V/O CONT'D): And let it be known that no one defies the Lucian  
Alliance.

**END OF ACT TWO**

**ACT THREE**

01:20:25:02        LANDRY: So let me get this straight. You need to get this ship to get the  
                         power coil to get the necklace to get this guy to tell you how to undo  
                         whatever's keeping you two connected?

01:20:37:16        MITCHELL: Yeah, that about sums it up.

01:20:39:06        VALA (O/S): Unfortunately...

01:20:40:13        VALA (CONT'D): That ship is now in the hands of the Lucian Alliance.

01:20:43:03        LANDRY: The who?

01:20:44:14        VALA (O/S): It's a coalition...

01:20:45:20        VALA (CONT'D): Of former smugglers and mercenaries who've banded  
                         together to take advantage of the power vacuum left by the demise of  
                         the Goa'uld.

01:20:53:07        DANIEL: The fact that they've managed to form a coherent group makes them  
                         unique, and a particular threat, especially to the newly formed Jaffa  
                         government.

01:20:59:13        LANDRY: Can we contact them?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:21:00:20 VALA: They won't deal with someone they don't know.

01:21:03:03 LANDRY: Well...I assume they know you.

01:21:06:27 VALA: Well, yes, but our last encounter didn't exactly go as planned.

01:21:10:21 MITCHELL (O/S): Ooh, let me guess.

01:21:13:03 MITCHELL (CONT'D): You screwed them, and now they want to kill you?

01:21:15:25 VALA: Actually, it was Daniel who messed up the deal.

01:21:18:17 DANIEL: You tried to sell them a stolen ship.

01:21:20:17 VALA: You're the one that told them they couldn't have it.

01:21:21:27 VALA (CONT'D O/S): The point is...

01:21:23:06 VALA (O/S CONT'D): If they see either of us again...

01:21:24:25 VALA (CONT'D): They will kill us.

01:21:26:03 MITCHELL: Can we take the ship by force?

01:21:27:20 VALA (O/S): You'd have to...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:21:28:21 VALA (CONT'D): Go up against a sizable armada.

01:21:29:18 DANIEL (O/S): If the alternative...

01:21:31:02 DANIEL (CONT'D): Is staying linked to you, I'm willing to take that risk.

01:21:32:27 LANDRY (O/S): I'm sorry, Dr. Jackson...

01:21:36:01 LANDRY (CONT'D): But I can't allow it. Dr. Lee's continuing his research.  
Hopefully he'll be able to come up with something on his own. In the  
meantime, you're just going to have to learn to live...

01:21:46:05 LANDRY (CONT'D): With each other. And by the way...

01:21:50:11 LANDRY (CONT'D): In three days, you're coming to Washington.

01:21:53:05 DANIEL: We are?

01:21:53:05 VALA: I am?

01:21:54:00 LANDRY (O/S): I need you to testify...

01:21:55:13 LANDRY (CONT'D): In front of the chairman of the Appropriations Committee...

01:21:58:05 LANDRY (CONT'D O/S): Let him see exactly what we're up against.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:22:00:23           LANDRY (CONT'D): Your experience with the Orii could go a long way towards convincing him...

01:22:05:02           LANDRY (CONT'D O/S): Of the dangers headed our way.

01:22:06:18           DANIEL: Right.

01:22:09:14           VALA: We will do our best, Sir.

01:22:26:21           VALA: Daniel, do you happen to have one these..."credit cards?"

01:22:32:17           DANIEL: Yes, I do, and no, you can't.

01:22:39:03           VALA (WHISPERING): By the way, is the security escort...

01:22:42:01           VALA (CONT'D): Still necessary?

01:22:43:18           DANIEL: Do you really have to ask?

01:22:47:05           VALA: I noticed you've assigned a woman. Are you afraid that I might corrupt one of your impressionable young men?

01:22:54:23           (SMACKS DANIEL'S BOTTOM)

01:22:55:12           DANIEL: No, I just thought I'd save someone...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:22:56:23            DANIEL (CONT'D O/S): The trouble of having to rebuff your advances.

01:22:59:10            VALA: How do you know you succeeded?

01:23:05:19            VALA (CONT'D): I'm so bored! What do you do...

01:23:09:00            VALA (CONT'D O/S): Around here for fun?

