STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:00:31:21 CARTER (CONT'D V/O): belonged to a top-secret organization with high-level connections to some of the most powerful governments and institutions on this planet.

01:00:38:26 CARTER (CONT'D): By now, the entire Trust could have been taken over.

END OF RECAP

ACT ONE

01:01:50:01 DANIEL: The body was discovered this morning on a remote road off Interstate 77 in Virginia. It was spotted by a passing motorist. Local authorities say he'd been dead about a day or so, probably the victim of a hit-and-run driver.

01:01:59:14 MITCHELL: So, what do we figure? This guy got lost and he was hitching a ride back to Chulak?

01:02:03:24 TEAL'C: His presence on Earth is a mystery to me.

01:02:06:20 DANIEL: He was found literally in the middle of nowhere, about three miles north of a little town called Edison, population 3,012.

01:02:11:13 TEAL'C: The symbol on his forehead indicates that he was a servant of Lord Yu, many of whom now follow Gerak.

01:02:16:15 LANDRY: Then Gerak might be able to shed some light on this.

01:02:20:13 TEAL'C: I will speak to him.

01:02:22:05 LANDRY: Very well. Colonel Mitchell, you're with Teal'c. Dr. Jackson, I want you to dig up all the information you can on Edison, Virginia. Colonel Carter will join you as soon as she's settled in.

01:02:38:29 DANIEL: Whoa. Sam. Hey, come on. Let me give you a hand.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:02:41:22 CARTER: Thank you. So General Landry briefed me on the circumstances surrounding our mystery Jaffa.

01:02:47:15 DANIEL: Yeah, I think I've got something on that.

01:02:51:20 CARTER: Farrow-Marshall.

01:02:52:13 DANIEL: Yeah.

01:02:53:03 DANIEL (CONT'D O/S): You familiar with them?

01:02:55:04 CARTER (O/S): They're an aeronautics firm...

01:02:56:04 CARTER (CONT'D): headquartered in Bethesda. The Department of Defense is their biggest client.

01:02:58:27 DANIEL: Yeah, it turns out that their plant in Virginia employed about 800 residents of Edison until it closed down six months ago. Now, it's located just outside of town, and about a mile and a half from where our dead Jaffa turned up.

01:03:09:02 CARTER: Really. Ah. Pardon the mess. I'm still unpacking. Uh, Farrow-Marshall... Let's see what they've been up to lately.

01:03:22:00 CARTER (CONT'D O/S): Here we go.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:03:23:15 CARTER (CONT'D): Their Chief Financial Officer went missing yesterday morning.

01:03:26:20 DANIEL: Interesting timing.

01:03:27:27 CARTER: Yeah. According to his wife, he left for a business meeting in Richmond, Virginia and never came back.

01:03:39:05 GERAK: Make no mistake, brothers. The Tok'ra only wish to meet with us because they fear us. We defeated the Goa'uld and took their motherships and strongholds. Now we are our own masters.

01:03:51:16 KA'LEL (O/S): I needn't...

01:03:52:16 KA'LEL (CONT'D): remind the Council that the Tok'ra did battle with the Goa'uld for just as many years. Their efforts were instrumental in securing our freedom.

01:04:00:19 GERAK: Let us all be clear-- the only motivation that a Tok'ra has...

01:04:04:21 GERAK (CONT'D O/S): is their own selfish needs, not to help any of us.

01:04:08:26 TEAL'C: Then what do you suggest, Gerak? That we use our newfound strength to take what we want? That we emulate our former oppressors? Brothers and sisters, we finally have the opportunity to govern with authority and respect.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:05:29:27 GERAK: Very well.

01:05:45:17 TEAL'C: Gerak. A word.

01:05:47:28 GERAK: Teal'c... welcome back to Dakara. Your presence is sorely missed.
 What, uh... draws you away from your Tau'ri home?

01:06:03:00 TEAL'C: A Jaffa was discovered on Earth... dead.

01:06:06:18 GERAK: Oh. Strange. But, uh... What has that got to do with me?

01:06:11:20 TEAL'C: He was a servant of Lord Yu's...

01:06:13:11 TEAL'C (CONT'D O/S): and, I assumed, a follower of yours.

01:06:15:27 GERAK: Well, that may be, but I don't seem to recognize him, nor...

01:06:22:11 GERAK (CONT'D O/S): do I know what he was doing on Earth.

