# STARGATE SG1 "THE 4<sup>TH</sup> HORSEMAN PART 2"

EPISODE #0909B DIALOGUE CONTINUITY SCRIPT

October 21, 2005

Prepared by: Line 21 Media Services Ltd. #122 - 1058 Mainland Street Vancouver, B.C. V6B 2T4 Phone: (604) 662-4600 line21@line21cc.com

#### TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

### RECAP

- 01:00:00:20 TEAL'C (V/O): Previously on Stargate SG-1...
- 01:00:03:11 LAM (O/S): About three hours ago, he came in complaining of fatigue.
- 01:00:05:26 LAM (CONT'D): It's a prior plague.
- 01:00:07:06 PRIOR #1: Let Origin show you the way.
- 01:00:09:09 HAIKON: I vow to spread the word of the Ori to all Jaffa.
- 01:00:13:01 CARTER: Who are you?
- 01:00:13:26 ORLIN: It's me, Orlin.
- 01:00:15:05 LAM (V/O): As far as I can tell, he's a normal human...
- 01.00.17.00 LAM (CONT'D): adolescent...
- 01:00:18:00 LANDRY: Who claims he's an Ancient who has descended and taken human form.

### STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B

- 01:00:21:10 CARTER (V/O): Orlin seems to have...
- 01:00:22:00 CARTER (CONT'D): hit a dead end with his work on a cure.
- 01:00:24:10 MITCHELL: What he needs is a blood sample from the prior who infected Lieutenant Fisher.
- 01:00:28:06 DANIEL: Orlin's attempt to find a cure isn't the only reason to do this.
- 01:00:30:26 LANDRY: You are trying to turn this prior.
- 01:00:32:21 CARTER: We believe we may be close to developing...
- 01:00:34:07 CARTER (CONT'D O/S): a technology that could inhibit a prior's special abilities.
- 01:00:36:27 PRIOR #1: The Ori do not require blind obedience.
- 01:00:41:00 PRIOR #1 (CONT'D V/O): They will show you their power.

### END OF RECAP

## TEASER

01:00:50:01	GERAK (V/O): Like you, my judgment was clouded by suspicion and distrust
01:00:53.24	GERAK (CONT'D): but the Ori sensed my misgivings, forgave me my weaknesses, and showed me their power. I stand before you today as proof of their divine might.
01:01:05:25	TEAL'C: They have poisoned your mind.
01:01:09:28	TEAL'C (CONT'D): The Ori's promises are hollow. We have learned from the Ancients that they are not ascending their followers.
01:01:16:17	GERAK: Do you expect us to take your word for this?
01:01:18:00	TEAL'C (O/S): One of the
01:01:19:00	TEAL'C (CONT'D): Ancients returned to human form to warn us that the Ori gain strength by sapping the power from their
01:01:25:08	TEAL'C (CONT'D O/S): followers.
01:01:26:02	TEAL'C (CONT'D): That is why they seek our support!
01:01:29:27	TEAL'C (CONT'D): The Ori are not some benevolent gods offering you the path of enlightenment. They are but manipulative beings

01:01:38:20	TEAL'C (CONT'D O/S): who will use you and discard you once you have served
	their purpose

- 01:01:42:00 GERAK (INTERRUPTING): Enough.
- 01:01:42:23 TEAL'C: They are no better than the Goa'uld!
- 01:01:45:20 GERAK: Enough!
- 01:01:47:22 GERAK (CONT'D O/S): The Goa'uld are impostors...
- 01:01:49:13 GERAK (CONT'D): but the Ori...the Ori are the real gods. Behold the gift the Ori have bestowed upon me.
- 01:02:22:24 LAM (V/O): We had three fatalities this morning.
- 01:02:24:15 LAM (CONT'D): We have another 12 base personnel who are in critical condition and probably won't make it past the next 24 hours.

01:02:31:03 LANDRY: That's it?

01:02:32:07 LAM: They've been given sedatives and are resting comfortably. There's nothing you or anyone can do for them right now.

01:02:38:23 LANDRY: I can go see them.

01:02:40:05	LAM: No, you can't. You're exhausted, and you've already got a lot on your plate.
01:02:45:01	LANDRY: Those people are serving under my command.
01:02:48:05	HARRIMAN: Sir
01:02:49:06	LANDRY: What is it, Walter?
01:02:50:14	HARRIMAN: As of 0800 this morning, the CDC reports confirmed cases of the virus in both Mexico and Canada.
01:02:59:10	LAM: We could be looking at a global pandemic.

## END OF TEASER

## ACT ONE

01:04:27:24	MITCHELL: Jolan! Hey, it's good to see a familiar face.
01:04:31:14	JOLAN: Lord Haikon wishes to see you.
01:04:34:22	MITCHELL: Let's rock and roll.
01:04:47:20	JOLAN: It was foolish of you to come. The others are distrustful of you.
01:04:51:11	MITCHELL: Yeah, I kind of got that. Is there anything else I need to know?
01:04:56:17	JOLAN: Haikon will have your answers.
01:05:07:20	HAIKON: Welcome, Mitchell.
01:05:09:05	MITCHELL: Thank you, Haikon.
01:05:11:04	HAIKON: Please, sit.
01:05:19:10	HAIKON (CONT'D): I apologize for making you wait, but I just came back from a mission of great importance.
01:05:26:13	JOLAN: We were informed of a world of non-believers who were conspiring against the Ori. The prior dispatched us to deal with them.

### STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B

- 01:05:35:22 MITCHELL: You mean kill them.
- 01:05:38:02 HAIKON: Well, we were told they posed a considerable threat.
- 01:05:40:22 HAIKON (CONT'D O/S): "Leave not the smallest pebble...
- 01:05:43:16 HAIKON (CONT'D): in the road, for any hindrance will slow your people's progress." So said the prior.

