TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

RECAP

01:00:00:26 TEAL'C: (V/O): Previously on Stargate SG-1...

01:00:02:20 MITCHELL: Merlin? "King Arthur and the Knights of the Round Table" Merlin?

01:00:06:15 DANIEL: Yes.

01:00:07:13 MITCHELL: Was an Ancient?

01:00:08:11 DANIEL: I think so.

01:00:09:08 LANDRY: What does this have to do with where this alleged treasure is buried?

01:00:12:11 DANIEL (V/O): Certain threads point to the Knights of the Round Table gathering
 great treasures from the far corners of Arthur's domain, and hiding them
 in a magical stronghold at Avalon.

01:00:21:20 (BLAST)

01:00:26:12 TEAL'C (V/O): All free Jaffa have always had the greatest respect for the warriors
 of the Sodan.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:00:31:04 (BLAST)

01:00:33:18 VOLNEK: Granting my freedom changes nothing, Mitchell.

01:00:42:03 VOLNEK (CONT'D): We will meet again.

END OF RECAP

TEASER

01:00:57:05 MITCHELL (O/S): You are still working on that thing?

01:01:00:12 CARTER: Oh, hi.

01:01:03:01 MITCHELL: Did you sleep here last night?

01:01:04:18 CARTER: Of course not. I slept down the hall in my quarters.

01:01:09:17 MITCHELL: Sam--

01:01:10:21 CARTER: This device was recovered from the cave under Glastonbury. Who
knows what Ancient secrets it may hold.

01:01:15:18 MITCHELL: Well, obviously not you...

01:01:17:12 MITCHELL (CONT'D O/S): or Dr. Lee, who's been working on that thing for, what,
six months? I...

01:01:22:07 MITCHELL (CONT'D): think it's time we let the eggheads at Area 51 take a crack
at it.

01:01:25:23 CARTER: Not yet. I--I'm actually making some progress here.

01:01:29:29 MITCHELL: That's what you said last night.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:01:32:27 MITCHELL (CONT'D O/S): And I'm hankering for hash browns...

01:01:34:87 MITCHELL (CONT'D): so, let's go grab some breakfast.

01:01:37:18 CARTER: Hey. This is interesting. This is the first time one of my verification scans kicked back a positive result.

01:01:45:04 MITCHELL: Does this mean I'm not getting my hash browns?

01:01:47:22 CARTER: It means this device is interactive.

01:01:50:22 CARTER (CONT'D O/S): I am reading an E.M. output that keeps fluctuating between high and low fre-...

01:01:54:02 CARTER (CONT'D): quencies. I'm going to try to stabilize it.

01:01:57:11 MITCHELL: Sure. What have you got to lose?

01:02:03:20 (BRIGHT LIGHT SPILLS OUT OF ROOM)

END OF TEASER

ACT ONE

01:03:33:20 CARTER: You okay?

01:03:34:28 MITCHELL: Yeah, fine. Wha--What just happened?

01:03:38:00 (HOLOGRAPHIC INTERFACE IS PROJECTED)

01:03:41:03 MITCHELL: Whoa. Nicely done.

01:03:46:11 MITCHELL (CONT'D): Can you read that?

01:03:48:02 CARTER: My Ancient's a little rusty.

01:03:49:25 MITCHELL: Right. We need Jackson.

01:03:53:23 CARTER (O/S): Hey, Bill.

01:03:54:17 CARTER (CONT'D): Good timing. Take a look at this.

01:04:07:21 MITCHELL: Yo, Doc, amazing discovery...

01:04:08:23 MITCHELL (CONT'D O/S): over here.

01:04:11:01 CARTER (O/S): Bill, you okay?

01:04:13:18 (DR. LEE PASSES THROUGH CARTER)

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:04:14:20 MITCHELL: Oh! What the hell?

01:04:23:05 MITCHELL (CONT'D): What was that?

01:04:24:21 CARTER: I don't know.

01:04:32:00 MITCHELL: Okay, you're solid.

01:04:39:18: CARTER: It's the device.

01:04:41:28 CARTER (CONT'D O/S): By initiating it we must've...

01:04:42:23 CARTER (CONT'D): triggered some sort of localized effect.

01:04:47:02 MITCHELL: "Local" meaning you and me?

01:04:48:18 CARTER (O/S): Yeah.

01:04:51:25 CARTER (CONT'D): Try picking up that coffee cup.

01:05:00:11 CARTER (CONT'D): Oh, boy. We need to find Daniel.

01:05:03:08 MITCHELL (O/S): "Out of phase?"

01:05:04:05 MITCHELL (CONT'D): What does that mean?

01:05:05:09 CARTER: It means we may have shifted to an alternate dimension.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:05:07:24 MITCHELL: And there are an infinite number of alternate dimensions.

01:05:09:22 CARTER: No, no, no, that's alternate realities.

01:05:11:17 MITCHELL: So, when the other SG-1s showed up--

01:05:13:20 CARTER: Completely different problem. See, according to M-theory, that unites
 the five superstring theories, there are several spatial dimensions--11,
 actually, that exist in parallel with our physical reality. Now, these...

01:05:25:25 CARTER (CONT'D O/S): higher dimensions--

01:05:26:15 MITCHELL: No, I'll take your word for it. That was alternate reality. This is
 alternate dimension. Hell, all I need is a good time-travel adventure and
 I've scored the SG-1 Trifecta. Now, how is Jackson supposed to help us
 with this?

01:05:36:15 CARTER (O/S): Well, a similar thing...

01:05:37:18 CARTER (CONT'D): happened to him a few years ago.

01:05:41:23 MITCHELL: PX7-377-- the Crystal Skull.