01:23:10:29            DANIEL: I'm doing it. I'm translating these artifacts from P4S 559.

01:23:15:19            VALA: Oh. Are they valuable?

01:23:18:12            DANIEL: Well, their historical value is immense, but there's no gold or jewels  
involved, if that's what you mean.

01:23:23:04            VALA: Oh.

01:23:26:16            DANIEL: Don't touch that!

01:23:28:21            VALA: Do you know what? You need to occasionally get out from under the  
dust of dead civilizations and live a little. Why don't you take me out to  
dinner?

01:23:40:21            DANIEL: Look, the only way you're getting off this base is on our little side trip  
to Washington. If we could find a way around that...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:23:45:17 DANIEL (CONT'D): We would.

01:23:46:20 VALA: Why don't we go off-world?

01:23:48:17 VALA (CONT'D): I've got a great little deal cooked up with some traders on  
Katana.

01:23:52:00 DANIEL: No.

01:23:53:19 VALA: We could be partners. We can split everything down the middle, 60-40.

01:24:01:07 VALA (CONT'D): It hardly seems fair that your life gets to continue and my affairs are put on hold.

01:24:05:26 DANIEL: Excuse me? I should be on my way to the Pegasus galaxy right now.

01:24:09:18 VALA: Oh, don't you blame that on me. It was your own curiosity of the Ancient treasure that cost you a trip to Atlantis.

01:24:13:22 DANIEL: You cuffed us together!

01:24:15:04 VALA (O/S): You weren't paying...

01:24:15:18 VALA (CONT'D): Attention at the time. Look, we can point fingers all we want, but the fact is we're stuck together, so, like it or not, we're just going to have to learn to get along.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:24:26:18 (GLASS CRUNCHING)

01:24:36:28 VALA: I found your glasses.

01:24:48:03 DANIEL: I'm going to go see what Dr. Lee's doing.

01:25:13:12 (DOOR OPENS)

01:25:18:21 VALA: Hello.

01:25:20:16 DANIEL: What the hell are you doing here?

01:25:22:13 VALA: Isn't this my room?

01:25:25:07 DANIEL: No, your room is across the hall, with the guard in front of it.

01:25:31:06 VALA: Ah, yes. They do all rather look alike, don't they?

01:25:34:21 VALA (CONT'D O/S): Anyhow...since I'm here...

01:25:38:11 VALA (CONT'D): Shall we make the best of it?

01:25:43:07 DANIEL: No, we "shalln't."

01:25:44:16 VALA (CONT'D O/S): Come on, Daniel.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:25:45:23 VALA (CONT'D): We're both stuck here on this base, and there's nothing else do to.

01:25:50:04 DANIEL: Yes, there is. There's-there's-there's...there's sleeping, there's working, there's finding a way out of this mess.

01:25:54:09 VALA: What if we can't? We might have to spend the rest of our lives together.

01:25:58:04 DANIEL: No! Don't even go there.

01:26:00:29 VALA (O/S): There's literally...

01:26:01:10 VALA (CONT'D): A bond between us. Some people might even find that romantic.

01:26:06:01 DANIEL: I'm not one of those people.

01:26:12:02 VALA: Am I really so repulsive?

01:26:14:20 DANIEL: No. No!

01:26:22:01 DANIEL (CONT'D): No, you're not repulsive. You're just...it's just that I know what you're doing with the whole sexual thing. It's a defense mechanism.

01:26:37:17 VALA: Really?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:26:38:23            DANIEL: Yeah. You live a solitary existence. You move from place to place, you never form any lasting relationships. You use sex as a weapon to prevent yourself from forming any real emotional bonds.

01:26:51:28            VALA: Textbook case.

01:26:55:21            VALA (CONT'D): I never realized I was so transparent.

01:26:59:07            DANIEL: Vala...

01:27:00:29            VALA: No, really, it's fine. Daniel, you're right. I can see why you wouldn't want to become involved with someone so pathetic.

01:27:09:28            VALA (CONT'D): I wasn't always like this, you should know. There was someone once.

01:27:13:23            VALA (CONT'D O/S): In fact, I was engaged. Then I was taken as a host...

01:27:21:19            VALA (CONT'D): And even though the Tok'ra eventually freed me, the damage was already done. And once you have been spat on and stoned...by the people of your own village...well...you try forming lasting relationships.