01:05:48:05 MITCHELL: Yeah, the priors say a lot of things. Look, I'm the last person to criticize someone for what they believe, but--

01:05:56:10 HAIKON (O/S): If your intention...

01:05:57:26 HAIKON (CONT'D): is to convince me to withdraw support from the Ori, you need not bother.

- 01:06:02:14 MITCHELL: You're making a big--
- 01:06:03:17 HAIKON: I have already decided as much.
- 01:06:06:00 MITCHELL: What?
- 01:06:08:15 JOLAN: We went to the planet as the prior instructed...

01:06:10:05	JOLAN (CONT'D O/S): 200 strong, to eliminate any threat. We were expecting	g an
	army.	
	anny.	

01:06:16:00 JOLAN (CONT'D): What we found were simple farmers, too naive to understand the consequences they faced for daring to defy the Ori.

01:06:24:17 HAIKON: The Sodan are proud warriors. We do not kill innocent people.

- 01:06:29:00 MITCHELL: So you didn't follow through?
- 01:06:31:00 JOLAN: We left them unharmed, but before returning here, we had to put all doubts to rest, so we traveled to another world, one rumored to have refused the Ori.

01:06:41:04 JOLAN (CONT'D): The entire civilization was decimated...

01:06:45:27 JOLAN (CONT'D): by a mysterious plague. There was no one left.

01:06:53:12 MITCHELL: Yeah, that's what they do. In fact, they're doing it on Earth right now as we...

01:06:58:22 MITCHELL (CONT'D O/S): speak, and it'll probably happen here when the prior gets back...

01:07:02:14 MITCHELL (CONT'D): and finds out you didn't obey his orders.

### STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B

01:07:04:29

01:07:09:24 MITCHELL: Well, I can tell you, but you're probably not going to like it. 01:07:29:17 CARTER: Orlin... 01:07:30:17 ORLIN: Sam ... Are you all right? 01:07:36:02 CARTER: I'm fine. It's you I'm worried about. We just got your test results back. They show significant and progressive changes in different areas of your brain. 01:07:47:22 ORLIN: What kind of changes? 01:07:50:25 CARTER: A degenerative process that's already started to impair your cognitive functions. 01:07:56:24 ORLIN: I knew that when I took on human form, the memories I brought with me would eventually fade. 01:08:03:25 CARTER: That's only part of it. It's not so much a result of your losing the memories, but more a consequence of your trying to hold onto them.

HAIKON: How can we resist so powerful an enemy?

Orlin, by not letting go of the Ancient knowledge, you're damaging your brain.

01:08:18:11 ORLIN: Yes. My human mind is failing under the weight of so much information.

- 01:08:23:27 CARTER: You knew this would happen, didn't you? As an Ancient, how could you not have known?
- 01:08:31:14 ORLIN: Of course I knew, Sam, but I had no choice.

01:08:35:17 CARTER: But you have a choice now. Your brain is fighting a losing battle, stripping away whatever it can in an attempt to salvage the memories related to the cure. Give them up, and you could stop this from progressing any further.

- 01:08:48:07 ORLIN: I can't do that. There's too much at stake.
- 01:08:52:25 CARTER: You have the memories. Write them down. Give me the instructions.
- 01:08:57:24 CARTER (CONT'D O/S): complete the vaccine.
- 01:09:00:13 ORLIN: It's too complex. You won't fully understand the process.
- 01:09:03:00 CARTER: Try me.
- 01:09:04:21 CARTER (CONT'D O/S): Orlin, you don't have to sacrifice yourself.
- 01:09:07:05 CARTER (CONT'D): Let go before it's too late.

- 01:09:08:26 ORLIN: I can't risk entrusting this job to anyone but myself. I have to see this through, Sam. I'm sorry.
- 01:09:37:24 MITCHELL: We're good.

01:09:39:00 DANIEL: Okay, this device will emit a high ultra-sonic frequency targeting a specific portion of the prior's brain, temporarily blocking his ability to use his powers. Now, the good news is, it won't have any effect on us. The bad news is, it may not have any effect on the prior either.

- 01:09:52:18 MITCHELL (O/S): In order for this thing to work...
- 01:09:53:21 MITCHELL (CONT'D): the way we want it to, it has to be broadcasting on the correct frequency. Unfortunately, we don't know what that frequency is, so we'll use a trial-and-error approach. This remote allows us to adjust the signal, and, sooner or later, we'll get the right one. Any questions thus far?
- 01:10:10:23 JOLAN: How will we know when it is working?
- 01:10:12:18 MITCHELL: Oh, we'll know when the prior is no longer able to use his powers.
- 01:10:15:09 HAIKON: And how will we know he'll no longer be able to use his powers?
- 01:10:18:11 MITCHELL: Well, someone is just going to have to test it and find out.

- 01:10:28:20 MITCHELL (CONT'D): Don't worry, fellas, that someone is me.
- 01:10:30:23 MITCHELL (CONT'D O/S): So it's simple. We disable the prior, we take a sample of...

01:10:34:07 MITCHELL (CONT'D): his blood, we send it back to the SGC, they finish the cure, we turn the prior against the Ori, and call it a day. Jackson, you're driving.

01:10:43:10 DANIEL: Ooh, yay.

01:10:44:23 MITCHELL: SG-22, I want you in defensive positions around the perimeter. There, there, there, and there. There's, um, one other small problem. We're not exactly certain what the range of that device is so, Haikon... I need you to get the prior as close as possible. Is that a problem?