01:05:44:10 CARTER: You really did read every report from every mission we ever went on,
 didn't you?

01:05:47:24 MITCHELL: I was in that hospital a long time, and they were all riveting.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:05:51:11 CARTER: Anyway, when Daniel was out of phase and nobody could see him, except for his grandfather, Nicholas Ballard.

01:05:56:22 MITCHELL: And because the same thing happened to Ballard in Belize, Jackson should be able to see us because we're all part of the same club.

01:06:03:16 CARTER: Right.

01:06:05:12 MITCHELL: Perfect.

01:06:13:05 LANDRY: Teal'c, have you seen Colonel Mitchell?

01:06:15:22 TEAL'C: I have not.

01:06:17:00 LANDRY: I'm going to need to talk to your team. SG-12 just got back from P8T-474, and it looks like we may have a timeline for whatever it is the Priors are planning. According to the natives, this "Doomsday" the Priors keep talking about may be only days away.

01:06:33:18 TEAL'C: I will inform the others.

01:06:44:02 MITCHELL (O/S): Jackson, just the guy to help us...

01:06:45:21 MITCHELL (CONT'D): with a little problem.

01:06:47:02 (JACKSON WALKS THROUGH MITCHELL)

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:06:50:00 MITCHELL: Or not.

01:06:52:25 CARTER: The dimension we're occupying must be different from the one he was shifted to.

01:06:56:28 MITCHELL: Alternate, alternate dimensions?

01:06:59:20 CARTER: Something like that, yeah.

01:07:02:18 MITCHELL: Okay. So, what do we do?

01:07:06:18 CARTER: We have to find a way to communicate with them.

01:07:10:21 MITCHELL: Any ideas?

01:07:11:17 HARRIMAN (V/O OVER RADIO): Unscheduled off-world activation!

01:07:14:09 (DANIEL RUNNING)

01:07:20:05 DANIEL: What have we got?

01:07:21:10 HARRIMAN: No IDC, sir, but I am receiving a radio signal.

01:07:24:16 LANDRY: Let's hear it.

01:07:26:06 (GARBLED TRANSMISSION CRACKLING)

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:07:30:06 LANDRY (O/S): What's...

01:07:30:17 LANDRY (CONT'D): wrong with it?

01:07:31:10 CARTER (O/S): Sounds like harmonic distortion in the data stream.

01:07:33:09 HARRIMAN: I'm not sure, sir.

01:07:34:05 LANDRY (O/S): Can you clean it up?

01:07:35:15 HARRIMAN: I can try, sir.

01:07:37:22 (GATE SHUTS OFF)

01:07:41:19 DANIEL: Okay, that sounded like something hitting the iris.

01:07:44:12 LANDRY: Any way to know for sure what it was?

01:07:46:06 HARRIMAN (O/S): We can run some tests.

01:07:48:12 LANDRY: Do it. And get Colonel Carter down here to help unscramble that
message.

01:07:51:07 HARRIMAN: Yes, sir.

01:08:02:02 HARRIMAN: I can't make heads or tails of this.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:08:03:20 CARTER: That's because the filter coefficient has to be adaptive.

01:08:09:05 CARTER (CONT'D): The filter coefficient has to be adaptive.

01:08:12:20 TECHNICIAN: Hey, wait a minute--

01:08:13:25 CARTER: There you go. Notice the slight variance in the output.

01:08:18:12 CARTER (CONT'D): Notice it...Come on! Notice it!

01:08:24:20 TECHNICIAN: Never mind.

01:08:25:18 CARTER: Gosh!

01:08:32:17 LANDRY: What do you mean, they're missing?

01:08:34:09 TEAL'C: They are not in their quarters, nor are they responding to any attempt to
contact them.

01:08:38:03 LANDRY (O/S): Is it...

01:08:38:13 LANDRY (CONT'D): possible they aren't even on the base?

01:08:40:04 DANIEL: We checked the front gate. Neither of them signed out.

01:08:42:13 LANDRY: What about security footage?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:08:43:19 DANIEL (O/S): We're reviewing tapes for both the...

01:08:45:03 DANIEL (CONT'D): labs and the cafeteria, but beyond that, well, there are
hundreds of cameras and hours of tape, so...

01:08:52:01 LANDRY: Then we'll screen them all if we have to. I want them found.

01:09:01:14 MITCHELL: Boy, am I getting that "Patrick Swayze in Ghost" feeling.

01:09:08:11 MITCHELL (CONT'D): General.

01:09:10:03 MITCHELL (CONT'D): We need a Whoopi.

01:09:19:20 LANDRY: Walter.

01:09:21:09 HARRIMAN: We managed to clean up the message, sir.

01:09:22:18 CARTER: Finally.

01:09:24:01 HARRIMAN (O/S): We noticed a slight variance in the output, so we ran it through
a sequence ...

01:09:27:10 HARRIMAN (CONT'D): of digital filters and we came up with this.

01:09:29:19 (DISTORTED MESSAGE CRACKLING)

01:09:30:10 VOICE (V/O OVER RADIO): Stargate Command...the Sodan. Please respond.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:09:34:06 LANDRY: Did he say "Sodan"?

01:09:35:16 VOICE (V/O OVER RADIO): under attack. Many have fallen. We request
immediate assistance.

01:09:38:01 (STATIC)

01:09:40:05 HARRIMAN: That's when we heard the impact against the iris...

01:09:41:28 HARRIMAN (CONT'D O/S): sir.

01:09:42:11 TEAL'C: General Landry, we should investigate.

01:09:44:06 LANDRY: Agreed. Assemble a team.

01:09:46:19 DANIEL (O/S): Sir, Colonel Mitchell is the one...