01:27:42:22            DANIEL: Vala, wait. Just wait, wait. Please stop? All right? I'm sorry. Okay? I'm sorry, I just...sometimes I just...I forget what you've been through...if

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

you've actually been through any of that. Are you messing with me?

01:28:05:26 VALA: Is it working?

01:28:07:00 DANIEL: You, get out. Go. Get out.

01:28:10:12 DANIEL (CONT'D O/S): Go!

01:28:19:04 TEAL'C (V/O)" Despite the fact that the Jaffa are free and Anubis has been defeated...

01:28:23:29 TEAL'C (CONT'D): It would be a mistake to assume that the Goa'uld are no longer a threat.

01:28:27:19 SENATOR FISHER: But without the Jaffa to do their bidding, they're effectively crippled.

01:28:31:24 TEAL'C: Many still have the loyalty of their human slaves.

01:28:34:26 SENATOR FISHER (O/S): Well, slaves are a long way from an effective army...

01:28:37:25 SENATOR FISHER (CONT'D): And besides, if the Jaffa saw the light, it will only be a matter of time before these slaves follow suit.

01:28:43:16 DANIEL: The Goa'uld are not the only threat out there, Sir.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:28:46:25            SENATOR FISHER: So I assume that you're referring...

01:28:49:14            SENATOR FISHER (CONT'D): To these people you supposedly met in a  
                                 distant galaxy?

01:28:52:29            DANIEL: "Supposedly?"

01:28:55:10            SENATOR FISHER: Well, I mean, correct me if I'm wrong, but according to the  
                                 report I read, you never actually left Stargate Command.

01:29:01:21            SENATOR FISHER (CONT'D O/S): You went into a coma, had some kind of  
                                 vision...

01:29:05:03            SENATOR FISHER (CONT'D): For all we know, the whole thing could have  
                                 been an elaborate hallucination.

01:29:08:07            DANIEL: One of the priors came through the gate.

01:29:10:18            SENATOR FISHER: A single man who did nothing but spout a lot of religious  
                                 nonsense, and then killed himself.

01:29:16:20            LANDRY (O/S): Senator...

01:29:17:02            LANDRY (CONT'D): I was there. The man burned himself to death without the  
                                 aid of any obvious devices or technology. It was no parlor trick.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:29:25:01            DANIEL: We're also beginning to get reports that there are other priors  
   showing up on other planets.

01:29:28:26            SENATOR FISHER (CONT'D): Well, it's hardly surprising...

01:29:30:07            SENATOR FISHER (CONT'D): That new religious groups would arise in the  
   wake of the Goa'uld's collapse.

01:29:34:04            DANIEL (O/S): The Orii...

01:29:34:22            DANIEL (CONT'D): Are very real, Senator. As ascended beings, they have all  
   the appearance of genuine gods.

01:29:39:27            SENATOR FISHER (O/S): But again...

01:29:40:06            SENATOR FISHER (CONT'D): And this is according to your testimony, they  
   cannot act in this galaxy without incurring the interference of these  
   other...

01:29:47:12            SENATOR FISHER (CONT'D O/S): Ascended beings.

01:27:49:21            SENATOR FISHER (CONT'D): Isn't that correct?

01:29:51:17            DANIEL: Technically, yes--

01:29:52:19            SENATOR FISHER (O/S): Well, look at it from our point of view, Dr. Jackson.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:29:55:16        SENATOR FISHER (CONT'D): Finally, after eight years and billions of dollars spent, the Goa'uld have been neutralized, along with the replicators, and now, suddenly, out of nowhere, along come these magical Orii...

01:30:10:25        SENATOR FISHER (CONT'D): Requiring a re-doubling...

01:30:12:05        SENATOR FISHER (CONT'D O/S): Of efforts and expenditures.

01:30:14:12        LANDRY: Exactly what are you suggesting, senator?

01:30:18:00        SENATOR FISHER: The Stargate Program has succeeded in acquiring alien technology, so now it's time to devote our resources to exploiting those technologies for planetary defense, namely by building more Daedalus-class ships.

01:30:34:10        SENATOR FISHER (CONT'D O/S): Now, we have no intention...

01:30:37:02        SENATOR FISHER (CONT'D): Of shutting you down completely. You will continue to operate at 30% of your current budget.