- 01:11:03:20 HAIKON: No. No, it is not.
- 01:11:08:28 JOLAN: You are confident that this will work?
- 01:11:15:15 MITCHELL: Well, if it doesn't work, we're out of options.

END OF ACT ONE

## ACT TWO

01:11:39:15	BRA'TAC: I fear we have lost them.
01:11:41:21	TEAL'C: This battle is far from over.
01:11:43:15	BRA'TAC: But clearly, the Council was swayed.
01:11:45:16	TEAL'C: The task before us is daunting, but not impossible. The Jaffa nation has no appetite for war, particularly one that threatens to divide us.
01:11:53:19	BRA'TAC: Indeed, that much is certain.
01:11:55:20	TEAL'C: The Ori, on the other hand, will not abide opposition. They have already ordered Gerak to quell the dissension within our ranks.
01:12:01:24	BRA'TAC: Then we must retreat into the shadows and evade their attempts to find us.
01:12:05:25	TEAL'C: No. We must make a stand on Chulak. Faced with the prospect of inciting a civil war that would kill millions, the Council will be left with an impossible choice, but ultimately, they must decide between the Ori and their fellow Jaffa.
01:12:20:28	BRA'TAC: It is only by forcing their hand that they will see reason.

### STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B

- 01:12:24:07 TEAL'C: So I believe.
- 01:12:26:02 BRA'TAC: An enterprise this bold will require much support.
- 01:12:29:08 TEAL'C: Then let us gather a fleet to defend Chulak.
- 01:12:47:23 ORLIN (O/S): It's like catching a glimpse of someone from the corner of your eye...

01:12:51:18 ORLIN (CONT'D): then turning around, and they're gone. You begin to doubt whether you actually ever saw them in the first place.

- 01:13:04:15 ORLIN: (CONT'D): Tell me, Sam, how can you regret losing a memory you can't even remember?
- 01:13:14:20 CARTER: What are you working on?
- 01:13:16:26 ORLIN: Your instructions for assembling the cure in the event I'm too incapacitated to complete it myself. It's a... precaution we have to take.

01:13:30:02 ORLIN (CONT'D): The most frustrating part in all this is that I'm unable to control what I can hold onto, even for a little while. Crucial information I need to finish the cure is slipping through my fingers, while insignificant minutiae of my experience as an Ancient is still fresh and clear in my mind.

01:13:47:17 ORLIN (CONT'D O/S): In time, I'll lose it all, but for now...

- 01:13:51:07 ORLIN (CONT'D): it just doesn't seem fair.
- 01:13:56:15 CARTER: Is there anything I can do to help?
- 01:13:57:22 ORLIN: No. At this point, it's best if I work alone.

01:14:21:00 NEWSCASTER (V/O OVER TELEVISION): Despite the best efforts of all involved, the virus continues to spread at an alarming rate. The CDC advises anyone who suspects they have the virus or may have come in contact with someone who did to quarantine themselves--

- 01:14:32:23 HARRIMAN: Sir, we've just received word that China, Great Britain, and Russia have grounded all air travel and closed their ports to foreign ships.
- 01:14:39:16 LANDRY: This is out of control, and it's only going to get worse.
- 01:14:42:18 HARRIMAN: And according to General Hammond's office, our allies have expressed concern about the cover story, specifically, how long we can continue to maintain it. They've requested a meeting with you.
- 01:14:58:05 CHEKOV: So it is your estimation then, General, that the decision to send SG-6 to that particular planet was the right one?
- 01:15:05:10 LANDRY: As evidenced by this plague, we have no viable defense against the Ori. The purpose of the mission to 656 was to gather intelligence that might help us in that respect.

- 01:15:15:22 FRENCH REP: But admittedly the mission was a failure in the worst possible way, and, as a result, millions, perhaps billions, will lose their lives.
- 01:15:23:13 LANDRY: The newly appointed liaison between Stargate Command and the International Committee was informed of, and signed off on, the mission. Your representative...
- 01:15:32:02 LANDRY (CONT'D O/S): agreed it was the right call.
- 01:15:33:27 FRENCH REP: There is some concern that Mr. Woolsey may not have been fully apprised of all the possible ramifications. Now, to his credit, he still...
- 01:15:41:06 FRENCH REP (CONT'D O/S): supports your decision--
- 01:15:42:06 LANDRY: The Ori were going to strike at us sooner or later, and rather than sit back and...
- 01:15:45:12 LANDRY (CONT'D O/S): wait for it we were out there looking...
- 01:15:47:01 LANDRY (CONT'D): for a way to stop them, to stop this...
- 01:15:48:20 LANDRY (CONT'D O/S): from happening, and to...
- 01:15:49:00 LANDRY (CONT'D): start pointing fingers--
- 01:15:50:15 CHEKOV (OVERLAPPING O/S): General Landry--

STARGATE SG-1 "The 4 <sup>th</sup> Horseman Part 1" Episode #0910B		
01:15:50:20	LANDRY: at such a crucial	
01:15:51:16	CHEKOV: General Landry! The purpose of this meeting is not to assign blame	
01.15.56.29	CHEKOV (CONT'D O/S): but to arrive at a better understanding of how this happened	
01.15.59.24	CHEKOV (CONT'D): and, conversely, to avoid something like this ever happening again	
01:16:03:26	LANDRY: That's provided we get a second chance. Presently, we have no way of stopping this virus.	
01:16:10:26	LANDRY (CONT'D O/S): People are dying	
01:16:14:05	LANDRY (CONT'D): and there's not a damn thing we can do about it.	
01:16:21:20	CHA'RA: What you propose is madness.	
01:16:24:01	TEAL'C: So it may seem, but if the Council believes that we are mad and cannot be dissuaded from sacrificing our lives, then all the better. We must stake everything on the belief that, in the end, the Council will value the lives of their brothers over the empty promises of the Ori.	
01:16:38:22	(FOOTSTEPS APPROACHING)	