01:06:21:10 GERAK (CONT'D): My obligation to the Council requires my presence elsewhere.
 I'm sure you understand.

01:06:50:00 TEAL'C: He is lying to us.

01:06:52:29 MITCHELL: No kidding.

01:07:08:17 SHEILA: It was about six months ago when he started acting strangely.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:07:52:03 SHEILA: No, but it was obvious-- he was scared. He did some surveillance in his first two days. These are the photos that he took. He asked for them back after a couple of days, after he dropped the case, but I refused. I offered them to the police, but they didn't think the photos were pertinent to their investigation. My husband wasn't having an affair, but he was clearly involved in something that he wanted to keep secret.

01:08:19:07 DANIEL: Do you mind if we hold on to these?

01:08:20:19 SHEILA: No. Go ahead.

01:08:42:23 GERAK: He still refuses to speak?

01:08:45:19 YAT'YIR: The prisoner is strong.

01:08:47:23 GERAK: Then we must be stronger, Yat'yir.

01:08:57:08 YAT'YIR: It was through instruments like this we were oppressed.

01:09:00:19 GERAK: And how appropriate would it be, then, for it to be used to serve our cause.

01:09:15:20 GERAK (CONT'D): You will surrender your secrets. Of that... I am sure.

01:09:40:19 CHARLOTTE: Colonel Carter? Charlotte Mayfield, V.P. here at Farrow-Marshall.
How can I help you?

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:09:46:21 CARTER: I wanted to ask you a few questions about your plant in Virginia.

01:09:49:12 CHARLOTTE: It was shut down six months ago.

01:09:51:23 CARTER: Officially, yes, but we went by to check it out, and it looked like it had
been cleaned out very recently.

01:09:56:29 CHARLOTTE: I'm not sure what you're getting at.

01:09:59:12 CARTER: Some of the residents of Edison claim they saw trucks traveling to and
from the plant a couple of nights ago.

01:10:04:26 CHARLOTTE: They're mistaken.

01:10:07:12 CARTER: So you're saying no one's been in the area for several months?

01:10:09:23 CHARLOTTE: Well, I can't speak for the locals, but certainly no one from Farrow-
Marshall would have any reason to go there.

01:10:15:29 CARTER: How about Richmond?

01:10:19:08 CARTER (CONT'D): Anyone from Farrow-Marshall have reason to go there?

01:10:23:13 CARTER (CONT'D): According to his wife, Alex Jameson was on his way to
Richmond, Virginia when he went missing.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:10:27:28 CHARLOTTE: We've cooperated with the local authorities on Mr. Jameson's disappearance. You may want to consult with them.

01:10:32:29 CARTER: Who was Mr. Jameson meeting with that day?

01:10:34:28 CHARLOTTE: I'm sorry. Company policy prevents me from discussing that with you.

01:10:42:12 CARTER: Your CFO is missing.

01:10:43:24 CARTER (CONT'D O/S): Now, I would think that you would want to do everything within your power to help find him.

01:10:47:22 CHARLOTTE: Oh, I do. As I said, we're cooperating with the authorities.

01:10:53:07 CHARLOTTE (CONT'D): Now, if you'll excuse me, I think we're done here.

01:10:00:10 CHARLOTTE (CONT'D): These gentlemen will show you out. If you have any further questions, feel free to fax them to the head office.

01:11:26:00 CHARLOTTE (CONT'D): You can be sure that's not the end of it.

01:11:28:00 BA'AL: Of course not. We've only just begun.

END OF ACT ONE

ACT TWO

- 01:11:55:19 DANIEL: Now, I coordinated with Kerry Johnson and the CIA's investigation into the NID-Trust connection. We've done a little digging, and managed to put names to some of the faces from the photographs Sheila Jameson provided. That's David Ballard, Chairman of the Stark Consortium. This is Masato Hiro, CEO, Far East Mercantile. James Lowery and Tony Tran, President and Chief Financial Officer, Alaraph Pharmaceuticals.
- 01:12:15:12 DANIEL (CONT'D O/S): This one is Michael Northrop, CEO and founder of Hammel Technologies. Now, all the individuals...
- 01:12:21:17 DANIEL (CONT'D): we've managed to identify so far are major players in the areas of business and high finance. Very powerful, very influential, and in the case of these two... very missing.
- 01:12:29:13 LANDRY: Missing?
- 01:12:30:26 DANIEL: Terrence Evans and William Blaylock, founding partners of Procyon Media Enterprises. They went missing about six months ago, coincidentally, around the same time we managed to destroyed the Osiris ship.
- 01:12:39:15 LANDRY: You see a possible Goa'uld connection here?