01:09:47:20 DANIEL (CONT'D): who should go. He's the one who knows the Sodan the best.

01:09:50:04 LANDRY: I agree, but Colonel Mitchell isn't here right now.

END OF ACT ONE

ACT TWO

01:10:15:16 LEE: Oh, hey, have you seen Colonel Carter?

01:10:17:11 DANIEL: Hey, I was just coming to ask you the same thing.

01:10:19:05 LEE: Really? Because she left her laptop in my lab.

01:10:21:22 DANIEL: She did?

01:10:22:11 LEE: Yeah, yeah. It's hooked up to that device that you picked up in Glastonbury.

01:10:27:02 (ELEVATOR CLOSSES)

01:10:32:21 LEE (O/S): There she is.

01:10:37:04 DANIEL: Fast forward.

01:10:43:00 LEE: There's Colonel Mitchell.

01:10:55:09 DANIEL: What just happened?

01:10:56:19 HARRIMAN: Looks like the camera went offline.

01:10:59:05 HARRIMAN (CONT'D O/S): Probably a power surge.

01:10:06:00 LEE: They're gone.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:11:10:05 DANIEL: Okay, bring up the security camera for the corridor outside Dr. Lee's...

01:11:13:10 DANIEL (CONT'D O/S): lab. Sync them up to 8:16...

01:11:16:20 DANIEL (CONT'D): and run them simultaneously.

01:11:34:11 DANIEL (CONT'D): Okay, if they didn't go through the doorway, how did they get
out of the room?

01:11:45:00 (FLASH OF LIGHT)

01:11:53:11 HADDEN: More staff blasts, just like back at the gate.

01:11:55:24 TEAL'C: Indeed. A battle took place here as well.

01:12:00:12 HADDEN: The Sodan have been hiding here for thousands of years. The only
reason we got the transporter codes is because Colonel Mitchell won
their trust. I doubt they would've given them to anyone else.

01:12:10:00 TEAL'C: And yet evidently they were attacked.

01:12:12:20 HADDEN: By who?

01:12:33:10 HADDEN (CONT'D): My God...Conway, Stevens, get back to the gate on the
double. Tell SGC we need med teams.

01:12:40:01 CONWAY: Yes, sir.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:12:41:11 HADDEN: Check the area...

01:12:42:00 HADDEN (CONT'D O/S): for survivors.

01:13:20:10 TEAL'C: Whomever did this knew well the most efficient way to kill a Jaffa. Their
symbiotes have been targeted. They were shown no mercy.

01:13:35:11 (HAIKON MOANING)

01:13:40:28 TEAL'C: Haikon.

01:13:45:18 HADDEN (O/S): Pulse is weak.

01:13:46:12 TEAL'C (O/S): He will not survive...

01:13:47:01 TEAL'C (CONT'D): long. His symbiote is dead.

01:13:49:12 HADDEN: Lieutenant, help me get him into one of these huts. We need to get
some tretonin in him, stat.

01:13:59:05 MITCHELL: Roast beef. The one time I can't eat, and they serve roast beef. Do
you know how many times I've...

01:14:05:05 MITCHELL (O/S): requested roast beef?

01:14:08:10 MITCHELL (CONT'D): This is torture.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:14:09:21 CARTER: It's only been a few hours.

01:14:11:11 MITCHELL (O/S): You're not...

01:14:12:07 MITCHELL (CONT'D): the least bit concerned about this? No one can see us or hear us. We can't touch anything, ergo no eating, no drinking, and I'm not going to speculate on the other bodily functions.

01:14:22:02 MITCHELL (CONT'D O/S): If they don't figure out a way to get us back--

01:14:24:26 CARTER: They'll figure it out.

01:14:36:18 LANDRY: What have you got, Doctor?

01:14:38:06 LEE: Well...we know that Sam was working on the device. We know the device does not give off any typical energy signatures emitted by Ancient transporter technology. This leads us to the conclusion that they disappeared without leaving the room.

01:14:54:09 LANDRY: How is that possible?

01:15:00:13 LEE: Miniaturization.

01:15:03:14 LEE (CONT'D): Don't panic. I have calculated the distance they could possibly travel on tiny legs, designated by this roped...

01:15:09:21 LEE (CONT'D O/S): off area. All we have to do...

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:15:12:02 LEE (CONT'D): is find them. Ronald, start with section 1-A.

01:15:25:25 TEAL'C: I was unable to locate any other survivors. What is his condition?

01:15:32:10 HADDEN: We don't know if the tretonin is going to take. Even then, his injuries
are pretty severe. Without a symbiote...

01:15:42:00 HAIKON (WHISPERING O/S) Volnek...

01:15:45:20 TEAL'C: Haikon. Haikon...fear not, brother. You are among friends.

01:15:53:24 HAIKON (FAINTLY): Teal'c...save yourself. You shouldn't be here.

01:16:00:16 TEAL'C: Tell me who has done this. Tell me who has caused this devastation.

01:16:07:05 HAIKON: Volnek.

01:16:09:28 HAIKON (CONT'D O/S): It was Volnek.

01:16:12:11 HADDEN: One man did this?

01:16:16:10 TEAL'C: Why would he turn on his people?

01:16:19:03 TEAL'C (CONT'D O/S): Tell me. Haikon...

01:16:23:18 TEAL'C (CONT'D): Haikon?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:16:25:02 CONWAY (V/O OVER RADIO): Major, come in!

01:16:26:09 HADDEN (O/S): This is Hadden. Go ahead.

01:16:27:28 CONWAY (V/O OVER RADIO): We're under attack, sir! Requesting backup
immediately--

01:16:32:20 HADDEN: McKenzie, you stay with him.

