TIMECODE

DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

TEASER

01:00:02:25 VALA (O/S): What are you doing here?

01:00:04:02 MITCHELL: Having lunch.

01:00:06:08 VALA: Don't you care that there could be Priors out there taking advantage of poor innocent people? Luring them into an oppressive religion, or worse, killing them for rejecting it?

01:00:16:13 MITCHELL: Are you bored of bothering Jackson?

01:00:17:27 VALA: Hey, you're supposed to be going out on missions through the stargate. So let's go. Let's rid the galaxy of evildoers.

01:00:24:00 VALA (CONT'D): Look, despite what Daniel might think, I really can help.

01:00:27:15 VALA (CONT'D O/S): I know how things work out there. I'm physically capable.

01:00:30:10 VALA (CONT'D): I'm good with weapons, not to mention seductively attractive.

01:00:34:01 SO #1: Excuse me?

01:00:35:26 VALA: I'd make a fine asset to any SG team.

01:00:39:01 MITCHELL: You left out selfish and untrustworthy.

01:00:41:13 VALA: How about independent and resourceful?

01:00:45:21 MITCHELL: That is a classified file.

01:00:49:02 VALA: Priors have been reported on 43 different planets already.

01:00:52:27 MITCHELL: Yeah, that's what the file says.

01:00:54:05 VALA: Well, it just so happens that I have a very good relationship with the
people on the one you've designated P8X-412.

01:00:59:18 MITCHELL: Define..."relationship."

01:01:03:03 VALA: They trust me.

01:01:04:29 VALA (CONT'D): What? Where are you going?

01:01:07:27 MITCHELL: I'm going to go talk to Landry.

01:01:08:28 VALA: Why?

01:01:10:00 MITCHELL: Because anyone who trusts you is obviously in a great deal of
danger.

01:01:36:01 VALA: Oh, good. No one's here.

01:01:38:11 MITCHELL: I thought these people trusted you. Why are we sneaking around, avoiding everybody?

01:01:42:29 VALA: I already told you. They won't recognize me dressed like this. Fortunately, I left a couple of spare outfits behind.

01:01:47:25 MITCHELL: Why is it with her and her wardrobe?

01:01:49:20 DANIEL: You know, I think we could probably explain to them exactly--

01:01:51:20 VALA (INTERRUPTING): This will only take a second. Can a girl have a little privacy?

01:01:54:24 DANIEL (O/S): No. Besides, I think I've seen just about everything there is to see.

01:01:57:24 VALA: Right. Look, there's no other way out of this room. I'm just going to change. I'll be right back.

01:02:09:25 MITCHELL: Hey.

01:02:20:05 (WEAPONS COCKING)

01:02:23:06 AZDAK: These are the weapons of our god, Qetesh. Who are you?

01:02:26:02 MITCHELL: Just take it easy.

01:02:27:10 AZDAK: What are you doing here?

01:02:28:10 DANIEL: We mean no harm.

01:02:32:06 (VILLAGERS GASP)

01:02:37:12 AZDAK: Please, forgive us. It has been so long. We began to fear you would
not return.

01:02:43:06 VALA (IN A DEEP VOICE): Then you are foolish. I would not abandon you. I
am your god.

END OF TEASER

ACT ONE

01:03:29:12 PLAY WARRIOR: I have pillaged the galaxy many times over and made slaves of all the mortals I have encountered.

01:03:34:02 PLAY WARRIOR (CONT'D): This world pleases me, and I shall take it as my own.

01:03:37:16 PLAY VILLAGER: The benevolent god Qetesh will never allow such...

01:03:39:27 PLAY VILLAGER (CONT'D O/S): Treachery!

01:03:41:06 DANIEL: Not exactly Shakespeare.

01:03:42:03 MITCHELL: How is it these people don't know the Goa'uld have fallen?

01:03:46:03 DANIEL (O/S): Well, most of these worlds...

01:03:47:07 DANIEL (CONT'D): Are pretty isolated, and I would be very surprised if anyone here actually knew how to operate the gate.

01:03:51:14 TEAL'C: These humans must be told the truth.

01:03:53:26 DANIEL: I know.

01:03:55:05 PLAY VILLAGER (O/S): Oh, merciful...

01:03:56:14 PLAY VILLAGER (CONT'D): Beautiful Qetesh...

01:03:58:01 PLAY VILLAGER (CONT'D O/S): Have mercy on him. He knows not your
power.

01:04:01:16 DANIEL (WHISPERING): What are you doing?

01:04:02:25 VALA (WHISPERING IN A DEEP VOICE): It's a play. Don't worry. I think it will
be over soon, then we'll eat.

01:04:07:10 DANIEL (WHISPERING): That's not what I'm talking about.

01:04:08:18 VALA (WHISPERING IN A DEEP VOICE): We want to stop these people from
falling victim to the Priors. That's what I'm going to do.

01:04:12:27 DANIEL (WHISPERING): This is not what I had in mind.

01:04:14:03 VALA (WHISPERING IN A DEEP VOICE): What your mind may or may not be
able to imagine is really none of my concern. Now, kindly get out of
your god's face.

01:04:20:28 PLAY WARRIOR (O/S): ...you have never met the likes of Qetesh.

01:04:22:05 PLAY VALA (O/S): No man shall lay claim to my world...

01:04:26:16 PLAY VALA (CONT'D): And no man shall bring harm to my children.

01:04:32:05 (PLAY WARRIOR GROANS)

01:04:37:25 PLAY VILLAGER (O/S): Thanks be to you, Qetesh.

01:04:39:27 PLAY VILLAGER (CONT'D): All hail and glory be to you.

01:04:51:11 VALA (IN A DEEP VOICE): Hmm.

01:04:54:18 AZDAK: We had little rehearsal, my lord, but I trust it pleases you?

01:04:58:15 VALA (IN A DEEP VOICE): Yes.

01:05:00:02 VALA (CONT'D O/S): As always, Azdak...

01:05:02:05 VALA (CONT'D): You please your god greatly.

01:05:03:25 AZDAK: Thank you, my lord. You have been greatly missed.

01:05:08:28 VALA (IN A DEEP VOICE): Now, I would like to hear about the visitor...

01:05:12:16 VALA (CONT'D O/S): Who arrived through the Chappa'ai.

01:05:16:27 VALA (CONT'D): It is pointless lying to your god, Azdak. I am all-knowing as
well as all beautiful.

(01:05:20:25) AZDAK (O/S): He said that he was here to save us...

01:05:25:10 AZDAK (CONT'D): That our true gods await our devotion.