01:30:41:14        SENATOR FISHER (CONT'D O/S): I think you will find that that is more than enough money...

01:30:44:12        SENATOR FISHER (CONT'D): Once you de-emphasize new exploration.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:30:47:20            DANIEL: If you recall, Senator, it was new exploration that got us those technologies in the first place. Now, there are still thousands of stargate addresses left unexplored in this galaxy.

01:30:57:02            SENATOR FISHER: This program doesn't exist to satisfy your curiosity...

01:31:00:29            SENATOR FISHER (CONT'D O/S): Doctor.

01:31:02:26            SENATOR FISHER (CONT'D): The important thing is that we have learned enough to defend this planet against any potential threats.

01:31:10:24            (VALA LAUGHS)

01:31:14:09            VALA: Ah.

01:31:15:17            SENATOR FISHER: Do you have something to say?

01:31:17:26            VALA: Well, it's just all so amusing, isn't it? I mean, only an idiot would assume that this backwater of a planet was safe because you have a few ships with decent shield technology.

01:31:31:08            VALA (CONT'D): You don't look like an idiot to me...

01:31:35:03            VALA (CONT'D O/S): So I have to assume that the reason why you would want to build more ships...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:31:39:21 VALA (O/S CONT'D): Is, like other men, you like...

01:31:41:29 VALA (O/S CONT'D): Big machines with big engines...

01:31:44:10 VALA (CONT'D): That fire big missiles because you have a deep-seated need  
to overcompensate for your own shortcomings.

01:31:50:13 SENATOR FISHER: Excuse me?

01:31:52:20 VALA: See? She knows what I mean.

01:31:56:29 DANIEL: Uh, I think a short recess would be a good idea.

01:31:59:24 VALA: I'm done here anyway.

01:32:03:28 SENATOR FISHER: This meeting is over.

01:32:08:27 MITCHELL: How did it go, Sir?

01:32:10:10 LANDRY: Let's just put it this way--you're going after that ship.

01:32:13:01 MITCHELL: The cargo ship? What about the Lucian Alliance, Sir?

01:32:15:12 LANDRY: You'll have to figure out a way to deal with them.

01:32:17:23 MITCHELL: Why? What happened?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:32:19:12            LANDRY: She accused the chairman of the Senate Appropriations Committee  
                                 of having...well, let's just call it an insufficient manhood. She's got to  
                                 go.

**END OF ACT THREE**

**ACT FOUR**

01:32:51:00 VALA: Just a word of warning—Tenat and Jup are notoriously unscrupulous traders. They're crafty, devious, and although stupid, under no circumstances are they to be trusted.

01:33:01:00 MITCHELL: In other words, they're going to try to screw us before we screw them.

01:33:03:09 VALA: We should be all right as long as you keep your guard up, and we focus on what needs to be done--close the deal, take the ship, and make sure they don't kill me. Certainly not in that order.

01:33:13:06 MITCHELL: I still think we need some more boots on the ground, just to be safe.

01:33:16:15 VALA: Tenat will most certainly run a surface scan of the planet. Additional lifesigns or any ships in orbit would only raise suspicions and jeopardize everything.

01:33:25:20 TENAT (V/O): We're approaching the planet.

01:33:27:17 TENAT (CONT'D): Run a surface scan.

01:33:31:05 JUP: Four lifesigns.

**STARGATE SG-1- "Ties That Bind" – Episode #0903**

01:33:33:16      TENAT: Let's go greet them.

01:33:38:00 VALA: This is a good plan. Very inspired.

01:33:40:22 DANIEL: Yes, we have you to thank for that. Nothing motivates like complete  
and utter desperation.

01:33:44:17 VALA: You say that now, but you'll miss me when I am gone.

01:33:46:20 DANIEL: No, I'm pretty sure I won't.

01:33:48:04 MITCHELL: Just like old times, huh?

01:33:50:27 TEAL'C: I am offering my assistance on this mission only to aid Daniel Jackson. My participation should not be construed as a desire to rejoin SG-1.

01:33:59:22 MITCHELL: Right.

01:34:03:15 TEAL'C: Colonel Mitchell, at times, you remind me of O'Neill.

01:34:06:09 MITCHELL: Ah, well, I'll take that as a compliment.