17

# STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B

01:16:44:20	TEAL'C: Time is short, brother. We must gather our forces
01:16:48:21	TEAL'C (CONT'D O/S): for the bigger our army, the more lives that Gerak must
01:16:51:10	TEAL'C (CONT'D): choose to take. We must make this decision as difficult as we can for him.
01:16:55:26	CHA'RA: Gerak is no longer one of us. He is a prior now.
01:16:58:21	TEAL'C: Gerak may be a prior, but I have no doubt that part of him remains Jaffa, and that is the part we must seek out.
01:17:07:19	CHA'RA: I still believe this plan to be madness, but then, I once considered the very notion of defeating the Goa'uld a mere fantasy.
01:17:18:17	CHA'RA (CONT'D): Prove me wrong yet again, Teal'c. You have my support.
01:17:25:00	BRA'TAC: Thank you, brother.
01:17:39:25	MITCHELL: He's on his way.
01:17:40:17	MITCHELL (V/O OVER RADIO): Jackson.
01:17:42:22	DANIEL: Ready.

- 01:17:50:05 MITCHELL: All right, everybody, sit tight. Wait for my signal. Remember, we need this guy alive.
- 01:18:09:02 PRIOR #2: You went to the planet as I had asked of you.
- 01:18:12:03 HAIKON (O/S): We did.
- 01:18:13.25 PRIOR #2: And yet the non-believers...
- 01:18:14:25 PRIOR #2 (CONT'D O/S): still live.
- 01:18:16:20 HAIKON: They do.
- 01:18:19:04 PRIOR #2 :Why have you disobeyed the will of the Ori?
- 01:18:23:18 HAIKON: Because we take orders from no one.
- 01:18:26:26 PRIOR #2: The Ori offer you enlightenment, immortality.
- 01:18:30:15 JOLAN: Even if that were true, their price is too high. What they ask of us goes against the very spirit of the Sodan.
- 01:18:38:05 PRIOR #2: You doubt the power of the Ori.
- 01:18:40:19 HAIKON: It is not their power that we doubt, it's their worthiness as gods.

- 01:18:45:29 (REMOTE DEVICE BEEPING O/S)
- 01:18:48:00 (ZAT BLAST)
- 01:18:49:00 (HAIKON AND JOLAN SCREAMING)
- 01:18:52:11 DANIEL: That's not it.
- 01:18:53:20 (ZAT BLAST)
- 01:18:57:23 (ZAT BLAST)
- 01:19:00:10 DANIEL: That's not it either.
- 01:19:05:14 (ZAT BLAST)
- 01:19:10:25 PRIOR #2: Andras chose to hunt the lion and was eaten by his prey.
- 01:19:14:12 DANIEL: Come on.
- 01:19:17:04 PRIOR #2: It was unwise of you to challenge me.
- 01:19:20:01 MITCHELL: Yeah, well, I wouldn't mind another crack at it.

### END OF ACT TWO

## ACT THREE

01:19:42:01	PRIOR #2: What did you hope to achieve by attacking me? Did you honestly
	believe it was possible to capture me?
01:19:48:04	MITCHELL: Well, that was the plan.
01:19:49:12	PRIOR #2 (O/S): And what purpose would that have served?
01:19:49:12	(REMOTE CONTROL BEEPING SIMULTANEOUSLY)
01.10.10.12	
01:19:58:04	(REMOTE CONTROL BEEPING)
01:20:16:19	(ZAT BLAST)
01:20:24:21	LANDRY: George
01-00-05-01	
01:20:25:21	HAMMOND (O/S): Hank, how was the grilling?
01:20:27:01	LANDRY: Medium-rare. I just got off the phone with the CDC. A flight left Salt
	Lake City three days after the contagion was identified. It made a
	stopover at O'Hare before continuing on to its final destination, Charles
	de Gaulle airport.
01:20:41:06	HAMMOND: You're telling me the virus has already reached Paris?

- 01:20:45:00 LANDRY: Three of the people on that flight have tested positive for the virus. French authorities are doing all they can to track down the passengers, flight crew, any ground crew, or airport personnel...
- 01:20:54:19 LANDRY (CONT'D O/S): that may have come in contact with them.
- 01:20:56:24 HAMMOND: And anyone who came into contact with them and anyone who came into contact with those people. You know, at the rate this thing is traveling, in three days, it'll hit the Middle East. Six days, it'll be in China.
- 01:21:06:14 LANDRY: Stock market has already taken a dive, and people are panicking. If this thing spreads far enough and does enough damage, it could start destabilizing governments.
- 01:21:17:06 LANDRY (CONT'D): We're going to have to be prepared for any and all possibilities.
- 01:21:22:13 (REMOTE BEEPING)
- 01:21:42:24 DANIEL: Yeah, we took the liberty of borrowing a sample of your blood. Hope you don't mind.
- 01:21:51:16 MITCHELL: You looking for this?
- 01:21:54:03 MITCHELL (CONT'D): Whoa! No...that's not going to work.