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:12:41:17 DANIEL: Well, we already know that sometime last year the Goa'uld successfully infiltrated the Trust, and that the Trust has connections to government agencies and corporations worldwide. There's a good chance we didn't get them all, and if that's the case, the Goa'uld are still on Earth, and they're gaining strength.

01:13:08:22 MITCHELL: Let me guess-- they didn't know anything either.

01:13:11:10 TEAL'C: As Gerak grows stronger, fewer Jaffa will risk defying him for fear of retribution. We must leave Dakara and seek our answers elsewhere.

01:13:19:13 KA'LEL (O/S): The answers you seek are on Earth.

01:13:30:10 TEAL'C: What do you know of the Jaffa we discovered?

01:13:32:29 KA'LEL: He lost his life trying to secure Gerak's prize.

01:13:35:20 TEAL'C: Of what prize do you speak?

01:13:37:12 KA'LEL: Ba'al.

01:13:40:13 MITCHELL: Ba'al is on Earth?

01:13:41:22 KA'LEL (O/S): That is where he sought...

01:13:43:07 KA'LEL (CONT'D): refuge immediately following his defeat in the battle for Dakara. He has been there ever since.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:13:52:04 LANDRY: You're telling me a member of the Jaffa High Council claims that Ba'al has been here on Earth for the better part of the last nine months?

01:13:58:24 MITCHELL: Yes, sir.

01:14:00:06 LANDRY: There any chance she may be right?

01:14:01:21 TEAL'C: My information suggests that Ba'al has been hiding in the Archeva system. He has been sighted there as recently as a week ago.

01:14:07:29 LANDRY: So the Council member is either lying or she's a victim of bad intelligence.

01:14:12:27 CARTER (O/S): Not all bad, sir.

01:14:14:14 CARTER (CONT'D): They knew enough to look for Ba'al at a Trust-operated facility. If he were on Earth, that would be the best place to start.

01:14:20:20 TEAL'C: If the Jaffa genuinely believe Ba'al to be on Earth, they will continue to search for him.

01:14:23:26 LANDRY: Well, that's obviously unacceptable. Tell the Council we've begun our own investigation. If he's here, we'll find him.

01:14:30:16 TEAL'C: It would not be in Gerak's best interest to allow that to happen.

01:14:33:19 LANDRY: Why?

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:14:34:20 DANIEL (O/S): Ba'al's capture would be a big moral...

01:14:35:22 DANIEL (CONT'D): victory, as well as a huge political gain for whoever brings him
in.

01:14:38:25 TEAL'C (O/S): Should Gerak be successful...

01:14:40:16 TEAL'C (CONT'D): he would win the hearts of many undecided Jaffa, thereby
assuring undisputed influence over the Council.

01:14:45:27 MITCHELL: So all we have to do is find Ba'al before they do.

01:14:48:10 CARTER: Yeah, but Gerak has a head start. The fact that the company CFO went
missing around the same time that the Jaffa was killed...

01:14:54:19 LANDRY: You think Jameson was at the plant when they came looking for Ba'al.

01:14:56:25 CARTER (O/S): In which case...

01:14:57:19 CARTER (CONT'D): he may well have been captured.

01:15:12:02 YAT'YIR: He has revealed Ba'al's location and the locations of his various shelters
on Earth.

01:15:19:06 GERAK: You should never have invented such an effective means of torture.

01:15:48:06 TOBIAS (O/S): Come on. Come on!

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:15:53:01 TOBIAS (CONT'D): Yes!

01:16:02:13 YAT'YIR: Where is the false god Ba'al?

01:16:09:20 CHARLOTTE: We've been compromised.

01:16:19:10 (WEAPON FIRE, SHOUTING)

01:16:44:19 CHARLOTTE: They're five floors above us.

01:16:45:23 BA'AL: I know. We're leaving.

01:16:51:23 TOBIAS: Hello. I'd like to report-- a whole lot of shooting!

01:17:05:05 MITCHELL: So?