01:34:10:17 TEAL'C: As you wish.

01:34:34:25 MITCHELL: Teal'c.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:34:44:12            MITCHELL: Hey, fellows.

01:34:45:25            MITCHELL (CONT'D): What's with all the hostility?

01:34:49:26            TENAT: Vala, how does it feel knowing your sorry life is about to end?

01:34:54:24            VALA: I don't know. How did it feel telling the alliance that you half-wits lost  
                                 their naquadah?

01:34:59:24            MITCHELL: Whoa! No.

01:35:01:01            MITCHELL (CONT'D): No violence.

01:35:03:14            MITCHELL (CONT'D): No damaging the goods until we've finished our deal.

01:35:05:20            MITCHELL (CONT'D O/S): Besides, I think the alliance wants to...

01:35:08:20            MITCHELL (CONT'D): Hold her up as an example.

01:35:10:20            TENAT: Yes. They do. Your name?

01:35:17:12            MITCHELL: Cam Mitchell, bounty hunter.

01:35:20:02            TENAT: Never heard of you.

**STARGATE SG-1- "Ties That Bind" – Episode #0903**

01:35:22:08 MITCHELL: That's because I keep a low profile.

01:35:24:29 MITCHELL (CONT'D): I like to let my work speak for itself.

01:35:28:02 TENAT: You've partnered with a Jaffa, I see.

01:35:30:01 MITCHELL (CONT'D): Look, we'd love to sit around...

01:35:31:04 MITCHELL (CONT'D): And talk shop, but we're on the clock. Where's our  
reward?

01:35:34:20 TENAT: We have a caseload...

01:35:36:06 TENAT (CONT'D): Of weapons-grade refined naquadah sitting in our cargo ship.

01:35:39:19 MITCHELL: Good. Let's go get it.

01:35:40:27      TENAT: No.

01:35:42:03 TENAT (CONT'D): I will stay here with you while Jup takes Vala and her partner to the ship.

01:35:46:19 TENAT (CONT'D O/S): Once they've been secured, he'll return, and ring the naquadah down...

01:35:50:24 TENAT (CONT'D): To you.

**STARGATE SG-1- "Ties That Bind" – Episode #0903**

01:35:53:05 MITCHELL: And what's to stop old Jup here...

01:35:54:24 MITCHELL (CONT'D O/S): From ringing you away and just skedaddling?

01:35:57:09 TENAT (O/S): Our honor. It would not be in our best interest to cheat you.

01:36:00:22 TENAT (O/S CONT'D): After all, we have...

01:36:03:09 TENAT (CONT'D): Reputations as traders to uphold.

01:36:05:27 MITCHELL: Right. Reputations.

01:36:17:22 DANIEL: I can't help noticing the absence of that caseload of refined  
naquadah you guys were promising.

01:36:22:04 JUP (O/S): Do you seriously think the alliance...

01:36:24:16 JUP (CONT'D): Would have entrusted us with another case after we lost

01:36:27:19 JUP (CONT'D O/S): The last one?

01:36:29:27 DANIEL: So this is a double-cross. What happened to upholding your  
reputations?

01:36:34:11 JUP (O/S): Let's just say...

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:36:35:14 JUP (CONT'D): Those bounty hunters won't be in a position to do any complaining.

01:36:39:27 (DOOR CLOSES)

01:36:44:12 VALA: Ow.

01:36:45:23 DANIEL: Ow!

01:36:48:01 VALA: Hold still.

01:36:52:24 VALA: Told you.

01:37:08:11 MITCHELL: So, who do you like in the NFL this year?

01:37:10:16 MITCHELL (CONT'D O/S): You kind of strike me as a Raiders fan.

01:37:15:14 VALA: Daniel, why don't you let me do it?

01:37:17:18 DANIEL: Uh, I can do it. Do me a favor. I need some help.

01:37:20:25 VALA: Okay. What?

01:37:22:06 DANIEL: Go to the panel by the rear exit.

01:37:26:20 VALA: Okay. Now what?

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:37:27:20            DANIEL (O/S): Stay there...

01:37:27:28            DANIEL (CONT'D): Shut up, and let me finish.

01:37:32:25            MITCHELL (O/S): Yeah, they've got a great secondary and the league's best  
pass rush.