01:05:28:20 VALA (IN A DEEP VOICE): Lies. Meant to deceive you.

01:05:32:16 AZDAK: I did not believe a word he said, my lord. I swear it.

01:05:35:18 VALA (IN A DEEP VOICE): Some of you did.

01:05:37:17 AZDAK: You have been absent for so many seasons. Some thought maybe
you had...

01:05:43:01 AZDAK (CONT'D): Abandoned us. They...

01:05:45:00 AZDAK (CONT'D): Were weak, my lord. Please...forgive them.

01:05:48:16 VALA (IN A DEEP VOICE): Have I not always been merciful to those who
deserve forgiveness?

01:05:53:20 VALA (CONT'D): Now, go...while I consider your punishment.

01:05:57:23 AZDAK: Yes. Of course.

01:06:11:16 VALA (IN A DEEP VOICE): Well...that...

01:06:14:00 VALA (CONT'D): Was easy.

01:06:15:00 DANIEL: Shut that thing off.

01:06:16:28 (BEEP)

01:06:18:14 TEAL'C: Why must you continue to deceive these people?

01:06:21:14 VALA (O/S): This was one of the many planets...

01:06:22:25 VALA (CONT'D): That Qetesh ruled over when I was her host. As you know, a
Tok'ra eventually removed the symbiote, but not before her people
rebelled and tortured me, thinking we were one and the same.

01:06:31:23 MITCHELL: And they couldn't tell the difference.

01:06:35:02 MITCHELL (CONT'D): Why am I not surprised?

01:06:38:04 VALA: I had nothing. I was desolate. Fortunately, I discovered that news of
Qetesh's demise had not reached this little mining outpost.

01:06:47:22 DANIEL: So you kept them mining naquadah for you.

01:06:50:00 VALA: Just a tiny bit.

01:06:51:03 VALA (CONT'D): The mine was practically barren by the time I got here, but
this planet acted...

01:06:55:17 VALA (CONT'D): As a safe haven for me until I got back on my feet.

01:07:00:10 VALA (CONT'D): Look, I never killed anyone, I never tortured them.

01:07:03:17 VALA (CONT'D): I was a wonderful god. Just ask them.

01:07:06:09 DANIEL: I think we will.

01:07:07:25 VALA: Why? You don't believe me?

01:07:09:03 DANIEL: That, and I'm not totally convinced they're ultimately going to follow your command, nor should that be the only reason they don't follow the Priors.

01:07:14:17 VALA: I am still supposed to be their god. I can't exactly go out there and ask them if they're going to listen to me.

01:07:18:22 DANIEL: I wasn't expecting you to.

01:07:19:23 VALA: What makes you think they're going to tell you the truth? You're supposed to be my faithful servants.

01:07:22:28 DANIEL: Then I'll sort of explain that we're not as faithful as you might like to believe, and if necessary, I'll also tell them we're plotting to kill you.

01:07:29:20 VALA: I have heard better plans.

01:07:32:25 MITCHELL: I kind of like it.

01:07:34:05 VALA: Shut up.

01:07:39:09 LANDRY (V/O): How are the staff evaluations...

01:07:41:11 LANDRY (CONT'D): Coming?

01:07:42:15 DR. LAM: They're done. They'll be on your desk by tomorrow morning. That's
when they're due, right?

01:07:45:20 LANDRY: Yes. Now, I have lunch with the heads of my departments once a
month just to stay in touch, get any housekeeping done. Helps me
get to know them a lot better. I know, in our case--

01:07:58:10 DR. LAM (INTERRUPTING): What? In our case, what?

01:08:02:01 LANDRY: Well, it's just that we know each other a little better than, say, I do
Colonel Garrett the munitions...

01:08:06:16 LANDRY (CONT'D): Supply officer.

01:08:08:06 DR. LAM: Really? I actually doubt that. Colonel Garrett's been here longer
than I have.

01:08:13:01 LANDRY (WHISPERING): Do we have to do this here?

01:08:14:29 DR. LAM: You want to have lunch, fine. Tomorrow noon, I will be there as
ordered.

01:08:18:29 LANDRY: It's not an order.

01:08:20:22 DR. LAM: Okay.

01:08:27:17 VACHNA (O/S): I have been sick...

01:08:31:07 VACHNA (CONT'D): For some time now. The past few harvests, I've been more
of a burden than a help to my family. I had even lost the ability to
stand.

01:08:40:05 MITCHELL: You're standing now.

01:08:41:27 VACHNA: The Prior, he cured me. Said that it was the will of the Ori.

01:08:47:03 AZDAK: Blasphemer!

01:08:49:03 MITCHELL: Just...take it easy.

01:08:52:08 AZDAK: I'm sorry, but I will not have him speaking against Qetesh like that in
my presence.

01:08:55:04 DANIEL (O/S): Look, we're not out to get anybody here.

01:08:57:12 DANIEL (CONT'D): We just want to hear what he has to say.

01:09:01:09 DANIEL (CONT'D): Go ahead.

01:09:03:27 VACHNA: The jewel in his staff, it glowed. He waved it over me, and I felt
better than I ever...

01:09:09:24 VACHNA (CONT'D O/S): Have. All he asked in return...

01:09:12:10 VACHNA (CONT'D): Was that I tell others, that I spread the word of the Ori.

01:09:17:03 VACHNA (CONT'D O/S): Then, upon his return--

01:09:19:15 TEAL'C (O/S): When is this Prior...

01:09:19:25 TEAL'C (CONT'D): To return?

01:09:22:10 VACHNA: Tomorrow.

01:09:25:11 VACHNA (CONT'D O/S): The Prior said that Qetesh...

01:09:27:13 VACHNA (CONT'D): Is a false god, that if she ever returned, he would expose
her weakness.

01:09:32:01 AZDAK: You are a fool. Speak no more, or I shall strike you down in the name
of our true god!

01:09:36:10 MITCHELL: I said...take it easy.

01:09:39:02 AZDAK: You should be thankful...

01:09:40:14 AZDAK (CONT'D O/S): That Qetesh is so forgiving, and pray...

01:09:42:13 AZDAK (CONT'D): When she slays the Prior for his wicked lies, she won't do

the same to you.

01:09:46:11 DANIEL: Oh, boy.

01:09:47:16 AZDAK: Glory be to Qetesh!

01:09:49:26 AZDAK (CONT'D): Glory to the one true god--

01:09:51:28 MITCHELL (INTERRUPTING): Okay! You have made your point.

01:09:55:06 MITCHELL (CONT'D): Know when to stop.