- 01:21:58:16 DANIEL (O/S): That warm fuzzy feeling you're...
- 01:22:01:16 DANIEL (CONT'D): experiencing may be the effects of a device that's inhibiting your ability to concentrate and focus your powers.
- 01:22:06:05 MITCHELL: Symptoms may include dizziness, irritability--
- 01:22:09:12 DANIEL: Nausea.
- 01:22:10:04 MITCHELL: Mild nausea, and a condition known as hot dog fingers.
- 01:22:14:08 PRIOR #2 (O/S): It makes no difference what you do...
- 01:22:15:14 PRIOR #2 (CONT'D): to me, but know this--the Ori are all-seeing.
- 01:22:22:00 PRIOR #2 (CONT'D O/S): They are already aware of this affront to their eminence and shall...
- 01:22:26:25 PRIOR #2 (CONT'D): strike down those who dare to defy them.
- 01:22:30:18 MITCHELL: Nothing yet. You?
- 01:22:31:19 DANIEL: Drawing a blank.
- 01:22:34:03 DANIEL (CONT'D): A little thirsty.

### STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B

- 01:22:35:08 MITCHELL: That doesn't count.
- 01:22:35:45 DANIEL: No, it doesn't.
- 01:22:36:24 PRIOR #2: Their movements are not so easily divined...
- 01:22:39:13 PRIOR #2 (CONT'D O/S): their ways unseen and veiled in mystery.
- 01:22:42:09 DANIEL: Right, right. They "have a plan." I don't suppose you want to tell us what that is. Why did they send you to this galaxy in the first...
- 01:22:49:40 DANIEL (CONT'D O/S): place?
- 01:22:50:10 PRIOR #2: We are beacons on the road to enlightenment.
- 01:22:52:12 MITCHELL: (O/S): No.
- 01:22:53:25 MITCHELL (CONT'D): You're Darkside Intergalactic Encyclopedia Salesmen. Unfortunately, the home office hasn't been quite upfront with you.
- 01:22:59:15 DANIEL: Nice work on the metaphor.
- 01:23:00:17 MITCHELL: Thank you.
- 01:23:01:12 DANIEL: Well, for starters, did you know that the Ori need people to worship them because that's how they gain their power?

# STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B 01:23:09:15 MITCHELL: He didn't know. 01:23:10:20 DANIEL No, he didn't know that. No, it's true. 01:23:12:23 DANIEL (CONT'D O/S): We're not exactly sure how it works, but from what I've heard... 01:23:15:25 DANIEL (CONT'D): they actually drain power from their followers. 01:23:19:05 DANIEL (CONT'D O/S): That's why they need worshipers. 01:23:21:01 MITCHELL: You should talk to them about it the next time you're home. 01:23:23:06 DANIEL: Yeah, they might do a better job explaining the process to you. 01:23:25:00 PRIOR #2 (O/S): Ours... 01:23:25:15 PRIOR #2 (CONT'D): is not to question but to rejoice in their service, for they are perfection. 01:23:29:12 DANIEL (O/S): No, not really... 01:23:31:05 DANIEL (CONT'D): because a perfect being wouldn't need to lie to ensure the loyalty of their followers. They wouldn't need to promise you ascension if they had no intention of delivering it.

01:23:43:09	PRIOR #2: Those who follow the path of righteousness shall be raised up high.
01:23:46:00	MITCHELL (O/S): No
01:23:47:10	MITCHELL (CONT'D): they won't, because the Ori do not share power. They're using you.
01:23:57:23	PRIOR #2: Pity not the blind man
01:23:59:20	PRIOR #2 (CONT'D O/S): for he is hindered not by the visions of this world, but rather pity yourselves
01:24:04:23	MITCHELL: Blah, blah, blah, blah, blah, blah, blah.
01:24:07:00	PRIOR #2:for he shall see the light before you.
01:24:09:22	MITCHELL: I'm going to get something to eat.
01:24:27:15	(GLASS SHATTERING)
01:24:29:29	CARTER: Orlin!
01:24:33:06	JOHNSON: Dammit!
01:24:34:20	(ALARM SOUNDING)

- 01:24:35:10 CARTER: Are you okay?
- 01:24:36:10 ORLIN: I'm fine.
- 01:24:37:13 JOHNSON: No, no, he is not fine.
- 01:24:38:10 CARTER: Colonel--
- 01:24:39:15 JOHNSON (O/S): He hasn't...
- 01:24:39:20 JOHNSON (CONT'D): been fine in two days. He has demonstrated lapses in judgment that put everyone in this room at risk.
- 01:24:43:17 CARTER: Colonel, that is enough.
- 01:24:48:05 ORLIN: No, he's right, Sam.
- 01:24:50:00 ORLIN (CONT'D O/S): I can't help you anymore.
- 01:24:52:07 ORLIN (CONT'D): I'm just in the way here.
- 01:25:14:15 TEAL'C: Reflecting on your ill-spent youth, old man?
- 01:25:20:15 BRA'TAC: In truth, I was thinking of you. If this gamble succeeds, you will have once again proven yourself a great leader... perhaps the only one capable of uniting this fractured Jaffa nation.

01:25:36:25

	galaxy, my place is with SG-1.
01:25:43:08	BRA'TAC: I understand. Even so, there is no doubt we are the poorer for it.
01:25:52:05	TEAL'C: I disagree. After our great victory this day, Gerak's influence over our people shall wane.
01:25:58:02	TEAL'C (CONT'D O/S): Then our nation will rally under the command of a great leader
01:26:04:02	TEAL'C (CONT'D): that is, if he has the courage to accept the challenge.
01:26:09:01	BRA'TAC: Me?
01:26:10:01	TEAL'C: Who better?
01:26:12:06	TEAL'C (CONT'D): Tell me.
01:26:14:20	BRA'TAC: No, there are many others.
01:26:16:18	TEAL'C: There are many others who covet the position, but none who possess the strength and wisdom only you can offer.

TEAL'C: My heart is indeed with our people, but as long as the Ori threaten this

01:26:24:16 BRA'TAC: It was not too long ago we faced a similarly impossible task, and yet, on that day, despite the odds, we finally ended generations of oppression and...