01:17:06:05 DANIEL: Those offices were a war zone. Staff weapons versus semi-automatics.

01:17:08:14 MITCHELL: Who won?

01:17:09:14 DANIEL: Hard to say. There was no bodies, and all the security footage was
missing.

01:17:13:14 MITCHELL: Witnesses?

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:17:14:14 DANIEL: One. Some guy who was working overtime, spent most of the firefight under his desk, but was able to provide a description of three individuals-
- big, tattooed, chainmail pants.

01:17:22:16 MITCHELL: So it's either our Jaffa or KISS is back on tour.

01:17:26:17 LANDRY: I have something to show you. We just received this.

01:17:33:05 BA'AL (V/O): Although it's a far cry from some of the better worlds...

01:17:35:27 BA'AL (V/O CONT'D O/S): I've conquered in my days, this planet is not without its charms.

01:17:39:10 MITCHELL: That's, uh...

01:17:40:11 DANIEL: Ba'al.

01:17:41:20 BA'AL (V/O O/S): In retrospect, I'm actually glad we never succeeded in destroying it.

01:17:43:25 BA'AL (V/O CONT'D): That said, Earth is not without its drawbacks, the foremost being an alarming lack of privacy.

01:17:50:22 BA'AL (V/O CONT'D O/S): My ships have been seized, my armies vanquished. I no longer present a threat to this galaxy. All I ask is to be left alone without having to worry...

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:17:59:12 BA'AL (V/O CONT'D): about you, the Jaffa, or any of my former enemies coming after me, so I'd like to offer the following deal--

01:18:06:19 BA'AL (V/O CONT'D O/S): allow me to live out the rest of my days here on Earth in peace, without interference.

01:18:13:04 BA'AL (V/O CONT'D): In exchange for my, uh... freedom, I will follow your laws.

01:18:18:08 BA'AL (V/O CONT'D O/S): You will never have cause to fear me again. I hope we can put the past behind us. I...certainly have no desire to harm you or anyone else on this world.

01:18:29:12 BA'AL (V/O CONT'D): That said, you should know that I've placed a Naquadah bomb somewhere in the United States.

01:18:37:09 BA'AL (V/O CONT'D O/S): Consider it a, uh... precautionary measure.

01:18:41:17 BA'AL (V/O CONT'D): If another attempt is made to capture me, I promise you, the consequences will be most dire.

END OF ACT TWO

ACT THREE

01:19:17:05 MITCHELL: Of all the retirement destinations he could choose, he has to pick our planet?

01:19:21:23 CARTER: We have teams outfitted with Naquadah detectors in several major urban centers, but there's no way we can cover the whole country.

01:19:28:09 TEAL'C: The Prometheus has instruments which can detect Naquadah from orbit...

01:19:31:07 TEAL'C (CONT'D O/S): does it not?

01:19:32:19 CATER: Yes, but so far, the scans have come up empty.

01:19:33:24 LANDRY: So it could be a bluff.

01:19:35:09 CARTER: Or Ba'al may have found a way to shield the bomb from our sensors.

01:19:38:05 DANIEL (O/S): Bluffing or not, he's still a threat.

01:19:40:00 DANIEL (CONT'D): As de facto head of the Trust's operations, he has the resources and capabilities to do a lot of damage, Naquadah bomb or not.

01:19:44:22 MITCHELL: So problem number one, how do we find him? Problem number two, how do we take him out without inflicting collateral damage?

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:19:50:01 DANIEL (O/S): Good point. Ba'al's probably surrounded by security...

01:19:52:19 DANIEL (CONT'D): no doubt most of them human with no knowledge of his true identity. If we go after him, we risk injuring innocent people.

01:19:57:09 CARTER: Not if we use the symbiote poison the Tok'ra developed. We already know it won't harm human physiology.

01:20:02:08 MITCHELL: And with the right delivery system, nothing but net. Nice.

01:20:06:21 CARTER: I'll contact R & D, see what they can put together.

01:20:08:10 LANDRY: Which leaves us with problem number one.

01:20:10:22 DANIEL: The NID is running surveillance on the individuals identified in the photographs with Jameson. Hopefully, eventually one of them will lead us to Ba'al.

01:20:16:19 TEAL'C: Of equal concern are Gerak's Jaffa. We have no control over them. If they decide to move on Ba'al, Earth will face Ba'al's full reprisal.