01:09:57:28 DANIEL: I think I need to talk to our one true god.

01:10:02:03 DANIEL: This is why you wanted to come back to this planet?

01:10:04:11 VALA: All of this is mine. I earned it. These people have just been keeping it
safe for me.

01:10:10:14 VALA (CONT'D O/S): And as you said, we can't be 100% certain...

01:10:12:18 VALA (CONT'D): That they're going to obey me, so if this planet does fall to
the Priors.

01:10:16:02 MITCHELL: Hello. You stealing this planet's most valued...

01:10:18:25 MITCHELL (CONT'D): Treasure is the least of our concerns right now.

01:10:23:00 VALA: I like your attitude. I was thinking of cutting you boys in at 10% and
now I'm thinking...

01:10:27:02 VALA (CONT'D): Twenty.

01:10:28:03 TEAL'C (O/S): Despite...

01:10:28:16 TEAL'C (O/S CONT'D): Your return...

01:10:29:25 TEAL'C (CONT'D): Many of the villagers believe the Ori to be true gods and
worthy of their loyalty.

01:10:33:14 VALA: All the more reason...

01:10:36:24 VALA (CONT'D O/S): Why we should pack all of this up right now and get out
of here.

01:10:37:03 VALA (CONT'D): Are you going to pitch in, or what?

01:10:38:19 TEAL'C: Others believe you will slay the Prior...

01:10:40:01 TEAL'C (CONT'D): In a show of power upon his return tomorrow.

01:10:42:26 VALA: Tomorrow.

01:10:43:29 VALA (CONT'D): Hmm...tomorrow's no good for me.

01:10:46:13 DANIEL: You need to tell these people the truth.

01:10:48:04 VALA: I have a lot of needs, Daniel, but I assure you that that is not one of
them.

01:10:51:14 TEAL'C: If you do not tell them the truth, we will.

01:10:54:11 VALA: Yes, and who do you think they're actually going to believe?

01:10:57:24 DANIEL: Look, commanding these people to obey you and not the Ori is not
going to work, especially once that Prior comes back.

01:11:02:15 MITCHELL (O/S): And we do not...

01:11:03:18 MITCHELL (CONT'D): Want to get into a god-off. Especially since we know
you're not even close.

01:11:08:21 VALA: Forget what I said about the 20%.

01:11:10:23 DANIEL: He's right. We can't trade one lie for another lie.

01:11:13:12 VALA: All right.

01:11:14:13 VALA (CONT'D): What can we fight with, then? How can we stop this Prior from
corrupting these people?

01:11:18:10 DANIEL: Okay, we have a very limited window...

01:11:19:15 DANIEL (CONT'D): Of opportunity here. If you expose yourself as a false god, if you tell these people how you fooled them and why, we might be able to make them skeptical about the Prior.

01:11:26:12 VALA: Or...

01:11:26:22 VALA (CONT'D): Or it could push them towards believing in the Ori as true gods even more.

01:11:29:21 DANIEL: No, the only chance these people have, the only chance any of us have against the Priors, is to show them we will not accept the Ori as gods. No matter what happens, we must reject them. True enlightenment must begin with the truth.

01:11:37:16 VALA: Oh, please.

01:11:38:17 VALA (CONT'D): The truth is so overrated.

01:11:40:05 DANIEL: Look, for once, just do the right thing here, okay? You're going to feel so good about it afterwards.

01:11:45:10 DANIEL (CONT'D): Trust me.

01:11:51:08 DANIEL: Really, this is...this is unnecessary.

01:11:53:17 AZDAK: You will be executed first light...

01:11:55:07 AZDAK (CONT'D O/S): Tomorrow.

01:11:56:07 AZDAK (CONT'D): Impostor.

01:12:05:04 VALA (WHISPERING O/S): So...

01:12:05:14 VALA (CONT'D): Daniel...when does that warm and glowy feeling from doing
the right thing kick in? Because I'm not there yet.

END OF ACT ONE

ACT TWO

01:12:34:22 VALA: I can't believe you all just stood there and let them imprison me!

01:12:37:28 DANIEL: What were we supposed to do?

01:12:38:27 VALA: You have guns, don't you?

01:12:40:12 DANIEL: There was, like, over a hundred people there!

01:12:41:25 VALA: And?

01:12:42:15 DANIEL: Just relax. We're going to...

01:12:45:00 DANIEL (CONT'D O/S): Get you out of this.

01:12:46:11 VALA: Oh, you are?

01:12:48:05 VALA (CONT'D): I feel a lot better. I'm sorry. I got a little nervous, what with the
whole execution...

01:12:52:05 VALA (CONT'D SHOUTING): Looming and all!

01:12:53:13 DANIEL: Look, believe me, it's not going to come to that.

01:12:54:18 DANIEL (CONT'D O/S): Mitchell and Teal'c are talking to them right now.

01:12:57:08 VALA: Have you forgotten that if I die, you die?

01:13:01:26 DANIEL: Believe me, it is not going to come to that. Trust...

01:13:06:05 DANIEL (CONT'D O/S): Me.

01:13:06:15 (VALA GASPS)

01:13:10:18 DANIEL: This time.

01:13:12:19 MITCHELL: Fine. She made a mistake. It was a big mistake. It was a whopper,
but you can't just kill her.

01:13:18:11 AZDAK: Why not?

01:13:21:28 MITCHELL: A little help?

01:13:23:06 TEAL'C: Does she not deserve a trial to explain the things that she has done?

01:13:27:29 AZDAK: I think we all have a pretty...

01:13:29:21 AZDAK (CONT'D): Good idea of what she did and why.

01:13:31:28 MITCHELL: Your people are looking for leadership. They're looking to you. So
you've got to decide--what kind of society do you want to have?

01:13:42:15 MITCHELL (CONT'D): One where people get executed without a chance to explain their actions?

01:13:47:28 AZDAK: You want to hold a Mal Doran?

01:13:51:27 MITCHELL (WHISPERING): Isn't that her name?

01:13:54:16 AZDAK: Qetesh established the process...

01:13:56:11 AZDAK (CONT'D): Several years ago, a way to settle disputes between two parties.

01:14:01:18 MITCHELL: Fine. That sounds...

01:14:03:18 MITCHELL (CONT'D): Fitting.

01:14:05:09 MITCHELL (CONT'D): We're going to hold a Mal Doran.

01:14:12:06 (VALA GROANS)

01:14:16:08 DANIEL: Hey! How'd it go?

01:14:17:28 MITCHELL: Well, you know...

01:14:21:02 VALA: What's the plan?