01:16:37:08 (BEEPING SOUND)

01:16:47:03 LEE (O/S): Oh, come on. It was just a theory.

01:16:49:20 LEE (CONT'D): Anyway, if I'd been right, you'd all be calling me a genius right
now.

01:16:52:16 DANIEL: Yes, but you weren't right. So, anything?

01:16:56:27 LEE: Ah, nothing significant. Fairly constant power readings, and uh, slight traces
of lepton radiation...

01:17:06:04 DANIEL: What?

01:17:07:10 LEE: What?

01:17:09:05 DANIEL: Lepton radiation?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:17:12:00 DANIEL (CONT'D): Lepton-- Lepton radiation?

01:17:13:28 LEE: Yeah, but like I said, only traces. I mean, there's nothing significant there.

01:17:18:00 DANIEL: Got to go.

01:17:22:19 HADDEN: Stevens!

01:17:28:00 TEAL'C: This one is alive.

01:17:38:09 CONWAY (FAINTLY): I never saw him. The shots...came out of nowhere.

01:17:45:09 TEAL'C: No doubt Volnek is using a Sodan cloak.

01:17:47:27 HADDEN: We got to get him back to the gate, now.

01:18:00:13 HADDEN (CONT'D): What's wrong?

01:18:01:22 (BEEPING)

01:18:03:20 TEAL'C: The code is not working.

01:18:10:21 (PULLS PANEL)

01:18:17:23 TEAL'C (CONT'D): Someone has removed one of the control crystals.

01:18:21:13 HADDEN: Then how are we supposed to get out of here?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:18:24:18

TEAL'C: We cannot.

END OF ACT TWO

ACT THREE

01:18:47:02 MITCHELL: Come on, Jackson, figure it out. I've already missed breakfast and lunch.

01:18:52:11 (FOOTSTEPS APPROACHING)

01:18:53:20 DANIEL: General.

01:18:54:21 LANDRY (O/S): Dr. Jackson.

01:18:55:14 LANDRY (CONT'D): I just came from Dr. Lee's lab. Please tell me you have better news.

01:18:59:01 DANIEL (O/S): I've been going over some of the...

01:19:00:04 DANIEL (CONT'D): texts we recovered from the cave in Glastonbury.

01:19:02:15 LANDRY (O/S): And?

01:19:03:15 DANIEL: Well, a lot of them seem to make oblique references to Arthurian legend. For instance, the word "Anawyn..."

01:19:07:29 DANIEL (CONT'D O/S): which shows up several times, is, I believe, a variation...

01:19:10:06 DANIEL (CONT'D): on Annwn, the Celtic Underworld, where King Arthur journeyed in search of 13 sacred objects...

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:19:15:18 DANIEL (CONT'D O/S): one of which was a cloak...

01:19:17:24 MITCHELL (O/S): What...

01:19:18:02 MITCHELL: the picture of the guy with big, blowing robes?

01:19:19:13 DANIEL: Said to render the...

01:19:19:22 DANIEL (CONT'D O/S): wearer invisible. It was called "The Mantle of Arthur," and
was kept at Bardsey...

01:19:23:07 DANIEL (CONT'D): Island by none other than our good friend Myrddin, whom we
know better as...

01:19:27:02 LANDRY: Merlin.

01:19:27:21 DANIEL: Exactly.

01:19:29:03 LANDRY: I have no idea where you're going with this.

01:19:31:13 MITCHELL: Me either.

01:19:32:13 DANIEL (O/S): Well, it wasn't until Dr. Lee told me that he detected...

01:19:34:11 DANIEL (CONT'D): trace amounts of lepton radiation from the device that I was
able to put it together.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:19:37:18 DANIEL: (CONT'D O/S): You see, the crystal skull that transported me...

01:19:40:13 DANIEL (CONT'D): to another dimension also released lepton radiation.

01:19:43:20 LANDRY: And you think the same thing happened to Colonel Carter and Colonel Mitchell?

01:19:46:16 MITCHELL (SHOUTING): You're damn right!

01:19:47:17 DANIEL: According to legend, the mantle makes the user invisible. Now, given what I've read and what's happened today, I'm guessing it wasn't literally a cloak at all.

01:19:54:14 LANDRY: It was the device we recovered.

01:19:56:10 DANIEL (O/S): It makes sense, sir.

01:19:57:28 DANIEL (CONT'D): Medieval historians could well have attributed the powers of the device to a cloak, simply because they didn't understand it, and they could...

01:20:02:09 DANIEL (CONT'D O/S): have credited its recovery to Arthur, out of deference to the king who was in power at the time. Now, given what we know now, it seems much more likely that it...

01:20:08:11 DANIEL (CONT'D): was Merlin who actually built the device.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:20:10:13 LANDRY (O/S): So why...

01:20:11:09 LANDRY (CONT'D): would Merlin build a device that could transport him to another dimension?

01:20:14:29 MITCHELL: Ooh. Today's "Daily Double."

01:20:16:11 DANIEL: Uh...yeah, that--that's the part I haven't quite figured out yet.

01:20:19:15 MITCHELL: So close...

01:20:20:16 DANIEL: But at least it points to the possibility that--both Colonel Mitchell and Colonel Carter may still be somewhere here on this base. Uh...we just...

01:20:28:08 DANIEL (CONT'D O/S): can't see or hear them.

01:20:46:00 HADDEN (O/S): We could make our way back to the gate on foot.

01:20:48:27 TEAL'C: I do not believe that would be wise. The journey would take months and the terrain is most treacherous.

01:20:53:26 HADDEN: There's not much for us here. We're going to run out of supplies before long.

01:20:59:25 TEAL'C: General Landry will send an extraction team when we fail to report.