01:26:35:26 BRA'TAC (CONT'D O/S): struggle by securing victory over Ba'al's fleet.

- 01:26:39:02 TEAL'C: Mm...
- 01:26:40:16 BRA'TAC: I remember standing on the peltac of that mothership, just as I am doing now, waiting for the battle to begin, yet knowing no matter what the outcome, it would be the last time I would have to take the life of a fellow Jaffa.
- 01:27:04:29 TEAL'C: No Jaffa blood will be spilled on this day. On that you have my word.
- 01:27:24:14 HARRIMAN: Sir, we have confirmed cases in Bonn, Amsterdam, Rome, and Madrid. We have suspected cases in London and Athens. The WHO. has teams en route. Meanwhile, there are suspected cases on the African continent. Some of the military leaders in the region have already declared martial law.
- 01:27:38:20 LANDRY: Thank you, Chief. Colonel, how are things progressing?

- 01:27:42:03 CARTER: They're not, sir. As you know, the contagion's rapidly mutating nature necessitated our acquiring a specimen of DNA from the original virus. We finally managed to get a blood sample from the prior who started the plague, but so far, it hasn't helped. It looks like we've hit a dead end.
- 01:27:55:10 LANDRY: Let's hope "looks like" is the operative sentiment here.
- 01:27:57:10 CARTER: Yes, sir.
- 01:28:09:05 LANDRY: Orlin? Sorry to disturb you.
- 01:28:11:17 ORLIN: Not at all, General. Please.
- 01:28:15:00 LANDRY: I'd like to thank you for everything you've done.
- 01:28:18:00 ORLIN: I wish it could have been... more.
- 01:28:20:27 LANDRY: Well, you got us as far along as you could. The rest is going to have to be up to us. Orlin, I realize I have no right to ask this of you, but there is something else you might be able to do for us.
- 01:28:43:09 ARON: Numerous vessels dropping out of hyperspace.

01:29:04:10 GERAK (V/O OVER MONITOR): You're outnumbered. Retreat is no longer an option. I do not want to slaughter you, but I will if you give me no choice. So what say you, Teal'c?

END OF ACT THREE

#### ACT FOUR

01:29:42:11	TEAL'C: I still have hope this situation can be peacefully resolved, Gerak. Let us
	meet on the planet's surface and discuss.

- 01:29:50:12 GERAK (V/O OVER MONITOR): Very well.
- 01:29:59:16 MITCHELL: It's a Norwegian cheese, I think, spelled with a "G" or a "J", maybe both. "Jgetost" or "Gjetost," something like that. So then what you do is you dice up the cheese, you toss it in with the egg whites, then you chop up some avocado, throw it all together, whoa, daddy! You've got yourself a wicked omelet.
- 01:30:21:24 MITCHELL (CONT'D): General. We're just exchanging...
- 01:30:24:55 MITCHELL (CONT'D O/S): recipes.
- 01:30:25:02 LANDRY: I heard. Has he offered up anything?
- 01:30:30:26 MITCHELL: No, sir, the man doesn't even have a decent pie crust.
- 01:30:33:19 LANDRY: The Ori are not going to ascend you. They lied to you...
- 01:30:36:22 LANDRY (CONT'D O/S): and anyone else they could take advantage of.

- 01:30:40:07 PRIOR #2: Let not the words of deceivers lead you to doubt, nor the enticements they offer cause you to stray.
- 01:30:45:22 LANDRY: Exactly, and the sad fact is, you gave it all up for nothing. The life you had is gone. The Ori...
- 01:30:52:20 LANDRY (CONT'D O/S): took it away from you.
- 01:30:52:22 PRIOR #2: Blessed are the true believers...
- 01:30:55:07 PRIOR #2 (CONT'D O/S): for only they shall walk the path...
- 01:30:58:09 PRIOR #2 (CONT'D): and they shall be welcomed unto the realm of the Ori and made as one with them.
- 01:31:01:12 LANDRY: What did you leave behind? A wife?
- 01:31:06:05 LANDRY (CONT'D O/S): Children?
- 01:31:10:10 LANDRY (CONT'D): I have a grown daughter. I wasn't around much when she was growing up. That's something I'll always regret. Do you ever think about your kids?
- 01:31:21:17 LANDRY (CONT'D O/S): The time you spent with them and things you used to do together...

- 01:31:26:02 LANDRY (CONT'D): before you threw it all away?
- 01:31:30:27 LANDRY (CONT'D): But how would I know whether the Ori are ascending people or not? The truth is, I don't know for sure, but he does.
- 01:31:43:10 ORLIN: Hello, Damaris.
- 01:31:46:04 PRIOR #2: Who are you? How do you--

01:31:49:02 ORLIN: Know? Your entire life was an open book to me the moment you set foot in this galaxy.

01:31:56:24 ORLIN (CONT'D O/S): I was once ascended, but I took this form because it was the only way to warn the humans about the Ori.

01:32:04:24 ORLIN (CONT'D): Since I made that decision, I've paid a heavy price in terms of the effect it's had on my mind, the memories I've lost.

01:32:14:01 PRIOR #2: Life and death, light and darkness, hope and despair. The rift was created, and on that day, the Ori were born.

01:32:21:23 ORLIN: But every so often, something will stir in me, and if I push myself hard enough, I'll remember, one more time, before it leaves me forever. Your name, Damaris.

01:32:33:06 ORLIN (CONT'D O/S): Your wife, Adina. Your sons, Jaden and Allon.