01:14:23:03 VALA (CONT'D O/S): You going to blow up this door?

01:14:24:22 VALA (CONT'D): Lay down suppression fire so that we can rush out through the hidden escape passage? It's in the room I told you had no other exit.

01:14:32:02 (CLANKING)

01:14:32:12 MITCHELL: They're going to put...

01:14:33:18 MITCHELL (CONT'D): You on trial tomorrow.

01:14:37:03 VALA: I like my plan better.

01:14:38:21 MITCHELL: It kind of is your plan. It's named after you.

01:14:41:02 VALA (O/S): Really?

01:14:41:14 VALA (CONT'D): A Mal Doran! Are they going to let me be the judge?

01:14:45:03 MITCHELL: Don't think so.

01:14:47:03 VALA: Then it's not a real Mal Doran, is it?

01:14:48:21 DANIEL: Actually, this couldn't have worked out better.

01:14:50:04 VALA: Actually, I think it could have.

01:14:51:13 DANIEL: No, a trial is public. We can use the forum to expose what it is to be a

false god and warn the community about the Priors.

01:14:56:18

VALA (O/S): You're right, actually.

01:14:58:06

VALA (CONT'D): We could get them all worked up about false gods, and then they can kill me as an example to the others.

01:15:02:02

MITCHELL (O/S): Look, I persuaded them...

01:15:03:15

MITCHELL (CONT'D): To let you stay here for the night.

01:15:05:19

DANIEL: Right. Thanks.

01:15:07:03

MITCHELL: Yeah. Well, I'll see you guys in the morning.

01:15:10:05

VALA: Thank you. I apologize for ever doubting your masterful skills at negotiation.

01:15:15:03

DANIEL: He's doing the best he can.

01:15:16:08

VALA: That's what terrifies me.

01:15:23:21

AZDAK: Welcome...

01:15:24:29

AZDAK (CONT'D): And thank you all for coming. Unlike in the past, the final decision of this Mal Doran will be yours, my friends. A general vote. After both presentations have been made, we shall all decide what is to be done to the false god Qetesh.

01:15:47:21 (VILLAGERS MURMUR)

01:15:51:26 VALA (WHISPERING): We're pleading innocent, right?

01:15:53:27 DANIEL: You already confessed.

01:15:55:04 VALA (WHISPERING): A girl can change her mind, can't she?

01:15:57:06 AZDAK (O/S): We shall begin, as always, with the reading of the claims.

01:16:02:00 AZDAK (CONT'D): The first claim of seven--

01:16:03:20 AZDAK (CONT'D): Mass murder.

01:16:05:20 VALA: Wait a second.

01:16:07:20 AZDAK (O/S): The second claim of seven--

01:16:09:07 AZDAK (CONT'D): Mass torture.

01:16:10:17 VALA: I never killed. I never tortured. That is Qetesh.

01:16:13:25 AZDAK (O/S): The third claim of seven--

01:16:15:12 DANIEL (INTERRUPTING): Uh, excuse me. Hi.

01:16:16:18 DANIEL (CONT'D O/S): Sorry to interrupt. Um...

01:16:18:07 DANIEL (CONT'D): The person seated before you...

01:16:20:06 DANIEL (CONT'D): Didn't do those things.

01:16:22:24 AZDAK (O/S): You will have your chance to make your presentation.

01:16:24:23 DANIEL (O/S): Yes, I'm sure we will. I just wanted to...

01:16:26:29 DANIEL (CONT'D): Make something clear. As we discussed when she
confessed, Vala was a host to a Goa'uld...

01:16:34:05 DANIEL (CONT'D O/S): A parasite that controlled her actions for many years.

01:16:37:25 DANIEL (CONT'D): It was that Goa'uld symbiote named Qetesh that committed
the atrocities you're talking about.

01:16:42:27 DANIEL (CONT'D O/S): Vala herself...

01:16:44:23 DANIEL (CONT'D): Can only be held responsible for the actions she did...

01:16:47:21 DANIEL (CONT'D): After that Goa'uld was removed.

01:16:49:06 (AZDAK SIGHS)

01:16:50:08 AZDAK: When exactly was that?

01:16:51:17 DANIEL: Uh...

01:16:56:03 DANIEL: Four...four years.

01:17:08:27 AZDAK: Very well.

01:17:11:04 AZDAK (CONT'D): Assuming your assertion to be true...we shall begin again.

01:17:18:20 AZDAK (CONT'D): The first claim of four--

01:17:22:04 AZDAK (CONT'D): Planetary-wide forced labor.

01:17:27:23 MITCHELL: This is going to be a long day.

01:17:31:06 TEAL'C: Indeed.

01:17:34:24 AZDAK: I, perhaps more than any of you...

01:17:40:04 AZDAK (CONT'D O/S): Feel great sorrow at the fact that I devoted...

01:17:43:22 AZDAK (CONT'D): My love and faith so freely to...

01:17:47:25 AZDAK (CONT'D): An impostor who cared...

01:17:50:23 AZDAK (CONT'D): Only for the naquadah in our mines.

01:17:53:27 AZDAK (CONT'D O/S): With every breath...

01:17:56:08 AZDAK (O/S CONT'D): She lied.

01:17:58:23 AZDAK (CONT'D): With every effort, she stole. At every chance, she betrayed
us.

01:18:05:22 AZDAK (CONT'D O/S): The conditions of poverty...

01:18:08:05 AZDAK (CONT'D): That we now suffer are her fault, and her fault alone. That is
what you...

01:18:14:22 AZDAK (CONT'D O/S): Must consider!

01:18:19:01 MITCHELL: He's good.

01:18:20:27 VALA: I'm dead.

01:18:31:18 DANIEL: Yes. She stole. She betrayed you. She used you as slave labor. All
this is true.

01:18:43:22 VALA (WHISPERING): Not the opening statement I would have gone for.

01:18:47:13 MITCHELL: Shh.

01:18:48:10 DANIEL (O/S): But the only...

01:18:48:25 DANIEL (CONT'D): Reason you know about this is because she told you. She
came forward knowing full well how you would feel, what the
consequences would be. Ask yourselves, why did she do this?

01:19:03:16 DANIEL (CONT'D): She did it...

01:19:06:01 DANIEL (CONT'D): Because there's a greater threat in this galaxy she thought
you deserved to know about.

01:19:10:13 DANIEL (CONT'D): She told the truth in order to open your eyes, to show you
the dangers of giving away your freedom, your free will...

01:19:19:13 DANIEL (CONT'D): In the hopes that, given another chance...