01:21:03:01 HADDEN: And they'll end up stranded here, just like us.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:21:08:12 TEAL'C: We have food for the moment, and we can build shelter. Perhaps, when
 the extraction team arrives, we can repair the obelisk.

01:21:16:09 HADDEN: What about Volnek? He's still out there.

01:21:19:06 TEAL'C: Leave him to me.

01:21:21:10 HADDEN (O/S): Teal'c...

01:21:24:13 HADDEN (CONT'D): he took out an entire village.

01:21:27:09 TEAL'C: It was my understanding that those who use a Sodan cloaking device are
 invisible...

01:21:30:24 TEAL'C (CONT'D O/S): to everyone but each other.

01:21:32:25 HADDEN: So if you use that thing...

01:21:34:10 HADDEN (CONT'D O/S): you'll be able to see him?

01:21:35:25 TEAL'C: Indeed.

01:21:38:09 HADDEN (O/S): Didn't help that guy...

01:21:39:04 HADDEN (CONT'D): much though, did it?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:21:55:28 DANIEL (O/S): Now, when I was out of phase, I could see and hear everything going on around me, so it follows if they're in the...

01:21:59:24 DANIEL (CONT'D): same situation, they're hearing what we're saying right now.

01:22:02:28 LANDRY: Except they can't respond.

01:22:04:13 DANIEL: Maybe they can. They just don't know it. Now, what does that look like to you? First reaction.

01:22:08:25 LEE: A keyboard, except there's no visual interface.

01:22:12:07 DANIEL: Not here.

01:22:13:13 LEE: You mean it's on the other side?

01:22:15:27 DANIEL (O/S): Well, it stands to reason that Merlin would want the device to be...

01:22:18:03 DANIEL (CONT'D): interactive on both sides--this and the alternate dimension.
Now, the interactivity on this side is difficult to access. Now, I'm guessing as a type of safeguard against just anyone using the device.

01:22:26:20 LANDRY (O/S): But there'd be no reason to...

01:22:27:23 LANDRY (CONT'D): hide it on the other...

01:22:28:15 LANDRY (CONT'D O/S): side.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:22:29:07 (DEVICE CLICKING)

01:22:30:07 LEE (O/S): Whoa, whoa--

01:22:30:21 LEE (CONT'D): Did you see that?

01:22:32:08 DANIEL: Oh, yeah.

01:22:33:08 MITCHELL: Yeah!

01:22:34:23 DANIEL: Sam? Uh, Mitchell? If--if you can hear me, uh... Okay, let's call this
button...

01:22:41:12 DANIEL (CONT'D O/S): "yes," and this button "no."

01:22:45:20 DANIEL (CONT'D): Okay, uh, first question--Um, are you guys okay?

01:22:50:10 MITCHELL: Yep.

01:22:51:11 LEE: "Yes." Oh, thank God. I mean, now we're getting somewhere.

01:22:55:05 DANIEL (O/S): Okay...

01:22:55:15 DANIEL (CONT'D): um, besides the interactivity, is there anything else unusual on
your end?

01:22:59:04 (DEVICE CLICKS)

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:23:00:16 DANIEL (O/S): "Yes."

01:23:01:20 DANIEL (CONT'D): Something connected to the device?

01:23:04:07 MITCHELL: Would you call it connected?

01:23:04:29 CARTER: Yes, yes, yes.

01:23:05:09 MITCHELL: Yes.

01:23:06:04 (DEVICE CLICKS)

01:23:07:19 DANIEL (O/S): "Yes."

01:23:08:17 DANIEL (CONT'D): Is it some sort of display?

01:23:10:08 (DEVICE CLICKING CONTINUOUSLY)

01:23:11:08 LEE (O/S): But that's, uh...

01:23:12:00 LEE (CONT'D): That's an emphatic "yes".

01:23:13:08 DANIEL (O/S): Okay, thought so.

01:23:14:09 DANIEL (CONT'D): Um, can you read it?

01:23:19:02 (DEVICE CLICKS)

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:23:22:20 DANIEL: It's in Ancient, isn't it?

01:23:25:02 (DEVICE CLICKING CONTINUOUSLY)

01:23:28:21 DANIEL: Okay. Um. All right. Now...you guys are going to have to help me
translate what you see...

01:23:38:08 DANIEL (CONT'D O/S): but, you see, we don't know what pressing buttons
randomly will do, so we're going to have to stick with "yes" and "no," and
just do it...

01:23:45:02 DANIEL (CONT'D): one letter at a time.

01:23:47:12 LANDRY (O/S): This is going to take awhile?

01:23:48:08 : DANIEL (O/S): Oh, yeah.

01:23:49:14 LANDRY: Well, just keep me posted.

01:23:50:29 DANIEL: Yes, sir. Okay, um, first letter...

01:24:22:20 (BEAMING)

01:24:39:15 LANDRY: Status?

01:24:40:25 HARRIMAN: Still no word from Teal'c or SG-12.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:24:43:16 LANDRY: How long are they overdue?

01:24:44:20 HARRIMAN: Over an hour.

01:24:45:22 LANDRY (O/S): Tell Colonel Reynolds to prep an extraction team.

01:24:48:16 LANDRY (CONT'D): Have them ready to move out ASAP.

01:24:50:12 HARRIMAN: Yes, sir.

01:24:58:21 DANIEL: Okay. First letter, next word. Stop me when you see the right symbol.

01:25:04:00 MITCHELL (O/S): How's it going?

01:25:05:01 CARTER: Fantastic. We've almost completed the first sentence.

01:25:08:20 MITCHELL: Listen, you think you'll be okay on your own here for a while?

01:25:10:10 CARTER: Sure. Why?