01:37:36:29            MITCHELL (CONT'D): Offense wins games, but defense wins championships.  
Am I right?

01:37:40:27            (AIRCRAFT HOVERS OVERHEAD)

01:37:47:28            TENAT: Our cargo ship has you targeted. I suggest you lower your weapons.

01:37:55:05            MITCHELL: I take it we're not getting our naquadah.

01:37:58:13            TENAT (O/S): No.

01:37:59:17            TENAT (CONT'D): You're not. And so concludes our deal.

01:38:26:08            MITCHELL: Well, that went better than I expected.

01:38:28:29            VALA: I'm picking up ships. Lots of them.

01:38:33:10            MITCHELL: Correction. That went much worse than I expected.

## ACT FIVE

01:39:00:15      TENAT (V/O): Stand down and prepare to be...

01:39:03:02           TENAT (V/O CONT'D): Boarded.

01:39:03:01 MITCHELL: Shouldn't we be jumping to hyperspace or something?

01:39:06:17 TEAL'C: They will pursue us.

01:39:08:26 DANIEL: What are you doing?

01:39:11:01 VALA: Caius said he customized this ship. Let's see if there's anything we can use.

01:39:21:11 DANIEL: What's happening?

01:39:23:16 VALA: Multiple energy signatures of phantom vessels. They're confusing the alliance ships.

01:39:28:05 MITCHELL: All right, let's go, let's go, let's go.

01:39:38:10 TEAL'C: There are two vessels pursuing us.

01:39:39:24 MITCHELL (O/S): You got anything else...

**STARGATE SG-1- "Ties That Bind" – Episode #0903**

01:39:40:29 MITCHELL (CONT'D): In that bag of tricks?

01:39:42:14 VALA: I'll show you.

01:39:55:26 MITCHELL: What are you doing?

01:39:58:21 DANIEL: Vala?

01:40:00:15 VALA: Wait for it...now.

01:40:12:20 MITCHELL: Wicked.

01:40:15:22 VALA: Pulse wave.

01:40:17:24 VALA (CONT'D O/S): Their power levels spiked and overloaded.

01:40:19:06 VALA (O/S CONT'D): It should take a couple of minutes...

01:40:21:04 VALA (CONT'D): To restore primary systems...

01:40:22:12 VALA (CONT'D): Which should give us enough time to...

01:40:27:10 (BLAST)

01:40:30:26 CAIUS: Thanks for getting my ship back, and for not helping yourself to the swag in the ship's hidden compartments.

**STARGATE SG-1– "Ties That Bind" – Episode #0903**

01:40:38:12 VALA: Wait, did you just say hidden compartments?

01:40:41:10 CAIUS: Bye-bye.

01:40:42:10 VALA: No!

01:40:48:06 VALA: So, really, why would you want to trade a power coil from an obsolete cargo ship?

01:40:54:03 INAGO: So, really, why would you want to trade for this worthless necklace?

01:41:01:24 VALA: Never mind.

01:41:02:24 INAGO: Never mind.

01:41:10:24 ARLOS: Excellent. Finally, I can get Mother off my back.

01:41:19:27 MITCHELL: So?

01:41:21:08 ARLOS: So?

01:41:23:22 DANIEL: So, we had a deal, remember? Give you the necklace, and you sever the link.

01:41:28:09 ARLOS: Yes, yes, of course. I've been doing extensive research...

**STARGATE SG-1- "Ties That Bind" – Episode #0903**

01:41:33:18 DANIEL: And?

01:41:36:05           ARLOS: Well, there's nothing I can do. The effect can't be countered.

01:41:39:03 ARLOS (CONT'D O/S): But, you know, my guess is,

01:41:41:21 ARLOS (CONT'D): It'll wear off eventually on its own. So long, everybody.

01:41:53:12 LANDRY (V/O): That's it?

01:41:55:13 LANDRY (CONT'D): You went through all that for nothing?

01:41:57:14 DANIEL: Pretty much.

01:41:59:04 LANDRY: I can't wait till Senator Fisher hears about this one.

01:42:02:08 DANIEL: Yeah, have you heard any news?

01:42:03:09 LANDRY: I spoke to the president. He gave me two choices--accept the budget cuts, or convince the international committee to change their minds and contribute to our funding.

01:42:14:14 DANIEL: Right. How do we do that?