01:19:22:11 DANIEL (CONT'D): You wouldn't make that same mistake twice.

01:19:25:04 DANIEL (CONT'D O/S): We know a Prior of the Ori...

01:19:28:26 DANIEL (CONT'D): Has come here. He's been sent to this village to convince
you to worship beings more powerful than all of us.

01:19:34:27 DANIEL (CONT'D O/S): But you must know...

01:19:37:02 DANIEL (CONT'D): That, like Vala, they're not gods.

01:19:41:27 PRIOR (O/S): You speak well...

01:19:44:08 PRIOR (O/S CONT'D): Daniel Jackson...

01:19:45:22 PRIOR (O/S CONT'D): Of the planet Earth.

01:19:48:00 PRIOR (O/S CONT'D): What...

01:19:48:13 PRIOR (CONT'D): Is a god? What power is great enough to make you bow
down in humble reverence?

01:19:57:28 VALA (WHISPERING): That's the one that tried to burn us to death. Twice.

01:20:01:17 PRIOR (O/S): There's only one measure.

01:20:03:16 PRIOR (CONT'D): The only question you may ask yourself is, why must I
believe? What is there for any and all to gain by choosing the path of
Origin? Those seeking eternal salvation...

01:20:18:23 PRIOR (CONT'D): Can follow the word of the Ori.

01:20:21:04 PRIOR (CONT'D): Those that do not shall die as mortals. It is...

01:20:25:10 PRIOR (CONT'D): As simple as that. The day...

01:20:28:07 PRIOR (CONT'D): Of reckoning approaches. Your destiny awaits.

01:20:36:05 MITCHELL: He's pretty good, too.

01:20:38:13 VALA: We are so dead.

END OF ACT TWO

ACT THREE

01:21:03:28 VACHNA: I have told them of the Ori, Prior. Many of us believe.

01:21:09:00 DANIEL: But not all of us.

01:21:10:13 PRIOR: You doubt the power of the Ori?

01:21:12:22 DANIEL: No.

01:21:14:06 DANIEL (CONT'D O/S): But I understand how they got it...

01:21:16:25 DANIEL (CONT'D): And because I do, I'm not willing to abandon my own free
will and worship them for it.

01:21:21:18 PRIOR: The Ori healed this man, this man that was sick.

01:21:24:14 PRIOR (CONT'D): This man who could barely walk.

01:21:26:08 DANIEL: This man was healed through knowledge.

01:21:28:04 DANIEL (CONT'D): We have medicine. We have tools that can do much the
same thing. This device...has the power to heal...if you know how to
use it, but not by magical power. It's called technology.

01:21:45:26 PRIOR: Technology.

01:21:47:00 DANIEL: Yes, knowledge. Understanding...

01:21:49:23 DANIEL (CONT'D): Of the way things work, of the science of the universe.

01:21:52:25 PRIOR: Maybe so.

01:21:54:23 PRIOR (CONT'D): But consider this--there are two men.

01:21:58:21 PRIOR (CONT'D): One is starving, and the other has a plentiful crop. Is it not
wrong for the fortunate man to hoard...

01:22:06:15 PRIOR (CONT'D O/S): His harvest?

01:22:08:03 PRIOR (CONT'D): Should he not share with his hungry brother?

01:22:11:25 PRIOR (CONT'D O/S): It is the same with knowledge...

01:22:14:27 PRIOR (O/S CONT'D): And understanding. As you have said...

01:22:18:18 PRIOR (CONT'D): The Ori have a greater understanding of the universe, but
most importantly, they are willing to share it with us...

01:22:24:23 PRIOR (CONT'D): Out of their love for us, their creation.

01:22:29:00 PRIOR (CONT'D): Only a fool would turn away.

01:22:33:21 DANIEL: Just because the Ori know more than we do doesn't make them...

01:22:37:28 DANIEL (CONT'D): Gods. They are beings who were once like you and me, but they evolved. They learned of humanity's potential.

01:22:49:02 DANIEL (CONT'D): Eventually, over time, they used that knowledge to shed their physical bodies and live as energy on another, higher...

01:22:56:10 DANIEL (CONT'D O/S): Plane of existence.

01:22:57:25 VALA: Which side is he on?

01:22:59:02 PRIOR (O/S): You are all...

01:23:00:28 PRIOR (CONT'D): Children of the Ori, but you have been raised by evil.

01:23:05:19 PRIOR (CONT'D): The true nature of the universe has been kept from you...

01:23:09:08 PRIOR (CONT'D O/S): By powers that would have you stray from the path of Origin.

01:23:12:20 PRIOR (O/S CONT'D): It is time to open your eyes.

01:23:15:13 PRIOR (CONT'D): Let Origin show you the way.

01:23:19:02 DANIEL (O/S): No, you're right.

01:23:21:06 DANIEL (CONT'D): Maybe hoarding knowledge is wrong. Or maybe it's not. Maybe learning something for yourself is part of...

01:23:35:00 DANIEL (CONT'D): The journey to enlightenment.

01:23:37:14 DANIEL (CONT'D): But killing someone for not worshipping you...

01:23:43:12 DANIEL (CONT'D): Regardless of your power, is wrong. Very wrong.

01:23:47:19 DANIEL (CONT'D): Knowledge is power...

01:23:52:07 DANIEL (CONT'D): But how you use that power defines whether you are good
or evil.

01:23:58:06 PRIOR: The choice is yours.

01:24:01:19 VACHNA (O/S): Give us another chance, I beg you.

01:24:03:07 VACHNA (CONT'D): Please, spare us all.

01:24:07:14 PRIOR: Believe...

01:24:08:16 PRIOR (CONT'D): In the power of the Ori...

01:24:12:02 PRIOR (CONT'D): Or be laid down in the dust.

01:24:32:09 AZDAK: Escort the prisoner back to the cell.

01:24:35:22 DANIEL: Wait.

01:24:36:22 AZDAK: We are done with the Mal Doran.

01:24:37:19 AZDAK (CONT'D): We must vote now on her punishment and discuss other
issues we now face.

01:24:42:17 DANIEL (O/S): Azdak, I know what the Ori seem to be offering you...

01:24:45:11 DANIEL (CONT'D): May sound very tempting.

01:24:46:27 AZDAK: We are poverty-stricken. As a society, we may not be able to survive...

01:24:52:10 AZDAK (CONT'D): Much longer. We thought our god would provide for us. Why
should we reject...

01:24:56:26 AZDAK (CONT'D): The knowledge and education to better ourselves?

01:24:59:07 DANIEL: But you can have all that without giving up your freedom.