01:25:12:03 MITCHELL: We've lost contact with Teal'c.

01:25:14:11 MITCHELL (CONT'D O/S): Landry's sending SG-3 and 22 to...

01:25:16:11 MITCHELL (CONT'D): check on him at the Sodan village. I figured I'd tag along.

01:25:19:29 CARTER: Off-world?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:25:20:19 MITCHELL: Yeah, well, Jackson was able to travel through the gate when he was out of phase, so, yeah.

01:25:26:22 CARTER: Well, that's my point. You're out of phase. What do you hope to accomplish?

01:25:30:04 MITCHELL (O/S): Sam...

01:25:30:28 MITCHELL (CONT'D): Teal'c could be in trouble. I want to check it out.

01:25:33:21 MITCHELL (CONT'D O/S): No one can see me, I can't get hurt...

01:25:37:04 MITCHELL (CONT'D): I can gather intel that no one else can.

01:25:41:15 DANIEL (O/S): Sam? Mitchell?

01:25:42:11 DANIEL (CONT'D): Did you see it?

01:25:43:12 MITCHELL (O/S): Listen, I promise...

01:25:45:18 MITCHELL (CONT'D): I'll come back through the gate when they dial to check in.
I'll only be gone a couple of hours.

01:25:49:28 DANIEL (O/S): Hello?

01:25:50:11 DANIEL (CONT'D): You guys still there?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:25:52:04 CARTER: Cameron--

01:25:52:21 MITCHELL (INTERRUPTING O/S): Sam.

01:25:54:15 MITCHELL (CONT'D): Teal'c may need help, and I have friends among the
Sodan. I'll be back soon, promise.

01:26:03:29 DANIEL: Like...slap a button or something. Okay, thank you. Um, first letter, next
word, and stop me when you see the right symbol.

01:26:33:11 (FOOTSTEPS APPROACHING)

01:26:49:18 (MULTIPLE STAFF BLASTS)

01:26:58:08 (MACHINE GUN FIRING)

01:27:24:09 (MULTIPLE STAFF BLASTS)

01:27:32:02 (DEVICE CLICKS)

01:27:34:08 DANIEL: "Yes." Okay. Next word...

01:27:37:18 LEE (O/S): That's it. I got--I finally figured out...

01:27:41:08 LEE (CONT'D): what Colonel Carter did to trigger the device.

01:27:44:20 LEE (CONT'D O/S): I had to run a reverse scan on all the energy fluctuations...

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:27:48:12 LEE (CONT'D): that we've been recording, put them through a program designed to...Anyway, I isolated...

01:27:53:10 LEE (CONT'D O/S): the algorithm she used to synchronize the energy emissions coming from the device.

01:27:57:15 DANIEL: What?

01:27:58:16 LEE: Don't you see? That means if I counteract Sam's algorithm from my computer, allow the emissions to return to their normal frequencies...that could well reverse the process.

01:28:12:23 LEE (CONT'D): Oh, just...give me a sec. This is brilliant.

01:28:19:03 (KEYBOARD CLICKING)

01:28:22:20 LEE: That should do it.

01:28:25:11 (FLASH OF LIGHT)

01:28:35:10 DANIEL: Sam.

01:28:36:12 CARTER: Daniel.

01:28:38:20 DANIEL: Bill, I will never doubt you again.

01:28:46:19 LEE: Oh, boy.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:28:52:04 LEE (CONT'D): Dr. Jackson, can--can you hear me?

01:28:59:00 LEE (CONT'D O/S): If you can, press this button for "yes."

01:29:05:11 (DEVICE CLICKS)

END OF ACT THREE

ACT FOUR

01:29:32:05 HADDEN: Teal'c! You all right?

01:29:36:03 TEAL'C (O/S): It is a light wound.

01:29:39:26 HADDEN (O/S): Lieutenant. What happened?

01:29:44:21 TEAL'C: I found Volnek.

01:29:46:18 HAIKON: Then you're, lucky to be alive.

01:29:51:12 TEAL'C: Haikon!

01:29:55:16 HAIKON: Others were not so fortunate.

01:29:58:00 HADDEN (O/S): He woke up a few minutes ago.

01:30:01:10 TEAL'C: What has happened to Volnek?

01:30:04:09 HAIKON: 10 days ago, he went to a neighboring world to acquire supplies for our
village.

01:30:14:13 HAIKON (V/O): On the way back to the chappa'ai, he encountered a Prior. He
was told that the Sodan had committed unforgivable treason against the
Ori.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:30:27:02 (PRIOR PLUNGES STAFF ON THE GROUND)

01:30:27:12 HAIKON (V/O): The Prior vowed that great ill would befall us, then planted his staff into the ground. Volnek returned to the village and told me of the encounter. We took the threat seriously, keeping a watchful eye on the chappa'ai. Several days passed without incident until...Volnek fell ill. He became irrational...incoherent. We isolated him, and treated him with our best medicines, but his condition worsened.

01:31:11:11 (VOLNEK MOANING)

01:31:22:21 HAIKON: Yesterday, he broke the bonds that were meant to restrain him.

01:31:29:14 HAIKON (CONT'D O/S): Our finest warriors attempted to subdue him...

01:31:32:19 HAIKON (CONT'D): but he killed them all with very little effort. He then turned on everyone in sight. His own brother, Jolan, was killed in the carnage that followed.

01:31:46:02 HAIKON (CONT'D O/S): Women and children fled to the woods and Volnek...

01:31:50:09 HAIKON (CONT'D): followed them and slaughtered them all...without mercy. To the best of my knowledge, I am the only one to have survived.

01:32:02:25 TEAL'C: Rest, brother. Rest.