- 01:32:37:15 PRIOR #2: But the hatred of those who strayed from the true path festered and bloomed in the dark corners of the Avernikas to which they had been cast!
- 01:32:44:01 ORLIN: And the fact that the Ori have never ascended any of their followers.
- 01:32:48:28 PRIOR #2: And consumed by this hatred, they poisoned all they touched, bringing death, darkness, and despair!
- 01:32:55:00 ORLIN: You know that as an Ancient I wouldn't lie to you.
- 01:32:57:13 PRIOR #2: And the souls of their victims knew no peace until the Ori came and whispered to them, "Sleep, for the end draws near."
- 01:33:05:20 (ZAT BLAST)
- 01:33:07:22 MITCHELL (SCREAMING O/S): He's overcome the device!
- 01:33:09:05 PRIOR #2 (O/S): And on that day...
- 01:33:11:09 PRIOR #2 (CONT'D): all will rejoice...
- 01:33:12:09 PRIOR #2 (CONT'D O/S): when the Ori come and lay them low!
- 01:33:14:10 (GUN FIRES O/S)

# STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B 01:33:15:18 DANIEL: General! 01:33:19:18 LANDRY (O/S): I'm fine. 01:33:21:00 LANDRY (CONT'D): What was he saying? 01:33:22:00 ORLIN (O/S): He just told ... 01:33:22:25 ORLIN (CONT'D): you why the Ori are on their way to this galaxy. ORLIN (CONT'D): They're coming to destroy the Ancients. 01:33:28:15 01:33:43:25 GERAK: You have made the right choice. There is no honor in fighting an unwinnable battle. 01:33:51:10 TEAL'C: Nor peace at the hands of a tyrant. 01:33:54:22 GERAK: I assure you, the Ori are not the Goa'uld. 01:34:00:12 TEAL'C: Have we truly lived as slaves for so long that we must fear being free? 01:34:04:11 GERAK: It has nothing to do with freedom. Enlightenment is just within our reach. 01:34:09:25 TEAL'C: Or so the Ori would have us believe.

01:34:36:07 GERAK: Why have you led me here?

- 01:34:37:07 TEAL'C: I thought it fitting that on this day when we must sacrifice our short-lived freedom, that we do so here...
- 01:34:45:27 TEAL'C (CONT'D O/S): at the site of the Battle of Tazek'Sur...
- 01:34:48:03 TEAL'C (CONT'D): where your father gave his life for this very cause.

01:34:54:25 TEAL'C (CONT'D): You began to doubt the Goa'uld long before this rebellion took shape, Gerak. It was your father's death at their hands that led you to question what...

- 01:35:02:29 TEAL'C (CONT'D O/S): god is so deserving of my worship.
- 01:35:06:14 GERAK: You were not the one who was chosen. You did not witness the wonders I beheld.
- 01:35:14:16 TEAL'C: Did they raise the dead? Heal the sick and wounded? Destroy their enemy with but a wave of their hand?
- 01:35:24:00 GERAK: The Goa'uld deceived us. The Ori's powers are pure.
- 01:35:31:00 TEAL'C: And what is the measure of a god, Gerak? Is it the scope of their power, or how they choose to wield that power?
- 01:35:38:09 TEAL'C (CONT'D O/S): Would a god who is prepared to lead us on the path of enlightenment...

01:35:42:22 TEAL'C (CONT'D): so contradict this divine benevolence by destroying all those who refuse to believe in him?

- 01:35:50:00 GERAK: Those who refuse to believe must die.
- 01:35:58:20 TEAL'C: I understand how difficult this must be for you, Gerak. Nearing your final years, you so desperately long for the enlightenment that we all seek.
- 01:36:08:15 TEAL'C (CONT'D O/S): This is not the way to save yourself.
- 01:36:13:15 GERAK: I only wanted to avoid bloodshed.
- 01:36:17:01 TEAL'C (O/S): Stay this course...
- 01:36:18:02 TEAL'C (CONT'D): and you will have no choice but to spill the blood of your brothers...
- 01:36:25:15 TEAL'C (CONT'D): and you may start with me.
- 01:36:28:20 TEAL'C (CONT'D): For if I have a choice between resistance or returning to the life of slavery, then I choose to die free.
- 01:36:48:15 LANDRY: I'm telling you, I'm fine. Carolyn, can you tell these people I'm fine.

01:36:54:00 LAM: You're not fine. Your blood work came back positive. You have the virus.

END OF ACT FOUR

## ACT FIVE

01:37:26:00	HAMMOND: It's always darkest before the dawn. My uncle used to say that all the					
	time. He was a wedding planner.					
01:37:31:10	CARTER: General Hammond					
01:37:32:11	HAMMOND: At ease.					
01:37:33:11	CARTER: Sir, when did you arrive?					
01:37:35:11	HAMMOND: Well, I've been here a while, Colonel, but you were busy and I thought it was best not to disturb you. Colonel Mitchell					
01:37:42:11	HAMMOND (CONT'D O/S): congratulations on getting the band back together.					
01:37:44:18	MITCHELL: Thank you, sir. It wasn't easy.					
01:37:46:26	HAMMOND: No, but worth it.					
01:37:48:11	HAMMOND (CONT'D O/S): You couldn't ask for three better people watching your back.					
01:37:52:14	HAMMOND (CONT'D): I'm sorry I won't get a chance to see Teal'c before I go.					
01:37:55:26	CARTER: You're leaving, sir?					

01:37:57:01	HAMMOND: I'm off to Peterson	. I've been ca	lled back to	Washington.