01:25:01:17 DANIEL (CONT'D): Don't you see how wrong it is...

01:25:03:04 DANIEL (CONT'D): To enforce belief by threatening your people with their very
lives?

01:25:06:04 AZDAK: As the Ori said...

01:25:07:21 AZDAK (CONT'D): Would we not be ignorant and deserving of punishment for
failing to see the plain truth before us?

01:25:20:18 AZDAK (CONT'D): Leave us. We shall deliberate.

01:25:41:12 LANDRY: Comfortable where you're living?

01:25:44:00 DR. LAM: I kind of like the place I'm renting in Cimarron Hills.

01:25:47:26 LANDRY: It's nice. You ought to buy.

01:25:50:11 DR. LAM: Well, I'll just wait and see. I don't know how long I'm going to be
here, so...

01:25:56:13 LANDRY: How's your mother?

01:26:00:25 DR. LAM: Why don't you call her and find out for yourself?

01:26:04:13 LANDRY: Why does everything have to be so hostile? I'm trying.

01:26:08:05 LANDRY (CONT'D): To tell...

01:26:09:21 LANDRY (CONT'D): You the truth, I don't even really know where to start.

01:26:13:11 DR. LAM: Start what? The long road back to happily ever after?

01:26:16:16 LANDRY: I had a job to do.

01:26:18:19 DR. LAM: As I do. Now, I thought this was supposed to be a professional
meeting about my staff. That's why I'm here.

01:26:28:03 LANDRY: Excuse me.

01:26:44:29 VALA: You need to work on your anti-Ori speech. That Prior almost had me believing. Well, not so much believing as willing to say I believe.

01:26:54:25 DANIEL: I know.

01:26:58:01 VALA: You are asking people to stand up and put their lives on the line.

01:27:02:16 DANIEL: I really believe it's the only way we're going to have to defend ourselves against them.

01:27:06:05 VALA: We could try shooting them.

01:27:07:28 VALA (CONT'D O/S): You said the Priors are human, right?

01:27:10:25 VAL (CONT'D): A few well-aimed shots might at least get their attention.

01:27:14:11 DANIEL: Well, you study enough religions, you find that killing the missionaries doesn't combat the overall philosophy.

01:27:19:22 VALA: The problem is that what the Priors are offering sounds quite good.

01:27:22:27 VALA (CONT'D O/S): Until you get...

01:27:24:06 VALA (CONT'D): To the whole prostrating and burning people alive bit.

01:27:27:13 DANIEL (O/S): There's that.

01:27:28:16 DANIEL (CONT'D): And I don't think any of us have read the real fine print yet.

01:27:32:23 VALA: Meaning?

01:27:33:24 DANIEL (O/S): Well, I personally know...

01:27:35:00 DANIEL (CONT'D): Without a doubt that the Priors are bad.

01:27:37:06 VALA: So creepy.

01:27:39:12 DANIEL: And believe-or-die is an archaic moral standing. You know, the Ori
are wrong for doing what they're doing...

01:27:44:06 DANIEL (CONT'D O/S): But the part I haven't figured out yet, the part that's
really bothering me...

01:27:47:12 DANIEL (CONT'D): Is why they're doing it. I mean, why do they care if people
worship them or not?

01:28:07:02 AZDAK: We have decided to spare your life.

01:28:09:22 DANIEL: Oh...

01:28:10:28 VALA: Really? Thank you.

01:28:13:12 AZDAK: Your punishment will be imprisonment for the rest of your life.

01:28:18:18 VALA: What?

01:28:19:22 VALA (CONT'D O/S): Azdak...

01:28:21:12 VALA (CONT'D): After everything we've been through together...

01:28:25:23 AZDAK: You made me rub your feet.

01:28:28:19 DANIEL: Ooh...

01:28:29:29 VALA: Weren't you justly rewarded?

01:28:31:19 VALA (CONT'D O/S): Anyway...

01:28:33:02 VALA (CONT'D): The odd message here and there hardly warrants life
imprisonment.

01:28:36:20 AZDAK: You lied and abused the people...

01:28:38:24 AZDAK (CONT'D O/S): Of this planet.

01:28:39:24 DANIEL: What about the Prior?

01:28:40:28 VALA: Wait a minute. We're not done here with me yet.

01:28:43:03 AZDAK: Yes, we are.

01:28:44:28 AZDAK (CONT'D): As for the Prior...

01:28:47:07 AZDAK (CONT'D): The settlement is divided. Many believe the Ori are worthy
of our devotion.

01:28:51:15 DANIEL: And you?

01:28:54:03 VILLAGER (O/S): Vachna has fallen ill.

01:28:55:28 DANIEL: That's the man the Prior healed.

01:28:57:22 AZDAK: Yes.

01:28:58:24 VILLAGER (O/S): Please hurry.

01:28:59:27 VILLAGER (CONT'D): We fear he might be close to death.

01:29:02:02 DANIEL (O/S): Wait, Azdak.

01:29:04:07 DANIEL (CONT'D): Um...maybe we can help.

01:29:10:21 VACHNA: I do not want you near me.

01:29:13:00 VALA: Take it easy.

01:29:14:02 DANIEL: It's okay. She's not going to hurt him.

01:29:29:00 VALA: There.

01:29:30:22 VALA (CONT'D): How do you feel now?

01:29:33:10 VACHNA: What have you done to me?

01:29:35:21 VALA: Hmm. Making people feel good is a natural talent of mine.

01:29:39:19 DANIEL: Can you sit up?

01:29:44:08 VACHNA: I do not understand. How did you do it?

01:29:48:13 DANIEL: Well, this...is a tool...

01:29:51:07 DANIEL (CONT'D O/S): Like a hammer or a shovel, just a lot more complicated.

01:29:54:28 DANIEL (CONT'D): Just because you don't understand something at first
doesn't mean it's the magic of the gods.

01:30:04:20 AZDAK: You think that if we are united and tell this Prior we will not heed his
word, he will merely go away and leave us alone?

01:30:12:23 DANIEL: Well, I wish I could say for sure what will happen. All I know is that
you have to make a stand.

01:30:16:28 MITCHELL: Whatever happens, we'll be here to back you up.

01:30:19:15 DANIEL: But ultimately, it's going to be up to you and your people.

01:30:24:12 AZDAK: In exchange for saving Vachna's life...

01:30:26:24 AZDAK (CONT'D O/S): I have decided to re-open the issue of your life imprisonment.

01:30:30:05 VALA: Thank you. I have to admit, it did make me feel rather good.