01:20:24:26 MITCHELL: And I'm guessing those Jaffa aren't exactly kicking it back at the local Denny's. Plus, isn't it a long, stinky ride from Dakara in a cargo ship?

01:20:33:09 TEAL'C: Indeed. It is more than likely that Gerak has a mothership somewhere in the vicinity of Earth.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:20:38:21 CARTER (O/S): Well, if the Prometheus was going...

01:20:41:05 CARTER (CONT'D): to detect the Naquadah from orbit, it would've done it by
now.

01:20:43:20 LANDRY: All right. I'll send them out to look for the mothership. Colonel Mitchell, I
want you and Teal'c onboard. Colonel Carter, Dr. Jackson...

01:20:51:02 LANDRY (CONT'D O/S): you coordinate with the NID.

01:20:52:26 LANDRY (CONT'D): In the event they locate Ba'al, I want you there.

01:21:03:18 MITCHELL: Hey, wait up.

01:21:29:28 MITCHELL (CONT'D): All right. That's better.

01:21:47:05 PENDERGAST: Gentlemen, welcome aboard.

01:21:48:13 MITCHELL: Thank you, sir. Any word from NORAD?

01:21:49:25 PENDERGAST: SSN came up empty. Could the ship we're looking for be
cloaked?

01:21:54:03 TEAL'C: Motherships do not possess cloaking capabilities.

01:21:55:18 PENDERGAST: Well, then could we be looking for another type of craft?

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:24:39:03 BARRETT (CONT'D): Uh... I mean, I'm sorry to hear that.

01:24:41:20 CARTER: It was the best thing for both of us.

01:24:45:14 BARRETT: So you're single again.

01:24:48:19 CARTER: Not exactly.

01:25:01:09 MARKS: Sir, I'm picking up a large energy signature.

01:25:09:14 PENDERGAST: Lock on target.

01:25:10:14 MARKS (O/S): Target locked.

01:25:11:17 MARKS (CONT'D): Sir, we're receiving a communication from the mothership.

01:25:14:12 PENDERGAST: Let's see it.

01:25:21:24 YAT'YIR (V/O): Withdraw, or we will be forced to defend ourselves.

01:25:25:10 MITCHELL: Sorry. We're not going anywhere.

01:25:42:20 DANIEL: Come on. Where are they?

01:25:44:16 BARRETT (V/O): Abort. All agents, abort.

01:25:46:21 DANIEL: What's going on?

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:25:48:28 BARRETT (V/O): He's not inside. If we move now, we risk compromising the operation.

01:26:09:13 DANIEL: Barrett, you'd better be damn sure about this.

01:26:12:11 BARRETT (V/O): We're sure. Let them go, and come to the van.

01:26:22:10 DANIEL: Sam?

01:26:23:13 CARTER: It wasn't him.

01:26:24:23 DANIEL: How do you know?

01:26:25:26 CARTER: Because he can't be in two places at once. Ba'al is across town right now, doing a live television interview.

01:26:32:13 DANIEL: What?

01:26:33:12 BA'AL (V/O O/S): Thank you. That's a very good question.

01:26:34:13 BA'AL (V/O CONT'D): My acquisition of Hammel Technologies and its subsidiaries is just a first step...

01:26:40:09 BA'AL (V/O CONT'D O/S): in a long-range venture that will ultimately see a consolidation and a...

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:26:45:21 BA'AL (V/O CONT'D): streamlining of what is presently a dissolute market. No doubt, most of you had never heard of me before today. Well, I can assure you that over the next few months you will all get to know me very well...

01:26:58:01 BA'AL (V/O CONT'D O/S): and I look forward to it.

END OF ACT THREE

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:28:18:16 MITCHELL: Meanwhile, they've still got boots on the ground.

01:28:22:00 PENDERGAST: Nothing we can do about that.

01:28:24:16 TEAL'C: Perhaps we can.

01:28:26:12 MITCHELL: Can how?

01:28:29:07 TEAL'C: By forcing Gerak's hand.

01:28:40:06 CARTER: Yes, sir. Our orders are to stay put for the time being.

01:28:44:23 BARRETT: You've got to be kidding me. We know where he is. We've got him.

01:28:47:20 CARTER: Yes, Ba'al has made it easier for us to pinpoint his location, but
unfortunately, by going public...