- 01:37:59:22 DANIEL: Well, it's good to see you again, sir.
- 01:38:03:15 HAMMOND: It's good to see you, too, all of you. Give my best to Teal'c. Take care of each other. Take care of General Landry, too.
- 01:38:25:29 LAM (O/S): You're awake.
- 01:38:28:19 LAM (CONT'D): How are you feeling?
- 01:38:32:13 LANDRY (V/O OVER INTERCOM): After that little nap, better than I've felt all day. How's that for irony?
- 01:38:37:20 LANDRY (V/O OVER INTERCOM CONT'D O/S): How are Mitchell and Dr. Jackson?
- 01:38:41:21 LAM: They're clean.
- 01:38:42:28 LANDRY: And Orlin?
- 01:38:45:15 LAM: I just ran a battery of tests on him. I'm afraid the effort of drawing out all those memories has taken a toll, accelerated the degenerative process, so he's in his quarters, resting.
- 01:38:55:05 LANDRY: You look tired, Carolyn. You should get some...

### STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B

- 01:38:58:02 LANDRY (V/O OVER INTERCOM O/S): sleep.
- 01:38:58:03 LAM: I can't, not yet.
- 01:39:00:16 LANDRY: I can make that an order.
- 01:39:02:03 LAM: The last time you ordered me to bed I think I was six.
- 01:39:05:16 LANDRY: You were just as stubborn back then.
- 01:39:07:21 LAM: I spoke to Mom recently.
- 01:39:11:18 LANDRY: How is she?
- 01:39:13:01 LAM (V/O OVER INTERCOM): Worried.
- 01:39:13:18 LAM (CONT'D): All those years that I was growing up, I resented the fact that you never told us anything about your work...
- 01:39:19:16 LAM (V/O OVER INTERCOM CONT'D O/S): about why you had to leave us for days, sometimes weeks at a time, but now...
- 01:39:30:19 LAM (CONT'D): I'm beginning to understand how hard it must have been for you.
- 01:39:39:00 LAM (V/O OVER INTERCOM CONT'D O/S): Talking to Mom the other day, I

wanted to reassure her, to tell her everything, but I couldn't.

# STARGATE SG-1 "The 4<sup>th</sup> Horseman Part 1" Episode #0910B 01:39:45:10 LAM: (CONT'D): It was hard. HARRIMAN (V/O): Unscheduled off-world activation. 01:39:49:20 01:39:49:20 (KLAXONS SOUNDING SIMULTANEOUSLY) 01:40:02:25 HARRIMAN (CONT'D): It's Teal'c. TEAL'C (V/O OVER INTERCOM): Lower your weapons. 01:40:12:00

- 01:40:20:18 CARTER: This is Colonel Carter. Stand down.
- 01:40:46:00 LAM: What's...
- 01:40:46:15 LAM (CONT'D O/S): going on?
- 01:40:47:15 TEAL'C: Gerak has arrived to assist us.
- 01:40:57:26 TEAL'C (CONT'D V/O OVER INTERCOM): Why do you hesitate, Gerak?
- 01:41:01:08 GERAK: If I help you, I will die...
- 01:41:05:19 GERAK (CONT'D V/O OVER INTERCOM): but I will die free!
- 01:41:21:19 TEAL'C (SHOUTING): Gerak!

01:41:32:23 MITCHELL: What the hell just happened?

01:41:35:09 CARTER: I thought the Ori weren't able to take action in this galaxy without inciting the Ancients.

01:41:39:06 DANIEL: They can't.

01:41:40:12 DANIEL (CONT'D O/S): It must've been some sort of physiological failsafe they put in place when they made him a prior...

- 01:41:44:09 DANIEL (CONT'D): in the event he ever turned.
- 01:41:46:20 LAM: They're normalizing. It worked.

01:42:01:04 NEWSCASTER (V/O OVER TELEVISION O/S): The final death toll of the pandemic has been estimated at a little over 3,000 worldwide, but health officials are quick to point out that it could have been much worse. As distribution of the vaccine continues, many have begun to ask how this could have happened in the first place...

01:42:16:25 NEWSCASTER (V/O OVER TELEVISION CONT'D): and more to the point, where did this virus originate?

01:42:20:24 LANDRY: We were lucky. There might not be someone like Gerak to help us next time.

- 01:42:26:08 LAM: It wasn't just Gerak. He cured the people in the base. From them, we were able to isolate an antibody and manufacture a vaccine using Orlin's formula. Thanks to Orlin's work, we should be able to prevent the priors from attacking us this way again.
- 01:42:39:19 MITCHELL: Oh, I reckon they've got a pretty wide repertoire.
- 01:42:41:15 TEAL'C: The Ori will undoubtedly view this defeat as nothing more than a minor setback. It will not be enough to dissuade them from continuing their incursion into this galaxy.
- 01:42:49:22 DANIEL: Certainly not if their end game is to destroy the Ancients.
- 01:42:52:16 LANDRY: Given the fact that they're personally threatened, do you think the Ancients will take measures to defend themselves?
- 01:42:57:01 DANIEL: If it comes to that, it's possible, but I think we're a long way from the Ori posing the Ancients a serious threat.
- 01:43:01:24 MITCHELL: No, they're just a threat to everyone else in the galaxy.
- 01:43:06:04 MITCHELL (CONT'D): So how's Orlin?
- 01:43:07:22 LANDRY: His condition has stabilized, but I'm afraid the damage has already been done.

- 01:43:30:25 CARTER: Hello.
- 01:43:31:08 ORLIN: Hi. Who are you?
- 01:43:35:15 CARTER: My name is Samantha.
- 01:43:39.20 CARTER (CONT'D): Do you need help with this?
- 01:43:41:00 ORLIN: Sure.
- 01:43:46:20 ORLIN (CONT'D): I finished the outside, so you can help me with the inside.
- 01:43:50:23 CARTER: Okay.

END OF ACT FIVE

FADE TO BLACK

END OF EPISODE