01:30:33:27 DANIEL: I'm sure you thought there might be a reward.

01:30:35:27 VALA: That's not why I did it.

01:30:37:14 AZDAK (O/S): Speaking of rewards...

01:30:38:17 AZDAK (CONT'D): The entirety of your property...

01:30:40:05 AZDAK (CONT'D): Will be kept here as payment for your crimes.

01:30:42:06 VALA: Now, hang on a minute--

01:30:43:16 VALA (CONT'D): I don't mean literally.

01:30:45:25 DANIEL (O/S): Are you all right?

01:30:47:28 AZDAK: Yes. It's just been a very long day.

01:30:51:08 VILLAGER: Azdak, you must come quickly.

01:30:53:23 AZDAK: What is it?

01:30:54:24 VILLAGER: Many have fallen ill.

END OF ACT THREE

ACT FOUR

01:31:34:28 AZDAK: Thank you. You are truly blessed.

01:31:41:05 VALA: Oh, I don't know about that. I'm just doing the best that I can.

01:31:46:13 AZDAK: How many have fallen ill?

01:31:49:02 VALA: I've lost count, but it's a lot.

01:31:52:28 DANIEL: Whatever this thing is, it's spreading like wildfire. Come on, we need you over here.

01:31:58:28 VALA: We'll talk about my treasure later.

01:32:03:03 MITCHELL (V/O ON SCREEN): We're doing our best to quarantine the sick.
Vala's using the healing device to cure them...

01:32:08:16 MITCHELL (V/O CONT'D): As they come in, but they're piling up pretty quick.

01:32:10:19 DR. LAM: Symptoms?

01:32:11:20 MITCHELL (V/O): Weakness...

01:32:12:21 MITCHELL (V/O CONT'D ON SCREEN): High fever, chest and stomach pains, um...they have trouble breathing. Some of the extreme cases have gone into shock before...

01:32:20:06 MITCHELL (V/O CONT'D): Vala could even get to them.

01:32:21:14 DR. LAM: It doesn't sound like we're dealing with something transmitted from
person to person, not that fast. We could be looking at a common
source...

01:32:27:16 DR. LAM (CONT'D O/S): Possibly water or food.

01:32:29:12 MITCHELL (V/O ON SCREEN): Oh, I'd--I'd say we know the source.

01:32:32:23 LANDRY: Looks like these Priors want to show us they're going to play
hardball.

01:32:36:04 MITCHELL (V/O ON SCREEN): Well, they're definitely trying to establish some
credibility, Sir.

01:32:38:20 DR. LAM: How are you and your team, Colonel?

01:32:40:09 MITCHELL (V/O ON SCREEN): We're fine, but I reckon we could use some
backup.

01:32:46:01 LANDRY: On the way, Colonel.

01:32:48:09 MITCHELL (V/O ON SCREEN): Thank you, Sir.

01:32:54:18 DANIEL: You all right?

01:33:00:02 VALA: No.

01:33:06:10 DANIEL: You can do this.

01:33:08:04 VALA: I'm not so sure.

01:33:09:25 DANIEL: I know using that hand device must be taking a lot out of you, but we really, really need your help right now.

01:33:16:23 VALA: Each one is getting harder. Each time, it takes longer, and they keep coming. I don't think I can save this whole village, Daniel.

01:33:23:14 DANIEL: You have to keep trying.

01:33:25:25 MITCHELL (V/O OVER RADIO): Jackson, we got a problem here.

01:33:28:00 DANIEL (INTO RADIO): Give me a minute.

01:33:29:26 MITCHELL (V/O OVER RADIO): Now, please.

01:33:41:28 DANIEL: He was just fine.

01:33:43:18 MITCHELL: Well, he's not fine now.

01:33:45:10 VALA: I healed him. If they can get re-infected, this will never end.

01:33:51:11 AZDAK (O/S): We must give in.

01:33:53:17 AZDAK (O/S CONT'D): They're too powerful.

01:33:55:26 VALA: No. It's okay. I'm here.

01:34:10:18 LANDRY: Carolyn--

01:34:11:26 DR. LAM: I'm chief medical officer on this base. It's my call who goes on this mission. Given my work with the CDC, infectious disease is my specialty. I am easily the most qualified for this.

01:34:19:28 LANDRY: I know. I'm your dad.

01:34:23:28 LANDRY (CONT'D): I just came by to wish you luck...and be careful.

01:34:28:00 DR. LAM: Thank you. I will.

01:34:38:17 DANIEL: Hang in there. Don't give up yet.

01:34:53:00 MITCHELL: Hey. Thanks for coming.

01:34:56:15 DR. LAM: This is worse than I thought.

01:34:58:07 MITCHELL: Yeah, they're falling pretty fast.

01:34:59:27 DR. LAM: We're going to need a place to work.

01:35:02:02 MITCHELL: This way.

01:35:18:19 DANIEL (WHISPERING): What?

01:35:20:02 VALA (WHISPERING): This is not working anymore. I'm sorry.

01:35:24:20 DANIEL (WHISPERING): You have to keep trying. I mean, at least put on a
show to keep their hopes up. I mean, we know you can do that.

01:35:29:27 VALA (WHISPERING): See, this is exactly why...

01:35:31:06 VALA (CONT'D): I never even think about trying to help people. I'm terrible at
it. Because of me, these poor souls are either going to die horribly or
they're going to give in to the Prior...

01:35:39:12 VALA (CONT'D): In the hopes that he'll heal them.

01:35:40:13 DANIEL (WHISPERING): It's not because of you.

01:35:41:09 VALA: I cannot...

01:35:41:19 VALA (CONT'D): Make them better. And if I hadn't been so worried about my
precious treasure, I would never have opened my big, fat mouth, and
we never would've come here.

01:35:48:16 DANIEL (WHISPERING): And these people would still have to either convert...

01:35:49:19 DANIEL (CONT'D): To Origin or face the consequences.

01:35:51:15 DANIEL (CONT'D): That's a dilemma the rest of our galaxy is also going to

have to worry about.

01:35:56:00

DR. LAM: May I speak with you?

01:36:06:05

DR. LAM (V/O): I've pretty much ruled out...

01:36:07:29

DR. LAM (CONT'D): Bacterial infection at this point. I'm treating with an antiviral cocktail. We're just going to have to wait and see.

01:36:13:21

DANIEL: Any idea why the hand device seems to have lost its effectiveness?

01:36:16:11

DR. LAM: First, I'd have to understand even remotely how that thing works.

01:36:19:16

DR. LAM (CONT'D): I do know it's not unheard of for viruses to mutate...