01:28:52:16 CARTER (CONT'D O/S): he's made it more difficult for us to take him down
quickly and covertly.

01:28:55:25 CARTER (CONT'D): We make a move against him now, and we risk a media
circus.

01:28:59:15 CARTER (CONT'D O/S): Unless, of course...

01:29:00:15 CARTER (CONT'D): you feel like giving the American people a stargate primer.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:29:03:00 DANIEL: There's also the little matter of a Naquadah bomb sitting somewhere in the continental United States.

01:29:06:25 BARRETT: Yeah. Okay. Okay, we'll stay.

01:29:10:17 CARTER: The General is consulting with the Pentagon to determine what our next move should be.

01:29:16:20 TEAL'C: If there is one thing a Jaffa values above all else, it is his pride. When the other Council members discover that Gerak has not been completely forthcoming, they will turn against him and force his hand. Gerak must be shamed into removing his forces from Earth. It is the only way.

01:29:31:04 MITCHELL: Your turf, your rules, brother.

01:29:34:03 GERAK: No matter how far we must travel, no matter how long it will take, our former enemies must pay for their crimes.

01:29:43:00 GERAK (CONT'D O/S): This I promise you-- that we will destroy them, not only just in memory of those who have...

01:29:49:18 GERAK (CONT'D): fallen, but in honor of those who survived to enjoy their freedom.

01:29:54:20 TEAL'C: You speak of honor, Gerak...

01:29:57:17 TEAL'C (CONT'D): yet you disrespect this Council by dishonoring it with your lies.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:32:11:20 LANDRY: Satellite tracking has placed Ba'al in a remote, heavily guarded compound west of the city. From the site of the press conference directly to his present location, he took no evasive maneuvers, made absolutely no attempt to disguise his movements.

01:32:27:09 TEAL'C: Clearly, he is emboldened by the belief that you would not dare attack him now that he has made himself a public figure.

01:32:32:23 LANDRY: I've had Walter patch in Colonel Carter and Dr. Jackson. Everybody up to date?

01:32:38:29 CARTER (V/O): We have a cruise missile prepped with symbiote poison and ready to launch on your command.

01:32:42:24 MITCHELL (O/S): General, I recommend we launch now.

01:32:44:12 MITCHELL (CONT'D): It may be the last chance we get.

01:32:46:09 DANIEL (V/O O/S): What if he isn't bluffing about...

01:32:47:23 DANIEL (V/O CONT'D): the Naquadah bomb?

01:32:48:20 MITCHELL: Then we'll have stopped him before he has a chance to plant any more.

01:32:51:07 CARTER (V/O): We'll have to come up with a cover story.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:32:53:19 MITCHELL: Wouldn't be the first time.

01:32:55:19 TEAL'C: We must strike now, before Ba'al realizes his strategy has backfired.

01:33:00:19 LANDRY: And the Council?

01:33:02:07 TEAL'C: I merely promised he would be delivered if captured. If he is killed, then
there is no difficulty.

01:33:24:03 CHARLOTTE: Right. Good work.

01:33:27:11 BA'AL: What's the news?

01:33:28:19 CHARLOTTE: Stargate Command intends to attack.

01:33:31:19 BA'AL: How can you be certain?

01:33:33:14 CHARLOTTE: The humans that set up the Trust were in a position to infiltrate
much of the secure communications network employed by this
government.

01:33:42:01 BA'AL: How clever of them.

01:33:50:02 LANDRY: You got something else for me, Walter?

01:33:51:28 HARRIMAN: Yes, sir. We just got this sent to us.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:33:54:20 BA'AL (V/O): You have chosen not to heed my warning and so have forced my hand.

01:33:59:01 BA'AL (V/O CONT'D O/S): There is a bomb in the Halcyon Tower in downtown Seattle. It will detonate at exactly 1:30 p.m. local time.

01:34:06:07 BA'AL (V/O CONT'D): Call off your strike on my location, and I will defuse the device. Defy me, and this will be just the first of many such demonstrations.

01:34:20:05 LANDRY: 45 minutes.

01:34:21:12 HARRIMAN: The building is being evacuated. Mobile units have been dispatched.

01:34:30:15 CARTER: Yes, sir. Understood, sir.

01:34:33:21 CARTER (CONT'D): Agent Barrett, have your men tighten their perimeter around the compound. No one in or out. Daniel, once...