01:32:07:14 REYNOLDS (O/S): SG-22, establish defensive perimeter!

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:32:11:20 REYNOLDS (CONT'D): SG-3, stick close to me.

01:32:21:07 TEAL'C: Colonel Reynolds.

01:32:22:14 REYNOLDS: Teal'c, what the hell happened here? Why haven't you checked in?

01:32:25:23 TEAL'C (O/S): The Eye of the Gods has been damaged.

01:32:27:10 HADDEN: We're trapped here and so are you.

01:32:29:25 TEAL'C: The Ori had a hand in what has transpired here.

01:32:32:03 REYNOLDS: The Ori?

01:32:33:04 TEAL'C (O/S): We have much to discuss.

01:32:35:14 TEAL'C (CONT'D): Come.

01:32:51:19 LEE (V/O): Okay, if you're still there, I've given it some thought, and my guess is...

01:32:55:23 LEE (CONT'D): it should be a simple matter of reversing the process. I'm on it.

01:33:01:24 DANIEL: Is that supposed to be reassuring?

01:33:07:05 DANIEL (CONT'D): Where's Mitchell?

01:33:08:20 CARTER: He went off-world with the extraction team.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:33:10:23 MITCHELL: What?

01:33:11:26 CARTER: He was convinced he could help Teal'c. I couldn't talk him out of it.

01:33:15:15 DANIEL: Why doesn't that surprise me?

01:33:17:22 CARTER: There's no sense in worrying about that now. On the bright side, the
translation will go a lot quicker now that you're here.

01:33:32:29 DANIEL (O/S): Okay, this is interesting.

01:33:35:11 DANIEL (CONT'D): It appears to be a log of some kind. Merlin was conducting
research on some kind of new invention.

01:33:44:21 (HOLOGRAM SOUND)

01:33:47:25 DANIEL: And it was something big. He went to great lengths to try and hide it.
This device was invented for the sole purpose of keeping his research a
secret. He needed a way to conceal it from...

01:34:04:22 CARTER: Daniel? Merlin needed to conceal his research from...

01:34:10:05 DANIEL: His fellow Ascended beings.

01:34:13:20 CARTER: But, if he was Ascended, he must have...

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:34:16:15 CARTER (CONT'D O/S): retaken human form to perform his research. I don't get it. What invention...

01:34:20:22 CARTER (CONT'D): could have been so important that it would have led him to give up his ascension?

01:34:25:05 DANIEL: A weapon. A weapon capable of destroying Ascended beings.

01:34:38:05 REYNOLDS: You hit him with two P-90s, and he didn't die? How is that possible?

01:34:41:13 TEAL'C: We have encountered something like this before, an Ancient device capable of reanimating dead tissue.

01:34:47:17 TEAL'C (CONT'D O/S): Anubis used a similar technology to give life to his Kull warriors.

01:34:50:15 HADDEN: I'm assuming there's no cure.

01:34:52:04 TEAL'C: The Volnek we knew is dead.

01:34:54:09 REYNOLDS (O/S): So how do we stop him...

01:34:55:28 REYNOLDS (CONT'D): it, whatever?

01:34:57:13 TEAL'C (O/S): By destroying the body entirely.

01:35:01:19 HADDEN: Claymores?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:35:02:11 MITCHELL (O/S): Oh, that's...

01:35:03:00 MITCHELL (CONT'D): what I'm talkin' about.

01:35:04:21 HADDEN (O/S): We just plant two of them opposite each other...

01:35:06:17 HADDEN (CONT'D): and run a tripwire right through the middle. Then all we got to do is lure him in.

01:35:11:12 REYNOLDS: Piece of cake. While we're at it, maybe we can teach him how to speak Japanese.

01:35:17:13 TEAL'C: I will do it.

01:35:18:24 MITCHELL: What?

01:35:20:02 REYNOLDS (O/S): Teal'c, the kill zone is going to be huge.

01:35:22:12 REYNOLDS (CONT'D): You're going to have to be awful quick to get out of it.

01:35:24:07 TEAL'C: Understood.

01:35:25:19 MITCHELL: No. Now, that's just crazy.

01:35:27:23 HADDEN (O/S): Let's at least wait for...

01:35:29:05 HADDEN (CONT'D): reinforcements.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:35:30:03 TEAL'C (O/S): Waiting will only put the lives of others at risk.

01:35:32:20 TEAL'C (CONT'D): Volnek was clever enough to disable the Eye of the Gods.
 Undoubtedly, the missing crystal is in his possession.

01:35:38:11 TEAL'C (CONT'D O/S): The only way we can return to Earth is to retrieve it and
 the...

01:35:41:15 TEAL'C (CONT'D): only way that we can do that is by killing Volnek. There is no
 other way.

01:35:56:05 DANIEL: Merlin believed that the Ori represented a significant threat to the safety
 of this galaxy, including the Ancients themselves who refused to take any
 action to protect themselves against them.

01:36:05:27 CARTER: So he went ahead and developed the weapon anyway?

01:36:07:25 DANIEL: Well, he found a way of doing it without their knowing about it, by shifting
 his research to another dimension.

01:36:12:28 CARTER: So, the weapon, did--did he ever complete it?

01:36:17:05 DANIEL: Oh... See, this is all technical--way over my head. I wish you understood
 Ancient. These notes seem to indicate that he completed the weapon
 here on Earth, and then had to relocate it to...

01:36:34:04 CARTER: I don't need to know Ancient to understand what that is.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:36:37:14 DANIEL: A gate address to where he hid the weapon.

01:36:53:12 REYNOLDS: Claymores are ready.

01:36:57:02 TEAL'C: You and your men establish a perimeter. I will lead Volnek into the trap.