01:36:23:00

DR. LAM (CONT'D): And become immune to whatever's trying to attack it.

Obviously, in this case we're dealing with something more than just a garden-variety superbug.

01:36:29:21

DANIEL: I don't know if this helps at all, but we know the Ancients were almost wiped out by a similar plague.

01:36:33:04

DANIEL (CONT'D): I'm just bringing it up...

01:36:34:27

DANIEL (CONT'D): In case there's something in the research that's already been done.

01:36:36:16

VALA: You think the Ori gave it to them?

01:36:38:01 DR. LAM: I am aware that SG-1...

01:36:39:20 DR. LAM (CONT'D): Was infected with a virus and then cured by an Ancient
found...

01:36:42:02 DR. LAM (CONT'D): Frozen down in Antarctica.

01:36:44:04 DR. LAM (CONT'D): The symptoms and rate of progression here are
remarkably similar.

01:36:47:15 TEAL'C (O/S): Do you have any hypothesis...

01:36:48:19 TEAL'C (CONT'D): As to why we have not been infected?

01:36:50:21 DR. LAM: No. We're still looking at your bloodwork.

01:36:52:21 DR. LAM (CONT'D): Excuse me.

01:36:56:11 VALA: Feel my forehead. Am I hot? Hotter than usual. Well, you know what I
mean.

01:37:03:24 DR. LAM (V/O ON SCREEN): I'm sorry. I'm sure you know how much I wanted
to walk in here and solve this.

01:37:09:09 LANDRY: Hey, you wanted to be a doctor.

01:37:11:24 DR. LAM (V/O ON SCREEN): I've seen some bad...

01:37:13:23 DR. LAM (V/O CONT'D): Situations before, but nothing like this.

01:37:15:17 LANDRY: And based on that comparison...

01:37:16:21 LANDRY (CONT'D): What's your prognosis?

01:37:18:15 DR. LAM (V/O): If we don't...

01:37:19:17 DR. LAM (V/O CONT'D ON SCREEN): Make a big breakthrough really soon,
these people are going to need a miracle.

01:37:24:08 VOICE (V/O OVER RADIO): Dr. Lam...

01:37:26:02 VOICE (V/O CONT'D): You're needed immediately.

01:37:27:23 DR. LAM (V/O ON SCREEN): I have to go. Lam out.

01:37:33:10 VALA: This is bad, right?

01:37:34:26 DR. LAM: The virus is shutting down his internal organs. He can't process
toxins within his own system. He's essentially being poisoned to
death.

01:37:43:17 VALA: Can't you give him more medicine?

01:37:45:02 DR. LAM: As it is, this may be the virus bouncing back against treatment. I

hate having to say this, but there's nothing I can do.

END OF ACT FOUR

ACT FIVE

01:38:21:20 DR. LAM: Time of death, 14 hours, 18 minutes after preliminary symptoms were first noted. Remove the body and prep for autopsy.

01:38:36:09 VALA: Can I have a minute with him first?

01:38:51:13 DR. LAM: This is the first...

01:38:53:18 DR. LAM (CONT'D): Not the last. I've got to get back to Colonel Mitchell.

01:39:09:21 DANIEL: You did everything you could.

01:39:12:03 VACHNA (O/S): He has returned!

01:39:14:28 VACHNA (CONT'D): The Prior of the Ori has returned!

01:39:19:00 VALA: You go ahead, Daniel.

01:39:30:20 VACHNA: Please, you must save us.

01:39:33:22 VACHNA (CONT'D): Forgive those blinded by ignorance. People are dying.

01:39:37:26 VACHNA (CONT'D): Our children are dying. They will believe. They do...

01:39:42:03 VACHNA (CONT'D): Believe.

01:39:43:17 PRIOR: Still, not all of you.

01:39:46:00 VACHNA (O/S): They are not of us.

01:39:48:25 VACHNA (CONT'D): They do not speak for us.

01:39:50:16 DANIEL: Why are you doing this?

01:39:52:27 PRIOR: From the smallest seed of doubt springs forth a mighty poisonous tree
of evil.

01:39:58:16 DANIEL: Yeah, all right, cut the crap.

01:40:00:20 DANIEL (CONT'D): This is my fault, all right?

01:40:02:27 DANIEL (CONT'D): I'm the one who told these people if they didn't bow down
to you, bow down to the Ori...

01:40:06:21 DANIEL (CONT'D): You might just give up and go away. Well, I was wrong.

01:40:09:27 DANIEL (CONT'D): I understand now. You don't have to kill them to prove a
point to me.

01:40:14:18 PRIOR: Do you truly understand?

01:40:17:28 DANIEL: I understand this isn't about you and me.

01:40:20:17 PRIOR: It is about all the children of the Ori.

01:40:23:23 VALA (O/S): Enough.

01:40:28:13 VALA (CONT'D): Heal these people now.

01:40:30:11 DANIEL (O/S): Vala—

01:40:31:11 VALA (INTERRUPTING O/S): No, Daniel. I've had it with...

01:40:32:12 VALA (CONT'D): The Ori. I think it's time we sent them a message. Or will you
heal them?

01:40:36:27 PRIOR: Only their faith can heal them now.

01:40:39:15 VALA: Then you are useless to us.

01:40:41:27 (RAPID GUNFIRE)

01:40:52:28 VACHNA: Stop at once!

01:40:55:16 VACHNA (CONT'D): Please...

01:40:56:25 VACHNA (CONT'D): Do not let their evil deeds...

01:40:59:10 VACHNA (CONT'D): Doom us. We all...

01:41:00:22 VACHNA (CONT'D): Bow to the power of the Ori.

01:41:06:15 (CHANTING)

01:41:14:00 PRIOR: Hallowed are the Ori.

01:41:16:28 VILLAGERS (IN UNISON): Hallowed are the Ori.

01:41:43:23 DR. LAM: Colonel?

01:41:46:17 MITCHELL: Oh...wow. Have you got a couple of Aspirin?

01:41:53:19 MED TECH: Dr. Lam!

01:41:54:26 DR. LAM: How are you feeling?

01:41:58:26 MITCHELL: Tingly. How about we pretend I didn't say that?

01:42:04:20 DR. LAM: You hang on, and I'll be right back.

01:42:11:00 MITCHELL: Hey, what did I miss?

01:42:21:06 DR. LAM (O/S): Oh, my God.

01:42:22:21 MED TECH: That's not all. Look.

01:42:53:20

PRIOR: Tell others what you have seen today.

FADE TO BLACK