01:34:39:10 CARTER (CONT'D O/S): the missile hits, you'll have to go in and make sure we have a confirmed kill.

01:34:42:00 DANIEL: Why? Where are you going to be?

01:34:43:05 CARTER: Seattle.

01:34:44:20 BARRETT: How the hell are you going to get there?

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:36:55:24 LANDRY: I'm not sure I understand, Colonel.

01:36:57:16 CARTER: The bomb isn't in the building, sir. The bomb is the building.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:38:14:12 MITCHELL: Patch me through to Colonel Pendergast.

01:38:19:15 PENDERGAST: Cam, what can I do for you?

01:38:21:19 MITCHELL: I need a little help moving.

01:38:54:10 PENDERGAST (V/O): It worked. The building detonated at a safe distance.

01:38:58:05 HARRIMAN (O/S): Sir...

01:38:59:05 HARRIMAN (CONT'D): I've got Dr. Jackson.

01:39:01:08 DANIEL (V/O): General—

01:39:02:00 LANDRY: What's happening, Doctor?

01:39:03:05 DANIEL (V/O): I'm sorry to report, sir. It looks like Ba'al escaped.

01:39:17:13 TEAL'C (O/S): The old ways will no longer serve us. Gerak's ways are not the
ways of the future.

01:39:31:20 TEAL'C (CONT'D): How dare you? How dare you set foot in this council
chamber?

01:39:39:12 GERAK: Why should I pause to return? Tell me, Teal'c.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:39:42:21 TEAL'C: Because you disregarded my warnings. Because your rash actions not only allowed Ba'al to escape, but cost the lives of many of our brothers.

01:39:50:05 GERAK: They did not die in vain.

01:40:05:20 GERAK (CONT'D): My rash actions were necessary, I'm sure you'll agree.

01:40:07:27 GERAK (CONT'D O/S): Yes, you may muse...

01:40:10:22 GERAK (CONT'D): about what might have been, but the fact remains, it was my men who captured Ba'al.

01:40:18:16 BA'AL: Enjoy your short-lived taste of freedom. You were born slaves, and slaves you will die.

01:40:43:04 (ALARM SOUNDING)

01:40:50:01 TEAL'C: Ba'al did not escape. He was captured by Gerak's forces.

01:40:56:12 MITCHELL: Well, yes and no.

01:40:57:26 TEAL'C: He was dragged into the Council chamber and executed before my very eyes. There is no doubt.

01:41:02:10 CARTER (O/S): Teal'c... we secured...

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:41:04:13 CARTER (CONT'D): Ba'al's compound and searched the premises. In the basement, we discovered a lab containing equipment and data related to genetic replication.

01:41:10:19 DANIEL (O/S): It's very possible the Ba'al you saw...

01:41:12:21 DANIEL (CONT'D): die in Dakara was just a clone. The real Ba'al could still be out there.

01:41:21:22 MITCHELL: Hey. Where're you going?

01:41:26:10 TEAL'C: To take a much-needed rest.

01:41:27:20 MITCHELL: Don't you think you should go back to Dakara, let those Jaffa know the truth?

01:41:32:12 TEAL'C: No. To reveal this at this time would seem little more than an attempt to tarnish Gerak's hard-fought victory.

01:41:40:13 MITCHELL: Teal'c... it's the truth.

01:41:45:14 TEAL'C: Regardless, they will not listen. For the time being, their hearts belong to Gerak.

STARGATE SG-1 "EX-DEUS MACHINA" Episode #0907

01:42:04:10 JULIA (V/O): At present, there are more questions than answers in the events surrounding the gas line explosion that claimed the Halcyon Tower in downtown Seattle. What we do know so far is that at approximately 12:45 this afternoon, local fire and emergency crews were dispatched to the scene. An evacuation order was given, and the building and surrounding areas were evacuated. Two hours later, when reporters were permitted to return to the area, all that remained was a heap of rubble. Surrounded as it was by taller high-rises, there were no eyewitnesses to the building's destruction-- no one saw or heard the explosion, and as a result, conspiracy theories abound. Some have pointed out that the amount of rubble at the site is significantly less than--

01:42:49:15 BA'AL: Over 600 channels and nothing to watch.

01:43:00:10 BA'AL (CONT'D): I think I'll turn in. We have a big day ahead of us tomorrow.