01:37:02:22 REYNOLDS: You sure you want to do this?

01:37:05:13 TEAL'C: I am.

01:37:15:29 LEE: Okay...I'm...

01:37:19:20 LEE (CONT'D O/S): I'm going to try to make an adjustment to the algorithm. It's a
bit of a long shot...

01:37:24:03 LEE (CONT'D): but if I can get this to sync up hmm...

01:37:28:09 (HOLOGRAM FRITZES)

01:37:30:03 DANIEL: Uh-oh.

01:37:30:03 CARTER (SIMULTANEOUSLY): Uh-oh.

01:37:31:04 LEE: Uh-oh.

01:37:34:16 LEE (CONT'D): Oh...no. Um... Hello? This is Dr. Lee. I, um...I'd like to speak with
General Landry, please.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:37:48:15 LEE (CONT'D O/S): Yeah, it's a bit of an emergency.

01:37:53:10 MITCHELL: You know, there's a fine line between crazy-brave and crazy-crazy,
my friend, and you are walking it. You realize he took out an entire
Sodan village?

01:38:08:13 (TEAL'C ACTIVATES WRIST DEVICE)

01:38:13:10 MITCHELL (O/S): You know, the last thing...

01:38:14:09 MITCHELL (CONT'D): I need is for you to get yourself killed. Do you realize how
long it'll take me to find a replacement?

01:38:19:23 TEAL'C: You worry far too much, Colonel Mitchell.

01:38:23:01 MITCHELL: Wha--you can hear me now?

01:38:26:17 TEAL'C: And see you.

01:38:30:05 MITCHELL: You're not surprised?

01:38:31:07 LANDRY: What is it? What's going on?

01:38:34:11 LEE: I'm not sure, but I may have accidentally drained a significant portion of the
machine's power supply.

01:38:41:06 LANDRY (O/S): How significant?

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:38:42:20 LEE (O/S): According to these readings...

01:38:43:25 LEE (CONT'D): it--it could reach critical failure inside 15 minutes.

01:38:47:16 LANDRY: And what happens to Carter...

01:38:49:00 LANDRY (CONT'D O/S): Mitchell, and Daniel?

01:38:51:21 CARTER: In all likelihood, we'll be permanently stranded.

END OF ACT FOUR

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:40:09:23 MITCHELL (CONT'D O/S): Oh...

01:40:10:09 MITCHELL (CONT'D): there you are. I was getting worried.

01:40:14:20 (STAFF BLAST)

01:40:20:07 MITCHELL (O/S): Sorry. You...

01:40:21:01 MITCHELL (CONT'D): got to do better than that.

01:40:26:20 MITCHELL (SHOUTING CONT'D): Come on, big fella!

01:40:31:05 (STAFF BLASTS)

01:40:56:01 MITCHELL (O/S): There you go. Come on...

01:40:56:20 MITCHELL (CONT'D): and get you some.

01:40:59:17 (MULTIPLE STAFF BLASTS LANDING)

01:41:10:12 CARTER: We're running out of time.

01:41:11:12 DANIEL (O/S): Okay, I think I've got it. This looks like some sort of...

01:41:13:03 DANIEL (CONT'D): master control screen. Yeah. Here it is. It's a button combination.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:41:21:00 DANIEL (CONT'D): If this works, what happens to Mitchell?

01:41:24:17 CARTER: I don't know. All right. It's possible there's still a subspace connection linking him to the device.

01:41:31:10 DANIEL: And if there isn't?

01:41:37:29 LANDRY (O/S): Doctor.

01:41:39:01 LEE (O/S): Okay...

01:41:40:16 LEE (CONT'D): I'm going to try and make an adjustment to the algorithm. It's a bit of a long shot--

01:41:43:21 LANDRY (INTERRUPTING): You better be sure about this, Doctor, because if you make me disappear there won't be a dimension safe enough for you.

01:41:56:03 (CLICKS)

01:41:59:10 (FLASH OF LIGHT)

01:42:05:03 MITCHELL: Come on, don't give up! Come on!

01:42:07:21 MITCHELL (CONT'D O/S): Come on!

01:42:10:20 (FLASH OF LIGHT)

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:42:20:09 MITCHELL: Oh, crap.

01:42:25:11 LANDRY: You did it.

01:42:31:12 LEE: No, actually, I didn't.

01:42:33:25 CARTER (O/S): It was Daniel.

01:42:34:23 CARTER (CONT'D): He figured it out.

01:42:38:06 LANDRY: Where's Colonel Mitchell?

01:42:39:26 DANIEL: Oh...

01:42:39:26 CARTER (SIMULTANEOUSLY): Oh...

01:42:45:05 (PUNCHING SOUNDS)

01:43:09:22 (MACHINE GUN FIRING)

01:43:15:01 (TEAL'C DEACTIVATES WRIST DEVICE)

01:43:24:20 (EXPLODES)

01:43:39:19 MITCHELL (O/S): You know, the whole point of my coming here...

01:43:42:09 MITCHELL (CONT'D): was for me to rescue you.

STARGATE SG-1 - "Arthur's Mantle" - Episode #0918

01:43:45:19 TEAL'C: You are most welcome, Colonel Mitchell.

01:43:49:27 MITCHELL: Now, let's see him get up from that one.

01:43:52:25 TEAL'C (O/S): Unfortunately...

01:43:53:20 TEAL'C (CONT'D): we must now locate the crystal.

01:43:55:26 MITCHELL: What, you talking about this crystal?

01:43:57:25 MITCHELL (CONT'D O/S): I took it off him during the fight.

01:43:59:20 MITCHELL (CONT'D): You know, if we hurry, we'll make it in time for dinner.
